## ARTICLE 4

## DEFAULTS, REMEDIES AND TERMINATION

### Section 4.1 Defaults - General

a. Except as provided in Section 5.4, failure by either Party to perform any material obligation set forth in any term or provision of this Agreement constitutes a default under this Agreement. The Defaulting Party must immediately commence to cure, correct or remedy such failure or delay and shall complete such cure, correction or remedy with reasonable diligence.

b. The Non-Defaulting Party shall give written notice of default to the

Defaulting Party, specifying the default. Failure or delay in giving such notice shall not constitute a waiver of any default, nor shall it change the time of default. Except as otherwise expressly provided in this Agreement, any failures or delays by either party in asserting any of its rights and remedies as to any default shall not operate as a waiver of any default or of any such rights or remedies. Delays by either party in asserting any of its rights and remedies shall not deprive either party of its right to institute and maintain any actions or proceedings which it may deem necessary to protect, assert or enforce any such rights or remedies.

c. If the default is reasonably capable of being cured within thirty (30) days of notice, as set forth in Section 4.1(b), the Defaulting Party shall have such period to effect a cure prior to exercise of remedies by the Non-Defaulting Party. If the default is such that it is not reasonably capable of being cured within thirty (30) days, and the Defaulting Party (1) initiates corrective action within said period, and (2) diligently, continually, and in good faith works to effect a cure as soon as possible, then the Defaulting Party shall have such additional time as is reasonably necessary to cure the default prior to exercise of any remedies by the Non-Defaulting Party. In no event shall the Non-Defaulting party be precluded from exercising remedies if its rights become or are about to become materially jeopardized by any failure to cure a default or the default is not cured within ninety (90) days after the first notice of default is given.

#### Section 4.2 Institution of Legal Actions

Subject to the notice and cure provisions of Section 4.1, in addition to any other rights or remedies (and except as otherwise provided in this Agreement), either Party may institute legal action to cure, correct or remedy any material default, to recover damages for any material default, or to obtain any other remedy for a material default consistent with the purpose of this Agreement. Such legal actions must be instituted in the Superior Court of the County of Santa Clara, State of California or in the United States District Court for the Northern District of California.

#### Section 4.3 Applicable Law

The laws of the State of California shall govern this Agreement.

#### Section 4.4 Acceptance of Service of Process

a. In the event that any legal action is commenced by the Developer against the City, service of process on the City shall be made by personal service upon the City Clerk or in such other manner as may be provided by law.

b. In the event that any legal action is commenced by the City against the Developer, service of process on the Developer shall be made by personal service upon the Developer (or upon an officer of the Developer), or in such manner as may be provided by law.

#### Section 4.5 Rights and Remedies Are Cumulative

Except with respect to rights and remedies expressly declared to be exclusive in this Agreement, the rights and remedies of the parties are cumulative, and the exercise by either Party of one or more of such rights or remedies shall not preclude the exercise by it, at the same or different times, of any other rights or remedies for the same default or any other default by the other Party.

#### Section 4.6 Damages

If either Party materially defaults with regard to any of the provisions of this Agreement, subject to the notice and cure provisions of Section 4.1, the Defaulting Party shall be liable to the Non-Defaulting party for any damages caused by such default, and the Non-Defaulting party may, after such notice and opportunity to cure (but not before) commence an action for damages against the Defaulting Party with respect to such default.

#### Section 4.7 Specific Performance

If either Party materially defaults with regard to any of the provisions of this Agreement, subject to the notice and cure provisions of Section 4.1, the Non-Defaulting party, at its option, may, after such notice and opportunity to cure (but not before) commence an action for specific performance of the terms of this Agreement pertaining to such default.

#### Section 4.8 Termination by Either Party; Term of this Agreement

Either Party shall have the right to terminate this Agreement in the event the other party is in Default of any material term or provision of this Agreement, and, following notice, fails to cure such default within the time provided in Section 4.1.

Notwithstanding any provision herein to the contrary, this Agreement shall terminate and be of no further force or effect upon the City's issuance of permanent certificate(s) of occupancy for the Project, it being the intent of the parties that the Agreement Containing Covenants and Restrictions shall thereafter constitute the sole affordable housing obligations owed by Developer in favor of the City with respect to the Project.

### ARTICLE 5 GENERAL PROVISIONS

#### Section 5.1 Notices, Demands and Communications between the Parties

Formal notices demands and communications between the City or the Developer shall be sufficiently given if dispatched by registered or certified mail, postage prepaid, return receipt requested, to the principal offices of the City or the Developer, as

designated in Sections 1.2 and 1.3 hereof. Such written notices demands and communications may be sent in the same manner to such other addresses as either Party may from time to time designate by mail as provided in this Section 5.1.

#### Section 5.2 Conflicts of Interest

Developer certifies that to the best of its knowledge, no City officer, employee or authorized representative has any financial interest in the business of Developer and that no person associated with Developer has any interest, direct or indirect, which could conflict with the faithful performance of this Agreement. Developer is familiar with the provisions of California Government Code section 87100 and certifies that it does not know of any facts which would violate these code provisions. Developer will advise City if a conflict arises.

#### Section 5.3 Nonliability of City Officials and Employees

No member, official, employee or consultant of the City shall be personally liable to the Developer or any successor in interest, in the event of any default or breach by the City or for any amount which may become due to the Developer or to its successor, or on any obligations under the terms of this Agreement.

#### Section 5.4 Force Majeure: Extension of Time of Performance

In addition to specific provisions of this Agreement, performance by either Party hereunder shall not be deemed to be in default where delays or defaults are due to war, insurrection, strikes, lock-outs, riots, floods, earthquakes, fires, casualties, Acts of God, acts of the public enemy, epidemics, quarantine restrictions, freight embargoes, lack of transportation, governmental restrictions or priority, third party litigation, unusually severe weather, inability to secure necessary labor, materials or tools, delays of any contractor, subcontractor or supplies, acts of the other party, acts or failure to act of the City or any other public or governmental agency or entity (except that an act or failure to act of the City shall not excuse performance by the City) or any other causes beyond the control or without the fault of the party claiming an extension of time to perform. An extension of time for any such cause (a "**Force Majeure Delay**") shall be for the period of the enforced delay and shall commence to run from the time of the commencement of the cause, if notice by the party claiming such extension is sent to the other party within thirty (30) days of knowledge of the commencement of the cause. Notwithstanding the foregoing, none of the foregoing events shall constitute a Force Majeure Delay unless and until the party claiming such delay and interference delivers to the other party written notice describing the event, its cause, when and how such party obtained knowledge, the date the event commenced, and the estimated delay resulting therefrom. Times of performance under this Agreement may also be extended in writing by the City and the Developer.

#### Section 5.5 Approvals

Approvals required of the City or the Developer shall not be unreasonably withheld.

#### Section 5.6 Compliance with Laws

Developer shall comply with all applicable laws and regulations of the federal, state and local government, including but not limited to “The Code of the City of Santa Clara, California” (“**SCCC**”). In particular, Developer’s attention is called to the regulations regarding Campaign Contributions (SCCC Chapter 2.130), Lobbying (SCCC Chapter 2.155), Minimum Wage (SCCC Chapter 3.20), Business Tax Certificate (SCCC section 3.40.060), and Food and Beverage Service Worker Retention (SCCC Chapter 9.60), as such Chapters or Sections may be amended from time to time or renumbered. Additionally, Developer has read and agrees to comply with City’s Ethical Standards (<http://santaclaraca.gov/home/showdocument?id=58299>).

#### Section 5.7 Hold Harmless/Indemnification

a. To the extent permitted by law, Developer agrees to protect, defend, hold harmless and indemnify City, its City Council, commissions, officers, employees, volunteers and agents from and against any claim, injury, liability, loss, cost, and/or expense or damage, including all costs and attorney’s fees in providing a defense to any such claim or other action, and whether sounding in law, contract, tort, or equity, in any manner arising from, or alleged to arise in whole or in part from, or in any way connected with the Services performed by Developer pursuant to this Agreement – including claims of any kind by Developer’s employees or persons contracting with Developer to perform any portion of the Scope of Services – and shall expressly include passive or active negligence by City connected with the Services. However, the obligation to indemnify shall not apply if such liability is ultimately adjudicated to have arisen through the sole active negligence or sole willful misconduct of City; the obligation to defend is not similarly limited.

b. Developer’s obligation to protect, defend, indemnify, and hold harmless in full City and City’s employees, shall specifically extend to any and all employment-related claims of any type brought by employees, contractors, subcontractors or other agents of Developer, against City (either alone, or jointly with Developer), regardless of venue/jurisdiction in which the claim is brought and the manner of relief sought.

### ARTICLE 6 ENTIRE AGREEMENT, WAIVERS, AMENDMENTS, AND CEQA

#### Section 6.1 Counterparts

This Agreement may be executed in duplicate originals each of which is deemed to be an original. This Agreement includes twelve (12) pages and three (3) attachments, including all exhibits appended to such attachments, which constitute the entire understanding and agreement of the Parties.

