AFFORDABLE HOUSING AGREEMENT

This AFFORDABLE HOUSING AGREEMENT ("Agreement") is entered into by and between the CITY OF SANTA CLARA, a chartered California municipal corporation (the "City") and SHAC LS APARTMENTS II LLC, a Delaware limited liability company (the "Developer"), whose address is 3000 Executive Parkway, Suite 450, San Ramon, CA 94583. City and Developer may be referred to individually as a "Party" or collectively as the "Parties" or the "Parties to this Agreement". The City and the Developer agree as follows:

ARTICLE 1 SUBJECT OF AGREEMENT

Section 1.1 Purpose of the Agreement

a. The purpose of this Agreement is to enter into a binding agreement with persons having legal or equitable interest in real property for the development of such property, in order to, among other things, increase, improve and preserve the supply of housing in the community for low and moderate income households as defined in Attachment No. 3, Agreement Containing Covenants and Restrictions, attached hereto.

b. An apartment community containing 286 residential dwelling units is intended to be constructed on the Site as Building A (the "Project"). As a Condition of Architectural Review Approval, Developer has agreed to provide fifty-two (52) affordable rental units ("Affordable Housing Units" or "Units") within the Project that will be designated for low and moderate income residents and shall meet affordability requirements for low and moderate income residents for a period of 55 years ("Initial Term"). The proportion of Units shall be 90% moderate income and 10% low income. Moderate income shall be defined as 120% of the Area Median Income (AMI) and low income shall be defined as 80% AMI. The distribution of Units shall be forty-seven (47) moderate income and five (5) low income. Should a condominium plan be approved to allow condominium or other individual unit sales in the Project, prior to occupancy of any such units, Developer shall enter into an affordability agreement with the Community Development Department's Housing & Community Services Division restricting fifty-two (52) Units to meet affordability requirements for low and moderate residents for a period of 45 years. The Units shall be constructed to the same standards as the market rate apartment units, and shall be distributed throughout Building A. Review and approval of the distribution of Units, whether as rentals or as market rate sales, shall be at the discretion of the Director of Community Development.

c. Prior to the issuance of a notice of project completion, Developer, at its sole discretion, shall designate whether the Units will initially be offered for sale or rental units. In the event that selection is initially made to rent the units, Developer shall maintain them as rental property under a single owner. Furthermore, if Developer designates the Units to be offered for sale, Developer shall comply with the City's below market rate housing programs by entering into this Agreement whereby the below

market rate rental units shall be transferred to below market price ownership units at the time the Developer elects to sell the units for owner-occupancy. This section is in addition to the requirements set forth in 1.1(b).

d. If any of the fifty-two (52) Affordable Housing Units are offered for sale during the Initial Term, as defined in Section 1.1(b), they shall be sold as below market price ownership condominium conversion units to be made available at a price not to exceed the purchase price as noted in Sections 1.1(d) (1) and (2) below. The below market price ownership condominiums shall be sold to a Moderate Income Household at an Affordable Housing Cost as defined in Attachment No. 4., Below Market Purchase Program Covenants, Restrictions and Option to Purchase, attached hereto.

(1) The Affordable Sales Price of each Affordable Housing Unit shall be set as follows:

1-bedroom unit Designated Sales Price of \$263,000
2-bedroom units Designated Sales Price of \$298,000
3-bedroom units Designated Sales Price of \$330,000

(2) Adjustment of the Designated Sales Price shall be determined by City on the basis of annual adjustments to the median income as published by the U.S. Department of Housing & Urban Development and by the California Department of Housing and Community Development and by the percentage change in the Area Median Income from the execution date of this Agreement to the date of sale of the Affordable Housing Unit.

e. The development of the Site to include the provision of affordable housing opportunities pursuant to this Agreement, and the fulfillment generally of this Agreement, are in the vital and best interests of the City and the health, safety, morals, and welfare of its residents, and in accord with the public purposes and provisions of applicable federal, state, and local laws and requirements under which the Project is to be undertaken and is being assisted.

f. The full term of the affordability covenants shall be for a total period of fifty-five (55) years for rented Units and forty-five (45) years for Units that are sold (the "Affordability Period"), effective from the date of sale to a qualified household approved by the City.

g. If any general provision of this Section 1.1 conflicts with a more specific provision of this Agreement, the more specific provision shall prevail.

Section 1.4 The Developer

a. The Developer of Lawrence Station Project is SHAC LS APARTMENTS II LLC, a Delaware limited liability company.

c. Wherever the term Developer is used herein, such term shall include any permitted nominee, assignee or successor in interest as herein provided.

Section 1.5 Assignment of this Agreement

a. Prior to the sale of any Affordable Housing Units to Low Income and Moderate Income Households, upon a sale or transfer of the Site, the Developer shall assign its rights and obligations under this Agreement to such successors or assigns in and to the Site. The terms, covenants, and conditions of this Agreement shall run with the land to the Site and shall inure to the benefit of, apply to, and shall bind the successors and assigns of Developer. Upon an assignment, the assigning Developer will be released from the obligations of Developer under this Agreement which relate to the period from and after the date of the assignment, including, without limitation, the obligations in Section 2.1 and Section 3.1 hereof.

ARTICLE 2 DEVELOPMENT OF THE SITE

Section 2.1 Scope of Development; Schedule of Performance

In accordance with Developer's business plan for the Site, Developer shall complete construction of the Project, including the provision of the Affordable Housing Units, in accordance with the Scope of Development (Attachment No. 2).

Section 2.2 Permits

Before commencement of construction or development of any buildings, structures or other work of improvement upon any portion of the Site, the Developer shall, at its own expense, secure or cause to be secured, any and all permits which may be required by the City or any other governmental agency affected by such construction, development or work. The City shall provide appropriate assistance to the Developer in connection with obtaining these permits.

Section 2.3 Zoning and Land Use Requirements

It is the responsibility of Developer, without cost to City, to ensure that zoning of the Site and all applicable City land use requirements will be such as to permit the development of the Project and the use, operation and maintenance of such Project in accordance with the provisions of this Agreement. Developer acknowledges that this Agreement is not a Development Agreement pursuant to Government Code Section 65865 et seq.

Section 2.4 Construction Financing

Developer hereby represents that no City funds shall be used in this Project.

