David Mooso, Vice President of the Santa Clara Lawn Bowls Club spoke to the Commission about the potential option to move the lawn bowls green to Fremont Park. There are currently several parks under construction that developers will be dedicating to the City in the coming months. Some of those parks include two in the Tasman East Specific Plan area, and a two-acre park near the intersection of Coleman Ave and Brokaw Rd. Agenda Report

24-1089

Agenda Date: 11/25/2024

REPORT TO PARKS & RECREATION COMMISSION

SUBJECT

Discussion of a Parks & Recreation Commission 2025 Calendar of Meetings

BACKGROUND

City Charter Section 1003 states that each of the boards and commissions of the City shall hold regular meetings as required by ordinance. City Code Section 2.120.030 states that each board or commission shall hold regular meetings at the times and on the days indicated by resolution of the City Council, and that such resolutions may be amended from time to time by further Council resolution. In 1987, the City Council adopted Resolution No. 5195 to set the dates and times of Parks & Recreation Commission (Commission) meetings (Attachment 1).

On November 15, 2022, the City Council adopted Resolution No. 22-9158 (Attachment 2) to amend Resolution No. 19-8664 (Attachment 3) to establish the Parks & Recreation Commission meeting schedule as 11 meetings per year to be held on the third Tuesday of each month and to change the meeting time from 7:30 p.m. to 7:00 p.m. On June 25, 2024, the City Council adopted Resolution No. 24-9337 (Attachment 4) to change the day of the Commission's regular meetings from the third Tuesday of each month to the second Monday of each month at 7 p.m. to avoid conflict with scheduled City Council meetings. The purpose of this item is to recommend a proposed 2025 calendar of meetings for the Commission.

DISCUSSION

It is the responsibility of the Commission to recommend an annual calendar of meetings to the City Council for adoption of an amended resolution. In accordance with past practice, should a regular meeting fall on a City holiday, the meeting is to be scheduled for the following non-holiday Monday. In 2025, Indigenous People's Day Holiday will fall on the second Monday; consequently, the proposed 2025 calendar provides for a meeting on the third Monday (October 20, 2025).

Enclosed is a proposed 2025 calendar of meetings for the Commission's consideration (Attachment 5). This calendar includes ten (10) meetings to be held on the second Monday of each month at 7:00 p.m. with one (1) meeting on the third Monday in October. No meeting is proposed for the month of December.

Upon approval of a proposed calendar by the Commission, the item would move forward with a recommendation that the City Council adopt an amended resolution to set the day and time of the Commission's 2025 meetings as recommended by the Commission.

ENVIRONMENTAL REVIEW

The action being considered does not constitute a "project" within the meaning of the California Environmental Quality Act ("CEQA") pursuant to CEQA Guidelines section 15378(b)(5) in that it is a

governmental organizational or administrative activity that will not result in direct or indirect changes in the environment.

PUBLIC CONTACT

Public contact was made by posting the Park & Recreation Commission agenda on the City's official notice bulletin board outside City Hall Council Chambers. A complete agenda packet is available on the City's website and in the City Clerk's Office at least 72 hours prior to a Regular Meeting and 24 hours prior to a Special Meeting. A hard copy of any agenda report may be requested by contacting the City Clerk's Office at 408-615-2220, email clerk@santaclaraca.gov <<mailto:clerk@santaclaraca.gov>>.

RECOMMENDATION

It is recommended that the Commission recommend that the City Council adopt the proposed 2025 calendar of meetings for the Parks and Recreation Commission.

SUBJECT

Approval of a Grant from the Wade Brummal Youth Sports Scholarship Program in the Amount of \$17,575 to Reimburse Santa Clara Westside Little League for Eligible Expenses Related to the 2024 Spring Season.

COUNCIL PILLAR

Enhance Community Sports, Recreation & Arts Assets
Enhance Community Engagement and Transparency

BACKGROUND

The Wade Brummal Youth Sports Scholarship Program (Scholarship Program) was established in memory of Santa Clara resident and youth sports enthusiast, Wade Brummal (Attachment 1). The intention of the Scholarship Program is to promote the participation of Santa Clara youth in organized sports programming by providing qualified organizations with the opportunity to obtain grants to offset the costs of fees, equipment, and other related program costs. Since 2016, a total of 27 grants have been allocated from the Scholarship Program for a total grant amount of \$100,893 (Attachment 2).

The purpose of this report is to present the grant request from the Santa Clara Westside Little League for reimbursement of eligible expenses in the amount of \$17,575 related to their 2024 spring season. Per the Scholarship Program grant guidelines, this level of award is subject to the review and approval of the Parks & Recreation Commission (Commission).

DISCUSSION

Overview of Wade Brummal Youth Sports Scholarship Program

Each local youth sports organization that uses a City Parks & Recreation facility and/or field is required to pay a \$25 fee for every non-resident youth participant in their program. To document the fee, each organization is required to provide seasonal rosters that identify non-resident players.

