- 7 stories being constructed by Oakridge
- Bascom/Hamilton, two 7-story projects
- 15-17 stories at Winchester & Pruneridge (proposed)
- 700+ apartment building at Winchester and 280 (old Mobile Home park)
- New apartment building on Stevens Creek and Saratoga
- New proposal at Moonlight (6-7 stories) on El Camino
- All of Tasman East!!!!

Developers seems to want to get **more housing** on the existing land, **not less**. Literally all state legislation recently passed is to allow for ***more*** density, not less. **And this was already approved!!!!**