#### Section 6.2 Integration

This Agreement integrates all of the terms and conditions mentioned herein or incidental hereto, and supersedes all negotiations or previous agreements between the parties with respect to all or any part of the Site.

### Section 6.3 Waivers

All waivers of the provisions of this Agreement must be in writing and signed by the appropriate authorities of the City or the Developer, and all amendments hereto must be in writing and signed by the appropriate authorities of the City and the Developer. This Agreement and any provisions hereof may be amended by mutual written agreement by the Developer and the City.

### Section 6.4 Mortgagee Protection

No breach of this Agreement shall defeat or render invalid the lien of any deed of trust or mortgage recorded against the Developer's Site. No lender taking title to the Site through foreclosure or deed in-lieu of foreclosure shall be liable for any defaults or monetary obligations of Developer arising prior to acquisition of possession of such property by such lender. Any lender who has recorded a deed of trust or mortgage against the Site shall have the right, but not the obligation, during the same period available to Developer to cure or remedy, or to commence to cure or remedy, the condition of default claimed or the areas of noncompliance set forth in City's notice. No lender who takes title to the Site through foreclosure or deed in-lieu of foreclosure shall be obligated to construct or continue with construction of the Project on the Site.

### Section 6.5 Execution and Effective Date

The Parties acknowledge and accept the terms and conditions of this Agreement as evidenced by the following signatures of their duly authorized representatives. The Effective Date is the date that the final signatory executes the Agreement. It is the intent of the Parties that this Agreement shall become operative on the Effective Date.

### Section 6.6 California Environmental Quality Act Compliance

The parties acknowledge that the endorsement of this agreement does not commit the City to approving any particular project in the future. The parties further acknowledge that this MOU does not foreclose the possibility of the City considering alternatives to any specific proposal, potential mitigation measures, or future decisions to disapprove any particular project proposal until after conducting and completing appropriate environmental review under the California Environmental Quality Act ("CEQA"). The parties will not take any discretionary actions committing the City to a particular course of action with respect to any proposed project until the City, in its capacity as a lead or responsible agency, has considered environmental documentation required by CEQA and adopted appropriate CEQA findings.

Section 6.7 Restatement of the Existing Agreement

This Agreement restates in its entirety the Existing Agreement. Notwithstanding anything to the contrary set forth herein, if the Related Inclusionary Conditions have not been satisfied on or before May 1, 2023, which date may be extended by the mutual agreement of the City and Developer, in each of their sole and absolute discretion, this Agreement shall terminate and the Existing Agreement shall be reinstated.

Parcel 24**

The project site is 0.99 acres located at 2302 Calle Del Mundo (APN# 097-46-024) in Santa Clara within the Center District of the adopted Tasman East Specific Plan. The proposed project consists of 150 affordable apartment units with approximately 86,520 rentable square feet and approximately 5,000 square feet of general retail.

The proposed project consists of a mix of studios, 1-bedroom, 2-bedroom, and 3-bedroom units ranging in size from approximately 420 square feet to 1,207 square feet. The affordability levels would be restricted in accordance with this Agreement. The site is conveniently located two blocks north of the Tasman VTA light rail stop, and within close proximity to other public transit options.

The site is bound to the north by Calle Del Mundo and to the east by the proposed Calle Del Sol extension. A public park is proposed immediately north of the site. Furthermore, the southern boundary of the site will include a 20' greenway that will connect to the broader Tasman East district area.

The residential units will be constructed in a 5-story Type IIIA wood-frame building above two floors of Type IA structured parking that is at-grade. The site design incorporates landscaped entryways at the retail corners, activating sidewalks and providing a retail streetscape experience with outdoor seating areas. The building design will complement the high-density transit-oriented urban environment envisioned for the Tasman East area, built with high quality materials and finishes. The building exterior includes various massing and design elements incorporated in the project's façade and architecturally addresses its primary street frontage on Calle Del Mundo.

The project aims to promote a healthy, resilient community, through reduction of on-site resource usage, drought tolerate landscape approaches, storm water solutions, shaded open spaces, onsite electrical vehicle charging stations and green building strategies. Common area amenities include a courtyard and outdoor terraces, barbecue and lounge areas, a fitness center, lobby and clubroom.

- b. Affordability Covenants. (1) Units Generally.

All the rental Units at Project that shall be designated as Affordable Housing Units and shall be occupied or held available for occupancy by Income-Qualified Households on a continuous basis for the Affordability Period.

(2) Affordable Housing Unit Rents

- (a) Developer agrees it shall not charge or collect from any tenant of an Affordable Housing Unit a monthly amount in exchange for occupancy of the Affordable Housing Unit that exceeds the Affordable Housing Cost applicable to the Affordable Housing Unit. Notwithstanding the foregoing, nothing in this Agreement prohibits Developer from charging tenants of any Affordable Housing Unit any fees or charges which are for services or items that the tenant of the Unit voluntarily signs up for and which are available to all tenants at the Project, and the amount of such fees will be in addition to the applicable Affordable Housing Cost.
- (b) For so long as the Project are encumbered by a Tax Credit and/or Tax-Exempt Bond low-income regulatory agreement, Affordable Housing Cost for the Affordable Housing Units and all rent increases thereafter shall be charged strictly in accordance with the rent schedules published by CTCAC, and the Developer shall provide the City with notice annually of the then-applicable Affordable Housing Cost levels. At any time this Agreement is the sole encumbrance recorded against title to the Improvements setting forth rent and income restrictions for the Affordable Housing Units, the Affordable Housing Cost for the Affordable Housing Units shall be based upon schedules issued from time to time by HUD and modified and published by HCD. At any time this Agreement is the sole encumbrance recorded against title to the Project setting forth rent and income restrictions for the Affordable Housing Units, upon request, City shall notify the Developer of the applicable area rents based on number of bedrooms.
- (c) At any time this Agreement is the sole encumbrance recorded against title to the Project setting forth rent and income restrictions for the Affordable Housing Units rent increases, which may occur not more frequently than annually, shall not exceed the annual increase, if any, in Area Median Income, and Affordable Housing Cost for the Affordable Housing Units exceed the amount derived by the Affordable Housing formula set forth in this Agreement. The City shall receive a copy of all rent increase notices for the designated Affordable Housing Units at least 30 days prior to the new rents taking effect. Rent increases may only be implemented in compliance with applicable law.

(3) Income Qualification of Affordable Housing Unit Tenants

- (a) Developer shall establish and maintain a file for each tenant residing in an Affordable Housing Unit including, at minimum, documents identified below. Developer shall make a good faith effort to verify that the income provided by an applicant in an income certification is accurate.
- (b) For so long as the Project is encumbered by a Tax Credit and/or Tax-Exempt Bond low-income regulatory agreement, determination of income of each Affordable Housing Unit tenant shall be determined and certified strictly in accordance with the requirements of CTCAC. At any time this Agreement is the sole encumbrance recorded against title to the Improvements setting forth rent and income restrictions for the Affordable Housing Units, the income of each Affordable Housing Unit tenant must be determined and certified prior to occupancy of that unit, using the definition of Annual Income established by the California Department of Housing and Community Development, and the Developer may certify initial income qualification using one of the following two source documentation methods:
  - (i) Obtain a written statement from the administrator of a government program under which the household receives benefits and which examines each year the annual income of the household; or
  - (ii) Examine the source documents evidencing annual income for the household. Developer shall use good faith efforts to obtain all applicable source documents to include in the tenant's file: Pay stub for the most recent pay period; Income tax return for the most recent tax year; Income verification form from the applicant's current employer; Income verification form from the Social Security Administration and/or the California Department of Social Services if the applicant receives assistance from either of those agencies; and, any statement documenting unearned income received by the household.
- (c) For so long as the Project is encumbered by a Tax Credit and/or Tax-Exempt Bond low-income regulatory agreement, income of each Affordable Housing Unit tenant shall be determined and certified strictly in accordance with the requirements of CTCAC. At any time this Agreement is the sole encumbrance recorded against title to the Improvements setting forth rent and income restrictions for the Affordable Housing Units, annually, Developer shall determine the income of all tenants residing in an Affordable Housing Unit and Developer may choose to use either of the two methods described above or may obtain from the household a written statement of the amount of the households income and family size along with a signed certification by the tenant that the information is complete and accurate. The certification must state that the household will provide source documentation upon request.

- (d) For so long as the Project is encumbered by a Tax Credit and/or Tax-Exempt Bond low-income regulatory agreement, income limits for Affordable Housing Unit tenant shall be determined and certified strictly in accordance with the requirements of CTCAC. At any time this Agreement is the sole encumbrance recorded against title to the Improvements setting forth rent and income restrictions for the Affordable Housing Units, income limits, adjusted for household size, will be based off of the Area Median Income for Santa Clara County, which is published periodically by HCD and, upon request, City shall notify the Developer of the applicable area median income limits.