In return, those same groups are eligible to apply for a grant from the Scholarship Program to support the participation of Santa Clara youth who are unable to afford program fees or equipment. Grant requests are submitted by youth sports organizations and are evaluated by the Parks & Recreation Department for eligibility based on the following guidelines:

1. The organization must be a City of Santa Clara non-profit, sports, or school organization, serving youth 18 years and under, and have participated in the payment of non-resident youth participant fees;
2. Grant funds must be used to cover registration and/or participation fees, enhanced services, training, equipment, facilities, or other expenses related to the sport, league, or activity;
3. In general, requests are limited to no more than one request per organization, per sport/per

season, with a \$500 limit per request; and

4. Larger grant amounts may be considered, provided the Scholarship Program has sufficient funds. Requests larger than \$500 must be reviewed and approved by the Parks & Recreation Commission.

Priorities of Funding

The current policy establishes the following priorities when considering grant requests:

1. Participant Scholarships - Reimbursement of a youth sports organization's direct financial assistance to support disadvantaged residents to participate in the sport (i.e., league registration fees, participation, etc.). Individuals must be qualifying residents of the City of Santa Clara (as defined in Policy and Procedures 1.8).
2. Relevant program costs - Reimbursement for new equipment, field repairs, capital projects, and maintenance costs (only available if fund balance exceeds \$15,000 in a year).
3. Reimbursement of costs related to additional competition expenses (e.g., travel). Grants of this nature will be reviewed by the Parks & Recreation Commission on a case-by-case basis for recommendation of approval.
4. Non-contributing Santa Clara-based youth sports organizations and programs are also eligible to request funds based on fund availability. Requests must be made to the Parks and Recreation Commission for approval.
5. Contributions to the fund do not constitute a guarantee of funding.

Once a grant is approved by staff or the Parks & Recreation Commission, payments are issued directly to the youth sports organization by staff.

Request from Santa Clara Westside Little League (SCWLL)

Per the SCWLL website, SCWLL is a nonprofit organization founded in 1933, whose objective is “to implant firmly in the children of the community the ideals of good sportsmanship, honesty, loyalty, courage, and respect for so that they may be well adjusted, stronger, and happier children and will grow to be good decent, healthy, and trustworthy citizens.”

SCWLL has submitted a grant request seeking a total reimbursement of \$17,575 for equipment and scholarship costs associated with the 2024 spring season and has not previously received any funding from the Scholarship Program (Attachment 3). Of this total amount, \$1,817 would be reimbursed for items purchased to maintain the infield and prepare for play on the diamond, \$14,508 for equipment purchased to be used for the entire league, and \$1,250 towards registration scholarships.

The Department received a total request of \$3,600 for 21 player scholarships. Only \$1,250 for six players was validated and recommended to be awarded due to meeting the scholarship program's Santa Clara residency requirement. The \$1,250 recommended scholarship for the six eligible players is based on the following calculation:

Number of Resident Players	Division	Scholarship Award (per player)	Total Scholarship Award
1	Upper Division	\$250	\$250
2	Lower Division	\$200	\$400
3	Challenger Division	\$200	\$600
Total:			\$1,250

Following the current policy, the 15 player scholarship requests ineligible for the scholarship due to not meeting the Santa Clara residency requirements are in the Challenger Division. Wade Brummal Youth Scholarship Program Policy is expected to be before the City Council in the near future to consider changes to the policy for eligible expenses. Should this part of the policy be changed, the SCWLL may return to the Commission for reconsideration of a grant for the additional 15 player scholarships under the new policy.

Department staff have reviewed the grant application and recommend that the Parks & Recreation Commission approve the grant request in the amount of \$17,575. The staff's review has determined that the grant request aligns with the Scholarship Program's priorities and meets the eligibility requirements.

ENVIRONMENTAL REVIEW

The action being considered does not constitute a "project" within the meaning of the California Environmental Quality Act ("CEQA") pursuant to CEQA Guidelines section 153778(a) as it has no potential for resulting in either a direct physical change in the environment or a reasonably foreseeable indirect physical change in the environment.

FISCAL IMPACT

The Wade Brummal Youth Sports Scholarship Program is funded from the Public Donations Fund and has a current scholarship balance of \$113,032. Staff is recommending to allocate SCWLL's grant request of \$17,575.

Pending approval of the scholarship grant requests in RTC 24-992 (\$17,545), RTC 24-1003 (\$22,240) and RTC 24-1012 (\$11,652), the effective fund balance would be reduced to \$61,565.

