City of Santa Clara Wade Brummal Youth Sports Scholarship/Grant Program

Introduction

The Wade Brummal Youth Sports Grant Program was established in memory of Santa Clara resident and youth sports enthusiast Wade Brummal. On October 27, 2015, Council approved a fee of \$25 per non-resident youth participant in Santa Clara youth sports organizations as a means of generating funds to support economically challenged Santa Clara youth to participate in local Santa Clara based youth sports programs.

General Information

1. Groups receiving funds shall submit a report on achievements accomplished with the funds received.
2. Groups shall submit a financial statement related to the expenditure of grant funds upon completion of the program, project, or activity.
3. Scholarship funds are not granted directly to individuals. Checks are to be made out to service provider, merchant, or organization only.
4. Groups are asked to acknowledge the support of the Wade Brummal Scholarship/Grant Program where appropriate.

Eligibility

1. The organization must be a City of Santa Clara based non-profit sports, or school organization serving youth 18 years and under.
2. The organization must be current in its payment of non-resident youth participant fees.
3. Grant funds must be used to cover registration and/or participation fees, enhancing services, training, equipment, facilities, or other expenses related to the sport, league, or activity.
4. Requests shall be made by organizations/individuals no more than one time per quarter.
5. A limit of \$500 per group, per request can be granted by the Parks & Recreation Department.
6. Larger grant amounts may be considered by the Parks & Recreation Commission provided the Grant Program has accumulated sufficient funds.

Priorities of Funding

1. Participant Scholarships. Reimbursement of a youth sports organization's direct financial assistance to support disadvantaged residents to participate in the sport (i.e. league registration fees, participation, etc.)
2. Relevant program costs. Reimbursement for new equipment, field repairs, capital projects, and maintenance costs.
3. Reimbursement of costs related to additional competition expenses (i.e., travel).
4. Requests from non-contributing Santa Clara based youth sports organizations and programs are also eligible to request funds based on fund availability and are subject to approval by the Parks & Recreation Commission.

Contributions to the fund do not constitute a guarantee of funding.

Grant payments are administered by the City of Santa Clara, Parks & Recreation Department.
