This Agreement, including the Exhibits set forth above, contains all the agreements, representations and understandings of the Parties, and supersedes and replaces any previous agreements, representations and understandings, whether oral or written. In the event of any inconsistency between the provisions of any of the Exhibits and the Terms and Conditions, the Terms and Conditions shall govern and control.

2. TERM OF AGREEMENT

- A.** Unless otherwise set forth in this Agreement or unless this paragraph is subsequently modified by written amendment to this Agreement, the term of this Agreement shall begin on December 1, 2025, and terminate on November 30, 2030 ("Initial Term").
- B.** After the Initial Term, City reserves the right, at its sole discretion, to extend the term of this Agreement for up to one (1) additional years through November 30, 2031 ("Option Periods") in such increments as determined by City. The Option Periods shall be authorized through an Amendment to this Agreement executed by the Parties. The Initial Term and Option Periods shall collectively be referred to as "Term".

Contractor agrees to promptly replace or correct any incomplete, inaccurate or defective Services or materials at no further cost to City when defects are due to the negligence, errors, or omissions of Contractor. If Contractor fails to promptly correct or replace Services or materials, City may make corrections or replace Services or materials and charge Contractor for the cost incurred by City.

5. QUALIFICATIONS OF CONTRACTOR - STANDARD OF CARE

- A.** Contractor represents and maintains that it is skilled in the professional calling necessary to perform the Services, including its duties and obligations, expressed and implied, contained herein. - B.** Termination for Default. For purposes of this Section 7.B., the word "Default" shall mean the failure of Contractor to perform any of Contractor's duties or obligations or the breach by Contractor of any of the terms and conditions set forth in this Agreement. In addition, Contractor shall be deemed to be in Default upon Contractor (i) applying for, consenting to, or suffering of, the appointment of a receiver, trustee or liquidator for all or a substantial portion of its assets; (ii) making a general assignment for the

benefit of creditors; (iii) being adjudged bankrupt; (iv) filing a voluntary petition or suffering an involuntary petition under any bankruptcy, arrangement, reorganization or insolvency law (unless in the case of an involuntary petition, the same is dismissed within thirty (30) days of such filing); or (v) suffering or permitting to continue unstayed and in effect for fifteen (15) consecutive days any attachment, levy, execution or seizure of all or a substantial portion of Contractor's assets or of Contractor's interests hereunder. In the event of any Default by Contractor, in addition to all other remedies provided by law, City may terminate this Agreement immediately upon written notice to Contractor.

- C.** Upon termination, each Party shall assist the other in arranging an orderly transfer and close-out of services. As soon as possible following the notice of termination, but no later than ten (10) days after the notice of termination, Contractor will deliver to City all City information or material that Contractor has in its possession.
- D.** In the event of termination under sections 7.A. or 7.B., Contractor shall have no further rights hereunder

8. ASSIGNMENT AND SUBCONTRACTING

City and Contractor bind themselves, their successors and assigns to all covenants of this Agreement. This Agreement shall not be assigned or transferred without the prior written approval of City. Contractor shall not hire subcontractors without express written permission from City.

Contractor shall be as fully responsible to City for the acts and omissions of its subcontractors, and of persons either directly or indirectly employed by them, as Contractor is for the acts and omissions of persons directly employed by it.

9. NO THIRD PARTY BENEFICIARY

This Agreement shall not be construed to be an agreement for the benefit of any third party or parties and no third party or parties shall have any claim or right of action under this Agreement for any cause whatsoever.

10. INDEPENDENT CONTRACTOR

Contractor and all person(s) employed by or contracted with Contractor to furnish labor and/or materials under this Agreement are independent contractors and do not act as agent(s) or employee(s) of City. Contractor has full rights to manage its employees in their performance of Services under this Agreement. Contractor has full rights to manage its workers, contractors and or employees in their performance of Services.

Contractor shall enter into written agreements with all persons it engages, hires, contracts with, or employs to perform Services or provide labor and or materials to

City, which state the persons are not employees of the City, and such persons are required to immediately report to Contractor any and all instances of any of the following, if they occur during the time the persons provide labor and or materials to City: (a) The way a person supplies labor and or materials to City is supervised by City or City's designee; (b) The person is informed they should follow instructions given by City concerning how the person's labor and material are to be provided; (c) The person is informed they should give City access to on-going review of the person's labor and or materials; (d) The person is informed by City they should participate or attend training; (e) The person is unavailable to promote or otherwise make their labor and or materials available to the general public as a result of the provision of labor and materials to City; (f) The person is informed they are City's employee; or (g) The person forms a belief or opinion they are City's employee.