Reference	Current Scholarship Fund Balance	Request Amount	Ending Scholarship Balance
24-992	\$113,032	\$17,545	\$95,457
24-1003	\$95,457	\$22,240	\$73,217
24-1012	\$73,217	\$11,652	\$61,565

AGENDA REPORT

From: Director of Parks & Recreation

Subject: Unfinished Business—Parks & Recreation Commission Report on outreach to organizations regarding the \$25 non-resident participant fee

EXECUTIVE SUMMARY

On April 21, 2015, Council considered the Parks & Recreation Commission's recommendation to establish a non-resident youth sports participation fee in the amount of \$25 per non-resident participant to be assessed on all non-profit youth sports organizations that use City parks and recreation facilities for their respective sports programs and that the fees collected be made available for consideration for disbursement according to the Wade Brummal Youth Sports Scholarship Program guidelines. The purpose of the Commission proposal was to establish a regular source of funds to support the Wade Brummal Youth Sports Scholarship that provides local non-profit youth sports organization with financial support for needs such as participant registration, equipment, and tournament entry fees. The Council referred the recommendation back to the Commission for further outreach to the non-profit youth sports organizations. On May 19, 2015, the Commission Chair reviewed the additional outreach efforts that included sending a copy of the proposal through the Parks & Recreation Department to all of the youth sports organizations and invitations to comment and/or attend the Commission meeting, follow up communication by the Chair with the Santa Clara Swim Club and Lions Football. On July 21, 2015 in response to the major concerns of the two groups, the Commission further refined the elements of the proposal including the definition of Santa Clara resident, removing the maximum grant per family and allowing additional opportunities for the leagues to request funding from the Scholarship Fund. On August 18, 2015, the Commission recommended that the revised proposal for Annual Non-Resident Sports Participant's Fee for Use of City of Santa Clara Athletic Facilities with Proceeds to Benefit City's "Wade Brummal—Youth Sports Scholarship Fund" be submitted to Council for approval.

ADVANTAGES AND DISADVANTAGES OF ISSUE

Additional efforts to contact and receive input from youth athletic leagues was made by the commission including sending copies of the proposal to the leagues for comment and inviting comment at three additional Commission meetings. The proposal has been revised to include the comments and to address concerns. The schedule for implementation has also been revised to provide time for organizations to adjust and incorporate both the new fee and opportunities to request funding. Implementing an affordable non-resident fee would provide a stable source of funding for needs of local non-profit sports groups such as support for disadvantaged youth and program costs.

ECONOMIC/FISCAL IMPACT

The proposal does not effect the City General Fund, but does provide a stable source of revenue for the City's Wade Brummal Youth Sports Scholarship Fund (084-1117-87800-(A)20412) that receives support primarily from donations from the public, and in the past, from charitable golf tournament proceeds. The estimated amount to be generated is \$15,000-\$20,000 per year, but would depend upon the actual number of non-resident participants in the community sports programs.

RECOMMENDATION

That the Council establish a non-resident youth sports participation fee in the amount of \$25 per non-resident participant to be assessed on all non-profit youth sports organizations that use City parks and recreation facilities for their respective sports programs and that the fees collected be made available for consideration for disbursement according to the Wade Brummal Youth Sports Scholarship Program guidelines.

COUNCIL PILLAR

Enhance Community Sports, Recreation & Arts Assets
Enhance Community Engagement and Transparency

BACKGROUND

The Wade Brummal Youth Sports Scholarship Program (Scholarship Program) was established in memory of Santa Clara resident and youth sports enthusiast, Wade Brummal (Attachment 1). The intention of the Scholarship Program is to promote the participation of Santa Clara youth in organized sports programming by providing qualified organizations with the opportunity to obtain grants to offset the costs of fees, equipment, and other related program costs. Since 2016, a total of 27 grants have been allocated from the Scholarship Program for a total grant amount of \$100,893 (Attachment 2).

The purpose of this report is to present the grant request from Santa Clara Swim Club for reimbursement of eligible expenses in the amount of \$11,652 for expenses related to their 2022-2023 Swim Season. Per the Scholarship Program grant guidelines, this level of award is subject to the review and approval of the Parks & Recreation Commission (Commission).

DISCUSSION

Overview of Wade Brummal Youth Sports Scholarship Program

Each local youth sports organization that uses a City Parks & Recreation facility and/or field is required to pay a \$25 fee for every non-resident youth participant in their program. To document the fee, each organization is required to provide seasonal rosters that identify non-resident players.

In return, those same groups are eligible to apply for a grant from the Scholarship Program to support the participation of Santa Clara youth who are unable to afford program fees or equipment. Grant requests are submitted by youth sports organizations and are evaluated by the Parks & Recreation Department for eligibility based on the following guidelines:

1. The organization must be a City of Santa Clara non-profit, sports, or school organization serving youth 18 years and under and have participated in the payment of non-resident youth participant fees;
2. Grant funds must be used to cover registration and/or participation fees, enhanced services, training, equipment, facilities or other expenses related to the sport, league, or activity;
3. In general, requests are limited to no more than one request per organization, per sport/per season with a \$500 limit per request; and
4. Larger grant amounts may be considered, provided the Scholarship Program has sufficient funds. Requests larger than \$500 must be reviewed and approved by the Parks & Recreation Commission.

