ADJOURNMENT

The next regular scheduled meeting is on Tuesday, December 14, 2021.

MEETING DISCLOSURES

The time limit within which to commence any lawsuit or legal challenge to any quasi-adjudicative decision made by the City is governed by Section 1094.6 of the Code of Civil Procedure, unless a shorter limitation period is specified by any other provision. Under Section 1094.6, any lawsuit or legal challenge to any quasi-adjudicative decision made by the City must be filed no later than the 90th day following the date on which such decision becomes final. Any lawsuit or legal challenge, which is not filed within that 90-day period, will be barred. If a person wishes to challenge the nature of the above section in court, they may be limited to raising only those issues they or someone else raised at the meeting described in this notice, or in written correspondence delivered to the City of Santa Clara, at or prior to the meeting. In addition, judicial challenge may be limited or barred where the interested party has not sought and exhausted all available administrative remedies.

AB23 ANNOUNCEMENT: Members of the Santa Clara Stadium Authority, Sports and Open Space Authority and Housing Authority are entitled to receive \$30 for each attended meeting.

Note: The City Council and its associated Authorities meet as separate agencies but in a concurrent manner. Actions taken should be considered actions of only the identified policy body.

LEGEND: City Council (CC); Stadium Authority (SA); Sports and Open Space Authority (SOSA); Housing Authority (HA); Successor Agency to the City of Santa Clara Redevelopment Agency (SARDA); Bayshore North Project Enhancement Authority (BNPEA); Public Facilities Financing Corporation (PFFC)

Public contact was made by posting the Council agenda on the City's official-notice bulletin board outside City Hall Council Chambers. A complete agenda packet is available on the City's website and in the City Clerk's Office at least 72 hours prior to a Regular Meeting and 24 hours prior to a Special Meeting. A hard copy of any agenda report may be requested by contacting the City Clerk's Office at (408) 615-2220, email clerk@santaclaraca.gov <<mailto:clerk@santaclaraca.gov>> or at the public information desk at any City of Santa Clara public library.

If a member of the public submits a speaker card for any agenda items, their name will appear in the Minutes. If no speaker card is submitted, the Minutes will reflect "Public Speaker."

In accordance with the requirements of Title II of the Americans with Disabilities Act of 1990 ("ADA"), the City of Santa Clara will not discriminate against qualified individuals with disabilities on the basis of disability in its services, programs, or activities, and will ensure that all existing facilities will be made accessible to the maximum extent feasible. The City of Santa Clara will generally, upon request, provide appropriate aids and services leading to effective communication for qualified persons with disabilities including those with speech, hearing, or vision impairments so they can participate equally in the City's programs, services, and activities. The City of Santa Clara will make all reasonable modifications to policies and programs to ensure that people with disabilities have an equal opportunity to enjoy all of its programs, services, and activities.

Agendas and other written materials distributed during a public meeting that are public record will be made available by the City in an appropriate alternative format. Contact the City Clerk's Office at 1 408-615-2220 with your request for an alternative format copy of the agenda or other written materials.

Individuals who require an auxiliary aid or service for effective communication, or any other disability-related modification of policies or procedures, or other accommodation, in order to participate in a program, service, or activity of the City of Santa Clara, should contact the City's ADA Coordinator at 408-615-3000 as soon as possible but no later than 48 hours before the scheduled event.

Santa Clara Valley Water District Presentation - (Valley Water) Update on the Purified Water Project

COUNCIL PILLAR

Enhance Community Engagement and Transparency and Promote Sustainability and Environmental Protection

BACKGROUND

Valley Water is working to implement the Purified Water Project (proposed Project) which includes the construction of a new advanced water purification facility (AWPF), water conveyance pipelines to the existing Los Gatos Recharge System complex located in the City of Campbell, lateral pipelines, and associated facilities. Valley Water is working on two proposed locations for the AWPF: either at the existing Silicon Valley Advanced Water Purification Center on Zanker Road at the San José/Santa Clara Regional Wastewater Facility in San José or at the Former Los Altos Treatment Plant (FLATP) in Palo Alto. It is the City's understanding that Valley Water's Recycled Water Committee will consider a recommendation to focus resources on finalizing agreements with the City of Palo Alto in order to proceed with releasing the Request for Proposal (RFP) for the FLATP location, while continuing discussions with the Cities of San José and Santa Clara for a potential future purified project.

The conveyance pipeline will traverse through several miles in the City of Santa Clara regardless of the location of the AWPF. The proposed Project would use advanced water purification processes, including reverse osmosis (RO) treatment and would generate purified water for ground water recharge.

The purpose of the proposed Project is to establish greater water supply reliability for Santa Clara County and to help ensure continued groundwater sustainability. The proposed Project's objectives to meet this purpose are as follows:

- Support Valley Water's water supply reliability goals, including the provision of at least 10% of all water supplies through recycled water
- Develop the use of purified water, consistent with Valley Water's adopted Water Supply Master Plan 2040.
- Implement a potable reuse supply project that provides 10 million gallons per day (MGD) to 12.5 MGD production capacity for an annual yield of approximately 11,200 acre-feet per year (AFY) of sustainable purified water supply for long-term/future demands.

Valley Water is implementing this project using a design-build-finance-operate-maintain (DBFOM) delivery method, also referred to as a public private partnership (P3). The proposed Project will require extensive coordination with City staff throughout the planning, design, and construction phases as well as outreach to Santa Clara residents. Valley Water and the City are currently working on a reimbursement agreement to cover the costs of City staff time spent on the proposed Project.

Valley Water, acting as lead agency for the proposed Project, has determined that an Environmental Impact Report (EIR) is required to satisfy the requirements of CEQA. The draft EIR will evaluate the proposed Project's environmental conditions, range of alternatives, potential environmental impacts associated with the proposed Project implementation, and provide mitigation measures.

Valley Water's procurement process is ongoing. A Request for Qualification (RFQ) was released and eight statements of qualifications were submitted. A Request for Proposal (RFP) and the draft EIR will be released in the winter. A tentative timeline is as follows:

- Selection and contract award: 2022
- Design: 2022 - 2024
- Construction: 2024-2028

REPORT TO COUNCIL

SUBJECT

Action on the Task Force on Diversity, Equity, and Inclusion's Recommendation on the Observance of Indigenous Peoples' Day

COUNCIL PILLAR

Enhance Community Engagement and Transparency

BACKGROUND

In recent years, the City of Santa Clara (City) has received several resident inquiries regarding the City's observance of Columbus Day, most of which have urged the City Council (Council) to observe Indigenous Peoples' Day instead of Columbus Day. In an effort to inform the decision-making process, the Task Force on Diversity, Equity and Inclusion (Task Force) was asked to conduct a review of this issue and submit a recommendation to the full Council.

Consistent with the Task Force's mission statement to involve the community when developing recommendations for changes in government policies, structures, services, and culture that negatively impact or do not fully benefit historically disenfranchised communities, the Task Force worked with staff to develop a community survey to gather public input on the City's observance of Columbus Day and Indigenous Peoples' Day.

At its October 29, 2020 Task Force meeting, the Task Force voted to form a subcommittee ("Considerations of Historical Recognitions Subcommittee") to work with City staff to conduct research related to the renaming of Columbus Day, develop a community survey that respectfully considered the historical significance of Columbus Day and Indigenous Peoples' Day, and identify methods for engaging the public.

At the November 9, 2020 Task Force meeting, former Chair Darius Brown reported that the subcommittee would be reaching out to Native American organizations in Santa Clara County for feedback on the draft survey. Staff presented the draft survey to the Task Force for input at their February 25, 2021 meeting. At the April 12, 2021 Task Force meeting, the Task Force approved the Observance of Columbus Day and Indigenous Peoples' Day survey and directed staff to move forward with the survey as well as translate the survey in the languages provided by the City before its release.

The Observance of Columbus Day and Indigenous Peoples' Day survey was conducted from October 21 through November 12, 2021. The public had the option of participating in the survey by taking the survey online on the Task Force's page: www.SantaClaraCA.gov/EquityTaskForce <<http://www.SantaClaraCA.gov/EquityTaskForce>>, completing a hard-copy survey, which was made available at the Senior Center, Central Park Library, Northside Branch Library, and

Mission Branch Library, or by emailing their comments to the Task Force directly at EquityTaskForce@SantaClaraCA.gov <<mailto:EquityTaskForce@SantaClaraCA.gov>>. The survey was promoted via the City's communications channels (GovDelivery, Facebook, Twitter, Instagram, and NextDoor), and was made available in English, Spanish, Vietnamese, Chinese, Japanese, Korean, Portuguese, Hindi, and Tagalog.

Staff is bringing forward the Task Force's recommendation made at their November 22, 2021 meeting to Council for their consideration, as discussed below.

DISCUSSION

At the November 22, 2021 Task Force special meeting, staff reported on the results of the Observance of Columbus Day and Indigenous Peoples' Day survey. The report (RTC 21-1668), along with responses collected, is included with this report as Attachment 1.

The City received a total of 815 responses representing 40.75 hours of public comment. The table below summarizes all responses received.

| Response to "Please select your position on the observance of Columbus Day and Indigenous Peoples' Day." | Responses Received | Total # of Responses | Percentage |
|--|--------------------|----------------------|------------|
| Maintain Status Quo: Observe Columbus Day on the 2 nd Monday of October | 142 | 815 | 17% |
| Observe Indigenous Peoples' Day (or an alternate holiday name that honors Native Americans) instead of Columbus Day on the 2 nd Monday of October | 438 | 815 | 54% |
| Observe both Columbus Day and Indigenous Peoples' Day on the 2 nd Monday of October or on different days. | 101 | 815 | 12% |
| Observe Columbus Day on the 2 nd Monday of October and observe Native American Heritage Day on the 4 th Friday of September | 134 | 815 | 16% |

After discussing the results of the survey, the Task Force unanimously voted to recommend the observance of Indigenous Peoples' Day on the 2nd Monday of October instead of Columbus Day. As part of their motion, the Task Force also requested that Council refer the messaging of the renaming of Columbus Day to the Task Force as well as a request that the Task Force work with the Cultural Commission to develop recommendations to further promote and celebrate the cultural heritage of Native Americans, Italian Americans, and all cultures within the City

If the Council accepts the Task Force's recommendation on the observance of Indigenous Peoples' Day on the 2nd Monday of October, a variety of actions will be necessary to designate Indigenous Peoples' Day as a City-recognized holiday including but not limited to:

- Draft an ordinance stating that the City will determine its holidays in accordance with state law and applicable labor agreements;
- Modify labor agreements to reflect the holiday designation of Indigenous Peoples' Day;
- Amend the most current Personnel and Salary Resolution (Attachment 2) to replace Columbus Day with Indigenous Peoples' Day;
- Replace Columbus Day with Indigenous Peoples' Day on the City calendar.

ENVIRONMENTAL IMPACT

The action being considered does not constitute a "project" within the meaning of the California Environmental Quality Act (CEQA) pursuant to CEQA Guidelines section 15378(b)(5) in that it is a

governmental organizational or administrative activity that will not result in direct or indirect changes in the environment.

FISCAL IMPACT

There is no fiscal impact associated with the preparation of this report.

COORDINATION

This report was coordinated with the City Attorney's Office.

PUBLIC CONTACT

Public contact was made by posting the Council agenda on the City's official-notice bulletin board outside City Hall Council Chambers. Observance of Columbus Day and Indigenous Peoples' Day Survey

In recent years, the City of Santa Clara (City) has received several resident inquiries regarding the City's observance of Columbus Day, most of which have urged the City Council to rename Columbus Day to Indigenous Peoples' Day. Over the past several years, states and cities have started to acknowledge and substitute Columbus Day with Indigenous Peoples' Day. This historical recognition across local jurisdictions is a collaborative effort to provide more representation of local and state history.

Columbus Day is a federal holiday that commemorates Christopher Columbus's landing in the Americas on October 12, 1492, and celebrates Italian-American culture and heritage. There has been controversy around the holiday due to Columbus' arrival to North America, which ushered in an era of European conquest and death of Native American people. With his arrival came violence, slavery, forced assimilation and conversion of Native American people to Christianity. It also introduced a host of new diseases that had consequential and long-term effects on Native American people.

The name Indigenous Peoples' Day honors the loss, legacy, and culture of those affected by Columbus' arrival and subsequent American colonization. This name still reflects on the same historical impact of the European Age of Discovery, but with the Native American people at the center of the narrative.

At the October 15, 2020 Task Force on Diversity, Equity, and Inclusion (Task Force) meeting, the Task Force discussed the renaming of Columbus Day. The Task Force unanimously approved accepting the Mayor and Council Offices' referral to bring a recommendation to the City Council on the City's observance of the Columbus Day holiday.

This survey is intended to seek outreach from the community. The survey results are for research purposes only and will be forwarded to the Task Force for consideration when making a recommendation to the City Council.

Renaming a holiday won't improve racial justice. Rather, it's just a symbolic gesture, along the line of talking and no actions. I'd rather see real actions and results in virtually everything career politicians say they'll do than empty gestures like kneeling, announcing preferred pronouns (which somehow confirm the fact that 99.9% of your connections are heterosexual), and renaming holidays. |

After listening to the Oct. 5 First Name Basis Podcast episode called The Untold Story of Christopher Columbus, and researching him further, I definitely don't think he should be honored. I am of Italian decent, and feel like we can find plenty of other ways to honor the good parts of our heritage. It's not that hard. No longer are statues of slave owners in public parks being tolerated by the local citizens, and the horrors of the past are no longer being glossed over, but exposed and discussed in public schools. To continue celebrating Columbus Day, I believe, would be to aid in the stagnation of progress. The act of replacing Columbus Day with Indigenous Peoples' Day is, in and of itself, acknowledging the history of this date and its significance to American history while also giving recognition and respect to those who suffered at the hands of ignorant, racist colonizers, like Columbus. It's high time we stop praising the actions of terrorists like Columbus and begin to truly appreciate the people who's rich culture and way of life we have been ignoring for far too long. |

I don't believe it is a zero-sum game where one story is declared bad and the other declared good and one side is silenced. All stories must be heard so that people can learn from previous actions. Yes, Columbus Day marks the discovery of the Americas which is essential to the story of the United States. On the other hand, the suffering of Native Americans must brought to the foreground. The stories of the suffering and condition of Native Americans from those early days to the present time must be told with facts, wisdom, and compassion. We must keep Columbus Day as a historical landmark but we must balance that commemoration by adding a Native American Heritage Day to press the stories and honor the original peoples of the Americas. |

Indigenous people's day has to be celebrated with reverence - everything we enjoy on this soil is the work of many generations of Native Americals who have only suffered so far.</p> |

For example, more education on farming techniques that were taught. Also, more education about annoculations. Apparently that came from Native people.</p> <p>I do not feel we should celebrate Indigenous People's Day instead of Columbus Day and people's expression of anti-colonialism is disturbing to me. Europeans shared their culture and technology. Power shifts happen all throughout history. At some point this land was going to be used by others. People are still immigrating here today.</p> <p>Overall, why are we celebrating them? Because they where here first? Doesn't sound like a good reason to me. What did they do? Who where their scientist? How did they make progress? That's what I want to know and celebrate.</p> |

The day has brought attention and light to the facts; he was a leader who lead the murder, rape, and enslavement of local communities. The Americas, as a whole, were never the same once he stepped foot on the shores of the Bahamas. This day should remain in our consciousness, not to celebrate, but to acknowledge.</p> <p>We should also be deliberate and honor Indigenous People. Hopefully a Native American Heritage Day will bring the legacies of their ancestors to the forefront of our generation.</p> |

It should not be changed to reflect something else altogether. If you want to recognize or acknowledge other heritages, that's fine, but please don't mess with this country's special days. Most of us don't even get these days off as paid holidays anyway. |

I don't think there should be a new holiday to celebrate indigenous people however (and I have part indigenous blood) as we already have a lot of ethnic holidays. The ethnic recognition gets out of control and I think it becomes divisive. |

There can certainly be other non-holiday recognitions and celebrations of whatever heritage groups want to share their respectful and inclusive cultures and histories with the community, but it is long overdue to prioritize the public holiday to better align with an important and relevant reason for acknowledgment and reflection, and Indigenous Peoples' Day is an appropriate option for that. |

It is no longer okay for us to pretend that Columbus was a great man who discovered the Americas. He was not and he did not. We can no longer perpetuate the myth that he discovered "America" or that his work was noble. Even in his own time he was thought of as a murderous tyrant. The atrocities brought by him are not in question: he gave women to his crew to rape and brutalize; he enslaved thousands on Hispaniola; settlers under his domain sold 9 and 10 year girls into sexual slavery. The continued celebration of the brutality and genocide of Native America peoples that began with Christopher Columbus is quite honestly, despicable. Do better Santa Clara! |

Most of North America would be populated by people living like cavemen. Large areas of what is now called Latin America would have been ruled by a few groups whose practices of human sacrifices and absolute conquest of neighbors would now be considered evil. Europe would have been much poorer, warlike against each other, and possibly much more vicious in obtaining slaves from Africa.</p> <p>North and South America today are far from perfect but, as a direct result of the actions of Columbus, it has led the world in economic growth, medical and scientific advancement, and a willingness to advance thoughts like "What did the Europeans do wrong" in creating our current home.</p> <p>Like most things in life, a broad, honest analysis of controversy requires subtlety. Columbus was vital for creating both the good and bad things of our society. A day honoring the good with a look at the bad is appropriate. Indigenous Peoples Day would inevitably be looked as a day to honor the people living here before</p> |

The October 12 observance would reflect a more accurate historical emphasis on the true anniversary of Columbus' landing. A floating holiday for Native Americans, either in late September or early October, would reflect the fact that the arrival of Europeans had more effect than can be attributed to a single historical date.</p> <p>Finally, I doubt that violence and slavery were introduced to Native Americans by Columbus - increased, admittedly, but not introduced. Archeological finds and records demonstrate that violence, wars, genocide, and slavery existed in the Americas well before 1492.</p> |

In addition, keeping Columbus Day will allow us to have conversations about our history, hopefully with honesty about the way Columbus treated the people he found when arriving in North America. It is an opportunity to honor our evolution as a society to be more sensitive and inclusive, and to acknowledge the ugly and unpleasant parts. When we know better, we do better. And in the words of George Santayana, "Those who cannot remember the past are condemned to repeat it." |

We cannot continue to tell the same neutered stories about our history and expect the wrongs of the past to just go away because we are ignoring them. With all that has been done to indigenous peoples not only in our country but around the world, renaming this day is literally the least we can do. |

His behavior and the behavior of many who followed had catastrophic consequences: hundreds of thousands of Natives died, lost their land, were treated horribly and many still struggle today because of the scars of the past. A nationwide Indigenous People's Day would be a respectful way to celebrate the memory of those who suffered and still suffer. |

For whatever faults Columbus had he did "discover" America. He should not be held responsible for the history that followed. He was only one man. I'm fine with an Indigenous Peoples' Day but I think Native Americans would be better served by improving their living conditions through better education, job opportunities, and health care. |

Doing so sends the message that although Columbus, as you put it, began centuries of "violence, slavery, forced assimilation and conversion..." his "accomplishment" (which, let's be real, was a mistaken stroke of luck) should be honored as much as we honor his victims. This sort of half measure is insulting; we should fully honor Indigenous people, not force them to share space with the trauma done to them. |

Well, for what it's worth, that's been pretty much achieved. I don't see the "dago" and "wop" jokebooks I used to read as a kid in the 70s for sale any more (along with those regarding Polish and Africans). With his arrival came violence, slavery, forced assimilation and conversion of Native American people to Christianity. It also introduced a host of new diseases that had consequential and long-term effects on Native American people." Columbus never landed on our continent -- he landed in the islands in the Carribean!!!! He nor the people on his ships ever touched foot in what is now the United States of America!!! In fact, "The Norse had colonized North America around 500 years before Columbus, with some degree of contact with Europe being maintained until about 1410" (Wikipedia).</p> <p>I think we need to stop blaming Columbus for something he did not directly do!</p> <p>So we can keep the tradition that Columbus discovered America -- and celebrate it on the 2nd Monday of October -- although I remember celebrating it on the actual date of Oct 12th!!!</p> <p>And if the Native Americans desire to have a special day to celebrate their</p> |

For what? We know he didn't discover the Americas as there were other people living here. We need to recognize that these individuals were colonists and settlers whose aim was not only exploration. At the same I recognize that there may be value in celebrating Italian American heritage although I am not sure if it needs to be federal holiday given that there are other cultures in the US that would also be deserving of such a celebration. Renaming Columbus day as indigenous peoples day provides a chance to have a dialog about our past and to discuss future reparations. |

The bay area has sooo many cultures. Maybe we should have a "celebrate culture" day so everyone can feel good about themselves? But I think there is something special about the local, indigenous culture that makes a place special and unique. |

Columbus and other later European imperialists stole indigenous people's lands and tried to suppress their cultures, traditions, spiritual beliefs, etc. I think it would be much more appropriate, ethical, and just to rename the holiday as "Indigenous People's Day." |

I can elaborate on this matter plenty. Rather I will be concise. As a daughter of immigrants, whose lived here her entire life and who has read plenty on the arrival of Christopher Columbus and how he and his people attempted to erase the indigenous tribes who were present at that time, their culture, their history and impose their beliefs and conquer the land that was already fruitful in so many ways. I believe it is awful to have a day that celebrates someone who actually was part of the destruction of indigenous tribes and should not be commemorated. |
| 386 | 10/22/21 19:10:00 | 10/22/21 19:15:39 anonymous | Maintain Status Quo: Observe Columbus Day on the 2nd Monday of October | I am an immigrant to America, arriving here in 1999. I have read up on the history of the United States and find that it is not much different than many other counties (including the one I came from) in terms of various wars/battles/etc taking place over the years. I'm not in favor of trying to revise history and accommodating all sorts of "new traditions", I would like to respect the traditions of where I now find myself as it is a great country. I am not offended at all by Columbus Day, and would like to keep the status quo. |

Better yet, some sort of multi cultural day where ALL cultures in this melting pot could be celebrated? Where different culture foods and art & dance are celebrated? I'd LOVE that kind of celebration! |

We cannot change it and we learn from it. Destroying what made the U.S. the country it is today is wrong. If we want to honor the people who were here when Columbus arrived then a separate holiday is fine but quit destroying our history -- WE LEARN FROM IT. There is way too much POLITICAL CORRECTNESS these days. |

History has been distorted to glorify the Columbus myths that led to the immiseration and decimation of indigenous people. Recognizing Columbus Day has no legitimacy. It exacerbates the historical trauma that native peoples face and is a missed opportunity for the rest of us to learn from the past and make connections to the present. |

Columbus was a kidnapping, murdering, rapist who sold 9 year old girls into sexual slavery. Celebrating his life is absurd. He did not "discover" America in any sense of the word. The Vikings had settlements here, so he wasn't even the first European. The many native American peoples have been here in many different civilizations and it's time to acknowledge how much was lost when the Spaniards and other colonists destroyed their civilization. |

All people would mean : native from the north, central and south America as well as people from all other continents. Either way, I would not like the city of Santa Clara observing (closed) on two days. Doesn't the city of Santa Clara has more holidays than other governmental institutions? |

The pendulum have swung way too far. Columbus made a huge contribution to our world today and that should be acknowledged. I agree that Indigenous people were mistreated badly by some conquistadores, British and American colonies , etc. and then laid blame on Columbus . |

In the 1898 Supreme Court Case, Williams v. Mississippi, the Court gave lip service to the the Constitution's explicit words securing citizenship and equality for all, but then declared that there was "a field of permissible action" whereby bigotry and segregation might be allowed to simmer. In other words, if "everybody" goes along with it, we can just ignore the words of that pesky ole Constitution. (... and that hypocritical Declaration ...) Whether we have made much progress since then is still debated. Reassessing whom we honor is a small step. If we rein ourselves in and move closer to our professed ideals, it's a start. |

On the other hand, the first people to live on this continent in harmony with nature, and who were treated savagely by Europeans & U.S. citizens for centuries, deserve to be honored and listened to. (At the moment, the irony of many of them being arrested in DC on October 11th 2021 for protesting the climate-destroying, water & land polluting pipelines, is not lost on anyone paying attention.) |

| 505 | 10/23/21 7:05:35 | 10/23/21 7:14:20 anonymous | Maintain Status Quo: Observe Columbus Day on the 2nd Monday of October | The concept of celebrating "Indigenous Peoples' Day" is odd to me. What are we celebrating? Who are we celebrating, e.g., Native Americans or just any Indigenous People from anywhere? The idea that we would simply swap Columbus for Indigenous People misses some fundamental points. No, Columbus wasn't the first to discover the continent, arguably not even the first to discover it by boat from Europe. However, he established the continent for colonization for Europe. And, while colonization has negative associations, it is also the only way that our country and others could have been established as they exist. This intentional effort to erase important historical contributions by people we judge harshly under today's lens of morality is a dangerous trend. Teach the good and the bad through the memory, rather than simply expunge it from our history. And, if you want to celebrate Native Americans, specifically, find a way to do so that makes more sense and doesn't seem to be such a trivial, half-hearted approach as simply exchanging names on a holiday. |

But that is a lie. Are they calling to rename the day "Italian Heritage Day"? NO! They are demanding the day be taken completely away from Italian Americans and there is nothing more anti-Italian than this! This is NOT being inclusive. And anyone that votes in favor of eliminating our day of celebration is just as guilty of racism and discrimination as the people calling for it's removal, especially when they're not even calling to rename the day "Italian Heritage Day."</p> <p>Fact is scholars have proven that Christopher Columbus is accused of crimes committed by his political adversaries and actions of leaders that came after him. Historical research shows that Columbus advocated for the rights of Indigenous People and punished his own men when they committed crimes against the Natives. Time and again writings show that Columbus hoped to peacefully convert Native Americans to Christianity through teaching and not force. By Papal law, once people converted to Christianity they could not be enslaved so how could he possibly have intended to pursue slavery? Yet it seems the flames of uneducated radicalized mobs continue to dictate the course of this country as they</p> |

Redefining events of the past masquerades historic people. Columbus' voyage and three ship fleet began the expansion of the known world. We should acknowledge his courage and fortitude rather than attempting to hide it. While some wish to focus on historical faults, we should instead celebrate the great accomplishment. It's not just the actual colonization of the Americas that's a problem for me in regards to this specific issue, it's the fact that he was horrible even by standards of his own time. But if we do change to Indigenous Peoples' Day, which is what we "celebrate" in my home, we need something to ensure that it isn't all about the white man vs the indigenous man. A holiday should be something to celebrate, period. It needs to be inclusive as well, something for all Americans, even those from other countries (like myself), to celebrate. There are plenty of things within indigenous cultures that aren't sacred, they could be shared among the people of the US. |

Yes, the Native Americans were mistreated by some, but what is overlooked is the many who treated them kindly and with respect. The image of who Columbus was and what he did has been misrepresented. Also what is overlooked is the Native American tribes who were very cruel to other tribes or to the Europeans. Christianity is not spread by violence. Read about the North American martyrs who gave their lives in service to teaching and helping the Hurons and were massacred by the very tribes they tried to help. Violence unfortunately is a part of human history, no matter the country. All of us are to blame for this, regardless of our race or creed. I do not see Columbus Day as a day to celebrate those who mistreated the Native Americans. It is a day to remember an historical event in which the land of America was discovered and is the reason why many of us live here in our country today. To add another day to honor Native Americans is a fine thing to do but I don't see why Columbus has to be thrown aside to do this. |

Columbus was a great man in many ways, and he had serious faults in other ways. We should continue to recognize him for the great things that he accomplished as well as continue to educate our community about the evil that was perpetuated against Native Americans, Africans, and Asians by Columbus, our leaders, and by our common citizens throughout our history. We can not condone nor allow the hate that has been recently espoused by certain radical elements in the name of making America great.</p> <p>The concepts of Columbus Day and Indigenous People's Day are unrelated and are not mutually exclusive.</p> |

It has always been presented to me as focused on an individual man who came to North America (and not even the first European to do so, we now know). I can understand that if Italian-Americans saw it as a cultural day for them, they would feel its loss. But I don't think the majority public understands it as that sort of a celebration, and Indigenous Peoples' Day feels much more appropriate. |

These values are important to the City of Santa Clara as the seat of Silicon Valley. He is a great man, and great men are not without controversy, yet he is still relevant. His journey led to the discovery that made the United States, just the same as modern Silicon Valley laboratories endeavor to build the United States with technological discovery. His expedition was based on reasoned principles, using the best scientific evidence of his day. In our Santa Clara schools and businesses, we carry that Renaissance tradition of logic and reason to the 21st Century. Finally, nearly 40% of Santa Clara County residents are foreign-born; Columbus, an Italian explorer, represents their dreams of discovering a better future in a new world. Columbus is celebrated because he represents the values that make our city great and her sons and daughters, born here or adopted, successful. Let us keep Columbus Day, let us keep the Mission City, Santa Clara great!</p> <p>Regards, Resident</p> |

Celebrating Native Americans is nice too. Adding a day to a celebrate more americans is American. Leaving out or cutting out anyone is Unamerican After all, think about it...history is filled with what ifs.... What if the Europeans did not come here. Who would have? What is Napoleon did not sell the Louisiana Territory? What kind of country would this be? How big or small would the US be and what language would be speaking? Let us not compare the civilizations of hundreds of years ago to today. People have moved away from the ideas of the past and have been looking to a future that is better for everyone. We don't even fight wars the same way anymore. Think about fighting our next war like we fought our revolutionary war. We would not even think that would be a possibility. We just don't even do things that way anymore. The world as a whole is more humane and more able to work through problems. But we must always be taught our history, so we can keep learning from the mistakes of the past to create a better future. |

For centuries people from all walks of life found in them elements of virtue and human potential – an encounter between peoples with new possibilities beyond the horizon. In recent decades, facts have been pushed aside in an effort to recast Columbus as a villain and/or architect of violence and injustices. While Columbus was not perfect and some of the men accompanying him certainly committed abuses, it is neither fair nor intellectually honest to blame Columbus for such injustices nor any of the societal issues we face today. |

It is high time we stopped lying to our children. Columbus himself didn't "discover" America, nor did he ever set foot in any of the land currently understood as the United States - he landed in and established a colony in Hispaniola on behalf of Spain. His treatment of the indigenous people of Hispaniola was horrifying and depraved. Nothing about the story has anything to do with American history, American pride, nor any wholesome qualities we might want to teach our children. |

People have tried to make a connection that because he introduced Europe to the New World he is responsible for anything that occurred afterwards. What kind of logic is that? Do you know that the tribes had their own form of slavery before Columbus landed in the Americas? Should I ignore the fact that Columbus's discovery lead to settlement of Europeans who sought religious freedom? And that if the United States did not develop into a World Wide leader, we might all be in prisoned under a World Wide Nazi Germany. This is a crazy time we live in and radical people with not much need of history or facts are promoting the changes we see in society. Let's not make the misstate of being lead blindly by others because they shout louder. |

Instead he brought violence, sickness and death to the indigenous peoples of this land. I agree that he should be remembered, but not as a hero or someone to be revered. Indigenous People's Day should not only replace Columbus Day, but it should make it clear that the empires of ancient Europe caused more grief than they did benefit around the world. |

I have no sentimental ties to the holiday, other than it is unexpected and inconvenient when govt and daycares are closed. We should and need to do more to recognize Native American heritage and history and the renaming of the holiday is one step toward that. While it was an impressive feat for Columbus to cross the Atlantic with limited technology, the conquest afterward and decimation of Native American populations, language and culture was an irreplaceable loss. It has never made sense to me why we celebrate Columbus day since Columbus was not American. I'm not sure that Indigenous Peoples' Day is the right name to convey honor, but it is acceptable and since the federal government and other jurisdictions have chosen that name, it's probably best to keep it standardized. |

As the holiday today, Columbus Day can be a positive occasion to celebrate immigrants, their cultures, and their contributions, and combat xenophobia. It also helps mark the important cultural and economic contributions Italian-Americans have made to Santa Clara's and Santa Clara County's histories, as my own ancestors did.</p> <p>Secondly, naming it Columbus Day more accurately pinpoints the actual historical event, i.e. that of Columbus' voyage sighting the North American continent, which is one of the most significant moments in written history. This changed the fate of all humanity, for better or worse. Such a world-altering event is worth acknowledging, even if we take measures to avoid an outright celebration given the subsequent death and misfortune that befell Native American populations in the following decades.</p> |

(which I think is bad.) But I think we should also celebrate the native people too. If you're wondering why, it's because in some stories of Columbus, he was nice to the native people at first then a hero at the end. But I think he was mean to them all the way through. So we should celebrate the native people and give them a voice so they can tell us what really happened. Also, studying how the native people used to live can help with the earth's climate change problem. I think it could help because the native people always lived in balanced with nature and never destroyed any habitat when they made their home, unlike the spaniards. Another thing is that looking at the story on both sides might help with discovering what really happened. So why are we celebrating someone who said he "discovered" a place when it was already discovered? We should also celebrate the people who really is the founders of this place and this land's ancestor. |

My name is Srijanani Thathachari from Sutter elementary school. Do you like Columbus or the native Americans? I am on the side of the Indigenous people, and I think Columbus Day should be named after them, to Indigenous peoples' day. Here's why.</p> <p>First of all, the fact that Columbus forced the Americans into slavery was not cool, so a holiday shouldn't be named after him. The natives weren't as good fighters, so they were controlled more easily. What would you do if you were threatened by a gun or a sword, and you only had a bow and arrow? That was the case with the Native Americans. And the land wasn't Columbus' right town, so what was he doing there? So you don't name a holiday after a thief, do you?</p> <p>Second, the holiday should be named after what happened, not the cause. If the holiday stays Columbus day, then every person will celebrate the evil guy, the robber. If it is called indigenous peoples' day, more people will know about what happened.</p> <p>And finally, Columbus did all the bad stuff, so why should we celebrate a holiday after him? Columbus separated the children of the tribe from their parents, who they depended on the most. Kids need their parents. The natives did everything well, so the holiday should be named after them</p> |

The City of Santa Clara has no business changing it or "renaming" it. Christopher Columbus' voyage in 1492 was an amazing accomplishment in its time that should be celebrated. Every city and state in our country should study history and carefully review it's own treatment of the native peoples, both past and present. This review will find no trace of Columbus. Columbus never even set foot on the mainland of North America. He should not be held up as a scapegoat for everything bad that has happened throughout the history of the United States. Native peoples have a right to have their story told with accuracy, honesty, and integrity. Native peoples can and should have holidays, but that does not need to involve erasing, replacing, or "canceling" of all other significant historical figures and events. |

That is why don't rename Columbus Day. |

We are studying Columbus's voyage to Hades and the spaniards' encounter with the native americans. So, in my opinion Columbus day and Indigenous People's day should be on the same day.</p> <p>So Columbus went to Hades and was the first person to tell about a new land no modern people knew about. That was a huge success for his genoan culture and heritage. Also Like I said, no modern people knew about this place and most of us are refugees if he didn't discover that new land people wouldn't have found America, and therefore we wouldn't be here. Remember it was a long voyage and he and his crew went through some work to get to hades.</p> <p>The Indigenous people were killed and enslaved and you have to respect that. It would be a great learning experience to know about the natives' ancient ways. Also they took care of the land and made it perfect; the land that we live on now and we have to give them their fair share in a holiday.</p> <p>So they both should be on the same day and celebrated on two sides: to honor the dead, and to honor the voyage.</p> |

In my opinion, as both an educator and a resident of Santa Clara, our class is in a good place to comment on the proposed renaming of Columbus Day to Indigenous Peoples' Day.</p> <p>Our class is currently learning how Columbus's explorations set the precedent for future contact between European colonizers and the Native Americans, leading to their dispossession, depopulation, and forced assimilation. Legal holidays are intended to honor and memorialize the people, and the work, of those commemorated. Columbus is not worthy of this distinction.</p> <p>As far as honoring him for his "Italian-American" ancestry, Italy's inception as a country dates to the late 1800's, a few hundred years after Columbus's voyages. Also, since Columbus never realized where his explorations actually took him, he himself couldn't have identified as "American." Even if the holiday description was altered to include "Genoan" heritage and culture, what's the special significance of this</p> |

I'm in Mrs. Fararjeh's class, 4th grade, Sutter elementary school, Santa Clara California. We have been learning about Spanish explorers like Christopher Columbus' arrival to the Americas. Then it hit me. Why did we name a holiday after this terrible, filthy, glory-hungry leader?!?!?! So I came up with a list of reasons why we should rename Columbus day it indigenous peoples' day.</p> <p>Columbus isn't even from Italy!!!! He's from Genoa. This holiday was even made Italian culture. Italy wasn't even a thing back then cuz it was called ROME. So that is weird.</p> <p>He did a lot of things that harmed that Native Americans. He made them into slaves. Changed their culture. And even forced them into Christianity!!!!!! If you ask me, that is rude.</p> <p>He wasn't even the first person to arrive in the Americas!!!!!! Leif Erikson was the first European to arrive in the Americas - same day</p> |

In my class room 18 we are learning about native Americans and how Europeans invaded their land. When Christopher Columbus came to the Americas he brought destruction with him. Why should we celebrate a holiday in his name? We should rename Columbus day to Indigenous peoples day. A lot of people think of Columbus day as the day the Americas were discovered, but it isn't. The natives were here long before Columbus sailed. Columbus didn't even land in North America either. He landed on modern day Haiti.</p> <p>Another reason we should rename Columbus day to Indigenous peoples day is when Columbus came to the Americas he killed many people. The only thing he wanted was to take over the land. He also made way for the Spainyards to offset the balance in native american culture.</p> <p>Finally Indigenous peoples day celebrates native american culture and peace while Columbus brought death and destruction. Native Americans loved the land and animals so I think instead of celebrating Columbus day we should celebrate Indigenous people's day. Indigenous people's day will celebrate native american culture instead of celebrating Columbus day.</p> |

I am strongly opposed to the efforts being made to cancel/replace Columbus Day, a recognized Federal holiday and all around major event in history - because of subsequent bad acts of other people or some ridiculous sense of superior morality.</p> <p>It's the height of insanity to rewrite history such that somehow Christopher Columbus should be blamed for subsequent crimes against indigenous peoples. And if by some means, Columbus or his associates were imperfect in some ways, perhaps the City Council - instead of being quick to burn Columbus in effigy - should do some introspection of their own faults. Imposing our 21st century morality as an end-all be-all to the people of 500 years ago should be done with care, especially as today's morality is obviously flawed in some respects as well (refer to the 2000 abortions per day done by our 'civilized' society).</p> <p>Many actions taken by Europeans against native peoples were of course horrific and terrible. Indeed, much of humanity (both native people and Europeans alike) has a history of bloodshed. We should do what we can to prevent such things from happening again and punish those at fault. But to engage in historically</p> |

(which I think is bad.) But I think we should also celebrate the native people too. If you're wondering why, it's because in some stories of Columbus, he was nice to the native people at first then a hero at the end. But I think he was mean to them all the way through. So we should celebrate the native people and give them a voice so they can tell us what really happened. Also, studying how the native people used to live can help with the earth's climate change problem. I think it could help because the native people always lived in balanced with nature and never destroyed any habitat when they made their home, unlike the spaniards. Another thing is that looking at the story on both sides might help with discovering what really happened. So why are we celebrating someone who said he "discovered" a place when it was already discovered? We should also celebrate the people who really is the founders of this place and this land's ancestor. |

Celebrating both Columbus and Indigenous People Day celebrates both cultures and does not write Italians out of history, which is offensive. |

Why not? Columbus, being a man of his times, was a great explorer without whom the New World as we know it and now live in it, would not exist. He also, being a man of his time, had a class and race based attitude towards people. Today he, like most people of his era, would be considered racist to the point of being evil. Should we deny the accomplishments of everyone from the renaissance? It was those, mostly Spanish, who followed Columbus that introduced diseases that substantially wiped out the indigenous population.</p> <p>Indigenous People, especially those north of Modern Mexico lived the life of hunter gather cavemen. They warred on each other. Those more advanced peoples in the south also warred on each other, had slaves and practiced human sacrifice. They could, by current standards, also be considered evil.</p> <p>If we decide that we like living in Santa Clara today and not like primitive hunter-gathers we should recognize the effect of Columbus. If we recognize that the European conquest devastated the Indigenous population it would be appropriate to include this in a combined day where all aspects of European conquest of the Americas and Indigenous Peoples Day is in keeping with who founded the Americas.</p> |

First,we should see and remember his point of view. Second ,Columbus Day has been here for so long,long enough you would have to give time if it was shared or gone and it would feel different. Last but not least, Columbus has taught us so much. That is why we need Columbus Day.</p> <p>Why I chose both holidays to be celebrated on different days. Both of them are unique and special in their own ways like us.They deserve to be celebrated.Also Columbus and the Native Americans have different perspectives.</p> <p>Why we should have Indigenios Peoples Day. We should honor their point of view too.We should try something new.Lastly they did many great things in this world.</p> <p>That is why I vote for the 4th option.</p> |

My name is Eric Drut. This is a school project for if we should change the name of Columbus day to Indigenous peoples day or keep Columbus day or both of the holidays on the same day or both holidays different days. But I think we should change Columbus day to Indigenous peoples day because don't you think it's kind to invade a once peaceful land to now enslaved land. So why should we name it Columbus day because all he brought was destruction so we shouldn't name it to Columbus day why do people want to name something after A MURDER?! He's not even a famous celebrity. So that's what I think.</p> <p>THE END</p> |

I am in 4th grade and I want to change Columbus Day to Indigenous Peoples' Day. Why? Well, because the Indigenous People have done many knowledgeable things that we've learned off of. Also, why make a holiday for someone who's done multiple destructive things? Are people out of their minds? These reasons confirm that we should change Columbus day to Indigenous peoples' day. |

The reason why I think this is because:</p> <p>1.People that have a Native-American heritage can call it Indigenes Peoples' Day and people that don't have an Native-American heritage can call it Columbus Day 2. I think that the state force is making a big deal out of something that is very small. It's just a name for Columbus day! It's not like you're trying to rename Martin Luther King Jr's holiday!! 3. Columbus is very important in a bad way: he let a path for Colonizers that went inland and killed and enslaved Native-Americans.4.Another reason why Columbus is bad is because he also killed and enslaved people in Haiti. 5.Despite all these reasons I'm pretty sure that other people have their own reasons why Columbus is good that is why I chose this answer.</p> <p>For these reasons, I think that you can call the holiday by either name and it doesn't matter. Thank you for listening!</p> |

We can't erase history but need to educate our youth on the consequences of history. |

Columbus never landed in North America on any of his four voyages. He also did not "usher in" the injustices or atrocities you refer to. Those occurred after Columbus' death in 1506 when the Spanish particularly and other Europeans later turned to colonial empire-building!</p> <p>Consequently, he is not the ogre he's purported to be! Any iniquities during his voyages, if any, occurred when he wasn't even present!! He was either in the interior negotiating with natives for food, water, and timber since his provisions were always shorted by royal officials, or working to establish trading posts. He was also constantly on the move searching for new lands and routes while under contract with the sovereigns, or back in Spain organizing another voyage. During his absences he appointed a commission to govern the settlements consisting of some settlers, the clergy, and his two brothers, but they were totally inept in controlling the avaricious and ambitious rogues amongst themselves. Hence chaos ensued.</p> <p>In cases where the settlers committed atrocities Columbus hung or whipped them, always insisting that they treat the natives with respect and offer them goods of value, or petitioning the sovereigns to issue orders to do the same. Moreover, he worked hard at maintaining cordial relations with the natives.</p> <p>It should also be noted that disease infection was not a one-sided affair! Europeans too contracted disease from the natives: hepatitis, encephalitis, tuberculosis, and a skin-lesion disease known as yaws, that when the pathogen entered a European's body, he contracted syphilis, which was spread throughout Europe in epidemic proportions upon the crews' returns during the first and second voyages!!!</p> <p>SO, EXONERATE COLUMBUS, and if you want to honor the aboriginal population, do it on a separate day because if you want to institutionalize diversity, equity, and inclusion in your city, then don't make a mockery of it by subtraction or substitution!!!!</p> <p>Lou Gallo National Consultant on Columbus Order Sons and Daughters of Italy in America</p> |
| 787 | 11/10/21 20:06:31 | 11/10/21 20:16:15 anonymous | Maintain Status Quo: Observe Columbus Day on the 2nd Monday of October | Changing the name of Columbus Day is a pointless gesture that does nothing substantive to address American society's profound crimes Europeans inflicted on Native Americans by Europeans, and the ensuing structural injustices. |

I think both should be celebrated together. We should focus the day on how Columbus and indigenous people worked together to try to bring people from different cultures together. |

Observance of Columbus Day and Indigenous Peoples' Day Survey

In recent years, the City of Santa Clara (City) has received several resident inquiries regarding the City's observance of Columbus Day, most of which have urged the City Council to rename Columbus Day to Indigenous Peoples' Day. Over the past several years, states and cities have started to acknowledge and substitute Columbus Day with Indigenous Peoples' Day. This historical recognition across local jurisdictions is a collaborative effort to provide more representation of local and state history.

Columbus Day is a federal holiday that commemorates Christopher Columbus's landing in the Americas on October 12, 1492, and celebrates Italian-American culture and heritage. There has been controversy around the holiday due to Columbus' arrival to North America, which ushered in an era of European conquest and death of Native American people. With his arrival came violence, slavery, forced assimilation and conversion of Native American people to Christianity. It also introduced a host of new diseases that had consequential and long-term effects on Native American people.

The name Indigenous Peoples' Day honors the loss, legacy, and culture of those affected by Columbus' arrival and subsequent American colonization. This name still reflects on the same historical impact of the European Age of Discovery, but with the Native American people at the center of the narrative.

At the October 15, 2020 Task Force on Diversity, Equity, and Inclusion (Task Force) meeting, the Task Force discussed the renaming of Columbus Day. The Task Force unanimously approved accepting the Mayor and Council Offices' referral to bring a recommendation to the City Council on the City's observance of the Columbus Day holiday.

This survey is intended to seek outreach from the community. The survey results are for research purposes only and will be forwarded to the Task Force for consideration when making a recommendation to the City Council.

Celebración del Día de Cristobal Colon y el Día de los Pueblos Indígenas

En los últimos años, la Ciudad de Santa Clara (Ciudad) ha recibido varias preguntas de residentes con respecto a la celebración del Día de Cristobal Colon en la Ciudad, la mayoría de las cuales han instado al Concejo Municipal a cambiar el nombre del Día de Cristobal Colon a Día de los Pueblos Indígenas. En los últimos años, los estados y las ciudades han comenzado a reconocer y sustituir el Día de Cristobal Colon por el Día de los Pueblos Indígenas. Este reconocimiento histórico en las jurisdicciones locales es un esfuerzo de colaboración para proporcionar una mayor representación de la historia local y estatal.

El Día de Cristobal Colon es un día feriado federal que conmemora el desembarco de Cristóbal Colón en las Américas el 12 de octubre de 1492 y celebra la cultura y el patrimonio italo-americano. Ha habido controversia en torno a la festividad debido a la llegada de Colón a América al Norte, que marcó el comienzo de una era de conquista Europea y muerte de los nativos americanos. Con su llegada vino la violencia, la esclavitud, la asimilación forzada y la conversión de los nativos americanos al cristianismo. También introdujo una serie de nuevas enfermedades que tuvieron consecuencias y efectos a largo plazo en los pueblos nativos americanos.

El nombre Día de los Pueblos Indígenas honra la pérdida, el legado y la cultura de los afectados por la llegada de Colón y la posterior colonización de los nativos americanos. Este nombre todavía refleja el mismo impacto histórico de la Era Europea de los Descubrimientos, pero con los nativos americanos en el centro de la narrativa.

En la reunión del Grupo de trabajo sobre diversidad, equidad e inclusión (Grupo de trabajo) del 15 de octubre de 2020, el Grupo de trabajo discutió el cambio de nombre del Día de Cristobal Colon. El Grupo de trabajo aprobó por unanimidad aceptar la remisión del Alcalde y las Oficinas del Concejo para presentar una recomendación al Concejo Municipal sobre la celebración del Día de Cristobal Colon en la Ciudad.

Esta encuesta tiene como objetivo buscar la participación de la comunidad. Los resultados de la encuesta son solo para fines de investigación y se enviarán al Grupo de trabajo para su consideración al hacer una recomendación al Concejo Municipal.

1. Proporcione su opinión sobre la celebración del Día de Cristobal Colon y el Día de los Pueblos Indígenas.

Su postura:

- ☐ Mantener el status quo: Celebrar el Día de Cristobal Colon el 2do lunes de octubre
- ☒ Celebrar el Día de los Pueblos Indígenas (o un nombre festivo alternativo que honre a los nativos americanos) en lugar del Día de Cristobal Colon el 2do lunes de octubre
- ☐ Celebrar tanto el Día de Cristobal Colon como el Día de los Pueblos Indígenas el 2do lunes de octubre o en días diferentes
- ☐ Celebrar el Día de Cristobal Colon el 2do lunes de octubre y celebrar el Día de la Herencia Nativa Americana el 4to viernes de septiembre

多元化、公平和包容性工作组

纪念哥伦布日和土著居民日

近年来，圣克拉拉市（城市）收到了多位市民对本市纪念哥伦布日这一活动所表达的关切。大部分市民期望市议会将哥伦布日更名为土著居民日。过去几年中，各州和各市均已开始表示认同哥伦布日并同意将其更名为土著居民日。这种跨越地方司法管辖区的历史认可行为是共同努力的结果，而且有利于更好地讲述各市和各州的历史。

哥伦布日属于联邦假日，主要是为了纪念克里斯托弗·哥伦布于1492年10月12日登陆美洲这一事迹，也表达对意大利裔美国人的文化和传统的庆祝。由于哥伦布抵达北美后，开启了欧洲征服美洲、美洲土著居民死亡的时代，因此人们对这个假期一直是众说纷纭。由于哥伦布的到来，导致了暴力、奴役、美洲土著居民被迫同化、皈依基督教，同时还带来了许多新的疾病，对美洲土著居民产生了重大而深远的影响。

土著居民日这个名字是为了纪念那些因哥伦布的到来和随后的美国殖民主义而受影响的人们，缅怀他们的损失、遗产和文化。更进一步来说，这个名字象征的历史影响与欧洲大发现时代这个名字一样，只不过前者以美洲土著居民为叙述的中心。

在2020年10月15日举行的多元化、公平和包容性工作组（特别工作组）会议上，特别工作组讨论了关于哥伦布日更名的事项。工作组特别工作组一致同意接受市长和市议会办公室的意见，决定向市议会提出本市在纪念哥伦布日假期这项活动方面的建议。

本次调查旨在寻求社区的外展服务。调查结果仅限于用做研究目的，并且将在向市议会提议时转交特别工作组以供参考。

1. 请您就纪念哥伦布日和土著居民日这一节日发表看法。

您的立场:

维持现状：在10月2日星期一纪念哥伦布日

在10月2日星期一纪念土著居民日（或纪念美洲土著居民的其他节日名称）而不是哥伦布日

在10月2日星期一或10月的其他日子同时纪念哥伦布日和土著居民日

在10月2日星期一纪念哥伦布日，并在9月4日星期五纪念美洲土著居民遗产日

2. 请您就纪念哥伦布日和土著居民日这一节日发表看法

选择“您的立场”后输入你的看法

上帝是美善的，土著居民认识上帝是一件很美的事。我以前在中国不信上帝，生活过得很没有盼望，我觉得能认识主耶稣是我一生的幸福。

信仰是无法被强迫的，除非他们从心里去真相信！

别诺虽然当时带来一些暴力、冲突，却是不很好。我更希望是柔和的方式。但别忘了，他们也为土著居民带来了繁荣、新技术等，所以，我希望大北部落能够“文和为善，为贵”。所以其实改不改名都不重要。

重要的是心灵彼此和谐、相爱。

Observância do Dia de Colombo e do Dia dos Povos Indígenas

Nos últimos anos, a Cidade de Santa Clara (Cidade) recebeu diversos pedidos de informação de residentes relativamente à observância do Dia de Colombo por parte da Cidade, a maioria dos quais instou a Assembleia Municipal a alterar o nome Dia de Colombo para Dia dos Povos Indígenas. Ao longo dos últimos anos, estados e cidades começaram a reconhecer e a substituir o Dia de Colombo pelo Dia dos Povos Indígenas. Este reconhecimento histórico que atravessa jurisdições locais é um esforço colaborativo para proporcionar uma maior representação da história local e do estado.

O Dia de Colombo é um feriado federal que comemora o desembarque de Cristóvão Colombo nas Américas em 12 de Outubro de 1492 e celebra a cultura e património Italo-Americanos. Tem existido controvérsia relativamente ao feriado devido à chegada de Colombo à América do Norte, que marcou o início de uma era de conquista Europeia e morte de povos Nativos americanos. A sua chegada veio acompanhada de violência, escravidão, assimilação forçada e conversão do Povo Nativo americano ao Cristianismo. Essa chegada, também introduziu uma série de novas doenças que tiveram consequências e efeitos a longo prazo sobre os Povos Nativos Americanos.

O nome Dia dos Povos Indígenas honra a perda, o legado e a cultura dos afetados pela chegada de Colombo e a subsequente colonização americana. Este nome ainda reflete o mesmo impacto histórico da Era Europeia dos Descobrimentos, mas coloca o povo Nativo Americano no centro da narrativa.

Na reunião de 15 de outubro de 2020 da Equipa de Trabalho sobre Diversidade, Equidade e Inclusão (Equipa de Trabalho), a Equipa de Trabalho discutiu a alteração do nome do Dia de Colombo. A Equipa de Trabalho aprovou, unanimemente, a aceitação da consulta dos Gabinetes da Assembleia e do Presidente do Município para que seja apresentada uma recomendação à Assembleia Municipal relativamente à observância do feriado do Dia de Colombo por parte da Cidade.

O objetivo desta pesquisa é para obter a perspetiva da comunidade. Os resultados deste inquérito são apenas para fins de pesquisa e serão encaminhados para a Equipa de Trabalho para consideração aquando da recomendação à Assembleia Municipal.

1. Forneça a sua opinião relativamente à observância do Dia de Colombo e do Dia dos Povos Indígenas.

A Sua Posição:

- ☒ Manter o estado corrente: observar o Dia de Colombo na 2.ª segunda-feira de outubro
- ☒ Observar o Dia dos Povos Indígenas (ou um nome alternativo para o feriado que honre os Nativos Americanos) no lugar do Dia de Colombo, na 2.ª segunda-feira de outubro
- ☒ Observar o Dia de Colombo e o Dia dos Povos Indígenas na 2.ª segunda-feira de Outubro ou em dias diferentes.
- ☒ Observar o Dia de Colombo na 2.ª segunda-feira de Outubro e observar o Dia do Património dos Nativos Americanos na 4.ª sexta-feira de Setembro

2. Forneça a sua opinião relativamente à observância do Dia de Colombo e do Dia dos Povos Indígenas.

Insira um comentário opcional após selecionar "A Sua Posição"

Mudar o nome deste feriado que tem a possibilidade de ser desconhecido por muitos pode com certeza trazer a tona a história, cultura e fatos de um povo que realmente merece reconhecimento e respeito por tudo que ele suportou.

Your Position:

- ☐ Maintain Status Quo: Observe Columbus Day on the 2nd Monday of October
- ☒ Observe Indigenous Peoples' Day (or an alternate holiday name that honors Native Americans) instead of Columbus Day on the 2nd Monday of October
- ☐ Observe both Columbus Day and Indigenous Peoples' Day on the 2nd Monday of October or on different days
- ☐ Observe Columbus Day on the 2nd Monday of October and observe Native American Heritage Day on the 4th Friday of September

To the members of the Task Force on Diversity, Equity & Inclusion,

As an Italian-American I am all too aware of the unrelenting attacks Columbus Day undergoes yearly. While several books have been published by scholars either countering the attacks on Columbus (ex "Columbus and the Quest for Jerusalem" by Carol Delaney),or proving Howard Zinn wrong (ex: "Debunking Howard Zinn" By Mary Graber) and fact based websites have been created to educate the public (ex: KnowColumbus.org, ColumbusTheTruth.org), these attempts have done little to relent the attacks on Italian-Americans. Yes, I said attacks on Italian-Americans, not Columbus.

Italian-Americans observe Columbus Day as a celebration of their heritage and contributions made to this country. From the many Italian explorers that came after Columbus to map out the Americas, to Filippo Mazzei's inspirational words that helped shape our constitution, that "All men are by nature equally free and independent", to the works of Constantino Brumidi whose paintings beautify the Senate and House Chambers and the Capitol Building's rotunda, to the Piccirilli brothers who carved the "Seated Lincoln" in Lincoln Memorial, to Amadeo Giannini who found Bank of America, to Enrico Fermi who was the first to split the atom at Columbia University and lead the Manhattan Project, to Antonio Meucci the true inventor of the first telephone, and other contributions that are too countless to list in this letter, one thing is evident: Throughout history Italians have made great contributions to America and the world!

Proponents of Indigenous People's Day love to say, "This is not anti-Italian; It's anti-Columbus." But that is a lie. Are they calling to rename the day "Italian Heritage Day"? NO! They are demanding the day be taken completely away from Italian Americans and there is nothing more anti-Italian than this! This is NOT being inclusive. And anyone that votes in favor of eliminating our day of celebration is just as guilty of racism and discrimination as the people calling for it's removal, especially when they're not even calling to rename the day "Italian Heritage Day."

Fact is scholars have proven that Christopher Columbus is accused of crimes committed by his political adversaries and actions of leaders that came after him. Historical research shows that Columbus advocated for the rights of Indigenous People and punished his own men when they committed crimes against the Natives. Time and again writings show that Columbus hoped to peacefully convert Native Americans to Christianity through teaching and not force. By Papal law, once people converted to Christianity they could not be enslaved so how could he possibly have intended to pursue slavery? Yet it seems the flames of uneducated radicalized mobs continue to dictate the course of this country as they strong arm leaders to capitulate to their zealous screams and unjustly take this day of recognition away from Italian-Americans by slandering Christopher Columbus!

Notice when people attack Columbus they either never provide references or proof to their accusations, or they take quotes out of context to fulfill their false narratives. For your convenience I've included the below links to scholarly resources so you can continue your education on Christopher Columbus and see through the lies being perpetrated against the Italian-American community. Please do not turn your back to these truths! A vote for Columbus Day is a vote for education, a vote for truth, and a vote for the Italian-American Community.

Globally Indigenous People Day is recognized on August 9th. Native American Day is the fourth Friday of September. American Indian Heritage Day is the Friday after Thanksgiving. November is Native American Heritage Month. As Italian-Americans we ask only for ONE day to celebrate our heritage, culture and contributions. Are we not worthy of that?

Sincerely,

Andrew Illiano

Subject: Italian-American Defense League - Celebrate Columbus Day and Indigenous People's Day
Date: Wednesday, October 27, 2021 5:09:58 PM

Dear Members of the Santa Clara Equity Task Force:

Together we must stop systematic discrimination and bigotry against Italian Americans. Across this great Nation, never before has there been a movement by local, state, and now federal officials against people of one ethnic descent in the 21st century. I am founder of the Italian-American Defense League, member of the Italian American Alliance, son of an Italian orphan who sought a better life in the United States, and father concerned with preserving Italian-American heritage, history, and culture for future generations of Americans.

There is a problem today that is creating a false divide between Native Americans and Italian Americans - the elimination of Columbus Day. Let me start with a solution to this problem. Keep Columbus Day and designate Indigenous People's Day, a day worthy of recognition, to either August 9th (The International Day of the World's Indigenous Peoples), September 24th (Native American Day in California) or the Friday after Thanksgiving, a better fit based on historical context.

Replacing Columbus Day is contrary to a spirit of diversity, equity, and inclusion by excluding Italian Americans. Historical context shows Columbus Day was designated because of anti-Italianism and anti-Catholicism in the 19th and 20th centuries. Even today, many who oppose Columbus are anti-Catholic and ignorant of Italian-American history. Please understand that the majority of Italian Americans view the replacement of Columbus Day as discriminatory, biased, and divisive. A loud and vocal few are hijacking the agenda of Indigenous People, using it for their own political advancement.

In recent years, as I have revisited and researched Columbus Day, I have found:

- 1. Historically, people of Italian descent are proud to be included in a country that was founded as a result of Columbus's vision and perseverance as a navigator.**
- 2. Columbus Day is a day that created a national identity for Italians, something that they didn't have in their home country, and is an apology for discrimination against Italians at multiple times in American history.**
- 3. Modern-day scholars tell a very different story of Columbus based on primary sources and context rather than the twisted history of revisionists of the past 30 years.**

First, President Barack Obama, just as every president dating back to Benjamin Harrison, understood the significance of Columbus Day for people of Italian descent and all Americans. Here is President Obama's proclamation in 2011:

On October 12, 1492, Christopher Columbus and his crewmembers sighted land after an ambitious voyage across the Atlantic Ocean. The ideals that guided them to this land--courage, determination, and a thirst for discovery--have inspired countless Americans and led to some of our Nation's proudest accomplishments. Today, we renew our commitment to fostering the same spirit of innovation and exploration that will help future generations reach new horizons.

Ten weeks before his arrival in the Americas, Columbus and his crewmembers set sail from Spain in search of a westward route to Asia. Though their journey was daring, it did not yield the trade route they sought. Instead, it illuminated a continent then unknown to Europe, and established an unbreakable bond between two distant lands.

These explorers, and countless others that followed them, encountered indigenous peoples that had lived in the Western hemisphere for tens of thousands of years. On this day, we also remember the tragic hardships these communities endured. We honor their countless and ongoing contributions to our Nation, and we recommit to strengthening the tribal communities that continue to enrich the fabric of American life.

Columbus returned to the Americas three more times after his first historic voyage, and his journey has been followed by millions of immigrants, including our Nation's earliest settlers and Founders. Born in Genoa, Italy, Christopher Columbus was the first in a proud tradition of Italians to cross the Atlantic to our shores. Today, we recognize their indelible influence on our country and celebrate the remarkable ways Italian-Americans have shaped the American experience.

The excitement Christopher Columbus and his crewmembers experienced that October morning is felt every day by today's pioneers: entrepreneurs and inventors, researchers and engineers. On the anniversary of Christopher Columbus's voyage, we celebrate the pursuit of discovery as an essential element of the American character. Embracing this heritage and inspiring young people to set their own sails, our Nation will reach the shores of an ever brighter tomorrow.

In commemoration of Christopher Columbus's historic voyage 519 years ago, the Congress, by joint resolution of April 30, 1934, and modified in 1968 (36 U.S.C. 107), as amended, has requested the President proclaim the second Monday of October of each year as "Columbus Day." NOW, THEREFORE, I, BARACK OBAMA, President of the United States of America, do hereby proclaim October 10, 2011, as Columbus Day. I call upon the people of the United States to observe this day with appropriate ceremonies and activities. I also direct that the flag of the United States be displayed on all public buildings on the appointed day in honor of our diverse history and all who have contributed to shaping this Nation.

Historically, this shows that Columbus Day has been a bipartisan celebration of events leading to the founding of our Nation and the positive impact of Italian-Americans on our beloved country.

Second, as Americans we cannot forget the journey of all immigrant groups throughout history and their quests for justice, including Italians. August 23, 2021 was the anniversary of the execution of Nicolo Sacco and Bartolomeo Vanzetti for a murder they didn't commit in South Braintree, Massachusetts. The trial took place during a time of Italia-phobia and drew worldwide attention. The context for this trial is the 1920's, a time of resurgence of the KKK and The (anti) Immigration Act of 1924 which limited the immigration of Catholics, including Italians. That is also the time that people of Italian descent funded the erection of Christopher Columbus statues across America, because Columbus was an Italian and Catholic, in good faith with local governments. Essentially, eliminating Columbus Day is siding with white supremacists of the Twentieth Century, over poverty stricken Italian immigrants who never felt a national identity in their home country, but rallied behind becoming American.

In another example showing Columbus Day is tied to Italian-American heritage and history, President Benjamin Harrison issued a proclamation in 1892 after the March 14, 1891 lynching of 11 Italian Americans in New Orleans. This is the single largest lynching in U.S. history. Harrison recommended "to the people the observance in all their localities of the 400th anniversary of the discovery of America..." and described Columbus as "the pioneer of progress and enlightenment." Native Americans and Italian Americans marched during the first Columbus Day parade in New Orleans in the spirit of unity in stark contrast to the forces at be who are creating an artificial divide between the groups today.

Recently, the Italian Parliament passed a resolution to defend Christopher Columbus and Italy's special relationship with the United States, showing the holiday's significance to people of Italian descent. Eliminating Italian-American heritage and culture may diminish diplomatic relations between the two nations. The resolution commits the government:

- *to take action, on the political and diplomatic level, so that the Italian cultural heritage in the USA and the symbolic figure of that heritage embodied by Christopher Columbus may be safeguarded;*
- *to use all the communication tools available to the Government, to grant the enhancement, both at the level of bilateral Italy-US relations and at the multilateral level, of the real historical role of Christopher Columbus, an explorer moved by the noble sentiments of discovery, at the basis of the evolution of society and of the whole of humanity."*

This resolution shows that celebrating Columbus Day is meaningful to people of Italian descent from the past, today, and to future generations.

Third, if we cannot celebrate Columbus Day, then we cannot celebrate Indigenous People's Day either, because the Americas were not a Garden of Eden prior to Native American encounters with Europeans. Eastern Native American tribes fought in "mourning wars." Native Americans, "such as the Mahican, Cofitachequi, Susquehannock, Petun, Oneida, and Micmac retaliated for the deaths of relatives and clan members by taking captives or killing Indians from rival bands." One of the reasons for fighting was that these "blood feuds provided a steady source of captives for some Native Americans' ritual sacrifices." Furthermore, "engagements were usually one-sided affairs that ended with the taking of captives." For many captives, "the entire village assembled in the primary war chief's longhouse and began torturing the captive in a lengthy, highly ritualized ceremony. After the prisoner's death, the tribe concluded the ceremony by cooking and eating his remains." Lastly, "women, children, and skilled or especially attractive men were adopted into the family."

Like supporters of Christopher Columbus who do not celebrate the actions of Roldan, Bobadilla and Ovando, it is doubtful that today's Native Americans celebrate inhumane native practices of the past. Though the history is complex and shocking by today's standards, modern thinkers can agree that those inhumane Native American practices were acceptable at that time, and we should still celebrate Native American heritages today. Modern day revisionists use Columbus as a scapegoat for all sins of the past while failing to acknowledge human sacrifices of the Aztecs and cannibalism by the Caribes. Academically giving a "free pass" to some native groups, while demonizing Columbus for the sins of others, is unsound and unworthy of serious scholarship.

Rafael Ortiz, author of Christopher Columbus The Hero, is of Taino (Puerto Rican) descent and defends Columbus and Italian Americans. Ortiz counters every point against Columbus with context and citations. He states "I hope the media retract their false biographies and accusations on Columbus and correct their mistakes. I hope people will stop sharing false information in social media, without first double-checking the facts."

For the past thirty years, Columbus is being accused of crimes he didn't commit. Revisionists and activists fail to see themselves as committing another wave of anti-Italian and anti-Catholic discrimination. They only see using Columbus to achieve their own political agenda. In addition to Rafael Ortiz, researchers, historians, and anthropologists of the present and past support my claims, including: Carol Delaney, Mary Graber, and Samuel Eliot Morison. Delaney Ph.D., Harvard Divinity School, the University of Chicago, and Boston University, wrote "Columbus never killed any natives and continually admonished his men not to maraud, rape or plunder."

