Mayor and Council,

I am a Santa Clara resident who commutes by bicycle daily. I strongly support item 21-1198, bicycle lane improvements on Pruneridge Avenue-Lawrence Expressway. These improvements will make navigating the busy intersection much safer for cyclists.

Regards,  
Dustin Harber

To the Mayor and Council:

I hope you will all support item 2.F "Action on Award of Contract for the Pruneridge Avenue-Lawrence Expressway Bicycle Lane Improvements" on the consent agenda for January 26. This intersection is one of fewer than a dozen priority spot improvements in our 2018 Bicycle Plan. (The attached image is part of figure ES-1). These updates should help close a gap and correct a conflict point in our bicycle network.