Priorities of Funding

The current policy establishes the following priorities when considering grant requests:

1. Participant Scholarships - Reimbursement of a youth sports organization's direct financial assistance to support disadvantaged residents to participate in the sport (e.g., league registration fees, participation, etc.). Individuals must be qualifying residents of the City of Santa Clara (as defined in Policy and Procedures 1.8).
2. Relevant program costs - Reimbursement for new equipment, field repairs, capital projects, maintenance costs (only available if fund balance exceeds \$15,000 in a year).
3. Reimbursement of costs related to additional competition expenses (e.g., travel). Grants of this nature will be reviewed by the Parks & Recreation Commission on a case-by-case basis for a recommendation of approval.
4. Non-contributing Santa Clara based youth sports organizations and programs are also eligible to request funds based on fund availability. Requests must be made to the Parks & Recreation Commission for approval.
5. Contributions to the fund do not constitute a guarantee of funding.

Once a grant is approved by staff or the Parks & Recreation Commission, payments are issued directly to the youth sports organization by staff.

Request from Santa Clara Swim Club (SCSC)

Santa Clara Swim Club is a nonprofit organization founded in 1951, whose purpose is to provide exceptional teaching and training so the athletes can reach their highest potential in swimming and life. SCSC supports over 500 competitive, 100 masters, and 800 learn to swim athletes each year. SCSC has achieved countless titles and has produced over 80 Olympic athletes throughout its history.

SCSC has submitted a scholarship grant request seeking reimbursement for equipment associated with the 2022-2023 swim season (Attachment 3). The equipment purchased includes lane lines, a lane line storage reel and reel cover, and back stroke flags. The purchased items were used at the International Swim Center (ISC) by SCSC and City programs. When the ISC is temporarily reopened, the equipment will be reinstalled for City and SCSC program use. SCSC previously received a \$31,697 Scholarship Program grant allocation for scholarships and equipment in 2023. The items in this current grant request were not previously requested from the Scholarship Program.

Department staff are recommending the Commission approve the \$11,652 grant request from SCSC based on the Department's review of the grant application. Staff's review has determined that the grant request aligns with the Scholarship Program's priorities and meets the eligibility requirements.

ENVIRONMENTAL REVIEW

The action being considered does not constitute a "project" within the meaning of the California Environmental Quality Act ("CEQA") pursuant to CEQA Guidelines section 153778(a) as it has no potential for resulting in either a direct physical change in the environment or a reasonably foreseeable indirect physical change in the environment.

FISCAL IMPACT

The Wade Brummal Youth Sports Scholarship Program is funded in the Public Donations Fund and has a current balance of \$113,032. Staff is recommending to award SCSC's Scholarship Program grant request of \$11,652.

Pending approval of the Scholarship Program grant requests in RTC 24-992 (\$17,545), RTC 24-1003 (\$22,240) and RTC 24-1012 (\$11,652), the effective fund balance would be reduced to \$61,565.

Reference	Current Scholarship Fund Balance	Request Amount	Ending Scholarship Balance
24-992	\$113,032	\$17,545	\$95,457
24-1003	\$95,457	\$22,240	\$73,217
24-1012	\$73,217	\$11,652	\$61,565

Subject: Unfinished Business—Parks & Recreation Commission Report on outreach to organizations regarding the \$25 non-resident participant fee

EXECUTIVE SUMMARY

On April 21, 2015, Council considered the Parks & Recreation Commission's recommendation to establish a non-resident youth sports participation fee in the amount of \$25 per non-resident participant to be assessed on all non-profit youth sports organizations that use City parks and recreation facilities for their respective sports programs and that the fees collected be made available for consideration for disbursement according to the Wade Brummal Youth Sports Scholarship Program guidelines. The purpose of the Commission proposal was to establish a regular source of funds to support the Wade Brummal Youth Sports Scholarship that provides local non-profit youth sports organization with financial support for needs such as participant registration, equipment, and tournament entry fees. The Council referred the recommendation back to the Commission for further outreach to the non-profit youth sports organizations. On May 19, 2015, the Commission Chair reviewed the additional outreach efforts that included sending a copy of the proposal through the Parks & Recreation Department to all of the youth sports organizations and invitations to comment and/or attend the Commission meeting, follow up communication by the Chair with the Santa Clara Swim Club and Lions Football. On July 21, 2015 in response to the major concerns of the two groups, the Commission further refined the elements of the proposal including the definition of Santa Clara resident, removing the maximum grant per family and allowing additional opportunities for the leagues to request funding from the Scholarship Fund. On August 18, 2015, the Commission recommended that the revised proposal for Annual Non-Resident Sports Participant's Fee for Use of City of Santa Clara Athletic Facilities with Proceeds to Benefit City's "Wade Brummal—Youth Sports Scholarship Fund" be submitted to Council for approval.

