Santa Clara Planning Department

Attention: Gloria Sciara

Steve Le

Per your request this is a summary of our intention to develop our unused portion of our land located at 1653 Fremont St. in S.C.

We are a brother and sister who have grown up in our grand parents house at Fremont St. We would like to move a house located at 645 Benton St. It is our goal to reside in these two houses as we approach old age. I presently live in the accessory unit in the back.

Respectfully,

Jeannie Stewart
