Agenda Date: 3/9/2020

### REPORT TO COUNCIL

#### SUBJECT

Conduct Interviews and Appoint Candidate to fill the Vacancy for a Partial Term Ending November 2020 in Council District 5

#### BACKGROUND

Former Councilmember Patricia Mahan resigned from office, effective February 1, 2020, thereby creating a vacancy for Council District 5 for the partial term ending November 2020. On February 11, 2020 the City Council declared the office in Council District 5 vacant. In accordance with Charter Section 703, if the Council chooses to appoint a Council Member to the vacant seat, the Council must do so no later than March 12, 2020 (30 days since the seat was vacated). At the February 11 Council meeting, the action taken was to initiate a candidate application process to fill the vacancy by appointment.

The vacancy was advertised as follows:

- City website:
  - Homepage
  - City News item
- Email sent to 1,426 City News subscribers
- City Hall News
- City Manager's Biweekly Report
- Social Media
  - Facebook
  - Twitter
  - Nextdoor
- Email sent to current/former board/commission members and vacancy interest list

The recruitment to fill the vacancy for the office of Council District 5 was opened on February 12, 2020 with an advertised deadline of February 28 at 5:00 p.m. The Office of the City Clerk received 8 applications by the advertised deadline. The requirements for holding office for City Council are set forth in Section 600 of the City Charter as follows:

*No person shall be eligible to hold any elective office in the City including Mayor, City Council, Chief of Police Department and City Clerk, unless he or she is **a resident and a qualified registered elector of the City.***

As a result, the Office of City Clerk has been verifying eligibility of all applicants for this process. Upon receipt of the Candidate applications, staff forwarded the applications to the Registrar of Voters (ROV) for the purpose of completing due diligence with certifying that each applicant was a

registered voter in Council District 5. The ROV may deem a Candidate ineligible for lack of being a registered voter.

As per the City Charter referenced above, Candidates must also be City of Santa Clara residents. Staff has requested two proofs of residency from each applicant (i.e. California driver's license, utility bill, cable bill). The Superior Court's require the candidate who runs for and is elected in November 2020 for the office in Council District 5 reside in District 5. Therefore, the Council recommended that only District 5 residents be considered for appointment.

### **DISCUSSION**

As background, past City practice has been to conduct Council interviews during a Council meeting and Council directed staff to return on March 9 with candidates from District 5 that submitted applications for consideration.

It should also be noted that the Council may by motion on a 4/5<sup>th</sup> majority vote to appoint a candidate directly on the basis of the written applications and without following the below outlined proposed process, as long as it is made tonight. Alternatively, the Council may, by motion, develop a different selection process.

### **Appointment Process**

Council recommended on February 11 that the interview process to be followed would be that of the Boards and Commission as outlined below:

**Step 1:** Each applicant will be allotted 3-minutes for an opening statement. As a matter of fairness, all applicants must stop after three minutes and discontinue their opening comments. There will be no extension of time allocated for any applicant that desires to use more than 3 minutes.

**Step 2:** Following Opening Statements, each Councilmember may ask a question.

**Step 3:** Applicants will be allotted one minute for a closing statement following Council questions.

**Step 4:** Council may begin the voting process.

**Step 5:** If an applicant is successful at receiving 4/5<sup>th</sup> majority vote by the Council, the Council may consider a motion to appoint the candidate to fill the vacant seat.

**Step 6:** City Clerk may administer Oath of Office to newly appointed Councilmember.

Sample interview questions are attached for Council's use, if so desired (Attachment 2). The Council may however choose to ask other questions instead.

**FISCAL IMPACT**

There is no additional cost to the City other than administrative staff time and expense.

**PUBLIC CONTACT**

Public contact was made by posting the Council agenda on the City's official-notice bulletin board outside City Hall Council Chambers. A complete agenda packet is available on the City's website and in the City Clerk's Office at least 72 hours prior to a Regular Meeting and 24 hours prior to a Special Meeting. Special Interests, Hobbies or Talents:

Cooking is my current favorite hobby. Like many activities, it is comprised of many compound, large and small elements. It saves us money when compared to going out, but requires me to sometimes follow a set of instructions, often allowing for me to work and think outside the recipe. The many tastes of the friends and family I serve it to, keeps me changing what I make. My daughters keep me from getting too crazy, my wife lets me know when I have gotten it just right, and our three dogs enjoy it sometimes otherwise. I enjoy using the Internet for many things, but looking up new variations of an old recipe is for sure a favorite. I like researching many things I do, because generally, it allows one to do a better job whatever the endeavor. If you don't know, look it up.

Please state reasons why you want to become a member of this City Council, including what specific objectives you would be working toward as a member of this Council:

I have never thought of Santa Clara in terms of districts. I have always thought of us as one city. I was surprised as I grew up, how big it really is. I am always pleasantly surprised now, as our family, returning from wherever we may roam and wander, to see just how beautiful the entrance to the place we have always called home is. I would very much like to keep us that way, in spirit especially, for the future, and for our kids. Santa Clara is a really great city. I happen to live in District 5, and as against appointments as I generally am, I would be honored to be able to join in the learning and leadership, while hopefully, never taking unfair advantage, as I know listening to our many citizens carefully, is an enormous responsibility. Thank you for the opportunity to apply. My wife Candace enthusiastically encouraged me. As always, I appreciate her support.