(4) Over-Income Tenants in Affordable Housing Units

- (a) For so long as the Project is encumbered by a Tax Credit and/or Tax-Exempt Bond low-income regulatory agreement, determination of over-income tenants and rent charged to such over-income tenants shall be determined and certified strictly in accordance with the requirements of CTCAC, and no resident that occupies a unit subject to a regulatory agreement with respect to the Tax Credits, shall be evicted as a result of such resident being over income except as and when allowed by Federal law, including 26 U.S.C. §42. At any time this Agreement is the sole encumbrance recorded against title to the Improvements setting forth rent and income restrictions for the Affordable Housing Units, subsections (b) and (c) below shall apply.
- (b) Any Affordable Housing Unit tenant whose income no longer qualifies for the Affordable Housing Unit at their current Monthly Rent may continue to reside in the Unit. However, subject to Section 4(b), they must pay rent at the lesser of:
  - i. Thirty percent (30%) of the household annual income, divided by twelve (12), less the Utility Allowance; or
  - ii. The current market rent being charged in a comparable unit not subject to this Agreement.
- (c) Affordable Housing Units occupied by tenants whose income no longer qualifies as an Income-Qualified Household are considered in temporary “non-compliance” with this Agreement. To bring the Affordable Housing Unit back into compliance, the Developer must:
  - (i) Rent the next vacant Unit of the same size (i.e.: 2-bedroom) to an Income Qualified Household for a BMR Unit whose Annual Income would qualify them for the “non-compliant” Affordable Housing Unit at the original level of affordability (i.e., Very Low-Income, Low-Income, Median-Income or Moderate-Income) as the “non-compliant” Affordable Housing Unit (however, using the then current Area Median Income as adjusted for family size). Such Unit replaces the “non-compliant” Affordable Housing Unit; and

- (ii) Re-designate the original Affordable Housing Unit that was in non-compliance as a market rate unit in Project. The tenants may be charged rents comparable to existing market rate units in the Project.
- c) Subject to the provisions of Section 1(b) above, Developer shall maintain a distribution of the affordable housing units in Exhibit B.

(5) Waiting List for Affordable Housing Units

- (a) Developer shall maintain a written Waiting List of households that have contacted Developer and expressed an interest in an Affordable Housing Unit. That list shall include appropriate contact information for notifying the interested households when a vacancy in an Affordable Housing Unit occurs. Names on the Waiting List will be listed in order of the date of receipt of notice of interest and contact information from the prospective applicant. This Waiting List will be kept in Developer's offices and shall be available for City review with reasonable notice.
- (b) Subject to Developer's use and application of its customary leasing criteria that is applied to all tenants at the Project (including, without limitation, credit checks, references, etc.), Developer shall select new tenants for the Affordable Housing Units in chronological order (oldest listing first). Developer shall provide evidence of attempts to contact households on the Waiting List.

(6) Lease Provisions

- (a) Tenants in the Affordable Housing Units shall be subject to the same lease document and requirements of tenants in the market rate units, with the exception of those additional stipulations described below. A copy of the Project's standard lease form(s) shall be provided to the City prior to initial occupancy and within thirty (30) days of any changes.
- (b) The lease shall not contain any terms prohibited by applicable law.
- (c) Each lease or rental agreement shall provide that the Developer will not discriminate on the basis of race, creed, color, sex, national origin, ancestry, religion, marital status, disability or receipt of public assistance or housing assistance, or any other characteristic protected by law in connection with the rental of a Unit in Project, or in connection with the employment or application for employment of persons for operation and management of Project, and all contracts, applications and leases entered into for such purposes shall contain similar non-discrimination clauses to such effect.
- (d) The Developer shall not require rental deposits in excess of one-month's rent for any Affordable Housing Unit, but may require refundable deposits

for pet damages, and keys, and similar items, consistent with applicable laws.

- (e) The Developer shall include provisions in leases or rental agreements for all Affordable Housing Units which authorize the Developer to immediately terminate the tenancy of any tenant occupying an Affordable Housing Unit where one or more of such tenants have misrepresented any fact material to the qualification of such an individual or household as an Income-Qualified Household, including, but not limited to, persons 18 years of age and older that reside in the household that are not listed on the lease. Each lease or rental agreement for an Affordable Housing Unit shall also provide that the tenants of such Affordable Housing Unit shall be subject to annual certification or re-certification of income, as required by the City, and shall be subject to rental increases in accordance with this Agreement.
- (f) The provisions relating to certification and re-certification of income in the form of lease or rental agreement used by the Developer for the lease or rental of the Affordable Housing Units shall be subject to prior review and approval by the City, the approval of which shall not be unreasonably withheld or delayed.

(7) Initial Leasing, Marketing and Tenant Selection Procedures.

- (a) No later than ninety (90) days prior to the start of accepting applicants, Developer or an Affiliate approved by City of Santa Clara shall prepare and submit to the City for reasonable approval a marketing and outreach program for the Affordable Housing Units ("Marketing") which shall contain, among other things: (i) how a potential Income-Qualified Household would apply to rent an Affordable Housing Unit in the Project, including where to apply, applicable income limits and rent levels; (ii) a description of procedures and media Developer will use to publicize vacancies in Project, including notice in newspapers of general circulation, at least one of which shall be a foreign language newspaper; (iii) provide monthly leasing reports until all one hundred forty nine (149) Affordable Housing Units have been leased up and occupied, and (iv) mailing notices of vacancies to or contacting by telephone potential tenants on the Waiting List maintained by Developer. Marketing of the Affordable Housing Units shall be done through outreach that affirmatively furthers fair housing in accordance with all federal and State fair housing laws.
- (b) A copy of Developer's standard tenant selection procedure, applicable to all Units in Project, shall be provided to the City prior to initial occupancy and within thirty (30) days of any changes. Any special procedures related to tenant selection for an Affordable Housing Unit shall be specified and are limited to procedures reasonably related to implementation of the

requirements of this Agreement and in compliance with State Fair Housing regulations

- (c) Developer must give prompt, written notice to any rejected applicant for an Affordable Housing Unit, specifying the grounds for rejection.
- (d) Operating Covenant Agreement. The Developer covenants and agrees to operate Project in conformity with all applicable laws, rules, regulations and ordinances, including without limitation, all applicable federal and state labor standards.
- (e) Obligation to Refrain from Discrimination. There shall be no discrimination against or segregation of any person, or group of persons, on account of race, color, religion, national origin, ancestry, sex, or marital status in the sale, lease, sublease, transfer, use, occupancy, tenure or enjoyment of Project, or any part thereof, nor shall the Developer itself or any person claiming under or through it establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sub-lessees, or vendees of Project.
- (f) Form of Non-discrimination and Non-segregation Clauses. The Developer shall refrain from restricting the rental, sale or lease of Project on the basis of race, color, religion, ancestry, national origin, sex, or marital status of any person. All such deeds, leases or contracts shall contain or be subject to substantially the following non-discrimination or non-segregation clauses:
  - (1) In deeds: "The grantee herein covenants by and for himself, his heirs, executors, administrators and assigns, and all persons claiming under or through him, that there shall be no discrimination against or segregation of, any person or group of persons on account of race, color, religion, ancestry, national origin, sex, or marital status in the sale, lease, sublease, transfer, use, occupancy, tenure or enjoyment of the land herein conveyed, nor shall the grantee himself or any person claiming under or through him, establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sub-lessees or vendees in the land herein conveyed. The foregoing covenants shall run with the land".

- (3) In contracts: “There shall be no discrimination against or segregation of any person, or group of persons on account of race, color, religion, ancestry, national origin, sex, or marital status in the sale, lease, sublease, transfer, use, occupancy, tenure or enjoyment of the land, nor shall the transferee himself or any person claiming under or through him, establish or permit any such practice or practices of discrimination or segregation with reference to the lessees, subtenants, sub-lessees or vendees of the land.”

### 3. Monitoring/Annual Report

- (a) Not later than ten (10) days prior to the commencement of marketing, Developer shall assign a single person as Project Manager, who shall have overall responsibility for the progress and execution of this Agreement. Subsequent to that assignment, Developer shall notify City of any change in the name and/or contact information of the Project Manager.
- (b) Once leasing at the Project has commenced, the Developer for itself, its successors, its assigns and every successor in interest to Project or any part thereof, covenants and agrees to submit to the City an annual report (the “Annual Report”). The first Annual Report shall be due one year after leasing at the Project has commenced. The Annual Report format shall be approved by the Housing & Community Services Division Manager and shall include a signed and certified statement of its accuracy upon annual submission to the City.

- (1) Apartment Number or other unit designation.
- (2) Number of bedrooms.
- (3) Household Size.
- (4) Tenant Income (certified annually).

(e) Developer shall provide, within thirty (30) days of request, additional information concerning the Affordable Housing Units and/or Unit Allocation reasonably requested by the City in writing. The City shall have the right to examine and make copies of all books, records or other documents maintained by Developer or by any of Developer's agents that pertain to any Affordable Housing Unit and/or this Agreement.