By today's standards, I condemn Captain Martin Alonso Pinzon, Francisco Roldan, and Francisco de Bobadilla for their sins and atrocities. However, as I learn more I am cautious of becoming guilty of presentism, viewing history

through today's lens and not in the context of the past. Today's revisionists must face the facts. It took the United States less than 100 years to rid the country of slavery, a human institution that was present in all cultures since the beginning of known history, a practice that Columbus never participated in.

Here are the words of Friar Bartolome de Las Casas, known as the defender of the Indians, "*But here is observable, that the desolation of these Isles and Provinces took beginning since the decease of the most serene Isabella, about the year 1504.*" Columbus had already returned from his fourth voyage by then. This shows that Las Casas believed that Columbus's actions during his four voyages were just and lawful. In life, Christopher Columbus was exonerated from false accusations by his political adversaries by the Spanish sovereigns, and today revisionists are putting Columbus on trial again, unjustly.

I am hoping to start a conversation with influential members of Native American groups to stand side by side with Italian Americans (and patriots) to celebrate multiculturalism and diversity, instead of destroying it. We have a great responsibility as today's Americans to create an environment of togetherness and truth for future generations.

I humbly ask that you share this letter with anyone open to a bipartisan and unifying solution that honors and respects both Native Americans and Italian Americans. I would welcome the opportunity to elaborate on any of my remarks.

People have moved from place to place from the beginning of time. Perhaps Columbas discovery of America (or perhaps it was the Vikings) was the beginning of bad times for our American Indians, but even they may have originally come from Asia via the Alaska. Movement, and exploration is what has created the modern world with all its warts and rough edges,

I suppose that nest we will be providing comments on, (should the City of Santa CLARA remove the statue of St. Clare)??

Christopher Columbus is important . He was from Genoa and our Italian-American folks in Santa Clara are proud of him. Do not let the historical revisionists rewrite his history. He was an important early finder of the new world. I don't buy the arguments for taking away his status. If you insist it should be by vote of the people. I am sick of the disrespect for the early settlers of our land taking their name off of schools and the like as was done for the Franciscan Padre Crespi in the East bay recently. These early pioneers operated a few hundred years ago and it was not with all the social knowledge that we have today. THE STANDARDS WERE DIFFERENT BACK THEN!. They did the best they knew how and accomplished much. I suggest you do not offend our Italian folks in Santa Clara by killing this important holiday.

Section 1. Short Title

This Resolution shall be known as the "Personnel and Salary Resolution" and is a reenactment of Resolutions 636, 3144, 3830, and 4652.

Section 2. Scope of Application

The provisions of this Resolution shall apply to all City employees. However, where the context of any section or part thereof shows that it is applicable to the Classified Service alone, then such section or part thereof shall not apply to the Unclassified Service and vice-versa. Should this Resolution conflict with any of the provisions of a current Memorandum of Understanding between the City and any of the recognized bargaining units, the provisions of the Memorandum of Understanding shall apply.

Section 3. Definition of Terms

The words and terms defined in this section shall have the following meanings in this Resolution and in any other Resolution classifying and fixing the salaries and compensation or authorizing the employment of personnel in any department or office in the City of Santa Clara.

- (a) "Allocation" – the assignment of a single position to its proper classification in accordance with the nature and scope of duties performed and the authority and responsibilities exercised.
- (b) "Anniversary Date" - the first day worked on a regular basis with the City of Santa Clara (e.g., hire date).
- (c) "Appointing Authority" – the City Manager shall appoint and remove, subject to the Civil Service Provisions of the Charter, all officers and employees of the City, except as otherwise provided by the Charter or this Resolution, and except as he/she may authorize the head of a department or office to appoint and remove subordinates in such department or office.
- (d) "Classification (Class)" – a group of positions having duties, responsibilities, and authority sufficiently similar to permit a) grouping under a common title and b) the equitable application of common standards of selection, transfer, promotion, and compensation.

- (e) "Classified Service" – all positions in the City service with the exception of those specifically exempt from the Civil Service Rules and Regulations, per Article XI, Section 1101 of the City Charter.
- (f) "Compensation" – the salary, wage, allowances and all other forms of valuable consideration, earned by or paid to any employee by reason of service in any position, but does not include any allowances authorized and incurred as incident to employment.
- (g) "Consumer Price Index" – as defined by the United States Department of Labor, Bureau of Labor Statistics, and applied to the San Francisco-Oakland-San Jose Bay Area for urban wage earners and clerical workers.
- (h) "Continuous Service" – employment with the City without break or interruption. The provisions of Section 11(f) of this Resolution shall apply in computing continuous service for the purpose of this Resolution.
- (i) "Demotion" – a change in status of an employee from a position in one classification to a position of a lower classification with a lower maximum pay.
- (j) "Department Head" and "Division Head" – the manager of a Department or Division respectively, including Elective Officers as defined in the Administrative Code (Chapter 2 of "The Code of the City of Santa Clara, California").
- (k) "Employee", "Regular Employee" or "Incumbent" – a person legally occupying a position in the City service.
 - (1) "Full-Time Employees" – those employees whose position requires the total number of hours prescribed for normal employment in the classification or position. All positions shall be full-time unless otherwise designated or unless the compensation is fixed upon the basis of part-time work.
 - (2) "Part-Time Employees" – those employees in positions which are designated part-time or for which compensation is fixed on the basis of part-time work.

- (l) "Leave of Absence" – permission to be absent from duty without pay for a specified period and for a specified purpose, with the right to return before or at the expiration of the period.
- (m) "Position" – a job in a particular classification with a regularly assigned combination of specific duties and responsibilities.
- (n) "Promotion" – advancement from a position in one classification to a position in a higher classification with a higher maximum pay.
- (o) "Reclassification" or "Reallocation" – a reassignment or change in the allocation of an individual position to a more appropriate classification, whether new or existing, on the basis of material changes in the duties and responsibilities of the position.
- (p) "Salary" – base salary as indicated in the current Salary Range/Schedule for Unclassified Employees and Pay Rate Schedule for Classified Employees, excluding any other pay incidental to employment.
- (q) "Step Increase Date" – the date an employee is eligible to move to the next salary step in the salary range. This date may be the same as the employee's Anniversary Date or it may be adjusted based on a leave of absence, a promotion or a transfer.
- (r) "Sworn Personnel":
 - (1) "Sworn Uniformed Fire Personnel" –personnel of the Fire Department with powers and responsibilities to be directly engaged in fire prevention or suppression work, but excluding volunteer members of the Fire Department.
 - (2) "Sworn Uniformed Police Personnel" –personnel of the Police Department having full police powers and responsibilities to enforce all laws including the California Penal Code, but excluding Police Reserves.
- (s) "Title" or "Classification Title" - the designation given to or name applied to a classification, each position allocated to a classification, and the legally appointed incumbent of a position allocated to a classification. The

meaning of a title is set forth in its corresponding classification specification.

- (t) "Total Compensation" – all of the salary and fringe benefits related to the cost to the City to employ an individual and may include salary, retirement and Social Security, holidays, sick leave, vacation, insurance premiums, uniform allowance, or any other special fringe benefit unique to a particular bargaining group. Allocation of total compensation monies by the bargaining group shall be limited to only those areas already defined in the Memorandum of Understanding, such as, but not limited to, salary, insurance premiums, and uniform allowance.
- (u) "Transfer" – a change in the assignment of an employee from one position to another in the same classification or a comparable classification.
- (v) "Unclassified Service" – all positions in the City service specifically exempt from the Civil Service Rules and Regulations per Article XI, Section 1101 of the City Charter.
- (w) "Unit" - that group of employees found to be an "appropriate unit," as determined pursuant to Employer-Employee Relations Resolution No. 2979, representing those employees who elect such representation.
- (x) "Working Title" - a title other than the official classification title that is used informally in the course of work activities to distinguish amongst positions within the same classification.

Section 4. The Classification Plan

- (a) The City Council, upon recommendation of the City Manager, shall create and adjust classifications of positions in the City Service. This Classification Plan shall consist of classifications defined by class specifications, including a descriptive title, a description of typical duties and responsibilities, and a statement of minimum qualifications for all positions within each classification.
- (b) The City Council, upon recommendation of the City Manager, may create new classifications or divide, combine, or abolish existing classifications and may reassign a classification from one salary range to another.

- (c) At the direction of the City Manager, all positions in the City Service created or established by the City Council shall be allocated by the Director of Human Resources to their proper classifications in the Classification Plan. Allocations shall be determined in accordance with the duties, responsibilities, and authority of each position and shall be based on the principle that all positions shall be included in the same classification if:
 - (1) Sufficiently similar with respect to duties, responsibilities, and authority to permit grouping under a common title;
 - (2) Comparable minimum education, experience, knowledge, skill, and ability requirements are demanded of incumbents;
 - (3) Common standards of selection, transfer, and promotion may be equitably applied; and
 - (4) The same salary range may be applied with equity.
- (d) The classification title of a position shall be used in all official personnel and budget records and transactions of the City of Santa Clara. No provisions of this Resolution, however, shall be deemed to prevent the use of a working title that differs from the official classification title of any position provided that the working title is designated by the head of the department in which the position exists.
- (e) Whenever in the judgment of the City Manager it is necessary for the expeditious transaction of the business of the City for a department to employ a person on a temporary basis in a type of position for which there is no classification provided in the Classification Plan, then the City Manager may authorize such employment. In such case the City Manager shall fix the amount of compensation, and may determine the minimum qualifications for such additional employees, and shall limit in advance the period of time the position may be allowed.

Section 5. Amendment and Maintenance of Classification Plan

Whenever one or more new positions are under consideration for possible establishment, or whenever, because of any revision in organization or methods, a

significant change of the duties or responsibilities of any existing position is to be made which may require the reallocation of such position, or whenever a new classification is created to which any position may more appropriately be allocated, or whenever, because of the abolishment or combination of any existing positions or classifications, an amendment to the Classification Plan is required, one or a combination of the procedures stipulated in (a) and (b) shall be observed.

- (a) The Department Head shall report the significant facts relating to such possible changes in writing to the City Manager in the manner prescribed.
- (b) The City Manager, upon written request of any employee or upon his/her own initiative, may initiate an inquiry of the classification of any position.

Upon either of the above initiations, the City Manager may direct the Director of Human Resources to study the assigned duties and responsibilities of any such position and the qualifications required for filling the same, and of the relationships of such positions to other classifications of positions in the Classification Plan.

On the basis of such study, the Director of Human Resources shall then recommend to the City Manager that no change be made in the allocation of the position, or that the position be allocated to a more appropriate classification in the existing Classification Plan or that a new classification be established to which the position would be allocated, whichever is the appropriate action.

The City Manager will recommend to the City Council any changes in the allocation of individual positions, or any changes in existing classifications and classification specifications, which the City Manager deems appropriate. The City Council may then take action to modify the Classification Plan in accordance with the provisions of Section 1103 of the City Charter.

Section 6. Classification Specifications

- (a) The Director of Human Resources shall maintain a written specification for each classification, which, when approved and adopted by the City Council, shall constitute the official specifications of classifications in the

City service. Such classification specifications shall be based on an analysis of the duties and responsibilities of positions in the City service. Each classification specification shall set forth the title of the classification, a description of the responsibilities and typical duties, and a statement of minimum qualifications for performance of the work.

- (b) The official copy of each classification specification shall indicate the date of adoption or latest revision or amendment and will be kept on file in the Human Resources Department. The official copy of each classification specification shall be open to inspection by employees and the general public. The official copy of any specification is available electronically or may be obtained in hard copy from the Human Resources Department for a specified charge.
- (c) Said classification specifications, when adopted, are hereby incorporated herein and made a part of this Resolution by reference. Any modification or amendment thereto may be adopted by a majority vote of the City Council.
- (d) Classification specifications for positions in the Classified Service must first be approved and adopted by the City of Santa Clara Civil Service Commission before they may be approved and adopted by the City Council.

Section 7. Interpretation of Classification Specifications

- (a) Classification specifications are illustrative documents intended to summarize the key characteristics of each classification. Typical duties and responsibilities listed are provided as examples of work that may be performed by incumbents of positions assigned to the classification and are not limiting or restrictive. Each classification should be viewed as a whole and in relation to other classifications in the Classification Plan; consideration should be given to typical duties; responsibilities; authority; required knowledge, skills, and abilities; as well as the minimum qualifications for employment.

- (b) Qualifications commonly required of all incumbents of and applicants for all positions in the City Service shall be deemed to be requirements whether or not they are not specifically mentioned in individual classification specifications; these include, but are not limited to, United States (U.S.) Citizenship or proof of permission to reside and work in the United States if not a U.S. citizen, the ability to perform the essential functions of the job in accordance with the Americans with Disabilities Act (ADA) and California's Fair Employment and Housing Act (FEHA), honesty, sobriety, and industry. Specific minimum qualifications for each classification in the Classified Service are established under the Civil Service Rules and Regulations and approved by City Council; minimum qualifications for classifications in the Unclassified service are approved by City Council.

Section 8. Qualifications of Employees

Incumbents of all classifications in the City service must possess the minimum qualifications prescribed for their classification, including education and/or experience. Applicants to positions in the Classified Service shall be subject to the recruitment and examination procedures described in the Civil Service Rules and Regulations.

Section 9. Compensation Plan

- (a) Classified Employees: The following subsection shall apply to regular Classified employees.
- (1) The current Salary Schedules are on file in the Human Resources Department, and are incorporated by reference.
 - (2) The Salary Schedules constitute the Compensation Plan applicable to all classifications. Step and Range increases are built into the current Salary Schedules as follows: Approximately 5% increase between each Step 1 through 5, approximately 2 1/2% from Step 5 to 6 and from Step 6 to 7, and approximately 2 1/2% difference between each Salary Range. Steps 6 and 7 of said schedules are applicable only as "longevity pay" as set forth in Section 10. All salaries prescribed are monthly rates. For those positions where it

is more appropriate to pay on an hourly basis, the hourly rate of pay equivalent to the proper monthly salary step shall be paid as indicated in the various Salary Schedules.

- (3) The compensation of Classified employees of the City shall be as set forth in the current Salary Schedules.
- (4) The Salary Schedules referred to in this Resolution may from time to time be revised and amended by the City Council.

- (b) Unclassified Employees: This section applies to all Unclassified positions.

The Salary Range for Unclassified positions shall be established by the City Council upon recommendation of the City Manager. A Salary Range/Schedule shall be maintained in the Human Resources Department.

Section 10. Application of Compensation Plan for Classified Positions

The Salary Schedules for classified positions, with such amendments as may be adopted by the City Council from time to time, shall have the force and effect and shall be interpreted and applied as follows, except as set forth in Section 12:

- (a) The salaries or rates of compensation prescribed are fixed on the basis of full-time positions, unless otherwise designated.
- (b) The rates of pay prescribed shall be deemed to include pay in every form, except for necessary expenses authorized and incurred incident to employment, or except as herein provided.
- (c) Employees shall be considered eligible for increase in salary according to the following general plan upon approval of the Department Head.
 - (1) The numbers 1, 2, 3, 4, and 5, respectively, denote the various steps in the salary range.
 - (2) Step "1" shall be paid upon initial employment for a period of at least twelve (12) months.
 - (3) Employees shall become eligible for increase to Step "2" upon satisfactory completion of twelve (12) months of service in Step "1."
 - (4) Employees shall become eligible for increase to Step "3" upon satisfactory completion of twelve (12) months of service in Step "2."

- (5) Employees shall become eligible for increase to Step "4" upon satisfactory completion of twelve (12) months of service in Step "3."
 - (6) Employees shall become eligible for increase to Step "5" upon satisfactory completion of twelve (12) months of service in Step "4."
 - (7) Employees may become eligible for an accelerated increase in salary within Steps "1" and "5" for outstanding performance upon recommendation of the Department Head and with the approval of the City Manager. In all such cases the Department Head shall submit written justification to the City Manager.
 - (8) Notwithstanding any other provision contained herein, any classified employee who has been employed for the City of Santa Clara for a total of ten (10) years, and has been employed at Step "5" of the salary range for his/her present classification for at least one (1) year, upon approval of the Department Head, shall receive a pay adjustment to Step "6" based on the current Salary Schedule. Any classified employee who has been employed for the City of Santa Clara for a total of fifteen (15) years, and has been employed at Step "6" of the salary range for his/her present classification for at least one (1) year, upon approval of the Department Head, shall receive a pay adjustment to Step "7" based on the above mentioned Salary Schedule.
- (d) If the Department Head does not approve the scheduled increase, the employee shall be notified ten (10) days prior to his/her Anniversary Date or Step Increase Date. In the event a step increase is denied on an employee's Anniversary Date, but a step increase is granted at a subsequent date prior to the next regularly scheduled Step Increase Date, no change shall be made in the employee's Anniversary Date.
 - (e) If an employee is denied a step increase, he/she may make a written appeal to the City Manager through his/her Department Head within fifteen (15) days of the postmark of his/her letter of notice of denial. The City Manager shall grant the employee an interview within 45 days.

- (f) The pay of any employee may be reduced to a lower step within the established pay range upon recommendation of the Department Head and with the approval of the City Manager, in cases where the quality and manner of work performance do not justify the pay being received. However, employees in the Classified Service having a permanent appointment shall be subject to the procedures set forth in the applicable Civil Service Rules and Regulations.

Section 11. Calculation of Anniversary Dates

(a) Anniversary Date of Employment

For purposes of compensation, the Anniversary Date for Classified and Unclassified employees will be the first day worked on a regular basis with the City of Santa Clara. All salary changes shall be effective as of the commencement of a bi-weekly payroll period. Employees who have an Anniversary Date that falls within the first week of the pay period and have been approved for a step increase will be adjusted on the first day of the pay period during which the Anniversary Date falls. Employees who have an Anniversary Date that falls within the second week of the pay period and have been approved for a step increase will be adjusted on the first day of the pay period immediately following the Anniversary Date. It is the intent of this provision that in no event shall a regular employee be paid under more than one rate of compensation during any payroll period.

(b) Annual Step Increases

If a classified employee remains in the same classification in which he/she received original appointment, he/she may receive the annual salary step increase on his/her Anniversary Date, subject to provisions of Sections 9 and 10 above.

(c) Transfer Within Same Classification or Within Another Classification With Same Salary Range

Should a classified employee be transferred to another classification having the same salary schedule and salary range as the classification in

which he/she has acquired permanent Civil Service status, the same provisions as above shall apply.

(d) Promotional Appointment

Should a classified employee be appointed to another classification to which a higher salary range applies, the Step Increase Date will coincide with the employee's Anniversary Date, subject to the provisions of Sections 9 and 10.

(e) Leaves of Absence

For compensation purposes, a personal leave of absence or any period of time an employee is off without pay (other than for reasons of illness covered by medical leave granted under Section 30 herein, industrial injury or illness or military service), which exceeds thirty-one (31) consecutive calendar days will constitute an interruption in continuous employment. In such instances the length of the leave of absence shall delay the Step Increase Date accordingly. A leave of absence or any period of time an employee is off without pay which does not exceed thirty-one (31) consecutive calendar days shall be considered as continuous employment toward the accumulation of time for the next appropriate step increase.

(f) During any leave provided for by the Family Care and Medical Leave Act (FMLA) and/or the California Family Rights Act (CFRA), the employee shall retain employee status with the employer, and the leave shall not constitute a break in service, for purposes of longevity, seniority under any Memorandum of Understanding, or any employee benefit plan. An employee returning from leave shall return with no less seniority than the employee had when the leave commenced for any employment related purpose.

Section 12. Hiring Above the Entry Level Salary

The entry level salary is defined as Step 1 for Classified Employees and the bottom of the salary range for Unclassified Employees. When a candidate recommended for hire to a classified position in City service is found to possess extraordinary qualifications through former training and/or experience, or when the City

is unable to recruit qualified candidates at the first step of the appropriate salary range, the City Manager, on recommendation of the Department Head, may approve the hiring of a candidate above Step 1, up to and including Step 5. . For unclassified employees, the City Manager has authority to hire and grant merit increases at any point within the salary range for the job classification.

Section 13. Applicable Pay Rates Following a Change of Status

(a) Pay Rates Following Promotion:

- (1) A classified employee promoted to a classification with a higher salary range shall be compensated at Step 1 of the classification to which he/she has been promoted, provided that Step 1 is at least approximately five (5) percent above the salary before promotion. If Step 1 is not at least approximately five (5) percent above the salary before promotion, the promotional salary shall be adjusted to at least approximately five (5) percent above the former salary unless prohibited by ineligibility to go to Step 6 or Step 7 (longevity steps). If the promotion places the employee on a different Salary Schedule, he/she will then be placed in the salary step that is closest to the salary the employee would have received had the employee received a five (5) percent increase in his/her former Salary Schedule and salary range. The Step Increase Date will coincide with the employee's Anniversary Date.
- (2) In the event that a classified employee is promoted on his/her Anniversary Date, he/she shall first receive any within-range increase to which he/she is entitled in the lower classification, and then the promotional salary adjustment provided in paragraph (1) above. The Step Increase Date will coincide with the employee's Anniversary Date.
- (3) If the promotion places the employee in Step 5 of their Salary Schedule and salary range, the Step Increase Date will coincide with the date of the promotion. Once the employee attains a salary at Step 6 or Step 7 (top longevity salary steps), the Step Increase

Date will be changed to coincide with the employee's Anniversary Date. See Section 10 (c)(8) above.

(b) Pay Rates Following Demotion:

- (1) If a classified employee is demoted to a classification with a lower salary range, the employee shall be assigned to a salary step in the lower range, as follows:

If a disciplinary demotion: The employee will be assigned to a salary step in the lower classification's salary range that earns less money than the employee was earning before the demotion. No change shall be made in the Anniversary Date or the Step Increase Date.

If a non-disciplinary demotion: The employee will be assigned to the salary step in the lower classification's salary range that the employee would have reached if the employee had never promoted to the higher classification. No change shall be made in the Anniversary Date or the Step Increase Date.

- (2) Unclassified Employees: In the event of a demotion of an Unclassified Employee, the adjusted salary shall be as approved by the City Manager.

(c) Pay Rates Following Transfer:

When a classified employee transfers from one position to another in the same classification or to another classification to which the same Salary Schedule and salary range is applicable, the employee shall remain at the same salary step and shall retain his/her Anniversary Date and Step Increase Date.

Section 14. Applicable Pay Rates Following Salary Range Increases and Decreases

- (a) If a salary range for a given classification increases, the incumbents of the classifications affected shall have their existing pay adjusted to the same step in the new salary range (Step 2 to Step 2, Step 3 to Step 3, etc.).
- (b) Except in the case of an overall Salary Schedule adjustment, if a salary range is decreased, incumbents shall retain their same dollar amount of

pay within the lower salary range. If the employee's present rate exceeds the maximum step of the lower salary range, the employee shall continue to receive the same dollar amount, which shall be designated a "Y" rate and indicated by a capital "Y" following the salary each time it appears on personnel records or transactions. Said "Y" rate shall be cancelled when the Salary Schedule and salary range reach the employee's original pay rate or upon vacancy of the position.

- (c) If a salary range change becomes effective on an employee's Anniversary Date, he/she shall first receive any within-range adjustment to which he/she is entitled and then receive his/her corresponding step adjustment.
- (d) If a salary range change becomes effective on the date an employee is promoted to a higher classification, he/she shall first receive any corresponding step adjustment to which he/she is entitled in the lower classification, and then the next higher step promotional adjustment as provided in Section 13(a) above.

Section 15. Salary on Reclassification of Positions

- (a) If a position is reclassified to a classification having the same maximum salary, the salary and the Anniversary Date of the incumbent shall not change.
- (b) If a position is reclassified to a classification which has a higher salary range, the salary shall be adjusted in accordance with Section 14(a) above.
- (c) If a position is reclassified to a classification with a lower salary range, the incumbent's salary shall not change, as provided in Section 14(b) above.

Section 16. Initial Adjustments to Compensation Plan

Subject to the provisions of this Resolution, the salary ranges referenced by this Resolution shall be applicable to all positions allocated to classifications listed in the Classification Plan, a copy of which is on file in the Human Resources Department. Each employee shall be paid the salary or compensation in accordance with the salary range prescribed for the classification to which his/her position is allocated.

Section 17. Hours of Work

All City employment is based on a forty hour work week with the following exception:

Shift personnel in the Fire Department work twenty-eight (28), twenty-four (24) hour scheduled duty shifts in a six (6) pay-period cycle.

Section 18. Overtime

THIS SECTION IS SUBJECT TO APPLICABLE FEDERAL AND/OR STATE LEGISLATION AND/OR CITY RESOLUTION.

- (a) It is the policy of the City of Santa Clara to avoid overtime work whenever possible. The City recognizes however, the obligation to provide services to the community and, on occasion, may require employees to extend work shifts or to be called back to work due to emergencies, personnel shortages, or required workloads.

Employees contacted for overtime work have an obligation to affirmatively respond to this need unless incapacitated or due to extenuating circumstances beyond the control of the employee and reasonably acceptable to the City. Failure on the employees part to affirmatively respond to such requests and/or to acceptably document such extenuating circumstances or incapacitation will be in violation of the City's rules and regulations and may be subject to formal disciplinary action.

- (b) The Department Head or designee shall authorize overtime.
- (c) Compensatory time off shall be taken as determined by the Department Head and shall be at the employee's convenience where practical. If the employee does not take the time off, the employee shall be paid at the employee's regular rate of pay.
- (d) All classified employees will be paid overtime or be eligible for compensatory time off in accordance with existing policy.
The employee may not accrue more compensatory leave hours than permitted by the current MOU or Department policy.
- (e) Unclassified employees are not entitled to overtime compensation. The monthly salary shall be considered full compensation for all hours worked.

Section 19. Holidays

(a) With the exceptions stated below, employment holidays are:

New Year's Day
Martin Luther King Jr. Day
President's Day
Spring Holiday
Memorial Day
Independence Day
Labor Day
Admission Day
Columbus Day
Veterans' Day
Thanksgiving Day
Friday following Thanksgiving Day
Christmas Day

and every day appointed by the City Council as a holiday. On days appointed by the City Council as "special" or "limited" holidays, City offices shall remain open and shall function in their normal and usual manner.

- (b) A special or limited holiday is a holiday applying only to one or more job classifications, and not generally observed Statewide by all employers. Holidays listed in Section 19(a) are not special or limited holidays.
- (c) If a holiday falls on Sunday, the holiday will be observed on Monday. If a holiday falls on Saturday, the holiday will be observed on the preceding Friday. Except for sworn Police and Fire Department personnel working shifts, regular employees will receive eight (8) hours of compensatory time off if the "observed" holiday falls on their scheduled day off.
- (d) For employees of the Recreation Division of the Parks and Recreation Department: If an employee works 40 hours in a workweek that includes a holiday, the employee will be paid double time and a half for the hours worked on the holiday. If the employee works 32 hours or less in a week that includes a holiday, the employee will be paid double time for the hours worked on the holiday.

Section 20. Vacations

- (a) Regular employees shall accrue vacation leave on a bi-weekly basis, provided that the employee is in a paid status for at least two-thirds (2/3)

of the hours of the pay period (53.4 hours or 74.67 hours for 24-hour employees), at the rate set forth by the current Memorandum of Understanding.

- (b) Maximum vacation accrual will be set forth in the current Memoranda of Understanding.
- (c) Vacation time off shall be subject to approval of the Department Head. Vacation eligibility will be as set forth in the current Memorandum of Understanding subject to any limitations contained therein.
- (d) Vacation time off for Department Heads shall be subject to the approval of the City Manager.
- (e) In accordance with the current Memorandum of Understanding, regular employees who separate from City service with accrued vacation time shall be paid for unused vacation on the effective date of separation. Employees may use vacation time on his/her last day(s) of City service to continue in a paid status without being present.
- (f) In case of the death of an employee, payment for accrual vacation shall be made to the estate of the employee, or in accordance with State law.

Section 21. Vacation/Sick Leave Conversion

- (a) For all employees except 24-hour Employees
Employees in this category have the option, subject to approval, of converting sick leave to vacation leave on a two-to-one basis. The maximum allowable exchange will be 96 hours of sick time for 48 hours of vacation leave per calendar year. Minimum exchange will be 8 hours sick leave for 4 hours of vacation.
- (b) For all 24-hour Employees
All provisions are the same as in the preceding section except the conversion ratio will be three-to-one; the maximum allowable exchange will be 216 hours of sick leave for 72 hours of vacation leave; minimum exchange will be 12 hours of sick leave for 4 hours of vacation leave.
- (c) General Rules for Vacation/Sick Leave Conversion

The vacation/sick leave conversion program set forth in this resolution is intended to provide a means for the individual employee to convert sick leave to vacation leave on the ratio set forth in this section. Such conversion, either to convert sick leave to vacation leave or vice versa shall be subject to the following conditions:

- (1) All requests to convert sick leave to vacation leave shall be submitted in writing to the Department Head in advance of intended vacation utilization.
- (2) The granting of such conversion and subsequent use will be at the discretion of the Department Head.
- (3) If the employee has not been permitted the use of the converted vacation leave within twelve (12) months, and has submitted at least one written request for utilization, the employee will have the option to re-convert the vacation leave to sick leave in reverse ratio* to the original conversion. This conversion will be allowed only for previously converted sick leave to vacation and will not be permitted for regularly accrued vacation leave.
- (4) If an employee, after converting sick leave to vacation leave, exhausts all of his/her remaining sick leave, he/she may make a written request to the Department Head to re-convert vacation leave to sick leave on a reverse ratio* basis. A written physician's statement attesting to the illness/injury is required and requests are subject to Department Head approval.
- (5) Sick leave converted to vacation is not available for use during the same pay period as the conversion.
- (6) This section only applies to employees whose Memorandum of Understanding allows for the temporary overaccrual of vacation. If an employee has converted sick leave to vacation and will exceed his/her vacation maximum accrual at the end of the calendar year, he/she will have the option to re-convert vacation leave back to sick leave on a reverse ratio* basis. Such re-conversion shall be limited

to previously converted sick leave to vacation and may not exceed the amount necessary to reduce the accrued vacation to the maximum allowable. Regularly accrued vacation leave, including vacation leave accrued in excess of the maximum allowable, will not be eligible for this re-conversion to sick leave.

*NOTE: As used in this section, "reverse ratio" is intended to mean that the ratio of sick leave to vacation leave will revert to the original ratio at the time of the initial conversion.

Section 22. Sick Leave

- (a) Sick leave shall be accrued at the rate 96 hours per calendar year (3.7 hours per bi-weekly pay period). For purposes of determining eligibility for sick leave accrual, employees must be on a paid status for at least 36 hours, excluding overtime, sick leave, family sick, family death, or personal leave, during the bi-weekly pay period. (Paid vacation, compensatory time off (CTO), holidays, and emergency paid leave, in addition to actual time worked, count toward the minimum hours required for accrual.)
- (b) Fire Department employees on a twenty-four (24) hour shift shall accrue 288 hours sick leave per calendar year (11.07 hours per bi-weekly pay period). For purposes of determining eligibility for sick leave accrual, Fire Department employees working on a shift basis must be in a paid status at least 50 hours during the bi-weekly pay period, excluding overtime, sick leave, family sick leave, family death leave, or personal leave. (Paid vacation, compensatory time off (CTO), holidays, and emergency paid leave, in addition to actual time worked, count toward minimum hours required for accrual.) However, Fire Department personnel not employed on a 24-hour shift basis shall accrue sick leave as set forth in the Section 22(a).
- (c) Sick leave accrued in a pay period may not be used during the same pay period.
- (d) Accrued sick leave may be used for leave consistent with leave under the Family Medical Leave Act (FMLA), the California Family Rights Act

(CFRA), Government Code Section 12945(b)(1) or death of a member of the employee's immediate family (immediate family as defined by FMLA or CFRA).

- (e) In the event of a death of a member of an employee's immediate family, the employee may use accrued sick leave as family death leave with approval of the City Manager (see Section 23: Bereavement Leave).
- (f) Not more than 48 hours of the employee's accrued sick leave (or six (6) shifts for 24-hour Fire employees) may be used as family sick leave within a calendar year for the care or attendance of members of his/her immediate family. "Immediate family" is defined as: spouse, parent, step-parent, child, step-child, sibling, grandparent, grandchild, aunt or uncle, niece or nephew, first cousin, parent by marriage, son or daughter-in-law, sibling by marriage, foster parent, domestic partner, anyone residing with employee, and anyone dependent on employee for care. The City Manager or designee may approve the use of additional sick leave.
- (g) Upon a doctor's certification that the employee is disabled because of pregnancy, or childbirth, or related medical condition, the employee may utilize accrued sick leave.
- (h) Accrued sick leave may be used for industrial injury or illness, as follows:
 - (1) Accrued sick leave may be applied during industrial injury or illness leave.
 - (2) If a Public Safety employee assigned to Fire Units #1 and #9B and Police Units #2 and #9A has exhausted his/her year of pay pursuant to Section 4850 of the State of California Labor Code, Sick Leave may not be used to supplement temporary disability pay pursuant to Section 4853 of the State of California Labor Code. This is not intended to deny any represented employee a cash payoff for any unused sick leave, upon disability retirement as provided for elsewhere in this document.
- (i) The City Manager or the employee's Department Head may require the employee to provide a physician's certificate, or otherwise, confirming that

the employee was sick during any period of sick leave. If an employee uses 40 hours or more of sick at one time, the employee shall provide to the Department Head a doctor's note certifying that the employee is physically able to perform the essential functions of the employee's position upon the employee's return to work.

- (j) A medical leave of absence for one calendar year without pay may be granted by the City Manager. If the employee is unable to return to work at the end of one year of leave of absence without pay, his/her service shall be terminated or retired.
- (k) A medical leave of absence granted by the Family and Medical Leave Act of 1993 (FMLA) or the California Family Rights Act (CFRA) will run concurrently with any paid leave.
- (l) Sick leave will have an unlimited accrual for use. However, payment of sick leave at retirement will be limited to a maximum of 1,500 hours (or 3,000 hours for 24-hour Fire employees). For employees who have accumulated more than 1,500 hours (or 3,000 hours for 24-hour Fire employees), the employee shall not be permitted to receive payment at retirement for more than the hours they had on the books as of January 1, 2004, plus 1,500 hours (or 3,000 hours for 24-hour Fire employees).
- (m) Employees leaving City service, except when on military leave, shall forfeit all sick leave benefits except as noted below. Sick leave may be used during a period of vacation prior to separation only with medical certification.
- (n) Employees whose service with the City aggregates fifteen (15) years or more shall be entitled, upon retirement, to payment for sick leave then accumulated for continuous service upon the following basis:
 - (1) Sick leave hours earned at the rate of ninety-six (96) hours per year shall be converted to their dollar equivalent based on the regular rate of pay last held by the employee, and those with 25 years or more service shall be entitled to be paid 75% of said accumulated sick leave;

- (2) those with 20 years or more service shall be paid 50% of said accumulated sick leave; and
- (3) those with 15 years or more service shall be paid 25% of said accumulated sick leave.
- (o) Sick leave hours earned by Fire Department public safety employees on a twenty-four (24) hour shift basis, shall first be divided in half and the balance converted to their dollar equivalent based on the reduced twenty-four (24) hour average hourly rate of pay last held by the employee, and then paid on the same schedule as that set forth above.
- (p) In the event of death of an employee, all accrued sick leave shall be paid to the employee's estate at full value.
- (q) No City employee shall be entitled to paid sick leave under any of the following circumstances:
 - (1) Disability arising from any sickness or injury purposely self-inflicted or caused by the employee's willful misconduct, including, but not limited to, intoxication and misuse of narcotics or drugs.
(Employees may use sick leave for alcohol or drug addiction rehabilitation consistent with the existing Civil Service Rules and Regulations.)
 - (2) Sickness or disability sustained while on an unpaid leave of absence.
 - (3) Disability or illness arising from compensated employment other than with the City of Santa Clara.
- (r) Sick leave shall not be used in lieu of, or in addition to, vacation except as stated herein.
- (s) Separation of an employee's continuous employment or service, except by reason of layoff for lack of work or funds, shall abrogate all sick leave accrued to the time of such separation, regardless of whether or not such person subsequently reenters the City service.
- (t) "Observed" holidays occurring during sick leave shall not be counted as a day of sick leave.

- (u) Upon written determination from a qualified workers' compensation or City physician that the employee is declared permanently incapacitated for further duty due to injury or illness, the City will apply for a disability retirement immediately, in accordance with the retirement administrative procedures.

Section 23. Bereavement Leave

- (a) The City will provide employees with a paid bereavement leave benefit to attend to the customary obligations arising from the death of a member of the employee's immediate family, as defined in this section.
 - (1) Employees are eligible to receive up to forty (40) hours (or three (3) shifts for 24-hour Fire employees) of bereavement leave in the event of the death of a parent, child, or sibling of the employee, employee's spouse, or employee's domestic partner (including, in each case, step, adoptive and in-law), spouse or domestic partner.
 - (2) Employees are eligible to receive up to three (3) work days, regardless of shift assigned, (or two (2) shifts for 24-hour Fire employees) of bereavement leave in the event of the death of a grandparent, grandchild, aunt or uncle of the employee, employee's spouse, or employee's domestic partner (including, in each case, step, adoptive and in-law).
 - (3) Employees are eligible to receive up to one (1) work day, regardless of shift assigned, (or one (1) shift for 24-hour Fire employees) of bereavement leave in the event of the death of a great-grandchild, great-grandparent, niece, nephew, or first cousin of the employee, employee's spouse, or employee's domestic partner (including, in each case, step, adoptive, and in-law).
- (b) The bereavement leave benefit is based on each death occurrence and is not charged through the total compensation model (Salary Adjustment Form).

- (c) Up to forty (40) hours (or five (5) shifts for 24-hour Fire employees) of additional bereavement leave may be charged as family death leave to an employee's sick leave balance with City Manager approval.
- (d) At the request of the City, the employee will provide verification.

Section 24. Military Leave

Military leave with pay shall be granted in accordance with the applicable sections of the Military and Veterans Code of the State of California and federal law.

The employee will receive full City pay for Military Leave up to 30 calendar days on an annual basis. Any Military Leave exceeding 30 calendar days will require the employee to utilize other approved time off, excluding sick leave. If the employee does not have sufficient accrual balances to cover Military Leave exceeding 30 calendar days, he/she may request a Personal Leave of Absence without pay.

Section 25. Jury Duty

No deductions shall be made from the pay of a regular employee for the hours that jury duty intrudes upon the assigned work shift providing that he/she submits any jury fees collected to the City. Employees may keep mileage fees received as reimbursement for the use of a private vehicle. An employee accepted for jury duty shall immediately notify his/her Department Head.

Section 26. Court Appearance as a Witness

No deductions shall be made from the salary of an employee who has been subpoenaed as a witness as a result of having observed an event or occurrence while on City duty providing he/she submits the witness fee. The same procedures are to apply as in the above paragraph.

Section 27. Uniform Allowance

A standard uniform regulation shall apply to designated Police and Fire Department uniformed personnel. Eligibility and annual amounts to be paid by the City will be based upon criteria as set forth in current Memorandum of Understanding. Payments for uniform allowance will be made bi-weekly.

Newly hired personnel will not receive uniform allowance during the initial twelve (12) continuous months of employment in the classification eligible for uniform allowance. Upon satisfactory completion of 12 months of employment, payment in the

amount equal to full uniform allowance (where applicable) will be paid for the initial 12 months of employment inclusive of any partial amount which would have been incurred in a previous year (on a pro-rated basis).

The City shall also provide for the repair of, or replacement based on the remaining useful life of the uniform article damaged while actively engaged in the line of hazardous duty in the Police and Fire service. All safety equipment supplied by the City damaged while actively engaged in the line of hazardous duty shall be replaced at no cost to the employee.

Section 28. Insurance Benefits

Types of insurance:

1. Health, Dental, Short and Long Term Disability, and Life Insurance: The City may arrange for and make available to City of Santa Clara employees the following group insurance benefits: Health, Dental, Short and Long Term Disability, Life Insurance, Voluntary Employees Beneficiary Association (VEBA), Employee Assistance Program and Flexible Spending Plan. The City has the obligation to change, alter, modify or the right to discontinue such plans when mandated by the provider. Current contracts for these insurance benefits shall be on file in the City Clerk's Office.
2. Health Allocation: Employee Bargaining Groups shall, on a once a year basis, commencing with the beginning of the calendar year, designate a fixed maximum monthly sum to be paid by the City for all represented employees toward applicable insurance premiums.

To be eligible for the health allocation, a represented full-time employee must be on a paid status for at least 80 hours (112 hours for 24-hour employees) in the month prior to the month of coverage. Part-time employees will have access to full health and dental benefits, but the total health allocation will be pro-rated to hours worked.

If the premiums for the individual employee exceed the amount allocated, the balance is paid by a salary deduction from the paycheck of the individual employee or under special circumstances, paid directly by the employee.

If the premiums are less than the monthly amount allocated, the difference will be refunded twelve (12) times a year.

3. Insurance Premium Payments During Periods of Work-related Injuries: For an employee who is temporarily disabled due to an accepted workers' compensation claim and has not earned the health allocation, the City will continue to pay the required premiums up to the amount of the health allocation until the employee is able to return to full duty or is declared permanent and stationary. However, should the injury be determined by the City's Workers' Compensation Third Party Administrator and/or the Workers' Compensation Appeals Board to not be service connected, the employee shall repay the City in full the premiums paid on his/her behalf.

Section 29. Retirement Benefits

Pursuant to Section 1200 of the City's Charter, the California Public Employees' Retirement System is the Retirement System of the employees of the City. As a condition of employment, employees of the City automatically become members of the Public Employees' Retirement System. The current contract between the City of Santa Clara and the Public Employees Retirement System is on file in the City Clerk's Office.

The Retirement System is divided into two Retirement Formulas, for Public Safety Employees and Miscellaneous Employees, as follows:

- (1) Public Safety Employees – 3.0% at age 50 Retirement Program ("Classic"); 2.7% at age 57 ("New").
- (2) Miscellaneous Employees – 2.7% at age 55 Retirement Program ("Classic"); 2.0% at age 62 ("New").

Section 30. Leave of Absence Without Pay

A leave of absence without pay may be granted as follows:

- (a) The City Manager may grant a leave without pay not to exceed one (1) calendar year.
- (b) Maternity Leave.

The term "maternity leave" refers to a leave of absence without pay because of pregnancy, childbirth, or related medical conditions. Pursuant to the Federal Pregnancy Discrimination Act (Pub. L. 95-555, 92 Stat.

2076 (1978) 42 U.S.C. 2000e), the rules and regulations issued pursuant thereto by the Equal Employment Opportunity Commission and Section 12945 of the California Government Code, the City Manager may grant a leave without pay not to exceed four (4) months for disability caused by pregnancy, childbirth, or related medical conditions. The City Manager may extend the leave up to eight (8) additional months.

The employee will give reasonable written notice of the need for maternity leave and her estimated duration of the leave.

Accrued vacation time (pursuant to Section 20) and accrued sick leave (pursuant to Section 22) may be used by the employee during the maternity leave.

(c) Family Leave.

Pursuant to the federal "Family and Medical Leave Act of 1993" (FMLA) and the California Family Rights Act (CFRA), the City Manager may grant a leave without pay for up to twelve (12) workweeks in a rolling twelve (12) month period for the care of an employee's spouse, child, or parent who has a serious health condition or the employee's own serious health condition that makes the employee unable to perform the functions of his/her position. The City Manager may authorize additional unpaid leave to increase the total leave without pay to one (1) calendar year. When the employee has requested a Medical Leave of Absence without Pay or Maternity Leave of Absence and Family Medical Leave simultaneously, FMLA leave shall run concurrently with such leaves.

Section 31. Right of Employee to Retain Position

When a leave of absence with or without pay is granted, it is with the definite understanding that the employee will be restored to the position vacated by him/her at the expiration of his/her leave.

Section 32. Temporary Changes in Work Schedules

- (a) General Rule – Temporary changes in work schedules shall be made whenever required. However, such changes shall be considered emergencies and emergency overtime rules shall apply whenever:

- (1) less than fourteen (14) hours advance notice is given to eight (8) hour, nine (9) hour, ten (10) hour, or twelve (12) hour shift employees; or
 - (2) less than forty-two (42) hours advance notice is given to Fire Department employees working a twenty-four (24) hour shift.
- (b) During the City's Annual Cleanup Campaign, the City may temporarily change the regular hours of work, on regular work days, of employees, upon 14 hours advance notice. Change in assignment for employees must be limited to shifts commencing up to one hour either prior to their regular shifts or up to one hour after the commencement of their regular shifts at straight time salary. Employees so assigned will work a nine (9) hour work day excluding unpaid time for meals. Any hours in excess of a regular (e.g., 9/80) schedule will be paid at the prevailing overtime rate.

Section 33.

This Resolution supersedes Resolutions Nos. 636, 3144, 3830, 4652, 7650 and amendments thereto.

REPORT TO COUNCIL

SUBJECT

Patrick Henry Drive Specific Plan Study Session

COUNCIL PILLAR

Promote and Enhance Economic, Housing and Transportation Development

EXECUTIVE SUMMARY

In July 2017, the City Council directed staff to begin preparation of a Specific Plan in the Patrick Henry area of North Santa Clara. Since then, the Council has provided a significant amount of direction to staff at key steps in the preparation of the Specific Plan to guide the development of Specific Plan contents. Preparation of the Patrick Henry Drive Specific Plan is entering the final phase and a Draft of the Specific Plan has been released for public review (Attachment 1). A [Draft Environmental Impact Report](https://www.santaclaraca.gov/Home/Components/BusinessDirectory/BusinessDirectory/352/3649?npage=2) (<https://www.santaclaraca.gov/Home/Components/BusinessDirectory/BusinessDirectory/352/3649?npage=2>) (EIR) for the Specific Plan (Attachment 5) has concluded its public circulation period and staff is currently working to respond to comments received on the EIR. The Draft Specific Plan aligns with the direction provided by the City Council (Attachment 2) as well as public input received through community meetings and through a series of meetings with a property owner stakeholder group.

The purpose of the study session is to provide the City Council with an overview of the Draft Patrick Henry Drive Specific Plan's land use framework, circulation and affordable housing requirements and to provide updates on the development of the Specific Plan since the last City Council Study Session on April 20, 2021 regarding additional proposed parks; public amenities; and, the establishment of a community shuttle. City Council consideration for adoption of the Draft Specific Plan is scheduled for early next year.

BACKGROUND

The Patrick Henry Drive Specific Plan Area is approximately 76 acres, located at the western boundary of the City of Santa Clara at Calabazas Creek, bounded generally by the Hetch-Hetchy right-of way to the north, Great America Parkway to the east, and Mission College Boulevard to the south. The City of Sunnyvale lies to the west, across Calabazas Creek. Immediately to the north of the Hetch-Hetchy right-of-way is the former Yahoo! Campus, now owned by Kylli. The Tasman Drive light rail line is approximately ten minutes walking distance from any portion of the Patrick Henry Plan Area, and public transit is also available on Great America Parkway. The Patrick Henry Drive area contains 17 light industrial properties and three public streets, with access to Great America Parkway and Mission College Boulevard. The building stock in the Patrick Henry Drive area consist mostly of one and two-story concrete tilt-up industrial buildings built in the late 1970s and early 1980s, with a series of distinctive four-story concrete buildings along the east side of Old Ironsides Drive.

The City formally commenced preparation of a Specific Plan for the Patrick Henry Drive (PHD) area following direction to begin preparation of the Plan in 2017 and the City Council's approval of a contract on August 22, 2018 with planning consultants, Moore Iacofano Goltsman, Inc. (MIG). Development of the contents of the Specific Plan has been guided through direction provided by the City Council at key steps in the Plan's preparation. The contents of the Specific Plan have also been informed through the City's experience with the development and implementation of the Tasman East Specific Plan, which is guiding development in a similar area also in North Santa Clara.

The Specific Plan will serve as an implementation tool for the City's 2010-2035 General Plan. The Patrick Henry Drive Specific Plan area is designated as a Phase III Future Focus Area for high-density residential development in the General Plan. Preparation of the Specific Plan will establish new General Plan land use designations, land use and urban design policies, amenities, and infrastructure to support the redevelopment of the PHD area from low-intensity office and industrial park use into a high-density, mixed use neighborhood.

Preparation of the Specific Plan has been informed by the input of Plan area property owners, community members and other stakeholders. Input was most recently received from community members at a community meeting on March 11, 2021. Staff have also been meeting regularly with a stakeholder group composed of property owners and proposed developers to work through details of the Plan contents and its implementation.

DISCUSSION

The following discussion highlights seven topic areas of particular Council interest and identifies changes to the Plan since the last City Council review, including changes made to address recent Council input. As previously directed by Council, the Specific Plan should incorporate the following:

- Flexibility in terms of allowable land uses and densities consistent with the development interests of each property owner.
- Measures to support quality of life for future residents.

Accordingly, the Plan will support a significant amount of new housing growth as proposed by individual property owners while maximizing the incorporation of community amenities in a manner that shares their costs over multiple projects.

1) Land Use Plan, Roadway Alternatives and Urban Design Framework (Amenities)

The Land Use Plan and Urban Design Framework (Attachment 3) identifies the locations for proposed residential and flex land use designations within the Specific Plan to align with the two potential development scenarios previously reviewed by the City Council and under analysis for the EIR. Generally, the most intense land uses are located at the center of the Plan area. The High-Density Flex designation is proposed for the property fronting Great America Parkway, where either high-intensity office uses or high-density residential are appropriate land uses. Ground floor retail square footage and public uses are distributed among several properties fronting onto Patrick Henry Drive to foster a new pedestrian-oriented street with active ground floor uses and amenities to support the development of a complete neighborhood.

The plans also identify proposed locations for public facilities and amenities such as neighborhood and mini parks, trail connections, indoor space for a new public library, gym and community center, and activity space and other outdoor open spaces. The Land Use Plan supports the development of the segment of Patrick Henry Drive perpendicular to Great America Parkway as a new "Main Street"

for the Patrick Henry neighborhood, with civic uses and open space areas arranged along this east-west axis. Land dedication to benefit the broader Plan area will be borne by multiple property owners in the Specific Plan, with many contributing land for roadways, parkland, greenways, library and/or community spaces. Some properties will also be required to incorporate space for retail to support the implementation of the Main Street.

In addition, each diagram has two alternatives (Attachment 4), one with and one without a roadway connection to Mission College Boulevard. The roadway alternatives are discussed further below.

2) Proposed Land Use Designations

The proposed Specific Plan land use plan would utilize four residential land use designations and one flexible residential/commercial designation:

- Very High Density (51-100 du/ac)
- Village Residential (60-150 du/ac)
- Urban Village Residential (100-150 du/ac)
- Urban Center Residential (120-250 du/ac); and
- High Density Flex designation (60-150 du/ac or up to a 2.0 floor area ratio of commercial development).

These densities correspond to the input provided by the Patrick Henry Drive area stakeholders and are reflected on the Land Use diagram. Maximum allowable building heights would range from five stories at the lowest allowed density designation to 25 stories at the highest density designation. The tallest building heights are allowed at the center of the plan area with more restrictive, lower building heights in place closest to the western edge of the plan area, which is closest to other existing residential uses. Buildings will also be generally limited by the Federal Aviation Administration (FAA) airport height limits.

The proposed land use designations and allowable densities were previously reviewed by the City Council, but the proposed Land Use diagram has two changes since that review. The Village Residential designation has been added, reflecting new input from the property owner (Marriott Center Owners Association), requesting greater flexibility than what they had previously indicated. Walnut Hill acquired their property from The Sobrato Organization after the City Council's review of the NOP and the designation for the property has also been adjusted at their request to allow a higher density.

3) Circulation and Roadway Network

The Land Use Plan makes use of the existing street rights-of-way but also identifies a limited amount of new vehicular and multimodal circulation roads and/or paseos throughout the plan area. These new circulation routes will allow additional routes of travel within the Plan area, promote pedestrian and bicycle use, and break up the existing superblocks to support intensified land use. The new roads are intended for low-speed vehicular use, emphasizing shared facilities where pedestrians, bicycles and cars all have an equal ability to use the rights-of-way. New greenway connections are also proposed in the interior of the central block to promote pedestrian and bicycle circulation and break up the massing of future development.

As part of the proposed Roadway Network, a new connection would be added from the southern portion of the Plan area to Mission College Boulevard just to the south of the Plan area. Mission

College Boulevard is a private road that runs around the perimeter of the Mission College campus. While this roadway connection will provide a significant benefit by providing greater connectivity with a more direct and alternative route of travel for some trips, it will also require the cooperation of Mission College to implement as a portion of the roadway would be their private property. Mission College has wanted to continue to explore the option for the roadway connection and has not yet confirmed support or concern about the connection to their campus and use of their private roadway. If there are any changes to Mission College's position, staff will report our verbally at the City Council meeting.

The property owner of the site in the Specific Plan area that includes the potential new roadway connection to Mission College Boulevard, O2 Micro, has expressed that they do not want the roadway connection on their site as a roadway connection would reduce the land area available for future redevelopment on the site. While new roadways are often centered along property lines to distribute the impact of the dedication to multiple property owners, as proposed the roadway would be entirely on the O2 Micro property in order to align at the intersection with Mission College and the Mission College driveway. Staff has determined that the proposed alignment is the best design option for the roadway network, and represents a proportional contribution for the property owner in comparison to the impact of contributions required for other properties within the Plan area. It should also be noted that 30-feet of the 60-foot road right of way is already of limited development potential due to the presence of a 20-foot wide utility easement located 10 feet interior to the property and running along the same orientation as the proposed roadway.

In the event that Mission College does not agree in the near-term to a roadway connection to their private road, the proposed easement area would instead be designated as open space, so that the subject property has a comparable dedication as other Plan area properties while also preserving the opportunity in the future to create the roadway connection should conditions change. The Plan includes an alternative land use diagram, which was also studied in the project EIR, that omits this new roadway connection.

4) Parkland and Open Space

As previously discussed with the City Council, public parkland or publicly accessible privately maintained open space is proposed to constitute a minimum of 22% of the land area available within the Specific Plan area, consistent with the approach taken with the adopted Tasman East Specific Plan. The Patrick Henry Specific Plan will provide public parkland and accessible open space amenities through two strategies: 1) dedication of parkland to the City through the City's Parkland and Recreational Amenities Dedication Ordinance (PDO); and 2) the incorporation of private open space areas, including privately owned public open space areas (POPOS). At least 11% of the net site area of the Plan area will be dedicated Parkland and in combination with, other various types of private open space a minimum of 22% of the Plan area will be open space. The net site area of a parcel is the area after roadway dedications and public sidewalk easements are excluded from the total.

The proposed dedicated Parkland includes a centrally located neighborhood park running north/south through the center of the new neighborhood and three smaller parks distributed within the Specific Plan area. Additional open space may also be provided adjacent to the creek trail connection at the northwest corner of the Plan area and adjacent to the proposed community room on the Summerhill development site. POPOS include greenways and plazas that are designed, built, and maintained by private property owners to include high quality landscaping and amenities that are accessible to the

public. These areas were selected to distribute the dedication requirement over multiple projects to the extent practical while also combining the Parkland dedications of multiple projects into four larger park areas to form a cohesive park program strategy. It should be noted that as a result, some projects would be more impacted by the requirement for land dedication while other projects would fulfill their PDO obligations to a greater degree or entirely through fees due in lieu of Parkland dedication.

The net site area of the Specific Plan area is 61.9 acres, and 22% is 13.62 acres. The Land Use Plan previously shared with the City Council depicted three dedicated parkland areas, totaling 8.52 acres in size. On April 20, 2021, the City Council provided feedback emphasizing the importance of dedicated park lands. Staff subsequently worked with the Plan area property owners to identify additional park land on the Land Use Plan. Specifically, new parkland areas have been added to the plan as follows:

- A new 1.25 acre park has now been added on the southeast corner of the plan area, split proportionally between properties owned by Dollinger and New Hope Church.
- Summerhill, located along the center southern portion of the plan area also now is providing a 9,250 square feet area of dedicated parkland along the western border of their site, adjacent to a proposed public use community room;
- Drawbridge on the northeast corner of the plan area has offered approximately 13,000 square feet of land that staff is analyzing for the feasibility of Park use.

Assuming the Drawbridge land dedication is feasible, the added areas would create a total of 429,864 square feet which is 9.87 acres of dedicated parkland. The remaining private open space obligation provided in part through POPOS, is 3.75 acres. At full build-out of the Land Use Plan, the amount of POPOS will likely exceed this amount.

Staff has begun working with the stakeholder group to further develop the design, treatment and amenities to be included within the publicly accessible, private open space areas. Private open space areas include a greenway along Patrick Henry Drive that would utilize an existing gas line easement that does not allow structures, and other internal greenways that will help to break up the massing of buildings, support pedestrian and bicycle circulation, and provide amenity space.

5) Public Facilities & Recreational Amenities - New Library, Gymnasium, Community and Senior Center

The City Council previously reviewed objectives for the Patrick Henry Drive Specific Plan that included measures to support the quality of life for future residents by providing a new branch library as part of the Specific Plan. At the subsequent City Council meeting on December 17, 2019, during review of the proposed Notice of Preparation for the Plan, the Council, noting that one of the Plan area developers, Z&L, was proposing to develop at a density significantly higher than otherwise allowed within the Plan, suggested that the addition of a library within the project could be tied to the Z&L proposal as a "community benefit" justification for granting the increased density.

Staff subsequently met several times with Z&L to discuss the incorporation of a library space of up to 40,000 square feet within their project. While Z&L initially expressed an openness to this approach and hired an architect to explore it with the City, Z&L has since indicated that due to evolving market conditions they have reconsidered the project's feasibility and will not be moving forward with a high-rise project in the near-term or with a library within their project. At the same time, staff considered

that it would be appropriate to develop a joint library-community center as a stand-alone facility that would be located within the new central neighborhood park within the Plan area.

Staff has conducted a preliminary analysis of the funding and feasibility of developing a new joint public facility containing space for library, gymnasium, community and senior serving recreation programs and parking as part of the Plan's implementation. Conceptually, based on a total combined space allowance of 47,000 square feet and design/construction costs of \$2,000 / square foot, the project is estimated to cost approximately \$94 million to develop.

The conceptual cost for the library portion of the project is approximately \$33 million in current year dollars of the \$94 million total estimated cost. While the Council has discussed the need to add amenities to North Santa Clara with the build out of more dense housing development, embedded in this discussion is whether to propose 100% of first phase park fees, and identify additional funds for the proposed library from other funding sources, to assume these amenities in the Patrick Henry Specific Plan. This does not include the on-going operational costs associated with maintaining these new amenities.

As background, based on the application of current fees due in lieu of Parkland Dedication and expected credits for park dedication and private recreation, the \$94 million project will require 100% of the park fees anticipated in the first phase (4,008 residential units) of the Plan's implementation.

Funding for the project would come from fees collected from new development through the City's PDO (Chapter 17.35 of the City Code). While fees in lieu of parkland dedication can be used for initial development of a joint facility, a separate funding source is necessary for the library portion (\$33 million) of the project in order to repay any funds loaned from parkland dedication funds. As stated already, no funding source has been identified for the library and a funding source to cover both capital and on-going operational costs would be required.

The payment of fees toward the design and construction of the library could be identified in the Plan as a "community benefit"; that would allow the City to approve, through a Development Agreement, potential additional density for a project in exchange for a contribution of payment toward the library portion of the project. However, currently staff is not aware of any projects that will request additional density beyond the what the plan is proposing or will require a Development Agreement. Other options could be including the library as part of a future bond project, a General Fund contribution or identification other funding source. It is likely that the City will need to consider multiple funding sources to repay the \$33 million to the PDO and, therefore, a Council approved feasible financial strategy would need to be developed to justify advancing PDO funds for a library before the dollars are committed.

Staff will continue to analyze the feasibility of the proposed project. The 47,000 SF facility should be considered the maximum project and could be reduced to address financial feasibility. Future modifications could include decreasing the size or removing certain elements. Council will also need to make future policy decisions to commit all of the \$94 million to this project and not other park priorities (such as the swim center, the new northside park, and other park needs) that are currently unfunded. Staff is continuing to evaluate both the appropriate allocations of program space and further facility design development would be based upon financial feasibility and a public process at a future date.

Given the central location, access, adjacent roadways and compatible uses, a site identified for the public facility (library/community center) would be provided on land shown as dedicated public parkland to accompany future development of the Z&L and Sares Regis properties.

In addition to the joint library-community center facility, the Specific Plan includes a proposed 5,000 square foot visual arts center for the public incorporated within the Summerhill project located at southern center of the plan area. Summerhill would provide a cold shell space within the ground floor of their project that would be dedicated to the City to program for classroom, studio, and gallery space. The City would manage this visual arts space, which would be adjacent to Summerhill's dedicated parkland, and which could function as an area for periodic outdoor art displays curated by the City.

6) Local Shuttle

Based on Council feedback at the Study Session on November 20, 2020 and on other land use items, staff has been working to develop requirements for a privately funded local shuttle program to be funded by all projects in Patrick Henry Drive Specific Plan. The shuttle operation would be able to be incrementally expanded with other development in North Santa Clara such as Tasman East, Kylli, Menlo Equities, and Greystar's Freedom Circle project. Staff is establishing a trigger for when the local shuttle would commence based on the timing of development in Patrick Henry Drive. Once established, participation in the shuttle could also be expanded by voluntary participation of other key North Santa Clara destinations such as Related Santa Clara, Mission College, and Great America.

7) Affordable Housing

As previously reviewed by the City Council, the Specific Plan would increase the affordable housing inclusionary requirement for new development above the City's adopted Ordinance level. The proposed affordable housing requirements for the Specific Plan area is 15% of units affordable to households at an average of 80% Area Median Income (AMI) level. This represents an increase over the current Citywide standard of 15% of units at an affordability level of 100% AMI. The proposal is intended to better align with the City's need to produce affordable units at a variety of income levels (not just moderate income), not impair project feasibility, and align with legal requirements.

The Specific Plan's affordable housing proposal was developed early in the plan process and presented to the City Council at a Study Session on April 9, 2019. Early in 2021, the City received its draft Regional Housing Needs Allocation (RHNA) of 11,632 housing units for the Sixth RHNA Cycle from the Metropolitan Transportation Commission/Association of Bay Area Governments.

Approximately 56% of RHNA units assigned to Santa Clara are designated to be affordable. As the City considers whether to update the citywide affordable housing ordinance as a potential strategy to address our future RHNA requirements, the Specific Plan could incorporate a pipeline provision and require potentially greater affordability requirements for later development, should the citywide affordable housing ordinance be updated. Such a provision would subject projects in the Specific Plan that are not deemed complete or do not receive Architectural Review approval by a certain date to be required to meet any future new citywide affordable housing requirements.

Planning Commission Feedback

The Draft Patrick Henry Drive Specific Plan was presented at a study session to the Planning Commission on October 28, 2020. The Commission provided comments and asked questions about the proposed building heights, density, and transit access. In response to a Commission question, staff clarified that school uses are being analyzed in the EIR so should a property be acquired for a

school in the Specific Plan area, no additional environmental review would be necessary for the proposed use.

Next Steps

The remaining tasks in the Specific Plan work program include completing the Final Environmental Impact Report (EIR) and Response to Comments in accordance with CEQA. In January 2021, the Final EIR and Final Draft Plan will be presented to the Planning Commission for their recommendation to the City Council.

ENVIRONMENTAL REVIEW

The action being considered is a study session only and does not constitute a “project” within the meaning of the California Environmental Quality Act (“CEQA”) pursuant to CEQA Guidelines section 15378(a), as it has no potential for resulting in either a direct physical change in the environment, or a reasonably foreseeable indirect physical change in the environment.

A Draft EIR was prepared for the Specific Plan. The Final EIR will be brought to the City Council for consideration when the Specific Plan is brought forward for a decision on adoption.

FISCAL IMPACT

There is no fiscal impact to the City other than administrative staff time and expense.

COORDINATION

This report has been coordinated with the City Attorney's Office, Parks & Recreation Department, the Library Department, and the City Manager's Office.

PUBLIC CONTACT

A virtual community meeting was held on March 11, 2021 to present the draft plan to the community. There were approximately 70 attendees. Speakers at the meeting expressed concern with traffic impacts, the potential roadway connecting the plan area to Mission College Boulevard, and planning for future pandemics.

Public contact was made by posting the Council agenda on the City's official-notice bulletin board outside City Hall Council Chambers. A complete agenda packet is available on the City's website and in the City Clerk's Office at least 72 hours prior to a Regular Meeting and 24 hours prior to a Special Meeting. A hard copy of any agenda report may be requested by contacting the City Clerk's Office at (408) 615-2220, email clerk@santaclaraca.gov <<mailto:clerk@santaclaraca.gov>>.

Patrick Henry Drive Specific Plan - Prior Council Direction

The Council first provided direction to guide preparation of the Specific Plan in July 2017 when the City Council directed staff to commence preparation of Specific Plans and approved specific language to include in a Request for Proposals (RFP) for a consultant to support the process. Additional actions taken by the City Council include the following:

- July 17, 2018 - City Council authorized the City Manager to execute a professional services contract with MIG, Inc. for the Patrick Henry Drive Specific Plan for a not-to-exceed amount of \$811,502, subject to execution of a funding agreement between the Patrick Henry Drive developers and the City. As part of the action the City Council reviewed the proposed scope for the Specific Plan.
- April 9, 2019 - City Council reviewed proposed objectives for the Specific Plan and directed staff to proceed.
- December 10, 2019 - City Council reviewed a detailed project description for the Patrick Henry Drive Specific Plan prior to the City's issuance of a Notice of Preparation (NOP) for the project.
- December 17, 2019 - City Council adopted a Resolution supporting the Establishment of the Patrick Henry Drive area as one of six new ABAG/MTC Priority Development Areas.
- April 28, 2020 - City Council accepted a proposed land use plan, land use designations, circulation plan, and parkland and open space plan as the basis for preparation of an Environmental Impact Report (EIR) for the Specific Plan.
- December 16, 2020 - City Council approved an expansion of the contract with consultant MIG to expand the scope of analysis in the EIR to include a land plan without a Mission College roadway connection.
- April 20, 2021- City Council received overview of plan and provided input on parkland dedication, land use plan, connection options to Mission College and traffic/local shuttle.

July 2017: Objectives identified in the RFP

The City's key objectives for the Patrick Henry Drive and Freedom Circle Specific Plans were identified in the RFP as follows:

- *Placemaking:* the Plan should support the development of a complete neighborhood that incorporates public and private amenities, including parklands and other open spaces, along with services, organized into an attractive, walkable urban environment.

- *Equity*: the Plan should distribute the anticipated future costs and benefits of new development among property owners in an equitable manner.
- *Feasibility*: the Plan should include a land use plan and implementation tools as necessary to provide for a straight-forward, streamlined implementation process.
- *Economic Sustainability*: preparation of the Plan should include an analysis of the economic and fiscal impacts of the conversion of land from commercial/industrial to residential use and an evaluation of potential off-setting conversion of other existing commercial/industrial lands designated for future residential use within the General Plan. The Plan should also consider the retention of key industrial or commercial sites within the Plan area to maximize the overall economic benefit of future land uses and to produce a complete community.

