Dear City Council Members,

My name is George Guerra, I'm a City of Santa Clara Parks and Recreation Commissioner and a resident of Santa Clara for over 50 years.

I'm pleased that this item is on the agenda for today's City Council Meeting. My first memories of Mr. Fiorillo (Vincent) was back in the day when I played baseball for Briarwood Little League and our team would celebrate victory's at Fiorillo's. It's has been a great pleasure getting to know the family thru the years, most recently I have gotten to know Vincent's son Mike, his wife Jen, and their kids Genaro, and Julianna, as our sons played on the Santa Clara Lions football team together. I have also had the pleasure to meet Mike's mom Elaine, his sister Renee and her kids Elayne and Nicholas. In getting to know the Fiorillo's, one thing is clear your not just a customer to them you are a family member. Through, the years the Fiorillo family has been a constant not just for their great food, but for their ability to make you feel welcomed and for serving our community. For me, I have spent happy times (Birthday's, 8<sup>th</sup> grade graduations, Wedding Anniversary,) at Fiorillo's because I knew that they would take good care of me and my family. I strongly encourage the Commission to name the new park at 575 Benton the Vincent Fiorillo & Family Park.

Thank You  
George Guerra
