**A. ENTIRE AGREEMENT**

This Agreement and its Appendices (if any) constitutes the final, complete and exclusive statement of the terms of the agreement between the parties. It incorporates and supersedes all the agreements, covenants and understandings between the parties concerning the subject matter hereof, and all such agreements, covenants and understandings have been merged into this Agreement. No prior or contemporaneous agreement or understanding, verbal or otherwise, of the parties or their agents shall be valid or enforceable unless embodied in this Agreement.

**B. AMENDMENTS**

This agreement may only be amended by a written instrument signed by the Parties.

**C. CONFLICTS OF INTEREST; POLITICAL REFORM ACT**

Contractor shall comply, and require its employees, agents, and subcontractors to comply, with all (1) applicable requirements governing avoidance of impermissible client conflicts; and (2) federal, state and local conflict of interest and disclosure laws and regulations including, without limitation, California Government Code section 1090 et seq., the California Political Reform Act (California Government Code section 87100 et seq.) and the regulations of the Fair Political Practices Commission concerning disclosure and disqualification (2 California Code of Regulations section 18700 et seq.). Failure to do so constitutes a material breach of this Agreement and is grounds for immediate termination of this Agreement by County.

In accepting this Agreement, Contractor covenants that it presently has no interest, and will not acquire any interest, direct or indirect, financial or otherwise, which would conflict in any manner or degree with the performance of this Agreement. Contractor further covenants that, in the performance of this Agreement, it will not use any contractor or employ any person having such an interest. Contractor, including but not limited to Contractor’s employees, agents, and subcontractors, may be subject to the disclosure and disqualification provisions of the California Political Reform Act of 1974 (the “Act”), that (1) requires such persons to disclose economic interests that may foreseeably be materially affected by the work performed under this Agreement, and (2) prohibits such persons from making or participating in making decisions that will foreseeably financially affect such interests.

If the disclosure provisions of the Act are applicable to any individual providing service under the Agreement, Contractor shall, upon execution of this Agreement, provide County with the names, description of individual duties to be performed, and email addresses of all individuals, including but not limited to Contractor’s employees, agents and subcontractors, that could be substantively involved in “mak[ing] a governmental decision” or “serv[ing] in a staff capacity” and in that capacity participating in making governmental decisions or performing duties that would be performed by an individual in a designated position, (2 CCR 18700.3), as part of Contractor’s service to County under this Agreement. Contractor shall immediately notify County of the names and email addresses of any additional individuals later assigned to provide such service to County under this Agreement in such a capacity. Contractor shall immediately notify County of the names of individuals working in such a capacity who, during the course of the Agreement, end their service to County. Contractor shall ensure that all such individuals identified pursuant to this paragraph understand that they are subject to the Act and shall conform to all requirements of the Act and other applicable conflict of interest and disclosure laws and regulations, and shall file Statements of Economic Interests within 30 days of commencing service pursuant to this Agreement, annually by April 1, and within 30 days of their termination of service pursuant to this Agreement.

**D. LEVINE ACT COMPLIANCE**

Contractor agrees to submit any disclosures required to be made under the Levine Act at the Office of the Clerk of the

**COUNTY OF SANTA CLARA**  
**SERVICE AGREEMENT**

Version 2.1.2024

**O. CALIFORNIA PUBLIC RECORDS ACT**

The County is a public agency subject to the disclosure requirements of the California Public Records Act (“CPRA”). If Contractor’s proprietary information is contained in documents or information submitted to County, and Contractor claims that such information falls within one or more CPRA exemptions, Contractor must clearly mark such information “CONFIDENTIAL AND PROPRIETARY,” and identify the specific lines containing the information. In the event of a request for such information, the County will make best efforts to provide notice to Contractor prior to such disclosure. If Contractor contends that any documents are exempt from the CPRA and wishes to prevent disclosure, it is required to obtain a protective order, injunctive relief or other appropriate remedy from a court of law in Santa Clara County

before the County is required to respond to the CPRA request. If Contractor fails to obtain such remedy within the time the County is required to respond to the CPRA request, County may disclose the requested information.

Contractor further agrees that it shall defend, indemnify and hold County harmless against any claim, action or litigation (including but not limited to all judgments, costs, fees, and attorney’s fees) that may result from denial by County of a CPRA request for information arising from any representation, or any action (or inaction), by the Contractor.

**P. THIRD PARTY BENEFICIARIES**

This agreement does not, and is not intended to, confer any rights or remedies upon any person or entity other than the parties.