(f) Developer shall pay City on an annual basis, on or before July 1<sup>st</sup> of each year following the issuance date of the Certificate of Occupancy for the building, a multi-family monitoring fee per Affordable Housing Unit (the "**Monitoring Fee**"). The Monitoring Fee is published in the City's Municipal Fee Schedule and updated from time to time. "**Certificate of Occupancy**" shall mean a temporary certificate of occupancy issued by the City for all 150 residential units of the Project.

#### 4. Enforcement

The City of Santa Clara is deemed to be the beneficiary of the terms and provisions of this Agreement and the covenants herein, both for and in its own right and for the purposes of protecting the interests of the community and other parties, public or private, for whose benefit this Agreement and the covenants running with the land have been provided. The City shall have the right if any covenants set forth in this Agreement are breached, to exercise all available rights and remedies, and to maintain any actions or suits at law or in equity or other proper proceedings to enforce the curing of such breaches to which it is entitled. No remedy herein conferred upon or reserved by the City is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Agreement or now or hereafter existing at law, in equity or by statute. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of such right or power, but any such right or power may be exercised from time to time and as often as City may deem expedient. In order to entitle the City to exercise any remedy reserved to it in this Agreement, it shall not be necessary to give

any notice, other than such notice as may be herein expressly required or required by law to be given.

Developer agrees that, if a breach is not cured within thirty (30) days after written notice by City is provided to Developer, or if such breach cannot be reasonably cured within the thirty (30) day period and Developer has not commenced the curing of such Default, then City shall have all rights and remedies at law or in equity to enforce the curing of such Default.

Additionally, if Developer collects rents from Income-Qualified Households occupying the Affordable Housing Units that require such Income-Qualified Household tenants to pay rent in excess of what is permitted pursuant to this Agreement, and to the extent such excess rents are not required to be reimbursed to the tenants of such Affordable Housing Units, Developer agrees and covenants to reimburse such tenants within ten (10) business days of City's written demand, provided if such tenants cannot be located then the Developer shall pay to the City the full amount of such excess to the City. Developer and City agree that the payment of such excess rent shall be in addition to City's rights and remedies at law or equity.

If the City provides Developer with a written notice of violation of this Agreement and Developer has not cured or responded to such notice of violation within ninety (90) days, then in addition to City's rights and remedies set forth herein, City shall thereafter have the right to impose a fine of \$150 per month per non-compliant unit until Developer has cured or responded to the notice of violation. Developer shall pay such fine within thirty (30) days of City's written demand.

## 5. Defaults

Failure or delay by Developer to perform any material obligation set forth in any term or provision of this Agreement, if such failure or delay is not cured within thirty (30) days after written notice by City to Developer, or if such failure or delay cannot be reasonably cured within the thirty (30) day period and Developer has not commenced curing the same, then such failure or delay constitutes a default.

- (a) The City shall give written notice of default to the Developer, specifying the default. Delay in giving such notice shall not constitute a waiver of any default nor shall it change the time of default.
- (b) Any failures or delays by the City in asserting any of its rights and remedies as to any default shall not operate as a waiver of any default or of any such rights or remedies. Delays by the City in asserting any of its rights and remedies shall not deprive the City of its right to institute and maintain any actions or proceedings which it may deem necessary to protect, assert, or enforce any such rights or remedies.

- (c) If a non-monetary event of default occurs, prior to exercising any remedies hereunder, City shall give Developer notice of such default. If the default is reasonably capable of being cured within thirty (30) days, Developer shall have such period to effect a cure prior to exercise of remedies by the City. If the default is such that it is not reasonably capable of being cured within thirty (30) days, and Developer (1) initiates corrective action within said period, and (2) diligently and in good faith works to effect a cure as soon as possible, then Developer shall have such additional time as is reasonably necessary to cure the default prior to exercise of any remedies by City. In no event shall City be precluded from exercising remedies if its remedies become or are about to become materially jeopardized by any failure to cure a default or the default is not cured within ninety (90) days after the notice of default is first given.
- (d) Developer shall not be in Default where Developer's performance under this Agreement is affected by force majeure. In the context of these terms and conditions, "force majeure" is any event that the Developer could not, even with due care, reasonably foresee or avoid. These events include but are not limited to war, threat of war, riot, civil commotion or strife, hostilities, industrial dispute, natural disaster, fire, acts of god, terrorist activity, nuclear disaster, adverse weather, government action, City caused delays, delays caused by third parties, technical problems with transportation or other events outside the Developer's control.

## 6. Indemnification

#### Section 1.6 Assignments and Transfers

The qualifications and identity of the Borrower are of particular concern to the City. It is because of those qualifications and identity that the City has entered into this Agreement with the Borrower. No voluntary or involuntary successor in interest of the Borrower shall acquire any rights or powers under this Agreement except as expressly set forth herein.

Except for Permitted Transfers, the Borrower shall not assign all or any part of this Agreement without the prior written approval of the City. The City agrees to reasonably give such approval if in the reasonable determination of the City, the proposed assignee is comparable in all material respects (including experience, character and financial capability) to the Borrower. Consent to one such transaction shall not be deemed to be a waiver of the right to require consent to future or successive transactions. Any such proposed transferee shall have the qualifications and financial responsibility necessary and adequate as may be reasonably determined by the City, to fulfill the obligations undertaken in this Agreement by the Borrower. Any such proposed transferee, by instrument in writing satisfactory to the City and in a form recordable among the land records, for itself and its successors and assigns, and for the benefit of the City shall expressly assume all of the obligations of the Borrower under this Agreement and agree to be subject to all conditions and restrictions applicable to the Borrower in this Agreement. There shall be submitted to the City for review all instruments and other legal documents proposed to affect any such transfer; and if approved by the City its approval shall be indicated to the Borrower in writing.

In the absence of specific written agreement by the City, no unauthorized Transfer, or approval thereof by the City, shall be deemed to relieve the Borrower or any other party from any obligations under this Agreement.

Notwithstanding this Section 1.6, Borrower shall have the right to make Permitted Transfers and execute deeds of trust and other instruments granting a security interest in the Property for the purposes of financing the Development Costs.

City makes no representation or warranty, express or implied regarding any conditions of the Property. It shall be the sole responsibility of the Borrower, at the City's expense, to investigate and determine all conditions of the Property and its suitability for the uses to which the Property is to be put in accordance with this Agreement. If the conditions of the Property are not in all respects entirely suitable for the use or uses to which the Property will be put, then it is

Borrower has proposed, and City has approved, the Project Budget appended to this Agreement. Borrower acknowledges that City is relying on Borrower's experience and expertise in establishing the costs for the Project, and Borrower represents that the Project Budget is based on the best, good faith estimate of Borrower of the costs that are likely to be incurred for the Project.

### Section 3.7 Schedule of Performance; Construction of Improvements

Borrower shall begin and complete all construction and development within the times specified in the Schedule of Performance, with such reasonable extensions of said times as may be granted by the City and subject to Force Majeure Delay. The Schedule of Performance is subject to revision from time to time as mutually agreed upon in writing by Borrower and City. In the event that the sum of the proceeds of the City Loan available for disbursement together with any other sources to complete the construction of the Improvements are, or at any time become, in the reasonable judgment of the City, insufficient to pay all costs to achieve Completion in accordance with this Agreement, then Borrower will pay such costs.

Borrower shall prosecute to completion the construction of the Improvements as provided in Plans and Specifications and this Agreement. During periods of construction, Borrower shall submit to the City a written report of the progress of the construction when and as requested by the City. The report shall be in such form and detail as may be reasonably required by the City and shall include a reasonable number of construction photographs (if requested) taken since the last report by Borrower.

### Section 3.8 Construction Contract

The City shall have the right, but not the obligation, to cure defaults under the Construction Contract and to assume Borrower's obligations and rights under the Construction Contract; provided that, such right to cure and assume the Construction Contract shall be subject to the rights, if any, of any Senior Lender with respect to such Construction Contract. Further, the Construction Contract shall set forth a reasonably detailed schedule for completion of each stage of construction.

To the fullest extent permitted by law, Borrower shall indemnify, defend and hold harmless the City Indemnitees from and against all liability, loss, damage, costs, or expenses (including reasonable attorneys’ fees and court costs), where the same arise out of, are a consequence of, are in connection with, or are in any way attributable to, in whole or in part, to: (i) Borrower’s or the contractor’s failure to comply with all applicable laws, including all applicable federal and state labor standards, including, without limitation, the requirements of the Prevailing Wage Law, if applicable, (ii) defects in the design or construction of the Project, including (without limitation) the violation of any laws, and for defects in any work done according to the City approved plans, or (iii) any breach or failure to perform or act pursuant to this Agreement by Borrower, or by any individual or entity that Borrower shall engage in connection with the Project, including but not

Without affecting the rights of the City Indemnites under any provisions of this Agreement, Borrower shall not be required to indemnify and hold harmless the City Indemnites for liability attributable to the gross negligence or intentional misconduct of the City Indemnites, provided such gross negligence or intentional misconduct is determined by agreement between the parties or by the findings of a court of competent jurisdiction. In instances where the City Indemnites are shown to have been grossly negligent or to have acted with intentional misconduct and where the City Indemnites' gross negligence or intentional misconduct accounts for only a percentage of the liability involved, the obligation of Borrower will be for that entire portion or percentage of liability not attributable to the gross negligence or intentional misconduct of the City Indemnites.

