Dear respected Mayor, all council members and staff

A lot of concerned residents plan to show up for the council meeting tomorrow, for Agenda #5. We want to share a youtube video from a realtor at the link below. Since we won't have enough time tomorrow, we would appreciate if you could watch this video beforehand.

This is a very educational video and the concerns shared resonate with residents.

We urge you all to please keep in mind the interest and concerns of the residents while making a decision.

Thanks for your time and help
Regards
Preetika (and residents from Santa Clara)
