A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF SANTA CLARA, CALIFORNIA APPROVING A VESTING TENTATIVE SUBDIVISION MAP AT 1205 COLEMAN AVENUE, SANTA CLARA

SCH#2017022066 CEQ2016-01025 (EIR) PLN2016-12318 (General Plan Amendment and Rezoning) PLN2016-12321 (Vesting Tentative Subdivision Map) PLN2017-12481 (Development Agreement)

## BE IT RESOLVED BY THE CITY OF SANTA CLARA AS FOLLOWS:

**WHEREAS,** on November 9, 2016, TOD Brokaw, LLC ("Owner") made an application for the development of a 21.4 acre site located at 1205 Coleman Avenue (APNs: 230-46-069 and 230-46-070), which is currently undeveloped ("Project Site") and within the Santa Clara Station Focus Area:

WHEREAS, the application proposes a General Plan Amendment from Santa Clara Station Regional Commercial (commercial up to 3.0 Floor Area Ratio (FAR)), Santa Clara Station High Density Residential (37-50 dwelling units per acre (du/ac)), and Santa Clara Station Very High Density Residential (51-100 du/ac) to Santa Clara Station Very High Density Residential (51-120 du/ac) with a minimum commercial FAR of 0.20, and amend the General Plan Land Use Map (Figure 5.4-4) for the Santa Clara Station Focus Area to reflect the General Plan change;

**WHEREAS**, the General Plan Amendment includes an amendment to the Climate Action Plan setting forth vehicle trip reduction targets for the land use classification;

WHEREAS, Owner simultaneously applied for a Zoning Code text amendment to add a new zoning designation of Very High Density Mixed Use (VHDMU); and a rezone of the Project Site from Light Industrial (ML) to the new VHDMU designation to allow the construction of 1,600 multi-family dwelling units, an 182,000 square foot full-service hotel with 225 rooms, 25,000 square feet of ground floor ancillary retail, surface and structured parking, private streets,

Resolution/ Gateway Crossing Vesting Tentative Subdivision Map Rev. Rev: 11/22/17 landscaped open space, on- and off-site public right-of-way improvements, and site

infrastructure and utilities to support the development (Project");

WHEREAS, pursuant to Section 17.05.210 of the Code of the City of Santa Clara ("SCCC"), a

Tentative Subdivision Map shall be required for all divisions of land into five or more parcels;

WHEREAS, on September 11, 2018 the Subdivision Committee determined that the application

was complete and that the proposed Vesting Tentative Subdivision Map should proceed to the

Planning Commission in conformance with Section 17.05.300(e)(2) of the SCCC;

WHEREAS, SCCC Section 17.05.300(g) requires that the Planning Commission make

recommendations of denial, approval or conditional approval to the City Council on the

Tentative Subdivision Map;

WHEREAS, on November 14, 2018, the Planning Commission conducted a duly noticed public

hearing to consider the proposed Vesting Tentative Subdivision Map, at the conclusion of which

the Commission voted to recommend that the City Council approve the Vesting Tentative

Subdivision Map;

WHEREAS, a Draft Environmental Impact Report ("DEIR") was prepared in accordance with

CEQA and the City circulated copies of the DEIR and Notice of Availability to the public

agencies which have jurisdiction by law with respect to the Project, as well as to other interested

persons, organizations and agencies, and the City sought the comments of such persons,

organizations and agencies. The City prepared and circulated written responses to the

comments received during the Comment Period and included those responses in a Final

Environmental Impact Report ("FEIR");

WHEREAS, a Mitigation Monitoring and Reporting Program has been prepared for

implementation with Project development to reduce potentially significant impacts identified in

the EIR, to less than significant levels, and a Statement of Overriding Considerations for the

significant unavoidable impacts that cannot be mitigated to less than significant has been

prepared in accordance with CEQA;

WHEREAS, the City Council held a duly noticed public hearing on December 4, 2018, at the

close of which, the City Council continued the Project to allow for additional public outreach and

consideration of revisions to the Project:

WHEREAS, the Owner conducted two additional community public outreach meetings following

the December 4, 2018 City Council meeting and subsequently revised the Project in response

to community input to include 1,600 multi-family dwelling units, a 162,000 square foot hotel with

225 rooms, 25,000 square feet of ground floor ancillary retail, two public parks, surface and

structured parking, private streets, landscaped open space, on- and off-site public right-of-way

improvements, and site infrastructure and utilities to support the development ("Revised

Project"),

WHEREAS, the Subdivision Committee reviewed the revised Vesting Tentative Subdivision

Map on April 30, 2019to create two commercial parcels, four mixed use residential and

commercial parcels, two dedicated park parcels and six common lots to serve the development:

WHEREAS, on May 7, 2019, the Subdivision Committee determined that the application was

complete and in general conformance with the Vesting Tentative Subdivision Map reviewed by

Planning Commission on November 14, 2018, and determined that it should proceed to the City

Council;

WHEREAS, notice of the public hearing on the proposed Vesting Tentative Subdivision Map

was published in The Weekly (formerly the Santa Clara Weekly), a newspaper of general

circulation for the City, on May 8, 2019 for the Council meeting of May 21, 2019;

WHEREAS, on May 10, 2019, notices of the public hearing on the proposed Vesting Tentative

Subdivision Map were posted at three conspicuous locations within 300 feet of the Project Site

and mailed to property owners within an expanded notification radius to include approximately

4,800 properties on May 10, 2019 for the Council meeting of May 21, 2019, and to all local

agencies expected to provide essential facilities or services to the Project;

Resolution/ Gateway Crossing Vesting Tentative Subdivision Map Rev. Rev: 11/22/17