April 2019: City North Planning Principles

The City Council had previously expressed an interest in coordinated planning policies for the Patrick Henry Drive Specific Plan, Freedom Circle Focus Area and other projects in the North Santa Clara area and in April 2019 reviewed the following principles for guiding future land use decisions throughout this area:

- *Urban Scale*: Develop City North as Santa Clara's first large-scale urban-style district, including high-density housing and multiple job centers connected by innovative and/or dynamic transportation infrastructure and walkable streets.
- *Polycentric District*: Develop City North as an interconnected network of districts that have multiple activity centers. Each district will support a unique mix of land uses that complements its neighboring areas.
- *Complete Neighborhoods*: Provide within each neighborhood in City North a mix of core community uses so that Santa Clara residents can easily access places to live, work and play. Plan sufficient school facilities and other public facilities to fully meet the needs of the projected future population.
- *Innovative Multi-Modal Mobility*: Establish a street network flexibly designed to accommodate a balanced mix of travel modes including walking, cycling, driving, and transit. City North will incorporate innovative strategies to provide additional mobility options and support transit use including a districtwide Transportation Management Association (TMA).
- *Human-Scale Public Realm*: Promote a pedestrian-oriented, human-scaled environment within the public realm that links one neighborhood to another.
- *Compatibility*: Provide transitions between new development areas and adjacent land uses that address changes in use and density and provide for new connections where opportunities are available.

April 2019: Planning Objectives for Patrick Henry Drive and Freedom Circle

At the April 2019 City Council meeting the Council also reviewed the following objectives applicable to both the Patrick Henry Drive and Freedom Circle areas:

- *Neighborhood Planning*: Establish new land use designations customized for the plan area; frameworks for the development of parks and open spaces, circulation, urban design; an infrastructure plan with funding strategies, design criteria and guidelines for buildings, streets and open spaces; and implementation plans.

- *Commercial Development:* Strategically locate retail nodes throughout plan areas. All new residential development should be within a 10-minute walk of at least 20,000 square feet of neighborhood serving commercial uses.
- *Parkland and Open Space:* Establish a parkland dedication standard (consistent with the recently developed Tasman East Specific Plan) which requires a minimum of 22 percent of total developable land be allocated to programmable public parkland and other open space amenities. A maximum of 50 percent of this total dedication may be developed in the form of private open space, with the remainder required to be dedicated as programmable public parkland. Applicants will also be required to comply with the Parkland Dedication Ordinance, including payment of fees equivalent to the total obligation identified in City Code Chapter 17.35. Include privately owned publicly accessible spaces throughout new development to provide additional open space amenities and support placemaking.
- *Community Amenities:* Identify a location for a new public school, branch library and publicly accessible community meeting spaces. Locate the school with connections to open space areas. Consider a range of library types, such as siting a new urban library on the ground floor of a mixed-use development or locating a library within a new park. Create new meeting spaces which would be accessible during evening and weekend hours for public use. Evaluate the potential for a new community center.
- *Infrastructure:* Develop an infrastructure plan and associated funding plan that ensure infrastructure will be adequate to support planned uses, densities and intensities. The infrastructure plan will ensure orderly, efficient provision of infrastructure and establish an equitable structure through which improvements will be funded.
- *Walkability:* Repurpose and redesign existing rights-of-way to provide a human-scale, multi-modal environment with greatly enhanced pedestrian facilities.
- *Affordability:* Require 15 percent of all residential units developed to be made affordable to households at or below 80 percent of area median income (AMI). The Specific Plans include the conversion of industrial and commercial lands to residential uses, which have higher market land value, supporting a higher standard for the delivery of affordable units than seen Citywide. While the City's Affordable Housing Ordinance requires 15 percent of residential units to be developed as affordable, the affordability of the units is set at 100 percent of AMI. Creating an 80 percent AMI affordability requirement for affordable units produced in the Specific Plans will diversify the City's affordable housing inventory and create opportunities for households with lower income levels.

April 2019: Planning Objectives for Patrick Henry Drive

Also, at the April 2019 meeting the Council reviewed the following objectives for the Patrick Henry Drive area:

- Establish land use policies that allow the transformation of the area from office and light industrial uses to a high-density residential urban neighborhood.
- Support high density land use, with some mixed-use buildings to provide neighborhood- and site-serving retail and community amenities.

- Provide approximately 4,500 - 5,000 residential units with estimated densities ranging from 85 - 200 du/acre.
- Allow a range of building heights between 5 and 25 stories, with lower height buildings planned along the western edge of the plan area.
- Provide a primary public park centrally located within the plan area, connected to a central north-south greenway, and supported by plazas and other smaller scale open space areas.
- Increase east-west and north-south non-vehicular connectivity options, including a new “slow street” connecting to the 3005 Democracy Way (Kylli) Project and VTA service to the north that emphasizes pedestrian and bicycle movement over automobile traffic flow.
- Provide a new vehicle connection to Mission College Boulevard.
- Provide improved connectivity to the Calabazas Creek trail.
- Identify a potential branch library site and spaces for day care or other community amenities.

December 2019: Project Description

On December 10, 2019, the City Council affirmed a project description for the Specific Plan that provided development capacity for two potential land development scenarios. The proposed scenarios were developed through stakeholder interviews to implement the prior City Council direction to staff to take property owner stakeholder input into consideration and to provide flexibility in the allowed land uses for future potential developers within the Specific Plan area. Staff emphasized that because of the stakeholder input the Plan is now being developed to support a significantly increased amount of development potential as property owners and/or developers with an interest in the Patrick Henry Drive area expressed an intent to develop at significantly higher densities than previously anticipated.

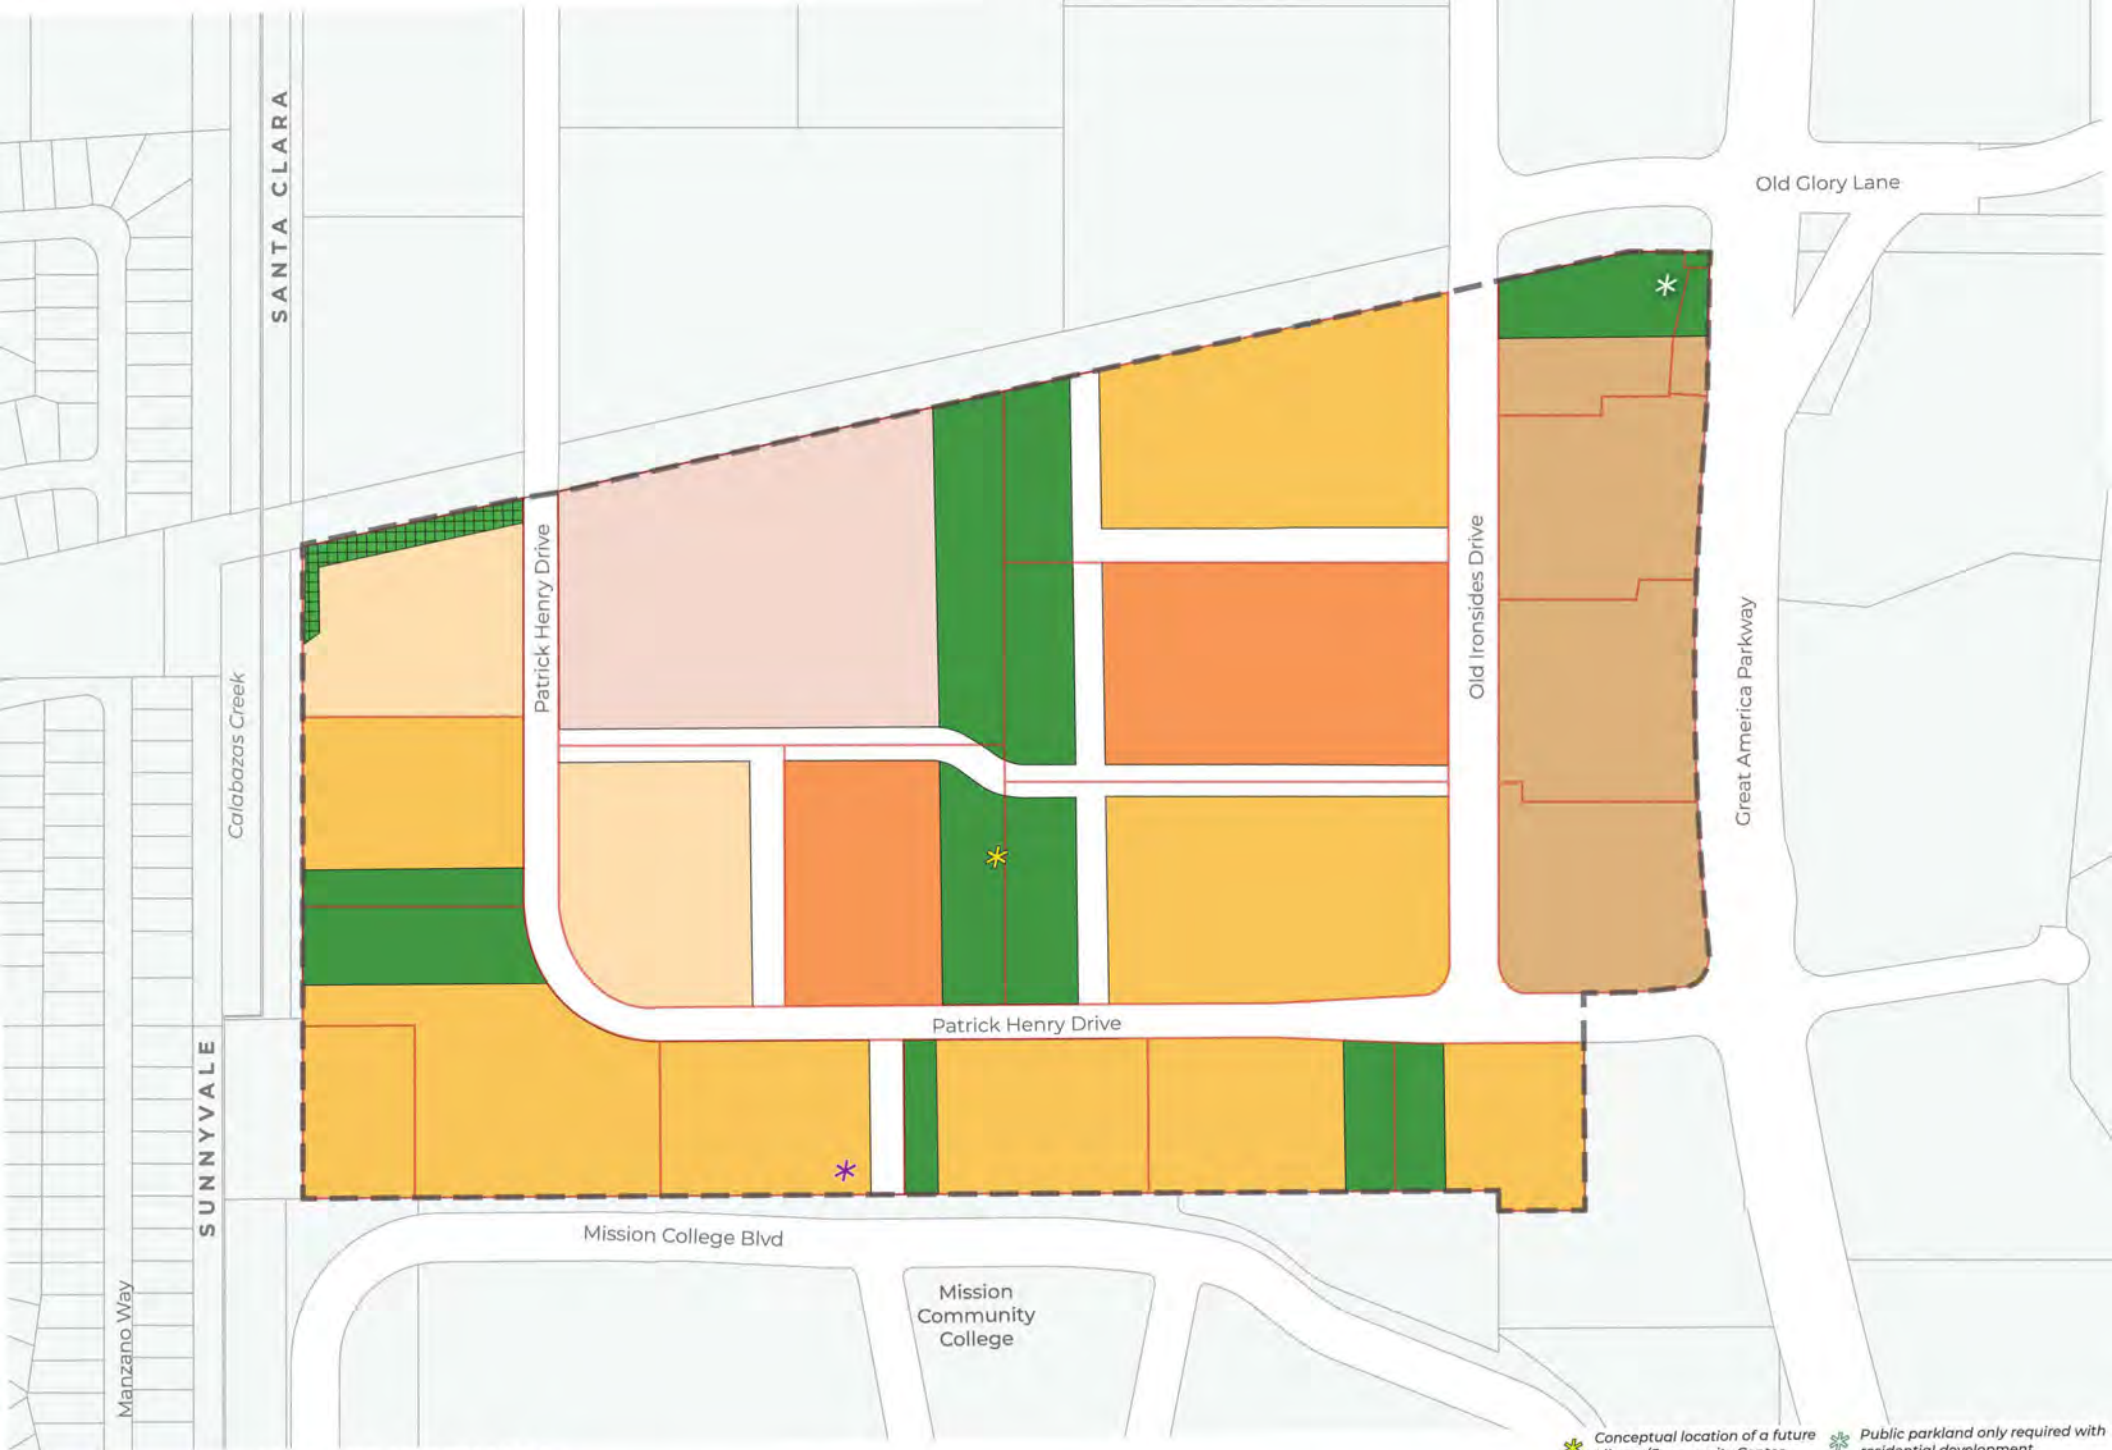

The City Council directed staff to proceed with issuance of a Notice of Preparation (NOP) and preparation of an Environmental Impact Report (EIR) based on these two scenarios.

- Scenario A includes approximately 12,000 net new residential units and 310,000 net new square feet of non-residential uses, of which 200,000 square feet is net new retail or public facilities space for uses such as library and/or community room space. The remaining non-residential uses include 110,000 square feet for educational facility uses.
- Scenario B substitutes office for high-density residential in the “High Density Flex” zone along the eastern edge of the Plan Area, amounting in an approximate total of 10,300 net new residential units, 785,000 net new square feet of office, and 310,000 net new square feet of other non-residential uses (e.g., retail, community space, library, educational facility).

| | Residential Units | Office | Other Non-Residential Uses |
|-------------------|--------------------------|---------------|-----------------------------------|
| Scenario A | 12,000 | - | 310,000 SF |
| Scenario B | 10,300 | 785,000 SF | 310,000 SF |

In addition, at the December 2019 meeting, the City Council reviewed a preliminary site plan and provided direction to staff as follows:

- Parkland and Open Space - 22% of the Specific Plan area is proposed to be designated as public parkland or publicly accessible privately maintained open space. The proposed parkland includes a central park spine running north/south through the center of the new neighborhood and two smaller parks located at opposite edges of the Specific Plan area.
- Circulation - the Plan makes use of the existing street right-of-way and identifies new vehicular and multimodal circulation roads and/or paseos throughout the plan area to promote pedestrian and bicycle use and break up the existing superblocks to support intensified land use.
- Community Benefits - in addition to parks, open space, retail, a community meeting room, and other benefits already included in the Specific Plan, the Specific Plan will include provisions for a public library space on the Z&L property as a community benefit tied to an increase allowance for density above what the Specific Plan would otherwise allow.

- 2 [21-1421](#) Action to accept appropriation of the FY 2021/22 California Library Literacy Services (CLLS) Grant Award for Read Santa Clara, the library's adult and family literacy program

Recommendation: Recommend to accept the total California Library Literacy Services grant award of \$91,026 for Read Santa Clara and approve a FY 2021/22 budget amendment in the Library Operating Grant Trust Fund to recognize grant revenue in the amount of \$91,026 and increase the FY 2021/22 Read Santa Clara appropriation by \$91,026.

Assistant City Manager Bojorquez shared statistics and information illustrating the work Read Santa Clara and their tutors accomplished in fiscal year 2020/2021.

Trustee Hintermeister and **Chair Ricossa** asked for clarification on the budget process related to this agenda item. **Assistant City Manager Bojorquez** noted the item's title erroneously included appropriation text. The agenda item is only to accept the awarding of funds, not to appropriate those funds.

Trustee Hintermeister suggested to modify a motion to read "recommend to accept the total California Library Literacy Services grant award of \$91,026 for Read Santa Clara."

Vice Chair Evans inquired about the grant process and how the Library received more funding than expected this fiscal year. **Assistant City Manager Bojorquez** explained the California State Library was able to provide additional resources to programs across the State.

A motion was made by Trustee Broughman, and seconded with amended wording by Trustee Hintermeister, to recommend to accept the total California Library Literacy Services grant award of \$91,026 for Read Santa Clara. The motion passed.

STAFF REPORT

- 3 [21-1428](#) Introduction of New City Librarian and Overview of Board Priorities

Recommendation: No recommendation for this item.

Assistant City Manager Bojorquez introduced **City Librarian Patty Wong** to the **Board of Library Trustees (the Board)**. **City Librarian Wong** invited trustees to share information about their priorities and reasons for joining the Board of Library Trustees.

Trustee Hintermeister voiced his appreciation of the work **Assistant City Manager Bojorquez** accomplished over the past year.

City Librarian Wong spoke of her experience working with library boards to help them develop and become more mission driven.

- 4 [21-1394](#) Library Bookmobile Update

Recommendation: No recommendation for this item

Senior Library Assistant and Bookmobile staff member, Cody Christiaens, provided a recap of Bookmobile services that occurred over the summer of 2021 and informed **the Board** of upcoming events.

Vice Chair Evans inquired which Bookmobile stops were the most popular and which stops reached people who otherwise would not have access to library services. **Senior Library Assistant Christiaens** noted that elementary school stops were the most heavily used and served many children who are not regularly able to go to library branches.

- 5 [21-1396](#) Overview and Preliminary Results of the Library's Restoration of Services Community Survey

Recommendation: No recommendation for this item

Management Analyst Justin Wasterlain presented the initial results of the Library's Restoration of Services Community Survey. The survey was open from September 13, 2021 through September 25, 2021 and collected information from 875 respondents about desired hours and programming.

Trustee Broughman shared a comment from a patron asking the Library to provide more after school hours. **Management Analyst Wasterlain** noted that other survey respondents voiced that opinion as well.

Trustee Hintermeister asked why the Library was not able to dramatically increase its hours. **Assistant City Manager Bojorquez** described how the City has prioritized COVID response services during the pandemic redirecting some Library staff and limiting their availability. **Assistant City Manager Bojorquez** related how the current efforts to fill staff vacancies will provide more ability to sustain additional services in upcoming months.

- 6 [21-1392](#) Verbal Report on Library Programs and Activities

Recommendation: Note and file monthly update on Library activities.

Assistant City Manager Bojorquez gave the Board a brief update of Library activities including:

- an update on the gazebo restoration project in City Plaza Park
- grants from the **Pacific Library Partnership** for "Check out and Code Kits" and the facilitation of equity, diversity and inclusion training
- a grant from **Kaiser Permanente** to increase staff capacity for providing services for people with disabilities through universal design and intentional program planning
- coordination of a photo with the **Board of Library Trustees** for the City calendar
- recruitments for two librarians and the Assistant City Librarian

TRUSTEES REPORT

Trustee Broughman asked for future agenda topics to include information about the partnership with the **Santa Clara County Historical and Genealogical Society** and opportunities to meet the Library's new staff members. Meeting dates for these agenda items are to be determined.

ADJOURNMENT

Trustee Broughman made a motion, seconded by Chair Ricossa, to adjourn the meeting in the memory of Irma LeBlanc. The motion passed.

Aye: 5 - Trustee Broughman, Trustee Tryforos, Trustee Hintermeister, Chair Ricossa, and Vice Chair Evans

The time limit within which to commence any lawsuit or legal challenge to any quasi-adjudicative decision made by the City is governed by Section 1094.6 of the Code of Civil Procedure, unless a shorter limitation period is specified by any other provision. Under Section 1094.6, any lawsuit or legal challenge to any quasi-adjudicative decision made by the City must be filed no later than the 90th day following the date on which such decision becomes final. Any lawsuit or legal challenge, which is not filed within that 90-day period, will be barred. If a person wishes to challenge the nature of the above section in court, they may be limited to raising only those issues they or someone else raised at the meeting described in this notice, or in written correspondence delivered to the City of Santa Clara, at or prior to the meeting. In addition, judicial challenge may be limited or barred where the interested party has not sought and exhausted all available administrative remedies.

If a member of the public submits a speaker card for any agenda items, their name will appear in the Minutes. If no speaker card is submitted, the Minutes will reflect "Public Speaker."

In accordance with the requirements of Title II of the Americans with Disabilities Act of 1990 ("ADA"), the City of Santa Clara will not discriminate against qualified individuals with disabilities on the basis of disability in its services, programs, or activities, and will ensure that all existing facilities will be made accessible to the maximum extent feasible. The City of Santa Clara will generally, upon request, provide appropriate aids and services leading to effective communication for qualified persons with disabilities including those with speech, hearing, or vision impairments so they can participate equally in the City's programs, services, and activities. The City of Santa Clara will make all reasonable modifications to policies and programs to ensure that people with disabilities have an equal opportunity to enjoy all of its programs, services, and activities.

Agendas and other written materials distributed during a public meeting that are public record will be made available by the City in an appropriate alternative format. Contact the City Clerk's Office at 1 408-615-2220 with your request for an alternative format copy of the agenda or other written materials.

Individuals who require an auxiliary aid or service for effective communication, or any other disability-related modification of policies or procedures, or other accommodation, in order to participate in a program, service, or activity of the City of Santa Clara, should contact the City's ADA Coordinator at 408-615-3000 as soon as possible but no later than 48 hours before the scheduled event.

3. [21-1384](#) Parks & Recreation Commission Work Plan Goals for FY2021/22

Recommendation: Report on progress on the Parks & Recreation Commission Work Plan Goals for FY 2021/22 and appoint subcommittee(s) as needed.

On October 19, the Commission received an update on Work Plan Goals B-1 and B-2, regarding the conclusion of community outreach for Westwood Oaks Park Playground rehabilitation project, and the continuation of design work for the Gazebo Project at City Plaza Park, and the Fairway Glen Park Restroom project. The subcommittee for Work Plan Goal D met and walked around the proposed 30+ acre park site. They noted the topography, views, and windy nature of the site. The subcommittee initiated a discussion about potential methods of conducting extensive and robust outreach.

STAFF REPORT

Deputy Director Seale provided a brief update regarding continued progress on multiple park projects including ongoing plan review for the All-inclusive Magical Bridge Playground. The City of Santa Clara continues to experience the effects of the severe drought. There is a mandate at the state level to reduce water consumption by 15% based. The Commission should expect a presentation at the November meeting from the Water and Sewer Department about strategies and tips to reduce water consumption.

Recreation Manager Castro reported that all facilities are open, programming is happening about approximately 60% capacity. The Department is currently hiring part time staff to operate additional programming. The Winter Program sessions are being planned. Upcoming events include Halloween on Saturday, October 30, 1:00 - 4:00 PM at the Youth Activity Center and the Holiday Tree Lighting on Friday, December 3 at Central Park.

Director James Teixeira advised that more details on park projects will be forthcoming at the November Parks & Recreation Commission meeting.

COMMISSIONERS REPORT

Commissioner Caldwell: Attended the community outreach meeting at Westwood Oaks Park, and the subcommittee meeting at the proposed 30+ acre park site.

Commissioner Forte: Visited Bowers Park and getting back to a skate routine.

Commissioner Gonzalez: Visited the proposed 30+ acre park site, Santa Clara Youth Soccer Park and Henry Schmidt Park.

Commissioner Hai: Visited the proposed 30+ acre park site (love the rolling hills) and Central Park.

Commissioner Knaack: Attended the community outreach meeting at Westwood Oaks Community, and visited Central Park, Mary Gomez Park, Bill Wilson Jr. Park, Homeridge Park, Earl R. Carmichael Park, Maywood Park, Westwood Oaks Park, Jenny Strand Park, Live Oak Park, Youth Soccer Park, Ulistac Natural Area, Lick Mill Park, and Fairway Glen Park.

Commissioner Martinez: Visited the Senior Center, Henry Schmidt Park, Raymond G. Gamma, Dog Park, and drove by Rotary Park and Warburton Park which are not in good shape.

ADJOURNMENT

Commissioner Knaack made a motion, seconded by Commissioner Caldwell, to adjourn the meeting until the next regularly held Parks & Recreation Commission meeting at 7:00 PM on Tuesday, November 16, 2021.

The time limit within which to commence any lawsuit or legal challenge to any quasi-adjudicative decision made by the City is governed by Section 1094.6 of the Code of Civil Procedure, unless a shorter limitation period is specified by any other provision. Under Section 1094.6, any lawsuit or legal challenge to any quasi-adjudicative decision made by the City must be filed no later than the 90th day following the date on which such decision becomes final. Any lawsuit or legal challenge, which is not filed within that 90-day period, will be barred. If a person wishes to challenge the nature of the above section in court, they may be limited to raising only those issues they or someone else raised at the meeting described in this notice, or in written correspondence delivered to the City of Santa Clara, at or prior to the meeting. In addition, judicial challenge may be limited or barred where the interested party has not sought and exhausted all available administrative remedies.

If a member of the public submits a speaker card for any agenda items, their name will appear in the Minutes. If no speaker card is submitted, the Minutes will reflect "Public Speaker."

In accordance with the requirements of Title II of the Americans with Disabilities Act of 1990 ("ADA"), the City of Santa Clara will not discriminate against qualified individuals with disabilities on the basis of disability in its services, programs, or activities, and will ensure that all existing facilities will be made accessible to the maximum extent feasible. The City of Santa Clara will generally, upon request, provide appropriate aids and services leading to effective communication for qualified persons with disabilities including those with speech, hearing, or vision impairments so they can participate equally in the City's programs, services, and activities. The City of Santa Clara will make all reasonable modifications to policies and programs to ensure that people with disabilities have an equal opportunity to enjoy all of its programs, services, and activities.

Agendas and other written materials distributed during a public meeting that are public record will be made available by the City in an appropriate alternative format. Contact the City Clerk's Office at 1 408-615-2220 with your request for an alternative format copy of the agenda or other written materials.

Individuals who require an auxiliary aid or service for effective communication, or any other disability-related modification of policies or procedures, or other accommodation, in order to participate in a program, service, or activity of the City of Santa Clara, should contact the City's ADA Coordinator at 408-615-3000 as soon as possible but no later than 48 hours before the scheduled event.

REPORT TO COUNCIL

SUBJECT

Action on Monthly Financial Status and Investment Report for September 2021

COUNCIL PILLAR

Enhance Community Engagement and Transparency

BACKGROUND

In compliance with the Charter of the City of Santa Clara and the adopted Investment Policy, the monthly financial report and monthly investment report for September 2021 are submitted for your information. The financial review as of September 30, 2021 provides a year-to-date financial update to the City Council for the current fiscal year. The analysis of the revenues collected and all expenditures measures the level of adherence to the established resource allocation plan and allows the City to monitor and project revenues and expenditures throughout the year.

The Adopted Budget incorporates the estimated revenues and planned expenditures for all funds. The attached Financial Status Report provides the budget to actual revenue and expenditure summaries for the General Fund, Special Revenue Funds and Enterprise Operating Funds, as well as expenditure summary for Capital Improvement Funds and Fund Reserve Balances. Any significant variances are explained in the report.

In accordance with City Council Policy 051 - Donations to the City, included in this report is a monthly activity and annual summary of donations received by department. Although the requirement of the policy is to report quarterly, in its ongoing effort to streamline reporting, the City will include this information monthly in the financial status report.

DISCUSSION

Monthly Financial Status Report (Attachment 1)

The attached report summarizes the City's financial performance as of September 30, 2021. Financial analysis for the report is provided for the General Fund, select Special Revenue Funds, Enterprise Operating Funds, and Capital Improvement Funds.

Attachment 1 shows that General Fund revenues were trending below budget at 9% through September 2021, largely due to the timing of payments. In some categories, such as property tax, most payments are scheduled to occur later in the fiscal year. In other categories, a portion of the revenues received through September account for activity that occurred in FY 2020/21 and those revenues are accrued back to that year. While it is very early in the fiscal year and limited data is available, General Fund revenues are currently tracking within estimated levels. However, concerns remain regarding continued impacts of COVID-19 as the Delta variant and vaccine hesitancy may

impact the speed of economic recovery and revenue collections.

As shown in Attachment 1, General Fund departmental expenditures were at 22.7% of budget through September 2021. Several cost-control measures that were implemented in FY 2019/20 remain in place to generate expenditure savings to partially offset the drop in revenues associated with COVID-19. These measures include a hiring freeze and controls around overtime, as-needed staff, marketing, travel, technology, and vehicle purchases. Expenditure savings are expected by year-end.

As shown in Attachment 1, total revenues through September 2021 for Enterprise Funds (Electric, Water, Sewer, Cemetery, Solid Waste, and Water Recycling) were at 18.7% of the budget while total expenses were at 21.6% of the budget.

In the month of September, the City received \$45 in donations, for total donations of \$88,270.

Many economic indicators have improved significantly since the start of the pandemic, but some have not returned to pre-pandemic levels. On a national level, the unemployment rate decreased slightly from 5.2% in August 2021 to 4.8% in September 2021. This rate was well below the record setting high of 14.7% in April 2020, but above the pre-pandemic unemployment rate of 3.5%. In September, the number of unemployed persons fell to 7.7 million from 8.4 million in August. This unemployment figure remains well above the pre-pandemic level of 5.7 million. In the second quarter 2021 estimate, the Gross Domestic Product (GDP) increased by 6.7% as a result of the reopening of businesses. While GDP has now surpassed the pre-COVID peak in the second quarter 2021, it has not yet reached the pre-pandemic trend. Per the September 2021 UCLA Anderson Forecast, GDP is not expected to reach the pre-COVID trend until the third quarter 2023. The September 2021 UCLA Forecast also projects a slower economic rebound as the Delta variant spreads and COVID continues to impact supply chains, which is a shift from the strong recovery projected in the March and June 2021 Forecasts.

Improvement continues at the State and local level. After the State's largest increase in the unemployment rate in April 2020, the California unemployment rate remained at 7.5% in September 2021. California has now regained nearly 63.5% of the 2.7 million jobs lost due to COVID-19 in March and April 2020. The unemployment rate in this region continues to outperform the State and the nation. The unadjusted unemployment rate in the San Jose-Sunnyvale-Santa Clara Metropolitan Statistical Area (MSA) was 4.0% in September 2021, down from a revised 4.8% in August 2021 and 7.5% in September 2020 but above the February 2020 level of 2.6%.

Staff will continue to closely monitor the General Fund revenues and the City's overall financial performance as the fiscal year progresses.

Monthly Investment Report (Attachment 2)

All securities held by the City of Santa Clara as of September 30, 2021 were in compliance with the City's Investment Policy Statement regarding current market strategy and long-term goals and objectives. All securities held are rated "A" or higher by two nationally recognized rating agencies. There is adequate cash flow and maturity of investments to meet the City's needs for the next six months.

The City's investment strategy for September 2021 was to invest funds not required to meet current obligations in securities listed in the prevailing Investment Policy Statement, with maturities not to exceed five years from the date of purchase. This strategy ensures safety of the City's funds, provides liquidity to meet the City's cash needs, and with a reasonable portfolio return of 1.28% in September.

ENVIRONMENTAL REVIEW

The action being considered does not constitute a "project" within the meaning of the California Environmental Quality Act ("CEQA") pursuant to CEQA Guidelines section 15378(b)(4) in that it is a fiscal activity that does not involve any commitment to any specific project which may result in a potential significant impact on the environment.

FISCAL IMPACT

There are no budget amendments being brought forward with this report.

COORDINATION

This report has been coordinated with the City Attorney's Office.

PUBLIC CONTACT

Public contact was made by posting the Council agenda on the City's official-notice bulletin board outside City Hall Council Chambers. A complete agenda packet is available on the City's website and in the City Clerk's Office at least 72 hours prior to a Regular Meeting and 24 hours prior to a Special Meeting. A hard copy of any agenda report may be requested by contacting the City Clerk's Office at (408) 615-2220, email clerk@santaclaraca.gov <<mailto:clerk@santaclaraca.gov>>.

MONTHLY FINANCIAL STATUS REPORT

September 2021

This report summarizes the City's financial performance for the month ended September 30, 2021. Financial analysis for the report is provided for the General Fund, select Special Revenue Funds, Enterprise Operating Funds, and Capital Improvement Funds. Financial information included in this report is unaudited.

General Fund

The General Fund is the major operating fund for the City and includes multiple programs, services, and activities for the residents and businesses of the City. The adopted budget for operating revenues and expenditures for fiscal year 2021/22 was \$289.3 million. The amended budget for revenues and expenditures was amended to \$294.8 million to reflect carryover appropriations from fiscal year 2020/21 and various budget amendments approved by the City Council through September 2021.

While it is very early in the fiscal year and limited data is available, General Fund revenues are currently tracking within estimated levels. However, concerns remain regarding continued impacts of COVID-19 as the Delta variant and vaccine hesitancy may impact the speed of recovery. Through September, expenditures are tracking below budget and this trend is expected to continue as departments continue to control expenditures through various cost control measures.

Many economic indicators have improved significantly since the start of the pandemic, but some have not returned to pre-pandemic levels. On a national level, the unemployment rate decreased from 5.2% in August 2021 to 4.8% in September 2021. This rate was well below the record setting high of 14.7% in April 2020, but above the pre-pandemic unemployment rate of 3.5%. In September, the number of unemployed persons fell to 7.7 million from 8.4 million in August. This unemployment figure remains well above the pre-pandemic level of 5.7 million.¹

In the second quarter 2021 third estimate, the Gross Domestic Product (GDP) increased by 6.7%, following a GDP increase of 6.3% in the first quarter. The estimated increase in the first quarter reflected efforts to reopen businesses and resume some activities amidst COVID-19 safety precautions. The second quarter reflects increases in consumer spending, exports and local and State government spending. The real GDP for the second quarter 2021 is 0.9% above the level experienced in the fourth quarter of 2019.²

While GDP has now surpassed the pre-COVID peak in the second quarter 2021, it has not yet reached the pre-pandemic trend. Per the September 2021 UCLA Anderson Forecast, GDP is not expected to reach the pre-COVID trend until the third quarter 2023. According to the Forecast, growth in services is expected to be the driver of GDP growth. With supply constraints and the lifting of public health restrictions, the Forecast assumes a shift from goods consumption to services consumption.

The September 2021 UCLA Forecast also projects a slower economic rebound as the Delta variant spreads and COVID continues to impact supply chains, which is a shift from the strong recovery projected in the March and June 2021 Forecasts. “What makes the growth ‘ho-hum’ is the comparison to what could have been if, globally, we had gotten COVID under control and had been able to

transform the pent-up demand, pent-up savings and a tremendous amount of government support into faster economic growth,” writes UCLA Anderson senior economist Leo Feler in his September forecast.³

Improvement continues at the State and local level. After the State’s largest increase in the unemployment rate in April 2020, the California unemployment rate remained at 7.5% in September 2021. With the decrease in the unemployment rate between February and September, California has now regained nearly 63.5% of the 2.7 million jobs lost due to COVID-19 in March and April 2020.⁴

The unadjusted unemployment rate in the San José-Sunnyvale-Santa Clara Metropolitan Statistical Area (MSA) was 4.0% in September 2021, down from a revised 4.8% in August 2021 and the September 2020 level of 7.5% but higher than the February 2020 level of 2.6%. Between September 2020 and September 2021, employment in this region increased by 47,400 jobs, or 4.5%.⁵ The largest increases were in leisure and hospitality (up 17,900 jobs), professional and business services (up 11,100 jobs), and private educational and health services (up 6,000 jobs).

Staff will continue to closely monitor the economic environment and the City’s financial performance and provide updates through the Monthly Financial Reports.

Financial Status Report as of September 30, 2021

General Fund Revenues

As of September 30, 2021, \$22.8 million or 9.1% of the General Fund estimated revenue (excluding transfers) was received. Transfers and use of reserves of \$43.8 million have occurred as budgeted. This very low collection level through September is largely due to the timing of payments. In some categories, such as property tax, most payments are scheduled to occur later in the fiscal year. In other categories, a portion of the revenue received through September accounts for activity that occurred in FY 2020/21 and those revenues are accrued back to that year.

General Fund Revenues

Sales Tax: The City of Santa Clara sales tax rate is 9.0%, of which the City receives 1.0%. As of September 30, 2021, \$4.5 million has been collected. Given the timing of payments, the sales tax payments received in September reflect activity from July 2021. Growth of 3.6% is needed to meet the budgeted estimate of \$58.2 million.

Property Tax: Through September, 0.1% of the property tax budgeted estimate has been received. The majority of property tax revenue is collected in February and April each year. Based on initial information from the County of Santa Clara, property tax receipts are projected to end the year close to the Adopted Budget estimate of \$71.6 million.

Transient Occupancy Tax (TOT): TOT is calculated as a percentage of City hotel/motel room charges. The City's current TOT rate is 9.5%. This rate is scheduled to increase to 11.5% in January 2022. Through September 30, 2021, approximately \$0.6 million has been received, which is significantly higher than receipts through the same period last fiscal year of only \$81,500. However, receipts remain 62% below the pre-COVID 19 level of \$1.6 million received through September 2019. As businesses continue to reopen and travel restrictions lifted, it is anticipated that TOT will continue to increase compared to last fiscal year. To meet the budgeted estimate, collections will need to triple from just under \$3.0 million in FY 2020/21 to \$9.0 million in FY 2021/22.

Other Taxes: Includes franchise tax and documentary transfer tax. The City has collected \$0.4 million through September, which is approximately 9.7% lower than prior year collection levels. While receipts in the documentary transfer tax remain consistent with levels collected through the same period last fiscal year, receipts in the franchise tax category are lower than prior year levels. Growth of 4.4% is needed to meet the budgeted estimate of \$6.1 million.

Licenses & Permits: Includes business licenses, fire operation permits, and miscellaneous permits and fees. Effective FY 2021/22, building, electric, plumbing and mechanical permits have all been budgeted in the new Building Development Services Fund, which will be reflected in the Special Revenue section of this report. Excluding the development revenues that have been erroneously booked in this category, licenses and permits revenue collections are tracking slightly above par with receipts totaling \$0.8 million, or 24.5% of the budget of \$3.2 million. Receipts are tracking within estimated levels through September.

Fines & Penalties: Includes vehicle, parking, court fines, and miscellaneous penalty fines. The revenue of \$70,000 collected in this category through September is tracking to end the year well below the budgeted estimate of \$1.5 million largely due to the waiving of late fees on utility billing in response to COVID-19. The City will be applying for the California Arrearage Payment Program in order to alleviate the arrearages accrued as a result of the City's bill relief period.

Intergovernmental: Includes federal stimulus funds, motor vehicle fees, state homeowner tax relief, state mandated reimbursement and redistribution of land sale proceeds and ground leases from the

Successor Agency. Through September 30, 2021, \$59,600 has been received, which is higher than receipts through the same period last year and reflects differences in planned payments.

Charges for Services: Includes various engineering fees, administrative fees, and community service revenue from various recreational activities. Through September 30, 2021, collections totaled approximately \$6.6 million or 22.1% of the budget. This reflects a 8.4% decrease compared to last year's collections through the same period of \$7.2 million. The decrease is mainly attributable to the plan check and sign fees now being recorded in the newly established Building Development Services Fund. This decrease is partially offset by higher collections in the planning and zoning fees, fire construction permits, and miscellaneous charges for services categories. Collections are tracking close to the budgeted estimate.

Contribution in Lieu: In accordance with the City's charter, Silicon Valley Power pays 5.0% of gross revenues for services rendered. As of September 30, 2021, \$6.4 million has been received which is on par for this time of year. This collection level, however, is based on the budgeted estimate and will be trued up at the end of the fiscal year.

Use of Money & Property: Includes realized investment income and rental income. Interest income and rent revenue collections totaled \$2.7 million, or 23% of the budget. This reflects a \$1.0 million increase from prior year collection levels. The largest increase was in the interest income category that was \$0.6 million above the prior year due to accounting adjustments last fiscal year that resulted in lower collections in that year.

Miscellaneous Revenues: Includes developer fees, donations, damage recovery, sale of surplus, and one-time miscellaneous revenues. Through September 30, 2021, collections of \$153,000 are tracking at 78% of the budgeted estimate and are approximately 65% higher than collections through the same period last year.

Stadium Operation: As of September 30, 2021, charges for services collected through the Stadium totaled \$0.2 million, which is well below par for this time of year. However, this is approximately 22.7% higher than collections through the same period last year resulting from the reopening of Stadium for events.

Financial Status Report as of September 30, 2021

General Fund Expenditures

As of September 30, 2021, \$99.3 million or 33.7% of the General Fund operating budget had been expended. Overall, expenditures in the General Fund are within budgeted levels through September. Departmental expenditures totaled \$55.6 million, or 22.7% of the budget, which is slightly below the par level of 25% of the budget. Several cost-control measures that were implemented in FY 2019/20 remain in place to generate expenditure savings to partially offset the drop in revenues associated with COVID-19. These measures include a hiring freeze and controls around overtime, as-needed staff, marketing, travel, technology and vehicle purchases. With these measures, expenditures are expected to end the year below budget.

General Fund Expenditures

Below is an explanation of certain budget to actual expenditure variances by department.

Non-Departmental: Includes expenditures that are not attributable to a single department, but a function of the City in general. As of September 30, 2021, expenditures totaled \$.9 million, or 13.3% of the budget. These expenditures are well below the par level of 25% and the prior year level expenditures.

City Attorney: As of September 30, 2021, actual expenditures totaled approximately \$0.6 million, which is 19.2% of the budget, which is below par. Spending is above the total expenditures through the same time last fiscal year by 10% due to higher salary and benefits costs as well as the timing of internal service fund allocation charges. Last fiscal year, these charges were not recorded in the departmental expenditures until October.

City Clerk: Through September, actual expenditures were tracking below budget at \$0.3 million or approximately 17.8% of the budget. This reflects a decrease of 27.3% over last year's spending through the same period. The primary driver for the decrease in spending is the Granicus costs which are paid every other year.

City Council: Through September, expenditures were at 24.5% of budget, which is at par. Compared to the same period through last fiscal year, this reflects a spending increase of approximately 25%, which is primarily the result of the timing of internal service fund allocation charges. Last fiscal year, these charges were not recorded in the departmental expenditures until October. Additionally, as-needed expenditures are higher than last fiscal year.

City Manager: The actual expenditures through September 30, 2021 totaled \$1.2 million, or 19% of the budget, which is below par for this time of the year. Expenditures are 13.9% lower compared with the spending level through the same period last fiscal year. This decrease in expenditures is related to the reallocation of City memberships and mandated costs from the City Manager's Office budget to Non-Departmental.

Community Development Department: This department consists of three divisions: Planning, Building, and Housing and Community Services. Effective this fiscal year, the Building division of this department has been moved to the newly established Building Development Services Fund, which falls under the special revenue section of this report. Through September, departmental expenditures for the Planning and Housing and Community Services divisions totaled \$1.3 million, or approximately 20%, which is below the par level of 25%. Expenditures were also well below the spending through the same period last fiscal year due to the change in funding for the Building Division.

Finance Department: Through September, the Department's expenditures totaled \$3.9 million, or 21.7% of the budget, which is below par. This expenditure level was approximately 2.3% higher than through the same period last year. Similar to other departments, the timing of when the internal service fund allocations charges being recorded is a factor in the variance between last fiscal year.

Fire Department: As of September 30, 2021, actual expenditures in the General Fund totaled \$15.8 million, or 25.9% of the budget, which is slightly above par. These expenditures reflect a 6.3% increase from expenditures through the same period last fiscal year. This is mainly attributable to the internal service fund allocation charges and higher salary and benefits expenses. All COVID-19 related expenditures have been charged centrally to the Other City Departments Operating Grant Trust Fund. The Fire Department has charged approximately \$0.1 million to this fund, bringing total expenditures, including the General Fund, to \$15.9 million. Overtime expenditures are tracking at 61.2%, which is above par for this time of year. While this overtime figure is high, it is important to note that overtime is used to backfill for vacant positions and the vacancy savings offset a portion of the overtime costs.

Library Department: Through September, actual expenditures totaled \$2.0 million, or 18.6% of the budget, which is below par and lower than expenditure levels through the same period last fiscal year. COVID-19 precautions have continued to impact Library operations this year, resulting in lower expenditures. A phased reopening is in progress, with full operations currently anticipated by the start of calendar year 2022.

Parks and Recreation Department: Through September, actual expenditures totaled approximately \$4.3 million, or 20.2% of the budget, which is below par, but slightly above the prior year actuals of \$4.1 million. This is due to the internal service fund allocation charges which were recorded in October last fiscal year as well as an increase in activity levels. The department is resuming activities that were previously impacted by COVID-19 restrictions, which will result in higher expenditures this fiscal year.

Police Department: Expenditures as of September 30, 2021 are tracking slightly below expected levels at \$18.7 million, or 23.4% of the budget. This reflects a slight increase in spending of 2.1% when compared to last fiscal year. Similar to the Fire Department, Police Department expenditures related to COVID-19 have also been charged to the Other City Departments Operating Grant Trust Fund. Through September, charges to this fund totaled approximately \$0.03 million. Accounting for the General Fund and Other City Departments Operating Grant Trust Fund, department expenditures are still tracking slightly below par.

Stadium Operation: Stadium operating expenditures are incurred first and billed on a reimbursement basis creating a timing difference in revenue recognition. Stadium expenditures totaled \$1.3 million through September and are tracking below budgeted levels. However, this is significantly higher than expenditures through the same period last year, as a direct result of the reopening of the Stadium for events.

Special Revenue Funds

The table below is a summary of revenues and expenditures of select Special Revenue Funds as of September 30, 2021. The amended budget for both reflects carryover appropriations from fiscal year 2021/22 in addition to budget amendments approved by the City Council through September 2021. Effective July 1, 2021, all Building Division revenues and expenditures are now budgeted and accounted for in the new Building Development Services Fund, which is included in the table below. Revenues totaled approximately \$5.4 million, while expenditures totaled approximately \$3.9 million through the end of September. While revenues are tracking above par, expenditures are tracking below.

Governmental Capital Improvement Funds

The table below lists the total amended budget amounts for the Capital Improvement Funds, which consist of current year appropriations, prior year carryover balances in Governmental Capital Improvement Funds, and budget amendments approved through September 2021. As of September 30, 2021, these capital fund expenditures totaled just under \$5.0 million, or 3.4% of the amended budget. As part of the adoption of the FY 2021/22 and FY 2022/23 operating budget, some capital funds were carried over for projects that were not anticipated to be completed by June 30, 2021. Necessary additional adjustments to the capital carryover amounts will be brought forward as part of the Budgetary Year-End Report for FY 2020/21, expected to go to Council in December 2021.

The carryover of prior year budget amounts is necessary when services or projects are started but not completed at the end of the fiscal year. This is especially true for the Capital Improvement Program (CIP) that typically spans several years. The table below displays the expenditure budget for the General Government capital funds excluding transfers.

Enterprise Funds

The table below is a summary of revenues and expenses for the Enterprise Operating Funds as of September 30, 2021. Overall, revenues and expenditures are tracking below budgeted levels with revenues tracking at 18.7% of the budget and expenditures tracking at 21.6% of the budget.

Both revenues and expenditures are tracking above last fiscal year levels reflecting current activity levels. The increase in expenditures is primarily due to the higher debt retirement costs as well as higher resource costs related to transmission and wheeling (transportation of electric energy from within an electrical grid to an electrical load outside the grid boundaries). Electric Utility expenditures, however, are tracking within budget through September.

Revenues in the electric (which also includes the Electric Debt Service Fund), water, and sewer utility (which also includes the Sewer Debt Service Fund) and water recycling funds are primarily from customer service charges. The activity levels for these customer service charges also impact the resource and production costs on the expenditure side for these funds. The lower the revenue from customer service charges, the lower the expenditures in the resource and production category.

A summary of expenses in the Enterprise Capital Improvement Funds is detailed in the table below. Actuals through September 2021 totaled approximately \$10.8 million, or 4.5% of the amended budget. Similar to the general government capital funds, capital funds were carried over into next fiscal year as part of the FY 2021/22 and FY 2022/23 budget adoption process for those projects that have not yet been completed. Adjustments to the capital carryover amounts based on actual year-end expenditures will be brought forward in December 2021, as part of the FY 2020/21 year-end reconciliation process.

Fund Reserves

By policy, City Council established the City's General Contingency Reserve, under which reserves for Budget Stabilization and Capital Projects were established.

- Budget Stabilization Reserve is set aside for weathering economic downturns, emergency financial crisis, or disaster situations. The reserve target is equal to the expenditures of the City's General Fund operations for three months (90-day or 25% General Fund Adopted Operating Budget). In FY 2021/22, the City Council approved an exception to the policy to allow the Reserve to drop below the 25% level.
- Capital Projects Reserve earmarks funds for the Capital Improvement Program.

Other General Reserves and Enterprise Fund Reserves included in this report are highlighted as follows:

- Technology Fee Reserve is set aside to update and/or replace the City's aging technology and to ensure internal controls are in compliance with current business standard and legal requirements.
- Land Sale Reserve is net proceeds from the sale of City-owned land, with interest earned on these funds available to be appropriated for General Fund operating expenditures. This reserve is available for appropriation by City Council action.
- The Electric Utility Reserve assures sufficient operating cash is available to ensure debt service coverage.
- The Replacement and Improvement Reserve in the Water and Sewer Utility Funds is for future capital improvement.

The table below summarizes select reserve balances.

CITY OF SANTA CLARA **SUMMARY OF INVESTMENT PORTFOLIO**

All securities held by the City of Santa Clara as of September 30, 2021 were in compliance with the City's Investment Policy Statement regarding current market strategy and long-term goals and objectives. All securities held are rated "A" or higher by two nationally recognized rating agencies. There is adequate cash flow and maturity of investments to meet the City's needs for the next six months.

The following table provides the breakdown of the total portfolio among the City, the Sports and Open Space Authority (SOSA), and the Housing Authority (HA) as of September 30, 2021.

| | <u>COST VALUE</u> | <u>PERCENTAGE</u> |
|--------------------------|--------------------------|--------------------------|
| City | \$809,955,408 | 99.50% |

| Restricted Bond Proceeds | <u>2,146,307</u> | |
| Total Investments | <u>\$816,167,720</u> | |

On September 30, 2021 the cost value and market value of the City's unrestricted pooled investment portfolio were \$813,238,075 and \$826,044,166 respectively.

Investment Strategy and Market Update

The City's investment strategy for September 2021 was to invest funds not required to meet current obligations, in securities listed in the prevailing Investment Policy Statement, with maturities not to exceed five years from date of purchase. This strategy ensures safety of the City's funds, provides liquidity to meet the City's cash needs, and earns a reasonable portfolio return.

On September 14, 2020, City Council approved entering into a contract with PFM Asset Management LLC ("PFM") for the management of the City's investment portfolio. The City has leveraged PFM's extensive investment management experience and dedicated credit and risk management personnel to further diversify the portfolio and enhance returns. PFM began actively managing the City's securities portfolio on September 1, 2020.

As of September 30, 2021, 47.56% of the City's portfolio consists of U.S. Treasury Notes, 29.35% consists of Federal Agencies, 8.55% consists of Local Agency Investment Fund (LAIF), 8.16% consists of investment grade Corporate Notes, 2.25% consists of investment grade Supranational Obligations, 1.07% consists of investment grade Asset-Back Securities, 2.25% consists of Negotiable Certificates of Deposit, and 0.51% consists of investment grade Municipal Bonds. In addition, City bond proceeds are invested in separate funds and are not included in the calculation of the City's portfolio yield.

The City's portfolio yield, including LAIF and money market accounts, was 1.28% and the average maturity of the City's portfolio was 2.04 years.

Traditionally the City has compared the portfolio yield to the 24-month moving average yield of the two-year Treasury Note (Benchmark Yield*). During 2021 annual Investment Policy review, the City evaluated alternate portfolio performance benchmarks in order to establish an independent standard to serve as a measure of the performance of the portfolio and to help guide the maturity structure of the portfolio. The City began using the 24-Month moving average yield of the ICE BaML 0-5 US Treasury Index as benchmark, effective March 23, 2021.

The City's securities portfolio compared to the ICE BaML 0-5 US Treasury Index (Benchmark) as of September 30, 2021 was as follows:

| Description | Average Maturity (Years) | Yield to Maturity (At Cost) ¹ |
|-----------------------|-----------------------------|---|
| Santa Clara Portfolio | 2.22 | 1.39% |
| Benchmark | 2.24 | 0.49% |

1. *Yield to Maturity at Cost: The expected rate of return based on the original cost, annual interest receipts, maturity value, and the time period from purchase date to maturity, stated as a percentage on an annualized basis.*

The Benchmark yield represents the 24-month moving average yield of the ICE BaML 0-5 US Treasury Index.

REPORT TO COUNCIL

SUBJECT

Preparation of the Santa Clara Station Area Plan and Related Budget Amendment

COUNCIL PILLAR

Promote and Enhance Economic, Housing and Transportation Development

BACKGROUND

The City's General Plan, adopted in 2010, included the Santa Clara Station Area as a Focus Area. Focus Areas signify areas where the General Plan supports future growth through redevelopment and intensification of existing land uses. These areas include major corridors and destinations, new centers of activity around transit stations, and new residential neighborhoods. Because of their integral location, changes in these areas offer an opportunity to implement the General Plan Major Strategies to enhance the City's quality of life and foster economic vitality. Focus Areas are divided into near-term and Future Focus Areas. While several prerequisites, including the preparation of a comprehensive plan or Specific Plan apply to the Future Focus Areas, development may proceed in the near-term Focus Areas without preparation of a Specific Plan.

The Santa Clara Station Focus Area consists of 244 acres generally bounded by De La Cruz Boulevard, Reed Street, and Martin Avenue to the northeast, and Franklin Street and El Camino Real to the southwest as shown in Attachment 1. At the center of this area is the existing Santa Clara Transit Station, which is served by Caltrain and Altamont Commuter Express rail lines and Valley Transportation Authority (VTA) bus service. The station will also become the terminus for the planned extension of the Bay Area Rapid Transit (BART) system to Downtown San José and Santa Clara (BART Silicon Valley Phase II). The station will be thus become an increasingly important major transit hub for the Bay Area.

Existing development consists of predominantly low intensity retail, office, and light industrial uses. Recent development approvals in the Focus Area include intensifications of key opportunity sites, the 575 Benton Street mixed use project, the Gateway Crossing project at Brokaw and Champions Parkway, and the dual brand hotel at the corner of Brokaw and Coleman.

A previous effort to develop a Plan for the Santa Clara Station Area concluded in 2010 without the adoption of the plan by the City Council. However, elements of that planning effort were included in the 2010 General Plan update.

DISCUSSION

Recent development activity within the Station Area demonstrates market support for intensification of land uses within this key part of the City. The City Council has recently approved individual General Plan amendments for two significant projects (575 Benton and Gateway Crossings),

indicating support for greater densities that support economic development, transit use and the provision of housing in proximity to the City's Downtown core. The City Council and community members have also expressed interest in the preparation of a Station Area Specific Plan to further support and provide additional policy guidance for future development in this area.

The City has recently received two funding opportunities that collectively provide \$900,000 to support preparation of a Specific Plan for the Santa Clara Station Area. The VTA will provide \$500,000 from a Federal grant that has been awarded to fund consultant work to develop the Plan with oversight by the City of Santa Clara, and the Metropolitan Transportation Commission (MTC) will provide \$400,000 from its Planned Development Area (PDA) grant program toward city staffing and consultant work.

Preparation of the Specific Plan will rely upon a consultant team, as well as City staff, to conduct a planning process including community engagement, technical analysis and the preparation of land use policy documents. Community engagement will include a Task Force, targeted outreach to stakeholders, and opportunities for participation by the broader community. In preparation of the draft plan, the chosen consultants will prepare an updated existing conditions report, updated market/financial feasibility analysis, land use plan, traffic analysis, California Environmental Quality Act (CEQA) analysis, and objective development standards for new zoning districts that conform to the new Specific Plan. The plan will consider as a reference material, VTA's Transit-Oriented Communities playbook, which was developed in 2019 and included an existing conditions report, land use strategies, and a market feasibility analysis for the area. The Specific Plan will refine the City's General Plan vision for the planning area through a fine-grained land use and circulation diagram, context-specific development standards, and relevant, actionable implementation steps.

In the proposed Specific Plan, the City will also be considering strategies for new development that respects existing neighborhood and business interfaces. This may mean revising the boundaries of the existing focus area.

This planning effort will help provide developers and the community with more certainty about development densities and amenities, such as parkland and open space that are expected to be provided. This planning effort will also further the City's and the State's goals for increasing the housing supply, addressing greenhouse gas emissions, and promoting multi-modal connections within the area.

The \$500,000 in grant funds awarded to the VTA will be used for consultant costs for the preparation of the Specific Plan, and will be guided through a Transit Oriented Development Cooperative Agreement, which would be brought forward to City Council in early 2022 to set agency roles and expectations for the portion of the Specific Plan utilizing VTA grant funds. Due to the requirements of grant awarded to the VTA from the Federal Transportation Administration, the consultant will be procured and managed by VTA, however the City of Santa Clara will be part of the procurement process to select the consultant and handle the day-to-day management of the consultant.

Staff is exploring an efficient procurement process to select a consultant for the \$400,000 in funding awarded to the City by the MTC for the Specific Plan preparation so that it can leverage the procurement process led by the VTA and ideally result in one consultant that performs Specific Plan preparation tasks from both funding sources.

The scope of work shown below reflects the anticipated process and deliverables for the development of the Santa Clara Station Specific Plan.

- Winter 2022 - City and VTA execute Cooperative Agreement
- Winter 2022 - City appoints Santa Clara Station Area Taskforce
- Spring 2022 - VTA begins procurement process to select Consultant to prepare the draft Specific Plan
- Summer 2022 - Consultant selected, Taskforce commences, stakeholder outreach begins
- Fall 2022 - Existing conditions report completed, community outreach begins to develop the Vision
- Winter 2023 - Draft land use plan developed
- Spring 2023 - Environmental analysis begins, Notice of Preparation
- Summer 2023 - Draft Specific Plan available for public review
- Winter 2024 - Draft EIR circulates
- Spring 2024 - Refinements to Draft Plan and response to EIR comments
- Fall 2024 - Adoption hearings for Planning Commission and City Council
- Fall 2024 - MTC grant expires
- Summer 2025 - VTA grant expires

ENVIRONMENTAL REVIEW

The action being considered does not constitute a "project" within the meaning of the California Environmental Quality Act ("CEQA") pursuant to CEQA Guidelines section 15378(b)(5) in that it is a governmental organizational or administrative activity that will not result in direct or indirect changes in the environment. An Environmental Impact Report will be prepared through the Santa Clara Station Specific Plan process.

FISCAL IMPACT

Of the \$900,000 in funding from other agencies to support the preparation of the Santa Clara Area Plan, the City will directly receive \$400,000 in the form of a reimbursable grant from the MTC, which will be used to fund a consultant. Since the selection process for the consultant is still underway, a subsequent memo will be brought forward to Council once the selection process for the consultant is complete for the execution of the contract. The recommended budget action below recognizes the grant funding from the MTC and establishes a Santa Clara Station Area Plan appropriation in the Engineering Operating Grant Trust Fund.

COORDINATION

This report has been coordinated with the City Attorney's Office.

PUBLIC CONTACT

Public contact was made by posting the Council agenda on the City's official-notice bulletin board outside City Hall Council Chambers. A complete agenda packet is available on the City's website and in the City Clerk's Office at least 72 hours prior to a Regular Meeting and 24 hours prior to a Special Meeting. A hard copy of any agenda report may be requested by contacting the City Clerk's Office at (408) 615-2220, email clerk@santaclaraca.gov <<mailto:clerk@santaclaraca.gov>>.

RECOMMENDATION

1. Accept and approve the \$400,000 in grant funding from the MTC for the preparation of the Santa Clara Area Plan; and
2. Consistent with City Charter Section 1305, "At any meeting after the adoption of the budget, the City Council may amend or supplement the budget by motion adopted by the affirmative votes of at least five members so as to authorize the transfer of unused balances appropriated for one purpose to another purpose, or to appropriate available revenue not included in the budget," approve the related FY 2021/22 budget amendment in the Engineering Operating Grant Trust Fund to recognize grant revenue in the amount of \$400,000 and establish a Santa Clara Station Area Plan appropriation in the amount of \$400,000 (**five affirmative Council votes required to appropriate additional revenue**).

REPORT TO COUNCIL

SUBJECT

Action on the Santa Clara Convention Center FY 2021/22 1st Quarter Financial Status Report

COUNCIL PILLARS

Promote and Enhance Economic, Housing and Transportation Development
Enhance Community Engagement and Transparency
Promote Sustainability and Environmental Protection

BACKGROUND

On February 5, 2019, the City approved an agreement with Global Spectrum L.P. dba Spectra Venue Management (Spectra) to operate the Santa Clara Convention Center (SCCC). Spectra began management of the SCCC on March 18, 2019.

Staff is transmitting Spectra's SCCC status report to Council for compliance with agreement terms.

DISCUSSION

This report transmits for Council information, the Santa Clara Convention Center Financial Status Report for the 1st quarter ending September 30, 2021, as submitted by Spectra. This report is unaudited and, therefore, subject to change.

As Spectra's 1st quarter report indicates, there were no events hosted by the Santa Clara Convention Center. With continued Covid-19 restrictions on large indoor gatherings and events and ongoing capital improvements, the convention center was not open for meetings or events until the 2nd quarter.

Both Spectra and Levy continued to review expenditures in an effort to mitigate financial losses to the City. In preparation of reopening in the 2nd quarter, Spectra began to phase in employees. A total of eight individuals (two part-time and six full-time) returned to work in the 1st quarter.

As discussed in the Quarterly Report, budget to actual financial results are as follows:

Financial Summary – 1st Quarter ended September 30, 2021

| | Projected in Budget | Actual | Difference |
|----------------------|----------------------------|---------------|-------------------|
| Gross Revenue | \$15,288 | \$16,739 | \$1,451 |
| Total Expense | 1,173,767 | 527,925 | 645,842 |
| Net Income | (\$1,158,479) | (\$511,186) | \$647,293 |

Total expenses for the quarter were \$527,925. There was \$16,739 of gross revenue generated from services provided for the vaccination clinic hosted in the previous quarter and other miscellaneous

revenue.

The action being considered does not constitute a “project” within the meaning of the California Environmental Quality Act (“CEQA”) pursuant to CEQA Guidelines section 15378(b)(4) in that it is a fiscal activity that does not involve any commitment to any specific project which may result in a potential significant impact on the environment.

FISCAL IMPACT

The net operating loss incurred by the Convention Center for the 1st quarter of FY 2021/22 is \$511,186. This amount does not include any fiscal impact related to TOT, TID, and/or sales tax activity.

PUBLIC CONTACT

Public contact was made by posting the Council agenda on the City's official-notice bulletin board outside City Hall Council Chambers. A complete agenda packet is available on the City's website and in the City Clerk's Office at least 72 hours prior to a Regular Meeting and 24 hours prior to a Special Meeting. A hard copy of any agenda report may be requested by contacting the City Clerk's Office at (408) 615-2220, email clerk@santaclaraca.gov.

Santa Clara Convention Center is strategically located in the heart of Silicon Valley, a prime location for conventions, trade shows and exhibitions. The Santa Clara Convention Center is minutes from hotels, restaurants, Levi's Stadium, California's Great America Theme Park, and many of the largest and most influential technology companies in the world, with easy access to freeways and Norman Y. Mineta San Jose International Airport and only 45 miles south of San Francisco. The Convention Center features 100,000 square feet of exhibit space, a 22,400 square foot ballroom, 31 breakout rooms and a 607-seat theater and attracts over 350,000 visitors annually. The facility is an integral economic component of Santa Clara, generating economic benefits through attendee direct and indirect spending and sustaining over 500 local jobs.

Strategic Highlights

Spectra continues to be actively involved with the City and its consultant, Jones Lang LaSalle (JLL) on the development of a new Destination Marketing Organization (DMO) for Santa Clara. In Q1, Spectra's General Manager worked in conjunction with a DMO Board committee to interview candidates for Discover Santa Clara's vacant Sales Manager positions. Spectra and its partners from Levy, Smart City and Encore continued utilizing the interim booking policy and prospecting new business focused on bringing high impact events to the destination. Sales efforts were aligned with Spectra, Levy and the DMO's overlapping key performance indicators (KPI's). Capital projects were also a focus in Q1 including upgrades to paint, flooring, and a new security camera system. In preparation for reopening in Q2, Spectra began to phase in employees. A total of eight individuals returned to work in Q1. Employees were brought back in line with California's Rehiring and Retention Law and were phased in based on needs to prepare the facility for events.

Financial Highlights

In addition to the ongoing capital renovations, COVID-19 and the Delta variant continued to have an impact on the building. Gross revenue through September was \$16,739 representing 109.48% of the Q1 budget for revenue. Conversely, expenses totaled \$527,925, 44.98% of the budgeted expenses for the quarter, resulting in an overall loss of \$511,186 for Q1. A loss in the first quarter was expected as the Center would not reopen to events until October.

Event Highlights

There were no events in the first quarter.

