

Virtual Public Outreach Meeting

June 3rd at 6:00 p.m.

SC Hotel Development, invites you to participate in a public outreach meeting for the proposed Hilton Santa Clara hotel expansion project. The proposed project would allow the replacement of the surface parking lot located behind the existing hotel with a new hotel building, including a ground floor lobby, 7 levels of parking, 12 stories containing 319 hotel rooms, and a rooftop bar and restaurant facing towards the Levi's Stadium. At the virtual meeting, SC Hotel Development will present the proposed project and City staff will be participating to receive feedback and respond to procedural questions. Information on the proposed project is posted at the link below and you can contact City of Santa Clara Project Planner, Elaheh Kerachian with any questions or comments.
