REPORT TO COUNCIL

SUBJECT

Interviews and Appointments to the Charter Review Committee

BACKGROUND

At the May 7, 2019 City Council meeting, staff presented work plan and charter review committee appointment process alternatives for City Council consideration and recommendation.

The City Council approved (1) directing staff to begin recruitment of a Charter Review Committee with the same eligibility requirements as a Board/Commission applicant, (2) appointing a seven-member commission with one member from each of the current six districts, and one at-large member; if a district does not receive any applicants, then the appointment for that seat opens to at-large, and (3) setting a process for City Council to interview all applicants in each particular district and appoint one member per district and appoint one at-large member from the un-selected applicants.

DISCUSSION

The City Clerk’s Office has received a total of 19 applications (attached according to district) from the following candidates by the submission due date of June 28, 2019. The Registrar of Voters Office has confirmed Registered Voter Status for all applicants, therefore they have met the application requirements.

District	Applicants
1	Cooley, Benjamin
	Jerdonek, Robert
	Upadhyay, Vandana
	Usman, Sameena
2	Silva, Steven
3	Cielusniak, Christina
	Koltermann, Christine
	Sontag, John
4	Almazol, Katherine
	Creger, Paul
	Park, Kevin
5	Bonito, Richard
	Evans, Jonathon
	Jain, Sudhanshu
	Myers, Howard

6	Arquero, Pilar
	Ricossa, Stephen
	Sivilla-Jones, Ralph
	Sulcer, Teresa

The City Council directed staff to follow the Boards and Commission application process. The City Charter does not allow employees to serve on the Planning Commission, Parks and Recreation Commission, Civil Service Commission and the Board of Library Trustees. However, the Charter does not prohibit City employees from serving on an ad hoc commission for review of a City Charter revision with respect to elections. Thus, it is at the Council's discretion to proceed with consideration of the employee applicant.

Attached are the Voting Guidelines (Attachment 1) for the appointment to Boards and Commissions which outline the process for conducting interviews and casting votes by Council.

ENVIRONMENTAL REVIEW

The action being considered does not constitute a "project" within the meaning of the California Environmental Quality Act ("CEQA") pursuant to CEQA Guidelines section 15378(b)(4) in that it is a fiscal activity that does not involve any commitment to any specific project which may result in a potential significant impact on the environment.

FISCAL IMPACT

There is no fiscal impact other than administrative expense.

PUBLIC CONTACT

Public contact was made by posting the Council agenda on the City's official-notice bulletin board outside City Hall Council Chambers. A complete agenda packet is available on the City's website and in the City Clerk's Office at least 72 hours prior to a Regular Meeting and 24 hours prior to a Special Meeting. A hard copy of any agenda report may be requested by contacting the City Clerk's Office at (408) 615-2220, email clerk@santaclaraca.gov <<mailto:clerk@santaclaraca.gov>> or at the public information desk at any City of Santa Clara public library.

ATTACHMENT: REASONS for WANTING to BECOME MEMBER AND OBJECTIVES

Participation and/or input of all residents is critically important for good governance and formulation of policies and programs that serve the community effectively. While direct participation may not be within reach for every resident, effective representation of the district's needs can be viable proxy provided the representative understands the district well. Having lived in this district for nearly fourteen years, I believe I can be an effective representative of the district. I have successfully represented the interests of my apartment community of over 2000 residents previously and obtained relief for our concerns and issues from the City authorities including Mayor and City Council, the Fire and Police Departments and the Planning Commission.

I have also volunteered to serve on the Planning commission and am a shortlisted candidate. Besides, I am personal believer in having direct civic input in shaping our living environment, civic spaces and services because these impact our private spaces and private individual concerns as well. Secondly, democracies depend on representation and participation and as a resident, I believe it is a duty and obligation to actively participate in civic matters and where possible provide community leadership to do so.

Key objectives, I would work towards is ensuring not only mechanisms for effective representation but also mechanisms for increasing civic participation at local level, enhancing ways for people to participate in electronic and digital ways that make participation easier and channels for capturing needs of those who are constrained in civic participation e.g people who have small children, people, esp. the elderly and the disabled who may not use computers and who cannot leave home to participate.

Please state reasons why you want to become a member of this Board/Commission/Committee, including what specific
objectives you would be working toward as a member of this advisory board:

As a 30 year resident of District 3 in Santa Clara, I wish to become a member of this Charter Review Committee
to ensure that District 3 residents have a voice on the Committee, and to assist with public outreach to inform
and listen to Santa Clarans regarding the draft language for amending our City Charter with respect to council
district elections. Our charter needs to be amended to align with the change in city council elections to districts,
and I wish to help carefully, thoughtfully, and collaboratively draft a ballot measure to accomplish this task.

Any other information which you feel would be useful to the City Council in reviewing your application:

I understand that the purpose of this Charter Review committee is limited to conducting a public process to draft language
for amending the City Charter with respect to council district elections. I also understand that due to a ruling by Santa
Clara County Superior Court, Santa Clara began electing city council members by district as of November, 2018, and that
our city charter was not amended by this ruling. I further understand that our charter can only be amended by a vote of the
people of Santa Clara, and that as a Charter Review Committee member I will collaboratively participate in Charter Review
Committee meetings, listen attentively to all information provided in the meetings, and engage in the process of drafting a
charter amendment to be put before Santa Clara voters at a future election.
