December 19, 2019

The Honorable Mayor and City Council
City of Santa Clara
Santa Clara, CA 95050

Dear Mayor and Members of the City Council:

It is our pleasure to submit for your information the Comprehensive Annual Financial Report (CAFR) of the City of Santa Clara (City) for the fiscal year ended June 30, 2019. The City compiles and prepares the annual financial report to provide interested parties with reliable information concerning the financial condition and results of operations for the City.

Responsibility for the accuracy of the data and the fairness of presentation, including all footnotes and disclosures, rests with the City. Management of the City has established a comprehensive internal control framework that is designed to protect the government's assets from loss, theft, or misuse and to compile sufficient reliable information for the preparation of the City's financial statements in conformity with Generally Accepted Accounting Principles (GAAP). Because the cost of internal controls should not outweigh their benefits, the City's comprehensive framework of internal control has been designed to provide reasonable rather than absolute assurance that the financial statements will be free from material misstatement. As management, we assert that, to the best of our knowledge and belief, this financial report is complete and reliable in all material respects.

Per the City Charter (Section 1319, Independent Audit) the City of Santa Clara's financial statements have been audited by Maze & Associates, a firm of licensed certified public accountants. The goal of the independent audit was to provide reasonable assurance that the financial statements of the City for the fiscal year ended June 30, 2019 are free of material misstatements. The independent audit involved examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements; assessing the accounting principles used and significant estimates made by management; and evaluating the overall financial statement presentation. The independent auditor concluded, based upon the audit, that there was a reasonable basis for rendering an unmodified opinion that the City of Santa Clara's financial statements for the fiscal year ended June 30, 2019 are fairly presented in conformity with GAAP. The independent auditor's report is presented as the first component of the financial section of this report.

The independent audit of the financial statements of the City of Santa Clara was part of a broader, federally mandated “Single Audit” designed to meet the special needs of federal grantor agencies. The standards governing Single Audit engagements require that agencies expending more than \$750,000 in federal monies, are required to have the independent auditor report not only on the fair presentation of the financial statements, but also on the audited government’s internal controls and legal requirements involving the administration of federal awards. These reports are available in the City’s separately issued Single Audit Report, scheduled for release in March 2020.

Management has provided a narrative introduction, overview, and analysis to accompany the basic financial statements in the form of Management’s Discussion and Analysis (MD&A). The letter of transmittal is designed to complement the MD&A and should be read in conjunction with it. The City’s MD&A can be found immediately following the report of the independent auditors.

PROFILE OF THE CITY OF SANTA CLARA

The City is located in the County of Santa Clara, California, and is approximately 45 miles southeast of San Francisco and three miles west of downtown San Jose. It is situated in the northern part of the County and occupies approximately 18.41 square miles.

The City enjoys a diversified industrial and commercial base. Santa Clara is headquarters to some of the nation's leading electronics, telecommunications, computer, and semiconductor firms. The City is also home to a university, a community college, an adult learning center, and a general hospital.

The City’s population is estimated at 128,717 indicating the City remains an attractive place both to live and work. The City is one of the most highly desirable areas to live because of the high quality services it provides to residents and its business friendly environment.

The City of Santa Clara, also known as the Mission City, is a charter city incorporated in 1852 under the laws of the State of California. The City’s powers are exercised through a Council/Manager form of government. The City Council is made up of the Mayor, elected at large, and six councilmembers elected by district serving as the legislative authority. The City Council appoints a City Manager who is responsible for the overall management and administration of the City, a City Attorney to represent and advise the City Council and all City officers in all matters of law pertaining to their offices, and a City Auditor to audit and approve all bills, invoices, payrolls, demands or charges against the City government before payment and, with the advice of the City Attorney, advise the City Council as to the regularity, legality and correctness of such claims, demands or charges. The Police Chief and the City Clerk are also publicly elected officials.

The City provides a full range of services. These services include police, fire protection and emergency dispatch; electric, water, and sanitary sewer services; the construction and maintenance of streets and infrastructure; parks and recreational activities and cultural events; planning and zoning; library; cemetery; and general administrative and support services.

LOCAL ECONOMY

The Silicon Valley economy has continued to grow at a fast pace over the last several years and, as a result, Santa Clara has experienced strong revenue growth and development activity. During the last year, the State’s unemployment rate declined from 5.2% in March 2017 to 4.3% in March 2018. The County of Santa Clara and the City’s unemployment rate also showed a decline during the same period from 3.4% to 2.6% and 2.7% to 2.5%, respectively. This economic growth has led to rising housing prices

and a significant increase in commercial and residential development activity for the City. As a result, the City was able to contribute to its Budget Stabilization Reserve, make additional contributions to the Capital Projects Reserve, and to establish an Other Post-Employment Benefits (OPEB) Trust and a Pension Trust to pre-fund post-retirement obligations.

Looking forward, the City is continuing the multi-year effort aimed at increasing revenues, continuing to build reserves, and ensuring that ongoing expenditures are in alignment with ongoing revenues. The City is projecting that the regional economy has reached a peak and the forecast is for a potential modest slowdown in the coming years. Despite the economy being on solid ground and strong performance of several major revenue sources, the City's economic situation remains tightly balanced with the continuing increases in personnel costs, especially in regard to rising pension costs.

FINANCIAL INFORMATION

Long-term Financial Planning

The City Council's adopted budget principles for fiscal year 2018-19 reflected the economic challenges that the City faced including the need to rebuild reserves and utilize a multi-pronged strategy to ensure ongoing expenditures are in alignment with ongoing revenues. The adopted principles included but were not limited to the following:

- Budget decisions will be made with long-term implications taken into account, using data from the Ten-Year Financial Plan.
- Maximize service delivery within existing resources by balancing ongoing expenditure needs with ongoing revenues to avoid negative impacts on future budgets and maintain the City's high standards of fiscal integrity and financial management.
- Pursue economic development objectives and strategies to foster new public and private investment within the City, and to create employment opportunities.
- In accordance with Council policy, continue to maintain the General Fund Budget Stabilization Reserve for the long-term fiscal health of the City.
- With limited exceptions, establish fees based on full cost recovery where individuals/business rather than the community at-large are benefiting from City services. This preserves limited unrestricted resources for providing services that benefit the community as a whole.

The City developed a five-year Capital Improvement Plan detailing specific budgeted capital projects. Each of the projects is consistent with the overall goals and principles of the City. The fiscal year 2018-19 adopted Capital Improvement Project (CIP) Budget totaled \$84.0 million. The CIP included improvements to the City's infrastructure, replacements and upgrades to information technology equipment, and improvements and upgrades to the City's utilities.

In addition, the City of Santa Clara produces an annual Ten-Year Financial Plan (Plan). The purpose of the Plan is to provide policy-makers and the public an updated assessment of the City's fiscal health that takes into account the latest economic developments. The report includes historical perspective on revenues and expenditures and a ten-year financial outlook beyond the adopted budget year. The value of this type of analysis is to give the City Council, staff, and the public a tool to assist with strategic decision-making as they work to adopt the budget for the coming year. The Plan is a collaborative effort between the City Manager's Office, Finance Department, and City departments. Individual projections of revenues and expenditures are developed based on trend analyses, input from available economic reports,

consultant recommendations, and input from other subject matter experts. The most current information available is incorporated into the Plan and refined on a moving forward basis as part of the City's commitment to fiscal responsibility.

Internal Controls

The management of the City is responsible for establishing and maintaining internal controls designed to ensure that the assets of the City are protected from loss, theft or misuse, and that adequate accounting data is compiled to allow for the preparation of financial statements in conformity with generally accepted accounting principles (GAAP). Internal controls are designed to provide reasonable, but not absolute, assurance that these objectives are met. The concept of reasonable assurance recognizes that: (1) the cost of a control should not exceed the benefits likely to be derived; and (2) the evaluation of costs and benefits requires estimates and judgments by management. All internal control evaluations occur within the stated framework. City management believes the City's internal accounting controls adequately safeguard assets and provide reasonable assurance of proper recording of financial transactions.

Budgetary Controls

As part of the City's internal controls, it maintains budgetary controls. The objective of these budgetary controls is to ensure compliance with legal provisions embodied in the annually appropriated budget approved by the City Council. Activities of the majority of the City funds are included in the budget. In addition, a two-year Capital Improvement Project Budget is adopted and a Ten-Year Financial Plan is updated and presented to the City Council annually. The legal level of budgetary control (that is, the level at which expenditures cannot legally exceed the appropriated amount) is at the department level, or the fund level if there are no departments in a fund. The City Manager may transfer appropriations from one program to another within the same fund and the object category of a department without approval from the City Council. All other transfers or additional revenue received must be approved by the City Council if needed to fund additional expenditures. The City also maintains an encumbrance accounting system as one technique for accomplishing budgetary control. Encumbrances outstanding at year-end are included within the specific fund balance category of the underlying resource.

Independent Audit

The City Charter and State of California statutes require the City to have an annual audit by an independent certified public accountant. The City goes to the market with a formal Request for Proposal for audit services every five years. The accounting firm of Maze & Associates, Certified Public Accountants, was selected by the City Council in 2012, and again in 2017, and is in the eighth year as the City's independent auditor. In addition to meeting the requirements set forth in City Charter and State statutes, the audit is designed to meet the requirements of the federal Single Audit Act of 1984, as amended in 1996 and by the recent Uniform Guidance. The auditors' report on the basic financial statements and the supplementary combining statements and schedules are included in the financial section of this report. The auditors' reports related specifically to the single audit are included in a separately issued single audit document on file with the City Clerk's Office.

MAJOR INITIATIVES

Investments in City Council Priorities

Heading into FY 2019-20, major initiatives the City is implementing are to make significant investments that align with City Council priorities. The resources allocated to each priority reflect plans that solve

short-term needs and in some areas, are an initial start of addressing larger, long-term issues. A summary of service level change proposals is included below organized by City Council Strategic Pillar priorities.

Promote and Enhance Economic and Housing Development

- Real Estate Program Shared-Resources, 70% housing funds and 30% General Fund – adds one Assistant to the City Manager and one Management Analyst and deletes one Housing Division Manager in an effort to centralize real estate functions and develop a more robust real estate management function. This includes one-time resources to set up a citywide real estate software application. These positions will co-report to the City Manager’s Office for real estate program functions and to Community Development for housing services.
- Pilot Accessory Dwelling Unit Incentive Program – initiates a loan program to encourage the development of Accessory Dwelling Units for income-qualified teachers and public service employees, to augment existing affordable housing units in Santa Clara.
- Affordable Rental Program Administrator – provides resources to administer the City’s low- and moderate-income rental housing program.
- Housing Administrative Support – adds one Staff Aide I to assist with monitoring new and current housing programs.
- Housing Asset Management Software – consultant resource to facilitate the implementation of housing software for tracking housing loans.

Deliver and Enhance High Quality Efficient Services and Infrastructure

- Capital Improvement Program Project Adjustments – includes resources for storm drain infrastructure, corporation yard renovations, water tank rehabilitation, advanced metering infrastructure, and civic center campus renovations.
- Santa Clara Convention Visitors Bureau Subsidy Elimination – eliminates the current subsidy based on the transition to a new convention center operator and the proposed business model for destination marketing services as approved by Council.
- Information Technology Services – resources to enhance cybersecurity, audio/visual services and Office 365 workforce transformation.
- Fire Engine Replacement – replacement of one reserve fire engine.
- Parks and Recreation programming – provide additional outreach for special events, new therapeutic and north-side camps and programs, and reallocates program costs from previously unbudgeted funds to the General Fund. Also includes grant funding.
- Public Works Consultant Support – consultant to review and update fleet replacement and management policies, perform project design surveying, and to implement recent state legislation regarding traffic congestion to a vehicle mile traveled standard.
- City Auditor’s Office Resources – enhances audit services with funding for contractual services, conversion of one Office Records Specialist to Senior Performance Auditor, and attend training and conferences.

- Purchasing Policies and Procedures and Administrative Policies Update – update existing purchasing policies and procedures, citywide administrative policies and Civil Service rules.
- Silicon Valley Power Strategic Plan Implementation – services to develop a plan for implementation of the initiatives included in the adopted strategic plan.
- Revenue Strategies Consultant – consultant funding to poll for potential revenue strategies/tax measures, support the development of revenue options for Council consideration, informational community outreach and legal analysis.
- Legislative Advocacy – consultant services to support the City’s legislative advocacy efforts as outlined in the Legislative Advocacy Position Policy.
- Fire Equipment and Programming – funding for emergency response equipment, staffing software, and volunteer reserve programming.
- Census 2020 Outreach – supports a more accurate census count to maximize our federal funding allocations.
- Pre-employment Consultant – complete a review of job physical requirements and pre-employment medical screening.
- Legal Management Software – implements legal management software.
- Santa Clara/Santa Cruz Counties Airport Community Roundtable – study related to an intergovernmental partnership with neighboring cities and counties.
- Community Garden Program Outreach – marketing and communications efforts to grow this program.
- Budget Office Workplan Support – upcoming budget deliverables including the revision to the CIP budget format.
- Planning Commission Training, Education, and Conference – funds planning commissioner education, training and conferences.
- City Council Technology Replacement – replaces and modernizes existing equipment.
- Permit System Support – provide resources to support the new permitting system.
- Northside Library Branch Additional Hours – funds expanded hours on Monday, Tuesday and Sunday through the addition of one Librarian I and additional resources.

Enhance Community Sports and Recreational Assets

- Reed and Grant Sports Park – funds two positions; furnishings, fixtures and equipment; and programming costs for the new Reed and Grant Sports Park projected to open in FY2019-20.

Enhance Community Engagement and Transparency

- Document and Content Management Software Resources and Records Retention Policies Update – updates records retention policies and provides funding to support the document and content management software implementation.
- City Clerk Initiatives and Voter Outreach – provide voter outreach and education in an effort by the City Clerk to encourage voter participation.
- Lobbyist Ordinance Implementation – implement lobbyist ordinance implementation and enforcement.
- Parade of Champions – funds the City pledge to produce the Parade of Champions.
- Measure N Outreach and Engagement – provide outreach and engagement for the potential upcoming district elections.
- Police Video Records Staffing – adds a Police Records Specialist and deletes a vacant Staff Aide to address recent state legislation regarding public access to peace officer personnel records.
- Established City Manager Blog for biweekly updates on City happenings.
- Expanded City’s online reach through Nextdoor, a social network site for neighborhoods and, recently began sending out daily updates of all of the great work accomplished by the City organization.
- Collaborated with the Mayor and City Council to hold the State of the City address at multiple locations in the community.
- Established issuance of Information Memos as part of the City Council meeting agenda, providing updates on key events that do not require Council action or a hearing but that should have transparency.
- Launched Open City Hall surveys to enhance community engagement on City issues.
- Advanced website redesign with estimated completion in FY 2019-20.
- Appointed a professional Communications Director who has served in key communications positions in Bellevue, WA and San Jose, as well as having worked in communications on television.
- Increased communications through direct letters to residents and business community, news releases, and verbal reports at City Council meetings.
- Established enhanced community engagement on initiatives (e.g., downtown, Levi’s® Stadium, State of the City, etc.).
- Increased communication about Levi’s® Stadium before events.

- Relaunched the City’s Customer Relations Management software system, My Santa Clara (see Council’s High Quality, Efficient Services and Infrastructure Priority), that provides some data analytics to assess service delivery.

Ensure Compliance with Measure J and Manage Levi’s Stadium

- Stadium Public Safety Deployment (75% stadium reimbursed/25% General Fund) – adds one Stadium Oversight Manager (Deputy City Manager) to coordinate stadium functions including neighborhood impacts, multi-department deployment model, and other stadium event support issues.
- Public Safety Stadium Training (100% stadium reimbursed) – funding for specialized training related to events at Levi’s Stadium including firearms qualification, bicycle crowd control, sniper courses and incident command system training.

Manage Strategically Our Workforce Capacity and Resources

- Silicon Valley Power Staffing – adds two Electric Program Managers and one Electric Utility Engineer.
- Real Estate Attorney – funds one Assistant City Attorney position to support real estate legal matters.
- Communications and Outreach Manager – adds one Communications and Outreach Manager to oversee the redesign of the City’s website and Inside Santa Clara newspaper and provide support to all departments regarding communications planning, media relations, and public outreach. Adds one-time funding for the “Love Santa Clara” program.
- Information Technology Services Cost-Benefit Analysis Consultant – provides for a third- party review of the City’s current contract for information technology services including an evaluation of audio and visual needs.
- Solid Waste Organic Waste Diversion Program – provide resources to meet new state regulations regarding programs for organic waste diversion.
- Risk Management Program Resources – provide resources to support the Risk Manager with administrative tasks in an effort to develop a more robust risk management program.
- Public Records Act Resources – funding to assist with public records act requests until ongoing technology improvements are completed.
- Human Resources Administration – adds resources to provide administrative support to human resource operations.
- Convention Center Training and Travel - adds one-time funding for City staff to attend trainings related to the Convention Center.
- Housing Division Staffing - to assist with monitoring existing and new housing programs.
- Tuition Reimbursement and Professional Development – funds Working Scholars Program and offers educational benefits that improve employee skills and potential promotional opportunities.

- Firefighter Recruitment Pilot – funds marketing and outreach resources to promote a diverse applicant pool for the upcoming firefighter academy.
- City Council Sister Cities Travel – adds one-time funding for City Councilmembers to attend the Sister Cities conferences.
- Public Works Engineering Staff – realign positions to perform analytical work currently performed by engineers.
- Certified Access Specialist Program – funding to increase training for building inspectors to obtain accessibility certification.

Sustainability

- Sustainability Program – adds one Assistant to the City Manager to oversee strategies outlined in the Climate Action Plan with a focus on creating a more sustainable, healthy, and livable community; work with Silicon Valley Power to evaluate energy efficiency programs; ensure a reliable water supply, and coordinate with public works and community development regarding new building requirements.
- Silicon Valley Power Staffing – adds one Electric Program Manager to support the utility’s electric vehicle program.
- Multi-Family Energy Rehab Program – a pilot program for multifamily housing for projects achieving 15% whole building energy savings with gas, electric, and water measures.

Development Projects

More than \$3 billion in new development projects are on the horizon for Santa Clara in the next few years, with the likelihood of more to come. There are many residential and commercial projects in various stages of planning. Below are highlights of a few of the larger projects.

- City Place – Situated on 240 acres, this project is being developed by the Related Companies. It includes Construction of a new multi-phased, mixed-use development of up to 9.16 million gross square feet of office buildings, retail and entertainment facilities, residential units, hotel rooms, surface and structured parking facilities, new open space and roads, landscaping and tree replacement, and new/upgraded/expanded infrastructure and utilities.
- Kylii Mixed Use Development Project – This project is in review for a General Plan amendment for a nine-parcel property to amend the designation from High-Intensity Office/Research to a newly-established mixed-use designation allowing a high-intensity mix of office, commercial, and residential uses. The proposed amendment could support future development on the property. Potential development area includes 3.5 million square feet of office and 6,000 housing units.
- Freedom Circle Mixed Use Project - This project proposes a General Plan Amendment and Re-zoning to Planned Development to construct a mixed-use development project on a 16.6 acre site within the Freedom Circle specific plan area, that consists of 1,018 residential units, 606,968 square feet of office space, 18,653 square feet of commercial space and 2.5 acres of publicly accessible open space, including bicycle and pedestrian connections to the San Tomas Aquino Creek Trail.

- Benton Street Mixed Use Project – Developed by Prometheus, this proposed project would consist of up to 355 apartment units including eight live-work units, 650 parking spaces, 1,601 square feet of leasing office space, 346 square feet pet spa area, 1,528 square feet of bike amenity space, an amenity roof deck with 4,341 square feet of club room and a fitness center, three private courtyards and a public courtyard facing The Alameda. The proposed residential density of the project would be 61.8 dwelling units per acre. The project includes approximately 22,000 square feet of retail space and potentially an additional 2,364 square feet of commercial space within 8 live-work units. The project site plan would allow preservation of two historic single-family houses located at 3410 The Alameda and 3370 The Alameda on the project site.

FINANCIAL POLICIES

The City of Santa Clara has adopted a comprehensive set of financial policies. These policies address items such as budget, cash management, interfund loans, investments, reserves, and debt management. The City Council reviews and approves budgetary policies as part of the annual budget process. Investment and debt policy statements are reviewed and approved by the City Council under separated cover.

AWARDS

The Government Finance Officers Association of the United States and Canada (GFOA) awarded a Certificate of Achievement in Excellence in Financial Reporting to the City of Santa Clara for its Comprehensive Annual Financial Report (CAFR) for the fiscal year ended June 30, 2018. The Certificate of Achievement is a prestigious national award, recognizing conformance with the highest standards for preparation of state and local government financial reports and is valid for a period of one year only. The City has received this prestigious award for the past twenty-seven consecutive years.

To be awarded a Certificate of Achievement, a government must publish an easily readable and efficiently organized comprehensive annual financial report. This report must satisfy both accounting principles generally accepted in the United States of America and applicable legal requirements. We believe that our current CAFR continues to meet the Certificate of Achievement Programs' requirements and we are submitting it to GFOA to determine its eligibility for another certificate.

ACKNOWLEDGEMENTS

The preparation of this report would not have been possible without the efficient and dedicated services of the entire staff of the Finance Department. We wish to thank all City departments for their assistance in providing the data necessary to prepare this report. Credit and thanks are also due to the Mayor and City Councilmembers for their unfailing support for maintaining the highest standards of professionalism in the management of the City of Santa Clara's finances.

Respectfully submitted,

Deanna J. Santana

City of Santa Clara, California

Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City of Santa Clara, California, as of and for the year ended June 30, 2019, and the related notes to the financial statements, which collectively comprise the City's basic financial statements as listed in the Table of Contents. We did not audit the component unit financial statements of the Santa Clara Stadium Authority (Stadium Authority), as of and for the year ended March 31, 2019, which is both a major fund and 35.9%, 5.1%, and 15.9% of the assets, net position and revenues, respectively, of the business-type activities.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. The financial statements of the Stadium Authority were audited by other auditors whose report has been furnished to us, and our opinion, insofar as it relates to the amounts included for the Stadium Authority, is based solely on the report of other auditors. We also did not audit the financial statements of Northern California Power Agency (NCPA), Transmission Agency of Northern California (TANC) and San Jose-Santa Clara Regional Wastewater Facility and Clean Water Financing Authority (SJSC) as of and for the year ended June 30, 2018, related to the calculation of the Investments in Joint Ventures. The Investment in these Joint Ventures collectively represents 7.8%, 15.5% and 0.0%, respectively, of total assets, net position and revenues of the business-type activities. The financial statements of the NCPA, TANC and SJSC were audited by other auditors whose reports have been furnished to us, and our opinion, insofar as it relates to the calculation of the Investments in Joint Ventures, is based solely on the reports of the other auditors.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the City's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, based on our audit and the reports of the other auditors, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City as of June 30, 2019, and the respective changes in financial position and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the Management's Discussion and Analysis and other Required Supplementary Information as listed in the Table of Contents be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the City's basic financial statements. The Introductory Section, Supplemental Information, and Statistical Section listed in the Table of Contents are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The Supplemental Information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Supplemental Information is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

The Introductory and Statistical Sections have not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we do not express an opinion or provide any assurance on them.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated December 19, 2019, on our consideration of the City's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City's internal control over financial reporting and compliance.

MANAGEMENT’S DISCUSSION AND ANALYSIS

The Management’s Discussion and Analysis (MD&A) of the City of Santa Clara’s (City) Comprehensive Annual Financial Report (CAFR) provides an overview of the City’s financial activities for the fiscal year ended June 30, 2019. The intent of this discussion and analysis is to look at the City’s financial performance. Readers should review the discussion and analysis in conjunction with the basic financial statements, as well as the notes to the financial statements to enhance their understanding of the City’s financial performance.

FINANCIAL HIGHLIGHTS

Financial highlights for fiscal year June 30, 2019 are as follows:

- The assets and deferred outflows of resources of the City exceeded its liabilities and deferred inflows of resources by \$1.8 billion in fiscal year 2018-19. Of this amount, \$(139) million represents unrestricted net position, an increase of \$65 million from fiscal year 2017-18. The deficit is comprised of a negative balance of \$170 million for governmental activities and a positive balance of \$31 million for business-type activities. The negative positive in governmental activities is primarily due to the net pension liability of \$395 million and the net Other Post Employment Benefit (OPEB) liability of \$20 million as of June 30, 2019.
- The City’s total net position increased by \$143 million primarily due to a \$41 million increase in governmental activities from the higher receipts in various taxes and intergovernmental revenue, and increase in the fair value of investment and \$102 million increase in business-type activities mainly from the rate increases and lower operating costs in Electric utility, asset and equity in joint project increase in Sewer utility, and total liabilities decreases in the Stadium Authority.
- Net pension liability increased by \$8 million or 1.6% during fiscal year 2018-19 to \$524 million from \$516 million. The changes were mainly due to the decrease in the investment earnings. Deferred outflows of resources related to pensions are \$95 million at June 30, 2019, a decrease of \$21 million from prior year resulting from decrease in changes of assumptions, differences between expected and actual expenses, and net difference between projected and actual earning on the pension plan investments. More detail on the net pension liability are included in Note 13.
- The net OPEB liability was \$38 million at June 30, 2019, and decreased \$8 million or 17% from previous year. The decline was primarily attributed to the \$6 million increase in the deferred inflows OPEB related balances resulting from the changes in assumptions, differences between expected and actual experience, and net difference between projected and actual earnings on plan investments. More detail on the net OPEB liability are include in Note 16.
- The City’s total liabilities excluding net pension liability and net OPEB liability decreased by \$57 million to \$1,091 billion at June 30, 2019. The primary factors leading to the decrease is the debt repayment of Stadium Authority loans.
- As of June 30, 2019, the City’s governmental funds reported combined fund balances of \$361 million, an increase of \$33 million from the prior year. At June 30, 2019, \$148 million is in the unassigned fund balance and available for spending at the City’s discretion.
- At the close of fiscal year 2018-19, the General Fund had assets of \$238 million and a fund balance of \$229 million. This represents an increase in fund balance of \$33 million, or 17% from prior fiscal year. The increase is primarily attributed to a \$14.7 million redistribution from the proceeds of the sale of the Great America Theme Park land and \$9 million increase in sales tax revenue. Of the total

MANAGEMENT'S DISCUSSION AND ANALYSIS (continued)

fund balance, \$187 million was unrestricted (the total of committed, assigned, and unassigned components of fund balance).

- In November 2012, the Santa Clara Stadium Authority (Stadium Authority) elected to adjust its fiscal year to April 1 through March 31 to conform with the fiscal year of Stadium Funding Trust (FinanceCo). This report covers the twelve month period from April 1, 2018 through March 31, 2019. As of March 31, 2019, buildings, infrastructure and land improvements equaled \$751 million and the assets of the Stadium Authority exceeded its liabilities by \$60 million.
- The City's total outstanding long-term debt decreased by \$57 million during the current fiscal year primarily due to the repayment of Stadium Authority debt.

OVERVIEW OF THE FINANCIAL STATEMENTS

This annual report consists of a series of financial statements and notes to those statements. These statements are organized so the reader can understand the City as a whole. This report consists of six parts – introductory section, financial/MD&A section, basic financial statements, required supplementary information, supplementary information, and statistical section.

The basic financial statements include two types of statements that present different views of the City:

- The *Government-wide Financial Statements* provide both long-term and short-term information about the City's overall financial status.
- The *Fund Financial Statements* focus on individual parts of the government, reporting the City's operations in more detail than the government-wide statements.

Government-wide Financial Statements

Government-wide statements report information about the City as a whole using accounting methods similar to those used by private-sector companies. They include the Statement of Net Position and the Statement of Activities.

The Statement of Net Position presents information on all of the government's assets, deferred outflows of resources, liabilities and deferred inflows of resources. Over time, increases or decreases in the City's net position may serve as an indicator of whether the financial position of the City is improving or deteriorating.

The Statement of Activities provides information about the City's revenues and expenses, regardless of the timing of related cash flows. The Statement of Activities explains in detail the change in net position for the fiscal year.

The Government-wide Financial Statements are divided into two categories:

- *Governmental Activities*—all of the City's basic services are governmental activities. Included in basic services are the City Council, City Manager, City Clerk, City Attorney, Information Technology, Human Resources, Finance, Parks and Recreation, Library, Planning and Inspection, Public Works, Police, and Fire. These services are principally supported by taxes and intergovernmental revenues.
- *Business-Type Activities*—unlike governmental services, these services are intended to recover all or a significant portion of their costs through user fees and charges. All the City's enterprise activities are reported as business-type activities, including the Major funds (Electric, Water, Sewer, Water

MANAGEMENT'S DISCUSSION AND ANALYSIS (continued)

Recycling utilities, and Stadium Authority) and Non-Major funds (Solid Waste, Cemetery, Santa Clara Golf & Tennis Club, Santa Clara Convention Center, and Sports and Open Space Authority).

The City is the primary government in this report. These financial statements include four entities that, although legally separate, are important because they are blended component units of the City. These component units are the Stadium Authority, City of Santa Clara Sports and Open Space Authority, the Santa Clara Housing Authority, and the City of Santa Clara Public Facilities Financing Corporation. These component units have been included as an integral part of the City (that is, they have been "blended" with those of the City) and they are not reported as separate discrete component units in these financial statements.

Fund Financial Statements

The Fund Financial Statements provide detailed information about each of the City's most significant funds, called major funds. Each major fund is presented individually, with all non-major funds combined in a single column on each fund statement. The non-major fund statements are presented in the Supplementary Information section of this report. Major funds present the primary activities of the City for the year and may change from year to year as a result of changes in the pattern of the City's activities. All the funds of the City can be divided into three categories: governmental funds, proprietary funds, and fiduciary funds.