Except as provided in this Agreement, the City neither undertakes nor assumes nor will have any responsibility, right or duty to Borrower or to any third party to review, inspect, supervise, pass judgment upon or inform Borrower or any third party of any matter in connection with the Property, whether with respect to the condition of the Property or its quality, adequacy or suitability to the Project, or with respect to any person furnishing services with regard to the Property, or otherwise. Borrower and all third parties shall rely upon its or their own judgment regarding such matters, and any review, inspection, supervision, exercise of judgment or information supplied to Borrower or to any third party by the City or the City in connection with such matter is for the public purpose of providing affordable housing, and neither Borrower (except for the purposes set forth in this Agreement) nor any third party is entitled to rely thereon.

work being performed in constructing the Improvements. Such representatives of City shall be those who are so identified in writing by City.

### Section 3.19 Taxes and Assessments

Borrower shall pay prior to delinquency all ad valorem real estate taxes and assessments on the Project during Borrower's ownership thereof, subject to Borrower's right to contest in good faith any such taxes through the appropriate processes. Borrower shall remove or have removed any levy or attachment made on the Project or any part thereof, or assure the satisfaction thereof within a reasonable time. Nothing herein contained shall be deemed to prohibit the Borrower from (a) obtaining an abatement of real estate taxes under Revenue and Taxation Code Section 214(g) or (b) contesting the validity or amount of any tax assessment, encumbrance or lien, or to limit the remedies available to the Borrower in respect thereto.

### Section 3.20 Liens and Stop Notices

Except for the liens on the Project granted in connection with the City Loan, the Senior Loans and other approved loans that are included in the approved Project Pro Forma, Borrower shall not allow to be placed on the Project or any part thereof any lien or stop notice. If a claim of a lien or stop notice is given or recorded affecting the Project, Borrower shall within thirty (30) calendar days of such recording or service or within ten (10) Business Days of the City's demand, whichever last occurs: (a) pay and discharge the same (or cause the general contractor to do so); (b) effect the release thereof by recording and delivering to the City a surety bond in sufficient form and amount; (c) demonstrate to the City's reasonable satisfaction that One Hundred Twenty Five Percent (125%) of the stop notice amount is set aside in the unfunded portion of the Construction Budget to account for such claim; or (d) provide such other assurances which the City deems, in its sole discretion, to be satisfactory for the payment of such lien or bonded stop notice and for the full and continuous protection of the City from the effect of such lien or bonded stop notice.

(b) Holder Not Obligated to Construct Project Improvements The holder of any mortgage or deed of trust or other security interest recorded against the Project will in no way be obligated by the provisions of this Agreement to construct or complete the Improvements or to guarantee construction or completion.

(c) Notice of Default to Mortgage, Deed of Trust or Other Security Interest Holders; Right to Cure Whenever the City will deliver any notice or demand to Borrower with respect to any breach or default by Borrower in completion of construction of the Improvements, the City will at the same time deliver to each holder of record of any mortgage, deed of trust or other security interest recorded against the Project, provided that failure to provide such notice shall not affect the City's remedies hereunder. Each holder will (insofar as the rights of the City are concerned) have the right at its option within thirty (30) calendar days after the receipt of the notice, to cure or remedy or commence to cure or remedy any default and to add the cost to the security interest debt and the lien on its security interest. Nothing contained in this Agreement will be deemed to permit or authorize the holder to undertake or continue the construction or completion of the Improvements (beyond the extent necessary to conserve or protect the Improvements or construction already made) without first having expressly assumed Borrower's obligations to the City by written agreement satisfactory to the City. The holder in that event must agree to complete, in the manner provided in this Agreement, the Improvements to which the lien or title of such holder relates, and submit evidence satisfactory to the City that it has the qualifications and financial responsibility necessary to perform the obligations. Any holder properly completing the Improvements will be entitled, upon written request made to the City, to a Release of Construction Covenants from the City.

### Section 3.23 Liens on Personal Property

Other than in connection with the provision of vending, laundry, cable, satellite TV, or telecommunications services at the Project, Borrower shall not install in, or use in connection with, the Project, any personal property which any party other than the City or Senior Lenders have the right to remove or repossess under any circumstances, or on which any party other than the City or Senior Lenders has a lien (other than liens permitted in accordance with the terms of this Agreement).

### Section 3.24 Removal of Personal Property

Borrower shall not cause or permit the removal from the Project of any items of personal property owned by Borrower (other than tools and equipment used in the development of the Project) unless (i) there is no uncured event of default by Borrower under this Agreement, and (ii) Borrower promptly substitutes and installs on the Project other items of equal or greater value in the operation of the Project, all of which items shall be free of liens (other than liens permitted in accordance with the terms of this Agreement) and shall be subject to the lien of the City Deed of Trust, and Borrower executes and delivers to the City all documents reasonably required by the City in connection with the attachment of such liens to such items. Borrower shall keep detailed records of each such removal and shall make such records available to the City upon written request from time to time.

### Section 3.25 Release of Construction Covenants

Promptly after Completion of the Improvements, as generally and specifically required by this Agreement and in particular the Scope of Development, the City shall furnish Borrower with a Release of Construction Covenants upon written request therefor by Borrower. The City shall not unreasonably withhold such Release of Construction Covenants and such Release of Construction Covenants shall be issued so long as Borrower has constructed and developed the Property in accordance with this Agreement and substantially in accordance with the construction drawings approved by the City for the Project. Such Release of Construction Covenants shall be, and shall so state, conclusive determination of satisfactory completion of all of the construction obligations required by this Agreement. The Release of Construction Covenants shall be in a form mutually, reasonably, and in good faith agreed upon by City and Borrower and shall be a conclusive determination of satisfactory completion of the Project and all construction obligations required by this Agreement. Any party then owning or thereafter purchasing, leasing or otherwise acquiring any interest in the Project shall not (because of such ownership, purchase, lease or acquisition) incur any construction obligation or liability under this Agreement.

The Release of Construction Covenants shall be in such form as to permit it to be recorded in the Recorder's Office of Santa Clara County. Certificates of Completion of construction for less than the completed Improvements and development of the entire Property shall not be recorded.

If the City refuses or fails to furnish a Release of Construction Covenants for the Property after written request from Borrower, the City shall, within thirty (30) days of the written request, provide Borrower with a written statement of the reasons the City refused or failed to furnish a Release of Construction Covenants. The statement shall also contain the City's opinion of the action Borrower must take to obtain a Release of Construction Covenants. If the reason for such refusal is confined to the immediate availability of specific items or materials for landscaping, and/or minor items, the City will issue its Release of Construction Covenants upon the posting of a bond by Borrower with the City in an amount representing a fair value of the work not yet completed.

Such Release of Construction Covenants shall not constitute evidence of compliance with or satisfaction of any obligation of Borrower to the beneficiary of the Construction Loan Deed of Trust or any other Person. Such Release of Construction Covenants is not a notice of completion as referred to in Section 3093 of the California Civil Code.

#### Section 3.26 Developer Fee

Borrower shall not receive payments of the Developer Fee in excess of the amounts or ahead of a written schedule contained in the Project Pro Forma approved by the City.

Borrower covenants and agrees that it shall not receive payments of Developer Fee beyond the first payment agreed to in the schedule described above unless and until it has demonstrated to the City's reasonable satisfaction that all applicable prevailing wage obligations with respect to the construction of the Project have been met in accordance with the terms and conditions of the City Loan Documents. Borrower further agrees that in the event any prevailing wage obligations, draw holdbacks or related fees that may become payable to the City hereunder cannot be funded from any other source, that such amounts shall be payable to the City from Developer Fee.

In the event that actual construction costs exceed the Construction Budget, Borrower shall defer the amount of the Developer Fee necessary to cover the actual construction costs to the extent unfunded by sources other than the City Loan and such portion of the Developer Fee shall be considered deferred Developer Fee for purposes of this Agreement.

#### PART 4. COMPLIANCE WITH LABOR LAWS

Borrower shall comply with all applicable prevailing wage requirements of the Davis-Bacon Act and implementing rules and regulations (40 U.S.C. 276a-276a-5); the Copeland “Anti-Kickback” Act (47 USC 276(c)) which requires that workers be paid at least once a week without any deductions or rebates except permissible deductions; the Contract Work Hours and Safety Standards Act – CWHSSA (40 USC 327-333) which requires that workers receive “overtime” compensation at a rate of 1-1/2 times their regular hourly wage after they have worked 40 hours in one week; and Title 29, Code of Federal Regulations, Subtitle A, parts 1.3 and 5 are the regulations and procedures issued by the Secretary of Labor for the administration and enforcement of the Davis-Bacon Act, as amended. The City shall review the Management Plan and approve or disapprove it within thirty (30) Business Days, provided that such approval shall not be unreasonably conditioned or withheld. City's failure to respond within the timeframe set forth in the preceding sentence shall be deemed approval. If the Management Plan is not approved by the City, the City shall set forth in writing and notify Borrower of the City's reasons for withholding such approval. Borrower shall thereafter submit a revised Management Plan for City approval within fifteen (15) Business Days, which approval shall be granted or denied within fifteen (15) Business Days in accordance with the procedures set forth above.