Section 2.5 Relationship of City and Developer

Nothing contained in this Agreement or in any other document or instrument made in connection with this Agreement shall be deemed or construed to create a partnership, tenancy in common, joint tenancy, joint venture or co-ownership by or between the City and the Developer. The City shall not be in any way responsible or liable for the debts, losses, obligations or duties of the Developer with respect to the Site or otherwise.

ARTICLE 3 USE OF THE SITE

Section 3.1 Uses

a. In accordance with Developer's business plan for the Site, the Developer covenants and agrees for itself, its successors, its assigns and every successor in interest to the Site or any part thereof, that Developer, its successors and

assignees shall develop the Project on the Site (including, without limitation, fifty-two (52) Affordable Housing Units) and use the Site for the development and occupancy of residential dwelling units, as provided in the Approved Plans.

b. In addition, the Developer agrees to restrict the occupancy of the fifty-two (52) Affordable Housing Units on the Site as rental units at an Affordable Housing Cost, as defined in Attachment No. 3 Agreement Containing Covenants and Restrictions, attached hereto. During the term of rental use, the Agreement Containing Covenants and Restrictions shall be recorded against the Project, substantially in the form attached hereto as Attachment No. 3. The Agreement Containing Covenants and Restrictions shall be binding on the Developer and any successor in interest to the Affordable Housing Units or any part thereof for the benefit and in favor of the City. The obligations set forth in the Agreement Containing Covenants and Restrictions shall remain in effect for the respective time period set forth in the Agreement Containing Covenants and Restrictions.

c. Any time during the Affordability Period, as defined in Section 1.1(f), the Developer may elect to sell the units as condominiums. Should the Developer elect to sell the units, the fifty-two (52) Affordable Housing Units shall be sold at an Affordable Sales Price as outlined in Section 1.1(d) ("Below Market Price Unit" or "BMP Unit"). With respect to the BMP Units, Developer agrees to abide by the City's Below Market Purchase Program Policies and Procedures Guidelines (the "BMP Program Policies & Procedures"), as amended from time to time. A true and correct copy of the current BMP Program Policies & Procedures is attached hereto and incorporated herein. If Developer intends to sell the BMP Units as part of a condominium conversion, Developer agrees to include resale restrictions and related language and/or documents required by the City including the forms incorporated herein as Attachment 4 as part of the Covenants, Promissory Note, and Deed of Trust, and recording of the same. The City reserves the right, without any required approval of Developer, to amend the form of the resale restrictions and any related documents in the future to maintain consistency with the BMP Program Policies & Procedures that are in place at the time that a BMP Unit is proposed to be sold by Developer to an eligible buyer.

d. At any time during the Affordability Period, as defined in Section 1.1(f), and as provided for in Attachment No. 3 (Agreement Containing Covenants and Restrictions for Rental Units), the Developer elects to sell the Affordable Housing Units as condominiums, the recordation of Attachment No. 4 (Covenants, Restrictions and Option to Purchase) shall automatically terminate and void Attachment No. 3 (Agreement Containing Covenants and Restrictions for Rental Units) once all units are sold. Attachment No. 3 (Agreement Containing Covenants and Restrictions for Rental Units) shall remain in effect as recorded on title until such time as all fifty-two (52) Below Market Units have sold according to Attachment No. 4. The Developer shall be relieved of providing one rental Affordable Housing Unit for each one sold pursuant to Section 3.1(c).

e. Tenant Protections. Developer shall adhere to Santa Clara City Code ("SCCC") section 18.54.090 "Community Ownership Conversion," which

establishes basic tenant protections during a conversion. Developer also agrees to adhere to the following tenant protections in the event of a conversion:

(1) Each tenant residing in one of the 52 Units ("Affordable Tenant") will be given three hundred sixty (360) days' written notice of the Developer's intention to convert prior to termination of tenancy due to the conversion or proposed conversion. This provision shall not alter or abridge the rights or obligations of the Developer, or agent, and tenant(s)' in performance of their covenants, including, but not limited to, the provision of services, payment of rent, or the obligations imposed by the California Civil Code.

(2) Each Affordable Tenant has been or will be given notice of an exclusive right to contract for the purchase of his/her respective unit upon the same terms and conditions that such unit will be initially offered to the general public or terms more favorable to the Affordable Tenant. The right shall run for a period of not less than one hundred eighty (180) days from the date of issuance of the subdivision public report pursuant to Section 11018.2 of the California Business and Professions Code.

(3) Each Affordable Tenant has been or will be given notice of an exclusive right to lease Affordable Tenant's present unit in the conversion project. The right shall run for a period of not less than one hundred eighty (180) days following City Council approval of conversion. Except as otherwise agreed by Affordable Tenant, each lease document shall include language consistent with this subsection (e)(3) and City Council approved conditions.

(4) Each Affordable Tenant shall, at the time of City Council approval of conversion, be offered such a lease at the same initial rent and on the same terms and conditions as Affordable Tenant's then existing lease except that duration shall be for at least one year, except as provided in sections 3.1(e)(5) and (e)(6).

(5) Each Affordable Tenant who is age sixty-two (62) or older shall, at the time of City Council approval of conversion, be offered such a lease at the same initial rent and on the same terms and conditions as Affordable Tenant's then existing lease except that duration shall be for at least ten years.

(6) Each Affordable Tenant at the time of City Council approval of conversion who has a child or children living with the Affordable Tenant and enrolled in grades first through sixth shall be offered a lease long enough to allow those children to complete twelfth grade.

(7) Each Affordable Tenant at the time of City Council approval of PD zoning who does not purchase a unit will be paid a moving allowance prior to relocation. The allowance shall be based on the average of bids obtained by the converter from California-Public-Utility-regulated moving companies for moving possessions of affordable tenants from at least three units which are typical in features with others in the conversion project (such as three-bedroom, two-bedroom, one-bedroom) and with the moves to be for a distance of up to one hundred (100) miles. The bids shall be

obtained by the converter within six months of the move.

Section 3.2 Maintenance of the Site

Developer, or its successors in interest, shall reasonably maintain the Project on the Site and shall keep the Site in good condition and repair free from any accumulation of debris or waste materials.

