New eComment for Planning Commission on 2025-06-11 6:00 PM

Benjamin Quach submitted a new eComment.

Meeting: Planning Commission on 2025-06-11 6:00 PM

Item: 2. 25-254 PUBLIC HEARING: Recommendation on Cheeney Street Townhomes Project (PLN2019-13846 / PLN2019-12857) located at 4249 Cheeney Street, requiring an Initial Study and Mitigated Negative Declaration, General Plan Amendment, Rezone, and a Tentative Subdivision Map.

eComment: Hi, As a resident of the bay area and California, I believe that any agenda item that increases the density of housing and builds more homes is of paramount importance. Changing the zoning from "Very Low Density Residential" to "Low Density Residential" in order to build more townhomes is nothing but beneficial and these actions are necessary to help fix the housing crisis