Governmental Funds: Most of the City's basic services are included in Governmental Funds which focus on how money flows into and out of these funds and the balance left at fiscal year-end that are available for spending. These funds are reported using an accounting method called modified accrual accounting, which measures cash and all other financial assets that can readily be converted to cash. The governmental funds statements provide a detailed short-term view of the City's general governmental operations and the basic services it provides. Governmental fund information helps determine whether there are more or fewer financial resources that can be spent in the near future to finance the City's programs. Because the focus of governmental funds is narrower than that of the Government-wide Financial Statements, it is useful to compare the information presented for governmental funds with similar information presented for governmental activities in the Government-wide Financial Statements. By doing so, readers may better understand the long-term impact of the government's near-term financing decisions. Both the Governmental Fund Balance Sheet and the Governmental Fund Statement of Revenues, Expenditures, and Changes in Fund Balances provide a reconciliation to facilitate this comparison between governmental funds and governmental activities.

Proprietary Funds: Enterprise and Internal Service Fund Financial Statements are prepared on the full accrual basis of accounting, similar to that used by private sector companies. Proprietary funds are reported in the same way that all activities are reported in the Statement of Net Position and the Statement of Revenues, Expenses, and Changes in Net Position. The City's Proprietary Funds are the same as the business-type activities reported in the Government-wide Statements but provide more detail and additional information, such as cash flows.

Since the City's Internal Service Funds provide goods and services only to the City's governmental and business-type activities, their activities are only reported at the fund level. Internal Service Funds cannot be considered major funds because their revenues are derived from other City funds. Revenues between funds are eliminated in the Government-wide Financial Statements and any related profits or losses are returned to the activities in which they were created, along with any residual net position of the Internal Service Funds.

Fiduciary Funds: Fiduciary Funds are prepared on the full accrual basis, similar to the Proprietary Funds. The City has three types of Fiduciary Funds: the Agency Funds (which includes Employee Benefit and Liability Clearing, Special Assessments, and Deposits), the Other Post Employment Benefit (OPEB) Plan

MANAGEMENT'S DISCUSSION AND ANALYSIS (continued)

Trust Fund and the Private Purpose Trust Funds (which includes the Charitable Trust and Successor Agency). The City's fiduciary activities are reported separately in the Statement of Fiduciary Net Position and the Statement of Changes in Fiduciary Net Position. These activities are excluded from the City's Financial Statements because the City cannot use these assets to finance its own operations.

Notes to the Financial Statements

The notes provide additional information that is necessary to acquire a full understanding of the data provided in the Government-wide and Fund Financial Statements. The Notes to the Financial Statements follow the basic financial statements.

Other information

In addition to the basic financial statements and accompanying notes, this report also presents required supplementary information. This information includes budgetary comparison schedules and the City's progress in funding its obligation to provide pension and other post-employment benefits to its employees. Required supplementary information can be found immediately following the Notes to the Financial Statements.

MANAGEMENT'S DISCUSSION AND ANALYSIS (continued)

GOVERNMENT-WIDE FINANCIAL STATEMENTS ANALYSIS

Citywide Financial Statements

This section focuses on the City's net position and changes in net position of its governmental and business-type activities for the fiscal year ending June 30, 2019. As noted earlier, the City's total assets and deferred outflows of resources exceed total liabilities and deferred inflows of resources by \$1.8 billion at the end of the fiscal year, an increase in net position of \$143 million.

(1) Certain amounts in the prior year have been reclassified in order to be consistent with the current year's presentation.

MANAGEMENT'S DISCUSSION AND ANALYSIS (continued)

The largest portion of the City's net position, \$1.5 billion (84%), is its investment in capital assets (e.g., land, infrastructure, buildings, machinery and equipment), less any related outstanding debt that was used to acquire those assets. The City uses these capital assets to provide services to its residents and other stakeholders. Accordingly, these assets are not available for future spending. Although the City's investment in its capital assets is reported net of related debt, the resources needed to repay this debt must be provided from other sources because the capital assets themselves cannot be used to liquidate these liabilities.

The restricted portion of the City's net position of \$431 million (24%) represents resources that are subject to external restrictions on how they may be used. The remaining balance of \$(139) million (-8%) is unrestricted and is negative due to the City's net pension and OPEB liabilities.

At the end of the current fiscal year, the City is able to report positive balances in all reported categories of net position except for the Workers' Compensation Insurance Claims, Special Liability Insurance Claims, Cemetery Enterprise Fund, Solid Waste Enterprise Fund, and Santa Clara Golf and Tennis Club.

MANAGEMENT'S DISCUSSION AND ANALYSIS (continued)

Governmental Activities - governmental activities increased the City's net position by \$41 million. This is primarily due to the higher general fund revenues and increases in the fair value of the investments.

Business-type Activities - business-type activities increased the City's net position by \$102 million. This is primarily due to an increase of \$65 million in the Electric Utility as a result of lower resource costs in operating activities and higher fair value of investments, an increase of \$18 million in the Sewer Utility Fund due to increased assets and equity in joint venture, and a \$17 million increase from Stadium Authority operations.

Governmental Activities

The chart below presents revenues by source for Governmental Activities. General revenues are composed of taxes and other revenues not specifically generated by, or restricted to, individual activities. All tax revenues and investment earnings are included in general revenues.

MANAGEMENT'S DISCUSSION AND ANALYSIS (continued)

The following analysis presents a comparison of fiscal year 2018-19 and fiscal year 2017-18 by the total cost and net cost of each of the City's largest programs. Net cost is defined as total program cost less the revenues generated by those specific activities. It is common to see Governmental Activities as net cost generators, wherein costs of governmental activities are greater than the revenues they generate.

Table 3
Governmental Activities
(in millions)

	Total Cost Of Services		Net Cost Of Services	
	2019	2018	2019	2018
General Administration	\$ 31	\$ 25	\$ 21	\$ 23
City Clerk	1	1	1	1
City Attorney	2	1	2	1
Human Resources	2	2	2	2
Finance	7	6	6	5
Public Works	46	38	10	9
Parks and Recreation	23	21	20	18
Public Safety:				
Police	72	77	70	70
Fire	58	55	49	46
Planning and Inspection	13	11	(6)	(2)
Library	13	12	12	12
Interest on long-term debt	1	1	1	1
Totals	\$ 269	\$ 250	\$ 188	\$ 186

In fiscal year 2018-19, total costs of services increased \$19 million and net costs increased \$2 million. The increased cost for Governmental Activities is primarily due to the salary and benefit cost increases in General Administration, increased spending in street maintenance in Public Works, and retroactive overtime payments to be in compliance with the Fair Labor Standard Act for the Fire Department.

MANAGEMENT'S DISCUSSION AND ANALYSIS (continued)

Business-type Activities

The following analysis provides the total costs and net costs of each of the City's enterprise funds. Net cost is defined as total program cost less the revenues generated by each enterprise fund.

Table 4
Business-Type Activities
(in millions)

	Total Cost Of Services		Net Cost Of Services	
	2019	2018	2019	2018
Utilities:				
Electric -				
Retail	\$ 386	\$ 402	\$ (46)	\$ (38)
Wholesale	23	35	(5)	-
Water	46	42	(1)	(5)
Sewer	29	26	(15)	(25)
Water Recycling	6	5	-	(1)
Solid Waste	25	23	(1)	-
Cemetery	1	1	1	1
Santa Clara Golf and Tennis Club	3	3	1	1
Santa Clara Convention Center	13	9	-	(1)
Santa Clara Stadium Authority	104	111	(9)	(1)
Totals	<u>\$ 636</u>	<u>\$ 657</u>	<u>\$ (75)</u>	<u>\$ (69)</u>

The City's business-type total costs of services decreased \$21 million and net costs of services decreased by \$6 million as of June 30, 2019. The net costs of services for the Electric Utility were (\$51) million, a decrease of \$13 million from the prior year. This net cost decrease can be attributed to a decrease in power purchase costs. The net cost of services in the Water Utility Fund decreased \$4 million and is due to the increase in the resource purchases. The net cost of services in Sewer Utility Fund decrease of \$10 million is mainly due to the \$7 million equity decrease in the joint project with City of San Jose. The net cost of services in Solid Waste Fund decrease of \$1 million is mainly due to recognizing increased landfill post-closure costs to meet accounting requirements in fiscal year 2018-19.

FUND FINANCIAL STATEMENTS

Financial Analysis of Governmental Funds

The City uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. The focus of the City's governmental funds is to provide information on near-term inflows, outflows, and balances of spendable resources. Such information is useful in assessing the City's financing requirements. In particular, unassigned fund balance may serve as a useful measure of a government's net resources available for discretionary use as they represent the portion of fund balance which has not yet been limited to use for a particular purpose.

MANAGEMENT'S DISCUSSION AND ANALYSIS (continued)

At June 30, 2019, the City's governmental funds reported a combined fund balance of \$361 million, an increase of \$33 million or 10% in comparison with the prior fiscal year. Approximately 41% or \$148 million constitutes unassigned fund balance, which is available for spending at the government's discretion. The remainder of the fund balance is either nonspendable, restricted, committed, or assigned to indicate that it is 1) not in spendable form, \$24 million, 2) restricted for particular purposes, \$105 million, 3) committed for particular purposes, \$76 million, or 4) assigned for particular purposes, \$8 million.

Governmental fund revenues increased \$56 million, or 22%, from prior year to \$309 million. Most of this increase is attributed to a one-time \$14.7 million distribution related to the sale of the Great America Theme Park land, an \$11 million increase in investments market value, a \$15 million increase in taxes, and an \$8 million increase in licenses and permits due to more development activities compared to the prior year.

Governmental fund expenditures were \$275 million, an increase of \$25 million from the prior year. The increase is primarily attributable to higher salary and benefit costs in the General Fund.

General Fund

Revenues

The City's General Fund revenues totaled \$283 million in fiscal year 2018-19, an increase of \$53 million or 23% from the prior fiscal year.

Sales tax is the largest revenue source for the City's General Fund and accounts for approximately 22% of direct General Fund revenues. Sales tax revenue increased \$9 million primarily due to the steady increase in local business returns and a true up adjustment from the State for the fiscal year 2017-18 tax allocation.

Property tax revenues for fiscal year 2018-19 were \$59 million, an increase of \$4 million or 7% from the prior year as a result of growth in the assessed valuation on secured properties and the value of the new construction projects being added to the tax roll.

Transient occupancy taxes were \$23 million in fiscal year 2018-19, a \$3 million or 13% higher than fiscal year 2017-18.

Licenses, permits, fines and penalties revenues were \$16 million in fiscal year 2018-19 compared with \$9 million in fiscal year 2017-18. The increase is due to increased construction activity and related building permit fees.

Intergovernmental revenues were \$17 million in fiscal year 2018-19 compared to \$5 million in the previous year. The increase is due to a \$15 million distribution of proceeds from the Successor Agency's sale of land in the fiscal year 2018-19.

Charges for services totaled \$47 million in fiscal year 2018-19 compared to \$43 million in the prior fiscal year. This increase is largely attributed to fee increases.

Contributions in-lieu of taxes were approximately \$21 million in fiscal year 2018-19, which is consistent with prior year results.

Interest and rent revenues were \$16 million in fiscal year 2018-19 compared to \$14 million in fiscal year 2017-18. The increase is due to higher interest rates in the current year.

MANAGEMENT'S DISCUSSION AND ANALYSIS (continued)

Expenditures

General Fund expenditures totaled \$224 million for fiscal year 2018-19 compared to \$211 million in the prior year. This amount excludes encumbrances and re-appropriations.

Salaries and benefits expenditures were \$176 million in fiscal year 2018-19 compared with \$167 million in fiscal year 2017-18, an increase of \$9 million. This increase is primarily due to increased salary and benefit costs as well as an increase in General Fund positions.

Other operating expenditures, including materials, services, and supplies, internal service fund charges and minor capital outlays, were \$47 million in fiscal year 2018-19, an increase of \$3 million from the previous fiscal year.

Transfers out for fiscal year 2018-19 were \$28 million compared to \$18 million in the prior year. This increase of \$10 million was primarily due to transfer of funding for the purchase of the Great America parking lot in fiscal year 2018-19.

Fund Balance

As of June 30, 2019, total fund balance in the General Fund was \$229 million, up \$33 million from fiscal year 2017-18. Table 5A shows the breakdown of various components compared with the prior fiscal year.

Table 5A
General Fund Balance for the Fiscal Year Ended June 30, 2019
(in millions)

	2019	2018	Net Change
Nonspendable	\$ 24	\$ 25	\$ (1)
Restricted	18	14	4
Committed	31	42	(11)
Assigned	8	7	1
Unassigned	148	108	40
Total General Fund Balance	\$ 229	\$ 196	\$ 33

General Fund Budgetary Highlights

The City's budget is a flexible-spending plan, which commits resources to the accomplishment of City Council goals and objectives. During the fiscal year, the City Council took action to amend the adopted General Fund budget. A summary of the budgetary comparison schedule for the General Fund, located in the required supplementary information following the notes to the financial statements, is shown in the following table:

MANAGEMENT'S DISCUSSION AND ANALYSIS (continued)

Original Budget Compared to Final Budget

Table 5B
General Fund Budget for the Fiscal Year Ended June 30, 2019
(in millions)

	Original Budgeted Amount	Final Budgeted Amount	Net Change
Revenues	\$ 235	\$ 238	\$ 3
Expenditures	\$ 235	\$ 241	\$ 6
Other financing sources (uses)	\$ (13)	\$ (26)	\$ (13)

Adjustments to the original budget were based on the following:

- The increase in budgeted revenues is mainly due to a \$1.4 million mid-year budget adjustment for reimbursement of City costs from the College Football Playoff Host Committee and a \$1 million mid-year adjustment for Fire mutual aid reimbursement.
- The increase in budgeted expenditures is due to a \$4 million mid-year budget adjustment in the Fire department for required minimum staff overtime for backfill, \$1 million additional retroactive overtime appropriation to be compliant with the Fair Labor Standard Act, and a \$0.9 million increase in the salary and benefit category for the College Football playoff.
- The increase in budgeted Other Financing Uses is due to a \$7.5 million transfer from the General Fund Land Sale Proceeds Reserves to purchase the Great America North-South parking lot; \$3 million from General Fund Capital Project Reserves to fund the various capital improvement projects; and \$2.8 million transfer from the Budget Stabilization Reserves to fund the Special Liability Insurance Claims Fund and Santa Clara Golf and Tennis Club Fund to cover operating deficits.

Final Budget Versus Actual

Table 5C
General Fund Final Budget Versus Actual for the Fiscal Year Ended June 30, 2019
(in millions)

	Final Budgeted Amount	Actual Amount	Variance
Revenues	\$ 238	\$ 282	\$ 44
Expenditures	\$ 241	\$ 224	\$ (17)
Other financing sources (uses)	\$ (26)	\$ (26)	\$ -

The most significant differences between actual and final budgeted amounts are explained as follows:

MANAGEMENT'S DISCUSSION AND ANALYSIS (continued)

- The final budgeted revenues resulted in a \$44 million positive variance mainly due to \$16 million increases in intergovernmental revenues from the RDA Successor Agency land sale redistribution and higher mutual aid reimbursement in the Fire department, a \$12 million increase in sales tax compared to the prior year, and a \$6 million increase in transient occupancy tax.
- Actual expenditures were \$17 million lower than the final budget as a result of lower departmental costs. See the General Fund Schedule of Revenues, Expenditures, and Changes in Fund Balances Budget Actual (Non-GAAP Basis) for additional details.

Santa Clara Housing Successor

The Santa Clara Housing Successor (SCHS) Fund accounts for the activities related to the housing assets assumed by the City as Housing Successor to the Redevelopment Agency. The activities are governed by Community Redevelopment Law and must be used to provide housing for people with low and moderate incomes.

The SCHS's revenues were approximately \$2 million in fiscal year 2018-19. Revenues received were mostly loan repayments on low income loans. The general expenditures were \$549 thousand, comparable to the prior year. Expenditures are for case management services offered to persons experiencing (or at risk of) homelessness and increased administration and labor cost related to developing land held for development of affordable housing and managing and monitoring assets.

Non-Major Governmental Funds

These funds are not presented separately in the Basic Financial statements but are individually presented in the Supplemental Information section of this report.

Financial Analysis of Enterprise Funds

Enterprise Fund net position totaled \$1.17 billion at the end of fiscal year 2018-19, an increase of \$102 million or 9.4% over the prior fiscal year. Enterprise operating revenues were \$656 million, up \$11 million from last year's revenues. Fund operating expenses were \$577 million, down \$8 million from the prior year. The decrease can be primarily attributed to decreases in materials, supplies and services in the Electric Fund.

The change in the equity in joint venture in fiscal year 2018-19 was a loss of \$17 million, compared to a \$9 million gain in the previous year. This decrease of \$26 million is mostly due to the \$17 million refund to participant from the joint power agencies and decreased equity contribution to the San Jose Santa Clara Joint Wastewater Treatment Facility joint project. Not including the joint venture activity and net change in the fair value of the investment, non-operating revenues in fiscal year 2018-19 were \$83 million, remaining the same as the previous year. Non-operating expenses were \$53 million which were down \$17 million from the previous year because of the decreased wholesale resource purchases in the Electric Utility Fund.

Electric Utility

This fund accounts for the operation of the City's electric utility services. Retail operating revenues were \$407 million in fiscal year 2018-19 compared with \$404 million in fiscal year 2017-18. The main reason for this increase was due to consumption increases in commercial and industrial sectors.

Retail operating expenses were \$368 million in fiscal year 2018-19 compared with \$387 million in fiscal year 2017-18, a decrease of \$19 million or 4.9%. Operating expenses were lower primarily due to decreases in the cost of purchased power.

MANAGEMENT'S DISCUSSION AND ANALYSIS (continued)

Revenues of wholesale power operations decreased to \$28 million in the current fiscal year, down from \$35 million in fiscal year 2017-18. The costs of wholesale power purchases decreased to \$23 million from \$35 million in the prior fiscal year.

Interest revenues were \$6 million in fiscal year 2018-19, up from \$4 million in fiscal year 2017-18 due primarily to a higher interest rate environment. Interest expense was \$12 million in current year, which increased \$4 million from fiscal year 2017-18 as a result of the SWAP termination.

The Electric Utility Fund had a net position of \$771 million at June 30, 2019, an increase of \$65 million from the prior fiscal year. Of this amount, \$412 million was net investment in capital assets, \$4 million was restricted for the pension stabilization fund, and \$354 million was unrestricted. The Electric Utility Fund is a participant in a number of joint ventures including Northern California Power Agency (NCPA), the Transmission Agency of Northern California (TANC), M-S-R Public Power Agency (MSR PPA), and M-S-R Energy Authority (MSR EA).

Water Utility

This fund accounts for the operation of the City's water utility services. Operating revenues were \$46 million in fiscal year 2018-19, an increase of \$1 million from the prior fiscal year. The increase in revenue is due to an increase in utility rates which was offset by a decrease in water usage.

Operating expenses were \$46 million in fiscal year 2018-19, compared to \$42 million in fiscal year 2017-18. The increase is primarily due to an increase in the cost of materials, services and supplies compared to the prior year. A major contributor to the material increase was the increased cost of purchased water. The Water Utility Fund's net position at June 30, 2019 increased to \$55 million.

Sewer Utility

This fund accounts for the maintenance of the City's sewer lines and related facilities. Operating revenues of the Sewer Utility increased from \$47 million in fiscal year 2017-18 to \$49 million in the current year. This increase is primarily due to an increase in sewer utility rates.

Operating expenses were \$29 million in fiscal year 2018-19, compared with \$25 million in the prior fiscal year. The majority of this increase is due to higher infrastructure maintenance costs for the City's sewer system.

The Sewer Utility Fund had a net position of \$254 million at June 30, 2019, an increase of \$18 million from the prior fiscal year. Of this amount, \$26 million was net investment in capital assets, \$144 million was restricted for joint venture capital projects and \$84 million was unrestricted. The Sewer Utility, together with the City of San Jose, owns the San Jose/Santa Clara Regional Wastewater Facility which is administered by the City of San Jose. The Utility's ownership share is approximately 19.58% of the assets, capital and operating costs. In fiscal year 2017-18, the City of San Jose reported that the gain of the Utility's equity in the Regional Wastewater Facility was \$18 million (fiscal year 2018-19 amounts were not available at the time of this report).

Water Recycling

This fund accounts for the ongoing maintenance and operations of the City's wastewater reclamation system. Operating revenues have increased to \$6 million up \$1 from the prior fiscal year. The increased revenue is due to an increase in the recycled water utility rates. Operating expenses increased to \$6 million an increase

MANAGEMENT'S DISCUSSION AND ANALYSIS (continued)

of \$1 million from the prior fiscal year. The increase was due to a higher cost to purchase recycled water. The net position at June 30, 2019 is \$6 million.

Santa Clara Stadium Authority (Stadium Authority)

These funds account for the development and operation of Levi's Stadium. As of March 31, 2019, the Stadium Authority recorded approximately \$106 million in operating revenue and incurred \$85 million in operating expenses. Net position at March 31, 2019 was \$60 million, an increase of \$17 million from the previous year.

Solid Waste

This fund accounts for the administration of the City's garbage and rubbish collection service. Operating revenues were \$26 million in fiscal year 2018-19, an increase of \$2 million from fiscal year 2017-18. Operating expenses were \$25 million in fiscal year 2018-19, an increase of \$2 million from fiscal year 2017-18, mainly due to increases in the materials, service and supplies cost. Net position at June 30, 2019 has a deficit of \$1 million. This deficit is expected to be funded by charges for services in future years.

Cemetery

This fund accounts for the Mission City Memorial Park's operations. Operating revenues were \$634 thousand, down 5%, over prior year, while operating expenses were up 8% due to an increase in salary and benefit and materials, services, and supplies expenditures. Net position at June 30, 2019 was \$(3.9) million, a decrease of \$700 thousand from fiscal year 2017-18. This fund has frequently run a deficit in its operation and capital activities, which has been covered by an advance from General Fund reserves.

Santa Clara Golf and Tennis Club

This fund accounts for the operations of the City's public golf course. Operating revenues were \$2 million; unchanged from prior year while operating expenses were down by 3%. Net position at June 30, 2019 was \$(3.4) million.

Santa Clara Convention Center

This fund accounts for the operations of the Santa Clara Convention Center. Operating revenues were \$13 million, an increase of 40% over prior year, while operating expenses were \$13 million, an increase of 38%. Net position at June 30, 2019 was \$32 million.

Sports and Open Space Authority (SOSA)

This fund accounts for the acquisition and preservation of open space within the City and the development of local sports activities. There were no operating revenues in fiscal year 2018-19 due to the expiration of the operating lease. Operating expenses were \$10 thousand, with net position at June 30, 2019 coming in at \$2 million.

MANAGEMENT'S DISCUSSION AND ANALYSIS (continued)

CAPITAL ASSETS

At June 30, 2019, the City's capital assets totaled \$603 million in Governmental Activities, and \$1.44 billion in Business-Type Activities, net of depreciation. They were invested in a broad range of categories, as shown in Table 6.

Table 6
Capital Assets at June 30, 2019
(in millions)

	<u>2019</u>	<u>2018</u>	<u>Net Change</u>
Governmental Activities:			
Land	\$ 116	\$ 109 #	\$ 7
Construction in progress	38	24	14
Land improvements	25	23	2
Buildings	212	212	-
Infrastructure	560	535	25
Machinery and equipment	80	76	4
Less accumulated depreciation	(428)	(406)	(22)
Totals	<u>\$ 603</u>	<u>\$ 573</u>	<u>\$ 30</u>
Business-Type Activities:			
Land	\$ 19	\$ 19	\$ -
Construction in progress	87	74	13
Land improvements	24	24	-
Buildings	919	917	2
Infrastructure	1,054	1,040	14
Machinery and equipment	24	24	-
Less accumulated depreciation	(684)	(642)	(42)
Totals	<u>\$ 1,443</u>	<u>\$ 1,456</u>	<u>\$ (13)</u>

The increase of \$30 million in the Governmental Funds asset base was primarily due to \$18 million of Contributed Infrastructure from various developers and \$7.5 million for the purchase of the Great America Parking Lot in July 2018. The \$13 million increase in Enterprise Funds infrastructure was due to various electric, water, and sewer projects.

The Capital Improvement Project Budget for fiscal year 2018-19 and Five-Year Financial Plan for fiscal year 2018-19 through fiscal year 2022-23 contain more detailed discussions of Capital Projects planned for the City of Santa Clara. See Note 9 to the financial statements for additional details on fiscal year 2018-19 capital assets.

MANAGEMENT'S DISCUSSION AND ANALYSIS (continued)

DEBT ADMINISTRATION

Each of the City's debt issues is discussed in detail in Note 10 to the financial statements. At June 30, 2019 the City's debt was comprised of the following:

Table 7
Outstanding Debt at June 30, 2019
(in millions)

	Balance	Balance	
	June 30, 2019	June 30, 2018	Net Change
Governmental Activity Debt:			
Refunding Certificates of Participation, Series 2013	\$ 15	\$ 15	\$ -
Lease Agreement Between City of Santa Clara and City of Santa Clara Public Facilities Financing Corporation	3	4	(1)
Business-Type Debt:			
Electric Utility Revenue Bonds, net of unamortized discount	162	171	(9)
Electric Bank of America Loan Agreement	23	26	(3)
Sewer Utility Trimble Road Loan	10	11	(1)
StadCo Subordinated Loan ⁽¹⁾	39	67	(28)
StadCo CFD Advance ⁽¹⁾	31	33	(2)
Stadium Funding Trust Loan ⁽¹⁾	270	283	(13)
Total Debt	<u>\$ 553</u>	<u>\$ 610</u>	<u>\$ (57)</u>

(1) Stadium Authority's long-term obligations are based on a March 31 fiscal year end.

SUCCESSOR AGENCY

On December 29, 2011, the California Supreme Court upheld Assembly Bill 1X 26 (AB 26) that provided for the dissolution of all redevelopment agencies in the State of California. On February 1, 2012 all redevelopment agencies in California were effectively dissolved. The Successor Agency for the Santa Clara Redevelopment Agency is currently in the process of winding down the affairs of the former Redevelopment Agency.

See Notes 21 and 22 for further information on the Redevelopment Agency dissolution and Successor Agency activities.

ECONOMIC OUTLOOK

The economy of the City is discussed in the accompanying Transmittal Letter.

MANAGEMENT'S DISCUSSION AND ANALYSIS (continued)

CONTACTING THE CITY'S FINANCIAL MANAGEMENT

This Comprehensive Annual Financial Report is intended to provide citizens, taxpayers, investors, and creditors with a general overview of the City's finances. A separate Annual Financial Report for Silicon Valley Power is available upon request. Questions about this Report should be directed to the City of Santa Clara Finance Department, at 1500 Warburton Avenue, Santa Clara, California, 95050, telephone (408) 615-2340.

Basic Financial Statements

**CITY OF SANTA CLARA
GOVERNMENT-WIDE FINANCIAL STATEMENTS
STATEMENT OF NET POSITION AND STATEMENT OF ACTIVITIES**

The Statement of Net Position and the Statement of Activities summarize the entire City's financial activities and financial position. They are prepared on the same basis as is used by most businesses, which means they include all the City's assets and deferred outflows of resources and all its liabilities and deferred inflows of resources, as well as all its revenues and expenses. This is known as the full accrual basis—the effect of all the City's transactions is taken into account, regardless of whether or when cash changes hands, but all material internal transactions between City funds have been eliminated.

The Statement of Net Position reports the excess of the City's total assets and deferred outflows of resources over the City's total liabilities and deferred inflows of resources, including all the City's capital assets and all its long-term debt. The Statement of Net Position presents similar information to the balance sheet format, but presents it in a way that focuses the reader on the composition of the City's net position, by subtracting total liabilities and deferred inflows from total assets and deferred outflows.

The Statement of Net Position summarizes the financial position of all the City's Governmental Activities in a single column, and the financial position of all the City's Business-Type Activities in a single column; these columns are followed by a total column that presents the financial position of the entire City.

The City's Governmental Activities include the activities of its General Fund, along with all its Special Revenue, Debt Service, and Capital Projects funds. Since the City's Internal Service Funds service these Funds, their activities are consolidated with Governmental Activities, after eliminating interfund transactions and balances. The City's Business-Type Activities include all its Enterprise Fund activities.

The Statement of Activities reports increases and decreases in the City's net position. It is also prepared on the full accrual basis, which means it includes all the City's revenues and all its expenses, regardless of when cash changes hands. This differs from the “modified accrual” basis used in the Fund financial statements, which reflect only current assets, current liabilities, available revenues and measurable expenditures.

The format of the Statement of Activities presents the City's expenses first, listed by program, and follows these with the expenses of its business-type activities. Program revenues—that is, revenues which are generated directly by these programs—are then deducted from program expenses to arrive at the net (expense) revenue of each governmental and business-type program. The City's general revenues are then listed in the Governmental Activities or Business-Type Activities column, as appropriate, and the Change in Net Position is computed and reconciled with the Statement of Net Position.

Both these Statements include the financial activities of the City, the Santa Clara Housing Authority, the Santa Clara Stadium Authority, the City of Santa Clara Sports and Open Space Authority, and the City of Santa Clara Public Facilities Financing Corporation, which are legally separate but are component units of the City.

**CITY OF SANTA CLARA
FUND FINANCIAL STATEMENTS
GOVERNMENTAL FUNDS**

The funds described below were determined to be Major Funds by the City in fiscal year 2018-19. Individual non-major funds may be found in the Supplementary section on page 170.

MAJOR GOVERNMENTAL FUNDS

GENERAL FUND

The General Fund accounts for resources and services traditionally associated with government. The General Fund provides administrative, financial, police protection, fire protection, community development, recreation, and maintenance services to the community and other funds. The General Fund accounts for revenues that have unrestricted uses and are not required legally or by contractual agreement to be accounted for in another fund.

SANTA CLARA HOUSING SUCCESSOR FUND

The Santa Clara Housing Successor Fund accounts for the activities related to the housing assets assumed by the City as Housing Successor to the former Redevelopment Agency. The activities are governed by Community Redevelopment Law and must be used to provide housing for people with low and moderate incomes.

