

**CITY OF SANTA CLARA, CALIFORNIA
CLASS SPECIFICATION**

TITLE: ACCOUNTING TECHNICIAN I (JOB CODE 216)

DEPARTMENT	ACCOUNTABLE TO	FLSA STATUS
Finance	Various	Non-Exempt

CLASS SUMMARY

This is the entry-level class within the Accounting Technician series in the classified service. Performs basic accounting work including the maintenance of financial records, systems or transactions. Interfaces with other City departments, auditors, business entities, governmental jurisdiction and general public, giving and receiving information regarding area of financial responsibility. Performs related duties as assigned.

DISTINGUISHING CHARACTERISTICS

This is the entry level classification in the flexibly staffed Accounting Technician series. Incumbents work under immediate supervision and are not expected to function with the same knowledge or skill set as the Accounting Technician II. This classification exercises less independent discretion and judgement in matters related to work procedures and methods. Work is usually supervised while in progress and fits an established structure or pattern. Exceptions or changes in procedures are explained in detail as they arise. This class is distinguished from the class of Accounting Technician II in that the latter is the second level class where incumbents are responsible for performing the full range of accounting work and may perform more complex work assignments.