ADVANTAGES AND DISADVANTAGES OF ISSUE

Additional efforts to contact and receive input from youth athletic leagues was made by the commission including sending copies of the proposal to the leagues for comment and inviting comment at three additional Commission meetings. The proposal has been revised to include the comments and to address concerns. The schedule for implementation has also been revised to provide time for organizations to adjust and incorporate both the new fee and opportunities to request funding. Implementing an affordable non-resident fee would provide a stable source of funding for needs of local non-profit sports groups such as support for disadvantaged youth and program costs.

ECONOMIC/FISCAL IMPACT

The proposal does not effect the City General Fund, but does provide a stable source of revenue for the City's Wade Brummal Youth Sports Scholarship Fund (084-1117-87800-(A)20412) that receives support primarily from donations from the public, and in the past, from charitable golf tournament proceeds. The estimated amount to be generated is \$15,000-\$20,000 per year, but would depend upon the actual number of non-resident participants in the community sports programs.

RECOMMENDATION

That the Council establish a non-resident youth sports participation fee in the amount of \$25 per non-resident participant to be assessed on all non-profit youth sports organizations that use City parks and recreation facilities for their respective sports programs and that the fees collected be made available for consideration for disbursement according to the Wade Brummal Youth Sports Scholarship Program guidelines.

The City of Santa Clara Wade Brummal Youth Sports Scholarship Program Funding Proposal ("Proposal") will apply to all non-profit youth sports groups, organizations and athletic leagues located in the City of Santa Clara that use City of Santa Clara Parks & Recreation athletic facilities. The purpose of this proposal is to generate funds for the Wade Brummal Youth Sports Scholarship Grant Program that provides financial assistance to Santa Clara youth residents who wish to participate in organized youth sports and may not have the financial means to pay the fees required to participate in youth sports leagues, and helps support sports league's facility and program needs. Fees will be collected from all youth non-profit sports organizations that allow "non-residents" to participate in their respective programs. Each organization will submit a roster that lists all residents (with proof of residency) and all "non-resident" participants to the Santa Clara Parks & Recreation Department annually or prior to receiving a facility use permit. The number of non-resident participants provided on the roster will determine the total amount due for non-resident participation fees.

Dear Sir or Madam:

This letter is in response to your telephone inquiry requesting a copy of your organization's determination letter. This letter will take the place of the copy you requested.

Our records indicate that a determination letter issued in June 1973 granted your organization exemption from federal income tax under section 501(c)(3) of the Internal Revenue Code. That letter is still in effect.

Based on information subsequently submitted, we classified your organization as one that is not a private foundation within the meaning of section 509(a) of the Code because it is an organization described in section 509(a)(2).

This classification was based on the assumption that your organization's operations would continue as stated in the application. If your organization's sources of support, or its character, method of operations, or purposes have changed, please let us know so we can consider the effect of the change on the exempt status and foundation status of your organization.

Your organization is required to file Form 990, Return of Organization Exempt from Income Tax, only if its gross receipts each year are normally more than \$25,000. If a return is required, it must be filed by the 15th day of the fifth month after the end of the organization's annual accounting period. The law imposes a penalty of \$20 a day, up to a maximum of \$10,000, when a return is filed late, unless there is reasonable cause for the delay.

All exempt organizations (unless specifically excluded) are liable for taxes under the Federal Insurance Contributions Act (social security taxes) on remuneration of \$100 or more paid to each employee during a calendar year. Your organization is not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA).

Organizations that are not private foundations are not subject to the excise taxes under Chapter 42 of the Code. However, these organizations are not automatically exempt from other federal excise taxes.

Donors may deduct contributions to your organization as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to your organization or for its use are deductible for federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

Your organization is not required to file federal income tax returns unless it is subject to the tax on unrelated business income under section 511 of the Code. If your organization is subject to this tax, it must file an income tax return on the Form 990-T, Exempt Organization Business Income Tax Return. In this letter, we are not determining whether any of your organization's present or proposed activities are unrelated trade or business as defined in section 513 of the Code.

The law requires you to make your organization's annual return available for public inspection without charge for three years after the due date of the return. You are also required to make available for public inspection a copy of your organization's exemption application, any supporting documents and the exemption letter to any individual who requests such documents in person or in writing. You can charge only a reasonable fee for reproduction and actual postage costs for the copied materials. The law does not require you to provide copies of public inspection documents that are widely available, such as by posting them on the Internet (World Wide Web). You may be liable for a penalty of \$20 a day for each day you do not make these documents available for public inspection (up to a maximum of \$10,000 in the case of an annual return).

Because this letter could help resolve any questions about your organization's exempt status and foundation status, you should keep it with the organization's permanent records.

REPORT TO PARKS & RECREATION COMMISSION

SUBJECT

Approval of a Grant from the Wade Brummal Youth Sports Scholarship Program in the Amount of \$22,240 to Reimburse the Santa Clara Youth Soccer League for Eligible Expenses Related to the 2023-2024 Soccer Season.