ARTICLE 4 DEFAULTS, REMEDIES AND TERMINATION

Section 4.1 Defaults - General

a. Except as provided in Section 5.4, failure by either Party to perform any material obligation set forth in any term or provision of this Agreement constitutes a default under this Agreement. The Defaulting Party must immediately commence to cure, correct or remedy such failure or delay and shall complete such cure, correction or remedy with reasonable diligence.

b. The Non-Defaulting Party shall give written notice of default to the Defaulting Party, specifying the default. Failure or delay in giving such notice shall not constitute a waiver of any default, nor shall it change the time of default. Except as otherwise expressly provided in this Agreement, any failures or delays by either party in asserting any of its rights and remedies as to any default shall not operate as a waiver of any default or of any such rights or remedies. Delays by either party in asserting any of its rights and remedies shall not deprive either party of its right to institute and maintain any actions or proceedings which it may deem necessary to protect, assert or enforce any such rights or remedies.

c. If the default is reasonably capable of being cured within thirty (30) days of notice, as set forth in Section 4.1(b), the Defaulting Party shall have such period to effect a cure prior to exercise of remedies by the Non-Defaulting Party. If the default is such that it is not reasonably capable of being cured within thirty (30) days, and the Defaulting Party (1) initiates corrective action within said period, and (2) diligently, continually, and in good faith works to effect a cure as soon as possible, then the Defaulting Party shall have such additional time as is reasonably necessary to cure the default prior to exercise of any remedies by the Non-Defaulting Party. In no event shall the Non-Defaulting party be precluded from exercising remedies if its rights become or are about to become materially jeopardized by any failure to cure a default or the default is not cured within ninety (90) days after the first notice of default is given.

Section 4.2 Institution of Legal Actions

Subject to the notice and cure provisions of Section 4.1 and the mediation provisions in Section 4.9, in addition to any other rights or remedies (and except as otherwise provided in this Agreement), either Party may institute legal action to cure, correct or remedy any material default, to recover damages for any material default, or to obtain any other remedy for a material default consistent with the purpose of this

Agreement. Such legal actions must be instituted in the Superior Court of the County of Santa Clara, State of California, in any other appropriate court of that county, or in the United States District Court for the Northern District of California.

Section 4.3 Applicable Law

The laws of the State of California shall govern the interpretation and enforcement of this Agreement.

Section 4.4 Acceptance of Service of Process

a. In the event that any legal action is commenced by the Developer against the City, service of process on the City shall be made by personal service upon the City Clerk or in such other manner as may be provided by law.

b. In the event that any legal action is commenced by the City against the Developer, service of process on the Developer shall be made by personal service upon the Developer (or upon an officer of the Developer) and shall be valid whether made within or without the State of California, or in such manner as may be provided by law.

Section 4.5 Rights and Remedies Are Cumulative

Except with respect to rights and remedies expressly declared to be exclusive in this Agreement, the rights and remedies of the parties are cumulative, and the exercise by either Party of one or more of such rights or remedies shall not preclude the exercise by it, at the same or different times, of any other rights or remedies for the same default or any other default by the other Party.

Section 4.6 Damages

If either Party materially defaults with regard to any of the provisions of this Agreement, subject to the notice and cure provisions of Section 4.1 and the mediation provisions in Section 4.9, the Defaulting Party shall be liable to the Non-Defaulting party for any damages caused by such default, and the Non-Defaulting party may, after such notice and opportunity to cure (but not before), commence an action for damages against the Defaulting Party with respect to such default.

Section 4.7 Specific Performance

If either Party materially defaults with regard to any of the provisions of this Agreement, subject to the notice and cure provisions of Section 4.1 and the mediation provisions in Section 4.9, the Non-Defaulting party, at its option, may, after such notice and opportunity to cure (but not before) commence an action for specific performance of the terms of this Agreement pertaining to such default.

Section 4.8 Termination by Either Party

Either Party shall have the right to terminate this Agreement in the event the other party is in Default of any material term or provision of this Agreement, and, following notice, fails to cure such default within the time provided in Section 4.1.

Section 4.9 Dispute Resolution

a. Any controversies between the City, the Developer regarding the construction or application of this Agreement, and claims arising out of this Agreement or its breach, shall be submitted to mediation within thirty (30) days after the service of the written request of one Party upon the other Party.

b. The Parties may agree on one mediator. If they cannot agree on one mediator, the party demanding mediation shall request the Superior Court of Santa Clara County to appoint a mediator. The mediation meeting shall not exceed one day (eight (8) hours). The Parties may agree to extend the time allowed for mediation under this Agreement.

c. The costs of mediation shall be borne by the Parties equally.

d. Mediation under this Section is a condition precedent to filing an action in any court. In the event of litigation or mediation which arises out of any dispute related to this Agreement, the Parties shall each pay their respective attorney's fees, expert witness costs and cost of suit, regardless of the outcome the litigation.

ARTICLE 5 GENERAL PROVISIONS

Section 5.1 Notices, Demands and Communications between the Parties

Formal notices, demands and communications between the City or the Developer shall be sufficiently given if dispatched by registered or certified mail, postage prepaid, return receipt requested, to the principal offices of the City or the Developer, as designated in Sections 1.3 and 1.4 hereof. Such written notices, demands and communications may be sent in the same manner to such other addresses as either Party may from time to time designate by mail as provided in this Section 5.1.

Section 5.2 Conflicts of Interest

Developer certifies that to the best of its knowledge, no City officer, employee or authorized representative has any financial interest in the business of Developer and that no person associated with Developer has any interest, direct or indirect, which could conflict with the faithful performance of this Agreement. Developer is familiar with the provisions of California Government Code section 87100 through 87105, and certifies that it does not know of any facts which would violate these code provisions. Developer will advise City if a conflict arises.

Section 5.3 Nonliability of City Officials and Employees

No member, official, employee or consultant of the City shall be personally liable to the Developer or any successor in interest, in the event of any default or breach by the City or for any amount which may become due to the Developer or to its successor, or on any obligations under the terms of this Agreement.

Section 5.4 Force Majeure: Extension of Time of Performance

In addition to specific provisions of this Agreement, performance by either Party hereunder shall not be deemed to be in default where delays or defaults are due to war, insurrection, strikes, lock-outs, riots, floods, earthquakes, fires, casualties, Acts of God, acts of the public enemy, epidemics, quarantine restrictions, freight embargoes, lack of transportation, governmental restrictions or priority, third party litigation, unusually severe weather, inability to secure necessary labor, materials or tools, delays of any contractor, subcontractor or supplies, acts of the other party, acts or failure to act of the City or any other public or governmental agency or entity (except that an act or failure to act of the City shall not excuse performance by the City) or any other causes beyond the control or without the fault of the party claiming an extension of time to perform. An extension of time for any such cause (a "Force Majeure Delay") shall be for the period of the enforced delay and shall commence to run from the time of the commencement of the cause, if notice by the party claiming such extension is sent to the other party within thirty (30) days of knowledge of the commencement of the cause. Notwithstanding the foregoing, none of the foregoing events shall constitute a Force Majeure Delay unless and until the party claiming such delay and interference delivers to the other party written notice describing the event, its cause, when and how such party obtained knowledge, the date the event commenced, and the estimated delay resulting therefrom. Times of performance under this Agreement may also be extended in writing by the City and the Developer.

