BE IT RESOLVED BY THE CITY OF SANTA CLARA AS FOLLOWS:

WHEREAS, pursuant to Sections 10107 and 10108 of Chapter 2, Division 12 of the Streets and Highways Code of the State of California, and Chapter 26 of Part 3 of Division 7 of said Code, all as provided in Chapter 16.10 of the Code of the City of Santa Clara, on the 30th day of March, 1965, this Council adopted its Resolution No. 1581, a Resolution creating "City of Santa Clara Parking Maintenance District No. 122" ("Parking Maintenance District") in the City for the purpose of paying the costs and expenses of acquiring, constructing, reconstructing, installing, extending, enlarging, repairing, improving, maintaining and operating public automobile parking places, covered pedestrian lanes and walkways, fountains, and landscaping therein then existing or thereafter to be constructed in and for the Parking Maintenance District, and of benefit to said maintenance district, but not of benefit to the City of Santa Clara as a whole, including the cost of necessary repairs, replacements, water, fuel, power, gas, electric current, care, supervision and any and all other items necessary for the proper maintenance and operation thereof, and all additions, improvements and enlargements thereto which may thereafter be made;

WHEREAS, said proceedings provided that this Council shall, in addition to all other taxes, annually fix and levy a special assessment tax upon the real property (land and improvements) within the Parking Maintenance District as therein provided, sufficient to raise a determined amount of money to pay all or part of said costs of maintenance and operation;

//

WHEREAS, the Council shall decide whether or not the costs of maintenance and operation of said public improvements shall be borne wholly or partially by the property owners within said Parking Maintenance District;

WHEREAS, on the 8th day of April, 1980, this Council adopted its Ordinance No. 1401 providing for an alternative method for annually fixing and levying a special benefit assessment within maintenance districts within the City for said purpose;

WHEREAS, on the 16th day of January, 1996, this Council adopted its Resolution No. 6105 ordering that seventy-five (75%) percent of the costs and expenses of maintaining and operating said public improvements beginning with fiscal year 1996-97, within the Parking Maintenance District, including the cost of necessary repairs, replacements, water, fuel, power, gas, electric current, care, supervision and any and all other items necessary for the proper maintenance and operation thereof shall annually be assessed either partly or wholly upon the lots and parcels of property within the Parking Maintenance District benefited thereby in accordance with the formula set forth, and that the City shall be responsible for the balance of the costs and expenses;

WHEREAS, on June 26, 1996, sufficient Ballots were received to approve the continuation of the Parking Maintenance District;

WHEREAS, on the 9th day of July, 2002, this Council, after a public hearing on the determination of the allocation of maintenance and operation costs and annual assessments, passed a motion wherein, due to the benefit to the public and the City of the improvements, the City assumed all future costs for operation and maintenance of Parking Maintenance District No. 122 and the property owners would contribute \$14,200 annually, less earned interest on the accumulating balance, to pay for capital repairs of the parking lots and associated walkways;

WHEREAS, procedures of approval require the preparation of a Report on how the assessments were prepared and based, notice of hearing, and public hearing on the annual assessments;

WHEREAS, this Council intends to order an alternative method by which annual assessment levies for the payment of said costs and expenses will be apportioned according to special benefits among the several lots or parcels of property within the Parking Maintenance District pursuant to Section 16.10.490 and 16.10.500 of the Code of the City of Santa Clara;

WHEREAS, the City’s Director of Public Works has made and filed with the City Clerk a written report (“Report”) setting forth the budget, the formula for the annual assessment levy, a description of each lot or parcel of property to be assessed and the amount of the assessment to be levied against each lot or parcel of property in accordance with said formula; and,

WHEREAS, said Council has duly considered said report and each and every part thereof, and finds that each and every part of said report is sufficient, and that neither said report, nor any part thereof requires or should be modified in any respect.
