Dear Council,

As you know the SC Parade of Champions is an awesome community event that has brought so much joy to all. It has been a great success in bringing it back to our Downtown the last 3 years. Thank you for your support that has made it possible to carry on this great tradition. We ask and hope that you will consider supporting us again this year by providing the city services needed to put on the Parade this October.

Thank you
Patti Allmon

The Santa Clara Parade of Champions is a wonderful community building event. It provides clubs, non-profits, schools, churches, civil services - everyone, the chance to participate in this yearly parade. Young or old can participate or relax and enjoy the music and visuals. It would greatly help if the city could provide some essential services to help keep the event running smoothly and safely. Thank you.