CITY OF SANTA CLARA
RECONCILIATION OF THE BALANCE SHEET OF GOVERNMENTAL FUNDS
TO THE STATEMENT OF NET POSITION
June 30, 2019

TOTAL GOVERNMENTAL FUND BALANCE	\$ 360,739,629
<p>Amounts reported for Governmental Activities in the Statement of Net Position are different from those reported in the Governmental Funds above because of the following:</p>	
CURRENT LIABILITIES	
<p>The assets and liabilities below are due and payable in less than one year and more than 90 days and therefore are not reported in the Funds:</p>	
Current portion of accrued compensated absences excluding Internal Service Funds	(1,397,013)
Interest payable	(325,390)
CAPITAL ASSETS	
<p>Capital assets used in Governmental Activities are not current assets or financial resources and, therefore, are not reported in the Governmental Funds.</p>	
	602,752,799
LONG TERM ASSETS	
<p>Long-term receivable associated with lease agreements are not current assets or financial resources and, therefore, are not reported in the Governmental Funds</p>	
	5,248,308
INVESTMENT IN NON-BUSINESS-TYPE JOINT VENTURE	
	4,896,192
DEFERRED OUTFLOWS OF RESOURCES	
Pension related	73,341,747
ALLOCATION OF INTERNAL SERVICE FUND NET POSITION	
<p>Internal Service Funds are not governmental funds. However, they are used by management to charge the costs of certain activities, such as insurance and central services and maintenance, to individual governmental funds. The net current assets of the Internal Service Funds are therefore included in Governmental Activities in the following line items in the Statement of Net Position:</p>	
Cash and investments	17,782,024
Accounts receivable	195,047
Materials, supplies and prepaid	314,592
Deferred outflows pension related items	835,077
Accrued liabilities, including short-term portion of estimated claims	(7,154,025)
Long-term portion of estimated claims	(20,028,200)
Compensated absences - current	(26,374)
Compensated absences - long-term	(300,166)
Internal balances	(2,006,571)
Net OPEB liability	(728,588)
Net pension liability	(5,147,127)
Deferred inflows OPEB related items	(121,228)
Deferred inflows pension related items	(81,319)
LONG TERM LIABILITIES	
<p>The assets and liabilities below are not due and payable in the current period and, therefore, are not reported in the Funds:</p>	
Reserve against conditional grant balances	(7,633,105)
Long-term debt	(17,551,284)
Non-current portion of accrued compensated absences (excluding Internal Service Funds)	(15,899,685)
Net OPEB liability (excluding Internal Service Funds)	(19,145,477)
Net pension liability (excluding Internal Service Funds)	(389,986,923)
DEFERRED INFLOWS OF RESOURCES	
<p>Unavailable revenues recorded in governmental funds financial statements resulting from activities in which revenues were earned but funds were not available are reclassified as revenues in Government-Wide Financial Statements.</p>	
	92,505,281
OPEB related	(3,185,562)
Pension related	(7,429,736)
NET POSITION OF GOVERNMENTAL ACTIVITIES	\$ 660,462,923

CITY OF SANTA CLARA
RECONCILIATION OF THE GOVERNMENTAL FUNDS STATEMENT OF REVENUES, EXPENDITURES
AND CHANGES IN FUND BALANCES TO THE GOVERNMENT-WIDE STATEMENT OF ACTIVITIES
For the year ended June 30, 2019

NET CHANGE IN FUND BALANCES - TOTAL GOVERNMENTAL FUNDS	\$ 33,201,906
Amounts reported for governmental activities in the Statement of Activities are different because of the following:	
ACCRUAL OF CURRENT ITEMS	
The amounts below included in the Statement of Activities do not provide or (require) the use of financial resources over 90 days and therefore are not reported as revenue or expenditures in governmental funds (net change):	
Current portion of accrued compensated absences	(66,821)
CAPITAL ASSET TRANSACTIONS	
Governmental Funds report capital outlays as expenditures. However, in the Statement of Activities the cost of those assets is capitalized and allocated over their estimated useful lives and reported as depreciation expense.	
The capital outlay expenditures are therefore added back to fund balance	30,382,123
Depreciation expense is deducted from the fund balance (Depreciation expense is net of Internal Service Fund depreciation of \$2,879,523 which has already been allocated to serviced funds.)	(20,022,198)
Retirements and transfers of capital assets (net of Internal Service Fund retirement of \$39,567)	(6,065)
Contributions of infrastructure improvements by developers and equipment are capitalized in the Statement of Activities, but are not recorded in the Governmental Fund Statements because no cash changed hands.	18,425,115
JOINT VENTURES - PROFIT FROM EQUITY	27,572
LONG TERM DEBT PROCEEDS AND PAYMENTS	
Repayment of bond principal is an expenditure in the governmental funds, but in the Statement of Net Position the repayment reduces long-term liabilities.	
Repayment of debt principal is added back to fund balance	1,786,000
ACCRUAL OF NON-CURRENT ITEMS	
The amounts below included in the Statement of Activities do not provide or (require) the use of current financial resources and therefore are not reported as revenue or expenditures in governmental funds (net change):	
Provision for reserve of conditional grants	(521,305)
Non-current portion of accrued compensated absences	(2,000,319)
Interest payable	82,670
Unavailable revenue	(98,983)
OPEB related expense	899,399
Pension related expense	(19,059,666)
ALLOCATION OF INTERNAL SERVICE FUND ACTIVITY	
Internal Service Funds are used by management to charge the costs of certain activities, such as equipment acquisition, maintenance, and insurance to individual funds.	
The portion of the net revenue (expense) of these Internal Service Funds, arising out of their transactions with Governmental Funds, is reported with governmental activities, because they service those activities.	
Change in Net Position - All Internal Service Funds, net	801,984
Change in Net Position of Internal Service Funds reported with Business-Type Activities	(2,183,064)
CHANGE IN NET POSITION OF GOVERNMENTAL ACTIVITIES	<u>\$ 41,648,348</u>

This page intentionally left blank

<p style="text-align: center;">CITY OF SANTA CLARA MAJOR PROPRIETARY FUNDS</p>

Proprietary funds account for City operations financed and operated in a manner similar to a private business enterprise. The intent of the City is that the cost of providing goods and services be financed primarily through user charges. Individual non-major Proprietary funds may be found in the Supplementary section.

The City has identified the funds below as major proprietary funds in fiscal year 2018-19.

GAAP does not require the disclosure of budget versus actual comparisons regarding proprietary funds that are major funds.

ELECTRIC UTILITY FUND

This fund accounts for the operation of the City's electric utility, a self-supporting activity that provides services on a user charge basis to residences and businesses.

WATER UTILITY FUND

This fund accounts for the operation of the City's water utility, a self-supporting activity that provides services on a user charge basis to residences and businesses.

SEWER UTILITY FUND

The sewer utility fund accounts for the maintenance of the City's sewer lines and related facilities. It is a self-supporting activity that provides services on a user charge basis to residences and businesses.

WATER RECYCLING UTILITY FUND

This fund accounts for the ongoing maintenance and operations of the City's waste water reclamation system. It is a self-supporting activity that provides services on a user charge basis from the sale of non-potable water for irrigation and landscaping.

SANTA CLARA STADIUM AUTHORITY FUND

The Santa Clara Stadium Authority Fund was established in 2011 to provide for development and operation of Levi's Stadium (home of the NFL's San Francisco 49ers). In November 2012, the Santa Clara Stadium Authority changed its fiscal year ending date from June 30th to March 31st to conform with the fiscal year of Stadium Funding Trust.

<p style="text-align: center;">CITY OF SANTA CLARA FIDUCIARY FUNDS</p>

These funds are used to account for assets held by the City as an agent for individuals, private organizations, and other governments. The financial activities of these funds are excluded from the City-wide financial statements, but are presented in separate Fiduciary Fund financial statements.

PRIVATE PURPOSE TRUST FUNDS

These funds are used to report resources of all other trust arrangements under which principal and income benefit individuals, private organizations, or other governments.

OTHER POST EMPLOYMENT BENEFIT (OPEB) PLAN TRUST FUND

This fund is used to account for the reimbursement of qualified health expenses of former employees of the City.

AGENCY FUNDS

Agency funds are used to account for assets held by the City in trust for community or private organizations, or as an agent for its employees or for assessment districts. The financial activities of these funds are excluded from the City-wide financial statements, but are presented in separate Fiduciary Fund financial statements. Individual non-major Agency funds may be found in the Supplementary section.

CITY OF SANTA CLARA
NOTES TO BASIC FINANCIAL STATEMENTS
For the year ended June 30, 2019

NOTE 1 – DEFINITION OF THE REPORTING ENTITY

The City of Santa Clara (City), also known as the Mission City, is a charter city incorporated in 1852 under the laws of the State of California. The City Charter establishes the Council/Manager form of government. The City's citizens elect a City Council of seven citizens, six councilpersons and a Mayor elected at-large, who serve a term of four years each, and who, in turn, appoint a City Manager.

The City is located in the County of Santa Clara, California, approximately 45 miles southeast of San Francisco. It is situated in the northern part of the County and occupies approximately 18.41 square miles. The City's population of 128,717 accounts for 6.6% of the total Santa Clara County estimated population of 1.9 million.

The City provides a full range of municipal services, including police and fire, library, recreation, community services, public works, parks, sanitation, planning and community development, public improvements, electric, water and sewer services.

The accompanying basic financial statements present the financial activity of the City, which is the primary government presented, along with the financial activities of its component units. Although they are separate legal entities, blended component units are in substance part of the City's operations and are reported as an integral part of the City's financial statements. The City's component units which are described below are all blended.

A. City of Santa Clara Sports and Open Space Authority

The City of Santa Clara Sports and Open Space Authority (SOSA) was created by the City Council in 1974 for the acquisition and development of open space within the City. The members of the City Council are also members of SOSA's Board of Directors and, as such, are authorized to transact business and exercise power to purchase, lease or otherwise obtain and dispose of real and personal property, to acquire, construct, maintain, repair, manage and operate real and personal property, including leasing to private operators for commercial purposes, surplus space which is not economical to use for open space planning. The City performs all accounting and administrative functions of SOSA. The operations of SOSA have been included in the Supplementary Information section in the Non-Major Enterprise Funds.

B. City of Santa Clara Public Facilities Financing Corporation

The City of Santa Clara Public Facilities Financing Corporation (PFFC) was formed in 1997 for the purpose of issuing Certificates of Participation (COPs) to provide financing for the construction of the major City facilities. Members of the City Council are also members of the PFFC Board. Debt service on the COPs is secured by lease payments made by the City's General Fund to the PFFC for the use of the constructed facilities for public purposes. In accordance with lease agreements, the PFFC assigns lease payments received from the City to the trustee for payment to the certificate holders. The operations of PFFC have been included in the Supplementary Information section in the Non-Major Governmental Fund. The individual COPs and the related facilities are described in Note 10B.

C. Santa Clara Housing Authority

The Santa Clara Housing Authority (SCHA) was established by the City Council in 2011 to assume the responsibility of housing projects for the former Redevelopment Agency (former RDA). SCHA also assumes the responsibility for housing loans, which are long-term and were made under various programs,

CITY OF SANTA CLARA
NOTES TO BASIC FINANCIAL STATEMENTS
For the year ended June 30, 2019

NOTE 1 – DEFINITION OF THE REPORTING ENTITY (continued)

for qualifying individuals and groups. The members of the City Council are also members of SCHA's Board of Directors and, as such, are authorized to transact business and exercise power to plan, engineer, and implement development projects. The City performs all accounting and administrative functions of SCHA. The financial activities of SCHA have been reported in the accompanying Non-Major Governmental Fund financial statements.

D. Santa Clara Stadium Authority

The Santa Clara Stadium Authority (SCSA) was established by the City Council in 2011 to provide for development and operation of Levi's Stadium. The members of the City Council are also members of SCSA's Board of Directors and, as such, are authorized to manage the stadium, transact business and exercise power to plan, engineer, and construct the stadium. The City performs all accounting and administrative functions of SCSA. The financial activities of SCSA have been reported in the accompanying Enterprise Fund financial statements.

On November 13, 2012, an amendment was made to the JPA Agreement to change SCSA's fiscal year end date from June 30th to March 31st. As such, the financial activities reported for SCSA are as of fiscal year ended March 31, 2019. In addition, the annual financial report was audited by KPMG, an independent auditing firm, and a copy of the report can be found on the City's website.

NOTE 2 - FINANCIAL STATEMENT PRESENTATION AND SIGNIFICANT ACCOUNTING POLICIES

A. Basic Financial Statements

The City's Basic Financial Statements are prepared in conformity with accounting principles generally accepted in the United States of America (GAAP) as applied to government units. The Governmental Accounting Standards Board (GASB) is the acknowledged standard setting body for establishing accounting and financial reporting standards followed by governmental entities in the United States of America.

The significant accounting policies are described below:

Government-wide Financial Statements: The Statement of Net Position and the Statement of Activities display information about the primary government (the City) and its component units. These statements include the financial activities of the overall City government, except for fiduciary activities. Interfund Services provided and used are allocated to governmental and business-type activities, as appropriate. These statements distinguish between the governmental and business-type activities of the City. Governmental activities generally are financed through taxes, intergovernmental revenues, and other nonexchange transactions. Business-type activities are financed in whole or in part by fees charged to external parties.

The Statement of Activities presents a comparison between direct expenses and program revenues for each segment of the business-type activities of the City and for each function of the City's governmental activities. Direct expenses are those that are specifically associated with a program or function and, therefore, are clearly identifiable to a particular function. Program revenues include (a) charges paid by the recipients of goods or services offered by the programs, (b) grants and contributions that are restricted to meeting the operational needs of a particular program and (c) fees, grants and contributions that are restricted to financing

CITY OF SANTA CLARA
NOTES TO BASIC FINANCIAL STATEMENTS
For the year ended June 30, 2019

NOTE 2 – FINANCIAL STATEMENT PRESENTATION AND SIGNIFICANT ACCOUNTING POLICIES (continued)

the acquisition or construction of capital assets. Revenues that are not classified as program revenues, including all taxes, are presented as general revenues.

Fund Financial Statements: The fund financial statements provide information about the City's funds, including fiduciary funds and blended component units. Separate statements for each fund category—*governmental, proprietary, and fiduciary*—are presented. The emphasis of fund financial statements is on major individual governmental and enterprise funds, each of which is displayed in a separate column. All remaining governmental and enterprise funds are aggregated and reported as non-major funds, except for fiduciary funds.

Enterprise funds distinguish operating revenues and expenses from non-operating items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with an enterprise fund's principal ongoing operations. The principal operating revenues of the City's enterprise funds are charges to customers for services. Operating expenses for the City's enterprise funds include the costs of sales and services, administrative expenses, and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as non-operating revenues and expenses.

B. Major Funds

Major funds are defined as funds that have either assets combined with deferred outflows of resources, liabilities combined with deferred inflows of resources, revenues or expenditures/expenses equal to 10% of corresponding totals for all governmental or enterprise funds and at least 5% of the aggregate amount to all governmental and enterprise fund for the same item. The General Fund is always a major fund. The City may also select other funds it believes should be presented as major funds. All other funds, called non-major funds, are combined and reported in a single column, regardless of their fund-type.

The City reported the following major governmental funds in the accompanying financial statements:

General Fund - This is the City's primary operating fund. It accounts for all financial resources of the general government, except those required to be accounted for in another fund.

Santa Clara Housing Successor Fund - This fund accounts for the activities related to the housing assets assumed by the City as Housing Successor to the former Redevelopment Agency. The activities are governed by Community Redevelopment Law and must be used to provide housing for people with low and moderate incomes. Revenues received are primarily loan repayments on low income loans and investment earnings that are restricted for use on other low and moderate income housing loans and projects.

The City reported the following enterprise funds as major funds in the accompanying financial statements:

Electric Utility Fund - This fund accounts for the operation of the City's electric utility, a self-supporting activity that provides services on a user charge basis to residences and businesses.

Water Utility Fund - This fund accounts for the operation of the City's water utility, a self-supporting activity that provides services on a user charge basis to residences and businesses.

Sewer Utility Fund - This fund accounts for the maintenance of the City's sewer lines and related facilities. It is a self-supporting activity that provides services on a user charge basis to residences and businesses.

CITY OF SANTA CLARA
NOTES TO BASIC FINANCIAL STATEMENTS
For the year ended June 30, 2019

NOTE 2 – FINANCIAL STATEMENT PRESENTATION AND SIGNIFICANT ACCOUNTING POLICIES (continued)

Water Recycling Utility Fund - This fund accounts for the ongoing maintenance and operations of the City's waste water reclamation system. It is a self-supporting activity that provides services on a user charge basis from the sale of non-potable water for irrigation and landscaping.

Santa Clara Stadium Authority Fund - The Stadium Authority was established to provide for development and operation of Levi's Stadium.

The City also reports the following fund types:

Internal Service Funds - These funds account for maintenance of vehicles and communication equipment, general liability and workers' compensation claims, all of which are provided to other departments on a cost-reimbursement basis.

Fiduciary Funds - These funds account for assets held by the City in trust for community or private organizations, or as an agent for its employees or for assessment districts without city commitment. The financial activities of these funds are excluded from the City-wide financial statements, but are presented in separate Fiduciary Fund financial statements.

The Successor Agency to the Redevelopment Agency of the City of Santa Clara (Successor Agency) was created to serve as a custodian for the assets and to wind down the affairs of the former RDA. The Successor Agency is a separate public entity from the City, subject to the direction of an Oversight Board. The Oversight Board is comprised of seven-member representatives from local government bodies: two County of Santa Clara (County) representatives; the Mayor of the City of Santa Clara; the County Superintendent of Education; the Chancellor of California Community Colleges; one Santa Clara Valley Water District representative; and one former RDA employee appointed by the Mayor. The City performs all accounting and administrative functions of the Successor Agency. The financial activities of the Successor Agency have been reported in the accompanying basic financial statements in the Private Purpose Trust Fund. See Notes 21 and 22 for information regarding the Successor Agency.

The Other Post Employment Benefits (OPEB) Plan Trust Fund accounts for the accumulation of resources to be used for retiree reimbursement payments at appropriate amounts and times in the future.

C. Basis of Accounting

The government-wide financial statements and the fund category, proprietary, and fiduciary fund category financial statements are reported using the *economic resources measurement* focus and the *full accrual* basis of accounting. Revenues are recorded when earned and expenses are recorded at the time liabilities are *incurred*, regardless of when the related cash flows take place. Agency Funds have no measurement focus.

Governmental funds are reported using the *current financial resources* measurement focus and the *modified accrual* basis of accounting. Under this method, revenues are recognized when *measurable and available*. The City considers all revenues reported in the governmental funds to be available if the revenues are collected within sixty days after year-end. Expenditures are recorded when the related fund liability is incurred, except for principal and interest on general long-term debt, claims and judgments, and compensated absences, which are recognized as expenditures to the extent they have matured. General capital asset

CITY OF SANTA CLARA
NOTES TO BASIC FINANCIAL STATEMENTS
For the year ended June 30, 2019

NOTE 2 – FINANCIAL STATEMENT PRESENTATION AND SIGNIFICANT ACCOUNTING POLICIES (continued)

acquisitions are reported as expenditures in governmental funds. Proceeds of general long-term debt and acquisitions under capital leases are reported as *other financing sources*.

The City allocates certain indirect expenses incurred by the General Government activity to those activities that benefit from services received.

During the year ended June 30, 2019, the City implemented the following GASB Statements:

The GASB issued Statement No. 83 "*Certain Asset Retirement Obligations*." The objective of this statement is to address accounting and financial reporting for certain asset retirement obligations. A government that has legal obligations to perform future asset retirement activities related to its tangible capital assets should recognize a liability. This statement becomes effective for periods beginning after June 15, 2018. The adoption of this standard did not have an impact to the City's financial statements.

The GASB issued Statement No. 88 "*Certain Disclosures Related to Debt, including Direct Borrowing and Direct Placement*." The objective of this statement is to improve guidelines related to debt disclosure. This statement becomes effective for periods beginning after June 15, 2018. Please refer to Note 10 for detail concerning the reporting of debt.

The City is analyzing the effects of the following pronouncements and plans to adopt them by the effective dates:

The GASB issued Statement No. 84 "*Fiduciary Activities*." The objective of this statement is to improve guidance regarding the identification of fiduciary activities for accounting and financial reporting purposes and how those activities should be reported. This statement becomes effective for periods beginning after December 15, 2018. The City is currently evaluating the impact on the financial statements.

The GASB issued Statement No. 87 "*Leases*." The objective of this statement is to improve guidelines related to the recognition of lease assets and liabilities that previously were classified as operating leases. This statement becomes effective for periods beginning after December 15, 2019. The City is currently evaluating the impact on the financial statements.

The GASB issued Statement No. 89 "*Accounting for Interest Cost Incurred Before the end of a Construction Period*." The objective of this statement is to enhance the relevance and comparability of information about capital assets and the cost of borrowing and to simplify account for interest cost. This statement becomes effective for periods beginning after December 15, 2019. The City is currently evaluating the impact on the financial statements.

The GASB issued Statement No. 90 "*Majority Equity Interests-An Amendment of GASB Statements No. 14 and No. 61*." The objective of this statement is to clarify the accounting and financial reporting requirements for a state or local government's majority equity interest in an organization that remains legally separate after acquisition. This statement becomes effective for periods beginning after December 15, 2018. The City is currently evaluating the impact on the financial statements.

The GASB issued Statement No. 91 "*Conduit Debt Obligation*." The objective of this statement is to provide a single method of reporting conduit debt obligations by issuers and eliminate diversity in practices.

CITY OF SANTA CLARA
NOTES TO BASIC FINANCIAL STATEMENTS
For the year ended June 30, 2019

NOTE 2 – FINANCIAL STATEMENT PRESENTATION AND SIGNIFICANT ACCOUNTING POLICIES (continued)

This statement becomes effective for periods beginning after December 15, 2020. The City is currently evaluating the impact on the financial statements.

D. Cash and Investments

While maintaining safety and liquidity, the City maximizes investment return by pooling its available cash for investment purposes. Unless there are specific legal or contractual requirements to do otherwise, interest earnings are apportioned among funds according to average monthly cash and investment balances. It is generally the City's intention to hold investments until maturity. City investments are stated at fair value (see Note 7).

Cash and cash equivalents for purposes of the statement of cash flows include pooled cash and investments and cash designated for construction. Transactions with City-wide cash management pools are similar to those with external investment pools; therefore, since pooled cash and investments have the same characteristics as demand deposits in that the City's individual funds and component units may withdraw additional monies at any time without prior notice or penalty, pooled cash and investments are considered essentially demand deposit accounts.

Cash and investments with fiscal agent, a bond reserve investment pool, and amounts classified as deposits are not considered cash and cash equivalents.

E. Interfund Transactions and Balances

During the course of operations, numerous transactions occur between individual funds for goods provided or services rendered. The related receivables and payables are classified as "due from other funds," and "due to other funds" in the fund financial statements. Long-term interfund receivables and payables are recorded as Advances to/from other funds in the fund financial statements.

Transactions constituting reimbursements to a fund for expenditures/expenses initially made from it that are properly applicable to another fund, are generally recorded as expenditures/expenses in the reimbursing fund and as revenue in the fund that is reimbursed.

Internal balances represent the net interfund receivables and payables remaining after the elimination of all such balances within governmental and business-type activities, and are reported only in the government-wide financial statements.

F. Inventory of Materials and Supplies

Inventory of materials and supplies is accounted for using the consumption method and is stated at average cost. Inventory consists of expendable supplies held for consumption by all departments of the City. The cost is recorded as an expenditure or expense in the appropriate fund at the time individual inventory items are withdrawn for use. The General Fund inventory amount is equally offset by a non-spendable fund balance, which indicates that it does not constitute available expendable resources.

CITY OF SANTA CLARA
NOTES TO BASIC FINANCIAL STATEMENTS
For the year ended June 30, 2019

NOTE 2 – FINANCIAL STATEMENT PRESENTATION AND SIGNIFICANT ACCOUNTING POLICIES (continued)

G. Restricted Assets

Restricted assets are monies or other resources, the use of which is restricted by legal or contractual requirements.

H. Land Held for Development

The Santa Clara Housing Successor, through execution of an assignment and assumption agreement with the City and the former RDA has assumed responsibility for housing projects and parcels of land purchased to develop or redevelop blighted properties within the Redevelopment areas. Such land parcels are accounted for as investments on the balance sheet at the lower of cost or net realizable value or agreed-upon sales price if a disposition agreement has been made with a developer.

Individual parcels which have experienced an other than temporary market value decline are written down to estimated current market value. No appreciation is recorded if the current estimated net realizable value of an individual parcel exceeds cost.

I. Capital Assets

All capital assets are valued at historical cost or estimated historical cost if actual historical cost is not available. Contributed capital assets are valued at their estimated acquisition value on the date contributed. The City's policy is to capitalize equipment with costs exceeding \$5,000 and buildings, improvements and infrastructure with costs exceeding \$20,000.

Major outlays for capital assets and improvements are capitalized as projects are constructed.

Public domain (infrastructure) assets, which include roads, bridges, curbs and gutters, streets and sidewalks, drainage systems, and traffic signals, have been capitalized and reported in the government-wide financial statements. Depreciation has been calculated on all capital assets, including infrastructure, on a straight-line basis over the estimated useful lives of the assets.

	Useful Lives Years	Capitalization Threshold
Buildings and improvements	20-50	\$ 20,000
Land improvements	20-50	20,000
Machinery and equipment	3-25	5,000
Infrastructure	10-50	20,000

Some capital assets may be acquired using Federal and State grant funds, or they may be contributed by developers or other governments. These contributions are accounted for as revenues at the time the capital assets are contributed.

The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend asset lives are not capitalized. Improvements are capitalized and depreciated over the remaining useful lives of the related capital assets.

CITY OF SANTA CLARA
NOTES TO BASIC FINANCIAL STATEMENTS
For the year ended June 30, 2019

NOTE 2 – FINANCIAL STATEMENT PRESENTATION AND SIGNIFICANT ACCOUNTING POLICIES (continued)

Capital assets and the related obligations acquired under lease/purchase agreements are capitalized and accounted for in accordance with current accounting standards.

J. Joint Ventures

The City participates in several joint ventures. In accordance with GAAP investments in these joint ventures are accounted for on the equity method (see Note 12). If the City's equity in net losses of joint ventures exceeds its investment, use of the equity method is suspended except to the extent that the City is obligated to provide further financial support or has guaranteed obligations of the joint ventures.

The City advances funds to certain of its joint ventures in the form of refundable advances, project advances and operating and maintenance advances. Refundable advances accrue interest at rates stated in the related agreements. Operating, maintenance and project advances are charged to operations when incurred.

Capitalized project costs are charged to operations in the event that a project is determined to be not economically feasible.

K. Compensated Absences

Amounts of vested or accumulated vacation leave and certain benefits that are not expected to be liquidated with expendable available financial resources are reported in the Governmental Activities portion of the government-wide financial statements only. Vested or accumulated vacation leave and benefits of proprietary funds are recorded as an expense and liability of those funds as the benefits accrue to employees. Vacation time is earned based on length of service in amounts ranging between 10 and 24 days per year. City employees are allowed to carry over unused vacation earned. The maximum amount of time that can be carried over varies, depending on the employee's rate of accrual, with an upper limit of 400 hours for most employees. Employees are paid for unused vacation and certain benefits upon separation from employment.

In accordance with GAAP a liability for sick leave and benefits is accrued using the vesting method. The vesting method provides that a governmental entity estimates its accrued sick leave liability based on the sick leave accumulated at the balance sheet date by those employees who currently are eligible to receive termination payments as well as other employees who are expected to become eligible in the future to receive such payments. Amounts of sick leave payments that are not expected to be liquidated with expendable available financial resources are reported in the Governmental Activities portion of the government-wide financial statements only. No expenditure is reported for these amounts in the governmental fund financial statements.

That portion of compensated absences that is unused reimbursable leave still outstanding following an employee's resignation or retirement at year end, is an expense and current liability to the respective fund(s) that an employee charges their time to.

The accrual for compensated absences comprised the following at June 30, 2019. The long-term portion of governmental activities compensated absences is liquidated primarily by the General Fund.

CITY OF SANTA CLARA
NOTES TO BASIC FINANCIAL STATEMENTS
For the year ended June 30, 2019

NOTE 2 – FINANCIAL STATEMENT PRESENTATION AND SIGNIFICANT ACCOUNTING POLICIES (continued)

	Governmental Activities	Business-Type Activities	Total
Beginning Balance	\$ 15,473,051	\$ 5,591,664	\$ 21,064,715
Additions	3,659,928	1,054,824	4,714,752
Payments	1,509,741	918,903	2,428,644
Ending Balance	<u>\$ 17,623,238</u>	<u>\$ 5,727,585</u>	<u>\$ 23,350,823</u>
Current Portions	<u>\$ 1,423,387</u>	<u>\$ 462,605</u>	<u>\$ 1,885,992</u>

L. Risk Management

The City is self-insured up to \$3 million to provide general liability protection. In addition to the City's self-insurance, the City also maintains excess general liability with coverage up to \$63 million.

The City is also self-insured up to \$500,000 per claim for Workers' Compensation Claims. These self-insurance programs are administered by outside agencies. The City also maintains excess workers' compensation insurance for workers' compensation claims over \$500,000 per claim with coverage up to \$5 million with CSAC Excess Insurance Authority.

The City maintains property damage coverage through the Public Entity Property Insurance Program (APIP), which has a plan limit of \$1 billion. The City maintains boiler and machinery property coverage of \$100 million per occurrence in excess of self-insured amounts varying from \$2,500 to \$500,000 per occurrence. No claims settlement amount exceeded the City's insurance coverage in the past four fiscal years.

The City also maintains a Faithful Performance, Crime Coverage Bond with a plan limit of \$15 million through CSAC Excess Insurance Authority.

M. Long-Term Obligations

Long-term obligations are reported in the Governmental Activities portion of the government-wide financial statements. Long-term liabilities expected to be financed from proprietary fund operations are accounted for in those funds.

