

Habitat for Humanity EBSV Condominium Project  
3575 De La Cruz, Santa Clara

We build strength, stability, and self-reliance  
through shelter.

- 36+ years of experience providing quality affordable housing throughout the Bay Area.
- Local Efforts - Over 10 completed projects in Silicon Valley, including Gianera 1 and 2 in Santa Clara
- Served over 13,000 people in Alameda, Contra Costa, and Santa Clara Counties
- Innovative - Building multi-home developments and pioneering green building designs since

# Community Members Served by Habitat

---

## *Provide affordable housing to a range of income categories and household types*

- Habitat homes will be affordable to working families in very low, low- and middle-income occupations such as:
  - Teachers and Instructors at all levels
  - Public agency employees
  - Retail/restaurant/service/office workers
  - Other occupations with incomes of 40-120% of the Area Median Income for Santa Clara County
- In 2022, this is a household income of approximately \$53,900-\$200,100 (dependent on household size)
