Subject: Agenda Item #4: Illegal Fence

[You don't often get email from dijoryan@aol.com. Learn why this is important at <https://aka.ms/LearnAboutSenderIdentification>]

It was gratifying that the Planning Department recommended denial of a variance for the 6 foot wrought iron fence. However, the fence already exists and thus some Questions remain:

- 1) Will the owners be required to remove the fence?
- 2) Who will be responsible for seeing that it is removed?
- 3) What is the timeline for removal?
- 4) What are the penalties if it is not removed in a timely manner?

We neighbors have waited over ONE YEAR for a resolution to this issue, and we hope there will be answers to the above questions.

Thank you, Diann Ryan