Contractor must immediately provide written notice to City of any report under Section 10 and provide related information as reasonably requested by City. The Parties agree failure of Contractor to immediately provide written report to City of any notice it receives from any source, relating to Section 10, constitutes material breach of this Agreement.

Contractor will inform and train persons it engages, hires, contracts with, or employs to provide labor and or materials to City on the requirements of Section 10. Contractor shall require that its workers and or personnel immediately report to their respective Contractor supervisor any perceived occurrence under Section 10.

11. CONFIDENTIALITY OF MATERIAL

A. "Confidential Information" means, with respect to a Party hereto, all information or material which either (1) is marked or identified as "Confidential," "Restricted," or "Proprietary Information" or other similar marking or identification, or (2) the other Party knew, as recipient, or under the circumstances, should have known, was considered confidential or proprietary by the Disclosing Party (as defined below), except that this Agreement, Contractor pricing, and Contractor proposals incorporated into this Agreement shall not be deemed Confidential Information. Confidential Information shall consist of all information, whether in written, oral, electronic, or other form, furnished in connection with this Agreement by the Disclosing Party or its Representatives ("Representative" is defined as any elected and appointed officials, affiliate, director, officer, employee, agent, advisor or Contractor of a Party or any of its subsidiaries or affiliates) to the Receiving Party (as defined below) or to its Representatives, and specifically includes but is not limited to the City's individually identifiable customer information, and the City's customer usage data and financial data.

- B.** Contractor and the City shall each hold the other's Confidential Information in confidence. Neither Party shall make the other's Confidential Information available in any form to any third party or use the other's Confidential Information for any purpose other than as specified in this Agreement. The Party providing Confidential Information ("Disclosing Party") to the other Party ("Receiving Party") shall remain the sole owner of such information. Except as provided elsewhere within this Agreement, nothing contained in this Agreement shall be construed as granting or conferring any right or license in any Confidential Information or in any patents, copyrights, software or other technology, either expressly or by implication to the Receiving Party, or to its Representatives or to others. The term Confidential Information shall not include any of the following: (1) information already in possession of, or already known to, the Receiving Party as of the Effective Date without an obligation of confidentiality; (2) information in the public domain at the time of the disclosure, or which, after such disclosure, enters into the public domain through no breach of this Agreement by the Receiving Party or its Representative(s); (3) information lawfully furnished or disclosed to the Receiving Party by a non-party to this Agreement without any obligation of confidentiality and through no breach of this Agreement by the Receiving Party or its Representative(s); (4) information independently developed by the Receiving Party without use of any Confidential Information of the Disclosing Party; (5) information authorized in writing by the Disclosing Party to be released from the confidentiality obligations herein; or (6) this Agreement and Contractor's proposals and Purchase Orders.
- C.** By virtue of this Agreement, each Party hereto may disclose to the other Party information that is Confidential Information. This Agreement does not diminish, revoke or supersede any existing confidentiality, non-disclosure or similar agreement between the Parties that does not pertain to the subject matter of this Agreement. However, any Confidential Information, whether or not previously disclosed, that pertains to the subject matter of this Agreement shall be governed by the terms of this Section 11 which shall supersede any such previous agreement with respect to such Confidential Information and any Confidential Information relating to the subject matter of this Agreement that was exchanged under such previous agreement shall be treated as though it was exchanged under this Agreement as of the date of such exchange.
- D.** The Receiving Party will treat all Confidential Information of the Disclosing Party, no matter written, electronic, or oral, as confidential and proprietary, and the Receiving Party shall only use such information in furtherance of this Agreement. As such, the Receiving Party shall hold in confidence the Confidential Information of the Disclosing Party and ensure that such Confidential Information is not disclosed to any other person or entity, except as expressly permitted by this Agreement or as authorized in writing by the Disclosing Party. The Receiving Party shall not disclose Confidential

Information of the Disclosing Party received under this Agreement to any person other than its Representatives who require knowledge of such Confidential Information in furtherance of this Agreement. The Receiving Party shall inform its Representatives of the confidential nature of the Confidential Information of the Disclosing Party and advise such Representatives of the limitations on the use and disclosure and prohibition on making copies or summaries of such Confidential Information. The Receiving Party shall be responsible for any breach of this Agreement by its Representatives. Neither Party shall use the Confidential Information of the other Party for any commercial purpose.

