

Conditions of Approval
2341 El Camino Real – Lupita’s Taqueria

GENERAL

- G1. Developer agrees to defend and indemnify and hold City, its officers, agents, employees, officials and representatives free and harmless from and against any and all claims, losses, damages, attorneys' fees, injuries, costs, and liabilities arising from any suit for damages or for equitable or injunctive relief which is filed against the City by reason of its approval of developer's project.
- G2. If relocation of an existing public facility becomes necessary due to a conflict with the developer's new improvements, then the cost of said relocation shall be borne by the developer.

COMMUNITY DEVELOPMENT

- C1. Obtain required permits and inspections from the Building Official and comply with all building code requirements and conditions thereof.
- C2. The project shall comply with all California Department of Alcoholic Beverage Control licensing requirements.
- C3. The Director of Community Development may refer the Use Permit to the Planning Commission at any time to consider the initiation of revocation proceedings if the conditions of approval are violated or the operation is inconsistent with the approved project description. In addition, if complaints are received by the City with respect to this use, staff shall provide a review of the Use Permit to the Planning Commission within three months for consideration of revocation proceedings.
- C4. Full menu food service shall be available during all hours that the restaurant is open and alcoholic beverages are served.
- C5. On-site consumption of alcohol shall be limited to within the restaurant.
- C6. The Planning Commission shall review this Use Permit twelve (12) months from the date that applicant obtains an active Alcoholic Beverage Control (ABC) License Type 41. After six months from obtaining the ABC license, the City will conduct an administrative review of any ABC violations and police service calls and report any significant occurrences to the Planning Commission.
- C7. Applicant is responsible for collection and pick-up of all trash and debris on-site and adjacent public right-of-way.

ENGINEERING

- E1. Obtain site clearance through the Public Works Department prior to issuance of Building Permit. Site clearance will require payment of applicable development fees. Other requirements may be identified for compliance during the site clearance process. Contact the Public Works Department at (408) 615-3000 for further information.
- E2. All work within the public right-of-way and/or public easement, which is to be performed by the Developer/Owner, the general contractor, and all subcontractors shall be included within a Single Encroachment Permit issued by the Public Works Department. Issuance of the Encroachment Permit and payment of all appropriate fees shall be completed prior to commencement of work, and all work under the permit shall be completed prior to issuance of occupancy permit.

WATER

W1. All food service projects conducting commercial cooking operations including dishwashing activities and equipment cleaning that generate grease-laden wastewater are subject to review from the Water and Sewer Utilities Department, for FOG Control and grease interceptor installation requirements. All food service projects are required to have an approved stamp from the Santa Clara County Department of Environmental Health before plans can be accepted for review. Contact Compliance Division of the Water and Sewer Utilities at (408) 615-2002 for a Food Service Checklist to initiate the process.
