Summary: Current law authorizes any party to protest the imposition of a fee, dedication, reservation, or other exactions imposed on a development project within 90 or 120 days of the imposition of the fee, as applicable, and specifies procedures for those protests and actions. The Mitigation Fee Act imposes the same requirements on a local agency for a new or increased fee for public facilities. Current law, for specified fees, requires any judicial action or proceeding to attack, review, set aside,

void, or annul an ordinance, resolution, or motion adopting a new fee or service charge or modifying an existing fee or service charge to be commenced within 120 days of the effective date of the ordinance, resolution, or motion. Current law also provides that, if an ordinance, resolution, or motion provides for an automatic adjustment in a fee or service charge and the adjustment results in an increase in the fee or service charge, that any action to attack, review, set aside, void, or annul the increase to be commenced within 120 days of the increase. This bill would increase, for fees and service charges and for fees for specified public facilities, the time for mailing the notice of the time and place of the meeting to at least 45 days before the meeting.

Summary: Current law establishes, within the Unemployment Compensation Disability Fund program, a family temporary disability insurance program, also known as the paid family leave program, for the provision of wage replacement benefits for up to 8 weeks to workers who take time off work to care for a seriously ill family member or to bond with a minor child within one year of birth or placement, as specified. Current law defines "weekly benefit amount" for purposes of both employee contributions and benefits under this program to mean the amount of weekly benefits available to qualifying disabled individuals pursuant to unemployment compensation disability law, calculated pursuant to specified formulas partly based on the applicable percentage of the wages paid to an individual for employment by employers during the quarter of the individual's disability base period in which these wages were highest, but not to exceed the maximum workers' compensation temporary disability indemnity weekly benefit amount established by the Department of Industrial Relations. This bill would revise the formula for determining benefits available pursuant to the family temporary disability insurance program, for periods of disability commencing after January 1, 2022, by redefining the weekly benefit amount to be equal to 90% of the wages paid to an individual for employment by employers during the quarter of the individual's disability base period in which these wages were highest, divided by 13, but not exceeding the maximum workers' compensation temporary disability indemnity weekly benefit amount established by the Department of Industrial Relations.

Summary: Current law provides that a tenant is guilty of unlawful detainer if the tenant continues to possess the property without permission of the landlord in specified circumstances, including when the tenant has violated the lease or rental agreement by defaulting on rent, and requires the tenant be served a 3 days' notice in writing to cure the default, as specified. Current law provides that an unlawful detainer action is subject to the COVID-19 Tenant Relief Act of 2020, which provides tenants with specified temporary protections from eviction, if the default in the payment of rent is based upon COVID-19 rental debt, as defined. This bill, the COVID-19 Emergency Small Business Eviction Relief Act, would, until July 1, 2025, require a landlord, who receives a statement signed by a commercial tenant, as defined, and supported by documentary evidence that evidences that the tenant requests emergency rent relief because the business of the commercial tenant has experienced a decrease in average monthly gross revenue of at least 50%, which is reasonably attributable to public health regulations adopted to address the COVID-19 pandemic, during the qualifying time period, as defined, as compared with the 12 months immediately preceding the qualifying time period, to conduct a good faith negotiation to form a plan to allow the commercial tenant a reasonable opportunity to repay COVID-19 lease debt while minimizing the hardship to the landlord.

Summary: The Planning and Zoning Law authorizes a local agency to provide, by ordinance, for the creation of accessory dwelling units in single-family and multifamily residential zones and requires a local agency that has not adopted an ordinance to ministerially approve an application for an accessory dwelling unit, and sets forth required ordinance standards, including that the ordinance prohibit the sale or conveyance of the accessory dwelling unit separately from the primary residence. Current law, notwithstanding the prohibition described above, authorizes a local agency to, by ordinance, allow an accessory dwelling unit to be sold or conveyed separately from the primary residence to a qualified buyer if certain conditions are met. This bill would require each local agency to allow an accessory dwelling unit to be sold or conveyed separately from the primary residence to a qualified buyer if the above-described conditions are met.

Summary: Current law establishes a workers' compensation system, administered by the Administrative Director of the Division of Workers' Compensation, to compensate an employee for injuries sustained in the course of the employee's employment. This bill would define "injury," for certain employees of a city, county, city and county, district, or other municipal corporation or political subdivision regularly exposed to active fires or health hazards directly resulting from firefighting operations, to include cancer that develops or manifests during a period in which the individual demonstrates that they were exposed to a known carcinogen while in the employment of the city, county, city and county, district, or other municipal corporation or political subdivision. The bill would establish a presumption that the cancer in those cases arose out of, and in the course of, employment, unless the presumption is controverted by evidence that the primary site of the cancer has been established and that the carcinogen to which the person has demonstrated exposure is not reasonably linked to the disabling cancer.

