Help Shape the Future of Santa Clara District Elections

The City is seeking input from the community on the number of districts. Is the current six-district model working or would some other model be preferred?

Introduction

A majority of Santa Clarans have indicated support for moving to district-based elections for its councilmembers, with the Mayor being elected at-large. Currently, the City of Santa Clara is operating under an interim six council district system, with one councilmember elected to represent each district.

The City is seeking input from the community on the number of districts. Is the current six-district model working or would some other model be preferred?

Please provide a response to the following questions. Your personal information will not be collected unless you choose to provide it. The survey results will be provided to the City's Charter Review Committee that will recommend a City Charter amendment about district elections to the City Council for potential placement on the March 2020 ballot.

Help Shape the Future of Santa Clara District Elections

The City is seeking input from the community on the number of districts. Is the current six-district model working or would some other model be preferred?

Introduction

A majority of Santa Clarans have indicated support for moving to district-based elections for its councilmembers, with the Mayor being elected at-large. Currently, the City of Santa Clara is operating under an interim six council district system, with one councilmember elected to represent each district.

I DON'T believe in segregating our community. WE HAVE ALWAYS VIEWED SANTA CLARA AS A LOCAL COMMUNITY NOT A "BIG CITY"! THE WAY WE HAVE ALWAYS VOTED HAS ~~BEEN~~ SERVED US WELL OVER THE YEARS! IF IT'S NOT BROKE DON'T TRY TO FIX IT.