N. Pensions

For purposes of measuring the net pension liability and deferred outflows of resources and deferred inflows of resources related to pensions, and pension expense, information about the fiduciary net position of the City of Santa Clara, California Public Employees' Retirement System (CalPERS) plan (Plan) and additions to and deductions from the Plans' fiduciary net position have been determined on the same basis as they are reported by CalPERS. For this purpose, benefit payments (including refunds of employee contributions) are recognized when due and payable in accordance with the benefit terms. Investments are reported at fair value.

CITY OF SANTA CLARA
NOTES TO BASIC FINANCIAL STATEMENTS
For the year ended June 30, 2019

NOTE 2 – FINANCIAL STATEMENT PRESENTATION AND SIGNIFICANT ACCOUNTING POLICIES (continued)

O. Accounting for Encumbrances

The City utilizes an encumbrance system of accounting wherein encumbrances outstanding at year end, for which the goods or services have not been received, are not reported as expenditures, but are reported as a component of the fund balance category available for subsequent year expenditures based on the encumbered appropriation authority carried over to the next fiscal year. The City Charter requires recording encumbrances as a charge against appropriations in the accounting period in which a purchase order is issued, rather than in the accounting period when goods or services are received.

Under the modified accrual basis of accounting, in accordance with GAAP, expenditures are recorded when the goods or services are received. Adjustments to convert expenditures from the modified accrual basis to the budgetary basis are reflected in the schedule of revenues, expenditures, and changes in fund balances - budget and actual (non-GAAP legal basis) (see Note 3 and Required Supplementary Information).

P. Deferred Outflows/Inflows of Resources

In addition to assets, the Statement of Net Position reports a separate section for deferred outflows of resources. This separate financial statement element, *deferred outflows of resources*, represents a consumption of net position that applies to a future period(s) and so will *not* be recognized as an outflow of resources (expense/expenditure) until then.

In addition to liabilities, the Statement of Net Position reports a separate section for deferred inflows of resources. This separate financial statement element, *deferred inflows of resources*, represents an acquisition of net position that applies to a future period(s) and so will not be recognized as an inflow of resources (revenue) until that time.

Q. Net Position and Fund Balance Equity

Fund balances and net position are reported in classifications that comprise a hierarchy based primarily on the extent to which the City is bound to honor constraints on the specific purposes for which amounts in those funds can be spent. For governmental fund reporting, the City considers restricted fund balance to have been spent first when an expenditure is incurred, followed by committed, assigned and unassigned fund balances (in order of spending). For government-wide reporting, the City considers restricted net position to have been spent first when an expenditure is incurred, followed by unrestricted net position.

R. Bond Discounts/Premiums

In governmental funds, bond discounts and premiums are recognized in the current period. Bond discounts and premium for proprietary funds and entity-wide financial statements are deferred and amortized over the term of the bonds using the straight-line method of accounting.

S. Property Taxes

The State of California Constitution Article XIII A provides that the combined maximum tax rate on any given property may not exceed 1% of its assessed value except for voter approved incremental property taxes

CITY OF SANTA CLARA
NOTES TO BASIC FINANCIAL STATEMENTS
For the year ended June 30, 2019

NOTE 2 – FINANCIAL STATEMENT PRESENTATION AND SIGNIFICANT ACCOUNTING POLICIES (continued)

adopted prior to the passage of Article XIII A and any additional amount for general obligation debt approved by voters subsequent to the passage of Article XIII A.

Assessed value is calculated at 100% of market value as defined by Article XIII A and may be increased by no more than 2% per year unless there is a new construction on the property or the property is sold or transferred. The State Legislature has determined the method of distribution of receipts from the 1% tax levy among the counties, cities, school districts and other districts.

Santa Clara County (County) assesses properties and bills and collects property taxes on behalf of the City as follows:

	<u>Secured</u>	<u>Unsecured</u>
Valuation dates	January 1	January 1
Lien/levy dates	January 1	January 1
Due dates	50% on November 1, 50% on February 1	Upon receipt of billing
Delinquent as of	December 10 (for November), April 10 (for February)	August 31

The term "unsecured" refers to taxes on property not secured by liens on real property and generally includes business use personal property.

The City participates in the Teeter Plan offered by the County whereby cities receive 100% of secured property tax levied in exchange for foregoing any interest and penalties collected on delinquent taxes.

Property taxes levied are recorded as revenue when received from the County. Property taxes expected to be collected within 60 days of the end of the fiscal year are recorded as revenue.

The City's net assessed valuation for the year ended June 30, 2019, was \$44 billion, an increase of 9.61% compared to the previous year. The average tax rate was 1.13% per \$100 of assessed valuation.

T. Contribution In-Lieu of Taxes

Contribution in lieu of taxes is a general revenue of the governmental funds. It is levied on receipts of the City-owned and operated Electric Utility (Silicon Valley Power) in accordance with the City Charter. Non-City owned and operated electric utilities pay a franchise fee, which is also a governmental activities general revenue source.

U. Special Assessment Districts with City Commitment

Recognition of revenue related to noncurrent receivables of special assessment district funds is deferred until such receivables become current. There is no reserve for delinquent receivables since liens exist against the related properties and hence the City's management believes the City will ultimately receive value equal to the delinquent receivables. Surplus fund balances remaining at the completion of a special assessment district project are disposed of in accordance with City Council resolutions and with the applicable assessment bond laws of the State of California.

CITY OF SANTA CLARA
NOTES TO BASIC FINANCIAL STATEMENTS
For the year ended June 30, 2019

NOTE 2 – FINANCIAL STATEMENT PRESENTATION AND SIGNIFICANT ACCOUNTING POLICIES (continued)

V. Income Taxes

The City falls under the purview of Internal Revenue Code, Section 115 and corresponding California Revenue and Taxation Code provisions. As such, it is not subject to federal or state income taxes.

W. Lease Agreements

Any operating leases with scheduled rent increases are accounted for in accordance with current accounting standards.

X. Arbitrage Rebate Liability

Arbitrage rebate liabilities, if any, are included in accrued liabilities.

Y. Revenue Recognition

Electric, Water, Sewer and Solid Waste Fund revenues are recognized based on cycle billings periodically rendered to customers. Revenues for services provided, but not billed at the end of a fiscal year, are recognized and accrued based on estimated consumption.

Governmental Activities revenues subject to accrual include taxes, intergovernmental revenues, interest and charges for services.

Z. Non-exchange Transactions

The City gives or receives value without directly receiving or giving equal value in exchange, including grants, entitlements, and donations. On the accrual basis, revenue from taxes is recognized in the fiscal year for which the taxes are levied or assessed. Revenue from grants, entitlements, and donations is recognized in the fiscal year in which all eligibility requirements have been satisfied.

AA. Financial Instruments

Financial instruments included in the City's basic financial statements, excluding cash and investments, consisted of accounts receivable, accrued liabilities and bonds payable. The carrying amounts are a reasonable estimate of fair value.

BB. Conditional Grants

The City has several programs under which it extends loans to qualifying individuals or groups for the purpose of improving the City's housing stock and/or its supply of low-and moderate-income housing. Certain of these loans provide for the eventual forgiveness of the loan balance if the borrower complies with all the terms of the loan over its full term. The City accounts for these loans as conditional grants in the City-wide financial statements, and provides a reserve against their eventual forgiveness using the straight-line method over the life of the respective loan. As of June 30, 2019, conditional grants of \$13,277,680 were offset by reserves of \$7,633,105.

CITY OF SANTA CLARA
NOTES TO BASIC FINANCIAL STATEMENTS
For the year ended June 30, 2019

NOTE 2 – FINANCIAL STATEMENT PRESENTATION AND SIGNIFICANT ACCOUNTING POLICIES (continued)

CC. Use of Estimates

The preparation of basic financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the basic financial statements and the reported amounts of revenues and expenditures/expenses during the reporting period. Actual results could differ from those estimates.

DD. Vehicle Registration Fee

On November 2, 2010, Santa Clara County voters approved Measure B, which levies a \$10 annual vehicle registration fee (VRF). The statute requires that fees collected be used only to pay for programs and projects that have a relationship or benefit to the owners of motor vehicles paying the fee and are consistent with the regional transportation plan. All revenue collected through the VRF is allocated on a population basis to cities in Santa Clara County. The City has committed and used the revenue from Measure B towards various street maintenance and traffic signal timing upgrade projects. The Vehicle Registration Fees are reported in the Streets and Highways Improvement Capital Projects Fund.

As of June 30, 2019, the balance of the Vehicle Registration Fees are as follows:

	Vehicle Registration Fee
Beginning Balance July 1, 2018	\$ 2,910,426
Intergovernmental revenue	798,244
Interest	34,708
Expenditures	(1,241,992)
Ending Balance June 30, 2019	\$ 2,501,386

NOTE 3 – BUDGETS AND BUDGETARY ACCOUNTING

The budget of the City is a detailed operating plan that identifies estimated costs and activities in relation to estimated revenues. The budget includes: (1) the projects, services and activities to be provided during the fiscal year, (2) the estimated revenue available to finance the operating plan, and (3) the estimated spending requirements of the operating plan.

The budget process is the mechanism through which policy decisions are made, implemented and controlled. The City Charter requires that the City establish a budgetary system for general operations and prohibits expending funds for which there is no legal appropriation. The City is required to adopt a budget on or before June 30 for the ensuing fiscal year that begins July 1. Activities of the General Fund, the Santa Clara Housing Successor, and the Maintenance Special Revenue Funds are included in the annual appropriated operating budget. The procedures followed to establish the budgetary data reflected in the accompanying required supplementary information to the basic financial statements are as follows:

CITY OF SANTA CLARA
NOTES TO BASIC FINANCIAL STATEMENTS
For the year ended June 30, 2019

NOTE 3 – BUDGETS AND BUDGETARY ACCOUNTING (continued)

1. The City Manager submits to the City Council a proposed operating budget for the fiscal year commencing the following July 1. This includes a Five-Year Financial Plan to aid in the planning and funding of operations and capital projects over the next five years.
2. Public hearings are conducted to obtain public comments.
3. The operating and capital budgets are legally enacted through the passage of a minute order.

From the effective date of the budget, the amounts stated therein as proposed expenditures become appropriations to the applicable governmental funds. The City Council may amend the budget by motion during the fiscal year. The legal appropriation control is established at the department level in each fund. For select funds where expenditures are not allocated to a specific department, the appropriation control is established at the fund level. Transfers of funding between budgetary funds require City Council appropriation and approval. City Council approval is required for a budget amendment during the fiscal year which may include the use of reserves or fund balances, and approval of appropriations of grant monies. Per Article XIII, Section 1305 of the City Charter, appropriations lapse at the end of each fiscal year; therefore, unencumbered funds allocated for specific projects, donations, and grants require City Council appropriation for use in the following fiscal year.

Budgetary transfers between accounts or expenditure category may be done through Finance Department or City Manager's Office approval as long as they are conducted within the legal appropriation control limit set by the City Council.

Budget information is presented on a non-GAAP budgetary basis. Budgeted revenue amounts represent the original budget modified by adjustments authorized during the year. Budgeted expenditure amounts represent original appropriations adjusted for supplemental appropriations and transfers during the year. Budget amounts in the schedules of revenues, expenditures and changes in fund balances-budget and actual, include supplemental appropriations approved by the City Council during the year.

For the actual GAAP basis financial statements, encumbered appropriations are not reported as expenditures, but are reported as a reservation of fund balance available for subsequent year expenditures, based on the encumbered appropriation authority carried over to the next fiscal year.

In addition to the annual Operating Budget, each year the City Council adopts a project length Capital Improvement Project budget biennially.

NOTE 4 – LEASE AGREEMENTS

A. Original City Leases

Irvine Company Disposition and Development Agreement With Ground Lease (DDA) for Office Park Development

In April 2000, the former RDA entered into a Disposition and Development Agreement (DDA) with Ground Lease with The Irvine Company (Developer) for development of the site as an office/R&D complex. The DDA contemplated the former RDA obtaining title to the entire property from the City prior to entering into ground leases with the Developer. The site is subdivided into three parcels to accommodate the phased

CITY OF SANTA CLARA
NOTES TO BASIC FINANCIAL STATEMENTS
For the year ended June 30, 2019

NOTE 4 – LEASE AGREEMENTS (continued)

development of the project. Only Parcel 2 was conveyed to the former RDA. Parcels 1 & 3 were always held by the City and not subject to terms of the subsequent RDA dissolution.

In March 2006, the DDA and the Ground Lease were amended to update the status of conditions precedent; amend the schedule of performance; and clarify terms and conditions relating to Parcel 1 and Parcel 3. In October 2012, the City entered into two ground leases with the Irvine Company for Parcels 1 and 3. The term of both leases is 80 years after the effective date of October 31, 2012, and therefore both leases shall expire on October 31, 2092. The rent commencement date is November 1, 2012. Under the terms of the leases the City will receive specified amounts for minimum rent subject to certain events or time periods and then inflationary adjustments at times specified in the leases. For the fiscal year ended June 30, 2019, Lessee paid rent of \$2.3 million for Parcel 1 and \$1.1 million for Parcel 3.

The following schedule summarizes the minimum future lease revenues to be received by the City from the leases of Parcels 1 and 3:

Fiscal Year	Parcel 1	Parcel 3	Total
2020	\$ 2,259,022	\$ 1,089,174	\$ 3,348,196
2021	2,259,022	1,089,174	3,348,196
2022	2,259,022	1,089,174	3,348,196
2023	2,259,022	1,089,174	3,348,196
2024	2,259,022	1,089,174	3,348,196
Thereafter	154,366,475	74,426,907	228,793,382
Total	<u>\$ 165,661,585</u>	<u>\$ 79,872,777</u>	<u>\$ 245,534,362</u>

B. City Leases Pursuant to the Terms of the January 8, 2016 Settlement Agreement

On March 8, 2011, the City and the former RDA adopted resolutions authorizing the execution of property conveyance agreements for the conveyance of certain real property owned by the former RDA. The agreements conveyed the properties subject to existing leases to the City. Properties included California’s Great America Theme Park, Techmart, Hyatt Regency, and Hilton Hotel.

The actions taken by the former RDA related to the asset transfers were validly authorized and conformed with the requirements of the Community Redevelopment Law as it existed at the time of the actions. Pursuant to ABx1 26, the Redevelopment Dissolution Law, the State Controller’s Office is to review any asset transfers that occurred between a redevelopment agency and any other public agency after January 1, 2011 and if the assets have not been contractually committed to a third party and to the extent allowed by state and federal law, the Controller, after completing its review is to order the return of the assets to the Successor Agency. The Successor Agency received a Controller’s order on September 10, 2013 ordering the City to transfer the assets back to the Successor Agency. The validity of that order was the subject of litigation in Sacramento Superior Court (Sharma vs. City of Santa Clara). Additionally, on July 26, 2013, the Court granted the County of Santa Clara, the Santa Clara Unified School District, and the Santa Clara County Office of Education (Petitioners) motion for a preliminary injunction (temporary restraining order),

CITY OF SANTA CLARA
NOTES TO BASIC FINANCIAL STATEMENTS
For the year ended June 30, 2019

NOTE 4 – LEASE AGREEMENTS (continued)

restricting the City from selling, transferring, encumbering, spending, or otherwise depleting or wasting any real property interests received from the former RDA.

On January 8, 2016 the City executed a Settlement Agreement in Sharma vs the City of Santa Clara. This Settlement Agreement calls for the City to return to the Successor Agency certain properties that the former Redevelopment Agency transferred to the City prior to dissolution. The properties returned are as follows: The Great America Theme Park Property, the Hilton Hotel Property, the North/South Parking Lots, the Gateway Parcel 2 Property, the Hyatt Hotel Property, The Techmart Property, and the Martinson Childcare Center Property. The Settlement Agreement requires the City to forego the long term lease revenues generated by the properties. Lease revenues collected from July 1, 2012 to June 30, 2016 have been passed on to the Successor Agency. Additional information concerning the Settlement Agreement can be found in Note 22.

The Settlement Agreement provides clarity that the City retains title to the main parking lot property for the Great America Theme Park and the Hyatt Hotel Ballroom Space. The agreement provides that rental income from these properties beginning July 1, 2015 is the property of the City.

California’s Great America Theme Park Parking Lot Lease

The City and Cedar Fair entered into various agreements to operate and manage the theme park. As agreed in the Settlement Agreement, the Great America Theme Park Main Parking Lot is and always has been owned by the City and the City is entitled to any lease revenues generated from the Main Parking Lot after June 30, 2015. Pursuant to the Fourth Amendment of the ground lease, the City allows Cedar Fair to use certain City property adjacent to the Theme Park property for parking. Under the terms of the amended Ground Lease, Cedar Fair pays the City annually for use of such property for parking. Lease payments remitted for the year ended June 30, 2019, totaled \$121,606.

Future lease payments for the parking lot (terms are February 1 to January 31) to be made by Cedar Fair are as follows:

<u>Fiscal Year</u>	<u>Parking Lot</u>
2020	\$ 121,606
2021	121,606
2022	121,606
2023	121,606
2024	121,606
Thereafter	486,423
Total	<u>\$ 1,094,453</u>

Hyatt Ballroom Lease Agreement

In April 1985, the former RDA entered into various agreements for the development of a certain piece of land for the eventual operation of a high quality hotel and related facilities, including a ballroom. The resulting lease agreement pertaining to the City owned ballrooms for an initial term of 50 years. The Lessee

CITY OF SANTA CLARA
NOTES TO BASIC FINANCIAL STATEMENTS
For the year ended June 30, 2019

NOTE 4 – LEASE AGREEMENTS (continued)

has options to renew the lease for four additional periods of ten years each and one additional period of nine years. In 2013, Hyatt Equities, LLC. sold its interest to Inland American Lodging Acquisitions, Inc., the terms and conditions of the lease agreements remain in effect.

The minimum rent of the Ballroom lease is adjusted every three years according to the April 1985 agreement. For fiscal year ended June 30, 2019, Lessee paid \$344 thousand in rents for the Ballroom lease.

The following schedule summarizes the approximate minimum future revenues to be received from this lease:

Fiscal Year	Ballroom Lease Amount
2020	\$ 344,160
2021	344,160
2022	344,160
2023	344,160
2024	344,160
Thereafter	3,728,400
Total	\$ 5,449,200

C. North South Parking Lot Lease

On May 22, 2018, the City Council authorized the City Manager to make an offer to purchase the Successor Agency-owned North South Parcel and further authorized the execution of a Purchase and Sale Agreement for the property. The transfer of the property was settled on July 24, 2018. As part of the acquisition, the City accepted and assumed all of the duties, obligations, liabilities, commitments and covenants of Successor Agency accruing from and after the settlement date with respect to or arising under the lease with Cedar Fair.

For the fiscal year ended June 30, 2019, Cedar Fair paid rent of \$29,925.

Future lease payments for the parking lot (terms are February 1 to January 31) to be made by Cedar Fair are as follows:

Fiscal Year	North South Parking Lot
2020	\$ 29,925
2021	29,925
2022	29,925
2023	29,925
2024	29,925
Thereafter	478,800
Total	\$ 628,425

CITY OF SANTA CLARA
NOTES TO BASIC FINANCIAL STATEMENTS
For the year ended June 30, 2019

NOTE 5 - ENTERPRISE FUND MANAGEMENT AGREEMENTS

A. Santa Clara Convention and Visitors Bureau and Convention Center

In March 1984, the City entered into two separate management agreements with the Santa Clara Chamber of Commerce and Convention/Visitors Bureau, Inc. for management of both the Santa Clara Convention-Visitors Bureau (CVB) and the Santa Clara Conference and Convention Center (Convention Center). The agreement to manage the CVB was terminated in July 2018. In addition, on September 18, 2018, the City issued a termination notice for the Convention Center Management Agreement effective March 18, 2019.

During fiscal year 2018-19, the City performed a competitive bidding process to select a new management company for the Convention Center. On March 12, 2019, the City Council approved a resolution to enter into a new agreement with Global Spectrum, LP, doing business as Spectra Venue Management (Spectra), to manage and operate the Convention Center effective March 18, 2019. The initial term of this agreement began on March 18, 2019 and runs through June 30, 2024 with the option to extend the agreement for two subsequent terms of five (5) years by serving notice to Spectra no later than 180 days from the expiration of the term period. Under the terms of this agreement, Spectra will receive an annual base management fee for its' operation of the Convention Center and an additional management fee if certain performance measures are met. For fiscal year ended June 30, 2019, the City paid Spectra \$50,121 in management fees.

B. American Golf Corporation

In May 1987, Sports and Open Space Authority (SOSA) entered into a management agreement with American Golf Corporation (AGC) to manage the operations of the Santa Clara Golf and Tennis Club (SCG&TC). Subsequent five-year extensions of the agreement with minor changes in language were made on June 4, 2002 through June 30, 2007; March 20, 2007 through June 30, 2012; and May 8, 2012 effective through June 30, 2017. On June 27, 2017, the City extended the management agreement for the operation and maintenance of the SCG&TC from July 1, 2017 to June 30, 2019, and up to three, one-year extensions and a 6-month termination notice at any time to accommodate the City's other projects. Under the terms of the contract, AGC develops an annual business plan that is reviewed and approved by SOSA. Moreover, AGC receives an annual administrative fee not to exceed \$54,000 and fixed management fee of \$187,437 in fiscal year 2018-19, subject to annual increases based on the Consumer Price Index, plus 3 percent of certain operating revenues. In fiscal year 2018-19, the City paid a total of \$303,635 to AGC for the performance of services. In April 2019, SOSA executed Amendment No. 1 to the agreement to extend until October 31, 2019 and notified AGC of SOSA's intent to close the facility effective October 31, 2019 in order to facilitate the anticipated development of CityPlace.

CITY OF SANTA CLARA
NOTES TO BASIC FINANCIAL STATEMENTS
For the year ended June 30, 2019

NOTE 6 – SANTA CLARA STADIUM AUTHORITY

A. Credit Agreement

The Restated Credit Agreement dated as of June 19, 2013 was entered into by and among Stadium Funding Trust (FinanceCo), SCSA, and Goldman Sachs Bank. Under the Restated Credit Agreement, FinanceCo is issuing private placement notes and obtaining a loan from a consortium of lenders and will loan SCSA up to \$450 million and StadCo up to \$400 million. Additionally, SCSA and StadCo entered into The Restated StadCo Obligations Agreement on June 19, 2013 under which StadCo will loan up to \$500 Million to SCSA to pay costs associated with the development of Levi's Stadium.

B. Management Agreement

The Stadium Management Agreement dated as of March 28, 2012 was entered into by and among the SCSA, Forty Niners Stadium Management Company LLC (Management), and StadCo. The SCSA and StadCo selected ManagementCo to provide management services for the Stadium on each entity's behalf on a continual, year-round basis, including overseeing the day-to-day operations and maintenance of the Stadium. The Stadium Management Agreement has an initial term of 25 years, plus a 15 year renewal option. On November 13, 2012 the First Amendment to the Stadium Management Agreement was approved. This First Amendment establishes incentive management fees, clarifies certain responsibilities of ManagementCo, preserves the amount of concessions income earned by SCSA and StadCo, and addresses liability issues regarding a possible Solar Site License Agreement with NRG.

The Stadium Management Agreement gives ManagementCo the responsibility to oversee the concessions agreements but not to enter into the concessions agreements without SCSA and StadCo's prior consent. The Concessions Operating Agreement dated February 2018 was reviewed by SCSA and StadCo and entered into by and between ManagementCo and Levy Premium Foodservice Limited Partnership (Levy). The Concessions Operating Agreement has an initial term of 12 years which runs from April 16, 2018 through April 15, 2030 and it grants Levy the exclusive right to provide food and beverage services and merchandise services at all events at Levi's Stadium.

C. Ground Lease

On February 28, 2012, the SCSA entered into a lease (the Ground Lease) with the City whereby the City leases the Stadium site to the SCSA. The Ground Lease was amended on June 19, 2013.

The Ground Lease has an initial term of 40 years. The first lease year commenced on the first day following the substantial completion of construction (August 1, 2014) and ended on the next following March 31st. The subsequent lease years will start on April 1st and end on the following March 31st. The SCSA will have five successive extension options, each four years in duration, which would commence following the initial term expiration date.

The Ground Lease provides that the City will receive a fixed ground rent (Fixed Ground Rent) of \$180 thousand for the first year of Stadium operations payable by the Stadium Authority. Beginning in the second year of Stadium operations and annually thereafter through the tenth year of Stadium operations, the Fixed Ground Rent will increase annually by \$35 thousand. Beginning in the 11th year of Stadium operations, Fixed Ground Rent will be increased to equal \$1 million, and thereafter will be increased by \$100 thousand every five years through the end of the initial term of the Ground Lease. If the term of the Ground Lease is extended, then, during the first extension term, the Fixed Ground Rent will equal \$1.58 million; and if and to

CITY OF SANTA CLARA
NOTES TO BASIC FINANCIAL STATEMENTS
For the year ended June 30, 2019

NOTE 6 – SANTA CLARA STADIUM AUTHORITY (continued)

the extent the Ground Lease is further extended, the Fixed Ground Rent will be increased by \$80 thousand every four years thereafter through the expiration of the term of the Ground Lease. While the Fixed Ground Rent payments vary over the course of the Ground Lease, Ground Lease expense is recorded on a straight-line basis. Therefore \$979 thousand of ground lease expense was reported in each of the fiscal years ended March 31, 2019 and 2018.

The Ground Lease also provides that the City will receive a performance-based rent equal to 50% of the net income from non-NFL events, less certain credits including 50% of the Fixed Ground Rent, payable by the SCSA. If certain of the credits are not used within the year incurred or the next five succeeding years, the credits will expire.

The following schedule summarizes the minimum future payments due under this lease:

Fiscal Year Ending March 31	Ground Lease Amount
2020	\$ 355,000
2021	390,000
2022	425,000
2023	460,000
2024	495,000
Thereafter	<u>37,500,000</u>
Total	<u><u>\$ 39,625,000</u></u>

D. Stadium Lease

On March 28, 2012, the SCSA entered into a lease with StadCo whereby the Stadium Authority leases the Stadium to StadCo. On June 19, 2013, the same parties entered into an Amended and Restated Stadium Lease Agreement (the Stadium Lease).

The Stadium Lease has an initial term of 40 years commencing on the first day following the substantial completion of construction (August 1, 2014) and includes five successive options to extend the term by four years each. The Stadium Lease is divided into two seasons:

- the Tenant Season, which includes the NFL season (including preseason, regular season and postseason NFL games) and runs from August 1 through January 31; and
- the Stadium Authority Season, which runs from February 1 through July 31.

Pursuant to the Stadium Lease, the Stadium Authority and StadCo will be entitled to receive and collect separate revenues. Initially, rent payable by StadCo to the Stadium Authority was \$24.5 million per year. This amount was established pursuant to the Stadium Lease in connection with the take-out financing, which occurred on June 19, 2013. The Stadium Lease allowed for one opportunity to adjust the rent if operating or debt service expenses are either more or less than projected in determining the initial rent. Based on the changes to the projected operating and debt service expenses, the provisions for a one-time rent adjustment

CITY OF SANTA CLARA
NOTES TO BASIC FINANCIAL STATEMENTS
For the year ended June 30, 2019

NOTE 6 – SANTA CLARA STADIUM AUTHORITY (continued)

were triggered. At the Stadium Authority Board (Board) meeting held on March 22, 2016, the Board decided not to adjust the rent, and instead passed a motion to pursue the informal dispute resolution procedures and to proceed to the arbitration process if necessary. Thereafter, on May 3, 2016 StadCo filed for arbitration with the Stadium Authority.

On June 18, 2018, the arbitrator entered an Arbitration Award in favor of the Stadium Authority and against StadCo. This award adjusted the facility rent from \$24.5 million to \$24.76 million, an increase of \$262,000. This increase is retroactive to the first lease year resulting in a total amount owed to the Stadium Authority of \$1.31 million for the first five lease years, through March 31, 2019. In addition to the adjustment to the facility rent, the Stadium Authority was entitled to reimbursement of its legal fees, determined by the arbitrator to be \$2.28 million. The lease also provides for a fair market rent adjustment in year 33.

The Stadium Authority received \$25.8 million and \$24.5 million in stadium rent from StadCo in each of the fiscal years ended March 31, 2019 and 2018, respectively.

The SCSA may elect to expand the Tenant Season to consist of the entire lease year, from April 1 through the next succeeding March 31 (Stadium Authority Put Right), by delivering written notice to StadCo. The Stadium Authority Put Right may be exercised at any time during lease year 13, or at any time that the Management Company Revolving Loan balance exceeds \$20 million. The expansion of the Tenant Season will be effective as of the applicable Tenant Season Expansion Date as set forth in the Stadium Lease. Effective from and after the Tenant Season Expansion Date, and continuing through the remainder of the Stadium Lease term, the Tenant Season will consist of the entire lease year.

E. Subsequent Events

On July 3, 2019, ManagementCo issued a certificate of loan to the Stadium Authority under the Management Company Revolving Loan in accordance with Sections 5.2 and 5.3 of the Stadium Management Agreement. The Stadium Management Agreement engages ManagementCo for services rendered related to its operations on behalf of the Stadium Authority. The Management Company Revolving Loan may be used solely for the purpose of enabling the Stadium Authority to pay covered Stadium Authority operating expenses, as defined in the agreement, to the extent, and only to the extent, that funds are not otherwise available. During fiscal year 2019-20, certain operating expenses by ManagementCo have come into question by the Stadium Authority and as such, were withheld from payment to ManagementCo. Per the Management Company Revolving Loan, ManagementCo triggered the loan provision in order to provide financing for the payment of operating expenses not paid to date by the Stadium Authority. As of the date of this report, the total amount loaned to the Stadium Authority is \$4,456,000.

NOTE 7 – CASH AND INVESTMENTS

A. Pooled Cash and Investments

The City pools cash from all sources and all funds except restricted cash and investments with fiscal agent. Allocable portions of the pooled portfolio for each fund type are reported under the captions “Pooled cash and investments” and “Restricted Cash”. Interest income earned on pooled cash and investments is allocated to various funds based on average cash balances of each fund unless there are specific legal or contractual requirements to do otherwise.