Section 5.5 Approvals

Approvals required of the City or the Developer shall not be unreasonably withheld.

Section 5.6 Compliance with Laws

Developer shall comply with all applicable laws and regulations of the federal, state and local government, including but not limited to "The Code of the City of Santa Clara, California" ("SCCC"). In particular, Developer's attention is called to the regulations regarding Campaign Contributions (SCCC Chapter 2.130), Lobbying (SCCC Chapter 2.155), Minimum Wage (SCCC Chapter 3.20), Business Tax Certificate (SCCC section 3.40.060), and Food and Beverage Service Worker Retention (SCCC Chapter 9.60), as such Chapters or Sections may be amended from time to time or renumbered. Additionally Developer has read and agrees to comply with City's Ethical Standards (<http://santaclaraca.gov/home/showdocument?id=58299>).

Section 5.7 Hold Harmless/Indemnification

- A. To the extent permitted by law, Developer agrees to protect, defend, hold harmless and indemnify City, its City Council, commissions, officers, employees, volunteers and agents from and against any claim, injury, liability, loss, cost, and/or expense or damage, including all costs and attorney's fees in providing a defense to any such claim or other action, and whether sounding in law, contract, tort, or equity, in any manner arising from, or alleged to arise in whole or in part from, or in any way connected with the Services performed by Developer pursuant to this Agreement – including claims of any kind by Developer's employees or persons contracting with Developer to perform any portion of the Scope of Services – and shall expressly include passive or active negligence by City connected with the Services. However, the obligation to indemnify shall not apply if such liability is ultimately adjudicated to have arisen through the sole active negligence or sole willful misconduct of City; the obligation to defend is not similarly limited.

- B. Developer's obligation to protect, defend, indemnify, and hold harmless in full City and City's employees, shall specifically extend to any and all employment-related claims of any type brought by employees, contractors, subcontractors or other agents of Developer, against City (either alone, or jointly with Developer), regardless of venue/jurisdiction in which the claim is brought and the manner of relief sought.

- C. To the extent Developer is obligated to provide health insurance coverage to its employees pursuant to the Affordable Care Act ("Act") and/or any other similar federal or state law, Developer warrants that it is meeting its obligations under the Act and will fully indemnify and hold harmless City for any penalties, fines, adverse rulings, or tax payments associated with Developer's responsibilities under the Act.

ARTICLE 6 ENTIRE AGREEMENT, WAIVERS AND AMENDMENTS

Section 6.1 Counterparts

This Agreement may be executed in duplicate originals each of which is deemed to be an original. This Agreement includes thirteen (13) pages and four (4) attachments, including all exhibits appended to such attachments, which constitute the entire understanding and agreement of the Parties.

Section 6.2 Integration

This Agreement integrates all of the terms and conditions mentioned herein or incidental hereto, and supersedes all negotiations or previous agreements between the parties with respect to all or any part of the Site.

Section 6.3 Waiver

All waivers of the provisions of this Agreement must be in writing and signed by the appropriate authorities of the City or the Developer, and all amendments hereto must be in writing and signed by the appropriate authorities of the City and the Developer. Developer agrees that waiver by City of any one or more of the conditions of performance under this Agreement shall not be construed as waiver(s) of any other condition of performance under this Agreement.

Section 6.4 Amendments

This Agreement may only be modified by a written amendment duly authorized and executed by the Parties to this Agreement.

Section 6.5 Mortgagee Protection.

No breach of this Agreement shall defeat or render invalid the lien of any deed of trust or mortgage recorded against the Developer's Site. No lender taking title to the Site through foreclosure or deed in-lieu of foreclosure shall be liable for any defaults or monetary obligations of Developer arising prior to acquisition of possession of such property by such lender. Any lender who has recorded a deed of trust or mortgage against the Site shall have the right, but not the obligation, during the same period available to Developer to cure or remedy, or to commence to cure or remedy, the condition of default claimed or the areas of noncompliance set forth in City's notice. No lender who takes title to the Site through foreclosure or deed in-lieu of foreclosure shall be obligated to construct or continue with construction of the Project on the Site.

THIS AGREEMENT CONTAINING COVENANTS AND RESTRICTIONS, including Affordable Housing Restrictions for Rental Units ("Agreement"), is made by and between SHAC LS APARTMENTS II LLC, a Delaware limited liability company ("Developer"), and THE CITY OF SANTA CLARA ("City"). City and Developer may be referred to individually as a "Party" or collectively as the "Parties" or the "Parties to this Agreement". The City and the Developer agree as follows with reference to the following facts:

RECITALS

- A. SHAC LS APARTMENTS II LLC, is the legal owner of the real property legally described on Exhibit A attached hereto ("Property"). A 286 unit apartment community has been or will be constructed on the Property (the "Project").
- B. Developer accepts responsibility for meeting the provision of fifty-two (52) affordable rental housing units within the Project. The fifty-two (52) affordable rental housing units shall be provided in the Project according to the terms herein stated. The proportion of units shall be 90% moderate income and 10% low income. Moderate income shall be defined as 120% of the Area Median Income (AMI) and low income

shall be defined as 80% of the AMI. The distribution of these units shall be forty-seven (47) moderate income and five (5) low income units.

- C. All fifty-two (52) proposed affordable rental housing units shall be made available at Below Market Rate (BMR) rents that do not exceed Affordable Housing Cost, as defined in this Agreement. Each of the 52 BMR units are designated and identified in the attached Exhibit B.
- D. It is the intention of the City and Developer to set forth and apply these covenants, conditions and restrictions to satisfy the condition of approval of the Project.

