Re: **NRS-KRS 115kV Transmission Line Project**  
Property Address: 3205 Bassett Street, Santa Clara, CA 95054  
APN: 101-11-003

Dear Ms. Greenwich:

As you know, the City of Santa Clara ("City") has approved plans to construct its new 115 kilovolt (kV) overhead transmission line from the Northern Receiving Station (NRS) to Kifer Receiving Station (KRS) Project ("Project"). In order to construct the Project, the City requires an overhead electric easement from you at the property located at 3205 Bassett Street, Santa Clara, CA 95054 ("Property").

We have not come to an agreement for a voluntary sale of these easement rights; therefore, the City Council will hold a hearing and consider adopting a Resolution of Necessity. If adopted, the Resolution of Necessity functions as a declaration that public use and necessity requires the acquisition of an overhead electric easement on the Property for the Project. To that end, please find enclosed a Notice of Intention to Adopt Resolution of Necessity, stating that the hearing before the City Council is scheduled for **July 8, 2025**. If you wish to appear at the hearing and address the City Council, please complete the enclosed Request to be Heard and return it to the City Clerk in advance of the hearing.

Sincerely,

A handwritten signature in blue ink, appearing to read "N. Procos".

Nico Procos  
Acting Director of Silicon Valley Power

**CITY OF SANTA CLARA NOTICE OF INTENTION  
TO ADOPT RESOLUTION OF NECESSITY TO ACQUIRE  
REAL PROPERTY INTEREST FOR NRS-KRS 115KV TRANSMISSION LINE  
PROJECT**

YOU ARE HEREBY NOTIFIED, pursuant to Section 1245.235 of the California Code of Civil Procedure, that the City of Santa Clara intends to consider adoption of a Resolution of Necessity to Condemn Interest in Real Property for a new 115 kilovolt (kV) overhead transmission line from the Northern Receiving Station (NRS) to Kifer Receiving Station (KRS) Project (Project). The interest to be acquired is an Overhead Electric Easement as described and depicted in Exhibit A and Exhibit B.

NOTICE IS FURTHER GIVEN, that on July 8, 2025 at 7:00 p.m. or as soon thereafter as the matter can be heard, at the City Council Chambers, City Hall, 1500 Warburton Ave. Santa Clara, California, the City Council will hear all protests in relation to the adoption of the proposed Resolution of Necessity authorizing the filing of eminent domain proceedings for the acquisition of the Overhead Electric Easement as described above.

At said hearing, the City Council may establish the following:

1. The public interest and necessity require the Project.
2. The Project is planned or located in the manner that will be the most compatible with the greatest public good and the least private injury.
3. The property sought to be acquired is necessary for the Project.
4. The environmental review required by law has been prepared and adopted.
5. The offer required by Section 7267.2 of the Government Code has been made to the owner(s) of record for the full amount established as the fair market value of the property.

YOU ARE HEREBY NOTIFIED that you may appear at the hearing and be heard on Items 1, 2, 3, 4, and 5 above only. If you wish to appear and be heard on these matters, please submit a written request within fifteen days of the date of mailing of this notice. Please direct any such requests to:

City Clerk  
City of Santa Clara  
1500 Warburton Avenue  
Santa Clara, CA 95050

The enclosed "Request to be Heard" form may be used which is attached hereto as Exhibit C. Failure to file a written request to appear and be heard within fifteen days

after the mailing of this Notice may result in a waiver of your right to be heard.  
(California Code of Civil Procedure Section 1245.235(b)(3).)

Sincerely,

A handwritten signature in blue ink, appearing to read "Nico Procos". The signature is stylized with a large, looping "N" and "P".

Nico Procos  
Acting Director of Silicon Valley Power

## **EXHIBIT B**

### **Exhibit A Description**

[i] a 6,100 square foot permanent Easement in, on, over, along and across the real property described and depicted in Exhibit "A" ("Easement Area") for the purpose of constructing and reconstructing, installing, operating, inspecting, maintaining, repairing, removing and/or replacing overhead electrical transmission, distribution and/or communication systems, and appurtenances thereto, including a reasonable right of ingress and egress over adjoining lands of fee owner. In exercising said right of ingress and egress, easement holder shall, wherever practical, use existing roads and lanes across lands of fee owner, if such there be, and if not, by such route or routes as shall result in the least practicable inconvenience to fee owner and any occupants of fee owner's property.

The overhead system will consist of poles, wire supports, wires and conductors suspended from pole to pole, transformers and other equipment mounted on the poles, anchors, guy attachments, and other appurtenances.

Portions of the Easement Area may be used by the fee owner for driveway(s), landscaping (excluding trees), and parking, as will not interfere with the easement holder's use of the Easement. Any other use of the Easement Area by fee owner shall be subject to easement holder's express written consent and only after easement holder's review of plans and specifications and determination that such use will not interfere with its use of the Easement. Easement holder may trim any trees or remove any tree or structure which are in or adjacent to the Easement Area which, in easement holder's reasonable determination, interferes with its use of the Easement. Easement holder may trim any trees or remove any tree which is in or adjacent to the Easement Area which exceeds a height of 20 feet or poses a risk of falling onto the easement holder's facilities or equipment located within the Easement.