COUNCIL PILLAR

Enhance Community Engagement and Transparency

BACKGROUND

The Wade Brummal Youth Sports Scholarship Program (Scholarship Program) was established in memory of Santa Clara resident and youth sports enthusiast, Wade Brummal (Attachment 1). The intention of the Scholarship Program is to promote the participation of Santa Clara youth in organized sports programming by providing qualified organizations with the opportunity to obtain grants to offset the costs of fees, equipment, and other related program costs. Since 2016, a total of 27 grants have been allocated from the Scholarship Program for a total grant amount of \$100,893 (Attachment 2).

The purpose of this report is to present the grant request from the Santa Clara Youth Soccer League for reimbursement of eligible expenses in the amount of \$22,240 for expenses related to their 2023-2024 soccer season. Per the Scholarship Program grant guidelines, this level of award is subject to the review and approval of the Parks & Recreation Commission (Commission).

DISCUSSION

Overview of Wade Brummal Youth Sports Scholarship Program

Each local youth sports organization that uses a City Parks & Recreation facility and/or field is required to pay a \$25 fee for every non-resident youth participant in their program. To document the fee, each organization is required to provide seasonal rosters that identify non-resident players.

In return, those same groups are eligible to apply for a grant from the Scholarship Program to support the participation of Santa Clara youth who are unable to afford program fees or equipment. Grant requests are submitted by youth sports organizations and are evaluated by the Parks & Recreation Department for eligibility based on the following guidelines:

1. The organization must be a City of Santa Clara non-profit, sports, or school organization serving youth 18 years and under and have participated in the payment of non-resident youth participant fees;
2. Grant funds must be used to cover registration and/or participation fees, enhanced services, training, equipment, facilities or other expenses related to the sport, league, or activity;
3. In general, requests are limited to no more than one request per organization, per sport/per season with a \$500 limit per request; and
4. Larger grant amounts may be considered, provided the Scholarship Program has sufficient funds.

Requests larger than \$500 must be reviewed and approved by the Parks & Recreation Commission.

Priorities of Funding

The current policy establishes the following priorities when considering grant requests:

1. Participant Scholarships - Reimbursement of a youth sports organization's direct financial assistance to support disadvantaged residents to participate in the sport (e.g., league registration fees, participation, etc.). Individuals must be qualifying residents of the City of Santa Clara (as defined in Policy and Procedures 1.8).
2. Relevant program costs - Reimbursement for new equipment, field repairs, capital projects, maintenance costs (only available if fund balance exceeds \$15,000 in a year).
3. Reimbursement of costs related to additional competition expenses (e.g., travel). Grants of this nature will be reviewed by the Parks & Recreation Commission on a case-by-case basis for a recommendation of approval.
4. Non-contributing Santa Clara based youth sports organizations and programs are also eligible to request funds based on fund availability. Requests must be made to the Parks & Recreation Commission for approval.
5. Contributions to the Scholarship Program do not constitute a guarantee of funding.

Once a grant is approved by staff or the Parks & Recreation Commission, payments are issued directly to the youth sports organization by staff.

Request from Santa Clara Youth Soccer League (SCYSL)

SCYSL is a nonprofit organization, founded in 1980, whose mission is to provide the best possible soccer experience for all players in the league. The primary purposes of the Santa Clara Youth Soccer League are to develop, promote, and administer the game of soccer and to provide a healthy recreational activity while teaching sportsmanship and discipline to youth from under six years old to under the age of nineteen years, within the territorial boundaries of the Santa Clara Youth Soccer League.

SCYSL has submitted a grant request seeking reimbursement for costs associated with the 2023-2024 Soccer Season for 33 player scholarship awards (Attachment 3). SCYSL has not previously received grants from the Wade Brummal Scholarship Program.

Department staff have reviewed the grant application and recommend that the Parks & Recreation Commission approve the grant request in the amount of \$22,240. Staff's review has determined that the grant request aligns with the Scholarship Program's priorities and meets the eligibility requirements.

ENVIRONMENTAL REVIEW

The action being considered does not constitute a "project" within the meaning of the California Environmental Quality Act ("CEQA") pursuant to CEQA Guidelines section 153778(a) as it has no potential for resulting in either a direct physical change in the environment or a reasonably foreseeable indirect physical change in the environment.

FISCAL IMPACT

The Wade Brummal Youth Sports Scholarship Program is funded in the Public Donations Fund and has a current scholarship balance of \$113,032. Staff is recommending to award SCYSL's scholarship grant request of \$22,240.

Pending approval of the scholarship grant requests in RTC 24-992 (\$17,545), RTC 24-1003 (\$22,240) and RTC 24-1012 (\$11,652), the effective fund balance would be reduced to \$61,565.