- E.** If the Receiving Party becomes legally compelled (by oral questions, interrogatories, request for information or documents, subpoena, civil investigative demand, or similar process) to disclose any Confidential Information of the Disclosing Party or is requested Confidential Information pursuant to the California Public Records Act or similar law, the Receiving Party will provide the Disclosing Party with written notice of such an occurrence (if so permitted) as soon as possible. Thereafter, at its sole costs and expense, the Disclosing Party may seek a protective order or other appropriate remedy or waive compliance with the provisions of this Agreement. If the disclosing Party (i) waives compliance, (ii) fails to respond to the Receiving Party within five (5) business days, or (iii) after providing the notice and assistance required under this Section, the Receiving Party remains required by law to disclose any Confidential Information, the Receiving Party shall disclose only that portion of the Confidential Information that the Receiving Party is legally required to disclose. So long as it is consistent with applicable law, the Receiving Party will not oppose action by, and the Receiving Party will cooperate with, the Disclosing Party, at the Disclosing Party's sole cost and expense, to obtain an appropriate protective order or other reliable assurance that confidential treatment will be accorded the Confidential Information. If the Disclosing Party fails to obtain such protective order or other remedy, or if the Disclosing Party waives compliance with the requirements of the preceding sentence, the Receiving Party will disclose only that Confidential Information that it is legally required to disclose, and will exercise commercially reasonable efforts, at Disclosing Party's expense, to obtain reliable assurance that confidential treatment will be accorded the Confidential Information so disclosed.
- F.** In the event the Receiving Party discloses, disseminates or releases any Confidential Information, except as expressly permitted by this Agreement, such disclosure, dissemination or release will be deemed a material breach of this Agreement and the Disclosing Party may demand prompt return of all Confidential Information previously provided to the Receiving Party. As soon as the Receiving Party becomes aware that it has made an unauthorized disclosure of Confidential Information, the Receiving Party shall take any and all necessary actions to recover the improperly disclosed

Confidential Information and immediately notify Disclosing Party regarding the nature of the unauthorized disclosure and the corrective measures being taken. Each Party agrees that any breach of their confidentiality obligations could cause irreparable harm to the other Party, the amount of which would be extremely difficult to estimate. Accordingly, it is understood and agreed that monetary damages would not be a sufficient remedy for any material breach of this Agreement and that specific performance and injunctive relief in addition to monetary damages shall be appropriate remedies for any breach or any threat of such breach. The provisions of this Paragraph are in addition to any other legal rights or remedies the Disclosing Party may have.

- G.** Within two (2) weeks of the termination of this Agreement, Contractor will return to the City or destroy, to the extent permitted by law, any and all Confidential Information, including all originals, copies, translations, transcriptions or any other form of material, without retaining any copy or duplicate thereof; provided that Contractor may retain Confidential Information contained on backup media created in the ordinary course of business provided further that there is no effort to access such Confidential Information and Contractor's confidential obligations with respect to such information shall continue so long as such information is retained. Contractor shall certify in writing the destruction of the Confidential Information. The City may perform an audit of Contractor's records to confirm the return or destruction of the Confidential Information. The City shall have this audit right for two (2) years after the termination of this Agreement.
- H.** Notwithstanding the termination of this Agreement, this Confidentiality Section shall survive the expiration or earlier termination of this Agreement.

12. OWNERSHIP OF MATERIAL

- A.** City shall furnish to Contractor such documents and materials as may be relevant and pertinent to the provision of Services hereunder as City may possess or acquire.
- B.** All documents and materials furnished by City to Contractor, pursuant to Section 12.A., shall remain the property of City and shall be returned to City upon termination of this Agreement, for any reason. All documents or material prepared or caused to be prepared by Contractor, its officers, employees, agents and subcontractors, in the course of implementing this Agreement, shall be considered works made for hire and shall become the exclusive property of the City, and City shall have the sole right to use such documents and materials without restriction or limitation on their use in City's discretion without further compensation to Contractor or any other party. Contractor shall, at Contractor's sole cost and expense, provide such documents and material to City upon written request.

- C. Documents and material prepared by Contractor, pursuant to this Agreement, are not intended or represented to be suitable for reuse by City or others on any other project. Any use of completed documents for other projects and any use of incomplete documents without specific written authorization from Contractor will be at City's sole risk and without liability to Contractor. Further, any and all liability arising out of changes made to Contractor's deliverables under this Agreement by City or persons other than Contractor, is waived against Contractor and City assumes full responsibility for such changes unless City has given Contractor prior notice and has received from Contractor written consent for such change.