Operational Highlights

- ➔ As the Convention Center was closed for the first quarter of FY 2021/22, Spectra focused on capital improvement projects, prepared for reopening, and worked with clients and partners on their upcoming events.
- ➔ Spectra, Levy, the DMO, the City and JLL continued holding bi-monthly sales meetings and further developed the long-term sales strategy for the Center. The strategy defines goals and responsibilities of Spectra, Levy and the DMO as all partners strive to optimize the building's business and revenues over future years.
- ➔ In the quarter, Spectra hired eight employees in preparation for reopening, seven of the eight were rehires from the pre-COVID staff.
 - In July, Spectra hired a new part-time Sales Coordinator (a newly created position to assist in generating sales and revenue for the Center) and a part-time Human Resources Assistant.
 - In August, Spectra rehired the Director of Event Services to finalize work on the Global Biorisk Accreditation Council (GBAC) certification (see below in Other Noteworthy Highlights), to begin reaching out to clients, and to create event documents for the scheduled October reopening.
 - In September, the following five positions were brought on board (rehires): Engineer, Building Services attendants (2), Operations/Hygiene Manager, Security Lead
 - The General Manager continued interviews for the Director of Finance position. An offer was made and accepted and the new Director of Finance will start in Q2.
- ➔ Spectra and its partners from Levy and Discover Santa Clara started work with the new marketing firm on discussing and defining a strategy to rebrand the destination.

Other Noteworthy Highlights

- ➔ Spectra successfully applied for GBAC certification. GBAC is a 3rd party that provides guidance and oversight of post-COVID cleaning and safety protocols. These protocols have been implemented and staff is being trained on these new processes.
- ➔ Migrated the Center's booking software to the updated cloud-based version to provide better access for all sales managers.
- ➔ Spectra in collaboration with JLL, presented a Convention Center sales update to the City Council's Economic Development, Communications, and Marketing Committee. The presentation included information on the updated booking strategy, prospecting and long-term goals for the Center and its partners.

Financial Summary

Financial Results

It was determined in FY 2020/21 that the Convention Center would remain closed in Q1. With renovations underway and the Delta variant surge, this turned out to be the right strategy as health officials implemented additional restrictions to host large indoor gatherings/events. Spectra planned ahead for these possibilities and slowly phased in employees and monitored expenditures in an effort to control losses in the quarter.

Financial Summary – 1st Quarter ended September 30, 2021

| | Projected in Budget | Actual | Difference |
|----------------------|---------------------|-------------|------------|
| Gross Revenue | \$15,288 | \$16,739 | \$1,451 |

Other Activities

Both Spectra and Levy have continued to review staffing levels and expenditures in an effort to mitigate financial losses to the City. In preparation for reopening, Levy added four full-time staff members and variable labor. Levy was able to offset some of the expense by having their staff assist at Levi's Stadium during 49er games. As mentioned previously, Spectra added two part-time employees and six full-time employees in the quarter to prepare for reopening.

The sales team continues to create, prepare, and present new concepts that have become known as "Product Development". These ideas are being established in an effort to differentiate Santa Clara from its competitors, examples include transportation, public space activation and culinary experience.

Spectra, Levy and the DMO continued to work collaboratively with Lotus Marketing on the long-term strategy for branding the destination.

Key Performance Indicators (KPIs)

Working in conjunction with Levy, the DMO, the City and JLL, the sales team reviewed sales goals and reporting processes and prospect goals for FY 2021/22. Applying the goals of the booking strategy, Spectra has put an emphasis on prospecting and generating leads for Priority 3 business.

FY 2021/22 Capital Improvement Projects (CIP)

CIP Progress

Glass Pyramid Project: This project was completed in July 2021.

Security System Project: This project has been completed and is pending final invoice and payment.

Flooring/Paint/Kitchen & Digital Signage

- Interior paint is substantially complete and expected to be complete in October.
- Carpet demolition started in early August. The installation of new carpet started in late September and is expected to be complete in October.
- Began update of fabric wall panels and installation of wall bases and corner guards.
- Temporary carpet was installed in the lobby. The polished concrete work is scheduled to take place during the holiday closure in preparation for January 2022 events.
- Spectra released a Request for Bid (RFB) for the café, Stand B, kitchens, and the digital signage project. After an unsuccessful first release, the RFB was reissued in September. Bids are due at the end of October.

CIP Project Budget

- As the projects have progressed, individual project budgets have fluctuated due to increases in product pricing and other unanticipated project costs.
- At the September 28, 2021, City Council Meeting, Council approved an allocation of \$40,000 from the Convention Center Capital Fund to the General Fund.
- Levy continues to contribute investments funds as needed for the improvement projects related to the food and beverage operational areas.

Agenda Report

Agenda Date: 12/7/2021

REPORT TO COUNCIL

SUBJECT

Action on Award of Purchase Orders with Guerra Construction Group and SpenCon Construction for As-Needed Asphalt and Concrete Repair and Replacement Services

COUNCIL PILLAR

Deliver and Enhance High Quality Efficient Services and Infrastructure

BACKGROUND

The Department of Public Works (DPW) provides various services related to maintaining the City's sidewalks, curbs, and gutters. This work includes grinding as well as removing and replacing concrete to mitigate tripping hazards. The City does not have adequate staff to maintain all these facilities and as a result, utilizes contractors to provide concrete maintenance services. The current agreement expires on December 31, 2021.

DPW also maintains City streets in addition to various alleyways and parking lots. Most street rehabilitation work is scheduled in advance and performed by contractors under the Annual Street Rehabilitation program. DPW staff regularly performs small asphalt removal and replacement, pothole repairs, and crack sealing. DPW does not have the capacity to efficiently complete large asphalt repairs. The proposed agreement will provide a mechanism to quickly complete these larger repairs.

DISCUSSION

Bid Summary

Pursuant to City Code Section 2.105.330, a formal Request for Bids (RFB) was conducted as the solicitation method for this procurement, with award recommendation to the lowest bidder.

In September 2021, the City released an RFB for as needed concrete repair and replacement services and as-needed asphalt repairs. A total of 36 companies viewed the RFB which was posted on the City's e-procurement system, and two bids were received as follows:

| Bidder | Total Base Bid for Forecast Usage |
|---------------------------|-----------------------------------|
| Guerra Construction Group | \$ 351,784 |
| SpenCon Construction | \$ 573,020 |

Bid Award

Staff recommends award of purchase orders to both Guerra Construction Group (90 percent) and SpenCon Construction (10 percent) for a one-year term. As the low bidder, Guerra Construction

Group will be the primary contractor, and SpenCon Construction will be used as a secondary contractor only if Guerra Construction Group is not able to complete the work within the time designated by the City. Awarding to two contractors provides more capacity and flexibility for the City to respond to unanticipated repairs.

Labor rates shall be firm fixed for the one-year duration of the purchase orders. Contractors shall be required to pay prevailing wages.

ENVIRONMENTAL REVIEW

The action being considered is exempt from the California Environmental Quality Act ("CEQA") pursuant to CEQA Guidelines section 15301 "Existing Facilities," as the activity consists of the repair, maintenance or minor alteration of existing facilities involving no or negligible expansion of the use beyond that presently existing.

FISCAL IMPACT

Annual funding of \$380,000 in the Sidewalk, Curb and Gutter Repair project in the Streets and Highways Fund is available to fund a portion of the purchase order. The aggregate funding request for the term of the purchase orders from January 1, 2022 through December 31, 2022 is \$900,000. This purchase order may be used for other projects as needs arise, subject to the availability of funds. Funding beyond available budget is subject to the appropriation of funds.

COORDINATION

This report has been coordinated with the Finance Department and the City Attorney's Office.

PUBLIC CONTACT

Public contact was made by posting the Council agenda on the City's official-notice bulletin board outside City Hall Council Chambers. A complete agenda packet is available on the City's website and in the City Clerk's Office at least 72 hours prior to a Regular Meeting and 24 hours prior to a Special Meeting. A hard copy of any agenda report may be requested by contacting the City Clerk's Office at (408) 615-2220, email clerk@santaclaraca.gov <<mailto:clerk@santaclaraca.gov>> or at the public information desk at any City of Santa Clara public library.

RECOMMENDATION

1. Authorize the City Manager to execute purchase orders with Guerra Construction Group in the amount of \$316,606 and SpenCon Construction in the amount of \$57,302 to provide as-needed asphalt and concrete repair and replacement services for a one-year term starting on January 1, 2022 and ending on December 31, 2022;
2. Authorize the City Manager to execute change orders to increase aggregate compensation in the event demand for services exceeds the Department's forecast, not to exceed an aggregate amount of \$900,000 and subject to the appropriation of funds; and
3. Authorize the City Manager to adjust compensation amounts between the two vendors during the term, provided the aggregate compensation does not exceed \$900,000.

REPORT TO COUNCIL

SUBJECT

Action on Historic Preservation Agreement (Mills Act Contract) for 1390 Madison Street

COUNCIL PILLAR

Promote and Enhance Economic, Housing and Transportation Development

BACKGROUND

Property owner Giacomo Russo is requesting a Historical Preservation Agreement (Mills Act Contract) for the property located at 1390 Madison Street. The property is currently listed on the City's Historic Resource Inventory (HRI). The State of California enacted legislation that allows owners of historically designated properties to enter into a "Mills Act" contract with the legislative bodies of local agency jurisdictions, pursuant to Government Code Section 50280. Mills Act Contract properties then qualify for property tax reduction incentives contained in the California Revenue and Taxation Code. The purpose of a Mills Act Contract is to offer owners of historically significant properties an economic incentive to maintain and preserve the historic physical integrity of their properties, which thereby also increases the aesthetic and economic health of the surrounding neighborhood and the City. A 10-Year Restoration and Maintenance Plan is required to document specific maintenance and preservation activities proposed to be undertaken by the property owners for the duration of the Contract property in exchange for those tax savings.

The proposed Mills Act Contract was considered by the Historical and Landmarks Commission (HLC) at its meeting on October 7, 2021. The HLC reviewed the Historic Survey Resources Report (also referred to as a State Department of Parks and Recreation form, or DPR form) and proposed 10-Year Restoration and Maintenance Plan, and recommended Council approval of the requested Mills Act Contract.

DISCUSSION

Through the survey evaluation the subject property has been determined to have historical significance that would make it eligible for a Mills Act Contract as indicated by the DPR form. The property is zoned R1-6L-HT (Historic Combining) which allows either single family residential use or commercial use as a bed and breakfast inn. The property was operated for many years as a historic property bed and breakfast inn and was recently returned to use as a single-family residence. The survey evaluation of the historical and architectural qualities of the property support the conclusion that the property remains eligible for continued listing on the City's HRI.

The Statement of Justification and proposed Mills Act Contract with exhibits (Attachment 1), including the DPR form and the Proposed 10-year Restoration and Maintenance Plan, demonstrate sufficient

intent by the property owners to invest in the property consistent with the purpose for Mills Act Contracts. The City conducts periodic review of Mills Act Contract properties to verify that property owners are performing the maintenance and preservation activities described in the 10-year Restoration and Maintenance Plan.

The City Council established a process for evaluating Mills Act Contract requests on September 4, 1993 (Resolution No. 5843), that set a limit of five contracts per year. In 2004, the City Council increased the number of allowable contracts to ten per year. If approved, the subject proposal would be the City's fourth Mills Act Contract in 2021.

The staff report from the October 7, 2021 HLC meeting is attached for reference (Attachment 2).

ENVIRONMENTAL REVIEW

The action being considered, placement of property into the Mills Act program, is exempt from the California Environmental Quality Act ("CEQA") pursuant to CEQA Guidelines Section 15331 (Class 31 - Historical Resource Restoration / Rehabilitation), which exempts projects limited to maintenance, repair, stabilization, rehabilitation, restoration, preservation, conservation or reconstruction of historical resources in a manner consistent with the Secretary of the Interior's Standards.

FISCAL IMPACT

The amount of the property tax reduction depends upon the property, location, size, and comparable properties in the area. Currently, the assessed value of the property is approximately \$2,244,000 and the annual property tax is approximately \$26,739 (Source: Santa Clara County Assessor's Office). The City receives approximately 10% of the base property tax. The Mills Act tax reduction is based on an income capitalization method (ICM) calculation based on the average monthly rent, average maintenance costs, and an amortization schedule to arrive at a reduced appraisal value resulting in lower property taxes. The anticipated reduction in taxes would be 20% to 70% based on the County's evaluation of the property's age, condition, and local market value factors in accordance with the formula set by state law. Based on the latest information available, the estimated annual fiscal impact to the City for this individual Mills Act Contract would be a decrease of property tax revenue in the range of \$535 to \$1,872. The actual future fiscal impact may be greater due to the reassessment of property value by the County upon a transfer of ownership.

As the current Council policy allows up to 10 Mills Act Contracts to be approved each year, the cumulative economic impact for multiple Mills Act Contracts does not significantly reduce the overall property tax income for the City.

COORDINATION

This report has been coordinated with the Finance Department and the City Attorney's Office.

PUBLIC CONTACT

Public contact was made by posting the Council agenda on the City's official-notice bulletin board outside City Hall Council Chambers. A complete agenda packet is available on the City's website and in the City Clerk's Office at least 72 hours prior to a Regular Meeting and 24 hours prior to a Special Meeting. A hard copy of any agenda report may be requested by contacting the City Clerk's Office at (408) 615-2220, email clerk@santaclaraca.gov <<mailto:clerk@santaclaraca.gov>> or at the public information desk at any City of Santa Clara public library.

RECOMMENDATION

Authorize the City Manager to execute a Historic Preservation Agreement (Mills Act Contract) including a 10-Year Restoration and Maintenance Plan for the property at 1390 Madison Street with property owner Giacomo Russo.

HISTORIC PROPERTY PRESERVATION AGREEMENT

This Agreement, (herein, "Agreement"), is made and entered into this ____ day of _____, 2021, ("Effective Date"), by and between Giacomo A. Russo, owner of certain real property located at 1390 Madison Street, Santa Clara, CA 95050 ("OWNERS") and the City of Santa Clara, California, a chartered California municipal corporation with its primary business address at 1500 Warburton Avenue, Santa Clara, California 95050 ("CITY"). CITY and OWNER may be referred to herein individually as a "Party" or collectively as the "Parties" or the "Parties to this Agreement."

A. Recitals.

(1) California Government Code Section 50280, et seq. authorizes the CITY to enter into a contract with the OWNERS of qualified Historical Property to provide for the use, maintenance, and restoration of such Historical Property so as to retain its characteristics as property of historical significance.

(2) OWNER possesses fee title in and to that certain real property, together with associated structures and improvements thereon, shown on the 2020 Santa Clara County Property Tax Rolls as Assessors' Parcel Number 269-03-063, and generally located at the street address 1390 Madison Street, in the City of Santa Clara ("Historic Property"). A legal description of the Historic Property is attached hereto as "Legal Description," marked as "Exhibit "A," and incorporated herein by reference.

(3) The Historic Property is on the City of Santa Clara Architecturally or Historically Significant Properties list. OWNER submitted a Mills Act Proposal to City on August 25, 2021. The Proposal included a Primary Record from the State of California's Department of Parks and Recreation. A true and correct copy of the Proposal is attached to this Agreement as "Exhibit B".

(4) CITY and OWNER, for their mutual benefit, now desire to enter into this Agreement both to protect and preserve the characteristics of historical significance of the Historic Property and to qualify the Historic Property for an assessment of valuation pursuant to Section 439.2 of the California Revenue and Taxation Code.

B. **Agreement.**

NOW, THEREFORE, CITY and OWNER, in consideration of the mutual covenants and conditions set forth herein, do hereby agree as follows:

(1) **Effective Date and Term of Agreement.** The term of this Agreement shall commence on the effective date of this Agreement and shall remain in effect for a term of ten (10) years thereafter. Each year upon the anniversary of the effective date, such term will automatically be extended as provided in paragraph 2, below.

(2) **Renewal.**

(a) Each year on the anniversary of the effective date of this Agreement, ("renewal date"), one (1) year shall automatically be added to the term of this Agreement unless notice of nonrenewal is mailed as provided herein.

(b) If either the OWNER or CITY desires in any year not to renew the Agreement, OWNER or CITY shall serve written notice of nonrenewal of the Agreement. Unless such notice is served by OWNER to CITY at least ninety (90) days prior to the annual renewal date, or served by CITY to OWNER at least sixty (60) days prior to the annual renewal date, one (1) year shall automatically be added to the balance of the remaining term of the Agreement as provided herein.

(c) OWNER may make a written protest of a nonrenewal notice issued by CITY. CITY may, at any time prior to the annual renewal date of the Agreement, withdraw its notice to OWNER of nonrenewal. If either CITY or OWNER serves notice to the other of nonrenewal in any year, the Agreement shall remain in effect for the balance of the term then remaining, from either original execution date or the last renewal date of the Agreement, whichever is applicable.

(3) **Standards for Historical Property.** During the term of this Agreement, the Historic Property shall be subject to the following conditions, requirements, and restrictions:

(a) OWNER shall preserve and maintain the characteristics of historical significance of the Historic Property. "The Secretary of the Interior's Standards for Rehabilitation," marked as "Exhibit C" to this agreement, and incorporated herein by this reference, contains a list of those minimum standards and conditions for maintenance, use, and preservation of the Historic Property, which shall apply to such property throughout the term of this Agreement.

(b) OWNER shall, when necessary or as determined by the Director of Planning and Inspection, restore and rehabilitate the property to conform to the rules and regulations of the Office of Historic Preservation of the State Department of Parks and Recreation, the United States Secretary of the Interior Standards for Rehabilitation and the California Historical Building Code and in accordance with the attached schedule of potential home improvements, drafted by the OWNER and approved by the City Council, attached hereto as "The Description of the Preservation and Restoration Efforts," marked as "Exhibit D" to this agreement, and incorporated herein by this reference.

(c) OWNER shall allow, and CITY requires, that after five (5) years, and every five (5) years thereafter, an inspection of the property's interior and exterior shall be conducted by a party appointed by CITY, to determine OWNER'S continued compliance with the terms of this Historic Property Preservation Agreement/1390 Madison Street
Typed: 05/14/2019

Agreement. OWNER acknowledges that the required inspections of the interior and exterior of the property were conducted prior to the effective date of this Agreement.

(4) Provision for Information.

(a) OWNER hereby agrees to furnish CITY with any and all information requested by the CITY to determine compliance with the terms and provisions of this Agreement.

(b) It shall be the duty of the OWNER to keep and preserve, for the term of the Agreement, all records as may be necessary to determine the eligibility of the property involved, and the OWNER'S compliance with the terms and provisions of this Agreement, including, but not limited to blueprints, permits, historical and/or architectural review approvals, and schedules of potential home improvements drafted by the OWNER and approved by the City Council.

(5) Cancellation.

(a) CITY, following a duly noticed public hearing as set forth in California Government Code Section 50280, et seq., shall cancel this Agreement or bring an action in court to enforce this Agreement if it determines any one of the following:

(i) the OWNER breached any of the terms or conditions of this Agreement; or

(ii) the OWNER has allowed the property to deteriorate to the point that it no longer meets standards for a qualified historic property.

(b) CITY may also cancel this Agreement if it determines that:

(i) the OWNER has allowed the property to deteriorate to the point that it no longer meets building standards of the City Code and the codes it incorporates by reference, including, but not limited to, the Uniform Housing Code, the California Historical Building Code, the California Fire Code, and the Uniform Code for the Abatement of Dangerous Buildings or;

(ii) the OWNER has not complied with any other local, State, or federal laws and regulations.

(iii) the OWNER has failed to restore or rehabilitate the property in the manner specified in subparagraph 3(b) of this Agreement.

(c) In the event of cancellation, OWNER shall pay those cancellation fees set forth in California Government Code Section 50280, et seq. As an alternative to cancellation, OWNER may bring an action in court to enforce the Agreement.

(6) No Waiver of Breach.

(a) No waiver by CITY of any breach under this Agreement shall be deemed to be a waiver of any other subsequent breach. CITY does not waive any claim of breach by OWNER if CITY does not enforce or cancel this Agreement. All other remedies at law or in equity which are not otherwise provided for under the terms of this Agreement or in the City's laws and regulations are available to the City.

(7) **Mediation.**

(a) Any controversies between OWNER and CITY regarding the construction or application of this Agreement, and claim arising out of this contract or its breach, shall be submitted to mediation upon the written request of one party after the service of that request on the other party.

(b) If a dispute arises under this contract, either party may demand mediation by filing a written demand with the other party.

(c) The parties may agree on one mediator. If they cannot agree on one mediator, there shall be three: one named in writing by each of the parties within five days after demand for mediation is given, and a third chosen by the two appointed. Should either party refuse or neglect to join in the appointment of the mediator(s) or to furnish the mediator(s) with any papers or information demanded, the mediator(s) may proceed ex parte.

(d) A hearing on the matter to be arbitrated shall take place before the mediator(s) in the city of Santa Clara, County of Santa Clara, State of California, at the time and place selected by the mediator(s). The mediator(s) shall select the time and place promptly and shall give party written notice of the time and place at least fifteen (15) days before the date selected. At the hearing, any relevant evidence may be presented by either party, and the formal rules of evidence applicable to judicial proceedings shall not govern. Evidence may be admitted or excluded in the sole discretion of the mediator(s). The mediator(s) shall hear and determine the matter and shall execute and acknowledge the award in writing and cause a copy of the writing to be delivered to each of the parties.

(e) The submission of a dispute to the mediator(s) and the rendering of a decision by the mediator(s) shall be a condition precedent to any right of legal action on the dispute. A judgment confirming the award may be given by any Superior Court having jurisdiction, or that Court may vacate, modify, or correct the award in accordance with the prevailing provisions of the California Mediation Act.

(f) Each party shall bear their own cost(s) of mediation.

(8) **Binding Effect of Agreement.**

(a) The OWNER hereby subjects the Historic Property described in Exhibit "A" hereto to the covenants, reservations, and restrictions as set forth in this Agreement. CITY and OWNER hereby declare their specific intent that the covenants, reservations, and restrictions as set forth herein shall be deemed covenants running with the land and shall pass to and be binding upon the OWNER'S successors and assigns in title or interest to the Historic Property. Each and every contract, deed, or other instrument hereinafter executed, covering, encumbering, or conveying the Historic Property, or any portion thereof, shall conclusively be held to have been executed, delivered, and accepted subject to the covenants, reservations, and restrictions expressed in this Agreement, regardless of whether such covenants, reservations, and restrictions are set forth in such contract, deed, or other instrument.

(b) CITY and OWNER hereby declare their understanding and intent that the burden of the covenants, reservations, and restrictions set forth herein touch and concern the land in that OWNER'S legal interest in the Historic Property.

(c) CITY and OWNER hereby further declare their understanding and intent that the benefit of such covenants, reservations, and restrictions touch and concern the land by enhancing and maintaining the historic characteristics and significance of the Historic Property for the benefit of the CITY, public (which includes, but is not limited to the benefit to the public street generally located at 1390 Madison Street), and OWNER.

(9) **Notice.**

(a) Any notice required to be given by the terms of this Agreement shall be provided at the address of the respective parties as specified below or at any other address as may be later specified by the parties hereto.

CITY: City of Santa Clara
Attn: City Clerk
1500 Warburton Avenue
Santa Clara, CA 95050

OWNER: Giacomo A. Russo
1390 Madison Street
Santa Clara, CA 95050

(b) Prior to entering a contract for sale of the Historic Property, OWNER shall give thirty (30) days notice to the CITY and it shall be provided at the address of the respective parties as specified above or at any other address as may be later specified by the parties hereto.

(10) **No Partnership or Joint Enterprise Created.** None of the terms, provisions, or conditions of this Agreement shall be deemed to create a partnership between the parties hereto and any of their heirs, successors, or assigns; nor shall such terms, provisions, or conditions cause them to be considered joint ventures or members of any joint enterprise.

(11) **Hold Harmless and Indemnification.** To the extent permitted by law, OWNER agrees to protect, defend, hold harmless and indemnify CITY, its City Council, commissions, officers, agents, and employees from and against any claim, injury, liability, loss, cost, and/or expense or damage, however same may be caused, including all costs and reasonable attorney's fees in providing a defense to any claim arising there from for which OWNER shall become legally liable arising from OWNER'S acts, errors, or omissions with respect to or in any way connected with this Agreement.

(12) **Attorneys' Fees.** In the event legal proceedings are brought by any party or parties to enforce or restrain a violation of any of the covenants, reservations, or restrictions contained herein, or to determine the rights and duties of any party hereunder, the prevailing party in such proceeding may recover all reasonable attorney's fees to be fixed by the court, in addition to costs and other relief ordered by the court.

(13) **Restrictive Covenants Binding.** All of the agreements, rights, covenants, reservations, and restrictions contained in this Agreement shall be binding upon and shall inure to the benefit of the parties herein, their heirs, successors, legal representatives, assigns and all persons acquiring any part or portion of the Historic Property, whether by operation of law or in any manner pursuant to this Agreement.

(14) **Mills Act Historic Property Contract Application Requirements.** An application for a Mills Act Historic Property Contract shall be made through the Planning Division and shall include the following:

- a. a Historic Resources Inventory form;
- b. the description of the preservation or restoration efforts to be undertaken as referenced in paragraph 3 (b) as Exhibit "D";
- c. a statement of justification for the Mills Act Historic Property designation and reassessment; and,
- d. the Mills Act Historic Property Contract filing fee pursuant to paragraph 17.

(15) **Mills Act Historic Property Contract Approval.** Based upon the Historical and Landmarks Commission's ("Commission") review of the Mills Act Historic Property Contract criteria and recommendation to Council, and based upon the recommendation and approval by Council, a Mills Act Historic Property Contract may be entered into with OWNER. The decision of the City Council shall be final and conclusive in the matter.

(16) **Recordation and Notice.** No later than twenty (20) days after the parties execute and enter into this Agreement, the CITY shall cause this Agreement to be recorded in the office of the County Recorder of the County of Santa Clara.

(17) **Fees.** The Planning Department may collect such Mills Act Historic Property Contract application fee of \$7,694.00 (seven-thousand, six-hundred, and ninety-four dollars), or other fees for the administration of this contract as are authorized from time to time by the City Council. Such fees do not exceed the reasonable cost of providing the service for which these fees are charged. OWNER shall pay the County Recorder's Office recordation fees for recordation of this Mills Act Historic Property Contract and the recordation of the OWNER'S updated Historic Resources Inventory form.

(18) **Ordinary Maintenance.** Nothing in this contract shall be construed to prevent the ordinary maintenance or repair of any exterior architectural feature in or on any Historic Property covered by this contract that does not involve a change in design, material, or external appearance thereof, nor does this contract prevent the construction, reconstruction, alteration, restoration, demolition, or removal of any such external architectural feature when the Director of Planning and Inspection determines that such action is required for the public safety due to an unsafe or dangerous condition which cannot be rectified through the use of the California Historical Building Code and when such architectural feature can be replaced according to the Secretary of Interior's Standards.

(19) **California Historical Building Code.** The California Historical Building Code ("CHBC") provides alternative building regulations for the rehabilitation, preservation, restoration, or relocation of structures designated as Historic Properties. The CITY's building permit procedure shall be utilized for any Historic Property which is subject to the provisions of this Agreement, except as otherwise provided in this Agreement or the CHBC. Nothing in this Agreement shall be deemed to prevent any fire, building, health, or safety official from enforcing laws, ordinances, rules, regulations, and standards to protect the health, safety, welfare, and property of the OWNER or occupants of the Historic Property or the public.

(20) **Conservation Easements.**

(a) Conservation easements on the facades of the Historical Property may be acquired by the CITY, or on the CITY's behalf, by a nonprofit group designated by the CITY through purchase, donation, or condemnation pursuant to California Civil Code Section 815.

(b) The OWNER, occupant, or other person in actual charge of the Historical Property shall keep in good repair all of the exterior portions of the Historic Property, and all interior portions thereof whose maintenance is necessary to prevent deterioration and decay of any exterior architectural feature.

(c) It shall be the duty of the Director of Community Development to enforce this section.

(21) **Severability.** If any section, sentence, clause, or phrase of this Agreement is, for any reason, held to be invalid or unconstitutional by a decision of any court of competent jurisdiction, or by subsequent preemptive legislation, such decision shall not affect the validity and enforceability of the remaining provisions or portions of this Agreement. CITY and OWNER hereby declare that they would have adopted this Agreement, and each section, sentence, clause, or phrase thereof, irrespective of the fact that any one or more sections, subsections, sentences, clauses, or phrases may be declared invalid or unconstitutional.

(22) **Integrated Agreement - Totality of Agreement.** This Agreement embodies the agreement between CITY and OWNER and its terms and conditions. No other understanding, agreements, or conversations, or otherwise, with any officer, agent, or employee of CITY prior to execution of this Agreement shall affect or modify any of the terms or obligations contained in any documents comprising this Agreement. Any such verbal agreement shall be considered as unofficial information and in no way binding upon CITY.

(23) **Captions.** The captions of the various sections, paragraphs and subparagraphs are for convenience only and shall not be considered or referred to in resolving questions of interpretation.

(24) **Statutes and Law Governing Contract.** This Agreement shall be governed and construed in accordance with the statutes and laws of the State of California.

(25) **Amendments.** This Agreement may be amended, in whole or in part, only by a written recorded instrument executed by the parties hereto.

IN WITNESS WHEREOF, CITY and OWNER have executed this Agreement on the day and year first written above.

This property falls within the Old Quad neighborhood of Santa Clara, which contains hundreds of 19th century and early 20th century houses along with many newer buildings. This neighborhood is roughly bounded by El Camino Real on the north, the Caltrain tracks on the east, Newhall Street on the south, and Scott Boulevard on the west. A moderate number of houses in this area date to the 1850s-1880s, and very large numbers date to the 1890s-1900s. Along the eastern edge of the neighborhood is Santa Clara University, which consists of about eight large buildings dating from 1911-1930, plus newer buildings. By contrast, Santa Clara's historic downtown was razed in the 1960s through urban renewal.

Description (continued)

Introduction, landscaping, and the newer building

The subject property contains two buildings. The older is a Queen Anne-style residence dating to about 1890, and the other is a house or multi-unit building that dates to recent decades. The recent building is located on the southern half of the lot, has two stories (rooms over a garage and basement), is wood-framed in construction, and is clad with horizontal wood siding. Though of recent construction (it was built in 1988), it has a number of features that resemble Victorian houses, namely a gabled roof with decorative shingles in the gables, a bay window with slanted sides (on its long north side), decorative window trim, and a staircase with wooden balusters and railings. This building was clearly meant to relate visually to the older Queen Anne style house on the property.

Most of the front yard is devoted to a lawn, and a white picket fence surrounds the yard on three sides. A large, mature pepper tree is in the far northeast corner of the yard. While the tree is clearly of some age, when it was planted, and whether it dates to the property's early years, is unknown. The back yard contains a swimming pool, a small filter and pump shed for the pool, and a paved area around the pool.

The main house of ca. 1890

The main house is located on the northern half of the lot. It is set well back from Madison Street, allowing space for the front yard, and is set several feet back from Lewis Street, allowing for a narrow side yard. The house is wood-framed in construction, is one story over a raised basement in height, and is clad in rustic siding. The main body of the house was built in ca. 1890, and a rear addition was built in 1972.

In composition, the house is L-shaped, with a living room wing projecting forward from the main block of the house. The front of the projecting wing has a flat front flanked by angled sides, very much like the bay windows in typical Queen Anne houses of the period. The angle between the main body of the house and the projecting wing is filled by a covered porch. On the north side of the house (facing Lewis St.) there is a very shallow projecting bay, only about one foot in depth. The two sides just mentioned — the front and north — are the principal facades; while the south and rear facades are more utilitarian.

The roof over the original (ca. 1890) part of the house is hipped in most places, although there are two gables as well. One gable is over the projecting living room wing, and the other is over the shallow bay on the north side. Both gables are trimmed with decorative bargeboards that are incised by steam-driven jigsaws with curvilinear lines. They serve as framing for other ornament in the gables, namely, small vents with fancy trim, and decorative shingles. Finally, the roof over the rear addition of 1972 is expressed in its rear facade as a gable, with plain bargeboard.

Description (continued)

Other ornament is not profuse, but it is effective and is consistent with the ornament on other Queen Anne houses in California. Curved brackets with spindles and pendants give visual support to the front gable. In the covered porch, four posts — two freestanding posts, and two half-posts or pilasters connected with the body of the house — are turned, with grooved skirts near the base. Sunburst brackets spring from the tops of the posts to support the porch roof. The staircase has square newel posts that are incised with vertical lines and topped by knobs. These newel posts appear to be original. The staircase risers and treads are wooden and may be original, but the treads are covered with a non-original coating.

A water-table (or belt course) runs around the perimeter of the house at the first floor level. It is profiled on the front, north, and south sides; and is flat in the rear addition. Flat, vertical stickwork, all likely original, lines the corners on all sides.

The front door is paneled, with molded trim around the door and around each of the three panels. The glazing in the upper half consists of one large light surrounded by fourteen lights of colored flash glass. The door hardware is brass and appears to be early but not original.

In the older (ca. 1890) part of the house, all windows are wooden and have what appears to be original double-hung sash set in profiled trim with sills. Those in the main story have one-over-one sash, while those in the basement story have one-over-one or four-over-four sash. All of the windows in the main story have flat wooden pendants beneath each sill. The front window in the projecting wing has colored flash glass in the upper sash.

The rear addition is about fifteen feet in depth and is equal in width to the older part of the house. Its windows have variously one-over-one, three-over-three, and six-over-six sash, with decorative trim that imitates that in the older part of the house.

The front, north, and south sides of the older (ca. 1890) part of the house appear to be in original condition.

History of this house

The earliest history of this house remains uncertain, in part because the Santa Clara County Recorder's Office is closed at present, making a title search impossible, and in part because of conflicting information from available sources. The construction date can be estimated, however. In the San Francisco Bay Area, the Queen Anne style of this house was common in the 1890s, but not before then. This house is clearly shown in the Santa Clara Sanborn map of 1891, which is at the early end of the likely range. For these reasons, a construction date of ca. 1890 therefore seems most likely, and is the date estimated in this report. It is also the date given in a historical plaque on the house.

History of this house (continued)

There is evidence that this house and 1360 Madison Street (next door to the south) were in common ownership during the early decades of the 20th century, that the owners of these two houses lived in #1360, and that #1390 was usually a rental property. This is supported by the fact that from 1900 to 1930 the subject house was occupied by eighteen different persons and families, none of whom lived here for more than a few years, and almost all of whom were blue-collar workers. This history of frequently-changing occupants suggests that most of them were renters. The occupants were:

1900. John Hancock, farmer, and his wife Spy. They are listed as living at 1390 Madison Street in the 1900 census. However, the city directories of 1898, 1899, and 1900 list him as living at 1390 Monroe Street in Santa Clara; so it is not certain that they lived in the subject house. Where Hancock farmed is also unknown.

1901. The *San Jose Mercury News* of June 20 of this year mentions that Mr. and Mrs. H. E. Hazelton lived at this address. The 1900 census, however, states that Hiram E. Hazelton, a blacksmith, and his wife Helen lived at 1412 Madison Street in Santa Clara. It seems likely that this couple lived here only briefly, in 1901. See also another Hazelton resident of 1906, below.

1902. Albert F. Nist, a boxmaker, and Joseph Wiedner, occupation unknown.

1904. Chester S. Wilson and Harry A. Wilson, both millhands; Miss Irma E. Wilson; and William A. Wilson, an engineer for the Enterprise Laundry, all lived here.

1906. Frank H. Hazelton, a plumber for J. Stock Sons Company, lived here. In this year many relatives lived next door at 1360 Madison. They included George and Herbert Hazelton, of Hazelton Brothers, florists; G. Clyde Hazelton, a dairyman; and Mrs Helen J. Hazelton. Although this is not certain, it seems that the Hazelton family owned both houses.

1908. Fred Linde, and Margaret Engel a widow; occupations unknown, lived here.

1910-1911. Maria O. Daniels, widow of Antone, lived here. In these same years Manuel T. Nandarrae, a tanner born in Portugal, is also listed as living here in city directories; however, the 1910 census lists him as living on Washington Street in Santa Clara.

1912. Fred Browne, a painter, and James M. Hooper, occupation unknown, both lived here.

1915. William Brown, a painter

1917. John Doherty, a teamster

1919. John Rodriguez, a laboreer

1920. Mrs. Christina Weidner and R. Edward Weidner, occupations unknown. They could not be found listed in the 1920 census.

1922-1923. Ralph Boynton, a laborer. He also could not be found in the 1920 census.

1925-1926. Mrs. Annie Cardoza. In 1926 Jesse V. Cardoza also lived here. Their occupations are unknown.

1929-1967. This house appears to have been owned during these years by the San Francisco Roman Catholic Archdiocese as a "Catechism House," where catechism classes were taught by the Sisters of the Holy Family. These sisters were connected with Sainte Claire's Church, which is nearby at 941 Lexington Street. Chris Doan, archivist at St. Patrick's Seminary in Menlo Park, has found this property listed in a 1929 Archdiocese Directory; it states that catechism classes were held here then. She also found this house indicated on a 1946 map of Archdiocese properties. Lorie Garcia, a long-time historian of Santa Clara, met several elderly people who had attended catechism classes here. Some students came here for classes after school from nearby Fremont Elementary School. Garcia also states that the house was used as housing for religious personnel and migrant workers.

1930, 1934, 1940. Antone R. Burgos, a laborer born in Spain, and his wife Norma; and Sebastian Burgos and his wife Annie lived here as renters according to the 1930 and 1940 censuses and a 1934 city directory. While this is not known, perhaps they were among the migrant workers referred to above.

1963, 1967: Roman Catholic Archbishop of San Francisco to the Roman Catholic Welfare Corp. of San Francisco (in 1963). Roman Catholic Welfare Corporation to John J. Kiely (in 1967).

1983: John, Joseph and Mary Kiely to Ralph and Theresa Wiggington.

Because the Office of the Santa Clara County Clerk-Recorder is closed, not all of this information could be verified. The Kiely and Wiggingtons' ownerships could be verified, however, for Kiely is listed as living here in a 1972 phone book; and building permits list the Wiggingtons as owners during 1972-1988.

Building permits list the following work to be performed for the Wiggingtons:

July 1972: Construct a one bedroom and bath "on one side." This is the gabled north addition.

October 1980. Build swimming pool and fence; demolish garage.

December 1984. Remodel interior and add mechanical.

March 1988. Add accessory unit. This is the new building to the south.

Old Quad history

As mentioned above, the Old Quad area is roughly bounded by El Camino Real on the north, the Caltrain tracks on the east, Newhall Street on the south, and Scott Boulevard on the west. The area includes Santa Clara University, which was once the site of Mission Santa Clara. Generally speaking, the Old Quad is the oldest part of Santa Clara. The overwhelming majority of its historic buildings are located here.

Major factors in Santa Clara's growth and economy include:

1777. Founding of Mission Santa Clara de Asis by the Franciscan order of Spain. This mission was secularized by Mexico in 1833 but the mission chapel continued to function as a church afterward. It was enlarged and rebuilt several times over the next century.

1851-present. After the takeover of California by the United States, the Jesuits acquired the mission and established Santa Clara College in 1851. It became the University of Santa Clara in 1912 and Santa Clara University in 1985. The older buildings on this campus date to the period 1911-1930 and were designed by architects Will D. Shea, John J. Donovan, and Henry A. Minton. The chapel of 1930 was designed by Minton to replicate the old adobe mission building of ca. 1824.

1852. The City of Santa Clara incorporates.

1850s-1880s. Agriculture is the city's primary industry. To some degree this remains true into the 1940s.

Old Quad history, continued

1863. The railroad connecting San Francisco and San Jose reaches Santa Clara. The railroad depot still stands, now at 1005 Railroad Avenue.

1885-1990s. Agnew's State Hospital. The Victorian building of 1885 collapsed in the earthquake of 1906, with great loss of life. New buildings were built from 1908 through the 1910s to designs by the State Architect George C. Sellon. After the campus was sold to San Microsystems in the late 1990s, all but four of the Agnew's buildings were demolished. It was the best four, however, that were retained.

1960s-present. The semiconductor industry becomes important in Santa Clara.

1963. The city's old downtown is razed in order to receive funding from the federal government for urban renewal.

To the above list should be added Santa Clara's close proximity to the city of San Jose, where some Santa Clara residents worked.

The demolition of the city's old downtown was a major loss, but the built environment in Santa Clara is otherwise able to represent, or evoke, important themes in Santa Clara's early history. An adobe house at 3260 The Alameda (now the Santa Clara Women's Club) is a ca. 1790s building that was part of the Spanish-era mission complex. The Berryessa adobe at 373 Jefferson Street (late 1840s) represents the Mexican or very early American period. Two other early properties evoke Santa Clara's early agricultural economy. The older is the James Lick flour mill complex, at 4101 Lick Mill Boulevard, at Mansion Park Drive. Its four buildings were built in 1857, the 1860s, and the 1880s and include a granary, a house, an office, and a hall. The Harris-Lass house at 1889 Market Street (1865) includes a farmhouse, a barn, a water tank, and farming implements. As mentioned above, four early twentieth century buildings survive at Agnew's State Hospital, and about eight buildings from 1911-1930 survive at Santa Clara University.

Most prolifically, the Old Quad area is filled with hundreds of 19th and early 20th century houses that retain good to high integrity. The oldest houses date to the 1850s, a moderate number date to each decade of the 1860s, 1870s, and 1880s, and very many date to the 1890s-1920s. While it is beyond the scope of this report to describe these houses, it can be said that they range from modest, vernacular working-class houses to large houses built for the well-to-do. Houses in the latter group are often elaborately decorated, but smaller houses possess fine details and ornament as well. Because the subject house is Queen Anne in style, a number of houses in that style are illustrated below.

Integrity

The major alterations to this property are the rear addition of 1972 (this is the westernmost 15 feet), the accessory unit of 1988, and the swimming pool and other backyard features (1980). It is possible that the four-over-four windows in the basement are sympathetic alterations, though this is not known.

Aside from these, the exterior of the house is largely unaltered. Regarding the seven areas of integrity:

Location. The house has not been moved, and so retains integrity of location.

Design. Except for its rear addition, the exterior of this house is largely unchanged. It clearly expresses its Queen Anne style, one-story-over-basement form, and hipped roof. It thus retains integrity of design.

Materials. The wooden siding, porch, front door, and window sash and trim are all in place. So is the flash glass in the upper sash of the front window. Thus, the house retains integrity of materials.

Workmanship. The turned porch posts and their brackets, the ornamental trim, and other millwork must have been created using steam-driven saws. This house exhibits its late 19th-century construction techniques. It thus retains integrity of workmanship.

Feeling. This house's appearance still exhibits the feeling of a late-19th century ornamental blue-collar cottage. It retains integrity of feeling.

Association. The early residents of this house would likely recognize this house as the one they lived in, so it retains integrity of association.

Setting. Regarding the setting *within* this property's boundaries: the newer building of 1988, the swimming pool of 1980, and the back yard landscaping are clearly of recent dates, while the pepper tree is of unknown date. Regarding the *surrounding* neighborhood: the neighborhood is still residential, but most buildings are not very old. Overall, integrity of setting is mostly lost.

California Register evaluation

The California Register of Historical Resources is an inventory of significant architectural, archaeological, and historical resources in the State of California. Resources can be listed in the California Register through a number of methods. State Historical Landmarks and National Register-listed properties are automatically listed in the California Register. Properties can also be nominated to

California Register evaluation, continued

the California Register by local governments, private organizations, or citizens. The evaluative criteria used by the California Register for determining eligibility are closely based on those developed by the National Park Service for the National Register of Historic Places.

In order for a property to be eligible for listing in the California Register, it must be found significant under one or more of the following criteria:

- * Criterion 1 (Events): Resources that are associated with events that have made a significant contribution to the broad patterns of local or regional history, or the cultural heritage of California or the United States.
- * Criterion 2 (Persons): Resources that are associated with the lives of persons important to local, California, or national history.
- * Criterion 3 (Architecture): Resources that embody the distinctive characteristics of a type, period, region, or method of construction, or represent the work of a master, or possess high artistic values.
- * Criterion 4 (Information Potential): Resources or sites that yield or have the potential to yield information important to the prehistory or history of the local area, California, or the nation. This criterion relates mostly to archaeology and so is not considered here.

Criterion 1. A moderate number of houses in the Old Quad neighborhood of Santa Clara are older than this one. One has been dated to the 1770s, one has been dated to the 1840s, and a scattering date to the 1850s-1880s. As a percentage of all of the houses in the Old Quad area, however, this house is still one of the oldest. Only a small percentage date to the year 1890 or earlier. The house thus represents an early period in Santa Clara's history when the town was just starting to become suburban in feeling. Because of its age, its high integrity, and its ability to represent this early period of Santa Clara's history, this house appears to be eligible for the California Register at the local level under this criterion. The Period of Significance under this criterion is the 1890s-1910s, the first thirty years of the house's history and a period when much of the Old Quad area was still being developed.

Criterion 2. Most of the residents of this house were blue-collar workers who lived here briefly. They represent the blue-collar history of Santa Clara, but this is probably true for the vast majority of old houses still standing in Old Quad. Nothing about the residential history of this house distinguishes it from that of other houses in the neighborhood, and so the house does not appear to be eligible for the California Register under this criterion.

California Register evaluation, continued

Criterion 3. This is an excellent example of a raised-basement Queen Anne cottage. The distinguishing features include the front and side gables with their decorative bargeboards, shingles, and the trim around the attic vents; brackets with spindles at the top of the front bay window; the covered front porch and turned porch posts with brackets; the staircase's newel posts; window trim; flash glass in the upper sash of the front bay window; and the ornamental front door. The form of the house is also effective. It includes the L-shape of the house; the covered porch that fills the angle of the ell, and the hipped roof. For these reasons, the house appears to be eligible for the California Register at the local level under this criterion. The Period of Significance is ca. 1890, when the house was most likely built.

Character-defining features of the significant property. They include:

- * the presence of a large front yard and a narrow side yard facing Lewis Street; these establish the suburban character of the house and afford views of the principle facades. The specific plantings in the yards are not character-defining, however.
- * the height of the house: one-story-plus-attic-and-raised-basement
- * the form of the house: ell-shaped, with a bay window at right and a shallow (one-foot-deep) projecting bay on the north side (but not counting the 15-foot rear addition of 1972)
- * the width of the house
- * the hipped roof with gables on the front and north sides
- * the covered porch that fills the angle of the ell
- * decorative features, including window and front door trim, trim around the vents in the gables, bargeboard and shingles in the gables, brackets with spindles at the top of the bay window in the projecting wing, turned porch posts, brackets at the top of the porch posts, and the belt course at the first floor level
- * double-hung window sash, and flash glass in the front part of the projecting wing
- * the paneled front door.

It is uncertain to what degree the front staircase is original. The newel posts, at least, seem to be, and so these should be considered to be character-defining features.

The rear addition that is fifteen feet in depth, the newer building on the south part of the lot, and the swimming pool and other landscape features in the back yard are not character-defining.

Evaluation under City of Santa Clara criteria

The Criteria for Local Significance were adopted on April 20, 2004, by the City of Santa Clara City Council and are listed under Section 8.9.2 of the City of Santa Clara General Plan, Criteria for Local Significance. Under this section of the General Plan, any building, site, or property in the City that is 50 years old or older and meets certain criteria of architectural, cultural, historical, geographical or archeological significance is potentially eligible. The criteria that this property meet are listed below.

Criterion for Historical or Cultural Significance

To be historically or culturally significant, a property must meet at least one of the following criteria:

1. *The site, building or property has character, interest, integrity and reflects the heritage and cultural development of the city, region, state, or nation.*

With its high integrity and expressive style details, this is an excellent example of a 19th century house built for blue-collar residents.

5. *A building's direct association with broad patterns of local area history, including development and settlement patterns, early or important transportation routes or social, political, or economic trends and activities. Included is the recognition of urban street pattern and infrastructure.*

This house is one of many houses in the Old Quad area that date to the 19th century and the early 20th century. Having been built in ca. 1890 (or perhaps slightly earlier) it is one of the older houses in the neighborhood. It also has high integrity. Under this criterion, the house is important along with other 19th and early 20th century houses for their collective ability to evoke early Old Quad history.

Similarly, this house and its 19th century neighbors are important in the history of Santa Clara and San Mateo counties. No other city or town on the peninsula, between San Francisco and San Jose, possesses such a large and coherent collection of 19th century houses as Old Quad does. Along with many other houses, this house helps to evoke the period better than any other collection of houses on the peninsula.

Criterion for Architectural Significance

To be architecturally significant, a property must meet at least one of the following criteria:

1. *The property characterizes an architectural style associated with a particular era and/or ethnic group.*

This is an excellent, and early, example of a Queen Anne working-class cottage. With its porch, decorative gables, brackets, and other ornament, it is one of the better examples of a late 19th century house of this size and style in Old Quad.

Evaluation under City of Santa Clara criteria (continued)

7. A building's notable or special attributes of an aesthetic or functional nature. These may include massing, proportion, materials, details, fenestration, ornamentation, artwork or functional layout.

This house's most notable features — the recessed covered porch that fills an ell, ornamental gables, and other ornament and trim — are not unique in Old Quad, but they are of a high enough quality to be notable. The porch is both functional and aesthetic.

Criterion for Geographic Significance

To be geographically significant, a property must meet at least one of the following criteria:

1. A neighborhood, group or unique area directly associated with broad patterns of local area history.

As mentioned above under "Historical or Cultural Significance" (5), this house strongly contributes to Old Quad, a striking collection of 19th and early 20th century houses. No other city on the peninsula between San Francisco and San Jose possesses so many fine examples with high integrity.

Criterion for Archaeological Significance

This property is not being evaluated under this criterion.

Note: With further research, the Roman Catholic cultural history of this house may be found to be significant under City of Santa Clara Criterion 1. The most promising line of research is the archives of the Sisters of the Holy Family at Santa Clara University. Chain-of-title research could also support this theme once the Recorder-Clerk's Office in San Jose fully reopens.

Resources (continued)

“Santa Clara General Plan: Historic Preservation and Resource Inventory.” This document lists about three hundred old houses in the Old Quad area. The subject house is listed as a “Queen Anne Cottage” (that style name is correct) that was built in “ca. 1880” (this seems too early).

Building permits for this address (all for owner Wigginton):

July 1972: Construct a one bedroom and bath “on one side.” This is the gabled north addition.

October 1980. Build swimming pool and fence; demolish garage.

December 1984. Remodel interior and add mechanical.

March 1988. Add accessory unit. This is the new building to the south.

Note: No permits for exterior alterations (except for the rear addition) could be found.

Secretary of Interior's Standards for Rehabilitation

1. A property will be used as it was historically or be given a new use that requires minimal change to its distinctive materials, features, spaces, and spatial relationships.
2. The historic character of a property will be retained and preserved. The removal of distinctive materials or alteration of features, spaces, and spatial relationships that characterize a property will be avoided.
3. Each property will be recognized as a physical record of its time, place, and use. Changes that create a false sense of historical development, such as adding conjectural features or elements from other historic properties, will not be undertaken.
4. Changes to a property that have acquired historic significance in their own right will be retained and preserved.
5. Distinctive materials, features, finishes, and construction techniques or examples of craftsmanship that characterize a property will be preserved.
6. Deteriorated historic features will be repaired rather than replaced. Where the severity of deterioration requires replacement of a distinctive feature, the new feature will match the old in design, color, texture, and, where possible, materials. Replacement of missing features will be substantiated by documentary and physical evidence.
7. Chemical or physical treatments, if appropriate, will be undertaken using the gentlest means possible. Treatments that cause damage to historic materials will not be used.
8. Archeological resources will be protected and preserved in place. If such resources must be disturbed, mitigation measures will be undertaken.
9. New additions, exterior alterations, or related new construction will not destroy historic materials, features, and spatial relationships that characterize the property. The new work will be differentiated from the old and will be compatible with the historic materials, features, size, scale and proportion, and massing to protect the integrity of the property and its environment.
10. New additions and adjacent or related new construction will be undertaken in such a manner that, if removed in the future, the essential form and integrity of the historic property and its environment would be unimpaired.

10-Year Restoration Maintenance Plan

Dear Planning Staff and Historic & Landmark Commissioners,

The following is the proposed 10-year plan for the restorations and maintenance of the historic home at 1390 Madison Street. All items to meet the Secretary of Interiors standards for Treatment of Historic Properties:

1. Year 1-2 (2022-2023)

Foundation/Grading/Drainage:

Improve rainwater management around the perimeter of the house: The existing grade (soil) around the house is inadequately sloped (towards the house) which can lead to foundation settlement and compromise the structural integrity of the historic residence. The grade also contacts the historic wood siding / framing which can lead to rot and termite damage. Therefore we propose to regrade around the perimeter of the residence as required by the building code, correct improperly sloped roof gutters, and connect the rain water leader downspouts to concrete splash blocks or subsurface drain lines to outlet downhill and away from the residence. The dry rot at the existing rafters, soffits and fascia shall be repaired with epoxy and repainted to match existing. Add drip edge flashing on the entire perimeter of the roof.

2. Year 3 (2024)

Exterior Window Restoration:

Restore / Repair existing historic exterior wood windows: Special attention will be given to the Bay Window (West Facing, Front) and the original windows in the back the backyard (South Facing, Back). Any minor dry rot areas on the windows shall be repaired with epoxy filler and repainted to match. Where elements of the

existing window have excessive rot or gaps, they shall be replaced with salvaged or custom milled wood to match. Glazing putty, where cracked, shall be replaced and the window shall be painted to match existing. Replace window pulley rope where needed.

3. Years 4-5 (2025-2026)

HVAC

Remove AC window units to preserve streetscape (8 total): Upgrade all existing heating and ventilation systems to accommodate cooling which will require the installation of an AC condenser and sealing or replacing of existing ducting in the attic as required by the building code.

4. Year 6-7 (2027-2028)

Repaint Entire House

Painting of the structure: Repaint entire exterior of residence including all exterior wood siding, eaves, gutters / downspouts, all windows, doors and associated trim.

5. Years 8-10 (2029-2031)

Roofing

Replace damaged asphalt composition shingle roofing: Install new triple layer (tri-lam) asphalt composition shingle roofing (example: Certainteed Landmark TL) with a more similar profile and shadow line of wood shingles (what was originally on the home).

I am excited about restoring and rehabilitating this wonderful historic home so that it can be preserved and enjoyed for many years to come. It is a landmark building in Santa Clara County and for the State of California; it is a perfect example of what the Mills Act was meant to protect and preserve.

Sincerely,
Giacomo A. Russo

REPORT TO HISTORICAL AND LANDMARKS COMMISSION

SUBJECT

Public Hearing: Consideration of a Historical Preservation Agreement (Mills Act Contract) for 1390 Madison Street

BACKGROUND

Property owner Giacomo Russo is requesting a Historical Preservation Agreement (Mills Act Contract) for the property located at 1390 Madison Street. A requirement of the Mills Act is that the building must be a qualified structure, listed on either a local, State or National register. The property is currently listed on the City's Historic Resource Inventory (HRI).

The approximately 9,500 square foot property is located on the southwest corner of Madison Street and Lewis Street. The existing two-story residence is of Queen Anne style architectural style constructed circa 1890. The property was initially designated as a Historically Significant Property and placed on the City's list of Architecturally or Historically Significant Properties in 1981. The property is zoned R1-6L-HT (Historic Combining), which allows for both the current residential use and which has also permits commercial use of the house and property as a bed and breakfast inn, which operated from the mid-1980's until it closed in 2020.

The proposal includes approval of a Mills Act Contract and adoption of a 10-Year Restoration and Maintenance Plan associated with the Historical Preservation Agreement.

DISCUSSION

A State Department of Parks and Recreation (DPR) 523 Form was prepared by William Kostura in January, 2021, assessing the historical significance of the property, and is attached to this report. According to the evaluation, the distinguishing architectural features of the building include the front and side gables with their decorative bargeboards, shingles, and the trim around the attic vents; brackets with spindles at the top of the front bay window; the covered front porch and turned porch posts with brackets; the staircase's newel posts; window trim; flash glass in the upper sash of the front bay window; and the ornamental front door. The L-shape form of the house is also an effective distinguishing architectural feature with a covered porch that fills the angle of the ell, and the hipped roof. Major alterations to this property include a rear addition to the home in 1972 (this is the western-most 15 feet), addition of a detached two-story accessory unit and garage structure in 1988, and a swimming pool and other backyard features (1980). The evaluator finds this house to be an excellent, and early, example of a Queen Anne working-class cottage, and appears to retain sufficient integrity to continue to be eligible for listing on both the California Register and the City's Historic Resource Inventory.

The property owner has submitted a statement of justification and 10-Year Plan for restoration and maintenance of the property. The Plan includes gutter repair and minor regrading around house perimeter for improved rainwater drainage away from house foundation, repair of dry rot at existing roof rafters, soffits and fascia, repair and restoration of existing historic wood windows, roof replacement and repainting of the house.

Staff finds that the work proposed in the 10-Year Restoration and Maintenance Plan adheres to the Secretary of the Interior's Standards for Rehabilitation. The proposed improvements support the preservation, protection and maintenance of a locally designated significant structure.

ENVIRONMENTAL REVIEW

The Mills Act program is exempt from the California Environmental Quality Act (CEQA) environmental review requirements per CEQA Section 15331, which exempts project limited to maintenance, repair, stabilization, rehabilitation, restoration, preservation, conservation or reconstruction of historical resources in a manner consistent with the Secretary of the Interior Standards.

PUBLIC CONTACT

No public comments have been received at the time of preparation of this report.

RECOMMENDATION

Staff recommends that the Historical and Landmarks Commission find that the Mills Act Application and associated 10-Year Plan for restoration and maintenance accomplish the intent of preserving and maintaining the historical significance of the property; and therefore, recommend Council approval of a Historical Property Preservation Agreement (Mills Act Contract), and the adoption of a 10-Year Restoration and Maintenance Plan included with the Agreement.

REPORT TO COUNCIL

SUBJECT

Urgency Declaration and Action to Approve Expenditures and Ratify an Agreement with SAK Construction, LLC for the Sanitary Sewer Repair Project on Lafayette Street North of Calle Del Mundo

COUNCIL PILLAR

Deliver and Enhance High Quality Efficient Services and Infrastructure

BACKGROUND

The City's Water & Sewer Utilities Department maintains a sanitary sewer collection system consisting of approximately 300 miles of sewer lines, 5,800 manholes, and seven pump/lift stations.

Recently, a City contractor performing a condition assessment of the sewer lines provided a list of segments identified as at high risk of structural failure. Staff reviewed the closed-circuit television footage and identified two locations with moderate to severe deterioration on Lafayette Street, approximately 1,100 linear feet north of Calle Del Mundo and near the Union Pacific Railroad (UPRR) right-of-way.

The first location is an existing 33-inch diameter reinforced concrete sanitary sewer pipeline that is approximately 480 linear feet in total length and approximately 11 feet deep running west from the Lafayette Street right-of-way, under the UPRR corridor and within a sewer easement.

The second location is an existing 42-inch diameter reinforced concrete sanitary sewer pipeline that is approximately 470 linear feet in total length and approximately 11 feet deep running parallel to the 33-inch sewer in the first location.

DISCUSSION

On June 25, 2021, staff directly solicited bids from 14 companies to perform the Sanitary Sewer Repair Project at UPRR and Lafayette Street North of Calle Del Mundo. Two bids were received on July 9, 2021 with the following results:

| Contractor | Total Bid |
|---------------------------|-----------|
| Nor-Cal Pipeline Services | \$345,000 |
| SAK Construction, LLC | \$393,300 |

On July 14, 2021, staff determined Nor-Cal Pipeline Services to be a non-responsive bidder based on the company's incomplete submittal of the Statement of Qualifications for Construction Work and issued award of contract to SAK Construction, LLC as the lowest responsive and responsible bidder. The City entered into a contract for the urgent sewer repair on July 21, 2021 (Attachment 2). SAK Construction satisfactorily completed the repairs on October 15, 2021.

The pipelines serve as the primary conveyances of wastewater from the City to the Regional Wastewater Facility and a failure in either pipeline would pose severe public health consequences and a threat to safety of residents and property.

Given the threat to public health and safety, staff recommends that the City Council deem the Sanitary Sewer Repair Project at UPRR and Lafayette Street North of Calle Del Mundo as an "urgent necessity" under section 1310 of the City Charter, which allows for the letting of public works contracts "without advertising for bids, if such work shall be deemed by the City Council to be of urgent necessity for the preservation of life, health or property, and [the contract] shall be authorized by motion passed by at least four affirmative votes and containing a declaration of the facts constituting such urgency."

City Charter Section 1310 also requires that the City Council make a declaration of the basis for the "urgent necessity" for foregoing the standard public works bidding process. This report constitutes the declaration required by that section and requests Council approval to expend the funds and ratify the contract with SAK Construction for the urgent repair.

ENVIRONMENTAL REVIEW

The actions being considered are subject to a statutory exemption from the California Environmental Quality Act ("CEQA") pursuant to California Public Resources Code section 21080(b), because they involve urgent repairs to public service facilities necessary to maintain service.

FISCAL IMPACT

There are sufficient funds in the Sanitary Sewer System Improvements project in the Sewer Utility Capital Fund to cover all repairs and related costs.

COORDINATION

This report has been coordinated with the Finance Department, the Department of Public Works, and the City Attorney's Office.

PUBLIC CONTACT

Public contact was made by posting the Council agenda on the City's official-notice bulletin board outside City Hall Council Chambers. A complete agenda packet is available on the City's website and in the City Clerk's Office at least 72 hours prior to a Regular Meeting and 24 hours prior to a Special Meeting. A hard copy of any agenda report may be requested by contacting the City Clerk's Office at (408) 615-2220, email clerk@santaclaraca.gov <<mailto:clerk@santaclaraca.gov>> or at the public information desk at any City of Santa Clara public library.

RECOMMENDATION

Deem the Sanitary Sewer Repair Project at UPRR and Lafayette Street North of Calle Del Mundo an urgent necessity under section 1310 of the City Charter, because the pipelines serve as the primary conveyances of wastewater from the City to the Regional Wastewater Facility and a failure in either

pipeline would pose severe public health consequences and a threat to safety of residents and property, and ratify the agreement with SAK Construction, LLC in the amount of \$393,300 plus 15% contingency in the amount of \$59,000 for a total not-to-exceed amount of \$452,300.

AGREEMENT

City of Santa Clara Contract Number WA 30855
Project Title: The Sanitary Sewer Repair Project at UPRR and Lafayette Street
North of Calle Del Mundo

PREAMBLE

This Agreement ("Agreement") is made and entered into on this 21 day of July, 2021, (the "Effective Date") by and between SAK Construction, LLC, a Missouri LLC corporation, with its primary business address located at O'Fallon, MO ("Contractor"), and the City of Santa Clara, California, a chartered California municipal corporation, with its primary business address at 1500 Warburton Avenue, Santa Clara, California 95050 ("City"). City and Contractor may be referred to herein individually as a "Party" or collectively as the "Parties" or the "Parties to this Agreement."

The Parties agree as follows:

AGREEMENT PROVISIONS

Article 1. Work

- 1.1 Contractor shall complete all Work specified in the Contract Documents, in accordance with the Specifications, Drawings, and all other terms and conditions included in the Contract Documents.

Article 2. Agency and Notices to City

- 2.1 City has designated the City Engineer or his/her designee to act as City's Representative(s), who will represent City in performing City's duties and responsibilities and exercising City's rights and authorities in Contract Documents. City may change the individual(s) acting as City's Representative(s), or delegate one or more specific functions to one or more specific City's Representatives, including without limitation engineering, architectural, inspection and general administrative functions, at any time with notice and without liability to Contractor. Each City Representative is the beneficiary of all Contractor obligations to City, including without limitation, all releases and indemnities.
- 2.2 City has designated the City Engineer or his/her designee to act as Construction Manager. City may assign all or part of the City Representative's rights, responsibilities and duties to Construction Manager. City may change the identity of the Construction Manager at any time with notice and without liability to Contractor.
- 2.4 All notices or demands to City under the Contract Documents shall be delivered to the City's Representative at 1500 Warburton Avenue, Santa Clara, California 95050, or to such other person(s) and address(es) as City shall provide to Contractor.

Article 3. Contract Time and Liquidated Damages

3.1 Contractor shall commence Work at the Site on the date established in Document 00550, Notice to Proceed. The City reserves the right to modify or alter the Commencement Date of the Work due to the need to complete other City provided work at the Site. Contractor shall complete the Work within the Schedule set forth in Document 00550, Notice to Proceed, and Document 00700, General Conditions:

Article 4. Total Contract Price

- 4.1 City shall pay Contractor the Contract Sum for completion of Work in accordance with Contract Documents as shown on the Contractor's Bid, Document 0400, incorporated by this reference.
- 4.2 The Contract Sum is all inclusive and includes all Work; all federal, state, and local taxes on materials and equipment, and labor furnished by Contractor, its subcontractors, subconsultants, architects, engineers, and vendors or otherwise arising out of Contractor's performance of the Work, including any increases in any such taxes during the term of this Agreement; and any duties, fees, and royalties imposed with respect to any materials and equipment, labor or services. The taxes covered hereby include (but are not limited to) occupational, sales, use, excise, unemployment, FICA, and income taxes, customs, duties, and any and all other taxes on any item or service that is part of the Work, whether such taxes are normally included in the price of such item or service or are normally stated separately. Notwithstanding the foregoing, each party shall bear such state or local inventory, real property, personal property or fixtures taxes as may be properly assessed against it by applicable taxing authorities.

Article 5. Contractor's Representations and Warranties

In order to induce City to enter into this Agreement, Contractor makes the following representations and warranties:

- 5.1 Contractor has visited the Site and has examined thoroughly and understood the nature and extent of the Contract Documents, Work, Site, locality, actual conditions, as-built conditions, and all local conditions and federal, state and local laws and regulations that in any manner may affect cost, progress, performance or furnishing of Work or which relate to any aspect of the design and the means, methods, techniques, sequences or procedures of construction to be employed by Contractor and safety precautions and programs incident thereto.
- 5.2 Contractor has examined thoroughly and understood all reports of exploration and tests of subsurface conditions, as-built drawings, drawings, product specifications or reports, available for Bidding purposes, of physical conditions, including Underground Facilities, which are identified in Document 00320, Geotechnical Data and Existing Conditions, which may be apparent at the Site, or which may appear in the Drawings and accepts the determination set forth in these documents and Document 00700, General Conditions of the limited extent of the information contained in these documents and materials upon which the Contractor may be entitled to rely. Contractor agrees that except for the information so identified, Contractor does not and shall not rely on any other information contained in these documents, reports and drawings.
- 5.3 Contractor has conducted or obtained and has understood all such examinations, investigations, explorations, tests, reports and studies (in addition to or to supplement those referred to in Section 5.2 of this Document 00520) that pertain to the subsurface conditions, as-built conditions, Underground Facilities and all other physical conditions at or contiguous to the Site or otherwise that may affect the cost, progress, performance or furnishing of Work, as

Contractor considers necessary for the performance or furnishing of Work at the Contract Sum, within the Contract Time and in accordance with the other terms and conditions of the Contract Documents, including specifically the provisions of Document 00700, General Conditions; and no additional examinations, investigations, explorations, tests, reports, studies or similar information or data are or will be required by Contractor for such purposes.

- 5.4 Contractor has correlated its knowledge and the results of all such observations, examinations, investigations, explorations, tests, reports and studies with the terms and conditions of the Contract Documents.
- 5.5 Contractor has given City prompt written notice of all conflicts, errors, ambiguities, or discrepancies that it has discovered in or among the Contract Documents and as-built drawings and actual conditions and the written resolution thereof through Addenda issued by City is acceptable to Contractor.
- 5.6 Contractor is duly organized, existing and in good standing under applicable state law, and is duly qualified to conduct business in the State of California.
- 5.7 Contractor has duly authorized the execution, delivery and performance of this Agreement, the other Contract Documents and the Work to be performed herein. The Contract Documents do not violate or create a default under any instrument, agreement, order or decree binding on Contractor.