CITY OF SANTA CLARA
NOTES TO BASIC FINANCIAL STATEMENTS
For the year ended June 30, 2019

NOTE 7 – CASH AND INVESTMENTS (continued)

Total cash and investments of the City was \$960.4 million as of June 30, 2019. This amount includes the City’s cash and cash equivalents of \$875.1 million, and cash and investments with fiscal agents of \$85.3 million.

Of the City's total cash and investments, the following shows the allocation as presented on the accompanying statements of net position:

Statement of Net Position	
Pooled cash and investments	\$ 819,103,045
Investments with fiscal agent - current	31,868,535
Restricted cash	28,529,530
Deposits	1,405,371
Investments with fiscal agent - noncurrent	28,121,325
Fiduciary Funds	
Pooled cash and investments	25,993,405
Investments with fiscal agent - current	2
Investments with fiscal agent - noncurrent	2,820,132
Investments with fiscal agent - OPEB	22,533,235
Total Cash and Investments	\$ 960,374,580

The City’s cash and investments balances in Governmental Funds, Enterprise Funds, Internal Service Funds, Private Purpose Trust, and Agency Funds were as follows:

	Governmental Funds	Enterprise Funds	Internal Service Funds	Fiduciary Funds	Total
Pooled cash and investments	\$ 288,785,576	\$ 513,787,373	\$ 16,530,096	\$ 25,993,405	\$ 845,096,450
Investments with fiscal agent - current	485	31,868,050	-	2	31,868,537
Restricted cash	18,760,715	9,768,815	-	-	28,529,530

Investments with fiscal agent - OPEB	-	-	-	22,533,235	22,533,235
Deposits	-	1,405,371	-	-	1,405,371
Total cash and investments	\$ 308,258,438	\$ 584,239,272	\$ 16,530,096	\$ 51,346,774	\$ 960,374,580

CITY OF SANTA CLARA
NOTES TO BASIC FINANCIAL STATEMENTS
For the year ended June 30, 2019

NOTE 7 – CASH AND INVESTMENTS (continued)

B. Investments Authorized by the California Government Code and the City’s Investment Policy

The City’s investment strategy is to invest cash not required for current obligations in U.S. government securities, federal government agency securities, highly rated money market instruments and other investments in accordance with the City’s investment policy for a maximum term of five years for the General Fund portfolio. The City Council has authorized the purchase of securities with maturities greater than five years, specifically for the Electric Cost Reduction Account. This strategy allows the City to minimize its exposure to credit, market, and liquidity risk while maintaining a reasonable return on its portfolio.

The City’s investment policy, in compliance with the City of Santa Clara Charter, Article IX, Section 904 (d) and (h), and the California Government Code authorizes the City to invest in securities that are consistent with the City’s cash management strategy and long-term goals and objectives. The City is authorized to invest in the following types of instruments, and the table also identifies certain provisions of the California Government Code, or the City’s investment policy where it is more restrictive:

(A) Securities issued by the Federal Farm Credit Bank (FFCB), the Federal Home Loan Bank (FHLB), the Federal National Mortgage Association (FNMA), and the Federal Home Loan Mortgage Corporation (FHLMC), local agencies and other U.S. government -sponsored enterprises.

C. Investments with Fiscal Agents

The City invests bond proceeds restricted for construction in instruments that are stated in the Investment Policy and in various return-guaranteed investment agreements. These investments are invested in

CITY OF SANTA CLARA
NOTES TO BASIC FINANCIAL STATEMENTS
For the year ended June 30, 2019

NOTE 7 – CASH AND INVESTMENTS (continued)

accordance with bond indentures and the maturities of each investment should not exceed the final maturity of each bond. Bond proceeds investments are reported monthly to the City Council.

The City also maintains required amounts of cash and investments with trustees or fiscal agents under the terms of certain debt issues. These funds are unexpended bond proceeds or are pledged reserves to be used if the City fails to meet its obligations under these debt issues. The California Government Code 53601 (L) allows these funds to be invested in accordance with the statutory provisions governing the issuance of those bonds, indebtedness, other agreements, or certificates of participation in accordance with the ordinance, resolution, indenture, or agreement of the local agency providing for the issuance.

Former RDA and Electric Reserve Fund bond proceeds restricted for construction projects are invested and held by the trustee as fiscal agent investments. All funds have been invested as permitted under the Code. These investments are usually scheduled to mature when cash is needed to fulfill the requirements of the underlying bond and trust agreements.

D. Pension Rate Stabilization Program

In February 2017, the City Council approved a Pension Rate Stabilization Program, (PRSP) Trust administered by Public Agency Retirement Services (PARS). The PRSP is an irrevocable trust and qualifies as an Internal Revenue Section 115 trust. This trust will assist the City in mitigating the CalPERS contribution rate volatility. Investments of funds held in Pension Rate Stabilization Program (PRSP) are governed by the Investment Guideline Document for the investment account and by the agreement for administrative services with the Public Agency Retirement Services (PARS), rather than the general provisions of the California Government code or the City's investment policy. The City elected a discretionary investment approach which allows the City to maintain oversight of the investment management, control on target yield and the portfolio' risk tolerance. The assets in this program will eventually be used to fund Pension Plan obligations.

E. Interest Rate, Credit Risks and Fair Value Measurement

Interest rate risk is the risk that an investment's value will be adversely affected by a change in interest rates. In general, the longer the time to maturity of an investment, the greater the sensitivity of its fair value to changes in market interest rates. To reduce interest rate risk, the City diversifies the portfolio into a wide range of investments with different maturities, and maintains a reasonable average maturity of less than three years. This approach significantly mitigates adverse market volatility and maximizes returns.

The average maturity of the City's pooled investment portfolio at June 30, 2019 was approximately 2.05 years and the City has the ability to and generally intends to hold all investments to maturity. Information about the sensitivity of the fair values of the City's investments (including investments held by bond trustees) to market interest rate fluctuations is provided in the investment table that shows the distribution of the City's investments by maturity.

CITY OF SANTA CLARA
NOTES TO BASIC FINANCIAL STATEMENTS
For the year ended June 30, 2019

NOTE 7 – CASH AND INVESTMENTS (continued)

Credit risk is the risk that an issuer of an investment will not fulfill its obligation to the holder of the investment. Credit risk is measured by the assignment of a rating by a nationally recognized statistical rating organization. Presented on the next page is the minimum rating required by the California Government Code, the City’s investment policy, or debt agreements and the actual rating as of June 30, 2019 for each investment type:

The City accounts for investments in accordance with GAAP, which requires governmental entities to report certain investments at fair value based on quoted market information obtained from recognized sources. The City has reported its investments at fair value with the exception of its share of external investment pools and mutual funds, the carrying value of which approximates fair value. In determining the change in fair value of its investments, the City used an aggregate method of calculation.

CITY OF SANTA CLARA
NOTES TO BASIC FINANCIAL STATEMENTS
For the year ended June 30, 2019

NOTE 7 – CASH AND INVESTMENTS (continued)

The City categorizes its fair value measurements within the fair value hierarchy established by GAAP. The hierarchy is based on the valuation input used to measure the fair value of asset. Level 1 inputs are quoted prices in active markets for identical assets; Level 2 inputs are significant other observable inputs; Level 3 inputs are significant unobservable inputs.

(1) Accounts in exempt column are Mutual Fund-Money Market, Collateral Obligations, and LAIF investments which are exempt from the fair value hierarchy, or reported at amortized cost.

The City utilizes a third party pricing service to determine fair market prices for its individually held investments. Evaluations are based on market information available at the time and generated using proprietary evaluated pricing models and methodologies.

Bentzien Trust investment in stocks and U.S. Treasuries are valued using prices quoted in active markets for those securities. All other Bentzien Trust debt securities are valued using a Market Approach methodology by Standard & Poor's Securities Evaluation Inc. The Market Approach uses prices and other relevant information generated by market transactions involving identical or similar assets, liabilities or a group of assets and liabilities.

Level 1 investments are valued using a marketable actively traded assets closing price for identical assets. Level 2 investments are determined by using quoted prices for similar assets.

CITY OF SANTA CLARA
NOTES TO BASIC FINANCIAL STATEMENTS
For the year ended June 30, 2019

NOTE 7 – CASH AND INVESTMENTS (continued)

F. Concentration of Credit Risk

Investments in the securities of any individual issuers that represent 5% or more of total Citywide investments are shown in the table below:

<u>Issuer</u>	<u>Bond-rating</u>	<u>Fair Value</u>	<u>% of Holding</u>
Federal Farm Credit Banks	Aaa	\$ 125,983,034	13.1%
Federal Home Loan Banks	Aaa	\$ 86,678,838	9.0%
Federal Home Loan Mortgage Corporation	Aaa	\$ 47,473,979	4.9%
Federal National Mortgage Association	Aaa	\$ 169,265,685	17.6%

G. Custodial Credit Risk

Custodial credit risk for deposits is the risk that, in the event of the failure of a depository financial institution, the City will not be able to recover its deposits or will not be able to recover collateral securities that are in the possession of an outside party. Under California Government Code Section 53651, depending on specific types of eligible securities, a bank must deposit eligible securities posted as collateral with its Agent having a fair value of 105% to 150% of the City’s cash on deposit. All of the City’s deposits are either insured by the Federal Depository Insurance Corporation (FDIC) or collateralized with pledged securities held in the trust department of the financial institutions.

The custodial credit risk for investments is the risk that, in the event of the failure of the counterparty (e.g. broker-dealer) to a transaction, the City will not be able to recover the value of its investment or collateral securities that are in the possession of another party. The City’s Investment Policy limits its exposure to custodial credit risk by requiring that all security transactions entered into by the City, including collateral for repurchase agreements, be conducted on a delivery-versus-payment basis. Securities are to be held by a third party custodian.

H. Investments with Fair Values Highly Sensitive to Interest Rate Fluctuations

The City has no investments that are highly sensitive to interest rate fluctuations to a greater degree than already disclosed in the Interest Rate Risk Section above.

I. Local Agency Investment Fund

The City is a voluntary participant in the Local Agency Investment Fund (LAIF). LAIF is regulated by California Government Code Section 16429 under the oversight of the Treasurer of the State of California. LAIF’s investment portfolio mainly consists of Treasuries, loans, Federal Agency securities, and collateralized mortgage obligations. Each regular LAIF account is permitted to have up to 15 transactions per month, with a minimum transaction amount of \$5,000, a maximum transaction amount of \$65 million and at least 24 hours advance notice for withdrawals of \$10 million or more. Bond proceeds accounts are subject to one time deposit with no cap and are set up with a monthly draw down schedule. The carrying value of LAIF approximates fair value.

NOTE 8 – INTERFUND TRANSACTIONS AND BALANCES

A. Interfund Transfers

With Council approval, resources may be transferred from one City fund to another. The purpose of the majority of transfers is to reimburse a fund that has made expenditures on behalf of another fund. Less often, a transfer may be made to open or close a fund.

Transfers between funds during the fiscal year ended June 30, 2019 were as follows:

<u>Fund Receiving Transfers</u>	<u>Fund Making Transfers</u>	<u>Amount</u>	
General Fund	Non-Major Governmental	\$ 1,632,039	A
	Electric	5,000	B
	Cemetery	80,000	C
Non-Major Governmental	General Fund	24,592,799	D
	Cemetery	3,727	E
	Sewer Utility	49,364	E
	Solid Waste	5,603	E
	Water Utility	110,880	E
	Automotive Services	17,300	E
	Electric Utility	157,484	E
	Santa Clara Convention Center	1,500,000	F
	Non-Major Governmental	15,179,786	G
Automotive Services	Non-Major Governmental	49,326	H
Special Liability Insurance Claims	General Fund	2,376,870	I
Electric Utility	General Fund	132,627	J
	Non-Major Governmental	240,875	J
	Sewer Utility	266,314	J
	Water Utility	516,313	J
Water Utility	Sewer Utility	680,000	K
Solid Waste	Electric Utility	200	L
Santa Clara Golf and Tennis Club	General Fund	466,266	M
Santa Clara Convention Center	General Fund	330,020	N
Total Interfund Transfers		<u>\$ 48,392,793</u>	

CITY OF SANTA CLARA
NOTES TO BASIC FINANCIAL STATEMENTS
For the year ended June 30, 2019

NOTE 8 – INTERFUND TRANSACTIONS AND BALANCES (continued)

The reasons for material transfers are set forth below:

- (A) Transfer to general fund from capital project funds to return unspent project funds.
- (B) Transfer to general fund for the Majestic Oak Level Sponsorship of the Arbor/Earth day 2019.
- (C) Transfer to general fund from Cemetery capital project funds to return unspent project funds.
- (D) Transfer to fund various capital projects, special programs, and to pay the debt.
- (E) Transfer to fund their respective share of financial, human resources software, utility billing and other projects.
- (F) Transfer to fund Convention Center repair project.
- (G) Transfer to replenish the minimum requirement in Special Liability Fund.
- (H) Transfer to Automotive Services from capital project funds to return unspent project funds.
- (I) Transfer to fund Special Liability to maintain the reserve for future claims.
- (J) Transfer to fund Silicon Valley Power Utility Center, project management system and Utility billing system.
- (K) Transfer to fund Water capital improvement projects.
- (L) Transfer to Solid Waste Fund for Sustainability Series Workshop.
- (M) Transfer to the Santa Clara Golf and Tennis Club to cover operating deficit.
- (N) Transfer to fund Convention Center operating activities.

B. Current Interfund Balances

Current interfund balances arise in the normal course of business and are expected to be repaid shortly after the end of the fiscal year. The following is a summary of interfund balances as of June 30, 2019.

Receivable Fund	Payable Fund	Amount
General Fund	Santa Clara Stadium Authority	\$ 83,398
	Receivable by Governmental Funds	83,398
Electric Utility	Internal Service Funds	1,459,309
Water Utility	Internal Service Funds	153,616
Sewer	Internal Service Funds	557,636
Cemetery	Internal Service Funds	201,407
	Receivable by Enterprise Funds	2,371,968
Internal Service Funds	Internal Service Funds	29,483
	Water Utility	365,397
	Receivable by Internal Service Funds	394,880
	Total	\$ 2,850,246

Note: The City uses due to/due from as a balancing mechanism in funds with negative cash balances.

CITY OF SANTA CLARA
NOTES TO BASIC FINANCIAL STATEMENTS
For the year ended June 30, 2019

NOTE 8 – INTERFUND TRANSACTIONS AND BALANCES (continued)

C. Long-Term Interfund Advances

At June 30, 2019, the funds below had made advances which were not expected to be repaid within the next year.

<u>Fund Receiving Advance/Commitment</u>	<u>Fund Making Advance/Commitment</u>	<u>Amount of Advance/Commitment</u>
Cemetery	General Fund	\$ 5,663,976
Santa Clara Golf & Tennis Club	General Fund	4,224,133
Parks and Recreation Facilities	General Fund	10,130,273
Total		<u>\$ 20,018,382</u>

Cemetery Fund has a \$5,663,976 advance that bears no interest and will be repaid when funds become available. The advance is a long term subsidy of operations pending mausoleum project funding in future years, which is expected to generate additional revenues.

Santa Clara Golf and Tennis Club Fund has a \$4,224,133 advance which does not bear interest, and will be repaid in annual installments after completion of capital improvements from income generated by these capital improvements.

Parks and Recreation Facilities Fund has a \$10,130,273 advance that bears interest which is based on the City’s weight average portfolio rate and will be repaid to the General Fund in annual installments when Mitigation Fee Act funding become available.

D. Internal Balances

Internal balances represent the net interfund receivables and payables remaining after the elimination of all such balances within governmental, successor agency and business-type activities. The \$7,908 net internal balance in the Statement of Net Position is due to the different fiscal year end dates between the City and the Santa Clara Stadium Authority (refer to Note 1D for more information).

NOTE 10 - LONG TERM DEBT AND DERIVATIVE INSTRUMENTS (continued)

B. City's Long-term Obligations

2010 City of Santa Clara Lease Agreement

On July 13, 2010, the City entered into a new agreement with the PFFC in order to provide funds for the refunding of the City's 1997 Certificates of Participation for the Police Administration building. The PFFC entered into a separate agreement with the assignee, Bank of America, N.A. Debt Service on the new Lease Agreement is secured by lease payments made by the City to the assignee for use of the Police Administration site. On March 22, 2012, Bank of America sold and transferred the agreement to Capital One Public Financing, LLC with no change to the terms, covenants, or conditions of the contract or the payment schedule.

In the event of default there is no remedy of acceleration of the total lease payments. The City will be liable only for the lease payments on an annual basis.

2013 Central Park Library Refunding Certificates of Participation (2013 COPs)

On March 28, 2013, the PFFC issued \$18.54 million to provide funds to refund outstanding 2002A COPs. The 2013 COPs mature annually beginning February 1, 2014 through February 1, 2032 and bear coupon rates ranging from 2% to 3.75%. Debt Service is secured by lease payments to be made by the City to the PFFC for use of the library. The PFFC assigns the lease payments to the certificate owners.

In the event of default there is no remedy of acceleration of the total lease payments nor the maturities of the Certificates. The City will be liable only for the lease payments on an annual basis, and in the event of default, the trustee would be required to seek a separate judgement each year for that year's defaulted lease payments.

Compliance

Various debt agreements governing the City's bonds contain a number of covenants, including continuing disclosure requirements. The City is in compliance with these specific covenants and all other material covenants governing the particular bond issues. No event of default, as defined in the bond indentures, has occurred or is occurring.

Various debt agreements governing the Enterprise Funds' revenue bonds contain a number of covenants, including those that require the City to maintain and preserve the respective enterprise in good repair and working order, to maintain certain levels of insurance and to fix and collect rates, fees and charges so as to maintain certain debt coverage ratios. The City is in compliance with these specific covenants and all other material covenants governing the particular revenue bond issues. No event of default as defined in the bond indentures has occurred or is occurring.

NOTE 10 - LONG TERM DEBT AND DERIVATIVE INSTRUMENTS (continued)

C. Enterprise Funds

Electric Utility

Electric Revenue Refunding Bonds, Series 2008 B

On May 29, 2008, Silicon Valley Power issued \$86.6 million of Variable Rate Demand Subordinated Electric Revenue Bonds, Series 2008B (Electric 2008B Bonds) to refinance \$80.53 million of Electric 1998A Bonds on July 1, 2008. The Electric 2008B Bonds mature annually beginning July 1, 2009 through July 1, 2027. The Electric 2008B Bonds are variable-rate, multi-modal bonds that were initially issued in the weekly mode. Payment of principal and interest on the Electric 2008B Bonds was originally made from proceeds of draws on a Letter of Credit originally provided by Dexia Credit Local. On May 11, 2011, the Letter of Credit provided by Dexia was replaced by a Letter of Credit provided by Bank of America, N.A. In connection therewith, the name of the bonds was changed from "Subordinated Electric Revenue Refunding Bonds" to "Electric Revenue Refunding Bonds". On November 1, 2012, the Letter of Credit provided by Bank of America, N.A. was replaced by a Letter of Credit provided by The Bank of Tokyo-Mitsubishi UFJ, Ltd with extended expiration date of January 29, 2019. The Electric 2008B Bonds were refunded on December 18, 2018 by the Electric 2018A Bonds described below. The 2008B bonds were redeemed in full and the interest rate swap agreement was terminated on the same date. The refunding resulted in overall saving of \$4,484,252. The net present value of the debt service saving is called an economic gain and after a reduction for prior funds on hand of \$3,595,858, amounted to \$522,034.

Electric Revenue Refunding Bonds, Series 2011A

On March 22, 2011, Silicon Valley Power issued \$54.83 million of Electric Revenue Refunding Bonds, Series 2011A (Electric 2011A Bonds) to refinance \$49.66 million outstanding principal amount of Electric 2008A Bonds. The Electric 2011A Bonds mature annually beginning on July 1, 2028 through July 1, 2032 and bear coupon rates ranging from 5.00% to 6.00%. Debt service on the Electric 2011A Bonds is secured by a pledge of net revenues of the Electric Utility Enterprise Fund.

In the event of default, the City will transfer to the trustee all adjusted net revenues held by it and received thereafter and the trustee will disburse all adjusted net revenues and any other funds then held or thereafter received by the trustee under the provisions of indenture. In the case of default, the trustee will be entitled to declare the bond obligation of all bonds then outstanding to be due and payable immediately.

Electric Revenue Refunding Bonds, Series 2013A

On April 24, 2013, Silicon Valley Power issued \$64.38 million of Electric Revenue Refunding Bonds, Series 2013A (Electric 2013A Bonds), to provide funds, together with other available moneys, to refinance outstanding Electric 2003A Bonds. The Electric 2013A Bonds mature annually beginning on July 1, 2014 through July 1, 2028 and bear coupon rates ranging from 3.00% to 5.00%. Debt service on the Electric 2013A Bonds is secured by a pledge of net revenues of the Electric Utility Enterprise Fund.

In the event of default, the City will transfer to the trustee all adjusted net revenues held by it and received thereafter and the Trustee will disburse all adjusted net revenues and any other funds then held or thereafter received by the trustee under the provisions of indenture. In the case of default, the trustee will be entitled to declare the bond obligation of all bonds then outstanding to be due and payable immediately.

CITY OF SANTA CLARA
NOTES TO BASIC FINANCIAL STATEMENTS

NOTE 10 - LONG TERM DEBT AND DERIVATIVE INSTRUMENTS (continued)

Bank of America Loan Agreement, Series 2014

On June 16, 2014, Silicon Valley Power (SVP) entered into a Tax-Exempt Multiple Draw Term Loan with the Bank of America Preferred Funding Corporation (the “Electric 2014 Loan Agreement”) to fund the phase-shifting transformer project and the acquisition of property for future utility use. The loan is a tax-exempt multiple draw term loan that allows SVP to draw funds as needed. The first draw occurred on June 16, 2014 for approximately \$24.4 million, which includes \$15.8 million for the Phase Shifting Transformer engineering, equipment purchase, and initial construction activities and \$8.5 million for the land purchase. The second draw occurred on April 15, 2015 for \$6.0 million to cover the construction and commissioning of the Phase Shifting Transformer. The loan terms allow the City to capitalize interest of \$1,134,031 for up to two years with the initial loan payment due July 1, 2016. The loan carries an interest rate of 2.67% and the final payment is due on July 1, 2024. Debt service on the Electric 2014 Loan Agreement is secured by a pledge of net revenues of the Electric Utility Enterprise Fund on a basis subordinate to the outstanding Electric Revenue Bonds.

In the event of default, the City will transfer to the trustee all adjusted net revenues held by it and received thereafter and the Trustee will disburse all adjusted net revenues and any other funds then held or thereafter received by the trustee under the provisions of indenture. In the case of default, the trustee will be entitled to declare the bond obligation of all bonds then outstanding to be due and payable immediately.

Electric Revenue Refunding Bonds, Series 2018A

On December 18, 2018, SVP issued \$48.8 million of Electric Revenue Refunding Bonds, Series 2018A (Electric 2018A Bonds) to refinance \$54.58 million outstanding principal amount of Variable Rate Demand Electric Revenue Refunding Bonds, Series 2008B and terminate a related swap agreement. The Electric 2018A Bonds bear 5% coupon rate, mature annually beginning on July 1, 2019 through July 1, 2027, and were sold at an All-In True Interest Cost of 2.32%. Debt service on the Electric 2018A Bonds is secured by a pledge of net revenues of SVP.

In the event of default, the City will transfer to the trustee all adjusted net revenues held by it and received thereafter and the Trustee will disburse all adjusted net revenues and any other funds then held or thereafter received by the trustee under the provisions of indenture. In the case of default, the trustee will be entitled to declare the bond obligation of all bonds then outstanding to be due and payable immediately.

Pledges of Future Electric Revenues

The pledge of future Electric Fund revenues ends upon repayment of the \$174.2 million in outstanding principal on the bonds and loan which is scheduled to occur in fiscal year 2032-33. For fiscal year 2018-19, Electric Fund revenues including operating revenues and non-operating interest earnings amounted to \$415.0 million and operating costs including operating expenses, but not interest, depreciation or amortizations amounted to \$331.1 million. Net revenues available for debt service amounted to \$83.9 million which represented a coverage ratio of 3.48 on the \$24.1 million of debt service.

NOTE 10 - LONG TERM DEBT AND DERIVATIVE INSTRUMENTS (continued)

Sewer Utility

Installment Sale Agreement, Series 2016

On March 8, 2016, the City entered into an Installment Sale Agreement with the PFFC in order to provide funds for the Trimble Road Trunk Sanitary Sewer Improvement Project (the "Project"). The PFFC entered into a separate Assignment Agreement with the DNT Asset Trust, a wholly owned subsidiary of JP Morgan Chase National Association (the "Agreement"), to assign its rights under the Installment Sale Agreement to DNT Asset Trust. The Agreement, in the amount of \$12,000,000, carries an interest rate of 2.14% and the final payment is due February 1, 2031. Installment payments on the Agreement are secured by a pledge of net revenues of the Wastewater System. Net revenue of \$19.9 million was available for debt service payments of \$0.8 million.

In the event of default there is no remedy of acceleration of the total installment payments. The City will be liable only for the installment payments as they become due during the terms of the agreement. There are no significant finance-related consequences for termination.

Santa Clara Stadium Authority

Stadium Funding Trust Loan

The Restated Credit Agreement by and among FinanceCo, the Stadium Authority and Goldman Sachs Bank was entered into on June 19, 2013. FinanceCo agreed to loan the Stadium Authority up to \$450 million. Under the Restated Credit Agreement, the loan from FinanceCo consists of the Term A Loan and the Term B Loan. On March 31, 2016, the Stadium Authority paid the remaining amount due on the Term B Loan.

Term A Loan

The Term A Loan was made in the amount of \$282.79 million. This loan bears interest at a fixed rate of 5.00%, payable semi-annually, with annual principal payments due beginning in April 2018. The Term A Loan has a maturity date of April 1, 2039 and is subject to certain prepayment premiums. The loan was fully drawn at closing. As of March 31, 2019, \$270.27 million was outstanding.

StadCo CFD Advance

In May of 2010, the City of Santa Clara completed the proceedings to establish a Community Facilities District (CFD) for the purpose of financing certain publicly owned facilities and public services associated with Levi's Stadium.

On June 11, 2013, the CFD, the Stadium Authority, and StadCo entered into a Reimbursement Agreement under which the CFD would agree to reimburse the Stadium Authority for costs of certain publicly owned facilities and public services constructed for Levi's Stadium. The reimbursement can only be made from a special tax generated by the CFD, as and when received by the CFD.

StadCo has agreed to advance to the Stadium Authority funds to pay for the CFD Infrastructure (StadCo CFD Advance). To evidence the Stadium Authority's obligation to repay the StadCo CFD Advance, the

CITY OF SANTA CLARA
NOTES TO BASIC FINANCIAL STATEMENTS
For the year ended June 30, 2019

NOTE 10 - LONG TERM DEBT AND DERIVATIVE INSTRUMENTS (continued)

Stadium Authority and StadCo also executed a note on June 11, 2013. The StadCo CFD Advance has a maximum principal of \$38 million and an interest rate of 5.73%.

During the year ended March 31, 2019, as the special CFD tax was submitted to the Stadium Authority, a number of payments were made on the StadCo CFD Advance. These payments were made mid-way through each quarter. The interest that accrued between the last StadCo CFD Advance payment and the end of the year is added to principal. These payments totaled \$3.7 million, which included \$1.82 million in interest and \$1.91 million in principal. As of March 31, 2019, \$30.93 million was outstanding which includes \$0.23 million of interest added to principal as of March 31, 2018.

StadCo Subordinated Loan

The Restated StadCo Obligations Agreement dated as of June 19, 2013 was entered into by and between StadCo and the Stadium Authority as part of the take-out financing process. Under the Restated StadCo Obligations Agreement, StadCo will loan the Stadium Authority an amount not to exceed \$500 million with a fixed 5.50% interest rate. Required principal repayments started in March 2016 and the Stadium Authority may prepay the loan at any time.

Payments totaling \$31.48 million were made on the loan. This included the required principal payment of \$3.97 million, a \$24.04 million principal prepayment, and \$3.47 million in interest. As of March 31, 2019, \$39.02 million was outstanding.

D. Derivative Instruments

Under hedge accounting, the increase (decrease) in the fair value of a hedge is reported as a deferred cash flow hedge on the statement of net position. For the reporting period, all of SVP's derivatives meet the hedge effectiveness tests defined by GAAP.

Interest Rate Swap Agreements – Electric 2008 Series B Bonds

On December 18, 2018, in connection with the issuance of Electric Revenue Refunding Bonds, Series 2018A and the related refunding of outstanding Variable Rate Demand Electric Revenue Refunding Bonds, Series 2008B Bonds, SVP terminated its variable-to-fixed interest rate swap agreement with JPMorgan Chase and paid a termination payment to JPMorgan Chase in the amount of \$3,738,000, as well as a payment of \$74,514 to terminate an associated letter of credit.

As of June 30, 2019, SVP does not have any outstanding swap agreements.

Notional Amounts and Fair Values- SVP Future Derivative Instruments

SVP maintains a Market Risk Management Policy, which among other things, sets forth the guidelines for the purchase and sale of certain financial instruments defined as hedge instruments in support of market power purchase and sales transactions. The primary goal of these guidelines is to provide a framework for the operation of an energy price hedging program to better manage SVP's risk exposure in order to stabilize pricing and costs for the benefit of SVP and its customers.

CITY OF SANTA CLARA
NOTES TO BASIC FINANCIAL STATEMENTS
For the year ended June 30, 2019

NOTE 10 - LONG TERM DEBT AND DERIVATIVE INSTRUMENTS (continued)

Consistent with hedge accounting treatment meeting effectiveness tests, changes in fair value are reported as deferred flows of resources on the statement of net position until the contract expiration that occurs in conjunction with the hedged expected energy purchase/sales transaction. When hedging contracts expire, at the time the purchase/sales transactions occur, the deferred balance is recorded as a component of Purchased Power. For energy derivatives, fair values are estimated by comparing contract prices to forward market prices quoted by third party market participants.

SVP had no future derivative instruments outstanding at June 30, 2019.

Credit risk

Credit risk is the risk of loss due to a counterparty defaulting on its obligations. SVP is exposed to credit risk if hedging instruments are in asset positions. As of June 30, 2019, SVP was not exposed to credit risk because there were no open derivative contracts, nor swap agreement.

