## **ABC License Restrictions**

- All alcoholic beverages offered for sale to the general public shall be displayed within the portion of the retail premises open to the public. Such display may include by way of electronic, on-line, or other form of catalog. The alcoholic beverages offered for sale to in-person visitors can be a curated selection and need not include all alcoholic beverages in petitioner/licensee's inventory.
- On each day of the week during which the licensee is exercising its license privileges, the public area of the licensed premises shall be open and operating for at least 50 percent of the hours during which alcoholic beverages are offered for off-site delivery to customers.
- The hours during which the public area of the retail premises is open to the public shall be posted at the entrance to the premises
- Petitioner/licensee shall maintain records to establish compliance, and shall provide them to the Department upon demand.