Reference	Current Scholarship Fund Balance	Request Amount	Ending Scholarship Balance
24-992	\$113,032	\$17,545	\$95,457
24-1003	\$95,457	\$22,240	\$73,217
24-1012	\$73,217	\$11,652	61,565

COORDINATION

This report has been coordinated with the Finance Department.

From: Director of Parks & Recreation

Subject: Unfinished Business—Parks & Recreation Commission Report on outreach to organizations regarding the \$25 non-resident participant fee

EXECUTIVE SUMMARY

On April 21, 2015, Council considered the Parks & Recreation Commission's recommendation to establish a non-resident youth sports participation fee in the amount of \$25 per non-resident participant to be assessed on all non-profit youth sports organizations that use City parks and recreation facilities for their respective sports programs and that the fees collected be made available for consideration for disbursement according to the Wade Brummal Youth Sports Scholarship Program guidelines. The purpose of the Commission proposal was to establish a regular source of funds to support the Wade Brummal Youth Sports Scholarship that provides local non-profit youth sports organization with financial support for needs such as participant registration, equipment, and tournament entry fees. The Council referred the recommendation back to the Commission for further outreach to the non-profit youth sports organizations. On May 19, 2015, the Commission Chair reviewed the additional outreach efforts that included sending a copy of the proposal through the Parks & Recreation Department to all of the youth sports organizations and invitations to comment and/or attend the Commission meeting, follow up communication by the Chair with the Santa Clara Swim Club and Lions Football. On July 21, 2015 in response to the major concerns of the two groups, the Commission further refined the elements of the proposal including the definition of Santa Clara resident, removing the maximum grant per family and allowing additional opportunities for the leagues to request funding from the Scholarship Fund. On August 18, 2015, the Commission recommended that the revised proposal for Annual Non-Resident Sports Participant's Fee for Use of City of Santa Clara Athletic Facilities with Proceeds to Benefit City's "Wade Brummal—Youth Sports Scholarship Fund" be submitted to Council for approval.

ADVANTAGES AND DISADVANTAGES OF ISSUE

Additional efforts to contact and receive input from youth athletic leagues was made by the commission including sending copies of the proposal to the leagues for comment and inviting comment at three additional Commission meetings. The proposal has been revised to include the comments and to address concerns. The schedule for implementation has also been revised to provide time for organizations to adjust and incorporate both the new fee and opportunities to request funding. Implementing an affordable non-resident fee would provide a stable source of funding for needs of local non-profit sports groups such as support for disadvantaged youth and program costs.

ECONOMIC/FISCAL IMPACT

The proposal does not effect the City General Fund, but does provide a stable source of revenue for the City's Wade Brummal Youth Sports Scholarship Fund (084-1117-87800-(A)20412) that receives support primarily from donations from the public, and in the past, from charitable golf tournament proceeds. The estimated amount to be generated is \$15,000-\$20,000 per year, but would depend upon the actual number of non-resident participants in the community sports programs.

RECOMMENDATION

That the Council establish a non-resident youth sports participation fee in the amount of \$25 per non-resident participant to be assessed on all non-profit youth sports organizations that use City parks and recreation facilities for their respective sports programs and that the fees collected be made available for consideration for disbursement according to the Wade Brummal Youth Sports Scholarship Program guidelines.

WADE BRUMMAL YOUTH SPORTS SCHOLARSHIP PROGRAM FUNDING PROPOSAL.

The City of Santa Clara Wade Brummal Youth Sports Scholarship Program Funding Proposal ("Proposal") will apply to all non-profit youth sports groups, organizations and athletic leagues located in the City of Santa Clara that use City of Santa Clara Parks & Recreation athletic facilities. The purpose of this proposal is to generate funds for the Wade Brummal Youth Sports Scholarship Grant Program that provides financial assistance to Santa Clara youth residents who wish to participate in organized youth sports and may not have the financial means to pay the fees required to participate in youth sports leagues, and helps support sports league's facility and program needs. Fees will be collected from all youth non-profit sports organizations that allow "non-residents" to participate in their respective programs. Each organization will submit a roster that lists all residents (with proof of residency) and all "non-resident" participants to the Santa Clara Parks & Recreation Department annually or prior to receiving a facility use permit. The number of non-resident participants provided on the roster will determine the total amount due for non-resident participation fees.

Dear Applicant:

Based on information supplied, and assuming your operations will be as stated in your application for recognition of exemption, we have determined you are exempt from Federal income tax under section 501(c)(3) of the Internal Revenue Code.

Because you are a newly created organization, we are not now making a final determination of your foundation status under section 509(a) of the Code. However, we have determined that you can reasonably be expected to be a publicly supported organization described in section 509(a)(2).

Accordingly, you will be treated as a publicly supported organization, and not as a private foundation, during an advance ruling period. This advance ruling period begins on the date of your inception and ends on the date shown above.

