However, I do agree with John. Lisa has long been leaking closed session information, and it is time that stops. We are all tired of her controlling the agenda. Everything and anything that she does not agree with gets pushed or does not come back at all. But allows anything to come back quickly if it benefits her or her supporters. Just look at her "Personal Advisor" Kirk Vartan. His items get moved up all the time. Why? Because he works for her, and his main job is to harass council members.

But shame on many others for using Gillmor as their useful idiot against Anthony Becker. Shame on Kathy Watanabe and Deanna Santana for nothing but silence when she has acted poorly. Shame on Police Chief Nikolai for gossipy texting with Gillmor. Shame on Brian Doyle for showing Gillmor how to use the dais for personal vendettas, especially against the LGBTQ+ and MultiCultural Communities. Part of why she should face jail time for consistently leaking closed session information for her benefit.

With the assumption that district attorney Rosen's charges against councilperson Anthony Becker have merit then shame on Anthony Becker. But shame on many others for using Becker as their useful idiot against Lisa Gillmor. Shame on Karen Hardy and Raj Chahal for nothing but silence when he has acted poorly. Shame on Suds Jain for gossipy texting with Becker. Shame on Kevin Park for showing Becker how to use the dais for personal vendettas. Part of why he now faces jail time is your enablement.
