So Santana gets paid \$785,300 a year, gets legally fired, is given 1 year severance with all benefits - all paid by the city. Grand Jury comes out about those who voted to fire her soon after. Now Santana is using this grand jury report as evidence - just like Doyle? It's interesting that Gillmor and Santana share the same illogical sentiments regarding the 49ers. Sounds to me like the 3 wrote the report, influenced jurors and DA Office to remove a council member and now use it as their shield.

Why does the Stadium Authority Board majority give the 49ers the right to question and dispute City expenditures for public safety, yet give the 49ers carte blanche to budget public expenditure for themselves. How do they justify millions to manage SBL licenses without any inquiry as to what these ManCo workers are actually doing to produce the public revenue? How much of the Shared Expense budget and Management Fees will be used to promote World Cup and SuperBowl? Why no right to question?

Please adopt the study for these roadways. I support concept A for De La Cruz, Concept E for Lick Mill, Concept H for Scott from Arques to Martin, Concept I for Scott from Martin to Monroe, and Concept K for Scott from Monroe to Saratoga - all as per BPAC mtg in Jan. If parking protected (not my first choice) is chosen, make sure it's on sections with no trash pickup, few if any driveways, and weekly sweeping.
