

RESPONSE TO COUNCIL QUESTIONS RE: APRIL 9, 2024 AGENDA

Agenda Item 3F: Action on Award of Contract for the Permanent Changeable Message Signs Project to Tennyson Electric, LLC. and Related Budget Amendments

Council Question:

It is unclear to me how much of this \$3M will come from Stadium Authority versus Gas Tax Fund and our General Fund.

Staff Response:

SCSA funded \$1M. There are no General Fund dollars for this project. The remaining funds are through Gas Tax (\$2.2m) and Vehicle Registration Fees (\$400k).
