Resolution No. 5081 also ordered that the costs and expenses of maintaining and operating the on-site public improvements ("Public Improvements") on the property within the District, including the cost of necessary repairs, replacements, fuel, power, electrical current, care, supervision and any and all other items necessary for the proper maintenance and operation of the Public Improvements be raised by the levy of an annual special benefit assessment apportioned according to special benefits conferred among the parcels of property within the District in accordance with a formula set forth in Resolution No. 5081, and in accordance with and pursuant to the provisions for the alternative method for the levy of benefit assessments in maintenance districts in the City as provided in the City Code;

**WHEREAS**, the Council adopted Ordinance No. 1401 on April 8, 1980, which provided for an alternative method for annually fixing and levying a special benefit assessment within maintenance districts located in the City for said purpose;

The costs of operation, maintenance, and servicing of improvements to be funded by the District are apportioned to each parcel in proportion to the special benefit it receives;

**WHEREAS**, City Staff met with the affected property owners on April 6, 2022 to discuss the Director's Report;

**WHEREAS**, in the event of an assessment that is greater than any previous assessment, a majority weighted vote of the Ballots (weighting determined by an amount of assessment paid), must be received in order to approve any proposed increase in assessment;

**WHEREAS**, for Fiscal Year 2022-23, the assessments are increasing and therefore, Proposition 218 requirements do apply; and
