NOW, THEREFORE, CITY and OWNERS, in consideration of the mutual covenants and conditions set forth herein, do hereby agree as follows:

(1) **Effective Date and Term of Agreement.** The term of this Agreement shall commence on the effective date of this Agreement and shall remain in effect for a term of ten (10) years thereafter. Each year upon the anniversary of the effective date, such term will automatically be extended as provided in paragraph 2, below.

(2) **Renewal.**

(a) Each year on the anniversary of the effective date of this Agreement, ("renewal date"), one (1) year shall automatically be added to the term of this Agreement unless notice of nonrenewal is mailed as provided herein.

(b) If either the OWNERS or CITY desires in any year not to renew the Agreement, OWNERS or CITY shall serve written notice of nonrenewal of the Agreement. Unless such notice is served by OWNERS to CITY at least ninety (90) days prior to the annual renewal date, or served by CITY to OWNERS at least sixty (60) days prior to the annual renewal date, one (1) year shall automatically be added to the balance of the remaining term of the Agreement as provided herein.

(c) OWNERS may make a written protest of a nonrenewal notice issued by CITY. CITY may, at any time prior to the annual renewal date of the Agreement, withdraw its notice to OWNERS of nonrenewal. If either CITY or OWNERS serves notice to the other of nonrenewal in any year, the Agreement shall remain in effect for the balance of the term then remaining, from either original execution date or the last renewal date of the Agreement, whichever is applicable.

(3) **Standards for Historical Property.** During the term of this Agreement, the Historic Property shall be subject to the following conditions, requirements, and restrictions:

(b) OWNERS shall allow, and CITY requires, that after five (5) years, and every five (5) years thereafter, an inspection of the property's interior and exterior shall be conducted by a party appointed by CITY, to determine OWNERS' continued compliance with the terms of this Agreement. OWNERS acknowledge that the required inspections of the interior and exterior of the property were conducted prior to the effective date of this Agreement.

(4) **Provision for Information.**

(a) OWNERS hereby agree to furnish CITY with any and all information requested by the CITY to determine compliance with the terms and provisions of this Agreement.

(b) It shall be the duty of the OWNERS to keep and preserve, for the term of the Agreement, all records as may be necessary to determine the eligibility of the property involved, and the OWNERS compliance with the terms and provisions of this Agreement, Historic Property Preservation Agreement/1111 Harrison Street

(a) CITY, following a duly noticed public hearing as set forth in California Government Code Section 50280, et seq., shall cancel this Agreement or bring an action in court to enforce this Agreement if it determines any one of the following:

(i) the OWNERS breached any of the terms or conditions of this Agreement; or

(ii) the OWNERS have allowed the property to deteriorate to the point that it no longer meets standards for a qualified historic property.

(b) CITY may also cancel this Agreement if it determines that:

(i) the OWNERS have allowed the property to deteriorate to the point that it no longer meets building standards of the City Code and the codes it incorporates by reference, including, but not limited to, the Uniform Housing Code, the California Historical Building Code, the California Fire Code, and the Uniform Code for the Abatement of Dangerous Buildings or;

(ii) the OWNERS have not complied with any other local, State, or federal laws and regulations.

(6) No Waiver of Breach.

(a) No waiver by CITY of any breach under this Agreement shall be deemed to be a waiver of any other subsequent breach. CITY does not waive any claim of breach by OWNERS if CITY does not enforce or cancel this Agreement. All other remedies at law or in equity which are not otherwise provided for under the terms of this Agreement or in the City's laws and regulations are available to the City.

(7) Mediation.

(a) Any controversies between OWNERS and CITY regarding the construction or application of this Agreement, and claim arising out of this contract or its breach, shall be submitted to mediation upon the written request of one party after the service of that request on the other party.

(c) The parties may agree on one mediator. If they cannot agree on one mediator, there shall be three: one named in writing by each of the parties within five days after demand for mediation is given, and a third chosen by the two appointed. Should either party refuse or neglect to join in the appointment of the mediator(s) or to furnish the mediator(s) with any papers or information demanded, the mediator(s) may proceed ex parte.

(d) A hearing on the matter to be arbitrated shall take place before the mediator(s) in the city of Santa Clara, County of Santa Clara, State of California, at the time and place selected by the mediator(s). The mediator(s) shall select the time and place promptly and shall give party written notice of the time and place at least fifteen (15) days before the date selected. At the hearing, any relevant evidence may be presented by either party, and the formal rules of evidence applicable to judicial proceedings shall not govern. Evidence may be admitted or excluded in the sole discretion of the mediator(s). The mediator(s) shall hear and determine the matter and shall execute and acknowledge the award in writing and cause a copy of the writing to be delivered to each of the parties.

(e) The submission of a dispute to the mediator(s) and the rendering of a decision by the mediator(s) shall be a condition precedent to any right of legal action on the dispute. A judgment confirming the award may be given by any Superior Court having jurisdiction, or that Court may vacate, modify, or correct the award in accordance with the prevailing provisions of the California Mediation Act.

(f) Each party shall bear their own cost(s) of mediation.

CITY and OWNERS hereby declare their specific intent that the covenants, reservations, and restrictions as set forth herein shall be deemed covenants running with the land and shall pass to and be binding upon the OWNERS successors and assigns in title or interest to the Historic Property. Each and every contract, deed, or other instrument hereinafter executed, covering, encumbering, or conveying the Historic Property, or any portion thereof, shall conclusively be held to have been executed, delivered, and accepted subject to the covenants, reservations, and restrictions expressed in this Agreement, regardless of whether such covenants, reservations, and restrictions are set forth in such contract, deed, or other instrument.

10-Year Restoration Plan

1111 Harrison Street 10-Year Plan

Years 1-2: Foundation and Drainage

The original brick foundation has degraded and requires substantial remediation or replacement. Additionally, as the house has settled and the ground has shifted, the terrain no longer slopes away from the foundation perimeter, leading to poor drainage and water infiltration. Repair or replace brick foundation. Implement seismic retrofitting as practical to minimize risk of damage in an earthquake. Rework landscaping to improve drainage.

Years 3-4: Building Envelope, Trim, and Painting

Repair or replace damaged sections of siding. Repair or replace damaged trim. Paint entire exterior.

Year 5: HVAC

Install a multi-zone AC/heat pump mini-split system to replace defunct gravity heater.

Years 6-7: Plumbing and Electrical Improvements

Repair or replace aging drain and supply pipes. Upgrade electrical wiring.

Years 8-9: Window Restoration

The majority of the double-hung windows are nonfunctional due to either damage to wood, worn-out cords, missing parts, or simply being painted shut. Restore double-hung windows throughout the structure. Wood to be repaired or replaced with like material.

Year 10: Interior Flooring and Drywall

There is some damage to drywall due to the foundation settling, as well as intermittent water infiltration around some windows. The flooring in several areas is also notably worn and requires replacing or refinishing. Restore hardwood floors on first floor, retaining current material whenever possible. Repair/replace sub-floor on second floor (under carpet). Repair/replace damaged drywall sections.

Note: The above plan is approximate, and work is expected to overlap on many projects. For instance, some painting and siding repair activities are expected to occur as needed prior to year 3, and there are relatively urgent plumbing repairs that will be scheduled as soon as practical.