13. RIGHT OF CITY TO INSPECT RECORDS OF CONTRACTOR

- A. City, through its authorized employees, representatives or agents shall have the right during the Term and for four (4) years from the date of final payment for Services or goods provided under this Agreement ("Audit Period"), to audit the books and records of Contractor for the purpose of verifying any and all Contractor invoices and charges.
- B. Contractor shall keep records and invoices in connection with the Services for the length of the Audit Period. Contractor agrees to maintain sufficient books and records in accordance with generally accepted accounting principles to establish the correctness of all charges submitted to City.
- C. Contractor shall use recognized accounting methods in preparing reports and invoices submitted to the City in connection with the Services. City reserves the right to designate its own employee representative(s) or its contracted representative(s) with a certified public accounting firm who shall have the right to audit Contractor's accounting procedures and internal controls of Contractor's financial systems and to examine any cost, revenue, payment, claim, other records or supporting documentation resulting from any items set forth in this Agreement. If Contractor fails to provide supporting documentation satisfactory to City for costs charged, then Contractor agrees to reimburse City for those costs. Any such audit(s) shall be undertaken by City or its representative(s) at reasonable times and in conformance with generally accepted auditing standards. Contractor agrees to fully cooperate with any such audit(s).
- D. Contractor will be notified in writing of any exception taken as a result of an audit. Any adjustments and/or payments which must be made as a result of any such audit or inspection of Contractor's invoices and/or records shall be made within thirty (30) days from presentation of City's findings to Contractor. If Contractor fails to make such payment, Contractor agrees to pay interest, accruing monthly, at a rate of ten percent (10%) per annum unless another section of this Agreement specifies a higher rate of interest, then the higher rate will prevail. Interest will be computed from the date of written notification of exception(s) to the date Contractor reimburses City for

any exception(s). If an audit inspection or examination in accordance with this Section discloses overcharges (of any nature) by Contractor to City in excess of one percent (1%) of the value of that portion of the Agreement that was audited, the actual cost of City's audit shall be reimbursed to City by Contractor.

- E.** Contractor shall submit to City any and all reports concerning its performance under this Agreement that may be requested by City in writing. Contractor agrees to assist City in meeting City's reporting requirements to the State and other agencies with respect to the Services.

14. HOLD HARMLESS/INDEMNIFICATION

- A.** To the extent permitted by law, Contractor agrees to protect, defend, hold harmless and indemnify City, its City Council, commissions, officers, employees, volunteers and agents from and against any claim, injury, liability, loss, cost, and/or expense or damage, including all costs and attorney's fees in providing a defense to any such claim or other action, and whether sounding in law, contract, tort, or equity, in any manner arising from, or alleged to arise in whole or in part from, or in any way connected with the Services performed by Contractor pursuant to this Agreement – including claims of any kind by Contractor's employees, subcontractors, affiliates, or persons contracting with Contractor to perform any portion of the Services – and shall expressly include passive or active negligence by City connected with the Services. However, the obligation to indemnify shall not apply if such liability is ultimately adjudicated to have arisen through the sole active negligence or sole willful misconduct of City; the obligation to defend is not similarly limited.
- B.** Contractor's obligation to protect, defend, indemnify, and hold harmless in full City and City's employees, shall specifically extend to any and all employment-related claims of any type brought by employees, contractors, subcontractors or other agents of Contractor, against City (either alone, or jointly with Contractor), regardless of venue/jurisdiction in which the claim is brought and the manner of relief sought. Contractor's obligation to protect, defend, indemnify, and hold harmless in full City and City's employees, shall specifically extend to any and all current or former worker, independent contractor, and or employment-related, and or benefit claims of any type brought by current or former workers, independent contractors, and or employees, subcontractors or other agents of Contractor, against City (either alone, or jointly with Contractor), regardless of venue/jurisdiction in which the claim is brought and the manner of relief sought.
- C.** To the extent Contractor is obligated to provide health insurance coverage to its employees pursuant to the Affordable Care Act ("Act") and/or any other similar federal or state law, Contractor warrants that it is meeting its obligations under the Act and will fully indemnify and hold harmless City for

any penalties, fines, adverse rulings, or tax payments associated with Contractor's responsibilities under the Act.

- D.** Contractor agrees to obtain executed indemnity agreements with provisions identical to those set forth here in this section from each and every subcontractor any other person or entity involved in the performance of the Services. In the event Contractor fails to obtain such indemnity obligations from others as required here, Contractor shall be fully responsible according to the terms of this section.

15. INSURANCE REQUIREMENTS

During the Term, and for any time period set forth in Exhibit C, Contractor shall provide and maintain in full force and effect, at no cost to City, insurance policies as set forth in Exhibit C.

16. WAIVER

Contractor agrees that waiver by City of any one or more of the conditions of performance under this Agreement shall not be construed as waiver(s) of any other condition of performance under this Agreement. Neither City's review, acceptance nor payments for any of the Services required under this Agreement shall be constructed to operate as a waiver of any rights under this Agreement or of any cause of action arising out of the performance of this Agreement.

Contractor is familiar with the provisions of California Government Code section 87100 and following, and certifies that it does not know of any facts which would violate these code provisions.
