

RESOLUTION NO. \_\_\_\_\_

**A RESOLUTION OF THE CITY OF SANTA CLARA,  
CALIFORNIA, REZONING THE PROPERTY LOCATED AT 190  
N. WINCHESTER BOULEVARD, SANTA CLARA FROM  
PLANNED DEVELOPMENT (PD) TO PLANNED  
DEVELOPMENT (PD)**

PLN2021-14833 (Rezone)

**BE IT RESOLVED BY THE CITY OF SANTA CLARA AS FOLLOWS:**

**WHEREAS**, USA Properties Fund, Inc. (“Applicant”) applied for a Rezoning from Planned Development (PD) to Planned Development (PD) of a 1.86-acre site, which is currently occupied by a senior residential project (Santana Terrace Apartments) with 92 rental units and 105 parking spaces, located at 190 N. Winchester Boulevard, Santa Clara (“Project Site”);

**WHEREAS**, the Project Site is currently zoned as Planned Development (PD);

**WHEREAS**, in order to effectuate the development application and its change in use, the Project Site needs to be rezoned to a Planned Development (PD) to allow an adjustment to the age restriction language, currently restricting occupancy to senior households age 55 or older, to instead allow occupancy for residents of all ages (“Project”).

**WHEREAS**, on January 12, 2016, the City Council adopted a Mitigated Negative Declaration (“MND”) and a Mitigation Monitoring and Reporting Program for the Santana Terrace senior housing development. The MND concluded that the original senior project, with mitigation measures implemented, would not result in any significant impacts on the area’s environmental resources.

**WHEREAS**, in conformance with CEQA, an addendum to the previously adopted MND was prepared for the new Project and was posted on City’s website on June 18, 2021. The addendum concluded that as modified, the Project would not result in any new significant environmental impacts, or substantially increase the severity of any previously identified significant impacts.

**WHEREAS**, Santa Clara City Code (SCCC) Section 18.112.040 provides for the review and recommendation of the City's Planning Commission of all rezoning requests before action is to be taken by the City Council;

**WHEREAS**, on July 12, 2021, the Planning Commission held a duly noticed hearing to consider the Project and Addendum to the MND and all pertinent information in the record, including public testimony, at the conclusion of which the Planning Commission voted to recommend that the City Council deny the Project 6-1-0-0;

**WHEREAS**, pursuant to section 18.112.060 of the City of Santa Clara Code, on August 27, 2021, a public notice of the City Council meeting for this item was posted in three conspicuous locations within 300 feet of the Project Site and was mailed to property owners within a 1,000-foot radius of the Project Site; and

**WHEREAS**, on September 7, 2021, the City Council held a duly noticed public hearing to consider the Project and all pertinent information in the record during which the City Council invited and considered any and all verbal and written testimony and evidence offered in favor of and in opposition to the Project.

**WHEREAS**, on August 16, 2021, the applicant voluntarily offered to deed restrict 10% of the resident occupied units, which is 9 total units, at the following affordability levels as part of the approval for the proposed Planned Development rezoning, including five units at 100% AMI (4 one bedroom units and 1 two bedroom unit) and four units at 120% AMI (3 one bedroom units and 1 two bedroom unit).

**NOW THEREFORE, BE IT FURTHER RESOLVED BY THE CITY OF SANTA CLARA AS FOLLOWS:**

1. That the City Council hereby finds that the above Recitals are true and correct and by this reference makes them a part hereof.
2. The City Council hereby rezones the Project Site from Planned Development (PD) to Planned Development (PD) with an adjustment to the age restriction language, currently

restricting occupancy to senior households age 55 or older, to instead allow occupancy for residents of all ages.

3. Pursuant to SCCC Section 18.112.010, the City Council determines that the following findings exist in support of the rezoning:

A. The existing zoning is inappropriate or inequitable in that, the existing zoning for the Project Site restricts occupancy to seniors and does not allow occupancy for all ages. The Project, as proposed, is generally consistent with the existing land uses in the immediate project area.

B. The proposed zone change will conserve property values, protect or improve the existing character and stability of the area in question, and will promote the orderly and beneficial development of such area in that the proposal provides high quality apartments, one-bedroom to two-bedroom units, in an urbanized area available to residents of all ages. The Project is located in an urbanized area served by existing municipal services.

C. The proposed zone change is required by public necessity, public convenience, or the general welfare of the City in that the proposed zone change allows availability of high quality housing units in proximity to retail and transit to residents of all ages and not just seniors. Nearby hospitals include O'Connor Hospital and Santa Clara Valley Medical Center, both of which are within two miles of the Project Site.

D. The proposed zone change would allow imaginative planning and design concepts to be utilized that would otherwise be restricted in other zoning districts in that the proposed zone change would allow availability of a 92-unit residential project in a manner that is consistent with the ongoing and future development adjacent to the Project Site.

4. That based on the findings set forth in this resolution and the evidence in the City Staff Report and the Addendum to the MND, the City Council rezones the Project Site as set forth herein.

5. Effective date. This resolution shall become effective immediately.
