I am a resident of Santa Clara and am writing you to urge you TO NOT ACCEPT the proposed settlement. DO NOT ALLOW the 49ers and that POS Jed York to further his ownership over the Santa Clara 5 and by association, the City of Santa Clara. Accepting this settlement will add very to our general fund in comparison to what winning the legal battle would do for our fine city. Now is not the time to sellout. Settling this case would be a HUGE loss for all of Santa Clara. Make Jed pay what he owes!

BTW, this SnataClaraNow thing is a pathetic joke and it's paid for by the Forty Niners Football Company, LLC. I guess we weren't supposed to notice that ? I'm also sending a copy of this directly to the Mayor because the Forty Niners Football Company will delete this letter.

Suck it Jed!
