Hi Tim and Dawn,

Absolutely, thank you for reaching out. The application on file is an appeal of the Community Development Director's denial of a zoning clearance to allow a smoke shop to locate within the existing commercial building. In other words, an application was submitted for a new smoke shop at [770 Kiely Blvd](#), and the application was denied because a smoke shop is not allowed at that location. An appeal was filed to contest the denial.

Hello Tracy

We're the Thompson at [765 Fairlane Ave, Santa Clara, CA 95051](#). Can you share with a little more information about the proposed project. We live behind 2868 Homestead and we're concerned that some day both the apartments , cooking cooking and the pizza parlor Kaiser building will go high density. Any information would be appreciated.