SVP's policy for requiring collateral on hedging instruments varies based on individual contracts and counterparty credit ratings. Under the brokerage agreements with Archer Daniels Midland Company, the accounts are prefunded by SVP. If the account value falls below zero, margin calls are invoked. At June 30, 2019, SVP had posted collateral of \$1,405,371 deposited with CAISO and Archer Daniels Midland Company for wholesale trading.

It is also SVP's policy to negotiate netting arrangements whenever it has entered into more than one derivative instrument transaction with counterparty. Under the terms of these arrangements, should one party become insolvent or otherwise default on its obligations, the non-defaulting party may accelerate and terminate all outstanding transactions and net their fair values so that a single amount will be owed by (or to) the non-defaulting party.

Termination Risk

SVP's futures contracts are traded over the counter and have no termination risk.

Price Risk

With respect to price risk under these future contracts, on purchase contracts (long positions), SVP receives the CAISO NP15 average daily rate at settlement and pays the fixed contracted rate entered into on the trade date; on sales contracts (short positions), SVP pays the CAISO NP15 average daily rate at settlement and receives the fixed contracted rate entered into on the trade date. SVP is exposed to risk because the contract prices are different from the settlement prices.

E. Repayment Requirements

As of June 30, 2019, the debt service requirements to maturity for the City's long-term obligations, with determinable payment dates and the funds from which payment will be made are as follows:

(1) The principal outstanding for Stadium Authority is as of March 31, 2019. Please refer to Santa Clara Stadium Authority's separately issued Financial Statements Note 5 for details.

F. Debt Limitations and Restrictions

The amounts of the City's legal debt limit and debt margin (as defined by Section 1309 of the City Charter) as of June 30, 2019, is \$6.6 billion. There are a number of limitations and restrictions contained in the various bond indentures. The City is in compliance with all significant limitations, covenants and restrictions.

G. Arbitrage

According to the regulations set forth by the U. S. Treasury Department, for bond issues subject to arbitrage rebate, earnings in excess of the stated bond rate must be rebated to the federal government every five years. As of June 30, 2019, the City has ten outstanding bond issues that are subject to the arbitrage rebate regulations. The City monitors the earnings on each of these issues and records any accrued rebate liability at the end of each individual bond year.

NOTE 11 - SOLID WASTE LANDFILL CLOSURE

The City of Santa Clara All Purpose Landfill (Landfill) was closed in September 1993. Federal and state laws and regulations require closure activities such as removal of landfill structures, decommissioning of environmental control systems, site security, and final cover construction and postclosure care such as ongoing monitoring of environmental impact. The City's postclosure plan (Plan) accepted by the California

CITY OF SANTA CLARA
NOTES TO BASIC FINANCIAL STATEMENTS
For the year ended June 30, 2019

NOTE 11 – SOLID WASTE LANDFILL CLOSURE (continued)

Integrated Waste Management Board, which is now the California Department of Resources Recycling and Recovery (CalRecycle), addresses all the attendant issues. Based on the Plan and pertaining laws and regulations, an estimated Landfill Postclosure Care Cost Obligation is recorded and updated annually. The postclosure care liability is accrued in the Solid Waste Enterprise Fund in accordance with GAAP. This obligation is payable from solid waste user fees.

The City also has a Pledge of Revenue Agreement establishing financial assurance for postclosure maintenance of the Landfill with CalRecycle, which was adopted on October 12, 1999. Financial assurance in the amount of \$600,000 will be maintained in a separate account. In addition, the agreement requires funds to be pledged annually for post-closure maintenance and corrective action costs.

The City has pledged \$885,000 for postclosure maintenance expenses and \$751,000 for corrective action in 2019-20. These amounts are subject to annual inflation factors, as stipulated by CalRecycle.

At June 30, 2019, a liability in the amount of \$4,882,488 was reported based on the estimated remaining postclosure care costs to meet the regulatory requirements. During fiscal year 2019, the City incurred post-closure expenses of \$715,901 and increased the liability by \$484,545 based on revised estimates of future costs. The estimated liability is based on the amount that would be paid if all equipment, facilities, and services required to monitor and maintain the landfill were acquired as of June 30, 2019. However, the actual cost of postclosure care and corrective action may be higher or lower due to inflation, changes in technology, or changes in landfill laws and regulations.

NOTE 12 – PARTICIPATION IN JOINT VENTURES

A. Investments in Joint Venture

The City participates in significant joint ventures: Northern California Power Agency (NCPA), the Transmission Agency of Northern California (TANC), San Jose-Santa Clara Water Pollution Control Plant and Clean Water Financing Authority (SJSC), M-S-R Energy Authority (MSR EA), M-S-R Public Power Agency (MSR PPA) and Silicon Valley Animal Control Authority (SVACA).

The separately issued financial statements of these joint ventures (as noted below) are available on request.

	Date of latest audited financial statement	Joint Venture's address

CITY OF SANTA CLARA
NOTES TO BASIC FINANCIAL STATEMENTS
For the year ended June 30, 2019

NOTE 12 – PARTICIPATION IN JOINT VENTURES (continued)

The City’s basic financial statements reflect the following investments in joint ventures as of June 30, 2018 (latest information available):

	<u>Participating percentage</u>	<u>Investment</u>	<u>Method of accounting</u>
NCPA			
Geothermal	44.39%		
Hydroelectric	37.02%		
Combustion Turbine	41.67%	\$35,021,527	Equity
Lodi Energy Center	25.75%		
TANC	8.61%	2,310,785	Equity
SJSC ⁽¹⁾	19.33%	143,922,301	Equity
MSR EA	33.40%	-	Suspended
MSR PPA	35.00%	-	Suspended
SVACA	57.48%	4,896,192	Equity
Total		<u>\$186,150,805</u>	

(1) The investment in San Jose/Santa Clara Regional Wastewater Facility includes the current year contribution.

B. Contingent Liability

Under the terms of the various joint venture agreements, the City is contingently liable for a portion of the long-term debt of the entities under take-or-pay agreements, letters of credit, guarantees or other similar agreements. Based on the most recent audited financial statements of the individual joint ventures as of June 30, 2018, the City was contingently liable for long-term debt as follows (in thousands):

	<u>Total Debt</u>	<u>Participating Share</u>	<u>Contingent Liability</u>
NCPA	\$ 736,932	32.62%	\$ 240,364
TANC	200,290	9.69%	19,405
SJSC	36,107	19.33%	6,978
MSR PPA	98,850	35.00%	34,598
Total	<u>\$ 1,072,179</u>		<u>\$ 301,345</u>

In addition, the City would, under certain conditions, be liable to pay a portion of the costs associated with the operations of the entities. Under certain circumstances, such as default or bankruptcy of the other participants, the City may also be liable to pay a portion of the debt of these joint ventures on behalf of those participants and seek reimbursement from those participants.

CITY OF SANTA CLARA
NOTES TO BASIC FINANCIAL STATEMENTS
For the year ended June 30, 2019

NOTE 12 – PARTICIPATION IN JOINT VENTURES (continued)

Take-or-Pay commitments expire upon final maturity of outstanding debt for each project. Final fiscal year debt expirations as of June 30, 2018 are as follows:

Project	Debt Expiration	Entitlement Share %	Debt Service Share %
NCPA - Geothermal Project (NGP)	July-2024	44.3905%	44.3905%
NCPA - Hydroelectric Project (NHP)	July-2032	37.0200%	37.0200%
NCPA - Lodi Energy Center (NLEC) ⁽¹⁾	June-2040	25.7500%	30.6292%

C. Northern California Power Agency (NCPA)

NCPA was formed in 1968 as a joint powers agency in the State of California. Its membership consists of fourteen public agencies. NCPA is generally empowered to purchase, generate, transmit, distribute and sell electrical energy. Members participate in the projects of NCPA on an elective basis. Therefore, the participation percentage varies for each project in which it participates.

A Commission comprised of one representative for each member governs NCPA. The Commission is responsible for the general management of the affairs, property, and business of NCPA. Under the direction of the General Manager, the staff of NCPA is responsible for providing various administrative, operating and planning services for NCPA and its associated power corporations.

Project Financing and Construction

NCPA's project construction and development programs have been individually financed by project revenue bonds collateralized by NCPA's assignment of all payments, revenues and proceeds associated with its interest in each project. Each project participant has agreed to pay its proportionate share of debt service and other costs of the related project, notwithstanding the suspension, interruption, interference, reduction or

CITY OF SANTA CLARA
NOTES TO BASIC FINANCIAL STATEMENTS
For the year ended June 30, 2019

NOTE 12 – PARTICIPATION IN JOINT VENTURES (continued)

curtailment of output from the project for any reason. Certain of the revenue bonds are additionally supported by municipal bond insurance credit enhancements.

Hydroelectric Project

NCPA is contracted to finance, manage, construct, and operate Hydroelectric Project Number One for the licensed owner, Calaveras County Water District (CCWD). In exchange, NCPA has the right to the electric output of the project for 50 years from February 1982. NCPA also has an option to purchase power from the project in excess of the CCWD's requirements for the subsequent 50 years, subject to regulatory approval.

Geothermal Project

The NCPA Geothermal Plants have historically experienced greater than anticipated declines in steam production from the existing geothermal wells. Although initially operated as baseload generation projects at full capability (238MW), NCPA changed its steam field production from baseload to load-following and reduced average annual steam production. Along with other steam field operators in the area, the Agency began implementing various operating strategies to further reduce the rate of decline in steam production. The Agency has modified both steam turbine units and the associated steam collection system to enable generation with lower pressure steam at higher mass-flow rates to optimize the utilization of the available steam resource.

Based upon current operation protocols and forecasted operations, NCPA expects average annual generation and peak capacity to decrease further, reaching approximately 66 MW by the year 2039.

Combustion Turbine Project No. 1

NCPA owns five dual (natural gas and fuel oil) combustion turbine units, each of which is nominally rated at 25 MW, which are collectively known as the Combustion Turbine Project No. 1. These units were completed in 1986 and are designed to provide peak power and reserve requirements and emergency support. Each purchaser is responsible under its power sales contract for paying an entitlement share in Combustion Turbine Project No. 1 of all NCPA's costs of such project.

Lodi Energy Center

On May 24, 2010, Santa Clara entered into an agreement with NCPA for a 25.75% interest in the Lodi Energy Center, a 280 MW combined cycle natural gas fired power plant, located in Lodi, California. The project received approval from the California Energy Commission in April 2010 and was placed into operation in November 2012.

D. Transmission Agency of Northern California (TANC)

TANC was organized under the California Government Code pursuant to a joint powers agreement entered into by 15 Northern California utilities. The purpose of TANC is to provide electric transmission or other facilities for the use of its members through its authority to plan, acquire, construct, finance, operate and maintain facilities for electric power transmission. The joint powers agreement provides that the costs of TANC's activities can be financed or recovered through assessment of its members or from user charges through transmission contracts with its members. Each TANC member has agreed to pay a pro-rata share of

CITY OF SANTA CLARA
NOTES TO BASIC FINANCIAL STATEMENTS
For the year ended June 30, 2019

NOTE 12 – PARTICIPATION IN JOINT VENTURES (continued)

the costs to operate TANC and for payment of debt service, and has the right to participate in future project agreements.

The joint powers agreement remains in effect until all debt obligations and interest thereon have been paid, unless otherwise extended by the members.

California-Oregon Transmission Project

TANC is a participant and also the Project Manager of the California-Oregon Transmission Project (Project), a 340-mile long, 500-kilovolt alternating current transmission project between Southern Oregon and Central California. As Project Manager, TANC is responsible for the overall direction and coordination of all Project operations and maintenance, additions and betterments, and for general and administrative support.

The Project was declared commercially operable on March 24, 1993, with a rated transfer capability of 1,600 megawatts and provides a third transmission path between the electric systems of the Pacific Northwest and those in California. The Project has successfully met and completed the major environmental requirements. As of June 30, 2018, the most recent data available, TANC's investment in the Project was \$537.6 million, less accumulated depreciation and amortization of \$271.9 million.

In connection with its participation in the Project, TANC has an entitlement balance of the Project's transfer capability of approximately 1,362 megawatts and is obligated to pay an average of approximately 80% of the operating costs associated with the Project. TANC incurred and initially capitalized all costs for project construction since they were expected to be recovered through reimbursement from Project participants and from the successful operations of the Project's transmission lines. The Project agreement among the participating members provides that each member agrees to make payments, from its revenues, to TANC for project costs incurred and for payment of debt service.

Santa Clara has historically been obligated to pay 20.47% of TANC's COTP operating and maintenance expenses and 20.70% of TANC's COTP debt service and 22.16% of the Vernon acquisition debt. Santa Clara has also been entitled to 20.4745% of TANC's share of COTP transfer capability (approximately 278 MW net of third party layoffs of TANC) on an unconditional take-or-pay basis. Starting on July 1, 2014 Santa Clara laid-off 147 MWs of this entitlement to other TANC members under a 25 year agreement. During the term of this agreement the parties taking on the entitlement will pay all associated debt service, operations and maintenance costs, and all administrative and general costs. Santa Clara's portion of the operating and maintenance expenses and the COTP debt service is 10.008 %.

E. San Jose/Santa Clara Regional Wastewater Facility and Clean Water Financing Authority (SJSC)

The City and the City of San Jose jointly own the San Jose/Santa Clara Regional Wastewater Facility, (RWF). The RWF provides wastewater treatment services to Santa Clara, San Jose, and seven other tributary agencies. The City of San Jose is the administering agency for the RWF. The San Jose/Santa Clara Clean Water Financing Authority (Authority) was created in 1981 to provide financing for capital improvements at the RWF.

In 1959, the City and the City of San Jose entered into an agreement to construct and operate the RWF, (formerly referred to as the San Jose/Santa Clara Water Pollution Control Plant). Under the terms of the

CITY OF SANTA CLARA
NOTES TO BASIC FINANCIAL STATEMENTS
For the year ended June 30, 2019

NOTE 12 – PARTICIPATION IN JOINT VENTURES (continued)

agreement, the cities own an undivided interest in the RWF and share in the capital and operating costs on a pro rata basis, determined by the ratio of each city's assessed valuation to the sum of both cities assessed valuations. Such percentages are determined annually and applied to the capital and operating costs of the RWF, determined on an accrual basis. For the fiscal year ended June 30, 2019, the City's portion of the plant capacity was approximately 19.58%, which is also its interest in the net position of the RWF.

Zero Waste Energy Development Company Ground Lease

On June 21, 2011, the San Jose City Council approved a ground lease with Zero Waste Energy Development Company (ZWED) to lease a portion of the former Nine Par landfill, which is a part of the San Jose/Santa Clara Regional Wastewater Facility lands. ZWED would lease the property in three phases. Under the terms of the proposed lease, ZWED will lease 40.7 acres from the City of San Jose for an initial term of seven years from the date of execution for all three leaseholds. The base rent for the initial phase (Phase 1) of the property would be payable as a proportional credit against the expenditure of site development costs estimated at \$11.8 million or as a payment of \$850,000 per year. Rent for the subsequent phases will be based on the amount of organic waste processed at the facility. Over the 30-year life of the lease, the estimate payment is a minimum of \$16.5 million. The incoming revenue will be distributed between the City of Santa Clara, City of San Jose, and the tributary agencies to the RWF based on the master agreements with each agency.

South Bay Water Recycling Program

The South Bay Water Recycling Program (SBWR), a regional water reclamation program, is part of an action plan adopted by the Regional Water Quality Control Board (RWQCB) which limits the RWF on the amount of effluent discharged into San Francisco Bay in order to prevent conversion of salt marsh and destruction of endangered species habitat. Flow limits are not included in the current five year permit from the RWQCB. SBWR has a master plan to guide the continued operation and potential expansion of the SBWR in the absence of the previous regulatory drivers. The master plan was completed in December of 2014 and accepted by the City of San Jose and the Santa Clara Valley Water District during fiscal year 2014-15.

Under the previously approved action plan, SBWR was required to reclaim 21.1 million gallons per day (MGD) of plant effluent for nonpotable use by November 1, 1997, (Phase 1) and an additional 24.30 MGD by December 31, 2000 (Phase 2). The action plan also requires assessment of alternatives for potable reuse, including a potable pilot plant to be coordinated with the Santa Clara Valley Water District. In addition to habitat preservation, the project reduces the mass trace contaminants discharged to the San Francisco Bay and provides a reliable source of water to offset potable water demands. The current master plan recognizes that primary drivers for the continued operation and expansion of the recycled water system are based in the need for water supply, rather than wastewater discharge reduction.

When first built, the SBWR distribution system included approximately 67 miles of pipe, a four million gallon reservoir, a transmission pump station, and two booster pump stations. These facilities were constructed between 1996 and 1998 at a capital cost of approximately \$140 million funded by the tributary agencies, grants and bond proceeds. Santa Clara's share of Phase 1 costs was approximately \$20.07 million. Within Santa Clara, seven miles of distribution mains were added to the system in 2010 and 2011 and the entire SBWR distribution system now consists of over 140 miles of pipeline.

CITY OF SANTA CLARA
NOTES TO BASIC FINANCIAL STATEMENTS
For the year ended June 30, 2019

NOTE 12 – PARTICIPATION IN JOINT VENTURES (continued)

Proceeds from the City of San Jose 1995 Series A and B Bonds and other funds were used to pay for the City of San Jose's share of Phase 1. The City contributed existing capital reserves, existing recycled water distribution system, and additional construction of system extensions. Other sources for funding of Phase 1 include U.S. Bureau of Reclamation grants, State of California Revolving Fund loans, \$6.45 million transferred in fiscal year 1995 from the Clean Water Financing Authority to the City of San Jose Wastewater Treatment Plant Capital Fund, and cash contributions from other participating agencies. The 2010 and 2011 extensions of the distribution system were funded in part by a combination of grants from the American Recovery and Reinvestment Act of 2009 (ARRA) and the United State Bureau of Reclamation totaling \$10.4 million.

In June 1997, the RWQCB approved the Proposed Revision to the South Bay Action Plan (the Plan), which describes the projects necessary to reduce average dry weather effluent flow from the RWF to below 120 MGD and protect salt marsh habitat for endangered species in the South Bay as required by RWQCB Order 94-117. These projects include expanding the Phase 1 nonpotable water distribution system by extending additional piping, placing greater emphasis on water conservation programs, reducing infiltration inflow, augmenting stream flow, and creating wetlands. The estimated costs of \$127.5 million has been funded through a combination of State Revolving Fund loans, Equipment Replacement Reserves, Sewage Treatment Plant Connection Fees, federal grants, in-kind services and cash contributions.

F. M-S-R Public Power Agency (MSR PPA)

MSR PPA is a joint power agency formed in 1980 by the Modesto Irrigation District, the City and the City of Redding, California, to develop or acquire and manage electric power resources for the benefit of the members. The personnel of its members and contract professional staff perform the administrative and management functions of MSR PPA. The member's income and expense sharing ratio is as follows: Modesto Irrigation District – 50%; City of Santa Clara – 35%; and City of Redding – 15%.

The City's equity in MSR PPA's net losses exceeds its investment and, therefore, the equity method of accounting for the investment has been suspended. As of December 31, 2018, the date of the latest available audited financial statements, the City's unrecognized share of member's deficit of MSR PPA was \$18.4 million. Under the joint exercise of power agreement, which formed MSR PPA, the City is responsible for funding up to 35 percent of MSR PPA's operating cost, to the extent such funding is necessary. During the year ended June 30, 2018, the City made no contributions to fund its share of operating deficits. If there were such contributions, they would be included in the Electric Utility Enterprise Fund expenses.

MSR PPA's principal activity is a 28.8% ownership interest in a 507-megawatt unit of a coal-fired electricity generating plant located in New Mexico (San Juan Plant). The San Juan plant was jointly owned by the Public Service Company of New Mexico (PNM) (38.5%), MSR PPA (28.8%) and other municipal power entities (32.7%). MSR PPA was also a participant in the Southwest Transmission Project, a 500-kilovolt alternating current transmission project between Central Arizona and Southern California, which provides firm transmission from the San Juan plant into California. MSR PPA has transmission contracts to complete the path to bring power to the Members' distribution systems. The Members share in the income and expense of the San Juan Plant and the Southwest Transmission Project in the ratio of the MSR PPA ownership percentages. On May 25, 2016, MSR PPA sold its interest in the Southwest Transmission Project. On December 31, 2017, MSR PPA divested its ownership interest in the San Juan plant.

CITY OF SANTA CLARA
NOTES TO BASIC FINANCIAL STATEMENTS
For the year ended June 30, 2019

NOTE 12 – PARTICIPATION IN JOINT VENTURES (continued)

In 2006, MSR PPA entered into a Wholesale Purchase and Sale Agreement and a Shaping and Firming Agreement with Avangrid Renewables, Inc. to provide renewable wind energy to the Members from the Big Horn I Wind Energy Project (Big Horn I Project) with a nominal installed capacity of approximately 199.5 MW. The City receives the power purchased by MSR PPA from the Big Horn I Project. The City's share equates to approximately a 105 MW share of the output at a cost comparable to combined cycle gas-fuel generation. Power deliveries commenced on October 1, 2006 and will continue through September 30, 2026. Through an amendment of the original agreements MSR PPA has an obligation to continue to take the same output through September 30, 2031, or if the Big Horn Project is repowered MSR PPA will have a right of first offer to negotiate a long-term power purchase for such repowered project. The participation in this project is as follows: Modesto Irrigation District – 12.5%; City of Santa Clara – 52.5%; and City of Redding – 35%.

In 2009, MSR PPA entered into a Power Purchase Agreement and Redelivery Agreement with Avangrid Renewables Inc. to purchase additional wind power energy from the same site, called Big Horn II, with a nominal installed capacity of 50 MW for a twenty-year period. Deliveries of energy under this project began on November 1, 2010. The participation in this project is as follows: Modesto Irrigation District – 65%; City of Santa Clara – 35%.

M-S-R PPA San Juan

In 2015, the MSR PPA Commission approved a number of agreements (the “San Juan Restructuring Agreements”) to provide for the interests of MSR PPA and certain other San Juan Participants (the “exiting participants”) in the San Juan Generation Station to be transferred to the remaining San Juan Participants effective December 31, 2017. In addition to the ownership divestiture, the San Juan Restructuring Agreements provide for, among other things, the allocation of ongoing responsibility for decommissioning costs, mine reclamation costs and any environmental remediation obligations among the exiting participants and the remaining San Juan Participants, and the establishment and funding of mine reclamation and plant decommissioning trust funds. The San Juan Restructuring Agreements were subsequently executed by all nine San Juan Generation Station owners and PNM Resources Development Company (a non-utility affiliate of PNM) and, following receipt of regulatory approvals, became effective on January 31, 2016. Various other implementing agreements and amendments to existing San Juan project agreements to effect the restructuring have also been executed. Closing of the ownership restructuring of the San Juan Generation Station and the divestiture of MSR PPA's interests in San Juan Unit No. 4 was completed on schedule on December 31, 2017.

G. M-S-R Energy Authority (MSR EA)

MSR EA is a joint power agency formed in 2008 by the Modesto Irrigation District, the City of Santa Clara, and the City of Redding, California, to develop or acquire and manage natural gas resources for the benefit of the members. The personnel of its members and contract professional staff perform the administrative and management functions of MSR EA. The member's income and expense sharing ratio is as follows: Modesto Irrigation District – 33.3%; City of Santa Clara – 33.4%; and City of Redding – 33.3%.

The City's equity in MSR EA's net losses exceeds its investment and, therefore, the equity method of accounting for the investment has been suspended. As of December 31, 2018, the date of the latest available audited financial statements, the City's unrecognized share of member's deficit of MSR EA was \$27.2 million. Under the joint exercise of power agreement, which formed MSR EA, the City is responsible for

CITY OF SANTA CLARA
NOTES TO BASIC FINANCIAL STATEMENTS
For the year ended June 30, 2019

NOTE 12 – PARTICIPATION IN JOINT VENTURES (continued)

funding up to 33.4% of MSR EA’s operating cost, to the extent such funding is necessary. During the year ended June 30, 2018, the City made no contributions to fund its share of operating deficits. If there were such contributions, they would be included in the Electric Utility Enterprise Fund expenses.

In 2009, the City of Santa Clara, along with the Cities of Modesto and Redding participated in the M-S-R Energy Authority Gas Prepay Project. The Gas Prepay Project provides the City of Santa Clara, through a Gas Supply Agreement with MSR EA dated September 10, 2009, a secure and long-term supply of natural gas of 7,500 MM Btu (Million British thermal unit) daily or 2,730,500 MM Btu annually through December 31, 2012, and 12,500 MM Btu daily, or 4,562,500 MM Btu annually thereafter until September 30, 2039. The agreement provides this supply at a discounted price below the spot market price (the Pacific Gas & Electric City gate index) over the next 30 years. As of December 31, 2018, bonds issued by MSR EA to finance the City’s share of the Gas Prepay Project were outstanding in the principal amount of \$500,200,000. These bonds were initially sold on August 27, 2009. Under the Gas Supply Agreement, MSR EA will bill the City for actual quantities of natural gas delivered each month on a “take-and-pay” basis. MSR EA has contracted with Citigroup Energy, Inc. (“CEI”) to use the proceeds of the Gas Prepay bond issue to prepay CEI for natural gas. CEI has guaranteed repayment of the bonds, and responsibility for bond repayment is non-recourse to the City of Santa Clara. Moreover, any default by the other Gas Prepay Project participants is also non-recourse to the City.

H. Silicon Valley Animal Control Authority

The City is a member of the Silicon Valley Animal Control Authority, (SVACA), established in 2000 to deliver animal control and sheltering services to three communities: the cities of Santa Clara, Campbell, and Monte Sereno. SVACA provides field and shelter services and staffing to support adoption and spay/neuter programs. SVACA purchased and retrofitted an existing cold-shell office building in Santa Clara that became a fully operating animal shelter. The shelter opened in the third quarter of 2006. SVACA is governed by a Board of Directors comprised of one appointed Councilmember from each of the four member cities.

During the fiscal year ended June 30, 2019, the City of Santa Clara contributed \$1,050,515 to SVACA. The City’s equity interest in SVACA was \$4,896,192 at June 30, 2018 (the most recent audited information available). Audited financial statements are available from SVACA, located at 3370 Thomas Road, Santa Clara, CA 95051.

NOTE 13 – RETIREMENT PLAN – DEFINED BENEFIT PENSION PLAN

A. Plan Description

The City contributes to the California Public Employees Retirement System (CalPERS), an agent multiple-employer defined benefit plan, which is a public employee retirement system that acts as a common investment and administrative agent for participating public entities within the State of California. CalPERS offers a menu of benefit provisions and other requirements that are established by State statutes within the Public Employee Retirement law. The City selects optional benefit provisions from the benefit menu by contract with CalPERS and adopts those benefits through local ordinance. CalPERS issues a separate Comprehensive Annual Financial Report. Copies of the CalPERS’ annual financial report may be obtained from the CalPERS website at www.calpers.ca.gov.

CITY OF SANTA CLARA
NOTES TO BASIC FINANCIAL STATEMENTS
For the year ended June 30, 2019

NOTE 13 – RETIREMENT PLAN – DEFINED BENEFIT PENSION PLAN (continued)

The City's defined benefit pension plans for Miscellaneous and Safety employees with CalPERS provide retirement and disability benefits, annual cost-of-living adjustments, and death benefits to plan members and beneficiaries. All permanent (full-time and part-time) and eligible "as-needed" hourly City employees are required to participate in CalPERS. Employees fall under two categories, Classic and PEPRA. Employees hired on or before December 31, 2012 are considered Classic PERS members. Employees hired on or after January 1, 2013 fall into the PEPRA PERS members.

B. Pension Plan Benefits

On September 12, 2012, the State of California passed Assembly Bill (AB) 340, which created the Public Employees' Pension Reform Act (PEPRA). PEPRA implemented new benefit formulas and final compensation period, as well as new contribution requirements for new employees hired on or after January 1, 2013 who meet the definition of new member under PEPRA. Please refer to the Pension Reform section of the CalPERS website for more information regarding when an employee will be considered a new member under PEPRA.

Benefits for employees in the Miscellaneous Plan and Safety Plan vest after five years of CalPERS credited service. The retirement benefits are based on the retiree's age, years of CalPERS credited service, and benefit factor of 2.7% at 55 for the Classic Miscellaneous Plan members and 3% at 50 for the Classic Safety Plan members. For members under PEPRA, the benefit factor is reduced to 2% at 62 for the Miscellaneous Plan and 2.7% at 57 for the Safety Plan.

Miscellaneous Plan

Participants in this plan are eligible for service retirement and receive graduated benefits upon attaining the age of 50 and with at least five years of credited service with a CalPERS employer. The service retirement benefit is a monthly allowance equal to the product of the benefit factor (2.7% at 55 for Classic members or 2% at 62 for PEPRA members), years of service, and final compensation (monthly average of member's highest 12 or 36 (for new members) consecutive months full-time equivalent monthly pay). The service retirement benefit for this group is not capped. The compensation limit for Classic members for the 2019 calendar year is \$280,000. Employees with membership dates prior to July 1, 1996 are not impacted by this limit. The compensation limit for PEPRA for calendar year 2019 is \$124,180 for employees covered by Social Security and is adjusted annually with the CPI for all Urban Consumers.

Safety Plan

Participants in this plan are eligible for service retirement upon attaining the age of 50 and with at least five years of credited service with a CalPERS employer. The service retirement benefit is a monthly allowance equal to the product of the benefit factor (3% at 50 for Classic members or 2.7% at 57 for new members), years of service, and final compensation. For Classic Fire Safety employees, the final compensation is the monthly average of member's highest 36 consecutive months full-time equivalent monthly pay for both Classic and new members, and for Classic Police Safety employees, it is the monthly average of the member's highest 12 or 36 (for new members) consecutive months full-time equivalent monthly

The service retirement benefit for the Safety Plan group is capped at 90% of final compensation for the Classic members. PEPRA members have an annual compensation limit on reportable earnings. The compensation limit for calendar year 2019 is \$149,016 for employees not covered by Social Security and is adjusted annually with the CPI for all Urban Consumers.