Article 6. Contract Documents

- 6.1 Contract Documents, which comprise the entire agreement between the City and Contractor concerning the Work, consist of the following documents, including all changes, Addenda and Modifications thereto:

CONTRACT DOCUMENTS

Contract Documents shall include all applicable City of Santa Clara Technical Documents including, but not limited to, the Standard Details, the Standard Specifications for Public Works Construction, and more specifically the provisions of Documents 00700, General Conditions. All these documents and sections are included herein by reference only and can be found at the following link on the City's website:

The Contract Documents may only be amended, modified or supplemented as provided in Document 00700, General Conditions.

Article 7. Miscellaneous

- 7.1 Terms used in this Agreement are defined in Document 00700, General Conditions, and Section 00050, References and Definitions, and will have the meaning indicated therein.
- 7.2 It is understood and agreed that in no instance is any person, signing this Agreement for or on behalf of City or acting as an employee, agent or representative of City, liable on this Agreement or any of the Contract Documents, or upon any warranty of authority, or otherwise, and it is further understood and agreed that liability of the City is limited and confined to such liability as authorized or imposed by the Contract Documents or applicable law.
- 7.3 Contractor shall not assign any portion of the Contract Documents, and may subcontract portions of the Contract Documents only in compliance with the Subcontractor Listing Law, California Public Contracting Code §4100 et seq.
- 7.4 The Contract Sum includes all allowances (if any).
- 7.5 In entering into a public works contract or a subcontract to supply goods, services or materials pursuant to a public works contract, Contractor or Subcontractor offers and agrees to assign to the awarding body all rights, title and interest in and to all causes of action it may have under Section 4 of the Clayton Act (15 U.S.C. §15) or under the Cartwright Act (Chapter 2 (commencing with Section 16700) of Part 2 of Division 7 of the Business and Professions Code), arising from purchases of goods, services or materials pursuant to the public works contract or the subcontract. This assignment shall be made and become effective at the time City tenders final payment to Contractor, without further acknowledgment by the parties.
- 7.6 Copies of the general prevailing rates of per diem wages for each craft, classification, or type of worker needed to execute the Contract, as determined by Director of the State of California Department of Industrial Relations, are deemed included in the Contract Documents, and are on file in the City Clerk's Office, and shall be made available to any interested party on request. Pursuant to Section 1861 of the Labor Code, Contractor represents that it is aware of the provisions of Section 3700 of the Labor Code which require every employer to be insured against liability for workers' compensation or to undertake self-insurance in accordance with the provisions of that Code, and Contractor shall comply with such provisions before commencing the performance of the Work of the Contract Documents.
- 7.7 Should any part, term or provision of this Agreement or any of the Contract Documents, or any document required herein or therein to be executed or delivered, be declared invalid, void or unenforceable, all remaining parts, terms and provisions shall remain in full force and effect and shall in no way be invalidated, impaired or affected thereby. If the provisions of any law causing such invalidity, illegality or unenforceability may be waived, they are hereby waived to the end that this Agreement and the Contract Documents may be deemed valid and binding agreements, enforceable in accordance with their terms to the greatest extent permitted by applicable law. In the event any provision not otherwise included in the Contract Documents is required to be included by any applicable law, that provision is deemed included herein by this

reference (or, if such provision is required to be included in any particular portion of the Contract Documents, that provision is deemed included in that portion).

- 7.8 This Agreement and the Contract Documents shall be deemed to have been entered into in the County of Santa Clara, State of California, and governed in all respects by California law (excluding choice of law rules). The exclusive venue for all disputes or litigation hereunder shall be in Santa Clara County. Both parties hereby waive their rights under California Code of Civil Procedure Section 394 to file a motion to transfer any action or proceeding arising out of the Contract Documents to another venue. Contractor accepts the Claims Procedure in Document 00700, Article 12, established under the California Government Code, Title 1, Division 3.6, Part 3, Chapter 5.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement the day first mentioned above.

BOND TERMS AND CONDITIONS

1. Contractor and Surety, jointly and severally, bind themselves, their heirs, executors, administrators, successors and assigns to City for the complete and proper performance of the Construction Contract, which is incorporated herein by reference.
2. If Contractor completely and properly performs all of its obligations under the Construction Contract, Surety and Contractor shall have no obligation under this Bond.
3. If there is no City Default, Surety's obligation under this Bond shall arise after:
 - 3.1 City has declared a Contractor Default under the Construction Contract pursuant to the terms of the Construction Contract; and
 - 3.2 City has agreed to pay the Balance of the Contract Price:
 - 3.2.1 To Surety in accordance with the terms of this Bond and the Construction Contract; or
 - 3.2.2 To a contractor selected to perform the Construction Contract in accordance with the terms of this Bond and the Construction Contract.
4. When City has satisfied the conditions of paragraph 3, Surety shall promptly (within 30 days) and at Surety's expense elect to take one of the following actions:
 - 4.1 Arrange for Contractor, with consent of City, to perform and complete the Construction Contract (but City may withhold consent, in which case the Surety must elect an option described in paragraphs 4.2, 4.3 or 4.4, below); or
 - 4.2 Undertake to perform and complete the Construction Contract itself, through its agents or through independent contractors; provided, that Surety may not select Contractor as its agent or independent contractor without City's consent; or
 - 4.3 Undertake to perform and complete the Construction Contract by obtaining bids from qualified contractors acceptable to City for a contract for performance and completion of the Construction Contract, and, upon determination by City of the lowest responsible bidder, arrange for a contract to be prepared for execution by City and the contractor selected with City's concurrence, to be secured with performance and payment bonds executed by a qualified surety equivalent to the bonds issued on the Construction Contract; and, if Surety's obligations defined in paragraph 6, below, exceed the Balance of the Contract Price, then Surety shall pay to City the amount of such excess; or
 - 4.4 Waive its right to perform and complete, arrange for completion, or obtain a new contractor and with reasonable promptness under the circumstances, and, after investigation and consultation with City, determine in good faith its monetary obligation to City under paragraph 6, below, for the performance and completion of the Construction Contract and, as soon as practicable after the amount is determined, tender payment therefore to City with full explanation of the payment's calculation. If City accepts Surety's tender under this paragraph 4.4, City may still hold Surety liable for future damages then unknown or unliquidated resulting from the Contractor Default. If City disputes the amount of Surety's tender under this paragraph 4.4, City may exercise all remedies available to it at law to enforce Surety's liability under paragraph 6, below.

5. If Surety does not proceed as provided in paragraph 4, above, then Surety shall be deemed to be in default on this Bond ten days after receipt of an additional written notice from City to Surety demanding that Surety perform its obligations under this Bond. At all times City shall be entitled to enforce any remedy available to City at law or under the Construction Contract including, without limitation, and by way of example only, rights to perform work, protect work, mitigate damages, advance critical work to mitigate schedule delay, or coordinate work with other consultants or contractors.
6. Surety's monetary obligation under this Bond is limited by the Amount of this Bond identified herein as the Penal Sum. This monetary obligation shall augment the Balance of the Contract Price. Subject to these limits, Surety's obligations under this Bond are commensurate with the obligations of Contractor under the Construction Contract. Surety's obligations shall include, but are not limited to:
 - 6.1 The responsibilities of Contractor under the Construction Contract for completion of the Construction Contract and correction of defective work;
 - 6.2 The responsibilities of Contractor under the Construction Contract to pay liquidated damages, and for damages for which no liquidated damages are specified in the Construction Contract, actual damages caused by non-performance of the Construction Contract including, but not limited to, all valid and proper backcharges, offsets, payments, indemnities, or other damages;
 - 6.3 Additional legal, design professional and delay costs resulting from Contractor Default or resulting from the actions or failure to act of the Surety under paragraph 4, above (but excluding attorney's fees incurred to enforce this Bond).
7. No right of action shall accrue on this Bond to any person or entity other than City or its successors or assigns.
8. Surety hereby waives notice of any change, alteration or addition to the Construction Contract or to related subcontracts, purchase orders and other obligations, including changes of time. Surety consents to all terms of the Construction Contract, including provisions on changes to the Contract. No extension of time, change, alteration, modification, deletion, or addition to the Contract Documents, or of the work required thereunder, shall release or exonerate Surety on this Bond or in any way affect the obligations of Surety on this Bond.
9. Any proceeding, legal or equitable, under this Bond shall be instituted in any court of competent jurisdiction where a proceeding is pending between City and Contractor regarding the Construction Contract, or in the courts of the County of Santa Clara, or in a court of competent jurisdiction in the location in which the work is located. Communications from City to Surety under paragraph 3.1 of this Bond shall be deemed to include the necessary agreements under paragraph 3.2 of this Bond unless expressly stated otherwise.
10. All notices to Surety or Contractor shall be mailed or delivered (at the address set forth on the signature page of this Bond), and all notices to City shall be mailed or delivered as provided in Document 00520, Agreement. Actual receipt of notice by Surety, City or Contractor, however accomplished, shall be sufficient compliance as of the date received at the foregoing addresses.
11. Any provision in this Bond conflicting with any statutory or regulatory requirement shall be deemed deleted herefrom and provisions conforming to such statutory requirement shall be deemed incorporated herein.

12. Definitions.

- 12.1 Balance of the Contract Price:** The total amount payable by City to Contractor pursuant to the terms of the Construction Contract after all proper adjustments have been made under the Construction Contract, for example, deductions for progress payments made, and increases/decreases for approved modifications to the Construction Contract.
- 12.2 Construction Contract:** The agreement between City and Contractor identified on the signature page of this Bond, including all Contract Documents and changes thereto.
- 12.3 Contractor Default:** Material failure of Contractor, which has neither been remedied nor waived, to perform or otherwise to comply with the terms of the Construction Contract including, but not limited to, "default" or any other condition allowing a termination for cause as provided in Document 00700, General Conditions.
- 12.4 City Default:** Material failure of City, which has neither been remedied nor waived, to pay Contractor progress payments due under the Construction Contract or to perform other material terms of the Construction Contract, if such failure is the cause of the asserted Contractor Default and is sufficient to justify Contractor termination of the Construction Contract.

13. Surety shall submit following documents along with this Construction Performance Bond:

- 13.1 Verification that Surety is admitted to transact surety business the State of California; and**
- 13.2 Copy of Surety's Certificate of authority issued by the insurance Commissioner of the State of California along with a statement that said Certificate has not been surrendered, revoked, cancelled, annulled or suspended.**

BOND TERMS AND CONDITIONS

1. Contractor and Surety, jointly and severally, bind themselves, their heirs, executors, administrators, successors and assigns to City and to Claimants, to pay for labor, materials and equipment furnished for use in the performance of the Construction Contract, which is incorporated herein by reference.
2. With respect to City, this obligation shall be null and void if Contractor:
 - 2.1 Promptly makes payment, directly or indirectly, for all sums due Claimants; and
 - 2.2 Defends, indemnifies and holds harmless City from all claims, demands, liens or suits by any person or entity who furnished labor, materials or equipment for use in the performance of the Construction Contract, provided City has promptly notified Contractor and Surety (at the address set forth on the signature page of this Bond) of any claims, demands, liens or suits and tendered defense of such claims, demands, liens or suits to Contractor and Surety, and provided there is no City Default.
3. With respect to Claimants, this obligation shall be null and void if Contractor promptly makes payment, directly or indirectly through its Subcontractors, for all sums due Claimants. If Contractor or its Subcontractors, however, fail to pay any of the persons named in Section 9100 of the California Civil Code, or amounts due under the Unemployment Insurance Code with respect to Work or labor performed under the Contract, or for any amounts required to be deducted, withheld, and paid over to the Employment Development Department from the wages of employees of Contractor or Subcontractors pursuant to Section 13020 of the Unemployment Insurance Code, with respect to such Work and labor, then Surety shall pay for the same, and also, in case suit is brought upon this Bond, a reasonable attorney's fee, to be fixed by the court.
4. Consistent with the California Civil Code §8000, *et seq.*, Surety shall have no obligation to Claimants under this Bond unless the Claimant has satisfied all applicable notice requirements.
5. Surety's total obligation shall not exceed the amount of this Bond, and the amount of this Bond shall be credited for any payments made in good faith by Surety under this Bond.
6. Amounts due Contractor under the Construction Contract shall be applied first to satisfy claims, if any, under any Construction Performance Bond and second, to satisfy obligations of Contractor and Surety under this Bond.
7. City shall not be liable for payment of any costs, expenses, or attorney's fees of any Claimant under this Bond, and shall have under this Bond no obligations to make payments to, give notices on behalf of, or otherwise have obligations to Claimants under this Bond.
8. Surety hereby waives notice of any change, including changes of time, to the Construction Contract or to related subcontracts, purchase orders and other obligations. Surety further hereby stipulates and agrees that no change, extension of time, alteration or addition to the terms of the Construction Contract, or to the Work to be performed thereunder, or materials or equipment to be furnished thereunder or the Specifications accompanying the same, shall in any way affect its obligations under this Bond, and it does hereby waive any requirement of notice or any such change, extension of time, alteration or addition to the terms of the Construction Contract or to the Work or to the Specifications or any other changes.

9. Suit against Surety on this Bond may be brought by any Claimant, or its assigns, at any time after the Claimant has furnished the last of the labor or materials, or both, but, per Civil Code §9558, must be commenced before the expiration of six months after the period in which stop notices may be filed as provided in Civil Code §9356.
10. All notices to Surety or Contractor shall be mailed or delivered (at the address set forth on the signature page of this Bond), and all notices to City shall be mailed or delivered as provided in Document 00520, Agreement. Actual receipt of notice by Surety, City or Contractor, however accomplished, shall be sufficient compliance as of the date received at the foregoing addresses.
11. This Bond has been furnished to comply with the California Civil Code §9550, 9554, *et seq.* Any provision in this Bond conflicting with said statutory requirements shall be deemed deleted herefrom and provisions conforming to such statutory or other legal requirements shall be deemed incorporated herein. The intent is that this Bond shall be construed as a statutory bond and not as a common law bond.
12. Upon request by any person or entity appearing to be a potential beneficiary of this Bond, Contractor shall promptly furnish a copy of this Bond or shall permit a copy to be made.
13. Definitions.
 - 13.1 Claimant: An individual or entity having a direct contract with Contractor or with a Subcontractor of Contractor to furnish labor, materials or equipment for use in the performance of the Contract, as further defined in California Civil Code §9100. The intent of this Bond shall be to include without limitation in the terms "labor, materials or equipment" that part of water, gas, power, light, heat, oil, gasoline, telephone service or rental equipment used in the Construction Contract, architectural and engineering services required for performance of the Work of Contractor and Contractor's Subcontractors, and all other items for which a stop notice might be asserted. The term Claimant shall also include the Employment Development Department as referred to in Civil Code §9554(b).
 - 13.2 Construction Contract: The agreement between City and Contractor identified on the signature page of this Bond, including all Contract Documents and changes thereto.
 - 13.3 City Default: Material failure of City, which has neither been remedied nor waived, to pay the Contractor as required by the Construction Contract, provided that failure is the cause of the failure of Contractor to pay the Claimants and is sufficient to justify termination of the Construction Contract.
14. Surety shall submit following documents along with this Construction Labor and Material Payment Bond:
 - 14.1 Verification that Surety is admitted to transact surety business the State of California; and
 - 14.2 Copy of Surety's Certificate of authority issued by the insurance Commissioner of the State of California along with a statement that said Certificate has not been surrendered, revoked, cancelled, annulled or suspended.

This Power of Attorney is granted under and by the authority of the following resolutions adopted by the Boards of Directors of Travelers Casualty and Surety Company of America, Travelers Casualty and Surety Company, and St. Paul Fire and Marine Insurance Company, which resolutions are now in full force and effect, reading as follows:

RESOLVED, that the Chairman, the President, any Vice Chairman, any Executive Vice President, any Senior Vice President, any Vice President, any Second Vice President, the Treasurer, any Assistant Treasurer, the Corporate Secretary or any Assistant Secretary may appoint Attorneys-in-Fact and Agents to act for and on behalf of the Company and may give such appointee such authority as his or her certificate of authority may prescribe to sign with the Company's name and seal with the Company's seal bonds, recognizances, contracts of indemnity, and other writings obligatory in the nature of a bond, recognizance, or conditional undertaking, and any of said officers or the Board of Directors at any time may remove any such appointee and revoke the power given him or her; and it is

FURTHER RESOLVED, that the Chairman, the President, any Vice Chairman, any Executive Vice President, any Senior Vice President or any Vice President may delegate all or any part of the foregoing authority to one or more officers or employees of this Company, provided that each such delegation is in writing and a copy thereof is filed in the office of the Secretary, and it is

FURTHER RESOLVED, that any bond, recognizance, contract of indemnity, or writing obligatory in the nature of a bond, recognizance, or conditional undertaking shall be valid and binding upon the Company when (a) signed by the President, any Vice Chairman, any Executive Vice President, any Senior Vice President or any Vice President, any Second Vice President, the Treasurer, any Assistant Treasurer, the Corporate Secretary or any Assistant Secretary and duly attested and sealed with the Company's seal by a Secretary or Assistant Secretary; or (b) duly executed (under seal, if required) by one or more Attorneys-in-Fact and Agents pursuant to the power prescribed in his or her certificate or their certificates of authority or by one or more Company officers pursuant to a written delegation of authority, and it is

FURTHER RESOLVED, that the signature of each of the following officers: President, any Executive Vice President, any Senior Vice President, any Vice President, any Assistant Vice President, any Secretary, any Assistant Secretary, and the seal of the Company may be affixed by facsimile to any Power of Attorney or to any certificate relating thereto appointing Resident Vice Presidents, Resident Assistant Secretaries or Attorneys-in-Fact for purposes only of executing and attesting bonds and undertakings and other writings obligatory in the nature thereof, and any such Power of Attorney or certificate bearing such facsimile signature or facsimile seal shall be valid and binding upon the Company and any such power so executed and certified by such facsimile signature and facsimile seal shall be valid and binding on the Company in the future with respect to any bond or understanding to which it is attached.

I, **Kevin E. Hughes**, the undersigned, Assistant Secretary of Travelers Casualty and Surety Company of America, Travelers Casualty and Surety Company, and St. Paul Fire and Marine Insurance Company, do hereby certify that the above and foregoing is a true and correct copy of the Power of Attorney executed by said Companies, which remains in full force and effect.

Dated this 21 day of July, 2021

GUARANTY

TO THE CITY OF SANTA CLARA, a chartered Municipal Corporation of the State of California ("City"),
for construction of:

THE SEWER REPAIR PROJECT AT UPRR AND LAFAYETTE STREET NORTH OF CALLE DEL MUNDO

SANTA CLARA, CALIFORNIA

1. The undersigned guarantees all construction performed on this Project and also guarantees all material and equipment incorporated therein.
2. Contractor hereby grants to City for a period of one (1) year following the date of Final Completion, or such longer period specified in the Contract Documents, its unconditional warranty of the quality and adequacy of all of the Work including, without limitation, all labor, materials and equipment provided by Contractor and its Subcontractors of all tiers in connection with the Work.
3. Neither final payment nor use or occupancy of the Work performed by the Contractor shall constitute an acceptance of Work not done in accordance with this Guaranty or relieve Contractor of liability in respect to any express warranties or responsibilities for faulty materials or workmanship. Contractor shall remedy any defects in the Work and pay for any damage resulting therefrom, which shall appear within one (1) year, or longer if specified in the Contract Documents, from the date of Final Completion.
4. If within one (1) year after the date of Final Completion, or such longer period of time as may be prescribed by laws or regulations, or by the terms of Contract Documents, any Work is found to be defective, Contractor shall promptly, without cost to City and in accordance with City's written instructions, correct such defective Work. Contractor shall remove any defective Work rejected by City and replace it with Work that is not defective, and satisfactorily correct or remove and replace any damage to other Work or the work of others resulting therefrom. If Contractor fails to promptly comply with the terms of such instructions, or in an emergency where delay would cause serious risk of loss or damage, City may have the defective Work corrected or the rejected Work removed and replaced. Contractor shall pay for all claims, costs, losses and damages caused by or resulting from such removal and replacement. Where Contractor fails to correct defective Work, or defects are discovered outside the correction period, City shall have all rights and remedies granted by law.
5. Inspection of the Work shall not relieve Contractor of any of its obligations under the Contract Documents. Even though equipment, materials, or Work required to be provided under the Contract Documents have been inspected, accepted, and estimated for payment, Contractor shall, at its own expense, replace or repair any such equipment, material, or Work found to be defective or otherwise not to comply with the requirements of the Contract Documents up to the end of the guaranty period.
6. All abbreviations and definitions of terms used in this Agreement shall have the meanings set forth in the Contract Documents, including, without means of limitation, Section 00050, References and Definitions.

7. The foregoing Guaranty is in addition to any other warranties of Contractor contained in the Contract Documents, and not in lieu of, any and all other liability imposed on Contractor under the Contract Documents and at law with respect to Contractor's duties, obligations, and performance under the Contract Documents. In the event of any conflict or inconsistency between the terms of this Guaranty and any warranty or obligation of the Contractor under the Contract Documents or at law, such inconsistency or conflict shall be resolved in favor of the higher level of obligation of the Contractor.

This Agreement is subject to the requirements of California Labor Code section 1720 et seq. requiring the payment of prevailing wages, the training of apprentices, and compliance with other applicable requirements.

A. Prevailing Wage Requirements

1. Contractor shall be obligated to pay not less than the General Prevailing Wage Rate, which can be found at www.dir.ca.gov and are on file with the City Clerk's office, which shall be available to any interested party upon request. Contractor is also required to have a copy of the applicable wage determination posted and/or available at each job site.
2. Specifically, contractors are reminded of the need for compliance with Labor Code Section 1774-1775 (the payment of prevailing wages and documentation of such), Section 1776 (the keeping and submission of accurate certified payrolls) and 1777.5 in the employment of apprentices on public works projects. Further, overtime must be paid for work in excess of 8 hours per day or 40 hours per week pursuant to Labor Code Section 1811-1813.
3. Special prevailing wage rates generally apply to work performed on weekends, holidays and for certain shift work. Depending on the location of the project and the amount of travel incurred by workers on the project, certain travel and subsistence payments may also be required. Contractors and subcontractors are on notice that information about such special rates, holidays, premium pay, shift work and travel and subsistence requirements can be found at www.dir.ca.gov.
4. Only bona fide apprentices actively enrolled in a California Division of Apprenticeship Standards approved program may be employed on the project as an apprentice and receive the applicable apprenticeship prevailing wage rates. Apprentices who are not properly supervised and employed in the appropriate ratio shall be paid the full journeyman wages for the classification of work performed.
5. As a condition to receiving progress payments, final payment and payment of retention on any and all projects on which the payment of prevailing wages is required, Contractor agrees to present to City, along with its request for payment, all applicable and necessary certified payrolls (for itself and all applicable subcontractors) for the time period covering such payment request. The term "certified payroll" shall include all required documentation to comply with the mandates set forth in Labor Code Section 1720 et seq, as well as any additional documentation requested by the City or its designee including, but not limited to: certified payroll, fringe benefit statements and backup documentation such as monthly benefit statements, employee timecards, copies of wage statements and cancelled checks, proof of training contributions (CAC2 if applicable), and apprenticeship forms such as DAS-140 and DAS-142.

6. In addition to submitting the certified payrolls and related documentation to City, Contractor and all subcontractors shall be required to submit certified payroll records and related documents electronically to the California Department of Industrial Relations. Failure to submit payrolls to the DIR when mandated by the project parameters shall also result in the withholding of progress, retention and/or final payment.
7. No contractor or subcontractor may be listed on a bid proposal for a public works project unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5 [with limited exceptions from this requirement for bid purposes only under Labor Code section 1771.1(a)].
8. No contractor or subcontractor may be awarded a contract for public work on a public works project, unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5. Contractors MUST be a registered "public works contractor" with the DIR AT THE TIME OF BID. Where the prime contract is less than \$15,000 for maintenance work or less than \$25,000 for construction alternation, demolition or repair work, registration is not required.
9. All contractors/subcontractors and related construction services subject to prevailing wage, including but not limited to: trucking, surveying and inspection work must be registered with the Department of Industrial Relations as a "public works contractor". Those who fail to register and maintain their status as a public works contractor shall not be permitted to perform work on the project.
10. Should any contractor or subcontractors not be a registered public works contractor and perform work on the project, Contractor agrees to fully indemnify the City for any fines assessed by the California Department of Industrial Relations against the City for such violation, including all staff costs and attorney's fee relating to such fine.
11. This project is subject to compliance monitoring and enforcement by the Department of Industrial Relations.

b. Audit Rights

All records or documents required to be kept pursuant to this Agreement to verify compliance with this Addendum shall be made available for audit at no cost to City, at any time during regular business hours, upon written request by the City Attorney, City Auditor, City Manager, or a designated representative of any of these officers. Copies of such records or documents shall be provided to City for audit at City Hall when it is practical to do so. Otherwise, unless an alternative is mutually agreed upon, the records or documents shall be made available at Contractor's address indicated for receipt of notices in this Agreement.

c. Enforcement

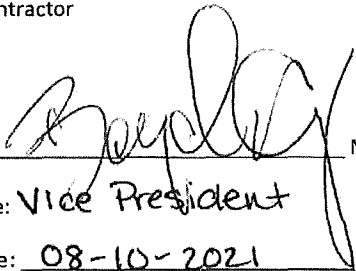

1. City shall withhold any portion of a payment; including the entire payment amount, until certified payroll forms and related documentation are properly submitted, reviewed and found to be in full compliance. In the event that certified payroll forms do not comply with the requirements of Labor Code Section 1720 et seq., City may continue to hold sufficient funds to cover estimated wages and penalties under the Agreement.
2. Based on State funding sources, this project may be subject to special labor compliance requirements of Proposition 84.
3. The City is not obligated to make any payment due to Contractor until Contractor has performed all of its obligations under these provisions. This provision means that City can withhold all or part

of a payment to Contractor until all required documentation is submitted. Any payment by the City despite Contractor's failure to fully perform its obligations under these provisions shall not be deemed to be a waiver of any other term or condition contained in this Agreement or a waiver of the right to withhold payment for any subsequent breach of this Addendum.

4. City or the California Department of Industrial Relations may impose penalties upon contractors and subcontractors for failure to comply with prevailing wage requirements. These penalties are up to \$200 per day per worker for each wage violation identified; \$100 per day per worker for failure to provide the required paperwork and documentation requested within a 10-day window; and \$25 per day per worker for any overtime violation.

REPORT TO COUNCIL

SUBJECT

Action on an Agreement with The Lew Edwards Group for Voter Research, Strategic Consulting, and Community Outreach Services Related to Potential Revenue Measures for the November 2022 Ballot and Related Budget Amendment

COUNCIL PILLAR

Enhance Community Engagement and Transparency

BACKGROUND

At the 2021 Council Priority Setting Session, information was requested by Council on a potential business tax ballot measure which would update the City's current business tax structure. As part of the May 25, 2021 Budget Study Session and at the June 22, 2021 City Council meeting, staff presented information and a timeline to pursue a measure that could be placed on the November 2022 General Election ballot. At the June 22, 2021 Council meeting, Council directed staff to 1) begin work on a potential November 2022 ballot measure, including exploring other potential revenue measures, and 2) agendize a study session for Fall 2021. This direction was affirmed at the August Council Priority Setting check-in meeting.

On October 19, 2021, a Study Session was held to provide an update on the potential Business Tax ballot measure and other potential revenue measures for the November 2022 ballot. During that Study Session, staff provided an update on the procurement process for consultant services to 1) perform a comprehensive study on the current business tax structure and recommending alternative tax structures/methods in addition to exploring other tax measures; 2) professional polling/public opinion research services; and 3) corporate and community outreach. The recommended agreement with The Lew Edwards Group addresses the professional polling/public opinion research services and the corporate and community outreach components. The City has separately entered into an agreement with Matrix Consulting Group for the comprehensive study of the business tax and other potential tax measures.

DISCUSSION

Pursuant to City Code Section 2.105.330, a formal request for Statement of Qualifications (SOQ) was conducted for this procurement, with the award recommendation based on "best value". The factors considered in the award were quality/completeness of proposal, experience, qualifications, technical approach, and cost.

In September 2021, the City released a SOQ for Business Tax and Ballot Measure Consulting Services. The SOQ was published on Periscope S2G (formerly BidSync), the City's e-procurement system. Firms were allowed to submit a proposal on any or all of the services. A total of 38 companies viewed the SOQ, and proposals were received as follows:

- Business Tax and Other Ballot Measure Evaluation - Two proposals from HdL Companies and Matrix Consulting Group were received, with contract award to Matrix Consulting Group in the amount of \$65,620. The award was pursuant to the evaluation process discussed below.
- Professional Polling/Public Opinion Research Services - Two proposals from Probolsky Research and The Lew Edward Groups were received.
- Corporate and Community Outreach - Three proposals from HdL Companies, Matrix Consulting Group, and The Lew Edward Groups were received.

Evaluation Process: The proposals were independently evaluated by a three-member evaluation team with representation from the Finance Department and the City Manager's Office. The proposals were evaluated and ranked against the criteria published in the SOQ. Staff recommends contract award for the professional polling/public opinion research and the corporate and community outreach services to The Lew Edwards Group (LEG) based on receiving the highest overall score.

The selected team consists of the following three groups, with LEG as the primary consultant to execute a contract with the City and other members of the team as subconsultants.

- The Lew Edwards Group - a nationally-recognized, award-winning firm specializing in services to local governments, who will serve as Project Lead/Strategic Consultant.
- EMC Research - a full-service opinion research firm that has conducted thousands of highly regarded and cited quantitative research studies. EMC will be responsible for implementing the voter research survey.
- Public Dialogue Consortium (PDC) - a 501(c)3 nonprofit organization with extensive experience in cutting edge, qualitative community dialogue and collaboration. PDC will facilitate the virtual community meeting process.

Summary of Agreement: The maximum compensation under the proposed agreement with LEG is \$217,700, which includes a fee of \$81,600 for project management and strategic consulting services for a 12-month period (\$6,800 per month), a fixed fee of \$59,000 to conduct a public opinion research baseline survey, a not-to-exceed amount of \$25,000 for community and business outreach services, a not-to-exceed amount of \$42,100 for an optional follow-up tracking survey, and a not-to-exceed amount of \$10,000 for graphic design and/or other services.

As with previous ballot measures, staff anticipates additional services may be needed, such as potentially increasing sample size and length of survey and employing other voter engagement activities. Therefore, staff is requesting authority to execute future amendments for additional services that may be required.

ENVIRONMENTAL REVIEW

The action being considered does not constitute a "project" within the meaning of the California Environmental Quality Act ("CEQA") pursuant to CEQA Guidelines section 15378(a) as it has no potential for resulting in either a direct physical change in the environment, or a reasonably

foreseeable indirect physical change in the environment.

FISCAL IMPACT

The maximum compensation under the agreement with LEG is \$217,700. It is recommended that the General Fund Budget Stabilization Reserve be used to cover this cost as shown below in the budget amendment.

Budget Amendment FY 2021/22

| | Current | Increase/ (Decrease) | Revised |
|------------------------------|--------------|-------------------------|--------------|
| General Fund | | | |
| <u>Use of Funds</u> | | | |
| Finance Department | \$16,613,472 | \$217,700 | \$16,831,172 |
| Budget Stabilization Reserve | \$53,840,631 | (\$217,700) | \$53,622,931 |

COORDINATION

This report has been coordinated with the City Attorney's Office.

PUBLIC CONTACT

Public contact was made by posting the Council agenda on the City's official-notice bulletin board outside City Hall Council Chambers. A complete agenda packet is available on the City's website and in the City Clerk's Office at least 72 hours prior to a Regular Meeting and 24 hours prior to a Special Meeting. A hard copy of any agenda report may be requested by contacting the City Clerk's Office at (408) 615-2220, email clerk@santaclaraca.gov <<mailto:clerk@santaclaraca.gov>> or at the public information desk at any City of Santa Clara public library.

RECOMMENDATION

1. Authorize the City Manager to execute an agreement with The Lew Edwards Group to provide voter research, strategic consulting, and community outreach services, with maximum compensation not-to-exceed \$217,700, subject to the appropriation of funds;
2. Authorize the City Manager to execute amendments to the Agreement with The Lew Edwards Group for additional related services that may be required, subject to the appropriation of funds; and
3. Consistent with City Charter Section 1305, "At any meeting after the adoption of the budget, the City Council may amend or supplement the budget by motion adopted by the affirmative votes of at least five members so as to authorize the transfer of unused balances appropriated for one purpose to another purpose, or to appropriate available revenue not included in the budget," approve the FY 2021/22 budget amendment in the General Fund to allocate funds from the Budget Stabilization Reserve to the Finance Department appropriation in the amount of \$217,700 (five affirmative Council votes required for the use of unused balances).

**AGREEMENT FOR SERVICES
BETWEEN THE
CITY OF SANTA CLARA, CALIFORNIA,
AND
THE LEW EDWARDS GROUP**

PREAMBLE

This Agreement is entered into as of the City's execution date (Effective Date) between the City of Santa Clara, California, a chartered California municipal corporation (City) and The Lew Edwards Group, a California corporation (Contractor). City and Contractor may be referred to individually as a "Party" or collectively as the "Parties" or the "Parties to this Agreement."

RECITALS

- A. City desires to secure the services more fully described in this Agreement, at Exhibit A, entitled "Scope of Services";
- B. Contractor represents that it, and its subcontractors, if any, have the professional qualifications, expertise, necessary licenses and desire to provide certain goods and/or required services of the quality and type which meet objectives and requirements of City; and,
- C. The Parties have specified herein the terms and conditions under which such services will be provided and paid for.

The Parties agree as follows:

AGREEMENT TERMS AND CONDITIONS

1. AGREEMENT DOCUMENTS

The documents forming the entire Agreement between City and Contractor shall consist of these Terms and Conditions and the following Exhibits, which are hereby incorporated into this Agreement by this reference:

Exhibit A – Scope of Services

Exhibit B – Schedule of Fees

Exhibit C – Insurance Requirements

This Agreement, including the Exhibits set forth above, contains all the agreements, representations and understandings of the Parties, and supersedes

and replaces any previous agreements, representations and understandings, whether oral or written. In the event of any inconsistency between the provisions of any of the Exhibits and the Terms and Conditions, the Terms and Conditions shall govern and control.

2. TERM OF AGREEMENT

Unless otherwise set forth in this Agreement or unless this paragraph is subsequently modified by a written amendment to this Agreement, the term of this Agreement shall begin on the Effective Date and terminate on November 30, 2022.

3. SCOPE OF SERVICES & PERFORMANCE SCHEDULE

Contractor shall perform those Services specified in Exhibit A within the time stated in Exhibit A. Time is of the essence.

4. WARRANTY

Contractor expressly warrants that all materials and services covered by this Agreement shall be fit for the purpose intended, shall be free from defect and shall conform to the specifications, requirements and instructions upon which this Agreement is based. Contractor agrees to promptly replace or correct any incomplete, inaccurate or defective Services at no further cost to City when defects are due to the negligence, errors or omissions of Contractor. If Contractor fails to promptly correct or replace materials or services, City may make corrections or replace materials or services and charge Contractor for the cost incurred by City.

5. QUALIFICATIONS OF CONTRACTOR - STANDARD OF CARE

Contractor represents and maintains that it has the expertise in the professional calling necessary to perform the Services, and its duties and obligations, expressed and implied, contained herein, and City expressly relies upon Contractor's representations regarding its skills and knowledge. Contractor shall perform such Services and duties in conformance to and consistent with the professional standards of a specialist in the same discipline in the State of California.

6. COMPENSATION AND PAYMENT

In consideration for Contractor's complete performance of Services, City shall pay Contractor for all materials provided and Services rendered by Contractor in accordance with Exhibit B, entitled "SCHEDULE OF FEES." The maximum compensation of this Agreement is Two Hundred Seventeen Thousand Seven Hundred Dollars (\$217,700) , subject to budget appropriations, which includes all payments that may be authorized for Services and for expenses, supplies, materials and equipment required to perform the Services. All work performed or

materials provided in excess of the maximum compensation shall be at Contractor's expense. Contractor shall not be entitled to any payment above the maximum compensation under any circumstance.

7. TERMINATION

- A. Termination for Convenience. City shall have the right to terminate this Agreement, without cause or penalty, by giving not less than Thirty (30) days' prior written notice to Contractor.
- B. Termination for Default. If Contractor fails to perform any of its material obligations under this Agreement, in addition to all other remedies provided by law, City may terminate this Agreement immediately upon written notice to Contractor.
- C. Upon termination, each Party shall assist the other in arranging an orderly transfer and close-out of services. As soon as possible following the notice of termination, but no later than ten (10) days after the notice of termination, Contractor will deliver to City all City information or material that Contractor has in its possession.

8. ASSIGNMENT AND SUBCONTRACTING

City and Contractor bind themselves, their successors and assigns to all covenants of this Agreement. This Agreement shall not be assigned or transferred without the prior written approval of City. Contractor shall not hire subcontractors without express written permission from City.

Contractor shall be as fully responsible to City for the acts and omissions of its subcontractors, and of persons either directly or indirectly employed by them, as Contractor is for the acts and omissions of persons directly employed by it.

9. NO THIRD PARTY BENEFICIARY

This Agreement shall not be construed to be an agreement for the benefit of any third party or parties and no third party or parties shall have any claim or right of action under this Agreement for any cause whatsoever.

10. INDEPENDENT CONTRACTOR

Contractor and all person(s) employed by or contracted with Contractor to furnish labor and/or materials under this Agreement are independent contractors and do not act as agent(s) or employee(s) of City. Contractor has full rights to manage its employees in their performance of Services under this Agreement.

11. CONFIDENTIALITY OF MATERIAL

All ideas, memoranda, specifications, plans, manufacturing procedures, data, drawings, descriptions, documents, discussions or other information developed or received by or for Contractor and all other written information submitted to Contractor in connection with the performance of this Agreement shall be held confidential by Contractor and shall not, without the prior written consent of City, be used for any purposes other than the performance of the Services nor be disclosed to an entity not connected with performance of the Services. Nothing furnished to Contractor which is otherwise known to Contractor or becomes generally known to the related industry shall be deemed confidential.

12. OWNERSHIP OF MATERIAL

All Final Work Products, which shall include, but not limited to, data, sketches, tracings, drawings, plans, diagrams, quantities, estimates, specifications, proposals, tests, maps, calculations, photographs, reports, designs, technology, programming, works of authorship and other Final Work Product developed, collected, prepared or caused to be prepared under this Agreement shall be the property of City but Contractor may retain and use copies thereof. This provision specifically excludes Contractor's drafts or working notes, which shall be owned by the Contractor, not City. City shall not be limited in any way or at any time in its use of said material. However, Contractor shall not be responsible for damages resulting from the use of said Final Work Products for work other than Project, including, but not limited to, the release of this material to third parties.

13. RIGHT OF CITY TO INSPECT RECORDS OF CONTRACTOR

City, through its authorized employees, representatives or agents shall have the right during the term of this Agreement and for four (4) years from the date of final payment for goods or services provided under this Agreement, to audit the books and records of Contractor for the purpose of verifying any and all charges made by Contractor in connection with Contractor compensation under this Agreement, including termination of Contractor. Contractor agrees to maintain sufficient books and records in accordance with generally accepted accounting principles to establish the correctness of all charges submitted to City. Any expenses not so recorded shall be disallowed by City. Contractor shall bear the cost of the audit if the audit determines that there has been a substantial billing deviation in excess of five (5) percent adverse to the City.

Contractor shall submit to City any and all reports concerning its performance under this Agreement that may be requested by City in writing. Contractor agrees to assist City in meeting City's reporting requirements to the State and other agencies with respect to Contractor's Services hereunder.

14. HOLD HARMLESS/INDEMNIFICATION

- A. To the extent permitted by law, Contractor agrees to protect, defend, hold harmless and indemnify City, its City Council, commissions, officers, employees, volunteers and agents from and against any claim, injury, liability, loss, cost, and/or expense or damage, including all costs and attorney's fees in providing a defense to any such claim or other action, and whether sounding in law, contract, tort, or equity, in any manner arising from, or alleged to arise in whole or in part from, or in any way connected with the Services performed by Contractor pursuant to this Agreement – including claims of any kind by Contractor's employees or persons contracting with Contractor to perform any portion of the Scope of Services – and shall expressly include passive or active negligence by City connected with the Services. However, the obligation to indemnify shall not apply if such liability is ultimately adjudicated to have arisen through the sole active negligence or sole willful misconduct of City; the obligation to defend is not similarly limited.
- B. Contractor's obligation to protect, defend, indemnify, and hold harmless in full City and City's employees, shall specifically extend to any and all employment-related claims of any type brought by employees, contractors, subcontractors or other agents of Contractor, against City (either alone, or jointly with Contractor), regardless of venue/jurisdiction in which the claim is brought and the manner of relief sought.
- C. To the extent Contractor is obligated to provide health insurance coverage to its employees pursuant to the Affordable Care Act ("Act") and/or any other similar federal or state law, Contractor warrants that it is meeting its obligations under the Act and will fully indemnify and hold harmless City for any penalties, fines, adverse rulings, or tax payments associated with Contractor's responsibilities under the Act.

15. INSURANCE REQUIREMENTS

During the term of this Agreement, and for any time period set forth in Exhibit C, Contractor shall provide and maintain in full force and effect, at no cost to City, insurance policies as set forth in Exhibit C.

16. WAIVER

Contractor agrees that waiver by City of any one or more of the conditions of performance under this Agreement shall not be construed as waiver(s) of any other condition of performance under this Agreement. Neither City's review, acceptance nor payments for any of the Services required under this Agreement shall be constructed to operate as a waiver of any rights under this Agreement or of any cause of action arising out of the performance of this Agreement.

17. NOTICES

All notices to the Parties shall, unless otherwise requested in writing, be sent to City addressed as follows:

City of Santa Clara
Attention: Finance Department
1500 Warburton Avenue
Santa Clara, CA 95050
and by e-mail at klee@santaclaraca.gov

And to Contractor addressed as follows:

The Lew Edwards Group
5454 Broadway
Oakland, CA 94618
and by e-mail at catherine@lewedwardsgroup.com

The workday the e-mail was sent shall control the date notice was deemed given. An e-mail transmitted after 1:00 p.m. on a Friday shall be deemed to have been transmitted on the following business day.

18. COMPLIANCE WITH LAWS

Contractor shall comply with all applicable laws and regulations of the federal, state and local government, including but not limited to "The Code of the City of Santa Clara, California" ("SCCC"). In particular, Contractor's attention is called to the regulations regarding Campaign Contributions (SCCC Chapter 2.130), Lobbying (SCCC Chapter 2.155), Minimum Wage (SCCC Chapter 3.20), Business Tax Certificate (SCCC section 3.40.060), and Food and Beverage Service Worker Retention (SCCC Chapter 9.60), as such Chapters or Sections may be amended from time to time or renumbered. Additionally Contractor has read and agrees to comply with City's Ethical Standards (<http://santaclaraca.gov/home/showdocument?id=58299>).

19. CONFLICTS OF INTEREST

Contractor certifies that to the best of its knowledge, no City officer, employee or authorized representative has any financial interest in the business of Contractor and that no person associated with Contractor has any interest, direct or indirect, which could conflict with the faithful performance of this Agreement. Contractor is familiar with the provisions of California Government Code section 87100 and

following, and certifies that it does not know of any facts which would violate these code provisions. Contractor will advise City if a conflict arises.

20. FAIR EMPLOYMENT

Contractor shall not discriminate against any employee or applicant for employment because of race, sex, color, religion, religious creed, national origin, ancestry, age, gender, marital status, physical disability, mental disability, medical condition, genetic information, sexual orientation, gender expression, gender identity, military and veteran status, or ethnic background, in violation of federal, state or local law.

21. NO USE OF CITY NAME OR EMBLEM

Contractor shall not use City's name, insignia, or emblem, or distribute any information related to services under this Agreement in any magazine, trade paper, newspaper or other medium without express written consent of City.

22. GOVERNING LAW AND VENUE

This Agreement shall be governed and construed in accordance with the statutes and laws of the State of California. The venue of any suit filed by either Party shall be vested in the state courts of the County of Santa Clara, or if appropriate, in the United States District Court, Northern District of California, San Jose, California.

23. SEVERABILITY CLAUSE

In case any one or more of the provisions in this Agreement shall, for any reason, be held invalid, illegal or unenforceable in any respect, it shall not affect the validity of the other provisions, which shall remain in full force and effect.

24. AMENDMENTS

This Agreement may only be modified by a written amendment duly authorized and executed by the Parties to this Agreement.

25. COUNTERPARTS

This Agreement may be executed in counterparts, each of which shall be deemed to be an original, but both of which shall constitute one and the same instrument.

The Parties acknowledge and accept the terms and conditions of this Agreement as evidenced by the following signatures of their duly authorized representatives.

EXHIBIT A SCOPE OF SERVICES

1. INTRODUCTION

To the extent not inconsistent with this Agreement between the City and Contractor including this Scope of Services, the City's SOQ 21-22-14 (including subsequent updates) and Contractor's proposal response dated September 29, 2021 are hereby incorporated by reference herein, and shall supplement this Scope of Services and be subject to the terms and conditions of the Agreement.

2. SCOPE OF SERVICES

2.1. Lead Project/Strategic Consulting Services. Contractor shall:

- 2.1.1.** Serve as the Lead Communications Consultant to help navigate dynamic, evolving project needs and support City staff and other professionals in achieving a well-coordinated effort.
- 2.1.2.** Collaborate closely with its subconsultant EMC Research (EMC) on quantitative public opinion research needs, independently analyzing results and providing Strategic Recommendations and Plan.
- 2.1.3.** Collaborate closely with its subconsultant Public Dialogue Consortium (PDC) on stakeholder and community engagement, including additional qualitative focus group and online input opportunities.
- 2.1.4.** Update and refine the project schedule, timeline, and activities on a continuous basis.
- 2.1.5.** Recommend permissible public education programs to inform the public of the City's fiscal sustainability vision.
- 2.1.6.** Train/re-train City staff on informational outreach message delivery.
- 2.1.7.** Develop earned/social media/web-based strategy and content for informational collaterals.
- 2.1.8.** Provide rapid response services to support the City's Public Information Officer.
- 2.1.9.** Add value to staff reports and update the City Council.
- 2.1.10.** Should the City's potential ballot measure(s) be viable, collaborate with the City Attorney, City Clerk, and staff on ballot measure structure and wording to address the public's and stakeholders'

interests and priorities. Legal advice is not within Consultant's scope of services.

- 2.1.11. Collaborate with the City Attorney's Office to refine the ballot question and add value to other ballot measure components so that they are understandable to the average person. This addresses specific documents such as the measure ordinance(s), ballot question(s), City resolution(s), and staff report(s) to ensure that all voter handbook and related materials are understandable to the average person. Legal advice is not within Consultant's scope of services.
- 2.1.12. Recommend a Public Education approach following placement of the measure(s) on the ballot, to include materials that address generational ways of receiving information. The City Attorney will review all recommended content including printed material and online copy.
- 2.1.13. Provide a detailed analysis of polling data, online survey and community outreach meetings. This analysis shall identify strengths, weaknesses and implications of various options for consideration. Working closing with City staff, Contractor shall develop recommendations and next steps for presentation to the City Council. Contractor, together with City staff, shall present recommendations including proposed ballot language to the City Council no later than July 14, 2022 or a date agreed on by the parties.
- 2.1.14. Advise the City in developing answers to public questions and in supporting rapid response needs throughout the term of the agreement.

2.2. Quantitative/Public Opinion Research

- 2.2.1. **Baseline Voter Survey.** Contractor shall be responsible for coordinating with City staff and its subconsultant EMC Research to complete a baseline voter survey of randomly selected likely November 2022 voters with a goal of up to 600 interviews by the date agreed upon with the City (City will only be invoiced for actual number of interviews completed/conducted). The survey must use a mixed-mode methodology incorporating telephone, email-to-web and text-to-web contact. Survey interviews shall reflect the demographic representation of the City and be available in multiple languages including but not limited to English, Spanish, Chinese and Vietnamese. The survey tool shall be a questionnaire of approximately 15 minutes and shall include items such as:

- 2.2.1.1. Tracking questions on city ratings and need for money

- 2.2.1.2. Uninformed vote preference on potential measure or measures
- 2.2.1.3. Ratings of potential project and programs to be funded
- 2.2.1.4. Reactions to additional information about the proposed measures
- 2.2.1.5. Informed vote preferences to identify movement
- 2.2.1.6. Demographic summary of responses
- 2.2.2. **Interpret and Recommend.** Contractor shall provide detailed analysis of polling data, including requested performance dashboard; identify strengths, weaknesses, and implications of various options; develop recommendations and next steps, with the goal of executing on that plan effective January 2nd; and prepare a report on findings and update the City Council.
- 2.3. **Public Engagement.** Contractor shall be responsible for coordinating with City staff and its subconsultant Public Dialogue Consortium to:
 - 2.3.1. Develop a business and community stakeholder engagement process design and meeting questions, materials, and agendas.
 - 2.3.2. Ensure alignment to EMC's quantitative public opinion poll.
 - 2.3.3. Assist City staff with business stakeholder and community outreach invitations and materials.
 - 2.3.4. Facilitate up to six stakeholder focus groups with the Santa Clara business community (groups, organizations, and individuals) so the City's potential Business License Tax ordinance updates can be discussed (City will only be invoiced for actual hours/groups conducted).
 - 2.3.5. Facilitate up to four stakeholder focus groups with the Santa Clara public- at -large (groups, organizations, and individuals--City will only be invoiced for actual hours/groups conducted
 - 2.3.6. Build on the feedback provided by voters through EMC's quantitative baseline study by developing and administering an online, qualitative engagement survey to enable the broader community to provide input parallel to the stakeholder focus groups
 - 2.3.7. Analyze and document focus group meetings and online survey results and develop Council updates.

2.4. Optional Tracking Survey

As may be required by the City, Contractor shall conduct a follow-up voter survey to refine and finalize the measure or measures by June 2022, or as agreed upon with the City. This survey shall be of 400 randomly selected likely November 2022 voters. Contractor shall use a mixed-mode methodology incorporating telephone, email-to-web and text-to-web contact. Survey interviews shall reflect the demographic representation of the City of Santa Clara and be available in multiple languages including but not limited to: English, Spanish, Chinese and Vietnamese. The survey tool shall be a questionnaire of approximately 15 minutes and shall include:

- 2.4.1.** Tracking questions on city ratings and need for money
- 2.4.2.** Uninformed vote preference on potential measure or measures
- 2.4.3.** Ratings of potential project and programs to be funded
- 2.4.4.** Reactions to additional information about the proposed measures
- 2.4.5.** Informed vote preferences to identify movement
- 2.4.6.** Demographic summary of responses

3. ADDITIONAL SERVICES

Graphic design services, USPS mailing, paid digital, and other services not specifically set forth above shall be at additional cost.

EXHIBIT B SCHEDULE OF FEES

1. MAXIMUM COMPENSATION

The maximum compensation the City will pay Contractor for all professional fees, costs and expenses provided under this Agreement shall not exceed **Two Hundred Seventeen Thousand Seven Hundred Dollars (\$217,700)**, subject to annual appropriation of funds. Any additional professional fees, costs and expenses requested by the City that would exceed the preceding maximum amount will be addressed in an Amendment to the Agreement.

2. FEE SCHEDULE

- 2.1.** The City agrees to compensate Contractor a fixed fee of \$6,800 per month for strategic consulting/lead project services as set forth in Section 2.1 of Exhibit A (Scope of Services).
- 2.2.** The City agrees to compensate Contractor a not to exceed amount of \$59,000 to complete the baseline survey described in Section 2.2 of Exhibit A (Scope of Services).
- 2.3.** The City agrees to compensate Contractor on a time and materials basis in accordance with Contractor's then-current hourly rates and not-to-exceed the amount of \$24,950 for business and community outreach services described in Section 2.3 of Exhibit A (Scope of Services).
- 2.4.** The City agrees to compensate Contractor a not-to-exceed amount of \$42,100 to conduct the "tracking survey" described in Section 2.4 of Exhibit A (Scope of Services).
- 2.5.** Cited fees are inclusive of all expenses including but not limited to labor, travel, per diem, applicable taxes, overhead, and profit.

3. ADDITIONAL SERVICES

- 3.1.** The City has set aside the amount \$10,000 for additional services, as described in Section 3 of Exhibit A (Scope of Services).
- 3.2.** Additional services, when authorized in writing the City, Contractor shall be compensated for by a fee mutually agreed upon between the City and Contractor, or on a time-and-materials basis in accordance with Contractor's then-current hourly rates.

4. INVOICING

- 4.1.** If Contractor invoices monthly for a "fixed fee," then Contractor will base its monthly invoice on the percentage of services completed during the previous month.
- 4.2.** If time and materials is the basis of compensation, then Contractor will base its invoice on the hours and professional fees associated with the services completed during the invoice period.
- 4.3.** City will pay Contractor within thirty (30) days of City's receipt of an approved invoice.

EXHIBIT C INSURANCE REQUIREMENTS

Without limiting the Contractor's indemnification of the City, and prior to commencing any of the Services required under this Agreement, the Contractor shall provide and maintain in full force and effect during the period of performance of the Agreement and for twenty-four (24) months following acceptance by the City, at its sole cost and expense, the following insurance policies from insurance companies authorized to do business in the State of California. These policies shall be primary insurance as to the City of Santa Clara so that any other coverage held by the City shall not contribute to any loss under Contractor's insurance. The minimum coverages, provisions and endorsements are as follows:

A. COMMERCIAL GENERAL LIABILITY INSURANCE

1. Commercial General Liability Insurance policy which provides coverage at least as broad as Insurance Services Office form CG 00 01. Policy limits are subject to review, but shall in no event be less than, the following:

- \$1,000,000 Each Occurrence
- \$2,000,000 General Aggregate
- \$2,000,000 Products/Completed Operations Aggregate
- \$1,000,000 Personal Injury

2. Exact structure and layering of the coverage shall be left to the discretion of Contractor; however, any excess or umbrella policies used to meet the required limits shall be at least as broad as the underlying coverage and shall otherwise follow form.
3. The following provisions shall apply to the Commercial Liability policy as well as any umbrella policy maintained by the Contractor to comply with the insurance requirements of this Agreement:
 - a. Coverage shall be on a "pay on behalf" basis with defense costs payable in addition to policy limits;
 - b. There shall be no cross liability exclusion which precludes coverage for claims or suits by one insured against another; and
 - c. Coverage shall apply separately to each insured against whom a claim is made or a suit is brought, except with respect to the limits of liability.

B. BUSINESS AUTOMOBILE LIABILITY INSURANCE

Business automobile liability insurance policy which provides coverage at least as broad as ISO form CA 00 01 with policy limits a minimum limit of not less than one million dollars (\$1,000,000) each accident using, or providing coverage at

least as broad as, Insurance Services Office form CA 00 01. Liability coverage shall apply to all owned (if any), non-owned and hired autos.

C. WORKERS' COMPENSATION

1. Workers' Compensation Insurance Policy as required by statute and employer's liability with limits of at least one million dollars (\$1,000,000) policy limit Bodily Injury by disease, one million dollars (\$1,000,000) each accident/Bodily Injury and one million dollars (\$1,000,000) each employee Bodily Injury by disease.
2. The indemnification and hold harmless obligations of Contractor included in this Agreement shall not be limited in any way by any limitation on the amount or type of damage, compensation or benefit payable by or for Contractor or any subcontractor under any Workers' Compensation Act(s), Disability Benefits Act(s) or other employee benefits act(s).
3. This policy must include a Waiver of Subrogation in favor of the City of Santa Clara, its City Council, commissions, officers, employees, volunteers and agents.

D. PROFESSIONAL LIABILITY

Professional Liability or Errors and Omissions Insurance as appropriate shall be written on a policy form coverage specifically designed to protect against negligent acts, errors or omissions of the Contractor. Covered services as designated in the policy must specifically include work performed under this agreement. Coverage shall be in an amount of not less than one million dollars (\$1,000,000) per claim or two million dollars (\$2,000,000) aggregate. Any coverage containing a deductible or self-retention must first be approved in writing by the City Attorney's Office.

E. COMPLIANCE WITH REQUIREMENTS

All of the following clauses and/or endorsements, or similar provisions, must be part of each commercial general liability policy, and each umbrella or excess policy.

1. Additional Insureds. City of Santa Clara, its City Council, commissions, officers, employees, volunteers and agents are hereby added as additional insureds in respect to liability arising out of Contractor's work for City, using Insurance Services Office (ISO) Endorsement CG 20 10 11 85, or the combination of CG 20 10 03 97 and CG 20 37 10 01, or its equivalent.
2. Primary and non-contributing. Each insurance policy provided by Contractor shall contain language or be endorsed to contain wording making it primary insurance as respects to, and not requiring contribution

from, any other insurance which the indemnities may possess, including any self-insurance or self-insured retention they may have. Any other insurance indemnities may possess shall be considered excess insurance only and shall not be called upon to contribute with Contractor's insurance.

3. Cancellation.

- a. Each insurance policy shall contain language or be endorsed to reflect that no cancellation or modification of the coverage provided due to non-payment of premiums shall be effective until written notice has been given to City at least ten (10) days prior to the effective date of such modification or cancellation. In the event of non-renewal, written notice shall be given at least ten (10) days prior to the effective date of non-renewal.
- b. Each insurance policy shall contain language or be endorsed to reflect that no cancellation or modification of the coverage provided for any cause save and except non-payment of premiums shall be effective until written notice has been given to City at least thirty (30) days prior to the effective date of such modification or cancellation. In the event of non-renewal, written notice shall be given at least thirty (30) days prior to the effective date of non-renewal.

4. Other Endorsements. Other endorsements may be required for policies other than the commercial general liability policy if specified in the description of required insurance set forth in Sections A through E of this Exhibit C, above.

F. ADDITIONAL INSURANCE RELATED PROVISIONS

Contractor and City agree as follows:

1. Contractor agrees to ensure that subcontractors, and any other party involved with the Services, who is brought onto or involved in the performance of the Services by Contractor, provide the same minimum insurance coverage required of Contractor, except as with respect to limits. Contractor agrees to monitor and review all such coverage and assumes all responsibility for ensuring that such coverage is provided in conformity with the requirements of this Agreement. Contractor agrees that upon request by City, all agreements with, and insurance compliance documents provided by, such subcontractors and others engaged in the project will be submitted to City for review.
2. Contractor agrees to be responsible for ensuring that no contract used by any party involved in any way with the project reserves the right to charge City or Contractor for the cost of additional insurance coverage required

by this Agreement. Any such provisions are to be deleted with reference to City. It is not the intent of City to reimburse any third party for the cost of complying with these requirements. There shall be no recourse against City for payment of premiums or other amounts with respect thereto.

3. The City reserves the right to withhold payments from the Contractor in the event of material noncompliance with the insurance requirements set forth in this Agreement.

G. EVIDENCE OF COVERAGE

Prior to commencement of any Services under this Agreement, Contractor, and each and every subcontractor (of every tier) shall, at its sole cost and expense, provide and maintain not less than the minimum insurance coverage with the endorsements and deductibles indicated in this Agreement. Such insurance coverage shall be maintained with insurers, and under forms of policies, satisfactory to City and as described in this Agreement. Contractor shall file with the City all certificates and endorsements for the required insurance policies for City's approval as to adequacy of the insurance protection.

H. EVIDENCE OF COMPLIANCE

Contractor or its insurance broker shall provide the required proof of insurance compliance, consisting of Insurance Services Office (ISO) endorsement forms or their equivalent and the ACORD form 25-S certificate of insurance (or its equivalent), evidencing all required coverage shall be delivered to City, or its representative as set forth below, at or prior to execution of this Agreement. Upon City's request, Contractor shall submit to City copies of the actual insurance policies or renewals or replacements. Unless otherwise required by the terms of this Agreement, all certificates, endorsements, coverage verifications and other items required to be delivered to City pursuant to this Agreement shall be e-mailed to ctsantaclara@ebix.com:

Or by mail to:
EBIX Inc.
City of Santa Clara – Finance Department
P.O. Box 100085 – S2
Duluth, GA 30096
Telephone number: 951-766-2280
Fax number: 770-325-0409

I. QUALIFYING INSURERS

All of the insurance companies providing insurance for Contractor shall have, and provide written proof of, an A. M. Best rating of at least A minus 6 (A- VI) or shall be an insurance company of equal financial stability that is approved by the City or its insurance compliance representative

REPORT TO COUNCIL

SUBJECT

Action Authorizing the City Manager to Execute an Agreement with ADT Commercial, LLC to Upgrade the Existing Fire Panel and System at the Central Park Library and Related Budget Amendment

COUNCIL PILLAR

Deliver and Enhance High Quality Efficient Services and Infrastructure

BACKGROUND

The fire system at the Central Park Library was originally installed during the building's construction in 2002-2003. In May 2018, a circuit board in the current fire panel failed. As a result, the entire fire system for the Library was offline for eight days. As required by the Santa Clara City Fire Department, the Central Park Library was placed on a 24/7 fire watch during this time. As required by occupancy requirements, the Library contracted for an additional security guard to perform continuous after-hours patrol. The cost of this additional patrol was \$6,830. This issue was resolved when ADT Commercial, LLC was able to locate a replacement circuit board to repair the fire panel.

The most recent annual fire system test indicated that hardware components in the fire panel require replacement. In April 2021, it was determined that new replacement parts are unable to communicate with the obsolete fire panel. This reduces the effectiveness of the entire fire monitoring system.

The circuit boards and fire panel are critical components of the approximately 15 manual pull stations, 150 fire and smoke detectors, 40 relays, two power supplies, eight batteries and communicator that monitor the Central Park Library for smoke and fire. After approximately nineteen years, some of the components throughout the fire system are outdated, beyond their useful life and compatible parts are no longer available.

DISCUSSION

This upgrade is an essential step to ensure the Central Park Library has a reliable fire system to continuously monitor all control points in the building and communicate effectively with the alarm monitoring company.

The City currently has a Citywide agreement with ADT Commercial LLC (ADT) managed by the Department of Public Works to inspect, maintain and repair alarm systems at locations throughout the City. Due to ADT's knowledge of the Central Library's alarm system, staff requested a proposal from ADT to upgrade the system.

This recommendation meets the single/sole source criteria in Section 2.105.160(b)(2) of the City

Code “When required to ensure operations or function to match other products with respect to repair, expansion, or completion of a system, existing structure or program currently in use by the City, including, but not limited to, utility and technology purchases required to achieve interoperability with existing systems or programs.”

ENVIRONMENTAL REVIEW

This project being considered is exempt from the California Environmental Quality Act (“CEQA”) pursuant to CEQA Guidelines section 15301, “Existing Facilities,” as the activity consists of the repair, maintenance or minor alteration of existing facilities involving no or negligible expansion of the use beyond that presently existing.

FISCAL IMPACT

The Library Department has sufficient FY2021/22 funding of \$180,860 in the Public Spaces Project (project #5049) in the Library Capital Improvement Fund to cover the not-to-exceed amount of \$139,503, which includes a 20% contingency for this project. The COVID-19 pandemic and resulting library closures had made the Public Spaces project scope of creating new public meeting space a lower priority. The shift in funds to library repairs was identified to Council and mentioned during the February 2021 Council Priority Setting Session. The recommended budget amendment would shift \$140,000 from the Public Spaces Project to a new Central Library Fire Panel Upgrade Project.

Budget Amendment FY 2021/22

| | Current | Increase/ (Decrease) | Revised |
|---|-----------|-------------------------|-----------|
| Library Department Capital Fund | | | |
| <u>Use of Funds</u> | | | |
| Public Spaces Capital Project | \$180,860 | (\$140,000) | \$40,860 |
| Central Library Fire Panel Upgrade Capital Project (New) | \$0 | \$140,000 | \$140,000 |

COORDINATION

This report has been coordinated with the Finance Department and the City Attorney’s Office.

PUBLIC CONTACT

Public contact was made by posting the Council agenda on the City’s official-notice bulletin board outside City Hall Council Chambers. A complete agenda packet is available on the City’s website and in the City Clerk’s Office at least 72 hours prior to a Regular Meeting and 24 hours prior to a Special Meeting. A hard copy of any agenda report may be requested by contacting the City Clerk’s Office at (408) 615-2220, email clerk@santaclaraca.gov <<mailto:clerk@santaclaraca.gov>> or at the public information desk at any City of Santa Clara public library.

RECOMMENDATION

1. Authorize the City Manager to execute an Agreement with ADT Commercial, LLC to upgrade the fire system inclusive of all labor, hardware and components, for a not-to-exceed amount of \$139,503 that includes a 20% contingency of the final negotiated not-to-exceed amount to cover any unanticipated costs that may result due to changes in final configuration or issues encountered

- during the implementation phase; and
2. Consistent with City Charter Section 1305, "At any meeting after the adoption of the budget, the City Council may amend or supplement the budget by motion adopted by the affirmative votes of at least five members so as to authorize the transfer of unused balances appropriated for one purpose to another purpose, or to appropriate available revenue not included in the budget," approve the FY 2021/22 budget amendment in the Library Department Capital Fund to decrease the Public Spaces capital project appropriation by \$140,000 and establish a new Central Library Fire Panel Upgrade Capital Project appropriation in the amount of \$140,000 (**five affirmative Council votes required for the use of unused balances**).

Inclusions/Exclusions

Material has been marked up 10% over cost.

ADT will perform the installation, conduct tests and inspections during normal business hours and days: 8AM to 5 PM Mon- Fri. using negotiated hourly rates of \$170.

CUSTOMER will be responsible for providing two dedicated loop start telephone lines at location of Fire Alarm Control Panel per NFPA 72 guidelines.

CUSTOMER will be responsible for providing a dedicated 120 VAC Power Circuit at location of Fire Alarm Control Panel per NFPA 72 guidelines

Equipment changes or location changes due to CUSTOMER request, or if necessary for the system to operate properly, will be considered a change order from the original scope of work and billed accordingly at the labor and material rates already in effect on this contract.

Connection To Existing Equipment: It is mutually understood and agreed that ADT assumes no responsibility whatsoever for the maintenance, operation, non-operation, actuation, non-actuation or needless or erroneous actuation of the existing equipment; that service may be terminated by ADT in the event the existing equipment is not in good working operating condition and ADT shall not be liable for any damage of subject to any penalty as a result of such termination. Any repairs to or replacement of existing equipment at the time of reconnection will be charged to the customer on a time and materials basis at the prevailing rates.

CUSTOMER is responsible for any patching, painting, replacement of ceiling tiles, and wall coverings.

General Notes

All prices quoted and any other offers made in this Proposal are valid for thirty (30) days from the date of this Proposal, after which they are automatically withdrawn and this Proposal shall be void.

All prices set forth in this Proposal are based on the assumption that Customer will countersign this Proposal and this Proposal will be the operative document between the parties. If instead of countersigning this Proposal, Customer submits a different document for consideration (such as a purchase order or contract), then legal review will be necessary and the prices set forth in this Proposal will be increased accordingly.

Except in the case where the "Rough Order of Magnitude Only" box is checked above, all pages of the Proposal must be initialed and/or signed where indicated and returned. Proposals returned with missing pages, initials or signatures shall be void.

Master Agreement

☐ Customer and ADT are not parties to a Master Agreement (or similar document). This Proposal is governed by all terms and conditions as checked in the Appendices Section.