Summary: Current law establishes minimum content requirements for recycled products. Current law requires a state agency to report annually to the Department of Resources Recycling and Recovery its progress in meeting the recycled product purchasing requirements using a SABRC report format. Existing law requires the Department of General Services (DGS), if a requirement has not been met, in consultation with the Department of Resources Recycling and Recovery, to review purchasing policies and make recommendations for immediate revisions to ensure that the recycled product purchasing requirements are met. This bill would require a state agency, if fitness and quality are equal, to purchase recycled products instead of nonrecycled products, without regard to cost. The bill would substantially revise product categories.

Summary: Current law prescribes various requirements for the organization and administration of public retirement systems, which typically provide pension, disability, and death benefits to their members. Current law provides that participants in certain membership categories may be entitled to special benefits if death or disability arises in the course of employment. The California Public Employees' Pension Reform Act of 2013 (PEPRA) generally requires a public retirement system, as defined, to modify its plan or plans to comply with that act and establishes, among other things, limits on defined benefit formulas and caps on pensionable compensation. This bill, until January 1, 2023, would create a presumption, applicable to the retirement systems that PEPRA regulates and to specified members in those systems, that would be applied to disability retirements on the basis, in whole or in part, of a COVID-19-related illness. In this circumstance, the bill would require that it be presumed the disability arose out of, or in the course of, the member's employment. The bill would authorize the presumption to be rebutted by evidence to the contrary, but unless controverted, the applicable governing board of a public retirement system would be required to find in accordance with the presumption.

Summary: Current law creates the Santa Clara Valley Transportation Authority (VTA) with various powers and duties relative to transportation projects and services and the operation of public transit in the County of Santa Clara. Current law vests the government of the VTA in a 12-member board of directors whose terms of office are two years. Under existing law, only members of the county board of supervisors and city council members and mayors of cities in the county are authorized to serve on the board. Current law provides for the appointment of the board members by those local governments, as specified. This bill, on and after July 1, 2022, would reduce the size of the board to 9 members, increase their terms of office to 4 years, and provide for residents living in the county, rather than local officials, to serve on the board, as specified.

Summary: The Planning and Zoning Law, requires a county and city to adopt a comprehensive, long-term general plan for the physical development of the county or city, and specified land outside its boundaries, that includes, among other things, a housing element. Current law requires that the housing element include, among other things, an inventory of land suitable and available for residential development. If the inventory of sites does not identify adequate sites to accommodate the need for groups of all household income levels, as provided, current law requires that the local government rezone sites within specified time periods. If the local government fails to adopt a housing element within 120 days of the applicable statutory deadline, existing law requires that the local government (A) complete this rezoning no later than 3 years and 120 days from the statutory deadline for the adoption of the housing element and (B) revise its housing element every 4 years until the local government has adopted at least 2 consecutive revisions by the statutory deadline. This bill would require that a local government that fails to adopt a housing element that the Department of Housing and Community Development has found to be in substantial compliance with state law within 120 days of the statutory deadline to complete this rezoning no later than one year from the statutory deadline for the adoption of the housing element.

Summary: The California Emergency Services Act, authorizes the Governor to proclaim a state of emergency, and local officials and local governments to proclaim a local emergency, when specified conditions of disaster or extreme peril to the safety of persons and property exist, and authorizes the Governor or the appropriate local government to exercise certain powers in response to that emergency. Existing law defines the terms "state of emergency" and "local emergency" to mean a duly proclaimed existence of conditions of disaster or of extreme peril to the safety of persons and property within the state caused by, among other things, fire, storm, or riot. This bill would additionally include a "deenergization event," defined as a planned power outage, as specified, within those conditions constituting a state of emergency and a local emergency.

Summary: The Planning and Zoning Law requires each county and city to adopt a comprehensive, long-term general plan for the physical development of the county or city, and specified land outside its boundaries, that includes, among other mandatory elements, a housing element. For the 4th and subsequent revisions of the housing element, current law requires the Department of Housing and Community Development to determine the existing and projected need for housing for each region. Current law requires the appropriate council of governments, or the department for cities and counties without a council of governments, to adopt a final regional housing need plan that allocates a share of the regional housing need to each city, county, or city and county, as provided. Current law requires that the final regional housing plan adopted by a council of governments, or a delegate subregion, as applicable, be based on a methodology that includes specified factors, and similarly requires that the department take into consideration specified factors in distributing regional housing need, as provided. This bill would require that a council of governments, a delegate subregion, or the department, as applicable, additionally consider among these factors emergency evacuation route capacity, wildfire risk, sea level rise, and other impacts caused by climate change.

Summary: The California FAIR Plan Association is a joint reinsurance association in which all insurers licensed to write basic property insurance participate in administering a program for the equitable apportionment of basic property insurance for persons who are unable to obtain that coverage through normal channels. Current law defines "basic property insurance" for these purposes, and excludes from that definition insurance on automobile or farm risks. Current law authorizes the governing committee of the association to establish separate classifications of written premiums for the purpose of equitable distribution of basic property insurance, but prohibits those classifications from including premiums from automobile or farm risks. For purposes of the above-described provisions, this bill would exclude from "farm risks" a farm's equipment or permanent structures, other than a private garage, used primarily for the production of commercial agricultural commodities or livestock.

Summary: Current law prescribes requirements for the disposal of surplus land by a local agency, as defined. This bill, except in the case of specified property, would additionally provide that the surplus land disposal procedures as they existed on December 31, 2019, apply if a local agency, as of September 30, 2019, has issued a competitive request for proposals that seeks development proposals seeking development proposals for the property that includes a residential component of at least 100 residential units and 25% of the total units developed comply with specified affordability criteria, provided that a disposition and development agreement, as defined, is entered into not later than December 31, 2024. If the property is not disposed of pursuant to a qualifying disposition and development agreement before March 31, 2026, or if no disposition and development agreement is entered into before December 31, 2024, the bill would require that future negotiations for and disposition of the property comply with the surplus land disposal procedures then in effect.

Summary: The Ralph M. Brown Act requires meetings of the legislative body of a local agency to be open and public and also requires regular and special meetings of the legislative body to be held within the boundaries of the territory over which the local agency exercises jurisdiction, with specified exceptions. Current law authorizes a person to request that a copy of an agenda, or a copy of all the documents constituting the agenda packet, of any meeting of a legislative body be mailed to that person. This bill would require a local agency with an internet website, or its designee, to email a copy of, or website link to, the agenda or a copy of all the documents constituting the agenda packet if the person requests that the items be delivered by email. If a local agency determines it to be technologically infeasible to send a copy of the documents or a link to a website that contains the documents by email or by other electronic means, the bill would require the legislative body or its designee to send by mail a copy of the agenda or a website link to the agenda and to mail a copy of all other documents constituting the agenda packet, as specified.

Summary: The California Public Employees' Pension Reform Act of 2013 (PEPRA) generally requires a public retirement system, as defined, to modify its plan or plans to comply with the act. PEPRA, among other things, establishes new defined benefit formulas and caps on pensionable compensation. This bill would establish new procedures under PERL for cases in which PERS determines that the benefits of a member or annuitant are, or would be, based on disallowed compensation that conflicts with PEPRA and other specified laws and thus impermissible under PERL. The bill would also apply these procedures retroactively to determinations made on or after January 1, 2017, if an appeal has been filed and the employee member, survivor, or beneficiary has not exhausted their administrative or legal remedies. At the threshold, after determining that compensation for an employee member reported by the state, school employer, or a contracting agency is disallowed, the bill would require the applicable employer to discontinue the reporting of the disallowed compensation.

Summary: Current law authorizes the Department of Alcoholic Beverage Control to issue various types

of licenses and prohibits a person from exercising the privilege which a licensee may exercise or performing under the authority of a license unless the person is authorized to do so by a license. TThis bill would authorize the holder of a retail on-sale license or a licensed beer manufacturer that operates a bona fide eating place to exercise additional off-sale rights and privileges, subject to specified requirements. In this regard, the bill would authorize the licensee to sell alcoholic beverages for off-sale consumption for which their license permits on-sale consumption if the beverages are in manufacturer prepackaged containers.

Summary: The California Emergency Services Act authorizes the Governor to proclaim a state of emergency, and local governments to proclaim a local emergency, when specified conditions of disaster or extreme peril to the safety of persons and property exist, and authorizes the Governor or the local government to exercise certain powers in response to that emergency. Current law grants immunity to the state and its political subdivisions for any claim based upon the exercise or performance, or the failure to exercise or perform, a discretionary function or duty on the part of a state or local agency or any employee of the state or its political subdivisions in carrying out the California Emergency Services Act. This bill, the Religion is Essential Act, would, during a state of emergency or local emergency, require the Governor or the local government to deem religious services to be an essential service and to be necessary and vital to the health and welfare of the public.

Summary: Current law requires the Natural Resources Agency, in collaboration with the Ocean Protection Council, to create, update biannually, and post on an internet website a Planning for Sea Level Rise Database describing steps being taken throughout the state to prepare for, and adapt to, sea level rise. Current law further requires that various public agencies and private entities provide to the agency, on a biannual basis, sea level rise planning information, as defined, that is under the control or jurisdiction of the public agencies or private entities, and requires the agency to determine the information necessary for inclusion in the database, as prescribed. Current law repeals these provisions on January 1, 2023. This bill would extend the sunset date for the above provisions until January 1, 2028.

Summary: The Planning and Zoning Law requires a city or county to adopt a general plan for land use development within its boundaries that includes, among other things, a housing element. That law requires the planning agency of a city or county to provide, by April 1 of each year, an annual report to, among other entities, the Department of Housing and Community Development that includes, among other specified information, the number of applications submitted, the location and total number of developments approved, the number of building permits issued, and the number of units constructed pursuant to a specific streamlined, ministerial approval process. This bill would, commencing January 1, 2023, require a planning agency to include in that annual report specified information on costs, standards, and applications for proposed housing development projects and specified information on housing development projects within the jurisdiction.

Would prohibit a local agency, as defined, from imposing a floor-to-area ratio standard that is less than 1.0 on a housing development project that consists of 3 to 7 units, or less than 1.25 on a housing development project that consists of 8 to 10 units. The bill would prohibit a local agency from imposing a lot coverage requirement that would preclude a housing development project from achieving the floor-to-area ratios described above.

Summary: Current law requires, by July 1, 2020, a community water system with known lead user service lines in use in its distribution system to provide a timeline for replacement of those lines to the State Water Resources Control Board. Current law requires the state board to review and approve an established timeline, and requires, if the state board fails to act within 30 days of the submission of the timeline, the timeline to be deemed approved. Current law authorizes the state board to enforce these requirements, as specified, and a violation is considered a violation of the California Safe Drinking Water Act, subjecting the violator to specified civil and criminal penalties. This bill would, until January 1, 2025, require a community water system to remove or replace the full lead user service line, if the community water system disturbs, removes, or replaces a portion thereof. The bill would apply the above-described enforcement provisions to a violation of the requirements of the bill, thereby creating a state-mandated local program by expanding the scope of crimes under the California Safe Drinking Water Act.

The bill would authorize a load-serving entity within the service territory of the electrical corporation to elect to receive all or a portion of the vintaged proportional share of those legacy resources allocated to its end-use customers and, if it so elects, would require it to pay to the electrical corporation the commission-established market price benchmark for the vintage proportional share of the resources received.

Summary: Current law requires the Department of Resources Recycling and Recovery, in consultation with the state board, to adopt regulations to achieve those targets for reducing organic waste in landfills, and authorizes those regulations to require local jurisdictions to impose requirements on generators or other relevant entities within their jurisdiction, to authorize local jurisdictions to impose penalties on generators for noncompliance, and to include penalties to be imposed by the department for noncompliance. Current law provides that those regulations shall take effect on or after January 1, 2022, except that the imposition of penalties by local jurisdictions pursuant to the regulations shall not take effect until 2 years after the effective date of the regulations. This bill, until January 1, 2023,

would require the department to only impose a penalty on a local jurisdiction, and would require a penalty to only accrue, for a violation of the regulations if the local jurisdiction did not make a reasonable effort, as determined by the department, to comply with the regulations.

Summary: Current law, commonly referred to as the Density Bonus Law, requires a city or county to provide a developer that proposes a housing development within the city or county with a density bonus and other incentives or concessions, as specified, if the developer agrees to construct, among other options, specified percentages of units for moderate-income or, lower, or very low income households and meets other requirements. Current law requires the developer and the city or county to ensure that the initial occupant of a for-sale unit that qualified the developer for the award of the density bonus is a person or family of very low, low, or moderate income. This bill, as an alternative to

ensuring that the initial occupant of a for-sale unit is a person or family of the required income, would authorize the developer and the city or county to ensure that a qualified nonprofit housing organization that is receiving the above-described welfare exemption purchases the unit pursuant to a specified recorded contract that includes an affordability restriction, an equity sharing agreement, and a repurchase option that requires a subsequent purchaser that desires to sell or convey the property to first offer the nonprofit corporation the opportunity to repurchase the property.

Summary: The Planning and Zoning Law, among other things, provides for the creation of accessory dwelling units by local ordinance, or, if a local agency has not adopted an ordinance, by ministerial approval, in accordance with specified standards and conditions. Current law prohibits a local agency’s accessory dwelling unit ordinance from imposing a setback requirement of more than 4 feet from the side and rear lot lines for an accessory dwelling unit that is not converted from an existing structure or a new structure constructed in the same location and to the same dimensions as an existing structure. This bill would remove the above-described prohibition on a local agency’s accessory dwelling unit ordinance, and would instead provide that the rear and side yard setback requirements for accessory dwelling units may be set by the local agency. The bill would authorize an accessory dwelling unit applicant to submit a request to the local agency for an alternative rear and side yard setback requirement if the local agency’s setback requirements make the building of the accessory dwelling unit infeasible.
