More News and Happenings

SVACA is Here for You and the Animals!

As the Silicon Valley Animal Control Authority (SVACA) speeds toward the end of 2022, Team SVACA's accomplishments have been many including operating a "No Kill" Animal Care Center right here in Santa Clara!

- Know of an animal that needs help? Animal Control Officers rescue animals 24-7 and SVACA's Animal Care Center Team ensures every animal's needs are met and then some!
- In need of low-cost services? The SVACA CARES Clinic offers affordable rabies vaccinations and microchips to the animals of disadvantaged residents while SVACA's Spay/Neuter Clinic alters targeted animals to reduce the overpopulation problem!
- Got extra time? Consider volunteering or fostering!
- Who's ready to learn? Educational programs like Kiddies 2 Kitties gives students the opportunity to read to adoptable cats and kittens.

• Looking for a new furry family member? Look no further! Check out SVACA's adorable adoptables at [SVACA.com/Adoptions](https://svaca.com/Adoptions).

• Want to help SVACA's efforts? Consider donating to SVACA's [Animal Assistance Fund](#) which helps to ensure SVACA saves lives, offers services to the community and provides educational programs!

SVACA's Animal Care Center is located at 3370 Thomas Road in Santa Clara. **For more information on SVACA's programs, visit [SVACA.com](https://svaca.com) or call 408-764-0344.**

Return of the Residential Permit Parking Program

The Residential Parking Permit (RPP) program is an option for neighborhoods that are impacted by long-term on-street overflow parking from sources (called parking generators) outside the neighborhood. These parking generators include hospitals, transit stations, business complexes, commercial areas, malls, colleges and high schools. The program is intended to deter long-term on-street parking and discourage overflow parking on to residential streets.

Implementation of a RPP area is a way to give residents of a designated area a better chance to park near their homes. It is not intended to designate or guarantee a specific parking space along a property frontage. An RPP area involves the posting of parking time limits or parking restrictions from which local residents are exempt if a valid permit is authorized through the vendor, or a visitor's pass is properly displayed on the dashboard of their vehicle. The program has been dormant as a result of the pandemic, stay at home orders and associated staffing issues.

This Fall, the Santa Clara Police Department will be utilizing a variety of tools (e.g. City publications, Police Department's website, Facebook, Instagram, Nextdoor, Nixle and Twitter platforms, A-frame signs with

messaging on the affected streets) to inform the public about the return of the program. During this time, law enforcement will be issuing warnings to RPP violators. Effective Jan. 2, 2023 citations will be issued for RPP program violators.

To determine if your street is in an RPP area, and to view the FAQ's about the program, log onto SantaClaraCA.gov/PermitParking

How to Obtain a Parking Permit:

Applicants must live in a parking permit area to be eligible for a residential parking permit and visitor permit. To purchase your permit online, follow these instructions.

Step 1 - Create a resident account at SantaClaraCA.gov/PermitInfo.net

Step 2 - Provide vehicle information for resident permit(s)

Step 3 - Provide proof of residency in an RPP area

Step 4 - Make payment via credit card

For portal inquiries, contact Data Ticket at 1-800-479-1834.

The online process will be the quickest way to obtain an RPP, however if you are not comfortable using the online system or do not have reliable access to a computer, contact the Santa Clara Police Department at [408-615-4700](tel:408-615-4700).