Borrower shall maintain or destroy the results of such criminal background checks in accordance with all applicable Governmental Regulations.

(d) Income Requirements

In order to assure compliance with the rent and occupancy restrictions set forth in the City Regulatory Agreement, Borrower shall, prior to the initial leasing of an Affordable Unit, verify the income of the proposed Household. To implement this requirement, Borrower agrees to budget sufficient funds to pay for all reasonably anticipated costs (as indicated in the Annual Maintenance Budget). In the event the Borrower fails to maintain the Property and the Improvements in accordance with the approved Maintenance Program, and does not cure such failure within thirty (30) days following notice from the City, the City shall have the right, but not the obligation, to enter the Property, correct any violation, and hold the Borrower responsible for the cost thereof, and such cost, until paid, shall constitute a lien on the Property. ## Section 5.11 Effect of Violation of the Terms and Provisions of this Agreement

The City is deemed a beneficiary of the terms and provisions of this Agreement and the covenants herein, both for and in its own right and for the purposes of protecting the interests of the community and other parties, public or private, for whose benefit this Agreement and the covenants running with the land have been provided. The City shall have the right if the covenants contained in this Agreement are breached and such breach is not cured within the time periods set forth in Section 6.1, to exercise all rights and remedies, and to maintain any actions or suits at law or in equity or other proper proceedings to enforce the curing of such breaches to which it or any other beneficiaries of this Agreement and covenants are entitled.

## PART 6. DEFAULTS, REMEDIES, AND TERMINATION

### Section 6.1 Defaults — General

Subject to the Force Majeure Delay and any extensions of time approved in writing by the parties, failure or delay by either party to perform any term or provision of this Agreement at the time indicated in this Agreement constitutes a default under this Agreement. As provided, hereinbelow, the party who so fails or delays must immediately commence to cure, correct or remedy such failure or delay and shall complete such cure, correction or remedy with reasonable diligence. The injured party shall give written notice of default to the party in default, specifying the default complained of by the injured party. Failure or delay in giving such notice shall not constitute a waiver of any default, nor shall it change the time of default. Except as otherwise expressly provided in this Agreement, any failures or delays by either party in asserting any of its rights and remedies as to any default shall not operate as a waiver of any default or of any such rights or remedies. Delays by either party in asserting any of its rights and remedies shall not deprive either party of its right to institute and maintain any actions or proceedings which it may deem necessary to protect, assert or enforce any such rights or remedies.

If a monetary event of default occurs, prior to exercising any remedies hereunder, the injured party shall give the party in default written notice of such default. The party in default shall have a period of thirty (30) days after such notice is given within which to cure the default prior to exercise of remedies by the injured party.

If a non-monetary event of default occurs, prior to exercising any remedies hereunder, the injured party shall give the party in default notice of such default. If the default is reasonably capable of being cured within thirty (30) days, the party in default shall have such period to effect a cure prior to exercise of remedies by the injured party. If the default is such that it is not reasonably capable of being cured within thirty (30) days, and the party in default (i) initiates corrective action within said period, and (ii) diligently, continually, and in good faith works to effect a cure as soon as possible, then the party in default shall have such additional time as is reasonably necessary to cure the default prior to exercise of any remedies by the injured party.

If Borrower fails to take corrective action or cure the default within a reasonable time, the City shall give the Senior Lender and the Investor Limited Partner notice thereof. Subject to the terms of the Borrower's partnership agreement, the Investor Limited Partner may take such action, including removing and replacing the general partner or managing member of the Borrower with a substitute general partner or member, who shall effect a cure within a reasonable time thereafter in accordance with the foregoing provisions. The City agrees to accept cures tendered by any Senior Lender or Investor Limited Partner within the cure periods provided in the Note. Additionally, in the event the Senior Lender or Investor Limited Partner is precluded from curing a non-monetary default due to a bankruptcy, injunction, or similar proceeding by or against Borrower or the general partner of Borrower, the City agrees to forbear from completing a foreclosure (judicial or nonjudicial) during the period during which the Senior Lender or Investor Limited Partner is so precluded from acting, not to exceed 90 days, provided such Investor Limited Partner and Senior Lender are otherwise in compliance with the foregoing provisions. In no event shall the City be precluded from exercising remedies if its rights become or are about to become materially jeopardized by any failure to cure a default or the default is not cured within one hundred eighty (180) days after the first notice of default is given.

In the event of a default by Borrower of any of its obligations under the City Loan Documents and expiration of any applicable grace, notice and/or cure periods, Borrower shall pay

to City interest on the outstanding principal of the City Loan, at an annual rate equal to the lesser of (i) ten percent (10%) or (ii) the highest interest allowed by law, from the date of the default until the date that the default is cured or the City Loan is repaid in full.

City shall send to the Investor Limited Partner a copy of all notices of default and all other notices that City sends to Borrower, at the address for the Investor Limited Partner as provided by written notice to City by Borrower.

#### Section 6.2 Institution of Legal Actions

Subject to the notice and cure provisions of Section 6.1, in addition to any other rights or remedies (and except as otherwise provided in this Agreement), either party may institute legal action to cure, correct or remedy any default, to recover damages for any default, or to obtain any other remedy consistent with the purpose of this Agreement. Such legal actions must be instituted in the Superior Court of the County of Santa Clara, State of California, in any other appropriate court of that county.

#### Section 6.3 Applicable Law

The laws of the State of California shall govern the interpretation and enforcement of this agreement.

#### Section 6.4 Acceptance of Service of Process

In the event that any legal action is commenced by the Borrower against the City, service of process on the City shall be made by personal service upon the City Manager of the City, or in such other manner as may be provided by law.

In the event that any legal action is commenced by the City against the Borrower, service of process on the Borrower shall be made by personal service upon the Borrower (or upon a general partner, managing member or officer of the Borrower) and shall be valid whether made within or without the State of California, or in such manner as may be provided by law.

#### Section 6.5 Rights and Remedies Are Cumulative

Except with respect to rights and remedies expressly declared to be exclusive in this Agreement, the rights and remedies of the parties are cumulative, and the exercise by either party of one or more of such rights or remedies shall not preclude the exercise by it, at the same or different times, of any other rights or remedies for the same default or any other default by the other party.

#### Section 6.6 Damages

If either party defaults with regard to any of the provisions of this Agreement, subject to the notice and cure provisions of Section 6.1 and the non-recourse provisions of Section 6.10, the defaulting party shall be liable to the non-defaulting party for any damages caused by such default, and the non-defaulting party may, after such notice and opportunity to cure (but not before) commence an action for damages against the defaulting party with respect to such default.

Notwithstanding the foregoing, neither Borrower nor City shall have the right to recover any punitive, consequential, or special damages.

#### Section 6.7 Specific Performance

If either party defaults with regard to any of the provisions of this Agreement, subject to the notice and cure provisions of Section 6.1, the non-defaulting party, at its option, may, after such notice and opportunity to cure (but not before) commence an action for specific performance of the terms of this Agreement pertaining to such default.

#### Section 6.8 Termination by Either Party

Either party shall have the right to terminate this Agreement in the event the other party is in default of any material term or provision of this Agreement, and, following notice, fails to cure such default within the time provided in Section 6.1.

#### Section 6.9 Automatic Termination

This Agreement shall automatically terminate upon repayment of the City Loan in full.

#### Section 6.10 Limited Recourse Obligations

Subject to the provisions and limitations of this Section 6.10, the obligation to repay the City Loan is a nonrecourse obligation of the Borrower and (a) neither Borrower nor any general partner or limited partner of Borrower shall have any personal liability for repayment of the City Loan, except as provided in this Section 6.10, and (b) the sole recourse of City shall be the exercise of its rights against the Property and any related security for the City Loan.