NOW, THEREFORE, in consideration of valuable land use and economic benefits and approvals by City allowing development of the Project and to satisfy its obligations to provide affordable housing for low-income (as defined in Section 1(a) below) and moderate-income households (as defined in Section 1(b) below) at rent below market rate, the Developer and City hereby agree that the Project shall be subject to the following covenants and conditions which shall run with the land, and be binding on all parties having any right, title or interest in Project, their respective heirs, legatees, devisees, administrators, executors, successors and assigns, and shall inure to the benefit of the City and their respective successors and assigns.

1. Definitions

In addition to terms that are otherwise defined herein, the following terms shall have the following respective meanings:

"Affordable Housing Cost" shall mean a monthly rent plus a reasonable utility allowance that does not exceed the following:

- (a) For a Low-Income Household, the product of thirty percent (30%) times eighty percent (80%) of the Area Median Income adjusted for family size appropriate for the Unit divided by twelve (12).
- (b) For a Moderate-Income Household, the product of thirty percent (30%) times one hundred twenty (120%) of the Area Median Income adjusted for family size appropriate for the Unit divided by twelve (12).

"Affordability Period" shall mean the length of time that this recorded agreement and tenant incomes and rents for the Affordable Housing Units are limited, as described below. This period shall be for fifty-five (55) years from the date of execution of that certain Affordable Housing Agreement by and between the City of Santa Clara and SHAC LS APARTMENTS II LLC, a Delaware Limited Liability Company, dated _____, 20__ (herein referred to as the "Affordable Housing Agreement").

"Affordable Housing Unit" or sometimes "Unit" shall mean one of the fifty-two (52) Below Market Rate rental units, of which all fifty-two (52) units shall be designated in Exhibit B by Developer to be occupied or made available for occupancy exclusively to an Income-Qualified Household, as defined in this Agreement.

"Annual Income" shall mean the annual income limits established by the California Department of Housing and Community Development.

"Below Market Rate" or "BMR" shall mean the provision of a dwelling unit at rent levels less than market rates.

"City" shall mean the City of Santa Clara, California.

"Area Median Income" shall mean the annual median income for Santa Clara County, adjusted for household size, as published periodically in the California Code of Regulations, Title 25, Section 6932, or its successor provision.

"Household" shall mean one or more persons occupying a housing unit.

"HCD" shall mean the California Department of Housing and Community Development.

"Income-Qualified Household" shall mean a household with an income that does not exceed the following:

- (a) For a Low-Income BMR Unit, eighty percent (80%) of the Area Median Income adjusted for family size.
- (b) For a Moderate-Income BMR Unit, one hundred twenty percent (120%) of the Area Median Income adjusted for family size.

"Project" shall mean the 286 unit residential apartment facility located upon the real property legally described in the Legal Description attached hereto as Exhibit A, inclusive of fifty-two (52) units rented at a Below Market Rate Monthly Rent, as defined below, together with structures, improvements, equipment, fixtures, and other personal property owned by the Developer and located on or used in connection with all such improvements and all functionally related and subordinate facilities.

"Below Market Rate Monthly Rent" or "Monthly Rent" shall mean, for purposes of this Agreement, an amount that is no greater than the following:

- (a) For a Low-Income Household, thirty percent (30%) of eighty percent (80%) of the Area Median Income divided by twelve (12), and adjusted for household size appropriate for the Unit, less the Utility Allowance.

- (b) For a Moderate-Income Household, thirty percent (30%) of one hundred twenty percent (120%) of the Area Median Income divided by twelve (12), and adjusted for household size appropriate for the Unit, less the Utility Allowance.

"Utility Allowance" shall be based upon schedules issued from time to time by the Santa Clara County Housing Authority. The Utility Allowance applies to all tenant-paid costs that are listed on that schedule.

2. Uses

- a. General. The Developer covenants and agrees for itself, its successors, its assigns and every successor in interest to the Project or any part thereof, that the Developer shall use the Project only for residential operation pursuant to all of the terms and conditions of this Agreement. The Project shall consist of 286 residential dwelling units and shall include fifty-two (52) Affordable Housing Units for Income-Qualified Households.
- b. Affordability Covenants. The Developer covenants and agrees for itself, its successors, its assigns and every successor in interest to the Project or any part thereof, for a term of fifty-five (55) years, that fifty-two (52) Affordable Housing Units shall be either rented or leased to or held available for rental or occupancy by Low Income and Moderate Income-Qualified Households, or made available for sale for Low Income and Moderate Income Households pursuant to the terms of the Affordable Housing Agreement by and between the City of Santa Clara and SHAC LS APARTMENTS II LLC, a Delaware limited liability company, dated _____ (herein referred to as the "Affordable Housing Agreement"). At any time during the Affordability Period, as defined in the Affordable Housing Agreement, and as provided for in this Agreement, if Developer elects to sell the Affordable Housing Units as condominiums, the recordation of Attachment No. 4 (Covenants, Restrictions and Option to Purchase) to the Affordable Housing Agreement shall supersede this Agreement, which then shall automatically terminate and thereafter be void for any sold Affordable Housing Unit.

(1) Units Generally.

- (a) Fifty-two (52) of all the rental Units at Project shall be designated as Affordable Housing Units and shall be occupied or held available for occupancy by Income-Qualified Households on a continuous basis for the Affordability Period.
- (b) Prior to the initial lease-up, Developer shall have designated in the attached Exhibit B the specific Units in the Project to be the Affordable Housing Units and given notice to the City of such designation ("Unit

Allocation"). Subject to the terms of this Agreement, the Developer shall have the right, from time to time, to re-designate the Affordable Housing Units so long as: (i) the unit designation (including, but not limited to: the number of bedrooms, units with accessibility modifications) remains substantially the same throughout the Affordability Period; (ii) the Affordable Housing Units are distributed throughout the Project; and (iii) the Developer shall obtain the City's prior written approval before re-designating the Affordable Housing Units, the approval of which shall not be unreasonably withheld or delayed.

- (c) If Developer implements periodic programs of replacement and upgrade which apply to all Units, all Affordable Housing Units in Project shall be included within such programs and shall be treated under such programs in a manner substantially similar to all other units.