Any other information which you feel would be useful to the City Council in reviewing your application:

We are raising 2 young girls in the heart of a place the rest of the world calls Silicon Valley. The stereotypes of what goes on here are not always favorable, nor right. They exist though, because what we do here matters. As a Dad, I need to show my kids that by example as they grow up. Now is an important time to try. It has been hard in the environment in which I grew up, to ever consider myself unable. I am now, at 45, undeniably an adult, and it is therefore my responsibility to be one of those role models, that adults were to me, now. Our city's Council is an impactful, interesting and local place to start. Additionally, I have had many friends and family members, who are and were city employees. I consider this a positive, but I figured I'd disclose.

Please state reasons why you want to become a member of this City Council, including what specific objectives you would be working toward as a member of this Council:

As a planning commissioner I have often been limited to enforcing current City policies. Often I have wanted to go beyond those policies to ask for more impact fees, especially for traffic congestion. As a member of the committee for the affordable housing Nexus study in 2017 I tried to get some higher fees for more affordable housing but the final decision was made by City Council. I have a passion for combating climate change. SVP's operations have a tremendous impact on GHG emissions. SVP's budget is \$507 million out of a total budget of \$1.18 billion. I would like to help reduce SVP's carbon footprint. I believe my electrical engineering background helps me better understand SVP's operations.

Any other information which you feel would be useful to the City Council in reviewing your application:

I'm a huge believer in transparency. I worked to get City issued email accounts for Planning Commissioners. Since 2015, I have used a Google calendar that can be viewed by anyone for all my planning commission related meetings. As a frequent attendee at City Council meetings I have advocated for open bids for the contract to operate the Convention Center, building the first community garden in Santa Clara, hiring a sustainability manager, lower permit fees for live music in restaurants and lower fees for community groups to rent meeting rooms at public facilities.

Please state reasons why you want to become a member of this City Council, including what specific objectives you would be working toward as a member of this Council:

My unique perspective and skill set (elaborated on in the next question) make me ready to take on issues that I care deeply about including affordable housing, smart growth, transportation infrastructure, and revitalizing Downtown Santa Clara. I want to leverage Santa Clara's unique municipal assets including SVP and its WiFi and fiber infrastructure to push forward as a national leader in environmental sustainability, cyber security, and digital inclusion.

Any other information which you feel would be useful to the City Council in reviewing your application:

With my professional experience (working on some of the Valley's most pressing issues including homelessness, mental health, and access to healthcare), civic engagement (including as a the Parks and Recreation Commission Chair), and attributes unique to City Council (including being a renter and a biracial millennial) I know I can bring a fresh perspective to City issues. Additionally, my understanding of social media and community organizing will make it easier to solicit and receive feedback from the residents for local issues and concerns.

Please state reasons why you want to become a member of this City Council, including what specific objectives you would be working toward as a member of this Council:

I have resided in District 5 since 1988. I completely remodeled my Victorian Home. It is located across from the Harris-Lass property. I am proud that two of my neighbors have made efforts to remodel their homes, but have kept the original styles. I think it is important that Santa Clara continue to preserve its past, yet embrace its future. I hope to preserve and maintain Santa Clara's commitment to its Convention, Senior Citizen's, Youth Activity and International Swim center's; its role as an "All American City" with the distinction of being a Mission City as well as an NFL Franchise City. I would also like to work with Parks and Recreation to ensure that its 26 neighborhood parks and open sites maintain at a high standard of quality

Any other information which you feel would be useful to the City Council in reviewing your application:

I believe that I ran very honorable campaigns for City Council in 2006 and 2008. Even though I did not win the seat in 2006, I took out an advertisement in the Santa Clara Weekly congratulating my opponent. I did something similar to my opponent in 2008. It is important to have good people representing the City of Santa Clara who put the City's interests above their own. Even if I am not selected for this position, I will still work in the future for those candidates who I believe have the best interests of Santa Clara in their hearts. After all, I benefit from their good decisions since I am a citizen too

Dear Mayor and City Council Members,

Being a long time resident I am writing to ask for your support to please appoint a council member to District 5. This area has a lot of activity with the University, Hunter Storm, the Old Quad, and introducing the new Downtown. We have realistically been without representation for along time and need a council member to help keep our progress moving. We need someone that not only can help us but also can be accountable to the voters for these long term projects.

This appointment of a Council person is critical to the future of district 5 and waiting until November will put an unnecessary burden on the growth and well being to our neighborhoods. I urge you to please consider voting to appoint a council member for district 5.

Kind Regards,  
Richard Bonito

Mayor and Council,

District 5 will be left without true representation if you do not appoint a replacement for Ms. Mahan. We need to have a dedicated representative for District 5.

I have heard some of the council state that they will be able to represent us, but I saw how that worked when Caserta left the council. I also know that with Ms. Mahan's medical condition, we were also left out in the cold. Too much to do and everyone suffers.

Not appointing would give us months of the same type of representation we had when there were less people on the council.

We need a dedicated voice on the council.