CITY OF SANTA CLARA
NOTES TO BASIC FINANCIAL STATEMENTS
For the year ended June 30, 2019

NOTE 13 – RETIREMENT PLAN – DEFINED BENEFIT PENSION PLAN (continued)

The Plans provisions and benefits in effect at June 30, 2019 are summarized as follows:

	Miscellaneous		Safety	
	Prior to January 1, 2013	On or After January 1, 2013	Prior to January 1, 2013	On or After January 1, 2013
Hire date				
Benefit formula	2.7% @ 55	2.0% @ 62	3.0% @ 50	2.7% @ 57
Benefit vesting schedule	5 years service	5 years service	5 years service	5 years service
Benefit payments	monthly for life	monthly for life	monthly for life	monthly for life
Retirement age	50 - 55	52 - 67	50	50 - 57
Monthly benefits, as a % of eligible compensation	2.00% - 2.70%	1.00% - 2.50%	3.00%	2.00% - 2.70%
Required employee contribution rates	8.00%	5.75%		
Public Safety - Fire			9.00%	10.50%
Public Safety - Police			9.00%	10.50%
Required employer contribution rates	10.169%	10.169%	20.023%	20.023%
Required unfunded liability contribution	\$16,991,385		\$13,683,589	

Beginning in fiscal year 2015-16, CalPERS collects employer contributions for the Plan as a percentage of payroll for the normal cost portion as noted in the rates above and as a dollar amount for contributions toward the unfunded liability. The dollar amounts are billed on a monthly basis. The City's required contribution for the miscellaneous plan's unfunded liability was \$16,991,385 in fiscal year 2018-19. The City's required contribution for the safety plan's unfunded liability was \$13,683,589 in fiscal year 2018-19.

Employees Covered

At the valuation date, June 30, 2017, the following employees were covered by the benefits terms for each Plan:

	Miscellaneous	Safety
Inactive employees or beneficiaries currently receiving benefits	939	459
Inactive employees entitled to but not yet receiving benefits	422	59
Active employees	691	285
Total	2,052	803

CITY OF SANTA CLARA
NOTES TO BASIC FINANCIAL STATEMENTS
For the year ended June 30, 2019

NOTE 13 – RETIREMENT PLAN – DEFINED BENEFIT PENSION PLAN (continued)

C. Contributions

Section 20814(c) of the California Public Employees’ Retirement Law requires that the employer contribution rates for all public employers are determined on an annual basis by the actuary and shall be effective on the July 1 following notice of a change in the rate. Funding contributions for both Plans are determined annually on an actuarial basis as of June 30 by CalPERS. The actuarially determined rate is the estimated amount necessary to finance the costs of benefits earned by employees during the year, with an additional amount to finance any unfunded accrued liability. The City is required to contribute the difference between the actuarially determined rate and the contribution rate of employees. For the year ended June 30, 2019, the City’s contributions to the miscellaneous and safety plans were \$23,615,964 and \$23,484,760, respectively.

D. Net Pension Liability

The City’s net pension liability for each Plan is measured as the total pension liability, less the pension plans’ fiduciary net position. The net pension liability of each of the Plans is measured as of June 30, 2018, using an annual actuarial valuation as of June 30, 2017 rolled forward to June 30, 2018 using standard update procedures. A summary of principal assumptions and methods used to determine the net pension liability is shown below.

	All Plans
Valuation Date	June 30, 2017
Measurement Date	June 30, 2018
Actuarial Cost Method	Entry-Age Normal Cost Method in accordance with the requirements of GASB 68
Actuarial Assumptions:	
Discount Rate	7.15%
Inflation	2.50%
Payroll Growth	3.00%
Projected Salary Increase	Varies by Entry-Age and Service
Investment Rate of Return ⁽¹⁾	7.15%
Post Retirement Benefit Increase	Contract COLA up to 2% until Purchasing Power applies, 2.5% thereafter
Mortality ⁽²⁾	Derived using CalPERS' membership data for all funds

(1) Net of pension plan investment and administrative expenses; including inflation

(2) The mortality table used was developed based on CalPERS' specific data. The table includes 15 years of mortality improvement using Society of Actuaries Scale 90% of scale MP 2016. For more details on this table, please refer to the CalPERS' December 2017 experience study report available on CalPERS' website

The underlying mortality assumptions and all other actual assumption used in the June 30, 2017 valuation were based on the results of a December 2017 actuarial experience study for the period 1997 to 2015. Further details of the Experience Study can be found on the CalPERS website.

CITY OF SANTA CLARA
NOTES TO BASIC FINANCIAL STATEMENTS
For the year ended June 30, 2019

NOTE 13 – RETIREMENT PLAN – DEFINED BENEFIT PENSION PLAN (continued)

Changes of Assumptions

For the measurement date of June 30, 2018, the inflation rate reduced from 2.75% to 2.50%.

Discount Rate

The discount rate used to measure the total pension liability for the Plan was 7.15%. The projection of cash flows used to determine the discount rate for the Plan assumed that contributions from all plan members in the Public Employees Retirement Fund (PERF) will be made at the current member contribution rates and that contributions from employers will be made statutorily required rates, actuarially determined. Based on those assumptions, the Plan’s fiduciary net position was projected to be available to make all projected future benefit payments of current plan members for all plans in the PERF. Therefore, the long-term expected rate of return on plan investments was applied to all period of projected benefit payments to determine the total pension liability for the Plan.

The long-term expected rate of return on pension plan investments was determined using a building-block method in which expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class.

In determining the long-term expected rate of return, CalPERS took into account both short-term and long-term market return expectations as well as the expected pension fund cash flows. Using historical returns of all the funds’ assets classes, expected compound (geometric) returns were calculated over the short-term (first 10 years) and the long-term (11+ years) using a building-block approach. Using the expected nominal returns for both short-term and long-term, the present value of benefits was calculated for each fund. The expected rate of return was set by calculating the rounded single equivalent expected return that arrived at the same present value of benefits for cash flows as the one calculated using both short-term and long-term returns. The expected rate of return was then set equal to the single equivalent rate calculated above and adjusted to account for assumed administrative expenses.

Asset Class ⁽¹⁾	Current Target Allocation	Real Return Years 1 - 10 ⁽²⁾	Real Return Years 11+ ⁽³⁾
Global Equity	50.00%	4.80%	5.98%
Fixed Income	28.00%	1.00%	2.62%

F. Pension Expenses and Deferred Outflows/Inflows of Resources Related to Pensions

For the year ended June 30, 2019, the City recognized pension expense of \$41,731,705 for the Miscellaneous Plan and \$33,452,135 for the Safety Plan.

At June 30, 2019, the City reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

Miscellaneous Plan:

	Deferred Outflows of Resources	Deferred Inflows of Resources
Pension contributions subsequent to measurement date	\$ 23,615,964	\$ -
Changes of assumptions	12,339,369	(3,532,074)
Differences between expected and actual experience	7,129,560	(725,424)
Net differences between projected and actual earnings on pension plan investments	636,418	-
Total	\$ 43,721,311	\$ (4,257,498)

CITY OF SANTA CLARA
NOTES TO BASIC FINANCIAL STATEMENTS
For the year ended June 30, 2019

NOTE 13 – RETIREMENT PLAN – DEFINED BENEFIT PENSION PLAN (continued)

Safety Plan:

	<u>Deferred Outflows of Resources</u>	<u>Deferred Inflows of Resources</u>
Pension contributions subsequent to measurement date	\$ 23,484,760	
Changes of assumptions	22,277,672	(3,075,799)
Differences between expected and actual experience	4,405,424	(2,217,101)
Net differences between projected and actual earnings on pension plan investments	<u>1,230,165</u>	<u>-</u>
Total	<u>\$ 51,398,021</u>	<u>\$ (5,292,900)</u>
Combined Total	<u>\$ 95,119,332</u>	<u>\$ (9,550,398)</u>

The reported \$23,615,964 for the Miscellaneous Plan and \$23,484,760 for the Safety Plan deferred outflows of resources related to contributions subsequent to the measurement date will be recognized as a reduction of the net pension liability in the year ended June 30, 2020. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to pension will be recognized as pension expense as follows:

<u>Measurement Period Ended June 30</u>	<u>Miscellaneous Plan Annual Amortization</u>	<u>Safety Plan Annual Amortization</u>
2019	\$ 18,584,102	\$ 14,239,412
2020	2,657,817	10,584,109
2021	(4,095,904)	(919,000)
2022	(1,298,166)	(1,284,160)

NOTE 14 – RETIREMENT PLAN - DEFINED CONTRIBUTION PLAN

The City’s Public Agency Retirement System Plan (PARS Plan) is a compulsory retirement plan that qualifies under Section 401 of the Internal Revenue Code covering City employees who are not members of CalPERS. Under the provisions of the PARS Plan, the City makes no contributions; however, all administrative costs of the plan are funded by the City. The PARS Plan administrator is Phase II Systems. The total assets of the PARS Plan are held in trust for the employees and are not included in the City’s assets or equity.

NOTE 15 – DEFERRED COMPENSATION PLAN

The City offers its employees a deferred compensation plan created in accordance with Internal Revenue Code Section 457. The plan, available to all City employees, permits employees to defer a portion of their salary until future years. The deferred compensation is not available to employees until termination, retirement, death or unforeseeable emergency.

CITY OF SANTA CLARA
NOTES TO BASIC FINANCIAL STATEMENTS
For the year ended June 30, 2019

NOTE 15 – DEFERRED COMPENSATION PLAN (continued)

The laws governing deferred compensation plan assets require plan assets to be held by a Trust for the exclusive benefit of plan participants and their beneficiaries. Since the assets held under these plans are not the City's property and are not subject to City control, they have been excluded from these financial statements.

NOTE 16 – OTHER POST EMPLOYMENT BENEFITS

A. Plan Description

The City's single-employer defined benefit Other Post Employment Benefit (OPEB) Plan Trust Fund, which was established by City Council in fiscal year 2007-08 in accordance with GAAP, provides reimbursements to retirees for qualified expenses. Employees who have retired from the City with at least ten years of service and meet certain criterion based upon retirement date, household income in the most recent calendar year and age are entitled to reimbursements for qualified expenses. Annual maximum reimbursement amounts differ depending on when an employee retired from City service. The majority of retirees may be eligible for a maximum of \$4,296 in annual reimbursements. Amendments to benefit provisions are negotiated by the various bargaining units at the City and must be approved by Council. In fiscal year 2007-08, the City established an irrevocable exclusive agent multiple-employer defined benefit trust which is administered by Public Agency Retirement Services (PARS). The City is the Plan administrator, and PARS administers the investment trust for the City's Plan. The trust is used to accumulate and invest assets necessary to reimburse retirees. Separate financial reports are issued by PARS for the OPEB Plan Trust. The report can be obtained by writing to PARS at 4350 Von Karman Avenue, Suite 100, Newport Beach, CA 92660, or by calling 1-800-540-6369.

For purposes of measuring the net OPEB liability, deferred outflows of resources and deferred inflows of resources related to OPEB, and OPEB expense, information about the fiduciary net position of the OPEB plan and additions to and deduction from the OPEB's fiduciary net position have been determined on the same bases. For this purpose OPEB benefit payments are recognized when currently due and payable in accordance with the benefits terms. Investments are report at fair value.

Generally accepted accounting principles require that the reporting results must pertain to liability and asset information within certain defined timeframes. For the fiscal year 2018-19, the following time frames were used.

Measurement Date	June 30, 2019
Measurement Period	July 1, 2018 to June 30, 2019
Actuarial valuation date ⁽¹⁾	June 30, 2018

(1) Update procedures were used to roll forward the Total OPEB liability from the valuation date to the measurement date.

CITY OF SANTA CLARA
NOTES TO BASIC FINANCIAL STATEMENTS
For the year ended June 30, 2019

NOTE 16 – OTHER POST EMPLOYMENT BENEFITS (continued)

B. Plan Membership

As of June 30, 2019, membership in the plan consisted of the following:

	<u>Number of Covered Employees</u>
Inactive employees currently receiving benefits	648
Inactive employees entitled to but not yet receiving benefit payments	200
Active employees	<u>1,014</u>
Total	<u><u>1,862</u></u>

C. Contributions

The OPEB Plan trust annual contributions are based upon actuarial determine contributions. The contribution requirements are established and may be amended by the City Council. Plan members do not make contributions to the plan; the plan is funded entirely by employer contributions. For the fiscal year ending June 30, 2019 the City's cash contributions were \$4,421,666 in payments to the trust and the estimated implied subsidy was \$930,000, for total contributions of \$5,351,666.

CITY OF SANTA CLARA
NOTES TO BASIC FINANCIAL STATEMENTS
For the year ended June 30, 2019

NOTE 16 – OTHER POST EMPLOYMENT BENEFITS (continued)

D. Net OPEB Liability

The City’s net OPEB liability was measured as of June 30, 2019 and the total OPEB liability used to calculate the Net OPEB liability was determined by an actuarial valuation dated June 30, 2018, rolled forward to June 30, 2019 using standard actuarial methods, based on the following actuarial methods and assumptions:

Actuarial Assumptions

Significant Actuarial Assumptions Used in Total OPEB Liability	
Actuarial Assumption	June 30, 2019 Measurement Date
Actuarial valuation date	June 30, 2018
Discount rate	5.25% at June 30, 2019
Inflation	Crossover analysis showed benefit payments always fully 2.75%
Salary increases	Aggregate 3%
Investment rate of return	5.25% at June 30, 2019
Funding policy	Full pre-funding to PARS trust PARS portfolio: Moderately Conservative
Mortality, Disability, Termination, and Retirement Mortality Improvement	CalPERS 1997-2015 Experience Study Mortality projected fully generational with Scale MP-2018
Healthcare cost trend rates	Non-Medicare - 7.5% for 2020 scaling down to 4.0% for year 2076 Medicare - 6.5% for 2020 scaling down to 4.0% for year 2076
Healthcare participation for future retirees - Cash subsidy	Currently covered: 80% Waived: 40%
Healthcare participation for future retirees - PEMHCA implied subsidy	Currently covered: 80% Waived: 25%

E. Investments Rate of Return

For the year ended June 30, 2019, the annual money-weighted rate of return on investment was 6.66%, net of investment expense. The money-weighted rate of return expresses investment performance, net of investment expense, adjusted for the changing amounts actually invested.

CITY OF SANTA CLARA
NOTES TO BASIC FINANCIAL STATEMENTS
For the year ended June 30, 2019

NOTE 16 – OTHER POST EMPLOYMENT BENEFITS (continued)

F. Discount Rate

The discount rates used to measure the total OPEB liability was 5.25% as of June 30, 2019. The projection of cash flows used to determine the discount rate assumed that City contributions will be made at rate equal to the actuarially determined contributions rates. Based on those assumptions, the OPEB plan’s fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on OPEB plan investments was applied to all periods of projected benefit payments to determine the total OPEB liability.

Asset Class	Target Allocation	Long-Term Expected Real Rate of Return
Mutual Funds - Equity	29%	4.82%
Mutual Funds - Fixed Income	65%	1.47%
REIT'S	1%	3.76%
Cash and equivalent	5%	0.06%
	100%	
Expected Inflation		2.75%
Discount Rate		5.25%

G. Changes in the OPEB Liability

The changes in the Net OPEB liability and Fiduciary Net Position are as follows:

	Net OPEB Liability (In Thousands)	
	2019	2018
Total OPEB Liability	\$ 60,680	\$ 65,516
Fiduciary Net Position	(22,534)	(18,945)
Net OPEB Liability	\$ 38,146	\$ 46,571
Plan Fiduciary Net Position as a percentage of the Total OPEB Liability	37.1%	28.9%

CITY OF SANTA CLARA
NOTES TO BASIC FINANCIAL STATEMENTS
For the year ended June 30, 2019

NOTE 16 – OTHER POST EMPLOYMENT BENEFITS (continued)

The changes in Net OPEB details as follow:

	Changes in Net OPEB Liability (In Thousands)		
	Increase (Decrease)

2020	\$ (1,207)
2021	(1,207)
2022	(1,209)
2023	(1,277)
2024	(1,207)
Thereafter	(240)

NOTE 17 – ELECTRIC UTILITY - SILICON VALLEY POWER (SVP)

The City’s Electric Utility Department provides electricity to City residents and businesses under the name Silicon Valley Power (SVP).

A. Long-term Power Purchase Contracts

The City purchases wholesale electric power from various participants of the Western Systems Power Pool (WSPP), NCPA, MSR Public Power Agency (Note 12), Western Area Power Administration, and other sources to supply the power requirements of the City’s electric utility customers under long-term power purchase agreements (PPAs). The City actively manages the financial risks inherent in these PPAs, including the risks arising from the changing spot market prices that move above and below the contract prices and from contract disputes that may arise from time to time. The cost of power under PPAs is included in enterprise fund materials, services and supplies expense and excluded from wholesale resources purchase.

B. Restructuring of the California Electric Industry

Deregulation Legislation and Direct Access

The passage of AB1890 in 1998 triggered fundamental changes in the structure of the electric industry in California. Generally, AB1890 provided for creation of the California Power Exchange (Cal PX), which was to be a clearinghouse for energy transactions among investor-owned utilities, independent generators and power marketers, who in turn would serve so called direct-access customers. AB1890 also created the California Independent System Operator (CAISO), which was to manage the state’s bulk transmission grid.

However, in 2000 and 2001, the price of electricity at the Cal PX became extremely high, and investor-owned utilities were unable to pay for the energy that they needed from the Cal PX. Eventually the Cal PX filed for bankruptcy and was dismantled. Investor-owned utility PG&E and several energy marketers would also file for bankruptcy and over a decade of litigation ensued.

CITY OF SANTA CLARA
NOTES TO BASIC FINANCIAL STATEMENTS
For the year ended June 30, 2019

NOTE 17 – ELECTRIC UTILITY – SILICON VALLEY POWER (SVP) (continued)

The CAISO, however, continues to manage the state’s bulk electric system and the day-ahead and day-of markets, and it has implemented various price controls and tariffs in an effort to avoid repeating the mistakes of 2000 and 2001. Along with balancing control area responsibility, the CAISO has also announced that it will take on the role of reliability coordinator for the region.

Energy Wholesale Trading and Risk Management

SVP participates in the wholesale gas and power market and the CAISO’s centralized market. Since CAISO’s Market Redesign and Technology Upgrade (MRTU), CAISO has become the ultimate buyer and seller in the California day ahead market. Therefore, SVP engages in the trading of commodity forward contracts (gas and electric energy contracts) to secure fuel supply and hedge daily power purchase/sales from/to CAISO. Activities during the fiscal year were substantially considered hedging transactions and, as such, have been accounted for using the settlement method of accounting. Accordingly, related gross purchases and sales totaling \$22.5 million and \$27.7 million, respectively, for fiscal year ended June 30, 2019, have been separately reported on the statement of revenues, expenses and changes in net position.

The restructured electric wholesale market exposes SVP to various risks including market, credit and operational risks. Active and effective management of these risks associated with the power trading activity is critical to its continued success and contribution to the entire utility. A Risk Management Committee, separate from the units that create the risk exposures, overseen by a Risk Oversight Committee that reports ultimately to the City Council, administers and monitors compliance with the risk policies and procedures on a regular basis. The City and SVP believe that it has the resource commitment, and effective policies and procedures, and is continuing to improve the control structure and oversight for evaluating and controlling the market and credit risks to which it is exposed.

Credit Arrangements

The City of Santa Clara electric utility maintains credit policies, procedures, and systems that help mitigate credit risk and minimize overall credit risk exposure. The policies include transacting only with investment grade counterparties, evaluating potential counterparties’ financial condition and assigning credit limits as applicable. These credit limits are established based on risk and return considerations under terms customarily available in the industry. Additionally, SVP is a signatory to the WSPP netting agreement supplement and otherwise, enters into master netting arrangements whenever possible and, where appropriate, obtains collateral prior to trade execution. Master netting agreements incorporate rights of setoff that provide for the net settlement of subject contracts with the same counterparty in the event of default.

NOTE 18 – NET POSITION/FUND EQUITY

Net Position is measured on the full accrual basis and presented in the Government-wide Financial Statements, while Fund Balance is measured on the modified accrual basis and presented in the Governmental Funds Financial Statements.

A. Government-wide Financial Statements - Net Position

Net Position is the excess of all the City’s assets and deferred outflow of resources over all its liabilities and deferred inflow of resources, regardless of fund. Net Position is divided into three captions. These captions apply only to Net Position, which is determined only at the government-wide level, and are described below:

CITY OF SANTA CLARA
NOTES TO BASIC FINANCIAL STATEMENTS
For the year ended June 30, 2019

NOTE 18 – NET POSITION/FUND EQUITY (continued)

Net investment in capital assets describes the portion of Net Position which is represented by the current net book value of the City’s capital assets, less the outstanding balance of any debt issued to finance these assets.

Restricted describes the portion of Net Position which is restricted as to use by the terms and conditions of agreements with outside parties, governmental regulations, laws, or other restrictions which the City cannot unilaterally alter. These principally include developer fees received for use on capital projects, debt service requirements, and redevelopment funds restricted to low and moderate-income purposes.

Unrestricted describes the portion of Net Position which is not restricted as to use.

B. Governmental Fund Financial Statements - Fund Balances

The City categorizes fund balance in accordance with GAAP. The following classifications describe the relative strength of the spending constraints placed on the purposes for which resources can be used:

Nonspendable Fund Balance

Amounts that cannot be spent either because they are in a nonspendable form or are required to be maintained intact.

Restricted Fund Balance

Amounts that are constrained to specific purposes by federal, state, county, local laws, or externally imposed conditions by grantors or creditors.

Committed Fund Balance

Amounts that can only be used for specific purposes pursuant to constraints imposed by the City Council, the City’s highest level of decision-making authority, through resolutions. These committed amounts cannot be used for any other purpose unless the Council removes or changes the specific uses through the same type of formal action taken to establish the commitment. These Council actions must occur prior to June 30th of the applicable fiscal year.

Assigned Fund Balance

Amounts that are constrained by the City’s intent are to be used for specific purposes, but are neither restricted nor committed. The City Council delegated the authority to assign amounts to be used for specific purposes to the City Manager per Ordinance 1784, September 16, 2003.

Unassigned Fund Balance

These are either residual positive net resources of the General Fund in excess of what can properly be classified in one of the other four categories in the General Fund, or negative balances in all other funds. The Unassigned Fund Balance includes the Budget Stabilization (Emergency) and Capital Projects Reserves, and other undesignated fund balances. The balances in these accounts are \$63 million, \$22 million, and \$63 million, respectively. Additional information is described in the Stabilization Arrangement section of this note.

CITY OF SANTA CLARA
NOTES TO BASIC FINANCIAL STATEMENTS
For the year ended June 30, 2019

NOTE 18 – NET POSITION/FUND EQUITY (continued)

Under the City’s encumbrance system of accounting, a portion of fund balance that has been encumbered for a specific future use is classified in the appropriate fund balance component based on the nature of the encumbrance.

Fund Balance Classification

	Major Funds		Non-Major Governmental Funds	Fund Balance June 30, 2019
	General Fund	Santa Clara Housing Successor

CITY OF SANTA CLARA
NOTES TO BASIC FINANCIAL STATEMENTS
For the year ended June 30, 2019

NOTE 18 – NET POSITION/FUND EQUITY (continued)

C. Fund Balance Policy

When both restricted and unrestricted funds are available for expenditure, the City's Fund Balance Policy reduces all Governmental Funds Balances in the following order: Restricted, Committed, Assigned, and Unassigned fund balances unless disallowed by City Council or legal requirements.

Stabilization Arrangement

Maintaining financial stabilization is a necessity for sound financial management and fiscal accountability. Its purpose is to ensure funds are available to cover occasional budgetary shortfalls (i.e., when general unrestricted revenues decline) or other unexpected urgent events. The City's Budget Stabilization Reserves (Emergency) and Capital Projects Reserves are maintained for these purposes. As of June 30, 2019, the Budget Stabilization and Capital Projects Reserves were \$63 million and \$22 million, respectively, and are a component of the General Fund's Unassigned Fund Balance.

In 1985-86, the City Council established a policy regarding the City's General Contingency Reserve, under which two separate reserves were established.

- The Budget Stabilization Reserve is set aside primarily for weathering economic downturns, emergency financial crisis, or disaster situations. The reserve target is equal to the cost of the City's General Fund operations for three months (90-days or 25% General Fund operating budget).
- The Capital Projects Reserve, earmarks funds for a five-year capital improvement program. The minimum target for this reserve is \$5 million.

One of the strategic objectives on the 2017-18 Council Goals and Strategic Objectives list is to continue to replenish City reserves and maintain strong, fiscally-sound management policies of City revenues with long term goals in mind.

Pension Rate Stabilization Program Trust

In fiscal year 2016-17, the City established an irrevocable trust account with PARS to pre-fund retirement plan obligations. The contributions placed in the trust will reduce the City's net pension liability for financial purposes as required by GAAP. As of June 30, 2019, the balances in the pension rate stabilization program trust for the General Fund and Enterprise Funds are listed as follow:

CITY OF SANTA CLARA
NOTES TO BASIC FINANCIAL STATEMENTS
For the year ended June 30, 2019

NOTE 18 – NET POSITION/FUND EQUITY (continued)

Fund Name	Pension Rate Stabilization Balances
General Fund:	\$ 16,381,504
Enterprise Funds:	
Electric Utility	4,329,866
Water Utility	140,672
Recycled Water	9,599
Sewer Utility	61,125
Solid Waste	20,094
	\$ 20,942,860

D. Net Position/Fund Balance Deficits

The funds listed below had an accumulated deficit as of June 30, 2019:

Fund Name	Accumulated Deficit
Enterprise Funds:	
Cemetery	\$ 3,892,827
Solid Waste	\$ 1,285,138
Santa Clara Golf and Tennis Club	\$ 3,394,401
Internal Service Funds:	
Special Liability Insurance Claims	\$ 1,620,103
Workers' Compensation Insurance Claims	\$ 16,116,241
Private Purpose Trust Fund:	
Successor Agency	\$ 3,725,445

The City's long term plans include construction of additional facilities that will help bring the Cemetery Enterprise Fund closer towards recovery. The Solid Waste deficit is mainly due to liabilities incurred for landfill postclosure care and is expected to be funded by charges for services in future years. The Santa Clara Golf and Tennis Club deficit is due to the lower revenues from the current year operation while the expenses remain the same as the previous fiscal year. The City closed the facility effective October 31, 2019 in order to facilitate the anticipated development of CityPlace. The Workers Compensation Insurance Claims' and Special Liability Insurance Claims' Internal Service Fund accumulated deficits are expected to be offset by future charges to the General Fund and the proprietary funds. The deficit in Successor Agency is due to the outstanding commitment to the City detailed in Note 21.

CITY OF SANTA CLARA
NOTES TO BASIC FINANCIAL STATEMENTS
For the year ended June 30, 2019

NOTE 19 – RISK MANAGEMENT

The City is exposed to various risks of losses related to torts, errors and omissions, general liability, injuries to employees and unemployment claims. The City currently reports all of its risk management activities in its Internal Service Funds. Claims, expenditures and liabilities are reported when it is probable that a loss has occurred, and the amount of that loss can be reasonably estimated using actuarial methods or other estimating techniques.

The City records a liability to reflect an actuarial estimate of ultimate uninsured losses for both general liability claims and workers' compensation claims. The estimated liabilities for general liability and workers' compensation claims are based on case reserves and include amounts for claims incurred but not reported (IBNR). At June 30, 2019, the estimated claims payable of \$26,732,000, consisting of reserves for both reported and IBNR losses, as well as, allocated loss adjustment expenses, have been recorded in the Special Liability and Workers' Compensation Internal Service Funds, respectively. The claims payable are reported at their present value using expected future investment yield assumptions of 2.5%, and the undiscounted claims at June 30, 2019, totaled \$7,185,000 and \$23,373,000 for general liability and workers' compensation claims, respectively.

The estimate of claims due in one year is the City's best estimate based upon available information which is included in accrued liabilities.

Changes in the reported liability since June 30, 2017 resulted from the following:

	Special Liability	Workers' Compensation	Total
Liability as of June 30, 2017	\$ 2,955,879	\$ 21,913,938	\$ 24,869,817
Claims and changes in estimates during fiscal 2018	8,394,396	3,997,788	12,392,184
Claim payments	<u>(5,890,962)</u>	<u>(4,632,672)</u>	<u>(10,523,634)</u>
Liability as of June 30, 2018	\$ 5,459,313	\$ 21,279,054	\$ 26,738,367
Claims and changes in estimates during fiscal 2019	6,722,200	3,451,601	10,173,801
Claim payments	<u>(5,446,513)</u>	<u>(4,733,655)</u>	<u>(10,180,168)</u>
Liability as of June 30, 2019	<u>\$ 6,735,000</u>	<u>\$ 19,997,000</u>	<u>\$ 26,732,000</u>
Current Claims Payable	\$ 3,704,250	\$ 2,999,550	\$ 6,703,800
Long Term Claims Payable	<u>3,030,750</u>	<u>16,997,450</u>	<u>20,028,200</u>
Liability as of June 30, 2019	<u>\$ 6,735,000</u>	<u>\$ 19,997,000</u>	<u>\$ 26,732,000</u>

With respect to the Special Liability accrual of \$6.7 million, the City has numerous unsettled lawsuits filed or claims asserted against it as of June 30, 2019. The City has reviewed these claims and lawsuits in order to evaluate the likelihood of an unfavorable outcome to the City and to arrive at an estimate of the amount or ranges of potential loss to the City. As a result of such review, the City has categorized the various claims and lawsuits as "probable," "reasonably possible," and "remote" loss contingencies, as defined by current accounting standards.

