Re: **NRS-KRS 115kV Transmission Line Project**
Property Address: 3800 Bassett Street, Santa Clara, CA 95054
APN: 104-14-160

Dear Mr. Graham:

As you know, the City of Santa Clara ("City") has approved plans to construct its new 115 kilovolt (kV) overhead transmission line from the Northern Receiving Station (NRS) to Kifer Receiving Station (KRS) Project ("Project"). In order to construct the Project, the City requires an overhead electric easement from you at the property located at 3800 Bassett Street, Santa Clara, CA 95054 ("Property").

We have not come to an agreement for a voluntary sale of these easement rights; therefore, the City Council will hold a hearing and consider adopting a Resolution of Necessity. If adopted, the Resolution of Necessity functions as a declaration that public use and necessity requires the acquisition of an overhead electric easement on the Property for the Project. To that end, please find enclosed a Notice of Intention to Adopt Resolution of Necessity, stating that the hearing before the City Council is scheduled for **June 24, 2025**. If you wish to appear at the hearing and address the City Council, please complete the enclosed Request to be Heard and return it to the City Clerk in advance of the hearing.

Sincerely,

A handwritten signature in black ink, appearing to read "N. Procos".

PROJECT**

YOU ARE HEREBY NOTIFIED, pursuant to Section 1245.235 of the California Code of Civil Procedure, that the City of Santa Clara intends to consider adoption of a Resolution of Necessity to Condemn Interest in Real Property for a new 115 kilovolt (kV) overhead transmission line from the Northern Receiving Station (NRS) to Kifer Receiving Station (KRS) Project (Project). The interest to be acquired is an Overhead Electric Easement as described and depicted in Exhibit A and Exhibit B.

NOTICE IS FURTHER GIVEN, that on June 24, 2025 at 7:00 p.m. or as soon thereafter as the matter can be heard, at the City Council Chambers, City Hall, 1500 Warburton Ave. Santa Clara, California, the City Council will hear all protests in relation to the adoption of the proposed Resolution of Necessity authorizing the filing of eminent domain proceedings for the acquisition of the Overhead Electric Easement as described above.

At said hearing, the City Council may establish the following:

1. The public interest and necessity require the Project.
2. The Project is planned or located in the manner that will be the most compatible with the greatest public good and the least private injury.
3. The property sought to be acquired is necessary for the Project.
4. The environmental review required by law has been prepared and adopted.
5. The offer required by Section 7267.2 of the Government Code has been made to the owner(s) of record for the full amount established as the fair market value of the property.

YOU ARE HEREBY NOTIFIED that you may appear at the hearing and be heard on Items 1, 2, 3, 4, and 5 above only. If you wish to appear and be heard on these matters, please submit a written request within fifteen days of the date of mailing of this notice. Please direct any such requests to:
