City of Santa Clara

Joint Meeting Agenda of the City Council and Authorities Concurrent & Santa Clara Stadium Authority Board

Tuesday, August 18, 2026 **5:30 PM** **Hybrid Meeting**
City Hall Council Chambers/Virtual
1500 Warburton Avenue
Santa Clara, CA 95050

Council/Boardmember Chahal will be participating remotely from the following location:
627 Sector 11 Panchkula HR India

The City of Santa Clara is conducting City Council meetings in a hybrid manner (in-person and continues to have methods for the public to participate remotely).

- Via Zoom:
  - o https://santaclaraca.zoom.us/j/99706759306
    Meeting ID: 997-0675-9306
  - o Phone 1(669) 900-6833

How to Submit Written Public Comment Before City Council Meeting:

1. Use the eComment tab located on the City Council Agenda page (https://santaclara.legistar.com/Calendar.aspx). eComments are directly sent to the iLegislate application used by City Council and staff, and become part of the public record. eComment closes 15 minutes before the start of a meeting.
2. By email to clerk@santaclaraca.gov by 12 p.m. the day of the meeting. Those emails will be forwarded to the Council and will be uploaded to the City Council Agenda as supplemental meeting material. Emails received after the 12 p.m. cutoff time up through the end of the meeting will form part of the meeting record. Please identify the Agenda Item Number in the subject line of your email. **NOTE:** Please note eComments and Emails received as public comment **will not** be read aloud during the meeting.

Agendas, Staff Reports and some associated documents for City Council items may be viewed on the Internet at https://santaclara.legistar.com/Calendar.aspx

All public records relating to an open session item on this agenda, which are not exempt from disclosure pursuant to the California Public Records Act, that are distributed to a majority of the legislative body will be available for public inspection at the Office of the City Clerk at Santa Clara City Hall, 1500 Warburton Avenue, Santa Clara, CA 95050 at the same time that the public records are distributed or made available to the legislative body. Any draft contracts, ordinances and resolutions posted on the Internet site or distributed in advance of the Council meeting may not be the final documents approved by the City Council. For the final document, you may contact the Office of the City Clerk at (408) 615-2220 or Clerk@santaclaraca.gov.

Closed Session - 5:30 PM | Regular Meeting - 7:00 PM

CONSENT CALENDAR

[Items listed on the CONSENT CALENDAR are considered routine and will be adopted by one motion. There will be no separate discussion of the items on the CONSENT CALENDAR unless discussion is requested by a member of the Council, staff, or public. If so requested, that item will be removed from the CONSENT CALENDAR and considered under CONSENT ITEMS PULLED FOR DISCUSSION.]

3.A **26-882** Action on the June 23, 2026 Special City Council Meeting and Joint City Council and Authorities Concurrent & Santa Clara Stadium Authority Board Meeting, June 30, 2026 Special City Council Meeting, July 7, 2026 Joint City Council and Authorities Concurrent & Santa Clara Stadium Authority Board Meeting, and July 14, 2026 Joint City Council and Authorities Concurrent & Santa Clara Stadium Authority Board Meeting Minutes.

Recommendation: Approve the June 23, 2026 Special City Council Meeting and Joint City Council and Authorities Concurrent & Santa Clara Stadium Authority Board Meeting, June 30, 2026 Special City Council Meeting, July 7, 2026 Joint City Council and Authorities Concurrent & Santa Clara Stadium Authority Board Meeting, and July 14, 2026 Joint City Council and Authorities Concurrent & Santa Clara Stadium Authority Board Meeting Minutes.

3.B **26-15** Board, Commissions and Committee Minutes

Recommendation: Note and file the Minutes of:
Historical and Landmarks Commission - May 7, 2026
Bicycle and Pedestrian Advisory Committee - March 23, 2026
Planning Commission - June 10, 2026

3.C **26-793** Action on City Bills and Claims Report for the period June 7, 2026 - July 10, 2026

Recommendation: Approve the list of Bills and Claims for June 7, 2026 - July 10, 2026.

3.D **26-796** Action on Monthly Investment Report for June 2026

Recommendation: Note and file the Monthly Investment Report for June 2026 as presented.

3.E **26-162** Informational Report on 2026 Q2 Legislative Updates

Recommendation: Note and file the informational report on 2026 Q2 legislative updates.

3.F 26-488 Action on an Agreement with Group 4 Architecture, Research and Planning for Design Professional Services for the International Swim Center Rehabilitation Phase 2 Project and Approve the Related Budget Amendments

Recommendation:

1. Approve and authorize the City Manager to execute an agreement with Group 4 Architecture, Research and Planning for design professional services for the International Swim Center Rehabilitation Phase 2 Project with maximum compensation not-to-exceed $3,106,127 and a term through December 31, 2032, in a final form approved by the City Attorney;
2. Authorize the City Manager to negotiate and execute amendments to the agreement to make modifications as needed, including time extensions, subject to the compensation limit and appropriation of funds, in final forms approved by the City Attorney; and
3. Approve the following FY 2026/27 budget amendment in the Parks and Recreation Capital Fund to increase the Community ISC Aquatic Facility project by $906,127 and decrease the Mitigation Fee Act ending fund balance by $906,127 **(five affirmative Council votes required for the use of unused balances).**

3.G 26-489 Action on an Agreement with Ten Over Studio for Design Professional Services for the Fire Station 7 Replacement Project

Recommendation:

1. Approve and authorize the City Manager to execute an Agreement with Ten Over Studio for Design Professional Services for the Fire Station 7 Replacement Project in the not-to-exceed amount of $233,336, in a final form approved by the City Attorney; and
2. Authorize the City Manager to execute amendments, extensions, and related documents necessary to implement the Agreement, provided such actions are consistent with the purpose, scope, and funding authority described in this staff report, in a final form approved by the City Attorney.

3.H 26-732 Action to Approve Multidisciplinary Engineering Master Services Agreements for Silicon Valley Power and Authorize Additional Aggregate Maximum Compensation Not-to-Exceed $80 Million Across Four Master Agreement Groups, to be Funded from the Electric Utility Fund and the Electric Utility Capital Fund

Recommendation:

1. Authorize the City Manager to negotiate and execute agreements with AECOM Technical Services, Inc.; Auriga Corporation; BKF Engineers; Burns & McDonnell Western Enterprises, Inc.; Electrical Consultants, Inc.; HDR Engineering, Inc.; K&A Engineering Consulting PC; Kano Consultants; Kewo Engineering Corp; Leidos Engineering; NV5, Inc.; Siemens Industry, Inc.; and Soudi Consultants, Inc. to establish Silicon Valley Power's Group 4 Multidisciplinary Master Services Agreements, beginning on or around September 1, 2026, and ending on or around August 31, 2031, with an initial not-to-exceed amount of $1 million per agreement and an aggregate maximum compensation of $80 million, subject to review and approval as to form by the City Attorney; and
2. Authorize the City Manager or designee to take any actions necessary to implement and administer the master services agreements as listed in Table 3 (organized in this Report to Council as Group 1 through Group 4), and to negotiate and execute amendments to: (a) exercise option years as provided in the agreements, (b) add or delete services, (c) implement rate adjustments as provided in the agreements, (d) increase or reallocate compensation among the various agreement groups; (e) extend the term of an agreement to complete projects initiated during the authorized term, (f) remove the annual not-to-exceed limit of $4 million for the Group 2 master services agreements, and, (g) make de minimis changes, provided that the aggregate maximum compensation of $218 million ($138 million previously authorized amount by the City Council plus the proposed $80 million in Recommendation No. 1) is not exceeded, and subject to the appropriation of funds and the review and approval as to form by the City Attorney.

3.I 26-622 Action to Authorize the City Manager to Negotiate and Execute Agreements with ProEnergy Services, LLC and GE Vernova International LLC for Gas Turbine Engine Field and Depot Services for Silicon Valley Power, for Additional Compensation Not-to-Exceed $20 Million, for a Total Combined Maximum Compensation Not-to-Exceed $50 Million, Inclusive of $30 Million Previously Authorized by the City Council

Recommendation:

1. Determine that the proposed actions are exempt from CEQA pursuant to Section 15301 (Existing Facilities) of Title 14 of the California Code of Regulations;
2. Authorize the City Manager or designee to negotiate and execute an agreement with ProEnergy Services, LLC to perform gas turbine engine field and depot services, for an initial term beginning on or around September 1, 2026, and ending on September 30, 2031, with up to five one-year options to extend the term through September 30, 2036, for a total maximum compensation not to exceed $10,000,000, subject to the appropriation of funds and the review and approval as to form by the City Attorney;
3. Authorize the City Manager or designee to negotiate and execute an agreement with GE Vernova International LLC to perform gas turbine engine field and depot services, for an initial term beginning on or around September 1, 2026, and ending on September 30, 2031, with up to five one-year options to extend the term through September 30, 2036, for a total maximum compensation not to exceed $10,000,000, subject to the appropriation of funds and the review and approval as to form by the City Attorney; and
4. Authorize the City Manager or designee to take any actions necessary to implement and administer the agreements, including negotiating and executing future amendments to: (a) exercise the option years; (b) implement rate adjustments on the terms provided in the agreements; (c) reallocate compensation between the agreements with TransCanada Turbines Inc., ProEnergy Services, LLC and GE Vernova International LLC, provided that the total combined maximum compensation for all agreements does not exceed

$50,000,000 (inclusive of the 2021 City Council authorization of $30,000,000); and (d) make de minimis changes, subject to the appropriation of funds and the review and approval as to form by the City Attorney.

3.J 26-589 Action to Authorize Execution of Updated Agreement with WeHOPE in an Amount Not-to-Exceed $1,788,185 for Street Outreach and Essential Homeless Services

Recommendation:

1. Approve and authorize the City Manager to execute the updated Agreement for Services with WeHOPE to provide street outreach and case management services, and emergency shelter operations and services through the Temporary Hotel Program and Inclement Weather Hotel Program, substantially on the terms and the form presented with a maximum compensation not-to-exceed $1,788,185, in a final form approved by the City Attorney; and
2. Authorize the City Manager to execute amendments to the agreement with WeHOPE to increase the total not-to-exceed amount of the agreement by an amount not-to-exceed $907,066 if the City identifies or receives additional funding to support the described programs.

3.K **26-686** Action on Amendment No. 1 to the Agreement with Kyle Groundwater, Inc. for Well Condition Assessment and Engineering Services Within the Previously Authorized Maximum Amount of $1,007,880

Recommendation:

1. Authorize the City Manager or designee to execute Amendment No. 1 to the agreement with Kyle Groundwater, Inc. to reinstate the agreement, extend the term through December 31, 2026, and revise the scope of services to add zone-specific water quality sampling and flow profiling for Well 26, within the previously authorized maximum compensation of $1,007,880, subject to the appropriation of funds and the review and approval as to form by the City Attorney; and
2. Authorize the City Manager or designee to take all actions necessary to implement and administer the agreement with Kyle Groundwater, Inc., including negotiating and executing future amendment(s) to add or delete services associated with the scope of services, extend the term to allow completion of work, and make de minimis changes, provided that the total maximum compensation is not exceeded, subject to review and approval as to form by the City Attorney.

3.L **26-783** Action on Ratification of an Emergency Sole Source Purchase Order to Pump Repair Services Company for the Purchase and Installation of a Replacement Pump and Motor for the City's Groundwater Well 10 in an Amount Not to Exceed $362,675

Recommendation:

1. Note and file this Post-Emergency Report pursuant to Santa Clara City Code Section 2.105.260(c); and
2. Ratify the emergency sole source purchase order with Pump Repair Services Company for the purchase and installation of replacement pump and motor for Groundwater Well 10 in an amount not to exceed $362,675.

3.M 26-805 Action on the Award of a Public Works Contract for the Northern Receiving Station to Kifer Receiving Station 115 Kilovolt Transmission Line Project to Outsource Utility Contractor, LLC, for a Not-to-Exceed Amount of $31,172,792, Inclusive of a 20% Contingency (Contract No. 2455), and Related Budget Amendment

Recommendation:

1. Award the Public Works Contract for the Northern Receiving Station to Kifer Receiving Station 115 Kilovolt Transmission Line Project (No. 2455) to the lowest responsive and responsible bidder, Outsource Utility Contractor, LLC in the amount of $25,977,327, and authorize the City Manager or designee to execute a public works contract (Contract) in substantially the form attached to this Report to Council, subject to the review and approval as to form by the City Attorney;
2. Authorize the City Manager or designee to (a) take any necessary actions to implement and administer the Contract including executing any and all documents in furtherance of the award, completion, and acceptance of the Project and (b) approval of any necessary change orders not to exceed 20 percent (20%) of the Contract price inclusive of Bid Alternates, or $5,195,465, for a total Contract amount not to exceed $31,172,792; and
3. Approve the following FY 2026/27 budget amendments:
    a. In the Electric Utility Fund, increase the Transfer to the Electric Utility Capital Fund and decrease the Unrestricted Ending Fund Balance in the amount of $3.5 million **(five affirmative Council votes are required for the use of unused balances)**, and
    b. In the Electric Utility Capital Fund, increase the Transfer from the Electric Utility Fund and the NRS-KRS 115kV Line project in the amount of $3.5 million **(five affirmative Council votes are required to appropriate additional revenue)**.

3.N 26-417 Action on a Resolution Ordering the Vacation of a Public Utility Easement at 3250 Jay Street

Recommendation: 1. Adopt a Resolution Ordering the Vacation of the Public Utility Easement at 3250 Jay Street [APN 224-09-178 (2025-26)], and authorizing the City Manager to execute any documents necessary to implement the vacation and transfer ownership of the existing sewer facility from the City to the underlying property owner in final forms approved by the City Attorney; and
2. Authorize the recordation of the Resolution.

3.O 26-819 Action on a Resolution Memorializing the Historical Calculation of Holiday Pay for the Santa Clara Police Officers Association (Unit 2) from 2021 to 2025 Pursuant to CalPERS Request

Recommendation: Adopt a Resolution Memorializing the Historical Calculation of Holiday Pay for the Santa Clara Police Officers Association (Unit 2) from 2021 to 2025.

3.P 26-842 Adopt a Resolution Authorizing the Examination of Sales and Use Tax Records by Certain Designated Parties for Official Purposes

Recommendation: Adopt a resolution authorizing the examination of sales and use tax records by certain designated parties for official purposes.

3.Q 26-857 Adopt a Resolution Approving and Adopting the Updated Unclassified Salary Plan

Recommendation: Adopt a Resolution Approving and Adopting the Updated Unclassified Salary Plan for Various Positions Effective July 5, 2026 and August 16, 2026 to Satisfy the Requirements of the City's Personnel and Salary Resolution and California Code of Regulations Section 570.5.

3.R 26-551 Note and File the City Auditor's Office Report on the Audit of Silicon Valley Power's Power Purchase Agreement Process

Recommendation: Note and file the City Auditor's Office Report on the Audit of Silicon Valley Power's Power Purchase Agreement Process.

SANTA CLARA STADIUM AUTHORITY BOARD CONSENT CALENDAR

4.A **26-797** Action on Stadium Authority Bills and Claims for the Month of June 2026

Recommendation: Approve the list of Stadium Authority Bills and Claims for June 2026.

4.B 26-571 Action on an Agreement with Superior Alarm Systems for Security Integrator Systems at Levi's Stadium For a Not-to-Exceed Amount of $1,838,022, Inclusive of All Contract and Option Years, and Delegation of Authority for Future Amendments.

Recommendation:

1. Approve and authorize the Stadium Manager to enter into an agreement with Superior Alarm Systems (Attachment 1) to provide on-call, as-needed professional security integrator services at Levi's Stadium for an initial term of five (5) years commencing August 19, 2026, and expiring August 18, 2031, with five (5) optional one-year extensions through August 18, 2036 ("Agreement") with a total not to exceed of One Million Eight Hundred Thirty Eight and Twenty Two Dollars ($1,838,022.00). The term for each fiscal year is contingent on the SCSA approving the applicable fiscal year's budget, including amounts due under the Agreements.
2. Authorize the Stadium Authority Executive Director to approve future amendments as needed to: (a) exercise the option to extend the Agreement by five (5) one-year extension periods through August 18, 2036; and (b) adjust labor rates for each one-year extension by up to five percent (5%) annually, in accordance with the terms and conditions associated with rate increases in Exhibit B of the Agreement.
3. Authorize the Stadium Manager to execute and administer task orders with SAS to perform services for approved security department budgeted items approved as part of the Stadium Authority annual budget process during any fiscal year within the initial term and any extension periods, consistent with the terms and funding limitations set forth therein.
4. Direct the Stadium Manager to coordinate with the Santa Clara Police Department (SCPD) and partner agencies on all security system upgrades and related security projects at Levi's Stadium prior to implementation.

4.C **26-90** Informational Report on Stadium Authority and Stadium Manager Meetings for the Period of October 1 to December 31, 2025

Recommendation: Note and file the quarterly report on Stadium Authority and Stadium Manager staff meetings and corresponding summaries for the period of October 1 to December 31, 2025.

PUBLIC PRESENTATIONS

[This item is reserved for persons to address the Council or authorities on any matter not on the agenda that is within the subject matter jurisdiction of the City or Authorities. The law does not permit action on, or extended discussion of, any item not on the agenda except under special circumstances. The governing body, or staff, may briefly respond to statements made or questions posed, and appropriate body may request staff to report back at a subsequent meeting. Although not required, please submit to the City Clerk your name and subject matter on the speaker card available in the Council Chambers.]

CONSENT ITEMS PULLED FOR DISCUSSION

5. **26-737** Action on the May 5, 2026 and May 19, 2026 Joint City Council and Authorities Concurrent & Santa Clara Stadium Authority Board Meeting Minutes, and the May 6, 2026 Special City Council Meeting Minutes and May 26, 2026 Special Joint City Council and Authorities Concurrent & Santa Clara Stadium Authority Board Meeting Minutes (DEFERRED FROM JUNE 23, 2026)

Recommendation: Approve the May 5, 2026 and May 19, 2026 Joint City Council and Authorities Concurrent & Santa Clara Stadium Authority Board Meeting, May 6, 2026 Special City Council Meeting, and May 26, 2026 Special Joint City Council and Authorities Concurrent & Santa Clara Stadium Authority Board Meeting Minutes.

PUBLIC HEARING/GENERAL BUSINESS

6. **26-806** Public Hearing: Waive First Reading and Introduce the Third Zoning Code Cleanup Ordinance, and Adopt a Resolution Rezoning Properties Currently Designated TN (Transit Neighborhood) to R6 (Transit Neighborhood Residential); Continued from the July 14, 2026 City Council Meeting

Recommendation:
1. Waive first reading and introduce the Zoning Code clean-up ordinance in the form presented; and
2. Adopt a resolution applying the R6 Transit Neighborhood District to the properties currently zoned TN on the Zoning Map, consistent with the General Plan.

7. **26-777** Staff Update and Solicitation of Council Input or Direction on a City Council Request (Council Policy 030) to Revise Chapter 17.15 of the City Code (Property Developments) related to Required Street Improvements (DEFERRED FROM JUNE 23, 2026)

Recommendation: Discuss and provide direction related to revising Chapter 17.15 of the City Code (Property Developments) related to Required Street Improvements.

8. **26-778** Action on a Council Policy 030 Request for Information on Public Participation Options, and Audio/Visual (A/V) and Broadcasting Requirements for Potential Offsite City Council Meetings, and Direction to Staff (DEFERRED FROM JUNE 23, 2026)

Recommendation: Provide direction to Staff regarding whether to proceed with preparations for holding City Council meetings at an offsite location, including desired meeting capabilities and service levels.

REPORTS OF MEMBERS, SPECIAL COMMITTEES AND COUNCILMEMBER 030 REQUESTS

9. **26-775** Action on a Council Written Request (Council Policy 030) Submitted by Councilmember Jain to Place an Item on a Future Council Agenda Regarding a Policy Limiting the Type and Quantity of Water Used by Data Centers

Recommendation: Staff makes no recommendation.

CITY MANAGER/EXECUTIVE DIRECTOR REPORT

ADJOURNMENT

The next regular scheduled meeting is on Tuesday, August 25, 2026 in the City Hall Council Chambers.

MEETING DISCLOSURES

The time limit within which to commence any lawsuit or legal challenge to any quasi-adjudicative decision made by the City is governed by Section 1094.6 of the Code of Civil Procedure, unless a shorter limitation period is specified by any other provision. Under Section 1094.6, any lawsuit or legal challenge to any quasi-adjudicative decision made by the City must be filed no later than the 90th day following the date on which such decision becomes final. Any lawsuit or legal challenge, which is not filed within that 90-day period, will be barred. If a person wishes to challenge the nature of the above section in court, they may be limited to raising only those issues they or someone else raised at the meeting described in this notice, or in written correspondence delivered to the City of Santa Clara, at or prior to the meeting. In addition, judicial challenge may be limited or barred where the interested party has not sought and exhausted all available administrative remedies.

California Government Code Section 84308, most recently amended by SB 1243, commonly referred to as the "Levine Act," prohibits a local elected official or quasi-judicial appointed official from participating in any action related to a contributor's contract, license, permit, or use entitlement if he/she/it receives any campaign contributions totaling more than $500 within the previous twelve months, and for twelve months following the date a final decision has been made, from the party, participants, or agents in the proceeding. Parties, Participants or Agents for a proceeding involving a license, permit, or other use entitlement pending before the City Council or a City quasi-judicial body must complete the California Levine Act Disclosure Statement prior to their proceeding.

STREAMING SERVICES: As always, the public may view the meetings on SantaClaraCA.gov, Santa Clara City Television (Comcast cable channel 15), or the livestream on the City's YouTube channel or Facebook page.

Note: The public cannot participate in the meeting through these livestreaming methods; livestreaming capabilities may be disrupted at times, viewers may always view and participate in meetings in-person and via Zoom as noted on the agenda.

AB23 ANNOUNCEMENT: Members of the Santa Clara Stadium Authority, Sports and Open Space Authority and Housing Authority are entitled to receive $30 for each attended meeting.

Note: The City Council and its associated Authorities meet as separate agencies but in a concurrent manner. Actions taken should be considered actions of only the identified policy body.

LEGEND: City Council (CC); Stadium Authority (SA); Sports and Open Space Authority (SOSA); Housing Authority (HA); Successor Agency to the City of Santa Clara Redevelopment Agency (SARDA); Bayshore North Project Enhancement Authority (BNPEA); Public Facilities Financing Corporation (PFFC)

Public contact was made by posting the Council agenda on the City's official-notice bulletin board outside City Hall Council Chambers. A complete agenda packet is available on the City's website and in the City Clerk's Office at least 72 hours prior to a Regular Meeting and 24 hours prior to a Special Meeting. A hard copy of any agenda report may be requested by contacting the City Clerk's Office at (408) 615-2220, email clerk@santaclaraca.gov or at the public information desk at any City of Santa Clara public library.

If a member of the public submits a speaker card for any agenda items, their name will appear in the Minutes. If no speaker card is submitted, the Minutes will reflect "Public Speaker."

In accordance with the requirements of Title II of the Americans with Disabilities Act of 1990 ("ADA"), the City of Santa Clara will not discriminate against qualified individuals with disabilities on the basis of disability in its services, programs, or activities, and will ensure that all existing facilities will be made accessible to the maximum extent feasible. The City of Santa Clara will generally, upon request, provide appropriate aids and services leading to effective communication for qualified persons with disabilities including those with speech, hearing, or vision impairments so they can participate equally in the City's programs, services, and activities. The City of Santa Clara will make all reasonable modifications to policies and programs to ensure that people with disabilities have an equal opportunity to enjoy all of its programs, services, and activities. Individuals who require an auxiliary aid or service for effective communication, or any other disability-related modification of policies or procedures, or other accommodation, in order to participate in a program, service, or activity of the City of Santa Clara, should contact the City's ADA Coordinator at 408-615-3000 as soon as possible but no later than 48 hours before the scheduled event.

26-708 Agenda Date: 8/18/2026

REPORT TO COUNCIL

SUBJECT
Proclamation of August 24, 2026 as Ukrainian Independence Day

BACKGROUND
On August 24, 1991, the Parliament of Ukraine declared independence from the Soviet Union and was affirmed by a referendum in December of the same year. 2026 marks the 35th anniversary of Ukraine's independence. In 2022, 2023, 2024 and 2025, the City of Santa Clara proclaimed August 24th as Ukrainian Independence Day to recognize the rich history and significant contributions that Ukrainians have had on our community.

Ukrainians and Ukrainian Americans continue to make important contributions to the cultural fabric of the Bay Area. According to the Public Policy Institute of California, one in six Ukrainian immigrants in the United States lives in California, with the Bay Area serving as home for 14,000 immigrants from Ukraine and an estimated 114,000 people with Ukrainian ancestry living in California. By U.S. Census estimates, over 6,000 people of Ukrainian descent live in Santa Clara County.

DISCUSSION
At the August 18, 2026, City Council meeting, the City Council will proclaim August 24, 2026, as Ukrainian Independence Day in Santa Clara. Iryna Smovzh from the Ukrainian National Women's League of America will be present to accept the proclamation.

Established in 1925, the Ukrainian National Women's League of America (UNWLA) is the longest running and largest Ukrainian women's organization in the United States. UNWLA's mission is to promote and develop educational and cultural efforts and provide humanitarian assistance to Ukrainians worldwide.

ENVIRONMENTAL REVIEW
This is an informative report only and no action is being taken by the City Council and no environmental review under the California Environmental Quality Act ("CEQA") is required.

FISCAL IMPACT
There is no fiscal impact to the City other than staff time.

PUBLIC CONTACT
Public contact was made by posting the Council agenda on the City's official-notice bulletin board outside City Hall Council Chambers. A complete agenda packet is available on the City's website and in the City Clerk's Office at least 72 hours prior to a Regular Meeting and 24 hours prior to a Special Meeting. A hard copy of any agenda report may be requested by contacting the City Clerk's Office at (408) 615-2220, email clerk@santaclaraca.gov or at the public information desk at any

1. Proclamation of August 24, 2026 as Ukrainian Independence Day

City of Santa Clara

Proclamation

WHEREAS, for centuries, the Ukrainian people have courageously fought for their freedom, self-governance, and national identity, overcoming numerous challenges, and preserving their rich cultural heritage 33 years ago, on August 24, 1991, Ukraine achieved independence from the Soviet Union, marking a historic milestone in the Ukrainian people's journey towards freedom and democracy; and

WHEREAS, the Ukrainian American community in Santa Clara has steadfastly celebrated Ukraine's Independence Day, honoring the sacrifices and resilience of their ancestors and the Ukrainian people and continuing to make significant contributions to the cultural fabric of the United States while embracing their rich history and heritage; and

WHEREAS, the Bay Area has a significant Ukrainian population, with Ukrainian Americans and the Ukrainian National Women's League of America making contributions to society in various fields, including arts, culture, business, academia, and public service; and

WHEREAS, the City of Santa Clara recognizes the importance of promoting cultural diversity and fostering international understanding, and supporting the aspirations of all nations towards freedom, justice, and independence.

NOW, THEREFORE, I, LISA M. GILLMOR, by virtue of authority, vested in me as Mayor, and on behalf of the City of Santa Clara, do hereby recognize August 24, 2026 as the anniversary of

UKRAINIAN INDEPENDENCE DAY

in the City of Santa Clara, and do hereby call upon all residents to join in commemorating this significant day, to honor the Ukrainian American community, and to recognize the Ukrainian people's enduring spirit.

Given under my hand and the Seal of the City of Santa Clara, California, this 18th day of August 2026.

REPORT TO COUNCIL

SUBJECT

Recognition of a $15,000 Grant from the Forty Niners Football Company LLC for Youth Sports in the City of Santa Clara and Approval of the Related Budget Amendment

BACKGROUND

Youth sports groups that regularly use Youth Soccer Park ("YSP") experienced disruptions in January and February 2026 due to the National Football League's ("NFL") exclusive use of the facility in connection with Super Bowl LX. Additional impacts to field availability are anticipated during the scheduled YSP field improvement work in the summer of 2026.

To help mitigate these impacts, the Forty Niners Football Company LLC ("Club") has awarded the City a one-time grant of $15,000. The grant will provide financial assistance to youth sports groups for relocation-related costs and will also support the creation of a City's youth activity scholarship program.

DISCUSSION

Under the term of the grant agreement (Attachment 1), the grant funds will be used to cover costs associated with relocating youth sports groups to non-City facilities or accommodating them at other City facilities due to reduced YSP availability. Eligible expenses may include standard City field use fees, staff support costs, and third-party facility rental fees necessary to support displaced user groups.

If any grant funds remain after the relocation costs have been covered, the remaining grant funds will be used to provide needs based scholarships to increase access to Parks and Recreation programs for local youth. The scholarship will provide up to $500 per applicant toward program registration fees for Parks and Recreation activities. Applicants will be required to provide documentation demonstrating eligibility for the scholarship, including verification of financial need, Santa Clara residency, and parentage or legal guardianship. Scholarships will be awarded to eligible participants on a rolling basis until all available grant funds have been awarded.

The City will expend the entire grant amount in accordance with the terms of the agreement no later than the end of FY 2026/27.

Per Council Policy 051, Donations to the City, donations of $1,000 or more require recognition by the City Council under Special Order of Business and a letter of acceptance and appreciation signed by the Mayor and City Manager. The policy also requires review by the City Manager's Office prior to Council acceptance. The City Manager's Office has reviewed and confirmed that the purpose of this designated donation is consistent with the City's goals and objectives and in the best interest of the City, and therefore approved acceptance of the $15,000 grant from the Club. Accordingly, the Forty

Niners Football Company LLC will be recognized for its generous contribution and continued partnership in support of youth sports programs and support in increasing equitable access to recreational, educational, and enrichment programs for youth in the City of Santa Clara.

This item requests that the City Council accept the grant and approve the FY 2026/27 budget amendment recognizing and appropriating the funds. Acceptance of the grant aligns with the City's goals and objectives by supporting youth recreation opportunities, reducing barriers to participation, and strengthening community partnerships that benefit local youth and families.

ENVIRONMENTAL REVIEW

The action being considered does not constitute a “project” within the meaning of the California Environmental Quality Act (“CEQA”) pursuant to CEQA Guidelines section 15378(b)(5) in that it is a governmental organizational or administrative activity that will not result in direct or indirect changes in the environment.

FISCAL IMPACT

Staff recommend recognizing and appropriating the $15,000 grant from the Forty Niners Football Company LLC in the Expendable Trust Fund. The grant funds will be used in accordance with the grant agreement to cover costs associated with the displacement of youth sports groups. If any funds remain, they will be used to provide scholarships for youth participation in Parks and Recreation programs.

The recommended budget actions are summarized below.

Budget Amendment
FY 2026/27

	Current	Increase/ (Decrease)	Revised
Expendable Trust Fund			
Revenues			
Other Revenue	$0	$15,000	$15,000
Expenditures			
Parks and Recreation - Forty Niners Grant	$0	$15,000	$15,000

PUBLIC CONTACT

Public contact was made by posting the Council agenda on the City’s official-notice bulletin board outside City Hall Council Chambers. A complete agenda packet is available on the City’s website and in the City Clerk’s Office at least 72 hours prior to a Regular Meeting and 24 hours prior to a Special Meeting. A hard copy of any agenda report may be requested by contacting the City Clerk’s Office at (408) 615-2220, email clerk@santaclaraca.gov or at the public information desk at any City of Santa Clara public library.

RECOMMENDATION

1. Accept the $15,000 grant from the Forty Niners Football Company LLC and authorize City

Manager to execute Grant Agreement by and Between Forty Niners Football Company LLC and City of Santa Clara Parks & Recreation Department;

2. Authorize the Mayor and City Manager to sign a letter of appreciation; and
3. Approve the FY 2026/27 budget amendment in the Expendable Trust Fund to increase the Other Revenue estimate by $15,000 and establish a Forty Niners Grant appropriation in the amount of $15,000 (five affirmative Council votes required to appropriate additional revenue).

1. Draft Grant Agreement

powered by Legistar™

GRANT AGREEMENT
BY AND BETWEEN FORTY NINERS FOOTBALL COMPANY LLC
AND CITY OF SANTA CLARA PARKS AND RECREATION DEPARTMENT

Effective Date: April 1, 2026

Grant Amount: $15,000.00

Term: April 1, 2026 – June 30, 2027

The purpose of this grant agreement ("Agreement") is to establish a formal relationship and terms of the grant between Forty Niners Football Company LLC (the "Club") and the City of Santa Clara Parks and Recreation Department (the "Recipient").

1. Grant Purpose

A. To further the Club's commitment to support youth sports in the City of Santa Clara ("City"), the Club hereby grants the Grant Amount to Recipient, which shall be utilized and distributed by Recipient for the following purposes:

a. **Relocation Costs for Youth Sports:** The City's youth groups that typically use the Youth Soccer Park ("YSP") have experienced impacts to the availability of the YSP as a result of the use by the National Football League ("NFL") of the YSP in January and February 2026 and may experience additional impacts during certain YSP field improvement work scheduled for the summer of 2026. In connection with the NFL's use, the City and the NFL have entered into or intend to enter into an agreement which, among other things, demonstrates the NFL's continuing support of local youth sports. To further the Club's commitment to support youth sports in the City, the Club has chosen to provide the Grant Amount to Recipient as a one-time grant and Recipient shall use the Grant Amount to pay for any additional costs associated with the displacement of the youth groups that typically use YSP, including costs of relocating the youth groups to non-City facilities or co-locating them to other City facilities. Such costs may include standard City field use fees, staff time, and third-party field use fees. The costs set forth in this Section 1.A.a. shall collectively be referred to as the "Youth Sports Relocation Costs".

b. **Youth Activity Scholarship Program:** In the event that a portion of the Grant Amount remains outstanding following Recipient's payment of all applicable Youth Sports Relocation Costs, the balance of the Grant Amount will be used by Recipient for the purpose of a youth scholarship program (the "Youth Activity Scholarship Program"). The terms of the Youth Activity Scholarship Program shall be as follows:
    i. The City of Santa Clara Parks and Recreation Department Youth Activity Scholarship Program shall increase equitable access to

recreational, educational, and enrichment programs for local youth. The program will provide needs-based scholarships of up to $500 per child, to offset program registration fees for Parks and Recreation activities. By reducing financial barriers, this program will promote physical health, social development, and community connection among youth who might otherwise be unable to participate.

ii. Other key program features:
    1. Applicable to eligible Parks and Recreation programs, including:
        a. Sports and swimming activities
        b. Arts and cultural programs
        c. Outdoor recreation and environmental education
        d. Summer camp programs
        e. Youth Resident Membership
    2. Families will be required to submit proof of financial need, such as SNAP/CFAP, Medicare enrollment or SVP Reduced Rate Program. Applicants are also required to show proof of residency and proof of parentage/guardianship of the scholarship recipient.
    3. Scholarships will be awarded on a rolling basis until the Grant Amount is fully allocated.

iii. Goals and Objectives
    1. Increase access to Parks and Recreation programs for youth from low-income families in the City.
    2. Reduce economic barriers to participation in recreational and enrichment programs.
    3. Support positive youth development through increased engagement in structured activities.
    4. Promote equity and inclusion within city-sponsored programs.

iv. The Youth Activity Scholarship Program will be administered by the Parks and Recreation Department. Staff will:
    1. Review and approve scholarship applications
    2. Verify eligibility and proof of need
    3. Track fund distribution and program participation
    4. Ensure compliance with city and grantor requirements.

2. Grant Terms

A. **Distribution of Grant Amount for Grant Purpose:**

a. The Grant Amount shall be distributed by Club to Recipient within sixty (60) days of the execution of this Agreement.
b. Recipient agrees to expend the entire annual Grant Amount for the grant purpose set forth in Section 1 of this Agreement no later than the end of Recipient's 2026-27 fiscal year (i.e., June 30, 2027). Recipient's City Manager is hereby authorized to execute any allocations described in this

Agreement to effectuate the distribution of the Grant Amount. Any required documentation shall be reasonably approved by Club and reflect Club as the source of the funds being provided to the recipient and Recipient as the "fiscal agent".

c. Recipient shall provide Club with a final financial report detailing the Grant Amount allocations no later than July 1, 2027.
d. Upon reasonable request by Club, Recipient shall provide Club with updates on the usage of the Grant Amount during the Term.

B. Recipient agrees to comply with all requirements set forth in this Section 2.B. in the course of distributing the Grant Amount and in connection with any programming. Recipient shall also ensure that Recipient's personnel will comply with all organizational policies to ensure fair and appropriate programming. This includes, but is not limited to the following:
    a. **Drug and Smoke Free**—No drugs, alcohol, and/or smoking will be allowed at any time in any buildings and/or grounds of Recipient's program sites. No students, staff, visitors, Recipient, or sub-recipients of any portion of the Grant Amount will be using drugs during program time.
    b. **Anti-Discrimination**—It is the policy of Club that in connection with Recipient's services in this Agreement there shall be no discrimination against any employee engaged in the work because of race, color, ancestry, national origin, religious creed, physical disability, medical condition, marital status, sexual orientation, gender, or age. Therefore, the Recipient agrees to comply with applicable Federal and California laws.
    c. **Conflict of Interest**—Recipient shall abide by and be subject to all applicable regulations, statutes or other laws regarding conflict of interest. Recipient shall not hire any Club employee or any employee of an affiliate of Club to administer the Youth Activity Scholarship Program, and affirms that to the best of its knowledge no such conflict presently exists. Recipient agrees to alert Club in writing if and when a potential conflict does arise.

C. At Club's sole discretion, Club shall have the right to advertise and promote Club's grant to Recipient hereunder in any and all media without limitation.

3. Termination

A. Club may terminate this Agreement by written notice in the event Club in its reasonable discretion, finds that Recipient has defaulted in its compliance with a material term of this Agreement. Such termination shall be effective thirty (30) days from the date of receipt of such notice, unless, within thirty (30) days after receipt of such notice, Recipient has corrected the default or if such default is capable of correction, has taken timely and reasonable steps to correct and will complete such correction within another thirty (30) days.

B. Neither party shall be liable for failure to comply with any of the terms or conditions of this Agreement when such failure to comply has been caused by, without limitation,

fire, war, insurrection, labor disturbances, work stoppages, terrorism, government restrictions, natural disasters, weather, epidemic, pandemic, public health crisis or acts of God beyond the reasonable control of the parties (each, a "Force Majeure Event"), provided the party so affected gives prompt notice to the other. In the event of a suspension of any obligation by reason of a Force Majeure Event which extends beyond ninety (90) days, this Agreement shall be tolled or terminated at the mutual agreement of the parties.

4. Indemnification

A. Recipient hereby agrees to and does defend, indemnify, protect and hold harmless Forty Niners Football Company LLC and any of its respective affiliates, officers, directors, employees, agents, insurers, and assigns (collectively, the "Indemnitees") against any and all suits, actions, claims, losses, demands, damages, liabilities, costs and reasonable expenses of every kind (including consequential, incidental or punitive damages, or lost profits), including court costs and reasonable attorneys' fees (collectively, "Claims"), arising out of or in connection with (i) this Agreement, the Youth Sports Relocation Costs, and/or the Youth Activity Sports Program; (ii) any breach by Recipient of any provision of this Agreement or any representation or warranty made by it therein; and (iii) any act or omission to act of Recipient, its employees, servants, and agents; except to the extent such Claim is the result of the gross negligence or willful misconduct of Club.

5. Insurance

A. During the Term, Recipient shall, at no cost to Club, maintain (or cause to be maintained) self-insurance or the equivalent the following insurance coverage: (i) workers compensation insurance in compliance with applicable law and shall include a waiver of subrogation in favor of Club and (ii) commercial general liability insurance, including coverage for bodily injury, property damage, personal and advertising injury, products/completed operations and contractual liability with a minimum amount of one million U.S. Dollars ($1,000,000.00) for each occurrence, two million U.S. Dollars ($2,000,000.00) aggregate. Recipient shall furnish Club with a certificate of insurance evidencing such insurance coverage upon request.

6. Miscellaneous

A. This Agreement is governed by and construed in accordance with the internal laws of the State of California without giving effect to any choice or conflict of law provision or rule.

B. This Agreement may not be modified except in a written instrument signed by the Parties.

C. Arbitration

a. Any dispute arising under or relating to this Agreement shall be resolved exclusively by arbitration under the Commercial Arbitration Rules of the

American Arbitration Association, with the venue of any such arbitration proceeding to be in Santa Clara, California or such other location as may be agreed by the parties.

b. The arbitrator for any dispute shall be selected according to the Commercial Arbitration Rules of the American Arbitration Association.
c. The award rendered by the arbitrator shall be final, shall identify a winning party, and judgment may be entered upon the award in accordance with applicable law in any court having jurisdiction thereof.
d. The fees and expenses of the arbitrators shall be paid by the non-winning party. In addition, the winning party's reasonable attorneys' fees and costs shall be paid by the non-winning party.

D. All notices required or permitted to be made under this Agreement shall be in writing and shall be deemed properly delivered on the earlier of actual receipt by email or three days after the date deposited in the U.S. Mail, by certified mail, return receipt requested, or by recognized overnight delivery service with signature required (e.g., FedEx, UPS) addressed as follows:

a. If to Club: Forty Niners Football Company LLC
4949 Marie P. DeBartolo Way
Santa Clara, CA 95054
Attn: ellie.caple@49ers.com
Copy: legal@49ers.com

b. If to Recipient: City of Santa Clara
1500 Warburton Ave
Santa Clara, CA 95051
Attn: Parks & Recreation Department
Attn: Kimberly Castro: kcastro@SantaClaraCA.gov

E. This Agreement constitutes the entire agreement of the parties with respect to the subject matter contained herein, and supersedes all prior and contemporaneous understandings and agreements, whether written or oral, with respect to such subject matter.

A motion was made by Vice Mayor Gonzalez, seconded by Councilmember Chahal, to Note and file the Minutes of: Parks & Recreation Commission - April 13, 2026, Cultural Commission - April 6, 2026, and Planning Commission - May 20, 2026.

Aye: 7 - Vice Mayor Gonzalez, Councilmember Chahal, Councilmember Hardy, Councilmember Park, Councilmember Jain, Councilmember Cox, and Mayor Gillmor

7.C 26-511 Action on Monthly Financial Status and Investment Reports for April 2026 and Approval of the Related Budget Amendments Including the Recognition of Additional Revenue in the General Fund Estimated for FY 2025/26

Recommendation:

1. Note and file the Monthly Financial Status Report and Monthly Investment Report for April 2026 as presented; and
2. Approve the Fiscal Year 2025/26 budget amendments in the following funds (as detailed in the Fiscal Impact section of the staff report and Attachment 3 of the staff report):
   a. General Fund: increases to revenue including sales tax, property tax, transient occupancy tax, interest earnings, fines and penalties, SVP transfer, other fees for services, other revenue, and reimbursements from Stadium and Bay Area Host Committee, adjustments to various departmental budgets including City Attorney's Office, City Clerk's Office, Finance Department, Fire Department, Police Department, Parks and Recreation Department, and Non-Departmental; a transfer to the Fire Operating Grant Trust Fund and Vehicle Replacement Fund; increases to the Property Tax ERAF Reserve, Pension Stabilization Reserve, unrestricted ending fund balance and the establishment of the Reserve for Future Uses, with a net impact of $41,054,024;
   b. Cemetery Fund: increases to the transfers from the Endowment and Perpetual Care Funds and increase to ending fund balance, with a net impact of $84,000;
   c. Downtown Parking Maintenance District Fund: increase to capital outlay and decrease to ending fund balance, with a net impact of $0;
   d. Electric Utility Capital Fund: decreases to the beginning and ending unrestricted ending fund balance, recognizes a transfer from the Electric Utility Fund and increases the Major Engine Overhaul and Repair project, with a net impact of ($6,170,000);
   e. Electric Utility Fund: increases to revenue including other revenue, sale of land and charges for services, increases to materials, services and supplies, contribution in lieu, and resource and production, increases to transfers to the Electric Utility Capital Fund and Vehicle Replacement Fund, and increase to the Rate Stabilization Reserve, with a net impact of $53,125,150;
   f. Electric Utility Operating Grant Trust Fund: increase to charges for services, offset with increases to contribution-lieu and the Public Benefits Charges ending fund balance, with a net impact of $1,140,000;
   g. Endowment Care Fund: transfer of interest earnings to the Cemetery Fund, with a net impact of $82,000;
   h. Expendable Trust Fund: increases to other agencies revenue and other fees for services and increases to the Information Technology, Public Works and Parks and Recreation Departments, with a net

impact of $76,500;

i. Fire Operating Grant Trust Fund: recognition and appropriation of grant revenue for the Fire Department and recognizes a transfer from the General Fund for the SAFER grant program, with a net impact of $142,054;
j. Gas Tax Fund: increases the transfer from the Streets and Highways Capital Fund and the ending fund balance, with a net impact of $764,019;
k. Parks and Recreation Capital Fund: adjustments to the Mitigation Fee Act and Quimby Act revenue and their corresponding ending fund balances and decreases to the Park Impact Fees Monitoring and Parkland Acquisitions projects, recognizes revenue and establishes the Earl Carmichael Park Snack Shack Rehabilitation Project, with a net impact of ($7,937,104);
l. Perpetual Care Fund: transfer of interest earnings to the Cemetery Fund, with a net impact of $2,000;
m. Public Facilities Financing Corporation Fund: increase to administrative cost budget and decrease to ending fund balance; with a net impact of $0;
n. Recycled Water Capital Fund: increase to the Recycled Water System Mains and Services project offset by ending fund balance, with a net impact of $0;
o. Sewer Utility Fund: increase to charges for services, materials, services, and supplies, transfer to the Vehicle Replacement Fund, offset by ending fund balance, with a net impact of $400,000;
p. Streets and Highways Capital Fund: increase to other agencies revenue and the Cupertino-Santa Clara On-Demand Shuttle Project, and reduce the transfer to the Traffic Mitigation Fund, increase the transfer to the Gas Tax Fund, and increase the vehicle registration fee ending fund balance, with a net impact of $210,000;
q. Traffic Mitigation Fund: reduces the transfer from the Streets and Highways Capital Fund and the ending fund balance, with a net impact of ($1,161,035);
r. Unemployment Insurance Fund: increase to insurance claims offset by ending fund balance, with a net impact of $0; and
s. Vehicle Replacement Fund: recognizes transfers from the General Fund, and the Electric Utility and Sewer Utility Funds, and increases the capital outlay appropriation, with a net impact of $329,833.

3. Approve the Fiscal Year 2026/27 budget amendments in the following funds (as detailed in the Fiscal Impact section of the staff report and Attachment 4 of the staff report):
   a. General Fund: increases the beginning and ending fund balance for the Reserve for Future Uses, increases the unrestricted beginning fund balance and increases the Non-Departmental appropriation, with a net impact of $20,500,000;

b. Electric Utility Capital Fund: recognizes developer contributions and establishes the Central Expressway and Walsh Ave Transmission Line Clearance Project, with a net impact of $1,863,750; and
c. Parks and Recreation Capital Fund: increases the beginning fund balance and increases the Earl Carmichael Park Snack Shack Rehabilitation Project, with a net impact of $290,661.

Items 2a - 2s and 3a - 3c, five affirmative Council votes required to appropriate additional revenue and for the use of unused balances.

A motion was made by Vice Mayor Gonzalez, seconded by Councilmember Chahal, to (1) note and file the Monthly Financial Status Report and Monthly Investment Report for April 2026 as presented; (2) approve the Fiscal Year 2025/26 budget amendments in the following funds: (a) General Fund: increases to revenue including sales tax, property tax, transient occupancy tax, interest earnings, fines and penalties, SVP transfer, other fees for services, other revenue, and reimbursements from Stadium and Bay Area Host Committee, adjustments to various departmental budgets including City Attorney's Office, City Clerk's Office, Finance Department, Fire Department, Police Department, Parks and Recreation Department, and Non-Departmental; a transfer to the Fire Operating Grant Trust Fund and Vehicle Replacement Fund; increases to the Property Tax ERAF Reserve, Pension Stabilization Reserve, unrestricted ending fund balance and the establishment of the Reserve for Future Uses, with a net impact of $41,054,024; (b) Cemetery Fund: increases to the transfers from the Endowment and Perpetual Care Funds and increase to ending fund balance, with a net impact of $84,000; (c) Downtown Parking Maintenance District Fund: increase to capital outlay and decrease to ending fund balance, with a net impact of $0; (d) Electric Utility Capital Fund: decreases to the beginning and ending unrestricted ending fund balance, recognizes a transfer from the Electric Utility Fund and increases the Major Engine Overhaul and Repair project, with a net impact of ($6,170,000); (e) Electric Utility Fund: increases to revenue including other revenue, sale of land and charges for services, increases to materials, services and supplies, contribution in lieu, and resource and production, increases to transfers to the Electric Utility Capital Fund and Vehicle Replacement Fund, and increase to the Rate Stabilization Reserve, with a net impact of $53,125,150; (f) Electric Utility Operating Grant Trust Fund: increase to charges for services, offset with increases to contribution-lieu and the Public Benefits Charges ending fund balance, with a net impact of $1,140,000; (g) Endowment Care Fund: transfer of interest earnings

to the Cemetery Fund, with a net impact of $82,000; (h) Expendable Trust Fund: increases to other agencies revenue and other fees for services and increases to the Information Technology, Public Works and Parks and Recreation Departments, with a net impact of $76,500; (i) Fire Operating Grant Trust Fund: recognition and appropriation of grant revenue for the Fire Department and recognizes a transfer from the General Fund for the SAFER grant program, with a net impact of $142,054; (j) Gas Tax Fund: increases the transfer from the Streets and Highways Capital Fund and the ending fund balance, with a net impact of $764,019; (k) Parks and Recreation Capital Fund: adjustments to the Mitigation Fee Act and Quimby Act revenue and their corresponding ending fund balances and decreases to the Park Impact Fees Monitoring and Parkland Acquisitions projects, recognizes revenue and establishes the Earl Carmichael Park Snack Shack Rehabilitation Project, with a net impact of ($7,937,104); (l) Perpetual Care Fund: transfer of interest earnings to the Cemetery Fund, with a net impact of $2,000; (m) Public Facilities Financing Corporation Fund: increase to administrative cost budget and decrease to ending fund balance; with a net impact of $0; (n) Recycled Water Capital Fund: increase to the Recycled Water System Mains and Services project offset by ending fund balance, with a net impact of $0; (o) Sewer Utility Fund: increase to charges for services, materials, services, and supplies, transfer to the Vehicle Replacement Fund, offset by ending fund balance, with a net impact of $400,000; (p) Streets and Highways Capital Fund: increase to other agencies revenue and the Cupertino-Santa Clara On-Demand Shuttle Project, and reduce the transfer to the Traffic Mitigation Fund, increase the transfer to the Gas Tax Fund, and increase the vehicle registration fee ending fund balance, with a net impact of $210,000; (q) Traffic Mitigation Fund: reduces the transfer from the Streets and Highways Capital Fund and the ending fund balance, with a net impact of ($1,161,035); (r) Unemployment Insurance Fund: increase to insurance claims offset by ending fund balance, with a net impact of $0; and (s) Vehicle Replacement Fund: recognizes transfers from the General Fund, and the Electric Utility and Sewer Utility Funds, and increases the capital outlay appropriation, with a net impact of $329,833; and (3) approve the Fiscal Year 2026/27 budget amendments in the following funds: (a) General Fund: increases the beginning and ending fund balance for the Reserve for Future Uses, increases the unrestricted beginning fund balance and increases the Non-Departmental appropriation, with a net impact of $20,500,000; (b) Electric Utility Capital Fund: recognizes developer contributions

and establishes the Central Expressway and Walsh Ave Transmission Line Clearance Project, with a net impact of $1,863,750; and (c) Parks and Recreation Capital Fund: increases the beginning fund balance and increases the Earl Carmichael Park Snack Shack Rehabilitation Project, with a net impact of $290,661.

7.H 26-654 Action to Authorize the City Manager to Negotiate and Execute Agreements with Hinderliter, De Llamas, & Associates dba HdL Companies and HdL Coren and Cone for Sales, Use, Tax Audit and Recovery Services; Property Tax Audit and Management Services; Transient Occupancy Tax Audit Services; and Santa Clara Tourism Improvement District Assessment Audit and Compliance Services

Recommendation:

1. Authorize the City Manager or designee to execute an agreement with Hinderliter, De Llamas & Associates DBA HdL Companies for sales, use, and transaction tax recovery services for a five-year term starting on July 1, 2026 and ending on June 30, 2031, with a maximum compensation of $1,600,000, subject to the appropriation of funds and the review and approval as to form by the City Attorney;
2. Authorize the City Manager or designee to negotiate and execute an agreement with Hinderliter, De Llamas & Associates DBA HdL Companies for Transient Occupancy Tax (TOT), Community Facilities District (CFD), and Santa Clara Tourism Improvement District (SCTID) administration and audit services for a five-year term starting on July 1, 2026 and ending on June 30, 2031, with a maximum compensation of $230,000, subject to the appropriation of funds and the review and approval as to form by the City Attorney;
3. Authorize the City Manager or designee to execute an agreement with HdL Coren & Cone for comprehensive property tax management services for a five-year term starting on July 1, 2026 and ending on June 30, 2031, with a maximum compensation of $200,000, subject to the appropriation of funds and the review and approval as to form by the City Attorney; and
4. Authorize the City Manager or designee to take any actions necessary to implement and administer the agreements, and to negotiate and execute future amendment(s) to: (a) increase the maximum compensation under the agreements identified in Recommendations No. 1 and No. 3, as necessary, to account for additional revenue resulting from contingency-based compensation structure, and identified in Recommendation No. 2, as necessary, to account for additional properties added during the term of the agreement, (b) add or delete services associated with the services, (c) adjust rates in accordance with the agreements' rate adjustment provisions, and (d) make de minimis changes, subject to the appropriation of funds and the review and approval as to form by the City Attorney.

A motion was made by Vice Mayor Gonzalez, seconded by Councilmember Chahal, to (1) authorize the City Manager or designee to execute an agreement with Hinderliter, De Llamas & Associates DBA HdL Companies for sales, use, and transaction tax recovery services for a five-year term starting on July 1, 2026 and ending on June 30, 2031, with a maximum compensation of

$1,600,000, subject to the appropriation of funds and the review and approval as to form by the City Attorney; (2) authorize the City Manager or designee to negotiate and execute an agreement with Hinderliter, De Llamas & Associates DBA HdL Companies for Transient Occupancy Tax (TOT), Community Facilities District (CFD), and Santa Clara Tourism Improvement District (SCTID) administration and audit services for a five-year term starting on July 1, 2026 and ending on June 30, 2031, with a maximum compensation of $230,000, subject to the appropriation of funds and the review and approval as to form by the City Attorney; (3) authorize the City Manager or designee to execute an agreement with HdL Coren & Cone for comprehensive property tax management services for a five-year term starting on July 1, 2026 and ending on June 30, 2031, with a maximum compensation of $200,000, subject to the appropriation of funds and the review and approval as to form by the City Attorney; and (4) authorize the City Manager or designee to take any actions necessary to implement and administer the agreements, and to negotiate and execute future amendment(s) to: (a) increase the maximum compensation under the agreements identified in Recommendations No. 1 and No. 3, as necessary, to account for additional revenue resulting from contingency-based compensation structure, and identified in Recommendation No. 2, as necessary, to account for additional properties added during the term of the agreement, (b) add or delete services associated with the services, (c) adjust rates in accordance with the agreements' rate adjustment provisions, and (d) make de minimis changes, subject to the appropriation of funds and the review and approval as to form by the City Attorney.

SANTA CLARA STADIUM AUTHORITY BOARD CONSENT CALENDAR

8.B 26-448 Action on Agreements with Devcon Construction, Inc., SC Builders, Inc., and Rudolph Commercial Interiors, Inc. for On-Call General Contractor Services at Levi's Stadium, Limiting Authorization to Spend to a Total Aggregate Not-to-Exceed Amount of $1,506,408, Inclusive of All Contract Years and Contingency, Across All Three Agreements, and Delegated Authority for Future Amendments

Recommendation:

1. Approve and authorize the Stadium Manager to enter into agreements with Devcon Construction, Inc., SC Builders, Inc., and Rudolph Commercial Interiors, Inc. to provide on-call as-needed repair, restoration, and maintenance services on various system components at Levi's Stadium for an initial term of three (3) years commencing upon execution of the Agreements, and expiring March 31, 2029, with two (2) optional one-year extensions through March 31, 2031. Stadium Manager's authority to spend under the agreements is limited to a total aggregate amount payable under all agreements shall not exceed $250,000 per contract year, $750,000 over the initial three-year period, and $1,250,000 over the maximum five (5) year term unless modified pursuant to Recommendation 3 below. The term for each fiscal year is contingent on the Stadium Authority Board approving the applicable fiscal year's budget, including amounts due under the Agreements;
2. Approve a contingency in the amount of $125,000, which is equal to ten percent (10%) of the aggregate total not-to-exceed value of the baseline amount payable under all Agreements over the maximum five (5) year term of the Agreements (i.e., $250,000 per year x 5 years). The contingency may be used to increase the not-to-exceed amount of any Agreement during any contract year, as needed to cover unforeseen services, subject to budget appropriations;
3. Authorize the Stadium Authority Executive Director to approve future amendments as needed to: (a) exercise the option to extend the Agreements by two (2) one-year extension periods through March 31, 2031, and to establish the not-to-exceed amount for each extension period of $250,000 to cover services during each extension; (b) increase the rates in contract years two through five (April 1, 2027 - March 31, 2031) by up to five percent (5%) over the previous year's rates in accordance with the terms and conditions associated with rate increases in Exhibit G of the Agreements; (c) increase the not-to-exceed amount payable under each Agreement by up to five percent (5%) over the previous year's amount to account for rate increases, subject to budget appropriations; and (d) increase the not-to-exceed amount of any Agreement during any contract year using contingency funds as needed to cover unforeseen services, subject to budget appropriations. The aggregate total not-to-exceed value of amounts payable under all Agreements over the five (5) year term, inclusive of all contract years and contingency, shall not exceed $1,506,408; and

4. Authorize the Stadium Manager to execute amendments to the Agreements as approved by the Stadium Authority Executive Director, and issue and execute task orders to the three contracting firms, up to the aggregate not-to-exceed amount for each contract year, subject to budget appropriations.

A motion was made by Vice Chair Gonzalez, seconded by Boardmember Chahal, to (1) approve and authorize the Stadium Manager to enter into agreements with Devcon Construction, Inc., SC Builders, Inc., and Rudolph Commercial Interiors, Inc. to provide on-call as-needed repair, restoration, and maintenance services on various system components at Levi's Stadium for an initial term of three (3) years commencing upon execution of the Agreements, and expiring March 31, 2029, with two (2) optional one-year extensions through March 31, 2031. Stadium Manager's authority to spend under the agreements is limited to a total aggregate amount payable under all agreements shall not exceed $250,000 per contract year, $750,000 over the initial three-year period, and $1,250,000 over the maximum five (5) year term unless modified pursuant to Recommendation 3 below. The term for each fiscal year is contingent on the Stadium Authority Board approving the applicable fiscal year's budget, including amounts due under the Agreements; (2) approve a contingency in the amount of $125,000, which is equal to ten percent (10%) of the aggregate total not-to-exceed value of the baseline amount payable under all Agreements over the maximum five (5) year term of the Agreements (i.e., $250,000 per year x 5 years). The contingency may be used to increase the not-to-exceed amount of any Agreement during any contract year, as needed to cover unforeseen services, subject to budget appropriations; (3) authorize the Stadium Authority Executive Director to approve future amendments as needed to: (a) exercise the option to extend the Agreements by two (2) one-year extension periods through March 31, 2031, and to establish the not-to-exceed amount for each extension period of $250,000 to cover services during each extension; (b) increase the rates in contract years two through five (April 1, 2027 - March 31, 2031) by up to five percent (5%) over the previous year's rates in accordance with the terms and conditions associated with rate increases in Exhibit G of the Agreements; (c) increase the not-to-exceed amount payable under each Agreement by up to five percent (5%) over the previous year's amount to account for rate increases, subject to budget appropriations; and (d) increase the not-to-exceed amount of any Agreement during any contract year using contingency funds as needed to cover unforeseen services, subject to budget

appropriations. The aggregate total not-to-exceed value of amounts payable under all Agreements over the five (5) year term, inclusive of all contract years and contingency, shall not exceed $1,506,408; and (4) authorize the Stadium Manager to execute amendments to the Agreements as approved by the Stadium Authority Executive Director, and issue and execute task orders to the three contracting firms, up to the aggregate not-to-exceed amount for each contract year, subject to budget appropriations.

Aye: 7 - Vice Chair Gonzalez, Boardmember Chahal, Boardmember Hardy, Boardmember Park, Boardmember Jain, Boardmember Cox, and Chair Gillmor

8.C 26-450 Action on Agreements with ACCO Engineered Systems, Inc., Mesa Energy Systems, Inc., and Silicon Valley Mechanical, Inc. for Mechanical and Plumbing Maintenance and Repair Services at Levi's Stadium, Limiting Authorization to Spend to a Total Not-To-Exceed Amount of $1,506,408, Inclusive of All Contract and Option Years and Contingency, Across All Three Agreements, and Delegated Authority for Future Amendments

Recommendation:

1. Approve and authorize the Stadium Manager to enter into agreements with ACCO Engineered Systems, Inc., Mesa Energy Systems, Inc., and Silicon Valley Mechanical, Inc., to provide on-call as-needed mechanical and plumbing maintenance and repair services at Levi's Stadium for an initial term of three (3) years commencing upon execution of the Agreements, and expiring March 31, 2029, with two (2) optional one-year extensions through March 31, 2031. Stadium Manager's authority to spend under all agreements is limited to a total aggregate amount that shall not exceed $250,000 per contract year, $750,000 over the initial three-year period, and $1,250,000 over the maximum five (5) year term unless modified pursuant to Recommendation 3 below. The term for each fiscal year is contingent on the Santa Clara Stadium Authority Board approving the applicable fiscal year's budget, including amounts due under the Agreements;
2. Approve a contingency in the amount of $125,000, which is equal to ten percent (10%) of the aggregate total not-to-exceed value of the baseline amount payable under all Agreements over the maximum five (5) year term of the Agreements (i.e., $250,000 per year x 5 years). The contingency may be used to increase the not-to-exceed amount of any Agreement during any contract year, as needed to cover unforeseen services, subject to budget appropriations;
3. Authorize the Stadium Authority Executive Director to approve future amendments as needed to: (a) exercise the option to extend the Agreements by two (2) one-year extension periods through March 31, 2031, and to establish the not-to-exceed amount for each extension period as $250,000 to cover services during each extension; (b) increase the rates in contract years two through five (April 1, 2027 - March 31, 2031) by up to five percent (5%) over the previous year's rates in accordance with the terms and conditions associated with rate increases in Exhibit G of the Agreements; (c) increase the not-to-exceed amount payable under each Agreement by up to five percent (5%) over the previous year's amount to account for rate increases, subject to budget appropriations; and (d) increase the not-to-exceed amount of any Agreement during any contract year using contingency funds as needed to cover unforeseen services, subject to budget appropriations. The aggregate total not-to-exceed value of amounts payable under all Agreements over the five (5) year term, inclusive of all contract years and contingency, shall not exceed $1,506,408; and

4. Authorize the Stadium Manager to execute amendments to the Agreements as approved by the Stadium Authority Executive Director, and issue and execute task orders to the three contracting firms, up to the aggregate not-to-exceed amount for each contract year, subject to budget appropriations.

A motion was made by Vice Chair Gonzalez, seconded by Boardmember Chahal, to (1) approve and authorize the Stadium Manager to enter into agreements with ACCO Engineered Systems, Inc., Mesa Energy Systems, Inc., and Silicon Valley Mechanical, Inc., to provide on-call as-needed mechanical and plumbing maintenance and repair services at Levi's Stadium for an initial term of three (3) years commencing upon execution of the Agreements, and expiring March 31, 2029, with two (2) optional one-year extensions through March 31, 2031. Stadium Manager's authority to spend under all agreements is limited to a total aggregate amount that shall not exceed $250,000 per contract year, $750,000 over the initial three-year period, and $1,250,000 over the maximum five (5) year term unless modified pursuant to Recommendation 3 below. The term for each fiscal year is contingent on the Santa Clara Stadium Authority Board approving the applicable fiscal year's budget, including amounts due under the Agreements; (2) approve a contingency in the amount of $125,000, which is equal to ten percent (10%) of the aggregate total not-to-exceed value of the baseline amount payable under all Agreements over the maximum five (5) year term of the Agreements (i.e., $250,000 per year x 5 years). The contingency may be used to increase the not-to-exceed amount of any Agreement during any contract year, as needed to cover unforeseen services, subject to budget appropriations; (3) authorize the Stadium Authority Executive Director to approve future amendments as needed to: (a) exercise the option to extend the Agreements by two (2) one-year extension periods through March 31, 2031, and to establish the not-to-exceed amount for each extension period as $250,000 to cover services during each extension; (b) increase the rates in contract years two through five (April 1, 2027 - March 31, 2031) by up to five percent (5%) over the previous year's rates in accordance with the terms and conditions associated with rate increases in Exhibit G of the Agreements; (c) increase the not-to-exceed amount payable under each Agreement by up to five percent (5%) over the previous year's amount to account for rate increases, subject to budget appropriations; and (d) increase the not-to-exceed amount of any Agreement during any contract year using contingency funds as needed to cover unforeseen services, subject to budget appropriations. The

aggregate total not-to-exceed value of amounts payable under all Agreements over the five (5) year term, inclusive of all contract years and contingency, shall not exceed $1,506,408; and (4) authorize the Stadium Manager to execute amendments to the Agreements as approved by the Stadium Authority Executive Director, and issue and execute task orders to the three contracting firms, up to the aggregate not-to-exceed amount for each contract year, subject to budget appropriations.

Aye: 7 - Vice Chair Gonzalez, Boardmember Chahal, Boardmember Hardy, Boardmember Park, Boardmember Jain, Boardmember Cox, and Chair Gillmor

PUBLIC PRESENTATIONS

Lisa Thomas and **Jan Martin** requested a residential parking study on Calle Del Mundo and Calle De Luna.

By consensus, **Council** referred this issue to the **City Manager** for a report out at a future meeting.

Howard Gibbons announced he will be serving hot dogs at the 4th of July event.

Brian Darby spoke regarding electric scooters and bikes.

Anthony Becker (time donated by Saskia) made a Council Policy 030 request to investigate the disclosure of confidential information from Closed Session and hiring an independent elections ethics consultant.

CONSENT ITEMS PULLED FOR DISCUSSION

9. 26-705 Action on an Agreement with Blair, Church & Flynn Consulting Engineers for Design Professional Services for the Citywide Electric Vehicle Charging Stations Installation Project and Related Budget Amendments (DEFERRED FROM JUNE 9, 2026)

Recommendation:

1. Approve and authorize the City Manager to execute an agreement with Blair, Church & Flynn Consulting Engineers for design professional services for the Citywide Electric Vehicle Charging Stations Installation Project with maximum compensation not-to-exceed $1,374,595 and a term through December 31, 2031, in a final form approved by the City Attorney;
2. Authorize the City Manager to negotiate and execute amendments to the agreement to make modifications as needed, including time extensions, subject to the compensation limit and appropriation of funds, in final forms approved by the City Attorney; and
3. Approve the following Fiscal Year 2025/26 budget amendments:
   a. In the Electric Operating Grant Trust Fund, decrease the Greenhouse Gas Program Ending Fund Balance and establish a transfer to the Public Buildings Capital Fund in the amount of $1,484,595 **(five affirmative Council votes required for the use of unused balances)**; and
   b. In the Public Buildings Capital Fund, establish the new Citywide Electric Vehicle Charging Stations Installation Project and recognize a transfer from the Electric Operating Grant Trust Fund and in the amount of $1,484,595 **(five affirmative Council votes required to appropriate additional revenue)**.

Councilmember Jain pulled this item from the June 9, 2026 Joint City Council & Authorities Concurrent and Santa Clara Stadium Authority Board Meeting for questions and comments.

City Manager Grogan and **Director of Economic Development and Sustainability Brilliot** addressed **Council** questions.

Council discussion followed.

Public Comment: None.

A motion was made by Councilmember Jain, seconded by Councilmember Park, to (1) approve and authorize the City Manager to execute an agreement with Blair, Church & Flynn Consulting Engineers for design professional services for the Citywide Electric Vehicle Charging Stations Installation Project with maximum compensation not-to-exceed $1,374,595 and a term through December 31, 2031, in a final form approved by the City Attorney; (2) authorize the City Manager to negotiate and execute amendments

to the agreement to make modifications as needed, including time extensions, subject to the compensation limit and appropriation of funds, in final forms approved by the City Attorney; (3) approve the following Fiscal Year 2025/26 budget amendments: (a) in the Electric Operating Grant Trust Fund, decrease the Greenhouse Gas Program Ending Fund Balance and establish a transfer to the Public Buildings Capital Fund in the amount of $1,484,595; and (b) in the Public Buildings Capital Fund, establish the new Citywide Electric Vehicle Charging Stations Installation Project and recognize a transfer from the Electric Operating Grant Trust Fund and in the amount of $1,484,595; and (4) pause public chargers in the contract until the completion of refresh of electric vehicle strategy and direct staff to look into load balancing software and cost of level 2 chargers.

7.A 26-716 Action on the May 5, 2026 Joint City Council and Authorities Concurrent & Santa Clara Stadium Authority Board Meeting, May 6, 2026 Special City Council Meeting, May 19, 2026 Joint City Council and Authorities Concurrent & Santa Clara Stadium Authority Board Meeting, and May 26, 2026 Special Joint City Council and Authorities Concurrent & Santa Clara Stadium Authority Board Meeting Minutes.

Recommendation: Approve the May 5, 2026 Joint City Council and Authorities Concurrent & Santa Clara Stadium Authority Board Meeting, May 6, 2026 Special City Council Meeting, May 19, 2026 Joint City Council and Authorities Concurrent & Santa Clara Stadium Authority Board Meeting, and May 26, 2026 Special Joint City Council and Authorities Concurrent & Santa Clara Stadium Authority Board Meeting Minutes.

This item was deferred to a future meeting date uncertain.

7.K 26-607 Action on a Resolution Approving and Adopting the Updated Records Retention Schedule for All City Departments

Recommendation: Adopt a Resolution approving a new Citywide Records Retention Schedule including the Santa Clara Police Department and Rescind Resolutions 25-9459 (adopting a Records Retention Schedule for the Santa Clara Police Department) and 12-7965 (Old Citywide and Departmental Retention Schedule).

This item was deferred to a future meeting date uncertain.

8.A 26-449 Action on Agreements with ASF Electrical, Inc., Bear Electrical Solutions, LLC, and Cupertino Electric, Inc. for On-Call Electrical Maintenance and Repair Services at Levi's Stadium, Limiting Authorization to Spend to a Total Aggregate Not-to-Exceed Amount of $1,506,408, Inclusive of All Option Years and Contingency Across All Three Agreements, and Delegated Authority for Future Amendments

Recommendation:

1. Approve and authorize the Stadium Manager to enter into agreements with ASF Electric, Inc., Bear Electrical Solutions, LLC, and Cupertino Electric, Inc., to provide on-call electrical maintenance and repair services at Levi's Stadium for an initial term of three (3) years commencing upon execution of the Agreement, and expiring March 31, 2029, with two (2) optional one-year extensions through March 31, 2031. Stadium Manager's authority to spend under all agreements is limited to a total aggregate amount that shall not exceed $250,000 per contract year, $750,000 over the initial three-year period, and $1,250,000 over the maximum five (5) year term unless modified pursuant to Recommendation 3 below. The term for each fiscal year is contingent on the Santa Clara Stadium Authority Board approving the applicable fiscal year's budget, including amounts due under the Agreements;
2. Approve a contingency in the amount of $125,000, which is equal to ten percent (10%) of the aggregate total not-to-exceed value of the baseline amount payable under all Agreements over the maximum five (5) year term of the Agreements (i.e., $250,000 per year x 5 years). The contingency may be used to increase the not-to-exceed amount of any Agreement during any contract year, as needed to cover unforeseen services, subject to budget appropriations;
3. Authorize the Stadium Authority Executive Director to approve future amendments as needed to: (a) exercise the option to extend the Agreements by two (2) one-year extension periods through March 31, 2031, and to establish the not-to-exceed amount for each extension period of $250,000 to cover services during each extension; (b) increase the rates in contract years two through five (April 1, 2027 - March 31, 2031) by up to five percent (5%) over the previous year's rates in accordance with the terms and conditions associated with rate increases in Exhibit G of the Agreements; (c) increase the not-to-exceed amount payable under each Agreement for contract years two through five (April 1, 2027- March 31, 2031), by up to five percent (5%) over the previous year's amount to account for rate increases, subject to budget appropriations; and (d) increase the not-to-exceed amount of any Agreement during any contract year using contingency funds as needed to cover unforeseen services, subject to budget appropriations. The aggregate total not-to-exceed value of amounts payable under all Agreements over the five (5) year term, inclusive of all contract years and contingency, shall not exceed

$1,506,408; and

4. Authorize the Stadium Manager to execute amendments to the Agreements as approved by the Stadium Authority Executive Director and issue and execute task orders to the three contracting firms, up to the aggregate not-to-exceed amount for each contract year, subject to budget appropriations.

This item was deferred to a future meeting date uncertain.

PUBLIC HEARING/GENERAL BUSINESS

10. 26-329 Public Hearing: Adoption of a Resolution Declaring Results of Majority Protest Proceedings and Renewing the Santa Clara Tourism Improvement District (District), and Action on an Agreement with Silicon Valley/Santa Clara DMO, Inc. d/b/a Discover Santa Clara for the Administration of the District

Recommendation:

1. Adopt a Resolution of the City of Santa Clara, California Declaring Results of Majority Protest Proceedings and Renewing the Santa Clara Tourism Improvement District;
2. Approve and authorize the City Manager to execute the proposed Agreement with Silicon Valley/Santa Clara DMO, Inc. d/b/a Discover Santa Clara for the Administration of the Santa Clara Tourism Improvement District on the terms presented, in a final form approved by the City Attorney; and
3. Authorize the City Manager to make minor and administrative modifications to the Agreement, approved as the form by the City Attorney, if necessary.

Mayor Gillmor opened the Public Hearing.

City Manager Grogan made some opening remarks and introduced **Christine Lawson (Chief Executive Officer, Discover Santa Clara)** and **Kelly Rankin (Senior Project Manager, Civitas)** who provided a Powerpoint presentation on the Santa Clara Tourism Improvement District (SCTID) Renewal.

Council questions and comments followed.

Christine Lawson (Chief Executive Officer, Discover Santa Clara) and **Kelly Rankin (Senior Project Manager, Civitas)** addressed **Council** questions.

Public Comment: Scott Wintner
Billy Mendez
Jack Bloom
Nancy Fullmore
Kevin Dominquez
Brian Darby
Eliver
Public speaker
Melissa

A motion was made by Councilmember Hardy, seconded by Vice Mayor Gonzalez, to close the Public Hearing.

Aye: 7 - Vice Mayor Gonzalez, Councilmember Chahal, Councilmember Hardy, Councilmember Park, Councilmember Jain, Councilmember Cox, and Mayor Gillmor

Council discussion followed.

Assistant City Clerk Pimentel noted that the City Clerk's Office received zero written protest, which is not a majority of the owners or authorized representatives of businesses in the proposed renewed Santa Clara Tourism Improvement District; therefore, the protest did not constitute a majority protest and **Council** may proceed with renewing the Santa Clara Tourism Improvement District.

Council discussion followed.

City Attorney Googins addressed **Council** questions.

A motion was made by Councilmember Hardy, seconded by Councilmember Chahal, to (1) adopt Resolution No. 26-9578 Declaring Results of Majority Protest Proceedings and Renewing the Santa Clara Tourism Improvement District; (2) approve and authorize the City Manager to execute the proposed Agreement with Silicon Valley/Santa Clara DMO, Inc. d/b/a Discover Santa Clara for the Administration of the Santa Clara Tourism Improvement District on the terms presented, in a final form approved by the City Attorney; and (3) authorize the City Manager to make minor and administrative modifications to the Agreement, approved as the form by the City Attorney, if necessary.

Aye: 6 - Vice Mayor Gonzalez, Councilmember Chahal, Councilmember Hardy, Councilmember Jain, Councilmember Cox, and Mayor Gillmor

Nay: 1 - Councilmember Park

Mayor Gillmor called for a recess at 9:27 PM and reconvened the meeting at 9:40 PM.

11. 26-706 Action on Proposed FY 2027/28 Santa Clara Stadium Authority Capital Expense Projects (DEFERRED FROM JUNE 9, 2026)

Recommendation: Approve staff's recommendation on the proposed Santa Clara Stadium Authority Fiscal Year 2027/28 Capital Expense Projects, totaling $11,080,731, as described in the report and "Recommendations for Stadium Manager's Proposed FY 2027/28 CapEx Projects" attachment, including funding levels and next steps.

Executive Director Grogan made some opening remarks and introduced **Treasurer Lee** who provided a Powerpoint presentation on the proposed Fiscal Year 2027/28 Santa Clara Stadium Authority Capital Expense Projects.

Board questions followed.

Treasurer Lee, **Executive Director Grogan**, **Kevin Wang (Vice President, San Francisco 49ers), Francine Hughes (General Manager, San Francisco 49ers)** addressed **Board** questions.

Public Comment: Eric Adler
Brian Darby

Board discussion followed.

A motion was made by Vice Chair Gonzalez to approve the proposed Santa Clara Stadium Authority Fiscal Year 2027/28 Capital Expense Projects, totaling $11,080,731, as described in the report and "Recommendations for Stadium Manager's Proposed FY 2027/28 CapEx Projects" attachment, including funding levels and next steps.

The motion failed due to lack of a second.

Board discussion followed.

Executive Director Grogan, **Stadium Authority Counsel Googins, Kevin Wang (Vice President, San Francisco 49ers), Francine Hughes (General Manager, San Francisco 49ers)** addressed **Board** questions.

A motion was made by Boardmember Hardy, seconded by Vice Chair Gonzalez, to approve the proposed Santa Clara Stadium Authority Fiscal Year 2027/28 Capital Expense Projects, totaling $11,080,731, as described in the report and "Recommendations for

Stadium Manager's Proposed FY 2027/28 CapEx Projects" attachment, including funding levels and next steps.

CITY MANAGER/EXECUTIVE DIRECTOR REPORT

City Manager Grogan provided a verbal report on upcoming agenda items.

ADJOURNMENT

The meeting was adjourned on June 24, 2026 at 12:47 A.M.

The next scheduled special meeting is on Tuesday, June 30, 2026 in the City Hall Council Chambers.

MEETING DISCLOSURES

The time limit within which to commence any lawsuit or legal challenge to any quasi-adjudicative decision made by the City is governed by Section 1094.6 of the Code of Civil Procedure, unless a shorter limitation period is specified by any other provision. Under Section 1094.6, any lawsuit or legal challenge to any quasi-adjudicative decision made by the City must be filed no later than the 90th day following the date on which such decision becomes final. Any lawsuit or legal challenge, which is not filed within that 90-day period, will be barred. If a person wishes to challenge the nature of the above section in court, they may be limited to raising only those issues they or someone else raised at the meeting described in this notice, or in written correspondence delivered to the City of Santa Clara, at or prior to the meeting. In addition, judicial challenge may be limited or barred where the interested party has not sought and exhausted all available administrative remedies.

California Government Code Section 84308, most recently amended by SB 1243, commonly referred to as the "Levine Act," prohibits a local elected official or quasi-judicial appointed official from participating in any action related to a contributor's contract, license, permit, or use entitlement if he/she/it receives any campaign contributions totaling more than $500 within the previous twelve months, and for twelve months following the date a final decision has been made, from the party, participants, or agents in the proceeding. Parties, Participants or Agents for a proceeding involving a license, permit, or other use entitlement pending before the City Council or a City quasi-judicial body must complete the California Levine Act Disclosure Statement prior to their proceeding.

STREAMING SERVICES: As always, the public may view the meetings on SantaClaraCA.gov, Santa Clara City Television (Comcast cable channel 15), or the livestream on the City's YouTube channel or Facebook page.

Note: The public cannot participate in the meeting through these livestreaming methods; livestreaming capabilities may be disrupted at times, viewers may always view and participate in meetings in-person and via Zoom as noted on the agenda.

AB23 ANNOUNCEMENT: Members of the Santa Clara Stadium Authority, Sports and Open Space Authority and Housing Authority are entitled to receive $30 for each attended meeting.

Note: The City Council and its associated Authorities meet as separate agencies but in a concurrent manner. Actions taken should be considered actions of only the identified policy body.

LEGEND: City Council (CC); Stadium Authority (SA); Sports and Open Space Authority (SOSA); Housing Authority (HA); Successor Agency to the City of Santa Clara Redevelopment Agency (SARDA); Bayshore North Project Enhancement Authority (BNPEA); Public Facilities Financing Corporation (PFFC)

Public contact was made by posting the Council agenda on the City's official-notice bulletin board outside City Hall Council Chambers. A complete agenda packet is available on the City's website and in the City Clerk's Office at least 72 hours prior to a Regular Meeting and 24 hours prior to a Special Meeting. A hard copy of any agenda report may be requested by contacting the City Clerk's Office at (408) 615-2220, email clerk@santaclaraca.gov or at the public information desk at any City of Santa Clara public library.

If a member of the public submits a speaker card for any agenda items, their name will appear in the Minutes. If no speaker card is submitted, the Minutes will reflect "Public Speaker."

In accordance with the requirements of Title II of the Americans with Disabilities Act of 1990 ("ADA"), the City of Santa Clara will not discriminate against qualified individuals with disabilities on the basis of disability in its services, programs, or activities, and will ensure that all existing facilities will be made accessible to the maximum extent feasible. The City of Santa Clara will generally, upon request, provide appropriate aids and services leading to effective communication for qualified persons with disabilities including those with speech, hearing, or vision impairments so they can participate equally in the City's programs, services, and activities. The City of Santa Clara will make all reasonable modifications to policies and programs to ensure that people with disabilities have an equal opportunity to enjoy all of its programs, services, and activities. Individuals who require an auxiliary aid or service for effective communication, or any other disability-related modification of policies or procedures, or other accommodation, in order to participate in a program, service, or activity of the City of Santa Clara, should contact the City's ADA Coordinator at 408-615-3000 as soon as possible but no later than 48 hours before the scheduled event.

City of Santa Clara

Special Meeting Minutes

Call and Notice of Special Meeting of the City Council

06/30/2026 **5:30 PM** **Hybrid Meeting**
City Hall Council Chambers/Virtual
1500 Warburton Avenue
Santa Clara, CA 95050

The City of Santa Clara is conducting City Council meetings in a hybrid manner (in-person and continues to have methods for the public to participate remotely).

- Via Zoom:
  - https://santaclaraca.zoom.us/j/99706759306
    Meeting ID: 997-0675-9306
  - Phone 1(669) 900-6833

How to Submit Written Public Comment Before City Council Meeting:

1. Use the eComment tab located on the City Council Agenda page https://santaclara.legistar.com/Calendar.aspx). eComments are directly sent to the iLegislate application used by City Council and staff, and become part of the public record. eComment closes 15 minutes before the start of a meeting.
2. By email to clerk@santaclaraca.gov by 12 p.m. the day of the meeting. Those emails will be forwarded to the Council and will be uploaded to the City Council Agenda as supplemental meeting material. Emails received after the 12 p.m. cutoff time up through the end of the meeting will form part of the meeting record. Please identify the Agenda Item Number in the subject line of your email.
   NOTE: Please note eComments and Emails received as public comment **will not** be read aloud during the meeting.

Agendas, Staff Reports and some associated documents for City Council items may be viewed on the Internet at https://santaclara.legistar.com/Calendar.aspx

All public records relating to an open session item on this agenda, which are not exempt from disclosure pursuant to the California Public Records Act, that are distributed to a majority of the legislative body will be available for public inspection at the Office of the City Clerk at Santa Clara City Hall, 1500 Warburton Avenue, Santa Clara, CA 95050 at the same time that the public records are distributed or made available to the legislative body. Any draft contracts, ordinances and resolutions posted on the Internet site or distributed in advance of the Council meeting may not be the final documents approved by the City Council. For the final document, you may contact the Office of the City Clerk at (408) 615-2220 or Clerk@santaclaraca.gov.

NOTICE IS HEREBY GIVEN that, pursuant to the provisions of California Government Code §54956 ("The Brown Act") and Section 708 of the Santa Clara City Charter, the Mayor calls for a Special Meeting of the City Council of the City of Santa Clara, to commence and convene on June 30, 2026, at 5:30 pm to be held virtually and in the City Hall Council Chambers located in the East Wing of City Hall at 1500 Warburton Avenue, Santa Clara, California, to consider the following matter(s) and to potentially take action with respect to them.

Aye: 7 - Vice Mayor Gonzalez, Councilmember Chahal, Councilmember Hardy, Councilmember Park, Councilmember Jain, Councilmember Cox, and Mayor Gillmor

ADJOURNMENT

The meeting was adjourned at 8:36 PM.

The next regular scheduled meeting is on Tuesday, July 7, 2026 in the City Hall Council Chambers.

MEETING DISCLOSURES

The time limit within which to commence any lawsuit or legal challenge to any quasi-adjudicative decision made by the City is governed by Section 1094.6 of the Code of Civil Procedure, unless a shorter limitation period is specified by any other provision. Under Section 1094.6, any lawsuit or legal challenge to any quasi-adjudicative decision made by the City must be filed no later than the 90th day following the date on which such decision becomes final. Any lawsuit or legal challenge, which is not filed within that 90-day period, will be barred. If a person wishes to challenge the nature of the above section in court, they may be limited to raising only those issues they or someone else raised at the meeting described in this notice, or in written correspondence delivered to the City of Santa Clara, at or prior to the meeting. In addition, judicial challenge may be limited or barred where the interested party has not sought and exhausted all available administrative remedies.

California Government Code Section 84308, most recently amended by SB 1243, commonly referred to as the "Levine Act," prohibits a local elected official or quasi-judicial appointed official from participating in any action related to a contributor's contract, license, permit, or use entitlement if he/she/it receives any campaign contributions totaling more than $500 within the previous twelve months, and for twelve months following the date a final decision has been made, from the party, participants, or agents in the proceeding. Parties, Participants or Agents for a proceeding involving a license, permit, or other use entitlement pending before the City Council or a City quasi-judicial body must complete the California Levine Act Disclosure Statement prior to their proceeding.

STREAMING SERVICES: As always, the public may view the meetings on SantaClaraCA.gov, Santa Clara City Television (Comcast cable channel 15), or the livestream on the City's YouTube channel or Facebook page.

Note: The public cannot participate in the meeting through these livestreaming methods; livestreaming capabilities may be disrupted at times, viewers may always view and participate in meetings in-person and via Zoom as noted on the agenda.

AB23 ANNOUNCEMENT: Members of the Santa Clara Stadium Authority, Sports and Open Space Authority and Housing Authority are entitled to receive $30 for each attended meeting.

Note: The City Council and its associated Authorities meet as separate agencies but in a concurrent manner. Actions taken should be considered actions of only the identified policy body.

LEGEND: City Council (CC); Stadium Authority (SA); Sports and Open Space Authority (SOSA); Housing Authority (HA); Successor Agency to the City of Santa Clara Redevelopment Agency (SARDA); Bayshore North Project Enhancement Authority (BNPEA); Public Facilities Financing Corporation (PFFC)

Public contact was made by posting the Council agenda on the City's official-notice bulletin board outside City Hall Council Chambers. A complete agenda packet is available on the City's website and in the City Clerk's Office at least 72 hours prior to a Regular Meeting and 24 hours prior to a Special Meeting. A hard copy of any agenda report may be requested by contacting the City Clerk's Office at (408) 615-2220, email clerk@santaclaraca.gov or at the public information desk at any City of Santa Clara public library.

If a member of the public submits a speaker card for any agenda items, their name will appear in the Minutes. If no speaker card is submitted, the Minutes will reflect "Public Speaker."

In accordance with the requirements of Title II of the Americans with Disabilities Act of 1990 ("ADA"), the City of Santa Clara will not discriminate against qualified individuals with disabilities on the basis of disability in its services, programs, or activities, and will ensure that all existing facilities will be made accessible to the maximum extent feasible. The City of Santa Clara will generally, upon request, provide appropriate aids and services leading to effective communication for qualified persons with disabilities including those with speech, hearing, or vision impairments so they can participate equally in the City's programs, services, and activities. The City of Santa Clara will make all reasonable modifications to policies and programs to ensure that people with disabilities have an equal opportunity to enjoy all of its programs, services, and activities. Individuals who require an auxiliary aid or service for effective communication, or any other disability-related modification of policies or procedures, or other accommodation, in order to participate in a program, service, or activity of the City of Santa Clara, should contact the City's ADA Coordinator at 408-615-3000 as soon as possible but no later than 48 hours before the scheduled event.

City of Santa Clara

Meeting Minutes of the

Joint City Council and Authorities Concurrent &

Santa Clara Stadium Authority Board

07/07/2026 **5:00 PM** **Hybrid Meeting**
City Hall Council Chambers/Virtual
1500 Warburton Avenue
Santa Clara, CA 95050

The City of Santa Clara is conducting City Council meetings in a hybrid manner (in-person and continues to have methods for the public to participate remotely).

- Via Zoom:
  - https://santaclaraca.zoom.us/j/99706759306
    Meeting ID: 997-0675-9306
  - Phone 1(669) 900-6833

How to Submit Written Public Comment Before City Council Meeting:

1. Use the eComment tab located on the City Council Agenda page https://santaclara.legistar.com/Calendar.aspx). eComments are directly sent to the iLegislate application used by City Council and staff, and become part of the public record. eComment closes 15 minutes before the start of a meeting.
2. By email to clerk@santaclaraca.gov by 12 p.m. the day of the meeting. Those emails will be forwarded to the Council and will be uploaded to the City Council Agenda as supplemental meeting material. Emails received after the 12 p.m. cutoff time up through the end of the meeting will form part of the meeting record. Please identify the Agenda Item Number in the subject line of your email. **NOTE**: Please note eComments and Emails received as public comment **will not** be read aloud during the meeting.

Agendas, Staff Reports and some associated documents for City Council items may be viewed on the Internet at https://santaclara.legistar.com/Calendar.aspx

All public records relating to an open session item on this agenda, which are not exempt from disclosure pursuant to the California Public Records Act, that are distributed to a majority of the legislative body will be available for public inspection at the Office of the City Clerk at Santa Clara City Hall, 1500 Warburton Avenue, Santa Clara, CA 95050 at the same time that the public records are distributed or made available to the legislative body. Any draft contracts, ordinances and resolutions posted on the Internet site or distributed in advance of the Council meeting may not be the final documents approved by the City Council. For the final document, you may contact the Office of the City Clerk at (408) 615-2220 or Clerk@santaclaraca.gov.

2.D 26-630 Action to Approve and Authorize the City Manager to Execute Amendments to Reinstate and Extend Terms of Agreements with Raftelis Financial Consultants, Inc. and Baker Tilly Advisory Group for Organizational Assessment Services and Increase the Maximum Compensation Amounts to $500,000 and $347,000, Respectively

Recommendation:

1. Approve and authorize the City Manager or designee to execute Amendment No. 1 to the agreement with Raftelis Financial Consultants to reinstate the agreement, exercise the first of two one-year options to extend the term through October 31, 2026, increase the Consultant's standard hourly rates, and increase the maximum compensation by $250,000 for a revised maximum compensation amount of $500,000, subject to the appropriation of funds and review and approval as to form by the City Attorney;
2. Approve and authorize the City Manager or designee to execute Amendment No. 1 to the agreement with Baker Tilly Advisory Group to reinstate the agreement, exercise the first of two one-year options to extend the term through December 31, 2026, and increase the maximum compensation by $97,000 for a revised maximum compensation amount of $347,000, subject to the appropriation of funds and review and approval as to form by the City Attorney; and
3. Authorize the City Manager or designee to take any actions necessary to implement and administer the agreements, including exercising options to extend, and to negotiate and execute future amendments to (a) add or delete services associated with the services, (b) adjust rates in accordance with the rate schedule provisions, and (c) make de minimis changes, provided that the maximum compensation amounts are not exceeded and subject to the appropriation of funds and review and approval as to form by the City Attorney.

A motion was made by Vice Mayor Gonzalez, seconded by Councilmember Hardy, to (1) approve and authorize the City Manager or designee to execute Amendment No. 1 to the agreement with Raftelis Financial Consultants to reinstate the agreement, exercise the first of two one-year options to extend the term through October 31, 2026, increase the Consultant's standard hourly rates, and increase the maximum compensation by $250,000 for a revised maximum compensation amount of $500,000, subject to the appropriation of funds and review and approval as to form by the City Attorney; (2) approve and authorize the City Manager or designee to execute Amendment No. 1 to the agreement with Baker Tilly Advisory Group to reinstate the agreement, exercise the first of two one-year options to extend the term through December 31, 2026, and increase the maximum compensation by $97,000 for a revised maximum compensation amount of $347,000, subject to the

appropriation of funds and review and approval as to form by the City Attorney; and (3) authorize the City Manager or designee to take any actions necessary to implement and administer the agreements, including exercising options to extend, and to negotiate and execute future amendments to (a) add or delete services associated with the services, (b) adjust rates in accordance with the rate schedule provisions, and (c) make de minimis changes, provided that the maximum compensation amounts are not exceeded and subject to the appropriation of funds and review and approval as to form by the City Attorney.

Aye: 6 - Vice Mayor Gonzalez, Councilmember Hardy, Councilmember Park, Councilmember Jain, Councilmember Cox, and Mayor Gillmor

Absent: 1 - Councilmember Chahal

2.E 26-725 Action to Authorize the City Manager to Execute Amendments to Agreements with Moveable, Inc. and TRAFFIK, LLC for Event Planning and Production Services, to Increase the Not-to-Exceed Compensation for Moveable, Inc. by $200,000 for a Total Not-to-Exceed Compensation of $550,000 and Increase the Not-to-Exceed Compensation for TRAFFIK, LLC by $100,000 for a Total Not-to-Exceed Compensation of $350,000

Recommendation:

1. Authorize the City Manager or designee to execute Amendment No. 2 with Moveable Inc. to increase the maximum compensation by $200,000 for event production services, for a revised not-to-exceed maximum compensation amount of $550,000, subject to appropriation of funds;
2. Authorize the City Manager or designee to execute Amendment No. 1 with TRAFFIK, LLC to increase the maximum compensation by $100,000 for event production services, for a revised not-to-exceed maximum compensation amount of $350,000, subject to appropriation of funds; and
3. Authorize the City Manager or designee to take all actions necessary to implement and administer the Agreements with Moveable, Inc. Walk Talkin International LLC, and TRAFFIK, LLC, including negotiating and executing future amendments to (i) add or delete related line item services; (ii) implement rate adjustments on the terms provided in Exhibit B, and (iii) make de minimis changes, provided that the total not-to-exceed maximum compensation is not exceeded, subject to the appropriation of funds and review and approval as to form by the City Attorney.

A motion was made by Vice Mayor Gonzalez, seconded by Councilmember Hardy, to (1) authorize the City Manager or designee to execute Amendment No. 2 with Moveable Inc. to increase the maximum compensation by $200,000 for event production services, for a revised not-to-exceed maximum compensation amount of $550,000, subject to appropriation of funds; (2) authorize the City Manager or designee to execute Amendment No. 1 with TRAFFIK, LLC to increase the maximum compensation by $100,000 for event production services, for a revised not-to-exceed maximum compensation amount of $350,000, subject to appropriation of funds; and (3) authorize the City Manager or designee to take all actions necessary to implement and administer the Agreements with Moveable, Inc. Walk Talkin International LLC, and TRAFFIK, LLC, including negotiating and executing future amendments to (i) add or delete related line item services; (ii) implement rate adjustments on the terms provided in Exhibit B, and (iii) make de minimis changes, provided that the total not-to-exceed maximum compensation is not exceeded, subject to

the appropriation of funds and review and approval as to form by the City Attorney.

Aye: 6 - Vice Mayor Gonzalez, Councilmember Hardy, Councilmember Park, Councilmember Jain, Councilmember Cox, and Mayor Gillmor

Absent: 1 - Councilmember Chahal

2.F 26-414 Action on Award of Public Works Contract for the Bowers Park Parking Lot Rehabilitation Project to O'Grady Paving, Inc. and Approval of Related Budget Amendments

Recommendation:

1. Determine that the proposed actions are exempt from CEQA pursuant to Section 15301 (Existing Facilities) of Title 14 of California Code of Regulations;
2. Award the Public Works Contract for the Bowers Park Parking Lot Rehabilitation Project to the lowest responsive and responsible bidder, O'Grady Paving, Inc., in the amount of $1,641,081 and authorize the City Manager to execute any and all documents associated with and necessary for the award, completion, and acceptance of this Project, in final forms approved by the City Attorney;
3. Authorize the City Manager to execute change orders up to approximately 15 percent of the original contract price, or $246,163, for a total not-to-exceed amount of $1,887,244; and
4. Approve the following FY 2026/27 budget amendments:
   a. In the Electric Operating Grant Trust Fund, establish a transfer to the Storm Drain Capital Fund in the amount of $550,900 and reduce the Greenhouse Gas ending fund balance by $550,900 **(five affirmative Council votes required for the use of unused balances);**
   b. In the Parks and Recreation Capital Fund, establish a transfer to the Storm Drain Capital Fund in the amount of $1,169,100 and reduce the Mitigation Fee Act ending fund balance by $1,169,100 **(five affirmative Council votes required for the use of unused balances);** and
   c. In the Storm Drain Capital Fund, recognize transfers from the Electric Operating Grant Trust Fund in the amount of $550,900 and from the Parks and Recreation Capital Fund in the amount of $1,169,100, and increase the Bowers Park Parking Lot Rehabilitation project appropriation by $1,720,000 **(five affirmative Council votes required to appropriate additional revenue)**.

A motion was made by Vice Mayor Gonzalez, seconded by Councilmember Hardy, to (1) determine that the proposed actions are exempt from CEQA pursuant to Section 15301 (Existing Facilities) of Title 14 of California Code of Regulations; (2) award the Public Works Contract for the Bowers Park Parking Lot Rehabilitation Project to the lowest responsive and responsible bidder, O'Grady Paving, Inc., in the amount of $1,641,081 and authorize the City Manager to execute any and all documents associated with and necessary for the award, completion, and acceptance of this Project, in final forms approved by the City Attorney; (3) authorize the City Manager to execute change orders

up to approximately 15 percent of the original contract price, or $246,163, for a total not-to-exceed amount of $1,887,244; and (4) approve the following Fiscal Year 2026/27 budget amendments: (a) in the Electric Operating Grant Trust Fund, establish a transfer to the Storm Drain Capital Fund in the amount of $550,900 and reduce the Greenhouse Gas ending fund balance by $550,900; (b) in the Parks and Recreation Capital Fund, establish a transfer to the Storm Drain Capital Fund in the amount of $1,169,100 and reduce the Mitigation Fee Act ending fund balance by $1,169,100; and (c) in the Storm Drain Capital Fund, recognize transfers from the Electric Operating Grant Trust Fund in the amount of $550,900 and from the Parks and Recreation Capital Fund in the amount of $1,169,100, and increase the Bowers Park Parking Lot Rehabilitation project appropriation by $1,720,000.

Aye: 6 - Vice Mayor Gonzalez, Councilmember Hardy, Councilmember Park, Councilmember Jain, Councilmember Cox, and Mayor Gillmor

Saiprakash spoke regarding residential parking issues on Calle Del Mundo.

Public Speaker spoke regarding safety issues at Agrihood.

Public Speaker spoke regarding residential parking issues on Calle Del Mundo.

James Rowen spoke regarding perjury.

Councilmember Park provided some remarks on Agrihood.

CONSENT ITEMS PULLED FOR DISCUSSION

2.H 26-740 Action to Adopt a Resolution Approving and Adopting the Updated Unclassified Salary Plan for Various Positions including the Updated Salaries of the Mayor and Council Members and the City Clerk

Recommendation: Adopt a Resolution to approve the revised Unclassified/Elected Salary Plan for the positions of Mayor, City Council Member, and City Clerk which reflects the salary increase granted by the Salary Setting Commission, to satisfy the requirements of California Code of Regulations Section 570.5, effective July 1, 2026.

Councilmember Jain pulled this item for questions and discussion.

A motion was made by Councilmember Jain to adopt a resolution to approve the revised Unclassified/Elected Salary Plan for the positions of Mayor, City Council Member, and City Clerk which reflects the salary increase granted by the Salary Setting Commission, but limit the salary increase for Mayor and City Council Member to 2%.

The motion failed due to lack of second.

Council discussion followed.

City Attorney Googins and **Acting Director of Human Resources Mercado** addressed **Council** questions.

A motion was made by Vice Mayor Gonzalez, seconded by Councilmember Cox, to adopt Resolution No. 26-9585 to approve the revised Unclassified/Elected Salary Plan for the positions of Mayor, City Council Member, and City Clerk which reflects the salary increase granted by the Salary Setting Commission, to satisfy the requirements of California Code of Regulations Section 570.5, effective July 1, 2026.

Aye: 4 - Vice Mayor Gonzalez, Councilmember Hardy, Councilmember Cox, and Mayor Gillmor

Nay: 1 - Councilmember Jain

Abstained: 1 - Councilmember Park

PUBLIC HEARING/GENERAL BUSINESS

4. 26-352 Adoption of Resolution Approving the Execution, Delivery and Performance of a Revolving Credit Agreement with TD Public Finance, LLC for Capital Costs for the Electric System in the Amount Not-to-Exceed $350,000,000 and Authorizing the Execution, Delivery and Performance of Related Documents and Certain Other Actions in connection with this Financing

Recommendation:

1. That the City Council by Resolution authorize and approving the execution, delivery and performance of Revolving Credit Agreement with TD Public Finance, LLC in an amount not to exceed $350,000,000 to provide interim financing for capital costs of the Electric Utility consistent with the Capital Improvement Plan, approving the execution of financing documents and authorizing certain other related actions consistent with the financing; and
2. Authorize the City Manager, Director of Finance, Director of Silicon Valley Power, City Attorney, and Assistant City Clerk to execute all required agreements necessary to consummate any of the transactions contemplated by the agreements and documents approved under the Resolution and to make any changes necessary to complete the financing transaction.

City Manager Grogan made some opening remarks and introduced **Acting Assistant City Manager/Director of Finance Lee** and **Chief Electric Utility Officer Procos** who provided a Powerpoint presentation on the adoption of resolution approving the execution, delivery and performance of a revolving credit agreement with TD Public Finance, LLC for capital costs for the Electric System in the amount not to exceed $350,000,000 and authorizing the execution, delivery and performance of related documents and certain other actions in connection with this financing.

Council questions and comments followed.

Acting Assistant City Manager/Director of Finance Lee, **Chief Electric Utility Officer Procos**, and **Mike Berwanger (Managing Director, PFM)** addressed **Council** questions.

Public Comment: Brian Darby
Edward Strine

Council discussion followed.

A motion was made by Councilmember Jain, seconded by Councilmember Park, to extend the discussion.

The motion failed.

Aye: 3 - Councilmember Hardy, Councilmember Park, and Councilmember Jain

Nay: 3 - Vice Mayor Gonzalez, Councilmember Cox, and Mayor Gillmor

Absent: 1 - Councilmember Chahal

A motion was made by Councilmember Hardy, seconded by Vice Mayor Gonzalez, to (1) adopt Resolution No. 26-9586 authorizing and approving the execution, delivery and performance of Revolving Credit Agreement with TD Public Finance, LLC in an amount not to exceed $350,000,000 to provide interim financing for capital costs of the Electric Utility consistent with the Capital Improvement Plan, approving the execution of financing documents and authorizing certain other related actions consistent with the financing; and (2) authorize the City Manager, Director of Finance, Director of Silicon Valley Power, City Attorney, and Assistant City Clerk to execute all required agreements necessary to consummate any of the transactions contemplated by the agreements and documents approved under the Resolution and to make any changes necessary to complete the financing transaction.

None.

ADJOURNMENT

The meeting was adjourned on July 8, 2026 at 12:27 AM.

The next regular scheduled meeting is on Tuesday, July 14, 2026 in the City Hall Council Chambers.

MEETING DISCLOSURES

The time limit within which to commence any lawsuit or legal challenge to any quasi-adjudicative decision made by the City is governed by Section 1094.6 of the Code of Civil Procedure, unless a shorter limitation period is specified by any other provision. Under Section 1094.6, any lawsuit or legal challenge to any quasi-adjudicative decision made by the City must be filed no later than the 90th day following the date on which such decision becomes final. Any lawsuit or legal challenge, which is not filed within that 90-day period, will be barred. If a person wishes to challenge the nature of the above section in court, they may be limited to raising only those issues they or someone else raised at the meeting described in this notice, or in written correspondence delivered to the City of Santa Clara, at or prior to the meeting. In addition, judicial challenge may be limited or barred where the interested party has not sought and exhausted all available administrative remedies.

California Government Code Section 84308, most recently amended by SB 1243, commonly referred to as the "Levine Act," prohibits a local elected official or quasi-judicial appointed official from participating in any action related to a contributor's contract, license, permit, or use entitlement if he/she/it receives any campaign contributions totaling more than $500 within the previous twelve months, and for twelve months following the date a final decision has been made, from the party, participants, or agents in the proceeding. Parties, Participants or Agents for a proceeding involving a license, permit, or other use entitlement pending before the City Council or a City quasi-judicial body must complete the California Levine Act Disclosure Statement prior to their proceeding.

STREAMING SERVICES: As always, the public may view the meetings on SantaClaraCA.gov, Santa Clara City Television (Comcast cable channel 15), or the livestream on the City's YouTube channel or Facebook page.

Note: The public cannot participate in the meeting through these livestreaming methods; livestreaming capabilities may be disrupted at times, viewers may always view and participate in meetings in-person and via Zoom as noted on the agenda.

AB23 ANNOUNCEMENT: Members of the Santa Clara Stadium Authority, Sports and Open Space Authority and Housing Authority are entitled to receive $30 for each attended meeting.

Note: The City Council and its associated Authorities meet as separate agencies but in a concurrent manner. Actions taken should be considered actions of only the identified policy body.

LEGEND: City Council (CC); Stadium Authority (SA); Sports and Open Space Authority (SOSA); Housing Authority (HA); Successor Agency to the City of Santa Clara Redevelopment Agency (SARDA); Bayshore North Project Enhancement Authority (BNPEA); Public Facilities Financing Corporation (PFFC)

Public contact was made by posting the Council agenda on the City's official-notice bulletin board outside City Hall Council Chambers. A complete agenda packet is available on the City's website and in the City Clerk's Office at least 72 hours prior to a Regular Meeting and 24 hours prior to a Special Meeting. A hard copy of any agenda report may be requested by contacting the City Clerk's Office at (408) 615-2220, email clerk@santaclaraca.gov or at the public information desk at any City of Santa Clara public library.

If a member of the public submits a speaker card for any agenda items, their name will appear in the Minutes. If no speaker card is submitted, the Minutes will reflect "Public Speaker."

In accordance with the requirements of Title II of the Americans with Disabilities Act of 1990 ("ADA"), the City of Santa Clara will not discriminate against qualified individuals with disabilities on the basis of disability in its services, programs, or activities, and will ensure that all existing facilities will be made accessible to the maximum extent feasible. The City of Santa Clara will generally, upon request, provide appropriate aids and services leading to effective communication for qualified persons with disabilities including those with speech, hearing, or vision impairments so they can participate equally in the City's programs, services, and activities. The City of Santa Clara will make all reasonable modifications to policies and programs to ensure that people with disabilities have an equal opportunity to enjoy all of its programs, services, and activities. Individuals who require an auxiliary aid or service for effective communication, or any other disability-related modification of policies or procedures, or other accommodation, in order to participate in a program, service, or activity of the City of Santa Clara, should contact the City's ADA Coordinator at 408-615-3000 as soon as possible but no later than 48 hours before the scheduled event.

Draft

City of Santa Clara

Meeting Minutes of the

Joint City Council and Authorities Concurrent &

Santa Clara Stadium Authority Board

07/14/2026 **5:30 PM** **Hybrid Meeting**
City Hall Council Chambers/Virtual
1500 Warburton Avenue
Santa Clara, CA 95050

The City of Santa Clara is conducting City Council meetings in a hybrid manner (in-person and continues to have methods for the public to participate remotely).

• Via Zoom:
  o https://santaclaraca.zoom.us/j/99706759306
    Meeting ID: 997-0675-9306
  o Phone 1(669) 900-6833

How to Submit Written Public Comment Before City Council Meeting:

1. Use the eComment tab located on the City Council Agenda page https://santaclara.legistar.com/Calendar.aspx). eComments are directly sent to the iLegislate application used by City Council and staff, and become part of the public record. eComment closes 15 minutes before the start of a meeting.
2. By email to clerk@santaclaraca.gov by 12 p.m. the day of the meeting. Those emails will be forwarded to the Council and will be uploaded to the City Council Agenda as supplemental meeting material. Emails received after the 12 p.m. cutoff time up through the end of the meeting will form part of the meeting record. Please identify the Agenda Item Number in the subject line of your email. **NOTE**: Please note eComments and Emails received as public comment **will not** be read aloud during the meeting.

Agendas, Staff Reports and some associated documents for City Council items may be viewed on the Internet at https://santaclara.legistar.com/Calendar.aspx

All public records relating to an open session item on this agenda, which are not exempt from disclosure pursuant to the California Public Records Act, that are distributed to a majority of the legislative body will be available for public inspection at the Office of the City Clerk at Santa Clara City Hall, 1500 Warburton Avenue, Santa Clara, CA 95050 at the same time that the public records are distributed or made available to the legislative body. Any draft contracts, ordinances and resolutions posted on the Internet site or distributed in advance of the Council meeting may not be the final documents approved by the City Council. For the final document, you may contact the Office of the City Clerk at (408) 615-2220 or Clerk@santaclaraca.gov.

A motion was made by Councilmember Jain, seconded by Vice Mayor Gonzalez, to open the public hearing on Item 11 and then continue it to the August 18, 2026 Joint City Council and Authorities Concurrent & Santa Clara Stadium Authority Board meeting.

Aye: 7 - Vice Mayor Gonzalez, Councilmember Chahal, Councilmember Hardy, Councilmember Park, Councilmember Jain, Councilmember Cox, and Mayor Gillmor

A motion was made by Councilmember Jain, seconded by Councilmember Hardy, to move Item 7 up on the agenda to be heard after Public Presentations.

Aye: 7 - Vice Mayor Gonzalez, Councilmember Chahal, Councilmember Hardy, Councilmember Park, Councilmember Jain, Councilmember Cox, and Mayor Gillmor

CONSENT CALENDAR

A motion was made by Vice Mayor/Chair Gonzalez, seconded by Council/Boardmember Chahal, to approve the Consent Calendar.

Aye: 7 - Vice Mayor/Chair Gonzalez, Council/Boardmember Chahal, Council/Boardmember Hardy, Council/Boardmember Park, Council/Boardmember Jain, Council/Boardmember Cox, and Mayor/Chair Gillmor

3.A 26-662 Action on City Bills and Claims Report for the period May 9, 2026 - June 5, 2026

Recommendation: Approve the list of Bills and Claims for May 9, 2026 - June 5, 2026.

A motion was made by Vice Mayor Gonzalez, seconded by Councilmember Chahal, to approve the list of Bills and Claims for May 9, 2026 - June 5, 2026.

Aye: 7 - Vice Mayor Gonzalez, Councilmember Chahal, Councilmember Hardy, Councilmember Park, Councilmember Jain, Councilmember Cox, and Mayor Gillmor

3.B 26-726 Action on Monthly Financial Status and Investment Reports for May 2026

Recommendation: Note and file the Monthly Financial Status Report and Monthly Investment Report for May 2026 as presented.

A motion was made by Vice Mayor Gonzalez, seconded by Councilmember Chahal, to note and file the Monthly Financial Status Report and Monthly Investment Report for May 2026 as presented.

Aye: 7 - Vice Mayor Gonzalez, Councilmember Chahal, Councilmember Hardy, Councilmember Park, Councilmember Jain, Councilmember Cox, and Mayor Gillmor

3.C 26-679 Action to Authorize the City Manager to Increase the Purchase Order Authorization with 3M Company for 715 Aluminum Conductor Composite Reinforced Conductors and Accessories for an Aggregate Maximum Compensation Amount of $5,000,000

Recommendation:

1. Authorize the City Manager or designee to issue Purchase Orders to 3M Company, for an additional $2,500,000 for a revised maximum aggregate amount not to exceed $5,000,000 for 715 Aluminum Conductor Composite Reinforced (ACCR) conductors and related accessories with no set procurement term limitation, subject to a valid sole source determination, appropriation of funds and review, and approval as to form by the City Attorney; and
2. Authorize the City Manager or designee to take any action as necessary to implement and administer the Purchase Orders, subject to the above maximum compensation and review and approval as to form by the City Attorney.

A motion was made by Vice Mayor Gonzalez, seconded by Councilmember Chahal, to (1) authorize the City Manager or designee to issue Purchase Orders to 3M Company, for an additional $2,500,000 for a revised maximum aggregate amount not to exceed $5,000,000 for 715 Aluminum Conductor Composite Reinforced (ACCR) conductors and related accessories with no set procurement term limitation, subject to a valid sole source determination, appropriation of funds and review, and approval as to form by the City Attorney; and (2) authorize the City Manager or designee to take any action as necessary to implement and administer the Purchase Orders, subject to the above maximum compensation and review and approval as to form by the City Attorney.

Aye: 7 - Vice Mayor Gonzalez, Councilmember Chahal, Councilmember Hardy, Councilmember Park, Councilmember Jain, Councilmember Cox, and Mayor Gillmor

3.D 26-375 Action to Approve and Authorize the City Manager to Execute a Total of Three Master Services Agreements, one with Westwood Professional Services, one with RRM Design Group, and one with Royston Hanamoto Alley & Abey for Design Professional Services for Parks Rehabilitation and Improvements, with a Total Compensation Not-to-Exceed $2,300,000 for each Agreement, with an Aggregate Compensation Not-to-Exceed $6,900,000 Across all Three Agreements

Recommendation:

1. Approve and authorize the City Manager or designee to execute Master Services Agreements with Westwood Professional Services, Inc., RRM Design Group, and Royston Hanamoto Alley & Abey (Master Services Agreements) to provide professional design services starting on or about July 14, 2026 and ending on December 31, 2032, with a maximum compensation not-to-exceed $2,300,000 per agreement, for a total aggregate compensation not to exceed $6,900,000 across all three agreements, subject to the appropriation of funds and approval as to form by the City Attorney;
2. Authorize the City Manager to take any actions necessary to implement the Master Services Agreements, and negotiate and execute future amendment(s) to (i) add or delete services associated with the services, (ii) extend the term, as needed, to complete work authorized during the original term, (iii) implement rate adjustments on the terms provided in Exhibit B, and (iv) make de minimis changes, provided that the total aggregate compensation is not exceeded, subject to the appropriation of funds and approval as to form by the City Attorney.

A motion was made by Vice Mayor Gonzalez, seconded by Councilmember Chahal, to (1) approve and authorize the City Manager or designee to execute Master Services Agreements with Westwood Professional Services, Inc., RRM Design Group, and Royston Hanamoto Alley & Abey (Master Services Agreements) to provide professional design services starting on or about July 14, 2026 and ending on December 31, 2032, with a maximum compensation not-to-exceed $2,300,000 per agreement, for a total aggregate compensation not to exceed $6,900,000 across all three agreements, subject to the appropriation of funds and approval as to form by the City Attorney; (2) authorize the City Manager to take any actions necessary to implement the Master Services Agreements, and negotiate and execute future amendment(s) to (i) add or delete services associated with the services, (ii) extend the term, as needed, to complete work authorized during the original term, (iii) implement rate adjustments on the terms provided in Exhibit B, and (iv) make de minimis changes, provided that the total aggregate compensation is not exceeded, subject to the appropriation of funds and approval as to form by the City Attorney.

Aye: 7 - Vice Mayor Gonzalez, Councilmember Chahal, Councilmember Hardy, Councilmember Park, Councilmember Jain, Councilmember Cox, and Mayor Gillmor

3.E 26-677 City Council and Authorities Action Delegating Authority: to the City Manager for the City; the Executive Director for the Santa Clara Stadium Authority; the Contract Administrator for the Sports and Open Space Authority; and the Executive Director for the Housing Authority during the City Council recess period from July 15, 2026, through August 17, 2026

Recommendation: That the City Council/Stadium Authority Board/Sports and Open Space Authority/Housing Authority adopt a Joint Resolution to:

1. Delegate authority to the City Manager, or their designee, in their capacity as for the City Manager for the City, Executive Director for the Santa Clara Stadium Authority, Contract Administrator for the Sports and Open Space Authority, and the Executive Director for the Housing Authority to take actions otherwise subject to Council/Board approval where inaction would result in project delays, interruption of services and operations, adverse fiscal impact or in the event of an emergency, during the period from July 15, 2026, through August 17, 2026, with any such action being subject to review and approval by the City Attorney for compliance with the terms of such delegation, and as to form for any related contracts; and
2. Require the City Manager to submit a report on actions taken during the Council recess at a City Council/Concurrent Authorities Meeting in August 2026.

A motion was made by Vice Mayor/Chair Gonzalez, seconded by Council/Boardmember Chahal, to adopt joint Resolution No. 26-9588 to (1) delegate authority to the City Manager, or their designee, in their capacity as for the City Manager for the City, Executive Director for the Santa Clara Stadium Authority, Contract Administrator for the Sports and Open Space Authority, and the Executive Director for the Housing Authority to take actions otherwise subject to Council/Board approval where inaction would result in project delays, interruption of services and operations, adverse fiscal impact or in the event of an emergency, during the period from July 15, 2026, through August 17, 2026, with any such action being subject to review and approval by the City Attorney for compliance with the terms of such delegation, and as to form for any related contracts; and (2) require the City Manager to submit a report on actions taken during the Council recess at a City Council/Concurrent Authorities Meeting in August 2026.

Aye: 7 - Vice Mayor/Chair Gonzalez, Council/Boardmember Chahal, Council/ Boardmember Hardy, Council/Boardmember Park, Council/Boardmember Jain, Council/Boardmember Cox, and Mayor/Chair Gillmor

3.F 26-678 Action to Authorize the Use of City Electric Forces for Public Works at 840 Parker Street, 2291 De La Cruz Boulevard, 3025 Raymond Street, and 2625 Patricia Drive, With an Estimated Cost of $151,043

Recommendation:

1. Determine that the proposed action is exempt from CEQA pursuant to Section 15302 (Class 2 - Replacement or Reconstruction) and Section 15303 (Class 3 - New Construction) of Title 14 of the California Code of Regulations; and
2. Declare and determine in accordance with Section 1310 of the City Charter that the public works located at 840 Parker Street, 2291 De La Cruz Boulevard, 3025 Raymond Street, and 2625 Patricia Drive, with an estimated cost of $151,043, are better performed by the City with its own employees based on the information set forth in this Report to Council and authorize the performance of these public works consistent with this authorization.

A motion was made by Vice Mayor Gonzalez, seconded by Councilmember Chahal, to (1) determine that the proposed action is exempt from CEQA pursuant to Section 15302 (Class 2 - Replacement or Reconstruction) and Section 15303 (Class 3 - New Construction) of Title 14 of the California Code of Regulations; and (2) declare and determine in accordance with Section 1310 of the City Charter that the public works located at 840 Parker Street, 2291 De La Cruz Boulevard, 3025 Raymond Street, and 2625 Patricia Drive, with an estimated cost of $151,043, are better performed by the City with its own employees based on the information set forth in this Report to Council and authorize the performance of these public works consistent with this authorization.

Aye: 7 - Vice Mayor Gonzalez, Councilmember Chahal, Councilmember Hardy, Councilmember Park, Councilmember Jain, Councilmember Cox, and Mayor Gillmor

3.G 26-766 Adopt a Resolution Accepting the California Highway Patrol Cannabis Tax Fund Grant Program Grant and Authorizing the City Manager to Execute Grant-Related Documents, and Approve the Related Budget Amendment

Recommendation:

1. Adopt the Resolution accepting the California Highway Patrol Cannabis Tax Fund Grant Program grant to be utilized to fund a variety of identified objectives to curb substance-related challenges in our community, and authorizing the City Manager to execute all grant-related documents in final forms approved by the City Attorney's Office; and
2. Approve the FY 2026/27 budget amendment in the Police Operating Grant Trust Fund to recognize grant funding in the amount of $216,973 and establish a Cannabis Tax Fund Grant Program 2026/27 appropriation in the amount of $216,973 **(five affirmative Council votes required to appropriate additional revenue).**

A motion was made by Vice Mayor Gonzalez, seconded by Councilmember Chahal, to (1) adopt Resolution No. 26-9589 accepting the California Highway Patrol Cannabis Tax Fund Grant Program grant to be utilized to fund a variety of identified objectives to curb substance-related challenges in our community, and authorizing the City Manager to execute all grant-related documents in final forms approved by the City Attorney's Office; and (2) approve the Fiscal Year 2026/27 budget amendment in the Police Operating Grant Trust Fund to recognize grant funding in the amount of $216,973 and establish a Cannabis Tax Fund Grant Program 2026/27 appropriation in the amount of $216,973.

Aye: 7 - Vice Mayor Gonzalez, Councilmember Chahal, Councilmember Hardy, Councilmember Park, Councilmember Jain, Councilmember Cox, and Mayor Gillmor

3.H 26-781 Action to Waive Second Reading and Adopt Ordinance No. 2087 granting a non-exclusive franchise to LS Power Grid California, LLC on terms and conditions set forth in the ordinance for the Power the South Bay and Power the Valley Connector Projects for the purpose of transmitting electric service in the City's public rights-of-way

Recommendation: Waive Second Reading and Adopt Ordinance No. 2087 granting a non-exclusive franchise to LS Power Grid California, LLC on terms and conditions set forth in the ordinance for the Power the South Bay and Power the Valley Connector Projects for the purpose of transmitting electric service in the City's public rights-of-way.

11. 26-735 Public Hearing: Adoption of the Third Zoning Code Cleanup Ordinance and Rezoning of Properties Currently Designated TN (Transit Neighborhood) to R6 (Transit Neighborhood Residential)

Recommendation: Staff recommends that City Council adopt the Planning Commission-recommended updates to the Zoning Code to be consistent with the General Plan and State Law

1. Recommend that the City Council adopt the Zoning Code clean-up ordinance; and
2. Recommend that the City Council apply the R6 Transit Neighborhood District to the properties currently zoned TN on the Zoning Map, consistent with the General Plan.

This item was continued to the August 18, 2026 Joint City Council and Authorities Concurrent & Santa Clara Stadium Authority Board meeting.

CONSENT ITEMS PULLED FOR DISCUSSION

5. 26-736 Action on Agreements with ASF Electrical, Inc., Bear Electrical Solutions, LLC, and Cupertino Electric, Inc. for On-Call Electrical Maintenance and Repair Services at Levi's Stadium, Limiting Authorization to Spend to a Total Aggregate Not-to-Exceed Amount of $1,506,408, Inclusive of All Option Years and Contingency Across All Three Agreements, and Delegated Authority for Future Amendments
(Deferred from June 23, 2026)

Recommendation:

1. Approve and authorize the Stadium Manager to enter into agreements with ASF Electric, Inc., Bear Electrical Solutions, LLC, and Cupertino Electric, Inc., to provide on-call electrical maintenance and repair services at Levi's Stadium for an initial term of three (3) years commencing upon execution of the Agreement, and expiring March 31, 2029, with two (2) optional one-year extensions through March 31, 2031. Stadium Manager's authority to spend under all agreements is limited to a total aggregate amount that shall not exceed $250,000 per contract year, $750,000 over the initial three-year period, and $1,250,000 over the maximum five (5) year term unless modified pursuant to Recommendation 3 below. The term for each fiscal year is contingent on the Santa Clara Stadium Authority Board approving the applicable fiscal year's budget, including amounts due under the Agreements;
2. Approve a contingency in the amount of $125,000, which is equal to ten percent (10%) of the aggregate total not-to-exceed value of the baseline amount payable under all Agreements over the maximum five (5) year term of the Agreements (i.e., $250,000 per year x 5 years). The contingency may be used to increase the not-to-exceed amount of any Agreement during any contract year, as needed to cover unforeseen services, subject to budget appropriations;
3. Authorize the Stadium Authority Executive Director to approve future amendments as needed to: (a) exercise the option to extend the Agreements by two (2) one-year extension periods through March 31, 2031, and to establish the not-to-exceed amount for each extension period of $250,000 to cover services during each extension; (b) increase the rates in contract years two through five (April 1, 2027 - March 31, 2031) by up to five percent (5%) over the previous year's rates in accordance with the terms and conditions associated with rate increases in Exhibit G of the Agreements; (c) increase the not-to-exceed amount payable under each Agreement for contract years two through five (April 1, 2027- March 31, 2031), by up to five percent (5%) over the previous year's amount to account for rate increases, subject to budget appropriations; and (d) increase the not-to-exceed amount of any Agreement during any contract year using contingency funds as needed to cover unforeseen services, subject to budget appropriations. The aggregate total not-to-exceed value of amounts payable under all Agreements over the five (5) year term,

inclusive of all contract years and contingency, shall not exceed $1,506,408; and

4. Authorize the Stadium Manager to execute amendments to the Agreements as approved by the Stadium Authority Executive Director and issue and execute task orders to the three contracting firms, up to the aggregate not-to-exceed amount for each contract year, subject to budget appropriations.

Vice Mayor Gonzalez noted that **City Manager Grogan** has authority to move forward with this agreement due to delegation of authority to the **City Manager** during **Council** recess.

CITY MANAGER/EXECUTIVE DIRECTOR REPORT

None.

ADJOURNMENT

The meeting was adjourned on July 15, 2026, at 1:46 AM.

The next regular scheduled meeting is on Tuesday, August 18, 2026 in the City Hall Council Chambers.

MEETING DISCLOSURES

The time limit within which to commence any lawsuit or legal challenge to any quasi-adjudicative decision made by the City is governed by Section 1094.6 of the Code of Civil Procedure, unless a shorter limitation period is specified by any other provision. Under Section 1094.6, any lawsuit or legal challenge to any quasi-adjudicative decision made by the City must be filed no later than the 90th day following the date on which such decision becomes final. Any lawsuit or legal challenge, which is not filed within that 90-day period, will be barred. If a person wishes to challenge the nature of the above section in court, they may be limited to raising only those issues they or someone else raised at the meeting described in this notice, or in written correspondence delivered to the City of Santa Clara, at or prior to the meeting. In addition, judicial challenge may be limited or barred where the interested party has not sought and exhausted all available administrative remedies.

California Government Code Section 84308, most recently amended by SB 1243, commonly referred to as the "Levine Act," prohibits a local elected official or quasi-judicial appointed official from participating in any action related to a contributor's contract, license, permit, or use entitlement if he/she/it receives any campaign contributions totaling more than $500 within the previous twelve months, and for twelve months following the date a final decision has been made, from the party, participants, or agents in the proceeding. Parties, Participants or Agents for a proceeding involving a license, permit, or other use entitlement pending before the City Council or a City quasi-judicial body must complete the California Levine Act Disclosure Statement prior to their proceeding.

STREAMING SERVICES: As always, the public may view the meetings on SantaClaraCA.gov, Santa Clara City Television (Comcast cable channel 15), or the livestream on the City's YouTube channel or Facebook page.

Note: The public cannot participate in the meeting through these livestreaming methods; livestreaming capabilities may be disrupted at times, viewers may always view and participate in meetings in-person and via Zoom as noted on the agenda.

AB23 ANNOUNCEMENT: Members of the Santa Clara Stadium Authority, Sports and Open Space Authority and Housing Authority are entitled to receive $30 for each attended meeting.

Note: The City Council and its associated Authorities meet as separate agencies but in a concurrent manner. Actions taken should be considered actions of only the identified policy body.

LEGEND: City Council (CC); Stadium Authority (SA); Sports and Open Space Authority (SOSA); Housing Authority (HA); Successor Agency to the City of Santa Clara Redevelopment Agency (SARDA); Bayshore North Project Enhancement Authority (BNPEA); Public Facilities Financing Corporation (PFFC)

Public contact was made by posting the Council agenda on the City's official-notice bulletin board outside City Hall Council Chambers. A complete agenda packet is available on the City's website and in the City Clerk's Office at least 72 hours prior to a Regular Meeting and 24 hours prior to a Special Meeting. A hard copy of any agenda report may be requested by contacting the City Clerk's Office at (408) 615-2220, email clerk@santaclaraca.gov or at the public information desk at any City of Santa Clara public library.

If a member of the public submits a speaker card for any agenda items, their name will appear in the Minutes. If no speaker card is submitted, the Minutes will reflect "Public Speaker."

In accordance with the requirements of Title II of the Americans with Disabilities Act of 1990 ("ADA"), the City of Santa Clara will not discriminate against qualified individuals with disabilities on the basis of disability in its services, programs, or activities, and will ensure that all existing facilities will be made accessible to the maximum extent feasible. The City of Santa Clara will generally, upon request, provide appropriate aids and services leading to effective communication for qualified persons with disabilities including those with speech, hearing, or vision impairments so they can participate equally in the City's programs, services, and activities. The City of Santa Clara will make all reasonable modifications to policies and programs to ensure that people with disabilities have an equal opportunity to enjoy all of its programs, services, and activities. Individuals who require an auxiliary aid or service for effective communication, or any other disability-related modification of policies or procedures, or other accommodation, in order to participate in a program, service, or activity of the City of Santa Clara, should contact the City's ADA Coordinator at 408-615-3000 as soon as possible but no later than 48 hours before the scheduled event.

All public records relating to an open session item on this agenda, which are not exempt from disclosure pursuant to the California Public Records Act, that are distributed to a majority of the legislative body will be available for public inspection at the Office of the City Clerk at Santa Clara City Hall, 1500 Warburton Avenue, Santa Clara, CA 95050 at the same time that the public records are distributed or made available to the legislative body.

CALL TO ORDER AND ROLL CALL

Chair Leung called the meeting to order at 6:05 p.m.

Present 4 - Commissioner Michael Celso , Commissioner Yvonne Inciarte, Chair Patricia Leung, and Commissioner Kathleen Romano

Absent 3 - Vice Chair Ed Stocks, Commissioner Ana Vargas-Smith , and Commissioner Kaushal Varshney

A motion was made by Commissioner Romano, seconded by Commissioner Inciarte, to excuse Commissioner Stocks, Commissioner Vargas-Smith, and Commissioner Varshney.

Aye: 4 - Commissioner Celso, Commissioner Inciarte, Chair Leung, and Commissioner Romano

Absent: 3 - Vice Chair Stocks, Commissioner Vargas-Smith, and Commissioner Varshney

CONSENT CALENDAR

1. 26-495 Historical and Landmarks Commission Meeting Minutes of April 2, 2026

Recommendation: Approve the Historical and Landmarks Commission Meeting Minutes of the April 2, 2026 Meeting.

A motion was made by Commissioner Romano, seconded by Commissioner Inciarte, to approve the consent calendar.

Aye: 4 - Commissioner Celso, Commissioner Inciarte, Chair Leung, and Commissioner Romano

Excused: 3 - Vice Chair Stocks, Commissioner Vargas-Smith, and Commissioner Varshney

PUBLIC PRESENTATIONS

None.

GENERAL BUSINESS

2. 26-404 Public Hearing: Recommendation on the Architectural Review (PLN24-00521) for Demolition of the Existing 1,198 Square Foot One-Story Residence and the Construction of a New 3,817 Square Foot Two-Story Residence at 4435 Fillmore Street Located Within 200 Feet of Two Historic Resource Inventory Properties. CEQA Status: Exempt from CEQA per Section 15332 - In-Fill Development Projects.

Recommendation: Recommend that the Historical and Landmarks Commission find that the proposed project located at 4435 Fillmore Street will not destroy or have significant adverse effect on the integrity of the HRI listed properties within 200 feet of the subject property; that the proposed construction is compatible with the surrounding neighborhood and recommend approval of the Architectural Review at the Development Review Hearing.

Associate Planner Meha Patel provided the staff presentation.

Daniel Warren (Applicant) spoke about the project.

Public Comments: **None.**

A motion was made by Commissioner Inciarte, seconded by Commissioner Celso, to close the public hearing.

Aye: 4 - Commissioner Celso, Commissioner Inciarte, Chair Leung, and Commissioner Romano

Excused: 3 - Vice Chair Stocks, Commissioner Vargas-Smith, and Commissioner Varshney

A motion was made by Commissioner Inciarte, seconded by Commissioner Celso, to continue this item date certain to the June 4, 2026 Historical and Landmarks Commission Meeting with recommendation to: (1) reduce the massing of the second story; (2) move the massing toward the rear of the residence; (3) provide a rendering showing the view of the new house from the nearby historic house, located at 4406 Fillmore Street.

Aye: 4 - Commissioner Celso, Commissioner Inciarte, Chair Leung, and Commissioner Romano

Excused: 3 - Vice Chair Stocks, Commissioner Vargas-Smith, and Commissioner Varshney

MEETING DISCLOSURES

The time limit within which to commence any lawsuit or legal challenge to any quasi-adjudicative decision made by the City is governed by Section 1094.6 of the Code of Civil Procedure, unless a shorter limitation period is specified by any other provision. Under Section 1094.6, any lawsuit or legal challenge to any quasi-adjudicative decision made by the City must be filed no later than the 90th day following the date on which such decision becomes final. Any lawsuit or legal challenge, which is not filed within that 90-day period, will be barred. If a person wishes to challenge the nature of the above section in court, they may be limited to raising only those issues they or someone else raised at the meeting described in this notice, or in written correspondence delivered to the City of Santa Clara, at or prior to the meeting. In addition, judicial challenge may be limited or barred where the interested party has not sought and exhausted all available administrative remedies.

If a member of the public submits a speaker card for any agenda items, their name will appear in the Minutes. If no speaker card is submitted, the Minutes will reflect "Public Speaker."

In accordance with the requirements of Title II of the Americans with Disabilities Act of 1990 ("ADA"), the City of Santa Clara will not discriminate against qualified individuals with disabilities on the basis of disability in its services, programs, or activities, and will ensure that all existing facilities will be made accessible to the maximum extent feasible. The City of Santa Clara will generally, upon request, provide appropriate aids and services leading to effective communication for qualified persons with disabilities including those with speech, hearing, or vision impairments so they can participate equally in the City's programs, services, and activities. The City of Santa Clara will make all reasonable modifications to policies and programs to ensure that people with disabilities have an equal opportunity to enjoy all of its programs, services, and activities.

Agendas and other written materials distributed during a public meeting that are public record will be made available by the City in an appropriate alternative format. Contact the City Clerk's Office at 1 408-615-2220 with your request for an alternative format copy of the agenda or other written materials.

Individuals who require an auxiliary aid or service for effective communication, or any other disability-related modification of policies or procedures, or other accommodation, in order to participate in a program, service, or activity of the City of Santa Clara, should contact the City's ADA Coordinator at 408-615-3000 as soon as possible but no later than 48 hours before the scheduled event.

City of Santa Clara

Meeting Minutes

Bicycle & Pedestrian Advisory Committee

03/23/2026	**4:00 PM**	**City Hall Council Chambers** **1500 Warburton Avenue** **Santa Clara, CA 95051**

The City of Santa Clara is conducting the Bicycle and Pedestrian Committee meetings in a hybrid manner (in-person and continues to have methods for the public to participate remotely).

• Via Zoom:
https://santaclaraca.zoom.us/j/83368467068

Meeting ID: 833 6846 7068 or

Phone: 1 (669) 900-6833

1 CALL TO ORDER AND ROLL CALL

Chair Megas called the meeting to order at 4:03 PM

Present 7 - Member Hung Duong, Member Jorge Haro, Member Ken Kratz, Vice Chair Jonathan Marinaro, Chair Betsy Megas, Member Guillermo Jenaro, and Member Vernon Shure

2 PUBLIC PRESENTATIONS

Video [00:17:55]

Member of the Public Dianne Harrison gave an update on Bike to Shop Day being moved up to May 23 from May 30 previously. She requested volunteers and if interested contact **Member Kratz**. Bike to Wherever Day starts May 14, and they are also asking for volunteers to staff the Energizer Station at the Senior Center on May 15. Finally, the BPAC agenda should have a separate agenda item for each subcommittee.

3 CONSENT CALENDAR

A. 26-179 Bicycle and Pedestrian Advisory Committee Meeting Minutes of January 26, 2026 (Megas)

Recommendation: Approve the Bicycle and Pedestrian Advisory Committee Meeting Minutes of January 26, 2026.

Video [00:03:00]

Member Kratz asked for an update on Safe Routes to School and the annual survey to see how the program is performing.

A motion was made by Member Kratz, seconded by Member Marinaro to Approve the Consent Calendar. The motion carried by the following votes:

Aye: 7 - Member Duong, Member Haro, Member Kratz, Vice Chair Marinaro, Chair Megas, Member Jenaro, and Member Shure

4 REPORTS FOR COMMITTEE INFORMATION

A. 26-178 Police Verbal Update (Ernst)

Video [00:05:48]

Officer Ernst provided a verbal update on reported bicycle collisions.

Committee comments and questions followed.

Officer Ernst addressed Committee questions.

5 ACTION ITEMS / GENERAL BUSINESS

A. 26-184 Creation of Data-Driven Approach to Evaluating Bicycle and Pedestrian Projects Subcommittee (Megas)

Recommendation: Create Data-Driven Approach to Evaluating Bicycle and Pedestrian Projects subcommittee, if needed, and appoint members to serve on the subcommittee.

Video [00:19:47]

Member Jenaro presented the proposal to create a subcommittee, working with City staff, to identify cost-effective, scalable data collection strategies and develop a key performance indicator framework aligned with available resources and city policies. The subcommittee's recommendations could help guide a more informed, performance-based approach to future active transportation projects.

Committee questions and comments followed.

Assistant Public Works Director Liw and Acting Transportation Manager Shariat addressed **Committee** questions.

A motion was made by Member Jenaro, seconded by Member Kratz to create a data-driven approach to evaluating bicycle and pedestrian projects subcommittee and appoint Member Jenaro and Member Kratz to serve on the subcomittee.

The motion is carried by the following votes:

Aye: 7 - Member Duong, Member Haro, Member Kratz, Vice Chair Marinaro, Chair Megas, Member Jenaro, and Member Shure

B. 26-185 Fiscal Year 2026-27 BPAC Work Plan Approval (Liw)

Recommendation: Review and approve staff's recommended Fiscal Year 2026-27 Work Plan.

Video [00:54:18]

Assistant Public Works Director Liw presented the staff's recommended Fiscal Year 2026-27 BPAC Work Plan for approval by City Council.

Committee questions and comments followed regarding changing the order of the work plan items.

Assistant Public Works Director Liw and **Senior Civil Engineer Garcia** addressed **Committee** questions.

Public Speaker: Diane Harrison

A motion was made by Member Kratz and seconded by Member Jenaro, to approve staff's recommended Fiscal Year 2026-27 Work Plan with the condition that ranked agenda topic 3 - "E-bike Safety on San Tomas Aquino Trail" and ranked topic 5 - "BPAC Processes and Governance" are swapped on the meeting schedule.

Aye: 7 - Member Duong, Member Haro, Member Kratz, Vice Chair Marinaro, Chair Megas, Member Jenaro, and Member Shure

C. 26-191 Selection of Valley Transportation Authority Bicycle and Pedestrian Advisory Committee Representative (Megas)

Recommendation: The BPAC to select a candidate for City Council approval to serve as the Santa Clara representative on the VTA BPAC from July 1, 2026 to June 30, 2028.

Video [01:14:50]

Chair Megas presented background information on the Valley Transportation Authority (VTA) Bicycle and Pedestrian Advisory Committee meetings.

Commission comments and questions followed.

A motion was made by Member Kratz, seconded by Vice Chair Marinaro to nominate and select Chair Megas for City Council approval to serve as the Santa Clara representative on the VTA BPAC from July 1, 2026 to June 30, 2028.

Aye: 7 - Member Duong, Member Haro, Member Kratz, Vice Chair Marinaro, Chair Megas, Member Jenaro, and Member Shure

6 REPORTS FOR COMMITTEE INFORMATION

A. 26-180 Public Works Verbal Update (Liw/Shariat)

Video [01:23:10]

Assistant Public Works Director Liw and Acting Transportation Manager Shariat gave the following updates:

1. Vision Zero Council Meeting
2. Benton Street Bikeway Project
3. Benton/Brokaw Feasibility Study
4. Traffic Division Vacancies
5. SBLX
6. World Cup Matches

Senior Civil Engineer Garcia gave the following updates:

7. Bike to Work Day
8. Creek Trail Master Plan Community Meeting
9. VTA starting project "Across Barrier Connections"

Committee questions and comments followed.

Assistant Public Works Director Liw addressed **Committee** questions.

B. 26-221 Complete Streets Review for the Uncontrolled Crosswalk Improvements Phase II Project (Shariat)

Video [01:35:11]

Acting Transportation Manager Shariat discussed the complete streets review of the Uncontrolled Crosswalks Improvement Project Phase 2 and requested feedback from the BPAC .

Committee questions and comments followed.

Assistant Public Works Director Liw, Acting Transportation Manager Shariat, and Senior Civil Engineer Puyehgar addressed **Committee** questions.

C. 26-192 Closing Bike Lanes, Trails, and Sidewalks (Garcia)

Video [01:51:43]

Senior Civil Engineer Garcia gave a presentation regarding closing bike lanes, trails, and sidewalks as part of temporary traffic control plans during construction activities.

Committee questions and comments followed.

Public Speaker: Diane Harrison

Senior Civil Engineer Garcia and **Senior Civil Engineer Puyehgar** addressed **Committee** questions.

D. 26-194 Trial Runs of New Bike and Pedestrian Infrastructure (Shariat)

Video [02:38:37]

Acting Transportation Manager Shariat gave a presentation about implementing trial improvements of new bicycle and pedestrian infrastructure, also known as quick build projects.

Committee questions and comments followed.

Public Speakers: Diane Harrison, Henry, Lloyd

Assistant Public Works Director Liw addressed **Committee** questions.

E. 26-181 Valley Transportation Authority Bicycle and Pedestrian Advisory Committee Meetings Update (Megas)

Video [03:10:39]

Chair Megas reported on the VTA Bicycle and Pedestrian Advisory Committee meeting.

Committee questions and comments followed.

Public Speakers: Diane Harrison

Chair Megas addressed **Committee** questions.

F. 26-182 Santa Clara Station Area Task Force Update (Shure)

Video [03:24:08]

Member Shure provided an update on the SantaClara Station Area Plan.

Committee questions and comments followed.

Member Shure addressed **Committee** questions.

G. 26-183 Ad-hoc Subcommittee Reports (Megas)

Video [03:32:34]

Vice Chair Marinaro reported on proposed numbering system for bicycle wayfinding routes in the City of Santa Clara.

Committee questions and comments followed.

Public Speakers: Diane Harrison

Vice Chair Marinaro addressed **Committee** questions.

7 ANNOUNCEMENTS AND MEMBER REPORTS

Video [03:50:51]

The **Committee** made several statements and announcements about upcoming events:

1. Volunteer-led bicycle repair event will be held at the Sunnyvale Library on April 4th at 10 AM to 12:30 PM.
2. May is Bike Month.
3. Annual El Camino Real Bicycle Ride will be held on May 30th and looking for volunteers to lead the group rides or to help at rest stops along the route.
4. Silicon Valley Bicycle Coalition has a calendar of events and bike safety classes.

Assistant Director Mike Liw made an announcement about a scheduling conflict with the next BPAC meeting and the upcoming World Cup Match. Staff will reach out to BPAC to pick a new June meeting date.

8 ADJOURNMENT

The meeting was adjourned at 8:00 PM.

A motion was made by Vice Chair Marinaro, seconded by Member Kratz, to adjourn the meeting. The motion carried by the following votes:

Aye: 7 - Member Duong, Member Haro, Member Kratz, Vice Chair Marinaro, Chair Megas, Member Jenaro, and Member Shure

MEETING DISCLOSURES

The time limit within which to commence any lawsuit or legal challenge to any quasi-adjudicative decision made by the City is governed by Section 1094.6 of the Code of Civil Procedure, unless a shorter limitation period is specified by any other provision. Under Section 1094.6, any lawsuit or legal challenge to any quasi-adjudicative decision made by the City must be filed no later than the 90th day following the date on which such decision becomes final. DRAFT

City of Santa Clara

Meeting Minutes

Planning Commission

06/10/2026 **6:00 PM**

Hybrid Meeting
City Hall Council
Chambers/Virtual
1500 Warburton Avenue
Santa Clara, CA 95050

The City of Santa Clara is conducting the Planning Commission Hearing meeting in a hybrid manner (in-person and method for the public to participate remotely)
Via Zoom:
- https://santaclaraca.zoom.us/j/91729202898
- Webinar ID: 917 2920 2898 or
Phone: 1(669) 900-6833

How to Submit Written Public Comment Before Planning Commission Meeting:
1. By email to planningpubliccomment@santaclaraca.gov by 12 p.m. the day of the meeting. Those emails will be forwarded to the Planning Commission and will be uploaded to the Planning Commission Agenda as supplemental meeting material. Emails received after the 12 p.m. cutoff time up through the end of the meeting will form part of the meeting record. Please identify the Agenda Item Number in the subject line of your email.
2. Use the eComment tab located on the City Council Agenda page https://santaclara.legistar.com/Calendar.aspx). eComments are directly sent to the iLegislate application used by staff, and become part of the public record. eComment closes 15 minutes before the start of a meeting. NOTE: eComments and Emails received as public comment will not be read aloud during the meeting.
Agendas, Staff Reports and some associated documents for Planning Commission items may be viewed on the Internet at https://santaclara.legistar.com/Calendar.aspx

All public records relating to an open session item on this agenda, which are not exempt from disclosure pursuant to the California Public Records Act, that are distributed to a majority of the legislative body will be available for public inspection at the Office of the City Clerk at Santa Clara City Hall, 1500 Warburton Avenue, Santa Clara, CA 95050 at the same time that the public records are distributed or made available to the legislative body. Any draft contracts, ordinances and resolutions posted on the Internet site or distributed in advance of the Planning Commission meeting may not be the final documents approved by the Planning Commission. For the final document, you may contact the Office of the City Clerk at (408) 615-2220 or Clerk@santaclaraca.gov.

6:00 PM REGULAR MEETING

Call to Order

Pledge of Allegiance and Statement of Values

Chair Crutchlow called the meeting to order at 6:09 p.m.

Roll Call

Present 6 - Commissioner Nancy A. Biagini, Commissioner Priya Cherukuru, Commissioner Qian Huang, Vice Chair Mario Bouza, Commissioner Lance Saleme, and Chair Eric Crutchlow

Absent 1 - Commissioner Yashraj Bhatnagar

A motion was made by Commissioner Biagini, seconded by Commissioner Cherukuru to excuse Commissioner Bhatnagar's absence.

Aye: 6 - Commissioner Biagini, Commissioner Cherukuru, Commissioner Huang, Vice Chair Bouza, Commissioner Saleme, and Chair Crutchlow

Absent: 1 - Commissioner Bhatnagar

DECLARATION OF COMMISSION PROCEDURES

Secretary Cherukuru read the Declaration of Procedures.

CONTINUANCES/EXCEPTIONS

None.

CONSENT CALENDAR

1. 26-612 Planning Commission Meeting Minutes of May 20, 2026

Recommendation: Approve the Planning Commission Meeting Minutes of the May 20, 2026 Meeting.

A motion was made by Commissioner Biagini, seconded by Commissioner Cherukuru to approve this item.

Aye: 6 - Commissioner Biagini, Commissioner Cherukuru, Commissioner Huang, Vice Chair Bouza, Commissioner Saleme, and Chair Crutchlow

Excused: 1 - Commissioner Bhatnagar

PUBLIC PRESENTATIONS

None.

PUBLIC HEARING

2. 26-457 Public Hearing: Recommendation On A Rezoning To Remove The Historic Combining District From 1341 Homestead Road (906 Monroe Street To Remain In Historic Combining District) In Connection With A Tentative Parcel Map Application To Subdivide The Property Into Two Parcels, Each Containing One Of The Existing Residences. CEQA Status: Determination of Consistency with the Downtown Precise Plan Final EIR

Recommendation: Staff recommends Planning Commission recommend approval to City Council for the rezoning and the tentative map as it is consistent with the General Plan and the Zoning Code

1) Recommend that the City Council determine the project to be consistent with the Environmental Impact Report (EIR) and Mitigation Monitoring and Reporting Program (MMRP) that the City Council adopted for the Downtown Precise Plan on December 5, 2023, in accordance with the California Environmental Quality Act (CEQA).
2) Recommend the City Council approve a Rezoning to remove the Historic Combining District from 1341 Homestead Road (906 Monroe Street to remain in Historic Combining District)

Due to technical difficulties, the meeting was paused at 6:32 p.m. and restarted at 6:35 p.m.

Associate Planner Daniel Sobczak provided the staff presentation.

Commissioners inquired on the Mills Act status of the property and the rezoning process.

Applicant Paul Tsai spoke.

Public Speakers:
Myron Von Rasfeld

A motion was made by Commissioner Cherukuru, seconded by Commissioner Bouza to close public hearing.

Aye: 6 - Commissioner Biagini, Commissioner Cherukuru, Commissioner Huang, Vice Chair Bouza, Commissioner Saleme, and Chair Crutchlow

Excused: 1 - Commissioner Bhatnagar

A motion was made by Commissioner Biagini, seconded by Commissioner Crutchlow to approve staff recommendation 1.

Aye: 6 - Commissioner Biagini, Commissioner Cherukuru, Commissioner Huang, Vice Chair Bouza, Commissioner Saleme, and Chair Crutchlow

Excused: 1 - Commissioner Bhatnagar

A motion was made by Commissioner Bouza, seconded by Commissioner Biagini, to approve staff recommendation 2.

Aye: 6 - Commissioner Biagini, Commissioner Cherukuru, Commissioner Huang, Vice Chair Bouza, Commissioner Saleme, and Chair Crutchlow

Excused: 1 - Commissioner Bhatnagar

3. 26-310 Public Hearing: Recommendations related to the adoption of the Third Zoning Code Cleanup Ordinance and Rezoning of Properties Currently Designated TN (Transit Neighborhood) to R6 (Transit Neighborhood Residential)

Recommendation:

Staff recommends the Planning Commission recommend to the City Council updates to the Zoning Code to be consistent with the General Plan and State Law

1. Recommend that the City Council adopt the Zoning Code clean-up ordinance; and
2. Recommend that the City Council apply the R6 Transit Neighborhood District to the properties currently zoned TN on the Zoning Map, consistent with the General Plan.

Planning Manager Lesley Xavier provided the staff presentation.

Commissioners inquired upon the process for mailing physical project notice, as well as discussed smoke shop language.

Commissioners requested that staff agendize another meeting to discuss smoke shop radius and the proximity to schools.

A motion was made by Commissioner Crutchlow, seconded by Commissioner Biagini to close public hearing.

Aye: 6 - Commissioner Biagini, Commissioner Cherukuru, Commissioner Huang, Vice Chair Bouza, Commissioner Saleme, and Chair Crutchlow

Excused: 1 - Commissioner Bhatnagar

A motion was made by Commissioner Biagini, seconded by Commissioner Bouza to approve staff recommendation 1 with requested changes to section 56.

Aye: 6 - Commissioner Biagini, Commissioner Cherukuru, Commissioner Huang, Vice Chair Bouza, Commissioner Saleme, and Chair Crutchlow

Excused: 1 - Commissioner Bhatnagar

A motion was made by Commissioner Biagini, seconded by Commissioner Cherkuru to approve staff recommendation.

Aye: 6 - Commissioner Biagini, Commissioner Cherukuru, Commissioner Huang, Vice Chair Bouza, Commissioner Saleme, and Chair Crutchlow

Excused: 1 - Commissioner Bhatnagar

A motion was made by Commissioner Cherukuru, seconded by Commissioner Biagini to add a recommendation to Council regarding an alternative to posting notices on the website.

The Commission also requested that staff provide information as to the amount of users navigating to the notices posted on the website at an upcoming meeting.

Aye: 6 - Commissioner Biagini, Commissioner Cherukuru, Commissioner Huang, Vice Chair Bouza, Commissioner Saleme, and Chair Crutchlow

Excused: 1 - Commissioner Bhatnagar

A motion was made by Commissioner Biagini, seconded by Commissioner Bouza to have staff agendize a discussion on smoke shop regulations at an upcoming meeting.

Aye: 5 - Commissioner Biagini, Commissioner Cherukuru, Vice Chair Bouza, Commissioner Saleme, and Chair Crutchlow

Nay: 1 - Commissioner Huang

Excused: 1 - Commissioner Bhatnagar

4. 26-453 Election of Planning Commission Chair, Vice Chair and Secretary

Recommendation: There is no staff recommendation.

The meeting went into recess at 7:53 p.m. and reconvened at 8 p.m.

Commissioner Saleme nominated Commissioner Biagini for the position of Chair, Commissioner Huang nominated Commissioner Bouza as Chair, Commission Cherukuru nominated Commissioner Biagini for Chair.

Commissioner Bouza withdrew from the nomination. By acclamation, Commissioner Biagini was voted in as the incoming Chair.

Commissioner Huang thanked all Commissioners who have served in the role of Chair. Commissioner Cherukuru thanked Commissioner Crutchlow for serving the past year as Chair.

Commissioner Bouza was nominated as Vice Chair. The vote resulted in a tie with no action.

Aye: 3 - Commissioner Cherukuru, Commissioner Huang, and Vice Chair Bouza

Nay: 3 - Commissioner Biagini, Commissioner Saleme, and Chair Crutchlow

Excused: 1 - Commissioner Bhatnagar

Commissioner Crutchlow was nominated as Vice Chair. The motion passed.

Aye: 4 - Commissioner Biagini, Commissioner Cherukuru, Commissioner Saleme, and Chair Crutchlow

Nay: 2 - Commissioner Huang, and Vice Chair Bouza

Excused: 1 - Commissioner Bhatnagar

Commissioner Bouza was nominated for Secretary. The motion did not pass.

Aye: 2 - Commissioner Huang, and Chair Crutchlow

Nay: 4 - Commissioner Biagini, Commissioner Cherukuru, Vice Chair Bouza, and Commissioner Saleme

Excused: 1 - Commissioner Bhatnagar

Commissioner Cherukuru was nominated for Secretary. The motion passed.

Aye: 6 - Commissioner Biagini, Commissioner Cherukuru, Commissioner Huang, Vice Chair Bouza, Commissioner Saleme, and Chair Crutchlow

Excused: 1 - Commissioner Bhatnagar

REPORTS OF COMMISSION/BOARD LIAISON AND COMMITTEE:

1. Announcements/Other Items

A motion was made by Commission Crutchlow, seconded by Commissioner Biagini to agendize a discussion at the August 12, 2026 Planning Commission meeting to appoint two Commissioners for a period of time to attend Council Meetings as an official representative of the Planning Commission providing representation for items that were previously heard at a Planning Commission meeting.

Aye: 6 - Commissioner Biagini, Commissioner Cherukuru, Commissioner Huang, Vice Chair Bouza, Commissioner Saleme, and Chair Crutchlow

Excused: 1 - Commissioner Bhatnagar

2. Commissioner Travel and Training Reports, Requests to attend Trainings

DIRECTOR OF COMMUNITY DEVELOPMENT REPORTS:

1. Planning Commission Budget Update

Staff Aide II Elizabeth Elliott provided budget updates.

2. Upcoming Agenda Items

Planning Manager Lesley Xavier provided updates.

3. City Council Actions

Planning Manager Lesley Xavier provided updates.

ADJOURNMENT:

The meeting adjourned at 8:15 p.m. The next regular scheduled meeting is on August 12, 2026 at 6 p.m. at City Hall Council Chambers and Via Zoom.

MEETING DISCLOSURES

The time limit within which to commence any lawsuit or legal challenge to any quasi-adjudicative decision made by the City is governed by Section 1094.6 of the Code of Civil Procedure, unless a shorter limitation period is specified by any other provision. Under Section 1094.6, any lawsuit or legal challenge to any quasi-adjudicative decision made by the City must be filed no later than the 90th day following the date on which such decision becomes final. Any lawsuit or legal challenge, which is not filed within that 90-day period, will be barred. If a person wishes to challenge the nature of the above section in court, they may be limited to raising only those issues they or someone else raised at the meeting described in this notice, or in written correspondence delivered to the City of Santa Clara, at or prior to the meeting. In addition, judicial challenge may be limited or barred where the interested party has not sought and exhausted all available administrative remedies.

California Government Code Section 84308, most recently amended by SB 1243, commonly referred to as the "Levine Act," prohibits a local elected official or quasi-judicial appointed official from participating in any action related to a contributor's contract, license, permit, or use entitlement if he/she/it receives any campaign contributions totaling more than $500 within the previous twelve months, and for twelve months following the date a final decision has been made, from the party, participants, or agents in the proceeding. Parties, Participants or Agents for a proceeding involving a license, permit, or other use entitlement pending before the City Council or a City quasi-judicial body must complete the California Levine Act Disclosure Statement prior to their proceeding.

STREAMING SERVICES: As always, the public may view the meetings on SantaClaraCA.gov, Santa Clara City Television (Comcast cable channel 15), or the livestream on the City's YouTube channel or Facebook page.

Note: The public cannot participate in the meeting through these livestreaming methods; livestreaming capabilities may be disrupted at times, viewers may always view and participate in meetings in-person and via Zoom as noted on the agenda.

If a member of the public submits a speaker card for any agenda items, their name will appear in the Minutes. If no speaker card is submitted, the Minutes will reflect "Public Speaker."

In accordance with the requirements of Title II of the Americans with Disabilities Act of 1990 ("ADA"), the City of Santa Clara will not discriminate against qualified individuals with disabilities on the basis of disability in its services, programs, or activities, and will ensure that all existing facilities will be made accessible to the maximum extent feasible. The City of Santa Clara will generally, upon request, provide appropriate aids and services leading to effective communication for qualified persons with disabilities including those with speech, hearing, or vision impairments so they can participate equally in the City's programs, services, and activities. The City of Santa Clara will make all reasonable modifications to policies and programs to ensure that people with disabilities have an equal opportunity to enjoy all of its programs, services, and activities.

Agendas and other written materials distributed during a public meeting that are public record will be made available by the City in an appropriate alternative format. Contact the City Clerk's Office at 1 408-615-2220 with your request for an alternative format copy of the agenda or other written materials.

Individuals who require an auxiliary aid or service for effective communication, or any other disability-related modification of policies or procedures, or other accommodation, in order to participate in a program, service, or activity of the City of Santa Clara, should contact the City's ADA Coordinator at 408-615-3000 as soon as possible but no later than 48 hours before the scheduled event.

26-793 Agenda Date: 8/18/2026

REPORT TO COUNCIL

SUBJECT
Action on City Bills and Claims Report for the period June 7, 2026 - July 10, 2026

BACKGROUND
Disbursements made by the City of Santa Clara (City) are based on invoices submitted for payment. Prior to payment, staff reviews all disbursement documents to ensure they are reflective of the goods or services provided. Invoices are usually paid within 30 days of receipt of an accurate invoice. As a final step, the City Auditor, or designee, verifies all documents before the City issues payment. Payments are issued through accounts payable checks and wire transfers. It is important to note that items that pertain to Stadium Authority operations are billed to the Stadium Manager (ManCo) to pay on behalf of the Stadium Authority for Non-NFL events, and on behalf of the 49ers for NFL events.

The Bills and Claims Report, as required by the City Charter, represents the cash disbursements required for operations of the City for the reporting period covered. The report reflects the payment date, invoice number, description of the payment, funding source, and payment amount for all invoices. The budget control is set by the City Council through the budget adoption process. The attached report is sorted by Silicon Valley Power (SVP) expenses first, followed by the rest of the City funds.

DISCUSSION
Significant expenditures in this period include:

- Payment to Bank of New York Mellon in the amount of $19,302,050 for Electric Revenue Bonds debt service payment.
- Payment to Northern California Power Agency in the amount of $16,722,638 for June 2026 all resources bill.
- Payment of City of San Jose in the amount of $10,439,615 for first quarter 2026/27 capital billing, O&M billing of San Jose-Santa Clara Regional Wastewater Facility (RWF) and monthly water meter charge.
- Payment to DMZ Builders in the amount of $7,241,365 for service completed from February to April 2026 for KRS and SRS Rebuild and Replacement CIP projects.
- Payment to Energia Sierra Juarez US, LLC, in the amount of $7,043,424 for May 2026 energy purchase from Cimarron Wind.
- Payment to Santa Clara Valley Water District in the amount of $6,750,726 for May and June 2026 treated water purchase and April and May 2026 Pump Tax (a groundwater charge that is used to pay for the protection and augmentation of water supplies in the basin).

Payments to ManCo are not included in the City's Bills and Claims report as they are currently reported through a separate Stadium Authority Bills and Claims report. Stadium Authority related payments in the City's Bills and Claims report include general administrative, material, and supply expenses of approximately $212,023. Included in this amount are payments totaling $197,778 to Alliant Insurance Services Inc., to renew professional liability insurance for fiscal year 2026/27. These expenses are reimbursed to the City by the Stadium Authority.

During this period, payments were made on behalf of the City, Housing Authority, Sport and Open Space Authority (SOSA) and the Santa Clara Stadium Authority (described above).

Certain information, such as names of law firms and legal expert consultants, has been redacted from the Bills and Claims report. The Supreme Court of California in Los Angeles County Board of Supervisors v. Superior Court, (2016) 2 Cal.5th 282, held that invoices specifying the amounts billed by a law firm to a client fall within the scope of attorney-client privilege while the matters are active. Therefore, in accordance with case law, the names of law firms, and the specific amounts billed by each, have been redacted from the public report to maintain the confidentiality of billing records. In addition, the names of utility customers have been redacted consistent with Government Code section 7927.410 based on the public's interest in protecting private customer information. Furthermore, individually identifiable information about recipients of workers' compensation has also been redacted from the report based on California Labor Code section 138.7.

ENVIRONMENTAL REVIEW

The action being considered does not constitute a "project" within the meaning of the California Environmental Quality Act ("CEQA") pursuant to section 15378(b)(4) of Title 14 of the Code of Regulations in that it is a fiscal activity that does not involve any commitment to any specific project which may result in a potentially significant impact on the environment.

FISCAL IMPACT

The expenditures of $157,671,327 were appropriated to various funds with the adoption of the Fiscal Year 2025/26 and 2026/27 budget, as amended.

COORDINATION

This report has been coordinated with the City Attorney's Office.

PUBLIC CONTACT

Public contact was made by posting the Council agenda on the City's official-notice bulletin board outside City Hall Council Chambers. A complete agenda packet is available on the City's website and in the City Clerk's Office at least 72 hours prior to a Regular Meeting and 24 hours prior to a Special Meeting. A hard copy of any agenda report may be requested by contacting the City Clerk's Office at (408) 615-2220, email clerk@santaclaraca.gov or at the public information desk at any City of Santa Clara public library.

RECOMMENDATION

Approve the list of Bills and Claims for June 7, 2026 - July 10, 2026.

Reviewed by: David Noce, Audit Manager
Approved by: Jovan D. Grogan, City Manager

REPORT TO COUNCIL

SUBJECT
Action on Monthly Investment Report for June 2026

BACKGROUND
In compliance with the Charter of the City of Santa Clara and the adopted Investment Policy, the monthly investment report for June 2026 is submitted for your information.

DISCUSSION
Typically, the Monthly Financial Status Report and the Monthly Investment Report are presented together. For the month of June, however, the investment report is presented separately. Staff will bring forward an analysis of the General Fund revenues and expenditures and the City's overall financial performance through June 30, 2026 at a later date as part of the FY 2025/26 Budgetary Year-End Report.

Monthly Investment Report (Attachment 1)
All securities held by the City of Santa Clara as of June 30, 2026 were in compliance with the City's Investment Policy Statement regarding current market strategy and long-term goals and objectives. All securities held are rated "A" or higher by two nationally recognized rating agencies. There are adequate cash flow and maturity of investments to meet the City's needs for the next six months.

The City's investment strategy for June 2026 was to invest funds not required to meet current obligations in securities listed in the prevailing Investment Policy Statement, with maturities not to exceed five years from the date of purchase. This strategy ensures safety of the City's funds and provides liquidity to meet the City's cash needs. There was a reasonable portfolio return of 4.17% in June.

The Monthly Investment Report also includes a Statement of Transactions, following the Investment Inventory, in accordance with California Municipal Treasurers Association investment policy guidelines.

ENVIRONMENTAL REVIEW
The actions being considered do not constitute a "project" within the meaning of the California Environmental Quality Act ("CEQA") pursuant to section 15378(b)(4) of Title 14 of the California Code of Regulations in that they are fiscal activities that do not involve any commitment to any specific project which may result in a potential significant physical impact on the environment.

FISCAL IMPACT
There is no fiscal impact associated with this report.

COORDINATION
This report has been coordinated with the City Attorney's Office.

PUBLIC CONTACT
Public contact was made by posting the Council agenda on the City's official-notice bulletin board outside City Hall Council Chambers. A complete agenda packet is available on the City's website and in the City Clerk's Office at least 72 hours prior to a Regular Meeting and 24 hours prior to a Special Meeting. A hard copy of any agenda report may be requested by contacting the City Clerk's Office at (408) 615-2220, email clerk@santaclaraca.gov or at the public information desk at any City of Santa Clara public library.

RECOMMENDATION
Note and file the Monthly Investment Report for June 2026 as presented.

CITY OF SANTA CLARA
SUMMARY OF INVESTMENT PORTFOLIO

All securities held by the City of Santa Clara as of June 30, 2026 were in compliance with the City's Investment Policy Statement regarding current market strategy and long-term goals and objectives. All securities held are rated A or higher by two nationally recognized rating agencies. There is adequate cash flow and maturity of investments to meet the City's needs for the next six months.

The following table provides the breakdown of the total portfolio among the City, the Sports and Open Space Authority (SOSA), and the Housing Authority (HA) as of June 30, 2026.

	COST VALUE	PERCENTAGE
City	$1,685,718,125	99.92%
SOSA	8,380	0.00%
HA	1,337,538	0.08%
Unrestricted	$1,687,064,043	100.00%
Restricted Bond Proceeds	2,515,636	
Total Investments	$1,689,579,679	

On June 30, 2026 the cost value and market value of the City's unrestricted pooled investment portfolio were $1,687,064,043 and $1,679,142,517 respectively.

Investment Strategy and Market Update

The Federal Reserve (Fed) unanimously voted to keep the federal funds target range at 3.50%–3.75% during Kevin Warsh's first meeting as Fed Chair. While the policy decision was broadly expected, the meeting marked a notable shift in communication strategy as forward guidance was removed from the policy statement and replaced with a more analytical and data-dependent approach to policymaking

Inflation remained above the Fed's target in May, though the picture was mixed. Headline PCE rose to 4.1% year-over-year, largely reflecting elevated energy prices. Core PCE increased to 3.4% year-over-year, reflecting ongoing stickiness in services sectors while goods inflation moderated as tariff-related pressures continue to fade. We believe inflation may be at or near its peak as the recent decline in oil and gasoline prices should help moderate energy-related inflation pressures in the months ahead. Potential flare-ups in the Middle East remain a key risk to the outlook.

Economic growth remained solid on the surface as Q1 GDP was revised up to 2.1% from 1.6%. However, consumer spending made its weakest contribution to GDP since Q1 2022. Business investment remained a bright spot, particularly within technology, software, and AI-related capital spending.

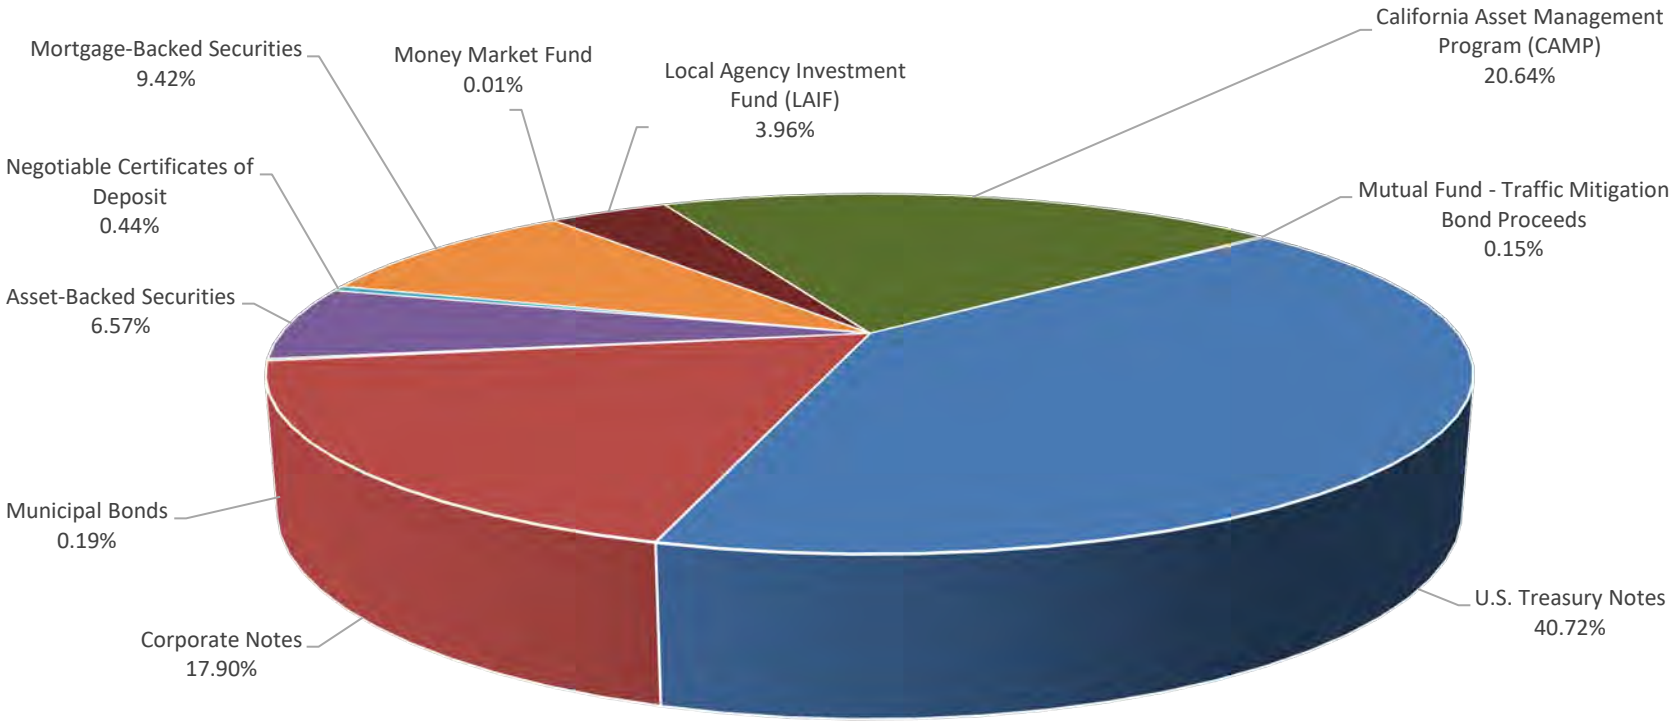
A more hawkish Fed tone pushed yields higher in June. Yields on 3-month, 2-year, and 10-year U.S. Treasuries ended the month at 3.82%, 4.18%, and 4.47%, representing changes of +14 bps, +17 bps, and +3 bps, respectively.

The ICE BofA 3-month, 2-year, and 10-year U.S. Treasury indices returned +0.29%, +0.03%, and +0.33%, respectively.

The City's investment strategy for June 2026 was to invest funds not required to meet current obligations, in securities listed in the prevailing Investment Policy Statement, with maturities not to exceed five years from date of purchase. This strategy ensures safety of the City's funds, provides liquidity to meet the City's cash needs, and earns a reasonable portfolio return. PFM Asset Management LLC began actively managing the City's securities portfolio on September 1, 2020.

As of June 30, 2026, 40.72% of the City's portfolio consists of U.S. Treasury Notes, 20.64% consists of California Asset Management Program (CAMP), 17.90% consists of investment grade Corporate Notes, 9.42% consists of investment grade Mortgage-Backed Securities, 6.57% consists of investment grade Asset-Back Securities, 3.96% consists of Local Agency Investment Fund (LAIF), 0.44% consists of Negotiable Certificates of Deposit, and 0.19% of investment grade Municipal Bonds. In addition, City bond proceeds are invested in separate funds and are not included in the calculation of the City's portfolio yield.

The City's securities portfolio is benchmarked against the ICE BAML 1-5 US Treasury Index.



The following table summarizes the investment yields other information of the City's investment portfolio components, along with comparable-maturity market indices. Also shown are the monthly interest income and aggregate year-to-date income.

	Current Month 6/30/2026

REPORT TO COUNCIL

SUBJECT
Informational Report on 2026 Q2 Legislative Updates

BACKGROUND
On October 9, 2018, the City Council adopted Resolution No. 18-8611 to approve a Legislative Advocacy Position (LAP) Policy. The LAP Policy establishes guidelines for advancing City goals and positions through legislative review and advocacy at the regional, state, and federal levels of government. The policy also provides guidance for City officials who serve on regional, state, and national boards, committees, and commissions when they are asked to review public policy matters and issues.

The Council is required to annually adopt or update LAPs at the beginning of the calendar year to identify specific legislative priorities outside of the LAP Policy's legislative guiding principles. On March 10, 2026, the City Council adopted eleven (11) LAPs that were updated for 2026 on the following key issues:

- Broadband, Cable Services, and Wireless Telecommunications Facilities
- Community Services
- Emergency Management
- Energy Legislation, Regulations and Issues
- Housing
- Human Resources and Public Sector Employment
- Public Safety
- Regional Issues and Collaboration
- Sustainability and Environmental Protection
- Transportation Issues
- Water Supply and Conservation

The LAP Policy includes the following procedures that streamline the City's legislative review and advocacy process:

- If the City Council has previously adopted a policy directly relevant to the legislation or the proposed legislation is generally consistent with the City's overall guiding principles for legislative advocacy or LAP, the Mayor or City Manager may sign a letter supporting or opposing legislation on behalf of the City.
- In order to keep the City Council informed of all City communications on legislation, copies of the letter or summary of actions will be distributed to the City Council as information items in

the Council Meeting Agendas.
- Staff will provide and/or coordinate quarterly legislative updates on public policy items of interest to the City Council and departments.

In coordination with staff, the City's legislative advocacy consultant, Townsend Public Affairs, Inc. (Townsend), tracks legislation and advocates the City's position on various legislation at the state and federal levels of government. This report provides an update on such efforts.

DISCUSSION

A 2026 Q2 Legislative Update prepared by Townsend summarizes key state and federal updates that have occurred recently (Attachment 1). Additionally, Townsend has provided a 2026 Q2 Legislative Bill Matrix that outlines key State legislation that staff and Townsend are tracking (Attachment 2).

City action on legislative items during the quarter is documented in the 2026 Q2 Legislative Action Summary (Attachment 3), along with copies of legislative letters, in accordance with the LAP Policy requirement to provide copies of the letters or a summary of actions to the City Council.

ENVIRONMENTAL REVIEW

The action being considered does not constitute a "project" within the meaning of the California Environmental Quality Act ("CEQA") pursuant to CEQA Guidelines section 15378(b)(5) in that it is a governmental organizational or administrative activity that will not result in direct or indirect changes in the environment.

FISCAL IMPACT

The City has an existing agreement with Townsend Public Affairs for state and federal legislative advocacy services. Townsend's services described in this report are included in the consultants' monthly service.

COORDINATION

This report has been coordinated with Townsend Public Affairs and the City Attorney's Office.

PUBLIC CONTACT

Public contact was made by posting the Council agenda on the City's official-notice bulletin board outside City Hall Council Chambers. A complete agenda packet is available on the City's website and in the City Clerk's Office at least 72 hours prior to a Regular Meeting and 24 hours prior to a Special Meeting. A hard copy of any agenda report may be requested by contacting the City Clerk's Office at (408) 615-2220, email clerk@santaclaraca.gov or at the public information desk at any City of Santa Clara public library.

RECOMMENDATION

Note and file the informational report on 2026 Q2 legislative updates.

Reviewed by: Elizabeth Klotz, Assistant City Manager

Subject: **Q2 Legislative Update**

June saw major political, policy, and budget milestones, as the state moved from the June 2 Primary Election into the final stretch of budget negotiations. The primary election set the field for the November General Election, with Xavier Becerra and Steve Hilton emerging as the top-two candidates for the gubernatorial election. The election was also the first federal election conducted under California's new congressional district boundaries established by Proposition 50, demonstrating how the state's top-two primary system can complicate partisan expectations even under newly drawn maps. Also related to the November election were negotiations over proposed ballot measures ahead of the June 25 qualification deadline, with discussions focused the Taxpayer Protection Act and a Housing Bond.

With the June 15 constitutional deadline to pass a budget and the end of the fiscal year at the close of the month, the State Budget remained the dominant issue throughout June. The Assembly and Senate released their respective budget plans early in the month, which framed legislative priorities on homelessness, health care, education, public safety, revenues, reserves, and implementation of federal HR 1 requirements. By June 11, amendments to AB 109 placed the Legislature's two-party budget agreement into print, setting up negotiations with the Governor's Office ahead of a final three-party package. At the conclusion of the month, the Governor, Senate Pro Tem, and Assembly Speaker released their agreed-upon budget with a batch of 19 budget-related bills forming the bulk of the 2026-27 budget, which was signed into law on June 29.

STATE BUDGET UPDATES

June was the central month for legislative budget activity. In early June, the Senate and Assembly developed a legislative version of the budget that built on the Senate's "Foundation for the Future" framework, emphasizing responsible budgeting, no major new ongoing commitments, preservation of key programs, and a balanced approach that included more than $5 billion in proposed new revenues and additional program reductions. The Legislature's June budget framework proposed approximately $355.9 billion in total expenditures for 2026–27, including about $253 billion from the General Fund, and identified roughly $36.5 billion in total reserves, memorialized in AB 109.

By late June, the Governor and legislative leaders announced a three-party budget agreement for the 2026–27 fiscal year, described as a balanced plan with no projected deficit in the current or budget year, while continuing investments in schools, healthcare affordability, childcare, housing production, disaster response, and election administration. The overall budget

agreement landed at approximately $351.7 billion in total spending. The agreement also relied on a combination of new revenues, reserve management, fund shifts, and spending controls to address the state's near-term fiscal position while attempting to reduce future structural deficits.

To implement the budget and make necessary adjustments to prior budgets, numerous budget trailer bills and budget bill amendments, including SB 111, were introduced, heard, and approved, including measures addressing education, human services, public resources, transportation, housing, taxation, and Medi-Cal-related corporate accountability proposals. Notably, the budget package included continued discussion of revenue proposals affecting corporations, software and digital services, business tax credits, and the managed care organization tax, as well as policy choices to preserve or expand childcare slots and delay or modify some proposed health and human services reductions. Between June 29 and July 2, the Legislature dispensed with approximately 20 budget-related bills constituting the bulk of state spending.

To address projected out-year budget shortfalls, June negotiations led to a combination of revenue-related proposals, spending reductions, programmatic changes, and fund shifts intended to improve the state's long-term fiscal outlook. The Administration estimates these actions would generate several billion dollars in budgetary solutions annually over the next several fiscal years, with a focus on reducing projected structural deficits in later budget windows.

Cap-and-Invest Revenue Uncertainty and Legislative Funding Considerations

One of the significant emerging budget issues involves uncertainty surrounding future Cap-and-Invest revenues and the Greenhouse Gas Reduction Fund (GGRF), which supports a wide range of state climate, housing, and transportation programs.

Recent analysis from the LAO suggests that proposed regulatory changes under consideration by the California Air Resources Board (CARB) could significantly reduce annual Cap-and-Invest auction revenues available for legislative appropriation. Under CARB's current proposal, annual GGRF revenues could decline to approximately $2 billion per year, roughly half of recent funding levels.

The issue largely centers on CARB's proposed "Manufacturing Decarbonization Incentive" (MDI), which would provide additional free emissions allowances to certain industrial facilities making qualifying decarbonization investments. Analysts have raised concerns that these changes could reduce participation in future Cap-and-Invest auctions and lower overall auction revenues available to the state.

This matters because last year's SB 840 (Limón) expenditure framework assumed substantially higher ongoing Cap-and-Invest revenues to support a range of state priorities. If revenues decline significantly, the Legislature may need to revisit existing funding assumptions and reprioritize programs supported by the GGRF.

Programs that could face increased funding pressure include:

- Affordable Housing and Sustainable Communities (AHSC)
- Transit and Intercity Rail Capital Program (TIRCP)
- Low Carbon Transit Operations Program (LCTOP)
- Community Air Protection Program
- Wildfire and forest resilience programs

- Safe and Affordable Drinking Water programs

These programs have historically served as major funding sources for local governments, transit agencies, regional transportation entities, and affordable housing developments throughout California. As a result, any sustained reduction in Cap-and-Invest revenues could have meaningful downstream impacts on future state grant availability and program stability. Local agencies may face increased competition for programs such as TIRCP and AHSC, while transit and climate-related funding programs could become less predictable in future budget cycles. Reduced GGRF revenues may also create longer-term uncertainty for programs like LCTOP that support transit operations and related local investments. In response, the Legislature may increasingly rely on alternative funding mechanisms, including Proposition 4 bond funds or limited General Fund support, to sustain certain climate and infrastructure priorities. These pressures could also prompt lawmakers to revisit or restructure portions of the SB 840 expenditure framework during upcoming budget negotiations.

In the Assembly Budget Subcommittee 4 on Climate, Resources, Energy, and Transportation, a proposal by the California Air Resources Board that would essentially reduce Greenhouse Gas Reduction Fund (GGRF) revenues by half was discussed. The proposal would add 118 million emissions allowances above the cap for the new MDI program, where industrial entities can apply to receive emissions credits to support decarbonization-related projects. Typically, industrial entities must purchase credits at an auction, but the new credits would allow them to apply for and receive them for free, reducing revenues for the cap-and-invest program. Revenue from credits is deposited into multiple accounts, including the GGRF account, which funds a variety of local programs. This is particularly relevant as last year, the Legislature passed AB 1207 and SB 840 to specifically extend and reform the program and allocate GGRF funds to local programs, all of which are dependent on GGRF funding increasing or staying at the same level.

During CARB's May 28 and 29 Board Meeting, CARB staff claimed there were not enough allowances offered to emitters, hence the increase of 118 million emissions allowances above the cap for the MDI program. Comments and questions from board members, presentations from staff, and public comment ran the hearing late into the evening on May 28, then resumed on May 29 to continue discussions and hold a vote. As CARB staff presented the potential fiscal impacts of the proposal, they claimed that the GGRF would realize an impact of $500 million despite the LAO's estimated impact of a $2 billion hit to the program. The hearing concluded with the Board approving the proposal. Over the summer, CARB will host a workshop to begin updating compliance offset protocols, and the updated regulations will take effect on September 1, 2026.

ELECTIONS UPDATE

Californians Cast Votes in State's June Primary Election

Tuesday, June 2, was California's Primary Election, and millions of voters submitted their ballots to set the final stage of candidates for the November General Election. A highly fragmented gubernatorial field took center stage with over 60 candidates throwing their hats in the ring to head the state's Executive Office, with Republican Steve Hilton and Democrat Xavier Becerra emerging as the top two candidates. A Hilton-Becerra runoff will produce the traditional Democrat-versus-Republican general election, likely centered on affordability, homelessness, public safety, housing, taxation, and state governance.

The June election also served as the first federal election conducted under California's new congressional district boundaries established by Proposition 50. Several Congressional Districts

felt the impact of the new boundaries, which packed or cracked districts to increase Democratic-held seats in Congress. At the same time, the primary underscored that the new map's partisan intent can be complicated by California's top-two system. In several districts, the most consequential question is not simply whether the district favors Democrats or Republicans on paper, but whether each party successfully consolidates enough primary support to secure a viable November matchup.

Billionaire Tax Qualifies for the Ballot

On June 17, a proposed statewide 2026 Billionaire Tax Act qualified for the November 2026 ballot, setting up what could become one of the most expensive and high-profile ballot measure fights of the cycle. The measure, backed by SEIU-United Healthcare Workers West, would impose a one-time 5 percent tax on California residents whose net worth exceeded $1 billion at the start of 2026. Supporters estimate the measure could generate approximately $100 billion, with revenues dedicated primarily to health care programs, along with funding for education and food assistance.

The qualification of the measure comes as state leaders continue grappling with federal health care funding reductions and the ongoing challenge of maintaining safety net programs within a constrained budget environment. Proponents argue the measure is necessary to backfill federal cuts and prevent deeper impacts to hospitals, clinics, Medi-Cal, and related services. The initiative would place the Legislature in control of appropriating the funds, with annual allocations available for designated programs.

Opposition is already significant and includes Governor Newsom, business organizations, and wealthy donors who argue the tax could accelerate outmigration among high-net-worth individuals and undermine the state's revenue base. Several countermeasures are also expected to appear on the ballot, including proposals that could limit or invalidate new taxes on personal property.

Taxpayer Protection Act Negotiations Produce Narrower Constitutional Amendment

Late in the month, much of the Legislature's attention was on negotiations to remove the Taxpayer Protection Act initiative from the November ballot in exchange for an alternative measure. Preliminary discussions appeared to center on a proposal to remove the Act from the ballot and instead put forward an initiative limiting charter city real estate transfer taxes. That approach ultimately did not move forward after the Howard Jarvis Taxpayers Association declined to withdraw the initiative under those terms.

Following additional negotiations, the parties reached a revised framework under which the Taxpayer Protection Act initiative would be withdrawn in exchange for the Legislature placing a constitutional amendment before voters. The negotiated proposal, reflected in ACA 22, would prospectively require all future local special taxes to receive two-thirds voter approval, regardless of whether the measure is placed on the ballot by a local governing body or through the local initiative process. In practical terms, the amendment would close the "*Upland* loophole" by applying the two-thirds threshold to the electorate exercising the initiative power, rather than allowing certain citizen-sponsored special taxes to pass by simple majority.

The most significant aspect of the compromise is what it appears to leave out. Unlike the original Taxpayer Protection Act initiative, the negotiated constitutional amendment would not retroactively invalidate existing voter-approved special taxes and would not include the provisions that would have repealed or substantially restricted existing charter city real estate transfer taxes. As a result, the immediate fiscal disruption associated with the original initiative is avoided, while

future special tax measures, including regional transportation, housing, homelessness, climate resilience, parks, open space, and infrastructure measures, would face a higher approval threshold. ACA 22 was approved by both the Senate and Assembly and filed with the Secretary of State on June 25.

STATE LEGISLATIVE UPDATES

Revenue Generating Measures Advance in the Legislature

In June, Lawmakers advanced a package of tax-related budget measures that could significantly affect health plans, technology companies, and businesses that rely on state tax credits. The proposals include increasing taxes on health insurance plans, extending the sales tax to certain digital and cloud-based prewritten software, and continuing the limitation on certain business tax credits. Supporters argue the measures are needed to preserve health care access and state programs in response to federal funding reductions and the state's long-term budget shortfall.

The health plan tax proposal drew particular criticism for its potential impact on private health insurance premiums. Supporters maintained that the state must adjust the tax structure to respond to federal changes affecting California's ability to draw down health care funding, while opponents warned that the costs may be passed on to employers and consumers. This debate was central through the budget-making process, specifically around health care budget negotiations as the State seeks to protect Medi-Cal, hospitals, and other safety net services while managing affordability concerns for privately insured Californians.

The digital software tax would extend sales tax treatment to prewritten software regardless of delivery method, including software accessed remotely or through cloud-based systems. The Legislative Analyst's Office has noted that this would modernize part of the state's sales tax base, but also raised concerns about taxing business-to-business transactions and suggested lawmakers consider modifications or exemptions.

Assembly Emergency Management Committee Holds Hearing on Increasing Costs for Fire Apparatus

On June 22nd, the Assembly Committee on Emergency Management held an informational hearing on fire apparatus costs that focused on issues related to price, delays and adverse impacts to communities.

The Assembly Committee hearing provided a California-specific examination of how national market pressures are affecting local agencies and public safety readiness across the state. The hearing consisted of opening remarks from Assembly Member Rhodesia Ransom, the Committee's chair, as well as two panels.

Chair Ransom framed the hearing around concerns that rising apparatus costs and lengthy delivery delays are eroding emergency response capabilities across California, leaving departments with fewer operational vehicles and higher maintenance burdens. She noted that these challenges have already affected communities statewide and stated that the hearing aimed to better understand the risks posed by current market conditions and their impact on California's ability to respond to emergencies.

The opening panel featured a State Fire and Rescue Chief representing local government, and the Deputy Director of Fire Protection Programs for the California Department of Forestry and Fire Protection (CAL FIRE), who is responsible for the acquisition and maintenance of fire apparatus. Both of their presentations summarized that the fire truck shortage stems from a post-COVID demand surge hitting a market dominated by just three major manufacturers, leaving few competitors willing to bid on government contracts. Workforce shortages, supply chain disruptions, inflation, and parts scarcity have compounded the problem.

The shortage in available equipment has had significant impacts for local governments. Departments have been forced to rely on outdated equipment, and the traditional 15-year repair cycle is breaking down because replacement parts for older trucks are hard to acquire due to the same supply chain and scarcity issues. The panelists spoke about how reduced fleet capacity has undermined mutual aid and emergency readiness across the board—not just for wildfires, but for hazmat incidents, swift water rescues, and urban emergencies. Local governments are also suffering from reduced purchasing power, as costs for equipment have doubled while municipal budgets have stayed relatively stable.

A second panel featured fire service leaders representing both city and county fire agencies. The local representatives provided examples of the escalating costs for fire trucks, and related equipment, which in some cases has seen a 300% price increase over a 10-year span. They also cited examples related to significant delays for equipment repairs and a lack of options for parts and maintenance, which contributes to the overall cost of operations.

In closing remarks, Chair Ransom highlighted concerns about manufacturers treating critical public safety equipment and repair information as proprietary. She concluded by stating that the legislature has work to do to ensure local governments are not overly dependent on private manufacturers for critical emergency response resources.

The hearing comes amid growing federal scrutiny of the same market dynamics driving fire apparatus cost increases and delivery delays for local governments. On April 15, 2025, US Senators Elizabeth Warren and Jim Banks sent a bipartisan oversight letter to the International Association of Fire Fighters seeking information on how private equity roll-ups in fire truck manufacturing have affected firefighter safety, department budgets, and apparatus availability. On September 10, 2025, the US Senate Homeland Security and Governmental Affairs Subcommittee on Disaster Management held a hearing titled “Sounding the Alarm: America’s Fire Apparatus Crisis,” where lawmakers examined the nationwide impacts of apparatus shortages and manufacturer consolidation.

More recently, on March 20, 2026, Representative Derek Tran transmitted letters to the Federal Trade Commission and Government Accountability Office requesting federal investigations into private equity consolidation in the fire apparatus manufacturing industry, including whether market concentration is contributing to higher costs, longer backlogs, restrictive contracting practices, and weakened disaster readiness.

EXECUTIVE BRANCH ACTIVITY

Governor Signs Bill Placing Housing Bond on November 2026 Ballot

Governor Gavin Newsom, Senate President pro Tempore Monique Limón, and Assembly Speaker Robert Rivas announced a three-party agreement to place the Veterans and Affordable Housing Bond Act of 2026 before voters at the November 2026 General Election. The agreed-

upon proposal, contained in SB 417, would authorize $11.25 billion in housing investments, the largest proposed housing bond measure in California history, including $10 billion in general obligation bonds for affordable housing and homeownership programs and $1.25 billion in self-supporting revenue bonds for the CalVet Home Loan Program. If approved by voters, the measure would provide a new long-term funding source for affordable housing production, preservation, and homeownership assistance.

The largest share of the bond, approximately $5.1 billion, would be directed to the Multifamily Housing Program, the state's primary affordable rental housing production program. The proposal also includes $1.15 billion for supportive housing and homelessness programs, $1.1 billion for homeownership assistance, $500 million for infill infrastructure, $450 million for farmworker housing, $350 million for student housing, $200 million for tribal housing, and $200 million for the Local Housing Trust Fund Matching Grant Program. The inclusion of the Local Housing Trust Fund program is prominent as it would provide a dedicated statewide funding source to support local and regional housing trust funds.

The agreement comes as prior voter-approved housing bond funds have largely been exhausted and as affordable housing developers continue to identify significant unmet financing needs for shovel-ready projects. Proponents have argued that the bond could help leverage federal, local, and private funding, thereby accelerating tens of thousands of affordable units that are currently awaiting gap financing. The bill received a final vote of approval on June 25 and was signed by the Governor shortly thereafter, officially placing the measure before voters on the November 3, 2026, statewide ballot.

Administration Applauds Organized Retail Crime Task Force Successes

Governor Newsom announced the state has significantly and successfully expanded its crackdown on organized retail theft following the recovery of nearly $260 million in stolen merchandise since 2019. The California Highway Patrol's (CHP) Organized Retail Crime Task Force was launched as a partnership between the CHP and the Department of Justice (DOJ) after the passage of AB 1065 (Jones-Sawyer, 2018) to combat organized retail theft through consultation with allied agencies.

The coordinated enforcement efforts have resulted in tens of thousands of arrests, thousands of investigations, and thousands of cases referred for prosecution. As the Task Force's operations continue, the results are evidence that sustained investments in law enforcement and multi-agency partnerships are producing measurable outcomes for retailers, workers, and consumers. The administration also pointed to recent legislation strengthening penalties and prosecution tools for organized retail crime, arguing that these changes have improved law enforcement's ability to hold offenders accountable.

The Task Force's initial inception and ongoing investments in combating retail theft demonstrate the State's continued prioritization of retail theft enforcement through grants, task forces, and collaborative public safety initiatives. The administration linked these efforts to its public safety goals, including reducing property crime, supporting local businesses, and improving economic conditions in commercial corridors.

CAPITOL TO CAPITOL: FROM SACRAMENTO TO WASHINGTON, DC

EPA Transmits Additional Emissions Waivers to Congress for Review

On June 12, the Environmental Protect Agency (EPA) announced the transmission of four Clean Air Act (CAA) preemptive waivers for the State of California to Congress for review under the Congressional Review Act (CRA), which allows Congress to reject an agency regulation. The California Department of Justice (CalDOJ) has been in litigation with the EPA and Department of Justice (DOJ) regarding the EPA and Congress' ability to deny these waivers, which allow California to impose higher air quality standards than the CAA, without changing the underlying law.

Last year, the Supreme Court allowed the litigation to proceed, and the CRA disapprovals from Congress to stand, leaving the status of the preemptive waivers unclear. The four rules would allow California to impose vehicle emissions standards higher than the federal level, including small offroad engines (SORE) such as lawn and garden equipment, and overall Greenhouse Gas Emissions Standards for vehicle manufacturers.

It is likely Congress will consider the CRA disapprovals, and ultimately pass them for the President's signature. Litigation is expected to be resolved before the end of the calendar year.

USDA Releases California SNAP Payment Error Rate, Triggering 15% Benefits Cost Share Under HR 1

On June 24, the US Department of Agriculture (USDA) released the Fiscal Year 2025 Payment Error Rates for the Supplemental Nutrition Assistance Program (SNAP/CalFresh). California's Payment Error Rate for the year was 10.93%. Under HR 1, the One Big Beautiful Bill Act (OBBBA), states with an error rate of 6% or below will have no cost share; 6-8% will be 5%; 8-10% will be 10%; and 10% and above, like California, will be responsible for 15% of the total benefit allotments.

A February report from the California Legislative Analyst's Office estimates that beginning in October 2027, the 15% cost-share will create $2 billion in new annual expenditures to support SNAP. More immediately, the OBBBA's changes to the administrative cost-share arrangement currently split 50% federal, 35% state, 15% county. Beginning in October of this year, the new cost-share will be 25% federal, 52.5% state, and 22.5% county. This is expected to result in $480 million and $190 million in new annual expenditures for the state and counties, respectively.

PRIORITY LEGISLATION

Legislative Calendar

Below are the upcoming relevant dates for the Legislature:

August 31st – Last day for Legislature to approve bills. Final recess begins upon adjournment
September 30th – Last day for the Governor to act on pending legislation

Priority Bills

AB 1383 (McKinnor) – Public employees' retirement benefits
The California Public Employees' Pension Reform Act of 2013 (PEPRA) establishes a variety of requirements and restrictions on public employers offering defined benefit pension plans. In this regard, PEPRA restricts the amount of compensation that may be applied for purposes of calculating a defined pension benefit for a new member, as defined, by restricting it to specified percentages of the contribution and benefit base under a specified federal law with respect to old age, survivors, and disability insurance benefits. This bill, for service performed on and after January 1, 2027, would prohibit the pensionable compensation for calendar year 2027 used to calculate the defined benefit paid to a new member of a retirement system subject to PEPRA who retires from the system from exceeding specified percentages of the contribution and benefit base under the specified federal law with respect to old age, survivors, and disability insurance benefits. Status: This measure was approved by the Senate Labor, Public Employment, and Retirement Committee (5-0) on June 24th. The measure is currently in the Senate Appropriations Committee pending consideration.

AB 1751 (Quirk-Silva) – Missing Middle Townhome Ownership Act
This bill, the Missing Middle Townhome Ownership Act, would authorize a development proponent to submit an application for a townhome housing development project that is subject to a prescribed ministerial approval process if the development complies with certain procedural requirements and satisfies specified objective planning standards. The bill would also require a local agency to ministerially consider, without discretionary review or a hearing, a parcel map or a tentative and final map for a townhome development project that meets specified requirements, including that the proposed subdivision will result in parcels and residential units that will meet prescribed densities and that the newly created parcels are no smaller than 600 square feet. Status: This bill was approved by the Senate Local Government Committee (6-0) on June 24th. The measure is currently in the Senate Appropriations Committee pending consideration.

AB 1821 (Pacheco) – California Public Records Act: agency response time
The California Public Records Act requires each state or local agency, upon a request for a copy of records that reasonably describes an identifiable record or records, to make the records promptly available to any person upon payment of fees covering direct costs of duplication, or a statutory fee if applicable, except with respect to public records exempt from disclosure by express provisions of law. Existing law requires each agency, within 10 days of a request for a copy of records, to determine whether the request seeks copies of disclosable public records in possession of the agency and to promptly notify the person of the determination and the reasons therefor. Existing law authorizes that time limit to be extended by no more than 14 days under unusual circumstances, as defined. This bill would instead require each agency to determine whether the request seeks copies of disclosable public records in possession of the agency and to promptly notify the person as described above within 10 business days of a request for a copy of records. Status: This bill was approved by the Senate Judiciary Committee (12-0) on June 27th. The measure is currently in the Senate Appropriations Committee pending consideration.

AB 2231 (Ahrens) – California Environmental Quality Act – hospital projects
This bill would establish streamlined procedures for the administrative and judicial review of the environmental review and approvals granted for an environmental leadership hospital campus project, defined by the bill as a construction project of a hospital campus in the City of Emeryville or of the City of Santa Clara, under certain conditions. The bill would require the city council of the City of Emeryville or Santa Clara, as the lead agency for the hospital campus project, to certify the project for the streamlined judicial review, if it finds the project will meet those conditions. The

bill would require the project applicant of the environmental leadership hospital campus project to take certain actions in order for those specified procedures to apply to the project. Status: This bill was approved by the Senate Judiciary Committee (13-0) on June 30th. The measure is currently in the Senate Appropriations Committee pending consideration.

AB 2346 (Wilson) – Electric bicycles and speed limits
Existing law defines an electric bicycle as a bicycle equipped with fully operable pedals and an electric motor of less than 750 watts, and classifies electric bicycles into 3 classes with different restrictions for various purposes. This bill would require all class 2 electric bicycles manufactured, sold, or offered for sale on or after January 1, 2029, to be equipped with a speedometer. The bill would also require all electric bicycles manufactured, sold, or offered for sale on or after January 1, 2029, to be equipped with an integrated or detachable front lamp and a rear lamp. The bill would also require sellers and distributors of electric bicycles to disclose specified information at or before the point of sale. Status: This bill was approved by the Senate Transportation Committee (12-0) on June 23rd. The measure is currently in the Senate Appropriations Committee pending consideration.

SB 866 (Blakespear) – Planning and zoning: annual report: emergency shelter
The Planning and Zoning Law, requires each county and each city to adopt a comprehensive, long-term general plan for the physical development of the county or city, and specified land outside its boundaries, that includes, among other specified mandatory elements, a housing element. That law requires the planning agency of a city or county to provide by April 1 of each year an annual report to the Department of Housing and Community Development that includes, among other specified information, the agency's progress in meeting its share of regional housing needs and the number of units approved and disapproved in the prior year. This bill, beginning with the first annual report submitted after the due date for the 7th cycle revision of the housing element, would require that annual report to additionally include specified information regarding the special housing needs of families and persons in need of emergency shelter. Status: This bill was approved by the Assembly Housing and Community Development Committee (12-0) on July 1st. The measure is currently in the Assembly Appropriations Committee awaiting consideration.

SB 922 (Laird) – Vehicles: local agency charges: use of streets or highways
Existing law prohibits a local agency from imposing a tax, permit fee, or other charge for the privilege of using its streets or highways, other than a permit fee for an extralegal load unless the local agency had imposed the fee prior to June 1, 1989. This bill would expressly limit this prohibition to charges based on weight. The bill would also explicitly state that a fee, charge, or surcharge imposed by or for a local agency to recover the cost of street maintenance and repair and other costs associated with the use of its streets, roads, or highways to provide public services or public works is not a tax, permit fee, or other charge that is prohibited by the provision above. The bill would provide that nothing in the Vehicle Code prohibits a local agency from imposing or collecting this fee, charge, or surcharge. Status: This bill was approved by the Assembly Local Government Committee (8-2) on July 1st. The measure is currently on the Assembly Floor pending consideration.

SB 936 (Blakespear) – Nitrous oxide: sales
This bill would, except as specifically exempted, prohibit the sale and distribution of a nitrous oxide container that is capable of holding more than 8 grams of nitrous oxide or from which an individual may directly inhale nitrous oxide. The bill would also prohibit the sale and distribution of a nitrous oxide that has, or is marketed as having, the taste or smell of any food. The bill would prohibit knowingly selling or distributing a device that allows an individual to inhale nitrous oxide from the container or hold nitrous oxide for the purposes of inhalation. The bill would punish a violation of

these provisions as an infraction. Status: This bill was approved by the Assembly Public Safety Committee (9-0) on June 30th. The measure is currently on the Assembly Floor pending consideration.

SB 1159 (Cabaldon) – Artificial intelligence: transparency and governance
This bill would specify that, for purposes of the California Public Records Act, the Bagley-Keene Open Meeting Act, the Ralph M. Brown Act, the Legislative Open Records Act, the Administrative Procedure Act, the California Coastal Act of 1976, and CEQA, "person," "interested person," "participant," "member of the public," as applicable, and any other similar terms under each act referring to those who may engage with governmental agencies, do not include artificial intelligence, as defined, systems, autonomous agents, or robots, whether physical or digital. Status: This bill was approved by the Assembly Judiciary Committee (12-0) on June 30th. The measure is currently on the Assembly Floor pending consideration.

SB 1187 (Durazo) – Open meetings
The Ralph M. Brown Act requires, with specified exceptions, that all meetings of a legislative body, as defined, of a local agency be open and public and that all persons be permitted to attend and participate. Existing law, beginning July 1, 2026, requires eligible legislative bodies, as defined, to have in place a system for electronically accepting and fulfilling requests for meeting agendas and documents. Existing law additionally requires these legislative bodies to translate the agenda for each meeting of that body and to reasonably assist members of the public who wish to translate a public meeting or receive interpretation, as specified. This bill would instead delete the above-described requirements on eligible legislative bodies. Status: This bill was approved by the Assembly Local Government Committee (10-0) on July 1st. The measure is currently on the Assembly Floor pending consideration.

FEDERAL UPDATES

LEGISLATIVE BRANCH ACTIVITY

Senate Continues to Delay Appropriations Markups, Proposes to Move Forward Without Bipartisan Support

With Senate Appropriator Mitch McConnell still hospitalized at the end of June, the Senate Appropriations Committee postponed scheduled markups of their Fiscal Year 2027 (FY27) appropriations bills. Without McConnell's vote, Republicans do not have a majority on the Committee. This leaves them almost a month behind schedule, and far behind the House, which has passed all 12 appropriations bills out of committee and is working towards floor consideration.

The compounding delays threaten passage of final bills by the September 30 end of the fiscal year and has led some Republican Senators to propose pushing ahead with the FY27 bills without Democratic support, which will only let the bills pass out of committee, but will not meet the 60-vote threshold required to pass off the Senate floor. Disagreements on topline spending numbers remain, as the White House is advocating for significant increases to military spending and cuts to social programs.

Typically, Appropriators in both chambers work to pass all 12 appropriations bills off their respective floors before the August recess, allowing staff to work over August and members through September to reconcile the two versions of each bill and come to a bipartisan agreement. Any movement away from bipartisanship in the Senate and the continued delays threaten

Congress's ability to complete the appropriations process on time and increase the chances of a government shutdown or continuing resolution at the end of September.

Congressional Calendar Tightens as Midterms Near, Despite Committee Progress

As August recess and the midterm elections approach, rank-and-file members of both parties are looking towards a growing list of priorities in fewer session days. Speaker Johnson is managing a narrow majority and has just shy of 30 days of session left before the midterm elections in November.

Following the enactment of HR 1, the One Big Beautiful Bill Act, and S 2, the Secure America Act, providing funding for immigration enforcement agencies through the end of the President's term, Republicans are now discussing a third reconciliation package focused on more of their policy priorities. The majority of the appropriations bills await floor time and negotiations with the Senate, alongside negotiations on the National Defense Authorization Act (NDAA), Foreign Intelligence Surveillance Act (FISA), Surface Transportation Reauthorization Act, a Farm Bill reauthorization covering agriculture subsidies and food assistance programs, and a myriad of other issues with bipartisan support, including a bipartisan Artificial Intelligence (AI) regulatory framework.

Realistically, a number of these bills will require extensions as committees have not made sufficient progress to advance viable proposals, though Committees have advanced several bills either awaiting action by the other chamber or for negotiations to begin between the two chambers. Congress is expected to be out of session all of August and October to campaign for reelection, only adding to the urgency.

Congress Passes Major Housing Policy Package, the 21st Century ROAD to Housing Act, Awaits Presidential Action

On June 23, the House passed a compromise version of HR 6644, the 21st Century ROAD to Housing Act, sending it to the President for signature. The bill represents the largest set of housing policy reforms in over three decades.

The bill would allow Community Development Block Grant (CDBG) funding to be used for affordable housing development, reauthorize the HOME Investment Partnership Program, create waivers for caps on Emergency Solutions Grant (ESG) funding, allow community banks to assume higher amounts of Federal Housing Authority (FHA) backed mortgage debt, exempt certain projects from National Environmental Policy Act (NEPA) reviews and labor standards, and enact a prohibition on institutional investors owning large numbers of single family homes.

While the bill would create new programs, it contains no advance appropriations and would need to be funded via the appropriations process. The bill maintains much of the Senate's original ROAD to Housing Act released in July of last year, preserves the bipartisan housing program changes from the Housing for the 21st Century Act, nine of the 11 House community banking bills, and language to ban large institutional investors from buying single-family homes.

After final action by the President, the Department of Housing and Urban Development and the Council on Environmental Quality will need to follow the rulemaking process to implement the new statute.

Confirmation Hearings for OMB Nominee Address OMB Proposed Rule Increasing Administration Control Over All Federal Grants

On June 16 and 17, the Senate Committee on the Budget held hearings, and the Senate Committee on Homeland Security and Government Affairs held hearings of its own to consider the nomination of Hal Duncan to be Deputy Director of the White House Office of Management and Budget (OMB).

OMB is the centralized entity responsible for the execution of the 12 appropriations bills passed by Congress and oversees federal grant administration for the Executive Branch. It is also the entity responsible for managing apportionment, which is the process of actually withdrawing funds from the Treasury of the United States in accordance with those bills.

OMB recently published a proposed rule changing the governance structure for all federal grants, including both discretionary/competitive and formula/entitlement funding, consolidating the Administration and its political appointees direct control over the disbursement of federal funding by providing new authorities under which to terminate, delay, or withhold federal funding before and after awards are made.

California Senator Alex Padilla, a member of the Budget Committee, asked the nominee questions regarding the implementation of this rule, stating it would unduly increase the ability of the President to inject political considerations into federal grantmaking and circumvent the appropriations process and Congressional intent.

With the Second Reconciliation Bill Complete, Congressional Republicans Look Towards a Third Tax and Spending Package

With the passage of S 2, the Secure America Act, providing funding for immigration enforcement agencies for the remainder of the President's term in office, Congressional leaders are looking towards passage of another reconciliation package before the midterm elections in the fall. Republican Leaders are hoping a third tax and spending package could deliver more of their priorities before they potentially lose control of the House.

Budget reconciliation is a special process allowing tax and spending measures to be passed without the usual 60-vote threshold in the Senate. In exchange for bypassing that requirement, they require extra procedural votes to ensure agreement amongst the majority party in both chambers pushing the bill forward. Due to House Speaker Mike Johnson's narrow majority in the House, alongside several Senate Republicans the President helped defeat in primary elections, questions remain about whether or not the political willpower exists to pass another bill.

During a budget hearing in June, Senate Appropriations Committee Chairwoman Susan Collins and Defense Subcommittee Chair Mitch McConnell both expressed skepticism about passage of a third reconciliation bill, while Republican Study Committee Chair Pfluger remains committed to a third package. The Iranian conflict could push a third reconciliation bill forward, as the Department of Defense (DoD) could need the funding to cover the costs and restore weapons stockpiles, with an estimated cost of $80 to $100 billion. Republican Leaders would hope to attach some of their domestic priorities to any defense supplemental.

House Financial Services Committee Looks to Reform CDBG-DR Funds

On June 10, the House Financial Service Committee's Subcommittee on Housing and Insurance held a hearing titled Examining Local Needs in Disaster Recovery. The hearing focused on the Department of Housing and Urban Development's (HUD's) administration of the Community Development Block Grant – Disaster Recovery Program (CBDG-DR).

Both sides of the aisle expressed significant concern regarding the slow expenditure of CDBG-DR funds, of which only 59% of the Congressionally-appropriated funding has been spent since the program's inception. Unlike regular CDBG, CDBG-DR is funded through supplemental appropriations made following a natural disaster and is usually accompanied by support from the Federal Emergency Management Agency (FEMA). As such, while CDBG-DR generally follows the regulatory framework of regular CDBG grants, certain exceptions can be made for each disaster, such as reducing the amount of funding dedicated to low- and moderate-income (LMI) communities. HUD is also generally provided with additional flexibility in administering the funding.

Testimony from an analyst with the Congressional Research Service (CRS), a nonpartisan research and analysis center within the Library of Congress, identified a variety of causes ranging from HUD delays to poor grant management by recipients. Chairman Mike Floor also noted that the program's authorization, the statute setting policy and allowing appropriators to fund the account, has long expired. HR 8291, the Reforming Disaster Recovery Act, would permanently authorize the program, but has not yet received consideration by the Committee.

Energy and Commerce Committee Holds Hearing on Permitting Reforms

On May 13, the House Committee on Energy and Commerce's Subcommittee on Energy held a hearing titled, Wires, Rates, and States: Permitting Transmission for Reliable and Affordable Power, that sought to address potential permitting reform draft bills for energy generation projects.

Witnesses included Randy Howard, the General Manager at the Northern California Power Agency (NCPA), a Joint Powers Authority which plans, builds, and operates power generation resources supplying power from the Sierra Nevadas to the Bay Area. According to his testimony, permitting reform is needed to bring additional generation resources online to meet rapidly growing demand, though many useful reforms fall outside the Committee's jurisdiction, which is limited to the Federal Power Act (FPA).

Witnesses emphasized local control and cooperative federalism in place of federal preemption and project selection, continued joint ownership and operation, and grid-enhancing technology to help current infrastructure meet the growing need. Base demand for power has been increasing faster than generation and transmission capacity, in part due to the rise of artificial intelligence (AI) data centers, which require substantial power to process consumer requests.

Members across the aisle also discussed changes to renewable energy tax credits, including the Investment Tax Credit (ITC) and Production Tax Credit (PTC) made in HR 1, the One Big Beautiful Bill Act, which phased out the subsidies multiple years ahead of schedule and stranded some projects.

Congress has considered a number of permitting reform bills, including HR 4776, the SPEED Act, which, among other things, would create equivalency between National Environmental Policy Act

(NEPA) and California Environmental Quality Act (CEQA) reviews. Congressional leaders have discussed grouping permitting reform bills together with Surface Transportation Reauthorization Act negotiations.

EXECUTIVE BRANCH ACTIVITY

Office of Management and Budget Announces Proposed Rule Enhancing Administration Control Over Federal Grants

On May 28, the White House Office of Management and Budget (OMB) published a Proposed Rule in the Federal Register making changes to the administration of all federal grants. The Proposed Rule broadly seeks to codify the Administration's ability to cancel or claw back awarded funds, exert significant policy control over discretionary programs, and restrict the types of recipients and subrecipients who can receive federal funding based on ancillary activities. It follows prior actions and court decisions against the Department of Government Efficiency (DOGE) and Executive Order (EO) 14332, titled Improving Oversight of Federal Grantmaking.

Section 200.205 requires all proposed grant awards to pass through senior political appointees, requiring them to verify the proposed project advances the President's policy priorities, and codifies that peer-reviewed scientific studies are advisory in nature and should not be determinative in a senior political appointee's decision to allow an award to proceed. Section 200.340 seeks to codify the ability of agencies to unilaterally cancel grant awards, including "when the award "no longer advances agency priorities or the national interest." Section 200.206 would allow agencies to cancel awards to recipients and subrecipients who are members of or participate in activities that "undermine public safety or national security;" the Administration has sought to significantly expand that definition previously to encompass a number of political activities typically associated with the Democratic party.

The proposed rule has a public comment period open through the middle of July, at which point OMB will begin to respond to comments with additional justification before implementing a final rule in the fall. The legality of the proposed rule is unclear, given previous DOGE-related court decisions governing the Administration's control over congressionally appropriated funding and the Administrative Procedure Act's general limitations on political appointees intervening in federal grantmaking.

House Transportation and Infrastructure Committee Releases Draft 2026 Surface Transportation Reauthorization Act

On May 17, the House Committee on Transportation and Infrastructure released a bipartisan draft of the 2026 Surface Transportation Reauthorization Act, titled "The Building Unrivaled Infrastructure and Long-term Development for America's 250th Act" or the "BUILD America 250 Act." The bill sets surface transportation policy covering roads, bridges, rail, trucking, and mass transit for federal programs for five years, including maximum funding levels for transportation programs including Surface Transportation Block Grants (STBG), Congestion Mitigation and Air Quality Improvement Program (CMAQ), the Bridge Investment Program (BIP), Safe Streets and Roads for All (SS4A) and other discretionary and formula grants.

This year's draft significantly increases local control over surface transportation dollars following concerted efforts by the US Conference of Mayors, National League of Cities (NLC), and National Association of Counties' Local Officials in Transportation (LOT) Coalition and the introduction of HR 7437, the BASICS Act.

The bill has a $580 billion topline number, higher than originally discussed by Senate Environment and Public Works Committee Chairwoman Shelly Moore Capito last fall, and early estimates indicate 22% of the funding would be guaranteed to flow to local communities. The last Surface Transportation Reauthorization Act, the 2021 Infrastructure Investment and Jobs Act (IIJA), had a roughly $1.2 trillion topline with $550 billion for transportation, to be expended through September 30, 2026, and created a large number of programs intended to be a one-time investment in infrastructure nationwide. The BUILD America 250 Act would allow large numbers of those programs to expire and return the reauthorization process to its baseline.

HUD Releases FY26 Continuum of Care NOFO with Significant Modifications

On June 1, the Department of Housing and Urban Development (HUD) released the Fiscal Year 2026 (FY26) Notice of Funding Opportunity (NOFO) for the Continuum of Care (CoC) program. The FY26 CoC NOFO provides a little over $4 billion in funding for permanent supportive housing, rapid rehousing, and youth homelessness demonstration grants nationwide.

In November 2025, HUD attempted to significantly alter the FY25 NOFO, reducing the percentage of the funding to be used for annual renewal demand (ARD/automatic renewals), to continue housing Permanent Supportive Housing recipients, from 90% to 30%. This change, along with others in the FY25 NOFO, led to several delays and lawsuits.

Congress effectively resolved the lawsuits through the FY26 Transportation, Housing and Urban Development (THUD) appropriations bill HR 7148, which required the FY25 NOFO to follow previous NOFOs and allocate 90% of the funding to ARD. In a compromise, it also allowed future NOFOs, including the FY26 version, to reduce the amount of funding for ARD to 60%, and allowed HUD Secretary Scott Turner to make other discretionary programmatic changes.

The FY26 NOFO makes significant changes beyond reducing the amount of funding for permanent supportive housing, including allowing faith-based organizations to access the funding, and prioritizing projects that require sobriety and work, only provide supportive services, and provide time-limited transitional housing or rapid rehousing. Historically, the program has provided close to 90% of its funding to permanent supportive housing recipients.

FAA Proposes Rule Allowing Critical Infrastructure Facilities to Restrict Private Drone Usage

On May 6, the Department of Transportation's (DOT) Federal Aviation Administration (FAA) released a proposed rule to establish a process for operators and proprietors of certain fixed-site critical infrastructure facilities to request and maintain an unmanned aircraft flight restriction. Operators of unmanned aerial systems (UAS), also known as drones, would be prohibited from flying in the area immediately surrounding designated sites, and would be required to follow remote identification regulations in a broader zone.

Under the proposed rule, government, transportation system, water and wastewater, energy, communications, and information technology facilities could all be designated at the request of the operator. Applicants would have to show that the restriction is necessary for aviation safety, protecting people and property on the ground, national security, or homeland security in order to be granted the unmanned aircraft flight restriction (UAFR).

The proposed rule is open for public comment through July 5 of this year. Violators of an established UAFR could face civil or criminal penalties. The rule would also allow site operators to contact law enforcement if a drone flew in a restricted area, after which authorities could use Remote ID to locate the control station or operator. Pilots could face license suspensions, revocations, fines, and criminal charges for entering the no-fly zone. The proposed rule would not permit local law enforcement to use counter-UAS technology to disable the drone without overlapping authorization connected to a major event or other regulatory allowance.

FEMA Review Council Releases Final Report, Recommends Shifting Disaster Response to States

On May 7, the Federal Emergency Management Agency (FEMA) Review Council, established in January 2025 by Executive Order (EO) 14180, held its final meeting and released its final report, making recommendations to the President and Congress on reforming the agency responsible for federal disaster response.

The report recommends significant reforms to FEMA with the goal of repositioning the agency as more of a technical assistance provider supporting disaster response than an active participant, and calls for the consolidation of a number of grant programs into a direct payment system to both individuals and local governments, reducing administrative requirements. It also proposes changing the criteria used to determine the need for federal intervention to reduce the amount of resources expended by FEMA responding to disasters within state and local capacity.

A significant portion of the Council's recommended actions would require Congress to enact legislation. Last year, the House Committee on Transportation and Infrastructure advanced HR 4669, the FEMA Act, on a bipartisan basis. The bill encompasses some of the Council's recommendations, though would make FEMA an independent, cabinet level agency. Other recommendations made by the Council, including changes to the threshold for federal support following a disaster, could likely be made via the agency rulemaking process. The White House has not formally adopted the report as its policy.

2026 Q2 Legislative Bill Matrix

Broadband, Cable Service and Wireless Telecommunications LAP

SB 716 (Durazo, D) Lifeline program: broadband internet access service.

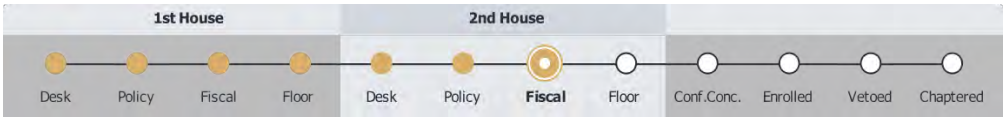
Current Text: 07/17/2025 - Amended **HTML** **PDF**
Introduced: 02/21/2025
Last Amended: 07/17/2025
Status: 06/23/2026 - From inactive file. Ordered to third reading.

Location: 06/23/2026 - Assembly THIRD READING
Summary: Existing law, the Moore Universal Telephone Service Act, establishes the Universal Lifeline Telephone Service program to provide low-income households with access to affordable basic residential telephone service. This bill would require the commission, as part of a new or existing proceeding, to establish a mechanism to permit internet service providers to voluntarily include stand-alone broadband internet access service as a class of lifeline service. The bill would provide that an internet service provider would be eligible for a lifeline subsidy if it offers at least one internet service plan that provides broadband internet access service at a speed of at least 100 megabits per second downstream and 20 megabits per second upstream and costs $30 or less per month. The bill would authorize the commission to adjust the speed and monthly plan cost for certain areas of the state, as provided. The bill would require the commission, on or before December 31, 2026, to submit to the Legislature an estimate of any increase to the Universal Service Public Purpose Programs surcharge rate required for the implementation of these provisions. The bill would prohibit the commission from increasing the surcharge for the lifeline program above the highest rate collected within the previous 4 years, as of January 1, 2026. The bill would require the commission, on or before July 1, 2027, to adopt rules to implement these provisions. The bill would repeal these provisions on January 1, 2032. The bill would require the commission, on or before July 1, 2028, to report to the Legislature, as part of a specified report, on the performance and fiscal impact of the lifeline program, as specified. This bill contains other related provisions and other existing laws. (Based on 07/17/2025 text)

Emergency Management LAP

AB 1749 (Dixon, R) Interfering with wildfire suppression and emergency responses with drone.

Current Text: 06/17/2026 - Amended **HTML** **PDF**
Introduced: 02/09/2026
Last Amended: 06/17/2026
Status: 08/03/2026 - In committee: Referred to APPR. suspense file.



Location: 08/03/2026 - Senate APPR. SUSPENSE FILE

Summary: Existing law makes it a crime for a person to operate or use an unmanned aerial vehicle, remote-piloted aircraft, or drone at the scene of an emergency for the purpose of viewing the scene or emergency or military personnel, and thereby impede the emergency or military personnel, in the performance of their duties in coping with the emergency. Existing law excuses a local public entity or public employee from liability for damage to an unmanned aircraft or unmanned aircraft system, if the damage was caused while the local public entity or public employee of a local public entity was providing, and the unmanned aircraft or unmanned aircraft system was interfering with, the operation, support, or enabling of any emergency service, as specified. Existing law makes everyone responsible for an injury occasioned to another by their want of ordinary care or skill in the management of their property or person, as provided. This bill would prohibit a person from operating or using an unmanned aerial vehicle, remote-piloted aircraft, or drone to knowingly or recklessly interfere with, among other things, a wildfire suppression or law enforcement or emergency response efforts related to a wildfire suppression. (Based on 06/17/2026 text)

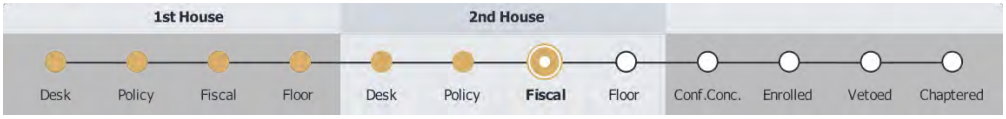
AB 1795 (Gipson, D) Smoke Damage Recovery Act.

Current Text: 07/02/2026 - Amended **HTML** **PDF**

Introduced: 02/10/2026

Last Amended: 07/02/2026

Status: 08/03/2026 - In committee: Referred to APPR. suspense file.



Location: 08/03/2026 - Senate APPR. SUSPENSE FILE

Summary: Existing law requires the Secretary for Environmental Protection to implement a unified hazardous waste and hazardous materials management regulatory program, known as the unified program. Existing law requires the Office of the State Fire Marshal to develop and make available on its internet website a Wildland-Urban Interface Fire Safety Building Standards Compliance training intended for use in the training of local building officials, builders, and fire service personnel, as specified. Existing law authorizes the Office of the State Fire Marshal to allow certification of contractors who conduct defensible space, home hardening, fuel reduction, roadside clearance, and other contracting activities for wildlife resiliency efforts and who have completed specified training programs. This bill, the Smoke Damage Recovery Act, would require the California Environmental Protection Agency (CalEPA), on or before June 30, 2027, to develop health-based standards and requirements for minimum sampling, testing, and chemical screening levels for residential properties that have sustained smoke damage as a result of a wildfire, as defined. The bill would additionally authorize CalEPA to impose additional sampling, testing, or chemical screening requirements pertaining to a specific wildfire. This bill would require CalEPA, on or before January 1, 2028, and in consultation with state and local agencies, to establish training and certification requirements for a person who inspects, evaluates, samples, tests, analyzes, remediates, or restores residential properties that have sustained smoke damage as a result of a wildfire. The bill would require CalEPA to promulgate regulations to implement, administer, and enforce the training and certification requirements, establish rules for noncompliance, and determine which governmental entity or entities shall have jurisdiction over the different categories of persons who will be subject to the requirements. (Based on 07/02/2026 text)

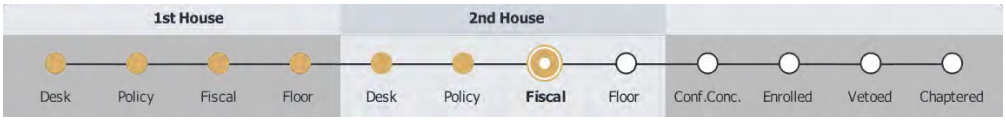
AB 1960 (Bennett, D) Wildfire Prevention Grants Program: identified cohesive fire communities.

Current Text: 06/25/2026 - Amended **HTML** **PDF**

Introduced: 02/13/2026

Last Amended: 06/25/2026

Status: 08/03/2026 - In committee: Referred to APPR. suspense file.



Location: 08/03/2026 - Senate APPR. SUSPENSE FILE

Summary: Existing law requires the Department of Forestry and Fire Protection to establish a local assistance grant program for fire prevention and home hardening education activities in California and extends eligibility for grants to, among others, local agencies, resource conservation districts, fire safe councils, the California Conservation Corps, certified community conservation corps, Native American tribes, and qualified nonprofit organizations. Existing law requires the department, on or before December 31, 2023, and annually thereafter, to post on its internet website certain information regarding hazardous fuel reduction and vegetation management projects funded or conducted by the department for the preceding fiscal year, including projects funded under the department's Wildfire Prevention Grants Program, as provided. Existing law requires the Director of Forestry and Fire Protection to establish a statewide program to allow qualified entities, as defined, who have completed a specific training program developed and administered by the department to support and augment the department in its defensible space and home hardening assessment and education efforts. This bill would authorize the department, commencing with the 2028–29 fiscal year, to disburse funds appropriated for the Wildfire Prevention Grants Program to identified cohesive fire communities, as defined, that partner with fire safe councils, as provided, to use for activities related to hazardous fuels reduction, wildfire prevention planning, and wildfire prevention education, among other activities. (Based on 06/25/2026 text)

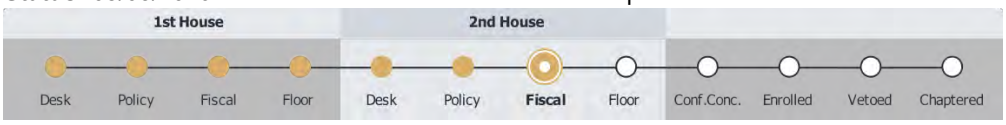
AB 2037 (Patterson, R) Wildfire Mitigation Aging and Disability Grant Pilot Program.

Current Text: 05/18/2026 - Amended **HTML** **PDF**

Introduced: 02/17/2026

Last Amended: 05/18/2026

Status: 08/03/2026 - In committee: Referred to APPR. suspense file.



Location: 08/03/2026 - Senate APPR. SUSPENSE FILE

Summary: The Mello-Granlund Older Californians Act establishes the California Department of Aging in the California Health and Human Services Agency and sets forth its mission to provide leadership to the area agencies on aging in developing systems of home- and community-based services that maintain individuals in their own homes or the least restrictive homelike environments. This bill would establish the Wildfire Mitigation Aging and Disability Grant Pilot Program to be administered by the California Department of Aging through specified area agencies on aging, including Planning and Service Areas 4, 29, and 33. Upon appropriation by the Legislature for these purposes, the bill would award grants, based on specified criteria, to seniors and individuals with disabilities to mitigate against wildfires on properties they own that they would not otherwise be able to protect with existing resources. The bill would require the area agencies on aging to award grants on a competitive basis and would require applications to contain specified information, including proof of need. The bill would also authorize the grant funding to be used towards the costs associated with hiring contractors or other qualified service providers to perform wildfire mitigation activities. (Based on 05/18/2026 text)

AB 2061 (Chen, R) California FAIR Plan Association: data.

Current Text: 06/18/2026 - Amended **HTML** **PDF**

Introduced: 02/18/2026

Last Amended: 06/18/2026

Status: 08/04/2026 - Read second time. Ordered to Consent Calendar.

Location: 08/03/2026 - Senate CONSENT CALENDAR

Summary: Existing law creates the Department of Insurance to regulate the business of insurance. Existing law generally regulates residential property insurance, including homeowners' insurance. Existing law establishes the California FAIR Plan Association, a joint reinsurance association in which all insurers licensed to write basic property insurance participate to administer a program for the equitable apportionment of basic property insurance for persons who are unable to obtain that coverage through normal channels. Existing law requires the association to establish and maintain an internet website and toll-free telephone number, requires the association to cause the toll-free telephone number to be published in all general distribution telephone directories in the state, and requires the association to include the internet website address and toll-free telephone number on all communications with an applicant or insured. This bill would require the association to, each quarter, post on its internet website specified information, including the number of policies issued by the association in each ZIP Code and the risk exposure of the association. (Based on 06/18/2026 text)

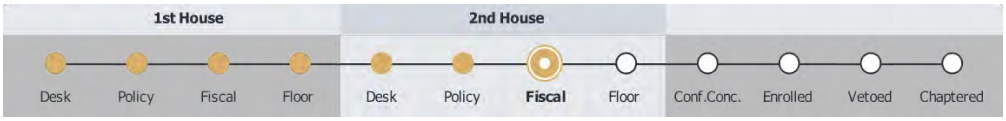
AB 2075 (Bennett, D) Forestry: safety requirements: fire equipment: internal combustion engines.

Current Text: 06/29/2026 - Amended **HTML** **PDF**
Introduced: 02/18/2026
Last Amended: 06/29/2026
Status: 08/04/2026 - Read second time. Ordered to third reading.

Location: 08/04/2026 - Senate THIRD READING
Summary: Under existing law, a person is prohibited from using or operating, on or near specified lands during a time of the year when burning permits are required, a motor engine, boiler, stationary equipment, welding equipment, cutting torches, tarpots, or grinding devices from which a spark, fire, or flame may originate without complying with specified requirements, including the requirement to maintain one serviceable round point shovel and one backpack pump water-type fire extinguisher fully equipped and ready for use at the immediate area during the operation. Existing law prohibits a person, except a member of an emergency crew or except the driver or owner of a service vehicle owned or operated by or for, or operated under contract with, a publicly or privately owned utility, as provided, from using or operating any vehicle, machine, tool, or equipment powered by an internal combustion engine operated on hydrocarbon fuels in an industrial operation located on specified land between April 1 and December 1 of any year, or at any other time when ground litter and vegetation will sustain combustion permitting the spread of fire, without providing and maintaining, for firefighting purposes only, suitable and serviceable tools in a fire toolbox in specified amounts, manners, and locations. Under existing law, a violation of these provisions is a crime. This bill would revise and recast those provisions by, among other things, instead requiring a person to maintain at least one backpack pump-type fire extinguisher fully equipped and ready for use, and a sufficient number of serviceable round point shovels so that each person at the operation can be equipped to fight fire, within the operating area, at a point accessible in the event of fire. The bill would require these fire tools to be no farther than 25 feet from the motor, engine, boiler, stationary equipment, welding equipment, cutting torches, tarpots, or grinding devices, and unrestricted access for the operator. The bill would provide that these requirements do not apply to a person operating a motorized vehicle to work on, clear, or grade any land in or near specified lands during any time of the year when burning permits are required, and would instead require the person to have in or affixed to the motor vehicle and ready for immediate use one serviceable round point shovel and one fully equipped fire extinguisher. (Based on 06/29/2026 text)

AB 2385 (Petrie-Norris, D) Local reconstruction agencies.

Current Text: 08/03/2026 - Amended **HTML** **PDF**
Introduced: 02/20/2026
Last Amended: 08/03/2026
Status: 08/03/2026 - From committee chair, with author's amendments: Amend, and re-refer to committee. Read second time, amended, and re-referred to Com. on APPR.



Location: 06/30/2026 - Senate Appropriations

Summary: The Community Redevelopment Law established redevelopment agencies in each community and granted specified powers to those redevelopment agencies for the purpose of promoting redevelopment in blighted areas. Existing law dissolved those community redevelopment agencies in 2012. Other existing law, the Disaster Recovery Reconstruction Act of 1986, authorizes each city, county, or other local subdivision, as provided, to prepare, prior to a disaster, plans and ordinances facilitating the expeditious and orderly recovery and reconstruction of the area in case of a disaster. Existing law authorizes the plans and ordinances to include, among other things, a contingency plan of action and organization for short-term and long-term recovery and reconstruction to be instituted after a disaster. Existing law authorizes the plans and ordinances to include the authority and proposed organization for establishment of a local reconstruction authority with powers parallel to those of a community redevelopment agency, except as specified. This bill would refer to those plans as a disaster recovery plan and would require a city or county that prepares a disaster recovery plan to amend its general plan, if necessary, as provided, to ensure consistency between both plans. The bill would revise the contingency plan of action and organization to include intermediate recovery and reconstruction, in addition to the short-term and long-term recovery and reconstruction, and would specify elements that may be included in the contingency plan of action and organization. The bill would require the Office of Land Use and Climate Innovation, on or before January 1, 2029, and in consultation with other specified state and local entities, to assess the recovery and rebuilding needs of jurisdictions across the state and develop model ordinance language, as provided. (Based on 08/03/2026 text)

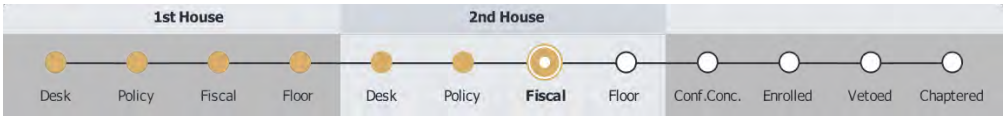
AB 2410 (Ellis, R) Wildfire safety: fuels reduction projects: California Environmental Quality Act.

Current Text: 07/09/2026 - Amended **HTML** **PDF**

Introduced: 02/20/2026

Last Amended: 07/09/2026

Status: 08/03/2026 - In committee: Referred to APPR. suspense file.



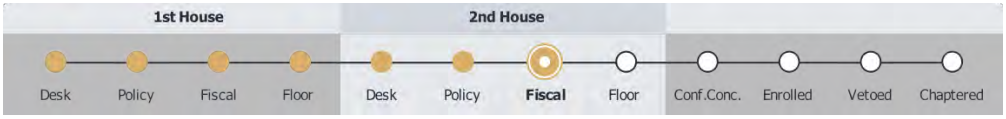
Location: 08/03/2026 - Senate APPR. SUSPENSE FILE

Summary: The California Environmental Quality Act (CEQA) requires a lead agency to prepare a mitigated negative declaration for a project that may have a significant effect on the environment if revisions in the project would avoid or mitigate that effect and there is no substantial evidence that the project, as revised, would have a significant effect on the environment. CEQA exempts from its requirements certain projects. This bill would, until January 1, 2030, exempt from CEQA critical fuels reduction projects that address extremely flammable species, are conducted in communities located in high fire threat districts or very high fire hazard severity zones, and remove specified nonnative species or common species. The bill would require projects exempt from CEQA pursuant to this exemption to comply with the best management practices under the 2025 Statewide Fuels Reduction Environmental Protection Plan, as provided. The bill would require a lead agency carrying out a project exempt from CEQA pursuant to this exemption to consult with the Department of Fish and Wildlife, as provided, and to, within 90 days of project completion, submit a notice of project completion and a final compliance determination regarding the 2025 Statewide Fuels Reduction Environmental Protection Plan to the Secretary of the Natural Resources Agency and the Secretary for Environmental Protection, as provided. The bill would require, on or before March 1, 2028, and annually thereafter, the Secretary of the Natural Resources Agency to, in consultation with the Secretary for Environmental Protection, submit a report to the Legislature with specified information summarizing the implementation of these provisions during the preceding calendar year. (Based on 07/09/2026 text)

AB 2473 (Committee on Emergency Management) Wildfire Forecast and Threat Intelligence Integration Center: forecasted extreme, life-threatening fire weather conditions.

Current Text: 04/07/2026 - Amended **HTML** **PDF**

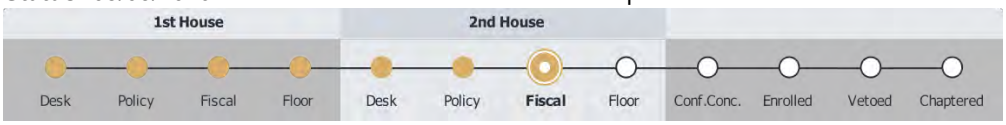
Introduced: 02/20/2026
Last Amended: 04/07/2026
Status: 08/03/2026 - In committee: Referred to APPR. suspense file.



Location: 08/03/2026 - Senate APPR. SUSPENSE FILE
Summary: The California Emergency Services Act requires the Office of Emergency Services and the Department of Forestry and Fire Protection to jointly establish and lead the Wildfire Forecast and Threat Intelligence Integration Center, which serves as the state's central organizing hub for, among other things, wildfire forecasting. Existing law authorizes the Governor to proclaim a state of emergency, and local officials and local governments to proclaim a local emergency, when specified conditions of disaster or extreme peril to the safety of persons and property exist, and authorizes the Governor or the appropriate local government to exercise certain powers in response to that emergency. This bill would require the Wildfire Forecast and Threat Intelligence Integration Center to proactively coordinate with the National Weather Service and the California State Warning Center to share forecasted extreme, life-threatening fire weather conditions to ensure wide distribution of information for all potentially impacted agencies. (Based on 04/07/2026 text)

AB 2724 (Bauer-Kahan, D) Catastrophe modeling: distressed areas.

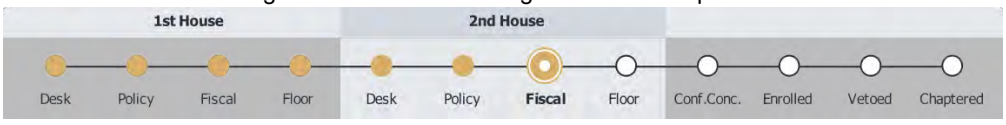
Current Text: 04/16/2026 - Amended **HTML** **PDF**
Introduced: 02/20/2026
Last Amended: 04/16/2026
Status: 08/03/2026 - In committee: Referred to APPR. suspense file.



Location: 08/03/2026 - Senate APPR. SUSPENSE FILE
Summary: Existing law establishes the California FAIR Plan Association, a joint reinsurance association in which all insurers licensed to write basic property insurance participate to administer a program for the equitable apportionment of basic property insurance for persons who are unable to obtain that coverage through normal channels. Existing regulations authorize insurers, in distressed areas and for properties insured by the FAIR Plan that are exposed to wildfire risk, to use catastrophe modeling, as specified. Under existing regulations, a distressed area includes undermarketed ZIP Codes and distressed counties. This bill, on or before July 1, 2027, and yearly thereafter, would require the Department of Insurance to review and update distressed areas. As part of the review and update, the bill would require the department, among other things, to hold at least one public meeting to allow interested persons to submit suggestions for distressed areas, as specified. (Based on 04/16/2026 text)

SB 876 (Padilla, D) Fire and residential property insurance.

Current Text: 06/25/2026 - Amended **HTML** **PDF**
Introduced: 01/06/2026
Last Amended: 06/25/2026
Status: 08/05/2026 - August 5 set for first hearing. Placed on suspense file.

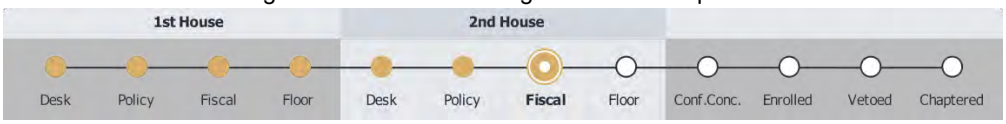


Location: 08/05/2026 - Assembly APPR. SUSPENSE FILE
Summary: Existing law generally regulates classes of insurance, including fire and residential property insurance. Existing law prohibits a policy from limiting or denying a payment of building code upgrade cost on the basis that the insured has decided to rebuild at a new location or to purchase an already built home at a new location. If there is a total loss of the insured structure, this bill would require the building

code upgrade cost payable to include all costs that would have been incurred if the insured structure been completely rebuilt at its original location. (Based on 06/25/2026 text)

SB 878 (Pérez, D) Insurance business practices.

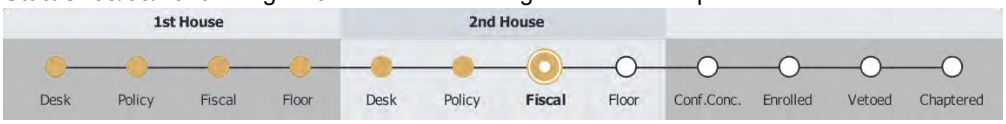
Current Text: 06/10/2026 - Amended **HTML** **PDF**
Introduced: 01/06/2026
Last Amended: 06/10/2026
Status: 08/05/2026 - August 5 set for first hearing. Placed on suspense file.



Location: 08/05/2026 - Assembly APPR. SUSPENSE FILE
Summary: Existing law creates the Department of Insurance, headed by the Insurance Commissioner, and generally regulates classes of insurance, including fire and residential property insurance. Existing regulations prescribe specified deadlines by which an insurer is required to, among other things, respond to a notice of claim, accept or deny a claim, in whole or in part, and, upon acceptance of a claim in whole or in part, tender payment or otherwise take action to perform its obligation, as specified. This bill, with respect to a claim under a policy of residential property insurance, would codify specified provisions of the regulations prescribing the deadlines above. (Based on 06/10/2026 text)

SB 894 (Allen, D) Wildfire resiliency: financial assistance.

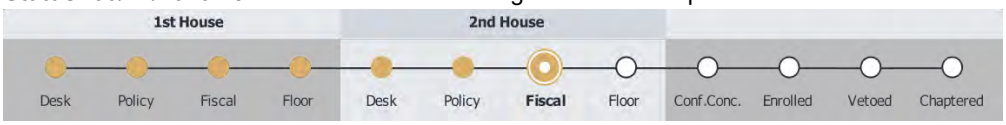
Current Text: 05/14/2026 - Amended **HTML** **PDF**
Introduced: 01/15/2026
Last Amended: 05/14/2026
Status: 08/05/2026 - August 5 set for first hearing. Placed on suspense file.



Location: 08/05/2026 - Assembly APPR. SUSPENSE FILE
Summary: Existing law establishes the California Alternative Energy and Advanced Transportation Financing Authority to provide alternative methods of financing in providing and promoting the establishment of facilities using alternative methods and sources of energy and facilities needed for the development and commercialization of advanced transportation technologies, as provided. This bill would establish the California Wildfire Resilience Loan Program and would require the authority, upon appropriation by the Legislature, to administer the program to provide financial assistance for projects and activities to reduce wildfire-related risks and losses, including home hardening and defensible space improvements, as provided, and would make related changes. (Based on 05/14/2026 text)

SB 899 (Grove, R) Fire prevention: Wildfire and Forest Resilience Task Force: wildfire smoke.

Current Text: 05/14/2026 - Amended **HTML** **PDF**
Introduced: 01/20/2026
Last Amended: 05/14/2026
Status: 06/24/2026 - June 24 set for first hearing. Placed on suspense file.

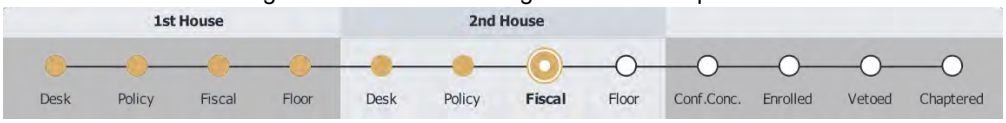


Location: 06/24/2026 - Assembly APPR. SUSPENSE FILE
Summary: Existing law requires the Wildfire and Forest Resilience Task Force to develop a comprehensive implementation strategy to track and ensure the achievement of the goals and key actions identified in the state's "Wildfire and Forest Resilience Action Plan," as provided. Existing law requires, on or before March 1, 2026, and every 5 years thereafter, the task force to update the action plan. This bill would require the task force, on or before July 1, 2028, and in cooperation with the Office of

Environmental Health Hazard Assessment, the State Air Resources Board, and the State Department of Public Health, to assess the health costs and impacts of wildfire smoke using existing wildfire smoke and health data, as provided. The bill would require the task force, in developing this assessment, to, among other things, develop a model to determine the approximate health benefits of achieving the goals identified in the action plan and make recommendations on how the action plan can increase its health benefits. (Based on 05/14/2026 text)

SB 911 (Becker, D) Transfer of real property: fire hazard severity zones: compliance documentation.

Current Text: 06/01/2026 - Amended **HTML** **PDF**
Introduced: 01/26/2026
Last Amended: 06/01/2026
Status: 08/05/2026 - August 5 set for first hearing. Placed on suspense file.



Location: 08/05/2026 - Assembly APPR. SUSPENSE FILE
Summary: Existing law requires a seller of a real property that is located in a high or very high fire hazard severity zone to provide to the buyer documentation stating that the property is in compliance with specified fire safety requirements or local vegetation management ordinances. If the seller of a real property as described above has not obtained that documentation of compliance, existing law requires the seller and the buyer to enter into a written agreement pursuant to which the buyer agrees to obtain documentation of compliance with those specified fire safety requirements or local vegetation management ordinances. In a local jurisdiction that has not enacted an ordinance requiring an owner or buyer to obtain documentation of compliance, and if a state or local agency, or other government entity, or other qualified nonprofit entity, provides an inspection with documentation for the jurisdiction in which the property is located, existing law requires the buyer to obtain documentation of compliance within one year of the date of the close of escrow. Existing law requires each county assessor and recorder to make available, without charge and upon request, a form entitled “Preliminary Change of Ownership Report,” which transferees of real property are required complete and authorized to file with the recorder concurrent with the recordation of any document effecting a change in ownership. This bill would additionally require the buyer to disclose whether they have an obligation to obtain documentation of compliance within one year of the date of the close of escrow pursuant to that agreement on the preliminary change of ownership report. The bill would require the county assessor to make available to the Department of Forestry and Fire Protection and to local fire agencies the property address of any property, and name of the transferee, for which the transferee indicated on the preliminary change of ownership report that the property is located in a high or very high fire hazard severity zone and that the transferee has an obligation to obtain documentation of compliance within one year of the date of the close of escrow pursuant to that written agreement. (Based on 06/01/2026 text)

SB 959 (Grayson, D) Average daily attendance: emergencies: major safety hazard.

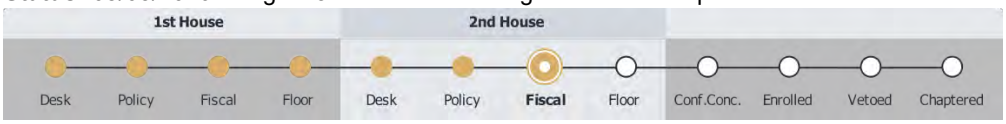
Current Text: 03/09/2026 - Amended **HTML** **PDF**
Introduced: 02/03/2026
Last Amended: 03/09/2026
Status: 08/03/2026 - From consent calendar on motion of Assembly Member Aguiar-Curry. Ordered to third reading.

Location: 08/03/2026 - Assembly THIRD READING
Summary: For purposes of state apportionments based on average daily attendance, as provided, if the average daily attendance of a school district, county office of education, or charter school has been materially decreased during a fiscal year because of a specified emergency, including, among others, the imminence of a major safety hazard as determined by a local law enforcement agency, existing law requires the Superintendent of Public Instruction to estimate the average daily attendance in a manner

that credits to the school district, county office of education, or charter school approximately the total average daily attendance that would have been credited to the school district, county office of education, or charter school had the emergency not occurred. This bill, for the above-described purposes, would additionally allow a local fire agency to make a determination of the imminence of a major safety hazard. (Based on 03/09/2026 text)

SB 1301 (Allen, D) Residential property insurance: nonrenewals.

Current Text: 06/25/2026 - Amended **HTML** **PDF**
Introduced: 02/20/2026
Last Amended: 06/25/2026
Status: 08/05/2026 - August 5 set for first hearing. Placed on suspense file.

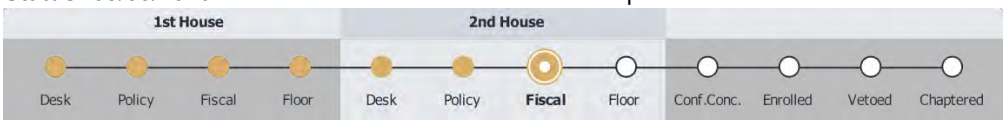


Location: 08/05/2026 - Assembly APPR. SUSPENSE FILE
Summary: Existing law creates the Department of Insurance, headed by the Insurance Commissioner, and generally regulates classes of insurance, including residential property insurance. Existing law requires an insurer to deliver to the named insured an offer of renewal, as specified, at least 45 days before the policy expiration and to deliver a notice of nonrenewal at least 75 days before the policy expiration. If the insurer fails to do so, existing law requires the existing policy, with no change in its terms and conditions, to remain in effect for 75 days from the date that the notice of nonrenewal is delivered or mailed to the named insured. Existing law requires nonrenewal notices to contain specified information. This bill would, beginning January 1, 2028, require an insurer to either deliver to the named policyholder an offer of renewal or a notice of nonrenewal or a notice of renewal with a reduction of limits or an elimination of coverage under the policy at least 90 days before the policy expiration. The bill would require the notice to contain specified information, including all information related to the basis for the nonrenewal or the reduction of limits or elimination of coverage, as specified. If the insurer fails to deliver an offer or notice to the named policyholder, the bill would require the existing policy to remain in effect for 90 days from the date the offer of renewal is delivered or the notice of nonrenewal or notice of renewal with a reduction of limits or an elimination of coverage is delivered. If an insurer finds that a policy does not meet its underwriting guidelines due to a condition that can be remedied by the policyholder. (Based on 06/25/2026 text)

Energy Legislation, Regulations and Issues LAP

AB 1577 (Bauer-Kahan, D) Data centers: reporting.

Current Text: 07/02/2026 - Amended **HTML** **PDF**
Introduced: 01/12/2026
Last Amended: 07/02/2026
Status: 08/03/2026 - In committee: Referred to APPR. suspense file.

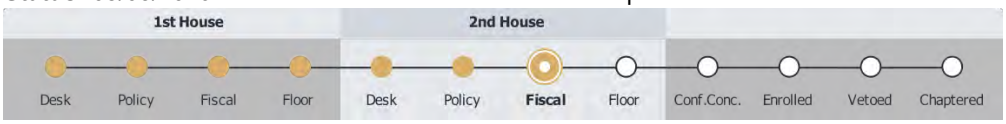


Location: 08/03/2026 - Senate APPR. SUSPENSE FILE
Summary: Existing law establishes the State Energy Resources Conservation and Development Commission and vests the commission with various responsibilities with respect to developing and implementing the state's energy policies. Existing law requires the commission to biennially adopt an integrated energy policy report, as specified, and to make the reports accessible to state, local, and federal entities and to the general public. This bill would require the commission to establish a process for the owner of a data center, as defined, to submit specified information to the commission, including, among other information, the data center's location and size, the data center's power usage effectiveness, as defined, and the quantity of fuel consumed by onsite generators or other fuel-based energy systems, as specified. The bill would require the owner of a data center to submit the required

information in the manner and timeframe specified by the commission. The bill would require the commission, beginning with the 2029 integrated energy policy report, and in subsequent biennial reports, to include an assessment of electrical load trends for data centers, as provided. The bill would require the commission to annually publish the information submitted in an anonymized and aggregated format on its internet website. (Based on 07/02/2026 text)

AB 1761 (Rogers, D) Electricity: calculation methodology: data disclosure.

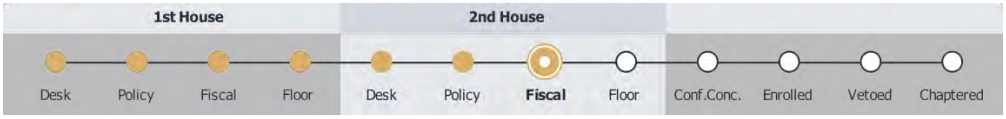
Current Text: 03/19/2026 - Amended **HTML** **PDF**
Introduced: 02/09/2026
Last Amended: 03/19/2026
Status: 08/03/2026 - In committee: Referred to APPR. suspense file.



Location: 08/03/2026 - Senate APPR. SUSPENSE FILE
Summary: Would require the Public Utilities Commission to ensure that all data serving as a basis for any decision or ruling issued by the commission, or in any proposal or analysis provided by commission staff, for the determination or application of a calculation methodology for any charge imposed on customers of a load-serving entity to recover costs associated with contracts, electrical corporation-owned generation, or any other resource or value included in that charge and any other charge derived from those costs, is made available to load-serving entities and ratepayer advocates on behalf of customers. The bill would require the commission to require an electrical corporation or other party, in submitting a proposal or analysis for the determination or application of a calculation methodology for any charge imposed on customers of a load-serving entity to recover costs associated with contracts, electrical corporation-owned generation, or any other resource or value included in that charge and any other charge derived from those costs, to make all data serving as a basis for that proposal or analysis available to load-serving entities and ratepayer advocates on behalf of customers. The bill would require that data to meet specified requirements, including that it is made through a public disclosure, except for market-sensitive data, as provided. (Based on 03/19/2026 text)

AB 2369 (Rogers, D) Electricity: energy storage: energy-only resources.

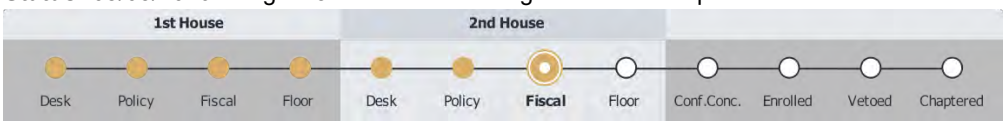
Current Text: 05/18/2026 - Amended **HTML** **PDF**
Introduced: 02/19/2026
Last Amended: 05/18/2026
Status: 08/03/2026 - In committee: Referred to APPR. suspense file.



Location: 08/03/2026 - Senate APPR. SUSPENSE FILE
Summary: Existing law vests the Public Utilities Commission (PUC) with regulatory authority over public utilities, including electrical corporations. Existing law requires the PUC, in consultation with the State Energy Resources Conservation and Development Commission (Energy Commission), to provide transmission-focused guidance to the Independent System Operator (ISO) about resource portfolios of expected future renewable energy resources and zero-carbon resources, as specified, to allow the ISO to identify and approve transmission facilities needed to interconnect resources and reliably serve the needs of load centers. In providing that guidance, existing law requires the PUC and the Energy Commission to annually provide projections to support the Independent System Operator's planning and approvals in its annual transmission planning process, as provided. This bill would require the PUC and Energy Commission, as part of providing those projections, to also identify cost-effective opportunities to increase the reliability contribution or mitigate congestion of planned or existing energy-only resources through transmission capacity expansions. (Based on 05/18/2026 text)

SB 742 (Pérez, D) Electricity: electrical infrastructure: permanently abandoned transmission facilities: emergency response: liaisons.

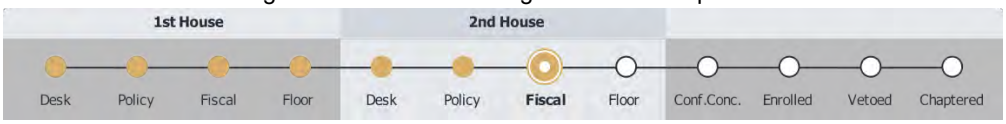
Current Text: 06/15/2026 - Amended **HTML** **PDF**
Introduced: 02/21/2025 (Spot bill)
Last Amended: 06/15/2026
Status: 08/05/2026 - August 5 set for first hearing. Placed on suspense file.



Location: 08/05/2026 - Assembly APPR. SUSPENSE FILE
Summary: Existing law vests the Public Utilities Commission with regulatory authority over public utilities, including electrical corporations. Existing law requires electrical corporations to construct, maintain, and operate their electrical lines and equipment in a manner that will minimize the risk of catastrophic wildfire, as specified. Existing law requires electrical corporations to annually prepare and submit wildfire mitigation plans to the Office of Energy Infrastructure Safety for review and approval. This bill would require the commission, on or before January 1, 2028, to update a general order to require each electrical corporation to remove all permanently abandoned transmission facilities, as specified. (Based on 06/15/2026 text)

SB 887 (Padilla, D) California Environmental Quality Act: environmental leadership development projects: data centers: clean energy powerplant projects.

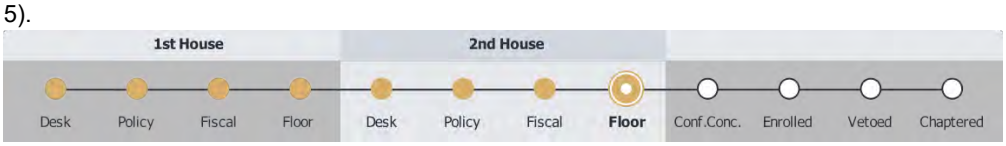
Current Text: 06/29/2026 - Amended **HTML** **PDF**
Introduced: 01/13/2026
Last Amended: 06/29/2026
Status: 08/05/2026 - August 5 set for first hearing. Placed on suspense file.



Location: 08/05/2026 - Assembly APPR. SUSPENSE FILE
Summary: The California Environmental Quality Act (CEQA) requires a lead agency to prepare a mitigated negative declaration for a project that may have a significant effect on the environment if revisions in the project would avoid or mitigate that effect and there is no substantial evidence that the project, as revised, would have a significant effect on the environment. CEQA requires the Office of Land Use and Climate Innovation to prepare and propose guidelines for the implementation of CEQA by public agencies and requires the Secretary of the Natural Resources Agency to certify and adopt the guidelines. CEQA requires the guidelines to include a list of classes of projects that have been determined not to have a significant effect on the environment and that are exempt from CEQA, commonly known as categorical exemptions. This bill would define “data center” for the purposes of CEQA and prohibit the application of categorical exemption to a project for the development and operation of a data center, as specified. By increasing the duties of a lead agency in relation to the environmental review of a data center project, this bill would impose a state-mandated local program. (Based on 06/29/2026 text)

SB 1168 (McNerney, D) Data centers: rate structures.

Current Text: 06/15/2026 - Amended **HTML** **PDF**
Introduced: 02/18/2026
Last Amended: 06/15/2026
Status: 08/05/2026 - From committee: Do pass. Ordered to consent calendar. (Ayes 15. Noes 0.) (August 5).



Location: 08/05/2026 - Assembly CONSENT CALENDAR
Summary: Would require the Public Utilities Commission to assess opportunities for rate structures to ensure data centers pay a reasonable share of their costs associated with transmission and distribution needs, ensure that data centers pay for their proportionate share of load increases and procurements

needed to reliably serve their loads while maintaining consistency with the applicable integrated resource planning requirements, and alleviate cost pressures on residential ratepayers. (Based on 06/15/2026 text)

Housing LAP

AB 673 (Jackson, D) Unaccompanied homeless pupils: Unaccompanied Youth Support Grant Program.

Current Text: 06/18/2026 - Amended **HTML** **PDF**
Introduced: 02/14/2025
Last Amended: 06/18/2026
Status: 08/03/2026 - In committee: Referred to APPR. suspense file.

Location: 08/03/2026 - Senate APPR. SUSPENSE FILE
Summary: Would require the State Department of Education to administer formula grants as part of a pilot program, to be known as the Unaccompanied Youth Support Grant Program, for school districts, county offices of education, and charter schools to provide supports necessary to improve school attendance, pupil engagement, pupil graduation rates, and pupil wellbeing for unaccompanied youth, as defined, who are 16 or 17 years of age, including connecting youth with resources to find stable housing. The bill would require, subject to an appropriation and subject to specified allocation metrics, 5-year grants that commence with the 2028–29 fiscal year, to be awarded by the Superintendent of Public Instruction to local educational agencies, or consortia of local educational agencies, to support unaccompanied youth, and would require grant funds to be used for, among other things, referrals to existing social services support systems, and providing basic needs and educational support services, as specified. The bill would require, to be eligible to apply for a grant under the program, a local educational agency to have identified at least one unaccompanied youth enrolled during the prior fiscal year, as specified. The bill would require local educational agencies applying for grant funds under the program to submit an application that includes, among other things, a description of how grant funds will be used to identify eligible pupils, the types of supports to be provided based on the eligible uses of grant funds, and the performance measures the local educational agency will use to measure progress towards program goals. The bill would require local educational agencies awarded grant funds under the program to submit annual reports to the department that include, among other things, a description of the expenditure of funds and the number and characteristics of unaccompanied youth served. (Based on 06/18/2026 text)

AB 748 (Harabedian, D) Single-family and multifamily housing units: preapproved plans.

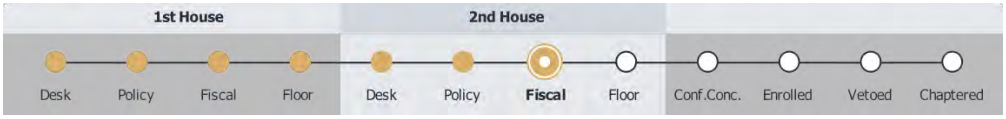
Current Text: 01/05/2026 - Amended **HTML** **PDF**
Introduced: 02/18/2025
Last Amended: 01/05/2026
Status: 08/03/2026 - In committee: Referred to APPR. suspense file.

Location: 08/03/2026 - Senate APPR. SUSPENSE FILE
Summary: The Planning and Zoning Law provides for the adoption and administration of zoning laws, ordinances, rules and regulations by counties and cities and the implementation of those general plans as may be in effect in those counties or cities. In that regard, current law requires each local agency, by January 1, 2025, to develop a program for the preapproval of accessory dwelling unit plans. This bill would require each local agency, as defined, to develop a program for the preapproval of single-family and multifamily residential housing plans, whereby the local agency accepts single-family and multifamily plan submissions for preapproval and approves or denies the preapproval applications, as specified. The bill would require a large jurisdiction, as defined, to develop this program by July 1, 2027, and a small jurisdiction, as defined, to develop a program by January 1, 2029. The bill would require the local agency

to post preapproved single-family or multifamily residential housing plans and the contact information of the applicant on the local agency's internet website. (Based on 01/05/2026 text)

AB 750 (Quirk-Silva, D) Department of Housing and Community Development.

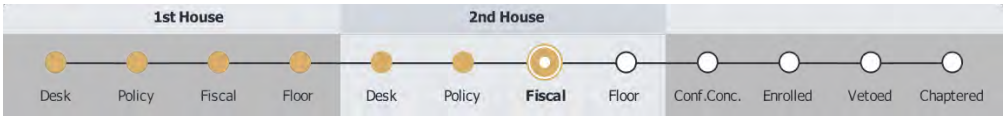
Current Text: 06/15/2026 - Amended **HTML** **PDF**
Introduced: 02/18/2025
Last Amended: 06/15/2026
Status: 08/03/2026 - In committee: Referred to APPR. suspense file.



Location: 08/03/2026 - Senate APPR. SUSPENSE FILE
Summary: Existing law authorizes the Department of Housing and Community Development, upon appropriation, to make loans or grants, or both loans and grants, to rehabilitate, capitalize operating subsidy reserves for, and extend the long-term affordability of department-funded housing projects that have an affordability restriction that has expired, that have an affordability restriction with a remaining term of less than 10 years, or are otherwise at risk of conversion to market-rate housing. This bill would also authorize the department to make those loans and grants to rehabilitate, capitalize operating subsidy reserves for, and extend the long-term affordability of housing projects that qualify as a challenged development, as defined. The bill would require the department to grant priority for these loans and grants to housing projects that are department funded and have an affordability restriction that has expired or have a remaining term of less than 10 years, or are otherwise at risk for conversion. (Based on 06/15/2026 text)

AB 1165 (Gipson, D) California Housing Justice Act of 2025.

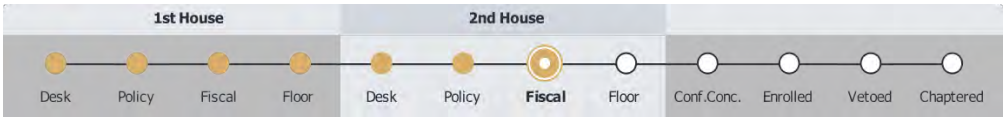
Current Text: 01/22/2026 - Amended **HTML** **PDF**
Introduced: 02/21/2025
Last Amended: 01/22/2026
Status: 06/22/2026 - In committee: Referred to APPR. suspense file.



Location: 06/22/2026 - Senate APPR. SUSPENSE FILE
Summary: Current law establishes the Homeless Housing, Assistance, and Prevention Program administered by the Business, Consumer Services, and Housing Agency for the purpose of providing jurisdictions, as defined, with one-time grant funds to support regional coordination and expand or develop local capacity to address homelessness challenges, as specified. Current law also establishes the Department of Housing and Community Development in the agency and makes the department responsible for administering various housing programs throughout the state, including, among others, the Multifamily Housing Program, the Housing for a Healthy California Program, and the California Emergency Solutions Grants Program. This bill would enact the California Housing Justice Act of 2025, which would require the department to create, by January 1, 2028, and in collaboration with specified entities, including local entities, finance plans to solve homelessness and to solve the housing unaffordability crisis, and related statewide performance metrics. (Based on 01/22/2026 text)

AB 1621 (Wilson, D) Planning and Zoning Law: postentitlement phase permits: Housing Accountability Act.

Current Text: 06/03/2026 - Amended **HTML** **PDF**
Introduced: 01/22/2026
Last Amended: 06/03/2026
Status: 08/03/2026 - In committee: Referred to APPR. suspense file.



Location: 08/03/2026 - Senate APPR. SUSPENSE FILE

Summary: The Planning and Zoning Law requires a local agency or state agency to compile one or more lists that specify in detail the information required from any applicant for a postentitlement phase permit, as defined. Existing law also establishes time limits for completing reviews regarding whether an application for a postentitlement phase permit is complete and compliant, and whether to approve or deny an application. Existing law requires the time limits to be tolled, if the local agency or state agency requires review of the application by an outside entity, until the outside entity completes the review and returns the application, as specified. This bill would prohibit a local agency or state agency from requiring or requesting more than 2 plan check and specification reviews in connection with an application for a building permit, as part of its review. The bill would authorize a local agency or state agency to deny an application that is not compliant with the permit standards following 2 plan check and specification reviews. The bill would also authorize an applicant to request additional submittals of applications that are not compliant with the permit standards. The bill, if a local agency or state agency finds that a complete application is noncompliant, would prohibit a local agency or state agency from requesting or requiring any action or inaction as a result of a building inspection undertaken to assess compliance with the applicable building permit standards that would represent a deviation from a previously approved building plan or similar approval for the building permit, except as specified. (Based on 06/03/2026 text)

AB 1622 (Rubio, Blanca, D) Electrified security fences.

Current Text: 01/22/2026 - Introduced **HTML** **PDF**

Introduced: 01/22/2026

Status: 08/03/2026 - Read second time. Ordered to Consent Calendar.

Location: 07/01/2026 - Senate CONSENT CALENDAR

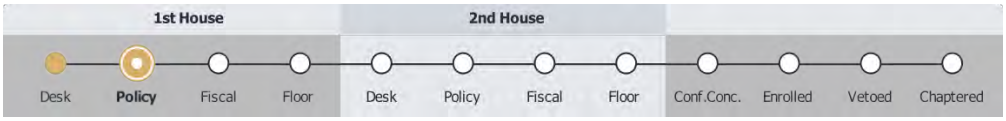
Summary: Current law, until January 1, 2028, authorizes an owner of real property to install and operate on their property an electrified security fence that is powered by an electrical energizer, driven by solar-charged batteries of no more than 12 volts of direct current, and used to protect and secure manufacturing or industrial property, or property zoned under another designation, but legally authorized to be used for a commercial purpose that stores, parks, services, sells, or rents vehicles or other materials, subject to specified conditions. Current law prohibits a city, county, or city and county from prohibiting or conditioning the installation of an electrified security fence, as described above, except for requiring an administrative permit to confirm a fence abutting a property in residential use, or within 300 feet of a public park, childcare facility, recreation center, community center, or school facility, meets certain requirements. Current law repeals these provisions on January 1, 2028. Current law, starting January 1, 2028, authorizes an owner of real property to install and operate on their property an electrified security fence that is powered by an electrical energizer, and used to protect and secure commercial, manufacturing, or industrial property, or property zoned under another designation, but legally authorized to be used for a commercial, manufacturing, or industrial purpose, subject to specified conditions and subject to prohibitions imposed by a city, county, or city and county through a local ordinance. This bill would indefinitely extend the operation of the electrified security fence provisions subject to repeal on January 1, 2028, and would repeal the provisions that become operative on January 1, 2028. (Based on 01/22/2026 text)

AB 1624 (Zbur, D) Public Lands Protection Act.

Current Text: 01/22/2026 - Introduced **HTML** **PDF**

Introduced: 01/22/2026

Status: 04/15/2026 - In committee: Set, first hearing. Hearing canceled at the request of author.



Location: 03/16/2026 - Assembly Local Government

Summary: The Planning and Zoning Law requires each county and city to adopt a comprehensive, long-term general plan for the physical development of the county or city, and of any land outside its boundaries that bears relation to its planning. Current law authorizes the legislative body of a county or city to adopt ordinances that, among other things, regulate the use of buildings, structures, and land as between industry, business, residences, open space, and other purposes, as provided. For these purposes, current law authorizes the legislative body to divide a county or city into zones, but requires that regulations adopted be uniform for each class or kind of building or use of land throughout each zone. The California Environmental Quality Act (CEQA) requires a lead agency, as defined, to prepare an environmental impact report on a project that it proposes to carry out or approve that may have a significant effect on the environment or to adopt a negative declaration if it finds that the project will not have that effect. This bill, the Public Lands Protection Act, would, upon transfer to any private or nonfederal entity of a parcel of land located within the state that is owned by the United States government on or after January 1, 2025, and that has been designated in an adopted general plan or zoning ordinance as open space, public land, resource conservation, or an equivalent conservation-oriented designation, immediately subject that parcel to the zoning designation and associated state and local restrictions. The bill would also, upon transfer of a parcel of land located within the state that is owned by the United States government on or after January 1, 2025, and that has not been designated in an adopted general plan or zoning ordinance at the time of transfer to any private or nonfederal entity, automatically subject that parcel to the most restrictive conservation-oriented zoning designation currently applied in the jurisdiction, by operation of law. (Based on 01/22/2026 text)

AB 1693 (Zbur, D) Accelerated retailer building plan approval: tenant improvements.

Current Text: 06/25/2026 - Amended **HTML** **PDF**

Introduced: 02/03/2026

Last Amended: 06/25/2026

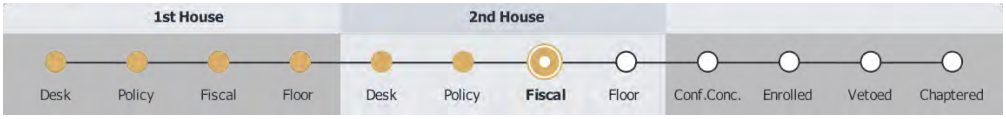
Status: 08/04/2026 - Read second time. Ordered to third reading.

Location: 08/04/2026 - Senate THIRD READING

Summary: The California Building Standards Law establishes the California Building Standards Commission within the Department of General Services. Existing law requires the commission to approve and adopt building standards and to codify those standards in the California Building Standards Code. Existing law authorizes local governments to enact ordinances or regulations that make building standards amendments to the California Building Standards Code, as specified. Existing law establishes a streamlined approval process for a local permit for a tenant improvement related to a restaurant, as defined. This bill would establish a similar streamlined approval process for a local permit for a tenant improvement relating to a retailer, as defined. In this regard, the bill would require a local building department, upon the request and at the expense of the permit applicant, to allow a qualified professional certifier, defined as a licensed architect or engineer who meets certain requirements, to certify that the plans and specifications of the tenant improvement comply with all applicable building, health, and safety codes, as specified. The bill would require a qualified professional certifier, or the applicant, as applicable, to prepare certain affidavits related to the tenant improvement under penalty of perjury. The bill would require the local building department to approve or deny the permit application within 20 business days of receiving a complete application. The bill would also authorize the applicant to resubmit corrected plans addressing the deficiencies identified in the initial denial, would limit the local building department's review of each subsequent resubmission to the deficiencies identified in the initial denial, and would require the local building department to approve or deny each subsequent resubmission within 10 business days of receipt. The bill would require each local building department to conduct audits of tenant improvements submitted for certification, as specified. (Based on 06/25/2026 text)

AB 1710 (Carrillo, D) Permit Streamlining Act: housing development projects: conformity with ordinances and standards.

Current Text: 07/02/2026 - Amended **HTML** **PDF**
Introduced: 02/04/2026
Last Amended: 07/02/2026
Status: 08/03/2026 - In committee: Referred to APPR. suspense file.



Location: 08/03/2026 - Senate APPR. SUSPENSE FILE
Summary: The Permit Streamlining Act, among other things, requires public agencies to approve or disapprove of a development project within certain timeframes, as specified. The act requires public agencies to compile one or more lists that specify in detail the information that will be required from any applicant for a development project. The act requires a public agency, upon its determination that an application for a development project is incomplete, to include a list and a thorough description of the specific information needed to complete the application. This bill would provide that for the purposes of the Permit Streamlining Act, a housing development project or emergency shelter shall be deemed consistent, compliant, and in conformity with an applicable plan, program, policy, ordinance, standard, requirement, or other similar provision adopted or implemented by a public agency, as defined, if there is substantial evidence that would allow a reasonable person to conclude that the housing development project or emergency shelter is consistent, compliant, or in conformity, except as specified. (Based on 07/02/2026 text)

AB 1738 (Carrillo, D) State Housing Law: remote inspections.

Current Text: 07/02/2026 - Amended **HTML** **PDF**
Introduced: 02/05/2026
Last Amended: 07/02/2026
Status: 08/04/2026 - Read second time. Ordered to third reading.

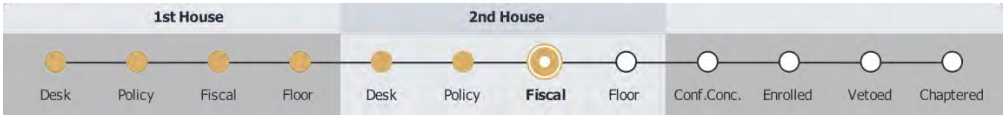
Location: 08/04/2026 - Senate THIRD READING
Summary: The State Housing Law establishes statewide construction and occupancy standards for buildings used for human habitation. Existing law requires the building department of every city or county to enforce the provisions of the State Housing Law, the State Building Standards Code, and other specified rules and regulations promulgated pursuant to the State Housing Law pertaining to standards for buildings used for human habitation. Existing law authorizes an officer, employee, or agent of an enforcement agency to enter and inspect any building or premises whenever necessary to secure compliance with, or prevent a violation of, any provision of the State Housing Law, the building standards published in the State Building Standards Code, and other rules and regulations promulgated pursuant to the provisions of the State Housing Law. Existing law provides certain immunities to a public entity or employee immunity relative to an inspection or license, as provided. This bill would require a city, including a charter city, county, or city and county, except as specified, to offer a homeowner or contractor, as described, the option of requesting remote inspections for all or a subset of an inspection required by a building permit for specified works in one- or 2-family dwelling units, by either January 1, 2028, or July 1, 2028, as provided. The bill would authorize these local agencies to adopt reasonable protocols governing the technical conduct of a remote inspection, as specified. The bill would apply the above-described immunities to remote inspections. The bill would authorize these local agencies to temporarily ban the homeowner or contractor from using the remote inspection if a homeowner is found to have willfully misrepresented the work, as provided. (Based on 07/02/2026 text)

AB 1751 (Quirk-Silva, D) Missing Middle Townhome Ownership Act.

Current Text: 08/04/2026 - Amended **HTML** **PDF**
Introduced: 02/09/2026

Last Amended: 08/04/2026

Status: 08/04/2026 - From committee chair, with author's amendments: Amend, and re-refer to committee. Read second time, amended, and re-referred to Com. on APPR.



Location: 07/01/2026 - Senate Appropriations

Summary: The Planning and Zoning Law contains various provisions requiring a local government that receives an application for certain types of qualified housing developments to review the application under a streamlined, ministerial approval process, depending on the type of housing development, as specified. Existing law, the Subdivision Map Act, vests the authority to regulate and control the design and improvement of subdivisions in the legislative body of a local agency and sets forth procedures governing the local agency's processing, approval, conditional approval or disapproval, and filing of tentative, final, and parcel maps, and the modification thereof. The act generally requires a subdivider to file a tentative map or vesting tentative map with the local agency, as specified, and the local agency, in turn, to approve, conditionally approve, or disapprove the map within a specified time period. Existing law, known as the Starter Home Revitalization Act of 2021, among other things, requires a local agency to ministerially consider, without discretionary review or a hearing, a parcel map or a tentative and final map for a housing development project that meets certain requirements, including that the housing development project on the lot proposed to be subdivided will contain 10 or fewer residential units, except as provided. This bill, the Missing Middle Townhome Ownership Act, would authorize a development proponent to submit an application for a townhome development project that is subject to a prescribed ministerial approval process if the development complies with certain procedural requirements and satisfies specified objective planning standards. The bill would also require a local agency to ministerially consider, without discretionary review or a hearing, a tentative and final map for a townhome development project that meets specified requirements, including that the proposed subdivision complies with the requirements established by the bill for ministerial approval of a townhome development project, as described in the preceding sentence, and that the newly created parcels are no smaller than 600 square feet. (Based on 08/04/2026 text)

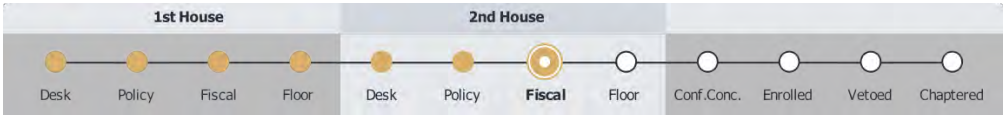
AB 1924 (Gabriel, D) Statewide homelessness prevention strategy.

Current Text: 06/15/2026 - Amended **HTML** **PDF**

Introduced: 02/12/2026 (Spot bill)

Last Amended: 06/15/2026

Status: 08/03/2026 - In committee: Referred to APPR. suspense file.



Location: 08/03/2026 - Senate APPR. SUSPENSE FILE

Summary: Existing law establishes the California Interagency Council on Homelessness and requires the council to take various actions to prevent and end homelessness in California. Existing law establishes various programs to prevent homelessness or assist persons experiencing homelessness, including the No Place Like Home Program and the Homeless Housing, Assistance, and Prevention program. This bill would require the council, by July 1, 2027, to develop and publicly issue a statewide homelessness prevention strategy that includes specified elements, including a homelessness prevention action plan for certain state agencies and evidence-based model homeless prevention practices, as specified. (Based on 06/15/2026 text)

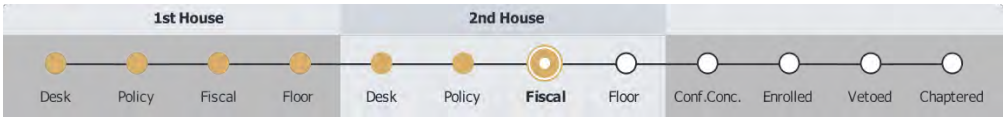
AB 1947 (Ta, R) Surplus land.

Current Text: 06/08/2026 - Amended **HTML** **PDF**

Introduced: 02/13/2026

Last Amended: 06/08/2026

Status: 08/03/2026 - In committee: Referred to APPR. suspense file.



Location: 08/03/2026 - Senate APPR. SUSPENSE FILE

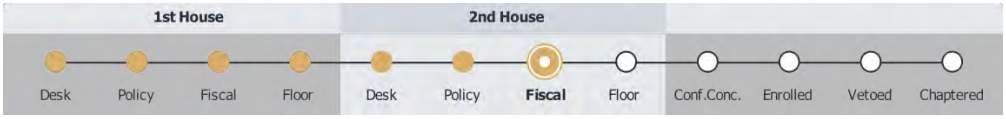
Summary: Existing law requires each state agency, each year, to make a review of all proprietary state lands, except, among other categories of land, land held for highway purposes, over which it has jurisdiction to determine what land is in excess of its foreseeable needs and report thereon to the Department of General Services, including, among other things, land that is not currently being utilized, or is currently being underutilized, by the state agency for any ongoing state program. This bill would remove the exception for land held for highway purposes and specifically require the Department of Transportation to submit the report described above. The bill would require the report to include the market value of the properties reviewed by the agency. (Based on 06/08/2026 text)

AB 2020 (Gabriel, D) Housing programs: financing.

Current Text: 02/17/2026 - Introduced **HTML** **PDF**

Introduced: 02/17/2026

Status: 08/03/2026 - In committee: Referred to APPR. suspense file.



Location: 08/03/2026 - Senate APPR. SUSPENSE FILE

Summary: Current law establishes the Department of Housing and Community Development and requires it to administer various programs intended to promote the development of housing, as specified, pursuant to which the department provides financial assistance in the form of deferred payment loans to pay for the eligible costs of development of specified types of housing projects. Current law sets forth various general powers of the department in implementing these programs, including authorizing the department to enter into long-term contracts or agreements of up to 30 years for the purpose of servicing loans or grants or enforcing regulatory agreements or other security documents. This bill would permit the department to authorize the transfer of excess reserves or excess operating income, as defined, from one rental housing development to another rental housing development with the same owner, as specified. (Based on 02/17/2026 text)

AB 2128 (Haney, D) Housing authorities: term limits and work requirements.

Current Text: 04/07/2026 - Amended **HTML** **PDF**

Introduced: 02/18/2026

Last Amended: 04/07/2026

Status: 06/15/2026 - Read second time. Ordered to third reading.

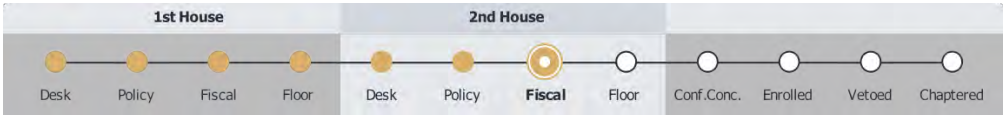
Location: 06/15/2026 - Senate THIRD READING

Summary: The Housing Authorities Law establishes a housing authority within each county and city and authorizes the authority to, among other things, prepare, carry out, acquire, lease, and operate housing projects and housing developments for persons of low income, as provided. This bill would, unless required by federal law, and except as specified, prohibit a housing authority or other covered housing provider, as defined, from establishing or implementing any rules, policies, or procedures that impose term limits or work requirements, as defined, as a condition of eligibility for any covered housing or that impact the amount of the rent subsidy or assistance provided to covered housing tenants. The bill would, however, permit a covered housing provider to establish or implement a voluntary employment or job training program if specified conditions apply. (Based on 04/07/2026 text)

AB 2146 (Stefani, D) Supportive housing: prospective tenants: barriers to access.

Current Text: 06/22/2026 - Amended **HTML** **PDF**

Introduced: 02/18/2026
Last Amended: 06/22/2026
Status: 08/03/2026 - In committee: Referred to APPR. suspense file.



Location: 08/03/2026 - Senate APPR. SUSPENSE FILE

Summary: Existing law establishes the Department of Housing and Community Development within the Business, Consumer Services, and Housing Agency and sets forth its powers and duties. Existing law, the Governor's Reorganization Plan No. 1 of 2025 (GRP), which became effective on July 5, 2025, transfers the Department of Housing and Community Development to the California Housing and Homelessness Agency, which the GRP also establishes, as of July 1, 2026. Existing law establishes a low-income housing tax credit program, through which the California Tax Credit Allocation Committee, chaired by the Treasurer, allocates low-income housing tax credits aimed at providing affordable low-income housing within and throughout the state. Existing law sets forth procedures and criteria under the program for housing credit applicants, who are owners, sponsors, or developers of qualifying low-income buildings or projects, as specified. This bill would establish the California Direct Access to Supportive Housing (DASH) designation, for the purpose of facilitating quick and accountable access to supportive housing units. The bill would, beginning July 1, 2027, require a sponsor of a housing unit that meets prescribed criteria to notify the Department of Housing and Community Development or the California Tax Credit Allocation Committee of the unit's eligibility for a DASH designation, as specified. The bill would, beginning July 1, 2027, and to the extent not prohibited by federal law, require the department or the committee to apply specified expedited compliance documentation standards for a prospective tenant referred to a DASH unit, as provided. (Based on 06/22/2026 text)

AB 2296 (Papan, D) Planning and zoning: housing element: regional housing needs allocation.

Current Text: 06/29/2026 - Amended **HTML** **PDF**
Introduced: 02/19/2026
Last Amended: 06/29/2026
Status: 08/04/2026 - Read second time. Ordered to third reading.

Location: 08/04/2026 - Senate THIRD READING

Summary: For the 4th and subsequent revisions of the housing element, existing law requires the Department of Housing and Community Development, in consultation with each council of governments, to determine each region's existing and projected need for housing, and requires the appropriate council of governments, or the department for cities and counties without a council of governments, to adopt a final regional housing plan that allocates a share of the regional housing need to each city, county, or city and county, as provided. Existing law authorizes at least 2 or more cities and a county, or counties, at least 28 months prior to the scheduled housing element revision, to form a subregional entity to allocate the subregion's existing and projected housing need among its members. If the council of governments does not receive a notification of this formation at least 28 months prior to the update, existing law requires the council of governments to implement specified requirements regarding the regional housing need process. Existing law requires the council of governments to determine the share of regional housing need assigned to each delegate subregion at least 25 months prior to the scheduled revision. This bill, except with respect to the 7th housing element cycle for councils of governments with a housing element revision due date during the calendar year 2027 or 2028, would extend the above-described timeline for cities and counties to form a subregional entity to allocate the subregion's housing need, as provided, from 28 months to 34 months, and the above-described timeline for the council of governments to determine the share of regional housing need assigned to each subregion from 25 months to 31 months. (Based on 06/29/2026 text)

AB 2418 (González, Mark, D) Local building permits: nonresidential private permitting review.

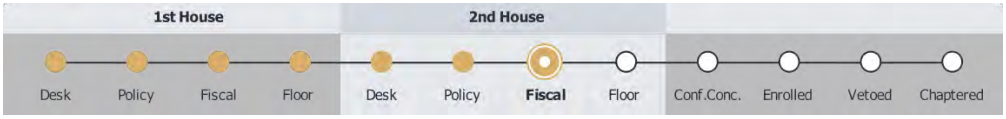
Current Text: 06/24/2026 - Amended **HTML** **PDF**

Introduced: 02/20/2026
Last Amended: 06/24/2026
Status: 08/04/2026 - Read second time. Ordered to third reading.

Location: 08/04/2026 - Senate THIRD READING
Summary: Existing law requires every city, county, or city and county, whether general law or chartered, that requires the issuance of a permit as a condition precedent to the construction, alteration, improvement, demolition, or repair of any building or structure, to require the execution of a permit application, as specified. Existing law permits a local agency, defined as a city, county, or city and county, to authorize its enforcement agency to contract with or employ a private entity or persons on a temporary basis to perform plan-checking functions for a nonresidential building, but that the local agency is not required to do so if it determines that no entities or persons are available or qualified to perform plan-checking services. Under existing law, when there is an excessive delay, as defined, in checking plans submitted as part of an application for specified nonresidential projects, a local agency is required to, upon request of the applicant, contract with or employ a private entity or persons on a temporary basis to perform the plan-checking function. Existing law defines “excessive delay” to mean, among other things, the local agency has taken more than 50 days to check plans and specifications, as provided. This bill would, until January 1, 2037, revise and recast the above-described provisions related to private plan checking. The bill would, upon receipt of a complete application for a nonresidential building permit, require the local agency to provide the applicant with an estimated timeframe in which it will determine if the completed application is compliant with permit standards. This bill would require the local agency to, upon an applicant’s request, contract with or employ a private plan-checking entity if the estimated timeframe would result in an excessive delay or if there is excessive delay by the local agency. (Based on 06/24/2026 text)

AB 2531 (Irwin, D) Public health: abortion services.

Current Text: 03/16/2026 - Amended **HTML** **PDF**
Introduced: 02/20/2026
Last Amended: 03/16/2026
Status: 08/03/2026 - In committee: Referred to APPR. suspense file.



Location: 08/03/2026 - Senate APPR. SUSPENSE FILE
Summary: Existing law establishes the California Reproductive Health Equity Program within the Department of Health Care Access and Information for the purpose of ensuring abortion and contraception are affordable for and accessible to all patients, regardless of their ability to pay, and to provide financial support for safety net providers of these services to offset the costs of providing uncompensated care to patients with low incomes who would otherwise lack access to care. Existing law authorizes a Medi-Cal enrolled provider to apply for a grant, and a continuation award after the initial grant, if they agree to provide abortion and contraception services in accordance with specified requirements, including that the services are provided at no cost or a reduced cost to individuals with a household income at or below 400% of the federal poverty level who are uninsured or have health care coverage that does not include both abortion and contraception and are not otherwise eligible to receive both abortion and contraception care at no cost through the Medi-Cal and Family PACT programs. This bill would additionally authorize a Medi-Cal enrolled provider to apply for a grant or a continuation of a grant if they provide the above-described services to patients who are veterans, as defined, who are uninsured or have health care coverage that does not include both abortion and contraception and are not otherwise eligible to receive both abortion and contraception care at no cost through the Medi-Cal and Family PACT programs. (Based on 03/16/2026 text)

AB 2601 (Lee, D) Planning and zoning: housing development: streamlined approval and subdivisions.

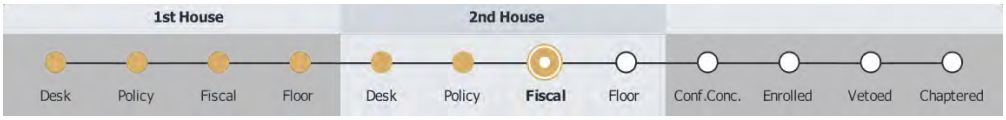
Current Text: 04/16/2026 - Amended **HTML** **PDF**

Introduced: 02/20/2026
Last Amended: 04/16/2026
Status: 08/03/2026 - Read second time. Ordered to third reading.

Location: 08/03/2026 - Senate THIRD READING
Summary: Under the Planning and Zoning Law, the legislative body of a city or county may adopt ordinances that, among other things, regulate the use of buildings, structures, and land, as provided. The Subdivision Map Act vests the authority to regulate and control the design and improvement of subdivisions in the legislative body of a local agency and sets forth procedures governing the local agency's processing, approval, conditional approval or disapproval, and filing of tentative, final, and parcel maps. Existing law requires a local agency to consider ministerially a proposed housing development containing no more than 2 residential units within a single-family residential zone, without discretionary review or a hearing, if the proposed housing development meets specified requirements. Existing law requires a local agency to ministerially approve a parcel map for an urban lot split if the parcel meets specified requirements. This bill would require that an application for a proposed housing development containing no more than 2 residential units within a single-family residential zone, as described above, be eligible for concurrent processing with an application for a parcel map for an urban lot split, as provided. The bill would authorize a local agency to condition issuance of building permits, grading permits, or certificates of occupancy for a proposed housing development upon the applicant first obtaining approval and recording a parcel map for eligible parcels pursuant to the above-described urban lot split provisions. (Based on 04/16/2026 text)

AB 2626 (Gabriel, D) Housing programs: financing.

Current Text: 06/15/2026 - Amended **HTML** **PDF**
Introduced: 02/20/2026 (Spot bill)
Last Amended: 06/15/2026
Status: 08/03/2026 - In committee: Referred to APPR. suspense file.



Location: 08/03/2026 - Senate APPR. SUSPENSE FILE
Summary: Existing law establishes the Department of Housing and Community Development and requires it to administer various programs intended to promote the development of housing, as specified, pursuant to which the department provides financial assistance in the form of deferred payment loans to pay for the eligible costs of development of specified types of housing projects. Existing law sets forth various general powers of the department in implementing these programs, including authorizing the department to enter into long-term contracts or agreements of up to 30 years for the purpose of servicing loans or grants or enforcing regulatory agreements or other security documents. This bill would permit the department to waive payment of residual receipts or minimum annual loan payments used to cover the cost of project monitoring required under a department regulatory agreement, based on the assessment by the department's actual cost in combination with a project's ability to pay. (Based on 06/15/2026 text)

AB 2689 (Ávila Farías, D) Low-income housing tax credits: lease nonrenewal: good cause.

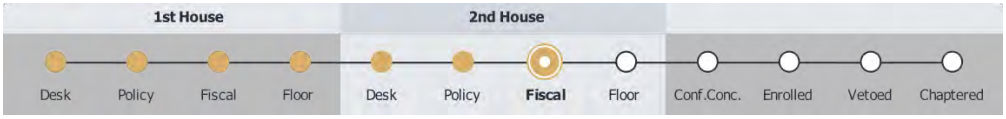
Current Text: 06/22/2026 - Amended **HTML** **PDF**
Introduced: 02/20/2026
Last Amended: 06/22/2026
Status: 07/02/2026 - Read second time. Ordered to third reading.

Location: 07/02/2026 - Senate THIRD READING

Summary: Existing law, in modified conformity with federal income tax laws, establishes a low-income housing tax credit program through which the California Tax Credit Allocation Committee allocates low-income housing tax credits aimed at providing affordable low-income housing within and throughout the state. Existing federal law sets limitations and guidelines regarding what projects are eligible for credits, including a requirement that an extended low-income housing commitment is in effect, and a prohibition against eviction except for good cause. This bill would specify, for housing projects where the low-income housing commitment requires 100% of the units, not including any manager's units, to be restricted to lower income households, as defined, that good cause for nonrenewal of a lease includes cases where the nonrenewal relates to a household whose income exceeds 140% of the area median income for at least 2 consecutive years and 30% of the household's monthly income exceeds the fair market rent, determined as specified. (Based on 06/22/2026 text)

AB 2748 (Quirk-Silva, D) Building standards: affordable housing developments: electric vehicle charging.

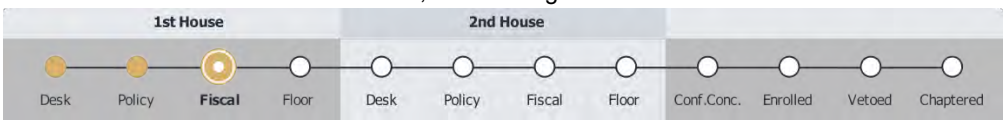
Current Text: 07/02/2026 - Amended **HTML** **PDF**
Introduced: 02/20/2026
Last Amended: 07/02/2026
Status: 08/03/2026 - In committee: Referred to APPR. suspense file.



Location: 08/03/2026 - Senate APPR. SUSPENSE FILE
Summary: The State Housing Law establishes statewide construction and occupancy standards for buildings used for human habitation. Existing law requires the building department of every city or county to enforce within its jurisdiction all the provisions published in the California Building Standards Code and the provisions of the State Housing Law, as provided. Existing law makes any violation of the State Housing Law a misdemeanor punishable by a fine not exceeding $1,000, by imprisonment not exceeding 6 months, or by both. Existing law requires the California Building Standards Commission and the Department of Housing and Community Development to research and develop, and authorizes those entities to propose for adoption by the commission, mandatory building standards for the installation of electric vehicle charging stations in existing multifamily dwellings, hotels, motels, and nonresidential developments, as provided. This bill would require a new or existing affordable housing development, as defined, for which a permit application is submitted between January 1, 2025, and December 31, 2028, to comply with either the requirements for installation of low power Level 2 or higher electric vehicle charging receptacles in the 2025 California Green Building Standards Code, as provided, or the applicable requirements for installation of low power Level 2 or higher electric vehicle charging receptacles in the 2024 supplement to the 2022 edition of the California Green Building Standards Code. The bill would repeal these provisions on January 1, 2030. (Based on 07/02/2026 text)

ACA 4 (Jackson, D) Homelessness and affordable housing.

Current Text: 05/05/2025 - Amended **HTML** **PDF**
Introduced: 01/24/2025
Last Amended: 05/05/2025
Status: 01/22/2026 - In committee: Set, first hearing. Held under submission.

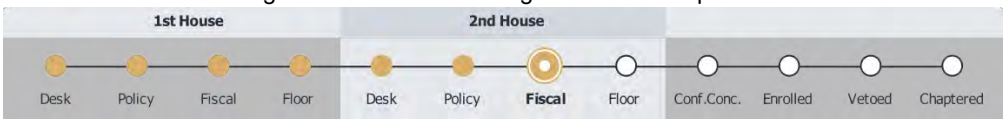


Location: 05/14/2025 - Assembly APPR. SUSPENSE FILE
Summary: The California Constitution authorizes the development, construction, or acquisition of developments composed of urban or rural dwellings, apartments, or other living accommodations for persons of low income financed in whole or in part by the federal government or a state public body, or to which the federal government or a state public body extends assistance, if a majority of the qualified electors of the city, town, or county in which the housing is proposed to be located approves the project by voting in favor thereof, as specified. This measure, the Housing Opportunities Made Equal (HOME) Act, would create an account in the General Fund into which, beginning in the 2027–28 fiscal year, and

each fiscal year thereafter until September 30, 2036, a sum would be transferred from the General Fund equal to or greater than 5% of the estimated amount of General Fund revenues for that fiscal year, as specified. The measure would require the moneys in the account to be appropriated by the Legislature to the Business, Consumer Services, and Housing Agency, and would authorize that agency to expend the moneys to fund prescribed matters related to homelessness and affordable housing, including housing and services to prevent and end homelessness. (Based on 05/05/2025 text)

SB 288 (Seyarto, R) Property taxation: change in ownership: family homes and farms.

Current Text: 06/01/2026 - Amended **HTML** **PDF**
Introduced: 02/06/2025
Last Amended: 06/01/2026
Status: 08/05/2026 - August 5 set for first hearing. Placed on suspense file.



Location: 08/05/2026 - Assembly APPR. SUSPENSE FILE
Summary: Pursuant to constitutional authorization, existing property tax law, on and after February 16, 2021, excludes from classification as a change in ownership the purchase or transfer of a family home or family farm, as those terms are defined, of the transferor in the case of a transfer between parents and their children, or between grandparents and their grandchildren if all the parents of those grandchildren are deceased, if the property continues as the family home or family farm of the transferee, as specified. For purposes of the transfer of a family home, that law requires the transfer to be of a principal residence of the transferor and to become the principal residence of the transferee within one year of the transfer. That law also requires the transferee to file for the homeowners' or disabled veterans' exemption within a year of the transfer, as described. This bill would provide that the one-year periods described above shall be deemed to end one year after the effective date of certain court orders resolving the disposition of the property if the eligible transferee files specified documents with the assessor, including a copy of a court order indicating that a probate matter prohibited the eligible transferee from establishing the property as their principal place of residence within the one-year period described above. By expanding the duties of local tax officials, the bill would impose a state-mandated local program. (Based on 06/01/2026 text)

SB 299 (Cabaldon, D) California Environmental Quality Act: exemption: day care center: zoning.

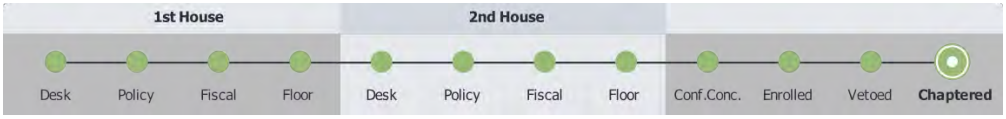
Current Text: 06/29/2026 - Amended **HTML** **PDF**
Introduced: 02/10/2025
Last Amended: 06/29/2026
Status: 08/05/2026 - Coauthors revised. From committee: Do pass. (Ayes 15. Noes 0.) (August 5).

Location: 06/22/2026 - Assembly SECOND READING
Summary: The California Environmental Quality Act (CEQA) requires a lead agency, as defined, to prepare, or cause to be prepared, and certify the completion of an environmental impact report on a project that it proposes to carry out or approve that may have a significant effect on the environment or to adopt a negative declaration if it finds that the project will not have that effect. CEQA also requires a lead agency to prepare a mitigated negative declaration for a project that may have a significant effect on the environment if revisions in the project would avoid or mitigate that effect and there is no substantial evidence that the project, as revised, would have a significant effect on the environment. Existing law exempts specified projects from CEQA, including a project that consists exclusively of a day care center, as defined, that is not located in a residential area. This bill would exempt from CEQA a project that consists exclusively of a day care center, as defined, that is located on a parcel of land zoned exclusively for residential use, except as provided. (Based on 06/29/2026 text)

SB 417 (Limón, D) The Veterans and Affordable Housing Bond Act of 2026.

Current Text: 06/25/2026 - Chaptered **HTML** **PDF**

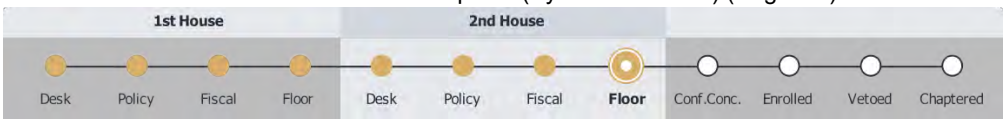
Introduced: 02/18/2025
Last Amended: 06/22/2026
Status: 06/25/2026 - Approved by the Governor. Chaptered by Secretary of State. Chapter 16, Statutes of 2026.



Location: 06/25/2026 - Senate CHAPTERED
Summary: Under existing law, there are programs providing assistance for, among other things, emergency housing, multifamily housing, farmworker housing, home ownership for very low and low-income households, and downpayment assistance for first-time home buyers. Existing law also authorizes the issuance of bonds in specified amounts pursuant to the State General Obligation Bond Law and requires that proceeds from the sale of these bonds be used to finance various existing housing programs, capital outlay related to infill development, brownfield cleanup that promotes infill development, and housing-related parks. Existing law, the Veterans and Affordable Housing Bond Act of 2018, authorized, the issuance of bonds in the amount of $4,000,000,000 to finance various existing housing programs, as well as infill infrastructure financing and affordable housing matching grant programs, as well as financing for a specified program for farm, home, and mobilehome purchase assistance for veterans, pursuant to the State General Obligation Bond Law. This bill would enact the Veterans and Affordable Housing Bond Act of 2026, which, if adopted, would authorize the issuance of bonds in the amount of $11,250,000,000, pursuant to the State General Obligation Bond Law. Of the proceeds from the sale of these bonds, $10,000,000,000 would be used to finance programs to fund affordable rental housing and home ownership programs, including, among others, the Multifamily Housing Program, the CalHome Program, and the Joe Serna, Jr. Farmworker Housing Grant Program, and $1,250,000,000 would be used to provide additional funding for the above-described program for farm, home, and mobilehome purchase assistance for veterans, as provided. (Based on 06/25/2026 text)

SB 479 (Arreguín, D) Homeless adult and family multidisciplinary personnel teams.

Current Text: 07/02/2026 - Amended **HTML** **PDF**
Introduced: 02/19/2025 (Spot bill)
Last Amended: 07/02/2026
Status: 08/05/2026 - From committee: Do pass. (Ayes 15. Noes 0.) (August 5).



Location: 07/02/2026 - Assembly SECOND READING
Summary: Existing law authorizes a county to establish a homeless adult and family multidisciplinary personnel team with the goal of facilitating the expedited identification, assessment, and linkage of homeless individuals to housing and supportive services within that county, and to allow provider agencies and members of the personnel team to share confidential information for the purpose of coordinating housing and supportive services to ensure continuity of care. Existing law requires the sharing of confidential information to be governed by protocols developed in each county describing how and what information may be shared by the homeless adult and family multidisciplinary personnel team, and requires each county to provide a copy of its protocols to the State Department of Social Services. This bill would additionally authorize a city that is designated as a local health jurisdiction to similarly establish a homeless adult and family multidisciplinary personnel team, as specified. (Based on 07/02/2026 text)

SB 677 (Wiener, D) Housing financing: joint powers agreements: bond approvals:subdivisions: tentative and final maps: appeals.

Current Text: 07/07/2026 - Amended **HTML** **PDF**
Introduced: 02/21/2025
Last Amended: 07/07/2026
Status: 08/05/2026 - From committee: Do pass. (Ayes 14. Noes 1.) (August 5).

Location: 07/01/2026 - Assembly SECOND READING

Summary: The Joint Exercise of Powers Act authorizes 2 or more public agencies, by agreement, to form a joint powers authority to exercise any power common to the contracting parties, as specified. Existing law, for the purposes of that act, defines the term “public agency” to include various federal, state, local, and tribal entities. Existing law requires approval by the Department of General Services of certain joint powers agreements that include the state as a member, as provided. Existing law authorizes a joint powers authority to issue revenue bonds to pay the costs and expenses of acquiring, constructing, or conducting a program for, among other things, low-income housing projects owned or operated by a city, county, city and county, or housing authority. Existing law provides that the Treasurer and the Secretary of State are designated as elected representatives for federal tax purposes of a joint powers agency created to approve or certify the issuance of bonds, notes, or other evidence of indebtedness issued by or on behalf of the joint powers agency to the extent approval is required by federal tax law. This bill would, instead, provide that the Treasurer is designated as an applicable elected representative of a joint powers authority and may, at the discretion of the joint powers authority, approve the issuance of bonds, notes, or other evidence of indebtedness issued by or on behalf of the joint powers agency to the extent approval is required by federal tax law, as specified. (Based on 07/07/2026 text)

SB 866 (Blakespear, D) Planning and zoning: annual report: emergency shelter.

Current Text: 06/23/2026 - Amended **HTML** **PDF**

Introduced: 01/05/2026

Last Amended: 06/23/2026

Status: 08/05/2026 - August 5 set for first hearing. Placed on suspense file.

Location: 08/05/2026 - Assembly APPR. SUSPENSE FILE

Summary: The Planning and Zoning Law, requires each county and each city to adopt a comprehensive, long-term general plan for the physical development of the county or city, and specified land outside its boundaries, that includes, among other specified mandatory elements, a housing element. That law requires the planning agency of a city or county to provide by April 1 of each year an annual report to the Department of Housing and Community Development that includes, among other specified information, the agency’s progress in meeting its share of regional housing needs and the number of units approved and disapproved in the prior year. This bill, beginning with the first annual report submitted after the due date for the 7th cycle revision of the housing element, would require that annual report to additionally include specified information regarding the special housing needs of families and persons in need of emergency shelter. (Based on 06/23/2026 text)

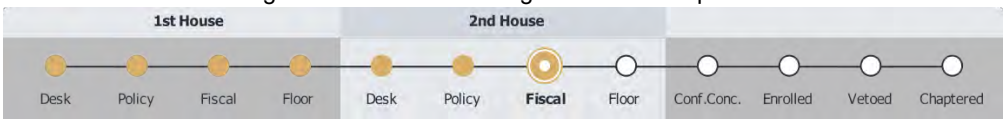
SB 996 (Padilla, D) Manufactured housing: classification as real property.

Current Text: 06/16/2026 - Amended **HTML** **PDF**

Introduced: 02/09/2026

Last Amended: 06/16/2026

Status: 08/05/2026 - August 5 set for first hearing. Placed on suspense file.



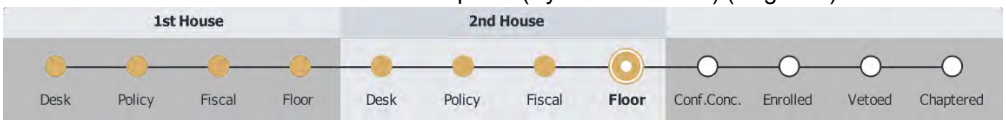
Location: 08/05/2026 - Assembly APPR. SUSPENSE FILE

Summary: The Mobilehome Parks Act requires the Department of Housing and Community Development to establish regulations for manufactured home, mobilehome, and commercial modular foundation systems. Existing law authorizes a manufactured home, mobilehome, or commercial modular to be installed on a foundation system as either a fixture or improvement to the real property if certain

conditions are met. In this regard, existing law requires, among other things, a manufactured home, mobilehome, or commercial modular owner or licensed contractor to obtain a building permit from the appropriate enforcement agency before installing the manufactured home, mobilehome, or commercial modular on a foundation system by, among other things, submitting written evidence acceptable to the enforcement agency that the manufactured home, mobilehome, or commercial modular owner owns, holds title to, or is purchasing the real property where the mobilehome is to be installed on a foundation system. Existing law specifies that a lease held by the owner, that is transferable, for the exclusive use of the real property where the manufactured home, mobilehome, or commercial modular is to be installed, is deemed to comply with that requirement if the lease is for a term of 35 years or more, or if fewer than 35 years, for a term mutually agreed upon by the lessor and lessee, and the term of the lease is not revocable at the discretion of the lessor except for cause, as specified. This bill would specify that the authorization to install a manufactured home, mobilehome, or commercial modular as either a fixture or improvement to the real property applies to permanent foundation systems. (Based on 06/16/2026 text)

SB 1014 (Grayson, D) Development projects: preliminary estimate of required improvements: onsite and offsite improvements.

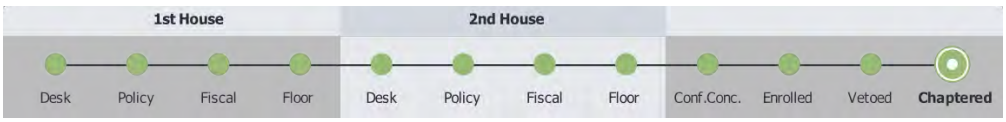
Current Text: 06/03/2026 - Amended **HTML** **PDF**
Introduced: 02/10/2026
Last Amended: 06/03/2026
Status: 08/05/2026 - From committee: Do pass. (Ayes 14. Noes 0.) (August 5).



Location: 06/24/2026 - Assembly SECOND READING
Summary: The Permit Streamlining Act sets forth various procedures for the review and approval of development project applications, including, among other things, requiring each public agency to compile one or more lists that specify in detail the information that will be required from any applicant for a development project. The act also requires a city, county, or city and county to deem an applicant for a housing development project to have submitted a preliminary application upon providing specified information about the proposed project to the city, county, or city and county from which approval for the project is being sought. This bill would permit an applicant who submits a preliminary application for a housing development project, as specified, or an application if a preliminary application is not submitted, to include in the preliminary application or application a request for a preliminary estimate of required improvements, as provided. The bill would require a city, county, or city and county that receives a request under these provisions to provide the preliminary estimate within 30 business days of the submission of the request, as provided. The bill would authorize, for improvements required by a public agency, as specified, the applicant to request, within 30 days of submission, a list of the types of improvements that may be required, as provided. The bill, within 30 business days of deeming an application for a postentitlement phase permit complete, would additionally require the city, county, or city and county to provide the applicant with an itemized list of all onsite and offsite improvements that will be required prior to issuance of, or otherwise in connection with, that permit, as provided. (Based on 06/03/2026 text)

SB 1036 (Grayson, D) Mitigation Fee Act.

Current Text: 06/30/2026 - Chaptered **HTML** **PDF**
Introduced: 02/11/2026
Last Amended: 04/16/2026
Status: 06/30/2026 - Approved by the Governor. Chaptered by Secretary of State. Chapter 54, Statutes of 2026.

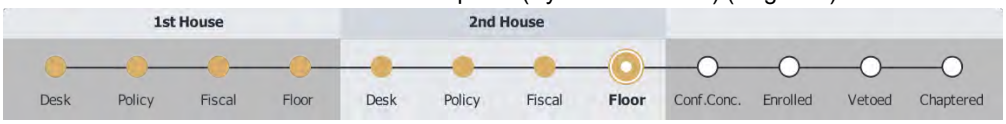


Location: 06/30/2026 - Senate CHAPTERED

Summary: The Mitigation Fee Act imposes various requirements with respect to the establishment, increase, or imposition of a fee by a local agency as a condition of approval of a development project, including requiring the local agency to identify the use to which the fee is to be put and determine how there is a reasonable relationship between the fee's use and the type of development project on which the fee is imposed. This bill would require the amount of a fee that is imposed on a development project that demolishes or changes an existing use to be offset to account for the demolition or change so that the amount of the fee is attributable only to the development project's incremental impact on public facilities or services, as provided. (Based on 06/30/2026 text)

SB 1085 (Durazo, D) Water supply planning: housing developments.

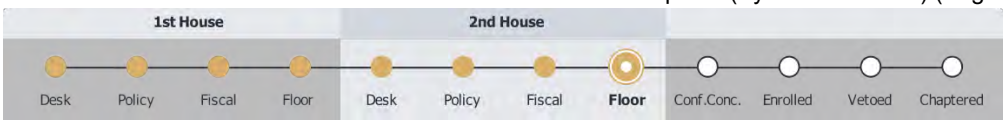
Current Text: 06/17/2026 - Amended **HTML** **PDF**
Introduced: 02/13/2026
Last Amended: 06/17/2026
Status: 08/05/2026 - From committee: Do pass. (Ayes 15. Noes 0.) (August 5).



Location: 07/02/2026 - Assembly SECOND READING
Summary: The California Environmental Quality Act (CEQA) requires a lead agency, as defined, to be responsible for determining whether a project is exempt from CEQA and whether an environmental impact report, a negative declaration, or a mitigated negative declaration is required. Existing law requires a city or county that determines a certain type of project is subject to the requirements of CEQA to identify any public water system that may supply water for the project and to request those public water systems to prepare a specified water supply assessment, as provided. This bill, among other things, would instead require a city or county, upon receipt of a preliminary application for a housing development project that meets certain conditions, or upon a development application for certain projects being determined as complete or deemed complete, to make that identification of public water systems. The bill would require a city or county, within 15 days of receiving an application that meets either of the above-mentioned criteria, to request each identified public water system to determine whether the projected water demand associated with the proposed project was included in the most recently adopted urban water management plan. (Based on 06/17/2026 text)

SB 1117 (Cervantes, D) Accessory dwelling units and junior accessory dwelling units.

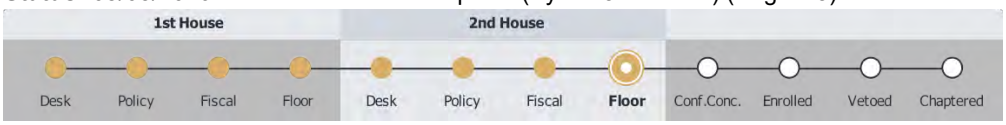
Current Text: 07/08/2026 - Amended **HTML** **PDF**
Introduced: 02/17/2026
Last Amended: 07/08/2026
Status: 08/05/2026 - Coauthors revised. From committee: Do pass. (Ayes 13. Noes 0.) (August 5).



Location: 07/01/2026 - Assembly SECOND READING
Summary: The Planning and Zoning Law provides for the creation by ordinance, or by ministerial approval if the local agency has not adopted an ordinance, of an accessory dwelling unit (ADU) in accordance with specified standards and conditions. Existing law requires fees charged for the construction of ADUs to be determined in accordance with specified provisions of the Mitigation Fee Act. Existing law prohibits a local agency, special district, or water corporation from imposing any impact fee upon the development of an ADU that has 750 square feet of interior livable space or less, and requires any impact fees charged for an ADU that has more than 750 square feet of interior livable space to be charged proportionately in relation to the square footage of the primary dwelling unit. This bill would require the charge for certain accessory dwelling units to be based only on the area in excess of 750 square feet of interior livable space. By changing the duties of local agencies with regard to calculating fees for ADUs, the bill would impose a state-mandated local program. (Based on 07/08/2026 text)

SB 1196 (McNerney, D) Small energization projects: electrical service connections.

Current Text: 06/29/2026 - Amended **HTML** **PDF**
Introduced: 02/19/2026
Last Amended: 06/29/2026
Status: 08/05/2026 - From committee: Do pass. (Ayes 13. Noes 2.) (August 5).



Location: 06/24/2026 - Assembly SECOND READING
Summary: The Powering Up Californians Act requires the Public Utilities Commission to determine the criteria for timely service for electrical customers to be energized, including, among other things, categories of timely electric service through energization, as specified. The act requires the commission to establish reasonable average and maximum target energization time periods to ensure that work is completed in a manner that minimizes delay in meeting the date requested by an electrical customer to the greatest extent possible. This bill would require the commission, by September 30, 2027, in a new or existing proceeding, to establish timelines for electrical corporations to respond to and process requests to energize small energization projects, as provided. (Based on 06/29/2026 text)

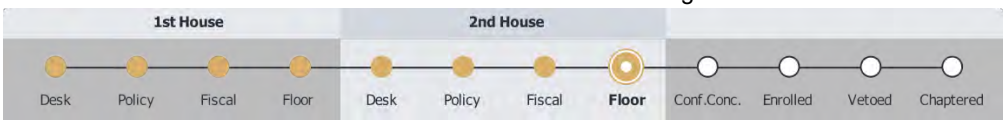
Status: 08/03/2026 - Read second time. Ordered to third reading.



Location: 08/03/2026 - Assembly THIRD READING
Summary: The Density Bonus Law requires a city or county to provide a developer that proposes a housing development within the city or county with a density bonus, waivers or reductions of development standards, parking ratios, and other incentives or concessions, as specified, if the developer agrees to construct certain types of housing, including, among other types of housing, housing that will include specified percentages of units for rental or sale to lower income households or very low income households, as specified. Existing law requires a city or county to grant incentives or concessions requested by an applicant for a density bonus except under prescribed circumstances. Existing law defines “incentives or concessions” to include, among other things, a reduction in site development standards or a modification of zoning code requirements or architectural design requirements that exceed the minimum building standards, as specified, and regulatory incentives or concessions proposed by the developer or the city or county that result in identifiable and actual cost reductions to provide for affordable housing costs, as specified. This bill would exclude a reduction in site development standards, a modification of zoning code or architectural design requirements, and other regulatory incentives or concessions that include or relate to a labor standard, as defined, from the definition of “incentives or concessions.” (Based on 03/23/2026 text)

SCR 131 (Blakespear, D) Housing: unsheltered homelessness.

Current Text: 06/29/2026 - Amended **HTML** **PDF**
Introduced: 02/19/2026
Last Amended: 06/29/2026
Status: 06/29/2026 - Read second time and amended. Ordered to third reading.

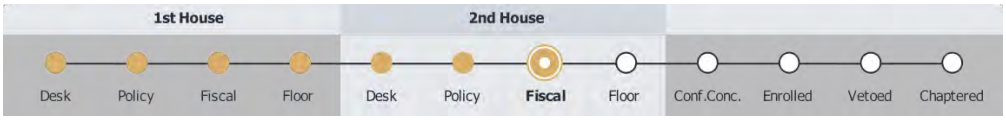
Location: 06/29/2026 - Assembly THIRD READING

Summary: Would urge the Governor, relevant state agencies, and all local governments to adopt an urgent and coordinated approach to end and prevent unsheltered homelessness statewide, as specified. (Based on 06/29/2026 text)

Human Resources and Public Sector Employment LAP

AB 1198 (Haney, D) Public works: prevailing wages.

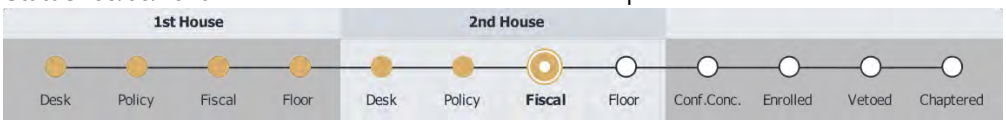
Current Text: 01/22/2026 - Amended **HTML** **PDF**
Introduced: 02/21/2025
Last Amended: 01/22/2026
Status: 06/22/2026 - In committee: Referred to APPR. suspense file.



Location: 06/22/2026 - Senate APPR. SUSPENSE FILE
Summary: Current law requires that, except as specified, not less than the general prevailing rate of per diem wages, determined by the Director of Industrial Relations, be paid to workers employed on public works projects. Current law requires the body awarding a contract for a public work to obtain from the director the general prevailing rate of per diem wages for work of a similar character in the locality in which the public work is to be performed, and the general prevailing rate of per diem wages for holiday and overtime work, for each craft, classification, or type of worker needed to execute the contract. Under current law, if the director determines during any quarterly period that there has been a change in any prevailing rate of per diem wages in a locality, the director is required to make that change available to the awarding body and their determination is final. Under current law, that determination does not apply to public works contracts for which the notice to bidders has been published. This bill would instead state, commencing July 1, 2027, that if the director determines, within a semiannual period, that there is a change in any prevailing rate of per diem wages in a locality, that determination applies to any public works contract that is awarded or for which notice to bidders is published after July 1, 2027. The bill would authorize any contractor, awarding body, or specified representative affected by a change in rates on a particular contract to, within 20 days, file with the director a verified petition to review the determination of that rate, as specified. The bill would require the director to, upon notice to the interested parties, initiate an investigation or hold a hearing, and, within 20 days after the filing of that petition, except as specified, make a final determination and transmit the determination in writing to the awarding body and to the interested parties. (Based on 01/22/2026 text)

AB 1383 (McKinnor, D) Public employees' retirement benefits.

Current Text: 07/01/2026 - Amended **HTML** **PDF**
Introduced: 02/21/2025
Last Amended: 07/01/2026
Status: 08/03/2026 - In committee: Referred to APPR. suspense file.

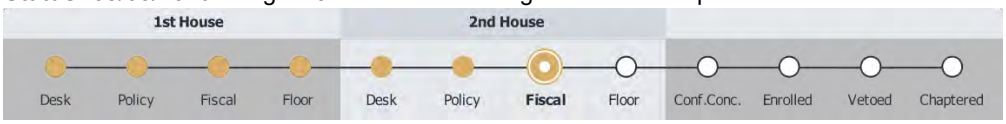


Location: 08/03/2026 - Senate APPR. SUSPENSE FILE
Summary: The Public Employees' Retirement Law (PERL) establishes the Public Employees' Retirement System (PERS) to provide a defined benefit to members of the system based on final compensation, credited service, and age at retirement, subject to certain variations. Existing law creates the Public Employees' Retirement Fund, which is continuously appropriated for purposes of PERS, including depositing employer and employee contributions. Under the California Constitution, assets of a public pension or retirement system are trust funds. The California Public Employees' Pension Reform Act of 2013 (PEPRA) establishes a variety of requirements and restrictions on public employers offering defined benefit pension plans. In this regard, PEPRA restricts the amount of compensation that may be applied for purposes of calculating a defined pension benefit for a new member, as defined, by restricting

it to specified percentages of the contribution and benefit base under a specified federal law with respect to old age, survivors, and disability insurance benefits. Existing law, the Teachers' Retirement Law, establishes the State Teachers' Retirement System (STRS) and creates the Defined Benefit Program of the State Teachers' Retirement Plan, which provides a defined benefit to members of the program, based on final compensation, creditable service, and age at retirement, subject to certain variations. This bill, for service performed on and after January 1, 2027, would prohibit the pensionable compensation for calendar year 2027 used to calculate the defined benefit paid to a new member of a retirement system subject to PEPRA who retires from the system from exceeding specified percentages of the contribution and benefit base under the specified federal law with respect to old age, survivors, and disability insurance benefits. (Based on 07/01/2026 text)

SB 342 (Umberg, D) Contractors: unlicensed work.

Current Text: 07/01/2026 - Amended **HTML** **PDF**
Introduced: 02/12/2025 (Spot bill)
Last Amended: 07/01/2026
Status: 08/05/2026 - August 5 set for first hearing. Placed on suspense file.



Location: 08/05/2026 - Assembly APPR. SUSPENSE FILE
Summary: The Contractors State License Law establishes the Contractors State License Board in the Department of Consumer Affairs to license and regulate contractors. Existing law prohibits a person engaging in the business or acting in the capacity of a contractor from recovering compensation for work performed that requires a contractor's license unless the person was a duly licensed contractor at all times during the performance of the act or contract, except as specified. This bill would further exempt an action for compensation arising from a contract for a public work of improvement, as specified. (Based on 07/01/2026 text)

SB 1159 (Cabaldon, D) Artificial intelligence: transparency and governance.

Current Text: 06/25/2026 - Amended **HTML** **PDF**
Introduced: 02/18/2026
Last Amended: 06/25/2026
Status: 07/02/2026 - Read second time. Ordered to third reading.

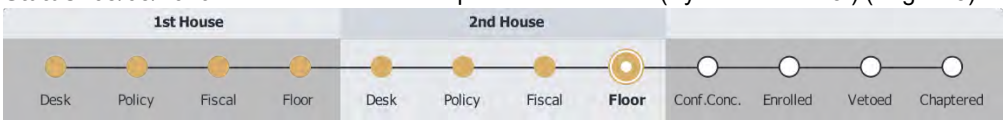
Location: 07/02/2026 - Assembly THIRD READING
Summary: The California Constitution provides that people have the right of access to information concerning the conduct of the people's business. Various provisions of existing law, including the California Public Records Act, the Legislative Open Records Act, the Bagley-Keene Open Meeting Act, and the Ralph M. Brown Act, provide, with some exceptions, for public access to government records and meetings of government bodies. Among those acts, the California Public Records Act defines "person" to include any natural person, corporation, partnership, limited liability company, firm, or association. This bill would specify that, for purposes of the California Public Records Act, the Bagley-Keene Open Meeting Act, the Ralph M. Brown Act, the Legislative Open Records Act, the Administrative Procedure Act, the California Coastal Act of 1976, and CEQA, "person," "interested person," "participant," "member of the public," as applicable, and any other similar terms under each act referring to those who may engage with governmental agencies, do not include artificial intelligence, as defined, systems, autonomous agents, or robots, whether physical or digital. (Based on 06/25/2026 text)

SB 1371 (Durazo, D) Solid waste handling services: labor dispute.

Current Text: 04/13/2026 - Amended **HTML** **PDF**
Introduced: 02/20/2026

Last Amended: 04/13/2026

Status: 08/05/2026 - From committee: Do pass as amended. (Ayes 11. Noes 3.) (August 5).



Location: 06/16/2026 - Assembly SECOND READING

Summary: Existing law contains various provisions relating to franchise agreements between a local jurisdiction and a service provider for the provision of services such as utilities, waste hauling, and cable television. This bill would prohibit any franchise contracts, licenses, or permits for solid waste handling services, as defined, entered into or substantially amended, as defined, by a local agency on or after January 1, 2027, from including a force majeure provision that excuses or suspends the service provider's obligation to perform under the franchise contract, license, or permit in the event of a work stoppage arising out of or in connection with a labor dispute, as defined. (Based on 04/13/2026 text)

Public Safety LAP

AB 1632 (Johnson, R) Trespass.

Current Text: 06/10/2026 - Amended **HTML** **PDF**

Introduced: 01/26/2026

Last Amended: 06/10/2026

Status: 06/23/2026 - Read second time. Ordered to third reading.

Location: 06/23/2026 - Senate THIRD READING

Summary: Existing law makes it a misdemeanor to commit the crime of trespass, which includes refusing or failing to leave land, real property, or structures belonging to, or lawfully occupied by, another and not open to the general public upon being requested to leave by a peace officer at the request of the owner, the owner's agent, or the person in lawful possession and upon being informed by the peace officer that they are acting at the request of the owner, the owner's agent, or the person in lawful possession. Existing law requires the owner, the owner's agent, or the person in lawful possession to make a separate request to the peace officer on each occasion when the peace officer's assistance in dealing with a trespass is requested, except that a single request for peace officer assistance may be made for a period not to exceed 12 months when there is a fire hazard to the premises or property, the owner is absent from the premises or property, or the premises or property is closed to the public and posted as being closed. Existing law authorizes a single request for assistance to be made and submitted electronically, in a notarized form provided by the law enforcement agency, to a peace officer, and authorizes local governments to accept electronic submissions of requests for peace officer assistance. This bill would remove the requirement that the submitted form described above be notarized, and would instead require the request to include a written declaration, signed under penalty of perjury, that the requestor is the owner of the property and has legal authority to request the assistance, that the information provided in the request is true and correct, that the requestor acknowledges that law enforcement may rely on the declaration in taking enforcement action, and that the requestor is required to notify law enforcement if they no longer have legal authority over the property or if the request is withdrawn. (Based on 06/10/2026 text)

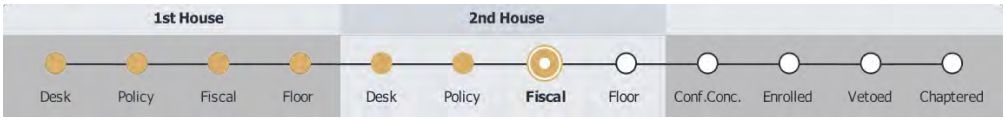
AB 1941 (González, Mark, D) Organized metal theft.

Current Text: 06/04/2026 - Amended **HTML** **PDF**

Introduced: 02/13/2026

Last Amended: 06/04/2026

Status: 08/03/2026 - In committee: Referred to APPR. suspense file.



Location: 08/03/2026 - Senate APPR. SUSPENSE FILE

Summary: Existing law makes a person who is a dealer in or collector of junk, metals, or secondhand materials, or their agent, employee, or representative, who buys or receives any wire, cable, copper, lead, solder, mercury, iron, or brass that the person knows or reasonably should know is used by or belongs to specified entities, including a railroad, certain utility companies, or a public entity engaged in furnishing public utility service, without using due diligence to ascertain that the person selling or delivering that material has a legal right to do so, guilty of criminally receiving that property and, in addition to imprisonment, makes that act punishable by a fine of not more than $5,000. This bill would prohibit organized metal theft, described as acting in concert with one or more persons to steal metal materials from one or more of specified materials and items with the intent to sell, exchange, or return those metal materials for value, acting in concert with 2 or more persons to receive, purchase, or possess those metal materials knowing or believing it to have been stolen, acting as an agent of another to steal those metal materials as part of an organized plan to commit theft, or recruiting, coordinating, organizing, supervising, directing, managing, or financing another to undertake acts of theft of metal. The bill would make a violation of organized metal theft punishable as either a misdemeanor or a felony. (Based on 06/04/2026 text)

AB 2310 (Carrillo, D) Illegal dumping.

Current Text: 06/25/2026 - Amended **HTML** **PDF**

Introduced: 02/19/2026

Last Amended: 06/25/2026

Status: 08/03/2026 - In committee: Referred to APPR. suspense file.

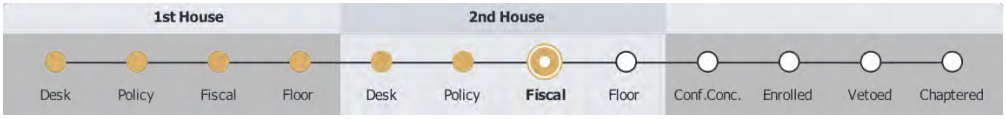
Location: 08/03/2026 - Senate APPR. SUSPENSE FILE

Summary: Existing law makes it unlawful to dump waste matter in certain locations, such as upon a public or private highway or road, upon private property without the consent of the owner, or in or upon a public park or other public property, as specified. Existing law also makes it unlawful to place, deposit, or dump rocks, concrete, asphalt, or dirt in certain locations, as specified. A person violating these provisions is guilty of an infraction, as specified. Existing law makes a violation of these provisions in commercial quantities, as defined, a misdemeanor punishable by imprisonment in a county jail and by a fine, as specified. Under existing law, a private owner is not restricted in the use of their own private property, unless the placing, depositing, or dumping of the waste matter on the property creates a public health and safety hazard, a public nuisance, or a fire hazard, as determined by a local health or fire department or the Department of Forestry and Fire Protection. This bill would make it a crime to transport waste matter, rocks, concrete, asphalt, dirt, or other construction debris for the purpose of placing, depositing, or dumping it in the locations described above. The bill would increase the maximum fine to $5000 for violating these provisions a 4th or subsequent time. The bill would also make it unlawful to transport for the purpose of placing, depositing, or dumping waste matter, rocks, concrete, asphalt, dirt or other construction debris in commercial quantities, as defined, in the locations described above. The bill would specify that the fact that a person is operating a vehicle with actual or apparent rocks, concrete, asphalt, dirt, or other construction debris in their vehicle does not in itself constitute reasonable suspicion to stop or detain the person, or probable cause to arrest the person. For a person who violates these provisions in commercial quantities in excess of 25 cubic yards, the bill would make that violation a misdemeanor punishable in a county jail for not more than one year and by a fine, as specified. For commercial quantities in excess of 50 cubic yards, the bill would make a violation punishable as a misdemeanor or a felony, as specified. By expanding the application of a crime and creating new crimes, this bill would impose a state-mandated local program. (Based on 06/25/2026 text)

AB 2318 (Elhawary, D) Law enforcement: facilitating medical care.

Current Text: 06/25/2026 - Amended **HTML** **PDF**

Introduced: 02/19/2026
Last Amended: 06/25/2026
Status: 08/03/2026 - In committee: Referred to APPR. suspense file.



Location: 08/03/2026 - Senate APPR. SUSPENSE FILE
Summary: Existing law generally provides for the regulation of law enforcement agencies and requires specified law enforcement agencies to maintain policies on, among other things, use of force, hate crimes, and gun violence restraining orders. Existing law requires the Commission on Peace Officer Standards and Training to establish and keep updated a field training officer course relating to competencies of the field training program and police training program that addresses how to interact with persons with certain conditions. This bill would make it unlawful for a law enforcement officer to deny, delay, obstruct, or fail to facilitate access to medical evaluation or treatment for an individual under law enforcement control, but who is not in the custody of, or detained in, a county jail or the state prison, if it is safe and reasonable to provide access to treatment and a medical professional has been requested or is present and is willing to render care to the individual. If access to medical evaluation or treatment is denied or delayed when a medical professional is present and is willing to assist, the bill would require law enforcement to document the basis of the denial within 72 hours of the incident, as specified. (Based on 06/25/2026 text)

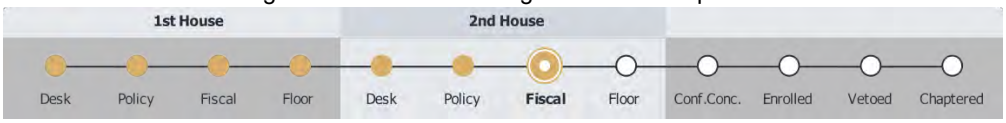
AB 2346 (Wilson, D) Vehicles: electric bicycles and speed limits.

Current Text: 06/18/2026 - Amended **HTML** **PDF**
Introduced: 02/19/2026
Last Amended: 06/18/2026
Status: 08/04/2026 - Read second time. Ordered to third reading.

Location: 08/04/2026 - Senate THIRD READING
Summary: Existing law defines an electric bicycle as a bicycle equipped with fully operable pedals and an electric motor of less than 750 watts, and classifies electric bicycles into 3 classes with different restrictions for various purposes. This bill would require all class 2 electric bicycles manufactured, sold, or offered for sale on or after January 1, 2029, to be equipped with a speedometer. The bill would also require all electric bicycles manufactured, sold, or offered for sale on or after January 1, 2029, to be equipped with an integrated or detachable front lamp and a rear lamp, as specified. The bill would also require sellers and distributors of electric bicycles to disclose specified information at or before the point of sale. (Based on 06/18/2026 text)

SB 28 (Umberg, D) Community Assistance, Recovery, and Empowerment (CARE) court program.

Current Text: 07/02/2026 - Amended **HTML** **PDF**
Introduced: 12/02/2024
Last Amended: 07/02/2026
Status: 08/05/2026 - August 5 set for first hearing. Placed on suspense file.

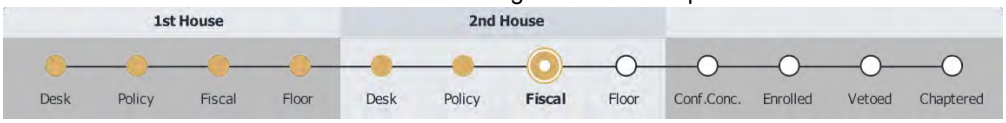


Location: 08/05/2026 - Assembly APPR. SUSPENSE FILE
Summary: The Community Assistance, Recovery, and Empowerment (CARE) Act authorizes specified persons, including a person with whom the respondent resides, family members, and first responders, among others, to petition a civil court to create a voluntary CARE agreement or a court-ordered CARE plan and implement services, to be provided by county behavioral health agencies, to provide behavioral health care, including stabilization medication, housing, and other enumerated services, to adults who are

currently experiencing a severe mental illness and have a diagnosis identified in the disorder class schizophrenia and other psychotic disorders, and who meet other specified criteria. The Lanterman-Petris-Short Act authorizes a conservator of the person, of the estate, or of the person and the estate to be appointed for a person who is gravely disabled as a result of a mental health disorder or impairment by chronic alcoholism. Existing law requires the officer providing the conservatorship investigation, which may include a public guardian or a county mental health program, to investigate all available alternatives to conservatorship and to recommend conservatorship to the court only if no suitable alternatives are available. Existing law requires a conservatorship under these provisions to terminate after one year and specifies procedures if the conservator determines conservatorship is still required. This bill would authorize a conservator to, upon the termination of a conservatorship, request the court refer the conservatee to CARE court, as specified. (Based on 07/02/2026 text)

SB 691 (Wahab, D) Body-worn cameras: policies.

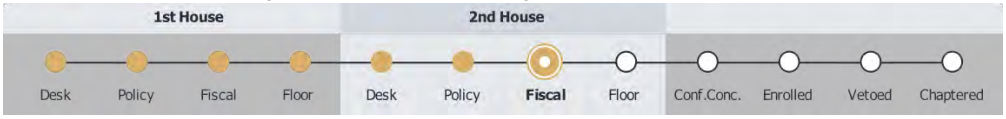
Current Text: 05/26/2026 - Amended **HTML** **PDF**
Introduced: 02/21/2025
Last Amended: 05/26/2026
Status: 06/24/2026 - June 24 set for first hearing. Placed on suspense file.



Location: 06/24/2026 - Assembly APPR. SUSPENSE FILE
Summary: Existing law requires law enforcement agencies, departments, or entities to consider specified best practices regarding the downloading and storage of body-worn camera data, such as specifically stating the length of time that recorded data is to be stored, when establishing policies and procedures for the implementation and operation of a body-worn camera system, as specified. This bill would require, on or before July 1, 2027, each law enforcement agency that has a body-worn camera policy to update that policy to include a procedure for emergency service personnel to request the redaction of evidentiary and nonevidentiary recordings of a patient undergoing medical or psychological evaluation, procedure, or treatment by emergency service personnel, and to maintain an unredacted copy of the recording consistent with the policies and procedures of the agency. (Based on 05/26/2026 text)

SB 758 (Umberg, D) Public health: nitrous oxide.

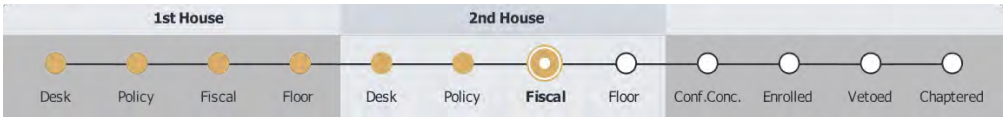
Current Text: 06/24/2026 - Amended **HTML** **PDF**
Introduced: 02/21/2025
Last Amended: 06/24/2026
Status: 08/05/2026 - August 5 set for first hearing. Placed on suspense file.



Location: 08/05/2026 - Assembly APPR. SUSPENSE FILE
Summary: The Cigarette and Tobacco Products Licensing Act of 2003 requires a retailer, as defined, to hold a license from the California Department of Tax and Fee Administration to engage in the sale of cigarettes or tobacco products. This bill would expand those provisions to prohibit a retailer from selling nitrous oxide in any retail location, subject to certain exceptions. The bill would authorize a city or county or city and county to adopt an ordinance imposing greater restrictions on the retail sale of nitrous oxide provided the ordinance does not restrict legitimate uses, as specified. (Based on 06/24/2026 text)

SB 936 (Blakespear, D) Nitrous oxide: sales.

Current Text: 07/02/2026 - Amended **HTML** **PDF**
Introduced: 01/29/2026
Last Amended: 07/02/2026
Status: 08/05/2026 - August 5 set for first hearing. Placed on suspense file.



Location: 08/05/2026 - Assembly APPR. SUSPENSE FILE

Summary: Existing law makes it a misdemeanor to possess nitrous oxide with the intent of inhaling it for specified purposes, including to cause intoxication. Existing law also makes it a misdemeanor to sell nitrous oxide to any person under 18 years of age. Existing law makes it a misdemeanor to dispense nitrous oxide to a person and knowing that the person will use it for specified prohibited purposes, if that person then causes death or great bodily injury to themselves or another person. Existing law, the Cigarette and Tobacco Products Licensing Act of 2003, requires a retailer, as defined, to hold a license from the California Department of Tax and Fee Administration to engage in the sale of cigarettes or tobacco products. This bill would, except as specifically exempted, prohibit the sale and distribution of a nitrous oxide container that is capable of holding more than 8 grams of nitrous oxide or from which an individual may directly inhale nitrous oxide. The bill would also prohibit the sale and distribution of a nitrous oxide that has, or is marketed as having, the taste or smell of any food. The bill would prohibit knowingly selling or distributing a device that allows an individual to inhale nitrous oxide from the container or hold nitrous oxide for the purposes of inhalation. The bill would punish a violation of these provisions as an infraction, as specified. (Based on 07/02/2026 text)

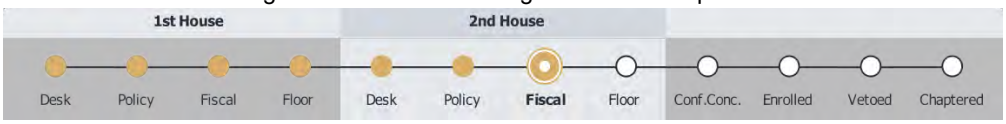
SB 1013 (Cervantes, D) Automated license plate recognition systems.

Current Text: 06/15/2026 - Amended **HTML** **PDF**

Introduced: 02/10/2026 (Spot bill)

Last Amended: 06/15/2026

Status: 08/05/2026 - August 5 set for first hearing. Placed on suspense file.



Location: 08/05/2026 - Assembly APPR. SUSPENSE FILE

Summary: Existing law prohibits a public agency, which includes the state, a city, a county, a city and county, or any agency or political subdivision of the state, a city, a county, or a city and county, including, but not limited to, a law enforcement agency, from selling, sharing, or transferring automated license plate recognition (ALPR) information, except to another public agency, and only as otherwise permitted by law. Existing law defines ALPR information as information or data collected through the use of an ALPR system. This bill would provide that “public agency” does not include a transportation agency, a public transit operator, or a local department of transportation or public works department, as specified. The bill would, beginning January 1, 2027, require new, updated, expansions of, or addendums of contractual agreements with ALPR vendors, manufacturers, or suppliers to mandate that no default access is provided to any national ALPR database and that an agency’s collected scans are by default not accessible to any other agency, and would impose new requirements on sharing between California state law enforcement agencies. The bill would authorize a law enforcement agency to use ALPR information only for purposes of locating vehicles or persons when either are reasonably suspected of being involved in the commission of a public offense or locating an individual who has been reported as missing to a law enforcement agency. (Based on 06/15/2026 text)

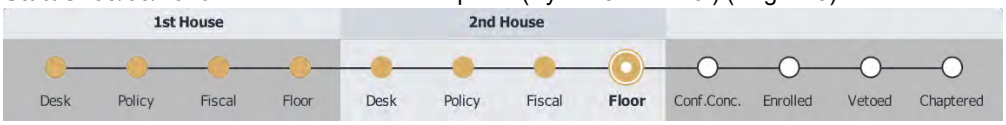
SB 1218 (Arreguín, D) Vehicle immobilization: illegal dumping violation penalties.

Current Text: 07/01/2026 - Amended **HTML** **PDF**

Introduced: 02/19/2026

Last Amended: 07/01/2026

Status: 08/05/2026 - From committee: Do pass. (Ayes 15. Noes 0.) (August 5).

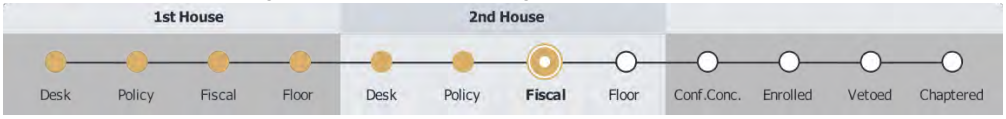


Location: 06/29/2026 - Assembly SECOND READING

Summary: Existing law authorizes a peace officer, as defined, or a regularly employed and salaried employee who is engaged in directing traffic or enforcing parking laws and regulations, as specified, to immobilize a vehicle with a device made for that purpose, if the vehicle is found upon a highway or public lands within the officer or employee's jurisdiction, and the vehicle has been issued 5 or more notices of parking violations that are delinquent because the owner or person in control of the vehicle has not responded within the prescribed time period, or the registered owner has been issued 5 or more notices for failure to pay or failure to appear in court for traffic violations, as specified. Existing law allows a vehicle to be immobilized until the owner or person in control of the vehicle presents the immobilizing law enforcement agency with specified information, including evidence that all outstanding parking penalties have been paid. Existing law makes it unlawful and punishable as an infraction for a person to dump or cause to be dumped waste matter upon a public or private highway or road, upon private property without the consent of the owner, or in or upon a public park or other public property, as specified. Existing law also makes it unlawful and punishable as a misdemeanor for a person to place, deposit, or dump, or cause to be placed, deposited, or dumped, waste matter in commercial quantities, as specified. (Based on 07/01/2026 text)

SB 1230 (Valladares, R) Solid waste: illegal dumping: penalties: resources.

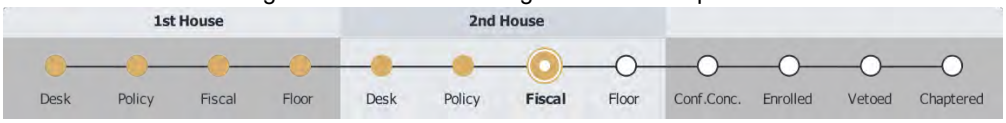
Current Text: 06/25/2026 - Amended **HTML** **PDF**
Introduced: 02/19/2026
Last Amended: 06/25/2026
Status: 08/05/2026 - August 5 set for first hearing. Placed on suspense file.



Location: 08/05/2026 - Assembly APPR. SUSPENSE FILE
Summary: Existing law prohibits the dumping of waste matter upon a road or highway or in other locations, as specified. A violation of this prohibition, generally, is an infraction punishable by specified fines that escalate for subsequent convictions. Under existing law, the dumping of commercial quantities of waste, as defined, is punishable as a misdemeanor and also includes escalating fines. Under existing law, each day that waste is placed, deposited, or dumped in violation of these provisions is a separate violation. This bill would repeal that latter provision making each day a separate violation. The bill would increase the fine for the dumping of commercial quantities of waste from not less than $3,000 nor more than $6,000 to not less than $4,500 nor more than $8,000 for the 2nd conviction and from not less than $6,000 nor more than $10,000 to not less than $8,000 nor more than $10,000 for the 3rd and any subsequent convictions. (Based on 06/25/2026 text)

SB 1257 (Arreguín, D) Federal immigration enforcement: report.

Current Text: 06/24/2026 - Amended **HTML** **PDF**
Introduced: 02/19/2026
Last Amended: 06/24/2026
Status: 08/05/2026 - August 5 set for first hearing. Placed on suspense file.

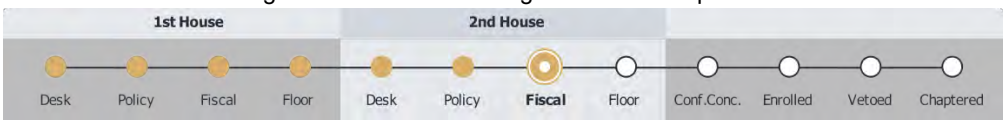


Location: 08/05/2026 - Assembly APPR. SUSPENSE FILE
Summary: The California Values Act requires the Attorney General, by October 1, 2018, in consultation with the appropriate stakeholders, to publish model policies limiting assistance with immigration enforcement to the fullest extent possible consistent with federal and state law at public schools, public libraries, health facilities operated by the state or a political subdivision of the state, courthouses, Division of Labor Standards Enforcement facilities, the Agricultural Labor Relations Board, the Division of Workers' Compensation, and shelters and ensure that they remain safe and accessible to all California residents, regardless of immigration status. The act requires all public schools, health facilities operated by the state or a political subdivision of the state, and courthouses to implement the model policy or an equivalent policy. This bill would require the Attorney General, on or before October 30, 2027, and

annually thereafter, to submit to the Legislature and the Governor, and post on its internet website, a report that includes, among other things, a summary of all immigration enforcement incidents and activities occurring on or after September 1, 2025, conducted by a person at a designated location that have been reported by the designated location or a person who witnessed the activity to the Attorney General, as specified. The bill would authorize the Attorney General to request representatives of a designated location to furnish any reported immigration enforcement incidents and activities as part of compiling its annual report and would authorize the Attorney General to issue civil penalties or conduct other enforcement activity to ensure compliance with these provisions. (Based on 06/24/2026 text)

SB 1314 (Menjivar, D) Cigarette or tobacco product retailers: new retail locations and sale of nitrous oxide.

Current Text: 07/01/2026 - Amended **HTML** **PDF**
Introduced: 02/20/2026
Last Amended: 07/01/2026
Status: 08/05/2026 - August 5 set for first hearing. Placed on suspense file.



Location: 08/05/2026 - Assembly APPR. SUSPENSE FILE
Summary: The Stop Tobacco Access to Kids Enforcement (STAKE) Act requires the State Department of Public Health to establish and develop a program to reduce the availability of tobacco products to persons under 21 years of age through specified enforcement activities. In addition to the primary enforcement responsibility assumed by the department, existing law authorizes other state and local governmental agencies to conduct inspections and assess penalties for violations of the act, as specified, and encourages state and local enforcement agencies to share the results of inspections and coordinate with the department when enforcing the act. In this regard, existing law authorizes an enforcing agency to assess specified civil penalties against any person, firm, or corporation that sells, gives, or in any way furnishes to another person who is under 21 years of age any tobacco, cigarettes, or cigarette papers. Existing law, upon the assessment of a civil penalty for the 3rd, 4th, or 5th violation, requires the department to notify the California Department of Tax and Fee Administration (CDTFA), and requires the CDTFA to assess civil penalties and suspend or revoke a license issued under the Cigarette and Tobacco Products Licensing Act of 2003. This bill, effective July 1, 2027, would prohibit a new retail location for a retailer of cigarettes or tobacco products from being located within a 600-foot radius of a school or a daycare center unless the local jurisdiction specifies a radius greater than 600 feet. The bill would also prohibit a retailer of cigarettes or tobacco products from possessing, storing, owning, or selling nitrous oxide or paraphernalia relating to the consumption of nitrous oxide. Regional Issues and Collaboration LAP

AB 1821 (Pacheco, D) California Public Records Act: agency response time.

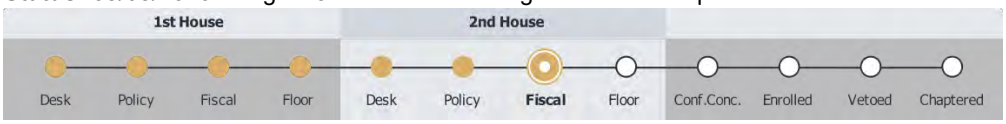
Current Text: 06/25/2026 - Amended **HTML** **PDF**
Introduced: 02/11/2026
Last Amended: 06/25/2026
Status: 08/04/2026 - Read second time. Ordered to third reading.

Location: 08/04/2026 - Senate THIRD READING
Summary: The California Public Records Act requires each state or local agency, upon a request for a copy of records that reasonably describes an identifiable record or records, to make the records promptly available to any person upon payment of fees covering direct costs of duplication, or a statutory fee if applicable, except with respect to public records exempt from disclosure by express provisions of law. Existing law requires each agency, within 10 days of a request for a copy of records, to determine whether the request seeks copies of disclosable public records in possession of the agency and to

promptly notify the person of the determination and the reasons therefor. Existing law authorizes that time limit to be extended by no more than 14 days under unusual circumstances, as defined. This bill would instead require each agency to determine whether the request seeks copies of disclosable public records in possession of the agency and to promptly notify the person as described above within 10 business days of a request for a copy of records. (Based on 06/25/2026 text)

SB 239 (Arreguín, D) Crimes: criminal threats.

Current Text: 07/02/2026 - Amended **HTML** **PDF**
Introduced: 01/30/2025
Last Amended: 07/02/2026
Status: 08/05/2026 - August 5 set for first hearing. Placed on suspense file.

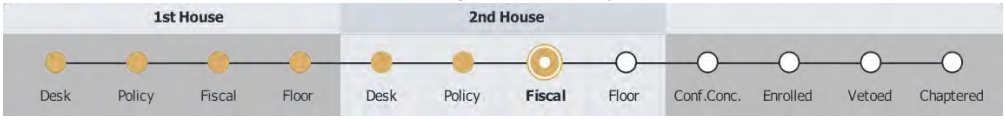


Location: 08/05/2026 - Assembly APPR. SUSPENSE FILE
Summary: Existing law makes it a crime to willfully threaten to commit a crime that will result in death or great bodily injury to another person, as specified. Under existing law, this crime is punishable as a misdemeanor or by imprisonment in state prison as a felony. Existing law, for the purposes of sentencing for a felony violation of these provisions, authorizes the court to consider, as a factor in aggravation, that the defendant willfully threatened to commit a crime that would result in the death or great bodily injury of a state constitutional officer, a Member of the Legislature, or a judge or court commissioner, as specified. This bill would additionally authorize the court to consider, as a factor in aggravation, that the defendant willfully threatened to commit a crime that would result in the death or great bodily injury of an elections official of a city, county, city and county, or public district, or an elected local agency official, as specified. (Based on 07/02/2026 text)

Sustainability and Environmental Protection LAP

AB 1704 (González, Mark, D) Greenhouse gases: embodied carbon building materials.

Current Text: 06/23/2026 - Amended **HTML** **PDF**
Introduced: 02/04/2026
Last Amended: 06/23/2026
Status: 07/29/2026 - In committee: Hearing postponed by committee.



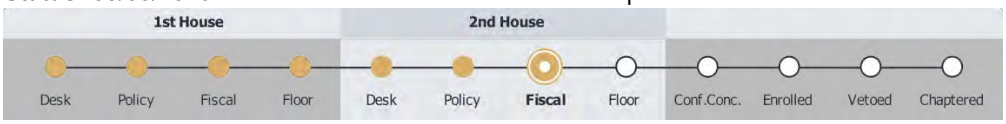
Location: 06/17/2026 - Senate Appropriations
Summary: Existing law requires, by December 31, 2026, the State Air Resources Board, in consultation with relevant stakeholders, as provided, to develop a framework for measuring the average carbon intensity of the materials used in the construction of new buildings, including those for residential uses. Existing law requires, by December 31, 2028, the state board to develop a comprehensive strategy for the state's building sector to achieve a 40% net reduction in greenhouse gas emissions of building materials, as specified, as soon as possible, but no later than December 31, 2035. Existing law authorizes the state board to establish an embodied carbon trading system, as defined, in compliance with these requirements, as provided. This bill would require the state board to determine whether using building materials with lower embodied carbon would be cost effective during the first 2-year period of their use compared to using conventional building materials before implementing the above-described provisions. (Based on 06/23/2026 text)

AB 2234 (Papan, D) California Environmental Quality Act: geothermal exploratory projects.

Current Text: 07/06/2026 - Amended **HTML** **PDF**
Introduced: 02/19/2026

Last Amended: 07/06/2026

Status: 08/03/2026 - In committee: Referred to APPR. suspense file.



Location: 08/03/2026 - Senate APPR. SUSPENSE FILE

Summary: Existing law establishes the Geologic Energy Management Division in the Department of Conservation. Existing law requires the division to be the lead agency for all geothermal exploratory projects for purposes of the California Environmental Quality Act (CEQA), except as provided. Existing law defines "geothermal exploratory project," for purposes of CEQA, in part as a project composed of not more than 6 wells and associated drilling and testing equipment whose chief and original purpose is to evaluate the presence and characteristics of geothermal resources. Existing law requires wells included within a geothermal exploratory project to be located at least 1/2 mile from geothermal development wells that are capable of producing geothermal resources in commercial quantities. This bill would expressly include as part of a geothermal exploratory project, among other things, equipment and activities necessary to establish interconnectivity between wells and reservoirs. The bill would specify that the above-described 1/2 mile limit is measured from any point along the wellhead location and well course and would exclude certain wells connecting to geothermal reservoirs from this limit if written consent is provided by the owner and operator of the geothermal development well that is producing in commercial quantities, as specified. Transportation Issues LAP

AB 939 (Schultz, D) Housing development: density bonuses: affordability of for-sale units.

Current Text: 01/15/2026 - Amended **HTML** **PDF**

Introduced: 02/19/2025

Last Amended: 01/15/2026

Status: 06/23/2026 - Read second time. Ordered to third reading.

Location: 06/23/2026 - Senate THIRD READING

Summary: The Density Bonus Law requires a city or county to provide a developer that proposes a housing development, as defined, within the city or county with a density bonus, other incentives or concessions, and waivers or reductions of development standards, as specified, if the developer agrees to construct specified units and meets other requirements. Current law, among other things, requires compliance with certain affordability requirements, including requiring that the applicant agree to ensure, and that the city, county, or city and county ensure, that a for-sale unit that qualified the applicant for the award of the density bonus is either (1) initially sold to and occupied by a person or family of very low, low, or moderate income, as specified, or (2) if the unit is not purchased by an income-qualified person or family within 180 days after the issuance of the certificate of occupancy, the unit is purchased by a qualified nonprofit housing corporation, as provided. This bill would additionally allow the applicant and the city, county, or city and county to comply with the above-described affordability requirements with respect to a for-sale unit by ensuring that the unit is purchased by a nonprofit corporation, as specified, for properties to be sold to and occupied by extremely low, very low, or lower income families who participate in a below-market interest rate loan program, as described. (Based on 01/15/2026 text)

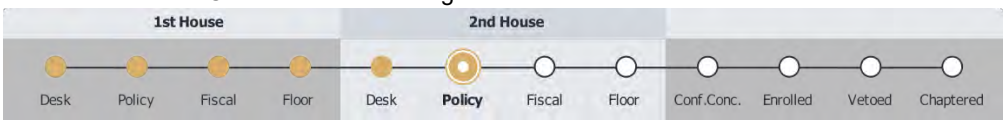
AB 1421 (Wilson, D) Vehicles: Road Usage Charge Technical Advisory Committee.

Current Text: 01/05/2026 - Amended **HTML** **PDF**

Introduced: 02/21/2025

Last Amended: 01/05/2026

Status: 01/29/2026 - Read third time. Passed. Ordered to the Senate. (Ayes 49. Noes 21.) In Senate. Read first time. To Com. on RLS. for assignment.



Location: 01/29/2026 - Senate Rules

Summary: Current law requires the Chair of the California Transportation Commission to create a Road Usage Charge Technical Advisory Committee in consultation with the Secretary of Transportation to guide the development and evaluation of a pilot program assessing the potential for mileage-based revenue collection as an alternative to the gas tax system. Current law additionally requires the Transportation Agency, in consultation with the commission, to implement the pilot program, as specified. Current law repeals these provisions on January 1, 2027. This bill would require the commission, in consultation with the Transportation Agency, to consolidate and prepare research and recommendations related to a road user charge or a mileage-based fee system. The bill would require the commission to submit a report, as specified, on the research and recommendations described above to the appropriate policy and fiscal committees of the Legislature by no later than January 1, 2027. (Based on 01/05/2026 text)

AB 1976 (Wicks, D) Streets and highways: pedestrian and bicycle facilities.

Current Text: 06/17/2026 - Amended **HTML** **PDF**

Introduced: 02/13/2026

Last Amended: 06/17/2026

Status: 08/04/2026 - Read second time. Ordered to third reading.

Location: 08/04/2026 - Senate THIRD READING

Summary: Existing law grants the legislative body of a city certain powers with respect to city streets and highways, including the power to construct and maintain those streets and highways. Existing law grants the board of supervisors of a county general supervision, management, and control of county highways and authorizes the board of supervisors to lay out, construct, improve, and maintain county highways. This bill would prohibit a city or county from holding a community input meeting to reconsider, delay, or prevent implementation of a proposed pedestrian or bicycle safety project after that project has passed 90% design, as specified. After or upon the award of a contract for, or when county or city staff, as applicable, are directed to begin, the construction of a pedestrian or bicycle safety project, the bill would prohibit the city or county from terminating the project unless the city or county makes at least one specified finding at a public meeting. (Based on 06/17/2026 text)

AB 2024 (Nguyen, D) Outdoor advertising displays: permits: landscaped freeways: relocation agreements.

Current Text: 06/15/2026 - Amended **HTML** **PDF**

Introduced: 02/17/2026

Last Amended: 06/15/2026

Status: 08/04/2026 - Read second time. Ordered to third reading.

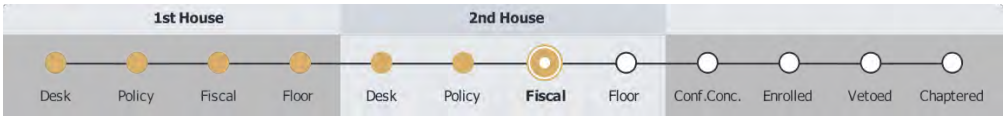
Location: 08/04/2026 - Senate THIRD READING

Summary: The Outdoor Advertising Act prohibits a person, as defined, from placing an advertising display within the areas affected by the act without a permit. The act prohibits the Department of Transportation from denying or delaying the acceptance of a permit application for a new advertising display along a portion of a new alignment of an interstate or primary highway on the basis that the highway project has not been accepted as complete if the section of highway is open to the use of the public for vehicular travel within 1,000 feet of the location specified in the permit application. This bill

would also prohibit the department from denying or delaying the review, processing, or determination of a permit application described above. (Based on 06/15/2026 text)

AB 2059 (Wilson, D) California Environmental Quality Act: transportation impacts: vehicle miles traveled: mitigation.

Current Text: 04/22/2026 - Amended **HTML** **PDF**
Introduced: 02/18/2026
Last Amended: 04/22/2026
Status: 08/03/2026 - In committee: Referred to APPR. suspense file.



Location: 08/03/2026 - Senate APPR. SUSPENSE FILE
Summary: The California Environmental Quality Act (CEQA) requires a lead agency to prepare a mitigated negative declaration for a project that may have a significant effect on the environment if revisions in the project would avoid or mitigate that effect and there is no substantial evidence that the project, as revised, would have a significant effect on the environment. CEQA requires the Office of Land Use and Climate Innovation to prepare, develop, and transmit to the Secretary of the Natural Resources Agency for certification and adoption proposed revisions to the CEQA implementation guidelines to establish criteria for determining the significance of transportation impacts of projects within transit priority areas, and requires the criteria to promote the reduction of greenhouse gas emissions, the development of multimodal transportation networks, and a diversity of land uses. CEQA requires the office to recommend potential metrics, including, among other metrics, vehicle miles traveled, to measure these transportation impacts. This bill would, except as provided, specify that a transportation project is presumed to have a less than significant transportation impact as determined by the vehicle-miles-traveled metric if at least 80% of the project lies within one or more nonmetropolitan counties. (Based on 04/22/2026 text)

AB 2307 (Sanchez, R) Transportation: traffic signal synchronization pilot program: Western Riverside Council of Governments.

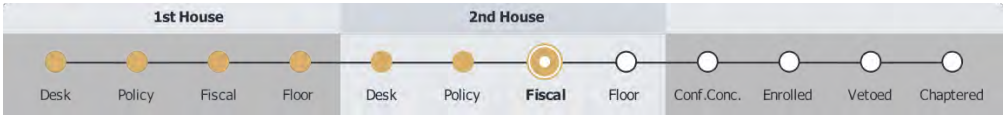
Current Text: 04/06/2026 - Amended **HTML** **PDF**
Introduced: 02/19/2026
Last Amended: 04/06/2026
Status: 08/04/2026 - Read second time. Ordered to Consent Calendar.

Location: 08/03/2026 - Senate CONSENT CALENDAR
Summary: Would, until January 1, 2032, authorize the Western Riverside Council of Governments, in required coordination with the Department of Transportation, to establish and administer a traffic signal synchronization pilot program for its member local agencies to evaluate a regional model for coordinating traffic signal timing between state highways and local street and road systems, as specified. The bill would require the Western Riverside Council of Governments, in coordination with the department, to evaluate the effectiveness of the pilot program, including assessing its impacts on congestion, travel time reliability, operational efficiency, and vehicle emissions and to submit, on or before January 1, 2028, a specified report to the Legislature relating to the pilot program. This bill would make legislative findings and declarations as to the necessity of a special statute for the local agencies that constitute the Western Riverside Council of Governments. (Based on 04/06/2026 text)

AB 2560 (Schultz, D) Climate Action Plan for Transportation Infrastructure: goals.

Current Text: 04/15/2026 - Amended **HTML** **PDF**
Introduced: 02/20/2026
Last Amended: 04/15/2026

Status: 08/03/2026 - In committee: Referred to APPR. suspense file.



Location: 08/03/2026 - Senate APPR. SUSPENSE FILE

Summary: Existing law establishes the Transportation Agency, which has the power of general supervision over specified state entities. Existing law requires the agency to develop and report on legislative, budgetary, and administrative programs to accomplish comprehensive, long-range, coordinated planning and policy formation in the matters of public interest related to the agency. This bill would establish specified goals for the Climate Action Plan for Transportation Infrastructure (CAPTI), consistent with state law. (Based on 04/15/2026 text)

AB 2679 (Hadwick, R) State highways: public parking: traffic control.

Current Text: 07/09/2026 - Amended **HTML** **PDF**

Introduced: 02/20/2026

Last Amended: 07/09/2026

Status: 08/03/2026 - In committee: Referred to APPR. suspense file.

Location: 08/03/2026 - Senate APPR. SUSPENSE FILE

Summary: Existing law establishes the Department of Transportation and vests the department with full possession and control of all state highways and all property and rights in property acquired for state highway purposes. Existing law establishes the Tahoe Transportation District as a special purpose district managed by representatives from the States of California and Nevada to, among other things, operate a public transportation system in the Lake Tahoe Basin. This bill would authorize the department, within the Tahoe corridor, to contract with a state agency, a local government, or the district relating to safety, access, and parking in the corridor to (1) designate the portions of state highways that constitute the corridor, (2) prevent unsafe parking and pedestrian movement in the corridor, as provided, and (3) enhance public access to the corridor and public recreation sites, by, among other things, developing public parking, establishing and collecting fees for public parking, and developing transit facilities and pedestrian pathways to connect public parking to recreation sites, as specified. This bill would require all moneys collected from a fee for that public parking to be deposited into the Tahoe Safe Recreation Access Fund, which the bill would establish, and would, upon appropriation by the Legislature, require the department to use those moneys for purposes of improving transportation facilities on state highways in the Tahoe Basin, as specified. (Based on 07/09/2026 text)

SB 667 (Archuleta, D) Railroads: safety: report.

Current Text: 06/03/2026 - Amended **HTML** **PDF**

Introduced: 02/20/2025

Last Amended: 06/03/2026

Status: 07/01/2026 - July 1 set for first hearing. Placed on suspense file.

Location: 07/01/2026 - Assembly APPR. SUSPENSE FILE

Summary: Existing law requires the Public Utilities Commission to annually report to the Legislature on sites on railroad lines in the state that the commission finds to be hazardous, including a list of all railroad sites in the state that it determines pose a local safety hazard. Existing law authorizes the commission to submit in the annual report the list of railroad sites submitted in the immediate prior year annual report, and to amend or revise that list from the immediate prior year as necessary. In determining which railroad sites pose a local safety hazard, existing law requires the commission to consider, among other things, whether any local safety hazards at railroad sites have been eliminated or sufficiently remediated to

warrant removal of the site from the list. This bill would require the commission, on or before July 1, 2029, to review the list of railroad sites and, in the annual report, to include an evaluation of each site on the list and determine whether changes in conditions, operations, or safety data warrant the removal, modification, or addition of any site. (Based on 06/03/2026 text)

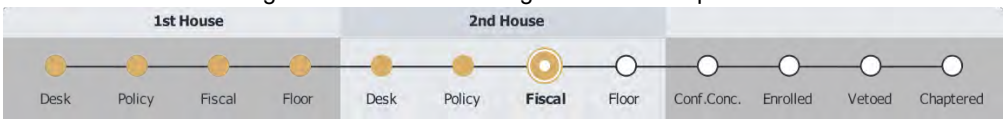
SB 922 (Laird, D) Vehicles: local agency charges: use of streets or highways.

Current Text: 07/02/2026 - Amended **HTML** **PDF**
Introduced: 01/28/2026
Last Amended: 07/02/2026
Status: 08/03/2026 - Read second time. Ordered to third reading.

Location: 08/03/2026 - Assembly THIRD READING
Summary: Existing law prohibits a local agency from imposing a tax, permit fee, or other charge for the privilege of using its streets or highways, other than a permit fee for an extralegal load unless the local agency had imposed the fee prior to June 1, 1989. This bill would explicitly state that a fee, charge, surcharge, or component thereof imposed upon the provider of, or ratepayer for, public services by or for a local agency to recover the cost of street maintenance and repair and other costs associated with the use of its streets, roads, or highways to provide those public services is not a tax, permit fee, or other charge that is prohibited by the provision described above. The bill would provide that nothing in the Vehicle Code prohibits a local agency from imposing or collecting this fee, charge, or surcharge. (Based on 07/02/2026 text)

SB 1087 (Cabaldon, D) Transportation planning: sustainable communities strategies: transportation funding programs.

Current Text: 06/25/2026 - Amended **HTML** **PDF**
Introduced: 02/13/2026
Last Amended: 06/25/2026
Status: 08/05/2026 - August 5 set for first hearing. Placed on suspense file.

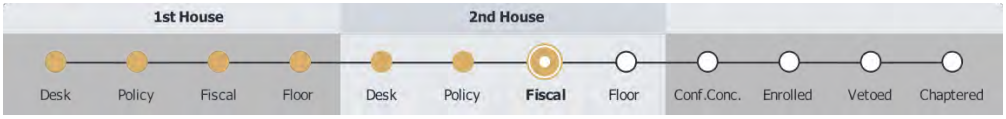


Location: 08/05/2026 - Assembly APPR. SUSPENSE FILE
Summary: Existing law requires certain transportation planning agencies to prepare and adopt regional transportation plans directed at achieving a coordinated and balanced regional transportation system. Existing law requires a regional transportation plan to include a policy element, a sustainable communities strategy prepared by a metropolitan planning organization, an action element, and a financial element, as provided. Existing law requires those transportation planning agencies to adopt and submit every 4 years, except as provided, an updated regional transportation plan to the California Transportation Commission and the Department of Transportation. Existing law requires a sustainable communities strategy to achieve regional targets set by the State Air Resources Board for the reduction of greenhouse gas emissions from the automobile and light truck sector in the region for 2020 and 2035, respectively, and requires the state board to update those targets every 8 years, consistent with each metropolitan planning organization's timeframe for updating its regional transportation plan, as specified. Existing law establishes certain procedural requirements for setting and updating those targets and authorizes the state board to revise the targets every 4 years based on changes in specified factors. This bill would instead require, commencing with the first or 2nd regional transportation plan prepared on or after January 1, 2027, as determined by the applicable metropolitan planning organization, the regional transportation plan to include an 8-year sustainable communities strategy prepared by the metropolitan planning organization. (Based on 06/25/2026 text)

SB 1293 (Alvarado-Gil, R) State highways: projects: notice.

Current Text: 04/06/2026 - Amended **HTML** **PDF**

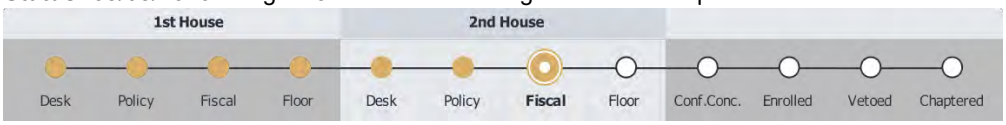
Introduced: 02/20/2026
Last Amended: 04/06/2026
Status: 08/05/2026 - August 5 set for first hearing. Placed on suspense file.



Location: 08/05/2026 - Assembly APPR. SUSPENSE FILE
Summary: Would require the Department of Transportation to provide written notice of certain construction or maintenance projects within the right-of-way of a state highway in a county with a population of 60,000 people or fewer to a person who resides in, or a business that is located within, 5 miles of the project limits, as specified. The bill would also require the department to place the notice on its internet website. (Based on 04/06/2026 text)

SB 1337 (Richardson, D) State Energy Resources Conservation and Development Commission: air districts and local governments: transportation fuels refining facilities: memoranda of understanding.

Current Text: 06/29/2026 - Amended **HTML** **PDF**
Introduced: 02/20/2026
Last Amended: 06/29/2026
Status: 08/05/2026 - August 5 set for first hearing. Placed on suspense file.



Location: 08/05/2026 - Assembly APPR. SUSPENSE FILE
Summary: Existing law requires the State Energy Resources Conservation and Development Commission, on or before January 1, 2024, and every 3 years thereafter, to submit an assessment to the Legislature that, among other things, identifies methods to ensure a reliable supply of affordable and safe transportation fuels in California and evaluates the price of transportation fuels, including branded and unbranded retail prices, alternate formulations of gasoline with lower carbon impact, and other products suitable for production from refineries in California, as provided. Existing law establishes the Division of Petroleum Market Oversight within the commission to, among other things, provide independent oversight and analysis of the transportation fuels market for the protection of consumers by identifying market design flaws, market power abuses, and any other manner by which market participants act to harm competition or act contrary to the best interests of the consumers in the state. Existing law requires the director of the division, when requested, to appear before the appropriate policy committees of the Legislature to provide an update on the division's performance as compared to its objectives, the status of competition in the transportation fuels markets, and other information the committees' request. This bill would require the commission, on or before January 31, 2029, to enter into memoranda of understanding with relevant air districts and local governments with transportation fuels refining facilities within their jurisdictions to enable the coordination that is needed to ensure the transportation fuels sector is successfully managed and maintains environmental, public health, labor, economic, and consumer protections. (Based on 06/29/2026 text)

SB 1382 (Alvarado-Gil, R) Department of Transportation: mountain passes: openings.

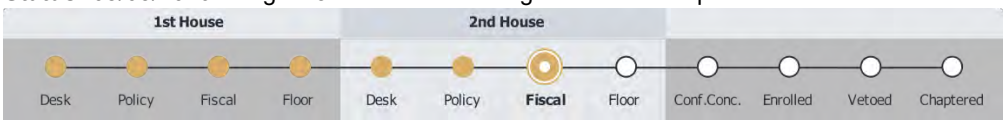
Current Text: 04/06/2026 - Amended **HTML** **PDF**
Introduced: 02/20/2026
Last Amended: 04/06/2026
Status: 08/05/2026 - August 5 set for first hearing. Placed on suspense file.

Location: 08/05/2026 - Assembly APPR. SUSPENSE FILE
Summary: Existing law requires the Department of Transportation, on or before July 1, 1992, to adopt and implement a deicing policy for state highways, as specified. Existing law specifically requires the

department to remove snow from a specified portion of Interstate Route 80, as specified. This bill would require, on or before April 1 of each year, the department, to the extent feasible, to notify an affected local official of the department's proposed schedule for opening a mountain pass, as defined. The bill would require the department to develop a public outreach plan to inform the public about the closing and opening of a mountain pass, as specified. (Based on 04/06/2026 text)

SB 1423 (Stern, D) Regional planning: standardized spatial planning datasets.

Current Text: 06/22/2026 - Amended **HTML** **PDF**
Introduced: 02/20/2026
Last Amended: 06/22/2026
Status: 08/05/2026 - August 5 set for first hearing. Placed on suspense file.

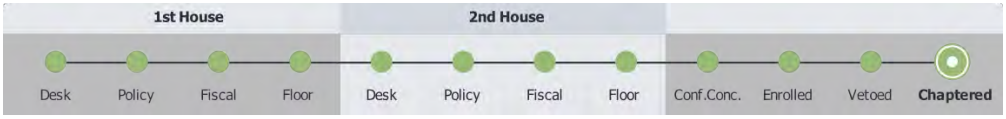


Location: 08/05/2026 - Assembly APPR. SUSPENSE FILE
Summary: Existing law establishes the Office of Land Use and Climate Innovation in the Governor's office for the purpose of serving the Governor and the Governor's cabinet as staff for long-range planning and research and constituting the comprehensive state planning agency. This bill would require the office, on or before July 1, 2027, to compile, standardize, maintain, and make publicly available through a consolidated online platform a core set of statewide standardized spatial planning datasets, as defined. The bill would require the datasets to include specified categories of information, including hazardous risk data, natural resource sensitivity data, and agricultural value data, as provided. The bill would also require the office, on or before January 1, 2028, to develop and provide guidance for agencies to inform how to use and integrate the datasets in regional planning processes and products. The bill would require the office to update those datasets at least every 3 years, as provided. (Based on 06/22/2026 text)

Water Supply and Conservation LAP

AB 35 (Alvarez, D) Safe Drinking Water, Wildfire Prevention, Drought Preparedness, and Clean Air Bond Act of 2024: Administrative Procedure Act: exemption: program guidelines and selection criteria.

Current Text: 07/16/2026 - Chaptered **HTML** **PDF**
Introduced: 12/02/2024
Last Amended: 06/11/2026
Status: 07/16/2026 - Approved by the Governor. Chaptered by Secretary of State - Chapter 89, Statutes of 2026.

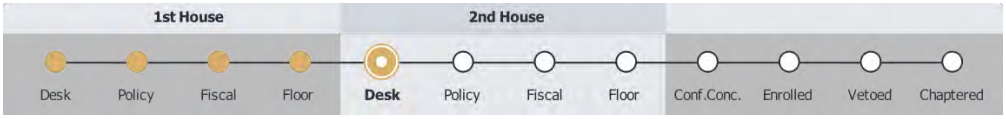


Location: 07/16/2026 - Assembly CHAPTERED
Summary: The Administrative Procedure Act sets forth the requirements for the adoption, publication, review, and implementation of regulations by state agencies. The Safe Drinking Water, Wildfire Prevention, Drought Preparedness, and Clean Air Bond Act of 2024 (act), approved by the voters as Proposition 4 at the November 5, 2024, statewide general election, authorized the issuance of bonds in the amount of $10,000,000,000 pursuant to the State General Obligation Bond Law to finance projects for safe drinking water, drought, flood, and water resilience, wildfire and forest resilience, coastal resilience, extreme heat mitigation, biodiversity and nature-based climate solutions, climate-smart, sustainable, and resilient farms, ranches, and working lands, park creation and outdoor access, and clean air programs. Existing law authorizes certain regulations needed to effectuate or implement programs of the act to be adopted as emergency regulations in accordance with the Administrative Procedure Act, as provided. Existing law requires the emergency regulations to be filed with the Office of Administrative Law and requires the emergency regulations to remain in effect until repealed or amended by the adopting state agency. This bill, notwithstanding the above, would exempt the adoption of regulations needed to effectuate or implement programs of the act from the requirements of the Administrative Procedure Act,

as provided. The bill would require a state entity that receives funding to administer a competitive grant program established using the Administrative Procedure Act exemption to do certain things, including, among other things, to develop draft project solicitation and evaluation guidelines, to transmit copies of those guidelines to the fiscal committees and to the appropriate policy committees of the Legislature, to hold a noticed public meeting on those guidelines, and to submit those guidelines to the Secretary of the Natural Resources Agency, except as provided. (Based on 07/16/2026 text)

AB 643 (Wilson, D) Climate change: short-lived climate pollutants: organic waste reduction.

Current Text: 06/03/2026 - Amended **HTML** **PDF**
Introduced: 02/13/2025
Last Amended: 06/03/2026
Status: 08/04/2026 - In Senate. Held at Desk.



Location: 08/03/2026 - Senate DESK
Summary: Existing law establishes methane emissions reduction goals that include a target to reduce landfill disposal of organics by 75% of the 2014 level of the statewide disposal of organic waste by 2025. Existing law requires the Department of Resources Recycling and Recovery, in consultation with the State Air Resources Board, to adopt regulations to achieve the organic waste reduction goals. Existing law authorizes a local jurisdiction to count specified recovered organic waste products towards up to 10% of its recovered organic waste procurement target. This bill would additionally authorize a local jurisdiction to count a beneficial agricultural amendment derived from organic waste processed with biosolids towards up to that 10% of its recovered organic waste procurement target if the material is processed at a facility authorized by the department using specified approved technologies, the material is registered or approved for end use as a fertilizing material by the Department of Food and Agriculture, as provided, and the material is not derived from, or processed using, specified activities relating to the final deposition or management of solid waste, as provided. (Based on 06/03/2026 text)

AB 2619 (Papan, D) Water resources: data centers.

Current Text: 07/02/2026 - Amended **HTML** **PDF**
Introduced: 02/20/2026
Last Amended: 07/02/2026
Status: 08/03/2026 - In committee: Set, first hearing. Hearing canceled at the request of author.

Location: 07/01/2026 - Senate Appropriations
Summary: Existing law authorizes the legislative body of an incorporated city and the county board of supervisors to license businesses carried on within their respective jurisdictions and to set license fees, as specified. This bill would require a person who owns or operates a data center, prior to applying to a city or a county for an initial business license, equivalent instrument, or permit, to provide its water supplier, under penalty of perjury, a good faith estimate of the expected water use, the anticipated source of water, and the data center's projected water use volume for the maximum day, maximum month, and average year. When applying to a city or county for an initial business license, the bill would require a person who owns or operates a data center to report, under penalty of perjury, on the application, a good faith estimate of the expected water use, the anticipated source of water, and the data center's projected water use volume for the maximum day, maximum month, and average year. When applying to a city or county for a renewal of a business license, equivalent instrument, or permit, the bill would require a person who owns or operates a data center to report, under penalty of perjury, on the application, the data center's annual water use for the preceding calendar year, including total water and direct water use, as prescribed. (Based on 07/02/2026 text)

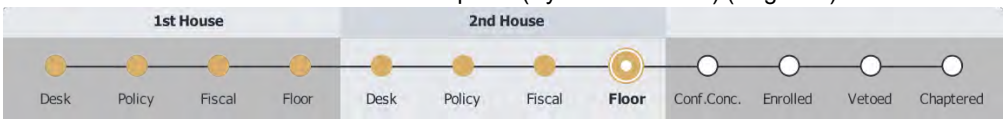
AB 2777 (Committee on Environmental Safety and Toxic Materials) State Water Pollution Control Revolving Fund program: loans: outdoor eating areas: water reuse.

Current Text: 03/26/2026 - Amended **HTML** **PDF**
Introduced: 02/24/2026
Last Amended: 03/26/2026
Status: 08/04/2026 - Read second time. Ordered to third reading.

Location: 08/04/2026 - Senate THIRD READING
Summary: Existing law establishes the State Water Pollution Control Revolving Fund program, pursuant to which state and federal funds are continuously appropriated from the State Water Pollution Control Revolving Fund to the State Water Resources Control Board for loans and other financial assistance for purposes related to the federal Clean Water Act. Existing law establishes the State Water Pollution Control Revolving Fund Administration Fund (administration fund) to provide funds, upon appropriation by the Legislature, to be expended by the state board for payment of the reasonable costs of administering the State Water Pollution Control Revolving Fund. Existing law authorizes the state board to assess an annual charge for financial assistance services, not to exceed 1% of the financial assistance repayment amount and computed according to the true interest cost method, as provided, and requires those annual charges to be deposited into the administration fund. Existing law authorizes the financial service rate to be applied at any time during the term of the financial assistance and requires the rate to remain unchanged for the duration of the financial assistance. Existing law prohibits the financial assistance rate from increasing the financial assistance repayment amount after being applied. Existing law requires the state board to, at least once each fiscal year, adjust the financial assistance service rate. Existing law requires the state board to set the total amount of revenue collected each year through the annual charges at an amount that is equal as practicable to the appropriation amount set forth in the annual Budget Act. This bill would additionally authorize the state board to assess fees in place of an annual charge for financial assistance and would authorize the fees or annual charge to be assessed at any rate as permitted by federal law. (Based on 03/26/2026 text)

SB 1153 (Caballero, D) Disaster preparedness: urban retail water suppliers and public water systems: wildfire.

Current Text: 06/22/2026 - Amended **HTML** **PDF**
Introduced: 02/18/2026
Last Amended: 06/22/2026
Status: 08/05/2026 - From committee: Do pass. (Ayes 15. Noes 0.) (August 5).

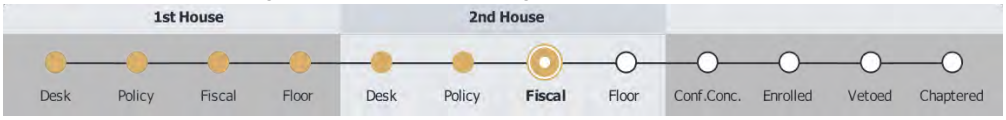


Location: 06/30/2026 - Assembly SECOND READING
Summary: The California Emergency Services Act requires all public water systems, as defined, with 10,000 or more service connections to review and revise their disaster preparedness plans in conjunction with related agencies, including, but not limited to, local fire departments and the Office of Emergency Services, to ensure that the plans are sufficient to address possible disaster scenarios. A person, as defined, who violates the provisions of this act is guilty of a misdemeanor. This bill, beginning January 1, 2028, would require all urban retail water suppliers, as defined, serving a high or very high fire hazard severity zone to include incident-specific response procedures for wildfires as part of their disaster preparedness plans, including any applicable emergency response plan as required by federal law. The bill would require these plans to include, among other things, mitigation actions, including actions, procedures, and equipment, that can obviate or significantly lessen the impact of a wildfire on the water system and the supply of drinking water provided by the water supplier. (Based on 06/22/2026 text)

League of California Cities Sponsored Legislation

SB 490 (Umberg, D) Alcohol and drug programs.

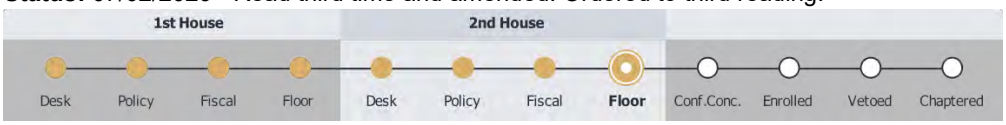
Current Text: 07/02/2026 - Amended **HTML** **PDF**
Introduced: 02/19/2025
Last Amended: 07/02/2026
Status: 08/05/2026 - August 5 set for first hearing. Placed on suspense file.



Location: 08/05/2026 - Assembly APPR. SUSPENSE FILE
Summary: Existing law provides for the licensure and regulation of adult alcohol or other drug recovery or treatment facilities by the State Department of Public Health and prohibits the operation of one of those facilities without a current valid license. Existing law requires the department, if a facility is alleged to be in violation of that prohibition, to conduct a site visit to investigate the allegation. Existing law requires, if the department's employee or agent finds evidence that the facility is providing services without a license, the employee or agent to take specified actions, including, among others, submitting the findings of the investigation to the department and issuing a written notice to the facility that includes the date by which the facility is required to cease providing services. This bill would require the department, if it determines it has jurisdiction over the allegation, to assign the complaint to an analyst within 10 days of receiving the allegation and, except as specified, complete the investigation within 120 days of assigning the complaint. The bill would require the department, if it receives a complaint that does not fall under its jurisdiction, to notify, to the extent feasible, the complainant that it does not investigate that type of complaint. The bill would require the employee or agent to provide the notice described above within 10 days of the employee or agency submitting their findings to the department and to conduct a followup site visit to determine whether the facility has ceased providing services as required. (Based on 07/02/2026 text)

SB 1005 (Caballero, D) Local agency: payment: rounding amount.

Current Text: 07/02/2026 - Amended **HTML** **PDF**
Introduced: 02/09/2026
Last Amended: 07/02/2026
Status: 07/02/2026 - Read third time and amended. Ordered to third reading.



Location: 06/08/2026 - Assembly THIRD READING
Summary: Existing law requires a public agency to accept specified methods of payment for designated obligations. This bill would authorize a local agency to round the amount of any payment made wholly or partly in cash to the local agency, or any refund or other amount tendered wholly or partly in cash by the local agency, to the nearest $0.05. The bill would apply to a local agency only if the governing body of the local agency adopts, by majority vote, a resolution to make its provisions applicable to the local agency. (Based on 07/02/2026 text)

Local Representative Legislation

AB 1564 (Ahrens, D) Employer-employee relations: confidential communications.

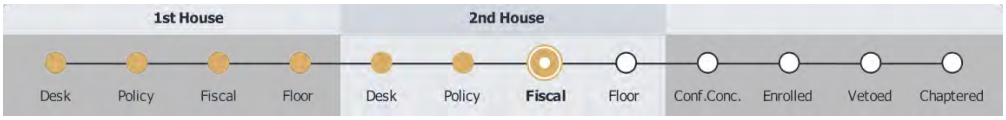
Current Text: 05/18/2026 - Amended **HTML** **PDF**
Introduced: 01/12/2026
Last Amended: 05/18/2026
Status: 08/03/2026 - In committee: Referred to APPR. suspense file.

Location: 08/03/2026 - Senate APPR. SUSPENSE FILE

Summary: Existing law that governs the labor relations of public employees and employers, including, among others, the Meyers-Milias-Brown Act, the Ralph C. Dills Act, provisions relating to public schools, and provisions relating to higher education prohibits employers from taking certain actions relating to employee organization, including imposing or threatening to impose reprisals on employees, discriminating or threatening to discriminate against employees, or otherwise interfering with, restraining, or coercing employees because of their exercise of their guaranteed rights. Those provisions of existing law further prohibit denying to employee organizations the rights guaranteed to them by existing law. This bill would prohibit a public employer from questioning a public employee, a representative of a recognized employee organization, or an exclusive representative regarding communications made in confidence between an employee and an employee representative in connection with representation relating to any matter within the scope of the recognized employee organization's representation. (Based on 05/18/2026 text)

AB 1599 (Ahrens, D) Public transit: California Transit Stop Registry: transit datasets.

Current Text: 06/04/2026 - Amended **HTML** **PDF**
Introduced: 01/16/2026
Last Amended: 06/04/2026
Status: 08/03/2026 - In committee: Referred to APPR. suspense file.

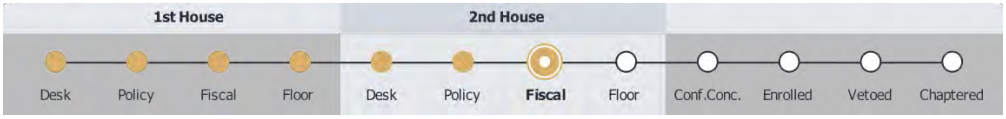


Location: 08/03/2026 - Senate APPR. SUSPENSE FILE

Summary: Would require the Department of Transportation to create, on or before June 1, 2027, the California Transit Stop Registry as a centralized, statewide dataset of standardized information regarding transit stops that includes, but is not limited to, each transit stop's name, location, available amenities, and unique identifier, as specified. (Based on 06/04/2026 text)

AB 1831 (Ahrens, D) California State University: executive compensation: restrictions.

Current Text: 06/04/2026 - Amended **HTML** **PDF**
Introduced: 02/11/2026
Last Amended: 06/04/2026
Status: 08/03/2026 - In committee: Referred to APPR. suspense file.

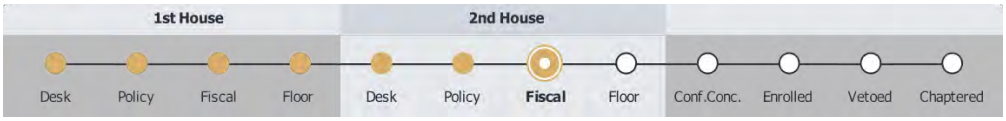


Location: 08/03/2026 - Senate APPR. SUSPENSE FILE

Summary: Existing law requires the Trustees of the California State University to establish and adjust the salaries and classifications of all academic, nonacademic, and administrative positions. This bill would require the trustees, on or before July 1, 2027, to repeal a policy on executive compensation adopted at the November 2025 meeting of the trustees and adopt a new policy on executive compensation, as provided. The bill would prohibit the trustees, for any fiscal year in which the trustees authorize an increase in student tuition, from increasing the compensation of a chancellor, vice chancellor, or executive president. The bill would also prohibit the trustees, for any fiscal year in which the trustees do not authorize salary increases for represented staff, from increasing the compensation of a chancellor, vice chancellor, executive president, or member of the management personnel plan staff. (Based on 06/04/2026 text)

AB 1961 (Ahrens, D) Civil actions: protective orders: workplace violence.

Current Text: 06/18/2026 - Amended **HTML** **PDF**
Introduced: 02/13/2026
Last Amended: 06/18/2026
Status: 06/29/2026 - In committee: Referred to APPR. suspense file.



Location: 06/29/2026 - Senate APPR. SUSPENSE FILE

Summary: Existing law authorizes an employer or collective bargaining representative of an employee who has suffered harassment, unlawful violence, or a credible threat of violence from any individual, to seek a workplace violence restraining order on behalf of the employee and, at the discretion of the court, any number of other employees at the workplace or at other workplaces of the employer. Existing law authorizes one or more representative parties to bring suit for the benefit of a class of parties if the question is one of a common or general interest, of many persons, or when the parties are numerous, and it is impracticable to bring them all before the court. This bill would authorize an employer to seek a workplace violence restraining order on behalf of all employees at the employer's workplace or a location at which a group of employees perform their primary job duties if harassment, unlawful violence or a credible threat of violence is directed at that workplace or location. (Based on 06/18/2026 text)

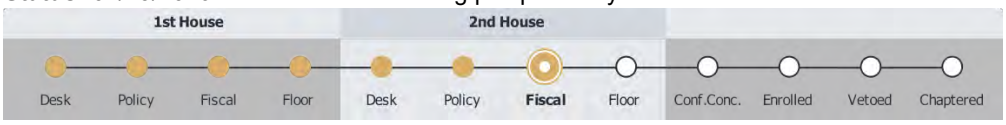
AB 2005 (Ahrens, D) Housing developments: urban lot split: owner-occupancy.

Current Text: 06/22/2026 - Amended **HTML** **PDF**

Introduced: 02/17/2026

Last Amended: 06/22/2026

Status: 07/29/2026 - In committee: Hearing postponed by committee.



Location: 06/30/2026 - Senate Appropriations

Summary: Under the Planning and Zoning Law, the legislative body of a city or county may adopt ordinances that, among other things, regulate the use of buildings, structures, and land, as provided. The Subdivision Map Act vests the authority to regulate and control the design and improvement of subdivisions in the legislative body of a local agency and sets forth procedures governing the local agency's processing, approval, conditional approval or disapproval, and filing of tentative, final, and parcel maps. Existing law requires a local agency to ministerially approve a parcel map for an urban lot split if the development or parcel meets specified requirements. Existing law requires the local agency to require an applicant for an urban lot split to sign an affidavit stating that the applicant intends to occupy one of the housing units as their principal residence for a minimum of 3 years from the date of the approval of the urban lot split. Existing law authorizes a local agency to adopt an ordinance to implement these provisions, as provided. This bill would instead require the local agency to require an applicant to select one of 2 sets of owner-occupancy requirements. The first option would be for the applicant to sign, under penalty of perjury, the above-described affidavit stating that the applicant intends to occupy one of the housing units as their principal residence for a minimum of 3 years. The 2nd option would be for the applicant to sign an affidavit, under penalty of perjury, stating they intend to sell both parcels of an urban lot split after issuance of a certificate of occupancy and to require, as a condition of sale to a homebuyer, that one of the units on both parcels of an urban lot split remain owner occupied for 3 years, beginning on the date a parcel or unit is conveyed by the applicant to a homebuyer. (Based on 06/22/2026 text)

AB 2231 (Ahrens, D) California Environmental Quality Act: hospital projects.

Current Text: 04/22/2026 - Amended **HTML** **PDF**

Introduced: 02/19/2026

Last Amended: 04/22/2026

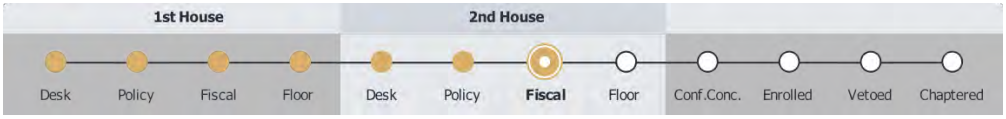
Status: 08/04/2026 - Read second time. Ordered to third reading.

Location: 08/04/2026 - Senate THIRD READING

Summary: The California Environmental Quality Act (CEQA) requires a lead agency, as defined, to prepare, or cause to be prepared, and certify the completion of an environmental impact report (EIR) on a project that it proposes to carry out or approve that may have a significant effect on the environment or to adopt a negative declaration if it finds that the project will not have that effect. CEQA also requires a lead agency to prepare a mitigated negative declaration for a project that may have a significant effect on the environment if revisions in the project would avoid or mitigate that effect and there is no substantial evidence that the project, as revised, would have a significant effect on the environment. CEQA establishes administrative procedures for the review and certification of the EIR for a project and judicial review procedures for any action or proceeding brought to challenge the lead agency's decision to certify the EIR or to grant project approvals. This bill would establish streamlined procedures for the administrative and judicial review of the environmental review and approvals granted for an environmental leadership hospital campus project, defined by the bill as a construction project of a hospital campus in the City of Emeryville or of the City of Santa Clara, under certain conditions. The bill would require the city council of the City of Emeryville or of Santa Clara, as the lead agency for the hospital campus project, to certify the project for the streamlined judicial review, as specified, if it finds the project will meet those conditions. The bill would require the project applicant of the environmental leadership hospital campus project to take certain actions in order for those specified procedures to apply to the project. (Based on 04/22/2026 text)

AB 2756 (Ahrens, D) Medi-Cal: vision services: performance measures.

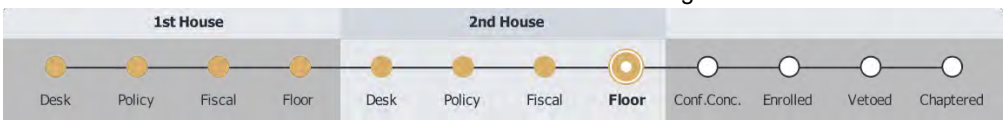
Current Text: 06/22/2026 - Amended **HTML** **PDF**
Introduced: 02/20/2026
Last Amended: 06/22/2026
Status: 06/29/2026 - In committee: Referred to APPR. suspense file.



Location: 06/29/2026 - Senate APPR. SUSPENSE FILE
Summary: Under existing law, certain vision care benefits are covered under the Medi-Cal program, relating to, among other things, optometric and optician services and eyeglasses, as specified. This bill would require the department, by no later than January 1, 2028, to establish a list of performance measures to ensure that the vision services under the Medi-Cal program meet quality and access criteria. The bill would require that the performance measures be designed to evaluate utilization, access, and availability of Medi-Cal vision services. The bill would require certain information within the performance measures, relating to providers and examinations, among other factors. The bill would require the department, when evaluating performance measures, to consider certain criteria, including trended data and other state performance and quality measures. The bill would require the department to report on each performance measure only to the extent that the department has existing data sources from which to calculate the applicable measure, as specified. The bill would specify a timeline for the posting of performance measures and data on the department's internet website. The bill would also require the department to establish benchmarks for each performance measure and to annually prepare a summary report on complaints and grievances, as specified. (Based on 06/22/2026 text)

AB 2764 (Ahrens, D) Extended foster care.

Current Text: 06/10/2026 - Amended **HTML** **PDF**
Introduced: 02/20/2026
Last Amended: 06/10/2026
Status: 06/17/2026 - Read second time. Ordered to third reading.

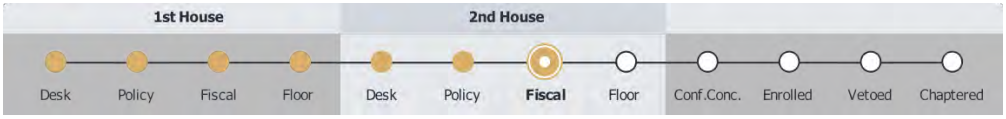


Location: 06/17/2026 - Senate THIRD READING
Summary: The California Fostering Connections to Success Act revises and expands the scope of various programs relating to the provision of cash assistance and other services to and for the benefit of

certain foster and adopted children, and other children who have been placed in out-of-home care, including children who receive Aid to Families with Dependent Children-Foster Care (AFDC-FC), Adoption Assistance Program (AAP), California Work Opportunity and Responsibility to Kids (CalWORKs), and Kinship Guardianship Assistance Payment (Kin-GAP) benefits. Among other provisions, the act extends to nonminor dependents up to 21 years of age the jurisdiction of the juvenile court over a dependent, and specified foster care benefits if specified education or employment requirements are met, including that the nonminor is completing secondary education or a program leading to an equivalent credential or employed for at least 80 hours per month. This bill would prohibit a nonminor dependent from being denied eligibility for, or have eligibility terminated from, the above-described extended foster care benefits for failure to meet education or employment participation requirements that exceed the previously described education or employment requirements. (Based on 06/10/2026 text)

AB 2765 (Ahrens, D) CalFresh and CalWORKs: childhood hunger and foster youth.

Current Text: 06/11/2026 - Amended **HTML** **PDF**
Introduced: 02/20/2026
Last Amended: 06/11/2026
Status: 06/29/2026 - In committee: Referred to APPR. suspense file.



Location: 06/29/2026 - Senate APPR. SUSPENSE FILE
Summary: Existing federal law establishes the Supplemental Nutrition Assistance Program (SNAP), known in California as CalFresh, under which supplemental nutrition assistance benefits allocated to the state by the federal government are distributed to eligible individuals by each county. Existing federal law limits a participant who is an able-bodied adult without dependents (ABAWD) to 3 months of CalFresh benefits in a 3-year period unless that participant has met work participation requirements or is otherwise exempt. Existing state law requires the State Department of Social Services to annually seek a federal waiver of this limitation. Existing state law requires the department to ensure that all recipients subject to the federal ABAWD time limit are permitted to meet the work requirements of the time limit through all forms of work, as specified. Existing federal law, Public Law 119-21, enacted on July 4, 2025, sets forth various changes to SNAP benefits, including the removal of an exemption from the time limit for certain former foster youth under 25 years of age, and the narrowing of an exemption for a household with a dependent under 18 years of age to instead a household with a dependent under 14 years of age, as specified This bill would specify that an ABAWD participant includes a parent or other member of a household with responsibility for a dependent child 14 years of age or older as a result of Public Law 119-21. The bill would also require the department to seek a federal waiver to protect the most vulnerable foster youth from experiencing hunger as a result of the cuts to their assistance. (Based on 06/11/2026 text)

AB 2766 (Ahrens, D) Public postsecondary education: student housing: foster youth and homeless youth.

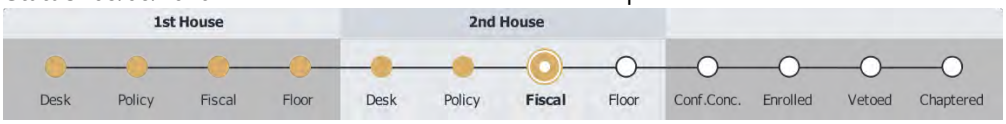
Current Text: 05/28/2026 - Amended **HTML** **PDF**
Introduced: 02/20/2026
Last Amended: 05/28/2026
Status: 08/04/2026 - Read second time. Ordered to third reading.

Location: 08/04/2026 - Senate THIRD READING
Summary: The NextUp program authorizes the office of the Chancellor of the California Community Colleges to enter into agreements with community college districts to provide, and allocate to selected community colleges within a community college district, funds for services in support of postsecondary education for foster youth. Existing law requires a student participant in the program to be a current or former foster youth whose dependency was established or continued by a court on or after the youth's

13th birthday and who is no older than 25 years of age at the commencement of the academic year in which the student first enrolls in the program. Existing law requires the California State University and each community college district, and requests the University of California, with respect to each campus in their respective jurisdictions that administers a priority enrollment system, to grant priority in that system to, among others, foster youth and former foster youth whose dependency was established or continued by a court on or after the youth's 13th birthday and who is no older than 25 years of age at the commencement of the academic year. This bill would extend the requirement and request for priority enrollment to current or former foster youth whose dependency was established or continued by a court on or after the youth's 13th birthday and who is older than 25 years of age so long as they are enrolled in the NextUp program. (Based on 05/28/2026 text)

AB 2768 (Ahrens, D) Student financial aid: waiver or deferment of fees and costs: foster youth.

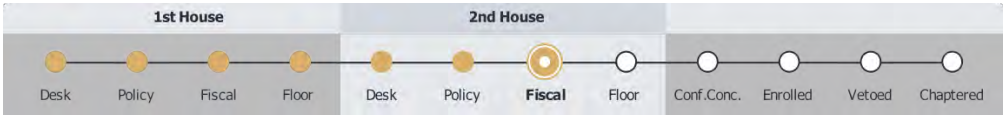
Current Text: 06/15/2026 - Amended **HTML** **PDF**
Introduced: 02/20/2026
Last Amended: 06/15/2026
Status: 08/03/2026 - In committee: Referred to APPR. suspense file.



Location: 08/03/2026 - Senate APPR. SUSPENSE FILE
Summary: Existing law establishes the California Community Colleges, the California State University, the University of California, independent institutions of higher education, and private postsecondary educational institutions as the segments of postsecondary education in the state. Existing law establishes various programs that provide financial aid to students attending institutions in each of the segments. This bill would require the California State University, community college districts, and private postsecondary educational institutions and independent institutions of higher education that receive state financial assistance to, and would request the University of California to, waive or defer the unpaid portion of enrollment fees and costs for a student who has submitted a specified financial aid application and is a foster youth or former foster youth, as defined, upon the student's initial enrollment at the postsecondary educational institutional until the student has received an initial disbursement of the student's financial aid award, as provided. If the postsecondary educational institution is unable to waive or defer costs related to books, supplies, materials, or equipment, the bill would require the institution to provide the student with clear information regarding available campus resources, institutional programs, or community-based assistance to help the student cover those costs. (Based on 06/15/2026 text)

AB 2769 (Ahrens, D) Adoption Assistance Program: eligibility.

Current Text: 06/08/2026 - Amended **HTML** **PDF**
Introduced: 02/20/2026
Last Amended: 06/08/2026
Status: 06/29/2026 - In committee: Referred to APPR. suspense file.

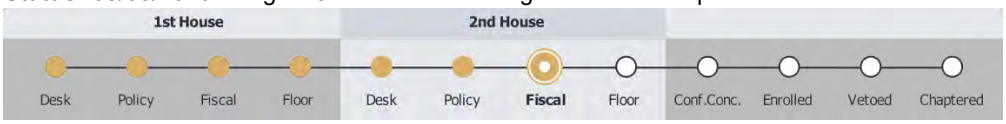


Location: 06/29/2026 - Senate APPR. SUSPENSE FILE
Summary: Existing law establishes the Adoption Assistance Program (AAP) for the purpose of benefiting children residing in foster homes by providing the stability and security of permanent homes. Under existing law, a child is eligible for AAP benefits if they meet, among other requirements, an age requirement wherein the child is (1) under 18 years of age, (2) under 21 years of age with a mental or physical handicap, or (3) under 21 years of age, has attained 16 years of age before the adoption assistance agreement became effective, and one or more of specified conditions are met. This bill would add a 4th age eligibility category for a nonminor who is 18 years of age, is under an adoption assistance agreement that became effective before the nonminor's 16th birthday, was, prior to attaining 18 years of age, attending high school or the equivalent level of vocational or technical training on a full-time basis or pursuing a high school equivalency certificate, continues in such attendance, continues to reside with the

adoptive parent, and remains otherwise eligible. This bill would make that nonminor age eligible until the date of completion of the program they are attending or the nonminor's 19th birthday, whichever occurs first. The bill would, to the extent that federal financial participation is unavailable for adoption assistance payments continued pursuant to this eligibility expansion, require the department to ensure that state-realigned funding is available for those payments, as specified. (Based on 06/08/2026 text)

SB 381 (Wahab, D) Vital records: adoptees' birth certificates.

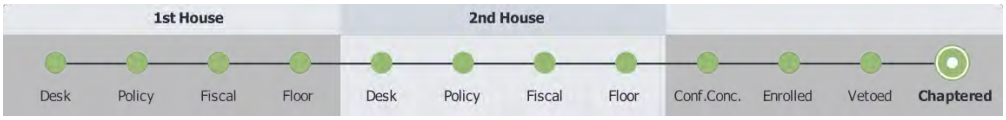
Current Text: 05/21/2026 - Amended **HTML** **PDF**
Introduced: 02/14/2025
Last Amended: 05/21/2026
Status: 08/05/2026 - August 5 set for first hearing. Placed on suspense file.



Location: 08/05/2026 - Assembly APPR. SUSPENSE FILE
Summary: Existing law prohibits an agency from disclosing personal information that would link the information to the individual unless, among other things, the information is provided to a governmental entity by law, or the disclosure is to the individual to whom the information pertains. Existing law makes vital records related to adoptions, other than a newly issued birth certificate, available only upon the order of the superior court of the county of residence of the adopted child or of the county granting the order of adoption. This bill would authorize, beginning on July 1, 2028, the disclosure of an original birth certificate, as defined, to an adopted person, or descendant, as defined, of a deceased adopted person, would require the State Registrar to provide a copy of the original birth certificate to those persons, and would establish a process to request an original birth certificate, as specified. (Based on 05/21/2026 text)

SB 722 (Wahab, D) Transit-oriented housing development: excluded parcels and sites.

Current Text: 07/16/2026 - Chaptered **HTML** **PDF**
Introduced: 02/21/2025
Last Amended: 01/15/2026
Status: 07/16/2026 - Approved by the Governor. Chaptered by Secretary of State. Chapter 100, Statutes of 2026.



Location: 07/16/2026 - Senate CHAPTERED
Summary: Existing law requires that a housing development project, as defined, within a specified distance of a transit-oriented development stop, as defined, be an allowed use as a transit-oriented housing development on any site zoned for residential, mixed, or commercial development, if the development complies with certain, applicable requirements, as provided. Among these requirements, existing law prohibits a proposed development under these provisions from being located on sites where the development would require demolition of housing, or that was previously used for housing, that is subject to rent or price controls, as provided. This bill would additionally prohibit the development from being located on an existing parcel of land or site governed under the Mobilehome Residency Law, the Recreational Vehicle Park Occupancy Law, the Mobilehome Parks Act, or the Special Occupancy Parks Act. (Based on 07/16/2026 text)

SB 1193 (Wahab, D) Discretionary funds: County of Alameda.

Current Text: 04/30/2026 - Amended **HTML** **PDF**
Introduced: 02/19/2026
Last Amended: 04/30/2026
Status: 08/03/2026 - Read second time. Ordered to third reading.

Location: 08/03/2026 - Assembly THIRD READING

Summary: Existing law authorizes a county board of supervisors to appropriate and expend county general fund money to establish county programs or fund other programs to meet various social needs of the county population and the needs of physically, mentally, and financially handicapped persons and aged persons. Existing law authorizes the board of supervisors to contract with other public agencies, private agencies, or individuals to operate programs that the board of supervisors determines will serve public purposes. Existing law prohibits an Orange County Board of Supervisors member from awarding district discretionary funds to a community organization or a nonprofit organization unless the board of supervisors approves that award by a majority vote. Existing law requires the Orange County Board of Supervisors to post on its internet website a log of appropriated district discretionary funds at the end of each quarter, as specified. Existing law prohibits, within 90 days preceding an election, an Orange County Board of Supervisors member who is on the ballot as an Orange County Board of Supervisors member candidate and has an opponent on that ballot from taking any action related to spending district discretionary funds, as specified. This bill would prohibit the Alameda County Board of Supervisors from awarding discretionary funds, as defined, to a community organization, nonprofit organization, or private entity, unless the board of supervisors approves that award by a majority vote and the award includes a description of how the award provides resources of communitywide significance for the district that the member of the board requesting the award represents and identifies the public purposes, as defined, that the award will serve. (Based on 04/30/2026 text)

SB 1238 (Wahab, D) Common interest developments: management.

Current Text: 07/02/2026 - Amended **HTML** **PDF**

Introduced: 02/19/2026

Last Amended: 07/02/2026

Status: 08/03/2026 - Read second time. Ordered to third reading.

Location: 08/03/2026 - Assembly THIRD READING

Summary: The Davis-Stirling Common Interest Development Act provides for the creation and regulation of common interest developments. Existing civil law defines an agent as one who represents another, called the principal, in dealings with third persons. This bill would revise the above-described definition of agent to include a person or company that facilitates activities pursuant to specified provisions of the act. (Based on 07/02/2026 text)

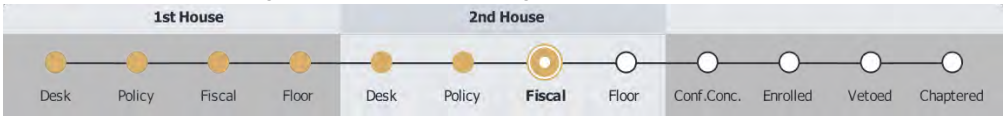
SB 1302 (Wahab, D) Nursing.

Current Text: 07/01/2026 - Amended **HTML** **PDF**

Introduced: 02/20/2026

Last Amended: 07/01/2026

Status: 08/05/2026 - August 5 set for first hearing. Placed on suspense file.



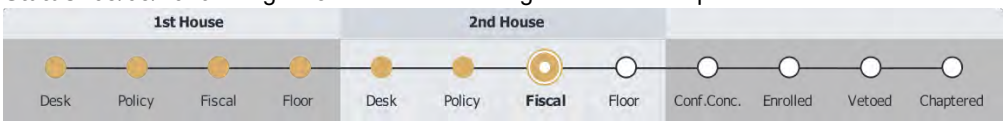
Location: 08/05/2026 - Assembly APPR. SUSPENSE FILE

Summary: Existing law creates the Board of Registered Nursing Fund and makes all moneys in the fund available upon appropriation by the Legislature. A violation of the act is a crime. Existing law requires the board, until January 1, 2027, to appoint an executive officer to perform the duties delegated by the board and to be responsible to the board for the accomplishment of those duties, as specified. Existing law requires the board, for the purpose of transacting its business, to meet at least once every 3 months, at times and places it designates by resolution, and requires those meetings to be held in northern and

southern California. This bill would extend those dates until January 1, 2031. The bill would remove the above-described location requirements for meetings held by the board, and, instead, require the board to meet at least once every 3 months in locations that are, to the extent practicable, geographically diverse. (Based on 07/01/2026 text)

SB 1303 (Wahab, D) Naturopathic Doctors Act.

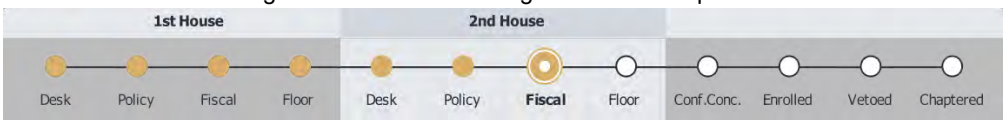
Current Text: 04/28/2026 - Amended **HTML** **PDF**
Introduced: 02/20/2026
Last Amended: 04/28/2026
Status: 08/05/2026 - August 5 set for first hearing. Placed on suspense file.



Location: 08/05/2026 - Assembly APPR. SUSPENSE FILE
Summary: The Naturopathic Doctors Act, which is repealed on January 1, 2027, establishes the California Board of Naturopathic Medicine within the Department of Consumer Affairs to license and regulate naturopathic doctors. The act requires the board to consist of 9 members, appointed by the Governor, Speaker of the Assembly, or the Senate Committee on Rules, as specified, and requires each member of the board be appointed to a 4-year term. This bill would instead repeal those provisions on January 1, 2031. The bill would specify that the 4-year term expires 4 years after the date of the appointment. To ensure staggered terms, the bill would require that specified members appointed by the Governor after the effective date of this bill be appointed for prescribed term lengths and thereafter would require all appointments be for four-year terms. (Based on 04/28/2026 text)

SB 1304 (Wahab, D) Respiratory Care Practice Act.

Current Text: 07/01/2026 - Amended **HTML** **PDF**
Introduced: 02/20/2026
Last Amended: 07/01/2026
Status: 08/05/2026 - August 5 set for first hearing. Placed on suspense file.



Location: 08/05/2026 - Assembly APPR. SUSPENSE FILE
Summary: The Respiratory Care Practice Act establishes the Respiratory Care Board of California to license and regulate respiratory care practitioners. Those provisions establish requirements for licensure, including completing an education program for respiratory care and being awarded an associate degree or equivalent, as specified. Existing law authorizes the board to employ an executive office, as specified. Existing law establishes fees for license and examination requirements for respiratory care practitioners, including an initial license fee of no more than $300 and a license renewal fee at $230, as specified. Existing law authorizes the board to increase the license renewal fee, by regulation, to no more than $330. Existing law repeals the existence of the board and the authority for employment of an executive officer on January 1, 2027. This bill would extend the operation of the existence of the board and the executive officer to January 1, 2031, and would delete the initial license fee provision. (Based on 07/01/2026 text)

SB 1311 (Wahab, D) Licensed professions.

Current Text: 07/01/2026 - Amended **HTML** **PDF**
Introduced: 02/20/2026
Last Amended: 07/01/2026
Status: 08/05/2026 - From committee: Do pass. (Ayes 15. Noes 0.) (August 5).

Location: 06/30/2026 - Assembly SECOND READING

Summary: The Dental Board of California is required to license and regulate dental auxiliaries, including, among others, dental assistants, as defined, and sets forth duties and functions that those dental auxiliaries are authorized to perform. Existing law requires an unlicensed dental assistant not enrolled in a board-approved program for registered dental assisting or an alternative dental assisting program to complete an infection control certification course, as specified. In this regard, existing law allows the unlicensed dental assistant to complete a board-approved 8-hour course, with 6 hours being didactic instruction and 2 hours being laboratory instruction, as specified. This bill would allow an unlicensed dental assistant to complete the Dental Assisting National Board's Infection Control examination instead of completing an infection control course. The bill would also revise the requirements for those infection control courses to allow an unlicensed dental assistant to complete one of specified courses approved by the board or a course with at least 4 hours of didactic instruction and at least 2 hours of laboratory instruction using video or a series of video training tools, as specified. (Based on 07/01/2026 text)

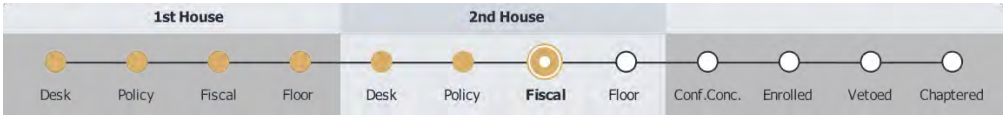
SB 1326 (Wahab, D) California Environmental Quality Act: tribal cultural resources: mitigation measures.

Current Text: 06/11/2026 - Amended **HTML** **PDF**

Introduced: 02/20/2026

Last Amended: 06/11/2026

Status: 08/05/2026 - August 5 set for first hearing. Placed on suspense file.



Location: 08/05/2026 - Assembly APPR. SUSPENSE FILE

Summary: The California Environmental Quality Act (CEQA) requires a lead agency, before releasing an environmental review document for a project, to begin consultation with a California Native American tribe that is traditionally and culturally affiliated with the geographic area of the proposed project, as provided. CEQA authorizes the parties, as a part of the consultation, to propose mitigation measures capable of avoiding or substantially lessening potential significant impacts to a tribal cultural resource or alternatives that would avoid significant impacts to a tribal cultural resource. CEQA defines a tribal cultural resource as including, among other things, a site, feature, place, cultural landscape, sacred place, or object with cultural value to a California Native American tribe that is included or determined to be eligible for inclusion in the California Register of Historical Resources or included in a local register of historical resources, as provided. This bill would modify the definition of tribal cultural resource to, among other things, include a site, feature, place, cultural landscape, sacred place, or object with cultural value to a California Native American tribe that is identified by the Native American Heritage Commission as a sacred place, as provided, or included in a local tribal register and provided to the lead agency by a consulting California Native American tribe. (Based on 06/11/2026 text)

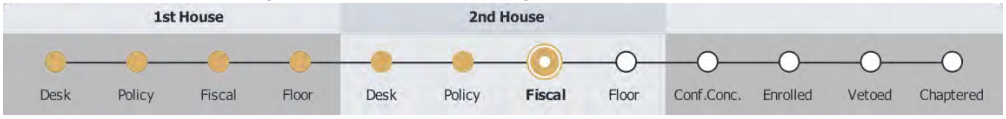
SB 1345 (Wahab, D) Foster children: rights of foster youth.

Current Text: 04/09/2026 - Amended **HTML** **PDF**

Introduced: 02/20/2026

Last Amended: 04/09/2026

Status: 08/05/2026 - August 5 set for first hearing. Placed on suspense file.



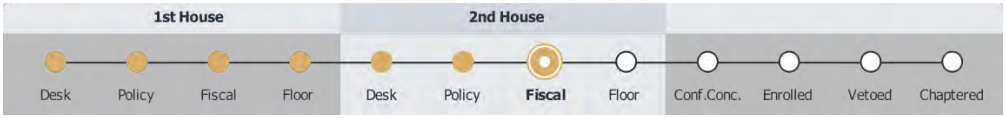
Location: 08/05/2026 - Assembly APPR. SUSPENSE FILE

Summary: Existing law provides that it is the policy of the state that all minors and nonminors in foster care have specified rights, including, among others, the right to have storage space for private use, the right to be free from unreasonable searches of personal belongings, the right to be informed of these

rights in an age-appropriate and developmentally appropriate manner, and the right to receive a copy of these rights, at specified intervals. Under this bill, the foster youth would have an additional right to have their personal belongings transported during placement changes and other moves in a manner preserving the youth's property and dignity, including the use of suitcases, duffel bags, backpacks, and moving boxes rather than trash bags or other inappropriate receptacles. The bill would also include the right to maintain reasonable access to and use of personal belongings, clothing, and personal items. (Based on 04/09/2026 text)

SB 1363 (Wahab, D) Barbering and cosmetology.

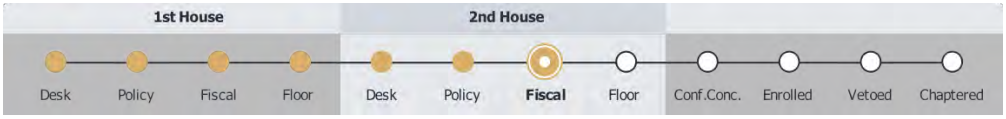
Current Text: 07/01/2026 - Amended **HTML** **PDF**
Introduced: 02/20/2026
Last Amended: 07/01/2026
Status: 08/05/2026 - August 5 set for first hearing. Placed on suspense file.



Location: 08/05/2026 - Assembly APPR. SUSPENSE FILE
Summary: The Barbering and Cosmetology Act establishes the State Board of Barbering and Cosmetology until January 1, 2027, to license and regulate barbering, cosmetology, electrology, esthetics, hairstyling, and manicuring. Existing law requires a person, firm, or corporation operating an establishment where licensed activity occurs to obtain a license from the board for that establishment. Existing law requires an establishment to at all times be in the charge of a person licensed pursuant to the act, except an apprentice. This bill would extend the provisions relating to the establishment of the board to January 1, 2031. The bill would also require a partnership or limited liability company that desires to operate an establishment where licensed activity occurs to apply to obtain a license for that establishment. For any corporation or limited liability company operating such an establishment, the bill would require the organization to be registered and in good standing with the Secretary of State, and would provide for the suspension of any license from the board for a corporation or limited liability company that is not in good standing with the Secretary of State. The bill would require the board to license any federally recognized tribe, as defined, that applies for licensure and is otherwise compliant with the requirements of a licensee, and would exempt a federally recognized tribe from requirements relating to registration and good standing with the Secretary of State. (Based on 07/01/2026 text)

SB 1368 (Wahab, D) Speech-language pathologists, audiologists, and hearing aid dispensers.

Current Text: 06/25/2026 - Amended **HTML** **PDF**
Introduced: 02/20/2026
Last Amended: 06/25/2026
Status: 08/05/2026 - August 5 set for first hearing. Placed on suspense file.



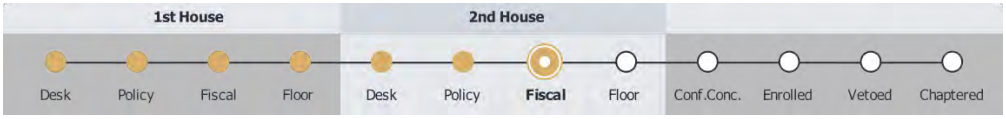
Location: 08/05/2026 - Assembly APPR. SUSPENSE FILE
Summary: Existing law, the Speech-Language Pathologists and Audiologists and Hearing Aid Dispensers Licensure Act, until January 1, 2027, establishes the Speech-Language Pathology and Audiology and Hearing Aid Dispensers Board within the Department of Consumer Affairs for the licensure and regulation of speech-language pathologists, speech-language pathology aides, speech-language pathology assistants, audiologists, dispensing audiologists, and hearing aid dispensers. Existing law, until January 1, 2027, authorizes the board to appoint a person designated as the executive officer to perform duties delegated by the board and vested in them in the act. Existing law makes a violation of the act a misdemeanor. This bill would extend the operation of the board and authorization to appoint an executive officer until January 1, 2031. (Based on 06/25/2026 text)

SB 1376 (Wahab, D) Physician assistants.

Current Text: 02/20/2026 - Introduced **HTML** **PDF**

Introduced: 02/20/2026

Status: 06/30/2026 - From committee: Do pass and re-refer to Com. on APPR. with recommendation: To consent calendar. (Ayes 17. Noes 0.) (June 30). Re-referred to Com. on APPR.



Location: 06/30/2026 - Assembly Appropriations

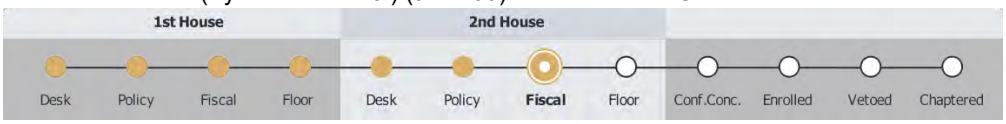
Summary: The Physician Assistant Practice Act, establishes the Physician Assistant Board to license and regulate physician assistants. Existing law authorizes the board to convene from time to time as deemed necessary by the board. Existing law further requires the board to receive permission of the Director of Consumer Affairs to meet more than 6 times annually, and requires the director to approve meetings that are necessary for the board to fulfill its legal responsibilities. This bill would delete the provision requiring the board to receive permission from the director to meet more than 6 times annually and for the director to approve meetings. (Based on 02/20/2026 text)

SB 1391 (Wahab, D) Department of Consumer Affairs: retired category licenses.

Current Text: 02/20/2026 - Introduced **HTML PDF**

Introduced: 02/20/2026

Status: 06/30/2026 - From committee: Do pass and re-refer to Com. on APPR. with recommendation: To consent calendar. (Ayes 17. Noes 0.) (June 30). Re-referred to Com. on APPR.



Location: 06/30/2026 - Assembly Appropriations

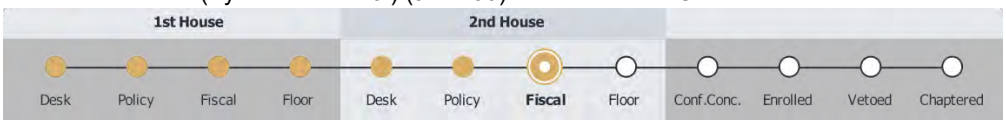
Summary: Existing law provides for the licensure and regulation of various professions and vocations by boards within the Department of Consumer Affairs. Existing law authorizes any of the boards within the department, except as specified, to establish by regulation a system for a retired category of license for persons who are not actively engaged in the practice of their profession or vocation. This bill would additionally require a board that offers a retired category of licensure to disclose that information on its internet website. (Based on 02/20/2026 text)

SB 1416 (Wahab, D) Physicians and surgeons: dentists: unprofessional conduct.

Current Text: 02/20/2026 - Introduced **HTML PDF**

Introduced: 02/20/2026

Status: 06/30/2026 - From committee: Do pass and re-refer to Com. on APPR. with recommendation: To consent calendar. (Ayes 17. Noes 0.) (June 30). Re-referred to Com. on APPR.



Location: 06/30/2026 - Assembly Appropriations

Summary: Existing law establishes various healing arts boards within the Department of Consumer Affairs, including the Medical Board of California and the Dental Board of California, that license and regulate various healing arts licensees. Existing law, including the Medical Practice Act and the Dental Practice Act, deem certain violations by licensees to be unprofessional conduct subject to discipline by the licensee's licensing board. This bill would reduce the duration for a physician and surgeon or dentist to refund a duplicate payment following patient request or patient notification to 21 days. This bill contains other existing laws. (Based on 02/20/2026 text)

City of Santa Clara
The Center of What's Possible

2026 Q2 Legislative Action Summary

Below is a summary of the actions that were taken during 2026 Q2 in alignment with the City of Santa Clara's 2026 Legislative Advocacy Positions (LAPs), guiding principles for legislative advocacy, approved City policies (e.g., City Council Goals and Priorities), and/or Council action.

Public Safety LAP

- May 27, 2026 Letter of support for a State Budget request to provide an additional $400 million to support implementation of Proposition 36, including funding for probation services, recovery support services, and substance use treatment to Chair of Senate Budget Subcommittee #5, Senator Laura Richardon and Chair of Assembly Budget Subcommittee #6, Assemblymember James Ramos *(Please note, the subcommittee assignments for Senator Richardson and Assemblymember Ramos are listed incorrectly on the submission letter that is provided below. The subcommittee assignments listed above are correct.)*

Regional Issues and Collaboration LAP

- April 24, 2026 Letter of support for AB 1674 (Ahrens) — Food Affordability Act to Assemblymember Patrick Ahrens.

Transportation Issues LAP

- June 22, 2026 Letter of support for the Santa Clara Valley Transportation Authority's (VTA) Central Bikeway Project application for Cycle 8 Active Transportation Program (ATP) funding to the California Transportation Commission

Water Supply and Conservation LAP

- June 4, 2026 Letter of support for Pure Water Silicon Valley's Demonstration Facility and Education Center to Santa Clara Valley Water District Interim Chief Executive Officer, Melanie Richardson

Legislative Advocacy Guiding Principle: Support the League of California Cities and National League of Cities positions on priority bills that benefit Santa Clara

- May 29, 2026 Californians Against Waste sign-on letter of support for AB 762 — Disposable, battery-embedded vapor inhalation device: prohibition and penalties (Irwin & Wilson), which seeks to ban the sale of single-use disposable vaporizer products statewide to the California State Senate

- May 29, 2026 National Stewardship Action Council sign-on letter of support for SB 936 — Nitrous oxide: sales (Blakespeare & Umberg), which seeks to ban sales of nitrous oxide statewide to the California State Senate Public Safety Committee

Multiple Legislative Priorities

- April 9, 2026 Cities Association of Santa Clara County Legislative Action Committee Discussion Bills (Community Services, Human Resources and Public Sector Employment, Regional Issues and Collaboration, Sustainability and Environmental Protection, Transportation Issues LAPs; and Guiding Principles: Support the League of California Cities and National League of Cities on priority bills that benefit Santa Clara, and Protect local revenue sources and prevent unfunded mandates; and Resolution No. 21-9037 Support the Efforts of the Amah Mutsun Tribal Band to Preserve Sargent Ranch/Juristac as Open Space)

- May 14, 2026 Cities Association of Santa Clara County Legislative Action Committee Discussion Bills (Community Services, Emergency Management, Housing, Human Resources and Public Sector Employment, Transportation Issues LAPs)

Council Approved Legislative Action

- June 9, 2026 Letter of support for AB 2231 — California Environmental Quality Act: hospital projects (Ahrens) to Assemblymember Patrick Ahrens

RE: Proposition 36 Funding - Support Request for $400 Million in Funding for Recovery Support Services and Substance Use Treatment

Dear Honorable Members:

On behalf of the City of Santa Clara, I write in support for the budget request led by Assembly Member Stephanie Nguyen and Senator Catherine Blakespear to provide $400 million in additional funding for probation services and other essential programmatic needs necessary to support the implementation of Proposition 36.

With the passage of Proposition 36 (2024), the Homelessness, Drug, Addiction, and Theft Reduction Act, California voters signaled a clear expectation that the state take a more comprehensive approach to addressing substance use, homelessness, and retail theft. The measure enacted significant statutory changes, including the creation of a treatment-mandated felony framework designed to connect individuals to services while reinforcing accountability.

As part of the Bay Area, where communities continue to face complex and interrelated challenges related to substance use, homelessness, and retail theft, the City of Santa Clara recognizes that successful implementation will depend on the availability of treatment options, supervision resources, and coordinated local infrastructure.

The proposed funding would allow jurisdictions to build out critical components of this framework, including expanding access to treatment beds, strengthening supervision capacity, and supporting individualized intervention strategies. These elements are essential to ensuring that the policy functions as intended and produces meaningful outcomes for both individuals and the broader community.

In the absence of adequate resources, local governments will face significant challenges in delivering the balanced approach envisioned by Proposition 36. Sustained investment is necessary to align accountability measures with realistic pathways to rehabilitation.

For these reasons, the City of Santa Clara respectfully urges the Legislature to include this funding in the FY 2026–27 State Budget. This investment is essential to achieving the goals of

RE: AB 1674 (Ahrens): Food Affordability Act
City of Santa Clara – Notice of Support

Dear Assembly Member Ahrens:

On behalf of the City of Santa Clara, I am pleased to write in strong support of AB 1674 (Ahrens), which establishes the Food Desert Elimination Grant Program to expand access to healthy, affordable food in underserved communities.

Access to nutritious food is a fundamental component of public health, economic stability, and community well-being. Yet many communities, particularly low-income and low-access areas, continue to face significant barriers to accessing full-service grocery stores. Food deserts are generally understood as communities with both higher poverty levels and limited access to full-service grocery stores, conditions that can significantly impact residents' ability to obtain healthy food.

AB 1674 takes a thoughtful and comprehensive approach to addressing these disparities. By creating a state-administered grant program funded through federal, private, and other nonstate sources, the bill provides critical financial support for grocery store operators and developers to establish or sustain food retail in underserved areas. This includes funding for site development, equipment, staffing, and operational costs; tools that are essential to overcoming the financial barriers that often prevent grocery stores from locating in food deserts.

Importantly, this measure also addresses an often-overlooked challenge: the loss of grocery retail space in new housing developments. By requiring that new housing projects in food deserts either maintain site capacity for grocery stores or provide equivalent mitigation, AB 1674 helps ensure that efforts to expand housing do not unintentionally reduce access to healthy food. This balanced approach supports both housing production and food security, two critical and interconnected priorities for California communities.

AB 1674 provides communities with meaningful tools to support equitable development. The program will help attract and retain grocery stores in underserved neighborhoods, strengthen local economies, and improve health outcomes for residents. Additionally, by prioritizing projects that integrate grocery access into new housing developments, the bill promotes more complete, livable communities.

For these reasons, the City of Santa Clara supports AB 1674 (Ahrens).

Sincerely,

Lisa M. Gillmor
Mayor
City of Santa Clara

Proposition 36 and ensuring communities statewide have the resources to improve public safety and expand access to treatment.

Sincerely,

Lisa M. Gillmor
Mayor

California Transportation Commission
c/o Active Transportation Program
1120 N Street, MS-52
Sacramento, CA 95814

Subject: Letter of Support for the VTA Central Bikeway Project, ATP Cycle 8 (Large Infrastructure)

Dear Chair and Commissioners,

As the Mayor of the City of Santa Clara, I am pleased to offer my strong support for the Santa Clara Valley Transportation Authority (VTA) application to the Active Transportation Program (ATP) for the Central Bikeway Project (Project).

The Project will deliver approximately 10.8 miles of continuous, separated bikeway connecting Santa Clara and San José. I am especially mindful of what this corridor means for my own community. It would tie Santa Clara more closely to its neighbors and to the regional transit network, including Berryessa BART and multiple VTA light rail and bus routes. According to VTA, the corridor serves approximately 208,000 residents and connects employment centers, schools, parks, and major transit hubs.

I have spent much of my public life working to reduce traffic and the pollution it causes, and to give residents real alternatives to driving. This Project advances exactly those goals. A VTA-led feasibility study, grounded in corridor-level technical analysis and extensive community engagement, identified tens of thousands of daily trips under five miles along the corridor, a distance well suited to bicycling. Yet current conditions discourage people from making that choice. According to the study, 74% of respondents identified safety as a primary barrier, and many segments today combine high traffic volumes, complex intersections, and limited existing bikeway infrastructure. On April 4, 2024, the Santa Clara City Council approved a resolution that adopted the VTA's Central Bikeway Feasibility Study Final Report.

By providing physically separated facilities, improving crossings, and creating a safer and more predictable environment, the Project would reduce conflicts between travel modes and improve safety for all users, particularly families, youth, older adults, and people with disabilities. These are often the residents least able to rely on a car and most exposed to the gaps in today's network.

The Project also aligns closely with Santa Clara's broader goals. Our city has adopted ambitious climate commitments, and shifting short trips from cars to biking and walking is among the most direct ways to cut greenhouse gas emissions and improve local air quality. Safer, more connected active transportation also supports the shared regional priority of expanding housing near transit and reducing car dependence. The corridor serves equity priority communities, where safe and affordable transportation options are especially important.

This Project reflects strong partnerships among VTA and its local and state partners and builds on substantial prior planning and community engagement. ATP funding would support final design (PS&E), positioning the Project for construction and accelerating delivery of these improvements.

For these reasons, I respectfully urge the California Transportation Commission to fund the Central Bikeway Project through the Active Transportation Program.

Sincerely,

Lisa M. Gillmor
Mayor
City of Santa Clara

June 4, 2026

Melanie Richardson
Interim Chief Executive Officer
Santa Clara Valley Water District
5750 Almaden Expressway
San Jose, CA 95118

RE: Support for the Pure Water Silicon Valley's Demonstration Facility and Education Center

Dear Mrs. Richardson:

On behalf of the City of Santa Clara, I am writing to express support for Santa Clara Valley Water District's (Valley Water) Pure Water Silicon Valley Demonstration Facility and Education Center.

Pure Water Silicon Valley is an important regional initiative that aims to meet 10% of Santa Clara County's current and future water demand through non-potable and potable reuse, and this Demonstration Facility is an important step towards that goal. This project will enhance resilience to drought and climate change, while also reducing risks of land subsidence and saltwater intrusion. The construction of this project will help our region reach its long-term sustainability and resiliency goals, benefiting Santa Clara residents and businesses alike.

With California's recent adoption of Direct Potable Reuse (DPR) regulations in 2024, the region is now better positioned to develop this drought-proof resource, and the City strongly supports Valley Water's efforts to advance its Purified Water Program to a large-scale DPR project. Building on the success of the Silicon Valley Advanced Water Purification Center (SVAWPC), and the important collaboration between Valley Water and the cities of San José and Santa Clara, the development of the Pure Water Silicon Valley project to produce up to 24,000 AFY of highly purified water is getting ever closer to reality. This facility will process treated wastewater effluent from the San José-Santa Clara Regional Wastewater Facility (RWF) using advanced processes that include ozone, biological activated carbon (BAC), microfiltration (MF), reverse osmosis (RO), ultraviolet advanced oxidation processes (UV-AOP), and chlorination, in compliance with recently established DPR regulations.

The first phase of the project, the demonstration facility and education center, will be critical to the success of the overall project. This phase involves the design and construction of a DPR demonstration facility (~200 gallons per minute) for testing, operator training, and regulatory data collection, to expedite full-scale implementation and reduce risks and costs. Santa Clara supports Valley Water's work with the State Water Resources Control Board to create the first of its kind facility in California, including a learning center that will enhance public engagement and outreach.

For these reasons, the City of Santa Clara strongly supports this project and efforts Valley Water is undertaking to get this critical water supply project across the finish line.
Sincerely,

Lisa M. Gillmor

RE: Support for AB 762 (Irwin and Wilson) – Ban on Disposable Vapes – COALITION SUPPORT

Dear Senator [ ],

On behalf of the undersigned organizations, we write in strong support of AB 762 (Irwin and Wilson), which seeks to ban the sale of single-use disposable vaporizer products in California. This critical legislation addresses the alarming environmental, safety, and public health risks posed by these hazardous products, protecting our communities, waste infrastructure, and natural ecosystems from their destructive impact.

Single-use vapes contain embedded lithium-ion batteries, making them not only an unsustainable source of electronic waste but also a significant fire hazard. When improperly discarded—as is often the case—these devices ignite fires in garbage cans, collection trucks, and material recovery facilities (MRFs). These lithium-ion battery fires can reach temperatures of up to 1200°C—equivalent to a welding torch—causing rapid and uncontrollable blazes. The U.K. has already linked disposable vape waste to a staggering 77% increase in waste facility fires over the last year alone. California waste and recycling operators are facing a similar crisis, with escalating fire risks and increased costs in managing this hazardous waste.

Beyond safety concerns, single-use vapes contribute to an egregious waste of valuable resources. The lithium discarded in these devices annually could otherwise power over 2,600 electric vehicles, underscoring the reckless depletion of critical materials. Additionally, the mining and manufacturing of lithium and cobalt—key components of vape batteries—exacerbate environmental degradation and perpetuate environmental justice issues in vulnerable communities.

Disposable vapes are rapidly becoming a dominant form of electronic litter, contaminating highways, parks, and beaches. The Marine Conservation Society reports that these products are now routinely found along coastlines, where they pose an immediate threat to marine life. Unlike cigarette butts, which take up to ten years to degrade, single-use vapes introduce long-lasting toxic pollutants into ecosystems, including residual nicotine, lead, and mercury, which can leach into soil and waterways.

The vast majority of consumers—72%—are unaware that these devices cannot be disposed of in standard recycling or garbage streams. The absence of a standardized, effective collection and recycling process means that single-use vapes are, in reality, unmanageable toxic waste. The current status quo places the burden on local governments and waste management operators, forcing them to treat these hazardous materials at exorbitant costs.

Disposable vapes have driven a troubling surge in youth nicotine addiction. According to recent CDC data, 14.1% of high school students and 3.3% of middle school students report

using e-cigarettes, with a staggering 57.2% of high school users and 45.8% of middle school users favoring disposable vape products. Over 84.8% of teen users report using flavored vapes, including fruit, candy, and menthol varieties, further entrenching nicotine dependence.

Emerging research reveals that disposable vapes expose users to heightened levels of volatile organic compounds (VOCs) and toxic metals such as nickel, cadmium, mercury, and chromium—compounds linked to increased risks of cancer, cardiopulmonary disease, and neurological disorders. This growing body of evidence underscores the urgent need for intervention to protect public health, particularly among vulnerable youth populations.

California has long been a leader in environmental protection and consumer safety, and this bill aligns with global momentum to eliminate single-use disposable vapes. Countries including the U.K., France, Belgium, New Zealand, and Vietnam have already taken decisive action against these products, recognizing the irreversible harm they cause. California must act now to prevent further environmental degradation, public health crises, and economic burdens associated with their unregulated disposal.

For the sake of our environment, public health, and waste infrastructure, we urge you to support AB 762 and move it forward in the legislative process. We appreciate your leadership in tackling this urgent issue and stand ready to support efforts to pass this critical bill.

RE: SUPPORT: SB 936 (Blakespear and Umberg) Nitrous Oxide Sales

Dear Chair Wicks,

We, the undersigned, write to express our **strong support for SB 936 as amended July 2nd, 2026**, co-sponsored by the National Stewardship Action Council (NSAC), the Rural County Representatives of California (RCRC), County of Orange, and San Diego County District Attorney Summer Stephan, which will ban sales of nitrous oxide in a container that is more than 8 grams or which is marketed or has the taste or smell of any food, which is widely used as an illicit recreational inhalant having devastating effects on users and public safety causing permanent health problems and even death for the users.

While the public health and safety impacts are extraordinary, the large nitrous oxide cylinders are showing up in publicly funded hazardous waste facilities and have quickly become an expensive waste management problem and additionally expose waste management workers to the danger of explosion as compressed gas cylinders can explode when compacted.

Local governments are responsible for the collection, processing, recycling and disposal of solid waste, including the operation of local household hazardous waste (HHW) collection programs. Local governments often contract with solid waste enterprises to provide hazardous waste collection services. These programs typically offer residents free drop-off of HHW; however, the cost to manage containers is significant, as these cylinders cost between $70-$120 each to properly puncture, evacuate, crush, ship and manage, and puts serious financial pressure on local governments that operate them. While some consumers properly dispose of nitrous oxide cylinders at the local HHW collection facility, others are found littered in the streets or placed in recycling carts because residents believe their metal content makes them recyclable or disposed of in the trash which is illegal. These must be diverted to the local HHW facilities. The cost for

local governments to manage nitrous oxide cylinders exceeds the initial purchase price that consumers pay at the point of sale as they can be purchased for $40-$70 each but typically cost local agencies almost double that to manage.

Local governments and the solid waste industry have no control over what products are introduced into the marketplace and for which we will ultimately be responsible for managing. By banning the sale of large nitrous oxide containers, SB 936 will significantly reduce cost pressures and management challenges for local solid waste programs and increase the safety for their operators while also protecting public health.

There are too many stories of how people are addicted to inhaling "laughing gas", which is no laughing matter, and it is resulting in permanent health impacts and death to users and to others who are dying because of drivers passing out at the wheel of vehicles. Abuse of N2O is destroying families, adding to litter problems, and in general is making life worse for Californians from public health and safety impacts to endangering sanitation workers and increasing costs and blight.

For these reasons, we are pleased to support your SB 936. Please do not hesitate to contact us if you have any questions.

Sincerely,

Item 3. Early Bill Review (Discussion and Potential Action)

SB 1013 (Cervantes): Automated license plate recognition systems	
Summary: Existing law prohibits a public agency, which includes the state, a city, a county, a city and county, or any agency or political subdivision of the state, a city, a county, or a city and county, including, but not limited to, a law enforcement agency, from selling, sharing, or transferring automated license plate recognition (ALPR) information, except to another public agency, and only as otherwise permitted by law. Existing law defines ALPR information as information or data collected through the use of an ALPR system. This bill would provide that "public agency" does not include a transportation agency, a public transit operator, or a local department of transportation or public works department, as specified. The bill would, beginning January 1, 2027, require new, updated, expansions of, or addendums of contractual agreements with ALPR vendors, manufacturers, or suppliers to mandate that no default access is provided to any national ALPR database and that an agency's collected scans are by default not accessible to any other agency, and would impose new requirements on sharing between California state law enforcement agencies. The bill would authorize a law enforcement agency to use ALPR information only for purposes of locating vehicles or persons when either are reasonably suspected of being involved in the commission of a public offense. **Enforcement:** The bill would prohibit a public agency from retaining ALPR information for more than 30 days after the date of collection if it does not match information on an authorized hot list, as defined, and as of January 1, 2027, would require a public agency to delete all ALPR information that has been held for more than 30 days and does not match information on an authorized hot list within 14 days. By imposing new requirements on public agencies, which include local agencies, this bill would impose a state-mandated local program.	
Legislative Advocacy Policy (LAP) Alignment:	None
City Position:	No Action - This measure falls outside of the City's LAPs

SB 1159 (Cabaldon): Artificial intelligence: transparency and governance
Summary: This bill defines a person for the purposes of public processes including the Bagley-Keene Open Meeting Act, the Brown Act, Public Records Act, the Political Reform Act, the Administrative Procedure Act, and CEQA, as not artificial intelligence. The California Constitution provides that people have the right of access to information concerning the conduct of the people's business. Various provisions of existing law, including the California Public Records Act, the Bagley-Keene Open Meeting Act, and the Ralph M. Brown Act, provide, with some exceptions, for public access to government records and

meetings of government bodies. Among those acts, the California Public Records Act defines "person" to include any natural person, corporation, partnership, limited liability company, firm, or association.

This bill would specify that, for purposes of the California Public Records Act, the Bagley-Keene Open Meeting Act, the Ralph M. Brown Act, the Political Reform Act of 1974, the Administrative Procedure Act, and the California Environmental Quality Act (CEQA), "person," "interested person," "participant," "member of the public," as applicable, and any other similar terms under each act referring to those who may engage with governmental agencies, do not include artificial intelligence, as defined, systems, autonomous agents, robots, or other nonhuman entities, whether physical or digital.

Enforcement: N/A

Legislative Advocacy Policy (LAP) Alignment:	**Regional Issues and Collaboration LAP:** "Monitors legislation related to artificial intelligence (AI) and its impact on communities through the direct application of AI, the job and economic opportunities generated through AI-related employers, and the impact on regional resources." *See also,* "Support efforts to modernize the Brown Act, particularly as in pertains to the rules related to usage of, and public notice requirements for, remote videoconferencing technology for meetings."
City Position:	Support

AB 1761 (Rogers): Electricity: calculation methodology: data disclosure

Summary:
AB 1761 (Rogers) would improve data transparency on electricity bills by requiring the California Public Utilities Commission and Investor Owned Utilities to disclose all the data used to calculate Power Charge Indifference Adjustment (PCIA) fee costs. The PCIA is paid for by Community Choice Aggregator (CCA) customers, but not all of the data used to calculate the costs are shared. Increasing transparency on this fee will help provide more eyes on the fee to make sure it is calculated correctly. This data also helps stakeholders understand the ratepayer impacts of any policy changes to the PCIA.

This bill would require the Public Utilities Commission to ensure that all data serving as a basis for any decision or ruling issued by the commission, or in any proposal or analysis provided by commission staff, for the determination or application of a calculation methodology for any charge imposed on customers of a load-serving entity to recover costs associated with contracts, electrical corporation-owned generation, or any other resource or value included in that charge and any other charge derived

from those costs, is made available to load-serving entities and ratepayer advocates on behalf of customers.

The bill would require the commission to require an electrical corporation or other party, in submitting a proposal or analysis for the determination or application of a calculation methodology for any charge imposed on customers of a load-serving entity to recover costs associated with contracts, electrical corporation-owned generation, or any other resource or value included in that charge and any other charge derived from those costs, to make all data serving as a basis for that proposal or analysis available to load-serving entities and ratepayer advocates on behalf of customers. The bill would require that data meets specified requirements, including that it is made through public disclosure, except for market-sensitive data.

Enforcement: N/A

Legislative Advocacy Policy (LAP) Alignment:	None
City Position:	No Action - This measure falls outside of the City's LAPs

AB 2517 (Calderon): Fire safety: fire hazard severity zones

Summary:
Existing law requires the State Fire Marshal to identify areas in the state that are not state responsibility areas, commonly known as local responsibility areas, as moderate, high, and very high fire hazard severity zones based on consistent statewide criteria and based on the severity of fire hazard that is expected to prevail in those areas.

Existing law requires the State Fire Marshal to periodically review and make recommendations relative to very high fire hazard severity zones within local responsibility areas. Under current law, this review is required to coincide with review of state responsibility area lands every 5 years and, when possible, fall within the timeframes for each county's general plan update. Existing law requires a local agency to designate, by ordinance, moderate, high, and very high fire hazard severity zones in its jurisdiction within 120 days of receiving the recommendations from the State Fire Marshal.

Existing law authorizes a local agency to, at its discretion, include areas within its jurisdiction not identified as very high fire hazard severity zones by the State Fire Marshal as very high fire hazard severity zones and areas not identified as moderate and high fire hazard severity zones by the State Fire Marshal as moderate and high fire hazard severity zones. Under existing law, a local agency is required to transmit a copy of an adopted ordinance to the State Board of Forestry and Fire Protection within 30 days of adoption. Existing law provides that changes made by a local agency to the recommendations made by the State Fire Marshal are final.

This bill would require the State Fire Marshal to, no fewer than 180 days before finalizing the designation of local responsibility areas as moderate, high, and very high fire hazard severity

zones, post specified information on its public internet website, conduct regional public workshops to receive oral public comments and consider those comments, host a 30-day public comment period to receive written comments from interested stakeholders and respond to all written comments by local agencies within 30 days of the end of the public comment period, and coordinate with other state agencies to help educate the public during the public workshops, as specified.

The bill would also require, on or before January 1, 2030, and every 5 years thereafter, the State Fire Marshal to review the local responsibility area lands designated as moderate, high, and very high fire hazard severity zones and to recommend changes.

The bill would no longer require this review to, when possible, fall within the timeframes for each county's general plan update. The bill would authorize a local agency to, at its discretion, increase the level of fire hazard severity applicable to a parcel in its jurisdiction if a parcel contains 2 or more designations, so that the higher level of fire hazard severity would apply to the entire parcel. The bill would require the State Fire Marshal to publish within 60 days the local ordinance transmitted to the board, as described above, on its internet website.

Enforcement: N/A

Legislative Advocacy Policy (LAP) Alignment:	None
City Position:	No Action - This measure falls outside of the City's LAPs

SB 894 (Allen): Wildfire resiliency: financial assistance

Summary:
This bill would establish the California Wildfire Resilience Loan Program and would require the California Alternative Energy and Advanced Transportation Financing Authority to administer the program to provide financial assistance for projects and activities to reduce wildfire-related risks and losses including home hardening and defensible space improvements, as provided, and would make related changes.

Specifically, this bill would:
1) Add to the purposes of CAEATFA the advancement of increasing the adoption of wildfire resilience improvements that reduce wildfire-risk related risk and losses by promoting facilities, projects, improvements, and measures intended to reduce wildfire risk, enhance structure survivability, or improve community resilience to wildfire.

2) Establish the California Wildfire Resilience Loan Program (Loan Program) to be developed and administered by CAEATFA.

3) Establish the goals of the Loan Program as:
Reducing local and statewide wildfire losses through wildfire resilience improvements to residential, multifamily, mixed-use, nonprofit, or small business property. Improving insurability and resilience of

communities vulnerable to wildfire risk. Increasing the defensible space around and hardening of residential, multifamily, mixed-use, nonprofit, or small business property to mitigate wildfire risk, thereby reducing the emission of greenhouse gases from wildfires and associated air pollution. Reduce the upfront and overall cost to eligible property owners of obtaining private financing for wildfire resilience improvements and expand access of eligible property owners to private financing tools for wildfire resilience improvements. 4) Establish that the Loan Program may include, but not be limited to, establishment of a loan loss reserve, interest rate buy-downs, and other credit enhancements. 5) Establish eligible wildfire resilience improvements, including: Home hardening; Smoke mitigation; and Other risk reduction measures. 6) Make financial assistance under this Loan Program available to eligible properties statewide. 7) Authorize CAEATFA to enter into partnerships or referral arrangements to facilitate the referral of eligible applicants, aggregating demand, or facilitating bulk purchasing or contracting agreements. 8) Authorize CAEATFA to consult with the SFM to establish procedures for verifications of improvements financed through the program for the purposes of program integrity, evaluation, and continuous improvement. 9) Authorize CAEATFA to enter into agreements, upon appropriation by the Legislature, to design, develop, maintain, and operate a public-facing internet website for the Loan Program. **Enforcement: N/A**	
Legislative Advocacy Policy (LAP) Alignment:	**Sustainability and Environmental Protection LAP**: "Support legislation and funding for resiliency to develop home hardening, defensible space at the home and neighborhood level".
City Position:	Support
SB 899 (Grove): Fire prevention: Wildfire and Forest Resilience Task Force: wildfire smoke	

Summary:
This bill would require the Wildfire and Forest Resilience Task Force to assess the health costs and impacts of wildfire smoke, and to develop a model to determine the health benefits of achieving the goals of the Wildfire and Forest Resilience Action Plan.

Existing law requires the Wildfire and Forest Resilience Task Force to develop a comprehensive implementation strategy to track and ensure the achievement of the goals and key actions identified in the state's "Wildfire and Forest Resilience Action Plan," as provided. Existing law requires, on or before March 1, 2026, and every 5 years thereafter, the task force to update the action plan.

This bill would require the task force, on or before July 1, 2028, and in cooperation with the Office of Environmental Health Hazard Assessment and the State Department of Public Health, to assess the health costs and impacts of wildfire smoke using existing wildfire smoke and health data, as provided. The bill would require the task force, in developing this assessment, to, among other things, develop a model to determine the approximate health benefits of achieving the goals identified in the action plan and make recommendations on how the action plan can increase its health benefits.

Enforcement: N/A

Legislative Advocacy Policy (LAP) Alignment:	None
City Position:	No Action - This measure falls outside of the City's LAPs
Additional Staff Comments/Dept. Implications:	No direct impact to the City of Santa Clara. Recommend watch position on this bill.

SB 949 (Becker): Environmental protection: Natural Resources Agency: resource of statewide

Summary:
Existing law establishes the Natural Resources Agency, composed of departments, boards, conservancies, and commissions responsible for the restoration, protection, and management of the state's natural and cultural resources.

This bill would designate the Santa Cruz Mountains, as defined, as a resource of statewide significance that requires special protection, as defined. The bill would require the Natural Resources Agency and its boards, departments, and conservancies, to the extent that resources are available, and when appropriate, to encourage collaborative stewardship approaches that support the protection, restoration, and preservation of the Santa Cruz Mountains, among other things.

This includes:
a) Protection, restoration, and preservation of the Santa Cruz Mountains' natural ecosystems.

b) Restoration and preservation of wildlife habitat in the Santa Cruz Mountains. c) Promotion of healthy forest management in the Santa Cruz Mountains. d) Improvement of watershed management in the Santa Cruz Mountains. e) Development and maintenance of trails for public access and other recreational opportunities in the Santa Cruz Mountains. f) Promotion of the long-term sustainability and conservation of working lands in the Santa Cruz Mountains to ensure they remain viable while contributing to the region's overall environmental health. g) Collaboration with local tribes to protect tribal cultural resources, partner on restoration and management efforts, and support opportunities for tribal access, cultural practices, and the potential for co-management of ancestral lands in the Santa Cruz Mountains. h) Promotion of voluntary stewardship on public and private lands in the Santa Cruz Mountains through technical assistance, conservation easements, incentive programs, and multi-benefit projects that contribute to the landscape-level goals of ecological health and climate resilience. **Enforcement: N/A**	
Legislative Advocacy Policy (LAP) Alignment:	Partial alignment to **Community Services LAP:** "Supports legislation and funding that promotes increased access to parks, open space, and outdoor recreational opportunities." "Supports efforts to restore the nature environment specially through parks: revegetation, reforestation, and urban forestry programs."
City Position:	No Action - The bill includes multiple components that cannot be captured in its entirety by existing City LAPs

Item 4. Propose Bills for Discussion at Next Legislative Action Committee Meeting

SB 922 (Laird): Vehicles: local agency charges: use of streets or highways
Summary: Existing law prohibits a local agency from imposing a tax, permit fee, or other charge for the privilege of using its streets or highways, other than a permit fee for an extralegal load unless the local agency had imposed the fee prior to June 1, 1989. This bill would expressly limit this prohibition to charges based on weight. The bill would also explicitly state that a fee, charge, or surcharge imposed by or for a local agency to recover the cost of street maintenance and repair and other costs associated with the use of its streets, roads, or highways to

provide public services or public works is not a tax, permit fee, or other charge that is prohibited by the provision above. The bill would provide that nothing in the Vehicle Code prohibits a local agency from imposing or collecting this fee, charge, or surcharge. The bill would delete obsolete references and make other technical changes.

This bill allows cities to assess fees or charges, as part of franchise fee agreements, to recover costs of street maintenance, repair, and other costs to provide a public service (such as waste hauling). This bill is a clarification, in response to a recent lawsuit, that cities maintain the authority to collect fees for these purposes. Without this clarification, additional cities may be subject to lawsuits that would eliminate the ability to utilize franchise fee revenue for street maintenance.

Enforcement: N/A

Legislative Advocacy Policy (LAP) Alignment:	**Transportation Issues LAP:** "Support legislation and efforts that provide funding for diverse transportation projects, such as local streets and roads improvements, shuttle programs, public transit, railroad crossing improvements, bicycle and pedestrian projects, intelligent transportation system improvements, corridor capacity improvements, and highway interchange improvements."
City Position:	Support

AB 1821 (Pacheco): California Public Records Act: agency response time

Summary:
Existing law, the California Public Records Act, requires each state or local agency, upon a request for a copy of records that reasonably describes an identifiable record or records, to make the records promptly available to any person upon payment of fees covering direct costs of duplication, or a statutory fee if applicable, except with respect to public records exempt from disclosure by express provisions of law.

Existing law requires each agency, within 10 days of a request for a copy of records, to determine whether the request seeks copies of disclosable public records in possession of the agency and to promptly notify the person of the determination and the reasons therefor. Existing law authorizes that time limit to be extended by no more than 14 days under unusual circumstances, as defined.

This bill would extend the time that local agencies have to respond to public records act requests, from 10 days to 14 business days.

Enforcement: N/A

Legislative Advocacy Policy (LAP) Alignment:	**Human Resources and Public Sector Employment LAP:**

	"Supports efforts to update the Public Records Act process that balance public agencies' resources while maintaining transparency and accountability".
City Position:	Support

Item 3. Early Bill Review (Discussion and Potential Action)

AB 1821 (Pacheco) – Public Records Act: response time	
Summary: This bill extends the deadlines for public agencies to provide an initial response to a public records request by converting the current "calendar day" deadlines to a "business day" standard**.** The California Public Records Act requires each state or local agency, upon a request for a copy of records that reasonably describes an identifiable record or records, to make the records promptly available to any person upon payment of fees covering direct costs of duplication, or a statutory fee if applicable, except with respect to public records exempt from disclosure by express provisions of law. Existing law requires each agency, within 10 days of a request for a copy of records, to determine whether the request seeks copies of disclosable public records in possession of the agency and to promptly notify the person of the determination and the reasons, therefore. Existing law authorizes that time limit to be extended by no more than 14 days under unusual circumstances, as defined. This bill would instead require each agency to determine whether the request seeks copies of disclosable public records in possession of the agency and to promptly notify the person as described above within 10 business days of a request for a copy of records **Potential Impact:** Would provide City staff with additional time to respond to PRA requests. **Enforcement:** N/A	
Legislative Advocacy Policy (LAP) Alignment:	**Human Resources and Public Sector Employment LAP:** Supports efforts to update the Public Records Act process that balance public agencies' resources while maintaining transparency and accountability.
City Position:	Support
AB 2296 (Papan) – Regional Housing Needs Allocation **(CalCities Sponsored bill)**	
Summary: This bill extends various timelines in the regional housing needs determination and allocation (RHNA) process and requires HCD to provide specific analysis or text to local governments to remedy deficiencies in their draft housing elements. Specifically, among other provisions, this bill: • Extends the time by which each COG or delegate subregion must develop, in consultation with HCD, a proposed methodology for distributing the RHNA to local governments within the region or subregion, from at least two years prior to the scheduled housing element revision to at least two and one-half years prior, and for the seventh housing element cycle, applies this change to housing elements adopted after 2027.	

- Extends the time by which each COG and delegate subregion must distribute a draft RHNA to each local government in the region or subregion and to HCD, and to publish the draft RHNA on its website, from at least one and one-half years before the scheduled housing element revision to at least two years prior and, for the seventh housing element cycle, applies this change to housing elements adopted after 2027.
- Requires HCD, if it finds a draft housing element or amendment does not substantially comply with housing element law, to do both of the following in a written communication to the planning agency:
    - Identify and explain the specific deficiencies in the draft element or draft amendment, including a reference to each subdivision of specified law with which the draft does not comply.
    - Provide the specific analysis or text that HCD expects the planning agency to include in the draft to remedy the deficiencies identified under item a, above.
- Requires HCD to review any change made to a housing element and report its findings to the planning agency within 30 days of receipt of any change, instead of 60 days.
- Requires a local government's legislative body to consider HCD's findings and the specific analysis or text required by HCD prior to the adoption of its draft element or draft amendment.

Potential Impact:
Would provide City staff with additional time to analyze RHNA requirements and prepare housing elements. Would provide City staff with more detailed information from HCD during the housing element review process.

Enforcement: N/A

Legislative Advocacy Policy (LAP) Alignment:	**LAP Guiding Principles:** Support the League of California Cities and National League of Cities **Housing LAP:** Support legislation that would require the Department of Housing and Community Development to consistently provide timely detailed review and clear, consistent and specific requirements for achieving Housing Element certification and pro-housing designation, to further streamline the local jurisdictions' housing policy review and adoption processes.
City Position:	Support

SB 1167 (Blakespear) – E-Bikes

Summary: This bill would revise the definitions of electric bicycles (e-bikes), motor driven cycles, and mopeds, update the labeling and disclosure requirements for manufacturers and sellers of these devices, and expand prohibitions on false advertising and unfair competition related to e-bikes.

Among other things, this bill would:

- Explicitly exclude from the definition of e-bike a vehicle with motor power of more than 750 watts, a vehicle capable of attaining a speed greater than 20 mph on motor power alone, a vehicle with a motor capable of providing assistance when the vehicle reaches a speed exceeding 28 mph without pedal assistance, a motorcycle, moped, motorized scooter, off-highway electric motorcycle (eMoto), pocket bike, or recreational off-highway vehicle, as specified.
- Specify that advertising or selling a motor-driven cycle as an e-bike, or a device that is explicitly excluded from the definition of an e-bike, shall constitute a misleading statement in violation of unfair competition and false advertising laws, as specified.
- Add to the definition of a motor-driven cycle vehicles that are propelled by an electric motor of less than 3,750 watts that produces 5 brake horsepower or less, are designed for highway use, and comply with all applicable federal motor safety standards.
- Clarify that an electric bicycle, moped, motorized scooter, pocket bike, or recreational off-highway vehicle is not a motor-driven cycle and shall not be advertised, sold, offered for sale, or labeled as a motor-driven cycle.
- Require motor-driven cycles and mopeds propelled by an electric motor and manufactured after January 1, 2027, to be equipped with a lamp-type turn signal system, and require motor-driven cycles whose speed attainable in one mile is 30 mph or less to also have a lamp-type turn signal.
- Authorize a peace officer to remove a prohibited device described above if a person is operating the unauthorized device on a highway or public-right-of-way.
- Require an e-bike label to include the name of the brand, the manufacturer, importer, or distributor of the e-bike, the e-bike classification number, and the top assisted speed and motor wattage of the e-bike.
- Require a moped or motor-driven cycle label to include the name of the brand, the manufacturer, importer, or distributor of the moped or motor-driven cycle, the word "moped" or "motor-driven cycle," and the top assisted speed and motor wattage, if applicable, of the moped or motor-driven cycle.
- Require any incident report filed by a peace officer for an injury or crash involving an electric bicycle, moped, or motor-driven cycle to include all of the information provided on the device's label. If the device does not have the marking or label, the incident report must indicate that a marking or label was not available.
- Provide that it is unlawful for a person to sell an e-bike, moped, or motor-driven cycle in violation of these labeling and disclosure requirements.

Potential Impact: May lead to reduced incidents, and increased safety, surrounding the use of e-bikes in the City.

Enforcement: N/A

Legislative Advocacy Policy (LAP) Alignment:	**Transportation Issues LAP:** Support legislation that promotes the safe operation of e-bikes, including requirements for safety training, helmets and safety equipment appropriate for the class of e-

	bike being operated, and age-appropriate restrictions for certain classifications of e-bikes.
City Position:	Support
SB 949 (Becker): Environmental protection: Natural Resources Agency: resource of statewide	
Summary: This bill would establish the Santa Cruz Mountains as a landscape of statewide significance that requires special protection. The measure would require the Natural Resources Agency and its boards, departments, and conservancies to encourage collaborative stewardship approaches that support the protection, restoration, and preservation of the Santa Cruz Mountains' natural ecosystems, wildlife, forest management, watershed management, and recreational opportunities. Existing law establishes the Natural Resources Agency, composed of departments, boards, conservancies, and commissions responsible for the restoration, protection, and management of the state's natural and cultural resources. This bill would designate the Santa Cruz Mountains, as defined, as a resource of statewide significance that requires special protection, as defined. The bill would require the Natural Resources Agency and its boards, departments, and conservancies, to the extent that resources are available, and when appropriate, to encourage collaborative stewardship approaches that support the protection, restoration, and preservation of the Santa Cruz Mountains, among other things. This bill would make legislative findings and declarations as to the necessity of a special statute for the Santa Cruz Mountains covering portions of the Counties of San Mateo, Santa Clara, and Santa Cruz. **Potential Impact:** Ongoing environmental stewardship of regional open space and natural amenities **Enforcement:** N/A	
Legislative Advocacy Policy (LAP) Alignment:	Partial alignment with **Community Services LAP:** "Supports legislation and funding that promotes increased access to parks, open space, and outdoor recreational opportunities." "Supports efforts to restore the nature environment specially through parks: revegetation, reforestation, and urban forestry programs."
City Position:	Watch - The bill includes multiple components that cannot be captured in its entirety by existing City LAPs
AB 1708 (Solache) – HHAP Round 8: smaller jurisdictions	

Summary: This bill, beginning with funding allocations under round 8 of the Homeless Housing, Assistance, and Prevention (HHAP) program, requires a round 8 regionally coordinated homelessness action plan to include certain components necessary to allocate a portion of the funding to smaller jurisdictions.

Specifically, this bill:

- Defines "smaller jurisdiction" to mean a city with a population under 300,000.
- Requires HHAP round 8 to include a description of programs and interventions provided by smaller jurisdictions that serve the objectives and goals of HHAP.
- Requires HHAP round 8 to include an analysis that contains, among other items, an analysis of how local, state, and federal funding can be allocated to support programs identified for smaller jurisdictions.
- Allows a region receiving funding under HHAP round 8 to allocate a portion of that funding to smaller jurisdictions to support the programs in the regional plan.
- Requires a region to establish a transparent and publicly available process through which smaller jurisdictions may apply for or otherwise access funding that includes, but is not limited to, timelines, evaluation criteria, and decision-making formulas.
- Requires a smaller jurisdiction to do the following to be eligible for HHAP round 8 funding: (a) have a compliant housing element, (b) have adopted a local encampment policy consistent with administration guidance, (c) demonstrate how its past actions, programs, and appropriation of funds have served the objectives and goals of the regionally coordinated homelessness action plan and the intent of the HHAP, and (d) adopt a resolution that commits to participating in, and complying with, the regionally coordinated homelessness action plan.

Potential Impact: Promotes regional collaboration for the state's primary homelessness program and establishes a path for accessing program funding in future rounds.

Enforcement: N/A

Legislative Advocacy Policy (LAP) Alignment:	**Housing LAP:** Support legislation and efforts that provide resources for small to medium sized cities, including funding for staffing, to plan and implement strategies that address the impacts of homelessness on public facilities and services.
City Position:	Support

SB 922 (Laird) – Local agency charges: use of streets or highways
(CalCities Sponsored bill)

Summary: This bill allows local agencies to impose taxes, permit fees, or other charges for the privilege of using its streets or highways provided they are not based on weight to recover costs for street repair and public services. The measure states that fees, charges, or surcharges for local agencies to recover costs of street maintenance, repair, and other costs to provide public services do not count as a tax, permit fee, or other charge for the privilege of using its streets or highways.

This measure seeks to restore local agencies' ability to include road repair costs in their waste hauling fees, which the *Rogers v. Redlands* decision prohibited. Second, it seeks to limit the prohibition on fees for the privilege of using roads to weight fees so that other charges do not face similar legal challenges to those in *Rogers*. **Potential Impact:** Would allow the City to continue to utilize revenue derived from franchise fee agreements for local road maintenance and rehabilitation. **Enforcement:** N/A	
Legislative Advocacy Policy (LAP) Alignment:	**LAP Guiding Principle:** Support the League of California Cities and National League of Cities; Protect local revenue sources and prevent unfunded mandates;
City Position:	Support
AB 2385 (Petrie-Norris) – Local reconstruction agencies	
Summary: This bill authorizes local governments to establish a local reconstruction agency (LRA) with broad powers to coordinate recovery efforts in an area impacted by disaster. This bill allows an LRA to utilize property tax increment financing and to issue bonds. This bill specifies the board structure of an LRA and requires the LRA to specify a date on which it will cease to exist. This date must not be more than 45 years from the date on which a bond is issued, or the issuance of a loan is approved. This bill also expands the ability of a disaster recovery plan, and ordinances a local government is already statutorily authorized to prepare in order to facilitate fast and efficient recovery and reconstruction following a disaster, to cover the full span of the recovery process. This bill specifies the elements that may be included in the contingency plan of action and organization and requires LCI and Cal OES to provide assistance with plans and ordinances. **Potential Impact:** In the event of a disaster, would provide the City a means of generating long-term revenue to aid with the disaster recovery. **Enforcement:** N/A	
Legislative Advocacy Policy (LAP) Alignment:	**Emergency Management LAP:** Supports federal and state efforts to help mitigate the economic impacts from all-hazard emergencies on the City and its' businesses and residents.
City Position:	Support

June 9, 2026

The Honorable Patrick Ahrens
California State Assembly
1021 O Street, Suite
Sacramento, CA 95814

RE: AB 2231 (Ahrens): California Environmental Quality Act: Hospital Projects
City of Santa Clara – Notice of Support

Dear Assembly Member Ahrens,

On behalf of the City of Santa Clara, I am pleased to express our support for AB 2231 (Ahrens), which adopts a targeted and time-sensitive approach to advancing the development of critical health care infrastructure in California. While projects of this scale have important local implications, including impacts on infrastructure, public, services, and long-term land use planning, AB 2231 preserves the City's role in evaluating the project through its local land use discretionary authority and does not predetermine the outcome of any City entitlement, fiscal, operational, or mitigation decision.

AB 2231 would provide a streamlined California Environmental Quality Act (CEQA) process for qualifying hospital construction projects in the Cities of Emeryville and Santa Clara and would require project applicants to meet defined labor standards, including the payment of prevailing wages and the use of a skilled and trained workforce. This measure responds to the urgent need to expedite hospital construction timelines in the face of anticipated federal health care funding reductions and increasing demand for medical services.

Delays associated with litigation and extended judicial review can impose significant project delays and undermine the feasibility of essential hospital projects. By establishing a streamlined CEQA review process, alongside strong labor protections, AB 2231 is intended to balance the need to accelerate project delivery with the goal of maintaining high-quality workforce standards.

Sutter Health's Santa Clara project represents a rare milestone, a net-new hospital for the State of California. At a time when many hospitals across the state are struggling and/or forced to reduce their services, this project will add entirely new inpatient and emergency services to one of California's fastest growing regions.

Santa Clara County currently has approximately 1.4 inpatient hospital beds per 1,000 residents, a level that reflects an already stressed patient access environment. As population growth and patient acuity continue to rise, the absence of new hospital capacity will further exacerbate challenges unless new facilities are brought online.

The Santa Clara campus is planned as a flagship medical hub, integrating acute inpatient care, emergency services, maternal health, and advanced specialty care in a coordinated setting. The hospital could reduce travel times, improve care coordination, and help relieve pressure on surrounding facilities that are already operating at or near capacity, subject to the City's independent review of the project and its potential impacts through the discretionary land use entitlement process and without limiting the City's authority to impose feasible conditions of approval, mitigation measures, community benefit agreement terms, or other requirements authorized by law. The hospital will not only serve Santa Clara County patients, but those from the broader region in addition to any complex patients that require hospital services.

Additionally, the Santa Clara campus will help retain the City's diverse employment base, invest in modern medical facilities, and help meet the demand for services required to support new residential development and the existing community.

AB 2231 reflects a thoughtful and pragmatic approach to addressing emerging challenges facing California's health care system. By enabling critical hospital projects to move forward more efficiently, the bill supports continued access to essential medical services, enhances regional capacity, and strengthens overall system resilience. At the same time, its focused geographic scope and clear labor requirements ensure that these benefits are achieved in a manner that remains consistent with broader public policy objectives, including workforce development and economic stability. The City's support for the bill reflects this policy objective, while recognizing the importance of preserving local authority to evaluate and address project-specific impacts as well as long-term operational and fiscal sustainability through its discretionary approvals and established implementation process. The City will continue to work in partnership with Sutter Health with the objective of ensuring the project is thoughtfully integrated into the community and implemented in a manner that supports long-term sustainability and addresses project-specific impacts.

For these reasons, the City of Santa Clara supports AB 2231 (Ahrens) and appreciates your leadership on this important issue, as well as your continued efforts to advance policies that strengthen California's health care infrastructure and support our communities.

Sincerely,

Lisa M. Gillmor
Mayor
City of Santa Clara

26-488 Agenda Date: 8/18/2026

REPORT TO COUNCIL

SUBJECT

Action on an Agreement with Group 4 Architecture, Research and Planning for Design Professional Services for the International Swim Center Rehabilitation Phase 2 Project and Approve the Related Budget Amendments

BACKGROUND

Over the past several years, the City Council approved various actions towards the rehabilitation of the International Swim Center. The International Swim Center Rehabilitation project is planned to be completed in phases which will expedite the reopening of the aquatic facility and its various community programs.

The International Swim Center Rehabilitation Project Phase 1 is currently under construction and focuses on the rehabilitation of three pools designated for diving, racing, and training activities. The scope of work includes increasing the depth of the racing pool to meet competitive aquatic standards; upgrading pool decking and gutter system; replacing pumping and filtration systems; replacing the dive tower; implementing accessibility improvements; demolition of the existing administrative building; installing utilities to support the current and future phases of the project; and completing additional upgrades necessary to meet current building, health, and other codes and regulations.

The International Swim Center Rehabilitation Project Phase 2 (Project) includes the design and construction of a new administrative building, which is anticipated to be approximately 10,000 to 12,000 square feet in size. The purpose of the administrative building is to provide space for inclusive, safe, and accessible amenities within the aquatics center, including administrative space to support daily operations, full-time staff, and program management as well as dedicated and flexible spaces for lifeguard operations (briefing/training, break room, and lockers). The project site is shown on the Location Map included as Attachment 1. The design phase of the Project will also evaluate additional elements including the existing bleachers, canopy structures, and accessory buildings located adjacent to the spectator seating areas to determine the feasibility of rehabilitation or replacement alternatives. If feasible alternatives are identified, the Project may include improvements to these additional elements as part of Phase 2, subject to cost estimates and available budget. To advance the Project through the design phase and public works construction, the City needs to retain a qualified consultant to provide comprehensive engineering design services.

DISCUSSION

Pursuant to City Code Section 2.105.140(c) and State laws governing procurement of architectural and engineering services, the City followed a qualifications-based selection process. Under this process, proposers are evaluated based on their demonstrated competence and qualifications, and the most qualified proposer(s) is selected, subject to the negotiation of fair and reasonable compensation.

In December 2025, a competitive Request for Proposals (RFP) was published on the City's e-procurement platform, which was viewed by over 100 members, including consultants, plan rooms, and builder exchanges, among others. Additional firms were able to view the RFP as members of various plan rooms and builder exchanges. Staff also provided direct notifications to consultants who had viewed similar projects in the past.

The City received six proposals from: CSHQA; DLR Group; ELS Architecture; Ethos; Group 4 Architecture, Research and Planning; and LPA. A proposal review panel consisting of staff from the Department of Public Works and the Parks and Recreation Department evaluated each proposal based on the criteria outlined in the RFP, including responsiveness to the RFP, qualifications of the firm, project approach, ability to meet the proposed schedule, and relevant project experience.

Based on the panel's evaluation, staff recommend awarding the agreement to Group 4 Architecture, Research and Planning (Group 4). Group 4 demonstrated a strong understanding of the Project requirements and presented a comprehensive and effective approach to addressing the services identified in the RFP. Group 4 also brings extensive architectural experience in California and a proven track record of successfully delivering similar projects.

The proposed Agreement (Attachment 2) includes a negotiated scope of services and fees based on the anticipated services required for the Project. The scope of services generally includes preliminary engineering, preparation of construction documents, bidding support, construction support, and project closeout. Staff recommend entering into an agreement with Group 4 to provide design professional services for the Project. The agreement includes prevailing wage requirements.

ENVIRONMENTAL REVIEW

This action is for design professional services and the action being considered does not constitute a "project" within the meaning of the California Environmental Quality Act ("CEQA") Guidelines section 15378 as the action being considered does not commit the City to undertake the project and future discretionary approvals are required by the City to approve the project for construction. Environmental review in accordance with CEQA will occur as part of the design and approval process.

FISCAL IMPACT

The total not-to-exceed amount for the proposed Agreement is $3,106,127, including $2,700,980 for basic services and $405,147 for additional services. The fees are based on the approximate size and programming of the proposed building, the scope of work required to complete the design of the project, and the anticipated engineering support needed during construction of the Project.

Partial funding of $2.2 million is available from the first tranche of Measure I General Obligation Bond funds. Funding includes $2.0 million in the Community ISC Aquatic Facility Renovation/Replacement (Phase 2) project and $0.2 million in the Parks, Library, Senior Center & Aquatics Facilities Contingency/Escalation/Administration (CEA) project in the Measure I General Obligation Bond Projects Fund. The remaining project costs of approximately $0.9 million exceed the available funding and result in a funding gap.

To address the funding gap and ensure sufficient funding is available for the Project, staff recommend appropriating $0.9 million of Mitigation Fee Act (MFA) funds to the Community ISC Aquatic Facility project in the Parks and Recreation Capital Fund on an interim basis. Staff anticipate that the MFA

funds will be reimbursed upon receipt and appropriation of future Measure I General Obligation Bond Tranche 2 proceeds designated for the Community Aquatic Facility/ISC Renovation/Replacement project area. However, if Phase 2 project costs exceed current estimates, some or all of the MFA funds may remain allocated to the project and may not be reimbursed from future bond proceeds. The use of MFA funds for this project is consistent with the purpose and intended use of the fee program. MFA funds are used to support public park and recreational facilities needed to accommodate growth attributable to new development. The proposed improvements support that purpose by expanding administrative, staffing, lifeguard, training, and operational support spaces needed to accommodate increased aquatics programming and facility use generated by population growth.

Additional funding, if necessary for the construction phase of the Project, will be brought forward for the City Council's consideration at a future date. The recommended budget actions are summarized below.

Budget Amendments
FY 2026/27

	Current	Increase/ (Decrease)	Revised
Parks and Recreation Capital Fund			
Ending Fund Balance			
Fund Balance Mitigation Fee Act	$17,642,196	($906,127)	$16,736,069
Expenditures			
Community ISC Aquatic Facility	$5,600,771	$906,127	$ 6,506,898

COORDINATION
This report has been coordinated with the Finance Department, Parks and Recreation Department, and the City Attorney's Office.

PUBLIC CONTACT
Public contact was made by posting the Council agenda on the City's official-notice bulletin board outside City Hall Council Chambers. A complete agenda packet is available on the City's website and in the City Clerk's Office at least 72 hours prior to a Regular Meeting and 24 hours prior to a Special Meeting. A hard copy of any agenda report may be requested by contacting the City Clerk's Office at (408) 615-2220, email clerk@santaclaraca.gov or at the public information desk at any City of Santa Clara public library.

RECOMMENDATION
1. Approve and authorize the City Manager to execute an agreement with Group 4 Architecture, Research and Planning for design professional services for the International Swim Center Rehabilitation Phase 2 Project with maximum compensation not-to-exceed $3,106,127 and a term through December 31, 2032, in a final form approved by the City Attorney;
2. Authorize the City Manager to negotiate and execute amendments to the agreement to make modifications as needed, including time extensions, subject to the compensation limit and

appropriation of funds, in final forms approved by the City Attorney; and

3. Approve the following FY 2026/27 budget amendment in the Parks and Recreation Capital Fund to increase the Community ISC Aquatic Facility project by $906,127 and decrease the Mitigation Fee Act ending fund balance by $906,127 (five affirmative Council votes required for the use of unused balances).

AGREEMENT FOR DESIGN PROFESSIONAL SERVICES BETWEEN THE CITY OF SANTA CLARA, CALIFORNIA, AND GROUP 4 ARCHITECTURE, RESEARCH AND PLANNING FOR THE INTERNATIONAL SWIM CENTER REHABILITATION PHASE 2 PROJECT

PREAMBLE

This Agreement is entered into between the City of Santa Clara, California, a chartered California municipal corporation (City), and Group 4 Architecture, Research and Planning, a California corporation (Consultant). City and Consultant may be referred to individually as a "Party" or collectively as the "Parties" or the "Parties to this Agreement." In this Agreement, "Contractor" is used to refer to the party awarded the contract for the construction of the International Swim Center Rehabilitation Phase 2 Project.

RECITALS

A. City desires to secure the design professional services more fully described in this Agreement, at Exhibit A, entitled "Scope of Services";

B. "Design professional" includes licensed architects, licensed landscape architects, registered professional engineers and licensed professional land surveyors;

C. Consultant represents that it, and its subconsultants, if any, have the professional qualifications, expertise, necessary licenses and desire to provide certain goods and/or required services of the quality and type which meet objectives and requirements of City; and,

D. The Parties have specified herein the terms and conditions under which such services will be provided and paid for.

The Parties agree as follows:

AGREEMENT TERMS AND CONDITIONS

1. AGREEMENT DOCUMENTS

The documents forming the entire Agreement between City and Consultant shall consist of these Terms and Conditions and the following Exhibits, which are hereby incorporated into this Agreement by this reference:

Exhibit A – Scope of Services

Exhibit B – Schedule of Fees

Exhibit C – Insurance Requirements

Exhibit D – Labor Compliance Addendum

Exhibit E – Milestone Schedule

Exhibit F – Project Management Document Software

Exhibit G – Design Considerations

This Agreement, including the Exhibits set forth above, contains all the agreements, representations and understandings of the Parties, and supersedes and replaces any previous agreements, representations and understandings, whether oral or written. In the event of any inconsistency between the provisions of any of the Exhibits and the Terms and Conditions, the Terms and Conditions shall govern and control.

2. TERM OF AGREEMENT

Unless otherwise set forth in this Agreement or unless this paragraph is subsequently modified by a written amendment to this Agreement, the term of this Agreement shall begin upon the date this Agreement is signed by both parties and terminate on December 31, 2032. Services shall not commence until City issues a written notice to proceed.

3. SCOPE OF SERVICES & PERFORMANCE SCHEDULE

Consultant shall perform those Services specified in Exhibit A within the time stated in Exhibit E. Time is of the essence.

A. All reports, cost estimates, plans and other documentation which may be submitted or furnished by Consultant shall be approved and signed by an appropriate qualified licensed professional in the State of California.

B. The title sheet for specifications and reports, and each sheet of plans, shall bear the professional seal, certificate number, registration classification, expiration date of certificate and signature of the design professional responsible for their preparation.

4. WARRANTY

Consultant expressly warrants that all services covered by this Agreement shall be fit for the purpose intended, shall be free from defect and shall conform to the specifications, requirements and instructions upon which this Agreement is based. Consultant agrees to promptly correct any incomplete, inaccurate or defective Services at no further cost to City when defects are due to the negligence, errors or omissions of Consultant. If Consultant fails to promptly

correct services, City may make corrections or replace materials or services and charge Consultant for the cost incurred by City.

5. QUALIFICATIONS OF CONSULTANT - STANDARD OF CARE

Consultant represents and maintains that it has the expertise in the professional calling necessary to perform the Services, and its duties and obligations, expressed and implied, contained herein, and City expressly relies upon Consultant's representations regarding its skills and knowledge. Consultant shall perform such Services and duties in conformance to and consistent with the professional standards of a specialist in the same discipline in the State of California.

All documents furnished under Exhibit A shall be of a quality acceptable to City. The criteria for acceptance of the work provided under this Agreement shall be a product of neat appearance, well organized, that is technically and grammatically correct, checked and having the maker and checker identified. The minimum standard of appearance, organization and content of the drawings shall be that used by City for similar Projects.

6. COMPENSATION AND PAYMENT

In consideration for Consultant's complete performance of Services, City shall pay Consultant for all materials provided and Services rendered by Consultant in accordance with Exhibit B, entitled "SCHEDULE OF FEES." The maximum compensation of this Agreement is three million one hundred six thousand one hundred twenty-seven dollars ($3,106,127) subject to budget appropriations, which includes all payments that may be authorized for Services and for expenses, supplies, materials and equipment required to perform the Services. All work performed or materials provided in excess of the maximum compensation shall be at Consultant's expense. Consultant shall not be entitled to any payment above the maximum compensation under any circumstance.

7. TERMINATION

A. Termination for Convenience. City shall have the right to terminate this Agreement, without cause or penalty, by giving not less than thirty (30) days' prior written notice to Consultant.

B. Termination for Default. If Consultant fails to perform any of its material obligations under this Agreement, in addition to all other remedies provided by law, City may terminate this Agreement immediately upon written notice to Consultant.

C. Upon termination, each Party shall assist the other in arranging an orderly transfer and close-out of services. As soon as possible following the notice of termination, but no later than ten (10) days after the notice of

termination, Consultant will deliver to City all City information or material that Consultant has in its possession.

8. ASSIGNMENT AND SUBCONTRACTING

City and Consultant bind themselves, their successors and assigns to all covenants of this Agreement. This Agreement shall not be assigned or transferred without the prior written approval of City. Consultant shall not hire subconsultants without express written permission from City.

Consultant shall be as fully responsible to City for the acts and omissions of its subconsultants, and of persons either directly or indirectly employed by them, as Consultant is for the acts and omissions of persons directly employed by it.

9. NO THIRD PARTY BENEFICIARY

This Agreement shall not be construed to be an agreement for the benefit of any third party or parties and no third party or parties shall have any claim or right of action under this Agreement for any cause whatsoever.

10. INDEPENDENT CONSULTANT

Consultant and all person(s) employed by or contracted with Consultant to furnish labor and/or materials under this Agreement are independent consultants and do not act as agent(s) or employee(s) of City. Consultant has full rights to manage its employees, workers, and contractors in their performance of Services under this Agreement.

Consultant shall enter into written agreements with all persons it engages, hires, contracts with, or employs to perform Services or provide labor and or materials to City, which state the persons are not employees of the City, and such persons are required to immediately report to Consultant any and all instances of any of the following, if they occur during the time the persons provide labor and or materials to City: (a) The way a person supplies labor and or materials to City is supervised by City or City's designee; (b) The person is informed they should follow instructions given by City concerning how the person's labor and material are to be provided; (c) The person is informed they should give City access to on-going review of the person's labor and or materials; (d) The person is informed by City they should participate or attend training; (e) The person is unavailable to promote or otherwise make their labor and or materials available to the general public as a result of the provision of labor and materials to City; (f) The person is informed they are City's employee; or (g) The person forms a belief or opinion they are City's employee.

Consultant must immediately provide written notice to City of any report under Section 10 and provide related information as reasonably requested by City. The Parties agree failure of Consultant to immediately provide written report to City of

any notice it receives from any source, relating to Section 10, constitutes material breach of this Agreement.

Consultant will inform and train persons it engages, hires, contracts with, or employs to provide labor and or materials to City on the requirements of Section 10. Consultant shall require that its workers and/or personnel immediately report to their respective Consultant supervisor any perceived occurrence under Section 10.

11. CONFIDENTIALITY OF MATERIAL

All ideas, memoranda, specifications, plans, manufacturing procedures, data, drawings, descriptions, documents, discussions or other information developed or received by or for Consultant and all other written information submitted to Consultant in connection with the performance of this Agreement shall be held confidential by Consultant and shall not, without the prior written consent of City, be used for any purposes other than the performance of the Services nor be disclosed to an entity not connected with performance of the Services. Nothing furnished to Consultant which is otherwise known to Consultant or becomes generally known to the related industry shall be deemed confidential.

12. OWNERSHIP OF MATERIAL

All material, which shall include, but not be limited to, data, sketches, tracings, drawings, plans, diagrams, quantities, estimates, specifications, proposals, tests, maps, calculations, photographs, reports, designs, technology, programming, works of authorship and other material developed, collected, prepared or caused to be prepared under this Agreement shall be the property of City but Consultant may retain and use copies thereof. City shall not be limited in any way or at any time in its use of said material. However, Consultant shall not be responsible for damages resulting from the use of said material for work other than Project, including, but not limited to, the release of this material to third parties.

13. RIGHT OF CITY TO INSPECT RECORDS OF CONSULTANT

City, through its authorized employees, representatives or agents shall have the right during the term of this Agreement and for four (4) years from the date of final payment for goods or services provided under this Agreement, to audit the books and records of Consultant for the purpose of verifying any and all charges made by Consultant in connection with Consultant compensation under this Agreement, including termination of Consultant. Consultant agrees to maintain sufficient books and records in accordance with generally accepted accounting principles to establish the correctness of all charges submitted to City. Any expenses not so recorded shall be disallowed by City. Consultant shall bear the cost of the audit if the audit determines that there has been a substantial billing deviation in excess of five (5) percent adverse to the City.

Consultant shall submit to City any and all reports concerning its performance under this Agreement that may be requested by City in writing. Consultant agrees to assist City in meeting City's reporting requirements to the State and other agencies with respect to Consultant's Services hereunder.

14. HOLD HARMLESS/INDEMNIFICATION

To the extent permitted by law, Consultant agrees to protect, defend, hold harmless and indemnify City, its City Council, commissions, officers, employees, volunteers and agents from and against any claim, injury, liability, loss, cost, and/or expense or damage, including all costs and attorney's fees in providing a defense to any such claim or other action, and whether sounding in law, contract, tort, or equity, to the extent arising out of, pertaining to, or related to the negligence, recklessness, or willful misconduct of the Consultant, its employees, subconsultants, or agents in the performance, or non-performance, of Services under this Agreement.

15. INSURANCE REQUIREMENTS

During the term of this Agreement, and for any time period set forth in Exhibit C, Consultant shall provide and maintain in full force and effect, at no cost to City, insurance policies as set forth in Exhibit C.

16. WAIVER

Consultant agrees that waiver by City of any one or more of the conditions of performance under this Agreement shall not be construed as waiver(s) of any other condition of performance under this Agreement. Neither City's review, acceptance nor payments for any of the Services required under this Agreement shall be constructed to operate as a waiver of any rights under this Agreement or of any cause of action arising out of the performance of this Agreement.

17. NOTICES

All notices to the Parties shall, unless otherwise requested in writing, be sent to City addressed as follows:

City of Santa Clara
Attention: Department of Public Works – Design Division
1500 Warburton Avenue
Santa Clara, CA 95050
and by e-mail at engineering@santaclaraca.gov, and
manager@santaclaraca.gov

And to Consultant addressed as follows:

Group 4 Architecture, Research and Planning
Attention: Dawn Merkes

211 Linden Avenue
South San Francisco, CA 94080
and by e-mail at dmerkes@g4arch.com

The workday the e-mail was sent shall control the date notice was deemed given. An e-mail transmitted after 1:00 p.m. on a Friday shall be deemed to have been transmitted on the following business day.

18. COMPLIANCE WITH LAWS

Consultant shall comply with all applicable laws and regulations of the federal, state and local government, including but not limited to "The Code of the City of Santa Clara, California" ("SCCC"). In particular, Consultant's attention is called to the regulations regarding Campaign Contributions (SCCC Chapter 2.130), Lobbying (SCCC Chapter 2.155), Minimum Wage (SCCC Chapter 3.20), Business Tax Certificate (SCCC section 3.40.060), and Food and Beverage Service Worker Retention (SCCC Chapter 9.60), as such Chapters or Sections may be amended from time to time or renumbered. Additionally Consultant has read and agrees to comply with City's Ethical Standards (http://santaclaraca.gov/home/showdocument?id=58299).

19. CONFLICTS OF INTEREST

Consultant certifies that to the best of its knowledge, no City officer, employee or authorized representative has any financial interest in the business of Consultant and that no person associated with Consultant has any interest, direct or indirect, which could conflict with the faithful performance of this Agreement. Consultant is familiar with the provisions of California Government Code section 87100 and following, and certifies that it does not know of any facts which would violate these code provisions. Consultant will advise City if a conflict arises.

20. FAIR EMPLOYMENT

Consultant shall not discriminate against any employee or applicant for employment because of race, sex, color, religion, religious creed, national origin, ancestry, age, gender, marital status, physical disability, mental disability, medical condition, genetic information, sexual orientation, gender expression, gender identity, military and veteran status, or ethnic background, in violation of federal, state or local law.

21. NO USE OF CITY NAME OR EMBLEM

Consultant shall not use City's name, insignia, or emblem, or distribute any information related to services under this Agreement in any magazine, trade paper, newspaper or other medium without express written consent of City.

22. GOVERNING LAW AND VENUE

This Agreement shall be governed and construed in accordance with the statutes and laws of the State of California. The venue of any suit filed by either Party shall be vested in the state courts of the County of Santa Clara, or if appropriate, in the United States District Court, Northern District of California, San Jose, California.

23. SEVERABILITY CLAUSE

In case any one or more of the provisions in this Agreement shall, for any reason, be held invalid, illegal or unenforceable in any respect, it shall not affect the validity of the other provisions, which shall remain in full force and effect.

24. AMENDMENTS

This Agreement may only be modified by a written amendment duly authorized and executed by the Parties to this Agreement.

25. COUNTERPARTS

This Agreement may be executed in counterparts, each of which shall be deemed to be an original, but both of which shall constitute one and the same instrument.

26. STATEMENT OF ECONOMIC INTERESTS

Due to the nature of the Services to be performed, and if they are designated positions required to file by the City of Santa Clara Conflict of Interest Code, designated employees of Consultant shall promptly file a Statement of Economic Interests (Form 700) upon commencement of the Agreement in accordance with California Government Code section 87200, et seq.

The Parties acknowledge and accept the terms and conditions of this Agreement as evidenced by the following signatures of their duly authorized representatives.

"CONSULTANT"

AGREEMENT FOR DESIGN PROFESSIONAL SERVICES
BETWEEN THE
CITY OF SANTA CLARA, CALIFORNIA,
AND
GROUP 4 ARCHITECTURE, RESEARCH AND PLANNING
FOR THE
INTERNATIONAL SWIM CENTER REHABILITATION PHASE 2 PROJECT

EXHIBIT A
SCOPE OF SERVICES

The Services to be performed for the City by the Consultant under this Agreement are set forth below.

I. GENERAL

Objective

The City's Objective is for the Consultant to provide all design professional services necessary to design the Internation Swim Center Rehabilitation Phase 2 Project as contemplated in the City's Request for Proposals (RFP), the Consultant's response to the RFP (Proposal), and as described herein this Agreement.

This Scope of Services is anticipated as necessary to meet City's objectives. Consultant and City agree that this Scope of Services incorporates Consultant's professional qualifications and experience and will meet the City's objectives.

Background and Project

The George F. Haines International Swim Center (ISC) was designed in 1965, constructed in 1966, and opened to the public on July 1, 1967. The ISC is located at 2625 Patricia Drive within Central Park and features three pools (a 50-meter x 25-yard racing pool, a deep diving well, and a training pool), full concrete decks, mechanical circulation, filtration and heating systems, 3,000-seat viewing stands, roof, diving tower, changing/shower facilities, staff offices, training rooms, and several support spaces.

Facilities Condition Reports completed in 2017 (Kitchell Report) and 2023 (LPA's Visual Observation Assessments Report) identified deficiencies across architectural, structural, mechanical, and forensic engineering systems. These findings, combined with 100+ days of closures in 2023 due to mechanical issues, led to the January 2024 closure of the ISC to ensure public health and safety.

On December 9, 2025, the City of Santa Clara proceeded with the first phase of the ISC to rehabilitate three existing pools, construct a new dive tower, construct a new mechanical building, and install all required utilities for the first phase of the ISC and most of the primary utilities required for the new administrative/community building.

It is the intent of this Agreement to proceed with the second phase of the ISC to construct a new administrative building, repair existing bleachers and replace the canopy, and improve accessory buildings located on either side of the spectator seating (Project). These improvements are designed to enhance operational efficiency and system redundancy while ensuring compliance with Building and Fire Code as well as current competition standards across multiple aquatic disciplines.

Description of Services
Consultant is expected to provide complete, professional, high-quality Services and products; to consult City personnel, and others who are involved with the Project; and to provide the expertise, guidance, advice, and assistance in accomplishing the objective.

Consultant Structure
Consultant shall provide the Services described herein through a Project team, comprised of Consultant and Subconsultants identified as follows:

A. Consultant: Group 4 Architecture, Research and Planning

B. Subconsultants to Group 4 Architecture, Research and Planning:

1. Gates Studio - Landscape Architect
2. Blue Forest Engineering - Mechanical, Plumbing, Fire Protection
3. O'Mahony & Myer - Electrical, Photovoltaics, and Lighting Engineering
4. Degenkolb - Structural Engineering
5. SFMI - Low Voltage, Acoustical, and Security
6. BKF - Civil Engineering
7. The Marshall Associates - Kitchen Consultant
8. David J. Powers & Associates - Environmental/Planning Consultant
9. Ninyo & Moore - Geotechnical Engineering
10. TBDC - Cost Consultant

Any changes to the consultant structure through the course of services is subject to approval in writing by City. All services described in this Scope of Services shall be self-provided by Group 4 Architecture, Research and Planning unless specifically described otherwise, or otherwise approved in writing by City.

II. RESPONSIBILITIES OF CITY

City will provide the following information and support for the Project as available and applicable:

A. Record drawings (as available).

B. City's Standard Details, Specifications, Benchmark, and Design Criteria.

C. Storm Drain (SD), Sanitary Sewer (SS), Electric, Fiber, Water and Recycled Water Block Book Maps (as available).

D. Geographic Information System (GIS) data including land parcels, street centerlines, City sanitary sewers, City storm drains, and aerial photographic tiles (as available).

E. Payment of permit application fees with other internal departments, if required.

F. Filing exemption under the California Environmental Quality Act, if applicable.

G. Scheduling and invitations for public meetings.

H. Any other information not included in Consultant's Basic Services or Additional Services that is reasonably needed for the Project.

I. A project representative who can render decisions on behalf of the Project in a timely manner.

Consultant shall review the information provided by City to verify completeness and identify any missing information that is necessary for design.

III. BASIC SCOPE OF SERVICES

The Basic Scope of Services includes professional Services required to design and prepare bid documents (plans, specifications, and engineer's estimate or PS&E) for public works bidding of the Project. Consultant is required to comply with project design considerations identified in Exhibit G. The following Tasks shall be completed by Consultant.

PROJECT MANAGEMENT

Consultant shall:

A. Manage its team and overall Project activities consistent with the direction from City in order to meet Project schedule and budget. Manage Subconsultants, maintain schedule and budget, anticipate and mitigate potential design issues and delays and coordinate and update City on the overall progress of Project.

B. Submit plan of work to City for review and approval prior to proceeding for any field work that involves subsurface excavation and/or coring.

C. Organize and attend Project meetings with City to discuss Project progress, decisions, and direction and to coordinate activities. Meetings shall be held at key Project milestones and shall include, but are not limited to:

1. Kick-off and Field Visit Meeting
2. Preliminary/Evaluation Meeting
3. Various community outreach events and meetings
4. Parks and Recreation Commission Meetings
5. City Council Meetings
6. 65% Design Review Meeting
7. 95% Design Review Meeting
8. 100% Design Review Meeting
9. Applicable construction-related meetings
10. Any other meetings identified in this Agreement

1) Coordinate with City, design team members, consultants, utility companies, other government agencies, and other affected parties as required throughout the duration of Project as well as the Quality Assurance/Quality Control (QA/QC) activities for Project deliverables.

2) Prepare, monitor, and update progress schedule in MS Project format beginning at the kickoff meeting and ending at construction contract award. Schedule shall show significant milestones for Project. Consultant shall notify City if there are delays or potential delays in any phase of Project. In such cases, Consultant shall make up the schedule in subsequent phases of Project or provide information to City substantiating a request for time extension (which may not be approved). The schedule shall be always maintained and shall be updated each time progress and milestones are achieved and/or changed.

3) Meetings: Meetings shall be budgeted for and invoiced under each respective Task or activity requiring a meeting and not as Project Management. Preparation for meetings shall be considered as included in the Task or activity for which the meeting is involved. A kick-off meeting shall be conducted with designated City staff prior to beginning work to review anticipated Tasks and schedule, review available information and needs, and address any outstanding questions regarding Project moving forward raised by City or Consultant. During the course of Services while there is active work on the Project, Consultant shall schedule and attend brief

bi-weekly (every other week) conference calls with City. The purpose of the bi-weekly conference calls will be to keep City apprised on the Project's progress and address any issues that may arise during the course of Services.

4) Provide monthly progress reports.

5) Stakeholder Coordination: Consultant shall coordinate with Project stakeholders as needed to inform each stakeholder of Project work and incorporate any necessary accommodations into the final submittal documents.

6) Provide Review/Plan Check Log (Response Matrix) summarizing comments received from various City Departments/Divisions and agencies. Response Matrix shall include, but not be limited to, commenting department/division or agency, comments, response to comments, action items, and person responsible for follow-up. Consultant shall be responsible for resolving comments from each commenter and shall identify to City any comments that cannot be resolved to have final discussion and resolution. Submit Response Matrix in electronic format with each route of plan check submittal.

7) Conduct QC reviews in accordance with its QA Program guidelines. Consultant shall provide a copy of its QA Program guidelines and shall provide a QC report at the end of each Task. Time spent for QA-QC reviews for specific deliverables shall be budgeted and billed under each respective task requiring QA-QC review and not as Project Management.

8) Utilize and design to Department of Transportation Standard and Details, City Standard Plans and Specifications, City Parks and Recreation Standard Specifications and Details, American Disability Act (ADA) Design Guidelines, CalOHSA, latest building and fire codes, Municipal Regional Permit, General Construction Permit, County of Santa Clara permit and other applicable codes and standards, and other applicable codes and standards recommended by the Consultant. The City shall have the right to review all drawings, specifications, and other documents and electronic records relating to such services.

9) Invoicing and Contract Administration: Consultant administrative staff time spent preparing invoices for Services complete shall be considered as included in the overhead of the Consultant’s basic hourly rates and shall not be billed. Additionally, addressing administrative issues regarding the professional Services agreement, such as preparing additional Services requests or budget modifications, shall also be considered as included in the overhead of the Consultant’s basic hourly rates and shall not be billed.

10) City Project Management Software: City at the time of this Agreement employs the use of internet-based e-builder project management software. Consultant shall cooperate with City and use the software as directed by City, including submitting invoices via the software.

Payment for all responsibilities related to Project Management shall be included in the various tasks identified in Exhibit B, Schedule of Fees.

Deliverables:

1. Progress schedules in MS Project format (submitted electronically as an 11" x 17" PDF file and in native MS Project format).
2. QA Program guidelines and QC reports for each Task (in PDF file)
3. Meeting agendas, preparation materials, and meeting minutes for each Project meeting (in PDF file).
4. Monthly progress reports and invoices (in PDF file)

TASK 1: PRELIMINARY ENGINEERING AND EVALUATION

The CONSULTANT shall:

1.1 Attend Project Kick-Off Meeting.

1.2 Perform all necessary assessments and investigations to determine the existing conditions and propose recommendations to City for the improvements. Contact all regulatory agencies that will affect the proposed work to determine applicable codes and ordinances. Review all necessary as-builts to understand existing conditions in order to prevent utility conflicts and changes during construction.

1.3 Consultant shall perform a field review of Project location(s) and prepare field notes that generally describe conditions that may affect the work, such as existing conditions, visible surface utility information, traffic conditions, physical obstructions, and construction access.

1.4 Review existing geotechnical and geologic information, including previous studies and as-built drawings as available, for any potential issues associated with excavation. Notify City if there could be any expected complications with the excavations based on review of the existing information.

1.5 Contact all regulatory agencies that will affect the proposed work to determine applicable codes and ordinances.

1.6 Collect as-built record drawings/maps for storm drain pipelines, utilities and roads within the site and vicinity of Project sites. Review all necessary as-builts to understand existing conditions, verify completeness and identify any missing information that is necessary for design in order to prevent utility conflicts and changes during construction. For information that is required for non-City maintained facilities, contact the appropriate owner to obtain information, as needed.

1.7 Meet with City staff to obtain additional information and input as needed. Provide all necessary design services, including but not limited to landscape, civil, and structural.

1.8 Any damage that occurs to existing sidewalks, landscape, utility pipes, conduits, etc., during the construction shall be repaired.

1.9 Perform needed topographic survey for existing sites, plans layout, and final approved improvements (from the evaluation/recommendation) for use as base layout for the design plans.

1.10 Perform all necessary environmental assessments and pre-demolition surveys, as applicable for the Project.

1.11 Perform all necessary accessibility assessments and surveys to meet latest building codes and accessibility regulations.

1.12 Perform all necessary utility modeling and calculations for applicable upsize and upgrades to meet Project Objectives.

1.13 Develop sustainability strategies consistent with CALGreen requirements, energy efficient building systems, and photovoltaic integration opportunities.

1.14 Support the City through all required permitting processes, including coordination with Building Official, Fire Department, regulatory agencies, utility companies, environmental authorities, and other applicable jurisdictions.

1.15 Design shall meet City's solid waste requirements.

1.16 Consultant shall prepare a Notice of Intent to Construct (NOI) on City's standard NOI form, or similar process at Consultant's discretion, and submit it to utility operators in order to gather records for existing utilities at Project locations. Location map exhibits will be required to be submitted as part of the NOI. Consultant shall provide City a draft of the NOI prior to sending it to the utility, maintain log of all NOI sent and received, and provide City all information received from the NOI. The purpose of the collection of utility information is to identify ownership of surface features that will be impacted by the work, and also to identify if there are any high-risk utilities within Project limits that may be impacted by the work.

1.17 All data collected from the field shall be provided to the City for records. Prior to performing data collection, Consultant shall provide a work plan to City for review and approval. No work shall be performed unless authorized by City.

1.18 Based upon the review of the existing conditions, evaluate alternative methods to upgrade existing systems and propose recommendations to City for the most appropriate upgrade method. Consider factors such as cost, constructability, capacity after upgrades, diversions and bypassing, redundancies, service life, and future operations and maintenance considerations for the upgraded facilities.

1.19 Based upon the recommended method, evaluate and propose recommendations for programing the upgrades into construction bid packages in order to perform the upgrades as cost effectively and efficiently as possible. Formalize the findings under this Task for City's review and approval.

1.20 Prepare Schematic Design

1.20.1 Develop up to three (3) schematic design alternatives.

1.20.2 Incorporate community and stakeholder input.

1.20.3 Prepare conceptual layouts and supporting materials.

1.20.4 Develop preliminary cost estimate and schedule.

1.20.5 Conduct project meetings throughout this phase to ensure continued City team involvement in design decisions.

1.20.6 Update and refine design, budget, sustainable design strategies.

1.20.7 Conduct technical meetings with City representatives as needed to focus on specific aspects of the Project, such as confirmation of the code compliance strategy.

1.20.8 Prepare schematic design level building systems design and coordination for landscape and civil disciplines, structural, mechanical, plumbing, and electrical disciplines, fire alarm/fire protection and telecommunications/data disciplines.

1.20.9 Update the estimate of probable construction cost to reflect the decisions made in this phase.

1.20.10 Conduct an Integrated Design Workshop (IDW) that will be attended by the Consultant and select engineers who will meet with representatives of the City to review the design from technical, operational, functional, maintenance, durability perspectives and confirm the alignment of design strategies and budget.

1.20.11 Upon City selection of the preferred alternative, Consultant shall proceed with further design.

1.21 Provide preliminary Project estimate that includes an itemized list of bid items for construction. Project estimates shall be accurate and prepared based upon current construction pricing and escalated to mid-construction. Consultant shall review recent bids and contact vendors, suppliers, and contractors as necessary to develop an accurate cost estimate. Consultant shall provide the assumptions and supporting documents used to prepare the estimate. Project estimate shall consider the following factors:

1.21.1 Recent similar projects bid in the Bay Area, especially in the South Bay.

1.21.2 Current economic trends.

1.21.3 When Project will be bidding.

1.21.4 When construction will occur.

1.21.5 The risks that contractors need to consider for Project.

1.22 Develop a project schedule. Schedule shall include all needed times to complete all tasks, including City's review time, permitting process, and construction period.

1.23 Any work that affects the public right-of-way, which includes geotechnical boring, potholing, excavation, and other that are similar in nature, requires submittal of a complete encroachment permit applications. Requirements of the encroachment permit applications are online on City's website and typically include traffic control plan, work plan, insurance, re-establishment plan, and other necessary documents. City will pay for all related encroachment application fees; however, Consultant shall bear all costs related to submitting the encroachment permit applications.

1.24 Environment Review – Exemption: It is anticipated that the Project to be designed and constructed will be determined as either categorically exempt under the California Environment Quality Act (CEQA) Guidelines 15302 (c), Replacement or Reconstruction.

1.25 Consultant shall review the preliminary designs for the proposed upgrades to recommend CEQA determination and regulatory permits needed, if any, and prepare a brief memorandum to document and support the recommendation. Should any services beyond an exception (such as an Initial Study – Mitigated Negative Declaration) become required to ensure the upgrades comply with CEQA, such work shall be considered Additional Services.

1.26 In accordance with the anticipated exemption, Consultant shall prepare a Notice of Exemption for the qualifying upgrades included in Project. The Notice of Exemption will be submitted in draft for City review and revised/finalized for submittal based on the City review. Consultant shall file the Notice of Exemption on behalf of City. City will pay the County/CDFW filing fees.

<u>Task 1 Meetings:</u>

1. Up to ten (10) meetings.

Task 1 Deliverables – Electronic format:

1. Notice of Intent to Construct Form(s)
2. Draft Schematic Plans – One (1) PDF
3. Preliminary Budget Estimate – One (1) PDF
4. Project schedule – One (1) PDF
5. Field notes and photographs
6. Meeting Minutes – One (1) PDF
7. Memorandum of CEQA Determination Recommendation, Draft Notice of Exemption – (1) PDF, Submittal-Ready Notice of Exemption (PDF) if required

TASK 2: Community Outreach and Special Meetings

2. Community Outreach Meetings

2.1. The community meeting will be set up and led by the City; however, the Consultant shall prepare all meeting materials and exhibits. Consultant shall facilitate the meeting with the community, present the schematic design, answer any questions, and take notes of all discussions. Consultant shall summarize assessment and stakeholder input for review with the City and incorporate them into the next phase of design.

2.2. Based on the results of the community meeting, Consultant shall finalize the schematic design, cost estimate, and project schedule for the City's review and approval. Once approved, the schematic design shall be presented at the Parks and Recreation Commission Meeting. Similar to the community meeting, the City will set up and take the lead in the meeting; however, the Consultant shall provide any assistance needed to facilitate a successful meeting.

2.3. Consultant shall anticipate at least five (5) community outreach meetings, including meeting(s) with the Community Aquatic Facility Stakeholder Committee. These meetings can take place at the ISC, City Hall, or at any locations in the City of Santa Clara. Meetings may take place during work hours and/or beyond work hours and during weekends.

2.4. Parks and Recreation Commission Meeting

2.4.1. Based on the results of the community meeting, Consultant shall finalize the schematic design, cost estimate, project schedule for the City's review and approval. Once approved, the schematic design shall be presented at the Parks and Recreation Commission Meeting. Similar to the community meeting, the City will set up and take the lead in the meeting; however, the Consultant shall provide any assistance needed to facilitate a successful meeting.

2.4.2. Consultant shall anticipate at least two (2) Parks and Recreation

Commission meetings. These meetings can take place at the ISC, City Hall, or at any location in the City of Santa Clara. Meetings may take place during work hours and/or beyond work hours and during weekends.

2.5. City Council Meeting

2.5.1. Based on the feedback from the Parks and Recreation Commission Meeting, Consultant shall finalize the schematic design, cost estimate, project schedule for the City's review and approval. Once approved, the schematic design will be presented to City Council for approval. Once approved by the City Council, the Consultant shall prepare 65% Construction Documents.

2.5.2. Consultant shall anticipate at least two (2) City Council meetings. These meetings will take place at City Hall. Meetings may take place during work hours and/or beyond work hours.

2.6. Special Meetings

2.6.1. Any special meetings for the project may need to be held to finalize schematic design. Consultant shall facilitate the meeting with the community, present the schematic design, answer any questions, and take notes of all discussions. Consultant shall summarize assessment and stakeholder inputs for review with the City and incorporate them onto the next phase of design.

2.6.2. Consultant shall anticipate at least two (2) special meetings. These meetings can take place at the ISC, City Hall, or at any locations in the City of Santa Clara. Meetings may take place during work hours and/or beyond work hours and during weekends.

Task 2 Meetings:

1. Community Outreach and Stakeholder Meetings: Up to five (5)
2. Parks and Recreation Commission Meetings: Up to three (3)
3. City Council Meetings: Up to two (2)
4. Special Meetings: Up to two (2)

Task 2: Deliverables:

1. Meeting Materials and Exhibits in the City-prescribed format.

TASK 3: 65% CONSTRUCTION DOCUMENTS

Based on the approved schematic plans, approved project scopes, and any adjustments authorized or directed by the City, the Consultant shall develop and refine the design and prepare construction documents.

Plans shall be drawn to scale, on D-size (24" X 36") sheets, at an engineering scale up to 1" = 40' maximum, conforming to City's Design Criteria. Plans are to be drawn by AutoCAD 2021 or earlier versions, using City-provided standard AutoCAD template with background layout from Consultant's topographic survey.

3.1 Prepare 65% construction documents and supporting information for City's review. Consultant shall follow City's Design Criteria and plan format to prepare 65% Plans and supporting information for City's review. Plans shall include details of major design components as necessary such as: Site Plan, Existing Condition, Proposed Improvement, Traffic Control Plan, Details, and other pertinent information for City to review and provide comments.

65% Plans shall include all existing utilities on-site and immediate surrounding off-site areas. Pertinent background information relating to proposed improvements such as, but not limited to, layouts, fence, gate, pedestrian pathway, property lines, site entrance/exist driveway, and adjacent streets shall be shown.

All potential utility conflicts shall be discussed with City and coordinated with each respective utility agency to clear all conflicts. Project plan shall clearly identify all existing utilities that will be and potentially be impacted during construction.

3.2 Prepare design of access card reader system at main entry points/main door entries into the building along with primary interior offices. All work shall comply with city provided Technology Standards for the City of Santa Clara Smart Parks. Provide infrastructures for related technology per the provided standards.

3.3 Prepare fire alarm design criteria for deferred submittal during construction.

3.4 All required permits from Bay Area Air Quality Management District, Cal OSHA, and/or County of Santa Clara shall be indicated on the project plan and included in the bid documents.

3.5 Prepare Project estimate that includes an itemized list of bid items. Project estimates shall be accurate and prepared based upon current construction pricing and escalated to mid-construction. Consultant shall review recent bids and contact vendors, suppliers, and contractors as necessary to develop an accurate cost estimate. The Consultant shall provide the assumptions and supporting documents used to prepare the estimate. Project estimate shall consider the following factors:

3.5.1 Recent similar projects bid in the Bay Area, especially in the South Bay.

3.5.2 Current economic trends.

3.5.3 When Project will be bidding.

3.5.4 When construction will occur.

3.5.5 The risks that contractors need to consider for Project.

3.6 Develop Project schedule. Schedule shall include all needed times to complete all tasks, including City's review times, permitting process, and construction period.

3.7 Plan, coordinate, schedule, attend meetings, and produce meeting minutes with action items for all meetings with City as deemed necessary to efficiently complete this phase of the design in a timely manner.

3.8 Conduct a quality control (QC) review of design documents (Plans, Specifications, and Engineer's Cost Estimates).

3.9 City will circulate the submittal package to internal City departments for review and comments. Consultant shall be responsible for submitting the package to external stakeholders if required. Consultant shall prepare written responses to all written comments received. All redlined drawings shall be returned with Consultant's response on the redlined drawings.

3.10 Consultant shall be responsible for resolving comments from each commenter and shall identify to City any comments that cannot be resolved. Consultant shall conduct a 65% comments review meeting with City to discuss comments on the submittal package, to identify any significant design issues, and gain concurrence as to how the submittal shall be revised as appropriate to incorporate City's comments.

3.11 Consultant's peer review representative shall independently review the project for completeness and work with his/her project team to rectify all design deficiencies prior to submitting the project package to the City for comments. Consultant shall provide records of the peer review and comments that were addressed. The records shall include the name of peer review representative, team members involved, and signature of the project manager.

<u>Task 3 Meetings:</u>

1. Up to seven (7) meetings.

<u>Task 3 Deliverables – Electronic format:</u>

1. 65% Plans – One (1) PDF and one (1) AutoCAD file
2. 65% Engineering cost estimate – One (1) PDF and one (1) Microsoft Excel file
3. Project schedule – One (1) PDF and one (1) Microsoft Project file
4. Quality control checklist for 65% PS&E submittal – One (1) PDF and one (1) Microsoft Word or Excel file

5. Miscellaneous Project information (as requested)
6. Meeting minutes – One (1) PDF and one (1) Microsoft Word file
7. QA/QC records and peer review records.

TASK 4: 95% CONSTRUCTION DOCUMENTS

Based on City's comments and direction on the 65% PS&E, Consultant shall revise the 65% PS&E to produce the 95% PS&E. Consultant shall:

4.1 Prepare 95% construction documents and supporting information for City's review and approval.

4.1.1 Construction details of proposed improvements shall be included in the 95% Plans.

4.1.2 Provide technical specifications.

4.1.3 Provide modified sections to City standard specifications to suit Project. Modified sections include, but not be limited to, general information, summary of work, measurement, and payment for bid items, permitting and agency regulatory requirements, etc.

4.2 Prepare an updated engineering cost estimate.

4.3 Prepare an updated Project schedule.

4.4 Meet with City staff, as needed, to review City comments on 95% submittal and gain concurrence as to how the documents will be revised as appropriate to incorporate City comments.

4.5 Plan, coordinate, schedule, attend meetings, and produce meeting minutes with action items for all meetings with City as deemed necessary to efficiently complete this phase of the design in a timely manner.

4.6 Provide written response matrix to City's comments on 65% PS&E.

4.7 Conduct a quality control (QC) review of design documents (Plans, Specifications, and Engineer's Cost Estimates). Consultant's peer review representative shall independently review the project for completeness and work with his/her project team to rectify all design deficiencies prior to submitting the project package to the City for comments. Consultant shall provide records of the peer review and comments that were addressed. The records shall include the name of peer review representative, team members involved, and signature of the project manager.

4.8 Provide required information to City's Project Specific Specification Book (Division 0, 1, and 2). Required information from Consultant for City's front-end

specifications shall include, but not be limited to, the following:

4.8.1 Description of work – summary only.

4.8.2 Type of Contractor's License required.

4.8.3 Construction Duration for substantial completion and final completion

4.8.4 Bid schedule without engineer's estimate in Microsoft Excel spreadsheet.

4.8.5 Bid schedule with engineer's estimate in Microsoft Excel spreadsheet.

4.8.6 Requirements for Contractor's Statement of Qualifications (e.g., experience requirements for similar work and contract values).

4.8.7 Identification of any changes to City's Standard Specifications that are required.

Task 4 Meetings:

1. Up to five (5) meetings.

Task 4 Deliverables – Electronic format:

1. 95% Plans – One (1) PDF and one (1) AutoCAD file
2. 95% Specifications – One (1) PDF and one (1) Microsoft Word file
3. 95% Engineering cost estimate – One (1) PDF and one (1) Microsoft Excel file
4. Updated Project schedule – One (1) PDF and one (1) Microsoft Project file
5. Meeting minutes – One (1) PDF and one (1) Microsoft Word file
6. Quality control checklist for 95% design submittal
7. Written response matrix – One (1) PDF and one (1) Microsoft Word or Excel file
8. Required information to City's Project Specific Specification Book
9. QA/QC records and peer review records

TASK 5: 100% CONSTRUCTION DOCUMENTS

Based on City's comments and direction on the 95% PS&E, Consultant shall revise the 95% PS&E to produce 100% PS&E. Consultant shall:

5.1 Prepare 100% construction documents and supporting documents.

5.1.1 Phase percentage statement such as "100% Plans. Not for Construction" shall be removed from the 100% Plans and each sheet of the plans set shall be stamped and signed by Consultant's Engineer of appropriate discipline.

5.1.2 Specifications shall be stamped and signed (on Document 00030 – Seals) by Consultant's Engineer in Responsible Charge.

5.2 Prepare an updated Engineering Cost Estimate with backup and justifications for pricing.

5.3 Prepare an updated Project Schedule.

5.4 Provide Documents for City's PS&E approval process. Required documents are, but are not limited to, engineer's estimate using the schedule of quantities format, recent similar project bid summaries to validate engineer's estimate, Consultant Peer Review Certification, Consultant Lessons Learned from other similar projects that were applied to Project.

5.5 Conduct a quality control (QC) review of design documents (Plans, Specifications, and Engineer's Cost Estimates). Consultant's peer review representative shall independently review the project for completeness and work with his/her project team to rectify all design deficiencies prior to submitting the project package to the City for comments. Consultant shall provide records of the peer review and comments that were addressed. The records shall include the name of peer review representative, team members involved, and signature of the project manager.

5.6 100% PS&E shall be peer reviewed, and Certification of Peer Review shall be submitted with the 100% Submittal.

5.6.1 A statement to indicate Peer Review has been performed and name, signature, and title of the Engineer who performed it shall be added to the Plans Cover Sheet.

5.6.2 Certification of Peer Review: The following paragraph shall be put on the company letter head, dated, and signed by the Peer Review Engineer. "The undersigned hereby certifies that a professional peer review of these plans and the required designs was conducted by me, a professional engineer with expertise and experience in the appropriate fields of engineering equal to or greater than the Engineer of Record, and that appropriate corrections have been made."

5.7 Prepare and submit a Special Inspection Form for Project, if applicable.

5.8 Meet with City staff as needed to review City comments on 100% submittal and gain concurrence as to how the documents will be revised as appropriate to incorporate City comments.

5.9 Plan, coordinate, schedule, attend meetings, and produce meeting minutes with action items for all meetings with City as deemed necessary to efficiently complete this phase of the design in a timely manner.

5.10 Provide written response matrix to City's comments on 95% PS&E.

5.11 Provide list of potential bidders including company name, email address, contact number, and address of business.

5.12 The City shall review the 100% Design Submittal Package (Plans, Specifications, Engineer's cost estimate, and Project bid and construction schedule) to ensure that all comments and issues have been rectified. After the 100% Design Submittal Package has been deemed acceptable, City staff will then submit the 100% Design Submittal Package to the Building Division and Fire Department for review and approval.

Task 5 Meetings:

1. Up to four (4) meetings.

Task 5 Deliverables – Electronic format:

1. 100% Plans – One (1) PDF and one (1) AutoCAD file
2. 100% Specifications – one (1) PDF and one (1) Microsoft Word file
3. Structural Calculations if required – One (1) PDF
4. Certification of Peer Review – One (1) PDF
5. 100% Engineering Cost Estimate – One (1) PDF and one (1) Microsoft Excel file
6. Updated Project Schedule – One (1) PDF and one (1) Microsoft Project file
7. Certification of Peer Review – One (1) PDF
8. Quality control checklist for 100% design submittal
9. Written response matrix – One (1) PDF and one (1) Microsoft Word or Excel file
10. QA/QC records and peer review records

TASK 6: BID DOCUMENTS

The Bid Documents shall incorporate all comments from City including comments from Public Works, Sewer and Water, SVP, and any other stakeholders that are involved in Project. Based on City's comments and direction on the 100% PS&E, Consultant shall revise the 100% PS&E to produce the Bid Documents. Consultant shall:

6.1 Incorporate City review comments of 100% PS&E into Bid Documents.

6.2 Incorporate permit issuers' comments into P&S and coordinate with permitting departments and agencies to obtain acceptance of permit application package. Consultant shall make sure to address all comments from the permit issuer. Noted that the project cannot move forward with Bid Documents without resolving any comments from the permit issuer.

6.3 Prepare Bid Documents (P&S).

6.3.1 Bid Plans shall be wet stamped and signed by Consultant's Engineer of appropriate discipline. Plans shall be drawn to scale and plotted onto D-

size sheets.

6.3.2 Bid Specifications shall be wet stamped and signed (on Document 00030 – Seal) by Consultant's Project Engineer.

6.3.3 Final Engineer's Estimate

6.4 Plan, coordinate, schedule, attend meetings, and produce meeting minutes with action items for all meetings with City as deemed necessary to efficiently complete this phase of the design in a timely manner.

6.5 Conduct a quality control (QC) review of design documents (Plans, Specifications, and Engineer's Cost Estimates). Consultant's peer review representative shall independently review the project for completeness and work with his/her project team to rectify all design deficiencies prior to submitting the project package to the City for comments. Consultant shall provide records of the peer review and comments that were addressed. The records shall include the name of peer review representative, team members involved, and signature of the project manager.

Task 6 Meetings:

1. One (1) meeting maximum.

Task 6 Deliverables – Electronic and hard copy format:

1. Bid Plans – One (1) PDF of wet-signed/stamped, D-size and one (1) AutoCAD file
2. Bid Specifications – One (1) PDF of wet-signed/stamped, A-size and one (1) Word file
3. Bid Engineering Cost Estimate – One (1) PDF and one (1) Microsoft Excel file
4. Written response matrix – One (1) PDF and one (1) Microsoft Word or Excel file
5. Quality control checklist for bit set submittal
6. QA/QC records and peer review records

TASK 7: BID AND AWARD PHASE ASSISTANCE

Consultant shall provide assistance to City during the bidding and award phase, answer questions from bidders, help and prepare exhibits for addenda when necessary, assist City in evaluation of bids received, and provide a written recommendation for the award of contract, when requested. All services completed within this task shall be on an as-needed basis and shall be specifically requested by City in writing prior to Consultant providing services.

Upon request, Consultant shall:

7.1 Attend and conduct one Pre-Bid Conference/Site Visit.

7.2 Assist City with responses to bidder's inquiries through City's Project Manager. Consultant shall respond to bidder's inquires and/or addendums within 48 hours of receiving directions from City.

7.3 Assist City with addenda to the construction documents as needed to respond to bidder's inquiries and clarify the intent of bid documents.

7.4 Assist City in evaluating bids (if required by City).

7.5 Within fourteen (14) days from the bid opening date, prepare and submit a conformed set of contract documents (Plans and Specifications) incorporating any and all addenda (if needed).

7.6 Prepare bid summary that includes bid costs from all bidders and engineer's estimates. Consultant shall perform detailed QA/QC and provide the bid summary to the City within 3 calendar days from bid opening date.

Task 7 Meetings:

1. One (1) meeting.

Task 7 Deliverables – Electronic format:

1. Written response to bidder's inquiries, if needed – Signed PDF
2. Addenda to the Bid Documents, if needed – Signed PDF
3. Written recommendation letter to award of contract for Project, if needed – Signed PDF
4. Conformed Set, if needed – One (1) PDF of Plans and Specifications, one (1) AutoCAD file of Plans, and one (1) Microsoft Word file of Specifications

TASK 8: CONSTRUCTION PHASE ASSISTANCE

The City's Field Services Division will have primary responsibility for construction management and inspection. Consultant's responsibility to provide basic services for the construction phase under this Agreement commences with the award of construction contract and terminates on the date City approves the notice of completion of Project. All services completed within this Task shall be on an as-needed basis and shall be specifically requested by City in writing prior to Consultant providing services.

