By executing this Agreement, Contractor promises and agrees that it and all of its members, officers, employees, agents, subcontractors and authorized representatives will comply with the "Ethical Standards for Contractors Seeking to Enter into an Agreement with Stadium Manager" attached hereto as **Exhibit D** and incorporated herein by this reference.

34. CONFLICT OF INTERESTS.

This Agreement does not prevent either Party from entering into similar agreements with other parties. To prevent a conflict of interest, Contractor certifies that to the best of its knowledge, no Stadium Manager, StadCo, Team, Authority, or City officer, employee, or authorized representative has any financial interest in the business of Contractor and that no person associated with Contractor has any interest, direct or indirect, which could conflict with the faithful performance of this Agreement. Contractor is familiar with the provisions of California Government Code

Section 87100 and following, and certifies that it does not know of any facts which would violate these code provisions. Contractor will advise Stadium Manager if a conflict arises.

35. LABOR COMPLIANCE REQUIREMENTS.

- A. Contractor is aware of the requirements of California Labor Code Section 1720 et seq., and 1770 et seq., as well as California Code of Regulations, Title 8, Section 16000 et seq., ("Prevailing Wage Laws"), which require the payment of prevailing wage rates and the performance of other requirements on "public works" and "maintenance" projects. Since the Services are being performed as part of an applicable "public works" or "maintenance" project, as defined by the Prevailing Wage Laws, and since the total compensation is \$1,000 or more, Contractor agrees to fully comply with such Prevailing Wage Laws. Stadium Manager shall provide Contractor with a copy of the prevailing rates of per diem wages in effect at the commencement of this Agreement upon request. Contractor shall make copies of the prevailing rates of per diem wages for each craft, classification or type of worker needed to execute the Services available to interested parties upon request and shall post copies at Contractor's principal place of business and at the project site. Contractor shall defend, indemnify and hold the Indemnified Parties free and harmless from any claim or liability arising out of any failure or alleged failure to comply with the Prevailing Wage Laws. Contractor and any subcontractor shall forfeit a penalty of up to \$200 per calendar day or portion thereof for each worker paid less than the prevailing wage rates.
- B. When Contractor employs workmen in an apprenticeable craft or trade, Contractor shall comply with the provisions of Section 1777.5 of the California Labor Code with respect to the employment of properly registered apprentices upon public works. The primary responsibility for compliance with said Section for all apprenticeable occupations shall be with Contractor. The Contractor or any subcontractor that is determined by the Labor Commissioner to have knowingly violated Section 1777.5 shall forfeit as a civil penalty an amount not exceeding \$100 for each full calendar day of noncompliance, or such greater amount as provided by law.
- C. Contractor is advised that eight (8) hours labor constitutes a legal day's work. Pursuant to Section 1813 of the California Labor Code, Contractor shall forfeit a penalty of \$25.00 per worker for each day that each worker is permitted to work more than eight (8) hours in any one calendar day and forty (40) hours in any one calendar week, except when payment for overtime is made at not less than one and one half (1 1/2) times the basic rate for that worker.
- D. Contractor and each subcontractor shall keep an accurate payroll record, showing the name, address, social security number, work classification, straight time and overtime hours worked each day and week, and the actual per diem wages paid to each journeyman, apprentice, worker, or other employee employed by him or her in connection with the public work. The payroll records shall be certified and shall be available for inspection at all reasonable hours at the principal office of Contractor in the manner provided in Labor Code Section 1776. In the event of noncompliance with the requirements of this Section, Contractor shall have 10 days in which to comply subsequent to receipt of written notice specifying in what respects such Contractor must comply with this Section. Should noncompliance still be evident after such 10-day period, Contractor shall, as a penalty to Stadium Manager, forfeit not more than \$100.00 for each calendar day or portion thereof, for each worker, until strict compliance is effectuated. The amount of the forfeiture is to be determined by the Labor Commissioner. A contractor who is found to have violated the provisions of law regarding wages on public works with the intent to defraud shall be ineligible to bid on public works contracts for a period of one to three years as determined by the Labor Commissioner. Upon the request of the Division of Apprenticeship Standards or the Division of Labor Standards Enforcement, such penalties shall be withheld from progress payments then due. The responsibility for compliance with this Section is on Contractor. The requirement to submit certified payroll records directly to the Labor

Contract No: 10166

Commissioner under Labor Code Section 1771.4 shall not apply to work performed on a public works project that is exempt pursuant to the small project exemption specified in Labor Code Section 1771.4.

