Please consider placing on the 2022 ballot, the following: 1) Raise city council member annual salary to at least \$80,000, with commensurate benefits and COLA adjustments. The Mayor's salary will be set at least 20% higher than individual members. The employment status of all shall change from part time to full time. 2) Using money from the general fund, the City will match all campaign donations from residents and Santa Clara-based businesses, dollar for dollar, up to a maximum amount determined by city council vote. Furthermore, candidates limiting their budgets to that maximum amount approved by City Council earn the privilege to be named in the ballot as having agreed to spend no more than 'X' dollars in their campaigns.
