CONTRACTOR must record the number of guest meals served and keep guest fees separate from participant contributions. CONTRACTOR may keep guest fees received. The cost of providing guest meals may not be included in the quarterly reconciliation.
- c. Staff Meals: Nutrition services staff under the age of 60 may receive a meal if doing so will not deprive an older individual of a meal or add to the cost of meals prepared. CONTRACTOR must record the number of nutrition services staff meals served. The cost of providing staff meals may not be included in the quarterly reconciliation.

14. **MANDATORY ATTENDANCE**

CONTRACTOR must have a representative attend every required training and meeting offered by the COUNTY that is specific to the Senior Nutrition Program.

15. **PURCHASES**

COUNTY may require CONTRACTOR, by written notice, to obtain approval of COUNTY for all purchases of food and materials. Approval will not be withheld by COUNTY except for good cause.

16. **NON-EXPENDABLE PROPERTY**

Any acquisition by CONTRACTOR of non-expendable property with a retail purchase price in excess of five-thousand dollars (\$5,000.00), that is required by CONTRACTOR for performance of this Contract, must require prior written approval of COUNTY. COUNTY will be the legal owner of all equipment that is purchased with COUNTY funds. COUNTY may take possession of its equipment if it is not being used primarily for program purposes and will determine disposition of that equipment upon expiration or termination of this contract.

17. **COMPETITIVE BID REQUIREMENTS**

- a. All equipment purchases by the CONTRACTOR exceeding five-thousand dollars (\$5,000.00) must be procured through a competitive process in compliance with Sourcewise's bidding procedures unless services or materials can be obtained only from a single source. Any procurement exceeding ten-thousand dollars (\$10,000.00) must also comply with the requirements of Office of Management and Budget Circular Uniform Guidance.
- b. Unless CONTRACTOR uses the COUNTY's designated vendor, prior to making any equipment purchase that has a value of five-thousand dollars

Exhibit B: Program Plan & Requirements

(\$5,000.00) or more, CONTRACTOR will submit to COUNTY evidence that it has received a minimum of three (3) bids for such subcontract and justification for selection of the successful bidder or submit documentation to support the use of the sole supplier. Record shall be maintained by CONTRACTOR showing the parties solicited and the bids submitted.

18. OVERTIME WORK

Overtime work expenditures that are incurred by the CONTRACTOR will not be paid by reducing services or meals under this contract.

19. RESTRICTION OF DISCLOSURES

Any reports, analysis, studies, drawings, information or data generated as a result of this contract are to be provided to COUNTY prior to public dissemination.

20. MEAL VERIFICATION AND ERROR RATES

CONTRACTOR must create and provide accurate electronic and paper documentation for the total number of meals provided and invoiced each month.

Paper documentation of the number of monthly meals provided includes both monthly reports, New Client Logs, Guest and Staff meal logs, and daily sign-in sheet for the meals distributed. Monthly reports are submitted to the COUNTY per section 11(d) above. Sign-in sheets are described in the Senior Nutrition Program policies and procedures manual and must be submitted to COUNTY monthly. Sign-in sheets and New Client Logs are verification of the number of meals included on the monthly reports and the total number of signatures and reported meals must match. COUNTY will not reimburse for meals reported on the monthly report for which there is no signature on a sign-in sheet or signatures on the new client log.

Electronic documentation is described in section 11(a) above and includes electronic meal data collected through the use of a scanning device or entry into a COUNTY-provided system. Electronic data report may be accepted by COUNTY as back-up documentation for the monthly report in lieu of a sign-in sheet. COUNTY will not reimburse for meals reported on the monthly report for which there is no electronic documentation unless otherwise verified in a manner acceptable to COUNTY, such as with a new client log.

Electronic data also must be reconcilable to Sourcewise's AssureCare database. If electronic documentation is not reconcilable to Sourcewise's Assurecare database an error rate is created. If CONTRACTOR's electronic data exceeds an error rate of 5%, COUNTY may withhold a percentage of CONTRACTOR's invoice equivalent to the percentage of the error rate exceeding the 5% threshold. For example, if CONTRACTOR has an error rate of 23%, COUNTY may withhold 18% (23% - 5%) of CONTRACTOR's invoice for that month. However, if Sourcewise reimburses COUNTY for the meals that create this error rate, then the County will not withhold any percentage of CONTRACTOR's invoice for the error rate but still may withhold payment for the other documentation issues listed in this section.