Provided, however, that the foregoing shall not (a) constitute a waiver of any obligation evidenced by the City Note or the City Deed of Trust; (b) limit the right of the City to name Borrower as a party defendant in any action or suit for judicial foreclosure and sale under the City Note or the City Deed of Trust or any action or proceeding thereunder so long as no judgment in the nature of a deficiency judgment shall be asked for or taken against Borrower; (c) release or impair the City Note or the City Deed of Trust; (d) prevent or in any way hinder City from exercising, or constitute a defense, an affirmative defense, a counterclaim, or other basis for relief in respect of the exercise of, any other remedy against the mortgaged Property or any other instrument securing the City Note or as prescribed by law or in equity in case of default; (e) prevent or in any way hinder City from exercising, or constitute a defense, an affirmative defense, a counterclaim, or other basis for relief in respect of the exercise of, its remedies in respect of any deposits, insurance proceeds, condemnation awards or other monies or other collateral or letters of credit securing the City Note; (f) relieve Borrower of any of its obligations under any indemnity delivered by Borrower to City; or (g) affect in any way the validity of any guarantee or indemnity from any person other than the Borrower of all or any of the obligations evidenced and secured by the City Note or the City Deed of Trust. The foregoing provisions of this paragraph are limited by the provision that in the event of the occurrence of a default, Borrower shall have personal liability hereunder for any deficiency judgment, but only if and to the extent Borrower, its principals, shareholders, partners received rentals, other revenues, or other payments or proceeds in respect of the mortgaged Property after the occurrence of such default, which rentals, other revenues, or

other payments or proceeds have not been used for the payment of ordinary and reasonable operating expenses of the Property, ordinary and reasonable capital improvements to the Property, debt service, real estate taxes in respect of the Property and basic management fees, but not incentive fees, payable to an entity or person unaffiliated with Borrower in connection with the operation of the Property, which are then due and payable. Notwithstanding the first sentence of this paragraph, City may recover directly from Borrower or from any other party:

(A) any damages, costs and expenses incurred by City as a result of fraud or any criminal act or acts of Borrower or any partner, shareholder, officer, director or employee of Borrower, or of any member or general partner of Borrower, or of any general or limited partner of such member or general partner;

(B) any damages, costs and expenses incurred by City as a result of any misappropriation of funds provided for the construction of the Improvements, rents and revenues from the operation of the Improvements or proceeds of insurance policies or condemnation proceeds; and

(C) all court costs and attorneys' fees reasonably incurred in enforcing or collecting upon any of the foregoing exceptions (provided that City shall pay Borrower's reasonable court costs and attorneys' fees if Borrower is the prevailing party in any such enforcement or collection action).

#### Section 6.11 Borrower Representations and Warranties

Borrower represents and warrants as of the effective date of this Agreement (1) that it has access to professional advice and support to the extent necessary to enable Borrower to fully comply with the terms of this Agreement; (2) that it and its general partners are duly organized, validly existing and in good standing under the laws of the State of California; (3) that it has the full power and authority to undertake the Project and to execute this Agreement; (4) that the persons executing and delivering this Agreement are authorized to execute and deliver such documents on behalf of Borrower; (5) except as disclosed to the City in writing, there are no actions or proceedings pending or, to the best of the Borrower's knowledge, threatened against the Borrower or Borrower's general partners before any court or administrative agency in any way connected with the Property or the Project which could adversely affect the Borrower's ability to perform the activities contemplated hereunder; (6) neither this Agreement nor anything provided to be done hereunder violates or shall violate any contract, agreement or instrument to which the Borrower or a general partner of Borrower is a party or which affects the Project or any part thereof; (7) the Borrower is not in default in respect of any of its obligations or liabilities pertaining to this Agreement, nor is there any state of facts or circumstances or conditions or events which, after notice, lapse of time, or both, would constitute or result in any such default under this Agreement; and (8) neither the Borrower nor its general partners has entered into any agreements which will adversely affect the Borrower's right to develop and use the Project as provided in this Agreement, and neither the Borrower nor its general partners will enter into any such agreements after the date hereof.

11. Any provision in this Agreement dealing with the insurance coverage provided pursuant to these requirements, is subordinate to and superseded by the requirements contained herein. These insurance requirements are intended to be separate and distinct from any other provision in this Agreement and are intended by the Parties here to be interpreted as such.

**“Term”** of this Note shall mean fifty-five (55) years from Conversion.

1. This Note evidences the obligation of the Borrower to the City for the repayment of the City Loan. None of the funds provided pursuant to the City Loan were funded directly or indirectly with any obligation the interest on which is exempt from tax under Section 103 of the Internal Revenue Code of 1986, as amended, or pursuant to any United States government federal source.

2. This Note is payable at the principal office of the City, 1500 Warburton Avenue, Santa Clara, California 95050, or at such other place as the holder hereof may inform the Borrower in writing, in lawful money of the United States.

3. This Note shall be secured by the City Deed of Trust.

4. This Note shall bear simple interest at the rate of 0% per annum, which shall begin to accrue upon disbursement. Upon and during the occurrence of an event of default (after the expiration of all applicable notice, cure and grace periods) under the City Loan Documents, the monetary obligations under the City Loan Documents shall bear interest at the lesser of ten percent (10%), compounded annually, or the highest rate permitted by law.

5. Except as described in Sections 6 and 7 hereof, no payments shall be due and payable under this Note.

6. The entire unpaid principal balance of this Note and any accrued but unpaid interest shall be due and payable upon the expiration of the Term hereof, or immediately upon the occurrence of either of the following:

(a) if the Property or any portion thereof or interest therein is sold, transferred, assigned or refinanced, without the prior written approval of the City, except as otherwise permitted in this Note or the City Loan Agreement; or

(b) if there is an event of default by the Borrower under the terms of this Note or any of the City Loan Documents, the Lease, or any deed of trust or other instrument securing the Senior Loan or other obligations secured by a deed of trust on the Property, which is not cured within the respective time period provided herein and therein.

7. Prior to the expiration of the Term hereof, Borrower shall be obligated to repay the City Loan as follows:

(a) Principal and/or interest will only be payable to the extent of available Residual Receipts generated from and after the date of Conversion. For any year that it is determined that there are available Residual Receipts, the City will be paid an amount equal to the City's Proportionate Share of Residual Receipts for such fiscal year. No later than December 1st of each year, Borrower will provide to the City a projected budget for the following calendar year, which shall include an estimate of Residual Receipts (the "**Operating Budget**"). No later than April 1st of each year, Borrower will provide to the City Borrower's calculation of Residual Receipts for the previous calendar year, accompanied by such supporting documentation as City may reasonably request, including without limitation an independent audit prepared for the Project by a certified public accountant. Notwithstanding the preceding sentence, the Borrower shall have an additional 30 days, until May 1st, to provide the City all required materials for the Residual Receipts calculation for the first such required submittal. Commencing on June 1st of the first year for which there are available Residual Receipts, and each anniversary thereafter until the Due Date, Borrower will make annual payments to City in an amount equal to City's Proportionate Share of Residual Receipts of the Project for the calendar year most recently ended. While these dates are absolute, City staff in their sole discretion may adjust these dates annually on a case by case basis provided the Borrower has submitted a written request prior to the April 1st deadline and City staff has provided a one-time waiver in writing prior to June 1st.

(b) All payments to City shall be applied first to the payment of all expenses, charges, costs and fees incurred by or payable to City by Borrower pursuant to the terms of the City Loan Documents (in such order and manner as City, in its sole discretion, may elect), then to

the payment of all interest accrued to the date of such payment, if any, and then to reduce the principal amount owed. All prepayment of principal on this Note shall be applied to the most remote principal installment or installments until paid. Notwithstanding anything to the contrary contained herein, after the occurrence and during the continuation of a default under the City Deed of Trust (after expiration of all applicable notice and cure periods), all amounts received by City from any party shall be applied in such order as City, in its sole discretion, may elect.

8. Prior to the repayment in full of the City Loan, the Borrower shall not assign or attempt to assign the City Loan Agreement or any right therein, nor make any total or partial sale, transfer, conveyance or assignment of the whole or any part of the Property, except as permitted in the City Loan Agreement.

9. Subject to the provisions and limitations of this Section 9, the obligation to repay the City Loan is a nonrecourse obligation of the Borrower. Neither Borrower nor any general partner of Borrower shall have any personal liability for repayment of the City Loan, except as provided in this Section 9. The sole recourse of City against Borrower or any general partner shall be the exercise of its rights against the Property and any related security for the City Loan. Provided, however, that the foregoing shall not (a) constitute a waiver of any obligation evidenced by this Note or any of the City Loan Documents; (b) limit the right of the City to name Borrower as a party defendant in any action or suit for judicial foreclosure and sale under this Note and the City Deed of Trust or any action or proceeding hereunder so long as no judgment in the nature of a deficiency judgment shall be asked for or taken against Borrower; (c) release or impair this Note or any of the City Loan Documents; (d) prevent or in any way hinder City from exercising, or constitute a defense, an affirmative defense, a counterclaim, or other basis for relief in respect of the exercise of, any other remedy against the mortgaged Property or any other instrument securing this Note or as prescribed by law or in equity in case of default; (e) prevent or in any way hinder City from exercising, or constitute a defense, an affirmative defense, a counterclaim, or other basis for relief in respect of the exercise of, its remedies in respect of any deposits, insurance proceeds, condemnation awards or other monies or other collateral or letters of credit securing this Note; (f) relieve Borrower of any of its obligations under any indemnity delivered by Borrower to City; or (g) affect in any way the validity of any guarantee or indemnity from any person other than the Borrower of all or any of the obligations evidenced and secured by this Note or any of the City Loan Documents. The foregoing provisions of this paragraph are limited by the provision that in the event of the occurrence of an event of default after expiration of all applicable cure period, Borrower shall have personal liability hereunder for any deficiency judgment, but only if and to the extent Borrower, its principals, shareholders, partners received rentals, other revenues, or other payments or proceeds in respect of the Property after the occurrence of such event of default after expiration of all applicable cure periods, which rentals, other revenues, or other payments or proceeds have not been used for the payment of ordinary and reasonable operating expenses of the Property, ordinary and reasonable capital improvements to the Property, debt service, real estate taxes in respect of the Property and basic management fees, but not incentive fees, payable to an entity or person unaffiliated with Borrower in connection with the operation of the Property, which are then due and payable. Notwithstanding the first sentence of this paragraph, City may recover directly from Borrower or from any other party:

(A) any damages, costs and expenses incurred by City as a result of fraud or any criminal act or acts of Borrower or any general partner, shareholder, officer, director or employee

of Borrower, or of any member or general partner of Borrower, or of any general or limited partner of such member or general partner;

(B) any damages, costs and expenses incurred by City as a result of any misappropriation of rents and revenues from the operation of the Project, or proceeds of insurance policies or condemnation proceeds by Borrower or any of its partners;

(C) any and all amounts owing by Developer pursuant to the indemnification regarding Hazardous Substances pursuant to the Environmental Indemnity; and

(D) all court costs and reasonable attorneys' fees reasonably incurred in enforcing or collecting upon any of the foregoing exceptions (provided that City shall pay Borrower's reasonable court costs and attorneys' fees if Borrower is the prevailing party in any such enforcement or collection action).

10. Borrower waives presentment for payment, demand, protest, and notices of dishonor and of protest; the benefits of all waivable exemptions; and all defenses and pleas on the ground of any extension or extensions of the time of payment or of any due date under this Note, in whole or in part, whether before or after maturity and with or without notice. Borrower hereby agrees to pay all costs and expenses, including reasonable attorney's fees, which may be incurred by the holder hereof, in the enforcement of this Note, any of the City Loan Documents, or any term or provision of either thereof.

11. Upon any event of default under the terms of this Note or any of the City Loan Documents, or any deed of trust securing a Senior Loan or other obligations secured by a deed of trust on the Property and after expiration of the applicable cure period, the holder may exercise its rights or remedies hereunder or thereunder.

12. (a) Subject to the extensions of time set forth in Section 13, and subject to the further provisions of this Section 12, failure or delay by Borrower to perform any material term or provision of this Note or any of the City Loan Documents, constitutes a default under this Note.

(b) City shall give written notice of default to Borrower, specifying the default complained of by the City. Delay in giving such notice shall not constitute a waiver of any default nor shall it change the time of default.

(c) Any failures or delays by City in asserting any of its rights and remedies as to any default shall not operate as a waiver of any default or of any such rights or remedies. Delays by City in asserting any of its rights and remedies shall not deprive City of its right to institute and maintain any actions or proceedings which it may deem necessary to protect, assert, or enforce any such rights or remedies.

(d) If a monetary event of default occurs under the terms of this Note or any of the City Loan Documents, prior to exercising any remedies hereunder or thereunder City shall give Borrower and each of the general and limited partners of Borrower's partnership, as identified in Borrower's partnership agreement, simultaneous written notice of such default. Borrower shall have a reasonable period of time after such notice is given within which to cure the default prior to exercise of remedies by City under this Note and/or the City Loan Documents. In no event shall

City be precluded from exercising remedies if its security becomes or is about to become materially impaired by any failure to cure a default or the default is not cured within ten (10) calendar days after the notice of default is received or deemed received.

(e) If a non-monetary event of default occurs under the terms of any of the City Loan Documents, prior to exercising any remedies hereunder or thereunder, City shall give Borrower and each of the general and limited partners of Borrower's partnership, as identified in Borrower's partnership agreement, simultaneous notice of such default. If the default is reasonably capable of being cured within thirty (30) calendar days after such notice is received or deemed received, Borrower shall have such period to effect a cure prior to exercise of remedies by the City under the City Loan Documents. If the default is such that it is not reasonably capable of being cured within thirty (30) days, and Borrower (i) initiates corrective action within said period, and (ii) diligently and in good faith works to effect a cure as soon as possible, then Borrower shall have such additional time as is reasonably necessary to cure the default prior to exercise of any remedies by City.

(f) If Borrower fails to take corrective action or to cure the default within a reasonable time, City shall give Borrower and each of the general and limited partners of Borrower's partnership written notice thereof, whereupon the limited partner, subject to the terms of the Borrower's partnership agreement, may remove and replace the general partner with a substitute general partner who shall effect a cure within a reasonable time thereafter in accordance with the foregoing provisions. The City agrees to accept cures tendered by any Senior Lender or the limited partner within the time period provided herein. Additionally, in the event the Senior Lender or limited partner is precluded from curing a non-monetary default due to an inability to remove the general partner as a result of a bankruptcy, injunction, or similar proceeding by or against the Borrower or its general partner, City agrees to forbear from completing a foreclosure (judicial or nonjudicial) during the period during which the Senior Lender or limited partner is so precluded from acting, not to exceed ninety (90) days, provided such Senior Lender and limited partner are otherwise in compliance with the foregoing provisions. In no event shall City be precluded from exercising remedies if its security becomes or is about to become materially jeopardized by any failure to cure a default or the default is not cured within one hundred eighty (180) days after the notice of default is received or deemed received.

(g) Any notice of default that is transmitted by electronic facsimile transmission followed by delivery of a "hard" copy, shall be deemed delivered upon its transmission; any notice of default that is personally delivered (including by means of professional messenger service, courier service such as United Parcel Service or Federal Express, or by U.S. Postal Service), shall be deemed received on the documented date of receipt by Borrower to the address set forth in the Loan Agreement; and any notice of default that is sent by registered or certified mail, postage prepaid, return receipt required shall be deemed received on the date of receipt thereof Notices to the limited partner shall be sent to the following address:

[Investor Limited Partner]

13. Notwithstanding specific provisions of this Note, Borrower shall not be deemed to be in default for failure to perform any non-monetary performance hereunder where delays or defaults are due to war, insurrection, strikes, lock-outs, riots, floods, earthquakes, fires, casualties,

acts of God, acts of the public enemy, epidemics, quarantine restrictions, freight embargoes, lack of transportation, governmental restrictions or priority, litigation, unusually severe weather, inability to secure necessary labor, material or tools, delays of any contractor, sub-contractor or supplier, acts of the City or any other public or governmental authority or entity, or any causes beyond the control or without the fault of the Borrower. An extension of time for any such cause (a “**Force Majeure Delay**”) shall be for the period of the enforced delay and shall commence to run from the time of the commencement of the cause, if notice by Borrower is sent to the City within thirty (30) days of knowledge of the commencement of the cause. Notwithstanding the foregoing, none of the foregoing events shall constitute a Force Majeure Delay unless and until the Borrower delivers to the City written notice describing the event, its cause, when and how Borrower obtained knowledge, the date and the event commenced, and the estimated delay resulting therefrom. Borrower shall deliver such written notice within thirty (30) days after it obtains actual knowledge of the event. Times of performance under this Note may also be extended in writing by the City and Borrower.

14. If the rights created by this Note shall be held by a court of competent jurisdiction to be invalid or unenforceable as to any part of the obligations described herein, the remaining obligations shall be completely performed and paid.

15. City agrees that the lien of the City Deed of Trust shall be subordinate to any extended low-income housing commitment (as such term is defined in Section 42(h)(6)(B) of the Internal Revenue Code) (the “**Extended Use Agreement**”) recorded against the Project; provided that such Extended Use Agreement, by its terms, must terminate upon foreclosure under the City Deed of Trust or upon a transfer of the Project by instrument in lieu of foreclosure or comparable conversion of the loan, in accordance with Section 42(h)(6)(E) of the Internal Revenue Code. The following rule contained in Section 42(h)(6)(E)(ii) of the Internal Revenue Code of 1986, as amended, shall also apply: for a period of three (3) years from the date of foreclosure, with respect to any unit that had been regulated by the Extended Use Agreement, (i) none of the tenants occupying those units at the time of foreclosure may be evicted or their tenancy terminated (other than for good cause), (ii) nor may any rent be increased except as otherwise permitted under Section 42 of the Code. Borrower acknowledges and agrees that any default, event of default, or breach (however such terms may be defined) under the Extended Use Agreement shall be an event of default under this Note and the City Deed of Trust and that any costs, damages or other amounts, including reasonable attorneys’ fees incurred by City as a result of an event of default by Borrower, and any amounts paid by City to cure any default under the Extended Use Agreement shall be an obligation of Borrower and become a part of the debt evidenced by this Note and secured by the City Deed of Trust.

16. In any approval, consent or other determination by City required under this Note or any of the other City Loan Documents, City shall act reasonably and in good faith.

17. Borrower shall have the right to prepay the obligation evidenced by this Note, or any part thereof, without penalty or premium.

18. Notices hereunder shall be given as provided in the City Loan Agreement.
