Hi Sophia,

I think I have to remove myself from volunteering for this position. I actually applied for a job with the City and I'm waiting to hear back (it closes today). I'm going to be very optimistic and say I'm going to get this job, so that would disqualify me for this position correct?

Sorry for the late notice, it just dawned on me last night that Civil Service Commission members could not be city employees.

I'm happy to see you have lots of candidates!  
Pauline