Page 3 of 7

WHEREAS, the City Council held a duly noticed public hearing on May 21, 2019 and following

public testimony, continued the public hearing to July 9, 2019 with the request to the Owner to

increase retail floor area in the project design:

WHEREAS, the Owner subsequently modified the project design to provide 1,565 residential

units, a 152,000 square hotel with 225 rooms, and 45,000 square feet of ancillary retail on-site

("Final Project") without change to the proposed Vesting Tentative Subdivision Map;

WHEREAS, an analysis of the environmental impacts of the Final Project was completed

comparing the effects of the changes in residential unit count and commercial floor area with the

impacts identified in the DEIR and concluded that the Final Project would not result in new

impacts or a substantial increase in the severity of any significant impacts disclosed previously

in the DEIR, and are not considered significant new information pursuant to CEQA Guidelines

Section 15088.5; and

WHEREAS, on July 9, 2019, the City Council conducted a continued public hearing at which

time all interested persons were given an opportunity to provide testimony and the City Council

considered the information presented in the Staff Report, and all verbal and written evidence

NOW THEREFORE, BE IT FURTHER RESOLVED BY THE CITY COUNCIL OF THE CITY OF

**SANTA CLARA AS FOLLOWS:** 

1. That the City Council hereby finds that the above Recitals are true and correct and by

this reference makes them a part hereof.

2. Vesting Tentative Subdivision Map Findings. Pursuant to California Government Code

Sections 66426 and 66428 and SCCC Section 17.05.300(h), the City Council finds and

determines that:

A. The Vesting Tentative Subdivision Map is consistent with the objectives.

policies, general land uses and programs specified in the City's General Plan in that the Vesting

Tentative Subdivision Map subdivides the existing 21.4 acre Project Site into a two commercial

parcels, four mixed use residential and commercial parcels, two dedicated public park parcels

and six common parcels for development of 1,565 multi-family dwelling units, an 152,000

square foot hotel with 225 rooms, 45,000 square feet of ground floor ancillary retail, two public

parks, surface and structured parking, private streets, landscaped open space, on- and off-site

public right-of-way improvements, and site infrastructure and utilities to support the development

compatible with existing and planned land uses in the Santa Clara Station Focus Area

surrounding the Project Site, subject to conditions set forth in the Conditions of Vesting

Tentative Subdivision Map Approval, attached hereto and incorporated by this reference.

B. The design and improvements of the proposed subdivision are consistent with

the City's General Plan in that the Vesting Tentative Subdivision Map facilitates development of

a high density mixed use project in proximity to transit. The residential component includes

affordable and market rate units that contribute to the City's housing stock, assists to offset the

jobs/housing imbalance, and provides ridership to maximize local and regional investments in

transit infrastructure. The commercial and park components provide services and amenities to

support residents, employees and visitors on-site and assist to reduce vehicle miles travelled

with the integration of land uses in Project development. The Project transforms the property

from a vacant light industrial use to an active mixed use development that would transition in

scale and intensity of use with existing and planned land uses in the Santa Clara Station Area

surrounding the Project Site and serve as a catalyst for investment in the Project area to support

increased transit ridership and General Fund revenues.

C. The site is physically suitable for the proposed type of development, in that the

Project is an infill transit-oriented mixed use development that includes a mix of high density

housing, local and regional commercial uses, parks and landscaped open space and street

frontages, and public and private improvements as contemplated in the Santa Clara Station

Focus Area.

D. The site is physically suitable for the proposed density of development, in that the

Project Site is located in an urbanized area and is served by existing utilities and infrastructure.

E. The design of the subdivision and type of improvements are not likely to cause

serious public health problems, in that the Project is a transit supportive mixed use development

consisting of 1,565 multi-family dwelling units, an 152,000 square foot hotel with 225 rooms,

45,000 square feet of ground floor ancillary retail and associated public and private

improvements to support the development that is compatible with existing and planned

development surrounding the Project Site; that will include and implement Covenants

Conditions and Restrictions for operation and maintenance of the buildings and site

improvements; and that does not propose the use of hazardous materials.

F. The design of the subdivision and type of improvements are not likely to cause

substantial environmental damage and will not substantially or unavoidably injure fish or wildlife

or their habitat in that the Project is located in an urbanized setting, on a developed site, and

includes mitigation measures, as identified in the EIR, that reduces impacts to biological

resources to less-than-significant levels.

G. The design of the subdivision and type of improvements will not conflict with

easements acquired by the public at large or use of property within the proposed subdivision in

that the Project is designed to avoid encroachment and conflicts with public easements in the

site design.

H. The Vesting Tentative Subdivision Map provides, to the extent feasible, for future

passive or natural heating or cooling opportunities, in that it would allow flexibility in the

development standards to maximize the benefits of green building standards for site and

building design.

3. Based on the findings set forth in this Resolution and the evidence in the Staff Report,

EIR and such other evidence as received at the public hearings on this matter before the City

Council, the City Council hereby approves the Vesting Tentative Subdivision Map, substantially

in the form on file as shown on the attached Vesting Tentative Subdivision Map and Conditions

of Vesting Tentative Subdivision Map Approval, hereby incorporated by this reference.

4. <u>Effective date</u>. This resolution shall become effective immediately.

I HEREBY CERTIFY THE FOREGOING TO BE A TRUE COPY OF A RESOLUTION PASSED AND ADOPTED BY THE CITY COUNCIL OF THE CITY OF SANTA CLARA, CALIFORNIA, AT A REGULAR MEETING THEREOF HELD ON THE 9<sup>th</sup> DAY OF JULY, 2019, BY THE FOLLOWING VOTE:
