

ORDINANCE NO. 2075

AN ORDINANCE OF THE CITY OF SANTA CLARA, CALIFORNIA, AMENDING ARTICLE IV ("STADIUM PILOT PROGRAM") OF CHAPTER 5.05 (SOLICITORS AND PEDDLERS) OF "THE CODE OF THE CITY OF SANTA CLARA, CALIFORNIA"

BE IT ORDAINED BY THE CITY OF SANTA CLARA AS FOLLOWS:

WHEREAS, in 2018 the State legislature passed SB 946 which placed significant limitations on local agencies' ability to regulate sidewalk vending;

WHEREAS, among other things, SB 946 required that any time, place, and/or manner restrictions that were placed on sidewalk vendors be supported by objective health, safety, and welfare concerns. Furthermore, SB 946 limited the types of personal information that could be collected in the permitting process, and limited the enforcement activity that a public agency could conduct;

WHEREAS, in response to a marked increase in sidewalk vending in the areas surrounding Levi's Stadium on event days, and the noticeable safety-related concerns arising from this increased activity, the City adopted Ordinance No. 2062 establishing a street vending pilot program upon the most affected public sidewalks and pedestrian paths surrounding Levi's Stadium in accordance with the requirements of SB 946;

WHEREAS, the Program was implemented to run during the 2023 football season, and was re-adopted to run through the 2024 non-NFL event season and football season;

//

//

//

//

WHEREAS, during the 2023 football season, it was discovered that the portion of Old Glory Lane west of Great America Parkway – which provides pedestrian access to several Stadium parking lots – was not included in the original scope of the pilot program, but did experience the health, safety, or welfare concerns set forth in SCCC 5.05.440, and the concerns were ongoing. Accordingly, the Ordinance was amended to extend the sunset date to February 28, 2025 (to allow for further observation during the 2024 season) and to include the described portion of Old Glory Lane;

WHEREAS, during the 2024 football season, further analysis of the health, safety, and welfare concerns along Old Glory Lane was conducted, and it was determined that such concerns were primarily experienced in the east bound lanes, west of Great America Parkway. The west bound lanes of Old Glory Lane, west of Great America Parkway, were open to permitted vendors and posed no health, safety, and welfare concerns;

WHEREAS, after observing and analyzing sidewalk vending operations during two football seasons and one non-NFL event season, the City has determined that the restrictions set forth in this Ordinance should be made permanent, subject only to further amendment of this Ordinance by Council action, as they are directly related to observed and experienced health, safety, and welfare concerns in the areas listed. These concerns are extremely serious and will not be mitigated without continued enforcement; and

WHEREAS, for these reasons, the City Council deems it to be in the best interests of the City permanently codify the Stadium Pilot Program as the “Stadium Area Sidewalk Vending” Ordinance, Article IV of Chapter 5.05 of the City Code, and modify the time, place, manner restrictions as stated.

//