(2) Affordable Housing Unit Rents

- (a) Developer agrees it shall not charge or collect from any tenant of an Affordable Housing Unit a monthly amount in exchange for occupancy of the Affordable Housing Unit that exceeds the Monthly Rent applicable to the Affordable Housing Unit. Notwithstanding the foregoing, nothing in this Agreement prohibits Developer from charging tenants of any Affordable Housing Unit any fees or charges which are for services or items that the tenant of the Unit voluntarily signs up for and which are available to all tenants at the Project, and the amount of such fees will be in addition to monthly rent.
- (b) The Monthly Rent for the Affordable Housing Units shall be based upon schedules issued from time to time by HUD and modified and published by HCD. Upon request, City shall notify the Developer of the applicable area rents based on number of bedrooms.
- (c) Rent increases, which may occur not more frequently than annually, shall not exceed the annual increase, if any, in Area Median Income. In no case may Monthly Rents for the Affordable Housing Units exceed the amount derived by the Monthly Rent formula set forth in this Agreement. The City shall receive a copy of all rent increase notices for the designated Affordable Housing Units at least 30 days prior to the new rents taking effect. Rent increases may only be implemented in compliance with applicable law.

(3) Income Qualification of Affordable Housing Unit Tenants

- (a) Developer shall establish and maintain a file for each tenant residing in an Affordable Housing Unit including, at minimum, documents identified

- below. Developer shall make a good faith effort to verify that the income provided by an applicant in an income certification is accurate.
- (b) The income of each Affordable Housing Unit tenant must be determined and certified prior to occupancy of that Unit, using the definition of Annual Income established by HCD. The Developer may certify initial income qualification using one of the following two source documentation methods:
 - (i) Obtain a written statement from the administrator of a government program under which the household receives benefits and which examines each year the annual income of the household; or
 - (ii) Examine the source documents evidencing annual income for the household. Developer shall use good faith efforts to obtain all applicable source documents to include in the tenant's file: Pay stub for the most recent pay period; Income tax return for the most recent tax year; Income verification form from the applicant's current employer; Income verification form from the Social Security Administration and/or the California Department of Social Services if the applicant receives assistance from either of those agencies; and, any statement documenting unearned income received by the household.
 - (c) Annually, Developer shall determine the income of all tenants residing in an Affordable Housing Unit. Developer may choose to use either of the two methods described above or may obtain from the household a written statement of the amount of the households income and family size along with a signed certification by the tenant that the information is complete and accurate. The certification must state that the household will provide source documentation upon request.
 - (d) Income limits, adjusted for household size, will be based off of the Area Median Income for Santa Clara County, which is published periodically by HCD.

(4) Over-Income Tenants in Affordable Housing Units

- (a) Affordable Housing Unit tenants whose income no longer qualifies for the Affordable Housing Unit may continue to reside in the Unit. However, they must pay rent at the current market rent being charged for a comparable market rate unit at the Project. Notwithstanding the foregoing, Developer and City agree that (1) if a tenant no longer qualifies as a Low Income Household but would qualify as a Moderate-Income Household, the tenant may continue to rent the Affordable Housing Unit at a Monthly Rent determined for a Moderate-Income Household, and Developer shall not be required to add a replacement Low Income Household Unit until the next available comparable Moderate-Income Household Unit becomes available; and (2) if a tenant no longer qualifies as a Moderate Income Household,

Developer and City may agree in writing to allow the Affordable Housing Unit tenant whose income no longer qualifies as a Moderate Income Household to continue to reside in the Affordable Housing Unit so long as the Annual Income for such tenant does not exceed one hundred forty percent (140%) of the Area Median Income (adjusted for household size appropriate for the Unit). During such time the tenant shall continue to pay a Monthly Rent that is equivalent to thirty percent (30%) of one hundred twenty percent (120%) of the Area Median Income divided by twelve (12) and Developer shall not be required to add a replacement Moderate Income Household Unit. If the income of a tenant who remains a tenant at the Project under Section 4(a)(2) above exceeds 140% of the Area Median Income adjusted for household size, then such tenant may continue to reside in the Unit provided they pay rent at then current market rent for a comparable market rate unit at the Project, and the provisions of Section 4(b) below shall apply.

- (b) Affordable Housing Units occupied by tenants whose income no longer qualifies for that affordable unit are considered in temporary "non-compliance" with this Agreement. Except as otherwise allowed pursuant to Section 4(a) above, to bring the Affordable Housing Unit back into compliance, the Developer must:
 - (i) Rent the next vacant Unit of the same size (i.e.: 2-bedroom) to an Income Qualified Household for a Low Income BMR Unit (unless there are already five (5) Affordable Housing Units rented to Income Qualified Households for five (5) Low Income BMR Units, in which case the next vacant Unit of the same size shall be rented to an Income Qualified Household for a Moderate-Income BMR Unit) whose Annual Income would qualify them for the "non-compliant" Affordable Housing Unit. This Unit replaces the "non-compliant" Affordable Housing Unit at the affordability level of that Affordable Housing Unit; and
 - (ii) Re-designate the original Affordable Housing Unit that was in non-compliance as a market rate unit in Project. The tenants may be charged market rents as determined by Developer.

(5) Waiting List for Affordable Housing Units

- (a) Developer shall maintain a written Waiting List of households that have contacted Developer and expressed an interest in an Affordable Housing Unit. That list shall include appropriate contact information for notifying the interested households when a vacancy in an Affordable Housing Unit occurs. Names on the Waiting List will be listed in order of the date of receipt of notice of interest and contact information from the prospective applicant. This Waiting List will be kept in Developer's offices and shall be available for City review with reasonable notice.

- (b) Subject to Developer's use and application of its customary leasing criteria that is applied to all tenants at the Project (including, without limitation, credit checks, references, etc.), Developer shall select new tenants for the Affordable Housing Units in chronological order (oldest listing first). Developer shall provide City evidence of attempts to contact households on the Waiting List.

(6) Lease Provisions

- (a) Tenants in the Affordable Housing Units shall be subject to the same lease document and requirements of tenants in the market rate units, with the exception of those additional stipulations described below in Section 6(b)-(f). A copy of the Project's standard lease form(s) shall be provided to the City prior to initial occupancy and within thirty (30) days of any changes.
- (b) The lease may not contain any terms prohibited by applicable law.
- (c) Each lease or rental agreement shall provide that the Developer will not discriminate on the basis of race, creed, color, sex, national origin, ancestry, religion, marital status, disability or receipt of public assistance or housing assistance in connection with the rental of a Unit in Project, or in connection with the employment or application for employment of persons for operation and management of Project, and all contracts, applications and leases entered into for such purposes shall contain similar non-discrimination clauses to such effect.
- (d) The Developer shall not require rental deposits in excess of one-month's rent for any Affordable Housing Unit, but may require refundable deposits for pet damages, and keys, and similar items, consistent with applicable laws.
- (e) The Developer shall include provisions in leases or rental agreements for all Affordable Housing Units which authorize the Developer to immediately terminate the tenancy of any tenant occupying an Affordable Housing Unit where one or more of such tenants have misrepresented any fact material to the qualification of such an individual or household as an Income-Qualified Household, including, but not limited to, persons 18 years of age and older that reside in the household that are not listed on the lease. Each lease or rental agreement for an Affordable Housing Unit shall also provide that the tenants of such Affordable Housing Unit shall be subject to annual certification or re-certification of income, as required by the City, and shall be subject to rental increases in accordance with this Agreement.

