

## AGENDA REPORT

---

**Date:** June 28, 2016

**To:** City Manager for Council Action  
Executive Director for Stadium Authority Action

**From:** Chief of Police and City Attorney

**Subject:** Approval of Amendment No. 2 to the Standard Agreement with the California Highway Patrol for Traffic Control Related Services for Levi's Stadium Events

### EXECUTIVE SUMMARY

On May 6, 2014, the City Council approved a standard agreement with the California Highway Patrol (CHP) for traffic control and support services provided by the CHP for special events at Levi's® Stadium in the amount of \$1,724,811.00 covering the time frame of July 1, 2014 – through June 30, 2016. The Santa Clara Police Department does not have the personnel to fully staff all stadium events. The City has to rely on agencies, like the CHP, to provide additional public safety resources when those needs arise.

On July 14, 2015, the City Council approved Amendment No. 1 to the standard agreement with the California Highway Patrol (CHP) increasing the original contract by an additional \$1,000,000.00. The change was due to the fact that the anticipated number of stadium events increased from twenty-three (23) to forty-five (45).

Amendment No. 2 to the standard agreement with the California Highway Patrol (CHP) for traffic control services for special events extends the term of the Agreement by an additional 24 months, from July 1, 2016 to June 30, 2018, and adds funds in the amount of \$1,700,000.00 for a total not to exceed, \$4,424,811.00. Under the Agreement, CHP officers from the San Jose Area Office will provide necessary traffic control and support for Levi's® stadium events, subject to the hourly rates indicated in the Agreement. A copy of the Agreement Amendment can be viewed on the City's website or is available in the City Clerk's Office during normal business hours.

### ADVANTAGES AND DISADVANTAGES OF ISSUE

The advantages of this Agreement Amendment are that the CHP can continue to provide necessary traffic control for Levi's Stadium events and that the duties and responsibilities of the City and the CHP are clearly set forth. The CHP has been an essential partner and have provided radios, vehicles and other necessary equipment plus services for Highways 101 and 237, which they have jurisdiction over.

### ECONOMIC/FISCAL IMPACT

It is anticipated that these traffic control costs will be reimbursed as public safety costs per the Stadium Lease Agreement.

**RECOMMENDATION**

That the Council approve and authorize the City Manager to execute Amendment No. 2 to the Standard Agreement with California Highway Patrol, in an amount not to exceed \$1,700,000, for a total amount not to exceed \$4,424,811, and to extend the term of the Agreement by an additional 24 months from July 1, 2016 to June 30, 2018, for traffic control and support related services for Levi's Stadium events.