☒ Customer and ADT are parties to a Master Agreement (or similar document). This Proposal is governed by the terms and conditions of such Master Agreement. However, any terms and conditions, and special provisions as checked shall apply to the Proposal as well. Items listed in this Proposal as having no warranty are applicable to this Proposal as well. In the event of any conflict between the Master Agreement and the checked provisions of this Proposal and/or any "no warranty" items in this Proposal, the provisions of this Proposal shall prevail. If Customer is not the end user (that is, if there are additional parties as set forth in the "Contract Chain" above), then Appendix 10 must be included in this Proposal. If Appendix 10 is not so included, this Proposal shall be void. Such a Master Agreement (or similar document) does not apply if NASPO is checked on this Proposal.

APPENDIX 1 - WARRANTIES

EXCEPT FOR THE WARRANTIES SPECIFICALLY SET FORTH BELOW, ADT EXPRESSLY DISCLAIMS ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING WITHOUT LIMITATION, THOSE OF MERCHANTABILITY, AND FITNESS FOR A PARTICULAR PURPOSE.

GENERAL WARRANTY

ADT warrants that the work and services to be performed pursuant to the Proposal will be completed by qualified personnel possessing the knowledge and capability to perform such work and services, and that such work and services shall be performed by such personnel in a professional and workman like manner. Where the Proposal includes the provision of "professional" Services by ADT (services that are required to be performed by a licensed engineer, architect, or other professional), the standard of care for such Services shall be the care and skill ordinarily employed by members of the profession practicing under similar conditions at the same time and locality of the relevant Services.

LIMITED WARRANTIES

Equipment. ADT warrants equipment sold under the Proposal for a period of 1 Year.

Installations. ADT warrants installation of equipment for a period of 1 Year beginning at Substantial Completion (excluding software defects).

Software Installation. ADT warrants software installation and programming by ADT for a period of 1 Year beginning at Substantial Completion (excluding software defects).

ATM Services. ADT warrants installation of ATM equipment and other ATM-related services (excluding test and inspection services) for a period of 90 Days beginning at Substantial Completion.

As used herein, "Substantial Completion" is defined as the stage that the work is sufficiently complete so that the Customer has beneficial use of the equipment and/or premises involved in the work. For a project involving multiple phases or facilities, Substantial Completion shall be determined, and the limited warranty shall run, for each phase or facility separately. Substantial Completion excludes commissioning.

During the warranty periods set forth above, ADT will at its cost, repair or, at its option, replace, any defective part of the equipment ADT installs or service ADT performs. ADT may, at its option, use new or reconditioned parts for replacements.

We perform repair services only during our normal working hours which are 8:00 a.m. to 5:00 p.m., Monday through Friday, excluding holidays. IF YOU REQUEST US TO PERFORM REPAIR SERVICES OUTSIDE OF OUR NORMAL WORKING HOURS, THEN WE MAY REQUIRE YOU TO PAY FOR OUR SERVICES AT OUR THEN-CURRENT RATES FOR LABOR.

ADT Service Plan/Extended Service Plan. Subject to the limitations and exclusions set forth in this Appendix 1, if Customer has subscribed to an ADT Service Plan/Extended Service Plan, then in lieu of the Limited Warranties set forth herein, ADT shall, at its cost, perform such repairs as set forth in the ADT Service Plan/Extended Service Plan for the term of such plan.

NO WARRANTY

Software Upgrades. Purchases of Software Upgrades have no warranty from ADT. Notwithstanding anything to the contrary in the Proposal or in any Master Agreement between the parties, any liability of ADT related to software upgrades pursuant to the Proposal shall be limited to the Total Price set forth in the Proposal.

Manufacturer Software Support and Services. Purchases of manufacturer software support and services have no warranty from ADT. A purchase of manufacturer software support may entitle Customer to software version upgrades. Any labor to install and commission the software upgrades is not included unless specifically set forth in the Proposal. Notwithstanding anything to the contrary in the Proposal or in any Master Agreement between the parties, any liability of ADT related to software upgrades pursuant to the Proposal shall be limited to the Total Price set forth in the Proposal.

Sprinklers. ADT does not warrant any sprinkler services (including but not limited to installation, testing, inspection, repair and maintenance) provided by ADT ("Sprinkler Work") against failures or against defects in the materials or workmanship provided. However, if any replacement part or item of equipment installed by ADT proves defective, ADT will extend to the Customer the benefits of any warranty ADT has received from the manufacturer. Removal and reinstallation of any equipment or materials repaired or replaced under a manufacturer's warranty will be at Customer's expense and at the rates then in effect. THERE ARE NO WARRANTIES, STATUTORY, EXPRESS OR IMPLIED, IN CONNECTION WITH THE SPRINKLER WORK PERFORMED HEREUNDER, AND THE SOLE AND EXCLUSIVE REMEDY OF THE CUSTOMER FOR FAILURES OR DEFECTS IN THE SPRINKLER WORK PERFORMED IS TO HAVE THE SPRINKLER WORK REDONE AT THE CUSTOMER'S EXPENSE.

eSRG. Consulting services performed by the ADT eSRG team carry no warranty from ADT beyond the general warranty set forth above.

Design. Design services performed by ADT carry no warranty from ADT beyond the general warranty set forth above.

Monitoring Services. Monitoring Services carry no warranty from ADT. If applicable, see Appendix 7 for additional information.

Hosted Services. Hosted Services carry no warranty from ADT. If applicable, see Appendix 8 and Appendix 9 for additional information.

EXCLUSIONS

ADT's warranty does not include:

- a. Damage or malfunction due to accident, acts of nature (including lightning strikes), improper operation, power surge/loss, misuse, neglect, unauthorized modification or repair or use in a manner for which the equipment was not intended;
- b. Consumable items such as printer print heads or access cards, and items designed to fail in order to protect the equipment (such as fuses and surge suppressors);
- c. Technician services for troubleshooting, removing or replacing any failed component not covered by this warranty which may include upgrading or otherwise modifying and fixing Customer provided computer equipment;
- d. Any installation, maintenance, repair, service, relocation or alteration to or of, or other tampering with the equipment or replacement parts performed by any person or entity other than ADT without ADT's prior written approval, or any use of replacement parts not supplied by ADT, either of which shall void and cancel all warranties with respect to the affected products and/or Services.
- e. Software defects; and/or
- f. Telephone line malfunctions or modifications to Customer's telephone service that render it incompatible with the equipment or the central station.

APPENDIX 2 – GENERAL TERMS AND CONDITIONS

1. Work and Services to Be Performed/Provided. ADT agrees to perform the work and provide the goods, software, licenses and services that are described in the Proposal. If the Proposal contains options, then ADT shall only perform those options that have been chosen by the Customer. All items to be performed pursuant to the Proposal are referred to herein as the "Services." ADT is solely responsible for choosing the manner and methods of performing the Services by its employees, agents, and/or independent contractors. Equal quality products, materials, and parts from different manufacturers may be substituted to overcome delivery problems or replacement of discontinued items. Substituted items will meet or exceed original parts specifications. Submittals, shop drawings, as-built record drawings and O&M documentation are excluded, unless specifically included in the Scope of Work or required by project specifications. Any such submittals, drawings and/or documentation shall be in Adobe Portable Document Format (PDF) only. The Proposal, when accepted by Customer, shall be considered the "Agreement" between the parties.

2. Reports. The Services may include prepared reports or other written deliverables (each, a "Report"). Customer may not necessarily agree with certain statements made, or positions taken by ADT in a Report. However, Customer acknowledges that by retaining ADT for the Services, Customer is relying on the opinions and expertise of ADT. ADT has no obligation to modify any Report to adopt a position that the Customer believes is more favorable or advantageous than prior statements made, or positions taken, by ADT. If Customer does not accept any such Report, ADT may withdraw from the engagement and Customer shall be obligated to compensate ADT for all Services (including the Report at issue) through the date of withdrawal.

3. Compensation and Payment Terms. Customer agrees to fully pay ADT any and all invoices and/or expense reimbursement requests within thirty (30) days of the date of any such invoice and/or reimbursement request. Extension of credit for billing is subject to approval of ADT's credit department and is not included in the Proposal. Any payment not received within thirty (30) days of an invoice or reimbursement request shall be subject to an additional charge at the rate of 1.5% per month of the outstanding balance due or the highest rate of interest permitted by applicable law, whichever is less. ADT may, at its discretion and without waiving any rights, elect to suspend performance of any and all work if any payment is not received within ten (10) days after the due date. In the event that any payment due ADT is collected at law or through, or under advice from, an attorney-at-law, or through a collection agency, Customer agrees to pay all costs of collection, including without limitation, all court costs and reasonable attorney's fees. If Customer opts to pay ADT for an invoice with a credit card, ADT reserves the right to add a 3% processing fee to the total cost of the work.

If the Proposal specifies fixed or lump sum pricing, the Total Price will be billed at the end of each month on a progressive basis to reflect ADT's estimated percentage of work completed. ADT's estimated percentage of completion for such invoicing may, in ADT's discretion, be based on field observations, costs estimated or incurred, subcontractor estimates, and/or other reasonable factors. Billing may include invoicing of materials stored (whether stored at ADT or delivered to the installation site), and labor for design, engineering, shop set-up and site installation, including any sub-contract labor. ADT shall not be required to provide information regarding its actual costs for a fixed or lump sum Proposal.

If the Proposal specifies Time & Materials, GMP/GMAX/MACC, cost reimbursable, or cost-plus pricing, ADT will invoice Customer monthly based on estimates of the number of hours of labor performed and to be performed during the period covered by the estimate and the hourly rate therefore, and an itemized list of charges for subcontracts, equipment, materials, supplies and other items estimated to be incurred during the period covered by the estimate, plus applicable fees or markups. Any excess or unbilled costs will be reconciled against actuals in the final invoice.

For ADT owned equipment, Customer shall pay ADT per the schedule set forth in the Proposal at the time and for the duration set forth in the Proposal.

4. Sales Taxes. Unless specifically itemized in the Proposal, estimated sales taxes and other taxes due to city, state, or county government applicable in the United States are not included in the Proposal. All such taxes shall be the responsibility of Customer. For services to be provided outside of the United States, all Value Added Taxes (VAT), General Service Taxes (GST), Consumption Taxes, Import/Export Duties, Withholding and any other taxes or fees due to a sovereign nation are excluded and are the responsibility of Customer.

5. Bonds. If payment and performance bonds are required by Customer in writing in advance of the execution of the Agreement by Customer, the total price set forth in the Proposal shall include an administration fee of 2.5% of what the total price would have been without such bond (excluding applicable sales tax). If such bond is not requested by Customer until after the execution of the Agreement by Customer, Contractor shall enter into a Change Order reflecting an administration fee of 2.5% of the total price of the Agreement (excluding applicable sales tax). ADT shall not be required to obtain any bonds until such Change Order has been executed by Customer.

6. Insurance. Certificates of Insurance are available upon Customer request. Upon Customer request, such COI shall name Customer and all other parties in the "Contract Chain" as additional insureds. Any customer-requested insurance beyond what ADT normally carries is excluded from the pricing in the Proposal and shall be paid for by Customer.

7. Schedule Dates. ADT shall diligently endeavor to make timely delivery and installation and otherwise to timely complete the Services according to a mutually agreed "Implementation Schedule." If no implementation schedule is developed or agreed upon, ADT shall diligently endeavor to complete the Services within a reasonable time. Except as expressly provided in the Proposal, ADT shall, under no circumstances, be deemed to be in default hereunder or be liable for damages, special, consequential, or otherwise, resulting from delays in delivery, installation, or other completion of the Services. Minor omissions or variances in performance of the Services, which do not materially and adversely affect the Customer's use of installed systems, equipment, goods, or materials, or the operation thereof, shall not be deemed to have postponed substantial or final completion. Unless otherwise arranged in writing, Services shall be performed during normal business hours (7:30 am to 4:30 pm, Monday – Friday, except holidays). Services performed outside of normal business hours will result in ADT's then current surcharges for such Services.

8. Installation / Site Conditions. For any Services to be performed on-site, ADT will arrange for such Services in accordance with specifications, drawings and instructions provided by Customer, which specifications and drawings are considered a part of this Agreement. Whenever applicable, suitable foundations, wall openings, curbing holes, pits, tunnels, culvert piping, grouting, surrounding masonry and concrete, canopies and architectural enclosures, and sun screens shall be constructed by others at Customer's cost. Unless otherwise set forth in the Scope of Work, Customer shall also provide at its own expense the power and lighting that is required for proper operation of any equipment. If, through no fault of ADT, ADT cannot proceed with the work within a reasonable time after delivery of the equipment and/or ADT's arrival at the work site, Customer shall pay ADT's actual expenses, including, but not limited to, additional service fees and any storage fees incurred by ADT in waiting to proceed or in returning to Customer's premises to perform the work. Customer shall notify ADT of any cancellations forty-eight (48) hours in advance of any scheduled service call. Failure to so notify will result in an additional service fee charged to Customer. Unless otherwise set forth in the Scope of Work, Customer shall secure and pay for any required building permits and governmental fees, licenses, and inspection necessary for the proper execution and completion of the installation of the equipment which are legally required at the time that the installation is done. Customer shall give all notices and comply with all laws, ordinances, rules, regulations and lawful orders of any public authority bearing on the performance of the work. In the event that ADT is required, in connection with the installation of the equipment, to do additional work either because Customer did not prepare the job site, or because the drawings, wiring, or other work done by Customer or for Customer by others, was not properly represented in the drawing supplied to ADT, ADT shall have the option of doing the additional work required to complete the job, and will charge Customer at ADT's current prevailing rates for such work, or, of abandoning the installation and being paid in full by Customer upon demand therefore. Any additional amounts so charged shall be due within ten (10) days of receipt of invoice by Customer. Customer represents to ADT that it has an interest in the real estate on which the equipment is to be installed and that has the authority to and hereby authorizes ADT to do the work as provided in this Agreement.

9. Ownership of Equipment. Ownership of any equipment installed pursuant to this Agreement shall be described in the "Transaction Type" Section of the Proposal. For an outright sale, equipment that is purchased by Customer shall become the property of Customer upon the commencement of installation (or upon shipment to Customer if the equipment is not to be installed by ADT). All customer owned equipment shall remain property of the customer during our installation process. For ADT owned equipment, ADT will retain ownership of all installed equipment. Upon termination of the Agreement (or portion of the Agreement pertaining to the equipment), ADT shall have the right to enter upon Customer's premises to either remove or disable such equipment. Failure to allow ADT to so remove or disable the equipment shall result in Customer being liable to ADT for: (a) ADT's reasonable charges for the equipment, and (b) reimbursement to ADT for any other costs (including reasonable attorneys' fees) incurred by ADT in seeking to gain access to remove the equipment and/or to collect such charges. ADT shall have no obligation to repair the premises after any such removal. ADT's removal, disablement or abandonment of such equipment does not constitute a waiver of ADT's right to collect any other charges due under the Agreement. If Customer has elected to finance the purchase of some or all of the equipment with a third party lender or leasing company, then title to the equipment may be held by Customer's lender/lessor as security for Customer's loan/lease obligations. The terms of Customer's agreement with the lender/lessor may require Customer to maintain insurance, may make Customer responsible for various other costs and fees, and may obligate Customer to pay the lender/lessor regardless of ADT's performance hereunder. ADT makes no recommendations on lending or leasing sources and is not responsible for Customer's selection of a lending or leasing source, or the terms of Customer's agreement with its lender/lessor, and ADT hereby disclaims any and all liability in connection with Customer's arrangements with its lender/lessor.

10. Changes to Services. Except as otherwise set forth in a separate Appendix to this Agreement, any changes to the Agreement or to the Services will be by written change order, amendment or rider signed by duly authorized representatives of Customer and ADT that describes the changes and sets and sets forth the amount of money to be added or removed from the Total Price and/or the adjustment of time to complete the Services (a "Change Order"). ADT shall have no obligation to perform any change to Services in the absence of a Change Order. Customer may not cancel any equipment specially ordered for Customer or for labor and shipping costs already incurred. Customer shall be responsible for any restocking fees and shipping and handling charges incurred by ADT as a result of any requested changes to the Services. Change Orders shall include additional terms and conditions if the nature of the changes are outside of the scope of the original Agreement.

11. Duration of Agreement. The Agreement will be effective as of the date set forth on Page 1 of the Proposal and will remain in effect until the completion of the Services. However, except as set forth in a separate Appendix to this Agreement, the Agreement may be terminated early by either party upon giving thirty (30) days written notice to the other party. If the Customer terminates the Agreement by giving such notice, Customer shall be obligated to pay ADT (i) for all Services performed up to the time of such termination, plus all costs and expenses ADT has invested in preparing to perform such Services, and (ii) the same costs set forth in Section 10 relating to changes to the Services. The termination of the Agreement shall not affect in any way any right or claim of any party incurred or accruing prior to the date of termination, including without limitation, any right or claim of ADT for compensation payable for Services performed or reimbursable expenses incurred prior to such termination date. Compensation payable to ADT for any right or claim for work performed through the date of termination may include a reasonable profit margin in addition to costs already incurred during the Agreement.

12. Disclaimer of Legal Advice. In the course of performing the Services, ADT may give advice or opinions regarding the impact of certain security and risk-related laws or regulations on the business of the Customer. However, Customer is hereby put on notice that ADT is not a law firm, it does not engage in the practice of law, and it does not render any legal advice. Customer is advised to seek its own legal counsel regarding any legal issues relating to its business, including issues relating to any Services. By entering into the Agreement, Customer specifically acknowledges this disclaimer and advice to consult with counsel set forth in this Section.

13. Confidentiality. Each party acknowledges that material and information which has or will come into its possession or knowledge in connection with this Performance or in the performance of the Services may consist of confidential and proprietary information of the other party, the disclosure of which to third parties would be damaging. Confidential information shall include any information relating to the identity of the party's customers, the nature of their relationship with their customers, the nature of the other party's business, or the rates charged by it to third parties. The parties agree not to make use of this information other than for the performance of the Agreement, to release it only to employees requiring such information and only after ensuring that such employees are aware of the terms of this Section, and not to release or disclose it to any other party other than as required by law. The parties further agree not to use any Services performed under the Agreement for advertising, portfolio, or other promotional purposes without the written consent of the other party. Confidential information shall not include any information that: (a) was, is, or becomes public information through no fault of the receiving party; (b) is in the possession of the receiving Party before the commencement of this Agreement where that party can provide written proof thereof; (c) is developed by ADT independently of the Customer; (d) must be disclosed pursuant to or as required by law or by a court or other tribunal of competent jurisdiction; (e) is disclosed to the receiving Party by a third party with a right to disclose such information; or (f) is disclosed by a party to a third party with the express written consent of the other party. This obligation of confidentiality shall survive termination of the Agreement for a period of three (3) years.

14. Intellectual Property. The parties acknowledge that one or both parties may have certain intellectual property rights that may be revealed or provided to the other party in accordance with the Agreement. Each party acknowledges that the Agreement does not grant any right or title of ownership in their respective intellectual property rights to the other unless specifically provided in the Agreement. Any intellectual property shall remain the originator's property unless otherwise provided in the Agreement.

15. Independent Contractors. ADT is an independent contractor and not an employee, agent, joint venture, or partner of Customer. Nothing in this Agreement shall be interpreted or construed to create or establish the relationship of employer and employee between the parties or any employee or agents of ADT. Since ADT is an independent contractor to Customer, ADT shall retain the right to perform work and services for other parties during the term of this Agreement. Neither party shall have the power, nor shall either party represent that it has the power, to bind the other party to or to assume or create any obligations, express, or implied, on behalf of the other party. Customer will not provide fringe benefits, including, but not limited to, life, disability, and health insurance, paid vacation, worker's compensation, or any other employee benefits, for the benefit of ADT's employees, agents, or independent contractors.

16. Indemnification. Each party agrees to indemnify, defend, and hold harmless the other party from and against any and all claims, actions, suits, liabilities, costs, and expenses (including attorney's fees) brought against either of them for or on account of bodily injury (including death) or property damage, to the extent that such claims, actions, suits, liabilities, costs, and expenses (including reasonable attorney's fees) arise out of or result from the negligent or willful acts or omissions of the indemnifying party, its employees, agents, or independent contractors, in the performance of its obligations under this Agreement. By entering into the Agreement, Customer acknowledges that the indemnity obligations in this Section were mutually negotiated.

17. Limitation of Liability. For box sales and test and inspect services, and sprinkler services (including but not limited to installation, testing, inspection, repair and maintenance), notwithstanding any contrary provision of the Agreement, Customer expressly agrees that in no event shall ADT's liability to Customer or any third party for any claim based on any legal theory in connection with any acts, omissions, errors, delays and/or interruptions relative to the Services exceed the total amount paid by Customer to ADT pursuant to the Agreement, or, in the case of recurring services, monitoring services or hosted services, the total amount paid by Customer to ADT for such Services in the preceding six (6) month period.

18. Mutual Waiver of Consequential Damages. ADT and Customer waive claims against each other for consequential damages arising out of or relating to this Agreement. This mutual waiver includes damages incurred by the Customer for loss of use, income, profit, loss by reason of facility shut down or fluctuation in facility service or operation, loss of electronic or other data, Customer claims, or other economic loss or personal injury in connection with or arising out of the existence, furnishing, functioning or use of the work, Services, goods, and/or materials provided by ADT, including any damages arising from any theft by a third party.

19. Assignment. Neither Customer nor ADT may assign this Agreement or the obligations created thereby without the prior written consent of the other party, which consent will not be unreasonably withheld. Notwithstanding the foregoing, ADT may assign this Agreement to a company under common ownership or control and may subcontract with third parties to perform any or all of its obligations under this Agreement.

20. Binding on Successors. Subject to any restrictions stated in any other provision of the Agreement, the Agreement will be binding on and will inure to the benefit of the Parties and their respective successors and permitted assigns. None of the provisions of the Agreement are intended to provide any rights or remedies to any person (including without limitation any employees, customers, or creditors of either of the parties hereto), other than the Parties and their respective successors and permitted assigns.

21. Severability. In the event that any of the provisions of the Agreement should be held invalid or unenforceable by law, such invalidity or unenforceability will not affect the validity or enforceability of any other provision of the Agreement.

22. Entire Agreement. The Agreement contains the entire agreement between the parties with respect to the subject matter of the Agreement and supersedes any and all prior oral and/or written understandings and agreements. There are no oral or written agreements, representations, or understandings by or between the parties affecting the Agreement or related to the Services to be performed by ADT. By entering into the Agreement, each Party is relying solely on its own judgment, investigation, and advice, and such other investigation, advice, legal counsel, and technical consultation as it deems appropriate.

23. Non-Solicitation. Customer and ADT agree that ADT has made an investment in its employees and subcontractors ("Personnel") which is not easily measured or ascertained. Should Customer (or any of its subsidiaries or divisions) hire such Personnel, ADT shall be damaged in an amount that cannot be easily measured. Therefore, Customer agrees to pay to ADT as liquidated damages the amount of thirty-five percent (35%) of the annual gross salary of such Personnel (which shall be calculated by multiplying by twelve (12) the monthly salary on the last day of the Personnel's employment) in the event that Customer (or any of its subsidiaries or divisions) hires such Personnel at any time during the term of this Agreement or within three (3) years after the termination of this Agreement. The Parties agree that the liquidated damages specified in this section are a reasonable forecast of just compensation to ADT and not a penalty or punitive amount.

24. Governing Law and Attorney's Fees. The parties knowingly, expressly, and willingly, and as a matter of agreed-upon risk allocation, agree that all disputes under or relating to this Agreement or otherwise shall be decided in accordance with the substantive laws of the State where the Services are performed without regard to the conflict of laws provisions thereof. Any controversy or claim arising out of or relating to this Agreement, or the breach thereof, shall be resolved through binding arbitration administered by the American Arbitration Association under its Construction Industry Arbitration Rules in the location closest to where the Services are performed, and judgment on the award rendered by the arbitrator(s) may be entered exclusively in the Superior Court of the County where the Services are performed, and by entering into the Agreement, Customer and ADT voluntarily consent to jurisdiction in such court. The substantially prevailing party in the arbitration shall be entitled to recover its reasonable attorneys' fees, costs (including arbitration and collection costs), and expenses incurred in connection therewith.

25. Force Majeure. ADT shall not be responsible for any delays or costs caused by acts of nature or God, including but not limited to force majeure events, or for any other cause beyond ADT's reasonable control. ADT shall be entitled to a Change Order and reimbursement for all demonstrable costs incurred due to Force Majeure and an extension of time equivalent to the delay caused by Force Majeure.

26. Customer Cooperation. Customer shall permit or arrange for reasonable access to the premises by ADT's design, installation, and maintenance personnel. Customer shall cooperate with ADT in obtaining any and all necessary consents and waivers from the owner of the Premises in connection with the Services and shall supply all supplemental equipment and facilities necessary for the installation, such as structural changes, conduits, back boxes, commercial power electrical wiring, outlets, and associated equipment, equipment room(s), and necessary operating environment as specified by the manufacturers of any goods or equipment to be installed. This pricing specified in the Agreement is based upon Customer's premises and facilities being available to allow ADT to perform continuous, uninterrupted work between 7:30 am and 4:30 pm, Monday through Friday, pursuant to a prearranged schedule. Customer shall provide free and clear access to all work areas including the removal of furniture, shelving, and other impediments. Additional labor will be billed if ADT's labor schedule is altered or unscheduled overtime is required by reason of ADT's inability to have access to the premises and facilities.

27. Risk of Loss. This Section shall govern risk of loss of goods, materials and equipment notwithstanding ownership of the same pursuant to Section 9 hereof. ADT shall bear the risk of loss or damage to the goods, materials, and equipment while the same are in transit until delivery to Customer's premises. ADT shall be responsible for loss or damage to the goods, materials, and equipment during testing or installation to the extent directly caused by ADT's employees or agents, but not by others. Customer shall be responsible for security and proper storage of goods, material, and equipment after delivery to Customer's premises and shall be responsible for loss or damage. For ADT owned equipment, Customer shall keep all installed and uninstalled equipment owned by ADT insured against all risks of loss in an amount equal to the replacement cost and, at ADT's request, list ADT on the policy as the "loss payee."

28. Delays. ADT will not be responsible for delays and damages due to delays either by Customer or other contractors that impede progress and scheduling of the Services. Any such delays that cause ADT to incur more labor hours to complete the Services or overtime hours than was originally bid will be the subject of an equitable adjustment to the Contract Price and Customer shall pay the same. ADT will give appropriate notice when possible to the Customer prior to either the Customer or ADT incurring such charges. ADT shall be reimbursed for all costs incurred by ADT or its subcontractors due to work by others that alters or delays the Services, whether before, during, or after ADT has started performing the Services.

29. Hazardous Materials. Hazardous materials abatement is excluded. This includes, but is not limited to asbestos and lead and any other materials defined as being radioactive, infectious, hazardous, dangerous, or toxic by any federal, state, or local statute, regulation, or ordinance. If ADT encounters hazardous materials, it will immediately stop work in the affected area (as determined in ADT's discretion) until remediated by Customer. Customer agrees it will indemnify and hold ADT, its employees, officers, directors and affiliates harmless from and against any claim, suit or proceeding and loss or liability arising from or related to any toxic substance, pollution or contamination that ADT does not bring to or generate on the Project site to the proportionate extent such claim, suit or proceeding or loss or liability is associated with such hazardous waste, toxic substance, pollution or contamination, including but not limited to bodily injury (including death) to persons, damages to property, disposal and replacement costs for contaminated equipment and materials, fines and other remediation costs, and damage and/or loss of natural resources.

30. Systems Management, Optimization, Maintenance, and Backup. Unless ADT is specifically hired to perform security systems management, administration, optimization, maintenance or data backups and such work is specified in the Scope of Work, these tasks must be performed by others and will not be performed by ADT. Customer assumes all responsibility for performance of these mission critical tasks and assumes all responsibility for ensuring that any equipment will perform as anticipated in any of Customer's systems. Customer warrants that, if applicable, it has all necessary bandwidth (wired or wireless) to accommodate all equipment covered under this Agreement. ADT's Work does not include maintaining copies of Customer system configuration or user databases for any systems, unless Customer specifically hires ADT to do so under a Performance Optimization, Data Management and Backup, or Maintenance Program. ADT also does not keep copies of Customer system administrator passwords. If the information referenced above is lost by Customer, access to applications may not be possible, and Customer may be required to perform extensive software and or database rebuilds. Customer hereby acknowledges and accepts full responsibility for all tasks outlined in this section, and further acknowledges that ADT is not responsible for loss of data, integrity, passwords, system configuration, databases, backups, or other information.

31. Wireless Devices. Customer acknowledges and agrees that any wireless devices, including but not limited to, wireless local area network (WLAN or WiFi) networks and paths, wireless motion detectors, wireless smoke detectors, wireless door and window contacts, wireless home automation transmitters, and other wireless devices installed under this Agreement are not physically connected to the system (e.g., by electrical wire) and require a radio frequency network or path to operate. THESE WIRELESS DEVICES WILL NOT OPERATE, AND ANY ALARM WILL NOT SOUND, IF THE RADIO FREQUENCY NETWORK OR PATH IS IMPAIRED, INTERRUPTED, OR BECOMES INOPERABLE FOR ANY REASON WHATSOEVER. THESE WIRELESS DEVICES MAY USE FREQUENCIES AND SIGNAL PATHS THAT ARE NOT ENCRYPTED, AND ARE THUS SUBJECT AND VULNERABLE TO, INTERRUPTION, INTERCEPTION, INTERFERENCE, CORRUPTION, ALTERATION, BLOCKAGE, MANIPULATION, AND TAMPERING. It is Customer's sole responsibility to maintain all

wireless local area network (WLAN or WiFi) networks and paths. ADT recommends that Customer regularly inspects any wireless network and wireless devices and test them weekly to help maintain continued operation. ADT also recommends that Customer carefully reads and follows the owner's manual, instructions and warnings for all equipment, including all wireless devices.

32. Notices. Any and all notices permitted or required to be given under this Agreement shall be in writing and shall be deemed duly given: (i) upon actual delivery if delivery is by hand or by nationally recognized overnight express mail; or (ii) upon receipt by the sending party of a confirmation or answer back if delivery is by email, or (iii) after three (3) days following delivery into the mail if delivery is by postage paid certified return receipt requested mail. Each such notice shall be sent to the respective party at the address indicated on the first page of this Agreement or to any other address or person that the respective party may designate by written notice delivered pursuant hereto.

33. Export Control. Customer shall not export or re-export, directly or indirectly, any: (i) product or service provided under this Agreement, (ii) technical data, (iii) software, (iv) information, or (v) items acquired under this Agreement to any country for which the United States Government (or any agency thereof) requires an export license or other approval without first obtaining any licenses, consents or permits that may be required under the applicable laws of the U.S. or other foreign jurisdictions and shall incorporate in all export shipping documents the applicable destination control statements. Customer shall, at its own expense, defend, indemnify, and save harmless ADT from and against all third-party claims, liability, loss or damage (including attorneys' fees and other defense costs), assessed against or suffered by ADT as a result of an allegation or claim of noncompliance by Customer with this Section. The obligations contained in this Section shall survive the termination or expiration of this Agreement.

34. Software. Any software provided with the Equipment or in connection with the Services is proprietary to ADT and/or ADT's supplier(s) and is licensed or sublicensed to Customer on a non-exclusive basis. Customer may not (a) disclose the Software or source code to any third parties, (b) duplicate, reproduce, or copy all or any part of the Software, or (c) use the Software on equipment other than with the designated Equipment with which it was furnished. A separate Software License Agreement or End User License Agreement between ADT and/or the software publisher may be required to use the software and/or obtain updates/upgrades.

35. Survival. Those provisions which by their sense are intended to survive the cancellation, expiration or termination of the Agreement, including, by way of example only, the indemnification and limit of liability obligations contained therein, shall survive the cancellation, expiration or termination of the Agreement for whatever reason.

36. Waiver. The waiver, by either party, of a breach or violation of any provision of this Agreement shall not operate as, or be considered, to be a waiver of any subsequent breach thereof.

PREAMBLE

This Agreement is entered into between the City of Santa Clara, California, a chartered California municipal corporation (City) and ADT Commercial, LLC, a CALIFORNIA corporation, (Contractor). City and Contractor may be referred to individually as a "Party" or collectively as the "Parties" or the "Parties to this Agreement."

RECITALS

- A. City desires to secure the services more fully described in this Agreement, at Exhibit A, entitled "Scope of Services";
- B. Contractor represents that it, and its subcontractors, if any, have the professional qualifications, expertise, necessary licenses and desire to provide certain goods and/or required services of the quality and type which meet objectives and requirements of City; and,
- C. The Parties have specified herein the terms and conditions under which such services will be provided and paid for.

The Parties agree as follows:

AGREEMENT TERMS AND CONDITIONS

1. AGREEMENT DOCUMENTS

The documents forming the entire Agreement between City and Contractor shall consist of these Terms and Conditions and the following Exhibits, which are hereby incorporated into this Agreement by this reference:

Exhibit A – Scope of Services

Exhibit B – Schedule of Fees

Exhibit C – Insurance Requirements

Exhibit D – Labor Compliance Addendum (if applicable)

This Agreement, including the Exhibits set forth above, contains all the agreements, representations and understandings of the Parties, and supersedes and replaces any previous agreements, representations and understandings,

whether oral or written. In the event of any inconsistency between the provisions of any of the Exhibits and the Terms and Conditions, the Terms and Conditions shall govern and control.

2. TERM OF AGREEMENT

Unless otherwise set forth in this Agreement or unless this paragraph is subsequently modified by a written amendment to this Agreement, the term of this Agreement shall begin on January 3, 2022 and terminate on December 31, 2022.

3. SCOPE OF SERVICES & PERFORMANCE SCHEDULE

Contractor shall perform those Services specified in Exhibit A within the time stated in Exhibit A. Time is of the essence.

4. WARRANTY

Contractor expressly warrants that all materials and services covered by this Agreement shall be fit for the purpose intended, shall be free from defect and shall conform to the specifications, requirements and instructions upon which this Agreement is based. Contractor agrees to promptly replace or correct any incomplete, inaccurate or defective Services at no further cost to City when defects are due to the negligence, errors or omissions of Contractor. If Contractor fails to promptly correct or replace materials or services, City may make corrections or replace materials or services and charge Contractor for the cost incurred by City.

5. QUALIFICATIONS OF CONTRACTOR - STANDARD OF CARE

Contractor represents and maintains that it has the expertise in the professional calling necessary to perform the Services, and its duties and obligations, expressed and implied, contained herein, and City expressly relies upon Contractor's representations regarding its skills and knowledge. Contractor shall perform such Services and duties in conformance to and consistent with the professional standards of a specialist in the same discipline in the State of California.

6. COMPENSATION AND PAYMENT

In consideration for Contractor's complete performance of Services, City shall pay Contractor for all materials provided and Services rendered by Contractor in accordance with Exhibit B, entitled "SCHEDULE OF FEES." The maximum compensation of this Agreement is one hundred thirty-nine thousand five hundred and three dollars (\$139,503), subject to budget appropriations, which includes all payments that may be authorized for Services and for expenses,

supplies, materials and equipment required to perform the Services. All work performed or materials provided in excess of the maximum compensation shall be at Contractor's expense. Contractor shall not be entitled to any payment above the maximum compensation under any circumstance.

7. TERMINATION

- A. Termination for Convenience. City shall have the right to terminate this Agreement, without cause or penalty, by giving not less than Thirty (30) days' prior written notice to Contractor.
- B. Termination for Default. If Contractor fails to perform any of its material obligations under this Agreement, in addition to all other remedies provided by law, City may terminate this Agreement immediately upon written notice to Contractor.
- C. Upon termination, each Party shall assist the other in arranging an orderly transfer and close-out of services. As soon as possible following the notice of termination, but no later than ten (10) days after the notice of termination, Contractor will deliver to City all City information or material that Contractor has in its possession.

8. ASSIGNMENT AND SUBCONTRACTING

City and Contractor bind themselves, their successors and assigns to all covenants of this Agreement. This Agreement shall not be assigned or transferred without the prior written approval of City. Contractor shall not hire subcontractors without express written permission from City.

Contractor shall be as fully responsible to City for the acts and omissions of its subcontractors, and of persons either directly or indirectly employed by them, as Contractor is for the acts and omissions of persons directly employed by it.

9. NO THIRD PARTY BENEFICIARY

This Agreement shall not be construed to be an agreement for the benefit of any third party or parties and no third party or parties shall have any claim or right of action under this Agreement for any cause whatsoever.

10. INDEPENDENT CONTRACTOR

Contractor and all person(s) employed by or contracted with Contractor to furnish labor and/or materials under this Agreement are independent contractors and do not act as agent(s) or employee(s) of City. Contractor has full rights to manage its employees in their performance of Services under this Agreement.

11. CONFIDENTIALITY OF MATERIAL

All ideas, memoranda, specifications, plans, manufacturing procedures, data, drawings, descriptions, documents, discussions or other information developed or received by or for Contractor and all other written information submitted to Contractor in connection with the performance of this Agreement shall be held confidential by Contractor and shall not, without the prior written consent of City, be used for any purposes other than the performance of the Services nor be disclosed to an entity not connected with performance of the Services. Nothing furnished to Contractor which is otherwise known to Contractor or becomes generally known to the related industry shall be deemed confidential.

12. OWNERSHIP OF MATERIAL

All material, which shall include, but not be limited to, data, sketches, tracings, drawings, plans, diagrams, quantities, estimates, specifications, proposals, tests, maps, calculations, photographs, reports, designs, technology, programming, works of authorship and other material developed, collected, prepared or caused to be prepared under this Agreement shall be the property of City but Contractor may retain and use copies thereof. City shall not be limited in any way or at any time in its use of said material. However, Contractor shall not be responsible for damages resulting from the use of said material for work other than Project, including, but not limited to, the release of this material to third parties.

13. RIGHT OF CITY TO INSPECT RECORDS OF CONTRACTOR

City, through its authorized employees, representatives or agents shall have the right during the term of this Agreement and for four (4) years from the date of final payment for goods or services provided under this Agreement, to audit the books and records of Contractor for the purpose of verifying any and all charges made by Contractor in connection with Contractor compensation under this Agreement, including termination of Contractor. Contractor agrees to maintain sufficient books and records in accordance with generally accepted accounting principles to establish the correctness of all charges submitted to City. Any expenses not so recorded shall be disallowed by City. Contractor shall bear the cost of the audit if the audit determines that there has been a substantial billing deviation in excess of five (5) percent adverse to the City.

Contractor shall submit to City any and all reports concerning its performance under this Agreement that may be requested by City in writing. Contractor agrees to assist City in meeting City's reporting requirements to the State and other agencies with respect to Contractor's Services hereunder.

14. HOLD HARMLESS/INDEMNIFICATION

- A. To the extent permitted by law, Contractor agrees to protect, defend, hold harmless and indemnify City, its City Council, commissions, officers, employees, volunteers and agents from and against any claim, injury,

liability, loss, cost, and/or expense or damage, including all costs and attorney's fees in providing a defense to any such claim or other action, and whether sounding in law, contract, tort, or equity, in any manner arising from, or alleged to arise in whole or in part from, or in any way connected with the Services performed by Contractor pursuant to this Agreement – including claims of any kind by Contractor's employees or persons contracting with Contractor to perform any portion of the Scope of Services – and shall expressly include passive or active negligence by City connected with the Services. However, the obligation to indemnify shall not apply if such liability is ultimately adjudicated to have arisen through the sole active negligence or sole willful misconduct of City; the obligation to defend is not similarly limited.

- B. Contractor's obligation to protect, defend, indemnify, and hold harmless in full City and City's employees, shall specifically extend to any and all employment-related claims of any type brought by employees, contractors, subcontractors or other agents of Contractor, against City (either alone, or jointly with Contractor), regardless of venue/jurisdiction in which the claim is brought and the manner of relief sought.
- C. To the extent Contractor is obligated to provide health insurance coverage to its employees pursuant to the Affordable Care Act ("Act") and/or any other similar federal or state law, Contractor warrants that it is meeting its obligations under the Act and will fully indemnify and hold harmless City for any penalties, fines, adverse rulings, or tax payments associated with Contractor's responsibilities under the Act.

15. INSURANCE REQUIREMENTS

During the term of this Agreement, and for any time period set forth in Exhibit C, Contractor shall provide and maintain in full force and effect, at no cost to City, insurance policies as set forth in Exhibit C.

16. WAIVER

Contractor agrees that waiver by City of any one or more of the conditions of performance under this Agreement shall not be construed as waiver(s) of any other condition of performance under this Agreement. Neither City's review, acceptance nor payments for any of the Services required under this Agreement shall be constructed to operate as a waiver of any rights under this Agreement or of any cause of action arising out of the performance of this Agreement.

17. NOTICES

All notices to the Parties shall, unless otherwise requested in writing, be sent to City addressed as follows:

City of Santa Clara
Attention: LIBRARY – Lee Hagan
1500 Warburton Avenue
Santa Clara, CA 95050
and by e-mail at lhagan@santaclaraca.gov

And to Contractor addressed as follows:

ADT COMMERCIAL, LLC

martinscott@adt.com

The workday the e-mail was sent shall control the date notice was deemed given. An e-mail transmitted after 1:00 p.m. on a Friday shall be deemed to have been transmitted on the following business day.

18. COMPLIANCE WITH LAWS

Contractor shall comply with all applicable laws and regulations of the federal, state and local government, including but not limited to “The Code of the City of Santa Clara, California” (“SCCC”). In particular, Contractor’s attention is called to the regulations regarding Campaign Contributions (SCCC Chapter 2.130), Lobbying (SCCC Chapter 2.155), Minimum Wage (SCCC Chapter 3.20), Business Tax Certificate (SCCC section 3.40.060), and Food and Beverage Service Worker Retention (SCCC Chapter 9.60), as such Chapters or Sections may be amended from time to time or renumbered. Additionally Contractor has read and agrees to comply with City’s Ethical Standards (<http://santaclaraca.gov/home/showdocument?id=58299>).

19. CONFLICTS OF INTEREST

Contractor certifies that to the best of its knowledge, no City officer, employee or authorized representative has any financial interest in the business of Contractor and that no person associated with Contractor has any interest, direct or indirect, which could conflict with the faithful performance of this Agreement. Contractor is familiar with the provisions of California Government Code section 87100 and

following, and certifies that it does not know of any facts which would violate these code provisions. Contractor will advise City if a conflict arises.

20. FAIR EMPLOYMENT

Contractor shall not discriminate against any employee or applicant for employment because of race, sex, color, religion, religious creed, national origin, ancestry, age, gender, marital status, physical disability, mental disability, medical condition, genetic information, sexual orientation, gender expression, gender identity, military and veteran status, or ethnic background, in violation of federal, state or local law.

21. NO USE OF CITY NAME OR EMBLEM

Contractor shall not use City's name, insignia, or emblem, or distribute any information related to services under this Agreement in any magazine, trade paper, newspaper or other medium without express written consent of City.

22. GOVERNING LAW AND VENUE

This Agreement shall be governed and construed in accordance with the statutes and laws of the State of California. The venue of any suit filed by either Party shall be vested in the state courts of the County of Santa Clara, or if appropriate, in the United States District Court, Northern District of California, San Jose, California.

23. SEVERABILITY CLAUSE

In case any one or more of the provisions in this Agreement shall, for any reason, be held invalid, illegal or unenforceable in any respect, it shall not affect the validity of the other provisions, which shall remain in full force and effect.

24. AMENDMENTS

This Agreement may only be modified by a written amendment duly authorized and executed by the Parties to this Agreement.

25. COUNTERPARTS

This Agreement may be executed in counterparts, each of which shall be deemed to be an original, but both of which shall constitute one and the same instrument.

The Parties acknowledge and accept the terms and conditions of this Agreement as evidenced by the following signatures of their duly authorized representatives.

In no event shall the amount billed to City by Contractor for services under this Agreement exceed one hundred thirty-nine thousand five hundred and three dollars (\$139,503), which consists of one hundred sixteen thousand two hundred fifty-three dollars (\$116,253), and a 20% contingency in the amount of twenty three thousand two hundred fifty dollars (\$23,250), subject to budget appropriations.

EXHIBIT C

INSURANCE REQUIREMENTS

Without limiting the Contractor's indemnification of the City, and prior to commencing any of the Services required under this Agreement, the Contractor shall provide and maintain in full force and effect, at its sole cost and expense, the following insurance policies with at least the indicated coverages, provisions and endorsements:

A. COMMERCIAL GENERAL LIABILITY INSURANCE

1. Commercial General Liability Insurance policy which provides coverage at least as broad as Insurance Services Office form CG 00 01. Policy limits are subject to review, but shall in no event be less than, the following:
 - \$1,000,000 Each Occurrence
 - \$2,000,000 General Aggregate
 - \$2,000,000 Products/Completed Operations Aggregate
 - \$1,000,000 Personal Injury
2. Exact structure and layering of the coverage shall be left to the discretion of Contractor; however, any excess or umbrella policies used to meet the required limits shall be at least as broad as the underlying coverage and shall otherwise follow form.
3. The following provisions shall apply to the Commercial Liability policy as well as any umbrella policy maintained by the Contractor to comply with the insurance requirements of this Agreement:
 - a. Coverage shall be on a "pay on behalf" basis with defense costs payable in addition to policy limits;
 - b. There shall be no cross liability exclusion which precludes coverage for claims or suits by one insured against another; and
 - c. Coverage shall apply separately to each insured against whom a claim is made or a suit is brought, except with respect to the limits of liability.

B. BUSINESS AUTOMOBILE LIABILITY INSURANCE

Business automobile liability insurance policy which provides coverage at least as broad as ISO form CA 00 01 with policy limits a minimum limit of not less than one million dollars (\$1,000,000) each accident using, or providing coverage at least as broad as, Insurance Services Office form CA 00 01. Liability coverage shall apply to all owned, non-owned and hired autos.

In the event that the Work being performed under this Agreement involves transporting of hazardous or regulated substances, hazardous or regulated

wastes and/or hazardous or regulated materials, Contractor and/or its subcontractors involved in such activities shall provide coverage with a limit of two million dollars (\$2,000,000) per accident covering transportation of such materials by the addition to the Business Auto Coverage Policy of Environmental Impairment Endorsement MCS90 or Insurance Services Office endorsement form CA 99 48, which amends the pollution exclusion in the standard Business Automobile Policy to cover pollutants that are in or upon, being transported or towed by, being loaded onto, or being unloaded from a covered auto.

C. WORKERS' COMPENSATION

1. Workers' Compensation Insurance Policy as required by statute and employer's liability with limits of at least one million dollars (\$1,000,000) policy limit Bodily Injury by disease, one million dollars (\$1,000,000) each accident/Bodily Injury and one million dollars (\$1,000,000) each employee Bodily Injury by disease.
2. The indemnification and hold harmless obligations of Contractor included in this Agreement shall not be limited in any way by any limitation on the amount or type of damage, compensation or benefit payable by or for Contractor or any subcontractor under any Workers' Compensation Act(s), Disability Benefits Act(s) or other employee benefits act(s).
3. This policy must include a Waiver of Subrogation in favor of the City of Santa Clara, its City Council, commissions, officers, employees, volunteers and agents.

D. COMPLIANCE WITH REQUIREMENTS

All of the following clauses and/or endorsements, or similar provisions, must be part of each commercial general liability policy, and each umbrella or excess policy.

1. Additional Insureds. City of Santa Clara, its City Council, commissions, officers, employees, volunteers and agents are hereby added as additional insureds in respect to liability arising out of Contractor's work for City, using Insurance Services Office (ISO) Endorsement CG 20 10 11 85 or the combination of CG 20 10 03 97 and CG 20 37 10 01, or its equivalent.
2. Primary and non-contributing. Each insurance policy provided by Contractor shall contain language or be endorsed to contain wording making it primary insurance as respects to, and not requiring contribution from, any other insurance which the Indemnities may possess, including any self-insurance or self-insured retention they may have. Any other insurance Indemnities may possess shall be considered excess insurance only and shall not be called upon to contribute with Contractor's insurance.

3. Cancellation.

- a. Each insurance policy shall contain language or be endorsed to reflect that no cancellation or modification of the coverage provided due to non-payment of premiums shall be effective until written notice has been given to City at least ten (10) days prior to the effective date of such modification or cancellation. In the event of non-renewal, written notice shall be given at least ten (10) days prior to the effective date of non-renewal.
- b. Each insurance policy shall contain language or be endorsed to reflect that no cancellation or modification of the coverage provided for any cause save and except non-payment of premiums shall be effective until written notice has been given to City at least thirty (30) days prior to the effective date of such modification or cancellation. In the event of non-renewal, written notice shall be given at least thirty (30) days prior to the effective date of non-renewal.

4. Other Endorsements. Other endorsements may be required for policies other than the commercial general liability policy if specified in the description of required insurance set forth in Sections A through D of this Exhibit C, above.

E. ADDITIONAL INSURANCE RELATED PROVISIONS

Contractor and City agree as follows:

1. Contractor agrees to ensure that subcontractors, and any other party involved with the Services who is brought onto or involved in the performance of the Services by Contractor, provide the same minimum insurance coverage required of Contractor, except as with respect to limits. Contractor agrees to monitor and review all such coverage and assumes all responsibility for ensuring that such coverage is provided in conformity with the requirements of this Agreement. Contractor agrees that upon request by City, all agreements with, and insurance compliance documents provided by, such subcontractors and others engaged in the project will be submitted to City for review.
2. Contractor agrees to be responsible for ensuring that no contract used by any party involved in any way with the project reserves the right to charge City or Contractor for the cost of additional insurance coverage required by this Agreement. Any such provisions are to be deleted with reference to City. It is not the intent of City to reimburse any third party for the cost of complying with these requirements. There shall be no recourse against City for payment of premiums or other amounts with respect thereto.

3. The City reserves the right to withhold payments from the Contractor in the event of material noncompliance with the insurance requirements set forth in this Agreement.

F. EVIDENCE OF COVERAGE

Prior to commencement of any Services under this Agreement, Contractor, and each and every subcontractor (of every tier) shall, at its sole cost and expense, provide and maintain not less than the minimum insurance coverage with the endorsements and deductibles indicated in this Agreement. Such insurance coverage shall be maintained with insurers, and under forms of policies, satisfactory to City and as described in this Agreement. Contractor shall file with the City all certificates and endorsements for the required insurance policies for City's approval as to adequacy of the insurance protection.

G. EVIDENCE OF COMPLIANCE

Contractor or its insurance broker shall provide the required proof of insurance compliance, consisting of Insurance Services Office (ISO) endorsement forms or their equivalent and the ACORD form 25-S certificate of insurance (or its equivalent), evidencing all required coverage shall be delivered to City, or its representative as set forth below, at or prior to execution of this Agreement. Upon City's request, Contractor shall submit to City copies of the actual insurance policies or renewals or replacements. Unless otherwise required by the terms of this Agreement, all certificates, endorsements, coverage verifications and other items required to be delivered to City pursuant to this Agreement shall be mailed to:

EBIX Inc.

H. QUALIFYING INSURERS

All of the insurance companies providing insurance for Contractor shall have, and provide written proof of, an A. M. Best rating of at least A minus 6 (A- VI) or shall be an insurance company of equal financial stability that is approved by the City or its insurance compliance representatives.

EXHIBIT D LABOR COMPLIANCE ADDENDUM

This Agreement is subject to the requirements of California Labor Code section 1720 *et seq.* requiring the payment of prevailing wages, the training of apprentices, and compliance with other applicable requirements.

I. Prevailing Wage Requirements

1. Contractor shall be obligated to pay not less than the General Prevailing Wage Rate, which can be found at www.dir.ca.gov and are on file with the City Clerk's office, which shall be available to any interested party upon request. Contractor is also required to have a copy of the applicable wage determination posted and/or available at each job site.
2. Specifically, contractors are reminded of the need for compliance with Labor Code Section 1774-1775 (the payment of prevailing wages and documentation of such), Section 1776 (the keeping and submission of accurate certified payrolls) and 1777.5 in the employment of apprentices on public works projects. Further, overtime must be paid for work in excess of 8 hours per day or 40 hours per week pursuant to Labor Code Section 1811-1813.
3. Special prevailing wage rates generally apply to work performed on weekends, holidays and for certain shift work. Depending on the location of the project and the amount of travel incurred by workers on the project, certain travel and subsistence payments may also be required. Contractors and subcontractors are on notice that information about such special rates, holidays, premium pay, shift work and travel and subsistence requirements can be found at www.dir.ca.gov.
4. Only bona fide apprentices actively enrolled in a California Division of Apprenticeship Standards approved program may be employed on the project as an apprentice and receive the applicable apprenticeship prevailing wage rates. Apprentices who are not properly supervised and employed in the appropriate ratio shall be paid the full journeyman wages for the classification of work performed.
5. As a condition to receiving progress payments, final payment and payment of retention on any and all projects on which the payment of prevailing wages is required, Contractor agrees to present to City, along with its request for payment, all applicable and necessary certified payrolls (for itself and all applicable subcontractors) for the time period covering such payment request. The term "certified payroll" shall include all required documentation to comply with the mandates set forth in Labor Code Section 1720 *et seq.*, as well as any additional documentation requested by the City or its designee including, but not limited to: certified

payroll, fringe benefit statements and backup documentation such as monthly benefit statements, employee timecards, copies of wage statements and cancelled checks, proof of training contributions (CAC2 if applicable), and apprenticeship forms such as DAS-140 and DAS-142.

6. In addition to submitting the certified payrolls and related documentation to City, Contractor and all subcontractors shall be required to submit certified payroll and related documents electronically to the California Department of Industrial Relations. Failure to submit payrolls to the DIR when mandated by the project parameters shall also result in the withholding of progress, retention and/or final payment.
7. No contractor or subcontractor may be listed on a bid proposal for a public works project unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5 [with limited exceptions from this requirement for bid purposes only under Labor Code section 1771.1(a)].
8. No contractor or subcontractor may be awarded a contract for public work on a public works project, unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5. Contractors **MUST** be a registered "public works contractor" with the DIR **AT THE TIME OF BID**. Where the prime contract is less than \$15,000 for maintenance work or less than \$25,000 for construction alternation, demolition or repair work, registration is not required.
9. All contractors/subcontractors and related construction services subject to prevailing wage, including but not limited to: trucking, surveying and inspection work must be registered with the Department of Industrial Relations as a "public works contractor". Those who fail to register and maintain their status as a public works contractor shall not be permitted to perform work on the project.
10. Should any contractor or subcontractors not be a registered public works contractor and perform work on the project, Contractor agrees to fully indemnify the City for any fines assessed by the California Department of Industrial Relations against the City for such violation, including all staff costs and attorney's fee relating to such fine.
11. This project is subject to compliance monitoring and enforcement by the Department of Industrial Relations.

J. Audit Rights

All records or documents required to be kept pursuant to this Agreement to verify compliance with this Addendum shall be made available for audit at no cost to City, at any time during regular business hours, upon written request by the City Attorney, City Auditor, City Manager, or a designated representative of any of these officers. Copies of such records or documents shall be provided to City for audit at City Hall when it is

practical to do so. Otherwise, unless an alternative is mutually agreed upon, the records or documents shall be made available at Contractor's address indicated for receipt of notices in this Agreement.

K. Enforcement

1. City shall withhold any portion of a payment; including the entire payment amount, until certified payroll forms and related documentation are properly submitted, reviewed and found to be in full compliance. In the event that certified payroll forms do not comply with the requirements of Labor Code Section 1720 et seq., City may continue to hold sufficient funds to cover estimated wages and penalties under the Agreement.
2. Based on State funding sources, this project may be subject to special labor compliance requirements of Proposition 84.
3. The City is not obligated to make any payment due to Contractor until Contractor has performed all of its obligations under these provisions. This provision means that City can withhold all or part of a payment to Contractor until all required documentation is submitted. Any payment by the City despite Contractor's failure to fully perform its obligations under these provisions shall not be deemed to be a waiver of any other term or condition contained in this Agreement or a waiver of the right to withhold payment for any subsequent breach of this Addendum.

City or the California Department of Industrial Relations may impose penalties upon contractors and subcontractors for failure to comply with prevailing wage requirements. These penalties are up to \$200 per day per worker for each wage violation identified; \$100 per day per worker for failure to provide the required paperwork and documentation requested within a 10-day window; and \$25 per day per worker for any overtime violation.

REPORT TO COUNCIL

SUBJECT

Action on Amendment No. 1 for the Agreement with Accela, Inc. for Land Management Software and Related Budget Amendment

COUNCIL PILLAR

Deliver and Enhance High Quality Efficient Services

BACKGROUND

On August 21, 2018, the City Council authorized staff to execute an agreement with Accela, Inc. to purchase a land management software system. The Accela Civic Platform system is offered as a software-as-a-service and consists of a land management software platform with functionality that includes land and parcel management, online permitting, building inspection and code enforcement management. The software will be used Citywide to support a variety of applications:

- Building, Planning, and Housing & Community Services Divisions for online permit submittal and payment services, plan review, inspection scheduling, and internal reporting tools
- Accounting Division for fee and revenue transaction and reconciliation reports
- Municipal Services Division for meter release process workflow
- Land and Property Development Division for processing and tracking site clearances, subdivision maps, title documents, and encroachment permits
- Street Division-Stormwater Division for code enforcement, inspections, fee collection and reports
- Water and Sewer Utilities Department for plan review and fee collection
- Parks & Recreation Department for plan review
- Silicon Valley Power for plan review, fee collection, meter release processes, and small cell site workflow
- Fire Department for 24/7 online permit submittal and payment services, plan review, business licensing, inspection scheduling, and internal reporting tools
- Police Department for special permits and fee collection

DISCUSSION

As part of the City's contract with Accela, the City is required to purchase a license for each named user of the Accela system. When the software was originally purchased in 2018, the Community Development Department (Department) estimated that 140 named user licenses would be needed for City staff. However, as the City has completed the system design and begun implementation of the Accela system, the City's desired use of the Accela platform has expanded resulting in requests from several departments for additional named licenses. This expansion across multiple City departments will enable improved efficiency in the review of permit applications as well as greater transparency and public access to information, providing a higher level of service to the Santa Clara

community.

The proposed Amendment No. 1 includes the purchase of 100 additional named user licenses, bringing the total number of licenses to 240. The fee for the additional licenses is consistent with the pricing set forth in the agreement at \$1,954 per user/per year in the initial year, with set increases each year over the remaining term of the contract. The purchase of additional licenses over a five-year term will increase maximum compensation by \$1,420,640 for a revised maximum compensation amount of \$2,639,300. Amendment No. 1 will also extend the term of the agreement by two years, ending on November 29, 2025. This extension will put all 240 licenses on the same renewal cycle.

The approval of Amendment No. 1 will increase staff productivity and enhance customer service for the City's permitting process by allowing expanded use of the Accela system to coordinate City activities and enhance internal communication and collaboration across more work functions.

ENVIRONMENTAL REVIEW

The action being considered does not constitute a "project" within the meaning of the California Environmental Quality Act ("CEQA") pursuant to CEQA Guidelines section 15378 (a) as it has no potential for resulting in either a direct physical change in the environment, or a reasonably foreseeable indirect physical change in the environment.

FISCAL IMPACT

The fee for the additional licenses is consistent with the pricing set forth in the agreement at \$1,954 per user/per year in the initial year, with set increases each year over the remaining term of the contract. The purchase of additional licenses over a five-year term will increase maximum compensation by \$1,420,640 for a revised maximum compensation amount of \$2,639,300. (Attachment Exhibit 2).

The total annual increase in subscriptions costs is \$195,380, with a prorated cost of \$179,025 for FY 2021/22. In FY 2021/22, the total estimated cost for licenses is \$466,727. The current budget for Accela annual licenses costs is \$348,530 in the General Fund as well as \$60,000 in the utility funds (Sewer - \$15,000, Water - \$15,000, and Electric - \$30,000). This budget was based on 140 licenses and contingency costs. An increase of \$58,197 is necessary to cover the cost of additional licenses for the remainder of FY 2021/22. This cost would be addressed by the use of the Technology Fee Reserve (\$48,197) and an additional contribution from the Electric Utility Fund (\$10,000). The Electric Utility Fund has sufficient funding to absorb the additional cost of \$10,000.

A budget amendment is recommended to shift funding of \$48,197 from the Technology Fee Reserve to the Non-Departmental Citywide Programs.

Budget Amendment FY 2021/22

| | Current | Increase/ (Decrease) | Revised |
|-------------------------------------|---------|-------------------------|---------|
| General Fund <u>Expenditures</u> | | | |

| | | | |
|--------------------------------------|--------------|----------|--------------|
| Non-Departmental - Citywide Programs | \$46,998,766 | \$48,197 | \$47,046,963 |

| | | | |
|------------------------|-------------|------------|-------------|
| Technology Fee Reserve | \$1,078,241 | (\$48,197) | \$1,030,044 |
|------------------------|-------------|------------|-------------|

Appropriations needed in future years will be incorporated into the annual budget process.

COORDINATION

This report has been coordinated with the Information Technology Department, Finance Department, and City Attorney's Office.

PUBLIC CONTACT

Public contact was made by posting the Council agenda on the City's official-notice bulletin board outside City Hall Council Chambers. A complete agenda packet is available on the City's website and in the City Clerk's Office at least 72 hours prior to a Regular Meeting and 24 hours prior to a Special Meeting. A hard copy of any agenda report may be requested by contacting the City Clerk's Office at (408) 615-2220, email clerk@santaclaraca.gov or at the public information desk at any City of Santa Clara public library.

RECOMMENDATION

1. Authorize the City Manager to execute Amendment No. 1 to the Agreement and order documents with Accela, Inc. to purchase additional software licenses for Land Management Software and increase the maximum compensation by \$1,420,640 for a total maximum contract compensation of \$2,639,300, subject to the appropriation of funds; and
2. Consistent with City Charter Section 1305, "At any meeting after the adoption of the budget, the City Council may amend or supplement the budget by motion adopted by the affirmative votes of at least five members so as to authorize the transfer of unused balances appropriated for one purpose to another purpose, or to appropriate available revenue not included in the budget," approve a FY 2021/22 budget amendment in the General Fund to increase the Non-Departmental Citywide Programs Budget by \$48,197 and decrease the technology fee reserve by \$48,197 (five affirmative Council votes required for use of unused balances).

FIRST REVISED EXHIBIT B FEE SCHEDULE

1. MAXIMUM COMPENSATION

The maximum compensation for all materials and services provided under this Agreement shall not exceed **Two Million Six Hundred Thirty-Nine Thousand Three Hundred Dollars (\$2,639,300)** during the term of the Agreement, subject to budget appropriations. Any additional services or materials requested by the City that would exceed the preceding maximum amount will be addressed in an Amendment to the Agreement.

2. CIVIC PLATFORM ANNUAL SOFTWARE SUBSCRIPTION SERVICES

Table B1 sets forth the estimated number of software subscriptions required by the City. Notwithstanding the foregoing, the actual quantity that will be purchased by the City will be listed on the Order and shall be evidenced by the City's issuance of a Purchase Order. All order documents, including Contractor's Order Form and the City's Purchase Order, shall be deemed to incorporate the terms and conditions of this Agreement and any amendments hereto.

For the avoidance of doubt, the Per Unit Price will serve as the baseline for the annual software subscription fees to be charged during any Subscription Term. Notwithstanding anything to the contrary contained herein, at least 60 calendar days prior to the start of the upcoming Subscription Term, the City will provide Contractor with the number of subscriptions required for the upcoming term. Contractor shall adjust the annual invoice for the upcoming Subscription Term based on the number of subscriptions provided by the City and in accordance with the Per Unit Price set forth in Table B1.

**AGREEMENT FOR THE PERFORMANCE OF SERVICES
BY AND BETWEEN THE
CITY OF SANTA CLARA, CALIFORNIA,
AND
ACCELA, INC.**

PREAMBLE

This agreement for the performance of services ("Agreement") is by and between Accela, Inc., a California corporation, with its principal place of business located at 2633 Camino Ramon, Suite 500, San Ramon, CA 94853 ("Contractor"), and the City of Santa Clara, California, a chartered California municipal corporation with its primary business address at 1500 Warburton Avenue, Santa Clara, California 95050 ("City"). City and Contractor may be referred to individually as a "Party" or collectively as the "Parties" or the "Parties to this Agreement."

RECITALS

- A. City desires to secure professional services more fully described in this Agreement, at Exhibit A, entitled "Scope of Services"; and
- B. Contractor represents that it, and its subcontractors, if any, have the professional qualifications, expertise, necessary licenses and desire to provide certain goods and/or required services of the quality and type which meet objectives and requirements of City; and,
- C. The Parties have specified herein the terms and conditions under which such services will be provided and paid for.

The Parties agree as follows:

AGREEMENT PROVISIONS

1. EMPLOYMENT OF CONTRACTOR.

City hereby employs Contractor to perform services set forth in this Agreement. To accomplish that end, City may assign a Project Manager to personally direct the Services to be provided by Contractor and will notify Contractor in writing of City's choice. City shall pay for all such materials and services provided which are consistent with the terms of this Agreement.

2. SERVICES TO BE PROVIDED.

Except as specified in this Agreement, Contractor shall furnish all technical and professional services for hosted subscriptions services, (collectively referred to as "Subscribed Services" as defined in Exhibit H, Paragraph 3) to satisfactorily complete the work required by City at his/her own risk and expense. Subscribed Services to be provided to City are more fully described in Exhibit H. All of the exhibits referenced in this Agreement are attached and are incorporated by this reference.

3. COMMENCEMENT OF SUBSCRIBED SERVICES.

CUSTOMER'S SUBSCRIPTION TERM COMMENCES ON A MUTUALLY AGREED UPON DATE TO OCCUR BEFORE SEPTEMBER 30, 2018 AND SAID DATE IS CUSTOMER'S "SERVICE DATE" FOR PURPOSES OF DESIGNATING THE START OF ANY SUBSCRIPTION TERM. FOR THE AVOIDANCE OF DOUBT, THE SERVICE DATE AND THE EFFECTIVE DATE MAY NOT BE THE SAME.

Contractor shall begin providing the Subscription services under the requirements of this Agreement upon receipt of written Notice to Proceed from City. Such notice shall be deemed to have occurred three (3) calendar days after it has been deposited in the regular United States mail. Contractor shall complete the Services within the time limits set forth in the Scope of Services or as mutually determined in writing by the Parties Contract execution.

When City determines that Contractor has satisfactorily completed the Services. Upon receipt of such notice, Contractor shall not incur any further costs under this Agreement. Contractor may request this determination of completion be made when, in its opinion, the Services have been satisfactorily completed.

4. QUALIFICATIONS OF CONTRACTOR - STANDARD OF WORKMANSHIP.

Contractor represents and maintains that it has the necessary expertise in the professional calling necessary to perform services, and its duties and obligations, expressed and implied, contained herein, and City expressly relies upon Contractor's representations regarding its skills and knowledge. Contractor shall perform such services and duties in conformance to and consistent with the professional standards of a specialist in the same discipline in the State of California.

The plans, designs, specifications, estimates, calculations, reports and other documents furnished under Exhibit A shall be of a quality acceptable to City. The criteria for acceptance of the work provided under this Agreement shall be a product of neat appearance, well organized, that is technically and grammatically correct, checked and having the maker and checker identified. The minimum standard of appearance, organization and content of the drawings shall be that used by City for similar projects.

