Subject: Request to remove agenda # 6 from 11.13 Council meeting agenda

Hi, Nora,

Thank you for your time and for taking my call today!

I forgot to mention:

A month ago, I applied for a City job which I disclosed as a potential conflict of interest in my request to speak at Council meeting.

Last week, I accepted another opportunity so that I won't be able to accept a full-time job offer if City wants to hire me today.

This means, I no longer have any potential or any perceived conflict of interest, which the following agenda indicates based on my voluntary disclosure.

Since I won't be given the chance to present at today's Council meeting and I'll be traveling in the next couple of weeks (not able to attend future Council meetings), I'd like to request that we remove this agenda item # 6 permanently.

I will come to the Council meeting today to speak at the "Public Presentation" session by filling out the "Speak Card".

Thank you and see you tonight,

Haoning

- 6. **18-959** Action on a Written Petition submitted by Haoning Richter requesting time during a Council Meeting to make a presentation regarding the Chamber of Commerce, Convention Center, and Convention & Visitors Bureau

Recommendation: Staff has raised governance issues that would suggest that the Written Petition be delayed or not approved to avoid a perception or actual conflict of interest or advantaging one City job applicant over others during a time of an active recruitment and, for this purpose, the City Manager recommends that the item not be scheduled at this time.