- (f) The provisions relating to certification and re-certification of income in the form of lease or rental agreement used by the Developer for the lease or rental of the Affordable Housing Units shall be subject to prior review and approval by the City, the approval of which shall not be unreasonably withheld or delayed.

(7) Initial Leasing, Marketing and Tenant Selection Procedures.

- (a) Not later than ten (10) days prior to the commencement of marketing, Developer or an Affiliate approved by City of Santa Clara shall prepare and submit to the City for reasonable approval a marketing and outreach program for the Affordable Housing Units which shall contain, among other things: (i) how a potential Income-Qualified Household would apply to rent an Affordable Housing Unit in the Project, including where to apply, applicable income limits and rent levels; (ii) a description of procedures and media Developer will use to publicize vacancies in Project, including notice in newspapers of general circulation, at least one of which shall be a foreign language newspaper; (iii) provide monthly leasing reports until all fifty-two (52) Affordable Housing Units have been leased up and occupied, and (iv) mailing notices of vacancies to or contacting by telephone potential tenants on the Waiting List maintained by Developer.
- (b) A copy of Developer's standard tenant selection procedure, applicable to all Units in Project, shall be provided to the City prior to initial occupancy and within thirty (30) days of any changes. Any special procedures related to tenant selection for an Affordable Housing Unit shall be specified and are limited to procedures reasonably related to implementation of the requirements of this Agreement and in compliant with State Fair Housing regulations
- (c) Developer must give prompt, written notice to any rejected applicant for an Affordable Housing Unit, specifying the grounds for rejection.
- (d) Operating Covenant Agreement. The Developer covenants and agrees for itself, its successors, its assigns and every successor in interest to Project or any part thereof that Developer, shall operate Project in conformity with all applicable laws, rules, regulations and ordinances, including without limitation, all applicable federal and state labor standards.
- (e) Obligation to Refrain from Discrimination. There shall be no discrimination against or segregation of any person, or group of persons, on account of race, color, religion, national origin, ancestry, sex, or marital status in the sale, lease, sublease, transfer, use, occupancy, tenure or enjoyment of Project, or any part thereof, nor shall the Developer itself or any person claiming under or through it establish or permit any such practice or

practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sub-lessees, or vendees of Project.

- (f) Form of Non-discrimination and Non-segregation Clauses. The Developer shall refrain from restricting the rental, sale or lease of Project on the basis of race, color, religion, ancestry, national origin, sex, or marital status of any person. All such deeds, leases or contracts shall contain or be subject to substantially the following non-discrimination or non-segregation clauses:

(1) In deeds: "The grantee herein covenants by and for himself, his heirs, executors, administrators and assigns, and all persons claiming under or through him, that there shall be no discrimination against or segregation of, any person or group of persons on account of race, color, religion, ancestry, national origin, sex, or marital status in the sale, lease, sublease, transfer, use, occupancy, tenure or enjoyment of the land herein conveyed, nor shall the grantee himself or any person claiming under or through him, establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sub-lessees or vendees in the land herein conveyed. The foregoing covenants shall run with the land".

(2) In leases: "The lessee herein covenants by and for himself, his heirs, executors, administrators and assigns, and all persons claiming under or through him, and this lease is made and accepted upon and subject to the following conditions:

That there shall be no discrimination against or segregation of any person or group of persons, on account of race, color, religion, ancestry, national origin, sex, or marital status in the leasing, subleasing, transferring, use, occupancy, tenure or enjoyment of the land herein leased nor shall the lessee himself, or any person claiming under or through him, establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy, of tenants, lessees, sub-lessees, subtenants, or vendees in the land herein leased."

(3) In contracts: "There shall be no discrimination against or segregation of any person, or group of persons on account of race, color, religion, ancestry, national origin, sex, or marital status in the sale, lease, sublease, transfer, use, occupancy, tenure or enjoyment of the land, nor shall the transferee himself or any person claiming under or through him, establish or permit any such practice or practices of

discrimination or segregation with reference to the lessees, subtenants, sub-lessees or vendees of the land.”

3. Monitoring/Annual Report

- (a) Not later than ten (10) days prior to the commencement of marketing, Developer shall assign a single person as Project Manager, who shall have overall responsibility for the progress and execution of this Agreement. Subsequent to that assignment, Developer shall notify City of any change in the name and/or contact information of the Project Manager.
- (b) Once leasing at the Project has commenced, the Developer for itself, its successors, its assigns and every successor in interest to Project or any part thereof, covenants and agrees to submit to the City an annual report (the “Annual Report”). The first Annual Report shall be due 1 year after leasing at the Project has commenced. The Annual Report format shall be approved by the Housing & Community Services Division Manager and shall include a signed and certified statement of its accuracy upon annual submission to the City.
- (c) The Developer shall submit the Annual Report on or before September 30 of each year following the fiscal year (Period July 1 to June 30) covered by the Annual Report and a certified statement by Developer that to the knowledge of the Developer, no default has occurred under the provisions of this Agreement.
- (d) The City has a standard reporting form which consists of two parts: Part I, information on tenants in residence on June 30 of the reporting year; Part II, information on tenants who moved in and out during the reporting year. The City has a standard form for income/rent reporting. A reasonable facsimile, pre-approved by the City may be substituted as long as it contains all the required information. For each Affordable Housing Unit, the following information is required (based on tenants in residence as of June 30):
 - (1) Apartment Number or other unit designation.
 - (2) Number of bedrooms.
 - (3) Household Size.
 - (4) Tenant Income (certified annually).
 - (5) Tenant-Paid Rent.
 - (6) Explanation of any change in the designated affordable units, and reason for change that occurred in the previous fiscal year (July 1 to June 30).
- (e) Developer shall provide, within thirty (30) days of request, additional information concerning the Affordable Housing Units and/or Unit Allocation reasonably requested by the City in writing. The City shall have the right to examine and make copies of all books, records or other documents

maintained by Developer or by any of Developer's agents that pertain to any Affordable Housing Unit and/or this Agreement.

