RE: American Legion Car Show Sponsorship – City of Santa Clara Permits

Dear Christine,

The American Legion is planning to hold our Annual Car Show on Saturday, June 9, 2018, from 9:00am to 4:00pm.

This event is open to the public and is a fundraiser with net proceeds going to support Veteran support programs such as Operation Care & Comfort, Paws for Purple Hearts, Homeless Veterans Emergency Housing Facilities, etc. We have approx. 65 vehicles which park in our parking lot and on Washington St. between Homestead Rd. and Lexington St., thus the need for the Encroachment Permit. We also have live music playing in our parking lot thus the need for the Outdoor Amplification Permit. As a not-for-profit Veteran service organization (VSO), we're dedicated to serving veterans, active military and their families, and the local community.

As we discussed on the phone and based on the City of Santa Clara Agenda Report, Agenda Item 13.A3, dated May 9, 2017, The American Legion Santa Clara Post 419 presented a petition last year to the Council regarding the City's permit fees for our Annual Car Shows.

The Council approved to sponsor our Annual Shows, which were to include the issuance of the Encroachment and Outdoor Amplification Permit at no cost to The American Legion Post 419. Of course we would continue to complete the necessary permit packages. There had not been a request by the City to complete a "Special Event Application" in the past, however attached is a completed application as you requested and again we would request to have the fees waived for this permit as with the Encroachment and Amplification Permits for the 2018 Annual Car Show and future Shows.

Attached for your use is the Special Event Application and copy of the Agenda Report, dated May 9, 2017.