**Q. INTELLECTUAL PROPERTY RIGHTS**

Ownership: County shall own all right, title and interest in and to the Deliverables. For purposes of this Agreement, the term “Deliverables” shall mean any documentation and deliverables created by Contractor during the performance of services that are identified in this Agreement. Contractor hereby assigns to the County all rights, title and interest in and to any and all intellectual property whether or not patentable or registrable under patent, copyright, trademark or similar statutes, made or conceived or reduced to practice or learned by Contractor, either alone or jointly with others, during the period of Contractor’s agreement with the County or result from the use of premises leased, owned or contracted for by the County.

Contractor acknowledges that all original works of authorship which are made by Contractor (either solely or jointly with others) within the scope of this Agreement and which are protectable by copyright are “works made for hire,” as that term is defined in the United States Copyright Act (17 U.S.C. Section 101), and shall belong solely to County. Contractor agrees that the County will be the copyright owner in all copyrightable works of every kind and description created or delivered by Contractor, either solely or jointly with others, in connection with any agreement with the County.

**R. INTELLECTUAL PROPERTY INDEMNITY**

Contractor represents and warrants for the benefit of the County and its users that, to its knowledge, as of the effective date of this Agreement, Contractor is the exclusive owner of all rights, title and interest in the Deliverables and/or services provided pursuant to this Agreement. Contractor shall defend, indemnify and hold the County harmless against any claim, action or litigation (including but not limited to all judgments, costs, fees, and reasonable attorney’s fees) by a third party alleging the Deliverables and/or services provided pursuant to this Agreement infringe upon any intellectual property rights of third parties. This indemnity and duty to defend is in addition to and does not supersede the requirements stated in VII of this agreement.

**S. OWNERSHIP RIGHTS TO MATERIALS/RESTRICTIONS ON USE**

All materials obtained, developed or prepared by Contractor in the course of performing services hereunder, including but not limited to videotapes, audio recordings, still photographs, ads or brochures, and the derivative works, patent, copyright, trademark, trade secret or other proprietary rights associated therewith (collectively “Deliverables”), shall be the sole and exclusive property of the County. To the extent Contractor owns or claims ownership rights to said Deliverables, Contractor hereby expressly assigns all said rights, title, and interest in and to the Deliverables to the County pursuant to the terms and conditions of this Agreement and at no additional cost. The County has the exclusive royalty-free irrevocable right to duplicate, publish or otherwise use for any purpose, all materials prepared under this Agreement. If Contractor wishes to use the materials prepared hereunder for any purpose including but not limited to promotional, educational or commercial purposes, the Contractor shall obtain prior written authorization from the

County, which consent may be withheld by the County in its sole discretion.

Contractor acknowledges that all original works of authorship which are made by Contractor (solely or jointly with others) within the scope of this Agreement and which are protectable by copyright are “works made for hire,” as that term is defined in the United States Copyright Act (17 U.S.C., Section 101), and shall belong solely to County.

Contractor agrees that the County will be the copyright owner in all copyrightable works of every kind and description created or developed by Contractor, solely or jointly with others, in connection with any agreement with the County. If requested to, and at no further expense to the County, Contractor will execute in writing any acknowledgments or assignments of copyright ownership of such copyrightable works as may be appropriate for preservation of the worldwide ownership in the County and its nominees of such copyrights. This section shall apply to the extent not otherwise provided under this agreement.

**T. COUNTY DATA**

(1) Definitions: “County Data” shall mean data and information received by Contractor from County. County Data includes any information or data that is transported across a County network, or that resides in a County-owned information system, or on a network or system under the control and management of a contractor for use by County. “County Confidential Information” shall include all material, non-public information (including material, non-public County Data) appearing in any form (including, without limitation, written, oral or displayed), that is disclosed, directly or indirectly, through any means of communication by County, its agents or employees, to Contractor, its agents or employees, or any of its affiliates or representatives.

(2) Contractor shall not acquire any ownership interest in County Data (including County Confidential Information). As between Contractor and County, all County Confidential Information and/or County Data shall remain the property of the County. Contractor shall not, without County’s written permission, use or disclose County Data (including County Confidential Information) other than in the performance of its obligations under this Agreement.

(3) Contractor shall be responsible for establishing and maintaining an information security program that is designed to ensure the security and confidentiality of County Data, protect against any anticipated threats or hazards to the security or integrity of County Data, and protect against unauthorized access to or use of County Data that could result in substantial harm or inconvenience to County or any end users. Upon termination or expiration of this Agreement, Contractor shall seek and follow County’s direction regarding the proper disposition of County Data.

(4) Contractor shall take appropriate action to address any incident of unauthorized access to County Data, including addressing and/or remedying the issue that resulted in such unauthorized access, and notifying County by phone or in writing within 24 hours of any incident of unauthorized access to County Data, or any other breach in Contractor’s security that materially affects County or end users.