5. TERM OF AGREEMENT.

Unless otherwise set forth in this Agreement or unless this paragraph is subsequently modified by a written amendment to this Agreement, the term of this Agreement shall begin on the Effective Date of this Agreement and terminate five (5) years from the Service Date. The Agreement may be renewed by the City, at its sole discretion, for two additional one (1) year terms.

6. MONITORING OF SUBSCRIBED SERVICES.

City may monitor the Subscribed Services performed under this Agreement to determine whether Contractor's operation conforms to City policy and to the terms of this Agreement. City may also monitor the Subscribed Services to be performed to determine whether financial operations are conducted in accord with applicable City, county, state, and federal requirements. If any action of Contractor constitutes a breach, City may terminate this Agreement pursuant to the provisions described herein.

7. PERFORMANCE OF SUBSCRIBED SERVICES.

Contractor shall perform all requested services in an efficient and expeditious manner and shall work closely with and be guided by City. Contractor shall be as fully responsible to City for the acts and omissions of its subcontractors, and of persons either directly or indirectly employed by them, as Contractor is for the acts and omissions of persons directly employed by it. Contractor will perform all Subscribed Services in a safe manner and in accordance with all federal, state and local operation and safety regulations.

8. BUSINESS TAX LICENSE REQUIRED.

Contractor must comply with Santa Clara City Code section 3.40.060, as that section may be amended from time to time or renumbered, which requires that any person who transacts or carries on any business in the City of Santa Clara pay business license tax to the City. A business tax certificate may be obtained by completing the Business Tax Affidavit Form and paying the applicable fee at the Santa Clara City Hall Municipal Services Division.

9. RESPONSIBILITY OF CONTRACTOR.

Contractor shall be responsible for the professional quality, technical accuracy and coordination of the Subscribed Services furnished by it, as set forth under this Agreement, including any exhibits or attachments. Neither City's review, acceptance, nor payments for any of the Services required under this Agreement shall be construed to operate as a waiver of any rights under this Agreement or of any cause of action arising out of the performance of this Agreement and Contractor shall be and remain liable to City (subject to any limitations in this Agreement) in accordance with applicable law for all damages to City caused by Contractor's Agreement, applicable federal, state, county, and/or municipal laws, ordinances, regulations, rules and orders.

10. COMPENSATION AND PAYMENT.

In consideration for Contractor's complete performance of Subscribed Services, City shall pay Contractor for all materials provided and services rendered by Contractor at the rate per hour for labor and cost per unit for materials as outlined in Exhibit B, entitled "SCHEDULE OF FEES."

Contractor will bill City on a monthly basis for Subscribed Services provided by Contractor during the preceding month, subject to verification by City. City will pay Contractor within thirty (30) days of City's receipt of invoice.

11. TERMINATION OF AGREEMENT.

Either Party may terminate this Agreement without cause by giving the other Party written notice ("Notice of Termination") which clearly expresses that Party's intent to terminate the Agreement, which will be effective on the following anniversary of the Subscription Term provided such Notice of Termination is received 30 days prior to the anniversary of the Effective Date of the upcoming Subscription Term. Notice of Termination shall become effective no less than thirty (30) calendar days after a Party receives such notice. After either Party terminates the Agreement, Contractor shall discontinue further services as of the effective date of termination, and City shall pay Contractor for all Subscribed Services satisfactorily performed up to such date.

If City renews the Agreement for additional one year terms after first five (5) year term, then upon such renewal either Party may terminate the Agreement without cause by giving the other Party Notice of Termination. Such Notice of Termination shall be effective ninety (90) days after receipt by the other Party. Upon any such Notice of Termination after the first five (5) year term, Contractor will refund any prepaid subscription fees covering the remainder of the subscription term after the effective date of termination.

Either party may terminate this Agreement if either Party materially breaches any terms and conditions of this Agreement after receiving a written notice describing the circumstances of the material breach, and the Party fails to correct the breach within thirty (30) calendar days. Upon any termination for cause by City, Contractor will refund any prepaid subscription fees covering the remainder of the subscription term after the effective date of termination.

12. NO ASSIGNMENT OR SUBCONTRACTING OF AGREEMENT.

City and Contractor bind themselves, their successors and assigns to all covenants of this Agreement. This Agreement shall not be assigned or transferred without the prior written approval of City. Contractor shall not hire subcontractors without express written permission from City.

13. NO THIRD PARTY BENEFICIARY.

This Agreement shall not be construed to be an agreement for the benefit of any third party or parties and no third party or parties shall have any claim or right of action under this Agreement for any cause whatsoever.

14. INDEPENDENT CONTRACTOR.

Contractor and all person(s) employed by or contracted with Contractor to furnish labor and/or materials under this Agreement are independent contractors and do not act as agent(s) or employee(s) of City. Contractor has full rights, however, to manage its employees in their performance of Subscribed Services under this Agreement. Contractor is not authorized to bind City to any contracts or other obligations.

15. NO PLEDGING OF CITY'S CREDIT.

Under no circumstances shall Contractor have the authority or power to pledge the credit of City or incur any obligation in the name of City. Contractor shall save and hold harmless the City, its City Council, its officers, employees, boards and commissions for expenses arising out of any unauthorized pledges of City's credit by Contractor under this Agreement.

16. CONFIDENTIALITY OF MATERIAL.

All ideas, memoranda, specifications, plans, manufacturing procedures, data, drawings, descriptions, documents, discussions or other information developed or received by or for Contractor and all other written information submitted to Contractor in connection with the performance of this Agreement shall be held confidential by Contractor and shall not, without the prior written consent of City, be used for any purposes other than the performance of the Subscribed Services nor be disclosed to an entity not connected with performance of the Subscribed Services. Nothing furnished to Contractor which is otherwise known to Contractor or becomes generally known to the related industry shall be deemed confidential.

17. USE OF CITY NAME OR EMBLEM.

Contractor shall not use City's name, insignia, or emblem, or distribute any information related to services under this Agreement in any magazine, trade paper, newspaper or other medium without express written consent of City.

18. OWNERSHIP OF MATERIAL.

Please refer to Exhibit H.

19. RIGHT OF CITY TO INSPECT RECORDS OF CONTRACTOR.

City, through its authorized employees, representatives or agents shall have the right during the term of this Agreement and for two (2) years from the date of final payment for goods or services provided under this Agreement, to audit the books and records of Contractor for the purpose of verifying any and all charges made by Contractor in connection with Contractor compensation under this Agreement, including termination of Contractor. Contractor agrees to maintain sufficient books and records in accordance with generally accepted accounting principles to establish the correctness of all charges submitted to City. Any expenses not so recorded shall be disallowed by City.

Contractor shall submit to City any and all reports concerning its performance under this Agreement that may be requested by City in writing. Contractor agrees to assist City in meeting City's reporting requirements to the State and other agencies with respect to Contractor's Subscribed Services hereunder.

20. CORRECTION OF SUBSCRIBED SERVICES.

Contractor agrees to correct any incomplete, inaccurate or defective Subscribed Services at no further costs to City, when such defects are due to the negligence, errors or omissions of Contractor.

21. FAIR EMPLOYMENT.

Contractor shall not discriminate against any employee or applicant for employment because of race, color, creed, national origin, gender, sexual orientation, age, disability, religion, ethnic background, or marital status, in violation of state or federal law.

22. HOLD HARMLESS/INDEMNIFICATION. PLEASE REFER TO EXHIBIT H.

23. INSURANCE REQUIREMENTS.

During the term of this Agreement, and for any time period set forth in Exhibit C, Contractor shall provide and maintain in full force and effect, at no cost to City insurance policies with respect to employees and vehicles assigned to the Performance of Subscribed Services under this Agreement with coverage amounts, required endorsements, certificates of insurance, and coverage verifications as defined in Exhibit C.

24. AMENDMENTS.

This Agreement may be amended only with the written consent of both Parties.

25. INTEGRATED DOCUMENT.

This Agreement represents the entire agreement between City and Contractor. No other understanding, agreements, conversations, or otherwise, with any representative of City prior to execution of this Agreement shall affect or modify any of the terms or obligations of this Agreement. Any verbal agreement shall be considered unofficial information and is not binding upon City.

26. SEVERABILITY CLAUSE.

In case any one or more of the provisions in this Agreement shall, for any reason, be held invalid, illegal or unenforceable in any respect, it shall not affect the validity of the other provisions, which shall remain in full force and effect.

27. WAIVER.

Contractor agrees that waiver by City of any one or more of the conditions of performance under this Agreement shall not be construed as waiver(s) of any other condition of performance under this Agreement.

28. NOTICES.

All notices to the Parties shall, unless otherwise requested in writing, be sent to City addressed as follows:

If notice is sent via facsimile, a signed, hard copy of the material shall also be mailed. The workday the facsimile was sent shall control the date notice was deemed given if there is a facsimile machine generated document on the date of transmission. A facsimile transmitted after 1:00 p.m. on a Friday shall be deemed to have been transmitted on the following Monday.

29. CAPTIONS.

The captions of the various sections, paragraphs and subparagraphs of this Agreement are for convenience only and shall not be considered or referred to in resolving questions of interpretation.

30. LAW GOVERNING CONTRACT AND VENUE.

This Agreement shall be governed and construed in accordance with the statutes and laws of the State of California. The venue of any suit filed by either Party shall be vested in the state courts of the County of Santa Clara, or if appropriate, in the United States District Court, Northern District of California, San Jose, California.

31. DISPUTE RESOLUTION.

- A. Unless otherwise mutually agreed to by the Parties, any controversies between Contractor and City regarding the construction or application of this Agreement, and claims arising out of this Agreement or its breach, shall be submitted to mediation within thirty (30) days of the written request of one Party after the service of that request on the other Party.
- B. The Parties may agree on one mediator. If they cannot agree on one mediator, the Party demanding mediation shall request the Superior Court of Santa Clara County to appoint a mediator. The mediation meeting shall not exceed one day (eight (8) hours). The Parties may agree to extend the time allowed for mediation under this Agreement.

- C. The costs of mediation shall be borne by the Parties equally.
- D. For any contract dispute, mediation under this section is a condition precedent to filing an action in any court. In the event of mediation which arises out of any dispute related to this Agreement, the Parties shall each pay their respective attorney's fees, expert witness costs and cost of suit through mediation only. If mediation does not resolve the dispute, the Parties agree that the matter shall be litigated in a court of law, and not subject to the arbitration provisions of the Public Contracts Code.

32. COMPLIANCE WITH ETHICAL STANDARDS.

Contractor shall:

- A. Read Exhibit D, entitled "ETHICAL STANDARDS FOR CONTRACTORS SEEKING TO ENTER INTO AN AGREEMENT WITH THE CITY OF SANTA CLARA, CALIFORNIA"; and,
- B. Execute Exhibit E, entitled "AFFIDAVIT OF COMPLIANCE WITH ETHICAL STANDARDS."

33. AFFORDABLE CARE ACT OBLIGATIONS

To the extent Contractor is obligated to provide health insurance coverage to its employees pursuant to the Affordable Care Act ("Act") and/or any other similar federal or state law, Contractor warrants that it is meeting its obligations under the Act and will fully indemnify and hold harmless City for any penalties, fines, adverse rulings, or tax payments associated with Contractor's responsibilities under the Act.

34. CONFLICT OF INTERESTS.

This Agreement does not prevent either Party from entering into similar agreements with other parties. To prevent a conflict of interest, Contractor certifies that to the best of its knowledge, no City officer, employee or authorized representative has any financial interest in the business of Contractor and that no person associated with Contractor has any interest, direct or indirect, which could conflict with the faithful performance of this Agreement. Contractor is familiar with the provisions of California Government Code Section 87100 and following, and certifies that it does not know of any facts which would violate these code provisions. Contractor will advise City if a conflict arises.

INSURANCE REQUIREMENTS

INSURANCE COVERAGE REQUIREMENTS

Without limiting the Contractor's indemnification of the City, and prior to commencing any of the Services required under this Agreement, the Contractor shall provide and maintain in full force and effect, at its sole cost and expense, the following insurance policies with at least the indicated coverages, provisions and endorsements:

A. COMMERCIAL GENERAL LIABILITY INSURANCE

1. Commercial General Liability Insurance policy which provides coverage at least as broad as policy limits, which are subject to review, but shall in no event be less than, the following:

\$1,000,000 Each Occurrence
\$2,000,000 General Aggregate
\$2,000,000 Products/Completed Operations Aggregate
\$1,000,000 Personal Injury
2. Exact structure and layering of the coverage shall be left to the discretion of Contractor; however, any excess or umbrella policies used to meet the required limits shall be at least as broad as the underlying coverage and shall otherwise follow form.
3. The following provisions shall apply to the General Commercial Liability policy as well as any umbrella policy maintained by the Contractor to comply with the insurance requirements of this Agreement:
 - a. Coverage shall be on a "pay on behalf" basis with defense costs payable in addition to policy limits;
 - b. There shall be no cross liability exclusion which precludes coverage for claims or suits by one insured against another; and
 - c. Coverage shall apply separately to each insured against whom a claim is made or a suit is brought, except with respect to the limits of liability.

B. BUSINESS AUTOMOBILE LIABILITY INSURANCE

Business automobile liability insurance policy which provides coverage at least as broad as ISO form CA 00 01 with policy limits a minimum limit of not less than one million dollars (\$1,000,000) each accident using, or providing coverage at least as broad as, Insurance Services Office form CA 00 01. Liability coverage shall apply to all non-owned and hired autos.

C. WORKERS' COMPENSATION

1. Workers' Compensation Insurance Policy as required by statute and employer's liability with limits of at least one million dollars (\$1,000,000) policy limit Bodily Injury by disease, one million dollars (\$1,000,000) each accident/Bodily Injury and one million dollars (\$1,000,000) each employee Bodily Injury by disease.
2. The indemnification and hold harmless obligations of Contractor included in this Agreement shall not be limited in any way by any limitation on the amount or type of damage, compensation or benefit payable by or for Contractor or any subcontractor under any Workers' Compensation Act(s), Disability Benefits Act(s) or other employee benefits act(s).
3. This policy must include a Waiver of Subrogation in favor of the City of Santa Clara, its City Council, commissions, officers, employees, volunteers and agents.

D. COMPLIANCE WITH REQUIREMENTS

All of the following clauses and/or endorsements, or similar provisions, must be part of each commercial general liability policy.

1. Additional Insureds. The Commercial General Liability insurance will include the City of Santa Clara, its City Council, commissions, officers, employees, volunteers and agents are hereby added as additional insureds in respect to liability arising out of Contractor's work for City.
2. Primary and non-contributing. Commercial General Liability policy provided by Contractor shall contain language or be endorsed to contain wording making it primary insurance as respects to, and not requiring contribution from, any other insurance which the Indemnities may possess, including any self-insurance or self-insured retention they may have. Any other insurance Indemnities may possess shall be considered excess insurance only and shall not be called upon to contribute with Contractor's insurance.
3. Cancellation.
 - a. Commercial General Liability policy shall contain language or be endorsed to reflect that no cancellation of the coverage provided due to non-payment of premiums shall be effective until written notice has been

given to City at least ten (10) days prior to the effective date of such cancellation

- b. Each insurance policy shall contain language or be endorsed to reflect that no cancellation of the coverage provided for any cause save and except non-payment of premiums shall be effective until written notice has been given to City at least thirty (30) days prior to the effective date of such cancellation.

- 4. Other Endorsements. Other endorsements may be required for policies other than the commercial general liability policy if specified in the description of required insurance set forth in Sections A through D of this Exhibit C, above.

E. ADDITIONAL INSURANCE RELATED PROVISIONS

Contractor and City agree as follows:

- 1. Contractor agrees that upon request by City, all agreements with, and insurance compliance documents provided by, such subcontractors and others engaged in the project will be submitted to City for review.
- 2. Contractor agrees to be responsible for ensuring that no contract used by any party involved in any way with the project reserves the right to charge City or Contractor for the cost of additional insurance coverage required by this Agreement. Any such provisions are to be deleted with reference to City. It is not the intent of City to reimburse any third party for the cost of complying with these requirements. There shall be no recourse against City for payment of premiums or other amounts with respect thereto.
- 3. The City reserves the right to withhold payments from the Contractor in the event of material noncompliance with the insurance requirements set forth in this Agreement.

F. EVIDENCE OF COVERAGE

Prior to commencement of any Services under this Agreement, Contractor, and shall, at its sole cost and expense, provide and maintain not less than the minimum insurance coverage with the endorsements and deductibles indicated in this Agreement. Such insurance coverage shall be maintained with insurers, and under forms of policies, satisfactory to City and as described in this Agreement. Contractor shall file with the City all certificates and endorsements for the required insurance policies for City's approval as to adequacy of the insurance protection.

G. EVIDENCE OF COMPLIANCE

Contractor or its insurance broker shall provide the required proof of insurance compliance, consisting of Insurance Services Office (ISO) endorsement forms or their equivalent and the ACORD form 25-S certificate of insurance (or its equivalent),

evidencing all required coverage shall be delivered to City, or its representative as set forth below, at or prior to execution of this Agreement. Upon City's request Contractor shall submit to City copies of portions of the actual insurance policies or renewals or replacements to the extent necessary to ensure compliance with this Exhibit C. Unless otherwise required by the terms of this Agreement, all certificates, endorsements, coverage verifications and other items required to be delivered to City pursuant to this Agreement shall be mailed to:

**ETHICAL STANDARDS FOR CONTRACTORS SEEKING TO ENTER INTO AN
AGREEMENT WITH THE CITY OF SANTA CLARA, CALIFORNIA**

Termination of Agreement for Certain Acts.

- A. The City may, at its sole discretion, terminate this Agreement in the event any one or more of the following occurs:
1. If a Contractor¹ does any of the following:
 - a. Is convicted² of operating a business in violation of any Federal, State or local law or regulation;
 - b. Is convicted of a crime punishable as a felony involving dishonesty³;
 - c. Is convicted of an offense involving dishonesty or is convicted of fraud or a criminal offense in connection with: (1) obtaining; (2) attempting to obtain; or, (3) performing a public contract or subcontract;
 - d. Is convicted of any offense which indicates a lack of business integrity or business honesty which seriously and directly affects the present responsibility of a City contractor or subcontractor; and/or,
 - e. Made (or makes) any false statement(s) or representation(s) with respect to this Agreement.

¹ For purposes of this Agreement, the word "Consultant" (whether a person or a legal entity) also refers to "Contractor" and means any of the following: an owner or co-owner of a sole proprietorship; a person who controls or who has the power to control a business entity; a general partner of a partnership; a principal in a joint venture; or a primary corporate stockholder [i.e., a person who owns more than ten percent (10%) of the outstanding stock of a corporation] and who is active in the day to day operations of that corporation.

² For purposes of this Agreement, the words "convicted" or "conviction" mean a judgment or conviction of a criminal offense by any court of competent jurisdiction, whether entered upon a verdict or a plea, and includes a conviction entered upon a plea of nolo contendere within the past five (5) years.

³ As used herein, "dishonesty" includes, but is not limited to, embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, failure to pay tax obligations, receiving stolen property, collusion or conspiracy.

2. If fraudulent, criminal or other seriously improper conduct of any officer, director, shareholder, partner, employee or other individual associated with the Contractor can be imputed to the Contractor when the conduct occurred in connection with the individual's performance of duties for or on behalf of the Contractor, with the Contractor's knowledge, approval or acquiescence, the Contractor's acceptance of the benefits derived from the conduct shall be evidence of such knowledge, approval or acquiescence.
- B. The City may also terminate this Agreement in the event any one or more of the following occurs:
1. The City determines that Contractor no longer has the financial capability⁴ or business experience⁵ to perform the terms of, or operate under, this Agreement; or,
 2. If City determines that the Contractor fails to submit information, or submits false information, which is required to perform or be awarded a contract with City, including, but not limited to, Contractor's failure to maintain a required State issued license, failure to obtain a City business license (if applicable) or failure to provide and maintain bonds and/or insurance policies required under this Agreement.
- C. In the event a prospective Contractor (or bidder) is ruled ineligible (debarred) to participate in a contract award process or a contract is terminated pursuant to these provisions, Contractor may appeal the City's action to the City Council by filing a written request with the City Clerk within ten (10) days of the notice given by City to have the matter heard. The matter will be heard within thirty (30) days of the filing of the appeal request with the City Clerk. The Contractor will have the burden of proof on the appeal. The Contractor shall have the opportunity to present evidence, both oral and documentary, and argument.

⁴ Contractor becomes insolvent, transfers assets in fraud of creditors, makes an assignment for the benefit of creditors, files a petition under any section or chapter of the federal Bankruptcy Code (11 U.S.C.), as amended, or under any similar law or statute of the United States or any state thereof, is adjudged bankrupt or insolvent in proceedings under such laws, or a receiver or trustee is appointed for all or substantially all of the assets of Contractor.

⁵ Loss of personnel deemed essential by the City for the successful performance of the obligations of the Contractor to the City.

AFFIDAVIT OF COMPLIANCE WITH ETHICAL STANDARDS

I hereby state that I have read and understand the language, entitled "Ethical Standards" set forth in Exhibit D. I have the authority to make these representations on my own behalf or on behalf of the legal entity identified herein. I have examined appropriate business records, and I have made appropriate inquiry of those individuals potentially included within the definition of "Contractor" contained in Ethical Standards at footnote 1.

Based on my review of the appropriate documents and my good-faith review of the necessary inquiry responses, I hereby state that neither the business entity nor any individual(s) belonging to said "Contractor" category [i.e., owner or co-owner of a sole proprietorship, general partner, person who controls or has power to control a business entity, etc.] has been convicted of any one or more of the crimes identified in the Ethical Standards within the past five (5) years.

The above assertions are true and correct and are made under penalty of perjury under the laws of the State of California.

Accela's solution for the City's permitting and inspection functions will leverage Accela Civic Platform's Land Management solution along with its integral components for Citizen Access, GIS, and Mobile.

Land Management

The Civic Platform allows the City to automate and streamline your civic processes related to permitting.

Accela's Land Management makes it easy for state, county and city agencies of all sizes to coordinate activities for the consideration and approval of land use and building permits, inspections and enforcement to meet your jurisdiction codes. The solution saves time, increases productivity and connects government agencies to the businesses, professionals and citizens they serve.

Accela's Land Management:

Land Management

- ➔ **Simplifies the permit process.** Manage your entire permitting process including application check-in, plan reviews, fee calculation and collection, inspections, sign-offs, task lists, and more. Easily manage both the proposed plan and the relationships to the project – including imposing restrictions on transactions, property or individuals until compliance measures and fees are satisfied.
- ➔ **Engages your citizens 24/7/365 days of the year.** Accela's Citizen Access and IVR capabilities provide quick and easy access to information about permits and inspections directly from any telephone, web browser, or mobile device.
- ➔ **Visualizes information with built-in GIS capabilities,** which deliver mapping and routing functionality to the enterprise. This overlays government data onto GIS maps and allows customers to initiate and manage permit activities from a geospatial platform.
- ➔ **Provides online access to save time for agency staff out in the field.** Productivity apps, such as Analytics, Inspector, and Contractor Central, connect and equip agency field workers with the right mobile device for the job.

User Interface

Accela's web-based Civic Platform user interface shows several screens on a single page and are configured to meet the needs of individual user roles.

Among the most frequently used screens are those presenting alerts and notifications, upcoming and overdue tasks, performance-based charting, and frequently used data queries. When used with Accela's GIS capabilities, government activity data is viewable on a map screen, confirming the solution's versatility in how data is represented.

When used with Accela's mobile capabilities, all land management activity data is available to field staff, enabling a full mobile field office solution. Inspector assignments, schedules, routes, status reports, and inspection results are all logically presented. Data collected in the field is recorded electronically and uploaded to the solution for immediate availability throughout the enterprise.

Further extending Land Management offerings to the public are Accela's Citizen Access, which promote true government transparency and citizen self-service by bringing government services to the public 24/7. Self-service options may include property information, online applications, fee collection and inspection scheduling. In eliminating the need for in-person and paper processing, these solution components unite governments and their constituents through accessible technology while reducing costs.

Citizen Access

Citizen participation and collaboration are now one of the most urgent needs facing our government. The ability to put processes online greatly assists this mission in two key ways — by allowing applicants to take advantage of self-service and by increasing agency staff productivity. Another obvious advantage is the solution's inherent ability to address budgetary concerns and help government do more with less.

Accela has long been cognizant of the need for transparency and accountability. Through a self-service web portal and an open user interface, Citizen Access extends government services to the public 24-hours a day by providing members of the public with online access to apply for land development applications, permits, licenses, schedule inspections, request services, and perform tasks from the convenience of their home, office or job site. This presents a useful way for public users to interact with your agency in an efficient manner.

By configuring a custom welcome page and designing page flows that are intuitive, easy-to-use, and come with agency defined context specific help agencies can better engage and connect with their public. This enables truly transparent government operations. Citizen Access supports IE 11 and the latest stable versions of Firefox, Safari, Chrome, and Opera browsers.

Exhibit 1: Citizen Access Dashboard

Exhibit 2: Advanced search in Citizen Access

Among the many citizen privileges available, external users can take advantage of the following capabilities:

- ➡ Apply for permits
- ➡ Research parcels using Esri GIS
- ➡ Submit complaints
- ➡ Submit requests for service
- ➡ Check status of applications, permits, and inspections
- ➡ Upload electronic plans and other documents or photographs
- ➡ View solution generated alerts and notifications
- ➡ View a history of all complaints/requests
- ➡ Conduct searches
- ➡ Pay fees
- ➡ View data on maps
- ➡ Search addresses/parcel information
- ➡ Access government documents
- ➡ View all parcel history

Citizen Access is available in English (U.S. and Australian), Spanish, French, Arabic, Chinese, Portuguese, and Vietnamese language packs. Additionally, we developed the solution so that all financial transactions are PCI DSS compliant. Furthermore, our solution is Section 508c compliant, to make our products accessible to people with disabilities — such as blindness and low vision.

Purchase of Citizen Access includes the mobile application, Mobile Citizen Access, which further enhances accessibility options for public users. Constituents now enjoy a truly mobile access to government data, using iOS or Android devices.

Citizen Access inherits the exact business rules established in Land Management. System administrators simply select which service request activities are to be made available to the public. Additionally, the Civic Platform utilizes one central database—data submitted through Citizen Access is immediately available for processing by back office users in Land Management.

GIS

The Civic Platform includes GIS functionality out of the box to help streamline mapping processes. The technology integration offers governments a geographic view of all land-use, zoning and infrastructure information associated with parcels, permits, inspections, and service requests, and works seamlessly with Esri maps, layering the information for increased visibility. The Civic Platform map component is built using the Esri JavaScript map control and consumes GIS services published from the agency's ArcGIS Server or ArcGIS Online, as well as can consume Open Geospatial Consortium Web Mapping and Web Feature Service map services.

GIS also provides visualization of an agency's government data geographically by plotting locations of activities captured in the Civic Platform on the map. GIS provides enhanced user experience with

- ➡ Optimal server response times
- ➡ Smooth panning
- ➡ Context-sensitive commands and menu items

- ➡ Drag and drop functionality
- ➡ Client side graphic rendering

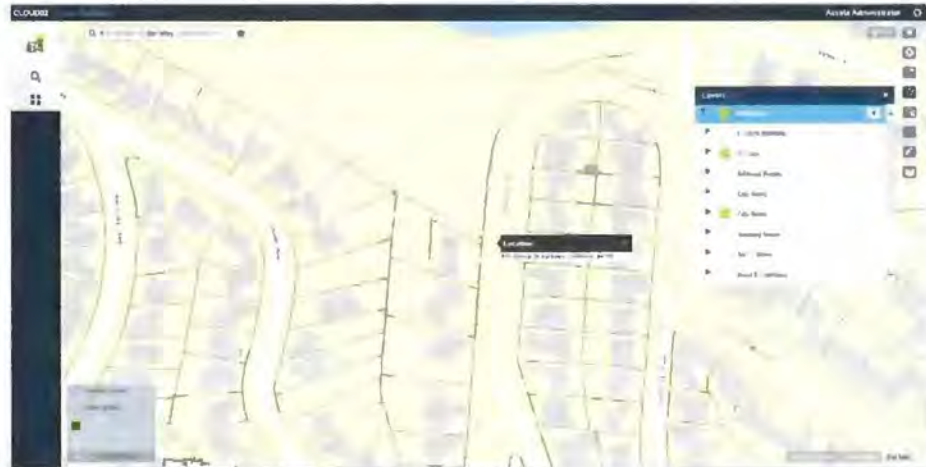

Exhibit 3: GIS Map Interface

Accela's GIS gives users the option to initiate and manage all land management activities from a map interface. GIS is a bi-directional interface enabling viewing, interaction, and presentation of both tabular and spatial information. It leverages an agency's GIS database and map services published by one or more ArcGIS Servers. Base maps published from one agency can be combined with map data from another agency to provide a comprehensive view of geographic information.

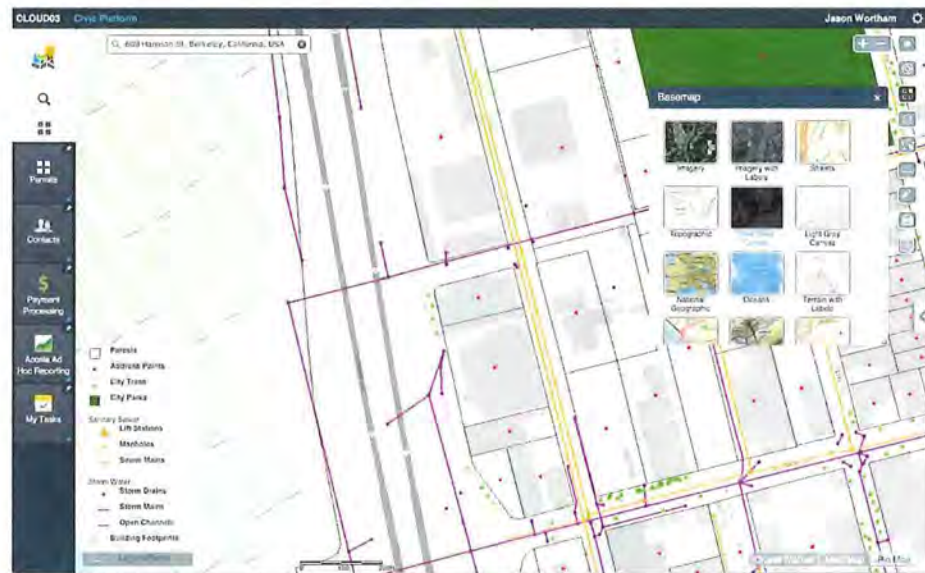

Exhibit 4: Share the Civic Platform data in Esri ArcGIS Online

Optional map editing tools empower end users to draw new features using points, lines, or polygons to represent actual geographic elements or assets. Once these new features are created, they can be associated with transactions in the Civic Platform database. GIS supports efficient fieldwork through its routing features. Inspection schedules can be automatically routed or users can choose to optimize inspection schedules based on shortest distance or travel time.

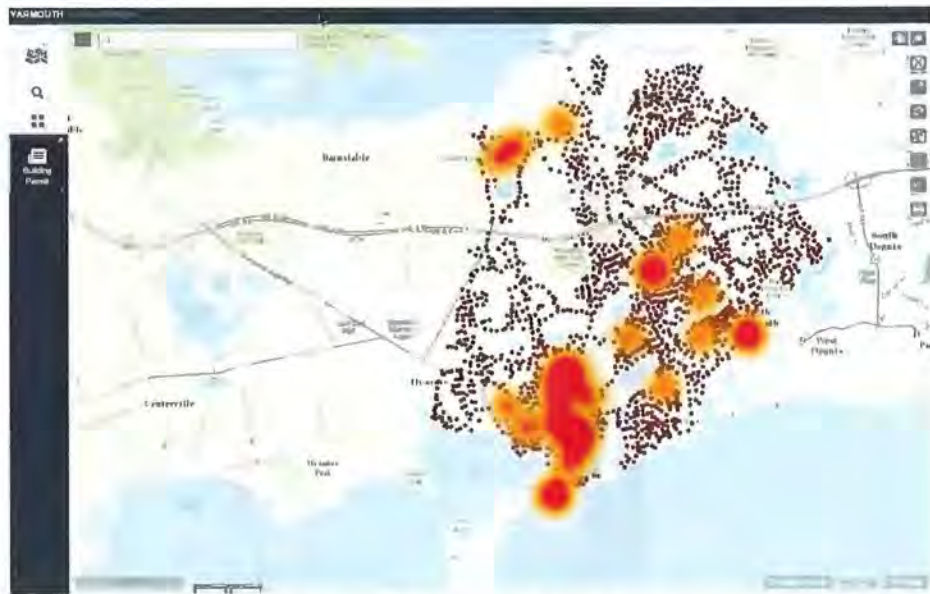

Exhibit 5: Accela GIS Heat Map

Customers may enhance user views by adding the agency's ArcGIS map layers to the map viewer. Together, these data sources, united with Accela transaction data, offer the most comprehensive visual representation of government and location data available. Users can manage, edit, and update data from the map viewer. The map viewer presents reference data and context-based action items for a selected parcel(s) (i.e., create a record, show record, create inspection, etc.).

When deployed with Mobile, routing capabilities are available whether connected or disconnected from the network. Routes and driving directions can be saved and printed as needed. Optimized routing can be done one of two ways:

1. To use an agency's street file, that agency needs ArcGIS Server Network Extension and a published routing service. The agency typically creates the network via ArcGIS Desktop and the Network Analyst extension.
2. The agency may not have a quality street file in an Esri GIS format or does not have the additional Esri software list noted above in number one.

The following is a list of features/functions that are available out of the box in Accela's GIS solution:

- Plotting event locations (address, parcel or asset matching)
- Start new application/transaction from selected map feature
- Navigation (pan, zoom in/out, zoom to scale/selected/full extent)
- Select (by line, polygon, rectangle)
- Buffer selection
- Attach/associate feature to transaction record
- Add selected features to a Set in Accela
- Redlining (point, line, polygon and text box)
- Identify (click on map and see attributes of features)
- Reverse geocoding for mobile mapping

| Compliance | | | CO-02.3 | Do you conduct (describe/explain/attach/embed associated documents) regular application penetration tests of your cloud infrastructure as prescribed by industry best practices and guidance? | Yes. Pentetration tests, that include assessing the infrastructure and application, are completed bi-annually. Vulenerability scans are completed monthly. |
| Compliance | | | CO-02.4 | Do you conduct (describe/explain/attach/embed associated documents) internal audits regularly as prescribed by industry best practices and guidance? | Yes. External SSAE 16/SOC 2 and PCI audits are completed annually. External NIST 800-53 audits are completed bi-annually. Accela has an internal audit function that is continuously reviewing compliance with specific control families. |

| | | | | | |
|------------|---------------------------------------|-------|---------|--|---|
| Compliance | | | CO-02.5 | Do you conduct (describe/explain/attach/embed associated documents) external audits regularly as prescribed by industry best practices and guidance? | Yes. External SSAE 16/SOC 2 and PCI audits are completed annually. External NIST 800-53 audits are completed bi-annually. Accela has an internal audit function that is continuously reviewing compliance with specific control families. |
| Compliance | | | CO-02.6 | Are the results of the network penetration tests available to tenants at their request? | No, due to the sensitive nature of this information. However, result summaries and remediation plans are available for client review. |
| Compliance | | | CO-02.7 | Are the results of internal and external audits available to tenants at their request? | No, due to the sensitive nature of this information. However, result summaries and remediation plans are available for client review. |
| Compliance | Third Party Audits | CO-03 | CO-03.1 | Do you permit tenants to perform independent vulnerability assessments? | No. Due to the instability this may cause in shared tenant environment, this activity is carefully planned and coordinated by Accela. |
| Compliance | | | CO-03.2 | Do you have (describe/explain/attach/embed associated documents) external third-party conduct vulnerability scans and periodic penetration tests on your applications and networks? | Yes. Pentetration tests, that include assessing the infrastructure and application, are completed bi-annually. Vulnerability scans are completed monthly. |
| Compliance | Contact / Authority Maintenance | CO-04 | CO-04.1 | Do you maintain liaisons and points of contact with local authorities in accordance with contracts and appropriate regulations? | Yes. Accela maintains contact with various parties associated with NIST 800-53, PCI-DSS and SSAE 16 compliance regulations. |
| Compliance | Information System Regulatory Mapping | CO-05 | CO-05.1 | Do you have (describe/explain/attach/embed associated documents) the ability to logically segment or encrypt customer data such that data may be produced for a single tenant only, without inadvertently accessing another tenant's data? | Yes. Tenants are logically segmented at the database attribute level. |

| | | | | | |
|------------------------|-------------------------|-------|---------|---|--|
| | | | | | |
| | | | CO-05.2 | Do you have (describe/explain/attach/embed associated documents) capability to logically segment and recover data for specific customer in the case of a failure or data loss? | Yes. Tenants are logically segmented at the database attribute level. Procedures are in place for tenant data restoration. |
| Compliance | Intellectual Property | CO-06 | CO-06.1 | Do you have (describe/explain/attach/embed associated documents) policies and procedures in place describing what controls you have in place to protect tenants intellectual property? | Yes. Accela has several policies that address confidentiality, integrity and availability of client data. |
| Compliance | Intellectual Property | CO-07 | CO-07.1 | If utilization of tenants services housed in the cloud is mined for cloud provider benefit, are the tenants IP rights preserved? | Accela does not mine client data. |
| Compliance | Intellectual Property | CO-08 | CO-08.1 | If utilization of tenants services housed in the cloud is mined for cloud provider benefit, do you provide (describe/explain/attach/embed associated documents) tenants the ability to opt-out? | Accela does not mine client data. |
| Data Governance | | | | | |
| Data Governance | Ownership / Stewardship | DG-01 | DG-01.1 | Do you follow (describe/explain/attach/embed associated documents) a structured data-labeling standard (ex. ISO 15489, Oasis XML Catalog Specification, CSA data type guidance)? | Yes. Accela enforces policies and standards that comply with NIST 800-53, Media Protection (MP) security controls. |

| | | | | | |
|-----------------|---------------------------------------|-------|---------|---|---|
| | | | | | |
| Data Governance | Classification | DG-02 | DG-02.1 | Do you provide (describe/explain/attach/embed associated documents) a capability to identify virtual machines via policy tags/metadata (ex. Tags can be used to limit guest operating systems from booting/instantiating/transporting data in the wrong country, etc.)? | No, however, platform instantiation is carefully managed and monitored. |
| Data Governance | | | DG-02.2 | Do you provide (describe/explain/attach/embed associated documents) a capability to identify hardware via policy tags/metadata/hardware tags (ex. TXT/TPM, VN-Tag, etc.)? | Yes. All hardware is tracked as part of asset management. |
| Data Governance | | | DG-02.3 | Do you have (describe/explain/attach/embed associated documents) a capability to use system geographic location as an authentication factor? | No. |
| Data Governance | | | DG-02.4 | Can you provide (describe/explain/attach/embed associated documents) the physical location/geography of storage of a tenant's data upon request? | Yes. All data is housed in the continental United States in either our East or West Coast data centers. |
| Data Governance | | | DG-02.5 | Do you allow (describe/explain/attach/embed associated documents) tenants to define acceptable geographical locations for data routing or resource instantiation? | No. Accela carefully selects geographical locations for services and data based on numerous factors, including throughput associated with physical distance and client load patterns. |
| Data Governance | Handling / Labeling / Security Policy | DG-03 | DG-03.1 | Are Policies and procedures established for labeling, handling and security of data and objects, which contain data? | Yes. Accela enforces policies and standards that comply with NIST 800-53, Media Protection (MP) security controls. |

| | | | | | |
|-----------------|------------------|-------|---------|---|---|
| | | | | | |
| Data Governance | | | DG-03.2 | Are mechanisms for label inheritance implemented for objects that act as aggregate containers for data? | <p>Applications do not use data labeling.</p> <p>Although Public or private/sensitive data are implied during system implementation/configuration, it is which controlled by access rights.</p> <p>At the application level, 'sensitive data' is managed by leveraging hashing & encryption algorithms.</p> <p>No labeling is used at the database level.</p> |
| Data Governance | Retention Policy | DG-04 | DG-04.1 | Do you have (describe/explain/attach/embed associated documents) technical control capabilities to enforce tenant data retention policies? | <p>Accela does not delete or archive client data. Clients have the capability, via the user interface or a special Services request, to delete and archive data.</p> <p>Yes. Accela does not grant requests for client data from 3rd parties or governments unless required by written subpoena.</p> |
| Data Governance | | | DG-04.2 | Do you have (describe/explain/attach/embed associated documents) a documented procedure for responding to requests for tenant data from governments or third parties? | |
| Data Governance | Secure Disposal | DG-05 | DG-05.1 | Do you support (describe/explain/attach/embed associated documents) secure deletion (ex. degaussing / cryptographic wiping) of archived data as determined by the tenant? | <p>Data is deleted but no extra steps to wipe slack space are taken. That data is reclaimed and used by other DB segments as part of normal processing.</p> <p>Data is deleted but no extra steps to wipe slack space are taken. That data is reclaimed and used by other DB segments as part of normal processing.</p> |
| Data Governance | | | DG-05.2 | Can you provide (describe/explain/attach/embed associated documents) a published procedure for exiting the service arrangement, including assurance to sanitize all computing resources of tenant data once a customer has exited your environment or has vacated a resource? | |

| | | | | | |
|-----------------|---------------------|-------|---------|---|---|
| Data Governance | Nonproduction Data | DG-06 | DG-06.1 | Do you have (describe/explain/attach/embed associated documents) procedures in place to ensure production data shall not be replicated or used in non-production environments? | Yes. Accela has policies in place prohibiting the exporting of production data to non-production environments with the exception of using sanitized production data for testing and troubleshooting purposes. |
| Data Governance | Information Leakage | DG-07 | DG-07.1 | Do you have (describe/explain/attach/embed associated documents) controls in place to prevent data leakage or intentional/accidental compromise between tenants in a multi-tenant environment? | Yes. |
| Data Governance | | | DG-07.2 | Do you have (describe/explain/attach/embed associated documents) a Data Loss Prevention (DLP) or extrusion prevention solution in place for all systems which interface with your cloud service offering? | |
| Data Governance | Risk Assessments | DG-08 | DG-08.1 | Do you provide (describe/explain/attach/embed associated documents) security control health data in order to allow tenants to implement industry standard Continuous Monitoring (which allows continual tenant validation of your physical and logical control status?) | Security & Compliance control status information is available to all clients upon request. |

Facility Security

| | | | | | |
|-------------------|---------------------------|-------|---------|--|---|
| Facility Security | Policy | FS-01 | FS-01.1 | Can you provide (describe/explain/attach/embed associated documents) evidence that policies and procedures have been established for maintaining a safe and secure working environment in offices, rooms, facilities and secure areas? | Yes. Accela enforces policies and standards that comply with the NIST 800-53 family of controls. |
| Facility Security | User Access | FS-02 | FS-02.1 | Pursuant to local laws, regulations, ethics and contractual constraints are all employment candidates, contractors and third parties subject to background verification? | Yes. Per Accela Background Check policy, background checks are conducted on all permanent employees and contractors. |
| Facility Security | Controlled Access Points | FS-03 | FS-03.1 | Are physical security perimeters (fences, walls, barriers, guards, gates, electronic surveillance, physical authentication mechanisms, reception desks and security patrols) implemented? | Yes. All data centers and work areas have standard physical controls in place. Data centers comply with SSAE 16 compliance. |
| Facility Security | Secure Area Authorization | FS-04 | FS-04.1 | Do you allow (describe/explain/attach/embed associated documents) tenants to specify which of your geographic locations their data is allowed to traverse into/out of (to address legal jurisdictional considerations based on where data is stored vs. accessed)? | No. Accela carefully selects geographical locations for services and data based on numerous factors, including throughput associated with physical distance and client-load patterns. |

| | | | | | |
|--------------------------|----------------------------|-------|---------|--|--|
| Facility Security | Unauthorized Persons Entry | FS-05 | FS-05.1 | Are ingress and egress points such as service areas and other points where unauthorized personnel may enter the premises monitored, controlled and isolated from data storage and process? | Yes. Accela enforces policies and standards that comply with the NIST 800-53 family of controls. |
| Facility Security | Offsite Authorization | FS-06 | FS-06.1 | Do you provide (describe/explain/attach/embed associated documents) tenants with documentation that describes scenarios where data may be moved from one physical location to another? (ex. Offsite backups, business continuity failovers, replication) | Yes. Accela enforces policies and standards that comply with NIST 800-53, Physical and Environmental Protection (PE) security controls. |
| Facility Security | Offsite equipment | FS-07 | FS-07.1 | Do you provide (describe/explain/attach/embed associated documents) tenants with documentation describing your policies and procedures governing asset management and repurposing of equipment? | Yes. Accela enforces policies and standards that comply with NIST 800-53, Media Protection (MP) security controls. |
| Facility Security | Asset Management | FS-08 | FS-08.1 | Do you maintain a complete inventory of all of your critical assets, which includes ownership of the asset? | Yes All critical assets are maintained in the Configuration Management Database (CMDB) and updated through the use of Accela's Change Managemeent process. |
| Facility Security | | | FS-08.2 | Do you maintain a complete inventory of all of your critical supplier relationships? | Yes. Our contract management function maintains this list. |
| Human Resources Security | | | | | |
| Human Resources Security | Background Screening | HR-01 | HR-01.1 | Pursuant to local laws, regulations, ethics and contractual constraints are all employment candidates, contractors and third parties subject to background verification? What is checked during the background verification? | Yes. Per Accela Background Check policy, background checks are conducted on all permanent employees and contractors. |
| | Employment Agreements | HR-02 | HR-02.1 | Do you specifically train your employees regarding their role vs. | Yes. All Accela employees are required to participate in required, annual Security and Compliance awareness classes. |

| | | | | | |
|-----------------------------|----------------------------------|-------|---------|---|--|
| Human Resources Security | | | | the tenant's role in providing information security controls? | Yes. This is systematically captured in our centralized training system. |
| | | | HR-02.2 | Do you document employee acknowledgment of training they have completed? | |
| Human Resources Security | Employment Termination | HR-03 | HR-03.1 | Are Roles and responsibilities for following performing employment termination or change in employment procedures assigned, documented and communicated? | Yes. |
| Information Security | | | | | |
| Information Security | Management Program | IS-01 | IS-01.1 | Do you provide (describe/explain/attach/embed associated documents) tenants with documentation describing your Information Security Management Program (ISMP)? | Yes. Various security and compliance artifacts, including security control status, Plan of Action and Milestones (POAM), and various types of compliance reports or attestation of compliance (AOC) are available upon request |
| Information Security | Management Support / Involvement | IS-02 | IS-02.1 | Are policies (describe/explain/attach/embed associated documents) in place to ensure executive and line management take formal action to support information security through clear documented direction, commitment, explicit assignment and verification of assignment execution? | Yes. Accela publishes and maintains and Information Technology and Security Standards documentation that is distributed to all applicable team members. Executive management reviews and approves security and compliance roadmaps and POAMS. |
| Information Security | Policy | IS-03 | IS-03.1 | Do your information security and privacy policies align with particular | Yes. They are aligned with NIST 800-53, PCI and SSAE 16 controls. |

| | | | | | |
|----------------------|-----------------------|-------|---------|---|---|
| | | | | industry standards (ISO-27001, ISO-22307, CoBIT, etc.)? | Yes. Accela has Interconnect Agreements in place. |
| | | | IS-03.2 | Do you have (describe/explain/attach/embed associated documents) agreements, which ensure your providers adhere to your information security and privacy policies? | |
| | | | IS-03.3 | Can you provide (describe/explain/attach/embed associated documents) evidence of due diligence mapping of your controls, architecture and processes to regulations and/or standards? | |
| Information Security | Baseline Requirements | IS-04 | IS-04.1 | Do you have (describe/explain/attach/embed associated documents) documented information security baselines for every component of your infrastructure (ex. Hypervisors, operating systems, routers, DNS servers, etc.)? | Yes. Baselines are documented for critical components. These baselines are reviewed and potentially adjusted annually. |
| Information Security | | | IS-04.2 | Do you have (describe/explain/attach/embed associated documents) a capability to continuously monitor and report the compliance of your infrastructure against your information security baselines? | Yes. Accela's internal audit function regularly audits security controls and reports results, which consequently transition into a Plan of Action and Milestone (POAM). |
| Information Security | | | IS-04.3 | Do you allow (describe/explain/attach/embed associated documents) your clients to provide their own trusted virtual machine image to ensure conformance to their own internal standards? | No. |
| Information Security | Policy Reviews | IS-05 | IS-05.1 | Do you notify your tenants when you make material changes to your information security and/or privacy policies? | No. However, Accela's security and compliance status are readily available for client review. |

| | | | | | |
|----------------------|--------------------|-------|---------|--|--|
| Information Security | Policy Enforcement | IS-06 | IS-06.1 | Is a formal disciplinary or sanction policy established for employees who have violated security policies and procedures? | Yes. This is specifically managed Human Resources and the resource manager. |
| Information Security | | | IS-06.2 | Are employees made aware of what action might be taken in the event of a violation and stated as such in the policies and procedures? | |
| Information Security | User Access Policy | IS-07 | IS-07.1 | Do you have (describe/explain/attach/embed associated documents) controls in place ensuring timely removal of systems access, which is no longer required for business purposes? | Yes. Accela enforces policies and standards that comply with NIST 800-53, Access Control (AC) security controls. |
| Information Security | | | IS-07.2 | Do you provide (describe/explain/attach/embed associated documents) metrics that track the speed with which you are able to remove systems access which is no longer required for business purposes? | |

| | | | | | |
|----------------------|---|-------|---------|--|---|
| Information Security | User Access Restriction / Authorization | IS-08 | IS-08.1 | Do you document how you grant and approve access to tenant data? | Internal access requests from Accela team members is reviewed through the use of the change management process and explicit approval is required by the Change Management Review Board (CMRB). All change management activity is recorded using an enterprise change management tool. |
| Information Security | | | IS-08.2 | Do you have (describe/explain/attach/embed associated documents) a method of aligning provider and tenant data classification methodologies for access control purposes? | |
| Information Security | User Access Revocation | IS-09 | IS-09.1 | Is timely de-provisioning, revocation or modification of user access to the organizations systems, information assets and data implemented upon any change in status of employees, contractors, customers, business partners or third parties? | Yes. Timely deactivation of accounts is governed by policy. |
| Information Security | | | IS-09.2 | Is any change in status intended to include termination of employment, contract or agreement, change of employment or transfer within the organization? | |
| Information Security | User Access Reviews | IS-10 | IS-10.1 | Do you require at least annual certification of entitlements for all system users and administrators | Yes. Accela adhered to bi-annual and annual policy, procedure and standards review, which includes entitlements. |

| | | | | | |
|----------------------|-----------------------------------|-------|---------|---|--|
| | | | | (exclusive of users maintained by your tenants)? | Yes. The incident and change management processes are used. |
| Information Security | | | IS-10.2 | If users are found to have inappropriate entitlements, are all remediation and certification actions recorded? | Yes. |
| Information Security | | | IS-10.3 | Will you share user entitlement remediation and certification reports with your tenants, if inappropriate access may have been allowed to tenant data? | |
| Information Security | Training / Awareness | IS-11 | IS-11.1 | Do you provide (describe/explain/attach/embed associated documents) or make available a formal security awareness training program for cloud-related access and data management issues (i.e., multi-tenancy, nationality, cloud delivery model segregation of duties implications, and conflicts of interest) for all persons with access to tenant data? | Yes. All Accela employees are required to participate in required, annual Security and Compliance awareness classes. |
| Information Security | | | IS-11.2 | Are administrators and data stewards properly educated on their legal responsibilities with regard to security and data integrity? | |
| Information Security | Industry Knowledge / Benchmarking | IS-12 | IS-12.1 | Do you participate in industry groups and professional associations related to information security? | Yes. Some of the groups Accela is associated with are ISACA, (ISC) ² , NIST, US-Cert. |
| | | | IS-12.2 | Do you benchmark your security controls against industry standards? | Yes. NIST 800-53 and PCI are reviewed on a continuous basis by our internal audit team for compliance. External audits are conducted annually. |
| Information Security | Roles / Responsibilities | IS-13 | IS-13.1 | Do you provide (describe/explain/attach/embed associated documents) tenants with a role definition document clarifying your administrative responsibilities vs. those of the tenant? | Yes. |

| | | | | | |
|----------------------|-----------------------|-------|---------|---|--|
| Information Security | Management Oversight | IS-14 | IS-14.1 | Are Managers responsible for maintaining awareness of and complying with security policies, procedures and standards that are relevant to their area of responsibility? | Yes. Security policies and procedures are reviewed annually with managers. Managers are expected to disseminate relevant information to staff. |
| Information Security | Segregation of Duties | IS-15 | IS-15.1 | Do you provide (describe/explain/attach/embed associated documents) tenants with documentation on how you maintain segregation of duties within your cloud service offering? | Yes. Information is available upon request. |
| Information Security | User Responsibility | IS-16 | IS-16.1 | How are users made aware of their responsibilities for maintaining awareness and compliance with published security policies, procedures, standards and applicable regulatory requirements? | Accela uses the Security and Compliance awareness program to achieve this goal. Additionally, meetings are held on as needed basis to review policies with stakeholders, especially if material changes have been made to these documents. |
| Information Security | | | IS-16.2 | How are users made aware of their responsibilities for maintaining a safe and secure working environment? | Accela uses the Security and Compliance awareness program to achieve this goal. |
| Information Security | | | IS-16.3 | How are users made aware of their responsibilities for leaving unattended equipment in a secure manner? | Accela communicates these requirements through the on-boarding process and is governed by security policies. |
| Information Security | Workspace | IS-17 | IS-17.1 | Do your data management policies and procedures address tenant and service level conflicts of interests? | Although this is not explicitly addressed within our policies, however, Accela is committed to remediating any SLA/service conflicts with our clients. To date, this has not been an area of contention or conflict with our clients. |
| Information Security | | | IS-17.2 | Do your data management policies and procedures include a tamper audit or software integrity function for unauthorized access to tenant data? | Yes. Data integrity algorithms are enforced. Log activity is also monitored on a periodic basis. |
| Information Security | | | IS-17.3 | Does the virtual machine management infrastructure include a tamper audit or software integrity function to detect changes to the | Yes. Baselines are defined and used to detect changes to the build/configuration of the VM's |

| | | | | | |
|----------------------|----------------------------------|-------|---------|---|--|
| | | | | build/configuration of the virtual machine? | |
| Information Security | Encryption | IS-18 | IS-18.1 | Do you have (describe/explain/attach/embed associated documents) a capability to allow creation of unique encryption keys per tenant? | Encryption keys are not unique per tenant. |
| Information Security | | | IS-18.2 | Do you support (describe/explain/attach/embed associated documents) tenant generated encryption keys or permit tenants to encrypt data to an identity without access to a public key certificate. (E.g. Identity based encryption)? | No. This is not practical in a multi-tenant environment with shared data stores. |
| Information Security | Encryption Key Management | IS-19 | IS-19.1 | Do you encrypt tenant data at rest (on disk/storage) within your environment? | Yes. Data at rest and in transit are encrypted. |
| Information Security | | | IS-19.2 | Do you leverage encryption to protect data and virtual machine images during transport across and between networks and hypervisor instances? | Yes. |
| Information Security | | | IS-19.3 | Do you have (describe/explain/attach/embed associated documents) a capability to manage encryption keys on behalf of tenants? | Yes. |
| Information Security | | | IS-19.4 | Do you maintain key management procedures? | Yes. This is integrated into Accela Information Technology and Security Standards. |
| Information Security | Vulnerability / Patch Management | IS-20 | IS-21.1 | Do you conduct (describe/explain/attach/embed associated documents) network-layer vulnerability scans regularly as prescribed by industry best practices? | Yes. This is conducted on a monthly basis. |
| Information Security | | | IS-20.2 | Do you conduct (describe/explain/attach/embed associated documents) application-layer vulnerability scans regularly as | Yes. This is conducted on an annual basis or as deemed necessary due to significant changes. |

| | | | | | |
|----------------------|--------------------------------|-------|---------|---|---|
| | | | | prescribed by industry best practices? | |
| Information Security | | | IS-20.3 | Do you conduct (describe/explain/attach/embed associated documents) local operating system-layer vulnerability scans regularly as prescribed by industry best practices? | Yes. This is conducted on a monthly basis. |
| Information Security | | | IS-20.4 | Will you make the results of vulnerability scans available to tenants at their request? | High-level summary of findings, along with general remediation plans may be made available to tenants upon request. Detailed vulnerability scan and penetration test results are general not available due to the sensitive nature of this information. |
| Information Security | | | IS-20.5 | Do you have (describe/explain/attach/embed associated documents) a capability to rapidly patch vulnerabilities across all of your computing devices, applications, and systems? | |
| Information Security | | | IS-20.6 | Will you provide your risk-based systems patching timeframes to your tenants upon request? | |
| Information Security | Antivirus / Malicious Software | IS-21 | IS-21.1 | Do you have (describe/explain/attach/embed associated documents) anti-malware programs installed on all systems that support your cloud service offerings? | Yes. These programs are updated on a regular basis. |
| Information Security | | | IS-21.2 | Do you ensure that security threat detection systems that use signatures, lists, or behavioral patterns are updated across all infrastructure components within industry accepted timeframes? | Accela has IDS capabilities deployed in a limited fashion. Accela's IDS capabilities is currently under review. The goal is to define an enterprise strategy across all data centers., m. |
| Information Security | Incident Management | IS-22 | IS-22.1 | Do you have (describe/explain/attach/embed associated documents) a documented security incident response plan? | Yes. Accela enforces policies and standards that comply with NIST 800-53, Incident Response (IR) security controls. |

| | | | | | |
|----------------------|-------------------------------------|-------|---------|--|--|
| Information Security | | | IS-22.2 | Do you integrate customized tenant requirements into your security incident response plans? | Accela is committed to continuous improvement of the IR processes and welcomes client feedback that may be incorporated as enterprise standards. |
| Information Security | | | IS-22.3 | Do you publish a roles and responsibilities document specifying what you vs. your tenants are responsible for during security incidents? | Tennant responsibilities are not included yet. This will be considered in the roles and responsibilities section of a future version of the IR policy. |
| Information Security | Incident Reporting | IS-23 | IS-23.1 | Does your security information and event management (SIEM) system merge data sources (app logs, firewall logs, IDS logs, physical access logs, etc.) for granular analysis and alerting? | Yes. BI tools are used against the merged results to conduct analysis and generate trending data. |
| Information Security | | | IS-23.2 | Does your logging and monitoring framework allow isolation of an incident to specific tenants? | Yes. |
| Information Security | Incident Response Legal Preparation | IS-24 | IS-24.1 | Does your incident response plan comply with industry standards for legally admissible chain-of-custody management processes & controls? | Yes. Accela enforces policies and standards that comply with NIST 800-53, Incident Response (IR) security controls. |
| Information Security | | | IS-24.2 | Does your incident response capability include the use of legally admissible forensic data collection and analysis techniques? | Yes. |
| Information Security | | | IS-24.3 | Are you capable of supporting litigation holds (freeze of data from a specific point in time) for a specific tenant without freezing other tenant data? | Yes. Point in time archives may be completed for this purpose. |
| Information Security | | | IS-24.4 | Do you enforce and attest to tenant data separation when producing data in response to legal subpoenas? | Yes. Tenant data separation is accomplished through the use of logical controls. |
| Information Security | Incident Response Metrics | IS-25 | IS-25.1 | Do you monitor and quantify the types, volumes, and impacts on all information security incidents? | Yes. The IR lifecycle includes, identification, validation, impact analysis and after-incident debriefs. |
| Information Security | | | IS-25.2 | Will you share statistical information security incident data with your tenants upon request? | Yes. |

| | | | | | |
|----------------------|-------------------------|-------|---------|---|--|
| Information Security | Acceptable Use | IS-26 | IS-26.1 | Do you provide (describe/explain/attach/embed associated documents) documentation regarding how you may utilize or access tenant data and/or metadata? | Yes. Accela discloses how it uses tenant data. Tennat data is not sold or shared with external entities unles required by law. |
| Information Security | | | IS-26.2 | Do you collect or create metadata about tenant data usage through the use of inspection technologies (search engines, etc.)? | Yes. This is mainly done to help with product and feature roadmaps. |
| Information Security | | | IS-26.3 | Do you allow (describe/explain/attach/embed associated documents) tenants to opt-out of having their data/metadata accessed via inspection technologies? | No, since this is performed strictly for Accela-internal use and to help improve the product. |
| Information Security | Asset Returns | IS-27 | IS-27.1 | Are systems in place to monitor for privacy breaches and notify tenants expeditiously if a privacy event may have affected their data? | Yes. |
| Information Security | | | IS-27.2 | Is your Privacy Policy aligned with industry standards? What standards are they aligned to? | Yes. Nist 800-53 security and privacy controls. |
| Information Security | e-commerce Transactions | IS-28 | IS-28.1 | Do you provide (describe/explain/attach/embed associated documents) open encryption methodologies (3.4ES, AES, etc.) to tenants in order for them to protect their data if it is required to traverse public networks? (ex. the Internet) | Yes. |

| | | | | | |
|----------------------|---|-------|---------|---|---|
| Information Security | | | IS-28.2 | Do you utilize open encryption methodologies any time your infrastructure components need to communicate to each other over public networks (ex. Internet-based replication of data from one environment to another)? | Yes. |
| Information Security | Audit Tools Access | IS-29 | IS-29.1 | Do you restrict, log, and monitor access to your information security management systems? (Ex. Hypervisors, firewalls, vulnerability scanners, network sniffers, APIs, etc.) | Yes. Only select roles are granted access to these coponents. |
| Information Security | Diagnostic / Configuration Ports Access | IS-30 | IS-30.1 | Do you utilize dedicated secure networks to provide management access to your cloud service infrastructure? | Yes. |
| Information Security | Network / Infrastructure Services | IS-31 | IS-31.1 | Do you collect capacity and utilization data for all relevant components of your cloud service offering? | Yes. Capacity planning and utilization reports are internally monitored to provide clients with adequate support and resources. This information may be made available upon request. |
| Information Security | | | IS-31.2 | Do you provide (describe/explain/attach/embed associated documents) tenants with capacity planning and utilization reports? | |

| | | | | | |
|----------------------|--------------------------------|-------|---------|---|---|
| Information Security | Portable / Mobile Devices | IS-32 | IS-32.1 | Are policies (describe/explain/attach/embed associated documents) and procedures established and measures implemented to strictly limit access to sensitive data from portable and mobile devices, such as laptops, cell phones, and personal digital assistants (PDAs), which are generally higher-risk than non-portable devices (e.g., desktop computers at the provider organization's facilities)? | Yes. Accela enforces policies and standards that comply with NIST 800-53, Media Protection (MP) security controls. |
| Information Security | Source Code Access Restriction | IS-33 | IS-33.1 | Are controls in place to prevent unauthorized access to your application, program or object source code, and assure it is restricted to authorized personnel only? | Yes. Access control is role based and carefully monitored. Access rights are audited on a periodic basis. |
| Information Security | | | IS-33.2 | Are controls in place to prevent unauthorized access to tenant application, program or object source code, and assure it is restricted to authorized personnel only? | Yes. Access control is role based and carefully monitored. Access rights are audited on a periodic basis. |
| Information Security | Utility Programs Access | IS-34 | IS-34.1 | Are utilities that can significantly manage virtualized partitions (ex. shutdown, clone, etc.) appropriately restricted and monitored? | Yes. Access control is role based and carefully monitored. Access rights are audited on a periodic basis. |
| Information Security | | | IS-34.2 | Do you have (describe/explain/attach/embed associated documents) a capability to detect attacks which target the virtual infrastructure directly (ex. shimmying, Blue Pill, Hyper jumping, etc.)? | The virtual infrastructure is not a component of the presentation layer. ESXi firewalls are in place with limited open ports. ESXi 6 hardening methods are generally used which serve as preventative measures against threats such as "blue pill". |

| | | | | | |
|-----------------------|--------------------------|-------|---------|--|---|
| Information Security | | | IS-34.3 | Are attacks that target the virtual infrastructure prevented with technical controls? | Yes. |
| Legal | | | | | |
| Legal | Nondisclosure Agreements | LG-01 | LG-01.1 | Are requirements for non-disclosure or confidentiality agreements reflecting the organization's needs for the protection of data and operational details identified, documented and reviewed at planned intervals? | Yes, these items are documented and reviewed on planned intervals. |
| Legal | Third Party Agreements | LG-02 | LG-02.1 | Do you select and monitor outsourced providers to verify that they comply with laws in the country where the data is processed and stored and transmitted? | Legal places requirements in contracts that are passed through for these types of data issues, and our provides comply. |
| Legal | | | LG-02.2 | Do you select and monitor outsourced providers in compliance with laws in the country where the data originates? | Yes, we address for Canada and the United States. The Mideast and SOPAC are managed separately. |
| Legal | | | LG-02.3 | Does legal counsel review all third party agreements? | Yes, legal reviews. |
| Operations Management | | | | | |
| Operations Management | Policy | OP-01 | OP-01.1 | Are policies (describe/explain/attach/embed associated documents) and procedures established and made available for all personnel to adequately support services operations roles? | Yes. Polcies and standards are periodically reviewed with personnel and are also made available post-review. |

| | | | | | |
|-----------------------|------------------------------|-------|---------|--|--|
| Operations Management | Documentation | OP-02 | OP-02.1 | Are Information system documentation (e.g., administrator and user guides, architecture diagrams, etc.) made available to authorized personnel to ensure configuring, installing, and operating the information system is completed and performed correctly? | Yes. System documentation is periodically reviewed with personnel and are also made available post-review. Security baselines have been established and incorporated into Information Technology and Security standards. |
| Operations Management | Capacity / Resource Planning | OP-03 | OP-03.1 | Do you provide (describe/explain/attach/embed associated documents) documentation regarding what levels of system (network, storage, memory, I/O, etc.) oversubscription you maintain and under what circumstances/scenarios? | No. |
| Operations Management | | | OP-03.2 | Do you restrict use of the memory oversubscription capabilities present in the hypervisor? | Yes, however, these limits are usually not reached. |
| Operations Management | Equipment Maintenance | OP-04 | OP-04.1 | If using virtual infrastructure, does your cloud solution include hardware independent restore and recovery capabilities? | Yes. |
| Operations Management | | | OP-04.2 | If using virtual infrastructure, Do you provide (describe/explain/attach/embed associated documents) tenants with a capability to restore a Virtual Machine to a previous state in time? | Tenant data may be restored to particular point in time. |
| Operations Management | | | OP-04.3 | If using virtual infrastructure, Do you allow (describe/explain/attach/embed associated documents) virtual | No. This is shared environment with multiple tenants. |

| | | | | | |
|------------------------|-------------|-------|---------|---|---|
| | | | | machine images to be downloaded and ported to a new cloud provider? | |
| Operations Management | | | OP-04.4 | If using virtual infrastructure, are machine images made available to the customer in a way that would allow the customer to replicate those images in their own off-site storage location? | No. |
| Operations Management | | | OP-04.5 | Does your cloud solution include software / provider independent restore and recovery capabilities? | Yes. |
| Risk Management | | | | | |
| Risk Management | Program | RI-01 | RI-01.1 | Is your organization insured by a 3rd party for losses? | |
| Risk Management | | | RI-01.2 | Do your organization's service level agreements provide tenant remuneration for losses they may incur due to outages or losses experienced within your infrastructure? | We do provide downtime credits for unplanned unavailability for Subscription/Hosting per those standard agreements. |
| Risk Management | Assessments | RI-02 | RI-02.1 | Are formal risk assessments aligned with the enterprise-wide framework and performed at least annually, or at planned intervals, determining the likelihood and impact of all identified risks, using qualitative and quantitative methods? | Yes. Risk assesmenst are conducted in tandem with internal, external audits. |
| Risk Management | | | RI-02.2 | Is the likelihood and impact associated with inherent and residual risk determined independently, considering all risk categories (e.g., audit results, threat and vulnerability analysis, and regulatory compliance)? | Yes, but not using formal methods. |

| | | | | | |
|-----------------|----------------------------------|-------|---------|--|--|
| Risk Management | Mitigation / Acceptance | RI-03 | RI-03.1 | Are risks mitigated to acceptable levels based on company-established criteria in accordance with reasonable resolution time frames? | Yes. In areas where company-wide criteria is not pre-defined, management reviews risks on an as-needed basis. |
| | | RI-03 | RI-03.2 | Is remediation conducted at acceptable levels based on company-established criteria in accordance with reasonable time frames? | Yes. In areas where company-wide criteria is not pre-defined, management reviews remediation plans and residual risk on an as-needed basis. |
| Risk Management | Business / Policy Change Impacts | RI-04 | RI-04.1 | Do risk assessment results include updates to security policies, procedures, standards and controls to ensure they remain relevant and effective? | Risk assessments are evaluation and consequently, a remediation plan is developed and managed to completion. Annual reviews are conducted to maintain relevance with policies and standards. |
| Risk Management | Third Party Access | RI-05 | RI-05.1 | Do you provide (describe/explain/attach/embed associated documents) multi-failure disaster recovery capability? | Yes this is included in Accela's Business Continuity Plan (BCP). |
| | | | RI-05.2 | Do you monitor service continuity with upstream providers in the event of provider failure? | Accela works closely with service providers during and post incident activity. |
| | | | RI-05.3 | Do you have (describe/explain/attach/embed associated documents) more than one provider for each service you depend on? | Yes for infrastructure, critical components and services. |
| | | | RI-05.4 | Do you provide (describe/explain/attach/embed associated documents) access to operational redundancy and continuity summaries that include the services on which you depend? | Yes, upon request. |
| | | | RI-05.5 | Do you provide (describe/explain/attach/embed associated documents) the tenant the ability to declare a disaster? | No, however, the client may be a key stakeholder to validate a declaration of a disaster depending the extent, location and impact of such an event. |

| | | | | | |
|---------------------------|-------------------------------|-------|---------|---|---|
| | | | RI-05.6 | Do you provide (describe/explain/attach/embed associated documents) a tenant triggered failover option? | No. Failover options are managed by Accela personnel. |
| | | | RI-05.7 | Do you share your business continuity and redundancy plans with your tenants? | Yes upon request. |
| Release Management | | | | | |
| Release Management | New Development / Acquisition | RM-01 | RM-01.1 | Are policies (describe/explain/attach/embed associated documents) and procedures established for management authorization for development or acquisition of new applications, systems, databases, infrastructure, services, operations, and facilities? | Yes. Accela enforces policies and standards that comply with NIST 800-53, Service Acquisition (SA) security controls. |
| Release Management | Production Changes | RM-02 | RM-02.1 | Do you provide (describe/explain/attach/embed associated documents) tenants with documentation which describes your production change management procedures and their roles/rights/responsibilities within it? | Yes, upon request |
| Release Management | Quality Testing | RM-03 | RM-03.1 | Do you provide (describe/explain/attach/embed associated documents) your tenants with documentation which describes your quality assurance process? | Yes, upon request. |
| Release Management | Outsourced Development | RM-04 | RM-04.1 | Do you have (describe/explain/attach/embed associated documents) controls in place to ensure that standards of | Yes. They are available for review upon request. |

| | | | | | |
|--------------------|-------------------------------------|-------|---------|--|---|
| | | | | quality are being met for all software development? | Yes. Detailed code walk-throughs are part of our security review process. |
| Release Management | | | RM-04.2 | Do you have (describe/explain/attach/embed associated documents) controls in place to detect source code security defects for any outsourced software development activities? | |
| Release Management | Unauthorized Software Installations | RM-05 | RM-05.1 | Do you have (describe/explain/attach/embed associated documents) controls in place to restrict and monitor the installation of unauthorized software onto your systems? | Yes. This is governed by policy. Additionally, periodic review of software and system configurations (bi-annual and annual, depending on the subject area). |
| Resiliency | | | | | |
| Resiliency | Management Program | RS-01 | RS-01.1 | Are Policy, process and procedures defining business continuity and disaster recovery in place to minimize the impact of a realized risk event and properly communicated to tenants? | Yes. Accela has Business Continuity Process (BCP) and Disaster Recovery (DR) plans enforce. |
| Resiliency | Impact Analysis | RS-02 | RS-02.1 | Do you provide (describe/explain/attach/embed associated documents) tenants with ongoing visibility and reporting into your operational Service Level Agreement (SLA) performance? | Yes. This is available upon request. |
| Resiliency | | | RS-02.2 | Do you make standards-based information security metrics (CSA, CAMM, etc.) available to your tenants? | This capability is currently under development. |

| | | | | | |
|------------|------------------------------|-------|---------|---|---|
| Resiliency | | | RS-02.3 | Do you provide (describe/explain/attach/embed associated documents) customers with ongoing visibility and reporting into your SLA performance? | Yes. This is available upon request. |
| Resiliency | Business Continuity Planning | RS-03 | RS-03.1 | Do you provide (describe/explain/attach/embed associated documents) tenants with geographically resilient hosting options? | Yes. Accela has established a DR plan that includes a geographically, separate DR data center. |
| Resiliency | | | RS-03.2 | Do you provide (describe/explain/attach/embed associated documents) tenants with infrastructure service failover capability to other providers? | Accela manages all infrastructure failover capabilities, including ones associated with services provided by other providers. |
| Resiliency | Business Continuity Testing | RS-04 | RS-04.1 | Are business continuity plans subject to test at planned intervals or upon significant organizational or environmental changes to ensure continuing effectiveness? | Yes. Accela tests a variety of plans on an annual basis, including Incident Response and related plans such as BCP and DR. |
| Resiliency | Environmental Risks | RS-05 | RS-05.1 | Is physical protection against damage from natural causes and disasters as well as deliberate attacks anticipated, designed and countermeasures applied? | Yes. This is incorporated in Accela's Business Continuity Plan (BCP). |
| Resiliency | Equipment Location | RS-06 | RS-06.1 | Are any of your datacenters located in places which have a high probability/occurrence of high-impact environmental risks (floods, tornadoes, earthquakes, hurricanes, etc.)? | No. Accela has taken great care in selecting production and disaster recovery data centers. |

| | | | | | |
|------------|----------------------------|-------|---------|--|---|
| Resiliency | Equipment Power Failures | RS-07 | RS-07.1 | Are Security mechanisms and redundancies implemented to protect equipment from utility service outages (e.g., power failures, network disruptions, etc.)? | Yes. Comprehensive power redundancy is in place. |
| Resiliency | Power / Telecommunications | RS-08 | RS-08.1 | Do you provide (describe/explain/attach/embed associated documents) tenants with documentation showing the transport route of their data between your systems? | Not usually, however, this is an area that may be revisited especially in the context of a related incident. All network traffic is constrained to continental United States. |
| Resiliency | | | RS-08.2 | Can Tenants define how their data is transported and through which legal jurisdiction? | No. All network traffic is constrained to continental United States. |