- (f) Once leasing at the Project has commenced, Developer shall pay City on an annual basis, concurrently with the issuance of the Annual Report, a multi-family monitoring fee of \$48.95 per Affordable Housing Unit (the "Monitoring Fee"). The first Monitoring Fee shall be payable one (1) year after leasing at the Project has commenced.

4. Enforcement

The City of Santa Clara is deemed to be the beneficiary of the terms and provisions of this Agreement and the covenants herein, both for and in its own right and for the purposes of protecting the interests of the community and other parties, public or private, for whose benefit this Agreement and the covenants running with the land have been provided. The City shall have the right if any covenants set forth in this Agreement are breached, to exercise all available rights and remedies, and to maintain any actions or suits at law or in equity or other proper proceedings to enforce the curing of such breaches to which it is entitled. No remedy herein conferred upon or reserved by the City is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Agreement or now or hereafter existing at law, in equity or by statute. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of such right or power, but any such right or power may be exercised from time to time and as often as City may deem expedient. In order to entitle the City to exercise any remedy reserved to it in this Agreement, it shall not be necessary to give any notice, other than such notice as may be herein expressly required or required by law to be given.

Developer agrees that, if a breach is not cured within thirty (30) days after written notice by City is provided to Developer, or if such breach cannot be reasonably cured within the thirty (30) day period and Developer has not commenced the curing of such Default, then City shall have all rights and remedies at law or in equity to enforce the curing of such Default.

Additionally, if Developer collects rents from Income-Qualified Households occupying the Affordable Housing Units that require such Income-Qualified Household tenants to pay rent in excess of what is permitted pursuant to this Agreement, and to the extent such excess rents are not required to be reimbursed to the tenants of such Affordable Housing Units, Developer agrees and covenants to pay to the City the full amount of such excess to the City within ten (10) business days of City's written demand. Developer and City agree that the payment of such excess rent shall be in addition to City's rights and remedies at law or equity.

If the City provides Developer with a written notice of violation of this Agreement and Developer has not cured or responded to such notice of violation within ninety (90) days, then in addition to City's rights and remedies set forth herein, City shall thereafter have the right to impose a fine of \$150 per month per unit until Developer has cured or responded to the notice of violation. Developer shall pay such fine within thirty (30) days of City's written demand.

5. Defaults

Failure or delay by Developer to perform any material obligation set forth in any term or provision of this Agreement constitutes a default.

- (a) The City shall give written notice of default to the Developer, specifying the default. Delay in giving such notice shall not constitute a waiver of any default nor shall it change the time of default.
- (b) Any failures or delays by the City in asserting any of its rights and remedies as to any default shall not operate as a waiver of any default or of any such rights or remedies. Delays by the City in asserting any of its rights and remedies shall not deprive the City of its right to institute and maintain any actions or proceedings which it may deem necessary to protect, assert, or enforce any such rights or remedies.
- (c) If a non-monetary event of default occurs, prior to exercising any remedies hereunder, City shall give Developer notice of such default. If the default is reasonably capable of being cured within thirty (30) days, Developer shall have such period to effect a cure prior to exercise of remedies by the City. If the default is such that it is not reasonably capable of being cured within thirty (30) days, and Developer (1) initiates corrective action within said period, and (2) diligently and in good faith works to effect a cure as soon as possible, then Developer shall have such additional time as is reasonably necessary to cure the default prior to exercise of any remedies by City. In no event shall City be precluded from exercising remedies if its remedies become or are about to become materially jeopardized by any failure to cure a default or the default is not cured within ninety (90) days after the notice of default is first given.
- (d) Developer shall not be in Default where Developer's performance under this Agreement is affected by force majeure. In the context of these terms and conditions, "force majeure" is any event that the Developer could not, even with due care, reasonably foresee or avoid. These events include but are not limited to war, threat of war, riot, civil commotion or strife, hostilities, industrial dispute, natural disaster, fire, acts of god, terrorist activity, nuclear disaster, adverse weather, government action, City caused delays, delays caused by third parties, technical problems with transportation or other events outside the Developer's control.

6. Indemnification

The Developer shall indemnify, hold harmless and defend the City, and its officers, officials, appointees, employees and agents from and against (a) any Default by Developer under this Agreement; (b) any and all loss, costs, damages, actions and liabilities of whatever nature directly or indirectly resulting from or arising out of the design, construction, occupancy or ownership of Project or any written statement or representation provided to the City, or to prospective or actual tenants or purchasers of Project with respect to the Developer's performance hereunder. The foregoing obligations of Developer shall exclude claims, loss, costs, damages, actions and liabilities to the extent arising from City's gross negligence, willful misconduct or breach of this Agreement by the City. If any such claim is asserted, or any such impositions or charges are sought to be imposed, the City shall give prompt notice to Developer and Developer shall have the sole right and duty to assume, and will assume, the defense thereof, with full power to litigate, compromise and settle the same in its sole discretion, provided that the City shall have the right to review and reasonably approve or disapprove any such settlement or compromise if (1) such settlement or compromise would require the City to pay any money in connection with such settlement; or (2) the City would remain a litigant after such settlement or compromise is entered into. In addition, Developer shall pay upon demand all of the reasonable expenses paid or incurred by City in enforcing the provisions hereof.

7. General Provisions

(a) City as Beneficiaries

- (1) All covenants and conditions contained in this Agreement shall be covenants running with the land, and shall, in any event, and without regard to technical classification or designation, legal or otherwise, be, to the fullest extent permitted by law and equity, binding for the benefit and in favor of, and enforceable by the City against the Developer and its heirs, legatees, devisees, administrators, executors, successors and assigns.
- (2) In amplification and not in restriction of the provisions set forth hereinabove, it is intended and agreed that the City shall be deemed beneficiary of the covenants provided for in this Agreement, both for and in its own right and also for the purposes of protecting the interests of the community. (d) Severability

The provisions of this Agreement shall be deemed independent and severable, and the invalidity or partial invalidity or unenforceability of any one provision shall not affect the validity or enforceability of any other provision.