- E. Pursuant to Labor Code Sections 1725.5 and 1771.1, all contractors and subcontractors that wish to bid on, be listed in a bid proposal, or enter into a contract to perform public work must be registered with the Department of Industrial Relations. No bid will be accepted, nor any contract entered into without proof of the contractor's and subcontractors' current registration with the Department of Industrial Relations to perform public work. Contractor is directed to review, fill out and execute the "Public Works Contractor Registration Certification" attached hereto as **Exhibit E** and incorporated herein by this reference prior to Agreement execution. Notwithstanding the foregoing, the contractor registration requirements mandated by Labor Code Sections 1725.5 and 1771.1 shall not apply to work performed on a public works project that is exempt pursuant to the small project exemption specified in Labor Code Sections 1725.5 and 1771.1.
- F. This Agreement is subject to compliance monitoring and enforcement by the Department of Industrial Relations. It shall be the Contractor's sole responsibility to evaluate and pay the cost of complying with all labor compliance requirements under this Agreement and applicable law. Any stop orders issued by the Department of Industrial Relations against Contractor or any subcontractor that affect Contractor's performance of Services, including any delay, shall be Contractor's sole responsibility. Any delay arising out of or resulting from such stop orders shall be considered Contractor caused delay subject to any applicable liquidated damages and shall not be compensable by the Stadium Manager. Contractor shall defend, indemnify and hold the Indemnified Parties free and harmless from any claim or liability arising out of stop orders issued by the Department of Industrial Relations against Contractor or any subcontractor.
- G. It shall be Contractor's sole responsibility to comply with, and maintain adequate records of its adherence to, all applicable state prevailing wage requirement. Contractor is responsible for maintaining and providing the following documentation to Stadium Manager for review and approval within the timeframes specified below.

 - ii. DAS 142 Form (applicable if the compensation paid or to be paid to Contractor is \$30,000 or more). Contractor, on behalf of itself and its subcontractors, must provide a copy of DAS 142 forms filed with the appropriate apprenticeship committee(s) or evidence of an approved exemption with its first application for payment for Services involving an apprenticeable craft or trade classification – additional DAS 142 forms or evidence of approved exemptions must be provided following this initial submission with future applications for payment in the event those applications are for Services involving an apprenticeable craft or trade classification not covered under the first application for payment.
 - iii. California Apprenticeship Council (CAC) Form CAC-2; Training Fee Contributions (applicable if the compensation paid or to be paid to Contractor is \$30,000 or more). Each set of certified payroll records submitted to Stadium Manager with any application for payment must be accompanied by a signed Statement of Compliance certifying the information on the certified payroll records is true and correct. For the period covered by any application for payment in which Contractor and its subcontractors did not perform Services, Contractor must additionally submit a signed Statement of Non-Performance certifying no work was performed. Contractors are advised the submission of electronic certified payroll records to the Department of Industrial Relations via the eCPR system is not an acceptable substitute to maintaining and providing full certified payroll records as required by this provision and applicable law.
- v. Fringe Benefit Statement. Contractor, on behalf of itself and its subcontractors, must submit complete Fringe Benefit Statement(s) for the crafts and trade classifications utilized to perform the Services covered by any application for payment. - vii. Withholding for Non-Compliance. In the event Contractor or any subcontractor is found not to be in compliance with the foregoing requirements for any application for payment whether for progress payments or final payment, Stadium Manager has the right to withhold up to ten percent (10%) of the amount owed to Contractor under the affected application for payment until full compliance is achieved.
