

RESOLUTION NO. 22-9149

**A RESOLUTION OF THE CITY OF SANTA CLARA, CALIFORNIA
AUTHORIZING THE USE OF CITY ELECTRIC FORCES
PURSUANT TO CHARTER SECTION 1310**

BE IT RESOLVED BY THE CITY OF SANTA CLARA AS FOLLOWS:

WHEREAS, the City of Santa Clara's Charter section 1310 requires all contracts involving an expenditure of over \$1,000 for the construction or improvement (excluding maintenance and repair) of a public works project to be let to the lowest responsible bidder;

WHEREAS, Charter section 1310 permits the City to use its own employees if the City Council, by motion passed by at least four affirmative votes, determines that the public works may be done better or more economically by the City's own employees, and, upon such determination, the City may proceed to have the public works project completed without further observance of Charter section 1310; and,

WHEREAS, the City's Electric Department desires to perform certain public works, as set forth in the Report to Council, dated November 1, 2022, by its own employees.

NOW THEREFORE, BE IT FURTHER RESOLVED BY THE CITY OF SANTA CLARA AS FOLLOWS:

REPORT TO COUNCIL

SUBJECT

Action on a Resolution Authorizing the Use of City Electric Forces at Various Locations

COUNCIL PILLAR

Deliver and Enhance High Quality Efficient Services and Infrastructure

BACKGROUND

Charter Section 1310 titled Contracts on Public Works states, in part, "that every contract involving an expenditure of more than one thousand dollars (\$1,000) for the construction or improvement (excluding maintenance and repair) of public buildings, works, streets, drains, sewers, utilities, parks and playgrounds shall be let to the lowest responsible bidder." The section further states that "the City Council may declare and determine that, in its opinion, the work in question may be performed better or more economically by the City with its own employees, and after the adoption of a resolution to this effect by at least four affirmative votes, it may proceed to have said work done in the manner stated, without further observance of the provisions of this section."

DISCUSSION

Staff believes that the work described below is best and most efficiently performed with City forces based upon the following factors: (1) the work is limited in size and scope; (2) City forces have knowledge and training in operating and maintaining the electric system that can be leveraged to more economically perform this work; and (3) bidding out the work and contracting with a private entity would not likely result in a lower overall cost or time savings. Therefore, staff recommends that the City Council make a finding that City forces can better perform the installation of the following electric facilities and approve the use of City forces.

ENVIRONMENTAL REVIEW

Staff recommends that the City Council determine that the actions being considered are exempt from the California Environmental Quality Act ("CEQA") pursuant to CEQA Guidelines sections (1) 15302 (c) (Class 2 - Replacement or Reconstruction) as the proposed work involves the replacement or reconstruction of existing utility systems and/or facilities involving negligible expansion of capacity, and (2) 15303(Class 3 - New Construction or Conversion of Small Structures) as the proposed work involves the construction of a limited number of small electric utility facilities.

FISCAL IMPACT

The funds to support the staff time for work performed by SVP and related construction materials for the work detailed in this report, totaling \$384,137 are included in the Fiscal Year 2022/23 Capital Budget, as indicated by each project appropriation. Of that amount, \$339,141 is in New Business Estimate Work, \$40,475 is in Distribution Capital Maintenance and Betterments in the Electric Utility Capital Fund, and \$4,521 is in Miscellaneous Street Lighting in the Street Lighting Capital Fund. All referenced work will be performed with City Electric Forces (SVP staff). Some work associated with encroachment permits may be performed by the Department of Public Works (DPW). DPW costs are recovered through payment of permit fees.

COORDINATION

This report has been coordinated with the Finance Department and City Attorney's Office.

PUBLIC CONTACT

Public contact was made by posting the Council agenda on the City's official-notice bulletin board outside City Hall Council Chambers. A complete agenda packet is available on the City's website and in the City Clerk's Office at least 72 hours prior to a Regular Meeting and 24 hours prior to a Special Meeting. A hard copy of any agenda report may be requested by contacting the City Clerk's Office at (408) 615-2220, email clerk@santaclaraca.gov or at the public information desk at any City of Santa Clara public library.

RECOMMENDATION

Determine the proposed actions are exempt from CEQA and adopt a Resolution authorizing the use of City Electric Forces for work detailed in this report located at 2590 Walsh Avenue, Agnew Road and Bassett Street, 3595 MacGregor Lane, 3050 Tasman Drive, 909 Kiely Boulevard, 1834 Worthington Circle, 3379 - 3425 El Camino Real, 2378 Lass Drive, 2760 Homestead Road, and 3401

De La Cruz Boulevard.