Within 90 days after the end of your advance ruling period, you must submit to us information needed to determine whether you have met the requirements of the applicable support test during the advance ruling period. If you establish that you have been a publicly supported organization, you will be classified as a section 509(a)(1) or 509(a)(2) organization as long as you continue to meet the requirements of the applicable support test. If you do not meet the public support requirements during the advance ruling period, you will be classified as a private foundation for future periods. Also, if you are classified as a private foundation, you will be treated as a private foundation from the date of your inception for purposes of sections 507(d) and 4940.

Grantors and donors may rely on the determination that you are not a private foundation until 90 days after the end of your advance ruling period. If you submit the required information within the 90 days, grantors and donors may continue to rely on the advance determination until the Service makes a final determination of your foundation status. However, if notice that you will no longer be treated as a section 509(a)(2) organization is published in the Internal Revenue Bulletin, grantors and donors may not rely on this determination after the date of such publication. Also, a grantor or donor may not rely on this determination if he or she was in part responsible for, or was aware of, the act or failure to act that resulted in your loss of section 509(a)(2) status, or acquired knowledge that the Internal Revenue Service had given notice that you would be removed from classification as a section 509(a)(2) organization.

If your sources of support, or your purposes, character, or method of operation change, please let us know so we can consider the effect of the change on your exempt status and foundation status. Also, you should inform us of all changes in your name or address.

Generally, you are not liable for social security (FICA) taxes unless you file a waiver of exemption certificate as provided in the Federal Insurance Contributions Act. If you have paid FICA taxes without filing the waiver, you should call us. You are not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA).

Organizations that are not private foundations are not subject to the excise taxes under Chapter 42 of the Code. However, you are not automatically exempt from other Federal excise taxes. If you have any questions about excise, employment, or other Federal taxes, please let us know.

Donors may deduct contributions to you as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

You are required to file Form 990, Return of Organization Exempt from Income Tax, only if your gross receipts each year are normally more than \$10,000. If a return is required, it must be filed by the 15th day of the fifth month after the end of your annual accounting period. The law imposes a penalty of \$10 a day, up to a maximum of \$5,000, when a return is filed late, unless there is reasonable cause for the delay.

You are not required to file Federal income tax returns unless you are subject to the tax on unrelated business income under section 511 of the Code. If you are subject to this tax, you must file an income tax return on Form 990-T. In this letter, we are not determining whether any of your present or proposed activities are unrelated trade or business as defined in section 513 of the Code.

You need an employer identification number even if you have no employees. If an employer identification number was not entered on your application, a number will be assigned to you and you will be advised of it. Please use that number on all returns you file and in all correspondence with the Internal Revenue Service.

Because this letter could help resolve any questions about your exempt status and foundation status, you should keep it in your permanent records.

If you have any questions, please contact the person whose name and telephone number are shown in the heading of this letter.

Sincerely yours,

Michael Sam

District Director

This determination extends to your prior, unincorporated entity, Mission City Youth Soccer League.

REPORT TO PARKS & RECREATION COMMISSION

SUBJECT

Receive Presentation and Provide Input on the Study Session on the Library Facilities Master Plan

COUNCIL PILLAR

Enhance Community Engagement and Transparency

BACKGROUND

MSR Design (Consultant), the City's selected consultant, is working with the Library to create a Library Facilities Master Plan to project for the future of library services for the next 20 years. This project includes meetings with staff, the community and community stakeholders. Other boards and commissions have participated in providing input for the Library Facilities Master Plan, including the Youth Advisory Commission and the Planning Commission. These meetings will help inform the recommendations for the Library and ensure that the Consultant is hearing and addressing the community's needs.

DISCUSSION

The purpose of this report and presentation is to support a study session on this topic and to receive input from the Parks & Recreation Commission on the development of the City's Library Facilities Master Plan.

The Consultant will query the Parks & Recreation Commission about goals for the Santa Clara community and how the Library can help the community reach those goals. The discussion will include a brief presentation and request for input on the needs of the Santa Clara community.

ENVIRONMENTAL REVIEW

A Study Session does not constitute a "project" within the meaning of the California Environmental Quality Act ("CEQA") pursuant to CEQA Guidelines section 15378(b)(5) in that it is a governmental activity that will not result in direct or indirect changes in the environment.

PUBLIC CONTACT

Public contact was made by posting the Parks & Recreation Commission agenda on the City's official -notice bulletin board outside City Hall Council Chambers. A complete agenda packet is available on the City's website and in the City Clerk's Office at least 72 hours prior to a Regular Meeting and 24 hours prior to a Special Meeting. A hard copy of any agenda report may be requested by contacting the City Clerk's Office at (408) 615-2220, email clerk@santaclaraca.gov <<mailto:clerk@santaclaraca.gov>> or at the public information desk at any City of Santa Clara public library.

RECOMMENDATION

Recommend that the Commission provide input and feedback to the Consultant on the development of the City's Library Master Plan.