The City has determined that the City's probable loss contingencies, which are accrued for as the estimated liability for claims and lawsuits as of June 30, 2019, are approximately \$6.7 million. The final outcome of

CITY OF SANTA CLARA
NOTES TO BASIC FINANCIAL STATEMENTS
For the year ended June 30, 2019

NOTE 19 – RISK MANAGEMENT (continued)

claims and lawsuits, which have been categorized as reasonably possible loss contingencies, is not presently determinable and any associated potential loss cannot be estimated. Accordingly, no provision has been made in the accompanying basic financial statements relative to the potential outcome of such claims and lawsuits. However, the ultimate resolution of such claims and lawsuits is not expected to have a material effect on the accompanying basic financial statements.

NOTE 20 – COMMITMENTS AND CONTINGENCIES

A. Electricity Purchase Contracts

The City has future commitments under electricity purchase contracts as discussed in Note 17A, and is contingently liable under joint venture agreements discussed in Note 12B.

B. Grant Programs

Amounts received or receivable from grant agencies are subject to audit and adjustment by grantor agencies, principally the federal government. Any disallowed claims, including amounts already collected, may constitute a liability of the applicable funds. The amount, if any, of expenditures that may be disallowed by the grantor cannot be determined at this time, although the City expects such amounts, if any, to be immaterial.

C. Encumbrances

The City uses encumbrances to control expenditure commitments for the year and to enhance cash management. Encumbrances represent commitments related to contracts not yet performed and purchase orders not yet filled (executory contracts; and open purchase orders). Commitments for such expenditure of monies are encumbered to reserve a portion of applicable appropriations. Encumbrances still open at year end are not accounted for as expenditures and liabilities but, rather, as restricted or committed governmental fund balance. As of June 30, 2019, total governmental fund encumbrance balances for the City are as follows:

General Fund	\$	6,508,711
Santa Clara Housing Successor		53,817
Nonmajor Governmental Funds		<u>35,900,573</u>
Total Governmental Funds	\$	<u><u>42,463,101</u></u>

D. Bay Area Water Supply and Conservation Agency Revenue Bonds Surcharge

The City contracts with the City and County of San Francisco for the purchase of water from the Hetch Hetchy System operated by the San Francisco Public Utilities Commission (SFPUC). The City is also a member of the Bay Area Water Supply and Conservation Agency (BAWSCA) which represents the interests of all the 24 cities and water districts, as well as two private utilities, that purchase wholesale water from the SFPUC.

CITY OF SANTA CLARA
NOTES TO BASIC FINANCIAL STATEMENTS
For the year ended June 30, 2019

NOTE 20 – COMMITMENTS AND CONTINGENCIES (continued)

In 2009 the City entered into a new 25 year agreement with the SFPUC. One of the ways that the new agreement differs from the old is in how facilities constructed by the SFPUC that benefit the regional customers are treated from a rate and financial perspective. Under the old agreement, facilities were built, capitalized, and added to the rate base with a rate of return (interest), and then paid for over their useful lives through wholesale rates. Under the new agreement, the SFPUC issues revenue bonds and the debt service (which also includes an interest component) is paid for through rates over the life of the bonds.

During the transition from the old to the new contracts, one of the issues addressed was how to deal with the \$370 million in assets that were still being paid for by the wholesale customers under the old agreement. The assets were transferred to the new agreement, assigned a life with an agreed upon rate of return of 5.13%. Also negotiated was a provision to allow the wholesale customers to prepay any remaining existing assets' unpaid principal balance without penalty or premium. This prepayment was executed through the issuance of bonds by BAWSCA which provide a better interest rate given the favorable rate environment.

BAWSCA issued Revenue Bonds in the principal amount of \$335,780,000 in January 2013 to prepay the capital cost recovery payment obligation and fund a stabilization fund. The Bonds mature in October 2034 and are secured by surcharges to the monthly water purchase charges imposed upon the participating members. The Bonds are not a debt obligation of any member, and BAWSCA's failure to pay its Bonds would not constitute a default by any participating member.

Should any participating member fail to pay its share, BAWSCA will rely on the stabilization fund and will pursue all legal remedies to collect the shortfall from the delinquent member. In the interim, other participating members may have their portion adjusted to insure the continued payment of the debt service surcharge.

The risk of bearing the debt service expense of a defaulting member is not significantly different than the risk each member assumes currently for fluctuations in water purchase charges. Under the Bond indenture, BAWSCA maintains a stabilization fund. If surcharge revenues collected are less than needed (due to a member's failure to pay timely), BAWSCA uses the stabilization fund to fund the debt service deficiency, and increases the surcharge in the subsequent year to make up for the prior year shortfall and reimburse the stabilization fund account. Also, given that each participating agency's governing body adopted a Resolution to participate in the Bond issue, Management believes that default is generally very unlikely.

The annual debt service surcharges are a fixed amount for each participant and are calculated by taking the subsequent fiscal year's debt service, multiplied by each participant's actual water purchase as a percent of total wholesale customer water purchases from the prior fiscal year. One-twelfth of the annual surcharge is included in the monthly bill from SFPUC. Because each participant's share of the debt service surcharge is proportional to the amount of water purchased during the prior fiscal year, the City's share of the debt service will fluctuate from year to year.

The City paid its surcharge of \$515,328 during fiscal year 2018-19, which is included as a component of purchased water expenses in the Water Enterprise Fund. The surcharge for fiscal year 2019-20 is estimated to be \$263,712.

E. Santa Clara Stadium Authority – Stadium Facility Rent Arbitration

Based on the changes to the projected operating and debt service expenses, the provisions for a one-time rent adjustment as described in note 6 were triggered. At the Stadium Authority Board (Board) meeting held on

CITY OF SANTA CLARA
NOTES TO BASIC FINANCIAL STATEMENTS
For the year ended June 30, 2019

NOTE 20 – COMMITMENTS AND CONTINGENCIES (continued)

March 22, 2016, StadCo presented a financial model showing that a rent of \$20.25 million per year is sufficient, when combined with other Authority revenues, to cover debt service and operating expenses in each of the 40 years of the Stadium Lease. The Board decided not to adjust the rent, and instead passed a motion to pursue the informal dispute resolution procedures and to proceed to the arbitration process if necessary. Thereafter, on May 3, 2016, StadCo filed for arbitration with the Stadium Authority.

On June 18, 2018, the arbitrator entered an Interim Arbitration Award in favor of the Stadium Authority and against StadCo. This award adjusted the facility rent from \$24.5 million to \$24.76 million, an increase of \$262,000. This increase is retroactive to the first lease year resulting in a total amount owed of \$1.31 million for the first five lease years, through March 31, 2019. In addition to the adjustment to the facility rent, the Stadium Authority was entitled to reimbursement of its legal fees, determined by the arbitrator to be \$2.28 million. The lease also provides for a fair market rent adjustment in year 33.

F. Housing Successor Excess Surplus

Health and Safety Code (HSC) Section 34176.1(d) defines an excess surplus as an unencumbered balance held by the housing successor that exceeds the greater of \$1,000,000 or the aggregate amount deposited into the housing successor fund during the housing successor's preceding four fiscal years, whichever is greater. If a housing successor has an excess surplus, the HSC Section requires that the housing successor encumber the excess surplus for eligible purposes described in the HSC Section 34176.1(a)(3) or transfer the funds to another local housing successor within three fiscal years. If the housing successor fails to comply with this provision, the housing successor, within 90 days of the end of the third fiscal year, is required to transfer any excess surplus to the Department of Housing and Community Development for expenditure pursuant to the Multifamily Housing Program or the Joe Serna, Jr. Farmworker Housing Grant Program.

The City's housing successor activities are reported in the Santa Clara Housing Successor Special Revenue Fund and as of July 1, 2018, the fund had an excess surplus balance of \$1,392,193. In March 2019, the City approved a loan agreement in the amount of \$15.7 million that encumbered the excess surplus as of June 30, 2019. In May 2019, the City approved an additional loan agreement in the amount of \$5 million. Both loans are expected to be disbursed to the developers in the fiscal year 2019-20.

NOTE 21 – REDEVELOPMENT AGENCY DISSOLUTION AND SUCCESSOR AGENCY ACTIVITIES

A. Defeased Bonds

Bayshore North Project 2011 Tax Allocation Bonds

On May 11, 2011, the former RDA issued \$31.41 million of Bayshore North Project 2011 Tax Allocation Bonds (RDA 2011 Bonds) with an interest rate ranging from 2% to 7.86%, and a final maturity of 2026, to finance various redevelopment activities associated with the former RDA's Bayshore North Project Area. The 2011 Bonds were defeased on June 1, 2017.

CITY OF SANTA CLARA
NOTES TO BASIC FINANCIAL STATEMENTS
For the year ended June 30, 2019

NOTE 21 – REDEVELOPMENT AGENCY DISSOLUTION AND SUCCESSOR AGENCY ACTIVITIES (continued)

The following schedule summarizes the defeased 2011 Tax Allocation Bonds:

2011 Series	Principal Issued	Date Issued	Principal Defeased	Maturities Defeased	Redemption Date
Current Interest Bonds	\$ 11,440,000	May 18, 2011	\$ 11,315,000	June 1, 2026	June 1, 2021
Capital Appreciation Bonds	19,971,295	May 18, 2011	5,996,353	From June 1, 2017 to June 1, 2021	NA
			10,643,264	From June 1, 2022 to June 1, 2026	June 1, 2021
	<u>\$ 31,411,295</u>		<u>\$ 27,954,617</u>		

B. Enforceable Obligations

AB 1484 allows the following notes to be reestablished with the approval of the Oversight Board.

Franklin Mall Cooperation and Reimbursement Reentry Agreement

The City has made long-term advances to the former RDA. On May 18, 2012, the Oversight Board authorized the Successor Agency to reenter into the Loan Agreement with the City. On May 22, 2012, the agreement to reenter into a Loan Agreement was approved by the City and the Successor Agency. The outstanding commitment from the Successor Agency totaled \$2.40 million on June 30, 2019.

Agreement Reentering into Promissory Note to Facilitate Implementation of the Affordable Housing Program

The City has made long-term advances to the former RDA for implementation of the former RDA’s affordable housing program. On May 18, 2012, the Oversight Board authorized the Successor Agency to reenter into the Loan Agreement with the City. On May 22, 2012, the agreement reentering into a Loan Agreement was approved by the City and the Successor Agency. The outstanding commitment from the Successor Agency totaled \$1.96 million as of June 30, 2019.

NOTE 22 – SUCCESSOR AGENCY LEASE AGREEMENTS

On January 8, 2016 the City executed the Settlement Agreement for Sharma vs Successor Agency to Redevelopment Agency of the City of Santa Clara. This Settlement Agreement calls for the City to return to the Successor Agency certain properties that the former Redevelopment Agency transferred to the City prior to dissolution. The properties transferred are as follows: the Great America Theme Park Property (not including the parking lot, see Note 4B), the Hilton Hotel Property, the North/South Parking Lots, the Gateway Parcel 2 Property, the Hyatt Hotel Property (not including the ballroom, see Note 4B), the Techmart Property, and the Martinson Childcare Center Property. All the properties, other than the Martinson Childcare Center Property will be sold by the Successor Agency. Until the properties are sold the rent

CITY OF SANTA CLARA
NOTES TO BASIC FINANCIAL STATEMENTS
For the year ended June 30, 2019

NOTE 22 – SUCCESSOR AGENCY LEASE AGREEMENTS (continued)

revenues will be used to pay the Successor Agency's enforceable obligations. The Settlement Agreement requires the City to forego the long term lease revenues generated by the properties.

A. California's Great America Theme Park Ground Lease

In June 1985, the former RDA acquired the Great America Theme Park (Theme Park) and entered into a management agreement with Kings Entertainment Company (Kings) to manage the Theme Park operations. The former RDA also entered into a Ground Lease and Assets Option Agreement (Option Agreement) with Kings Great America, Inc. (KGA), a wholly owned subsidiary of Kings.

In June 1989, the former RDA sold the Theme Park operations to Kings pursuant to the Option Agreement, as amended. The sale was effective retroactive to January 1, 1989. In addition to the Theme Park buildings, rides and equipment, Kings purchased all other operating assets and assumed all operating liabilities of the Theme Park as of January 1, 1989. Concurrent with the sale of the Theme Park, the former RDA as lessor, entered into a Ground Lease with First Refusal Purchase Rights (Ground Lease) with Kings pursuant to the Option Agreement, as amended, to lease the real property used in the operations of the Theme Park.

In August 1992, the former RDA assigned the Ground Lease to Paramount Parks, Inc. (Paramount) concurrent with Paramount's purchase of the operating assets of Kings. Paramount assumed the Ground Lease with no amendments or modifications. For the duration of the Ground Lease, and for 3 years after its expiration or termination, Paramount has the right to match any bona fide offer to buy or lease all or a portion of the leased property if the leased property is sold or leased for use as a theme park.

On May 22, 2006, Paramount's parent companies entered into a Purchase Agreement with Cedar Fair, L.P. (Cedar Fair), pursuant to which Cedar Fair agreed to purchase all of the outstanding capital stock of Paramount. Cedar Fair assumed the Ground Lease with no amendments or modifications.

The initial term of the Ground Lease expired on December 31, 2009. The Ground Lease has an option to extend for 3 additional terms of ten (10) years each. Cedar Fair exercised the first ten (10) year renewal option by letter notification to the former RDA received in December 2007. The City and Cedar Fair entered into the Fourth Amendment to Ground Lease with First Refusal Purchase Rights on January 1, 2012. Pursuant to the Fourth Amendment, Cedar Fair has additional options to extend the lease term until 2074.

The base rent under the Ground Lease is \$5.3 million annually, payable in quarterly installments of \$1.325 million, plus additional rent equal to the sum of 5% of the annual gross revenues of the Theme Park in excess of \$56 million up to \$100 million plus 7.5% of the annual gross revenues in excess of \$100 million. Lease revenues collected from July 1, 2012 to June 30, 2018 in the amount of \$35,629,510 were passed on to the Successor Agency.

On March 26, 2019, the City Council approved a purchase and sale agreement and other necessary related to the sale of the Great America Theme Park parcels. The transfer of the property was settled on June 28, 2019.

For the fiscal year ended June 30, 2019, Cedar Fair paid base rent of \$5.2 million, additional rent of \$1,174,034, the rent received in FY2018-19 has been passed on to the Successor Agency.

CITY OF SANTA CLARA
NOTES TO BASIC FINANCIAL STATEMENTS
For the year ended June 30, 2019

NOTE 22 – SUCCESSOR AGENCY LEASE AGREEMENTS (continued)

B. Techmart Office Building Ground Lease

In May 1998, the former RDA entered into a long-term ground lease of the Techmart parcel with CarrAmerica. The lease has a 55 year term with options for two additional ten-year terms. The former RDA received \$1 million annual rent for each of the first ten years of the lease, which lease revenues were paid by the former RDA to the City pursuant to the First Amended Cooperation Agreement. Rent increases are scheduled as follows: 10% in the eleventh year and every five years thereafter during the initial term and 15% in the first and sixth year of each option term. Under the terms of the lease, CarrAmerica assumed responsibility for all taxes and assessments levied against the Techmart parcel and the Lessor’s interest in the ground lease is unsubordinated to any other financing. On July 13, 2006, CarrAmerica merged with Nantucket Acquisition, Inc., a wholly owned subsidiary of The Blackstone Group; the terms and conditions of the lease agreement remain in effect.

Lease revenues collected from July 1, 2012 to June 30, 2018 in the amount of \$7,280,167 were passed on to the Successor Agency. For the fiscal year ended June 30, 2019, Lessee paid rent of \$1,331,000.

The following schedule summarizes the future lease payments to be received from the Techmart lease agreement:

Fiscal Year	Amount
2020	\$ 1,331,000
2021	1,331,000
2022	1,331,000
2023	1,342,092
2024	1,464,100
Thereafter	55,117,846
Total	\$ 61,917,038

C. Hyatt Regency Hotel Ground Lease and Ballroom Lease

In April 1985, the former RDA entered into a long-term ground lease with SCCC Associates (Lessee) for the development of a certain portion of that piece of land – the Bayshore North Redevelopment Project Area, and eventual operation of a high quality hotel and related facilities, amenities and improvements including one of the Ballrooms in the Convention Center. The lease is for an initial term of 50 years. The Lessee has options to renew the lease for four additional periods of ten years each and one additional period of nine years. In 2005, SHC New Santa Clara, LLC, the successor-in-interest to SCCC Associates at that time, sold the interest to Hyatt Equities, LLC. In 2013, Hyatt Equities, LLC. sold its interest to Inland American Lodging Acquisitions, Inc.; the terms and conditions of the lease agreements remain in effect. Under the terms of the lease, the former RDA is entitled to receive a specified amount of minimum rent subject to adjustment at times specified in the lease. Lessee may also have an obligation for additional rent calculated as a predetermined percentage of the hotel gross revenues which exceed the amount specified in the lease.

The Settlement Agreement states that a portion of the ground lease payments from the Hyatt Hotel are derived from the Convention Center Ballroom space rental and are not related to the Hyatt Hotel ground lease. The Settlement Agreement states the City shall retain all revenues generated from the Ballroom

CITY OF SANTA CLARA

NOTE 22 – SUCCESSOR AGENCY LEASE AGREEMENTS (continued)

Agreement starting July 1, 2015. Lease revenues collected from July 1, 2012 to June 30, 2015 in the amount of \$921,270 were passed on to the Successor Agency. Additional information concerning the Ballroom Lease can be found in Note 4B.

Lease revenues collected from Hyatt from July 1, 2012 to June 30, 2018 in the amount of \$10,680,118 were passed on to the Successor Agency. For the fiscal year ended June 30, 2019, Lessee paid minimum rent of \$400,000 and \$1,712,828 in the additional rent.

The following schedule summarizes the approximate minimum future revenues to be received from this lease:

Fiscal Year	Ground Lease Amount
2020	\$ 400,000
2021	400,000
2022	400,000
2023	400,000
2024	400,000
Thereafter	4,333,333
Total	\$ 6,333,333

Required Supplementary Information

CITY OF SANTA CLARA REQUIRED SUPPLEMENTARY INFORMATION

This part of the City of Santa Clara's Comprehensive Annual Report provides detailed information to better understand the data presented within the financial statements and note disclosures.

SCHEDULE OF CHANGES IN THE NET PENSION LIABILITY AND RELATED RATIOS

Discloses the changes and components of the net pension liability and related ratios, including the pension plan's fiduciary net position as a percentage of the total pension liability, and the net pension liability as a percentage of covered payroll.

SCHEDULE OF PLAN CONTRIBUTIONS - PENSION PLAN

Contains information of the employer's contractually required contribution rates, contributions to the pension plan and related ratios.

SCHEDULE OF CHANGES IN THE NET OPEB LIABILITY AND RELATED RATIOS

Discloses the changes and components of the net OPEB liability and related ratios, including OPEB's Plan Trust Fund net position as a percentage of the total OPEB liability, and the net OPEB liability as a percentage of covered employee payroll.

SCHEDULE OF PLAN CONTRIBUTIONS - OPEB PLAN

Contains information of the employer's contractually required contribution rates, contributions to the OPEB Plan and related ratios.

SCHEDULE OF INVESTMENT RETURNS - OPEB PLAN TRUST FUND

Contains information for the money-weighted rate of return for the OPEB Plan Trust Fund.

SCHEDULE OF REVENUES, EXPENDITURES AND CHANGES IN FUND BALANCES - BUDGET AND ACTUAL

Presents the accompanying budget and actual comparison schedules in accordance with the budgetary process.

Covered payroll	\$ 75,515,390	\$ 71,285,526
Net pension liability as percentage of covered payroll	356.81%	371.95%

Notes to schedule:

(1) Fiscal year 2014-15 was the first year of implementation.

(2) During fiscal year 2017-18, as a result of GASB No. 75, Accounting and Financial Reporting for Postemployment Benefit Plans Other Than Pensions, CalPERS reported its proportionate share of activity related to postemployment benefits for participation in the State of California's agent OPEB plan. Accordingly, CalPERS recorded a one-time expense as a result of the adoption of GASB No. 75.

Additionally, CalPERS employees participate in various State of California agent pension plans and during fiscal year 2017-18, CalPERS recorded a correction to previously reported financial statements to properly reflect its proportionate share of activity related to pensions in accordance with GASB Statement No. 68, Accounting and Financial Reporting for Pension.

Changes in assumptions: In 2018, demographic assumptions and inflation rate were changed in accordance to the CalPERS Experience Study and Review of the Actuarial Assumptions December 2017. There were no changes in the discount rate. In 2017, the discount rate was reduced from 7.65% to 7.15%. In 2016, there were no changes. In 2015, amounts reported reflect an adjustment of the discount rate from 7.5% (net of administrative expense) to 7.65% (without a reduction for pension plan administrative expense). In 2014, amounts reported were based on the 7.5% discount rate.

CITY OF SANTA CLARA
NOTES TO REQUIRED SUPPLEMENTARY INFORMATION
June 30, 2019

NOTE 1 – REQUIRED SUPPLEMENTARY INFORMATION

A. BUDGETS AND BUDGETARY ACCOUNTING

The results of operations are presented in the budget and actual comparison statement in accordance with the budgetary process (budgetary basis) to provide a meaningful comparison with the budget.

The major differences between the budgetary basis actual and GAAP basis actual are as follows:

- Year-end encumbrances are recognized as the equivalent of expenditures in the budgetary basis financial statements, while encumbered amounts are not recognized as expenditures on the GAAP basis until the liability is incurred.
- Expenditures of prior year encumbrances are recognized on the GAAP basis in the current year, while on the budgetary basis prior year encumbrances were recognized in the prior year.
- Accrued liabilities and compensated absences are recognized on the GAAP basis, while the budgetary basis does not recognize accrued liabilities.
- Revenues considered susceptible to accrual on the GAAP basis are not recognized on the budgetary basis until received.
- Special item resulted from dissolution of the Agency are included in the City's GAAP basis financial statements. However, formal budgets are not prepared for non-cash transactions, and as such are excluded from the budgetary basis financial schedules.
- Increases to certain GAAP basis advances to other funds are treated as expenditures for budgetary basis financial statements.
- Component units and proprietary funds included in the City's basic financial statements, for which no annual budgets are prepared, are excluded from the budgetary basis financial statements.

Supplementary Information

CITY OF SANTA CLARA NON-MAJOR GOVERNMENTAL FUNDS

SPECIAL REVENUE FUNDS

GAS TAX

The fund accounts for revenues and expenditures received from the State under Street and Highways Codes Sections 2105 (Gas Tax 2105), 2106 (Collier-Unruh) and 2107 (Special Gas Tax) and from the State under the Road Repair and Accountability Act of 2017 under the Streets and Highways Code Section 2030. The allocations must be spent for street maintenance or construction and a limited amount for engineering.

HUD PROGRAMS

This fund accounts for grant funds received from other governmental agencies for the purpose of developing viable urban communities.

CITY AFFORDABLE HOUSING

This fund accounts for the City's Below Market Housing Program for low and moderate income residents.

SANTA CLARA HOUSING AUTHORITY FUND

On February 22, 2011, the Santa Clara Housing Authority (SCHA), a special revenue fund, was established to account for housing loans to assist in providing affordable housing. On March 8, 2011, the City, former RDA, and the SCHA executed an assignment and assumption agreement whereby the SCHA assumed responsibility for housing loans for qualifying individuals and groups. Loans assigned were made under various programs; substantially all are long-term in nature.

MAINTENANCE

This fund accounts for the maintenance of two Parking Districts located near the City's Convention Center and the downtown area. Funds are received by means of a Special Benefit Assessment levied against the property owners in the respective districts.

OPERATING GRANTS FUND

This fund accounts for grant funds received from other governmental agencies for various operating activities.

DEBT SERVICE FUNDS

PUBLIC FACILITIES FINANCING CORPORATION (PFFC)

This fund accumulates monies for the repayment of Certificates of Participation, which are financed by lease payments made by the City's General Fund to the PFFC for use of the Police Administration Building and Library sites.

CITY OF SANTA CLARA NON-MAJOR GOVERNMENTAL FUNDS (continued)

CAPITAL PROJECTS FUNDS

PARKS AND RECREATION FACILITIES

This fund was established to account for revenues, contributions and reimbursements received and costs incurred in connection with the acquisition and construction of the City parks.

STREETS AND HIGHWAYS IMPROVEMENT

This fund is used to account for revenues and expenditures related to road construction and traffic improvements.

STORM DRAIN IMPROVEMENT

This fund is used to account for revenues and expenditures related to the construction or modification of the City's storm drainage system.

FIRE DEPARTMENT IMPROVEMENT

This fund is used to account for revenues and expenditures related to the construction or modification of City fire stations.

LIBRARY DEPARTMENT IMPROVEMENT

This fund is used to account for revenues and expenditures related to the construction or modification of the City's library facilities.

PUBLIC FACILITIES

This fund is used to account for revenues and expenditures related to the construction, acquisition or modification of public improvements not accounted for in another Capital Projects Fund.

STREET BEAUTIFICATION

This fund is used to account for revenues and expenditures related to the landscaping of City streets.

SPECIAL ASSESSMENTS

Special Assessment District funds are used to finance public improvements deemed to benefit the properties against which special assessments are made.

<p style="text-align: center;">CITY OF SANTA CLARA NON-MAJOR ENTERPRISE FUNDS</p>
--

Non-Major Enterprise Funds are used to finance and account for operations and activities performed by designated departments in the City or through third party agreements.

SOLID WASTE FUND

This fund accounts for the administration of the City's garbage and rubbish collection service.

CEMETERY FUND

This fund accounts for the activities of the Mission City Memorial Park.

SANTA CLARA GOLF AND TENNIS CLUB FUND (SCG&TC)

The SCG&TC was established in 1984 to account for the operations of the City's Public Golf Course or through third party agreements.

SANTA CLARA CONVENTION CENTER FUND

The Santa Clara Convention Center Fund was established in 1984 to account for the operations of the City's Convention Center or through third party agreements.

SPORTS AND OPEN SPACE AUTHORITY FUND (SOSA)

SOSA was created by the City Council in 1974 for the acquisition and development of open space within the City and the development of local sports activities.

<p style="text-align: center;">CITY OF SANTA CLARA INTERNAL SERVICE FUNDS</p>
--

Internal Service Funds are used to finance and account for special activities and services performed by a designated department for other departments in the City on a cost reimbursement basis.

The concept of major funds does not extend to internal service funds because they do not do business with outside parties. For the Statement of Activities, the net revenues or expenses of each internal service fund are eliminated by netting them against the operations of the other City departments which generated them. The remaining balance sheet items are consolidated with these same funds in the Statement of Net Position.

However, internal service funds are still presented separately in the Fund financial statements, including the funds below.

AUTOMOTIVE SERVICES

This fund accounts for the maintenance and replacement of vehicles and equipment used by all City departments. The source of revenue for this fund is rental fees charged to the various departments.

TECHNICAL EQUIPMENT SERVICES

This fund accounts for the maintenance and replacement of communication and computer equipment used by City departments. The source of revenue for this fund is rental fees charged to the various departments.

SPECIAL LIABILITY INSURANCE CLAIMS

This fund was established to account for the cost of claims and administrative costs for the City's self-insured general liability program.

WORKERS' COMPENSATION INSURANCE CLAIMS

This fund is used to account for the cost of claims for service connected with injuries and illnesses sustained by members of the City's work force.

CITY OF SANTA CLARA COMBINING FIDUCIARY FUNDS
--

PRIVATE PURPOSE TRUST FUNDS

Private Purpose Trust Funds are used to report trust arrangements, other than pension and investment trusts, under which principal and income benefit individuals, private organizations, or other governments. The Private Purpose Trust Funds are described below:

CHARITABLE TRUST

This fund accounts for the various gifts, donations and bequests received by the City.

SUCCESSOR AGENCY

California State laws ABx1 26 and AB 1484 provided for the dissolution of California Redevelopment Agencies effective January 31, 2012 and the transfer of all non-housing Agency assets to the Successor Agency Redevelopment Obligation Retirement Fund.

AGENCY FUNDS

Agency Funds are presented separately from the Government-wide and Fund financial statements.

Agency Funds account for assets held by the City as an agent for individuals, governmental entities, and non-public organizations. These funds include the following:

EMPLOYEE BENEFIT AND LIABILITY CLEARING

This fund is used to account for monies collected and disbursed related to employees dental and other fringe benefits.

SPECIAL ASSESSMENTS

This fund accounts for monies collected and disbursed from special assessment districts where the City is not obligated for the outstanding debt payments.

DEPOSITS

This fund accounts for various deposits including leases and subpoenas.

2018 / 19	1.0388%	0.0905%	0.0042%	1.1335%

Tax rate limit: A state constitutional amendment (Proposition 13) commencing with fiscal 1979 provided that the tax rate was limited to 1% of full cash value, levied only by the County and shared with all other jurisdictions. All jurisdictions may levy a tax rate for voter approved debt.

Due date for current taxes: First installment - November 1; second installment - February 1.

Penalties for delinquency: 10% and 1.5% of tax per month after date taxes become delinquent.

Collected by government unit: County of Santa Clara.

Basis upon which collections are distributed: Taxing jurisdictions assessed valuations and tax rates for voter approved debt to taxing jurisdictions, County rate (1% of full cash value) shared by all jurisdictions.

Compensation paid to collecting government unit for fiscal year 2018-19 is \$355,617

Note: Tax rates stated are the rates applicable to the tax rate area 7-000 as typical tax rate area within the City. Rates are based on \$100 assessed valuation.

Notes:

(1) With the State dissolving all RDAs on 02/01/2012, the structure of Tax Increment Revenue has changed. Starting in fiscal year 2012-13, the County's property tax distribution to the Successor Agency was changed to the Redevelopment Property Tax Trust Fund (RP TTF). The RP TTF reported in this table is the amount calculated by the County Auditor-Controller. Under the provisions of the laws dissolving the Redevelopment Agency, the Successor Agency only receives the funds necessary to fulfill its approved obligations.

(2) On June 28, 2012, AB 1484 became law which made a number of significant changes to ABX126. In particular, the new Health and Safety Code Section 34183.5 required the Santa Clara County Auditor-Controller to conduct a "true-up" of the June 1, 2012 distribution from the RP TTF for each former RDA. In accordance with the new law, the Successor Agency was required to make a "true-up" payment of \$378,540.37 by July 12, 2012.
