Dear Santa Clara City Clerk Santa Clara City Clerk,

I would like my comment read into the record in regards to agenda item #1B at the Council meeting scheduled for 8/30/22. I'm concerned that the ongoing litigation could put an end to concerts and other live events at the Stadium and hurt our local economy, and I urge you to support the settlement up for consideration to prevent concerts or even the World Cup from leaving Santa Clara behind.

Regards,