The amounts included in the Schedule of Fees are based upon the Consultant's experience and judgment of the services anticipated to become provided for the Project by Consultant based on the Baseline Solution.

Upon request, Consultant shall:

8.1 Consultant will assist City in providing administration of the contract for

construction. Duties, responsibilities and limitations of authority of Consultant shall not be restricted, modified, or extended without written agreement of City.

8.2 Consultant shall attend the Pre-Construction meeting.

8.3 Consultant shall plan for thirty-two (32) construction site visits. During these site visits, Consultant shall attend job progress meetings, pre-submittal meetings, pre-installation meetings, and other meetings as required by City. Consultant's Subconsultants shall visit the site as required when work related to their discipline is in progress. Consultants shall make construction observation visits throughout the construction phase. Consultant shall issue an observation report after each visit.

8.4 Consultant shall attend weekly construction meetings (for the entire construction duration, which is assumed to be 18 months. Consultant will be required to support City with various construction questions and concerns and provide timely response.

8.5 Submittals: The Consultant shall review Contractor submittals, including Shop Drawings, Product Data, and Samples, solely for the limited purpose of checking conformance with the information and design intent expressed in the Contract Documents. The Consultant shall act with reasonable promptness so as not to delay the Work, while allowing sufficient time, in the Consultant's judgment, for adequate review unless otherwise agreed.

Submittals identified as critical to the Workflow on the Contractor's critical path construction and submittal schedules, and mutually identified by the Consultant, Construction Manager, and Contractor, shall be prioritized for review. The Consultant shall endeavor to return such submittals within ten (10) working days of receipt; however, additional time may be required for large, complex, or subconsultant-coordinated submittals. Submittals not identified as critical path items may be reviewed after critical path submittals.

The Consultant's review is not conducted for the purpose of determining the accuracy or completeness of dimensions, quantities, installation instructions, construction means, methods, techniques, sequences, procedures, safety precautions, or Contractor-designed systems, all of which remain the Contractor's responsibility to the extent required by the Contract Documents. Review of a specific item shall not constitute approval of an assembly of which the item is a component.

Where professional certification of performance characteristics is required by the Contract Documents, the Consultant may rely upon such certifications as evidence that the materials, systems, or equipment meet the specified performance criteria.

8.6 Request for Information (RFIs): The Consultant shall respond to Contractor's Requests for Information (RFI). Interpretations and decisions of the Consultant shall be consistent with the intent of and reasonably inferable from the Contract Documents and shall be in writing or in the form of drawings. When making such interpretations and initial decisions, the Consultant shall secure faithful performance by both City and Contractor, shall not show partiality to either, and shall not be liable for results of interpretations or decisions so rendered in good faith. Consultant will target a maximum of fourteen (14) calendar days to respond but will endeavor to respond promptly where possible to allow for the orderly progress of construction. Large/complicated RFIs will be reviewed with all parties (Contractor, Subcontractor, Consultant, Subconsultants and City) to establish a deadline. RFIs mutually determined at the construction meetings to be non-critical will be reviewed and returned in a timely fashion after RFIs determined to be critical have been responded to.

8.7 Consultant shall prepare the Scope of Work, including sketches, for Field Instructions issued to the Contractor. When requested by City, Consultant shall review Change Order (CO) pricing and provide written responses for City's review and finalizing said Cos.

8.8 When requested by City, Consultant shall conduct reviews to assist City to determine the date or dates of Substantial Completion and the date of Final Completion. Consultant's decisions with City approval on matters relating to aesthetic effect may be final if consistent with the intent expressed in the Contract Documents.

8.9 Substitutions: The Consultant shall review proposed substitutions for general conformance with the design intent and requirements of the Contract Documents and provide a recommendation to the City regarding acceptance or rejection. As part of the initial review, the Consultant shall advise the City's Project Manager whether the substitution requires detailed evaluation and, if so, provide an estimated fee and schedule for such review.

The Consultant's Basic Services fee includes review of up to ten (10) substitution requests. Additional substitution reviews may constitute Additional Services and shall require prior written authorization from the City's Project Manager before commencement of detailed review services.

Detailed review of substitutions may include evaluation of architectural, engineering, code, operational, schedule, durability, and coordination impacts associated with the proposed substitution. Any additional time and compensation for such services shall be determined on a case-by-case basis and authorized by the City prior to proceeding.

8.10 Upon request by Contractor, in accordance with contract Specifications, for Substantial Completion and later Final Completion, Consultant shall assist City in determining if Project is ready for the stage of completion requested by the

Contractor. Consultant shall provide City with a written recommendation.

8.11 Consultant shall perform a walk-through of Project site, review Contractor Punch List, and provide written response with status and action of items on the Punch List. Consultant shall attend final walk-through of Project site with City, verify Punch List completion, and provide written response with recommendation regarding Project acceptance and close-out.

8.12 Consultant shall review Contractor-supplied Operation and Maintenance manuals and Warranties to determine their completeness and compliance with Construction Contract and provide written recommendations for acceptance.

Task 8 Meetings:

1. Pre-Construction Meeting: One (1)
2. Bi-weekly construction site visits to attend job progress meetings, pre-submittal meetings, pre-installation meetings: Up to thirty-two (32) in person.
3. Construction progress meetings: Up to sixty-four (64) total, including up to thirty-two (32) in person.

Task 8 Deliverables – Electronic and hard copy format:

1. Signed PDFs of Reviewed Contractor Submittals, Shop Drawings, RFIs, RFSs, and Field Instructions
2. Signed PDFs of COs' recommendations
3. Signed PDFs of Field reports by Consultant and Subconsultants
4. Substantial Completion/Final Completion recommendations and Reviewed Punch List – One (1) signed PDF

TASK 9: POST-CONSTRUCTION PHASE

All services completed within this Task shall be on an as-needed basis and shall be specifically requested by City in writing prior to Consultant providing services.

If requested, Consultant shall:

9.1 Provide a complete set of the Record Drawings and all X-ref files "bound," including other associated fonts, plot style files on AutoCAD, including electronic copies in PDF format. Consultant may, at its own expense, prepare and retain a copy of each drawing for its permanent file.

9.2 At the City's discretion, the City may consider red-lined drawings prepared by Contractor or prepared by City to serve as the Record Drawings for the project and in such case, Consultant shall review the red-lined drawings for accuracy based upon Consultant's knowledge of the construction.

Task 9 Deliverables – Electronic and hard copy format:

1. Record Drawings – One (1) PDF file and one (1) AutoCAD file

TASK 10: FURNITURE, FIXTURES + EQUIPTMENT (FF+E), AND SIGNAGE

The Consultant will develop the furniture and signage procurement packages.

10.1 Furniture:

10.1.1 The Consultant shall work with the City to set the furniture budget, to develop furniture concepts, and select furniture and finishes that enhance the architectural design concepts and meet the program goals. The furniture package will be developed to facilitate procurement of the FF+E through established pre-negotiated contracts available to the City.

10.1.2 Based on directions given by the City, the Consultant shall provide the following procurement services for furniture.

10.1.2.1 The Consultant shall prepare furniture plans and specifications to identify selected furniture, finishes and quantities.

10.1.2.2 The Consultant shall assist the City in preparing purchase details. The City will be responsible for preparing and processing purchase orders.

10.2 Signage:

10.2.1 The Consultant shall work with the City to develop design concepts for center signage and branding. Signage will include graphic “wayfinding” signage that enhances usability and customer experience, as well as building, room, donor, and code-required signage.

10.2.2 The Consultant shall prepare signage concepts for review with the City and integrate the code-required signage design into the Construction Documents. The non-code wayfinding signs may be developed as one (1) separate signage package that can be publicly bid.

10.2.3 Based on directions given by the City, the Consultant shall provide the following procurement services for signage.

10.2.3.1 The Consultant shall prepare Design Intent documents consisting of illustrative diagrams, worksheets and/or specifications.

10.2.3.2 The Consultant will assist the City in preparing purchase details. The City will be responsible for preparing and processing purchase orders.

10.2.3.3 The Consultant shall review shop drawings and material samples.

10.3 The Consultant shall provide the following installation services for furniture and signage.

10.3.1 The Consultant will attend one (1) signage pre-installation walk through with the signage contractor.

10.3.2 The Consultant will provide up to two (2) consecutive days to observe furniture installation.

10.3.3 The Consultant shall prepare a punch list of outstanding furniture or signage installation issues.

10.4 The meetings for the FF+E work and the Signage work will be concurrent with all other project meetings and completed with Tasks 1-8.

10.5 City Responsibilities

10.5.1 The City shall provide a detailed inventory/quantities of current furniture to be reused with dimensions and finishes identified.

10.5.2 The City shall provide a detailed inventory/quantities and specifications of Owner Furnished Contractor Installed (OFCI) equipment and/or Owner Furnished Owner Installed (OFOI) Equipment which requires coordination with other trades and provides desired installation locations.

10.5.3 The City shall give the Consultant directions on furniture selection and finishes.

10.5.4 The City shall give the Consultant design directions for the signage, and provide any standard specification details, vector files of City logo, graphics and verbiage (i.e. room names) to be used on the signs.

10.5.5 The City shall prepare purchase details and prepare and process purchase orders for the procurement of the furniture.

10.5.6 For the signage package, the City shall be responsible for:

10.5.6.1 Prequalification of bidders, or evaluation of bidders such as reference checks if desired.

10.5.6.2 Advertisement of bid.

10.5.6.3 Printing of bid sets.

10.5.6.4 Collection and review of bids.

10.5.6.5 Contract award.

Task 10 Meetings:

1. The meetings for the FF+E work and the Signage work will be concurrent with all other project meetings and completed with Tasks 1-8.

Task 10 Deliverables– Electronic and hard copy format:

1. FF&E Options and Procurement package.
2. Signage Options and Procurement/bid package.

IV. OPTIONAL SERVICES:

Optional Services are defined as Services that have been mutually contemplated by City and Consultant as potentially becoming necessary to meet the Project Objective and within the Baseline Solution, but the performance of Services by Consultant will be determined by City during the course of Services. Optional Services are further defined as having a specific scope of Services with associated fees provided in the Schedule of Fees.

Consultant shall proceed with Optional Services only upon written authorization to proceed by City and shall only be invoiced if agreed by City and Consultant in writing prior to performing Services.

Fees for Optional Services shall be considered as a subset of the fees for Basic Scope of Services as described in the Schedule of Fees.

At the request of the City, Consultant shall provide a detail work plan to the City for review and approval as part of the authorization process of each Optional Task.

1.1 Optional Task 1: Utility Potholing

1.1.1 The Consultant shall perform utility potholing to locate underground utility lines or to confirm any conflicts with the existing utilities. Potholing is assumed to be no more than 6’-0” deep.

1.1.1.1 Identify the locations of potholes.

1.1.1.2 Confirm the locations with the City.

1.1.1.3 Potholing sub-Contractor shall obtain no-fee encroachment permit prior to excavation.

1.1.1.4 The sub-Contractor shall provide traffic control plan and comply with City potholing requirements.

1.1.1.5 Resolve conflicts if any are found.

1.1.2 The Schedule of Fees included in Attachment B is a budget allowance established by Consultant. Prior to performing any Services under this Task, Consultant shall provide a written quotation outlining the specific services and fees to be completed under this Task. Final fees will be determined by City in coordination with the specific services to be performed under this optional task.

AGREEMENT FOR DESIGN PROFESSIONAL SERVICES
BETWEEN THE
CITY OF SANTA CLARA, CALIFORNIA,
AND
GROUP 4 ARCHITECTURE, RESEARCH AND PLANNING
FOR THE
INTERNATIONAL SWIM CENTER REHABILITATION PHASE 2 PROJECT

EXHIBIT B
SCHEDULE OF FEES

I. GENERAL PAYMENT

The total payment to the Consultant for Basic Services, including Optional Services, as stated in **Exhibit A**, Scope of Services, shall not exceed the sum of **$2,700,980.00**. The amount billed to City for Additional Services shall not exceed the sum of $405,147. In no event shall the amount billed to City by Consultant for Services under this Agreement exceed $3,106,127

Consultant shall bill City on a monthly basis based on the Services provided by Consultant during the invoice period and in a format approved by City and subject to verification and approval by City. Billing shall be proportionate to the Services performed and deliverables completed for each Task during the invoice period. The invoice shall describe the Task completed, percentage of Services and deliverables completed by Task, and total invoice amount during the invoice period. The invoice shall also show the total to be paid for the invoice period. City will pay Consultant within thirty (30) days of City's receipt of an approved invoice. All invoices shall provide a written description of Services performed during the invoice period, deliverables completed, and progress to date on Tasks being invoiced in order to support the amount invoiced.

Subconsultant(s) invoice(s) pass-through billed through Consultant to City shall be consistent with the terms contained within this Agreement. Consultant shall be responsible for ensuring conformance of each subconsultant invoice with these terms, including the fees allocated for each Task, prior to billing City.

II. BASIC SERVICES

The total payment to Consultant for all work necessary for performing all Tasks, as stated in **Exhibit A**, shall be in proportion to Services rendered and Fixed Fee not-to-exceed basis.

The Consultant fee allocated to each Task, as shown in the table that follows, shall be the Consultant's full compensation for all the Consultant Services required for the Project and by this Agreement, as directed by the City, and no additional compensation shall be allowed. City may reallocate fees amongst Tasks or to or from Additional Services or Optional Services at the City's sole discretion. The Consultant shall bill for services provided

under the appropriate Task and will not be allowed to charge to future or inactive Tasks unless approved in writing by City. The Consultant shall provide a summary of dates and hours charged per date by individual, and individual timesheets, if requested by City. The hours and amounts charged to each Task shall be proportionate to the Services rendered.

Tasks denoted as Optional Tasks, as stated in Exhibit A, and the table that follows, require pre-approval in writing by City prior to performing any Services under the Task. Payment for any Optional Task is allowed only if written authorization is given by the City in advance of the Services to be provided. Fees for Optional Tasks shall be considered as Basic Services.

The total amount of all the Tasks is a not-to-exceed amount. Figures in the table that follows table include all subconsultant fees, profit, and administrative markups. The following table is a summary of the Tasks based upon the negotiated Cost Proposal, submitted by Group 4 Architecture, Research and Planning April 9, 2026 and agreed by City and Consultant, incorporated herein to this Exhibit B by reference.

Cost Proposal Summary:

Description		Amount
Services		
Task 1	Preliminary Design	$ 304,106.00
Task 2	Community Outreach and meetings	$ 76,123.00
Task 3	65% Construction Documents	$ 451,799.00
Task 4	95% Construction Documents	$ 507,397.00
Task 5	100% Construction Documents	$ 340,012.00
Task 6	Bid Documents	$ 201,728.00
Task 7	Bid Support Assistance	$ 99,524.00
Task 8	Construction Support	$ 562,287.00
Task 9	Record Drawings and Project Close-out	$ 54,324.00
Task 10	Furniture, Fixtures + Equipment, and Signage	$ 50,000.00
	Subtotal	**$ 2,647,299.00**
Optional Services		
Optional Task 1: Utility Potholing (T+M Allowance)		$ 53,680.00
	Subtotal	**$ 53,680.00**

Total	**$2,700,980.00**

In no event shall the amount billed to City by Consultant for Basic Services, Optional Services, and Reimbursable Expenses under this Agreement exceed two million seven hundred thousand nine hundred eighty Dollars ($2,700,980).

III. ADDITIONAL SERVICES

Additional Services consists of work not included in the Scope of Services described within this Agreement. Additional Services shall be billed to City at the fixed hourly rates shown below in Section V, RATE SCHEDULE, or at an agreed negotiated price. Billing and payment for Additional Services shall be consistent with the terms set forth in this Agreement. Billing and payment for any Additional Services is allowed only if written authorization is given by the City Engineer in advance of the work to be performed.

IV. PAYMENT PROVISIONS

4.1 Time and Materials
For Services authorized to be paid on a time and materials basis, Consultant shall provide an invoice to the City on a monthly basis for Services completed in the preceding month. The invoice must include the following information:

4.1.1 Invoice Number, Purchase Order Number, and Invoice Period.

4.1.2 Current amount due with a time and materials breakdown: titles, hours, hourly rates, and any City approved reimbursable expenses itemized with supporting documentation.

4.1.3 Sufficient detail for City to verify (a) that the charges are in accordance with the Purchase Order, (b) that rates listed in Appendix B1 are charged, and (c) where applicable, hours worked can be matched to certified payroll submittals.

4.2 Fixed Price
For Services authorized to be paid on a fixed price basis, Consultant shall base the invoice on either (a) the percentage of Services completed during the previous month or (b) a lump sum amount upon the completion of deliverable(s) and subject to the following:

4.2.1 Invoices must include the following information:

4.2.1.1 Invoice Number, Purchase Order Number, and Invoice Period.

4.2.1.2 Detailed information on the Services performed on each deliverable or task completed on each project, as applicable.

4.2.2 Consultant shall not invoice labor costs subject to prevailing wages in advance of performing the applicable Services.

4.2.3 With regard to milestone payments, Consultant shall invoice each milestone payment in full. Consultant shall not separate milestone payments into multiple invoices.

4.3 Consultant is not entitled to any payments until the City concludes that the Services and/or any furnished deliverables have been satisfactorily performed.

4.4 When applicable, Consultant and all subconsultants shall submit certified payroll records for all workers employed in the performance of the Services. All certified payrolls shall be submitted in accordance with the requirements set forth in Exhibit D (Labor Compliance).

4.5 Invoices shall be accurate, itemized, and submitted in a form acceptable to the City. If an invoice is incomplete or inaccurate, the City may return it to Consultant for correction and resubmittal before payment can be processed. Consultant shall not charge the City any interest, late fees, or penalties on any outstanding or delayed invoices due to inaccurate billing.

4.6 The City shall not pay for time associated with administrative or billing-related tasks, including but not limited to preparing responses to Work Requests, addressing billing issues, or communicating with auditors.

4.7 If there are no discrepancies or deficiencies in the submitted invoice and Consultant has submitted all required certified payroll, City shall process the invoice for payment.

4.8 Invoices and related payment documentation are public records and are not confidential, even if marked as confidential when submitted by Consultant.

V. RATE SCHEDULE

Personnel Charges

Charges for personnel engaged in professional and/or technical work are based on the actual hours directly chargeable to the Project.

Rates by classification for Consultant and Subconsultants follow below ('Rate Sheets') and shall be fixed through December 31, 2026. Any classifications added, or employees changing classifications, are subject to approval in writing by City.

Any discrepancy between the terms listed herein this Exhibit B and the Rate Sheets that follow shall be resolved in favor of the terms listed herein this Exhibit B.

After December 31, 2026, rates may be adjusted as described herein. Consultant shall propose any adjusted rates in writing for City's consideration and acceptance in writing. Adjusted rates shall be no more than the percentage of difference between the Consumer Price Index (CPI) for Urban Wage Earners and Clerical Workers for the San Francisco-Oakland-Hayward, CA, area between the effective date of this Agreement and the CPI as may be available and nearest to and in advance of the month in which the adjustment is

contemplated and shall be capped at a maximum of three percent (3%) for each adjustment. Rates changed by calculation shall be rounded to the nearest whole dollar. Only one adjustment is allowed per annum.

Consultant understands and agrees that adjustments to rates does not cause an adjustment in the Fees established for Tasks or adjustment to the maximum compensation under this agreement. Consultant shall be required to provide the full services as described in Exhibit A in accordance with the Fees established in this Exhibit B, regardless of adjustments to rates.

Consultant will bill subconsultants at actual cost plus a maximum allowable markup of ten percent (10%). Subconsultants will bill at actual cost for any further tiered subconsultants or subcontractors at cost plus allowable markup of ten percent (10%), or as shown on the following Rates Sheets, whichever is less. In no case shall any pass-through markups billed to City exceed twenty-five percent (25%) more than the original cost.

It is expressly understood that this Project is subject to prevailing wages, in conformance with Exhibit D, Labor Compliance Addendum.

(Rate Sheets on Following Pages)

Primary Consultant – GROUP 4 ARCHITECTURE, RESEARCH AND PLANNING:

SCHEDULE OF PROFESSIONAL SERVICES
Effective through December 31, 2026

	Hourly Rate
Principal in Charge	$290.00
Principal	$280.00
Associate	$270.00
Project Manager / Senior Architectural Staff	$240.00
Architect III	$220.00
Architect II	$210.00
Architect I	$205.00
Architectural Staff III	$195.00
Architectural Staff II	$180.00
Architectural Staff I	$170.00
Interior Designer III / Planner III	$195.00
Interior Designer II / Planner II	$180.00
Interior Designer I / Planner I	$170.00
Admin / Project Support	$145.00-$275.00
Consulting Principal	$350.00

Subconsultants to the Consultant will be billed at 1.10 times direct cost.

The above-listed rates are adjusted annually. The next adjustment will be January 1, 2027.

Researcher	$146.00
Graphic Artist	$136.00

Materials, outside services and subconsultants include a 15% administration fee.

[1] David J. Powers & Associates, Inc. (DJP&A) provides regular, clear, and accurate invoices, in accordance with normal company billing procedures. The cost estimate prepared for this project does not include special accounting or bookkeeping procedures, nor does it include preparation of extraordinary or unique statements or invoices. If a special invoice or accounting process is requested, the service can be provided on a time and materials basis. Any fees charged to DJP&A for Client's third-party services related to invoicing, insurance certificate maintenance, or other administrative functions will be billed as a reimbursable expense.

Schedule of Fees

Hourly Charges for Personnel

Professional Staff

Principal Engineer/Geologist/Environmental Scientist/Certified Industrial Hygienist	$ 250
Senior Engineer/Geologist/Environmental Scientist	$ 235
Senior Project Engineer/Geologist/Environmental Scientist	$ 220
Project Engineer/Geologist/Environmental Scientist	$ 210
Senior Staff Engineer/Geologist/Environmental Scientist	$ 200
Staff Engineer/Geologist/Environmental Scientist	$ 180
GIS Analyst	$ 160
Technical Illustrator/CAD Operator	$ 140

Field Staff

Certified Asbestos/Lead Technician	$ 220
Field Operations Manager	$ 150
Nondestructive Examination Technician (UT, MT, LP)	$ 145
Supervisory Technician	$ 140
Special Inspector (Concrete, Masonry, Structural Steel, Welding, and Fireproofing)	$ 135
Senior Technician	$ 135
Technician	$ 130

Administrative Staff

Information Specialist	$ 120
Geotechnical/Environmental/Laboratory Assistant	$ 120
Data Processor	$ 95

Other Charges

Concrete Coring Equipment (includes technician)	$ 190/hr
Anchor Load Test Equipment (includes technician)	$ 190/hr
GPR Equipment	$ 180/hr
State of California Prevailing Wage Surcharge	$ 30/hr
Inclinometer	$ 100/hr
Hand Auger Equipment	$ 80/hr
Rebar Locator (Pachometer)	$ 25/hr
Vapor Emission Kit	$ 65/kit
Nuclear Density Gauge	$ 15/hr
X-Ray Fluorescence	$ 70/hr
PID/FID	$ 25/hr
Air Sampling Pump	$ 10/hr
Field Vehicle	$ 15/hr
Equipment	$ 15/hr
Expert Witness Testimony	$ 450/hr
Direct Expenses	Cost plus 15 %

Special equipment charges will be provided upon request.

Notes

Our field services, are charged at a 4-hour minimum, and 8-hour minimum for hours exceeding 4 hours. Overtime rates at 1.5 times the regular rates will be charged for work performed in excess of 8 hours in one day Monday through Friday and all day on Saturday. Rates at twice the regular rates will be charged for all work in excess of 12 hours in one day, all day Sunday and on holidays.

Field services that may be subject to prevailing wage in accordance with AB 1768 and Prevailing Wage Determinations, will be subject to a prevailing wage surcharge as shown in our Schedule of Fees. Our rates will be adjusted in conjunction with the increase in the Prevailing Wage Determination during the life of the project, as applicable.

The terms and conditions are included in Ninyo & Moore's Work Authorization and Agreement form.

Triaxial Shear, C.U., w/pore pressure, D 4767, T 2297 per pt	$ 450
Triaxial Shear, C.U., w/o pore pressure, D 4767, T 2297 per pt	$ 350
Triaxial Shear, U.U., D 2850	$ 250
Unconfined Compression, D 2166, T 208	$ 180

MASONRY

Brick Absorption, 24-hour submersion, 5-hr boiling, 7-day, C 67	$70
Brick Compression Test, C 67	$55
Brick Efflorescence, C 67	$55
Brick Modulus of Rupture, C 67	$50
Brick Moisture as received, C 67	$ 45
Brick Saturation Coefficient, C 67	$60
Concrete Block Compression Test, 8x8x16, C 140	$ 70
Concrete Block Conformance Package, C 90	$ 500
Concrete Block Linear Shrinkage, C 426	$ 200
Concrete Block Unit Weight and Absorption, C 140	$ 70
Cores, Compression or Shear Bond, CA Code	$70
Masonry Grout, 3x3x6 prism compression, C 39	$45
Masonry Mortar, 2x2 cube compression, C 109	$35
Masonry Prism, half size, compression, C 1019	$ 120
Masonry Prism, Full size, compression, C 1019	$ 200

REINFORCING AND STRUCTURAL STEEL

Chemical Analysis, A 36, A 615	$ 135
Fireproofing Density Test, UBC 7-6	$ 90
Hardness Test, Rockwell, A 370	$ 80
High Strength Bolt, Nut & Washer Conformance, per assembly, A 325	$ 150
Mechanically Spliced Reinforcing Tensile Test, ACI	$ 175
Pre-Stress Strand (7 wire), A 416	$ 170
Reinforcing Tensile or Bend up to No. 11, A 615 & A 706	$ 75
Structural Steel Tensile Test: Up to 200,000 lbs., A 370	$ 90
Welded Reinforcing Tensile Test: Up to No. 11 bars, ACI	$ 80

CONCRETE

Compression Tests, 6x12 Cylinder, C 39	$ 35
Concrete Mix Design Review, Job Spec	$ 300
Concrete Mix Design, per Trial Batch, 6 cylinder, ACI	$ 850
Concrete Cores, Compression (excludes sampling), C 42	$ 120
Drying Shrinkage, C 157	$ 400
Flexural Test, C 78	$85
Flexural Test, C 293	$85
Flexural Test, CT	$ 95
Gunite/Shotcrete, Panels, 3 cut cores per panel and test, ACI	$ 275
Lightweight Concrete Fill, Compression, C 495	$ 80
Petrographic Analysis, C 856	$ 2,000
Restrained Expansion of Shrinkage Compensation	$ 450
Splitting Tensile Strength, C 496	$ 100
3x6 Grout, (CLSM), C 39	$ 55
2x2x2 Non-Shrink Grout, C 109	$ 55

ASPHALT

Air Voids, T 269	$ 85
Asphalt Mix Design, Caltrans (incl. Aggregate Quality)	$ 4,500
Asphalt Mix Design Review, Job Spec	$ 180
Dust Proportioning, CT LP-4	$ 85
Extraction, % Asphalt, including Gradation, D 2172, CT 382	$ 250
Extraction, % Asphalt without Gradation, D 2172, CT 382	$ 150
Film Stripping, CT 302	$ 120
Hveem Stability and Unit Weight D 1560, T 246, CT 366	$ 225
Marshall Stability, Flow and Unit Weight, T 245	$ 240
Maximum Theoretical Unit Weight, D 2041, CT 309	$ 150
Moisture Content, CT 370	$ 95
Moisture Susceptibility and Tensile Stress Ratio, T 238, CT 371	$ 1,000
Slurry Wet Track Abrasion, D 3910	$ 150
Superpave, Asphalt Mix Verification (incl. Aggregate Quality)	$ 4,900
Superpave, Gyratory Unit Wt., T 312	$ 100
Superpave, Hamburg Wheel, 20,000 passes, T 324	$ 1,000
Unit Weight sample or core, D 2726, CT 308	$ 100
Voids in Mineral Aggregate, (VMA) CT LP-2	$90
Voids filled with Asphalt, (VFA) CT LP-3	$90
Wax Density, D 1188	$ 140

AGGREGATES

Clay Lumps and Friable Particles, C 142	$ 180
Cleanness Value, CT 227	$ 180
Crushed Particles, CT 205	$ 175
Durability, Coarse or Fine, CT 229	$ 205
Fine Aggregate Angularity, ASTM C 1252, T 304, CT 234	$ 180
Flat and Elongated Particle, D 4791	$ 220
Lightweight Particles, C 123	$ 180
Los Angeles Abrasion, C 131 or C 535	$ 200
Material Finer than No. 200 Sieve by Washing, C 117	$ 90
Organic Impurities, C 40	$ 90
Potential Alkali Reactivity, Mortar Bar Method, Coarse, C 1260	$ 1,250
Potential Alkali Reactivity, Mortar Bar Method, Fine, C 1260	$ 950
Potential Reactivity of Aggregate (Chemical Method), C 289	$ 475
Sand Equivalent, T 176, CT 217	$ 125
Sieve Analysis, Coarse Aggregate, T 27, C 136	$ 120
Sieve Analysis, Fine Aggregate (including wash), T 27, C 136, 145	
Sodium Sulfate Soundness, C 88	$ 450
Specific Gravity and Absorption, Coarse, C 127, CT 206	$ 115
Specific Gravity and Absorption, Fine, C 128, CT 207	$ 175

ROOFING

Roofing Tile Absorption, (set of 5), C 67	$ 250

Roofing Tile Strength Test, (set of 5), C 67	$ 250

Special preparation of standard test specimens will be charged at the technician's hourly rate.
Ninyo & Moore is accredited to perform the AASHTO equivalent of many ASTM test procedures.

AGREEMENT FOR DESIGN PROFESSIONAL SERVICES
BETWEEN THE
CITY OF SANTA CLARA, CALIFORNIA,
AND
GROUP 4 ARCHITECTURE, RESEARCH AND PLANNING
FOR THE
INTERNATIONAL SWIM CENTER REHABILITATION PHASE 2 PROJECT

EXHIBIT C
INSURANCE REQUIREMENTS

Without limiting the Consultant's indemnification of the City, and prior to commencing any of the Services required under this Agreement, the Consultant shall provide and maintain in full force and effect during the period of performance of the Agreement and for twenty-four (24) months following acceptance by the City, at its sole cost and expense, the following insurance policies from insurance companies authorized to do business in the State of California. These policies shall be primary insurance as to the City of Santa Clara so that any other coverage held by the City shall not contribute to any loss under Consultant's insurance. The minimum coverages, provisions and endorsements are as follows:

A. COMMERCIAL GENERAL LIABILITY INSURANCE

1. Commercial General Liability Insurance policy which provides coverage at least as broad as Insurance Services Office (ISO) form CG 00 01. Policy limits are subject to review, but shall in no event be less than, the following:

   $1,000,000 Each Occurrence
   $2,000,000 General Aggregate
   $2,000,000 Products/Completed Operations Aggregate
   $1,000,000 Personal Injury

2. Exact structure and layering of the coverage shall be left to the discretion of Consultant; however, any excess or umbrella policies used to meet the required limits shall be at least as broad as the underlying coverage and shall otherwise follow form.

3. The following provisions shall apply to the Commercial Liability policy as well as any umbrella policy maintained by the Consultant to comply with the insurance requirements of this Agreement:

   a. Coverage shall be on a "pay on behalf" basis with defense costs payable in addition to policy limits;

   b. There shall be no cross-liability exclusion which precludes coverage for claims or suits by one insured against another; and

c. Coverage shall apply separately to each insured against whom a claim is made or a suit is brought, except with respect to the limits of liability.

B. BUSINESS AUTOMOBILE LIABILITY INSURANCE

Business automobile liability insurance policy which provides coverage at least as broad as ISO form CA 00 01 with policy limits a minimum limit of not less than one million dollars ($1,000,000) each accident using, or providing coverage at least as broad as, Insurance Services Office form CA 00 01. Liability coverage shall apply to all owned (if any), non-owned and hired autos.

In the event that the Work being performed under this Agreement involves transporting of hazardous or regulated substances, hazardous or regulated wastes and/or hazardous or regulated materials, Consultant and/or its sub consultants involved in such activities shall provide coverage with a limit of one million dollars ($1,000,000) per accident covering transportation of such materials by the addition to the Business Auto Coverage Policy of Environmental Impairment Endorsement MCS90 or ISO endorsement form CA 99 48, which amends the pollution exclusion in the standard Business Automobile Policy to cover pollutants that are in or upon, being transported or towed by, being loaded onto, or being unloaded from a covered auto.

C. WORKERS' COMPENSATION

1. Workers' Compensation Insurance Policy as required by statute and employer's liability with limits of at least one million dollars ($1,000,000) policy limit Bodily Injury by disease, one million dollars ($1,000,000) each accident/Bodily Injury and one million dollars ($1,000,000) each employee Bodily Injury by disease.

2. The indemnification and hold harmless obligations of Consultant included in this Agreement shall not be limited in any way by any limitation on the amount or type of damage, compensation or benefit payable by or for Consultant or any subconsultant under any Workers' Compensation Act(s), Disability Benefits Act(s) or other employee benefits act(s).

3. This policy must include a Waiver of Subrogation in favor of the City of Santa Clara, its City Council, commissions, officers, employees, volunteers and agents.

D. PROFESSIONAL LIABILITY

Professional Liability or Errors and Omissions Insurance as appropriate shall be written on a policy form coverage specifically designed to protect against negligent acts, errors or omissions of the Consultant. Covered services as designated in the policy must specifically include work performed under this agreement. Coverage shall be in an amount of not less than one million dollars ($1,000,000) per claim or

two million dollars ($2,000,000) aggregate. Any coverage containing a deductible or self-retention must first be approved in writing by the City Attorney's Office.

E. COMPLIANCE WITH REQUIREMENTS

All of the following clauses and/or endorsements, or similar provisions, must be part of each commercial general liability policy, and each umbrella or excess policy.

1. Additional Insureds. City of Santa Clara, its City Council, commissions, officers, employees, volunteers and agents are hereby added as additional insureds in respect to liability arising out of Consultant's work for City, using ISO Endorsement CG 20 10 11 85, or the combination of CG 20 10 03 97 and CG 20 37 10 01, or its equivalent.

2. Primary and non-contributing. Each insurance policy provided by Consultant shall contain language or be endorsed to contain wording making it primary insurance as respects to, and not requiring contribution from, any other insurance which the indemnities may possess, including any self-insurance or self-insured retention they may have. Any other insurance indemnities may possess shall be considered excess insurance only and shall not be called upon to contribute with Consultant's insurance.

3. Cancellation.

   a. Each insurance policy shall contain language or be endorsed to reflect that no cancellation or modification of the coverage provided due to non-payment of premiums shall be effective until written notice has been given to City at least ten (10) days prior to the effective date of such modification or cancellation. In the event of non-renewal, written notice shall be given at least ten (10) days prior to the effective date of non-renewal.

   b. Each insurance policy shall contain language or be endorsed to reflect that no cancellation or modification of the coverage provided for any cause save and except non-payment of premiums shall be effective until written notice has been given to City at least thirty (30) days prior to the effective date of such modification or cancellation. In the event of non-renewal, written notice shall be given at least thirty (30) days prior to the effective date of non-renewal.

4. Other Endorsements. Other endorsements may be required for policies other than the commercial general liability policy if specified in the description of required insurance set forth in Sections A through E of this Exhibit C, above.

F. ADDITIONAL INSURANCE RELATED PROVISIONS

Consultant and City agree as follows:

1. Consultant agrees to ensure that subconsultants, and any other party involved with the Services, who is brought onto or involved in the performance of the Services by Consultant, provide the same minimum insurance coverage required of Consultant, except as with respect to limits. Consultant agrees to monitor and review all such coverage and assumes all responsibility for ensuring that such coverage is provided in conformity with the requirements of this Agreement. Consultant agrees that upon request by City, all agreements with, and insurance compliance documents provided by, such subconsultants and others engaged in the Project will be submitted to City for review.

2. Consultant agrees to be responsible for ensuring that no contract used by any party involved in any way with the Project reserves the right to charge City or Consultant for the cost of additional insurance coverage required by this Agreement. Any such provisions are to be deleted with reference to City. It is not the intent of City to reimburse any third party for the cost of complying with these requirements. There shall be no recourse against City for payment of premiums or other amounts with respect thereto.

3. The City reserves the right to withhold payments from the Consultant in the event of material noncompliance with the insurance requirements set forth in this Agreement.

G. EVIDENCE OF COVERAGE

Prior to commencement of any Services under this Agreement, Consultant, and each and every subconsultant (of every tier) shall, at its sole cost and expense, provide and maintain not less than the minimum insurance coverage with the endorsements and deductibles indicated in this Agreement. Such insurance coverage shall be maintained with insurers, and under forms of policies, satisfactory to City and as described in this Agreement. Consultant shall file with the City all certificates and endorsements for the required insurance policies for City's approval as to adequacy of the insurance protection.

H. EVIDENCE OF COMPLIANCE

Consultant or its insurance broker shall provide the required proof of insurance compliance, consisting of ISO endorsement forms or their equivalent and the ACORD form 25-S certificate of insurance (or its equivalent), evidencing all required coverage shall be delivered to City, or its representative as set forth below, at or prior to execution of this Agreement. Upon City's request, Consultant shall submit to City copies of the actual insurance policies or renewals or replacements. Unless otherwise required by the terms of this Agreement, all

certificates, endorsements, coverage verifications and other items required to be delivered to City pursuant to this Agreement shall be mailed to:

EBIX Inc.

FOR THE
INTERNATIONAL SWIM CENTER REHABILITATION PHASE 2 PROJECT

EXHIBIT D
LABOR COMPLIANCE ADDENDUM

This Agreement is subject to the requirements of California Labor Code Section 1720 et seq. requiring the payment of prevailing wages, the training of apprentices, and compliance with other applicable requirements. If applicable to the Services, Consultant or its subconsultant(s), as applicable, shall comply with the following requirements.

A. Prevailing Wage Requirements

1. Consultant shall be obligated to pay not less than the General Prevailing Wage Rate, which can be found at www.dir.ca.gov and are on file with the City Clerk's office, which shall be available to any interested party upon request. Consultant is also required to have a copy of the applicable wage determination posted and/or available at each job site.

2. Specifically, Consultants are reminded of the need for compliance with Labor Code Section 1774-1775 (the payment of prevailing wages and documentation of such), Section 1776 (the keeping and submission of accurate certified payrolls) and 1777.5 in the employment of apprentices on public works Projects. Further, overtime must be paid for work in excess of 8 hours per day or 40 hours per week pursuant to Labor Code Section 1811-1813.

3. Special prevailing wage rates generally apply to work performed on weekends, holidays and for certain shift work. Depending on the location of the Project and the amount of travel incurred by workers on the Project, certain travel and subsistence payments may also be required. Consultants and Subconsultants are on notice that information about such special rates, holidays, premium pay, shift work and travel and subsistence requirements can be found at www.dir.ca.gov.

4. Only bona fide apprentices actively enrolled in a California Division of Apprenticeship Standards approved program may be employed on the Project as an apprentice and receive the applicable apprenticeship prevailing wage rates. Apprentices who are not properly supervised and employed in the appropriate ratio shall be paid the full journeyman wages for the classification of work performed.

5. As a condition to receiving progress payments, final payment and payment of retention on any and all Projects on which the payment of prevailing wages is required, Consultant agrees to present to City, along with its request for payment, all applicable and necessary certified payrolls (for itself and all applicable subconsultants) for the time period covering such payment request. The term "certified payroll" shall include all required documentation to comply with the mandates set forth in Labor Code Section 1720 *et seq*, as well as any additional documentation requested by the City or its designee including, but not limited to: certified payroll, fringe benefit statements and backup documentation such as monthly benefit statements, employee timecards, copies of wage statements and cancelled checks, proof of training contributions (CAC2 if applicable), and apprenticeship forms such as DAS-140 and DAS-142.

6. In addition to submitting the certified payrolls and related documentation to City, Consultant and all Subconsultants shall be required to submit certified payroll and related documents electronically to the California Department of Industrial Relations. Failure to submit payrolls to the DIR when mandated by the Project parameters shall also result in the withholding of progress, retention and/or final payment.

7. No Consultant or subconsultant may be listed on a bid proposal for a public works Project unless registered with the Department of Industrial Relations pursuant to Labor Code Section 1725.5 [with limited exceptions from this requirement for bid purposes only under Labor Code Section 1771.1(a)].

8. No Consultant or subconsultant may be awarded a contract for public work on a public works Project, unless registered with the Department of Industrial Relations pursuant to Labor Code Section 1725.5. Consultants MUST be a registered "public works Consultant" with the DIR AT THE TIME OF BID. Where the prime contract is less than $15,000 for maintenance work or less than $25,000 for construction alternation, demolition or repair work, registration is not required.

9. All Consultants/Subconsultants and related construction Services subject to prevailing wage, including but not limited to: trucking, surveying and inspection work, must be registered with the Department of Industrial Relations as a "public works Consultant." Those you fail to register and maintain their status as a public works Consultant shall not be permitted to perform work on the Project.

10. Should any Consultant or Subconsultants not be a registered public works Consultant and perform work on the Project, Consultant agrees to fully indemnify the City for any fines assessed by the California Department of Industrial Relations against the City for such violation, including all staff costs and attorney's fee relating to such fine.

11. This Project is subject to compliance monitoring and enforcement by the Department of Industrial Relations.

B. Audit Rights

All records or documents required to be kept pursuant to this Agreement to verify compliance with this Addendum shall be made available for audit at no cost to City, at any time during regular business hours, upon written request by the City Attorney, City Auditor, City Manager, or a designated representative of any of these officers. Copies of such records or documents shall be provided to City for audit at City Hall when it is practical to do so. Otherwise, unless an alternative is mutually agreed upon, the records or documents shall be made available at Consultant's address indicated for receipt of notices in this Agreement.

C. Enforcement

1. City shall withhold any portion of a payment; including the entire payment amount, until certified payroll forms and related documentation are properly submitted, reviewed and found to be in full compliance. In the event that certified payroll forms do not comply with the requirements of Labor Code Section 1720 et seq., City may continue to hold sufficient funds to cover estimated wages and penalties under the Agreement.

2. Based on State funding sources, this Project may be subject to special labor compliance requirements of Proposition 84.

3. The City is not obligated to make any payment due to Consultant until Consultant has performed all of its obligations under these provisions. This provision means that City can withhold all or part of a payment to Consultant until all required documentation is submitted. Any payment by the City despite Consultant's failure to fully perform its obligations under these provisions shall not be deemed to be a waiver of any other term or condition contained in this Agreement or a waiver of the right to withhold payment for any subsequent breach of this Addendum.

City or the California Department of Industrial Relations may impose penalties upon Consultants and Subconsultants for failure to comply with prevailing wage requirements. These penalties are up to $200 per day per worker for each wage violation identified; $100 per day per worker for failure to provide the required paperwork and documentation requested within a 10-day window; and $25 per day per worker for any overtime violation.

PROJECT MANAGEMENT DOCUMENTATION SOFTWARE

1.0 GENERAL

This section is intended to describe the use of e-Builder Enterprise™ (e-Builder), a web-based project management software, as the medium for Project documentation and reporting. All costs associated with the use of the software are included in the Project Exhibit B – Schedule of Fees.

2.0 e-BUILDER PROJECT MANAGEMENT SOFTWARE PROGRAM

The City of Santa Clara is currently using e-Builder Project Management for all related Project management tasks. Consultant is required to comply with all requirements specified in this Exhibit F – Project Management Documentation Software.

3.0 REQUIREMENTS

A. General Requirements:

1. Consultant and Subconsultants shall provide, at a minimum, the following to its staff:

    a) Computer: Minimum Intel Pentium® 4 Processor 2.4 GHz or equivalent processor with 512MB of RAM; recommended Centrino Duo® Processors 1.6 GHz or equivalent with 2GB of RAM, or higher;
    b) Computer Operation System: Windows XP or later and OS X v10.8 or later;
    c) Web Browser: Microsoft Internet Explorer 10.0 or later, Google Chrome v29.0.1 or later, Mozilla Firefox v35.0.1 or later, Safari v6.0.4 or later, Safari for iOS mobile v6.1 or later. Other browsers such as Microsoft Edge, Google Chrome for iOS, and Google Chrome for Android are available on e-Builder; however, some features might not work as expected;
    d) Work and Spreadsheet Processors: Microsoft Office Word, Excel and Outlook;

e) Scheduling Software: Microsoft Project or Primavera;
f) Internet Service Provider: A reliable ISP in the area of the Project;
g) Connection Speed/Minimum Bandwidth: DSL, ADSL or T1 Line for transferring a minimum of 3 Mbps Downstream and 512 Kbps Upstream.

2. Consultant and Subconsultants shall provide its management personnel assigned to this Project with access to personal computers and the Internet on a daily basis.

B. <u>Project Web Requirements:</u>

1. This Project utilizes a web-based project management tool, e-Builder. This web-based application is a collaboration tool, which will allow all Project team members continuous access through the Internet to important Project data as well as up-to-the-mute decision and approval status information.

2. Consultant and Subconsultants shall conduct Project controls, outlined by the City, utilizing e-Builder. This designated web-based application will be provided by the City at no costs to the Consultant and the Subconsultants. No additional software will be required. Furthermore, the City Project Manager will assist Consultant in providing training of subconsultant's personnel.

3. Consultant and Subconsultants shall have the responsibility for visiting the Project web site on a regular basis, and as necessary to be kept fully appraised of Project developments, for correspondence, assigned tasks and other matters that transpire on the site. These may include, but are not limited to: Contracts, Contract Exhibits, Contract Amendments, Drawing Issuances, Addenda, Bulletins, Permits, Insurance & Bonds, Safety Program Procedures, Safety Notices, Accident Reports, Personnel Injury Reports, Schedules, Site Logistics, Progress Reports, Daily Logs, Non-Conformance Notices, Quality Control Notices, Punch Lists, Meeting Minutes, Requests for Information, Submittal Packages, Substitution Requests, Monthly Payment Request Applications, Supplemental Instructions, Construction Change Directives, Potential Change Orders, Change Order Requests, Change Orders, etc. All supporting data including, but not limited to, shop drawings, product data sheets, manufacturer data sheets and instructions, method statements, safety MSDS sheets, Substitution Requests, Submittals, etc. and the like will be submitted in digital format via e-Builder.

C. <u>Electronic File Requirements:</u>

1. In addition to the standard closeout submittal requirements detailed elsewhere in the Contract Documents, the Consultant and Subconsultants

shall also submit all closeout documents including all “As-Built Drawings,” catalog cuts, and Owner’s Operation and Maintenance manuals in digital format. All documents (including as-built drawings) shall be converted or scanned into the Portable Document Format (PDF) file and uploaded to e-Builder.

4.0 IMPLEMENTATION REQUIREMENTS

A. e-Builder is a comprehensive Project and Program Management system that will be implemented for managing documents, communications, and costs between the Contractor, Subcontractors, Consultant, Subconsultants, and Owner. e-Builder includes extensive reporting capabilities to facilitate detailed.

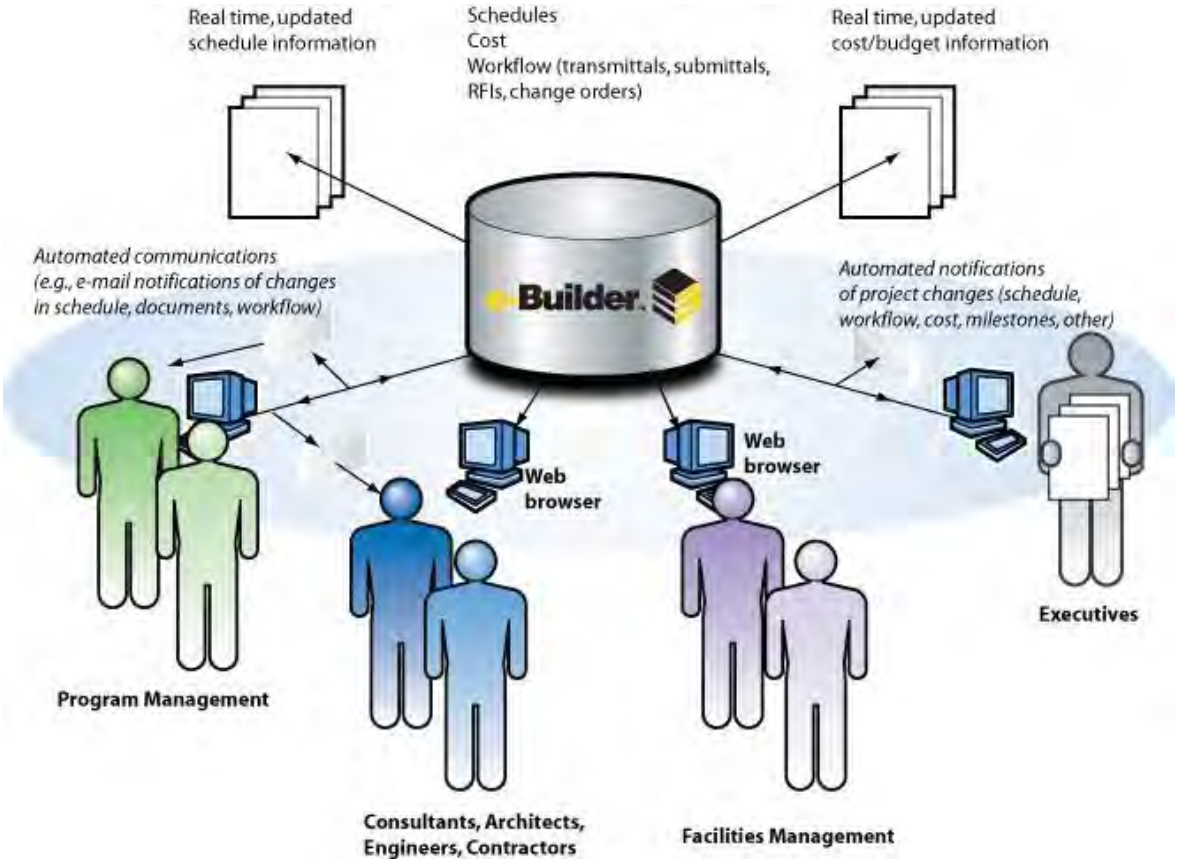
B. Project reporting in a web-based environment that is accessible to all parties and easy to use.

C. Central Document Vault: e-Builder system includes a central database that maintains all Project information and manages Project communications amongst team members.

D. Communication/Correspondence: e-Builder provides electronic routable communication forms that provide historical tracking, documentation, and increased accountability of Project members.

E. Project Calendars: Meetings will be scheduled and maintained centrally on e-Builder by the City.

F. Reporting: All of the Project and program data including documents, communications, and costs are accessible through integrated online reports. These reporting tools are completely configurable by each user. All reports can be exported to Excel for added flexibility.



5.0 LICENSING REQUIREMENT

A. User Licenses: Each user license is for access to the site consisting of unlimited data storage. Users can be direct employees of the Consultant as well as its Subconsultants and/or Suppliers.

B. Each user license includes full access to e-Builder, including all of the documents and reports mentioned above. Furthermore, each user license provides the e-Builder software as a service (SaS) including:

1. All hosting, operation, maintenance, and data backup of the e-Builder software and documents which are maintained in state-of-the-art data centers located throughout the United States.

2. Quarterly e-Builder software enhancements.

3. Unlimited phone, email, and web-based support 24-hours.

C. e-Builder user licenses shall be obtained by the City, Owner Manager, and QA/QC Agencies for which the Design Consultant is not responsible.

EXHIBIT G
PROJECT DESIGN CONSIDERATIONS

1. General:

The following design considerations and information have been identified for the project and shall be taken into consideration and reviewed with the City by the Consultant as part of the work and decisions and directions for each of these items will be discussed and direction given by the City for the Consultant to use in the development of the project documents.

1.1. Open Outdoor Space Design

1.1.1. Do not locate trees/plants that will drop leaves that can blow into the pool.

1.1.2. Design for hosting competitive meets and address:

- Ability to separate spectators from competition area.
- Family Changing Rooms.
- Separate bathroom on the competition side of the pool from the locker rooms (can be single use).
- Provide space for EZups or a built-in shade cover near the starting block areas for short-course and long-course.
- Provide infrastructure for streaming competitions.
- Provide strong Wi-Fi throughout.
- Provide an indoor room within the view of the pool to run meet operations.
- Light poles on timer and lower poles to provide more lights.

1.1.3. Identify potential traffic issues affecting residents and include construction contract language to minimize disruption and impacts.

1.1.4. Identify lead times for specialty equipment and materials to facilitate the project schedule. Determine needs and help facilitate orders as soon as possible. Consultant shall be required to contact applicable manufacturers and contractors to obtain accurate lead time for specialty equipment and materials.

1.2. General Building Design Criteria:

1.2.1. Provide inclusive, safe, and accessible amenities within an aquatics amenity center including administrative space to support daily operations (reception), full-time staff, and program management as well as dedicated and flexible spaces for lifeguard operations (briefing/training, break room, and lockers). Provide two all-gender shower and restroom combos.

1.2.2. Design the building in such a way to accommodate potential future expansion.

1.2.3. Establish secure, controlled access to administrative and restricted employee areas.

1.2.4. Integrate emergency operations features, such as audiovisual systems for public announcements, facility management and training, surveillance points and a first-aid station.

1.2.5. Ensure the administration building integrates seamlessly with existing and planned aquatic programs, party rentals and special events. This will include restroom facilities and locker rooms.

1.2.6. Explore design options with non-aquatic fitness and training amenities to serve the broader community, such as a meeting room, program room(s), multi-purpose room with kitchen, etc.

1.2.7. Integrate sustainable and efficient/long-term operation and maintenance.

1.2.8. Provide a facility that aligns with community priorities established through public engagement and the Community Aquatic Facilities Stakeholder Committee.

1.2.9. Deliver a value engineered project within the established budget in a timely manner which meets all local, state and national building and aquatics safety standards.

1.2.10. Building design that allows for future scalability.

1.2.11. Avoid small tiles for shower stalls.

1.2.12. The building shall be higher in elevation to avoid stormwater inundation and flooding or have good drainage around the building.

1.2.13. Provide material and equipment storage.

1.2.14. Specify industrial grade material and equipment.

1.2.15. Use non-slip and darker color floor tiles.

1.2.16. For the Community Room:

- Include- refrigerator, microwave, TV, hookups for laptop, and the ability to wash + sink for 65-100 capacity.
- Provide another small community room for 25 people with similar amenities.
- Provide direct walk out lock at community room.

1.2.17. Cabana rental outside of pool area.

1.2.18. Provide overhangs for shade and block sunlight from entering offices.

1.2.19. Provide security cameras throughout.

1.2.20. Provide card readers.

1.2.21. Provide intercom system.

1.3. Summary of potential programming / maintenance considerations:

The programming could serve a broad range of community needs, including but not limited to general recreation, fitness, competitive aquatics, water safety education, community programming, support spaces for year-round programming, etc. The building also needs to include maintenance and programming support functions.

1.3.1. Building interior - City operational requirements

- Reception desk area
- Locker room (restroom/meter shower)
- Family changing room
- Program room(s) (flex space for programming and public use)
- Meeting room

- Lifeguard space with lockers
- Digital information display
- Storage rooms
- IT/server/maintenance room
- Multi-purpose room(s)
- Administrative office(s) (individual offices, modular station and/or open space for key seasonal staff)
- Staff break room (with kitchenette)
- Janitorial room with hot and cold water and mop sink with shelving and storage cabinets
- All offices facing Patricia Drive shall not include any windows to maintain privacy of adjacent neighbors. Vice versa, all rooms/offices facing the interior pools to contain windows
- Misc. – Wi-Fi, digital signage, key card access, AV system throughout facility with connectivity to scoreboard and outdoor speaker, water bottle filling stations
- Staff room that will be able to observe entire swim area
- Ventilation and operable windows
- Dedicated restrooms
- One meeting room dedicated for staff (lifeguards, etc.) only
- Two offices, manager and supervisor

1.3.2. Desired amenities

- Rental space / party room (with kitchenette, and outdoor programming space)
- Washer/dryer
- Fitness gym
- Reception/lounge

1.3.3. Competitive/community wish list –

- Multi-use space for 200 people with tables and chairs, full kitchen with cooking amenities (e.g., large refrigerator and freezer space, sink for doing dishes, ice maker, food prep/counter space, stove/convection oven, warmer)
- Room for stretching/group dryland workouts
- Dedicated office space for coaches
- Family changing rooms
- Adequate lockers and showers
- Adequate toilets and sinks
- Exterior showers and restrooms for athletes

1.3.4. Exterior Building Facilities - City operational requirements

- Hose bibs
- Storage space with vented air completely separate from indoor janitorial space with built-in shelving for storage
- Landing pad for up to 5 food trucks
- Exterior buildings – address upgrades to existing restroom and park maintenance buildings
- Drop off lane / curb cut for passenger cars / buses still maintain sidewalk attached to the sidewalk

1.3.5. Desired amenities

- Concession stand
- Connected courtyard / space adjacent to party room, shade canopy, scoreboard
- covered spectator seating, solar, TVs

26-489 Agenda Date: 8/18/2026

REPORT TO COUNCIL

SUBJECT
Action on an Agreement with Ten Over Studio for Design Professional Services for the Fire Station 7 Replacement Project

BACKGROUND
Originally constructed in 1971, Fire Station 7 located at 3495 Benton Street (Attachment 1), is in need of renovation or replacement to address various deficiencies including operational capacity, accessibility, and modern fire service requirements. The existing facility no longer supports current apparatus sizes, staffing needs, current ADA standards, or essential support spaces.

The Fire Station 7 Replacement Project (Project) will be completed in two phases. Phase I of the Project includes a study of the existing fire station to determine the most effective approach for meeting the Fire Department's current and future operational needs through either renovation or replacement. Phase II of the Project includes developing design plans according to the approved schematic design, constructing the facility to meet current requirements, and providing engineering support during the construction.

The Phase I study scope of work includes evaluating the facility's existing conditions, testing and assessing building materials, conducting a cost-benefit analysis of renovation versus replacement, developing schematic plans and alternative layouts, and providing recommendations for additional fire station features that would enhance functionality and support the Fire Department's operational needs.

The Project was previously unfunded, however in November 2024, Santa Clara voters approved Measure I, authorizing the issuance of General Obligation bonds to address the City’s infrastructure needs including the renovation or replacement of Fire Station 7.

DISCUSSION
Pursuant to City Code Section 2.105.140(c) and State laws governing procurement of architectural and engineering services, the City followed a qualifications-based selection process. Under this process, proposers are evaluated based on their demonstrated competence and qualifications, and the most qualified proposer(s) is selected, subject to the negotiation of fair and reasonable compensation.

On January 16, 2026, a competitive Request for Proposals (RFP) was published on the City’s e-procurement platform for Phase I and Phase II engineering services. The City received four proposals from Brown Reynolds Watford Architects; CSHQA; Joseph Chow & Associates, Inc. and Aetypic, Inc. (JCA/AET JV); and Ten Over Studio. For Phase I, a proposal review panel consisting of

staff from the Department of Public Works and Fire Department evaluated each proposal against the criteria set forth in the RFP, including responsiveness, firm qualifications, experience and availability of key staff, project approach, and ability to complete the project in a timely manner. Based on the panel's evaluation, staff recommends awarding the agreement to Ten Over Studio. Ten Over Studio demonstrated a strong understanding of the Project and provided an excellent approach to the work presented in the RFP. They also have extensive architecture experience working in the Bay Area and have successfully completed similar fire station projects in the past.

The proposed agreement (Attachment 2) for Phase I includes a negotiated scope of services and fees based upon the understanding of the work to be performed. The scope of services generally includes project management, surveying, testing and evaluation of the existing building, data analysis and delivery of a preliminary report comparing renovation and rebuilding options, and a final recommendation with cost estimates for each option.

Staff recommends entering into the agreement with Ten Over Studio to provide design professional services for Phase I of the Project. Approval of this agreement will provide professional services necessary to evaluate the building and make recommendations for completing the Project.

The RFP also included a provision that allows the City to solicit cost proposals, negotiate, and enter into an additional design professional services agreement for Phase II of the Project with either Ten Over Studio or one of the other consultants that submitted proposals for the RFP. Upon completion of the Phase I study, staff will return to Council with a recommendation to award the design phase of the Project.

ENVIRONMENTAL REVIEW

This action is for design professional services and the action being considered does not constitute a "project" within the meaning of the California Environmental Quality Act ("CEQA") Guidelines section 15378 as the action being considered does not commit the City to undertake the projects and future discretionary approvals are required by the City to approve the projects for construction. Environmental review in accordance with CEQA will occur as part of the design and approval process for any project subject of the design professional services of this agreement.

FISCAL IMPACT

The proposed agreement is for a total not-to-exceed amount of $233,336. This amount includes $210,124 for basic services, and a not-to-exceed amount of $23,212 for additional services and reimbursable expenses. Funding for the Agreement is available in Fire Station 7 Replacement project in the Measure I General Obligation Bond Projects Fund.

COORDINATION

This report has been coordinated with the Finance Department, the Fire Department, and the City Attorney's Office.

PUBLIC CONTACT

Public contact was made by posting the Council agenda on the City's official-notice bulletin board outside City Hall Council Chambers. A complete agenda packet is available on the City's website and in the City Clerk's Office at least 72 hours prior to a Regular Meeting and 24 hours prior to a Special Meeting. A hard copy of any agenda report may be requested by contacting the City Clerk's Office at (408) 615-2220, email clerk@santaclaraca.gov or at the public information desk at any

City of Santa Clara public library.

RECOMMENDATION

1. Approve and authorize the City Manager to execute an Agreement with Ten Over Studio for Design Professional Services for the Fire Station 7 Replacement Project in the not-to-exceed amount of $233,336, in a final form approved by the City Attorney; and
2. Authorize the City Manager to execute amendments, extensions, and related documents necessary to implement the Agreement, provided such actions are consistent with the purpose, scope, and funding authority described in this staff report, in a final form approved by the City Attorney.

AGREEMENT FOR DESIGN PROFESSIONAL SERVICES BETWEEN THE CITY OF SANTA CLARA, CALIFORNIA, AND TEN OVER STUDIO, INC.

PREAMBLE

This Agreement is entered into between the City of Santa Clara, California, a chartered California municipal corporation (City) and Ten Over Studio, Inc., a California corporation, (Contractor). City and Contractor may be referred to individually as a "Party" or collectively as the "Parties" or the "Parties to this Agreement."

RECITALS

A. City desires to secure the design professional services more fully described in this Agreement, at Exhibit A, entitled "Scope of Services";

B. "Design professional" includes licensed architects, licensed landscape architects, registered professional engineers and licensed professional land surveyors;

C. Contractor represents that it, and its subcontractors, if any, have the professional qualifications, expertise, necessary licenses and desire to provide certain goods and/or required services of the quality and type which meet objectives and requirements of City; and,

D. The Parties have specified herein the terms and conditions under which such services will be provided and paid for.

The Parties agree as follows:

AGREEMENT TERMS AND CONDITIONS

1. AGREEMENT DOCUMENTS

The documents forming the entire Agreement between City and Contractor shall consist of these Terms and Conditions and the following Exhibits, which are hereby incorporated into this Agreement by this reference:

Exhibit A – Scope of Services

Exhibit B – Schedule of Fees

Exhibit C – Insurance Requirements

Exhibit D – Labor Compliance Addendum

This Agreement, including the Exhibits set forth above, contains all the agreements, representations and understandings of the Parties, and supersedes and replaces any previous agreements, representations and understandings, whether oral or written. In the event of any inconsistency between the provisions of any of the Exhibits and the Terms and Conditions, the Terms and Conditions shall govern and control.

2. TERM OF AGREEMENT

Unless otherwise set forth in this Agreement or unless this paragraph is subsequently modified by a written amendment to this Agreement, the term of this Agreement shall begin on August 18, 2026 and terminate on June 30, 2027.

3. SCOPE OF SERVICES & PERFORMANCE SCHEDULE

Contractor shall perform those Services specified in Exhibit A within the time stated in Exhibit A. Time is of the essence.

A. All reports, costs estimates, plans and other documentation which may be submitted or furnished by Contractor shall be approved and signed by an appropriate qualified licensed professional in the State of California.

B. The title sheet for specifications and reports, and each sheet of plans, shall bear the professional seal, certificate number, registration classification, expiration date of certificate and signature of the design professional responsible for their preparation.

4. WARRANTY

Contractor expressly warrants that all materials and services covered by this Agreement shall be fit for the purpose intended, shall be free from defect and shall conform to the specifications, requirements and instructions upon which this Agreement is based. Contractor agrees to promptly replace or correct any incomplete, inaccurate or defective Services at no further cost to City when defects are due to the negligence, errors or omissions of Contractor. If Contractor fails to promptly correct or replace materials or services, City may make corrections or replace materials or services and charge Contractor for the cost incurred by City.

5. QUALIFICATIONS OF CONTRACTOR - STANDARD OF CARE

Contractor represents and maintains that it has the expertise in the professional calling necessary to perform the Services, and its duties and obligations, expressed and implied, contained herein, and City expressly relies upon Contractor's representations regarding its skills and knowledge. Contractor shall perform such Services and duties in conformance to and consistent with the professional standards of a specialist in the same discipline in the State of California.

6. COMPENSATION AND PAYMENT

In consideration for Contractor's complete performance of Services, City shall pay Contractor for all materials provided and Services rendered by Contractor in accordance with Exhibit B, entitled "SCHEDULE OF FEES." The maximum compensation of this Agreement is Two Hundred Thirty-Three Thousand Three Hundred and Thirty-Six Dollars ($233,336), subject to budget appropriations, which includes all payments that may be authorized for Services and for expenses, supplies, materials and equipment required to perform the Services. All work performed or materials provided in excess of the maximum compensation shall be at Contractor's expense. Contractor shall not be entitled to any payment above the maximum compensation under any circumstance.

7. TERMINATION

A. Termination for Convenience. City shall have the right to terminate this Agreement, without cause or penalty, by giving not less than Thirty (30) days' prior written notice to Contractor.

B. Termination for Default. If Contractor fails to perform any of its material obligations under this Agreement, in addition to all other remedies provided by law, City may terminate this Agreement immediately upon written notice to Contractor.

C. Upon termination, each Party shall assist the other in arranging an orderly transfer and close-out of services. As soon as possible following the notice of termination, but no later than ten (10) days after the notice of termination, Contractor will deliver to City all City information or material that Contractor has in its possession.

8. ASSIGNMENT AND SUBCONTRACTING

City and Contractor bind themselves, their successors and assigns to all covenants of this Agreement. This Agreement shall not be assigned or transferred without the prior written approval of City. Contractor shall not hire subcontractors without express written permission from City.

Contractor shall be as fully responsible to City for the acts and omissions of its subcontractors, and of persons either directly or indirectly employed by them, as Contractor is for the acts and omissions of persons directly employed by it.

9. NO THIRD PARTY BENEFICIARY

This Agreement shall not be construed to be an agreement for the benefit of any third party or parties and no third party or parties shall have any claim or right of action under this Agreement for any cause whatsoever.

10. INDEPENDENT CONTRACTOR

Contractor and all person(s) employed by or contracted with Contractor to furnish labor and/or materials under this Agreement are independent contractors and do not act as agent(s) or employee(s) of City. Contractor has full rights to manage its employees in their performance of Services under this Agreement. . Consultant has full rights to manage its workers, contractors and or employees in their performance of Services.

Consultant shall enter into written agreements with all persons it engages, hires, contracts with, or employs to perform Services or provide labor and or materials to City, which state the persons are not employees of the City, and such persons are required to immediately report to Consultant any and all instances of any of the following, if they occur during the time the persons provide labor and or materials to City: (a) The way a person supplies labor and or materials to City is supervised by City or City's designee; (b) The person is informed they should follow instructions given by City concerning how the person's labor and material are to be provided; (c) The person is informed they should give City access to on-going review of the person's labor and or materials; (d) The person is informed by City they should participate or attend training; (e) The person is unavailable to promote or otherwise make their labor and or materials available to the general public as a result of the provision of labor and materials to City; (f) The person is informed they are City's employee; or (g) The person forms a belief or opinion they are City's employee.

Consultant must immediately provide written notice to City of any report under Section 10 and provide related information as reasonably requested by City. The Parties agree failure of Consultant to immediately provide written report to City of any notice it receives from any source, relating to Section 10, constitutes material breach of this Agreement.

Consultant will inform and train persons it engages, hires, contracts with, or employs to provide labor and or materials to City on the requirements of Section 10. Consultant shall require that its workers and or personnel immediately report to their respective Consultant supervisor any perceived occurrence under Section 10.

11. CONFIDENTIALITY OF MATERIAL

All ideas, memoranda, specifications, plans, manufacturing procedures, data, drawings, descriptions, documents, discussions or other information developed or received by or for Contractor and all other written information submitted to Contractor in connection with the performance of this Agreement shall be held confidential by Contractor and shall not, without the prior written consent of City, be used for any purposes other than the performance of the Services nor be disclosed to an entity not connected with performance of the Services. Nothing

furnished to Contractor which is otherwise known to Contractor or becomes generally known to the related industry shall be deemed confidential.

12. OWNERSHIP OF MATERIAL

All material, which shall include, but not be limited to, data, sketches, tracings, drawings, plans, diagrams, quantities, estimates, specifications, proposals, tests, maps, calculations, photographs, reports, designs, technology, programming, works of authorship and other material developed, collected, prepared or caused to be prepared under this Agreement shall be the property of City but Contractor may retain and use copies thereof. City shall not be limited in any way or at any time in its use of said material. However, Contractor shall not be responsible for damages resulting from the use of said material for work other than Project, including, but not limited to, the release of this material to third parties.

13. RIGHT OF CITY TO INSPECT RECORDS OF CONTRACTOR

City, through its authorized employees, representatives or agents shall have the right during the term of this Agreement and for four (4) years from the date of final payment for goods or services provided under this Agreement, to audit the books and records of Contractor for the purpose of verifying any and all charges made by Contractor in connection with Contractor compensation under this Agreement, including termination of Contractor. Contractor agrees to maintain sufficient books and records in accordance with generally accepted accounting principles to establish the correctness of all charges submitted to City. Any expenses not so recorded shall be disallowed by City. Contractor shall bear the cost of the audit if the audit determines that there has been a substantial billing deviation in excess of five (5) percent adverse to the City.

Contractor shall submit to City any and all reports concerning its performance under this Agreement that may be requested by City in writing. Contractor agrees to assist City in meeting City's reporting requirements to the State and other agencies with respect to Contractor's Services hereunder.

14. HOLD HARMLESS/INDEMNIFICATION

To the extent permitted by law, Contractor agrees to protect, defend, hold harmless and indemnify City, its City Council, commissions, officers, employees, volunteers and agents from and against any claim, injury, liability, loss, cost, and/or expense or damage, including all costs and attorney's fees in providing a defense to any such claim or other action, and whether sounding in law, contract, tort, or equity, to the extent arising out of, pertaining to, or related to the negligence, recklessness, or willful misconduct of the Contractor, its employees, subcontractors, or agents in the performance, or non-performance, of Services under this Agreement.

15. INSURANCE REQUIREMENTS

During the term of this Agreement, and for any time period set forth in Exhibit C, Contractor shall provide and maintain in full force and effect, at no cost to City, insurance policies as set forth in Exhibit C.

16. WAIVER

Contractor agrees that waiver by City of any one or more of the conditions of performance under this Agreement shall not be construed as waiver(s) of any other condition of performance under this Agreement. Neither City's review, acceptance nor payments for any of the Services required under this Agreement shall be constructed to operate as a waiver of any rights under this Agreement or of any cause of action arising out of the performance of this Agreement.

17. NOTICES

All notices to the Parties shall, unless otherwise requested in writing, be sent to City addressed as follows:

City of Santa Clara
Attention: Public Works Department
1500 Warburton Avenue
Santa Clara, CA 95050
and by e-mail at MNguyen4@santaclaraca.gov, and
manager@santaclaraca.gov

And to Contractor addressed as follows:

Ten Over Studio, Inc.
539 Marsh Street
San Luis Obispo, CA 93401
and by e-mail at Cyrusb@tenoverstudio.com

The workday the e-mail was sent shall control the date notice was deemed given. An e-mail transmitted after 1:00 p.m. on a Friday shall be deemed to have been transmitted on the following business day.

18. COMPLIANCE WITH LAWS

Contractor shall comply with all applicable laws and regulations of the federal, state and local government, including but not limited to "The Code of the City of Santa Clara, California" ("SCCC"). In particular, Contractor's attention is called to the regulations regarding Campaign Contributions (SCCC Chapter 2.130), Lobbying (SCCC Chapter 2.155), Minimum Wage (SCCC Chapter 3.20), Business Tax Certificate (SCCC section 3.40.060), and Food and Beverage Service Worker Retention (SCCC Chapter 9.60), as such Chapters or Sections

may be amended from time to time or renumbered. Additionally Contractor has read and agrees to comply with City's Ethical Standards (http://santaclaraca.gov/home/showdocument?id=58299).

Due to the nature of the Services to be performed, Consultant shall promptly file a Statement of Economic Interests (Form 700) upon commencement of the Agreement in accordance with California Government Code section 87200, et seq.

19. CONFLICTS OF INTEREST

Contractor certifies that to the best of its knowledge, no City officer, employee or authorized representative has any financial interest in the business of Contractor and that no person associated with Contractor has any interest, direct or indirect, which could conflict with the faithful performance of this Agreement. Contractor is familiar with the provisions of California Government Code section 87100 and following, and certifies that it does not know of any facts which would violate these code provisions. Contractor will advise City if a conflict arises.

20. FAIR EMPLOYMENT

Contractor shall not discriminate against any employee or applicant for employment because of race, sex, color, religion, religious creed, national origin, ancestry, age, gender, marital status, physical disability, mental disability, medical condition, genetic information, sexual orientation, gender expression, gender identity, military and veteran status, or ethnic background, in violation of federal, state or local law.

21. NO USE OF CITY NAME OR EMBLEM

Contractor shall not use City's name, insignia, or emblem, or distribute any information related to services under this Agreement in any magazine, trade paper, newspaper or other medium without express written consent of City.

22. GOVERNING LAW AND VENUE

This Agreement shall be governed and construed in accordance with the statutes and laws of the State of California. The venue of any suit filed by either Party shall be vested in the state courts of the County of Santa Clara, or if appropriate, in the United States District Court, Northern District of California, San Jose, California.

23. SEVERABILITY CLAUSE

In case any one or more of the provisions in this Agreement shall, for any reason, be held invalid, illegal or unenforceable in any respect, it shall not affect the validity of the other provisions, which shall remain in full force and effect.

24. AMENDMENTS

This Agreement may only be modified by a written amendment duly authorized and executed by the Parties to this Agreement.

25. COUNTERPARTS

This Agreement may be executed in counterparts, each of which shall be deemed to be an original, but both of which shall constitute one and the same instrument.

CONTINUED ON PAGE 9

The Parties acknowledge and accept the terms and conditions of this Agreement as evidenced by the following signatures of their duly authorized representatives.

EXHIBIT A
SCOPE OF SERVICES

The Services to be performed for the City by the Contractor under this Agreement are set forth below.

I. BACKGROUND

The City of Santa Clara intends to modernize Fire Station 7 to meet current and future operational, safety, and service needs. The City is evaluating options that include renovation and expansion of the existing facility, or the demolition and construction of a new fire station.

This project is funded through Measure I, a voter-approved general obligation bond measure approved by Santa Clara voters in November 2024. Measure I provides funding for the repair, replacement, and modernization of critical City infrastructure and public safety facilities, including fire stations. Bond proceeds allocated under Measure I will be used to support the demolition of the existing facility and construction of a new fire station on the current site. The project is subject to all applicable Measure I requirements, including use-of-funds restrictions and oversight provisions.

II. PROJECT DESCRIPTION AND REQUIRED SERVICES

The City proposes upgrading Fire Station 7 by either renovation or rebuilding of the existing fire station. Upgrades may consist of demolishing and rebuilding of the fire station, or expansion in the apparatus bay for aerial apparatus, redesign of staff areas, HVAC and electrical system upgrades and driveway reconfiguration. Based on this upgrade criteria, Consultant shall provide a recommendation to either renovate or to rebuild based on a cost benefit analysis as part of this study.

The services of Consultant shall include a survey of existing conditions of the fire station, testing and assessment of building materials, a cost benefit analysis for renovation versus rebuilding options, recommendations for other desirable fire station features, and provide schematic plans and alternatives.

III. SCOPE OF WORK

Task 1: Building Preliminary Study and Cost Benefit Analysis

The Consultant shall:

1.1 Visit and verify the existing site, building condition, equipment and facilities to identify opportunities and constraints based on Fire Department needs and the following criteria:

1.1.1 Inspect the existing site and the existing building for the configuration of the driveway.

a. Evaluate the turning radius into the back of the fire station that would allow fire engines and tiller trucks to make the turn and pull through without backing.

1.1.2 Inspect and evaluate the building's interior space for the proposed:

a. Single-story or two-story fire station building layout, depending on optimal site design and operational needs. Provide alternatives for both options. All designs shall be done in accordance with the ADA Design Guidelines and Regulations, latest building and fire codes, and other applicable codes and standards recommended by the Consultant.
b. Three (3) apparatus bays. The bays must be sized to accommodate a fire engine, tiller truck, and ambulance or reserve apparatus in the future.
c. Ten (10) individual sleeping dorm rooms to accommodate ten personnel.
d. "Jack and Jill" style bathrooms serving the dorm rooms. Each bathroom module will include a central double-sink vanity accessible from two sides, separate lockable rooms for the toilet and shower to ensure privacy, two independent entrances from each adjacent dorm room, use of locking pocket doors where to maximize interior space and avoid blocking open areas, and durable, easy-to-clean materials appropriate for high-use and contamination-control needs.
e. A dedicated laundry room.
f. A community room with access to a public restroom, independent from station staff access.
g. Computer workstation space for a minimum of ten (10) personnel.
h. A gym located away from the dormitory area to reduce noise impacts.
i. The gym which shall include both an interior door providing direct access to the apparatus floor and an exterior double door leading to a covered outdoor exercise patio. Provide a window from interior living space into gym so that visual can be made on personnel inside the gym in case of a medical emergency.
j. Extend water and electrical utilities adjacent to gym to support potential future installation of health and fitness equipment.
k. Water filtration station for water bottles adjacent to gym.
l. A kitchen with space to accommodate a minimum of three (3) refrigerators, with capacity for up to four (4) refrigerators preferred.
m. A dayroom/kitchen layout that includes added windows with blinds between the kitchen and dayroom spaces to allow for natural light and controllable privacy. Position dayroom and patio on the Mark Avenue side of the building.
n. Apparatus bays equipped with vertical accordion-style apparatus doors. See video link for example: https://www.youtube.com/watch?v=LV8J8i8fAeU
o. Driveway access design shall position the security gate sufficiently far from the street to allow a sixty-foot (60') truck to wait without obstructing roadway traffic.
p. HVAC system throughout building for heating and cooling, including apparatus bays.
q. Diesel fueling station/reservoir on grounds.
r. Radio antennae relocation if necessary. Antennae must remain on property.
s. Gray water capture system on property to allow for vehicle washing inside or outside.

1.1.3 Recommend HVAC criteria for rebuild.

1.1.4 Recommend electrical system criteria for rebuild.

1.1.5 Evaluate the existing building and HVAC system for a proposed air evacuation system of apparatus floor to evacuate the air out of the apparatus floor and remove all exhaust and particulate from the running apparatus. Recommend air evacuation system criteria for rebuild option. Inspect the entire building for potential upgrades per the current building standards code.

1.1.6 Recommend design criteria capable of supporting LEED Silver and in compliance with the City's Climate Action Plan and all applicable City's reach codes.

1.2 Perform all necessary soil test and hazardous material inspection and assessments to identify and address any potential issues and concerns related to the building renovation and rebuild options.

1.3 Provide additional recommendations on building renovation and upgrades not mentioned in the criteria that the City should consider.

1.4 Develop probable construction cost and cost benefit analysis for rebuild.

1.5 Develop a construction schedule for building rebuild.

1.6 Meet with City staff to obtain additional information and input as needed. Consultant shall attend at least 2 meetings (one kick off and one follow up meeting).

1.7 At the City's request, Consultant may be required to conduct a community meeting or present to City Council for public input. Consultant to prepare all necessary documents, presentation materials, and renderings to support the outreach.

Task 1 Deliverables:

1. A draft report to document the existing building conditions and necessary building code upgrades. It shall include site opportunities and constraints and preliminary cost benefit analysis and recommended option (renovate or rebuild), also recommendation of other upgrades not mentioned in the criteria that the City should consider, and a list of Pros and Cons of renovate vs. rebuild options (electronic copy).
2. A draft probable construction cost estimate for build options (electronic copy).
3. A draft construction schedule for rebuild options (electronic copy).
4. A draft and final meeting minutes with action items, identifying responsible parties and scheduled completion dates (electronic copy).

Task 2: Final Recommendations

Based on City staff's review and comments on the draft documents in Task 1, Consultant shall revise the draft documents and submit the final documents to the

City. Consultant shall meet with the City staff for a final review and document revision.

Task 2 Deliverables:

1. Final report documenting the existing building conditions and necessary building code upgrades, the cost benefit analysis rebuild, recommendation for other upgrades not mentioned in the criteria that the City should consider, final recommendation (electronic copy).
2. Construction cost estimate for the recommended option (electronic copy).
3. Construction schedule for recommended option (electronic copy).

EXHIBIT B
SCHEDULE OF FEES

I. GENERAL PAYMENT

The total payment to the Consultant for Basic Services, as stated in **Exhibit A**, shall not exceed $210,124, plus any authorized Reimbursable Expenses, which shall not exceed $2,000. The amount billed to City for pre-approved Additional Services shall not exceed the sum of $21,212. In no event shall the amount billed to City by Consultant for services under this Agreement exceed $233,336, subject to budget appropriations.

II. BASIC SERVICES

Compensation shall be in proportion to services rendered and shall be billed monthly as percentages of completion for each phase listed below. Fees shall be lump sum and not-to-exceed per task as listed below. City may re-allocate remaining budget from any finished tasks to any un-finish tasks as need to complete works within the Basic Services.

Tasks denoted as Optional Tasks, as stated in Exhibit A, require pre-approval in writing by CITY prior to performing any services under the task. Payment for any Optional Task is allowed only if written authorization is given by the City in advance of the work to be performed. Fees for Optional Tasks shall be considered as Basic Services.

Description		Amount
Task 1	Building Preliminary Study / Cost Benefit Analysis	$172,969
Task 2	Final Recommendation	$25,055
Optional Services		
Task 3	Soil Sampling	$12,100
Total		**$210,124**

In no event shall the amount billed to City by Consultant for Basic Services under this Agreement exceed Two Hundred and Ten Thousand One Hundred and Twenty-Four dollars ($210,124), subject to budget appropriations.

III. REIMBURSABLE EXPENSES

Reimbursable Expenses shall not exceed $2,000 without prior written approval by the City. The amount allocated for Reimbursable Expenses shall be the

Consultant's full compensation for all Reimbursable Expenses required for the Project and by this Agreement, as directed by the City, and no additional compensation shall be allowed. Reimbursable expenses shall be billed at cost without any markup. Receipts and invoices detailing the Reimbursable Expenses shall be included with each billing where a Reimbursable Expense is invoiced.

Reimbursable Expenses are in addition to compensation for Basic and Additional Services. The following is a sample of items that are included as part of the Basic Services and are not considered Reimbursable Expenses:

- Basic Office Expenses such as overhead, paper, pens, pencils, ink cartridges
- Insurance Expenses, Applicable Taxes, Computer Time
- Travel Expenses (local and long distance), including meals and gas
- Faxes
- Local and Long Distance Telephone Expenses (land lines and cellular phones)
- US Mail
- Paper Cost
- Copying Cost
- Plotting Cost

Reimbursable Cost may include:

- Outside Duplicating Cost for Plans and Reports as specified in Section III, Scope of Work, of Exhibit A
- Presentation Materials
- Delivery Services, when requested by City.
- Courier Services when requested by City.

City may re-allocate remaining budget from reimbursable expenses to additional services. All reimbursable costs, other than those listed above, shall be approved in advance by City.

IV. ADDITIONAL SERVICES

Additional Services consists of work not included in the Scope of Services outlined within this Agreement. Pre-approved Additional Services shall be billed to City at the fixed hourly rates shown below in Section V, RATE SCHEDULE, or at an agreed negotiated price. Monthly billing for Additional Services shall be consistent with the terms set forth in this Agreement. Payment for any Additional Services is allowed only if written authorization is given by the City Engineer in advance of the work to be performed. Additional Services shall not exceed $21,212 without approval by the City.

V. RATE SCHEDULE

Charges for personnel engaged in professional and/or technical work are based on the actual hours directly chargeable to the project.

Rates by classification are listed below. No adjustment to the rates will be allowed during the term of this Agreement unless otherwise agreed in writing by City. Any classifications added, or staff members changing classifications, shall be approved in writing by City.

Consultant - Ten Over Studio:

Classification	Hourly Rate
Principal in Charge	$ 300
Project Manager	$ 240
Senior Architect	$ 234
Architect	$ 186
Senior Designer	$ 162

Sub-consultants:

CUMMING GROUP	
Classification	**Hourly Rate**
Associate Director	$ 260
Senior Cost Manager	$ 225

Allowable sub-consultant markup: 10%

VI. PAYMENT PROVISIONS

6.1 Time and Materials

For Services authorized to be paid on a time and materials basis, Consultant shall provide an invoice to the City on a monthly basis for Services completed in the preceding month. The invoice must include the following information:

6.1.1 Invoice Number, Purchase Order Number, and Invoice Period.

6.1.2 Current amount due with a time and materials breakdown: titles, hours, hourly rates, and any City approved reimbursable expenses itemized with supporting documentation.

6.1.3 Sufficient detail for City to verify (a) that the charges are in accordance with the Purchase Order, (b) that rates listed in Appendix B1 are charged, and (c) where applicable, hours worked can be matched to certified payroll submittals.

6.2 Fixed Price

For Services authorized to be paid on a fixed price basis, Consultant shall base the invoice on either (a) the percentage of Services completed during the previous month or (b) a lump sum amount upon the completion of deliverable(s) and subject to the following:

6.2.1 Invoices must include the following information:

1.2.1.1 Invoice Number, Purchase Order Number, and Invoice Period.

1.2.1.2 Detailed information on the Services performed on each deliverable or task completed on each project, as applicable.

6.2.2 Consultant shall not invoice labor costs subject to prevailing wages in advance of performing the applicable Services.

6.2.3 With regard to milestone payments, Consultant shall invoice each milestone payment in full. Consultant shall not separate milestone payments into multiple invoices.

6.3 Consultant is not entitled to any payments until the City concludes that the Services and/or any furnished deliverables have been satisfactorily performed.

6.4 When applicable, Consultant and all subconsultants shall submit certified payroll records for all workers employed in the performance of the Services. All certified payrolls shall be submitted in accordance with the requirements set forth in Exhibit D (Labor Compliance).

6.5 Invoices shall be accurate, itemized, and submitted in a form acceptable to the City. If an invoice is incomplete or inaccurate, the City may return it to Consultant for correction and resubmittal before payment can be processed. Consultant shall not charge the City any interest, late fees, or penalties on any outstanding or delayed invoices due to inaccurate billing.

6.6 The City shall not pay for time associated with administrative or billing-related tasks, including but not limited to preparing responses to Work Requests, addressing billing issues, or communicating with auditors.

6.7 If there are no discrepancies or deficiencies in the submitted invoice and Consultant has submitted all required certified payroll, City shall process the invoice for payment.

6.8 Invoices and related payment documentation are public records and are not confidential, even if marked as confidential when submitted by Consultant.

EXHIBIT C
INSURANCE REQUIREMENTS

Without limiting the Consultant's indemnification of the City, and prior to commencing any of the Services required under this Agreement, the Consultant shall provide and maintain in full force and effect during the period of performance of the Agreement and for twenty-four (24) months following acceptance by the City, at its sole cost and expense, the following insurance policies from insurance companies authorized to do business in the State of California. These policies shall be primary insurance as to the City of Santa Clara so that any other coverage held by the City shall not contribute to any loss under Consultant's insurance. The minimum coverages, provisions and endorsements are as follows:

A. COMMERCIAL GENERAL LIABILITY INSURANCE

1. Commercial General Liability Insurance policy which provides coverage at least as broad as Insurance Services Office form CG 00 01. Policy limits are subject to review, but shall in no event be less than, the following:

   $1,000,000 Each Occurrence
   $2,000,000 General Aggregate
   $2,000,000 Products/Completed Operations Aggregate
   $1,000,000 Personal Injury

2. Exact structure and layering of the coverage shall be left to the discretion of Consultant; however, any excess or umbrella policies used to meet the required limits shall be at least as broad as the underlying coverage and shall otherwise follow form.

3. The following provisions shall apply to the Commercial Liability policy as well as any umbrella policy maintained by the Consultant to comply with the insurance requirements of this Agreement:

   a. Coverage shall be on a "pay on behalf" basis with defense costs payable in addition to policy limits;

   b. There shall be no cross liability exclusion which precludes coverage for claims or suits by one insured against another; and

   c. Coverage shall apply separately to each insured against whom a claim is made or a suit is brought, except with respect to the limits of liability.

B. BUSINESS AUTOMOBILE LIABILITY INSURANCE

Business automobile liability insurance policy which provides coverage at least as broad as ISO form CA 00 01 with policy limits a minimum limit of not less than one million dollars ($1,000,000) each accident using, or providing coverage at

least as broad as, Insurance Services Office form CA 00 01. Liability coverage shall apply to all owned (if any), non-owned and hired autos.

C. WORKERS' COMPENSATION

1. Workers' Compensation Insurance Policy as required by statute and employer's liability with limits of at least one million dollars ($1,000,000) policy limit Bodily Injury by disease, one million dollars ($1,000,000) each accident/Bodily Injury and one million dollars ($1,000,000) each employee Bodily Injury by disease.

2. The indemnification and hold harmless obligations of Consultant included in this Agreement shall not be limited in any way by any limitation on the amount or type of damage, compensation or benefit payable by or for Consultant or any subcontractor under any Workers' Compensation Act(s), Disability Benefits Act(s) or other employee benefits act(s).

3. This policy must include a Waiver of Subrogation in favor of the City of Santa Clara, its City Council, commissions, officers, employees, volunteers and agents.

D. PROFESSIONAL LIABILITY

Professional Liability or Errors and Omissions Insurance as appropriate shall be written on a policy form coverage specifically designed to protect against negligent acts, errors or omissions of the Consultant. Covered services as designated in the policy must specifically include work performed under this agreement. Coverage shall be in an amount of not less than one million dollars ($1,000,000) per claim or one million dollars ($1,000,000) aggregate.

E. POLLUTION LIABILITY

Pollution Liability insurance covering liability for third-party bodily injury, property damage and cleanup costs resulting from a pollution incident with a limit not less than $1,000,000 per occurrence.

F. COMPLIANCE WITH REQUIREMENTS

All of the following clauses and/or endorsements, or similar provisions, must be part of each commercial general liability policy, and each umbrella or excess policy.

1. Additional Insureds. City of Santa Clara, its City Council, commissions, officers, employees, volunteers and agents are hereby added as additional insureds in respect to liability arising out of Consultant's work for City, using Insurance Services Office (ISO) Endorsement CG 20 10 11 85, or the combination of CG 20 10 03 97 and CG 20 37 10 01, or its equivalent.

2. Primary and non-contributing. Each insurance policy provided by Consultant shall contain language or be endorsed to contain wording making it primary insurance as respects to, and not requiring contribution from, any other insurance which the indemnities may possess, including any self-insurance or self-insured retention they may have. Any other insurance indemnities may possess shall be considered excess insurance only and shall not be called upon to contribute with Consultant's insurance.

3. Claims Made Coverage. If coverage is obtained on a "claims made" policy form, the continuity or retroactive date shall precede the date services were initiated with the City and the coverage shall be maintained for a period of three (3) years after termination of services under this Agreement.

4. Deductibles and Self-Insured Retentions. Deductibles and self-insured retentions must be declared to the City.

5. Cancellation.

   a. Each insurance policy shall contain language or be endorsed to reflect that no cancellation or modification of the coverage provided due to non-payment of premiums shall be effective until written notice has been given to City at least ten (10) days prior to the effective date of such modification or cancellation. In the event of non-renewal, written notice shall be given at least ten (10) days prior to the effective date of non-renewal.

   b. Each insurance policy shall contain language or be endorsed to reflect that no cancellation or modification of the coverage provided for any cause save and except non-payment of premiums shall be effective until written notice has been given to City at least thirty (30) days prior to the effective date of such modification or cancellation. In the event of non-renewal, written notice shall be given at least thirty (30) days prior to the effective date of non-renewal.

6. Other Endorsements. Other endorsements may be required for policies other than the commercial general liability policy if specified in the description of required insurance set forth in Sections A through E of this Exhibit C, above.

G. ADDITIONAL INSURANCE RELATED PROVISIONS

Consultant and City agree as follows:

1. Consultant agrees to ensure that subcontractors, and any other party involved with the Services, who is brought onto or involved in the performance of the Services by Consultant, provide the same minimum insurance coverage required of Consultant, except as with respect to limits. Consultant agrees to monitor and review all such coverage and assumes all responsibility for ensuring that such coverage is provided in conformity with the requirements of this Agreement. Consultant agrees that upon request by City, all agreements with, and insurance compliance documents provided by, such subcontractors and others engaged in the project will be submitted to City for review.

2. Consultant agrees to be responsible for ensuring that no contract used by any party involved in any way with the project reserves the right to charge City or Consultant for the cost of additional insurance coverage required by this Agreement. Any such provisions are to be deleted with reference to City. It is not the intent of City to reimburse any third party for the cost of complying with these requirements. There shall be no recourse against City for payment of premiums or other amounts with respect thereto.

3. The City reserves the right to withhold payments from the Consultant in the event of material noncompliance with the insurance requirements set forth in this Agreement.

H. EVIDENCE OF COVERAGE

Prior to commencement of any Services under this Agreement, Consultant, and each and every subcontractor (of every tier) shall, at its sole cost and expense, provide and maintain not less than the minimum insurance coverage with the endorsements and deductibles indicated in this Agreement. Such insurance coverage shall be maintained with insurers, and under forms of policies, satisfactory to City and as described in this Agreement. Consultant shall file with the City all certificates and endorsements for the required insurance policies for City's approval as to adequacy of the insurance protection.

I. EVIDENCE OF COMPLIANCE

Consultant or its insurance broker shall provide the required proof of insurance compliance, consisting of Insurance Services Office (ISO) endorsement forms or their equivalent and the ACORD form 25-S certificate of insurance (or its equivalent), evidencing all required coverage shall be delivered to City, or its representative as set forth below, at or prior to execution of this Agreement. Upon City's request, Consultant shall submit to City copies of the actual insurance policies or renewals or replacements. Unless otherwise required by the terms of this Agreement, all certificates, endorsements, coverage verifications and other items required to be delivered to City pursuant to this Agreement shall be mailed to:

EBIX Inc.
City of Santa Clara Department of Public Works
P.O. Box 100085 – S2 or 1 Ebix Way
Duluth, GA 30096 John's Creek, GA 30097

Telephone number: 951-766-2280
Fax number: 770-325-0409
Email address: ctsantaclara@ebix.com

J. QUALIFYING INSURERS

All of the insurance companies providing insurance for Consultant shall have, and provide written proof of, an A. M. Best rating of at least A minus 6 (A- VI) or shall be an insurance company of equal financial stability that is approved by the City or its insurance compliance representatives.

EXHIBIT C-06 Professional Service Contract.doc

EXHIBIT D
LABOR COMPLIANCE ADDENDUM

This Agreement is subject to the requirements of California Labor Code section 1720 et seq. requiring the payment of prevailing wages, the training of apprentices, and compliance with other applicable requirements.

Prevailing Wage Requirements

Contractor shall be obligated to pay not less than the General Prevailing Wage Rate, which can be found at www.dir.ca.gov and are on file with the City Clerk's office, which shall be available to any interested party upon request. Contractor is also required to have a copy of the applicable wage determination posted and/or available at each job site.

Specifically, contractors are reminded of the need for compliance with Labor Code Section 1774-1775 (the payment of prevailing wages and documentation of such), Section 1776 (the keeping and submission of accurate certified payrolls) and 1777.5 in the employment of apprentices on public works projects. Further, overtime must be paid for work in excess of 8 hours per day or 40 hours per week pursuant to Labor Code Section 1811-1813.

Special prevailing wage rates generally apply to work performed on weekends, holidays and for certain shift work. Depending on the location of the project and the amount of travel incurred by workers on the project, certain travel and subsistence payments may also be required. Contractors and subcontractors are on notice that information about such special rates, holidays, premium pay, shift work and travel and subsistence requirements can be found at www.dir.ca.gov .

Only bona fide apprentices actively enrolled in a California Division of Apprenticeship Standards approved program may be employed on the project as an apprentice and receive the applicable apprenticeship prevailing wage rates. Apprentices who are not properly supervised and employed in the appropriate ratio shall be paid the full journeyman wages for the classification of work performed.

As a condition to receiving progress payments, final payment and payment of retention on any and all projects on which the payment of prevailing wages is required, Contractor agrees to present to City, along with its request for payment, all applicable and necessary certified payrolls (for itself and all applicable subcontractors) for the time period covering such payment request. The term "certified payroll" shall include all required documentation to comply with the mandates set forth in Labor Code Section 1720 *et seq*, as well as any additional documentation requested by the City or its designee including, but not limited to: certified payroll, fringe benefit statements and backup documentation such as monthly benefit statements, employee timecards, copies of wage statements and cancelled checks, proof of training contributions (CAC2 if applicable), and apprenticeship forms such as DAS-140 and DAS-142.

In addition to submitting the certified payrolls and related documentation to City, Contractor and all subcontractors shall be required to submit certified payroll and related documents electronically to the California Department of Industrial Relations. Failure to submit payrolls to the DIR when mandated by the project parameters shall also result in the withholding of progress, retention and/or final payment.

No contractor or subcontractor may be listed on a bid proposal for a public works project unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5 [with limited exceptions from this requirement for bid purposes only under Labor Code section 1771.1(a)].

No contractor or subcontractor may be awarded a contract for public work on a public works project, unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5. Contractors MUST be a registered "public works contractor" with the DIR AT THE TIME OF BID. Where the prime contract is less than $15,000 for maintenance work or less than $25,000 for construction alternation, demolition or repair work, registration is not required.

All contractors/subcontractors and related construction services subject to prevailing wage, including but not limited to: trucking, surveying and inspection work must be registered with the Department of Industrial Relations as a "public works contractor". Those you fail to register and maintain their status as a public works contractor shall not be permitted to perform work on the project.

Should any contractor or subcontractors not be a registered public works contractor and perform work on the project, Contractor agrees to fully indemnify the City for any fines assessed by the California Department of Industrial Relations against the City for such violation, including all staff costs and attorney's fee relating to such fine.

This project is subject to compliance monitoring and enforcement by the Department of Industrial Relations.

Audit Rights

All records or documents required to be kept pursuant to this Agreement to verify compliance with this Addendum shall be made available for audit at no cost to City, at any time during regular business hours, upon written request by the City Attorney, City Auditor, City Manager, or a designated representative of any of these officers. Copies of such records or documents shall be provided to City for audit at City Hall when it is practical to do so. Otherwise, unless an alternative is mutually agreed upon, the records or documents shall be made available at Contractor's address indicated for receipt of notices in this Agreement.

Enforcement

City shall withhold any portion of a payment; including the entire payment amount, until certified payroll forms and related documentation are properly submitted, reviewed and found to be in full compliance. In the event that certified payroll forms do not comply

with the requirements of Labor Code Section 1720 et seq., City may continue to hold sufficient funds to cover estimated wages and penalties under the Agreement.

Based on State funding sources, this project may be subject to special labor compliance requirements of Proposition 84.

The City is not obligated to make any payment due to Contractor until Contractor has performed all of its obligations under these provisions. This provision means that City can withhold all or part of a payment to Contractor until all required documentation is submitted. Any payment by the City despite Contractor's failure to fully perform its obligations under these provisions shall not be deemed to be a waiver of any other term or condition contained in this Agreement or a waiver of the right to withhold payment for any subsequent breach of this Addendum.

City or the California Department of Industrial Relations may impose penalties upon contractors and subcontractors for failure to comply with prevailing wage requirements. These penalties are up to $200 per day per worker for each wage violation identified; $100 per day per worker for failure to provide the required paperwork and documentation requested within a 10-day window; and $25 per day per worker for any overtime violation.

REPORT TO COUNCIL

SUBJECT

Action to Approve Multidisciplinary Engineering Master Services Agreements for Silicon Valley Power and Authorize Additional Aggregate Maximum Compensation Not-to-Exceed $80 Million Across Four Master Agreement Groups, to be Funded from the Electric Utility Fund and the Electric Utility Capital Fund

EXECUTIVE SUMMARY

Silicon Valley Power (SVP), the City of Santa Clara's municipal electric utility, requires specialized engineering consulting services to support system expansion, capital project delivery, system operations, and reliability improvements. These services include transmission and distribution engineering, substation design, power system modeling, interconnection studies, protection and control engineering, civil and structural engineering, grounding design, and construction management and inspection. To provide these services efficiently, SVP competitively procures master services agreements with pre-qualified engineering consulting firms, allowing specialized expertise to be retained on an as-needed basis.

The City Council has previously authorized master services agreements with pre-qualified engineering firms, with a combined aggregate amount of $138 million to support SVP’s engineering, capital improvement, and operational needs. Throughout this report, these agreements are referred to as Group 1, Group 2, and Group 3 agreements. These agreements have provided specialized engineering support for critical projects, including the Northern Receiving Station (NRS) Upgrades and Expansion, Scott Receiving Station (SRS) Rebuild and Replacement, Kifer Receiving Station (KRS) Rebuild and Replacement, NRS-KRS 115kV Transmission Line, Battery Energy Storage System, Esperanca Substation, Laurelwood Substation, Northwest Loop Capacity Upgrade, Juliette Substation, Palm Substation, Walsh-Uranium 60kV Reconductor, and Homestead-Serra 60kV Line Enhancement.

SVP expects continued load growth in electric demand and significant infrastructure investment over the next decade. Peak system load is projected to increase from 813 megawatts (MW) in 2026 to 1,709 MW by 2036, requiring substantial investment in new transmission, substation, and reliability infrastructure. Planned projects include new 230kV transmission facilities, expansion of the internal 60kV transmission network, transmission line replacements and reconductoring, system reliability improvements, and physical security enhancements at critical utility facilities. Meeting these needs will require continued access to specialized engineering expertise that supplements in-house staff.

Accordingly, this report requests City Council approval to establish a new Group 4 pool of multidisciplinary engineering master services agreements and authorize an additional $80 million in aggregate maximum compensation across all master agreement groups. If approved, the combined aggregate maximum compensation across Group 1 through Group 4 would be $218 million,

consisting of the previously authorized $138 million plus the proposed $80 million.

The requested action would also authorize staff to administer the Group 1 through Group 4 agreements within the combined $218 million aggregate cap, including reallocating compensation among agreements as project needs evolve and establishing additional engineering master services agreements if specialized services are not available through the existing pools. Any future agreements would be procured in accordance with Chapter 2.105 of the Santa Clara City Code (City Code), remain within the approved $218 million aggregate cap, be subject to appropriation of funds, and the review and approval as to form by the City Attorney.

BACKGROUND

Over the years, SVP staff have conducted multiple competitive solicitations in accordance with Chapter 2.105 of the City Code to establish pre-qualified pools of consultants to support engineering, planning, and operational needs. These solicitations were structured to address distinct service areas and evolving project requirements, resulting in the establishment of three groups of master services agreements, with a combined aggregate maximum compensation of $138 million authorized by the City Council.

Master Services Agreements Approved Through Prior Council Authorizations

(a) Group 1 - System Expansion Planning, Plan Implementation, and General Consulting Services

The Group 1 master services agreements support SVP's System Expansion Plan, Plan Implementation, and General Consulting Services. The initial authorization established agreements with (i) Electrical Consultants, Inc. for System Expansion Plan, (ii) AECOM Technical Services, Inc., Burns and McDonnell Engineering Company, Inc. (Formerly 1898 & Co.), Stantec Consulting Services Inc., and TRC Solutions, Inc. for Plan Implementation, and (iii) Advisian Worley Group, TRC Solutions, Inc., Leidos Engineering, LLC, Flynn Resource Consultants, Inc. and EN Engineering LLC for General Consulting Services. Since their initial execution, the agreements have been amended, where applicable, in accordance with the authority granted by the City Council, including updates to rates, compensation, and other administrative provisions.

Through multiple City Council actions, the aggregate authorization was incrementally increased to $103 million to support growing project demands, as summarized below:

- October 13, 2020 (RTC 20-854): Initial authorization establishing multiple agreements with a total aggregate maximum compensation of $850,000 for System Expansion Planning and $25 million for Plan Implementation and General Consulting Services;
- May 10, 2022 (RTC 22-555): Approved (i) an amendment to the agreement with AECOM Technical Services, Inc., increasing the contract amount from $3 million to $11 million and (ii) an increase of the total aggregate authorization to $33 million for Plan Implementation and General Consulting Services;
- October 4, 2022 (RTC 22-166): Authorized amendments to existing agreements, increasing the total aggregate authorization to $50 million for Plan Implementation and General Consulting Services;
- July 18, 2023 (RTC 23-737): Authorized (i) amendments to the agreement with Electrical

Consultants, Inc. to increase the total amount to $1.5 million for System Expansion Plan, and (ii) an increase the total aggregate authorization to $80 million for Plan Implementation and General Consulting Services;

- December 3, 2024 (RTC 22-1123): Authorized amendments to existing agreements, increasing the total aggregate authorization to $100 million for Plan Implementation and General Consulting Services; and
- February 11, 2025 (RTC 25-73): Authorized (i) an amendment to Electrical Consultants, Inc. to extend the term and increase the total amount to $3 million for System Expansion Plan, (ii) an increase of the total aggregate authorization to $103 million for System Expansion Planning, Plan Implementation, and General Consulting Services.

(b) Group 2 - Protection, Communications, and Control System Engineering Support Services

The Group 2 master services agreements support SVP's ongoing operational and capital needs, including engineering services for electric protection systems, communications infrastructure, and control systems essential to the safe and reliable operation of the electric utility.

On February 22, 2022 (RTC 22-147), the City Council authorized agreements with Burns and McDonnell Engineering Company, Inc. (Formerly 1898 & Co.), HDR Engineering, Inc., Leidos Engineering, LLC, Power-Tech Engineers, Inc., SEL Engineering Services, Inc., Soudi Consultants, Inc., and TRC Solutions, Inc. Since their initial execution, the agreements have been amended, where applicable, in accordance with the authority granted by the City Council, including updates to rates, compensation, and other administrative provisions.

The agreements have a combined aggregate maximum compensation of $20 million over their terms, subject to an annual not-to-exceed limit of $4 million.

(c) Group 3 - As-Needed Engineering Support Services (Transmission Planning and System Operations)

The Group 3 master services agreements provide specialized engineering support for SVP system operations and planning functions, including transmission planning for real-time operations, system enhancement and expansion transmission planning, project scheduling, communications engineering (wide area network), system operations business planning, and commissioning and testing support.

On November 18, 2025 (RTC 25-1573), the City Council authorized agreements with Electric Power Engineers, LLC, Flynn Resource Consultants, Inc., Handran Engineering, Leidos Engineering, LLC, and Power-Tech Engineers, Inc. All agreements have been executed, except the agreement with Handran Engineering, which is close to being finalized pending negotiation of a few outstanding contract provisions.

The agreements have a combined aggregate maximum compensation of $15 million over their terms.

Summary of Existing Consultant Groups

The master services agreements established through prior City Council actions have provided SVP

with flexible access to specialized engineering expertise needed to support planning, design, operations, and implementation of critical electric utility projects. Table 1 summarizes the existing groups of master services agreements, their authorized City Council compensation amounts, and the estimated remaining City Council-authorized capacity. Additional information on the individual agreements, including their terms and current expiration dates, is provided in Table 3.

Table 1 - Summary of Existing Master Services Agreements

Group	Service Area	Authorized Amount	Estimated Remaining Authorized Capacity	Status / Use Going Forward
Group 1	System Expansion Planning, Plan Implementation, and General Consulting	$103 million	$11 million	Retain for active projects and completion of previously authorized work; no new task orders
Group 2	Protection, Communications, and Control System Engineering Support	$20 million	$14 million	Continue to support ongoing operational and capital projects
Group 3	As-Needed Engineering Support Services (Transmission Planning and System Operations)	$15 million	$15 million	Continue to support ongoing operational and capital projects
Total		$138 million	$40 million	

Capital Projects Supported by Engineering Master Services Agreements

City Council-authorized funding under the existing master services agreements has supported a broad range of completed and active capital projects and engineering efforts, as listed in Table 2. These projects are examples of the City's use of prior authorization to advance tangible utility infrastructure, reliability, and system capacity objectives. Through the term of the master services agreements, since FY 2020/21 for Group 1 and FY 2021/22 for Group 2, an average of approximately $16.3 million has been allocated annually for capital projects and some operating expenditures.

Table 2 - Projects Supported by Engineering Master Services Agreements

Project Name	Master Services Agreements Utilized	Project Type/Outcome

powered by Legistar™

Transmission System Reinforcement	Group 1	Transmission improvement
San Tomas Junction	Groups 1, 2	Substation project
Stender Way Junction Substation	Groups 1, 2	Substation project
Memorex Junction Substation	Groups 1, 2	Substation project
Freedom Circle Junction Substation	Groups 1, 2	Substation project
Bowers Avenue Junction	Group 1	Substation project
Storm Water Compliance	Group 1	Facility compliance
Northern Receiving Station Upgrades and Expansion	Group 1	Receiving station reliability / equipment replacement
Scott Receiving Station Rebuild and Replacement	Group 1	Receiving station rebuild
Kifer Receiving Station Rebuild and Replacement	Group 1	Receiving station rebuild
NRS-KRS 115kV Transmission Line	Group 1	Transmission improvement
Battery Energy Storage System	Group 1,2	Grid reliability / capacity support
Esperanca Substation	Group 1, 2	Substation improvement
Laurelwood Substation	Group 1, 2	Substation improvement
Northwest Loop Capacity Upgrade	Group 1	Capacity enhancement
Palm Substation	Group 1	Substation project
Walsh-Uranium 60kV Reconductor	Group 1	Transmission reconductor / reliability
Homestead-Serra 60kV Line Enhancement	Group 1, 2	Line enhancement / reliability
Juliette Substation	Group 1	Substation project

DISCUSSION

SVP relies on engineering consultants to support system planning, capital project delivery, and utility operations. The existing master services agreements have enabled SVP to access specialized technical expertise on an as-needed basis and have collectively supported critical infrastructure delivery and operational needs. Absent this approach, SVP would struggle to complete so many projects and meet customer expectations.

As discussed above, SVP’s engineering needs are expected to continue growing as peak system load increases over the next decade. Based on current utilization, the existing master services agreements are not sufficient to support the full scope of anticipated future work. In addition, several Group 1 agreements have expired or cannot be extended beyond their original authorized terms. Accordingly, staff recommend establishing a new Group 4 consisting of multidisciplinary engineering master services agreements to support future project assignments.

Proposed Group 4 - Multidisciplinary Engineering Master Services Agreements

To address future engineering service needs, staff conducted a competitive qualifications-based selection process in accordance with Section 2.105.140(c) of the City Code and applicable state law governing professional engineering services. The solicitation requested statement of qualifications from firms across multiple engineering disciplines, including:

- Transmission or Distribution Design Services
- Substation Design
- Grounding System Design
- Civil Structural Design Services
- Standards, Procedures, Specifications Development
- Equipment Rating
- System Modeling
- Interconnection Studies
- Construction Management and Inspection Services
- Distribution Engineering System Support
- Protection and Control Engineering

The solicitation was issued through the City's e-procurement system. Proposals were evaluated based on demonstrated competence, relevant experience, qualifications of key personnel, capacity to perform the work, and project approach. Labor rates were not considered during the qualifications evaluation. Following the evaluation, the City entered into negotiations with the highest-ranked firms, including a review of proposed labor rates and contract terms. In addition, all firms underwent an independent audit of applicable cost components, or a City review, to provide additional assurance that the proposed rates are fair and reasonable.

Based on the evaluation and negotiations, staff recommend that the City Council authorize the City Manager to execute agreements with the following firms to establish the Group 4 Multidisciplinary Master Services Agreements:

- AECOM Technical Services, Inc.
- Auriga Corporation
- BKF Engineers
- Burns & McDonnell Western Enterprises, Inc.
- Electrical Consultants, Inc.
- HDR Engineering, Inc.
- K&A Engineering Consulting PC
- Kano Consultants
- Kewo Engineering Corp
- Leidos Engineering, LLC
- NV5, Inc.
- Siemens Industry, Inc.
- Soudi Consultants, Inc.

The recommended Group 4 master services agreements continue SVP's existing approach of maintaining multiple pre-qualified engineering firms under master services agreements to provide specialized engineering services on as-needed basis. As with the Group 1, Group 2, and Group 3 master services agreements, individual projects will be authorized and assigned through the task order process under the applicable master services agreement. Participation in Group 4 does not guarantee any minimum amount of work. Assignments will be made on an as-needed basis, taking into account project scope, required expertise, firm availability, responsiveness, prior performance, and cost reasonableness.

Each agreement will be executed with an initial not-to-exceed amount of $1 million to allow immediate assignment of work on a project-specific basis. Given the scale of SVP's planned and future capital improvement program needs, additional capacity will be required over the term of the Group 4 master services agreements. Therefore, staff recommend an aggregate authorization not-to-exceed $80 million across all Group 4 master services agreements. Individual agreements may be amended as needed to increase compensation, provided that total compensation does not exceed the City Council-authorized aggregate amount. This structure provides flexibility to allocate capacity among firms based on actual project needs while maintaining overall expenditures within the total amount authorized by the City Council.

The proposed authorization is intended to support anticipated engineering consulting needs associated with SVP's capital improvement program over the next five years. Based on prior project deliveries, engineering services, including design, construction management, and program management, typically represent approximately 20% to 25% of total project costs.

Examples of projects anticipated to utilize the Group 4 agreements include:

- 2410: System Expansion Planning and Analysis
- 2418: Esperanca Substation
- 2424: Substation Physical Security Improvements
- 2447: Substation Control and Communication System Replacement
- 2453: KRS Rebuild and Replacement
- 2454: NRS Upgrades and Expansion
- 2455: NRS-KRS 115kV Line
- 2456: SRS Rebuild and Replacement
- 2459: Transmission Loop 1
- 2463: Transmission Loop 2
- 2465: Duane-Scott 115kV Reconductor
- 2466: South Loop Reconductor
- 2467: Northwestern - Zeno 60kV Reconductor
- 2469: Agnew Rebuild and Expansion
- 2471: Central Substation Rebuild and Expansion
- 2472: Northwest Loop Capacity Upgrade Phase II
- 2143: Revenue Metering Improvement
- 2135: CAISO 3rd 230kV T-Line Into NRS
- 2136: Central Expressway Underbuild Double Circuited 60kV & 12kV

- 2142: NRS to Agnew 60 kV Line Reconductoring
- 2140: Flexible Load Management Program
- 2147: Uranium Feeder Reliability Improvement
- 2145: Spare Equipment Strategy & Procurement
- 2139: Dynamic Facility Ratings Project
- 2137: Duane Substation Bulk Electric System Compliance Requirement

Authorization to Administer Groups 1 Through 4 Under a Combined Aggregate Cap

Table 3 summarizes the master services agreements currently available to support SVP's engineering, planning, operational, and capital improvement activities, including the proposed Group 4 multidisciplinary master services agreements. The table identifies the participating firms, agreement status, and authorization amounts associated with each group. Approval of the proposed $80 million authorization for Group 4 will increase the total aggregate compensation authorized across Group 1 through Group 4 from $138 million to $218 million.

Table 3 - Summary of Group 1 through Group 4 Master Services Agreements

#	Vendor	Initial Term	Options	Maximum Term Options, if any	Status
	Group 1 Agreements				
1	Advisian Worley Group	12/1/2020 -11/30/2025	N/A	N/A	Expired
2	AECOM Technical Services, Inc.	12/1/2020 -11/30/2025	N/A	12/31/2029	Active

powered by Legistar™

25	Auriga Corporation	9/1/2026 - 8/31/2031	N/A	8/31/2031	Proposed
26	BKF Engineers	9/1/2026 - 8/31/2031	N/A	8/31/2031	Proposed
27	Burns & McDonnell Western Enterprises, Inc.	9/1/2026 - 8/31/2031	N/A	8/31/2031	Under Negotiation
28	Electrical Consultants, Inc.	9/1/2026 - 8/31/2031	N/A	8/31/2031	Proposed
29	HDR Engineering, Inc.	9/1/2026 - 8/31/2031	N/A	8/31/2031	Proposed
30	K&A Engineering Consulting PC	9/1/2026 - 8/31/2031	N/A	8/31/2031	Proposed
31	Kano Consultants	9/1/2026 - 8/31/2031	N/A	8/31/2031	Proposed
32	Kewo Engineering Corp	9/1/2026 - 8/31/2031	N/A	8/31/2031	Proposed
33	Leidos Engineering, LLC	9/1/2026 - 8/31/2031	N/A	8/31/2031	Proposed
34	NV5, Inc.	9/1/2026 - 8/31/2031	N/A	8/31/2031	Proposed
35	Siemens Industry, Inc.	9/1/2026 - 8/31/2031	N/A	8/31/2031	Proposed
36	Soudi Consultants, Inc.	9/1/2026 - 8/31/2031	N/A	8/31/2031	Proposed
	Group 4 Maximum Compensation				$80 million
	Total Combined Aggregate Maximum Compensation Across Grou Group 4				$218 million

To provide flexibility in meeting project and operational needs, staff further request authority to allocate the authorized funding across the Group 1 through Group 4 master services agreements, as needed to support project and operational needs, provided that total expenditure does not exceed the aggregate maximum compensation of $218 million. As part of this request, staff also recommend removing the annual not-to-exceed limit of $4 million (previously established under RTC 22-147) for the Group 2 master services agreements to provide greater flexibility in responding to changing project and operational needs.

This approach improves transparency by establishing a single aggregate maximum compensation that applies to all engineering master services agreements, rather than separate funding limits for individual agreement groups. It also provides staff with the flexibility to manage engineering consulting services programmatically by allocating funding among agreements based on project priorities, workload, consultant availability, and the specialized expertise needed to support operational and capital improvement projects.

Given the dynamic state of SVP engineering needs, it is likely SVP will require additional expertise beyond what these master agreements provide; therefore, SVP may return to City Council for additional authority to obtain those services.

ENVIRONMENTAL REVIEW

The action being considered does not constitute a “project” within the meaning of the California

Environmental Quality Act (“CEQA”) pursuant to Section 15061(b)(3) of Title 14 of the California Code of Regulation in that it can be seen with certainty that there is no possibility that consultant and engineering services may have a significant effect on the environment. Of course, the environmental impacts of any public improvement projects associated with these services have been or will be analyzed separately under CEQA.

FISCAL IMPACT

The approval of $80 million in funding for Group 4 Multidisciplinary Engineering Services will increase the combined maximum compensation under the proposed agreements to $218 million over the term of the agreements, inclusive of previously authorized amounts of $138 million for Group 1 through Group 3. Sufficient funds are available in the FY 2026/27 Operating Budget in the Electric Utility Operating Fund, and funding for projects in FY 2026/27 is included in the Adopted 5-Year Capital Improvement Program Budget, which was adopted by the City Council on June 9, 2026.

Funds required for the agreements in future years will be included in the proposed budgets for the corresponding years.

COORDINATION

This report has been coordinated with the Finance Department.

PUBLIC CONTACT

Public contact was made by posting the Council agenda on the City’s official-notice bulletin board outside City Hall Council Chambers. A complete agenda packet is available on the City’s website and in the City Clerk’s Office at least 72 hours prior to a Regular Meeting and 24 hours prior to a Special Meeting. A hard copy of any agenda report may be requested by contacting the City Clerk’s Office at (408) 615-2220, email clerk@santaclaraca.gov or at the public information desk at any City of Santa Clara public library.

RECOMMENDATION

1. Authorize the City Manager to negotiate and execute agreements with AECOM Technical Services, Inc.; Auriga Corporation; BKF Engineers; Burns & McDonnell Western Enterprises, Inc.; Electrical Consultants, Inc.; HDR Engineering, Inc.; K&A Engineering Consulting PC; Kano Consultants; Kewo Engineering Corp; Leidos Engineering; NV5, Inc.; Siemens Industry, Inc.; and Soudi Consultants, Inc. to establish Silicon Valley Power’s Group 4 Multidisciplinary Master Services Agreements, beginning on or around September 1, 2026, and ending on or around August 31, 2031, with an initial not-to-exceed amount of $1 million per agreement and an aggregate maximum compensation of $80 million, subject to review and approval as to form by the City Attorney; and
2. Authorize the City Manager or designee to take any actions necessary to implement and administer the master services agreements as listed in Table 3 (organized in this Report to Council as Group 1 through Group 4), and to negotiate and execute amendments to: (a) exercise option years as provided in the agreements, (b) add or delete services, (c) implement rate adjustments as provided in the agreements, (d) increase or reallocate compensation among the various agreement groups; (e) extend the term of an agreement to complete projects initiated during the authorized term, (f) remove the annual not-to-exceed limit of $4 million for the Group 2 master services agreements, and, (g) make de minimis changes, provided that the aggregate maximum compensation of $218 million ($138 million previously authorized amount by the City Council plus the proposed $80 million in Recommendation No. 1) is not exceeded, and subject to

the appropriation of funds and the review and approval as to form by the City Attorney.

REPORT TO COUNCIL

SUBJECT

Action on Master Agreements for Silicon Valley Power on System Capacity Expansion Planning including Delegation of Authority for Capital Project Implementation and General Engineering Support [Council Pillar: Deliver and Enhance High Quality Efficient Services and Infrastructure]

BACKGROUND

As discussed as part of Silicon Valley Power's (SVP) quarterly Council update, electrical demand in the City is expected to increase over the next decade. To meet the electrical demand from future growth requires additional support from consultants for a variety of services including:

- Creating a detailed System Expansion Plan
- Design of Transmission line and Substation installations and upgrades
- Implementation management for Capital Improvement Projects
- General engineering support for maintenance of existing assets

DISCUSSION

SVP is looking for engineering support in three (3) areas: System Expansion Planning, General Consulting, and Plan Implementation.

System Expansion Plan

SVP's electric load has increased by more than 20% over the last decade and based on executed agreements and upcoming development, SVP's current system will need major upgrades to accommodate the increase of demand over the five to ten years.

A System Expansion Plan will consist of a short term and long-term capital improvement plan to accommodate the additional electric load growth due to new development in Santa Clara (Data Centers and Residential Projects). The consultant will also review and provide the basis for updating the Load Development Fee to ensure the recovery of costs incurred by the City in modifying its electrical infrastructure to support load growth due to the new development.

General Consulting Services

Based on newly executed agreements and current developer negotiations, SVP could add seven new substations over the next five years to its electrical system. Utilities the size of SVP do not have sufficient internal staff for such a large engineering project and requires the aid of consultants to engineer plans to meet the projected electric load growth. In addition to the existing projects, the consulting services will be utilized to create detailed engineering design plans based on the System Expansion Plan's guidance.

Plan Implementation Services
With the increase in capital projects comes the need for additional implementation services workforce which will support the design, plan implementation and project management of the Transmission and Substation construction.

On December 5, 2019, staff requested Statement of Qualification (SOQ) to solicit proposals from qualified firms for consulting services associated with SVP System Expansion Plan. The SOQ was published on BidSync, the City's e-procurement system. Eleven proposals were received from the following firms:

- 1898 & Co. (Kansas City, MO)
- Advisian Worley Group (Folsom, CA)
- AECOM (Oakland, CA)
- Electrical Consultants, Inc. (Billings, MT)
- EN Engineering LLC (Warrenville, IL)
- Flynn Resource Consultants Inc. (Discovery Bay, CA)
- Leidos Engineering, LLC (Hendersonville, TN)
- Power Engineers (Anaheim, CA)
- Stantec Consulting Services Inc. (Walnut Creek, CA)
- TRC Solutions, Inc. (Mountain View, CA)
- ZGlobal, Inc. (Folsom, CA)

Evaluation Process: Proposals were evaluated and scored independently by a five-member evaluation team against the criteria and weights published in the SOQ. Follow-up oral interviews were conducted with the companies submitting the highest scoring proposals for each of the three areas.

Award Recommendation: Staff recommends award of the System Expansion Plan contract to Electrical Consultants, Inc. (ECI) as the most qualified firm per the evaluation criteria set forth in the SOQ.

Staff recommends award of General Consulting Services contracts to Advisian Worley Group, TRC Solutions, Inc., Leidos Engineering, LLC, Flynn Resource Consultants, Inc. and EN Engineering LLC.

Staff recommends award of Plan Implementation Services contracts to 1898 & Co., TRC Solutions, Inc., Electrical Consultants, Inc., AECOM Technical Services, Inc., and Stantec Consulting Services Inc.

Notice of Intended Award: Notice of Intended Award (NOIA) announcing the City's recommended vendors for each service area were issued on August 28, 2020 and August 31, 2020.

Term of Agreements: The term of the proposed System Expansion Plan Agreement will be fourteen (14) months to deliver the System Expansion Plan. The term of the General Consulting Services and Plan Implementation Services Master Agreements will be five (5) years each.

Cost Summary: Staff is requesting that the Council 1) authorize the City Manager or their designee to execute the Agreement with ECI for a total amount not to exceed $850,000 which will allow for the development of a System Expansion Plan, 2) delegate authority to the City Manager or their

designee to negotiate and execute Master Service Agreements with Advisian Worley Group, TRC Solutions, Inc., Leidos Engineering, LLC, Flynn Resource Consultants, Inc. and EN Engineering LLC for General Consulting Services in an amount not to exceed $2,000,000 per agreement and 3) delegate authority to the City Manager or their designee to negotiate and execute Master Service Agreements with 1898 & Co., TRC Solutions, Inc., Electrical Consultants, Inc., AECOM Technical Services, Inc., and Stantec Consulting Services Inc. for Plan Implementation Services in an amount not to exceed $3,000,000 per agreement.

ENVIRONMENTAL REVIEW

The actions being considered do not constitute a "project" within the meaning of the California Environmental Quality Act ("CEQA") pursuant to CEQA Guidelines section 15378 (b)(4) in that it is a fiscal activity that does not involve commitment to a specific project which may result in potential significant impact on the environment.

FISCAL IMPACT

The total cost of the proposed agreement with Electrical Consultants, Inc. (ECI) to perform work on the System Expansion Plan shall not exceed $850,000. Funding for this agreement was included as part of the Adopted Biennial FY 2020/21 and 2021/22 Capital Improvement Program Budget in the New Business Estimate Work CIP project.

For general consulting services, compensation for the five Master Agreements shall not exceed $2,000,000 per agreement over the period of five years. Funding for years one and two of the agreements is available in the Adopted Biennial FY 2020/21 and 2021/22 Capital Improvement Program Budget in various Electric Utility Capital Improvement Projects:

- System Capacity Expansion
- New Business Estimate Work
- Operations and Planning Technology
- Clean Energy and Carbon Reduction
- Renewable Energy Microgrid

For plan implementation services, compensation for the five Master Agreements shall not exceed $3,000,000 per agreement over the period of five years. Funding for years one and two of the agreements is available in the Adopted Biennial FY 2020/21 and 2021/22 Capital Improvement Program Budget in various Electric Utility Capital Improvement Projects:

- Esperanca Substation
- Homestead Substation Rebuild
- Oaks Junction
- San Tomas Junction
- Laurelwood Substation
- System Capacity Expansion
- NRS Breaker 382 Addition

Funds required for these agreements in future years are subject to budget appropriations and will be incorporated into the budget development process for those years.

COORDINATION

This report has been coordinated with the Finance Department and City Attorney's Office.

PUBLIC CONTACT

Public contact was made by posting the Council agenda on the City's official-notice bulletin board outside City Hall Council Chambers. A complete agenda packet is available on the City's website and in the City Clerk's Office at least 72 hours prior to a Regular Meeting and 24 hours prior to a Special Meeting. A hard copy of any agenda report may be requested by contacting the City Clerk's Office at (408) 615-2220, email clerk@santaclaraca.gov <mailto:clerk@santaclaraca.gov>.

RECOMMENDATION

1. Authorize the City Manager to execute the System Expansion Plan Agreement with Electrical Consultants, Inc. in an amount not to exceed $850,000;
2. Delegate Authority to the City Manager to negotiate and execute Master Service Agreements with Advisian Worley Group, TRC Solutions, Inc., Leidos Engineering, LLC, Flynn Resource Consultants, Inc. and EN Engineering LLC for General Consulting Services in an amount not to exceed $2,000,000 per agreement over the five year terms of the agreements, subject to the appropriations of funds;
3. Delegate Authority to the City Manager to negotiate and execute Master Service Agreements with 1898 & Co., TRC Solutions, Inc., Electrical Consultants, Inc., AECOM Technical Services, Inc., and Stantec Consulting Services Inc. for Plan Implementation Services in an amount not to exceed $3,000,000 per agreement over the five-year terms of the agreements, subject to the appropriation of funds; and
4. Authorize the City Manager or their designee, to add or delete services consistent with the scope of the agreements, and allow future rate adjustments subject to request and justification by contractor, approval by the City, and the appropriation of funds.

1. Agreement for Design Professional Services

EBIX Insurance No. S200004653

AGREEMENT FOR DESIGN PROFESSIONAL SERVICES BETWEEN THE CITY OF SANTA CLARA, CALIFORNIA, AND WORLEY GROUP, INC. DBA ADVISIAN

PREAMBLE

This Agreement is entered into between the City of Santa Clara, California, a chartered California municipal corporation (City) and Worley Group, Inc. dba Advisian, a Delaware corporation (Contractor). City and Contractor may be referred to individually as a "Party" or collectively as the "Parties" or the "Parties to this Agreement."

RECITALS

A. City desires to secure the design professional services more fully described in this Agreement, at Exhibit A, entitled "Scope of Services";

B. "Design professional" includes licensed architects, licensed landscape architects, registered professional engineers and licensed professional land surveyors;

C. Contractor represents that it, and its subcontractors, if any, have the professional qualifications, expertise, necessary licenses and desire to provide certain goods and/or required services of the quality and type which meet objectives and requirements of City; and,

D. The Parties have specified herein the terms and conditions under which such services will be provided and paid for.

The Parties agree as follows:

AGREEMENT TERMS AND CONDITIONS

1. AGREEMENT DOCUMENTS

The documents forming the entire Agreement between City and Contractor shall consist of these Terms and Conditions and the following Exhibits, which are hereby incorporated into this Agreement by this reference:

Exhibit A – Scope of Services

Exhibit B – Schedule of Fees

Exhibit C – Insurance Requirements

Exhibit D – Labor Compliance Addendum

This Agreement, including the Exhibits set forth above, contains all the agreements, representations and understandings of the Parties, and supersedes and replaces any previous agreements, representations and understandings, whether oral or written. In the event of any inconsistency between the provisions of any of the Exhibits and the Terms and Conditions, the Terms and Conditions shall govern and control.

2. TERM OF AGREEMENT

Unless otherwise set forth in this Agreement or unless this paragraph is subsequently modified by a written amendment to this Agreement, the term of this Agreement shall begin on December 1, 2020 and terminate on November 30, 2025.

3. SCOPE OF SERVICES & PERFORMANCE SCHEDULE

Contractor shall perform those Services specified in Exhibit A within the time stated in Exhibit A..

A. All reports, costs estimates, plans and other documentation which may be submitted or furnished by Contractor shall be approved and signed by an appropriate qualified licensed professional in the State of California.

B. The title sheet for specifications and reports, and each sheet of plans, shall bear the professional seal, certificate number, registration classification, expiration date of certificate and signature of the design professional responsible for their preparation.

4. WARRANTY

Contractor expressly warrants that all materials and services covered by this Agreement shall be free from defect and shall conform to the specifications, requirements and instructions upon which this Agreement is based. Contractor agrees to promptly replace or correct any incomplete, inaccurate or defective Services regarding which the City so notifies the Contractor within one year after performance of the defective Services at no further cost to City when defects are due to the negligence, errors or omissions of Contractor. If Contractor fails to promptly correct or replace materials or services, City may make corrections or replace materials or services and charge Contractor for the cost incurred by City. Contractor shall have no liability or responsibility for repair, modification or replacement of materials, equipment or facilities or the costs associated with such repair or replacement. The foregoing are Contractor's entire responsibilities and City's exclusive remedies for Services rendered and to be rendered hereunder, and no other warranties, guarantees, liabilities, or obligations are to be implied

5. QUALIFICATIONS OF CONTRACTOR - STANDARD OF CARE

Contractor represents and maintains that it has the expertise in the professional calling necessary to perform the Services, and its duties and obligations, expressed and implied, contained herein, and City expressly relies upon Contractor's representations regarding its skills and knowledge. Contractor shall perform such Services and duties in conformance to and consistent with the professional standards of a specialist in the same discipline in the State of California.

6. COMPENSATION AND PAYMENT

In consideration for Contractor's complete performance of Services, City shall pay Contractor for all materials provided and Services rendered by Contractor in accordance with Exhibit B, entitled "SCHEDULE OF FEES." The maximum compensation of this Agreement is two million dollars ($2,000,000), subject to budget appropriations, which includes all payments that may be authorized for Services and for expenses, supplies, materials and equipment required to perform the Services. All work performed or materials provided in excess of the maximum compensation shall be at Contractor's expense. Contractor shall not be entitled to any payment above the maximum compensation under any circumstance.

7. TERMINATION

A. Termination for Convenience. City shall have the right to terminate this Agreement, without cause or penalty, by giving not less than Thirty (30) days' prior written notice to Contractor.

B. Termination for Default. If Contractor fails to perform any of its material obligations under this Agreement, in addition to all other remedies provided by law, City may terminate this Agreement immediately upon written notice to Contractor.

C. Upon termination, each Party shall assist the other in arranging an orderly transfer and close-out of services. As soon as possible following the notice of termination, but no later than ten (10) days after the notice of termination, Contractor will deliver to City all City information or material that Contractor has in its possession. Contractor shall be paid by City for all services rendered and work product completed through the date of termination.

8. ASSIGNMENT AND SUBCONTRACTING

City and Contractor bind themselves, their successors and assigns to all covenants of this Agreement. This Agreement shall not be assigned or transferred without the prior written approval of City. Contractor shall not hire subcontractors without express written permission from City.

Contractor shall be as fully responsible to City for the acts and omissions of its subcontractors, and of persons either directly or indirectly employed by them, as Contractor is for the acts and omissions of persons directly employed by it.

9. NO THIRD PARTY BENEFICIARY

This Agreement shall not be construed to be an agreement for the benefit of any third party or parties and no third party or parties shall have any claim or right of action under this Agreement for any cause whatsoever.

10. INDEPENDENT CONTRACTOR

Contractor and all person(s) employed by or contracted with Contractor to furnish labor and/or materials under this Agreement are independent contractors and do not act as agent(s) or employee(s) of City. Contractor has full rights to manage its employees in their performance of Services under this Agreement.

11. CONFIDENTIALITY OF MATERIAL

All ideas, memoranda, specifications, plans, manufacturing procedures, data, drawings, descriptions, documents, discussions or other information developed or received by or for Contractor and all other written information submitted to Contractor in connection with the performance of this Agreement shall be held confidential by Contractor and shall not, without the prior written consent of City, be used for any purposes other than the performance of the Services nor be disclosed to an entity not connected with performance of the Services. Nothing furnished to Contractor which is otherwise known to Contractor or becomes generally known to the related industry shall be deemed confidential.

12. OWNERSHIP OF MATERIAL

All material, which shall include, but not be limited to, data, sketches, tracings, drawings, plans, diagrams, quantities, estimates, specifications, proposals, tests, maps, calculations, photographs, reports, designs, technology, programming, works of authorship and other material developed, collected, prepared or caused to be prepared under this Agreement shall be the property of City but Contractor may retain and use copies thereof. City shall not be limited in any way or at any time in its use of said material. However, Contractor shall not be responsible for damages resulting from the use of said material for work other than Project, including, but not limited to, the release of this material to third parties.

13. RIGHT OF CITY TO INSPECT RECORDS OF CONTRACTOR

City, through its authorized employees, representatives or agents shall have the right during the term of this Agreement and for four (4) years from the date of final payment for goods or services provided under this Agreement, to audit the books and records of Contractor for the purpose of verifying any and all charges made by Contractor in connection with Contractor compensation under this

Agreement, including termination of Contractor. Contractor agrees to maintain sufficient books and records in accordance with generally accepted accounting principles to establish the correctness of all charges submitted to City. Any expenses not so recorded shall be disallowed by City. Contractor shall bear the cost of the audit if the audit determines that there has been a substantial billing deviation in excess of five (5) percent adverse to the City.

Contractor shall submit to City any and all reports concerning its performance under this Agreement that may be requested by City in writing. Contractor agrees to assist City in meeting City's reporting requirements to the State and other agencies with respect to Contractor's Services hereunder.

14. HOLD HARMLESS/INDEMNIFICATION

To the extent permitted by law, Contractor agrees to protect, defend, hold harmless and indemnify City, its City Council, commissions, officers, employees, volunteers and agents from and against any claim, injury, liability, loss, cost, and/or expense or damage, including all costs and attorney's fees in providing a defense to any such claim or other action, and whether sounding in law, contract, tort, or equity, to the extent arising out of, pertaining to, or related to the negligence, recklessness, or willful misconduct of the Contractor, its employees, subcontractors, or agents in the performance, or non-performance, of Services under this Agreement.

15. INSURANCE REQUIREMENTS

During the term of this Agreement, and for any time period set forth in Exhibit C, Contractor shall provide and maintain in full force and effect, at no cost to City, insurance policies as set forth in Exhibit C.

16. WAIVER

Contractor agrees that waiver by City of any one or more of the conditions of performance under this Agreement shall not be construed as waiver(s) of any other condition of performance under this Agreement. Neither City's review, acceptance nor payments for any of the Services required under this Agreement shall be constructed to operate as a waiver of any rights under this Agreement or of any cause of action arising out of the performance of this Agreement.

17. NOTICES

All notices to the Parties shall, unless otherwise requested in writing, be sent to City addressed as follows:

City of Santa Clara
Attention: Electric Department
1500 Warburton Avenue
Santa Clara, CA 95050
and by e-mail at SVPContracts@santaclaraca.gov, and
manager@santaclaraca.gov

And to Contractor addressed as follows:

Worley Group, Inc.
Attention: Benjamin Hwang, Naim Triki
2330 East Bidwell St, Suite 120
Folsom CA 95630
and by e-mail at benjamin.hwang@advisian.com

The workday the e-mail was sent shall control the date notice was deemed given. An e-mail transmitted after 1:00 p.m. on a Friday shall be deemed to have been transmitted on the following business day.

18. COMPLIANCE WITH LAWS

Contractor shall comply with all applicable laws and regulations of the federal, state and local government, including but not limited to "The Code of the City of Santa Clara, California" ("SCCC"). In particular, Contractor's attention is called to the regulations regarding Campaign Contributions (SCCC Chapter 2.130), Lobbying (SCCC Chapter 2.155), Minimum Wage (SCCC Chapter 3.20), Business Tax Certificate (SCCC section 3.40.060), and Food and Beverage Service Worker Retention (SCCC Chapter 9.60), as such Chapters or Sections may be amended from time to time or renumbered. Additionally Contractor has read and agrees to comply with City's Ethical Standards (http://santaclaraca.gov/home/showdocument?id=58299).

19. CONFLICTS OF INTEREST

Contractor certifies that to the best of its knowledge, no City officer, employee or authorized representative has any financial interest in the business of Contractor and that no person associated with Contractor has any interest, direct or indirect, which could conflict with the faithful performance of this Agreement. Contractor is familiar with the provisions of California Government Code section 87100 and

following, and certifies that it does not know of any facts which would violate these code provisions. Contractor will advise City if a conflict arises.

20. FAIR EMPLOYMENT

Contractor shall not discriminate against any employee or applicant for employment because of race, sex, color, religion, religious creed, national origin, ancestry, age, gender, marital status, physical disability, mental disability, medical condition, genetic information, sexual orientation, gender expression, gender identity, military and veteran status, or ethnic background, in violation of federal, state or local law.

21. NO USE OF CITY NAME OR EMBLEM

Contractor shall not use City's name, insignia, or emblem, or distribute any information related to services under this Agreement in any magazine, trade paper, newspaper or other medium without express written consent of City.

22. GOVERNING LAW AND VENUE

This Agreement shall be governed and construed in accordance with the statutes and laws of the State of California. The venue of any suit filed by either Party shall be vested in the state courts of the County of Santa Clara, or if appropriate, in the United States District Court, Northern District of California, San Jose, California.

23. SEVERABILITY CLAUSE

In case any one or more of the provisions in this Agreement shall, for any reason, be held invalid, illegal or unenforceable in any respect, it shall not affect the validity of the other provisions, which shall remain in full force and effect.

24. AMENDMENTS

This Agreement may only be modified by a written amendment duly authorized and executed by the Parties to this Agreement.

25. COUNTERPARTS

This Agreement may be executed in counterparts, each of which shall be deemed to be an original, but both of which shall constitute one and the same instrument.

26. CONSQUENTIAL DAMAGES

In no event shall the Contractor be liable in contract, tort, strict liability, warranty, or otherwise for any special, indirect, incidental or consequential damages, such as but not limited to loss of product, loss of use, non-operation or increased costs

of operation of equipment or systems, loss of anticipated revenue or profits, cost of capital, delays in or cost of construction, or cost of purchased or replacement equipment or systems.

AGREEMENT FOR DESIGN PROFESSIONAL SERVICES
BETWEEN THE
CITY OF SANTA CLARA, CALIFORNIA,
AND
WORLEY GROUP, INC. DBA ADVISIAN
EXHIBIT A
SCOPE OF SERVICES

The Services to be performed for the City by the Contractor under this Agreement are set forth below.

1. The Contractor shall perform general engineering services as requested by the City to support capital, operations, and maintenance projects including but not limited to:
   - 1.1. System planning for electric utility distribution and transmission systems
   - 1.2. Project design and preparation of plans, specifications and engineer's estimate.
   - 1.3. Distribution and transmission line conceptual design, feasibility, and permitting.
   - 1.4. Substation conceptual design, feasibility, and permitting.
   - 1.5. Support with substation communications, protection and control systems.
   - 1.6. Assist with third party plan submissions such as WECC, CAISO, and PG&E.
   - 1.7. Conduct power system studies, load flow, short circuit studies, protection studies and arc flash studies as needed.
   - 1.8. Conduct Distributed Energy Resource (DER) engineering and interconnection studies as needed and prepare DER interconnection manual, standards, and/or agreements.
   - 1.9. Assess existing design standards and recommend revisions or new standards.
   - 1.10. Prepare new standards, specifications and cost estimates for Transmission and Distribution equipment, communication systems, protection systems, and control systems.
   - 1.11. Assess existing maintenance practices or standards and recommend revisions or create new standards.
   - 1.12. Provide design, specification and cost estimates associated with the distribution system including street lighting.
   - 1.13. Provide drafting support as needed.
2. Work may be assigned to the Contractor through the evaluation of a Call for Proposal (CFP) or via direct assignment. The Contractor shall not begin any work unless a Purchase Order (PO) has been issued by the City for that particular work.

The invoice is to include the PO number, paid amount to date and remaining Agreement amount.

3. The Contractor shall conduct all necessary meetings and interviews, keep minutes and interview summaries as requested, and provide copies to SVP.
4. When requested by the City, the Contractor and subcontractors shall utilize e-Builder, a web-based project management tool, or City's designated replacement for projects assigned under this agreement. Access to the project management tool, as well as associated training, will be provided by the City at no cost to the Contractor or its subcontractors. Contractor and subcontractors shall have the responsibility for utilizing the project management tool as necessary for the following: invoice submittal, potential change order submittals, change orders, Request for Information (RFI) submittals, correspondence, assigned tasks and other matters that transpire on the site as directed by City. All documents (including as built drawings) shall be converted or scanned into the Portable Document Format (PDF) file and uploaded to e-Builder.
5. At the conclusion of each project, the Contractor shall provide electronic copies of all final reports, worksheets, system studies and data associated with this project to SVP in (but not limited to) .pdf, .docx, .xlsx, .xml, .dwf, .dwg, .sav formats as applicable and that are not proprietary in nature. If work is complete in PowerWorld, Contractor to ensure the deliverable is provided in proper and functional GE PSLF format as well.

AGREEMENT FOR DESIGN PROFESSIONAL SERVICES
BETWEEN THE
CITY OF SANTA CLARA, CALIFORNIA,
AND
WORLEY GROUP, INC. DBA ADVISIAN
EXHIBIT B
SCHEDULE OF FEES

1. This is a time and materials contract with a total not-to-exceed amount of $2,000,000.

2. Contractor shall provide services at the labor rates outlined in Table B-1 Attached.

   2.1. Any work requiring overtime rates shall be expressly identified and approved in writing by the City prior to the work commencing.

   2.2. Rate Adjustments: Rates outlined in Table B-1 of this Amendment may be requested by Contractor to adjust no greater than annually after January 1, 2022 subject to reasonable notice and justification to the City. City approval or denial of the adjusted rates will be provided in writing (e-mail acceptable).

3. Reimbursable Expenses

   3.1. City-requested Expenses. Outside services such as, but not limited to, outside reprographic services, materials, and equipment, will be invoiced at cost plus 10%.

   3.2. Subcontracts. A fee of 10% will be added to the invoice cost of subcontracts managed by Worley Group Inc. dba Advisian.

   3.3. Travel and Per Diem:

      3.3.1. Unless approved in writing (e-mail acceptable) in advance, meals, lodging, and related Per Diem shall not exceed the rates outlined by United States General Services Administration (GSA):

      https://www.gsa.gov/travel-resources

      3.3.2. Mileage. Personal automobile travel from portal to portal or between locations will be charged at IRS mileage rates per mile in place at the time of travel.

      3.3.3. Travel Expenses. Airfare, car rental, taxi, parking, tolls, and incidental expenses will be invoices at cost, with receipts provided for any expenses over $25.00. Airfare, if required, shall be at economy class.

3.3.4. Lodging and Meals. Lodging and meals will be charged at cost, with receipts provided for any expense over $25.00.

3.3.5 An estimate for any anticipated reimbursable expenses shall be included in Contractor's response to any CFP.

4. Contractor will bill City on a monthly basis for Services provided by Contractor during the preceding month on an invoice and in a format approved by City and subject to verification and approval by City. City will pay Contractor within thirty (30) days of City's receipt of an approved invoice including receipt and verification of certified payroll where required using LCP tracker or such other system as defined by the City.

AGREEMENT FOR DESIGN PROFESSIONAL SERVICES
between the
CITY OF SANTA CLARA, CALIFORNIA,
and
WORLEY GROUP, INC. DBA ADVISIAN
EXHIBIT C
INSURANCE REQUIREMENTS

Without limiting the Contractor's indemnification of the City, and prior to commencing any of the Services required under this Agreement, the Contractor shall provide and maintain in full force and effect during the period of performance of the Agreement and for twenty-four (24) months following acceptance by the City, at its sole cost and expense, the following insurance policies from insurance companies authorized to do business in the State of California. These policies shall be primary insurance so that any coverage held by the City shall not contribute to any loss under Contractor's insurance. The minimum coverages, provisions and endorsements are as follows:

A. COMMERCIAL GENERAL LIABILITY INSURANCE

1. Commercial General Liability Insurance policy which provides coverage at least as broad as Insurance Services Office form CG 00 01. Policy limits are subject to review, but shall in no event be less than, the following:

   $1,000,000 Each Occurrence
   $2,000,000 General Aggregate
   $2,000,000 Products/Completed Operations Aggregate
   $1,000,000 Personal Injury

2. Exact structure and layering of the coverage shall be left to the discretion of Contractor; however, any excess or umbrella policies used to meet the required limits shall be at least as broad as the underlying coverage and shall otherwise follow form.

3. The following provisions shall apply to the Commercial Liability policy as well as any umbrella policy maintained by the Contractor to comply with the insurance requirements of this Agreement:

   a. Coverage shall be on a "pay on behalf" basis with defense costs payable in addition to policy limits;

   b. There shall be no cross liability exclusion which precludes coverage for claims or suits by one insured against another; and

   c. Coverage shall apply separately to each insured against whom a claim is made or a suit is brought, except with respect to the limits of liability.

B. BUSINESS AUTOMOBILE LIABILITY INSURANCE

Business automobile liability insurance policy which provides coverage at least as broad as ISO form CA 00 01 with policy limits a minimum limit of not less than one million dollars ($1,000,000) each accident using, or providing coverage at least as broad as, Insurance Services Office form CA 00 01. Liability coverage shall apply to all owned (if any), non-owned and hired autos.

In the event that the Work being performed under this Agreement involves transporting of hazardous or regulated substances, hazardous or regulated wastes and/or hazardous or regulated materials, Contractor and/or its subcontractors involved in such activities shall provide coverage with a limit of one million dollars ($1,000,000) per accident covering transportation of such materials by the addition to the Business Auto Coverage Policy of Environmental Impairment Endorsement MCS90 or Insurance Services Office endorsement form CA 99 48, which amends the pollution exclusion in the standard Business Automobile Policy to cover pollutants that are in or upon, being transported or towed by, being loaded onto, or being unloaded from a covered auto.

C. WORKERS' COMPENSATION

1. Workers' Compensation Insurance Policy as required by statute and employer's liability with limits of at least one million dollars ($1,000,000) policy limit Bodily Injury by disease, one million dollars ($1,000,000) each accident/Bodily Injury and one million dollars ($1,000,000) each employee Bodily Injury by disease.

2. The indemnification and hold harmless obligations of Contractor included in this Agreement shall not be limited in any way by any limitation on the amount or type of damage, compensation or benefit payable by or for Contractor or any subcontractor under any Workers' Compensation Act(s), Disability Benefits Act(s) or other employee benefits act(s).

3. This policy must include a Waiver of Subrogation in favor of the City of Santa Clara, its City Council, commissions, officers, employees, volunteers and agents.

D. PROFESSIONAL LIABILITY

Professional Liability or Errors and Omissions Insurance as appropriate shall be written on a policy form coverage specifically designed to protect against negligent acts, errors or omissions of the Contractor. Covered services as designated in the policy must specifically include work performed under this agreement. Coverage shall be in an amount of not less than one million dollars ($1,000,000) per claim or two million dollars ($2,000,000) aggregate. Any coverage containing a deductible or self-retention must first be approved in writing by the City Attorney's Office.

E. COMPLIANCE WITH REQUIREMENTS

All of the following clauses and/or endorsements, or similar provisions, must be part of each commercial general liability policy, and each umbrella or excess policy.

1. Additional Insureds. City of Santa Clara, its City Council, commissions, officers, employees, volunteers and agents are hereby added as additional insureds in respect to liability arising out of Contractor's work for City, using Insurance Services Office (ISO) Endorsement CG 20 10 11 85, or the combination of CG 20 10 03 97 and CG 20 37 10 01, or its equivalent.

2. Primary and non-contributing. Each insurance policy provided by Contractor shall contain language or be endorsed to contain wording making it primary insurance as respects to, and not requiring contribution from, any other insurance which the indemnities may possess, including any self-insurance or self-insured retention they may have. Any other insurance indemnities may possess shall be considered excess insurance only and shall not be called upon to contribute with Contractor's insurance.

3. Cancellation.

Contractor shall provide thirty days written notice to City of any cancellation or modification of the coverage described herein.

4. Other Endorsements.

Other endorsements may be required for policies other than the commercial general liability policy if specified in the description of required insurance set forth in Sections A through E of this Exhibit C, above.

F. ADDITIONAL INSURANCE RELATED PROVISIONS

Contractor and City agree as follows:

1. Contractor agrees to ensure that subcontractors, and any other party involved with the Services, who is brought onto or involved in the performance of the Services by Contractor, provide the same minimum insurance coverage required of Contractor, except as with respect to limits. Contractor agrees to monitor and review all such coverage and assumes all responsibility for ensuring that such coverage is provided in conformity with the requirements of this Agreement. Contractor agrees that upon request by City, all agreements with, and insurance compliance documents provided by, such subcontractors and others engaged in the project will be submitted to City for review.

2. Contractor agrees to be responsible for ensuring that no contract used by any party involved in any way with the project reserves the right to charge City or Contractor for the cost of additional insurance coverage required by this Agreement. Any such provisions are to be deleted with reference to City. It is not the intent of City to reimburse any third party for the cost of complying with these requirements. There shall be no recourse against City for payment of premiums or other amounts with respect thereto.

3. The City reserves the right to withhold payments from the Contractor in the event of material noncompliance with the insurance requirements set forth in this Agreement.

G. EVIDENCE OF COVERAGE

Prior to commencement of any Services under this Agreement, Contractor, and each and every subcontractor (of every tier) shall, at its sole cost and expense, provide and maintain not less than the minimum insurance coverage with the endorsements and deductibles indicated in this Agreement. Such insurance coverage shall be maintained with insurers, and under forms of policies, satisfactory to City and as described in this Agreement. Contractor shall file with the City all certificates and endorsements for the required insurance policies for City's approval as to adequacy of the insurance protection.

H. EVIDENCE OF COMPLIANCE

Contractor or its insurance broker shall provide the required proof of insurance compliance, consisting of Insurance Services Office (ISO) endorsement forms or their equivalent and the ACORD form 25-S certificate of insurance (or its equivalent), evidencing all required coverage shall be delivered to City, or its representative as set forth below, at or prior to execution of this Agreement. Upon City's request, Contractor shall submit to City copies of the actual insurance policies or renewals or replacements. Unless otherwise required by the terms of this Agreement, all certificates, endorsements, coverage verifications and other items required to be delivered to City pursuant to this Agreement shall be mailed to:

EBIX Inc.
City of Santa Clara Electric Department
P.O. Box 100085 – S2 or 1 Ebix Way
Duluth, GA 30096 John's Creek, GA 30097

Telephone number: 951-766-2280
Fax number: 770-325-0409
Email address: ctsantaclara@ebix.com

I. QUALIFYING INSURERS

All of the insurance companies providing insurance for Contractor shall have, and provide written proof of, an A. M. Best rating of at least A minus 6 (A- VI) or shall be an insurance company of equal financial stability that is approved by the City or its insurance compliance representatives.

EXHIBIT D
LABOR COMPLIANCE ADDENDUM

This Agreement is subject to the requirements of California Labor Code section 1720 et seq. requiring the payment of prevailing wages, the training of apprentices, and compliance with other applicable requirements.

A. Prevailing Wage Requirements

1. Contractor shall be obligated to pay not less than the General Prevailing Wage Rate, which can be found at www.dir.ca.gov and are on file with the City Clerk's office, which shall be available to any interested party upon request. Contractor is also required to have a copy of the applicable wage determination posted and/or available at each job site.

2. Specifically, contractors are reminded of the need for compliance with Labor Code Section 1774-1775 (the payment of prevailing wages and documentation of such), Section 1776 (the keeping and submission of accurate certified payrolls) and 1777.5 in the employment of apprentices on public works projects. Further, overtime must be paid for work in excess of 8 hours per day or 40 hours per week pursuant to Labor Code Section 1811-1813.

3. Special prevailing wage rates generally apply to work performed on weekends, holidays and for certain shift work. Depending on the location of the project and the amount of travel incurred by workers on the project, certain travel and subsistence payments may also be required. Contractors and subcontractors are on notice that information about such special rates, holidays, premium pay, shift work and travel and subsistence requirements can be found at www.dir.ca.gov .

4. Only bona fide apprentices actively enrolled in a California Division of Apprenticeship Standards approved program may be employed on the project as an apprentice and receive the applicable apprenticeship prevailing wage rates. Apprentices who are not properly supervised and employed in the appropriate ratio shall be paid the full journeyman wages for the classification of work performed.

5. As a condition to receiving progress payments, final payment and payment of retention on any and all projects on which the payment of prevailing wages is required, Contractor agrees to present to City, along with its request for payment, all applicable and necessary certified payrolls (for itself and all applicable subcontractors) for the time period covering such payment request. The term "certified payroll" shall include all required documentation to comply with the mandates set forth in Labor Code Section 1720 *et seq*, as well as any additional documentation requested by the City or its designee including, but not limited to: certified

payroll, fringe benefit statements and backup documentation such as monthly benefit statements, employee timecards, copies of wage statements and cancelled checks, proof of training contributions (CAC2 if applicable), and apprenticeship forms such as DAS-140 and DAS-142.

6. In addition to submitting the certified payrolls and related documentation to City, Contractor and all subcontractors shall be required to submit certified payroll and related documents electronically to the California Department of Industrial Relations. Failure to submit payrolls to the DIR when mandated by the project parameters shall also result in the withholding of progress, retention and/or final payment.

7. No contractor or subcontractor may be listed on a bid proposal for a public works project unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5 [with limited exceptions from this requirement for bid purposes only under Labor Code section 1771.1(a)].

8. No contractor or subcontractor may be awarded a contract for public work on a public works project, unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5. Contractors MUST be a registered "public works contractor" with the DIR AT THE TIME OF BID. Where the prime contract is less than $15,000 for maintenance work or less than $25,000 for construction alternation, demolition or repair work, registration is not required.

9. All contractors/subcontractors and related construction services subject to prevailing wage, including but not limited to: trucking, surveying and inspection work must be registered with the Department of Industrial Relations as a "public works contractor". Those you fail to register and maintain their status as a public works contractor shall not be permitted to perform work on the project.

10. Should any contractor or subcontractors not be a registered public works contractor and perform work on the project, Contractor agrees to fully indemnify the City for any fines assessed by the California Department of Industrial Relations against the City for such violation, including all staff costs and attorney's fee relating to such fine.

11. This project is subject to compliance monitoring and enforcement by the Department of Industrial Relations.

B. Audit Rights

All records or documents required to be kept pursuant to this Agreement to verify compliance with this Addendum shall be made available for audit at no cost to City, at any time during regular business hours, upon written request by the City Attorney, City Auditor, City Manager, or a designated representative of any of these officers. Copies of such records or documents shall be provided to City for audit at City Hall when it is

practical to do so. Otherwise, unless an alternative is mutually agreed upon, the records or documents shall be made available at Contractor's address indicated for receipt of notices in this Agreement.

C. Enforcement

1. City shall withhold any portion of a payment; including the entire payment amount, until certified payroll forms and related documentation are properly submitted, reviewed and found to be in full compliance. In the event that certified payroll forms do not comply with the requirements of Labor Code Section 1720 et seq., City may continue to hold sufficient funds to cover estimated wages and penalties under the Agreement.

2. Based on State funding sources, this project may be subject to special labor compliance requirements of Proposition 84.

3. The City is not obligated to make any payment due to Contractor until Contractor has performed all of its obligations under these provisions. This provision means that City can withhold all or part of a payment to Contractor until all required documentation is submitted. Any payment by the City despite Contractor's failure to fully perform its obligations under these provisions shall not be deemed to be a waiver of any other term or condition contained in this Agreement or a waiver of the right to withhold payment for any subsequent breach of this Addendum.

4. City or the California Department of Industrial Relations may impose penalties upon contractors and subcontractors for failure to comply with prevailing wage requirements. These penalties are up to $200 per day per worker for each wage violation identified; $100 per day per worker for failure to provide the required paperwork and documentation requested within a 10-day window; and $25 per day per worker for any overtime violation.

20-854 **Agenda Date: 10/13/2020**

REPORT TO COUNCIL

SUBJECT

Action on Master Agreements for Silicon Valley Power on System Capacity Expansion Planning including Delegation of Authority for Capital Project Implementation and General Engineering Support [Council Pillar: Deliver and Enhance High Quality Efficient Services and Infrastructure]

BACKGROUND

As discussed as part of Silicon Valley Power's (SVP) quarterly Council update, electrical demand in the City is expected to increase over the next decade. To meet the electrical demand from future growth requires additional support from consultants for a variety of services including:

- Creating a detailed System Expansion Plan
- Design of Transmission line and Substation installations and upgrades
- Implementation management for Capital Improvement Projects
- General engineering support for maintenance of existing assets

DISCUSSION

SVP is looking for engineering support in three (3) areas: System Expansion Planning, General Consulting, and Plan Implementation.

System Expansion Plan

SVP's electric load has increased by more than 20% over the last decade and based on executed agreements and upcoming development, SVP's current system will need major upgrades to accommodate the increase of demand over the five to ten years.

A System Expansion Plan will consist of a short term and long-term capital improvement plan to accommodate the additional electric load growth due to new development in Santa Clara (Data Centers and Residential Projects). The consultant will also review and provide the basis for updating the Load Development Fee to ensure the recovery of costs incurred by the City in modifying its electrical infrastructure to support load growth due to the new development.

General Consulting Services

Based on newly executed agreements and current developer negotiations, SVP could add seven new substations over the next five years to its electrical system. Utilities the size of SVP do not have sufficient internal staff for such a large engineering project and requires the aid of consultants to engineer plans to meet the projected electric load growth. In addition to the existing projects, the consulting services will be utilized to create detailed engineering design plans based on the System Expansion Plan's guidance.

Plan Implementation Services
With the increase in capital projects comes the need for additional implementation services workforce which will support the design, plan implementation and project management of the Transmission and Substation construction.

On December 5, 2019, staff requested Statement of Qualification (SOQ) to solicit proposals from qualified firms for consulting services associated with SVP System Expansion Plan. The SOQ was published on BidSync, the City's e-procurement system. Eleven proposals were received from the following firms:

- 1898 & Co. (Kansas City, MO)
- Advisian Worley Group (Folsom, CA)
- AECOM (Oakland, CA)
- Electrical Consultants, Inc. (Billings, MT)
- EN Engineering LLC (Warrenville, IL)
- Flynn Resource Consultants Inc. (Discovery Bay, CA)
- Leidos Engineering, LLC (Hendersonville, TN)
- Power Engineers (Anaheim, CA)
- Stantec Consulting Services Inc. (Walnut Creek, CA)
- TRC Solutions, Inc. (Mountain View, CA)
- ZGlobal, Inc. (Folsom, CA)

Evaluation Process: Proposals were evaluated and scored independently by a five-member evaluation team against the criteria and weights published in the SOQ. Follow-up oral interviews were conducted with the companies submitting the highest scoring proposals for each of the three areas.

Award Recommendation: Staff recommends award of the System Expansion Plan contract to Electrical Consultants, Inc. (ECI) as the most qualified firm per the evaluation criteria set forth in the SOQ.

Staff recommends award of General Consulting Services contracts to Advisian Worley Group, TRC Solutions, Inc., Leidos Engineering, LLC, Flynn Resource Consultants, Inc. and EN Engineering LLC.

Staff recommends award of Plan Implementation Services contracts to 1898 & Co., TRC Solutions, Inc., Electrical Consultants, Inc., AECOM Technical Services, Inc., and Stantec Consulting Services Inc.

Notice of Intended Award: Notice of Intended Award (NOIA) announcing the City's recommended vendors for each service area were issued on August 28, 2020 and August 31, 2020.

Term of Agreements: The term of the proposed System Expansion Plan Agreement will be fourteen (14) months to deliver the System Expansion Plan. The term of the General Consulting Services and Plan Implementation Services Master Agreements will be five (5) years each.

Cost Summary: Staff is requesting that the Council 1) authorize the City Manager or their designee to execute the Agreement with ECI for a total amount not to exceed $850,000 which will allow for the development of a System Expansion Plan, 2) delegate authority to the City Manager or their

designee to negotiate and execute Master Service Agreements with Advisian Worley Group, TRC Solutions, Inc., Leidos Engineering, LLC, Flynn Resource Consultants, Inc. and EN Engineering LLC for General Consulting Services in an amount not to exceed $2,000,000 per agreement and 3) delegate authority to the City Manager or their designee to negotiate and execute Master Service Agreements with 1898 & Co., TRC Solutions, Inc., Electrical Consultants, Inc., AECOM Technical Services, Inc., and Stantec Consulting Services Inc. for Plan Implementation Services in an amount not to exceed $3,000,000 per agreement.

ENVIRONMENTAL REVIEW

The actions being considered do not constitute a "project" within the meaning of the California Environmental Quality Act ("CEQA") pursuant to CEQA Guidelines section 15378 (b)(4) in that it is a fiscal activity that does not involve commitment to a specific project which may result in potential significant impact on the environment.

FISCAL IMPACT

The total cost of the proposed agreement with Electrical Consultants, Inc. (ECI) to perform work on the System Expansion Plan shall not exceed $850,000. Funding for this agreement was included as part of the Adopted Biennial FY 2020/21 and 2021/22 Capital Improvement Program Budget in the New Business Estimate Work CIP project.

For general consulting services, compensation for the five Master Agreements shall not exceed $2,000,000 per agreement over the period of five years. Funding for years one and two of the agreements is available in the Adopted Biennial FY 2020/21 and 2021/22 Capital Improvement Program Budget in various Electric Utility Capital Improvement Projects:

- System Capacity Expansion
- New Business Estimate Work
- Operations and Planning Technology
- Clean Energy and Carbon Reduction
- Renewable Energy Microgrid

For plan implementation services, compensation for the five Master Agreements shall not exceed $3,000,000 per agreement over the period of five years. Funding for years one and two of the agreements is available in the Adopted Biennial FY 2020/21 and 2021/22 Capital Improvement Program Budget in various Electric Utility Capital Improvement Projects:

- Esperanca Substation
- Homestead Substation Rebuild
- Oaks Junction
- San Tomas Junction
- Laurelwood Substation
- System Capacity Expansion
- NRS Breaker 382 Addition

Funds required for these agreements in future years are subject to budget appropriations and will be incorporated into the budget development process for those years.

COORDINATION
This report has been coordinated with the Finance Department and City Attorney's Office.

PUBLIC CONTACT
Public contact was made by posting the Council agenda on the City's official-notice bulletin board outside City Hall Council Chambers. A complete agenda packet is available on the City's website and in the City Clerk's Office at least 72 hours prior to a Regular Meeting and 24 hours prior to a Special Meeting. A hard copy of any agenda report may be requested by contacting the City Clerk's Office at (408) 615-2220, email clerk@santaclaraca.gov <mailto:clerk@santaclaraca.gov>.

RECOMMENDATION
1. Authorize the City Manager to execute the System Expansion Plan Agreement with Electrical Consultants, Inc. in an amount not to exceed $850,000;
2. Delegate Authority to the City Manager to negotiate and execute Master Service Agreements with Advisian Worley Group, TRC Solutions, Inc., Leidos Engineering, LLC, Flynn Resource Consultants, Inc. and EN Engineering LLC for General Consulting Services in an amount not to exceed $2,000,000 per agreement over the five year terms of the agreements, subject to the appropriations of funds;
3. Delegate Authority to the City Manager to negotiate and execute Master Service Agreements with 1898 & Co., TRC Solutions, Inc., Electrical Consultants, Inc., AECOM Technical Services, Inc., and Stantec Consulting Services Inc. for Plan Implementation Services in an amount not to exceed $3,000,000 per agreement over the five-year terms of the agreements, subject to the appropriation of funds; and
4. Authorize the City Manager or their designee, to add or delete services consistent with the scope of the agreements, and allow future rate adjustments subject to request and justification by contractor, approval by the City, and the appropriation of funds.

Reviewed by: Manuel Pineda, Chief Electric Utility Officer

ATTACHMENT
1. Agreement for Design Professional Services

EBIX Insurance No. S200004639

AGREEMENT FOR DESIGN PROFESSIONAL SERVICES BETWEEN THE CITY OF SANTA CLARA, CALIFORNIA, AND AECOM TECHNICAL SERVICES, INC.

PREAMBLE

This Agreement is entered into between the City of Santa Clara, California, a chartered California municipal corporation (City) and AECOM Technical Services, Inc., a California corporation, (Contractor). City and Contractor may be referred to individually as a "Party" or collectively as the "Parties" or the "Parties to this Agreement."

RECITALS

A. City desires to secure the design professional services more fully described in this Agreement, at Exhibit A, entitled "Scope of Services";

B. "Design professional" includes licensed architects, licensed landscape architects, registered professional engineers and licensed professional land surveyors;

C. Contractor represents that it, and its subcontractors, if any, have the professional qualifications, expertise, necessary licenses and desire to provide certain goods and/or required services of the quality and type which meet objectives and requirements of City; and,

D. The Parties have specified herein the terms and conditions under which such services will be provided and paid for.

The Parties agree as follows:

AGREEMENT TERMS AND CONDITIONS

1. AGREEMENT DOCUMENTS

The documents forming the entire Agreement between City and Contractor shall consist of these Terms and Conditions and the following Exhibits, which are hereby incorporated into this Agreement by this reference:

Exhibit A – Scope of Services

Exhibit B – Schedule of Fees

Exhibit C – Insurance Requirements

Exhibit D – Labor Compliance Addendum (if applicable)

This Agreement, including the Exhibits set forth above, contains all the agreements, representations and understandings of the Parties, and supersedes and replaces any previous agreements, representations and understandings, whether oral or written. In the event of any inconsistency between the provisions of any of the Exhibits and the Terms and Conditions, the Terms and Conditions shall govern and control.

2. TERM OF AGREEMENT

Unless otherwise set forth in this Agreement or unless this paragraph is subsequently modified by a written amendment to this Agreement, the term of this Agreement shall begin on December 1, 2020 and terminate on November 30, 2025.

3. SCOPE OF SERVICES & PERFORMANCE SCHEDULE

Contractor shall perform those Services specified in Exhibit A within the time stated in Exhibit A. Time is of the essence.

A. All reports, costs estimates, plans and other documentation which may be submitted or furnished by Contractor shall be approved and signed by an appropriate qualified licensed professional in the State of California.

B. The title sheet for specifications and reports, and each sheet of plans, shall bear the professional seal, certificate number, registration classification, expiration date of certificate and signature of the design professional responsible for their preparation.

4. WARRANTY

Contractor expressly warrants that all materials and services covered by this Agreement shall be fit for the purpose intended, shall be free from defect and shall conform to the specifications, requirements and instructions upon which this Agreement is based. Contractor agrees to promptly replace or correct any incomplete, inaccurate or defective Services at no further cost to City when defects are due to the negligence, errors or omissions of Contractor. If Contractor fails to promptly correct or replace materials or services, City may make corrections or replace materials or services and charge Contractor for the cost incurred by City.

5. QUALIFICATIONS OF CONTRACTOR - STANDARD OF CARE

Contractor represents and maintains that it has the expertise in the professional calling necessary to perform the Services, and its duties and obligations, expressed and implied, contained herein, and City expressly relies upon Contractor's representations regarding its skills and knowledge. Contractor shall perform such Services and duties in conformance to and consistent with the

professional standards of a specialist in the same discipline in the State of California.

6. COMPENSATION AND PAYMENT

In consideration for Contractor's complete performance of Services, City shall pay Contractor for all materials provided and Services rendered by Contractor in accordance with Exhibit B, entitled "SCHEDULE OF FEES." The maximum compensation of this Agreement is three million dollars ($3,000,000), subject to budget appropriations, which includes all payments that may be authorized for Services and for expenses, supplies, materials and equipment required to perform the Services. All work performed or materials provided in excess of the maximum compensation shall be at Contractor's expense. Contractor shall not be entitled to any payment above the maximum compensation under any circumstance.

7. TERMINATION

A. Termination for Convenience. City shall have the right to terminate this Agreement, without cause or penalty, by giving not less than Thirty (30) days' prior written notice to Contractor.

B. Termination for Default. If Contractor fails to perform any of its material obligations under this Agreement, in addition to all other remedies provided by law, City may terminate this Agreement immediately upon written notice to Contractor.

C. Upon termination, each Party shall assist the other in arranging an orderly transfer and close-out of services. As soon as possible following the notice of termination, but no later than ten (10) days after the notice of termination, Contractor will deliver to City all City information or material that Contractor has in its possession.

8. ASSIGNMENT AND SUBCONTRACTING

City and Contractor bind themselves, their successors and assigns to all covenants of this Agreement. This Agreement shall not be assigned or transferred without the prior written approval of City. Contractor shall not hire subcontractors without express written permission from City.

Contractor shall be as fully responsible to City for the acts and omissions of its subcontractors, and of persons either directly or indirectly employed by them, as Contractor is for the acts and omissions of persons directly employed by it.

9. NO THIRD PARTY BENEFICIARY

This Agreement shall not be construed to be an agreement for the benefit of any third party or parties and no third party or parties shall have any claim or right of action under this Agreement for any cause whatsoever.

10. INDEPENDENT CONTRACTOR

Contractor and all person(s) employed by or contracted with Contractor to furnish labor and/or materials under this Agreement are independent contractors and do not act as agent(s) or employee(s) of City. Contractor has full rights to manage its employees in their performance of Services under this Agreement.

11. CONFIDENTIALITY OF MATERIAL

All ideas, memoranda, specifications, plans, manufacturing procedures, data, drawings, descriptions, documents, discussions or other information developed or received by or for Contractor and all other written information submitted to Contractor in connection with the performance of this Agreement shall be held confidential by Contractor and shall not, without the prior written consent of City, be used for any purposes other than the performance of the Services nor be disclosed to an entity not connected with performance of the Services. Nothing furnished to Contractor which is otherwise known to Contractor or becomes generally known to the related industry shall be deemed confidential.

12. OWNERSHIP OF MATERIAL

All material, which shall include, but not be limited to, data, sketches, tracings, drawings, plans, diagrams, quantities, estimates, specifications, proposals, tests, maps, calculations, photographs, reports, designs, technology, programming, works of authorship and other material developed, collected, prepared or caused to be prepared under this Agreement shall be the property of City but Contractor may retain and use copies thereof. City shall not be limited in any way or at any time in its use of said material. However, Contractor shall not be responsible for damages resulting from the use of said material for work other than Project, including, but not limited to, the release of this material to third parties.

13. RIGHT OF CITY TO INSPECT RECORDS OF CONTRACTOR

City, through its authorized employees, representatives or agents shall have the right during the term of this Agreement and for four (4) years from the date of final payment for goods or services provided under this Agreement, to audit the books and records of Contractor for the purpose of verifying any and all charges made by Contractor in connection with Contractor compensation under this Agreement, including termination of Contractor. Contractor agrees to maintain sufficient books and records in accordance with generally accepted accounting principles to establish the correctness of all charges submitted to City. Any expenses not so recorded shall be disallowed by City. Contractor shall bear the

cost of the audit if the audit determines that there has been a substantial billing deviation in excess of five (5) percent adverse to the City.

Contractor shall submit to City any and all reports concerning its performance under this Agreement that may be requested by City in writing. Contractor agrees to assist City in meeting City's reporting requirements to the State and other agencies with respect to Contractor's Services hereunder.

14. HOLD HARMLESS/INDEMNIFICATION

To the extent permitted by law, Contractor agrees to protect, defend, hold harmless and indemnify City, its City Council, commissions, officers, employees, volunteers and agents from and against any claim, injury, liability, loss, cost, and/or expense or damage, including all costs and attorney's fees in providing a defense to any such claim or other action, and whether sounding in law, contract, tort, or equity, to the extent arising out of, pertaining to, or related to the negligence, recklessness, or willful misconduct of the Contractor, its employees, subcontractors, or agents in the performance, or non-performance, of Services under this Agreement.

15. INSURANCE REQUIREMENTS

During the term of this Agreement, and for any time period set forth in Exhibit C, Contractor shall provide and maintain in full force and effect, at no cost to City, insurance policies as set forth in Exhibit C.

16. WAIVER

Contractor agrees that waiver by City of any one or more of the conditions of performance under this Agreement shall not be construed as waiver(s) of any other condition of performance under this Agreement. Neither City's review, acceptance nor payments for any of the Services required under this Agreement shall be constructed to operate as a waiver of any rights under this Agreement or of any cause of action arising out of the performance of this Agreement.

17. NOTICES

All notices to the Parties shall, unless otherwise requested in writing, be sent to City addressed as follows:

City of Santa Clara
Attention: Silicon Valley Power
1500 Warburton Avenue
Santa Clara, CA 95050
and by e-mail at mpineda@santaclaraca.gov, and
manager@santaclaraca.gov

And to Contractor addressed as follows:

AECOM Technical Services, Inc.
Attention: Robert K. Turley
300 Lakeside Drive Ste. 400
Oakland, CA 94612
and by e-mail at bob.turley@aecom.com

The workday the e-mail was sent shall control the date notice was deemed given. An e-mail transmitted after 1:00 p.m. on a Friday shall be deemed to have been transmitted on the following business day.

18. COMPLIANCE WITH LAWS

Contractor shall comply with all applicable laws and regulations of the federal, state and local government, including but not limited to "The Code of the City of Santa Clara, California" ("SCCC"). In particular, Contractor's attention is called to the regulations regarding Campaign Contributions (SCCC Chapter 2.130), Lobbying (SCCC Chapter 2.155), Minimum Wage (SCCC Chapter 3.20), Business Tax Certificate (SCCC section 3.40.060), and Food and Beverage Service Worker Retention (SCCC Chapter 9.60), as such Chapters or Sections may be amended from time to time or renumbered. Additionally Contractor has read and agrees to comply with City's Ethical Standards (http://santaclaraca.gov/home/showdocument?id=58299).

19. CONFLICTS OF INTEREST

Contractor certifies that to the best of its knowledge, no City officer, employee or authorized representative has any financial interest in the business of Contractor and that no person associated with Contractor has any interest, direct or indirect, which could conflict with the faithful performance of this Agreement. Contractor is familiar with the provisions of California Government Code section 87100 and following, and certifies that it does not know of any facts which would violate these code provisions. Contractor will advise City if a conflict arises.

20. FAIR EMPLOYMENT

Contractor shall not discriminate against any employee or applicant for employment because of race, sex, color, religion, religious creed, national origin, ancestry, age, gender, marital status, physical disability, mental disability, medical condition, genetic information, sexual orientation, gender expression, gender identity, military and veteran status, or ethnic background, in violation of federal, state or local law.

21. NO USE OF CITY NAME OR EMBLEM

Contractor shall not use City's name, insignia, or emblem, or distribute any information related to services under this Agreement in any magazine, trade paper, newspaper or other medium without express written consent of City.

22. GOVERNING LAW AND VENUE

This Agreement shall be governed and construed in accordance with the statutes and laws of the State of California. The venue of any suit filed by either Party shall be vested in the state courts of the County of Santa Clara, or if appropriate, in the United States District Court, Northern District of California, San Jose, California.

23. SEVERABILITY CLAUSE

In case any one or more of the provisions in this Agreement shall, for any reason, be held invalid, illegal or unenforceable in any respect, it shall not affect the validity of the other provisions, which shall remain in full force and effect.

24. AMENDMENTS

This Agreement may only be modified by a written amendment duly authorized and executed by the Parties to this Agreement.

25. COUNTERPARTS

This Agreement may be executed in counterparts, each of which shall be deemed to be an original, but both of which shall constitute one and the same instrument.

CONTINUED ON PAGE 8

The Parties acknowledge and accept the terms and conditions of this Agreement as evidenced by the following signatures of their duly authorized representatives.

EXHIBIT A
SCOPE OF SERVICES

The Services to be performed for the City by the Contractor under this Agreement are set forth below.

The Contractor shall perform plan implementation/project management services as requested by the City to support capital, operations, and maintenance projects including but not limited to:

- Act as project manager for the following activities:
  - Project permitting including support of CEQA determinations
  - Land acquisition
  - Project design and preparation of Plans, Specifications and Engineer's Estimate
  - Bid support
  - Construction support
  - Record drawings and Project Closeout
- System planning for electric utility distribution and transmission systems
- Distribution and transmission line conceptual design, feasibility, and permitting.
- Substation conceptual and/or detail design, feasibility, and permitting.
- Support with substation communications, protection and control systems.
- Assist with third party plan submissions such as WECC, CAISO, and PG&E.
- Conduct load flow, short circuit studies and arc flash studies as needed.
- Conduct Distributed Energy Resource interconnection studies as needed.
- Assess existing design standards and recommend revisions or new standards.
- Assess existing maintenance practices or standards and recommend revisions or create new standards.
- Provide drafting support as needed.

Work may be assigned to the Contractor through the evaluation of a Call for Proposal (CFP) or via direct assignment. The Contractor shall not begin any work unless a Purchase Order (PO) has been issued by the City for that particular work. The invoice is to include the PO number, paid amount to date and remaining Agreement amount.

The Contractor shall conduct all necessary meetings and interviews, keep minutes and interview summaries as requested, and provide copies to SVP.

When requested by the City, the Contractor and subcontractors shall utilize e-Builder, a web-based project management tool, or City's designated replacement for projects assigned under this agreement. Access to the project management tool, as well as associated training, will be provided by the City at no cost to the Contractor or its subcontractors. Contractor and subcontractors shall have the responsibility for utilizing the project management tool as necessary for the following: invoice submittal, potential change order submittals, change orders, Request for Information (RFI) submittals, correspondence, assigned tasks and other matters that transpire on the site as directed

by City. All documents (including as built drawings) shall be converted or scanned into the Portable Document Format (PDF) file and uploaded to e-Builder.

At the conclusion of each project, the Contractor shall provide electronic copies of all final reports, worksheets, system studies and data associated with this project to SVP in (but not limited to) .pdf, .docx, .xlsx, .xml, .dwf, .dwg, .sav formats as applicable and that are not proprietary in nature. If work is complete in PowerWorld, Contractor to ensure the deliverable is provided in proper and functional GE PSLF format as well.

EXHIBIT B
SCHEDULE OF FEES

Contractor will bill City on a monthly basis for Services provided by Contractor during the preceding month on an invoice and in a format approved by City and subject to verification and approval by City. City will pay Contractor within thirty (30) days of City's receipt of an approved invoice.

This is a time and materials contract with a total not-to-exceed amount of $3,000,000.

All labor and expense rates shall have an annual escalation of 2% starting on December 1, 2021 and every subsequent December 1st through the duration of the Agreement.

Any work requiring overtime rates shall be expressly identified and approved in writing by the City prior to the work commencing.

AECOM Hourly Rates*

Principal	$280.50	Senior Admin	$134.64

EXHIBIT C
INSURANCE REQUIREMENTS

Without limiting the Contractor's indemnification of the City, and prior to commencing any of the Services required under this Agreement, the Contractor shall provide and maintain in full force and effect during the period of performance of the Agreement and for twenty-four (24) months following acceptance by the City, at its sole cost and expense, the following insurance policies from insurance companies authorized to do business in the State of California. These policies shall be primary insurance as to the City of Santa Clara so that any other coverage held by the City shall not contribute to any loss under Contractor's insurance. The minimum coverages, provisions and endorsements are as follows:

A. COMMERCIAL GENERAL LIABILITY INSURANCE

1. Commercial General Liability Insurance policy which provides coverage at least as broad as Insurance Services Office form CG 00 01. Policy limits are subject to review, but shall in no event be less than, the following:

   $1,000,000 Each Occurrence
   $2,000,000 General Aggregate
   $2,000,000 Products/Completed Operations Aggregate
   $1,000,000 Personal Injury

2. Exact structure and layering of the coverage shall be left to the discretion of Contractor; however, any excess or umbrella policies used to meet the required limits shall be at least as broad as the underlying coverage and shall otherwise follow form.

3. The following provisions shall apply to the Commercial Liability policy as well as any umbrella policy maintained by the Contractor to comply with the insurance requirements of this Agreement:

   a. Coverage shall be on a "pay on behalf" basis with defense costs payable in addition to policy limits;

   b. There shall be no cross liability exclusion which precludes coverage for claims or suits by one insured against another; and

   c. Coverage shall apply separately to each insured against whom a claim is made or a suit is brought, except with respect to the limits of liability.

B. BUSINESS AUTOMOBILE LIABILITY INSURANCE

Business automobile liability insurance policy which provides coverage at least as broad as ISO form CA 00 01 with policy limits a minimum limit of not less than one million dollars ($1,000,000) each accident using, or providing coverage at

least as broad as, Insurance Services Office form CA 00 01. Liability coverage shall apply to all owned (if any), non-owned and hired autos.

In the event that the Work being performed under this Agreement involves transporting of hazardous or regulated substances, hazardous or regulated wastes and/or hazardous or regulated materials, Contractor and/or its subcontractors involved in such activities shall provide coverage with a limit of one million dollars ($1,000,000) per accident covering transportation of such materials by the addition to the Business Auto Coverage Policy of Environmental Impairment Endorsement MCS90 or Insurance Services Office endorsement form CA 99 48, which amends the pollution exclusion in the standard Business Automobile Policy to cover pollutants that are in or upon, being transported or towed by, being loaded onto, or being unloaded from a covered auto.

C. WORKERS' COMPENSATION

1. Workers' Compensation Insurance Policy as required by statute and employer's liability with limits of at least one million dollars ($1,000,000) policy limit Bodily Injury by disease, one million dollars ($1,000,000) each accident/Bodily Injury and one million dollars ($1,000,000) each employee Bodily Injury by disease.

2. The indemnification and hold harmless obligations of Contractor included in this Agreement shall not be limited in any way by any limitation on the amount or type of damage, compensation or benefit payable by or for Contractor or any subcontractor under any Workers' Compensation Act(s), Disability Benefits Act(s) or other employee benefits act(s).

3. This policy must include a Waiver of Subrogation in favor of the City of Santa Clara, its City Council, commissions, officers, employees, volunteers and agents.

D. PROFESSIONAL LIABILITY

Professional Liability or Errors and Omissions Insurance as appropriate shall be written on a policy form coverage specifically designed to protect against negligent acts, errors or omissions of the Contractor. Covered services as designated in the policy must specifically include work performed under this agreement. Coverage shall be in an amount of not less than one million dollars ($1,000,000) per claim or two million dollars ($2,000,000) aggregate. Any coverage containing a deductible or self-retention must first be approved in writing by the City Attorney's Office.

E. COMPLIANCE WITH REQUIREMENTS

All of the following clauses and/or endorsements, or similar provisions, must be part of each commercial general liability policy, and each umbrella or excess policy.

1. Additional Insureds. City of Santa Clara, its City Council, commissions, officers, employees, volunteers and agents are hereby added as additional insureds in respect to liability arising out of Contractor's work for City, using Insurance Services Office (ISO) Endorsement CG 20 10 11 85, or the combination of CG 20 10 03 97 and CG 20 37 10 01, or its equivalent.

2. Primary and non-contributing. Each insurance policy provided by Contractor shall contain language or be endorsed to contain wording making it primary insurance as respects to, and not requiring contribution from, any other insurance which the indemnities may possess, including any self-insurance or self-insured retention they may have. Any other insurance indemnities may possess shall be considered excess insurance only and shall not be called upon to contribute with Contractor's insurance.

3. Cancellation.

   a. Each insurance policy shall contain language or be endorsed to reflect that no cancellation or modification of the coverage provided due to non-payment of premiums shall be effective until written notice has been given to City at least ten (10) days prior to the effective date of such modification or cancellation. In the event of non-renewal, written notice shall be given at least ten (10) days prior to the effective date of non-renewal.

   b. Each insurance policy shall contain language or be endorsed to reflect that no cancellation or modification of the coverage provided for any cause save and except non-payment of premiums shall be effective until written notice has been given to City at least thirty (30) days prior to the effective date of such modification or cancellation. In the event of non-renewal, written notice shall be given at least thirty (30) days prior to the effective date of non-renewal.

4. Other Endorsements. Other endorsements may be required for policies other than the commercial general liability policy if specified in the description of required insurance set forth in Sections A through E of this Exhibit C, above.

F. ADDITIONAL INSURANCE RELATED PROVISIONS

Contractor and City agree as follows:

1. Contractor agrees to ensure that subcontractors, and any other party involved with the Services, who is brought onto or involved in the performance of the Services by Contractor, provide the same minimum insurance coverage required of Contractor, except as with respect to

limits. Contractor agrees to monitor and review all such coverage and assumes all responsibility for ensuring that such coverage is provided in conformity with the requirements of this Agreement. Contractor agrees that upon request by City, all agreements with, and insurance compliance documents provided by, such subcontractors and others engaged in the project will be submitted to City for review.

2. Contractor agrees to be responsible for ensuring that no contract used by any party involved in any way with the project reserves the right to charge City or Contractor for the cost of additional insurance coverage required by this Agreement. Any such provisions are to be deleted with reference to City. It is not the intent of City to reimburse any third party for the cost of complying with these requirements. There shall be no recourse against City for payment of premiums or other amounts with respect thereto.

3. The City reserves the right to withhold payments from the Contractor in the event of material noncompliance with the insurance requirements set forth in this Agreement.

G. EVIDENCE OF COVERAGE

Prior to commencement of any Services under this Agreement, Contractor, and each and every subcontractor (of every tier) shall, at its sole cost and expense, provide and maintain not less than the minimum insurance coverage with the endorsements and deductibles indicated in this Agreement. Such insurance coverage shall be maintained with insurers, and under forms of policies, satisfactory to City and as described in this Agreement. Contractor shall file with the City all certificates and endorsements for the required insurance policies for City's approval as to adequacy of the insurance protection.

H. EVIDENCE OF COMPLIANCE

Contractor or its insurance broker shall provide the required proof of insurance compliance, consisting of Insurance Services Office (ISO) endorsement forms or their equivalent and the ACORD form 25-S certificate of insurance (or its equivalent), evidencing all required coverage shall be delivered to City, or its representative as set forth below, at or prior to execution of this Agreement. Upon City's request, Contractor shall submit to City copies of the actual insurance policies or renewals or replacements. Unless otherwise required by the terms of this Agreement, all certificates, endorsements, coverage verifications and other items required to be delivered to City pursuant to this Agreement shall be mailed to:

EBIX Inc.
City of Santa Clara Electric Department
P.O. Box 100085 – S2 or 1 Ebix Way
Duluth, GA 30096 John's Creek, GA 30097

Telephone number: 951-766-2280
Fax number: 770-325-0409
Email address: ctsantaclara@ebix.com

I. QUALIFYING INSURERS

All of the insurance companies providing insurance for Contractor shall have, and provide written proof of, an A. M. Best rating of at least A minus 6 (A- VI) or shall be an insurance company of equal financial stability that is approved by the City or its insurance compliance representatives.

EXHIBIT D
LABOR COMPLIANCE ADDENDUM

This Agreement is subject to the requirements of California Labor Code section 1720 et seq. requiring the payment of prevailing wages, the training of apprentices, and compliance with other applicable requirements.

J. **Prevailing Wage Requirements**

1. Contractor shall be obligated to pay not less than the General Prevailing Wage Rate, which can be found at www.dir.ca.gov and are on file with the City Clerk's office, which shall be available to any interested party upon request. Contractor is also required to have a copy of the applicable wage determination posted and/or available at each job site.

2. Specifically, contractors are reminded of the need for compliance with Labor Code Section 1774-1775 (the payment of prevailing wages and documentation of such), Section 1776 (the keeping and submission of accurate certified payrolls) and 1777.5 in the employment of apprentices on public works projects. Further, overtime must be paid for work in excess of 8 hours per day or 40 hours per week pursuant to Labor Code Section 1811-1813.

3. Special prevailing wage rates generally apply to work performed on weekends, holidays and for certain shift work. Depending on the location of the project and the amount of travel incurred by workers on the project, certain travel and subsistence payments may also be required. Contractors and subcontractors are on notice that information about such special rates, holidays, premium pay, shift work and travel and subsistence requirements can be found at www.dir.ca.gov .

4. Only bona fide apprentices actively enrolled in a California Division of Apprenticeship Standards approved program may be employed on the project as an apprentice and receive the applicable apprenticeship prevailing wage rates. Apprentices who are not properly supervised and employed in the appropriate ratio shall be paid the full journeyman wages for the classification of work performed.

5. As a condition to receiving progress payments, final payment and payment of retention on any and all projects on which the payment of prevailing wages is required, Contractor agrees to present to City, along with its request for payment, all applicable and necessary certified payrolls (for itself and all applicable subcontractors) for the time period covering such payment request. The term "certified payroll" shall include all required documentation to comply with the mandates set forth in Labor Code Section 1720 *et seq*, as well as any additional documentation requested by the City or its designee including, but not limited to: certified

payroll, fringe benefit statements and backup documentation such as monthly benefit statements, employee timecards, copies of wage statements and cancelled checks, proof of training contributions (CAC2 if applicable), and apprenticeship forms such as DAS-140 and DAS-142.

6. In addition to submitting the certified payrolls and related documentation to City, Contractor and all subcontractors shall be required to submit certified payroll and related documents electronically to the California Department of Industrial Relations. Failure to submit payrolls to the DIR when mandated by the project parameters shall also result in the withholding of progress, retention and/or final payment.

7. No contractor or subcontractor may be listed on a bid proposal for a public works project unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5 [with limited exceptions from this requirement for bid purposes only under Labor Code section 1771.1(a)].

8. No contractor or subcontractor may be awarded a contract for public work on a public works project, unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5. Contractors MUST be a registered "public works contractor" with the DIR AT THE TIME OF BID. Where the prime contract is less than $15,000 for maintenance work or less than $25,000 for construction alternation, demolition or repair work, registration is not required.

9. All contractors/subcontractors and related construction services subject to prevailing wage, including but not limited to: trucking, surveying and inspection work must be registered with the Department of Industrial Relations as a "public works contractor". Those you fail to register and maintain their status as a public works contractor shall not be permitted to perform work on the project.

10. Should any contractor or subcontractors not be a registered public works contractor and perform work on the project, Contractor agrees to fully indemnify the City for any fines assessed by the California Department of Industrial Relations against the City for such violation, including all staff costs and attorney's fee relating to such fine.

11. This project is subject to compliance monitoring and enforcement by the Department of Industrial Relations.

K. Audit Rights

All records or documents required to be kept pursuant to this Agreement to verify compliance with this Addendum shall be made available for audit at no cost to City, at any time during regular business hours, upon written request by the City Attorney, City Auditor, City Manager, or a designated representative of any of these officers. Copies of such records or documents shall be provided to City for audit at City Hall when it is

practical to do so. Otherwise, unless an alternative is mutually agreed upon, the records or documents shall be made available at Contractor's address indicated for receipt of notices in this Agreement.

L. Enforcement

1. City shall withhold any portion of a payment; including the entire payment amount, until certified payroll forms and related documentation are properly submitted, reviewed and found to be in full compliance. In the event that certified payroll forms do not comply with the requirements of Labor Code Section 1720 et seq., City may continue to hold sufficient funds to cover estimated wages and penalties under the Agreement.

2. Based on State funding sources, this project may be subject to special labor compliance requirements of Proposition 84.

3. The City is not obligated to make any payment due to Contractor until Contractor has performed all of its obligations under these provisions. This provision means that City can withhold all or part of a payment to Contractor until all required documentation is submitted. Any payment by the City despite Contractor's failure to fully perform its obligations under these provisions shall not be deemed to be a waiver of any other term or condition contained in this Agreement or a waiver of the right to withhold payment for any subsequent breach of this Addendum.

City or the California Department of Industrial Relations may impose penalties upon contractors and subcontractors for failure to comply with prevailing wage requirements. These penalties are up to $200 per day per worker for each wage violation identified; $100 per day per worker for failure to provide the required paperwork and documentation requested within a 10-day window; and $25 per day per worker for any overtime violation.

REPORT TO COUNCIL

SUBJECT

Action on Amendment No. 1 to the Agreement for Design Professional Services with AECOM Technical Services, Inc. to Provide Program Management Services for Silicon Valley Power's System Capacity Expansion Program

COUNCIL PILLAR

Deliver and Enhance High Quality Efficient Services and Infrastructure

BACKGROUND

In regular Silicon Valley Power updates to City Council, staff has reported that electrical demand in the City is expected to increase significantly over the next decade. The City Council accepted Silicon Valley Power's (SVP) 3-year Growth Plan Strategy Report on September 28, 2021 (Council Item 21-871). According to SVP's 3-Year Growth Plan Strategy Report, SVP peak load projections are 879 MW in 2024 and 1125 MW in 2031. Compared to a 2021 peak of 598 MW in 2021, this is an increase of over 400 MW in ten years. There are nine system expansion projects required to be initiated in the near term to meet this increased load demand safely and reliably.

To meet the electrical demand from future growth requires additional engineering support in three (3) areas: 1) System Expansion Planning, 2) General Consulting, and 3) Plan Implementation.

On December 5, 2019, staff published a Request for Statement of Qualifications (SOQ) to solicit proposals from qualified firms for consulting services associated with SVP System Expansion Plan. The SOQ was published using the City's e-procurement system. Eleven proposals were received and on October 13, 2020, based on staff recommendation (Council Item 20-854), Council authorized award of agreements to five firms including AECOM Technical Services Inc. (AECOM).

On September 2021, staff sent call for proposal for these five firms for program management and project management services for the SVP System Expansion Plan. The selection process and evaluation were based on a number of factors including but not limited to proposal responsiveness, program management experience, experience of key staff (including sub consultants), project approach, proposed scope of services, project scheduling and oral interview. AECOM was subsequently selected, and AECOM completed a gap analysis to review existing SVP policies, procedures, standard documents, financial planning, monitoring, and reporting. Based on this, AECOM has issued their final task findings identifying areas where consultant professional services were recommended to support SVP in successfully executing the timely delivery of the critical system expansion projects. Due to the scale and complexity of the overall services and projected timeline to execute and implement the full scope of the SVP System Expansion Plan identified in the Growth Plan Strategy Report, an amendment to the existing Master Service Agreement with AECOM will be required.

DISCUSSION

AECOM has demonstrated technical strength, appropriate staff, and capability to continue to provide SVP with program management to support the expansion projects. As previously discussed with Council, the projects included in the growth plan approximately doubles the size of SVP's Capital Improvement Program (CIP) over the next 5 years (from $191 million to $390 million). In addition, the CIP includes much larger and complex projects than SVP is accustomed to managing and delivering, including the design and construction of Kifer and Scott Receiving Stations, each with a $65 million construction value. Consultant services are needed to support SVP in meeting this near-term increase in project delivery and program management of the new overall $390 million Capital Program. The next phase of AECOM's support would be to expand on identified deficiencies to manage these projects through completion under Task Order 2. SVP staff determined the specific tasks for AECOM's scope of services in Task Order 2 which is separated into three (3) strategic support areas:

1. System Expansion Plan Program Management
2. Program wide technical support
3. Project management for system expansion and development substation projects as SVP staff is currently undertaking nine developmental substation projects.

The proposed Amendment No. 1 directs AECOM to provide system expansion plan program management, program wide technical support, project management for SVP System Expansion Plan and project management for developing substation projects with tasks not-to-exceed $10,296,542. The proposed Amendment No. 1 will increase the total not-to-exceed amount from $3,000,000 to $11,000,000 and will extend the term of the agreement through December 31, 2028.

ENVIRONMENTAL REVIEW

This action being considered is for program and project management services and does not constitute a "project" within the meaning of the California Environmental Quality Act ("CEQA") pursuant to CEQA Guidelines section 15378(a). It has no potential for resulting in either a direct physical change in the environment, or a reasonably foreseeable indirect physical change in the environment. When capital projects included in the growth strategy move forward, appropriate CEQA will be completed as required prior to construction.

FISCAL IMPACT

The increased contract price of $8,000,000 with a total not-to-exceed of $11,000,000 for Program Management Services will be available within the Electric Utility Capital Projects budget. The FY 2021/22 capital improvement budget has sufficient funds available and future years are subject to future appropriation that will be included through the biennial budget process.

COORDINATION

This report has been coordinated with the Finance Department and City Attorney's Office.

PUBLIC CONTACT

Public contact was made by posting the Council agenda on the City's official-notice bulletin board outside City Hall Council Chambers. A complete agenda packet is available on the City's website and in the City Clerk's Office at least 72 hours prior to a Regular Meeting and 24 hours prior to a Special Meeting. A hard copy of any agenda report may be requested by contacting the City

Clerk's Office at (408) 615-2220, email clerk@santaclaraca.gov <mailto:clerk@santaclaraca.gov> or at the public information desk at any City of Santa Clara public library.

RECOMMENDATION

1. Authorize the City Manager to execute Amendment No.1 to the Agreement for Design Professional Services with AECOM Technical Services, Inc. to provide Program Management Services for Silicon Valley Power's System Capacity Expansion Program and increase the maximum compensation by $8,000,000, for a new not-to-exceed amount of $11,000,000, and extend the term of agreement through December 31, 2028, with up to three one-year options to renew;
2. Authorize the City Manager to make minor changes to the proposed Amendment No.1 subject to approval by City Attorney as to Form. and
3. Authorize the City Manager to negotiate and execute amendments to increase maximum compensation during the term of the agreement if the demand for services exceeds maximum compensation, subject to the appropriation of funds.

AMENDMENT NO. 1
TO THE AGREEMENT FOR SERVICES
BETWEEN THE
CITY OF SANTA CLARA, CALIFORNIA,
AND
AECOM TECHNICAL SERVICES, INC.

PREAMBLE

This agreement ("Amendment No. 1") is entered into between the City of Santa Clara, California, a chartered California municipal corporation (City) and AECOM Technical Services, Inc., a California corporation (Contractor). City and Contractor may be referred to individually as a "Party" or collectively as the "Parties" or the "Parties to this Agreement."

RECITALS

A. The Parties previously entered into an agreement entitled "Agreement for Design Professional Services between the City of Santa Clara, California, and AECOM Technical Services, Inc., dated February 12, 2021 (Agreement); and

B. The Parties entered into the Agreement for the purpose of having Contractor provide plan implementation/project management services as requested by the City to support capital, operations, and maintenance projects; and

C. The Parties now wish to amend the Agreement to include Program Management Services for Silicon Valley Power's (SVP) System Expansion Plan Program.

NOW, THEREFORE, the Parties agree as follows:

AMENDMENT TERMS AND CONDITIONS

1. Section 2 of the Agreement, entitled "Term of Agreement", is amended in its entirety to read as follows:

   "TERM OF AGREEMENT

   Unless otherwise set forth in this Agreement or unless this paragraph is subsequently modified by a written amendment to this Agreement, the term of this Agreement shall begin on December 1, 2020, and terminate on June 30, 2028."

2. Section 6 of the Agreement, entitled Compensation and Payment is amended in its entirety to read as follows:

   "COMPENSATION AND PAYMENT

   In consideration for Contractor's complete performance of Services, City shall pay Contractor for all materials provided and Services rendered by Contractor in accordance with Exhibit B, entitled "SCHEDULE OF FEES AND PAYMENT PROVISIONS." The maximum compensation of this Agreement is eleven million dollars ($11,000,000), subject to budget appropriations, which includes all payments that may be authorized for Services and for expenses, supplies, materials and equipment required to perform the Services. All work performed or materials provided in excess of the maximum compensation shall be at Contractor's expense. Contractor shall not be entitled to any payment above the maximum compensation under any circumstance without an amendment to this Agreement.

3. Exhibit A – Scope of Services shall be deleted in its entirety and replaced with the attached Exhibit A – Scope of Services – Amended April 30, 2022, which is hereby incorporated into the Agreement.

4. Exhibit B – Schedule of Fees shall be deleted in its entirety and replaced with the attached Exhibit B – Compensation and Fee Schedule – Amended April 30, 2022, which is hereby incorporated into the Agreement.

5. Except as set forth herein, all other terms and conditions of the Agreement shall remain in full force and effect. In case of a conflict in the terms of the Agreement and this Amendment No. 1, the provisions of this Amendment No. 1 shall control.

The Parties acknowledge and accept the terms and conditions of this Amendment No. 1 as evidenced by the following signatures of their duly authorized representatives.

AGREEMENT FOR DESIGN PROFESSIONAL SERVICES
BETWEEN THE
CITY OF SANTA CLARA, CALIFORNIA AND
AECOM TECHNICAL SERVICES
EXHIBIT A - SCOPE OF SERVICES

AMENDED APRIL 30, 2022

1. The Contractor shall perform plan implementation/project management services as requested by the City to support capital, operations, and maintenance projects including but not limited to:

    1.1. As Needed Services:

        1.1.1. Act as project manager for additional projects including the following activities:

            1.1.1.1. Project permitting including support of California Environmental Quality Act (CEQA) determinations

            1.1.1.2. Land acquisition

            1.1.1.3. Project design and preparation of Plans, Specifications and Engineer's Estimate

            1.1.1.4. Bid support

            1.1.1.5. Construction support

            1.1.1.6. Record drawings and Project Closeout

        1.1.2. System planning for electric utility distribution and transmission systems

        1.1.3. Distribution and transmission line conceptual design, feasibility, and permitting.

        1.1.4. Substation conceptual and/or detail design, feasibility, and permitting.

        1.1.5. Support with substation communications, protection and control systems.

        1.1.6. Assist with third party plan submissions such as Western Electricity Coordinating Council (WECC), California Independent System Operator (CAISO), and Pacific Gas & Electric (PG&E).

        1.1.7. Conduct load flow, short circuit studies and arc flash studies as needed.

        1.1.8. Conduct Distributed Energy Resource interconnection studies as needed.

        1.1.9. Assess existing design standards and recommend revisions or new standards.

1.1.10. Assess existing maintenance practices or standards and recommend revisions or create new standards.

1.1.11. Provide drafting support as needed.

1.2. Program Management Services: Contractor shall provide Program Management Services for Silicon Valley Power's (SVP) System Expansion Plan Program (SEP) including (1) SEP Program Management, (2) Program Wide Technical Support, and (3) Project Management for SEP Projects as further detailed in this Exhibit A-1 – Scope of Services.

2. Authorization of Work:

2.1. Work may be assigned to Contractor through the evaluation of a Call for Proposal (CFP) or via direct assignment. The Contractor shall not begin any work unless a Purchase Order (PO) has been issued by the City for that particular work.

2.2. The Contractor shall conduct all necessary meetings and interviews, keep minutes and interview summaries as requested, and provide copies to SVP.

2.3. At the conclusion of each project, the Contractor shall provide electronic copies of all final reports, worksheets, system studies and data associated with this project to SVP in (but not limited to) .pdf, .docx, .xlsx, .xml, .dwf, .dwg, .sav formats as applicable and that are not proprietary in nature. If work is complete in PowerWorld, Contractor to ensure the deliverable is provided in proper and functional GE PSLF format as well.

3. e-BUILDER

3.1. Contractor shall use e-Builder for submission of data and documents throughout the term of this agreement, as requested by the City.

3.1.1. e-Builder is a web-based construction management application hosted by e-Builder, Inc. For certain projects to be defined by the City, e-Builder shall be the primary means of project information submission and management or as otherwise agreed upon with the City.

3.2. The City will establish Contractor's access to e-Builder by providing licenses to Contractor's personnel at City's cost. The Contractor's designated users will be required to set up their computers/systems to use e-Builder in accordance to the e-Builder User Training Guider-2015. The City reserves the right to limit the licenses issued to Contractor in the future.

3.3. Contractor is required to obtain all necessary training to use the software. The City will provide one classroom training or a web-based seminar. A training session is 1 - 2 hours.

3.4. e-Builder is a web-based environment and therefore it is subject to the inherent speed and connectivity limitations of the Internet. The Contractor is

responsible for its own connectivity to the Internet. e-Builder's response time is dependent on the Contractor's equipment, including processor speed, Internet access speed, etc. and current traffic on the Internet. The City will not be liable for any delays associated from the usage of e-Builder including, but not limited to: slow response time, down time periods, connectivity problems, or loss of information. The Contractor shall ensure connectivity to the e-Builder system whether at the home office or job site. Under no circumstances will usage of e-Builder be grounds for a time extension or cost adjustment to the Contract.

3.5. Data entered in a collaborative mode (entered with the intent to share as determined by permissions and workflows within the e-Builder system) by the City and the Contractor will be jointly owned.

3.6. The Contractor is responsible for managing, tracking, and documenting work to comply with the requirements of this Agreement. The City's acceptance via automated system notifications or audit logs extends only to the face value of the submitted documentation and does not constitute validation of the Contractor's submitted information.

3.7. At the City's sole discretion, project documents may be processed and distributed digitally over the internet or may be required to be presented in hard copy format.

3.8. While regular email may still be used for communication, when requested by the City, e-Builder shall be utilized as much as possible in connection with all document and information management required in the performance of projects where City has directed the use of e-Builder. Contractor shall be responsible for scanning or otherwise converting to electronic format all project submittals and Contractor correspondence, drawings, sketches, etc., and uploading them to the e-Builder web site and shall be responsible for the validity of its information placed in e-Builder. The Contractor shall use the existing forms and processes in e-Builder to the maximum extent possible. If a required form does not exist in e-Builder, the Contractor shall include a form of its own or one provided by the City (if available) as an attachment to a submittal or process. Documents and information to be submitted electronically include, but are not limited to:

3.8.1. Correspondence;

3.8.2. Meeting Minutes;

3.8.3. Submittals and Shop Drawings;

3.8.4. Product Data, reports, certifications, etc. must be submitted in PDF format. (If a sample is able to be scanned, it is requested a scanned PDF copy is submitted with the sample.);

3.8.5. Requests for Information (RFI's);

3.8.6. Change Order requests and documentation, including record copies of Change Orders, Proposals, Modifications;

3.8.7. Pay Applications;

3.8.8. "Official" correspondence (such as letters) including informal correspondence, such as e-mail;

3.8.9. Pre-Task Plans (PTPs);

3.8.10. Daily Construction Reports and other Daily Reports including Contractor Quality Control (CQC) Reports;

3.8.11. Quality Control (QC) Documentation

3.8.12. All official reports, such as Commissioning reports;

3.8.12.1. Notices and Claims;

3.8.12.2. Operations and Maintenance Manuals;

3.8.12.3. All Close-out documents; and

3.8.12.4. All testing results.

3.8.13. Archive Copies: When requested by City, Contractor shall keep an archive copy of all digital data created by Contractor, or submitted to Contractor via e- mail, or resident on the e-Builder for the duration of the Project. Such data shall be available to City, authorities with jurisdiction (including funding agencies or representatives) on demand.

AGREEMENT FOR DESIGN PROFESSIONAL SERVICES
BETWEEN THE
CITY OF SANTA CLARA, CALIFORNIA AND
AECOM TECHNICAL SERVICES
EXHIBIT A – 1 SCOPE OF SERVICES

1. TASK 1 – SEP PROGRAM MANAGEMENT

1.1. Task 1.1 – Develop Program Management Plan

1.1.1. Contractor will develop an overall Program Management Plan (PMP), including a programmatic execution strategy, to support the timely completion of projects required to achieve the SEP program objectives. The PMP will be developed in concert with SVP and will include input from key SVP staff/stakeholders related to their applicable scopes of work and inherent roles and responsibilities.

1.1.2. Contractor will assign a Program Management Consultant Team (PMC) generally structured as depicted in Appendix A.

1.1.2.1. Contractor shall inform the City immediately of any change in key personnel assigned to the City.

1.1.2.2. When requested by City, Contractor shall submit the resumes and other information supporting qualifications of the proposed replacement employee(s) to the City for review and approval. The City shall not unreasonably withhold approval.

1.1.3. The PMP will include an SEP program overview summarizing the main components and strategy of the program including program description / summary and a comprehensive mission statement for the program. The PMP will also include program objectives, goals, risks, critical success factors, and major milestones so that from a high level outcomes can be measured against the overview to measure success.

1.1.4. As part of this task, Contractor will evaluate, leverage, and recommend improvements to existing SVP program/project management policies, protocols, and procedures where appropriate to help:

1.1.4.1. Streamline communications,

1.1.4.2. Optimize performance and quality,

1.1.4.3. Enhance oversight and controls, and

1.1.4.4. Expedite project delivery.

1.1.4.5. Where new SVP program/project management policies and procedures are needed to guide SVP's program, the PMC

team will leverage past project experience and PMP documents developed for other clients on other programs.

1.1.5. The PMP will provide program implementation protocols and processes for critical program management functions and is envisioned to include the following sections:

1.1.5.1. 01 – Program Description/Objectives and Project Management Office (PMO) Mission

1.1.5.2. 02 – Organization and Governance

1.1.5.3. 03 – Communications Management

1.1.5.4. 04 – Document Management

1.1.5.5. 05 – Schedule and Cost Management

1.1.5.6. 06 – Change Management

1.1.5.7. 07 – Quality Management

1.1.5.8. 08 – Risk Management

1.1.5.9. 09 – Engineering and Design Management

1.1.5.10. 10 – Procurement and Contracts Management

1.1.5.11. 11 – Permitting and Regulatory Management

1.1.5.12. 12 – Safety Health and Environment

1.1.5.13. 13 – Public Information and Stakeholder Management

1.1.5.14. 14 – Construction Management

1.1.5.15. 15 – Program Design Manual

1.1.5.16. 16 – Electrical Equipment

1.1.5.17. 17 – e-Builder

1.1.6. Task 1.1 Deliverable: Draft and Final Program Management Plan documents (pdf and word format).

1.2. Task 1.2 – Develop Staffing Plan

1.2.1. The staffing plan is a major item in the overall PMP and will include appropriate details on the Division of Responsibilities (DOR) and level of effort/support required of each individual on the program and project teams.

1.2.2. Contractor will develop a recommended overall program organization with subsequent details regarding the overall core personnel as well as an organizational chart depicting the reporting structure and interdependency of the program organization and other key personnel.

1.2.3. The staffing plan will aim to identify how the SEP program organization structure (or PMC team) is embedded into overall SVP organization structure, and how best to establish clear lines of communication, along with definitive roles/responsibilities.

1.2.4. The staffing plan(s) developed by the PMC will include program and project level staffing needs/ assignments and clearly define SVP, PMC, and other SEP project staff roles and responsibilities.

1.2.5. Preparation of the staffing plan will help in the allocation of adequate staff resources to support the various program/project needs.

1.2.6. Contractor will present recommended updates to the Staffing Plan at least once per quarter.

1.2.7. Task 1.2 Deliverables:

1.2.7.1. Draft and final staffing plan (Organization Chart) in pdf and editable format.

1.2.7.2. Regular quarterly updates to the Staffing Plan to reflect new roles, responsibilities, and staff that may arise during execution of the program/projects.

1.3. Task 1.3 – Program Management/Coordination

1.3.1. As part of this task, the PMC team's program manager and deputy program manager will perform day to day management and coordination functions necessary to help the program progress efficiently and in line with the program management plan objectives and requirements. As part of this task, the PMC program manager and deputy program manager will coordinate with SVP and PMC staff so that the necessary resources are in place for required activities and that each resource/staff member is successfully fulfilling their necessary roles and responsibilities.

1.3.2. As part of this task the PMC team will also define, document and communicate SEP project development procedures and processes specifying the required steps (flow path) to be followed during the implementation of each phase of the projects (planning, design, construction, testing/ commissioning). The goals and outcomes of the project development procedures include:

1.3.2.1. Help to identify, document, and communicate required review checkpoints/gates necessary to obtain approvals and help establish that required prerequisites have been satisfactorily addressed prior to moving on to the next phase of the project.

1.3.2.2. Help establish realistic timeframes and durations are understood by the PMC team and SVP staff and appropriately accounted for in the overall program schedule.

1.3.3. As part of this task the PMC program manager and deputy program manager will monitor the overall progress and implementation of the program and update various sections of the program management plan. The PMC team will modify existing sections of the PMP and or add new sections to help the program (and projects) meet their milestones and objectives.

1.3.4. Task 1.3 Deliverables:

1.3.4.1. Perform day to day management and coordination of critical SEP program activities.

1.3.4.2. Monitor and assess progress of overall SEP program and projects (scope, schedule, budget) and report out to SVP management staff on a monthly basis.

1.3.4.3. Identify and develop mitigation plans for existing/potential program and project risks/issues.

1.3.4.4. Monitor progress of SEP program/projects to help establish adequate resources are in place and that staff are successfully fulfilling their roles and responsibilities.

1.3.4.5. Attend and facilitate PMC team and SVP staff coordination meetings and disseminate program/project information and direction to appropriate staff resources.

1.3.4.6. Regularly evaluate PMP sections and update and amend PMP as needed on a quarterly basis.

1.4. Task 1.4 – Program Level Cost & Schedule Management/Tracking & Reporting

1.4.1. As part of this task the PMC team will develop and implement standard reporting requirements for projects under the SEP program that roll up to a standard monthly program report.

1.4.1.1. The PMC team will use e-Builder capabilities to streamline report generation and provide access to real time program/project cost, financial and schedule data to the greatest extent practical.

1.4.1.2. Major key performance indicators (KPI's) will be developed at the program level and implemented at the project level to view the overall program health and progress on a regular basis.

1.4.2. Task 1.4 Deliverables:

1.4.2.1. Prepare program schedule and update on a monthly basis.

1.4.2.2. Develop Key Performance Indicators (KPIs) and assess performance on a monthly basis.

1.4.2.3. Prepare and distribute monthly program status summary report.

1.4.2.4. Identify and implement up to two (2) e-Builder dashboards.

1.5. Task 1.5 – Risk Management

1.5.1. The PMC team will develop comprehensive risk register for the overall SEP program in collaboration with SVP staff.

1.5.1.1. The risk register included in this task will summarize the major risks associated with the program at a programmatic level and will be independent from project level risk registers that should be held and reviewed normally by project teams for each specific project/task.

1.5.1.2. The PMC team will identify and document potential risks to the timely completion of individual SEP projects and the overall program.

1.5.1.3. The PMC team will develop risk avoidance, mitigation measures, and or alternative implementation plans where feasible/appropriate for SVP staff consideration.

1.5.2. Program and project risk registers will be reviewed on a regular basis with key project stakeholders.

1.5.2.1. The PMC team will communicate limitations to SVP operations that could possibly occur due to potential impacts that cannot be sufficiently mitigated.

1.5.2.2. After initial development of the noted risk registers, Contractor will review the overall program risk register with SVP on a quarterly basis.

1.5.2.3. Contractor will review project-specific risk registers with SVP on a monthly basis.

1.5.3. Task 1.5 Deliverables:

1.5.3.1. Prepare initial risk register listing existing/potential program risks.

1.5.3.2. Regular monitoring and tracking of existing/potential program risks listed in register.

1.5.3.3. Prepare quarterly updates to risk register to capture status of existing risks and add/remove risks as appropriate.

1.6. Task 1.6 – Contract/Change Management

1.6.1. The PMC team will work with SVP staff as needed to support management of Engineering Procurement Construction (EPC) or developer contracts for the program.

1.6.1.1. The PMC team will evaluate and make recommendations to enhance SVP's current Potential Change Order form as needed to meet best practices.

1.6.1.2. The PMC team will recommend additional standard forms and procedures as appropriate/required to best fit SVP's requirements and the SEP Program requirements.

1.6.2. As part of this task the PMC team will create, track and maintain a program and project level Change Order (CO) log to better inform SVP with real time updates on the potential impacts to the program and specific projects as a result of cumulative changes.

1.6.2.1. The PMC team will evaluate and verify designer and contractor change proposals (scope and cost) and supporting justification.

1.6.2.2. The PMC team will use e- Builder capabilities to provide real time access to CO status and associated financial metrics and streamline and verify/document CO reviews and approvals.

1.6.3. Task 1.6 Deliverables:

1.6.3.1. Facilitate the development and tracking of bid packages.

1.6.3.2. Document and implement change management procedures/processes.

1.6.3.3. Review / recommend approval or denial of SEP project invoices.

1.7. Task 1.7 – Programmatic Health and Safety Requirements

1.7.1. As part of this task, the PMC health and safety manager will set up and structure the programmatic health and safety plan requirements to be used and followed by each of the SEP project design consultants and construction contractors. In development of the programmatic health and safety plan, the PMC health and safety manager will leverage AECOM best practices and existing SVP health and safety requirements to identify additional requirements and best practices used by other clients on other projects.

1.7.2. While Contractor will be providing program level safety support, SVP's design consultants and construction contractors are responsible for the safety of their operations and control of the site. Contractor will support actions needed to assign health and safety responsibility to design and construction contractors such as contract terms and recommendations to evaluate and monitor compliance by design and construction contractors.

1.7.3. Task 1.7 Deliverables:

1.7.3.1. Develop programmatic health and safety plan.

1.7.3.2. Track and monitor SEP project's implementation and compliance with required health and safety protocols.

1.8. Task 1.8 – Schedule Oversight

1.8.1. At the program level, the PMC team scheduler will use Primavera P6 (P6) to create an overall program schedule (based on each Contractor's individual project schedules) and then implement the overall program schedule into e-builder.

1.8.1.1. This will allow the PMC team scheduler to better control the schedule ties and critical path providing better insight into the logic and required sequencing of the overall program schedule.

1.8.1.2. The PMC team scheduler will develop the program schedule to account for external factors/influences such as equipment procurement and other project stakeholders including, but not limited to, PG&E, Santa Clara City Council, and developers.

1.8.2. At the project level, the design consultants and construction contractors will own and be responsible for their project's design phase and construction schedules.

1.8.2.1. The project level schedule format will likely be similar to the format of the program schedule.

1.8.2.2. The PMC team scheduler will use P6 in the background and then implement a customized schedule into e-builder. For example, PMC will develop a level 2 project schedule rolled up from the contractor's schedule for high level review by the PMC team and SVP.

1.8.3. The PMC team will also develop recommended specific schedule requirements to be followed by the design consultant and contractor, and implement these schedule requirements into a standard contractual exhibit that can be included in contracts with design consultant's and contractor's to help the PMC team and SVP staff have better control on the necessary schedule data received by others.

1.8.4. The PMC team will provide program schedule critical path analysis and recommendations to expedite completion and mitigate delays, on a regular basis through the periodical schedule analysis and schedule update report.

1.8.4.1. Where specific projects within the program fall behind schedule, the PMC team will work with the design consultants to adjust critical path items.

1.8.4.2. During construction, the PMC team will also help track and monitor the delivery of key product materials and electrical equipment procurement.

1.8.4.3. The PMC team's schedule performance analysis will be communicated effectively in accordance with the job specific report frequency matrix, which will include: contract and execution milestones, work force and progress charts, updated summary and control schedules, look-ahead and specialty schedules, critical path and variance analysis, total float, and regular status meetings.

1.8.5. Task 1.8 Deliverables:

1.8.5.1. Develop and maintain project and program schedules.

1.8.5.2. Review/ make recommendations to standard schedule templates in e-Builder.

1.8.5.3. Standardize design consultant and contractor schedule input.

1.9. Task 1.9 – Cost Control/Estimating

1.9.1. As part of this task, the PMC team will monitor and evaluate the performance of the overall SEP program and each project within the program.

1.9.2. Program and project financial budget status, schedule, and associated cash flow projections as well as required budget authorizations will be evaluated on a regular basis. Budget reporting shall include appropriations budgets, encumbrance budgets, and contract budgets.

1.9.3. The PMC team will monitor the financial budget status through a list of applicable cost performance reports on the job-specific report frequency matrix, including due dates.

1.9.4. Cost performance will be periodically reported to SVP quarterly and will be reconciled to the metrics compiled in the cost database processor. The PMC team will produce standard slides to report cost performance in a consistent format, such as PMC team standard client weekly report and updated resource/spend-out plans, in addition to the project cash flow and forecast.

1.9.5. The cost control process will be developed and documented by the PMC team including input from SVP staff to monitor budgets. The process will include provisional allowances for the project and preparing useful reports for use by the PMC team and SVP staff.

1.9.6. The cost control measures will use cost data from SVP, the design consultants, contractors, and the PMC team. The generated reports

will indicate program and project costs aspects, and are envisioned to include the following:

1.9.6.1. Potential and pending changes;

1.9.6.2. Variances between actual and budgeted costs;

1.9.6.3. Anticipated / Unforeseen costs;

1.9.6.4. Use of SVP in-house forces;

1.9.6.5. Use of allowances or contingencies in contractor contract.

1.9.7. Budget revisions will be incorporated into the cost control system. Payment requests from the contractor will be reviewed by the PMC team and recommendations for approval will be presented to SVP.

1.9.8. The PMC team will process and monitor contractor use of allowances within the construction contract. The PMC team will track costs within the cost control system.

1.9.9. The PMC team will also work through e-Builder (in coordination with SVP) to initiate a program level cost reporting visible by all and based on key program and project level performance indicators to manage, analyze, and communicate the costs at the program level on a regular basis.

1.9.10. Task 1.9 Deliverables:

1.9.10.1. Review/ validate project budgets.

1.9.10.2. Perform cash flow analysis.

1.9.10.3. Manage and analyze actual vs. planned budget and address needs for additional budget approvals where needed.

1.9.10.4. Perform earned value analysis for SEP program and associated projects.

1.9.10.5. Generate SEP program/ projects cost reports.

1.9.10.6. Review and evaluate contractor pricing.

1.9.10.7. Review and evaluate change order requests.

1.10. Task 1.10 – Records Management

1.10.1. The PMC team records manager will identify and use an optimal centralized electronic filing system to retain/archive and access appropriate program/project documents. Contractor shall evaluate the use of the City's existing laserfiche program where applicable.

1.10.2. The PMC team will consider both SVP network-based filing location, and online/shared electronic file retention/management sites.

1.10.3. The PMC team will also recommend and document standardized requirements and procedures for retention and archiving of

appropriate project documents, and define and list required project documents to be retained and archived, such as design packages, shop drawings, equipment and material submittals, testing and commissioning plans, Requests for Information (RFI), change orders, design changes, and as-builts.

1.10.4. The PMC team records manager will work with SVP staff to develop and or enhance the program and project standard folder structure and help implement consistent utilization of structure throughout SEP projects. The PMC team's record manager will also work across all the projects in the portfolio to upload, download, rename files and keep version control of project records.

1.10.5. Task 1.10 Deliverables:

1.10.5.1. Identify and use an optimal centralized electronic filing system to retain/archive and access appropriate program/project documents.

1.10.5.2. Establish and document standardized requirements and procedures for retention and archiving of appropriate project documents.

1.11. Task 1.11 – e-Builder Support

1.11.1. The PMC team's e-Builder lead will assist the PMC team staff in expediting their understanding of e-Builder, enhancing PMC staff capabilities and seamlessly integrate PMC team's use of SVP's e-Builder platform.

1.11.2. The PMC will

1.11.2.1. Analyze "system adoption" type reports and process workflow usage to identify extent of system usage.

1.11.2.2. Develop strategies plans to increase e-Builder usage accordingly.

1.11.2.3. Evaluate SVP's e-Builder platform and setup to see where optimization and enhancement/additions may be desirable.

1.11.3. Assumption: For year 2 and beyond it is assumed that there are no e-Builder services

1.11.4. Task 1.11 Deliverables:

1.11.4.1. Evaluate and develop schedule templates.

1.11.4.2. Enhance user interface with outside Contractors/ Vendors where possible.

1.11.4.3. Evaluate and improve workflow improvements where possible.

1.11.4.4. Develop or optimize document archiving processes.

1.11.4.5. Develop and or enhance dashboards (for project team vs. executive/management team, etc.).

1.12. Task 1.12 – Public Outreach

1.12.1. Public outreach for the SEP program is not currently envisioned to require significant support from the PMC team. As requested by SVP staff, the PMC team can provide limited public outreach support for the new 115kV T-line from Northern Receiving Station (NRS) to Kifer Receiving Station (KRS) project and the Reconfigure 60kV T-line NW and Center Loop project.

1.12.2. Task 1.12 Deliverables may include:

1.12.2.1. Prepare project information for council meetings.

1.12.2.2. Eminent domain queries.

1.12.2.3. Status report out to customers such as major data centers two to three times per year using SVP standard template/approach.

2. TASK 2 – PROGRAM WIDE TECHNICAL SUPPORT

2.1. Task 2.1 – General Technical/Engineering Support

AECOM's general technical/engineering support will include the following subtasks:

2.1.1. Task 2.1.1 – Organize, review, and support development of SVP standards and libraries

2.1.1.1. Contractor will leverage its experience working for other agencies to develop program-wide engineering design criteria and standards.

2.1.1.2. The PMC technical support team will assist with updating of SVP's engineering design standards.

2.1.1.3. As part of this task, the PMC technical team will engage SVP management, engineering, and operations staff to better understand current SVP preferences and requirements, and to support the development of established program-level design requirements that will apply to every SVP System Expansion Plan Capital Program project.

2.1.1.4. Contractor will leverage and enhance existing SVP design standards and specifications developed to date. Where required, contractor will develop new SVP design standards and specifications pertaining to substations to support implementation of SEP Program (and other SVP) projects.

2.1.1.5. Contractor will update SVP standard engineering specifications including:

2.1.1.5.1. Update specifications to CSI standard numbers and format for consistency with industry standards and to differentiate specifications from SVP design standards/processes/procedures.

2.1.1.5.2. Inventory and assess existing specifications, identify specifications that may be missing, and recommend specifications fill in gaps.

2.1.1.5.3. Create specification libraries with standard Table of Contents (TOC) for each type of project SVP does including: distribution substation (SVP owned, typical 60KV-12KV); junction substation (dedicated customer, typ. Customer-owned); and transmission and distribution line extensions or rebuilds.

2.1.1.5.4. Identify and organize specifications by type or use, such as Procurement, Construction, Prescriptive, Performance, etc.

2.1.1.6. Develop inventory of standard engineering design drawings and identify where improvement may be needed.

2.1.1.6.1. Review SVP's Substation Design & Construction Manual Index (SD-5000).

2.1.1.6.2. Identify design standards, processes, or procedures that may be missing or needed.

2.1.1.6.3. Develop missing or incomplete design standards for review by SVP based on best industry standards, SVP preferences/requirements, etc.

2.1.2. Task 2.1.2 – As-built support – standards, cleanup of existing drawings

2.1.2.1. The PMC team will establish and document standardized requirements and procedures for preparation of as-built drawing package, including required file format (.pdf and .dwg), level of detail, supporting backup (e.g. redline hardcopies), etc.

2.1.2.2. The PMC team will support SVP to implement as-built standards and requirements consistently throughout SEP projects.

2.1.2.3. The PMC technical team will coordinate with SVP staff to obtain and compile available final design and as-built drawings associated with the SEP Program projects. The PMC technical team will review the final design/as-built plans, and help identify which drawings should be retained/archived and which drawings are outdated and/or

superseded and may be discarded. The PMC team will conduct site visits, if needed, and interviews with SVP Operations staff to identify, confirm and document as-built existing conditions.

2.1.3. Task 2.1.3 – Transformer/GIS procurement specifications/packages

2.1.3.1. The PMC team will support SVP's procurement process for capital equipment purchases by organizing technical specifications and/or technical packages that may be required for bidding or vendor procurement. Technical specifications may require meetings with the PMC team, SVP and vendors to confirm technology details.

2.1.3.2. The PMC team understands that SVP intends to procure a significant amount of large power transformers and GIS equipment for projects in the SEP Program. The PMC team will evaluate and support (if requested by SVP) the purchase of all (or most) transformers and or GIS in a single purchase order to one vendor. The PMC technical team will assist SVP to develop procurement specifications for this equipment. Specifically, the PMC team proposes to:

2.1.3.2.1. Review technical content of one power transformer procurement specification, including up to one technical data sheet specific to each project in the SEP program.

2.1.3.2.2. Review technical content of one gas-insulated substation (GIS) procurement specification, including content related to gas-insulated bus/line (GIB/GIL), and up to one technical data sheet specific to each project in the SEP program.

2.1.3.2.3. Review SVP proposed solicitation document and contract terms.

2.1.3.2.4. Review vendor proposals and assist SVP in identifying a preferred vendor.

2.1.3.2.5. Review vendor design and shop drawings, test plans, Operations and Maintenance (O&M) manuals, etc.

2.1.3.2.6. Provide comments for each review based on SVP stated project needs and applicable industry standards.

2.1.3.2.7. Assumptions for task 2.1.3 include the following:

2.1.3.2.7.1. SVP will provide a current draft of related specifications and solicitation documents previously developed by SVP for the

PMC team's review. The PMC team does not anticipate a need to originate these documents and will work with SVP to develop content.

2.1.3.2.7.2. The PMC technical team will provide review of the technical aspects, and the general contract terms and requirements.

2.2. Tasks 2.2 thru 2.10 – Engineering/Technical Support for SEP Projects

2.2.1. Contractor will provide engineering/technical support as shown in the project summary attached as Appendix 2 – Engineering/Technical Support Services by Project. Additional details about scope are defined in the following sections. Task 2.2.1 (Rebuild 60kV T-line Fiberglass and Walsh Substation is not included in Contractor's scope of services.

2.2.2. Subtask – Review planning package

The PMC technical team will review SVP's Planning Package for each SEP Program project. Review is anticipated to include: general project scope, schedule, risks, and required resources (including roles and responsibilities of internal SVP departments and staff, and consultants or contractor's roles and responsibilities), and accompanying concept plans/diagrams illustrating proposed and/or required improvements.

2.2.3. Subtask – Develop design scope of work

2.2.3.1. To help expedite procurement of design consultants for specific SEP Program projects, the PMC technical team will develop design scope document that can be used in SVP's call for proposals (CFPs).

2.2.3.2. It is anticipated that the design scopes of work would include, proposed/planned project description / improvements, design criteria, schedule requirements, design consultant's scope of work, DIR requirements, and a preliminary concept plan illustrating the project site/proposed improvements.

2.2.4. Subtask – Design package reviews

2.2.4.1. As part of this task, the PMC team's technical staff will provide Quality Assurance (QA) reviews of design consultants' work products.

2.2.4.2. This task will include technical review of the design consultant's work products, including conformance with SVP standards and program-wide design criteria, and coordinating meetings with the design consultant and appropriate group(s) within SVP to address unresolved

issues. Contractor's team of specialized technical staff can be used to review design plans and specifications and assist SVP in providing thorough technical evaluations.

2.2.4.3. In addition, the PMC team's technical review of the detailed design package for each SEP Program project will check for compliance with the contract scope of work, specific project requirements, and applicable codes and standards. The PMC technical team will assign discipline specific leads to review each design package and provide a consolidated set of review comments to SVP for consideration at each submittal stage. The PMC team will then meet with SVP and the Engineer of Record (EOR)/designer at each design submittal stage to clarify and resolve outstanding comments.

2.2.4.4. Assumptions for this Subtask include the following:

2.2.4.4.1. The number and quantity of review documents may vary based on project specific needs and contract requirements. Design documents are anticipated to include on the order of 200 drawings and 20 design specifications at the 100% stage.

2.2.4.4.2. PMC technical team review comments would typically be consolidated and returned in a spreadsheet, redline markup, and/or other standardized comment tracking format, with comment/response tracked through the 100%/Issued For Construction (IFC) design phase.

2.2.4.4.3. Review comment responses will typically be delivered in 2-4 weeks depending on the project size, submittal stage, and schedule requirements, to be mutually agreed upon per specific project needs.

2.2.5. Subtask – Engineering support during construction

2.2.5.1. It is anticipated that the design consultant/EOR for each project will primarily be responsible to perform engineering support during construction.

2.2.5.2. If requested by SVP, the PMC team can provide engineering support during construction to assist SVP in responding to construction contractor RFI, reviewing and commenting on contractor submittals, and evaluating pros/cons of design and construction options. It is anticipated that this as-needed support will primarily occur for on major submittals or specific issue resolution.

2.2.6. Subtask – Environmental/CEQA support

2.2.6.1. As part of this task, the PMC team will provide as-needed programmatic environmental support services to SVP to facilitate compliance with applicable environmental requirements of the program.

2.2.6.2. The PMC team's environmental lead will work with Contractor's broader program management team to identify environmental compliance requirements on each project.

2.2.6.3. Additional environmental support services may include:

2.2.6.3.1. Evaluating CEQA compliance needs for each project, including whether projects qualify for Categorical Exemptions or require CEQA environmental review.

2.2.6.3.2. For those projects that will not qualify for a Categorical Exemption, Contractor will evaluate and recommend the appropriate level of environmental review that is appropriate. Contractor expects that most projects will qualify for Categorical Exemptions, but recognizes that some capacity-increasing or new infrastructure projects may require some level of CEQA review and public noticing. For those projects that will not qualify for Categorical Exemptions, Contractor anticipatesthat Initial Studies accompanied by either a Negative Declaration or Mitigated Negative Declaration are the most likely types of CEQA review that would be necessary. Where appropriate, recommendations will also be made to streamline CEQA compliance at a program level.

2.2.6.3.3. Providing recommendations for technical studies to support CEQA environmental review or documentation of a Categorical Exemption.

2.2.6.3.4. Evaluating regulatory permitting requirements related to potential impacts to wetlands, waters of the United States, cultural resources, listed species, or other resources.

2.2.6.3.5. Developing recommendations or guidance to assist projects in minimizing or avoiding potential regulatory permitting triggers or other impacts.

2.2.6.3.6. Providing guidance on the handling, management, and disposal of hazardous materials.

2.2.6.3.7. Developing a framework for documenting environmental compliance on each project.

2.2.6.3.8. While not specifically included in this scope, AECOM has local teams and expertise to prepare CEQA documents and perform the appropriate public noticing, as well as related technical studies (e.g. biology, cultural resources, air quality, noise) or regulatory permitting, should SVP require additional assistance.

2.2.7. Subtask – Right-of-Way Engineering and Acquisitions

If required by SVP, Contractor can mobilize staff to support Right of Way (ROW) engineering, reviews and acquisition tasks which may include field surveying. Contractor can support SVP's evaluation or negotiation with other stakeholders. Required scope of services and associated costs will be developed at a future date if requested by SVP.

3. TASK 3 – PROJECT MANAGEMENT FOR SEP PROJECTS

3.1. Contractor will provide project management services for the following Capital Projects:

3.1.1. Task 3.1 – PM for Rebuild 60 kV T-line Fiberglass and Walsh Substation is not included in Contractor's scope of services.

3.1.2. Task 3.2 –Project 2445-0000 (NRS 392 breaker mitigation)

3.1.3. Task 3.3 –Project 2430-0000 (NRS Transformer 2, spare transformer)

3.1.4. Task 3.4 –Project 0000-5001 (Rebuild 60 kV T-line Walsh and Uranium Substations)

3.1.5. Task 3.5 –Project 2456-0000 (Rebuild Scott Receiving Station, SRS)

3.1.6. Task 3.6 –Project 2453-0000 (Rebuild Kifer Receiving Station, KRS)

3.1.7. Task 3.7 –Project 2454-0000 (NRS transformer upgrade)

3.1.8. Task 3.8 –Project 2455-0000 (New 115 kV T-line connecting NRS to KRS)

3.1.9. Task 3.9 –Project 0000-5003 (Reconfigure 60kV T-line Northwest and Center Loop)

3.1.10. Task 3.10 – The following Substation Projects:

3.1.10.1. Project 2451-0000 (Freedom Circle Junction Substation 49MVA)

3.1.10.2. Project 2443-0000 (Laurelwood Junction Substation 99MVA)

3.1.10.3. Project 2442-0000 (San Tomas Junction Substation 99MVA)

3.1.10.4. Pacific Substation

3.1.10.5. Bowers Area Junction

3.2. For the SVP Capital Program projects (SEP and substation projects identified in Appendix 3 – Project Management Support Services by Project), Contractor will support SVP by providing project management services in order to drive progress on the projects and maintain project schedules. Contractor PMs will support projects by:

3.2.1. Providing a consistent contact person for each project who can interface between SVP, developers, stakeholders, contractors, EPC's, EOR, Authority Having Jurisdiction (AHJ), CAISO,

3.2.2. Monitoring communications so that key information is distributed to the correct group of people and

3.2.3. Managing action items so that project contributors, stakeholders and EORs meet their delivery date commitments.

4. Background:

4.1. The development of this scope and cost proposal to perform program management services is largely based on SVP's Program Management Services Call for Proposal and the SEP Program "gap analysis" work performed by AECOM under Task Order No.1. (TO1) Issued under the Original Agreement.

4.2. The TO1 "gap analysis" work performed in late 2021 was instrumental in helping AECOM's program management team better understand the SEP program objectives, the status of various SEP Program projects, typical SVP processes and design standards, typical SVP staff roles and responsibilities, and the organizational structure and availability of SVP staff resources.

4.3. Contractor's PMs will focus on and execute detailed services that were identified in AECOM's Gap Analysis (discussed with SVP) such as:

4.3.1. For development projects, Contractor will prepare a project fact sheet including, but not limited to: summary of development project scope, interconnection details, point of contact, status of key project milestones. Contractor will regularly update project fact sheet on at least a monthly basis.

4.3.2. For PG&E projects, Contractor will prepare project fact sheet summarizing PG&E project scope and includes, but is not limited to: interconnection details, PG&E project manager/point of contact, status of key project milestones. Contractor will regularly update project fact sheet on at least a monthly basis.

4.3.3. Contractor will complete project-level reports for SVP on a monthly basis.

4.3.4. Contractor will develop project-specific budgets, staffing plans (including construction management and quality assurance), and schedules.

4.3.5. Contractor will facilitate and coordinate the engineering support services described in this Exhibit A.

4.3.6. Contractor will implement program management procedures to individual projects described in this Exhibit A.

4.4. Generally, Contractor project managers will also:

4.4.1. Serve as the primary (or secondary) point of contact for the project to support the SVP project manager.

4.4.2. Coordinate with SVP departments.

4.4.3. Manage project implementation.

4.4.4. Coordinate project work with PG&E.

4.4.5. Manage Public Works Contract Scope of Work (SOW) and equipment with long lead time procurement.

4.4.6. Plan and coordinate system energization with other projects (e.g. KRS project manager must coordinate with adjacent NRS and SRS project).

4.4.7. Manage environmental permitting process (if required for project).

4.4.8. Coordinate technical inquiries between the SVP's team, leads or engineers.

4.4.9. Coordinate Contractor's review of Engineering Planning Packages, Design Scope Packages, and Design Packages including:

4.4.9.1. Deliver Contractor's review comments to SVP.

4.4.9.2. Organize discussions/conference calls between key technical staff and EOR's if needed.

4.4.9.3. Facilitate resolution of review comments and responses.

4.4.10. Oversee or distribute (if needed) key communications from SVP or developer to so that the key information is cascaded fully throughout the project team and relevant stakeholders. Organize conference calls where needed to complement email communications between parties.

4.4.11. Review billing invoices from other SVP contractors (EPC, EOR, AHJ permit fees) including: validate that invoiced work has been received and accepted by SVP, accurate rates are charged, and that the contractor has complied with any prevailing wage requirements.

4.4.12. Regularly validate that the Contractor team activities are within the approved scope of work.

4.4.13. Identify tasks where Contractor could provide added value to SVP (such as tasks that could generate a time savings or cost savings).

4.4.14. Be available to SVP for troubleshooting and regulatory guidance and participate in negotiations and contracting.

4.4.15. Engage previously identified Subject Matter Experts (SMEs) for individual projects if discipline-specific questions arise (such as right-of-way access, environmental permitting, etc.).

4.4.16. Execute the projects in accordance with Contractor's Quality Management System and Project Delivery System, thus bringing influence from Contractor's ISO9001 certification.

4.4.17. Respond to other ad hoc requests from SVP as feasible within the proposed Time and Materials budget.

4.4.18. This Agreement as Amended does not include any field activities. In the event additional services are added that include field activities, Contractor may be required to execute a labor compliance addendum and comply with associated prevailing wage provisions.

5. Schedule:

5.1. The SEP Program will be implemented over approximately six (6) years from the effective date of this Amendment No. 1).

5.2. The scope of services in this Exhibit A reflects all services that are currently anticipated to be provided by Contractor in support of SVP's SEP Program over the approximate six-year period.

AGREEMENT FOR DESIGN PROFESSIONAL SERVICES
BETWEEN THE
CITY OF SANTA CLARA, CALIFORNIA AND
AECOM TECHNICAL SERVICES
EXHIBIT B - COMPENSATION AND FEE SCHEDULE

AMENDED APRIL 30, 2022

1. Compensation
   1.1. This is a time and materials agreement.
   1.2. Cost Estimates:
      1.2.1. Estimated Costs:
         1.2.1.1. Labor costs to provide support services included in Exhibit A, for a 5-year duration as part of this Amendment No. 1 are estimated to be $9,968,447.
         1.2.1.2. Additional detail on the estimated cost by task and staff can be found in the attached cost tables.
            1.2.1.2.1. Exhibit B - Table 1 - provides a summary of the annualized costs for each task over the entire 5-year duration.
            1.2.1.2.2. Tables 1A – 1E provide a detailed breakdown of the annual cost per task and staff for Task 1 for 5 years. A portion of Task Order 1 has been previously authorized under Purchase Order 26657.
            1.2.1.2.3. Tables 2A – 2E provide a detailed breakdown of the annual cost per task and staff for Task 2 for each of the 5 years.
            1.2.1.2.4. Tables 3A – 3E provide a detailed breakdown of the annual cost per task and staff for Task 3 for each of the 5 years.
         1.2.1.3. Subject to written approval of the City, Contractor may transition costs between categories within each cost estimate but only to the extent that these transitions leave sufficient funding to complete the projects identified in each cost estimate.
   1.3. Contractor shall notify City as soon as practical if there is a risk that cost estimates will be exceeded and shall not perform work that will result in costs exceeding the estimate without an executed amendment to this Agreement.

1.4. The maximum compensation specified in Section 6 includes all services provided under this Agreement as Amended including those services provided in advance of this Amendment.

2. Rates

2.1. Services shall be provided according to the rates in Table B2 – AECOM Hourly Rates - Effective December 1, 2020 with Rate Adjustments according to the provisions of Section 2.3 of this Exhibit B. Services performed prior to this Amendment shall be invoiced at the rates in place at the time of the service.

2.2. Overtime for exempt employees will be billed at 1.5 times hourly rate. Any work requiring overtime rates shall be expressly identified and approved in writing by the City prior to commencing work.

2.3. Rate Adjustments. Table B2 - Hourly Rates shall have an annual escalation of 2% from December 1, 2020, to December 1, 2025. No later than 30 days before the commencement of the sixth year of the term of the Agreement, Contractor may request by written notice to the City further adjustments to the Table B2 - Hourly Rates; provided, Contractor shall provide justification for the proposed adjustment for the subsequent years. City may approve or deny such adjustment request in its sole discretion which will be provided in writing (e-mail acceptable).

3. Authorization for Work:

3.1. In the event that Contractor is requested to perform additional work not included in the scope of this Agreement or if a task exceeds the Budget outlined in the exhibits, Contractor shall submit a proposal for such additional work. If contingency funds are available in the Agreement to complete the project quoted, Contractor may perform such additional work upon written authorization of the City (e-mail acceptable).

3.2. If insufficient contingency funds are available to complete proposed work, an Amendment to this Agreement shall be executed in advance of starting work. No products or services that will commit or authorize funds in excess of the contingency funds outlined in will be provided unless both Parties execute an Amendment to this Agreement.

4. Reimbursable Expenses

4.1. City Requested Expenses. Outside services such as, but not limited to outside reprographic services, materials and equipment, will be invoiced at cost plus 3%. Subcontractor services will be invoiced at cost plus 5%.

4.2. Expenses shall be reimbursable only to the extent that CONTRACTOR submits sufficient documentation to the City that the expenses were directly incurred in providing the requested services and that such costs are not already included in the fee or hourly rate.

4.3. Travel and Per Diem. Travel and Per Diem will be invoiced at cost.

4.3.1. Unless approved in writing (e-mail acceptable) in advance, meals, lodging, and related Per Diem shall not exceed the rates outlined by United States General Services Administration (GSA) https://www.gsa.gov/travel-resources

4.3.2. Mileage. Personal automobile travel from portal to portal or between locations will be charged at IRS mileage rates per mile in place at the time of travel.

4.3.3. Travel Expenses. Airfare, car rental, taxi, parking, tolls, and incidental expenses will be invoices at cost, with receipts provided for any expenses. Airfare, if required, shall be at economy class.

4.4. An estimate for any anticipated reimbursable expenses shall be included in Contractor's response to any CFP or other proposal to perform additional work.

4.5. Contractor shall provide supporting documentation such as invoices or receipts for all Pass-Through costs.

5. Invoicing and Payments:

5.1. Contractor will invoice City on a monthly basis for Services provided by Contractor during the preceding month on an invoice and in a format approved by City and subject to verification and approval by City. City will pay Contractor within thirty (30) days of City's receipt of an approved invoice.

5.2. All monthly invoices shall include

5.2.1. PO number,

5.2.2. Itemization of the authorized expenses incurred, if any, with a detail listing the cost and source of such expenses and when they were incurred in a formal that will permit City to verify rates are the same as those authorized in the Agreement.

5.2.3. Amount paid to date and remaining Agreement amount.

5.3. If City disputes an expense in an invoice, City may deduct the disputed expense from the payment of that invoice, provided that City submits to Contractor a written explanation of why the expense is being disputed.

5.4. If there are no discrepancies or deficiencies in the submitted invoice and Contractor has submitted all required Certified Payroll (where required), City shall process the invoice for payment.

5.5. Contractor shall maintain documentation of such time and costs for City inspection for a period of three (3) years from the date of termination of this Agreement.

Ebix Insurance No. 2000004639

AMENDMENT NO. 2
TO THE AGREEMENT FOR DESIGN PROFESSIONAL SERVICES
BETWEEN THE
CITY OF SANTA CLARA, CALIFORNIA,
AND
AECOM TECHNICAL SERVICES, INC.

PREAMBLE

This agreement ("Amendment No. 2") is entered into between the City of Santa Clara, California, a chartered California municipal corporation (City) and AECOM Technical Services, Inc., a California corporation (Contractor). City and Contractor may be referred to individually as a "Party" or collectively as the "Parties."

RECITALS

The Parties previously entered into an agreement entitled "Agreement for Design Professional Services between the City of Santa Clara, California, and AECOM Technical Services, Inc., dated February 12, 2021 (Agreement); and

The Parties entered into the Agreement for the purpose of having Contractor provide plan implementation/project management services as requested by the City to support capital, operations, and maintenance projects; and

The Parties amended the Agreement (Amendment No. 1) on June 22, 2022, for Contractor to provide program management services for Silicon Valley Power's (SVP) System Expansion Plan Program; and

The Parties now wish to amend the Agreement to increase the maximum compensation to support additional As Needed Services.

NOW, THEREFORE, the Parties agree as follows:

AMENDMENT TERMS AND CONDITIONS

1. Section 1 of the Agreement, entitled Agreement Documents is amended in its entirety to read as follows:

   "AGREEMENT DOCUMENTS

   The documents forming the entire Agreement between City and Contractor shall consist of these Terms and Conditions and the following Exhibits, which are hereby incorporated into this Agreement by this reference:

   Exhibit A - Scope of Services

Exhibit B - Schedule of Fees

Exhibit C - Insurance Requirements

Exhibit D - Labor Compliance Addendum

Exhibit E – Sample Work Authorization Form

This Agreement, including the Exhibits set forth above, contains all the agreements, representations and understandings of the Parties, and supersedes and replaces any previous agreements, representations and understandings, whether oral or written. In the event of any inconsistency between the provisions of any of the Exhibits and the Terms and Conditions, the Terms and Conditions shall govern and control."

2. Section 6 of the Agreement, entitled Compensation and Payment is amended in its entirety to read as follows:

   "COMPENSATION AND PAYMENT

   In consideration for Contractor's complete performance of Services, City shall pay Contractor for all materials provided and Services rendered by Contractor in accordance with Exhibit B, entitled "SCHEDULE OF FEES AND PAYMENT PROVISIONS." The maximum compensation of this Agreement is sixteen million dollars ($16,000,000), subject to budget appropriations, which includes all payments that may be authorized for Services and for expenses, supplies, materials and equipment required to perform the Services. All work performed or materials provided in excess of the maximum compensation shall be at Contractor's expense. Contractor shall not be entitled to any payment above the maximum compensation under any circumstance without an amendment to this Agreement."

3. Section 4 - WORK AUTHORIZATION PROCESS is hereby added to Exhibit A to read as follows:

   4.1. Contractor acknowledges that Contractor is one of six (6) firms selected to perform Plan Implementation Services, pursuant to separate agreements (collectively, the "Plan Implementation Agreements"). Specific Services will be assigned as set forth below.

   4.2. City does not give any guarantee to Contractor that City will select Contractor for the performance of any Work Request or any other Services. If City selects Contractor to perform a Work Request, Contractor shall perform the services in this Exhibit A but only to the extent detailed in the Work Authorization and purchase order.

   4.3. When Contractor will be required to perform services on an on- going basis, such ongoing services shall be authorized using the Work

Authorization Process in this Section 4.

4.4. Work Request

4.4.1. When plan implementation Services are required, SVP will notify one or more contractors under contract for Plan Implementation Services to provide a proposal for Services.

4.4.2. SVP will provide a description of the Services required, the basis of award, the deadline for response, and any other relevant information (Work Request).

4.5. Proposal

4.5.1. If Contractor has the required expertise and desires to submit a proposal, Contractor shall prepare and submit a proposal (Proposal) that includes:

4.5.1.1. The specific service(s) to be performed. Detail of the services should have a level of detail reflective of the scope, timeline, and cost of the specific project.

4.5.1.2. A work plan that includes a detailed description by task of the services to be performed.

4.5.1.3. A project timeline/schedule with discussion on any activities that may impact the project timeline/schedule such as, but not limited to, material delays or permitting.

4.5.1.4. A list of Contractor's personnel and subcontractors including subcontractor Department of Industrial Relations (DIR) number where required.

4.5.1.5. Any required drawings or documents.

4.5.1.6. A list of City responsibilities.

4.5.1.7. An itemized cost proposal showing:

4.5.1.7.1. Hours and hourly rates by position as listed in Exhibit B for both Contractor and subcontractor personnel if applicable. Indicate labor subject to prevailing wage requirements.

4.5.1.7.2. Subcontractor costs including subcontractor DIR number where required and indicating prevailing wage and non-prevailing wage

services.

4.5.1.7.3. Parts/materials

4.5.1.7.4. Rental and/or specialty equipment

4.5.1.7.5. Reimbursable expenses, in accordance with the limitations set forth in Exhibit B.

4.5.1.7.6. Any additional costs including, but not limited to freight, permits, fees.

4.5.1.7.7. Breakdown of materials and labor sufficient to calculate sales tax. Taxable and non-taxable items shall be itemized in a manner that will permit the City to accurately calculate sales tax.

4.5.1.7.8. Estimated total cost including sales tax.

4.5.1.7.9. All submitted pricing shall be in accordance with the rates authorized in Exhibit B of this Agreement and the Proposal shall include sufficient information for the City to determine that rates are in accordance with the Agreement.

4.5.1.7.10. Cost for any additional equipment, parts, materials, or services required for completion of services as detailed in the Work Request and in Contractor's Proposal but not reflected in the Contractor's cost proposal shall be the sole responsibility of the Contractor and at no cost to the City.

4.5.2. The City will review the Proposal, and may elect to approve it, reject it, or use it as a basis for further negotiations with Contractor. Contractor must submit a revised Proposal to the City based upon such negotiations. The final proposal shall include a clear breakdown of materials and labor indicating taxable and non-taxable items and an estimate of sales tax.

4.6. Work Authorization:

4.6.1. If the completion of the services in the Proposal will not result in total costs under this Agreement exceeding the maximum compensation in Section 6 of the Agreement, (when combined with all previously authorized Services), the City may authorize

the proposed services as set forth in this Section.

4.6.2. To authorize work, the City and Contractor shall execute a Work Authorizations in substantially the same format as Exhibit E. Each Work Authorization shall describe the proposed services and deliverables the Contractor must provide, the time limit within which the Contractor must complete the proposed service and deliverables, and the compensation for the services.

4.6.3. Subject to the terms and conditions of this Agreement, Contractor and City will negotiate the specific scope and requirements of each Work Authorization. Upon execution by the Parties, the Work Authorization shall become an Approved Work Authorization.

4.6.4. Each Approved Work Authorization shall have a purchase order attached to it.

4.6.5. Only the Assistant Director of the Electric Utility, Electric Utility Chief Operating Officer, or Chief Electric Utility Officer may, on behalf of the City, execute a Work Authorization. Purchase orders are issued by the Finance Department.

4.6.6. Contractor shall not initiate the additional services and the City will not compensate the Contractor until the City has executed the Work Authorization for such additional services where applicable ("Approved Work Authorization") and issued a purchase order.

4.7. Changes to Work Authorization:

4.7.1. Contractor shall notify the City immediately when a situation occurs that may result in a change to the total project cost or specific line items in an Approved Work Authorization or purchase order. Contractor shall provide the reason for the change specific to each Approved Work Authorization or purchase order.

4.7.2. Contractor shall not be entitled to additional compensation for issues such as errors in calculation of original pricing, changes in staff, or other changes that are not directly related to changes requested by City.

4.7.3. In the event that unanticipated site conditions or other issues result in costs that exceed total of the Approved Work Authorization or changes to line items in an Approved Work Authorization or in the purchase order, Contractor shall submit to the City an updated Proposal for review and approval from

the City in advance of performing any additional required services. The City will issue a new or amended Work Authorization and changed purchase order to authorize such additional services. Each changed Work Authorization and purchase order shall amend the Services and be incorporated into the Services by reference.

4.7.4. Contractor shall not initiate the additional services associated with changes and the City will not compensate the Contractor until the City has executed the Work Authorization for such additional services where applicable ("Approved Work Authorization") and issued a purchase order or changed purchase order.

4.8. Proposals, pricing, and quotes are not confidential and will not be treated as confidential even if marked confidential when submitted.

4.9. An Approved Work Authorization must be consistent with – and cannot alter - the terms and conditions of this Agreement. The terms and conditions of this Agreement shall prevail over any and all terms and conditions contained in an Approved Work Authorization – even if the Approved Work Authorization expressly states that it is intended to control. Any conflicting terms and conditions in an Approved Work Authorization are invalid and unenforceable.

4.10. Each Approved Work Authorization and purchase order including those authorized prior to execution of this Amendment No. 2 shall be incorporated into the Agreement by reference and subject to its terms and conditions and the Services contained therein shall be included within the Services.

4.11. If Contractor begins the Services or fails to dispute a purchase order within three (3) business days, Contractor is assumed to have accepted the terms of the purchase order.

4.12. The City (through the individuals listed in section 4.6.5 or, in the case of purchase orders, the Finance Department) may terminate an Approved Work Order or purchase order for convenience with ten (10) days prior written notice to Contractor. In such event, the Contractor shall have no further rights hereunder, except that Contractor shall be paid for all Services adequately rendered prior to such termination.

4.13. Contractor shall not initiate any project assignment that will result in costs exceeding the compensation in the Agreement or are anticipated to extend past the term of this Agreement.

4.14. SVP shall not be required to pay a deposit or any other form of pre-payment prior to the Contractor beginning work.

4.15. Contractor shall not initiate services before a Work Authorization has been executed and/or purchase order has been issued."

4. Exhibit B – SCHEDULE OF FEES AND PAYMENT PROVISIONS – AMENDED APRIL 30, 2022 is amended and replaced with Exhibit B - SCHEDULE OF FEES AND PAYMENT PROVISIONS – AMENDED OCTOBER 25, 2023.

5. The Parties acknowledge that Table B1 was inadvertently not included in Exhibit B Amendment 1. The Parties agree that Table 1 was part of the Agreement as of the effective date of the Amendment No.1.

6. Exhibit E – Sample Work Authorization is hereby attached and incorporated by reference.

7. Except as set forth herein, all other terms and conditions of the Agreement as Amended shall remain in full force and effect. In case of a conflict in the terms of the Agreement as Amended and this Amendment No. 2 the provisions of this Amendment No. 2 shall control.

"CONTRACTOR"

AGREEMENT FOR DESIGN PROFESSIONAL SERVICES
BETWEEN THE
CITY OF SANTA CLARA, CALIFORNIA AND
AECOM TECHNICAL SERVICES
EXHIBIT B - COMPENSATION AND FEE SCHEDULE

AMENDED OCTOBER 25, 2023

1. Compensation

1.1. This is a time and materials agreement.

1.2. The maximum amount of compensation to be paid to Contractor during the Initial Term of this Agreement shall be the amount specified in Section 6 (COMPENSATION AND PAYMENT) of the Agreement.

1.3. The City does not guarantee any minimum compensation under this Agreement.

1.4. Cost Estimates – Program Management Services:

1.4.1. Estimated Costs:

1.4.2. Labor costs to provide support services included in Exhibit A, for a 5-year duration as part of this Amendment No. 1 are estimated to be $9,968,447.

1.4.3. Additional detail on the estimated cost by task and staff can be found in the following cost tables.

1.4.3.1. Exhibit B - Table 1 - provides a summary of the annualized costs for each task over the entire 5-year duration.

1.4.3.2. Tables 1A – 1E attached to Amendment No. 1 provide a detailed breakdown of the annual cost per task and staff for Task 1 for 5 years. A portion of Task Order 1 has been previously authorized under purchase order 26657.

1.4.3.3. Tables 2A – 2E attached to Amendment No. 1 provide a detailed breakdown of the annual cost per task and staff for Task 2 for each of the 5 years.

1.4.3.4. Tables 3A – 3E attached to Amendment No. 1 provide a detailed breakdown of the annual cost per task and staff for Task 3 for each of the 5 years.

1.4.3.5. Subject to written approval of the City, Contractor may transition costs between categories within each cost estimate but only to the extent that these transitions leave sufficient funding to complete the projects identified in each cost estimate.

1.4.4. Contractor shall notify City as soon as practical if there is a risk that cost estimates will be exceeded and shall not perform work that will

result in costs exceeding the estimate without an executed amendment to this Agreement.

1.5. The maximum compensation specified in Section 6 includes all Services provided under this Agreement as Amended including those services provided in advance of this Amendment.

2. Rates

2.1. Services shall be provided according to the rates in Table B2– AECOM Hourly Rates - Effective December 1, 2020 attached to Amendment No. 1 with rate adjustments according to the provisions of Section 2.3 of this Exhibit B. Services performed prior to this Amendment shall be invoiced at the rates in place at the time of the Service.

2.2. Overtime for exempt employees will be billed at 1.5 times hourly rate. Any work requiring overtime rates shall be expressly identified and approved in writing by the City prior to commencing the Services.

2.3. Rate Adjustments. Table B2 - Hourly Rates attached to Amendment No. 1 shall have an annual escalation of 2% from December 1, 2020, to December 1, 2025. No later than 30 days before the commencement of the sixth year of the term of the Agreement, Contractor may request by written notice to the City further adjustments to the Table B2 - Hourly Rates; provided, Contractor shall provide justification for the proposed adjustment for the subsequent years. Except for the annual escalation described in this section, all rate adjustments must be approved by the City through an amendment to this Agreement. References to alternate rates in quotes that have not been separately authorized pursuant to this section are not approved).

3. Use of Contingency: In the event that Contractor is requested to perform Program Management Services not included in the Exhibit A-1 or if a task exceeds the Budget outlined in the exhibits, Contractor shall submit a proposal for such additional work subject to the following:

3.1. If contingency funds are available in the Agreement to complete the services quoted, Contractor may perform such additional services upon written authorization of the City which shall be authorized by issuing a purchase order or change to purchase order to authorize such additional work.

3.2. If insufficient contingency funds are available to complete proposed work, an Amendment to this Agreement shall be executed in advance of starting work. No products or services that will commit or authorize funds in excess of the contingency funds outlined in will be provided unless both Parties execute an Amendment to this Agreement.

4. Reimbursable Expenses

4.1. Reimbursable Expenses. Any and all reimbursable expenses related to each Work Authorization shall be described in Contractor's Proposal as set forth in Section 4 of Exhibit A and accounted for in the total cost for each Proposal, Work Authorization, and purchase order.

4.2. Expenses shall be reimbursable only to the extent that (1) Contractor submits sufficient documentation to City that the expenses were directly incurred in providing the required Services, (2) Contractor demonstrates that such expenses aren't included in the hourly rate where applicable, (3) such expenses were approved in advance by the City pursuant to Section 4 of Exhibit A, (4) Contractor submits receipts, invoices, or other supporting documentation demonstrating that such reimbursable costs were incurred.

4.3. Outside services such as, but not limited to outside reprographic services, materials and equipment, will be invoiced at cost plus 3%. Subcontractor services will be invoiced at cost plus 5%.

4.4. Travel and Per Diem. Travel and Per Diem will be invoiced at cost.

4.4.1. Unless approved in writing (e-mail acceptable) in advance, meals, lodging, and related Per Diem shall not exceed the rates outlined by United States General Services Administration (GSA) https://www.gsa.gov/travel-resources

4.4.2. Mileage. Personal automobile travel from portal to portal or between locations will be charged at IRS mileage rates per mile in place at the time of travel.

4.4.3. Travel Expenses. Airfare, car rental, taxi, parking, tolls, and incidental expenses will be invoiced at cost, with receipts provided for any expenses. Airfare, if required, shall be at economy class.

5. Invoicing and Payments:

5.1. Contractor will invoice City on a monthly basis for Services provided by Contractor during the preceding month on an invoice and in a format approved by City and subject to verification and approval by City. City will pay Contractor within thirty (30) days of City's receipt of an approved invoice.

5.2. All invoices shall include

5.2.1. PO number,

5.2.2. Itemization of the authorized expenses incurred, if any, with a detail listing the cost and source of such expenses and when they were incurred in a formal that will permit City to verify rates are the same as those authorized in the Agreement.

5.2.3. Where applicable, invoices shall include sufficient detail to allow for accurate comparison with certified payroll submittals.

5.2.4. Amount paid to date and remaining Agreement amount.

5.3. Certified Payroll. When applicable, Contractor must submit all necessary certified payrolls through LCP Tracker in advance of its request for payment. These submittals shall comply with the requirements set forth in Exhibit D and are subject to verification by the City.

5.4. If there are no discrepancies or deficiencies in the submitted invoice and Contractor has submitted all required Certified Payroll (where required), City shall process the invoice for payment.

Contingency (Use of Contingency subject to Exhibit B, Section 3)						$703,454
Previously Authorized Work						$328,095
Maxumum Compensation						**$11,000,000**

EXHIBIT E

SAMPLE WORK AUTHORIZATION FORM

This work authorization ("Work Authorization") is made pursuant to the Agreement for Service between the City of Santa Clara and AECOM Technical Services ("Agreement"). This Work Authorization is governed by the provisions of the Agreement and is hereby incorporated into that Agreement by reference. All Services shall be using the terms and rates included in the Agreement. In the event of any inconsistency between the terms and conditions of the Work Authorization and the Agreement, the terms and conditions of the Agreement shall govern and control.

PART A: GENERAL INFORMATION

WORK AUTHORIZATION NUMBER:		☐ Original ☐ First Revised ☐ Second Revised ☐ Other_____
Contract No.		
Contractor Name/Address:		
Expiration Date of Agreement:		
Contractor's Project Manager:	**Name:**	**Email:**
City's Project Manager	**Name:**	**Email:**
Period of Performance for this Work Order:	**Start Date:**	**Expected Completion Date:**
Maximum Compensation of Agreement:		
Previously Committed Funds:		
Available Funds		
Maximum Compensation for this Work Authorization		
Remaining Available Funds		
Sufficient funds are available in Fund #: (to be completed by City)

City Project Manager Name (Print)		
Authorized City Representative (Print)		
City Representative Signature		
City Representative Signature Date		
** Authorized City Representatives include Electric Utility Assistant Director, Chief Electric Utility Operating Officer, Chief Electric Utility Officer*		

PART B: SERVICES TO BE PERFORMED

1. REVISED WORK AUTHORIZATION

☐ No

☐ If yes, provide a brief description of the change(s).

2. SCOPE OF SERVICES TO BE PERFORMED

The Contractor shall perform the service(s) described below in accordance with all of the terms and conditions of the Agreement. (Insert a detailed Scope of Services below or attach as a separate file.) Scope of Services and cost proposal shall meet all of the provisions of Section 4 of Exhibit A and Section 4 of Exhibit B.

3. COMPENSATION

a. Basis of Compensation: ☐ Time & Materials ☐ Fixed Fee

b. Reimbursable Expenses:

☐ No expenses are reimbursable.

☐ Expenses are separately reimbursable in the maximum amount of:

_____

c. Payment Schedule:

☐ Monthly ☐ Completion of Deliverable/Milestone ☐ Completion of Services

d. Payment Terms. Provide payment terms below or attach as a separate file.

*Payment for on-site labor may not be paid in advance. On-site labor shall not be invoiced until completed and Customer will not make payment until certified payroll is approved.

4. LIQUIDATED DAMAGES

☐ Liquidated Damages do not apply.

☐ Liquidated Damages apply as follows:

It is mutually agreed by Contractor and City that, in event completion of the Services to be provided by the Contractor under this Agreement is delayed beyond _____, 20___, City will suffer damages and will incur other costs and expenses of a nature and amount which is difficult or impractical to determine. The Parties agree that by way of ascertaining and fixing the amount of damages, costs and expenses, and not by way of penalty, Contractor shall pay to City the sum of _____dollars ($_____) per day in liquidated damages to a cap of _____. Contractor agrees that City may deduct the amount of said unpaid damages from any money due or that may become due to Contractor under this Agreement.

Notwithstanding the foregoing both Parties understand and agree that no liquidated damages shall accrue for delivery delays due to any modification of the Scope of Services, for delays caused by or attributable to the City, for delays caused by or attributable to third parties not under the direct control of Contractor or any force

majeure event during the period of service of this Work Authorization.

Such liquidated damages shall be the City's sole and exclusive remedy for Contractor's failure to meet the agreed delivery schedule.

5. ACCEPTANCE CERTIFICATE

☐ Acceptance Certificate not required.

☐ Acceptance Certificate required.

AMENDMENT NO. 3
TO THE AGREEMENT FOR DESIGN PROFESSIONAL SERVICES
BETWEEN THE
CITY OF SANTA CLARA, CALIFORNIA,
AND
AECOM TECHNICAL SERVICES, INC.

PREAMBLE

This agreement ("Amendment No. 3") is entered into between the City of Santa Clara, California, a chartered California municipal corporation (City) and AECOM Technical Services, Inc. a California corporation, (Contractor). City and Contractor may be referred to individually as a "Party" or collectively as the "Parties."

RECITALS

A. The Parties previously entered into an agreement entitled "Agreement for Design Professional Services between the City of Santa Clara, California and AECOM Technical Services, Inc., dated February 12, 2021 (Agreement);

B. The Agreement was previously amended by Amendment No. 1, dated June 2, 2022, and Amendment No. 2, dated November 1, 2023. The Agreement and all previous amendments are collectively referred to herein as the "Agreement as Amended"; and

C. The Parties now wish to amend the Agreement as Amended to increase the maximum compensation, extend the term, and modify the Work Authorization process.

NOW, THEREFORE, the Parties agree as follows:

AMENDMENT TERMS AND CONDITIONS

1. Section 2 of the Agreement as Amended, entitled "Term of Agreement", is amended in its entirety to read as follows:
"Unless otherwise set forth in this Agreement or unless this paragraph is subsequently modified by a written amendment to this Agreement, the term of this Agreement shall begin December 1, 2020, and terminate on December 31, 2029."

2. Section 6 of the Agreement as Amended, entitled "Compensation and Payment", is amended in its entirety to read as follows:
"In consideration for the Contractor's complete performance of Services, City shall pay Contractor for all materials provided and Services rendered by Contractor in accordance with Exhibit B, entitled Compensation and Fee

Docusign Envelope ID: 9BC6B8DA-19A3-4CCC-B6E8-35ABACCBFD7A

Schedule. The maximum compensation of this Agreement during the Initial Term is twenty-eight million dollars ($28,000,000.00) subject to budget appropriations, which includes all payments that may be authorized for Services and for expenses, supplies, materials and equipment required to perform the Services including any taxes. All Services performed or supplies, materials and equipment provided in excess of maximum compensation shall be at Contractor's expense. Contractor shall not be entitled to any payment above the maximum compensation under any circumstances."

3. Section 4.6.6 of Exhibit A of the Agreement as Amended is amended to read as follows:

   "Except where the provisions of Section 4.6.7 or Section 4.7.4 apply, Contractor shall not initiate Services and the City will not compensate the Contractor until the City has executed a Work Authorization for such additional services where applicable ("Approved Work Authorization") and issued a purchase order or changed purchase order."

4. Section 4.6.7 is added to Exhibit A of the Agreement as Amended to read as follows:

   "4.6.7. Immediate Need / Emergency Work Orders

   4.6.7.1 The City may authorize Interim Work Orders in accordance with this Section, in the following circumstances:

   4.6.7.1.1 In the event work is required to address or deal with a threat to public health or safety, loss of or damage to property, or serious disruption to essential services

   4.6.7.1.2 In the event work is required to maintain a critical SVP function or project schedule.

   4.6.7.2 Interim Work Orders do not need to be in writing and may only be authorized by the Assistant Director of the Electric Utility, Electric Utility Chief Operating Officer, or Chief Electric Utility Officer. Verbal authorizations will be confirmed by the City in writing within three (3) business days.

   4.6.7.3 Contractor shall provide an updated Proposal within five (5) business days. The Proposal shall be detailed in accordance with this Section 4 and shall also include all services required including those services already completed or initiated.

   4.6.7.4 If approved, the City will issue a Work Authorization and a Purchase Order as soon as reasonably practicable."

5. Except as set forth herein, all other terms and conditions of the Agreement as Amended shall remain in full force and effect. In case of a conflict in the terms of

Docusign Envelope ID: 9BC6B8DA-19A3-4CCC-B6E8-35ABACCBFD7A

the Agreement as Amended and this Amendment No. 3, the provisions of this Amendment No. 3 shall control.

The Parties acknowledge and accept the terms and conditions of this Amendment No. 3 as evidenced by the following signatures of their duly authorized representatives.

AMENDMENT NO. 4
TO THE AGREEMENT FOR DESIGN PROFESSIONAL SERVICES
BETWEEN THE
CITY OF SANTA CLARA, CALIFORNIA,
AND
AECOM TECHNICAL SERVICES, INC

PREAMBLE

This fourth amendment to the agreement for design professional services ("Amendment No. 4) is entered into between the City of Santa Clara, California, a chartered California municipal corporation (City) and AECOM Technical Services, Inc., a California corporation, (Contractor). City and Contractor may be referred to individually as a "Party" or collectively as the "Parties."

RECITALS

A. The Parties previously entered into an agreement entitled "Agreement for Design Professional Services between the City of Santa Clara, California and AECOM Technical Services, Inc.," dated February 12, 2021 (Agreement) for the purpose of having Contractor provide plan implementation/project management services as requested by the City to support capital, operations, and maintenance projects;

B. The Agreement was previously amended by Amendment No. 1, dated June 2, 2022, Amendment No. 2, dated November 1, 2023, and Amendment No. 3, dated April 12, 2025, and is again amended by this Amendment No. 4. The Agreement and all previous amendments are collectively referred to herein as the "Agreement as Amended"; and

C. The Parties now wish to amend the Agreement as Amended to update the rate schedules in Exhibit B.

NOW, THEREFORE, the Parties agree as follows:

AMENDMENT TERMS AND CONDITIONS

1. Exhibit B – Compensation and Fee Schedule shall be deleted in its entirety and replaced with the attached Third Revised Exhibit B – Compensation and Fee Schedule, which is hereby incorporated into the Agreement as Amended.

2. Except as set forth herein, all other terms and conditions of the Agreement as Amended shall remain in full force and effect. In case of a conflict in the terms of

Docusign Envelope ID: 2C5B1CC9-F884-8CC7-806A-65CC597F3546

the Agreement as Amended and this Amendment No. 4, the provisions of this Amendment No. 4 shall control.

The effective date of this Amendment No. 4 is the date of City's execution of this amendment.

THIRD REVISED EXHIBIT B
COMPENSATION AND FEE SCHEDULE

1. Compensation

1.1. This is a time and materials agreement.

1.2. The maximum amount of compensation to be paid to Contractor during the Initial Term of this Agreement shall be the amount specified in Section 6 (COMPENSATION AND PAYMENT) of the Agreement.

1.3. The City does not guarantee any minimum compensation under this Agreement.

1.4. Cost Estimates – Program Management Services:

1.4.1. Estimated Costs:

1.4.2. Labor costs to provide support services included in Exhibit A, for a 5-year duration as part of this Amendment No. 1 are estimated to be $9,968,447 (not including executed/future change orders).

1.4.3. Additional detail on the estimated cost by task and staff can be found in the following cost tables.

1.4.3.1. Table 1 of Third Revised Exhibit B- provides a summary of the annualized costs for each task over the entire 5-year duration.

1.4.3.2. Tables 1A – 1E attached to Amendment No. 1 provide a detailed breakdown of the annual cost per task and staff for Task 1 for 5 years. A portion of Task Order 1 has been previously authorized under purchase order 26657.

1.4.3.3. Tables 2A – 2E attached to Amendment No. 1 provide a detailed breakdown of the annual cost per task and staff for Task 2 for each of the 5 years.

1.4.3.4. Tables 3A – 3E attached to Amendment No. 1 provide a detailed breakdown of the annual cost per task and staff for Task 3 for each of the 5 years.

1.4.3.5. Subject to written approval of the City, Contractor may transition costs between categories within each cost estimate but only to the extent that these transitions leave sufficient funding to complete the projects identified in each cost estimate.

1.4.4. Contractor shall notify City as soon as practical if there is a risk that cost estimates will be exceeded and shall not perform work that will result in costs exceeding the estimate without an executed amendment to this Agreement.

Docusign Envelope ID: 2C5B1CC9-F884-8CC7-806A-65CC597F3546

1.5. The maximum compensation specified in Section 6 includes all Services provided under this Agreement as Amended including those services provided in advance of this Amendment.

2. Rates

2.1. Services shall be provided according to the rates in Third Revised - Table B2– Hourly Rates attached to Amendment No. 4 with rate adjustments according to the provisions of Section 2.3 of this Third Revised Exhibit B. Services performed prior to this Amendment shall be invoiced at the rates in place at the time of the Service.

2.2. Overtime for non-exempt employees will be billed at 1.5 times hourly rate. Any work requiring overtime rates shall be expressly identified and approved in writing by the City prior to commencing the Services.

2.3. Rate Adjustments. Table B2 - Hourly Rates shall have an annual escalation of 2% from December 1, 2020, to December 1, 2025. After November 30, 2026, rate adjustments may be negotiated no more than once annually and shall be a minimum 3.5% increase. Contractor shall submit any proposed rate adjustments in writing to the City at least ninety (90) days prior to the requested effective date. Any proposed rate adjustments are subject to approval by the City and must be substantiated by the Contractor to the satisfaction of the City.

2.4. Except for the annual escalation described in this section, all rate adjustments must be approved by the City through a Purchase Order or an amendment to this Agreement. Contractor must clearly provide justification for any additional rates. No such rates shall be effective or compensable unless expressly approved by the City through a Purchase Order or a written amendment.

3. Use of Contingency: In the event that Contractor is requested to perform Program Management Services not included in the Exhibit A-1 or if a task exceeds the Budget outlined in the exhibits, Contractor shall submit a proposal for such additional work subject to the following:

3.1. If contingency funds are available in the Agreement to complete the services quoted, Contractor may perform such additional services upon written authorization of the City which shall be authorized by issuing a purchase order or change to purchase order to authorize such additional work.

3.2. If insufficient contingency funds are available to complete proposed work, an Amendment to this Agreement shall be executed in advance of starting work. No products or services that will commit or authorize funds in excess of the contingency funds outlined in will be provided unless both Parties execute an Amendment to this Agreement.

4. Reimbursable Expenses

4.1. Reimbursable Expenses. Any and all reimbursable expenses related to each Work Authorization shall be described in Contractor's Proposal as set forth in

Docusign Envelope ID: 2C5B1CC9-F884-8CC7-806A-65CC597F3546

Section 4 of Exhibit A and accounted for in the total cost for each Proposal, Work Authorization, and purchase order.

4.2. Expenses shall be reimbursable only to the extent that (1) Contractor submits sufficient documentation to City that the expenses were directly incurred in providing the required Services, (2) Contractor demonstrates that such expenses aren't included in the hourly rate where applicable, (3) such expenses were approved in advance by the City pursuant to Section 4 of Exhibit A, (4) Contractor submits receipts, invoices, or other supporting documentation demonstrating that such reimbursable costs were incurred.

4.3. Outside services such as, but not limited to outside reprographic services, materials and equipment, will be invoiced at cost plus 3%. Subcontractor services will be invoiced at cost plus 5%.

4.4. Travel and Per Diem. Travel and Per Diem will be invoiced at cost.

4.4.1. Unless approved in writing (e-mail acceptable) in advance, meals, lodging, and related Per Diem shall not exceed the rates outlined by United States General Services Administration (GSA) https://www.gsa.gov/travel-resources

4.4.2. Mileage. Personal automobile travel from portal to portal or between locations will be charged at IRS mileage rates per mile in place at the time of travel.

4.4.3. Travel Expenses. Airfare, car rental, taxi, parking, tolls, and incidental expenses will be invoiced at cost, with receipts provided for any expenses. Airfare, if required, shall be at economy class.

5. Invoicing and Payments:

5.1. Contractor will invoice City on a monthly basis for Services provided by Contractor during the preceding month on an invoice and in a format approved by City and subject to verification and approval by City. City will pay Contractor within thirty (30) days of City's receipt of an approved invoice.

5.2. All invoices shall include

5.2.1. PO number,

5.2.2. Itemization of the authorized expenses incurred, if any, with a detail listing the cost and source of such expenses and when they were incurred in a formal that will permit City to verify rates are the same as those authorized in the Agreement.

5.2.3. Where applicable, invoices shall include sufficient detail to allow for accurate comparison with certified payroll submittals.

5.2.4. Amount paid to date and remaining Agreement amount.

5.3. Certified Payroll. When applicable, Contractor must submit all necessary certified payrolls through LCP Tracker in advance of its request for payment.

Docusign Envelope ID: 2C5B1CC9-F884-8CC7-806A-65CC597F3546

These submittals shall comply with the requirements set forth in Exhibit D and are subject to verification by the City.

5.4. If there are no discrepancies or deficiencies in the submitted invoice and Contractor has submitted all required Certified Payroll (where required), City shall process the invoice for payment.

Docusign Envelope ID: 2C5B1CC9-F884-8CC7-806A-65CC597F3546

EBIX Insurance No. S200004651

AGREEMENT FOR DESIGN PROFESSIONAL SERVICES
between the
CITY OF SANTA CLARA, CALIFORNIA,
and
BURNS & McDONNELL ENGINEERING COMPANY, INC.,

PREAMBLE

This Agreement is entered into between the City of Santa Clara, California, a chartered California municipal corporation (City) and Burns & McDonnell Engineering Company, Inc., a Missouri corporation (Contractor). City and Contractor may be referred to individually as a "Party" or collectively as the "Parties" or the "Parties to this Agreement."

RECITALS

A. City desires to secure the design professional services more fully described in this Agreement, at Exhibit A, entitled "Scope of Services";

B. "Design professional" includes licensed architects, licensed landscape architects, registered professional engineers and licensed professional land surveyors;

C. Contractor represents that it, and its subcontractors, if any, have the professional qualifications, experience, necessary licenses and desire to provide any/or all professional services of the quality and type which meet objectives and requirements of City as set forth in this Agreement; and,

D. The Parties have specified herein the terms and conditions under which such services will be provided and paid for.

The Parties agree as follows:

AGREEMENT TERMS AND CONDITIONS

1. AGREEMENT DOCUMENTS

The documents forming the entire Agreement between City and Contractor shall consist of these Terms and Conditions and the following Exhibits, which are hereby incorporated into this Agreement by this reference:

Exhibit A – Scope of Services

Exhibit B – Schedule of Fees

Exhibit C – Insurance Requirements

Exhibit D – Labor Compliance Addendum (if applicable)

This Agreement, including the Exhibits set forth above, contains all the agreements, representations, and understandings of the Parties, and supersedes and replaces any previous agreements, representations, and understandings, whether oral or written. In the event of any inconsistency between the provisions of any of the Exhibits and the Terms and Conditions, the Terms and Conditions shall govern and control.

2. TERM OF AGREEMENT

Unless otherwise set forth in this Agreement or unless this paragraph is subsequently modified by a written amendment to this Agreement, the term of this Agreement shall begin on December 1, 2020, and terminate on November 30, 2025.

3. SCOPE OF SERVICES & PERFORMANCE SCHEDULE

Contractor shall perform those Services specified in Exhibit A within the time stated in Exhibit A or as more specifically defined in separate authorization/purchase orders for services. Time is of the essence.

A. All reports, costs estimates, plans and other documentation which are required deliverables to be submitted or furnished by Contractor shall be approved and signed by an appropriate qualified licensed professional in the State of California, as may be required by the specific deliverable.

B. The title sheet for specifications and reports, and each sheet of plans, shall bear the professional seal, certificate number, registration classification, expiration date of certificate and signature of the design professional responsible for their preparation.

4. WARRANTY

Contractor expressly warrants that all materials and services covered by this Agreement shall be fit for the purpose intended, shall be free from defect and shall conform to the specifications, requirements, and instructions upon which this Agreement is based. Contractor agrees to promptly replace or correct any incomplete, inaccurate, or defective Services at no further cost to City when defects are due to the negligence, errors or omissions of Contractor. If Contractor fails to promptly correct or replace materials or services, City may make corrections or replace materials or services and charge Contractor for the cost incurred by City.

5. QUALIFICATIONS OF CONTRACTOR - STANDARD OF CARE

Contractor represents and maintains that it has the material subject matter expertise in the professional calling necessary to perform the Services, and its

duties and obligations, expressed and implied, contained herein, and City expressly relies upon Contractor's representations regarding its skills and knowledge. Contractor shall perform such Services and duties in conformance to and consistent with the professional standards of a specialist in the same discipline in the State of California.

6. COMPENSATION AND PAYMENT

In consideration for Contractor's complete performance of Services, City shall pay Contractor for all deliverables provided and Services rendered by Contractor in accordance with Exhibit B, entitled "SCHEDULE OF FEES." The maximum compensation of this Agreement is Three Million Dollars and No/100 ($3,000,000), and subject to budget appropriations, which includes all payments that may be authorized for Services and for expenses required to perform the Services. All work performed or materials provided in excess of the maximum compensation, as authorized by this agreement, shall be at Contractor's expense. Contractor shall not be entitled to any payment above the maximum compensation under any circumstance.

7. TERMINATION

A. Termination for Convenience. City shall have the right to terminate this Agreement, without cause or penalty, by giving not less than Thirty (30) days' prior written notice to Contractor. Upon such termination, City shall pay Contractor for all reasonable expenses and charges outstanding for the portion of Services completed at the time of termination.

B. Termination for Default. If Contractor fails to perform any of its material obligations under this Agreement, in addition to all other remedies provided by law, City may terminate this Agreement upon written notice to Contractor and a 10-day opportunity to cure, if in City's opinion it is curable.

C. Upon termination, each Party shall assist the other in arranging an orderly transfer and close-out of services. As soon as possible following the notice of termination, but no later than ten (10) days after the notice of termination, Contractor will deliver to City all City information or material that Contractor has in its possession.

8. ASSIGNMENT AND SUBCONTRACTING

City and Contractor bind themselves, their successors and assigns to all covenants of this Agreement. This Agreement shall not be assigned or transferred without the prior written approval of City. Contractor shall not hire subcontractors without express written permission from City.

Contractor shall be fully responsible to City for the acts and omissions of its subcontractors, and of persons either directly or indirectly employed by them, in their performance of Services.

9. NO THIRD PARTY BENEFICIARY

This Agreement shall not be construed to be an agreement for the benefit of any third party or parties and no third party or parties shall have any claim or right of action under this Agreement for any cause whatsoever.

10. INDEPENDENT CONTRACTOR

Contractor and all person(s) employed by or contracted with Contractor to furnish labor and/or materials under this Agreement are independent contractors and do not act as agent(s) or employee(s) of City. Contractor has full rights to manage its employees in their performance of Services under this Agreement.

11. CONFIDENTIALITY OF MATERIAL

All ideas, memoranda, specifications, plans, manufacturing procedures, data, drawings, descriptions, documents, discussions or other information developed or received by or for Contractor and all other written information submitted to Contractor in connection with the performance of this Agreement shall be held confidential by Contractor and shall not, without the prior written consent of City, be used for any purposes other than the performance of the Services nor be disclosed to an entity not connected with performance of the Services. Nothing furnished to Contractor which is otherwise known to Contractor or becomes generally known to the related industry shall be deemed confidential.

12. OWNERSHIP OF MATERIAL

All material, which shall include, but not be limited to, data, sketches, tracings, drawings, plans, diagrams, quantities, estimates, specifications, proposals, tests, maps, calculations, photographs, reports, designs, technology, programming, works of authorship and other material developed, collected, prepared, or caused to be prepared under this Agreement shall be the property of City but Contractor may retain and use copies thereof. City shall not be limited in any way or at any time in its use of said material. However, Contractor shall not be responsible for damages resulting from the use of said material for work other than Project, including, but not limited to, the release of this material to third parties.

13. RIGHT OF CITY TO INSPECT RECORDS OF CONTRACTOR

City, through its authorized employees, representatives or agents shall have the right during the term of this Agreement and for four (4) years from the date of final payment for goods or services provided under this Agreement, to audit the books and records of Contractor for the purpose of verifying any and all charges made by Contractor in connection with Contractor compensation under this

Agreement, including termination of Contractor. Contractor agrees to maintain sufficient books and records in accordance with generally accepted accounting principles to establish the correctness of all charges submitted to City. Any expenses not so recorded shall be disallowed by City. Contractor shall bear the direct cost of the audit if the audit determines that there has been a substantial billing deviation in excess of five (5) percent adverse to the City.

Contractor shall submit to City mutually agreed upon reports concerning its performance under this Agreement that may be requested by City in writing. Contractor agrees to assist City in meeting City's reporting requirements to the State and other agencies with respect to Contractor's Services hereunder.

Audits, requested by the City, shall be conducted at Contractor's headquarters offices upon reasonable advance written notice from the City.

14. HOLD HARMLESS/INDEMNIFICATION

To the extent permitted by law, Contractor agrees to protect, defend, hold harmless and indemnify City, its City Council, commissions, officers, employees, volunteers and agents from and against any claim, injury, liability, loss, cost, and/or expense or damage, including all costs and attorney's fees in providing a defense to any such third-party claim or other action, and whether sounding in law, contract, tort, or equity, to the extent arising out of, pertaining to, or related to the negligence, recklessness, or willful misconduct of the Contractor, its employees, subcontractors, or agents in the performance, or non-performance, of Services under this Agreement.

15. INSURANCE REQUIREMENTS

During the term of this Agreement, and for any time period set forth in Exhibit C, Contractor shall provide and maintain in full force and effect, at no additional cost to City, insurance policies as set forth in Exhibit C.

16. WAIVER

Contractor agrees that waiver by City of any one or more of the conditions of performance under this Agreement shall not be construed as waiver(s) of any other condition of performance under this Agreement. Neither City's review, acceptance, nor payments for any of the Services required under this Agreement shall be constructed to operate as a waiver of any rights under this Agreement or of any cause of action arising out of the performance of this Agreement.

17. NOTICES

All notices to the Parties shall, unless otherwise requested in writing, be sent to City addressed as follows:

City of Santa Clara
Attention: *Dept. Name
1500 Warburton Avenue
Santa Clara, CA 95050
and by e-mail at SVPContracts@santaclaraca.gov, and
manager@santaclaraca.gov

And to Contractor addressed as follows:

Amy E. Bartak
Burns & McDonnell
140 S State College Blvd, Suite 100
Brea, CA 92821
and by e-mail at abartak@burnsmcd.com

The workday the e-mail was sent shall control the date notice was deemed given. An e-mail transmitted after 1:00 p.m. on a Friday shall be deemed to have been transmitted on the following business day.

18. COMPLIANCE WITH LAWS

Contractor shall comply with all applicable laws and regulations of the federal, state, and local government, including but not limited to "The Code of the City of Santa Clara, California" ("SCCC"). In particular, Contractor's attention is called to the regulations regarding Campaign Contributions (SCCC Chapter 2.130), Lobbying (SCCC Chapter 2.155), Minimum Wage (SCCC Chapter 3.20), Business Tax Certificate (SCCC section 3.40.060), and Food and Beverage Service Worker Retention (SCCC Chapter 9.60), as such Chapters or Sections may be amended from time to time or renumbered. Additionally, Contractor has read and agrees to comply with City's Ethical Standards (http://santaclaraca.gov/home/showdocument?id=58299).

19. CONFLICTS OF INTEREST

Contractor certifies that to the best of its knowledge, no City officer, employee, or authorized representative has any financial interest in the business of Contractor and that no person associated with Contractor has any interest, direct or indirect, which could conflict with the faithful performance of this Agreement. Contractor is familiar with the provisions of California Government Code section 87100 and following and certifies that to the best of its knowledge it does not know of any

facts which would violate these code provisions. Contractor will advise City if a conflict arises.

20. FAIR EMPLOYMENT

Contractor shall not discriminate against any employee or applicant for employment because of race, sex, color, religion, religious creed, national origin, ancestry, age, gender, marital status, physical disability, mental disability, medical condition, genetic information, sexual orientation, gender expression, gender identity, military and veteran status, or ethnic background, in violation of federal, state, or local law.

21. NO USE OF CITY NAME OR EMBLEM

Contractor shall not use City's name, insignia, or emblem, or distribute any information related to services under this Agreement in any magazine, trade paper, newspaper, or other medium without express written consent of City.

22. GOVERNING LAW AND VENUE

This Agreement shall be governed and construed in accordance with the statutes and laws of the State of California. The venue of any suit filed by either Party shall be vested in the state courts of the County of Santa Clara, or if appropriate, in the United States District Court, Northern District of California, San Jose, California.

23. SEVERABILITY CLAUSE

In case any one or more of the provisions in this Agreement shall, for any reason, be held invalid, illegal, or unenforceable in any respect, it shall not affect the validity of the other provisions, which shall remain in full force and effect.

24. AMENDMENTS

This Agreement may only be modified by a written amendment duly authorized and executed by the Parties to this Agreement.

25. COUNTERPARTS

This Agreement may be executed in counterparts, each of which shall be deemed to be an original, but both of which shall constitute one and the same instrument.

CONTINUED ON NEXT PAGE

The Parties acknowledge and accept the terms and conditions of this Agreement as evidenced by the following signatures of their duly authorized representatives.

EXHIBIT A
SCOPE OF SERVICES

The Services to be performed for the City by the Contractor under this Agreement are set forth below.

The Contractor shall perform plan implementation/project management services as requested by the City to support capital, operations, and maintenance projects including but not limited to:

- Act as project manager for the following activities:
  - Project permitting including support of CEQA determinations
  - Land acquisition
  - Project design and preparation of Plans, Specifications and Engineer's Estimate
  - Bid support
  - Construction support
  - Record drawings and Project Closeout
- System planning for electric utility distribution and transmission systems
- Distribution and transmission line conceptual design, feasibility, and permitting.
- Substation conceptual and/or detail design, feasibility, and permitting.
- Support with substation communications, protection, and control systems.
- Assist with third party plan submissions such as WECC, CAISO, and PG&E.
- Conduct load flow, short circuit studies and arc flash studies as needed.
- Conduct Distributed Energy Resource interconnection studies as needed.
- Assess existing design standards and recommend revisions or new standards (which requires additional terms and conditions).
- Assess existing maintenance practices or standards and recommend revisions or create new standards (which requires additional terms and conditions).
- Provide drafting support as needed.

Work may be assigned to the Contractor through the evaluation of a Call for Proposal (CFP) or via direct assignment. The Contractor shall not begin any work unless a Purchase Order (PO) has been issued by the City for that particular work. The invoice is to include the PO number, paid amount to date and remaining Agreement amount.

The Contractor shall conduct all necessary meetings and interviews, keep minutes and interview summaries as requested, and provide copies to the City.

When requested by the City, the Contractor and subcontractors shall utilize e-Builder, a web-based project management tool, or City's designated replacement for projects assigned under this agreement. Access to the project management tool, as well as associated training, will be provided by the City at no cost to the Contractor or its subcontractors. Contractor and subcontractors shall have the responsibility for utilizing the project management tool as necessary for the following: invoice submittal, potential change order submittals, change orders, Request for Information (RFI) submittals, correspondence, assigned tasks and other matters that transpire on the

site as directed by City. All documents (including as built drawings) shall be converted or scanned into the Portable Document Format (PDF) file and uploaded to e-Builder.

At the conclusion of each project, the Contractor shall provide electronic copies of all final reports, worksheets, system studies and data associated with this project to SVP in (but not limited to) .pdf, .docx, .xlsx, .xml, .dwf, .dwg, .sav formats as applicable and that are not proprietary in nature. If work is complete in PowerWorld, Contractor to ensure the deliverable is provided in proper and functional GE PSLF format as well.

EXHIBIT B
SCHEDULE OF FEES

Contractor will bill City on a monthly basis for Services provided by Contractor during the preceding month on an invoice and in a format approved by City and subject to verification and approval by City. City will pay Contractor within thirty (30) days of City's receipt of an approved invoice.

This is a time and materials contract with a total not-to-exceed amount of $3,000,000.

All labor and expense rates shall have an annual escalation of 2% starting on December 1, 2021, and every subsequent December 1st through the duration of the Agreement. Contractor to provide City with an updated rate schedule on or before each December 1 deadline.

Any work requiring overtime rates shall be expressly identified and approved in writing by the City prior to the work commencing.

Contractor will bill City on one of the following pricing methods as set forth in each PO:

1. monthly on a time and materials basis upon the hourly rate sheet provided below for Services provided by Contractor during the preceding month on an invoice and in a format approved by City and subject to verification and approval by City; or

2. A lump sum basis with milestone payment schedule as agreed by the parties.

City will pay Contractor within thirty (30) days of City's receipt of an approved invoice.

Projects billed on an hourly basis will be billed according to the rate sheet below, which is valid from December 1, 2020, through November 30, 2021 (and subject to the annual escalation noted hereinabove):

Job Title	Hourly Rate	Over-time Rate
Associate – 14 or above	$ 241.75	$ 241.75
Senior – 13	$ 222.75	$ 222.75
Senior – 12	$ 208.25	$ 208.25
Staff – 11	$ 190.00	$ 285.00
Staff – 10	$ 171.50	$ 257.25
Assistant – 9	$ 155.50	$ 233.25
Assistant – 8	$ 134.50	$ 201.75
Assistant – 7	$ 97.75	$ 146.63
Technician – 6	$ 85.25	$ 127.88
General Office – 5	$ 69.00	$ 103.50

Notes:

1. Subcontractors billed at cost plus 10%.
2. Travel Expenses billed at cost plus 10%.
3. Contract/Agency Personnel shall be billed according to rates listed above as if such personnel are a direct employee of Burns & McDonnell. "Contract/Agency Personnel" shall mean personnel utilized at the discretion of Contractor to provide services on the project that are not directly employed by Burns & McDonnell as defined at law but are on loan from another employer through a contract or purchase order, including personnel from Burns & McDonnell's subsidiaries and affiliates (including Burns & McDonnell International Inc. and Burns & McDonnell Engineering India Pvt. Ltd). Such contracts and purchase orders are not "Subcontracts" as used herein and are not subject to 10% markup. All Contract/Agency Personnel shall be considered agents of Contractor, and able to act on behalf of Contractor within the scope of the authority granted such Contract/Agency Personnel according to job function and billing classification.
4. Nonexempt personnel in levels 5 through 11 may be billed at the overtime rates listed above.
5. Equipment utilized for the services will be outlined in a given scope of services and priced accordingly.

EXHIBIT C
INSURANCE REQUIREMENTS

Prior to commencing any of the Services required under this Agreement, the Contractor shall provide and maintain in full force and effect during the period of performance of the Agreement and for twenty-four (24) months following acceptance by the City, at its sole cost and expense, the following insurance policies from insurance companies authorized to do business in the State of California. These policies providing additional insured coverage shall be primary insurance as to the City of Santa Clara so that any other coverage held by the City shall not contribute to any loss under Contractor's insurance. The required coverages, provisions and endorsements are as follows:

A. COMMERCIAL GENERAL LIABILITY INSURANCE

1. Commercial General Liability Insurance policy which provides coverage at least as broad as Insurance Services Office form CG 00 01. Policy limits are subject to review, but shall in no event be less than, the following:

   $1,000,000 Each Occurrence
   $2,000,000 General Aggregate
   $2,000,000 Products/Completed Operations Aggregate
   $1,000,000 Personal Injury

2. Exact structure and layering of the coverage shall be left to the discretion of Contractor; however, any excess or umbrella policies used to meet the required limits shall be as broad as the underlying coverage and shall otherwise follow form.

3. The following provisions shall apply to the Commercial Liability policy as well as any umbrella/excess policy maintained by the Contractor to comply with the insurance requirements of this Agreement:

   a. Coverage shall be on a "pay on behalf" basis with defense costs payable in addition to policy limits;

   b. There shall be no cross-liability exclusion which precludes coverage for claims or suits by one insured against another; and

   c. Coverage shall apply separately to each insured against whom a claim is made, or a suit is brought, except with respect to the limits of liability.

B. BUSINESS AUTOMOBILE LIABILITY INSURANCE

C. Business automobile liability insurance policy which provides coverage as broad as ISO form CA 00 01 with policy limits a limit of one million dollars ($1,000,000)

each accident. Liability coverage shall apply to all owned (if any), non-owned and hired autos.

D. Not Used.

E. WORKERS' COMPENSATION

1. Workers' Compensation Insurance Policy as required by statute and employer's liability with limits of one million dollars ($1,000,000) policy limit Bodily Injury by disease, one million dollars ($1,000,000) each accident/Bodily Injury and one million dollars ($1,000,000) each employee Bodily Injury by disease.

2. This policy must include a Waiver of Subrogation in favor of the City of Santa Clara, its City Council, commissions, officers, and employees.

F. PROFESSIONAL LIABILITY

Professional Liability or Errors and Omissions Insurance as appropriate shall be written on a policy form coverage specifically designed to protect against negligent acts, errors or omissions of the Contractor. Covered services as designated in the policy must specifically include work performed under this agreement. Coverage shall be in an amount of one million dollars ($1,000,000) per claim or two million dollars ($2,000,000) aggregate. Any coverage containing a deductible or self-retention shall be the responsibility of Contractor.

G. COMPLIANCE WITH REQUIREMENTS

All of the following clauses and/or endorsements, or similar provisions, must be part of each commercial general liability policy, and each umbrella or excess policy.

1. Additional Insureds. City of Santa Clara, its City Council, commissions, officers, and employees are hereby added as additional insureds in respect to liability caused by Contractor's work for City, using Insurance Services Office (ISO) Endorsement CG 20 10 07 04 and CG 20 37 07 04, or its equivalent.

2. Primary and non-contributing. Each general liability and umbrella/excess insurance policy provided by Contractor to satisfy the requirements herein, shall contain language or be endorsed to contain wording making it primary insurance as respects to, and not requiring contribution from, any other insurance which the additional insureds may possess, including any self-insurance or self-insured retention they may have. Any other insurance the additional insureds may possess shall be considered excess insurance only and shall not be called upon to contribute with Contractor's insurance.

3. Cancellation.

a. Each insurance policy shall contain language or be endorsed to reflect that no cancellation of the coverage provided due to non-payment of premiums shall be effective until written notice has been given to City at least ten (10) days prior to the effective date of such cancellation. In the event of non-renewal, written notice shall be given at least ten (10) days prior to the effective date of non-renewal.

b. Each insurance policy shall contain language or be endorsed to reflect that no cancellation of the coverage provided for any cause save and except non-payment of premiums shall be effective until written notice has been given to City at least thirty (30) days prior to the effective date of such cancellation. In the event of non-renewal, written notice shall be given at least thirty (30) days prior to the effective date of non-renewal.

4. Other Endorsements. Other endorsements may be required for policies other than the commercial general liability policy if specified in the description of required insurance set forth in Sections A through E of this Exhibit C, above.

H. ADDITIONAL INSURANCE RELATED PROVISIONS

Contractor and City agree as follows:

1. Contractor agrees to use commercially reasonable efforts to require that subcontractors, and any other party involved with the Services, who is brought onto or involved in the performance of the Services by Contractor, provide the same insurance coverage required of Contractor, except as with respect to limits. Contractor agrees to monitor and review all such coverage and assumes all responsibility for ensuring that such coverage is provided in conformity with the requirements of this Agreement. Contractor agrees that upon request by City, all agreements with, and insurance compliance documents provided by, such subcontractors and others engaged in the project will be submitted to City for review.

2. No contract used by any party involved in any way with the project reserves the right to charge City or Contractor for the cost of additional insurance coverage required by this Agreement. Any such provisions are to be deleted with reference to City. It is not the intent of City to reimburse any third party for the cost of complying with these requirements in excess of the contract price paid to Contractor under this Agreement. There shall be no recourse against City for payment of premiums or other amounts with respect thereto.

3. The City reserves the right to withhold payments from the Contractor in the event of material noncompliance with the insurance requirements set forth in this Agreement.

I. EVIDENCE OF COVERAGE

Prior to commencement of any Services under this Agreement, Contractor shall, at its sole cost and expense, provide and maintain the insurance coverage with the endorsements indicated in this Agreement. Such insurance coverage shall be maintained with insurers, and under types of policies, reasonably satisfactory to City and as described in this Agreement. Contractor shall file with the City all certificates and relevant endorsements for the required insurance policies for City's approval as to adequacy of the insurance protection.

J. EVIDENCE OF COMPLIANCE

Contractor or its insurance broker shall provide the required proof of insurance compliance, consisting of relevant Insurance Services Office (ISO) endorsement forms or their equivalent and the ACORD form 25-S certificate of insurance (or its equivalent), evidencing all required coverage shall be delivered to City, or its representative as set forth below, at or prior to execution of this Agreement. Unless otherwise required by the terms of this Agreement, all certificates, relevant endorsements, coverage verifications and other items required to be delivered to City pursuant to this Agreement shall be emailed to: ctsantaclara@ebix.com

Or mailed to:

EBIX Inc.
City of Santa Clara Electric Department
P.O. Box 100085 – S2
Duluth, GA 30096

Telephone number: 951-766-2280

K. QUALIFYING INSURERS

All of the insurance companies providing insurance for Contractor shall have, and provide written proof of, an A. M. Best rating of at least A minus 6 (A- VI) or shall be an insurance company of equal financial stability that is approved by the City or its insurance compliance representatives.

AMENDMENT NO. 1
TO THE AGREEMENT FOR DESIGN PROFESSIONAL SERVICES
BETWEEN THE
CITY OF SANTA CLARA, CALIFORNIA,
AND
BURNS & MCDONNELL WESTERN ENTERPRISES, INC.

PREAMBLE

This agreement ("Amendment No. 1") is entered into between the City of Santa Clara, California, a chartered California municipal corporation (City) and Burns & McDonnell Western Enterprises, Inc., a California corporation, (Contractor). City and Contractor may be referred to individually as a "Party" or collectively as the "Parties."

RECITALS

A. The Parties previously entered into an agreement entitled "Agreement for Design Professional Services Between the City of Santa Clara, California, and Burns & McDonnell Engineering Company, Inc.," dated August 16, 2021, for the purpose of having Contractor provide plan implementation/project management services; and

B. On October 28, 2025, the Parties executed a Consent to Assignment Agreement by and Between the City of Santa Clara, California and Burns & McDonnell Western Enterprises, Inc.; and

C. The Parties now wish to amend the Agreement to extend the term and update the rates schedule in Exhibit B.

NOW, THEREFORE, the Parties agree as follows:

AMENDMENT TERMS AND CONDITIONS

1. Section 2 of the Agreement, entitled "Term of Agreement" is amended to read as follows:

   "Unless otherwise set forth in this Agreement or unless this paragraph is subsequently modified by a written amendment to this Agreement, the term of this Agreement shall begin on December 1, 2020, and terminate on November 30, 2027.The Parties agree that this Agreement did not expire on the previous expiration date of November 30, 2025, and it remains valid through the new expiration date set forth in this Amendment No. 1."

Docusign Envelope ID: 37006E9B-09E6-44EF-8C1A-5B1DC2815A52

2. Exhibit B of the Agreement, entitled "SCHEDULE OF FEES", is deleted in its entirety and replaced with "FIRST REVISED EXHIBIT B SCHEDULE OF FEES" attached hereto and incorporated into the Agreement as amended.

3. Except as set forth herein, all other terms and conditions of the Agreement shall remain in full force and effect. In case of a conflict in the terms of the Agreement and this Amendment No. 1, the provisions of this Amendment No. 1 shall control.

The effective date of this Amendment No. 1 is the date of City's execution of this amendment.

FIRST REVISED EXHIBIT B
SCHEDULE OF FEES

Contractor will bill City on a monthly basis for Services provided by Contractor during the preceding month on an invoice and in a format approved by City and subject to verification and approval by City. City will pay Contractor no later than thirty (30) days after approval of an invoice by City staff.

This is a time and materials contract with a total not-to-exceed amount of $3,000,000.

All labor and expense rates shall have an annual escalation of 2% starting on December 1, 2021, and every subsequent December 1st through the first five years of the Agreement. Contractor may increase rates annually beginning December 1, 2026, by the lesser of 5% or a percentage amount not to exceed the percent change of the preceding 12 month period in the Consumer Price Index for all Urban Customers, selected items, not seasonally adjusted as published by the U.S. Bureau of Labor Statistics at https://www.bls.gov/cpi or successor site. In no event shall such increase exceed 5% annually. Contractor shall notify the City ninety (90) days in advance of any proposed rate increase. Any rate increases are subject to approval by the City and must be substantiated by the Contractor to the satisfaction of the City. Contractor to provide City with an updated rate schedule on or before each December 1 deadline.

Any work requiring overtime rates shall be expressly identified and approved in writing by the City prior to the work commencing. Contractor will bill City on one of the following pricing methods as set forth in each PO:

1. monthly on a time and materials basis upon the hourly rate sheet provided below for Services provided by Contractor during the preceding month on an invoice and in a format approved by City and subject to verification and approval by City; or

2. A lump sum basis with milestone payment schedule as agreed upon by the parties.

City will pay Contractor no later than thirty (30) days after approval of an invoice by City staff.

Projects billed on an hourly basis will be billed according to the rate sheets below, (and subject to the annual escalation noted hereinabove):

3. Contract/Agency Personnel shall be billed according to rates listed above as if such personnel are a direct employee of Burns & McDonnell. "Contract/Agency Personnel" shall mean personnel utilized at the discretion of Contractor to provide services on the project that are not directly employed by Burns & McDonnell as defined at law but are on loan from another employer through a contract or purchase order, including personnel from Burns & McDonnell's subsidiaries and affiliates (including Burns & McDonnell International Inc. and Burns & McDonnell Engineering India Pvt. Ltd). Such contracts and purchase orders are not "Subcontracts" as used herein and are not subject to 10% markup. All Contract/Agency Personnel shall be considered agents of Contractor, and able to act on behalf of Contractor within the scope of the authority granted such Contract/Agency Personnel according to job function and billing classification.
4. Nonexempt personnel in levels 5 through 11 may be billed at the overtime rates listed above.
5. Equipment utilized for the services will be outlined in a given scope of services and priced accordingly.

20-854 Agenda Date: 10/13/2020

REPORT TO COUNCIL

SUBJECT
Action on Master Agreements for Silicon Valley Power on System Capacity Expansion Planning including Delegation of Authority for Capital Project Implementation and General Engineering Support [Council Pillar: Deliver and Enhance High Quality Efficient Services and Infrastructure]

BACKGROUND
As discussed as part of Silicon Valley Power's (SVP) quarterly Council update, electrical demand in the City is expected to increase over the next decade. To meet the electrical demand from future growth requires additional support from consultants for a variety of services including:

- Creating a detailed System Expansion Plan
- Design of Transmission line and Substation installations and upgrades
- Implementation management for Capital Improvement Projects
- General engineering support for maintenance of existing assets

DISCUSSION
SVP is looking for engineering support in three (3) areas: System Expansion Planning, General Consulting, and Plan Implementation.

System Expansion Plan
SVP's electric load has increased by more than 20% over the last decade and based on executed agreements and upcoming development, SVP's current system will need major upgrades to accommodate the increase of demand over the five to ten years.

A System Expansion Plan will consist of a short term and long-term capital improvement plan to accommodate the additional electric load growth due to new development in Santa Clara (Data Centers and Residential Projects). The consultant will also review and provide the basis for updating the Load Development Fee to ensure the recovery of costs incurred by the City in modifying its electrical infrastructure to support load growth due to the new development.

General Consulting Services
Based on newly executed agreements and current developer negotiations, SVP could add seven new substations over the next five years to its electrical system. Utilities the size of SVP do not have sufficient internal staff for such a large engineering project and requires the aid of consultants to engineer plans to meet the projected electric load growth. In addition to the existing projects, the consulting services will be utilized to create detailed engineering design plans based on the System Expansion Plan's guidance.

Plan Implementation Services
With the increase in capital projects comes the need for additional implementation services workforce which will support the design, plan implementation and project management of the Transmission and Substation construction.

On December 5, 2019, staff requested Statement of Qualification (SOQ) to solicit proposals from qualified firms for consulting services associated with SVP System Expansion Plan. The SOQ was published on BidSync, the City's e-procurement system. Eleven proposals were received from the following firms:

- 1898 & Co. (Kansas City, MO)
- Advisian Worley Group (Folsom, CA)
- AECOM (Oakland, CA)
- Electrical Consultants, Inc. (Billings, MT)
- EN Engineering LLC (Warrenville, IL)
- Flynn Resource Consultants Inc. (Discovery Bay, CA)
- Leidos Engineering, LLC (Hendersonville, TN)
- Power Engineers (Anaheim, CA)
- Stantec Consulting Services Inc. (Walnut Creek, CA)
- TRC Solutions, Inc. (Mountain View, CA)
- ZGlobal, Inc. (Folsom, CA)

Evaluation Process: Proposals were evaluated and scored independently by a five-member evaluation team against the criteria and weights published in the SOQ. Follow-up oral interviews were conducted with the companies submitting the highest scoring proposals for each of the three areas.

Award Recommendation: Staff recommends award of the System Expansion Plan contract to Electrical Consultants, Inc. (ECI) as the most qualified firm per the evaluation criteria set forth in the SOQ.

Staff recommends award of General Consulting Services contracts to Advisian Worley Group, TRC Solutions, Inc., Leidos Engineering, LLC, Flynn Resource Consultants, Inc. and EN Engineering LLC.

Staff recommends award of Plan Implementation Services contracts to 1898 & Co., TRC Solutions, Inc., Electrical Consultants, Inc., AECOM Technical Services, Inc., and Stantec Consulting Services Inc.

Notice of Intended Award: Notice of Intended Award (NOIA) announcing the City's recommended vendors for each service area were issued on August 28, 2020 and August 31, 2020.

Term of Agreements: The term of the proposed System Expansion Plan Agreement will be fourteen (14) months to deliver the System Expansion Plan. The term of the General Consulting Services and Plan Implementation Services Master Agreements will be five (5) years each.

Cost Summary: Staff is requesting that the Council 1) authorize the City Manager or their designee to execute the Agreement with ECI for a total amount not to exceed $850,000 which will allow for the development of a System Expansion Plan, 2) delegate authority to the City Manager or their

designee to negotiate and execute Master Service Agreements with Advisian Worley Group, TRC Solutions, Inc., Leidos Engineering, LLC, Flynn Resource Consultants, Inc. and EN Engineering LLC for General Consulting Services in an amount not to exceed $2,000,000 per agreement and 3) delegate authority to the City Manager or their designee to negotiate and execute Master Service Agreements with 1898 & Co., TRC Solutions, Inc., Electrical Consultants, Inc., AECOM Technical Services, Inc., and Stantec Consulting Services Inc. for Plan Implementation Services in an amount not to exceed $3,000,000 per agreement.

ENVIRONMENTAL REVIEW

The actions being considered do not constitute a “project” within the meaning of the California Environmental Quality Act (“CEQA”) pursuant to CEQA Guidelines section 15378 (b)(4) in that it is a fiscal activity that does not involve commitment to a specific project which may result in potential significant impact on the environment.

FISCAL IMPACT

The total cost of the proposed agreement with Electrical Consultants, Inc. (ECI) to perform work on the System Expansion Plan shall not exceed $850,000. Funding for this agreement was included as part of the Adopted Biennial FY 2020/21 and 2021/22 Capital Improvement Program Budget in the New Business Estimate Work CIP project.

For general consulting services, compensation for the five Master Agreements shall not exceed $2,000,000 per agreement over the period of five years. Funding for years one and two of the agreements is available in the Adopted Biennial FY 2020/21 and 2021/22 Capital Improvement Program Budget in various Electric Utility Capital Improvement Projects:

- System Capacity Expansion
- New Business Estimate Work
- Operations and Planning Technology
- Clean Energy and Carbon Reduction
- Renewable Energy Microgrid

For plan implementation services, compensation for the five Master Agreements shall not exceed $3,000,000 per agreement over the period of five years. Funding for years one and two of the agreements is available in the Adopted Biennial FY 2020/21 and 2021/22 Capital Improvement Program Budget in various Electric Utility Capital Improvement Projects:

- Esperanca Substation
- Homestead Substation Rebuild
- Oaks Junction
- San Tomas Junction
- Laurelwood Substation
- System Capacity Expansion
- NRS Breaker 382 Addition

Funds required for these agreements in future years are subject to budget appropriations and will be incorporated into the budget development process for those years.

COORDINATION
This report has been coordinated with the Finance Department and City Attorney's Office.

PUBLIC CONTACT
Public contact was made by posting the Council agenda on the City's official-notice bulletin board outside City Hall Council Chambers. A complete agenda packet is available on the City's website and in the City Clerk's Office at least 72 hours prior to a Regular Meeting and 24 hours prior to a Special Meeting. A hard copy of any agenda report may be requested by contacting the City Clerk's Office at (408) 615-2220, email clerk@santaclaraca.gov <mailto:clerk@santaclaraca.gov>.

RECOMMENDATION
1. Authorize the City Manager to execute the System Expansion Plan Agreement with Electrical Consultants, Inc. in an amount not to exceed $850,000;
2. Delegate Authority to the City Manager to negotiate and execute Master Service Agreements with Advisian Worley Group, TRC Solutions, Inc., Leidos Engineering, LLC, Flynn Resource Consultants, Inc. and EN Engineering LLC for General Consulting Services in an amount not to exceed $2,000,000 per agreement over the five year terms of the agreements, subject to the appropriations of funds;
3. Delegate Authority to the City Manager to negotiate and execute Master Service Agreements with 1898 & Co., TRC Solutions, Inc., Electrical Consultants, Inc., AECOM Technical Services, Inc., and Stantec Consulting Services Inc. for Plan Implementation Services in an amount not to exceed $3,000,000 per agreement over the five-year terms of the agreements, subject to the appropriation of funds; and
4. Authorize the City Manager or their designee, to add or delete services consistent with the scope of the agreements, and allow future rate adjustments subject to request and justification by contractor, approval by the City, and the appropriation of funds.

Reviewed by: Manuel Pineda, Chief Electric Utility Officer