Security Architecture

| | | | | | |
|-----------------------|------------------------------|-------|---------|---|--|
| Security Architecture | Customer Access Requirements | SA-01 | SA-01.1 | Are all identified security, contractual and regulatory requirements for customer access contractually addressed and remediated prior to granting customers access to data, assets and information systems? | Yes. |
| Security Architecture | User ID Credentials | SA-02 | SA-02.1 | Do you support (describe/explain/attach/embed associated documents) use of, or integration with, existing customer-based Single Sign On (SSO) solutions to your service? | Not at the moment, however, this is actively being pursued and it is on the product roadmap. |
| Security Architecture | | | SA-02.2 | Do you use open standards to delegate authentication capabilities to your tenants? | Yes. |
| Security Architecture | | | SA-02.3 | Do you support (describe/explain/attach/embed associated documents) identity federation standards (SAML, SPML, WS-Federation, etc.) as a means of authenticating/authorizing users? | Not at the moment, however, this is actively being pursued and it is on the product roadmap. |
| Security Architecture | | | SA-02.4 | Do you have (describe/explain/attach/embed associated documents) a Policy Enforcement Point capability (ex. | Accela uses Active Directory (AD). |

| | | | | | |
|-----------------------|---------------------------|-------|---------|--|---|
| | | | | XACML) to enforce regional legal and policy constraints on user access? | <p>Although role-based identity management is in place, it is not done systematically, yet.</p> <p>Not at the moment, however, this is actively being pursued and it is on the product roadmap.</p> |
| Security Architecture | | | SA-02.5 | Do you have (describe/explain/attach/embed associated documents) an identity management system in place which enables both role-based and context-based entitlement to data (enables classification of data for a tenant)? | Agency administrators can restrict users in the system to groups which have different levels of functionality and access. |
| Security Architecture | | | SA-02.6 | Do you provide (describe/explain/attach/embed associated documents) tenants with strong (multifactor) authentication options (digital certs, tokens, biometric, etc.) for user access? | Not in the hosted environment. |
| Security Architecture | | | SA-02.7 | Do you allow (describe/explain/attach/embed associated documents) tenants to use third party identity assurance services? | We don't have any in the hosted environment using this. SSO adapters in an on-premise setting may provide that depending on the use case. |
| Security Architecture | Data Security / Integrity | SA-03 | SA-03.1 | Is your Data Security Architecture designed using an industry standard? (ex. CDSA, MULITSAFE, CSA Trusted Cloud Architectural Standard, FedRAMP CAESARS) | We are working towards a FISMA (NIST 800-53) compliancy audit date 10/16. |

| | | | | | |
|-----------------------|---|-------|---------|--|--|
| Security Architecture | Application Security | SA-04 | SA-04.1 | Do you utilize industry standards (Build Security in Maturity Model [BSIMM] Benchmarks, Open Group ACS Trusted Technology Provider Framework, NIST, etc.) to build-in security for your Systems/Software Development Lifecycle (SDLC)? | We are working towards a FISMA (NIST800-53) compliancy audit date 10/16. |
| Security Architecture | | | SA-04.2 | Do you utilize an automated source-code analysis tool to detect code security defects prior to production? | HP Webinspect is used during the development process to detect issues. |
| Security Architecture | | | SA-04.3 | Do you verify that all of your software suppliers adhere to industry standards for Systems/Software Development Lifecycle (SDLC) security? | |
| Security Architecture | Data Integrity | SA-05 | SA-05.1 | Are data input and output integrity routines (i.e., reconciliation and edit checks) implemented for application interfaces and databases to prevent manual or systematic processing errors or corruption of data? | There is basic data input validation. Additionally, administrators can create custom expressions for other types of extended validation. |
| Security Architecture | Production / Nonproduction Environments | SA-06 | SA-06.1 | For your SaaS or PaaS offering, Do you provide (describe/explain/attach/embed associated documents) tenants with separate environments for production and test processes? | Yes, each tenant gets two other environments (support, test) along with production. |
| Security Architecture | | | SA-06.2 | For your IaaS offering, Do you provide (describe/explain/attach/embed associated documents) tenants with guidance on how to create suitable production and test environments? | Yes, our Customer Support and Services teams can help with these. |

| | | | | | |
|-----------------------|--|-------|---------|---|--|
| Security Architecture | Remote User Multifactor Authentication | SA-07 | SA-07.1 | Is multi-factor authentication required for all remote user access? | Yes |
| Security Architecture | Network Security | SA-08 | SA-08.1 | For your IaaS offering, Do you provide (describe/explain/attach/embed associated documents) customers with guidance on how to create a layered security architecture equivalence using your virtualized solution? | We can provide information on network communication for all endpoints such that the architecture can be built. |
| Security Architecture | Segmentation | SA-09 | SA-09.1 | Are system and network environments logically separated to ensure Business and customer security requirements? | Yes |
| Security Architecture | | | SA-09.2 | Are system and network environments logically separated to ensure compliance with legislative, regulatory, and contractual requirements? | Yes |
| Security Architecture | | | SA-09.3 | Are system and network environments logically separated to ensure separation of production and non-production environments? | Yes, production and non-production environments use their own independent resources. |

| | | | | | |
|-----------------------|-------------------|-------|---------|--|-----|
| Security Architecture | | | SA-09.4 | Are system and network environments logically separated to ensure protection and isolation of sensitive data? | Yes |
| Security Architecture | Wireless Security | SA-10 | SA-10.1 | Are policies (describe/explain/attach/embed associated documents), procedures established, and mechanisms implemented to protect network environment perimeter and configured to restrict unauthorized traffic? | Yes |
| Security Architecture | | | SA-10.2 | Are policies (describe/explain/attach/embed associated documents) and procedures established and mechanisms implemented to ensure proper security settings enabled with strong encryption for authentication and transmission, replacing vendor default settings? (e.g., encryption keys, passwords, SNMP community strings, etc.) | Yes |
| Security Architecture | | | SA-10.3 | Are policies (describe/explain/attach/embed associated documents) and procedures established and mechanisms implemented to protect network environments and detect the presence of unauthorized (rogue) | Yes |

| | | | | | |
|-----------------------|-------------------------------------|-------|---------|---|---|
| | | | | network devices for a timely disconnect from the network? | |
| Security Architecture | Shared Networks | SA-11 | SA-11.1 | Is access to systems with shared network infrastructure restricted to authorized personnel in accordance with security policies, procedures and standards? Networks shared with external entities shall have a documented plan detailing the compensating controls used to separate network traffic between organizations. Provide information about your plan. | Yes |
| Security Architecture | Clock Synchronization | SA-12 | SA-12.1 | Do you utilize a synchronized time-service protocol (ex. NTP) to ensure all systems have a common time reference? | Yes |
| Security Architecture | Equipment Identification | SA-13 | SA-13.1 | Is automated equipment identification used as a method of connection authentication to validate connection authentication integrity based on known equipment location? | No, equipment is not identified in an automated fashion. |
| Security Architecture | Audit Logging / Intrusion Detection | SA-14 | SA-14.1 | Are file integrity (host) and network intrusion detection (IDS) tools implemented to help facilitate timely detection, investigation by root cause analysis and response to incidents? | Yes |
| Security Architecture | | | SA-14.2 | Is Physical and logical user access to audit logs restricted to authorized personnel? | Yes |
| Security Architecture | | | SA-14.3 | Can you provide (describe/explain/attach/embed associated documents) evidence that due diligence mapping of regulations and standards to your | Yes, our System Security Plan, which is used within our NIST 800-53 controls for FISMA, is evidence of our due diligence in regards to security controls. |

| | | | | | |
|-----------------------|-------------|-------|---------|---|-----|
| | | | | controls/architecture/processes has been done? | |
| Security Architecture | Mobile Code | SA-15 | SA-15.1 | Is mobile code authorized before its installation and use? Is the code configuration checked to ensure that the authorized mobile code operates according to a clearly defined security policy? | Yes |
| Security Architecture | | | SA-15.2 | Is all unauthorized mobile code prevented from executing? | |

**AGREEMENT FOR THE PERFORMANCE OF SUBSCRIBED SERVICES
BY AND BETWEEN THE
CITY OF SANTA CLARA, CALIFORNIA,
AND
ACCELA, INC.**

EXHIBIT H

ACCELA SUBSCRIPTION TERMS AND CONDITIONS

Version 52615a

1. As used herein, "Accela" refers to Accela, Inc. and "Customer" refers to the subscribing customer designated on the attached Order. Accela and Customer are collectively designated as the "Parties".
2. These Subscription Terms and Conditions ("Terms") are effective upon execution of the Order by Customer and are for the exclusive benefit of the Parties. Nothing herein will be construed to create any benefits, rights, or responsibilities in any other parties.
3. Customer's subscription term commences on the date set forth in the body of the Agreement.
4. Subscription terms are twelve (12) calendar months in duration. At the end of Customer's subscription term or, if a multi-term subscription is indicated on the Order, the last of Customer's subscription terms, Customer may renew subscription as set forth in the Agreement. The per-unit pricing during said additional term will be the same as the prior term's annual fees unless Accela notifies Customer otherwise not less than sixty (60) calendar days prior to the end of said prior term and Customer agrees to the change in pricing in writing. Any price increase will be effective at the start of the renewal term, subject to Customer's budget appropriations and approvals. No such price increase will exceed three percent (3%) of the prior term's annual pricing.
5. In exchange for its use of the Subscribed Services, Customer will pay to Accela the amounts indicated in the Order. Said amounts are based on services purchased and not actual usage; payment obligations are non-cancelable and fees paid are non-refundable, except as otherwise specifically-provided herein. Unless otherwise stated, such fees do not include any taxes, levies, duties or similar governmental assessments of any nature, including but not limited to value-added, sales, use or withholding taxes, assessable by any local, state, provincial, federal or foreign jurisdiction ("Taxes"). Customer is responsible for paying all Taxes associated with its purchases hereunder. If Accela has the legal obligation to pay or collect Taxes for which Customer is responsible, the appropriate amount will be invoiced to and paid by Customer, unless Accela is provided with a valid tax exemption certificate authorized by the appropriate taxing authority. Accela is solely responsible for taxes assessable against it based on its income, property, employees, and as set forth in Section 8 of this Agreement.
6. The Subscribed Services are protected under the laws of the United States and the individual states and by international treaty provisions. Accela retains full ownership in the Subscribed Services and grants to Customer a limited, nonexclusive, nontransferable right to use the Subscribed Services, subject to the following terms and conditions: a) The Subscribed Services are provided for use only by Customer employees and to the extent of their duties for Customer, Customer's agents, contractors and officials; b) Customer may not make any form of derivative work from the Subscribed Services, although Customer is permitted to develop additional or alternative functionality for the Software using tools and/or techniques provided to Customer by Accela; c) Customer may not obscure, alter, or remove any confidentiality or proprietary rights notices; d) Customer may use the Subscribed Services only to process transactions relating to properties within both its own geographical and political boundaries and may not sell, rent, assign, lend, or

share any of its rights hereunder; e) Customer is responsible for all activities conducted using its user credentials and for its users' compliance with the provisions of these Terms; and f) All rights not expressly granted to Customer are retained by Accela. Accela will make the Subscribed Services available to Customer pursuant to these Terms during a subscription term. Customer agrees that its purchases hereunder are neither contingent on the delivery of any future functionality or features nor dependent on any oral or written public comments made by Accela regarding future functionality or features.

7. Accela warrants that it has full power and authority to agree to these Terms and that, as of the effective date hereof, the Subscribed Services do not infringe on any existing intellectual property rights of any third party. If a third party claims that the Subscribed Services do infringe, Accela may, at its sole option, secure for Customer the right to continue using the Subscribed Services or modify the Subscribed Services so that these do not infringe. Accela will have the sole right to conduct the defense and will defend any legal action and conduct all negotiations for its settlement or compromise.

8. **WARRANTIES AND DISCLAIMERS**

- 8.1 Specifications. Accela shall be responsible for the acquisition and operation of all network support related to the services being provided. The technical and professional activities required for establishing, managing and maintaining the environments are the responsibilities of Accela. The system shall be available 24/7/365 (with agreed-upon maintenance downtime) and provide service to customer as defined in the SLC set forth in section 8.2 of this Exhibit. Subject to the limitations set forth below, Accela warrants that the Service will operate in all material respects in accordance with the Specifications. As Customer's sole and exclusive remedy and Accela's entire liability for any breach of the foregoing warranty, Accela will use commercially reasonable efforts to modify the Service so that it conforms to foregoing warranty.
- 8.2 Service Level Commitment. During the Subscription Period, Accela further warrants that the Service will meet the performance level specified in the Service Level Commitment, as made available by Accela in the Attachment A to Exhibit I. The Service Level Commitment sets forth Customer's sole and exclusive remedy for Accela's failure to achieve the stated Service performance level.
- 8.3 Disclaimers. EXCEPT AS EXPRESSLY PROVIDED HEREIN, ACCELA DOES NOT MAKE ANY WARRANTIES OF ANY KIND, WHETHER EXPRESS, IMPLIED, STATUTORY OR OTHERWISE, AND ACCELA SPECIFICALLY DISCLAIMS ALL IMPLIED WARRANTIES, INCLUDING ANY WARRANTIES OF MERCHANTABILITY, NON-INFRINGEMENT OR FITNESS FOR A PARTICULAR PURPOSE, OR ANY WARRANTIES ARISING OUT OF THE COURSE OF DEALING OR USAGE OF TRADE, TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW. Accela will not be responsible to the extent failure of the Service to operate as warranted is caused by or results from: (i) any modification to the Service other than a Supported Modification; (ii) combination, operation or use of the Service with Customer's or a third party's applications, software or systems; (iii) abuse, willful misconduct or negligence by anyone other than Accela or Accela's designee; (iv) use of

the Service other than in accordance with the terms of this Agreement and/or the applicable Specifications and Accela documentation or (v) any of the SLC Exclusions (as defined in the Service Level Commitment).

8.4 **MUTUAL INDEMNIFICATION**

8.5 Indemnification by Customer. Customer will defend (or settle), indemnify and hold harmless Accela, its officers, directors, employees and subcontractors, from and against any liabilities, losses, damages and expenses, including court costs and reasonable attorneys' fees, arising out of or in connection with any third-party claim that: (i) a third party has suffered injury, damage or loss resulting from Customer's or any End User's use of the Service (other than any claim for which Accela is responsible under Section 7.2); or (ii) Customer or any End User has used the Service in a manner that violates these Terms or applicable law. Customer's obligations under this Section 7.1 are contingent upon: (a) Accela providing Customer with prompt written notice of such claim; (b) Accela providing reasonable cooperation to Customer, at Customer's expense, in defense and settlement of such claim; and (c) Customer having sole authority to defend or settle such claim.

8.6 Indemnification by Accela. Accela will defend (or settle) any suit or action brought against Customer to the extent that it is based upon a claim that the Service, as furnished by Accela hereunder, infringes or misappropriates the Intellectual Property Rights of any third party, and will pay any costs, damages and reasonable attorneys' fees attributable to such claim that are awarded against Customer. Accela's obligations under this Section 7.2 are contingent upon: (a) Customer providing Accela with prompt written notice of such claim; (b) Customer providing reasonable cooperation to Accela, at Accela's expense, in the defense and settlement of such claim; and (c) Accela having sole authority to defend or settle such claim. THIS SECTION 9.2 STATES THE ENTIRE OBLIGATION OF ACCELA AND ITS LICENSORS WITH RESPECT TO ANY ALLEGED OR ACTUAL INFRINGEMENT OR MISAPPROPRIATION OF INTELLECTUAL PROPERTY RIGHTS BY THE SERVICE. Accela will have no liability under this Section 9.2 to the extent that any third-party claims described herein are based on any combination of the Service with products, services, methods, or other elements not furnished by Accela, or any use of the Service in a manner that violates this Agreement or the instructions given to Customer by Accela.

8.7 Mitigation Measures. In the event that (i) any claim or potential claim covered by Section 9.2 arises or (ii) Accela's right to provide the Service is enjoined or in Accela's reasonable opinion is likely to be enjoined, Accela may, in its discretion, seek to mitigate the impact of such claim or injunction by obtaining the right to continue providing the Service, by replacing or modifying the Service to make it non-infringing, and/or by suspending or terminating Customer's use of the Service with reasonable notice to Customer. In the case of a suspension or termination pursuant to this Section 7.3, Accela will refund to Customer a portion of fees prepaid by Customer for the then-current Subscription period, prorated to the portion of that Subscription period that is affected by the suspension or termination).

- 9 **LIMITATIONS OF LIABILITY.** IN NO EVENT WILL ACCELA'S AGGREGATE LIABILITY TO CUSTOMER OR ANY THIRD PARTY ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT OR FROM THE USE OF OR INABILITY TO USE THE SERVICE, WHETHER IN CONTRACT, TORT OR UNDER ANY OTHER THEORY OF LIABILITY, EXCEED THE TOTAL AMOUNT PAID BY CUSTOMER HEREUNDER OR, WITH RESPECT TO ANY SINGLE INCIDENT, THE AMOUNT PAID BY CUSTOMER DURING THE SUBSCRIPTION PERIOD UNDER WHICH INCIDENT OCCURS.
- 9.1 Exclusion of Damages. NEITHER ACCELA NOR ANY OTHER PERSON OR ENTITY INVOLVED IN CREATING, PRODUCING, OR DELIVERING THE SERVICE WILL BE LIABLE FOR ANY INCIDENTAL, SPECIAL, EXEMPLARY OR CONSEQUENTIAL DAMAGES, INCLUDING LOST PROFITS, LOSS OF DATA OR LOSS OF GOODWILL, SERVICE INTERRUPTION, COMPUTER DAMAGE OR SYSTEM FAILURE OR THE COST OF SUBSTITUTE PRODUCTS OR SERVICES, ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT OR FROM THE USE OF OR INABILITY TO USE THE SERVICE, WHETHER BASED ON WARRANTY, CONTRACT, TORT (INCLUDING NEGLIGENCE), PRODUCT LIABILITY OR ANY OTHER LEGAL THEORY. THE FOREGOING EXCLUSIONS APPLY WHETHER OR NOT ACCELA HAS BEEN INFORMED OF THE POSSIBILITY OF SUCH DAMAGE, AND EVEN IF A LIMITED REMEDY SET FORTH HEREIN IS FOUND TO HAVE FAILED OF ITS ESSENTIAL PURPOSE. NOTHING IN THESE TERMS EXCLUDES OR RESTRICTS THE LIABILITY OF EITHER PARTY FOR DEATH OR PERSONAL INJURY RESULTING FROM ITS NEGLIGENCE.
- 9.2 Security and Other Risks. Customer acknowledges that, notwithstanding security features of the Service, no product, hardware, software or service can provide a completely secure mechanism of electronic transmission or communication and that there are persons and entities, including enterprises, governments and quasi-governmental actors, as well as technologies, that may attempt to breach any electronic security measure. Subject only to its limited warranty obligations set forth in Section 6, Accela will have no liability for any security breach caused by any such persons, entities, or technologies.
- 9.3 Any Accela security patches for "Very High" and "High" severity level security risks will be available to customer and patched within thirty (30) days of patch availability. Accela defines a Very High severity level where the offending line or lines of code is a very serious weakness and is an easy target for an attacker. Accela defines High severity level where the offending line or lines of code have significant weakness.
- 9.4 Customer further acknowledges that the Service is not guaranteed to operate without interruptions, failures, or errors. If Customer or End Users use the Service in any application or environment where failure could cause personal injury, loss of life, or other substantial harm, Customer assumes any associated risks and will indemnify Accela and hold it harmless against those risks.

9.5 Data Breach Notification:

The service provider shall inform the Customer of any unauthorized and unlawful acquisition of unencrypted personal data ("Data Breach").

- a. Data Breach Response: The service provider may need to communicate with outside parties regarding a security incident, which may include contacting law enforcement, fielding media inquiries and seeking external expertise as mutually agreed upon, defined by law or contained in the contract. Discussing Data Breach with the Customer should be handled on an urgent as-needed basis, as part of service provider communication and mitigation processes as mutually agreed upon, defined by law or contained in the contract.
- b. Data Breach Reporting Requirements: If the service provider has actual knowledge of a confirmed Data Breach that affects the security of any Customer content that is subject to applicable Data Breach notification law, the service provider shall (1) promptly notify the appropriate Customer identified contact within 48 hours or sooner, unless shorter time is required by applicable law, and (2) take commercially reasonable measures to address the Data Breach.

9.6 Basis of Bargain. THE LIMITATIONS OF LIABILITY AND EXCLUSIONS OF DAMAGES SET FORTH IN THIS SECTION 10 ARE FUNDAMENTAL ELEMENTS OF THE BASIS OF THE BARGAIN BETWEEN ACCELA AND CUSTOMER AND WILL APPLY TO THE MAXIMUM EXTENT ALLOWED UNDER APPLICABLE LAW.

11. The following are not covered by these Terms, but may be separately available at rates and on terms which may vary from those described herein: a) Services required due to misuse of the Subscribed Services; b) Services required due to external factors including, but not necessarily limited to, Customer's use of software or hardware not authorized by Accela; or c) Services required to resolve or work-around conditions which cannot be reproduced in Accela's support environment.
12. Customer warrants that it owns or has been authorized to provide the data to Accela. Customer retains full ownership of said data and grants to Accela a limited, nonexclusive, nontransferable license to use said data only to perform Accela's obligations in accordance with these Terms.
13. Subject to the limitations of Section 6, Customer may authorize access to the Subscribed Services by creating unique user names and passwords ("Logins") up to the number of users indicated in the Order.
14. Each Login must be assigned to a single individual and may not be shared or used by more than one such user. Customer may reassign any Login to another individual, provided that such reassignments do not circumvent the "single individual" requirement described in this Section.

15. Customer acknowledges that transmissions and processing of Customer's electronic communications are fundamental to Customer's use of the Subscribed Services. Customer further acknowledges that portions of such transmissions and processing may occur within various computer networks not owned or operated by Accela. Customer agrees that Accela is not responsible for any delays, losses, alterations, interceptions, or storage of its electronic communications which occur in computer networks not owned or operated by Accela.
16. "Disclosing Party" and "Recipient" refer respectively to the party which discloses information and the party to which information is disclosed in a given exchange. Either Accela or Customer may be deemed Disclosing Party or Recipient depending on the circumstances of a particular communication or transfer of information. "Confidential Information" means all disclosed information relating in whole or in part to non-public data, proprietary data compilations, computer source codes, compiled or object codes, scripted programming statements, byte codes, or data codes, entity-relation or workflow diagrams, financial records or information, client records or information, organizational or personnel information, business plans, or works-in-progress, even where such works, when completed, would not necessarily comprise Confidential Information. The foregoing listing is not intended by the Parties to be comprehensive, and any information which Disclosing Party marks or otherwise designates as "Confidential" or "Proprietary" will be deemed and treated as Confidential Information. Information which qualifies as "Confidential Information" may be presented to Recipient in oral, written, graphic, and/or machine-readable formats. Regardless of presentation format, such information will be deemed and treated as Confidential Information. Notwithstanding, the following specific classes of information are not "Confidential Information" within the meaning of this Section: a) information which is in Recipient's possession prior to disclosure by Disclosing Party; b) information which is available to Recipient from a third party without violation of this Section or Disclosing Party's intellectual property rights; c) information which is in the public domain at the time of disclosure by Disclosing Party, or which enters the public domain from a source other than Recipient after disclosure by Disclosing Party; d) information which is subpoenaed by governmental or judicial authority; and e) information subject to disclosure pursuant to a state's public records laws. Recipient will protect the confidentiality of Confidential Information using the same degree of care that it uses to protect its own information of similar importance, but will in any case use no less than a reasonable degree of care to protect Confidential Information. Recipient will not directly or indirectly disclose Confidential Information or any part thereof to any third party without Disclosing Party's advance express written authorization to do so. Recipient may disclose Confidential Information only to its employees or agents under its control and direction in the normal course of its business and only on a need-to-know basis. In responding to a request for Confidential Information, Recipient will cooperate with Disclosing Party, in a timely fashion and in a manner not inconsistent with applicable laws, to protect the Confidential Information to the fullest extent possible.

Accela acknowledges that Customer is a public agency subject to the requirements of the California Public Records Act Cal. Gov. Code section 6250 et seq. Customer acknowledges that Accela may submit information to Customer that Accela considers

confidential, proprietary, or trade secret information pursuant the Uniform Trade Secrets Act (Cal. Civ. Code section 3426 et seq.), or otherwise protected from disclosure pursuant to an exemption to the California Public Records Act (Government Code sections 6254 and 6255). Accela acknowledges that Customer may submit to Accela information that Customer considers confidential or proprietary or protected from disclosure pursuant to exemptions to the California Public Records Act (Government Code sections 6254 and 6255). Upon request or demand of any third person or entity not a party to this Agreement ("Requestor") for production, inspection and/or copying of information designated by a Disclosing Party as Confidential Information, the Recipient as soon practical but within three (3) days of receipt of the request, shall notify the Disclosing Party that such request has been made, by telephone call, letter sent via facsimile and/or by US Mail to the address and facsimile number listed at the end of the Agreement. The Disclosing Party shall be solely responsible for taking whatever legal steps are necessary to protect information deemed by it to be Confidential Information and to prevent release of information to the Requestor by the Recipient. If the Disclosing Party takes no such action, after receiving the foregoing notice from the Recipient, the Recipient shall be permitted to comply with the Requestor's demand and is not required to defend against it.

17. **ACCELA WILL, AT ALL TIMES DURING THE AGREEMENT, MAINTAIN INSURANCE COVERAGE AS SET FORTH IN EXHIBIT C. TO THE EXTENT NOT OFFSET BY ITS INSURANCE COVERAGE AND TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAWS, IN NO EVENT WILL ACCELA'S CUMULATIVE LIABILITY FOR ANY GENERAL, INCIDENTAL, SPECIAL, COMPENSATORY, OR PUNITIVE DAMAGES WHATSOEVER SUFFERED BY CUSTOMER OR ANY OTHER PERSON OR ENTITY EXCEED THE FEES PAID TO ACCELA BY CUSTOMER DURING THE TWELVE (12) CALENDAR MONTHS IMMEDIATELY PRECEDING THE CIRCUMSTANCES WHICH GIVE RISE TO SUCH CLAIM(S) OF LIABILITY.**
18. If Accela is delayed in its performance of any obligation hereunder due to causes or effects beyond its control, Accela will give timely notice to Customer of such circumstances and will act in good faith to resume performance as soon as practicable.
19. Accela may not assign its rights and obligations hereunder for purposes of financing or pursuant to corporate transactions involving the sale of all or substantially all of its stock or assets without Customer's written consent.
20. Section 5 will survive the End of Term for so long as is required to complete collection of unpaid amounts. The limitations and waivers described in Sections 8, 19, and 21 will survive the End of Term. Section 12 will survive the End of Term for a period of thirty (30) calendar days. Section 16 will survive the End of Term for a period of thirty (30) calendar days or for so long as is required for Accela to complete its response to a Customer request made during said thirty-day period. Section 20 will survive the End of Term for a period of two (2) years. With the exceptions of the foregoing surviving sections, the remainder of these Terms will terminate at the End of Term.

**AGREEMENT FOR THE PERFORMANCE OF SUBSCRIBED SERVICES
BY AND BETWEEN THE
CITY OF SANTA CLARA, CALIFORNIA,
AND
ACCELA, INC.**

EXHIBIT I

ACCELA SECURITY EXHIBIT

Accela will provide hosting at a SSAE-16 Tier III or higher facility as defined by the Uptime Institute, Inc. Per the hosting datacenter's disclosure policies, Accela will provide, where allowable, a copy of the datacenter's annual SSAE-16 Type 2 audit report. Accela will provide a backup hosting site with equivalent status for disaster recovery should a major catastrophic outage occur.

The hosting facility will be constructed and configured to ensure reasonable and adequate protection of the equipment in the event of a natural event considered possible for the physical location, including but not limited to earthquake, flood, hurricane, tornado, etc.

Data Location:

The service provider shall provide its services to the Customer and its end users solely from data centers in the U.S. Storage of Customer data at rest shall be located solely in data centers in the U.S. The service provider shall not allow its personnel or contractors to store Customer data on portable devices, including personal computers, except for devices that are used and kept only at its U.S. data centers. The service provider shall permit its personnel and contractors to access Customer data remotely only as required to provide technical support. The service provider may provide technical user support on a 24/7 basis using a Follow-the-Sun model, unless otherwise prohibited in the SLC listed in this Exhibit H.

The hosting facility must have power sufficient to support the equipment platform as configured; this includes provisions for back-up power supplies. The facility will include:

- Dual power availability to each rack unit from independent Power Distribution Units (PDUs) removes PDU loss as a single point of failure
- N+1 redundancy of uninterruptible power supplies
- Redundant fuel-based generator power supplies, in the event of a power failure from commercial power.

The hosting facility will have reasonable and adequate heating and cooling to insure continuous operation of equipment within acceptable operational limits. The hosting facility shall include but not be limited to the following features:

- N+1 redundancy of cooling towers, water pumps and chillers
- Multiple air handling units providing an additional level of redundancy

- Cooling units maintain consistent environment temperature and relative humidity levels
- Rack cabinet fans to circulate warm air generated by the servers

The hosting facility will have physical security to control unauthorized access to the equipment, including but not limited to:

- 24/7 on-site security guard
- Indoor and outdoor security monitoring
- Badge/picture ID access screening
- Biometric access screening
- Escort requirements for access to raised floor areas
- Logged entries for all users entering or leaving the premises

The hosting facility will have data line capacity to ensure responsive access to the proposed data system by Accela employees, jurisdictions and customers.

Accela shall provide the equipment, hardware and network infrastructure necessary to operate and sustain all contracted software on behalf of customer and to provide the necessary development, test, production, and training environments.

The hosting facility will provide secure encrypted transmission of personal data to include, but not limited to, personal name and address, SSN, credit card, banking, and payment data, passwords, and any other data subject to Federal or California State data privacy protection laws, and provide protection that meets or exceeds any such statutory requirements. Secure Socket Layer (SSL) encryption will be utilized to meet this requirement.

Accela will be responsible for the data communication infrastructure that connects the data servers to the communication network (switches, etc.)

Accela will maintain any service agreements for the equipment and operating systems, and maintain the equipment in optimal working order.

Accela shall provide a PCI compliant infrastructure for deployment within the data center. Accela's applications have been developed to comply with all 12 requirements of PCI Data Security Standard, including:

- The use of a firewall within the proposed infrastructure to protect cardholder data provided via both Accela Automation and Accela Citizen Access (public portal)
- The use of strong passwords and password policies to ensure password protection and delineates and enforces role-based security to ensure that only authorized users and administrators can access sensitive data
- The use of secured sessions to prevent any unauthorized access to sensitive cardholder data
- The use of encryption per PCI and PABP standards whenever cardholder data is transmitted across open, public networks
- Adherence to all applicable industry standards for the development of secure systems

- and the Accela applications that operate within these systems
- The assignment of unique User IDs and Passwords for each user granted access to the system
- The provision of full audit trail tracking to track and monitor all access to network resources and cardholder data

Accela will provide operational services to support the infrastructure and operating environment.

Accela shall provide the equipment, hardware and network infrastructure necessary to operate and sustain all contracted software and to provide the necessary, production, support and staging environments.

Accela shall ensure there are no covert channels to access the system and must take precautions to protect the system and data from Trojan invasion.

Accela contracts for warranty services. In the event that warranty services are required, Accela shall provide staff support sufficient to complete all necessary service and maintenance to the hardware and software platform for the duration of a Vendor-site support agreement.

Accela shall perform daily backups of the data. The images that constitute the functional system will have snapshots taken weekly and stored to the fully redundant storage system. Accela's backup strategies and fully redundant Data Recovery (DR) site ensure that a complete system rebuild of data will not be necessary. Accela will use commercially reasonable efforts to replicate all relevant agency data "in near real-time" to a geographically separate location where we have the ability to stand up the Accela application stack and restore service.

Throughout the term of the agreement, upon the request of Customer, Accela will provide Customer with:

- (i) a copy of its data in a database dump file
- (ii) an APO property conversion upload
- (iii) a Crystal Report placement

Within thirty (30) calendar days following the end of its final Subscribed Services term ("End of Term"), Accela shall provide a complete copy of Customer's data and associated documents, as updated or modified by Customer's use of the Subscribed Services, in a database dump file format. Accela will comply in a timely manner with such request, provided that Customer pays any and all unpaid amounts due to Accela.

Accela will meet measurable standards for expected and reasonable system availability (up-time) as established elsewhere in this Hosting Attachment. The system must generally be available seven days a week, twenty-four hours per day. Scheduled down time is acceptable. Unplanned down time between 6:00 am and 8:00 pm Pacific time must be to resolve production emergencies only, limited to no more than One Hundred and Twenty (120) minutes and occur no more than one time per month. In no event will any proposed standard be less than a commercially reasonable standard.

The Accela system implementation shall provide functional equivalents of the following environments; hardware and software requirements must include provisions to support these environments:

- Support – An environment available to customers to develop and test new configurations or changes to existing configurations prior to implementation in production.
- Staging – An environment available to customers to test new Accela Automation application releases against their production configuration. New application code will be deployed to the Staging environment within one week of becoming Generally Available (GA) from Engineering. New application code will be deployed to the Support and Production environments one month after being deployed to Staging for Major releases and two weeks for Minor releases (Service Packs).
- Production – The environment used by customers, jurisdiction staff, central administrative staff, and analysts/programmers to submit, track and manage live transactions and associated data.

The Customer shall have the ability to import or export data in piecemeal at its discretion without interference from the service provider. Accela will provide the customer with a full database export on a quarterly basis at the request of Customer. The customer has the option to request a more frequent export if desired, but will not exceed one per calendar week.

Accela will respond to requests for production or support/staging environment report posting within 72 hours of the request. Reports will be reviewed for system performance and data integrity before posting. If issues are found they will be documented and communicated back to the customer for correction. In the event that a report request is urgent, Accela will expedite this process to an extent that is reasonable for the request.

To provide the Hosting Services, Accela shall provide, host, manage and maintain the System as follows:

A. Management, Support and Maintenance of Hardware

1. Accela will provide, manage and maintain operating systems on all System environment hardware. This will involve application of any necessary patches or updates and upgrades as necessary. Accela will provide system redundancy.
2. Accela will provide, manage and maintain, for the System, the physical or virtual resources. This will involve any physical fix as needed, updates or refreshes as necessary.

B. Capacity Planning and Monitoring

Accela will be responsible for monitoring capacity and performing capacity planning to ensure the System environment has sufficient capacity to meet the service level agreements agreed upon in this Agreement.

C. Asset Management

Asset Management services provide inventory and tracking of equipment and the management of vendor-provided maintenance agreements.

Accela will perform the following tasks:

1. Manage third party vendor contracts for equipment used in support of this Agreement (rental agreements, leases, service agreements, warranties, amendments, maintenance contracts, and insurance policies)
2. Provide hardware and software at the appropriate hardware and software levels to comply with vendor maintenance contracts.
3. Provide an asset tracking tool to maintain a database of asset information such as make, model, operating system, number of CPUs, amount of memory, and amount of storage.

D. Facilities Services

Accela will provide a PCI-DSS compliant facility.

E. Monitoring Server and OS

1. Monitoring Server and OS service detects and responds to up/down availability faults generated by monitored servers.
2. Accela will perform the following:
 - Provide the operational support processes required for up/down monitoring
 - Document and track all detected problems using the site problem management process
 - Escalate all detected problems to the appropriate support personnel

F. Operations Management

1. Operations Management are those activities requiring physical hands-on support. Accela shall provide skilled staff to support all operational support services at an Accela data center facility.
2. Accela will perform the following:
 - Perform systems operation functions such as power on/off and start/stop/reset device intervention
 - Monitor vendors on the Accela premise performing work maintenance or problem resolution work
 - Maintain responsibility for procuring any expendable supplies (CDs,

tapes, cleaning supplies, and so forth)

G. Operating System Management

1. Accela shall provide proper functionality of hosting software on servers. Support is provided for operating systems and related software products. Included are all ongoing processes to maintain supplier-supported operating platforms including preventive software maintenance services.
2. Accela will perform the following:
 - Install and maintain system-level software, such as operating system and other system-level products software requiring user access
 - Monitor system software status and take necessary action to resolve any issues
 - Perform operation system software tuning as required to maintain daily operations for Accela-provided services
 - Install preventive maintenance patches deemed critical by the vendor to support system software products to prevent known problems from impacting the operating environment
 - Install patches per vendor instructions for security exposures deemed critical by the vendor
 - Participate in the identification of connectivity and associated network problems
 - Plan and implement necessary changes for the System
 - Document and track all configuration management changes using the site change management process
 - Provide problem escalation and interact as necessary with third-party suppliers

H. System/File Backup and Restore

1. System/File Backup and Restore Services provide the operational and management processes to backup and restore operating system.
2. Accela will perform the following:
 - Design and implement the backup Plan
 - Perform backups
 - Provide for data restores as needed if Agency causes the need for a data restoration, Agency will be responsible for the cost of the data restore at the hourly service rate in the Contract.
 - Monitor backup processes and verification of successful completion
 - Adjust backup and restore plans as new components are added to the System

I. Server Storage Management

1. Server Storage Management provides for the support of server direct-attached storage environment.
2. Accela will perform to following:
 - Integrate the storage hardware and software to provide the appropriate level of capacity, scalability, and performance of the server storage hardware and software
 - Manage hardware and software maintenance requirements based on the manufacturer's recommended schedule
 - Implement security practices, such as logical unit masking, preventing unauthorized storage access from an unauthorized server
 - Maintain proper storage configuration(s) (mapping logical volumes, creating file systems, balancing I/O capacity)

J. Server Management Services

Accela will provide server management services.

K. Hardware Management

Accela will provide Hardware Management. Hardware management provides the services necessary to enable compute equipment to be physically installed, maintained, and kept operational.

L. Controlled Server Access

Accela will provide Controlled Server Access. Controlled server access provides the tools and processes to manage access to assets. This includes the management of user logon IDs and their access rights to system-level resources, as well as maintaining server-level security parameters and security product options.

M. Virus Protection

Accela will provide Virus Protection services. Server level anti-virus service provides anti-virus software on each server to provide protection and detection of viruses, worms, and other malicious code. The anti-virus software can be updated with current virus signatures and detection engines automatically or by file distribution software. This service also provides the means to scan the server at the system level to detect malicious code.

N. Security Event Logging

Accela will provide Security Event Logging. Security Event Logging is a detective control that enables the recording of security events on system hosts based on preset

parameters. The administrative tool's logging function is enabled and the security events are retained in a record for future review.

O. Vulnerability Scan and Report

Accela will provide Vulnerability management. Vulnerability management includes preventive and detective services to identify vulnerabilities as they emerge; to prevent those vulnerabilities from affecting the in-scope systems; to detect when an in-scope system has been affected; and to cure those affected systems. Vulnerability management includes both Vulnerability Alert management and Vulnerability Scanning processes. Vulnerability Alert management is the preventive process that collects known vulnerabilities and prioritizes vulnerabilities based on associated risk. Vulnerability Scanning is the detective process of identifying potential vulnerabilities on servers for exposures to such vulnerabilities.

P. Managed Cluster

Accela will provide Managed Cluster Management. Managed Cluster Management provides processes to deliver server/storage configurations clustered together in the same physical site. This is delivered through the use of hardware configuration and software to meet availability requirements.

Q. Host Based Intrusion Detection

Accela will provide Host Based Intrusion Detection. Host Based Intrusion Detection is the real-time identification, detection, and notification of suspected unauthorized intrusions on individual servers.

R. Secondary Mirrored Site Management

Accela will provide mirrored secondary site allows for replication of the primary site in the event of a natural disaster rendering the primary data center inoperable. Accela will provide skilled staff to support all operational support services. These services include support processes necessary to provide a secondary mirrored site.

S. Data Recovery

Accela will provide multiple ways to recover data:

Suspected error conditions will be investigated and corrected by ACCELA personnel at ACCELA'S offices to the extent possible. Onsite corrections shall be at the exclusive judgement of ACCELA at no additional cost to the User. User may, however, request that ACCELA conduct such investigations and travel to the location of the User at the User's request; User will pay ACCELA for reasonable travel and subsistence expenses. If ACCELA, in its reasonable judgment, determines that the suspected error condition was attributable to a

cause other than an error in ACCELA'S Subscribed Service or an enhancement by ACCELA, the User will pay for ACCELA'S efforts on a time and materials basis.

ACCELA may provide the User with unsolicited error corrections or changes to the Subscribed Service, without additional charge, which ACCELA determines are necessary for proper operation of its Subscribed Service, and User shall incorporate these corrections or changes into the Subscribed Service within 180 days of release by ACCELA. ACCELA will provide all documentation changes necessary as a result of changes to the software.

ACCELA will provide User all enhancements released by ACCELA as standard enhancements, and which are generally made available to other users purchasing comparable Subscribed Service during the term of this Agreement.

**EXHIBIT I
ATTACHMENT A**

ACCELA, INC. SERVICE LEVEL COMMITMENT

This SaaS Service Level Commitment (“SLC”) is a policy governing the use of Accela software-as-service products (individually or collectively, the “Service”) under the terms of the Accela Master Services Agreement (the “Agreement”) between Accela, Inc. and its affiliates (“Accela”, “us” or “we”) and the purchaser of Accela’s Subscription Service (“Customer”).

Unless otherwise provided herein, this SLC is subject to the terms of the Agreement and capitalized terms will have the meaning specified in the Agreement. Accela reserves the right to change the terms of this SLC in accordance with the Agreement.

DEFINITIONS

“Monthly Uptime Percentage” is calculated by subtracting from 100% the percentage of minutes during the month in which the Service was Unavailable. Measurement of the Monthly Uptime Percentage excludes downtime resulting directly or indirectly from any SLC Exclusion.

“Service Credit” is a dollar credit, calculated as set forth below, that Accela may credit back to an eligible Customer account.

“Unavailable” means, as applicable: (i) Customer is repeatedly unable to log into the Service; (ii) Customer experiences repeated connection request failures; (iii) Customer experiences lack of connectivity of external, public instances or sites lasting for more than five (5) minutes; (iv) Customer is unable to connect and sync mobile applications within the Service to Accela servers; and/or (v) Customer is unable to download or sync data from mobile applications within the Service to Accela servers. The foregoing events must be verifiable or replicable by Accela or its designee. Availability of Accela APIs, as separate from Service access, is expressly excluded from this SLC.

SERVICE COMMITMENT

Accela will use commercially reasonable efforts to make the Service available with a Monthly Uptime Percentage of at least 99.9%, in each calendar month of the Subscription Period (the “Commitment”). In the event the Service does not meet this Commitment, Customer will be eligible to receive a Service Credit as described below.

SCHEDULED & EMERGENCY MAINTENANCE

Accela will maintain certain scheduled maintenance windows during which regular, planned maintenance of the Service may be performed. Accela will use commercially reasonable efforts to provide Customer with no less than twenty-four (24) hours’ notice prior to Services unavailability due to planned maintenance.. Accela’s standard maintenance window will generally fall between the hours of 9:00 PM [21:00] Thursday and 1:00 AM [1:00] Friday local time.

Accela will endeavor to provide as much notice as is practicable under the circumstances for patches, updates, fixes and other emergency maintenance activities which may be applied on an urgent basis.

Accela will provide three (3) business days' notice prior to any planned network, server hardware, operating environment, or database modifications of a material nature.

SERVICE CREDITS

System availability is measured by the following formula:

$$x = (n - y) * 100 / n$$

Notes: (1) "x" is the uptime percentage; "n" is the total number of hours in the given calendar month minus scheduled downtime; and "y" is the total number of downtime hours in the given calendar month.

(2) Specifically excluded from "n" and "y" in this calculation are the exception times on scheduled upgrade and maintenance windows.

| Service Availability | Percentage of Monthly Service Fees Credited |
|-----------------------------|--|
| > 99.9% | 2% |
| 99.5% - < 99.9% | 5% |
| 99.0% - < 99.5% | 10% |
| 95.0% - < 99.0% | 0% |
| 90.0% - < 95.0% | 40% |
| < 90.0% - < 80.0% | 45% |
| < 80% | 50% |

Accela will apply any Service Credits only against future Service payments otherwise due from Customer. Service Credits will not entitle Customer to any refund or other payment from Accela. Service Credits may not be transferred or applied to any other account. Unless otherwise provided in the Agreement, Customer's sole and exclusive remedy for any unavailability, non-performance, or other failure by Accela to provide the Service is the receipt of a Service Credit (if eligible) in accordance with the terms of this SLC.

SLC EXCLUSIONS

The Service Commitment does not apply to any unavailability, suspension or termination of the Service or any Service performance issues: (i) caused by factors outside of Accela's reasonable control, including any force majeure event or Internet access or related problems beyond the Service demarcation point; (ii) that result from customizations (if outside of Accela's best practice recommendations), configuration changes, scripting, or data loss caused by or on behalf of Customer or any End User; (iii) that result from Customer's or any End User's or third party's equipment, software or other technology or integrations (other than third party equipment within Accela's direct control); (iv) that result from any maintenance as provided for pursuant to the above terms; or (vii) arising from our suspension or termination of Customer's right to use the Service in accordance with the Agreement (collectively, the "SLC Exclusions"). If availability is impacted by factors other than those used in the Monthly Uptime Percentage calculation, Accela may issue a Service Credit with consideration to pertinent factors as assessed by Accela in its sole discretion.

SUPPORT COMMITMENT

This Silver Support SLA Addendum (the “Addendum”) is issued under and subject to additional conditions and limitations as set out in the agreement by and between Accela and Customer.

The following Issues, Response Goals and Resolution Goals are applicable to support services for Accela supported products functioning in Customer’s production environment (the “Supported Products”) and is not applicable to any other Accela software, services or environments. Any references to “business day” are exclusive of the U.S. federal and state holidays observed by Accela:

| Priority | Definition | Response Goal | Resolution Goal |
|---|---|--|--|
| Critical Severity Issue (Priority 1) | Supported Product is non-functional or seriously affected and there is no reasonable workaround available (e.g. business is halted). | Confirmation of receipt within one (1) business hour. Update as information arrives or at the interval specified by Customer. | Upon confirmation of receipt, Accela will put forth our best effort to provide a workaround, fix, or estimated completion date within seventy-two (72) hours after the problem has been diagnosed and/or replicated. |
| High Severity Issue (Priority 2) | Supported Product is affected and there is no workaround available or the workaround is impractical (e.g. Supported Product response is very slow, day to day operations continue but are impacted by the work around). | Confirmation of receipt within four (4) business hours. | Accela will put forth our best effort to provide a workaround or fix or estimated completion date within fourteen (14) business days after the problem has been diagnosed and/or replicated. |
| Medium Severity Issue (Priority 3) | Support Product is non-functional however a convenient workaround exists (e.g. non-critical feature is unavailable or requires additional user intervention). | Confirmation of receipt within eight (8) business hours. | Accela will put forth our best effort to provide a workaround or fix or estimated completion date within twenty-one (21) business days after the problem has been diagnosed and/or replicated. |
| Low Severity Issue (Priority 4) | Supported Product works, but there is a minor problem (e.g. incorrect label, or cosmetic defect). | Confirmation of receipt within twenty-four (24) business hours. | Resolution for the Issue may be released as a patch set or be incorporated into a future schedule release of the product. |

REPORT TO COUNCIL

SUBJECT

Action on Amendment No. 1 to the Agreement with Cascadia Consulting Group, Inc. to Assist the City in updating the Climate Action Plan and Preparation of the Related Environment Documents and Related Budget Amendment

COUNCIL PILLAR

Promote Sustainability and Environmental Protection

BACKGROUND

The City formally commenced the Climate Action Plan Update following the City Council's approval of a contract on January 24, 2020 with a consultant team lead by Cascadia Consulting Group, Inc. and including Raimi + Associates and David J. Powers and Associates. The City's current Climate Action Plan (CAP), adopted in December 2013, identifies measurable actions the City can implement through the year 2020 to reduce the City's Greenhouse Gas (GHG) emissions to 1990 levels, as required by California's Global Warming Solutions Act of 2006 (Assembly Bill 32). The City is now in the process of comprehensively updating the CAP to extend the City's GHG reduction goals through 2030, and to address new State requirements enacted since the 2013 CAP was adopted.

The existing term of agreement with Cascadia Consulting Group, Inc. is for two years, ending on December 31, 2021, with two one-year options to extend the agreement through December 31, 2023.

DISCUSSION

Staff is proposing Amendment No.1 to the Agreement with Cascadia Consulting Group, Inc. to exercise one of the two available one-year options to extend the agreement through December 31, 2022, to revise the scope of work, and to increase the maximum compensation by \$20,000.

As the project has developed and was reviewed by the Council, additional tasks were identified by staff working with the CAP update, primarily related to revising and refining the Strategies and Actions to incorporate Council's direction, analyzing scenarios to achieve new reduction targets per Council's direction and additional community engagement efforts due to the pandemic. This has resulted in a need for an extension of the project past the original two-year duration in the agreement. Staff is proposing an allocation of an additional \$20,000 to the CAP budget. Additional funding for the consultant team is needed to support these added and modified tasks.

Use of the Advanced Planning Reserve is proposed to fund the City-initiated changes to the scope and allow the consultants to continue providing support to the CAP Update.

ENVIRONMENTAL REVIEW

The action being considered does not constitute a "project" within the meaning of the California

Environmental Quality Act ("CEQA") pursuant to CEQA Guidelines section 15378(b)(5), in that it is a governmental organizational or administrative activity that will not result in direct or indirect changes in the environment.

Prior to adoption of the CAP Update, an addendum to the General Plan Environmental Impact Report (EIR) will be prepared in accordance with the California Environmental Quality Act (CEQA) to inform key decision-makers and the general public of the potential environmental effects that would arise from implementation of the CAP Update.

FISCAL IMPACT

Amendment No. 1 with Cascadia Consulting Group increases the maximum compensation of the agreement by \$20,000 for a revised total not to exceed amount of \$231,684. This increase will be funded through the Advanced Planning Reserve for continuation of the services through December 31, 2022.

The proposed budget amendment below allocates funding from the Advanced Planning Reserve in the General Fund to the Community Development Department in the amount of \$20,000.

Budget Amendment FY 2021/22

| | Current | Increase/ (Decrease) | Revised |
|----------------------------------|-------------|-------------------------|-------------|
| General Fund | | | |
| <u>Use of Funds</u> | | | |
| Advanced Planning Reserve | \$741,694 | (\$20,000) | \$721,694 |
| | | | |
| | | | |
| | | | |
| Community Development Department | \$6,070,207 | \$20,000 | \$6,090,207 |

COORDINATION

This report has been coordinated with the Finance Department and City Attorney's office.

PUBLIC CONTACT

Public contact was made by posting the Council agenda on the City's official-notice bulletin board outside City Hall Council Chambers. A complete agenda packet is available on the City's website and in the City Clerk's Office at least 72 hours prior to a Regular Meeting and 24 hours prior to a Special Meeting. A hard copy of any agenda report may be requested by contacting the City Clerk's Office at (408) 615-2220, email clerk@santaclaraca.gov <<mailto:clerk@santaclaraca.gov>>.

RECOMMENDATION

1. Authorize the City Manager to execute Amendment No. 1 to the Agreement for Services with Cascadia Consulting Group, Inc., to assist the City in updating the Climate Action Plan and preparation of the related environment documents and increase the maximum compensation by \$20,000 for a revised not to exceed amount of \$231,684; and
2. Consistent with City Charter Section 1305, "At any meeting after the adoption of the budget, the City Council may amend or supplement the budget by motion adopted by the affirmative votes of at least five members so as to authorize the transfer of unused balances appropriated for one purpose to another purpose, or to appropriate available revenue not included in the budget," approve the related FY 2021/22 budget amendment in the General Fund to increase the Community Development Department appropriation by \$20,000 and decrease Advanced Planning Reserve by \$20,000. (five affirmative Council votes required for the use of unused balances).

**AGREEMENT FOR SERVICES
BETWEEN THE
CITY OF SANTA CLARA, CALIFORNIA,
AND
CASCADIA CONSULTING GROUP, INC.**

PREAMBLE

This Agreement is entered into between the City of Santa Clara, a chartered California municipal corporation (hereinafter "City") and Cascadia Consulting Group, Inc., A Washington Corporation (hereinafter "Consultant"). City and Consultant may be referred to individually as a "Party" or collectively as the "Parties" or the "Parties to this Agreement."

RECITALS

- A. City desires to secure the services more fully described in this Agreement, at Exhibit A, entitled "Scope of Services";
- B. Consultant represents that it, and its subconsultants, if any, have the professional qualifications, expertise, necessary licenses and desire to provide certain goods and/or required services of the quality and type which meet objectives and requirements of City; and,
- C. The Parties have specified herein the terms and conditions under which such services will be provided and paid for.

The Parties agree as follows:

AGREEMENT TERMS AND CONDITIONS

1. AGREEMENT DOCUMENTS

The documents forming the entire Agreement between City and Consultant shall consist of these Terms and Conditions and the following Exhibits, which are hereby incorporated into this Agreement by this reference:

Exhibit A – Scope of Services

Exhibit B – Schedule of Fees

Exhibit C – Insurance Requirements

This Agreement, including the Exhibits set forth above, contains all the agreements, representations and understandings of the Parties, and supersedes and replaces any previous agreements, representations and understandings,

whether oral or written. In the event of any inconsistency between the provisions of any of the Exhibits and the Terms and Conditions, the Terms and Conditions shall govern and control.

2. TERM OF AGREEMENT

- A. Unless otherwise set forth in this Agreement or unless this paragraph is subsequently modified by a written amendment to this Agreement, the term of this Agreement shall begin on January 15, 2020 and expire on December 31, 2021.
- B. After the Initial Term, the City reserves the right, at its sole discretion, to extend the term of this Agreement for up to two (2) additional one-year terms through December 31, 2023 ("Option Periods"). City shall provide Consultant with no less than thirty (30) days prior written notice of its intention to exercise its option to extend the term of this Agreement.

3. SCOPE OF SERVICES & PERFORMANCE SCHEDULE

Consultant shall perform those Services specified in Exhibit A within the time stated in Exhibit A. Time is of the essence.

4. WARRANTY

Consultant expressly warrants that all materials and services covered by this Agreement shall be fit for the purpose intended, shall be free from defect and shall conform to the specifications, requirements and instructions upon which this Agreement is based. Consultant agrees to promptly replace or correct any incomplete, inaccurate or defective Services at no further cost to City when defects are due to the negligence, errors or omissions of Consultant. If Consultant fails to promptly correct or replace materials or services, City may make corrections or replace materials or services and charge Consultant for the cost incurred by City.

5. QUALIFICATIONS OF CONSULTANT - STANDARD OF CARE

Consultant represents and maintains that it has the expertise in the professional calling necessary to perform the Services, and its duties and obligations, expressed and implied, contained herein, and City expressly relies upon Consultant's representations regarding its skills and knowledge. Consultant shall perform such Services and duties in conformance to and consistent with the professional standards of a specialist in the same discipline in the State of California.

6. COMPENSATION AND PAYMENT

In consideration for Consultant's complete performance of Services, City shall pay Consultant for all materials provided and Services rendered by Consultant in

accordance with Exhibit B, entitled "SCHEDULE OF FEES." The maximum compensation of this Agreement is Two Hundred Eleven Thousand Six Hundred Eighty-Four Dollars (\$211,684), subject to budget appropriations, which includes all payments that may be authorized for Services and for expenses, supplies, materials and equipment required to perform the Services. All work performed or materials provided in excess of the maximum compensation shall be at Consultant's expense. Consultant shall not be entitled to any payment above the maximum compensation under any circumstance.

7. TERMINATION

- A. Termination for Convenience. City shall have the right to terminate this Agreement, without cause or penalty, by giving not less than Thirty (30) days' prior written notice to Consultant.
- B. Termination for Default. If Consultant fails to perform any of its material obligations under this Agreement, in addition to all other remedies provided by law, City may terminate this Agreement immediately upon written notice to Consultant.
- C. Upon termination, each Party shall assist the other in arranging an orderly transfer and close-out of services. As soon as possible following the notice of termination, but no later than ten (10) days after the notice of termination, Consultant will deliver to City all City information or material that Consultant has in its possession.

8. ASSIGNMENT AND SUBCONTRACTING

City and Consultant bind themselves, their successors and assigns to all covenants of this Agreement. This Agreement shall not be assigned or transferred without the prior written approval of City. Consultant shall not hire subconsultants without express written permission from City.

Consultant shall be as fully responsible to City for the acts and omissions of its subconsultants, and of persons either directly or indirectly employed by them, as Consultant is for the acts and omissions of persons directly employed by it.

9. NO THIRD PARTY BENEFICIARY

This Agreement shall not be construed to be an agreement for the benefit of any third party or parties and no third party or parties shall have any claim or right of action under this Agreement for any cause whatsoever.

10. INDEPENDENT CONTRACTOR

Consultant and all person(s) employed by or contracted with Consultant to furnish labor and/or materials under this Agreement are independent contractors

and do not act as agent(s) or employee(s) of City. Consultant has full rights to manage its employees in their performance of Services under this Agreement.

11. CONFIDENTIALITY OF MATERIAL

All ideas, memoranda, specifications, plans, manufacturing procedures, data, drawings, descriptions, documents, discussions or other information developed or received by or for Consultant and all other written information submitted to Consultant in connection with the performance of this Agreement shall be held confidential by Consultant and shall not, without the prior written consent of City, be used for any purposes other than the performance of the Services nor be disclosed to an entity not connected with performance of the Services. Nothing furnished to Consultant which is otherwise known to Consultant or becomes generally known to the related industry shall be deemed confidential.

12. OWNERSHIP OF MATERIAL

All material, which shall include, but not be limited to, data, sketches, tracings, drawings, plans, diagrams, quantities, estimates, specifications, proposals, tests, maps, calculations, photographs, reports, designs, technology, programming, works of authorship and other material developed, collected, prepared or caused to be prepared under this Agreement shall be the property of City but Consultant may retain and use copies thereof. City shall not be limited in any way or at any time in its use of said material. However, Consultant shall not be responsible for damages resulting from the use of said material for work other than Project, including, but not limited to, the release of this material to third parties.

13. RIGHT OF CITY TO INSPECT RECORDS OF CONSULTANT

City, through its authorized employees, representatives or agents shall have the right during the term of this Agreement and for four (4) years from the date of final payment for goods or services provided under this Agreement, to audit the books and records of Consultant for the purpose of verifying any and all charges made by Consultant in connection with Consultant compensation under this Agreement, including termination of Consultant. Consultant agrees to maintain sufficient books and records in accordance with generally accepted accounting principles to establish the correctness of all charges submitted to City. Any expenses not so recorded shall be disallowed by City. Consultant shall bear the cost of the audit if the audit determines that there has been a substantial billing deviation in excess of five (5) percent adverse to the City.

Consultant shall submit to City any and all reports concerning its performance under this Agreement that may be requested by City in writing. Consultant agrees to assist City in meeting City's reporting requirements to the State and other agencies with respect to Consultant's Services hereunder.

14. HOLD HARMLESS/INDEMNIFICATION

- A. To the extent permitted by law, Consultant agrees to protect, defend, hold harmless and indemnify City, its City Council, commissions, officers, employees, volunteers and agents from and against any claim, injury, liability, loss, cost, and/or expense or damage, including all costs and attorney's fees in providing a defense to any such claim or other action, and whether sounding in law, contract, tort, or equity, in any manner arising from, or alleged to arise in whole or in part from, or in any way connected with the Services performed by Consultant pursuant to this Agreement – including claims of any kind by Consultant's employees or persons contracting with Consultant to perform any portion of the Scope of Services – and shall expressly include passive or active negligence by City connected with the Services. However, the obligation to indemnify shall not apply if such liability is ultimately adjudicated to have arisen through the sole active negligence or sole willful misconduct of City; the obligation to defend is not similarly limited.
- B. Consultant's obligation to protect, defend, indemnify, and hold harmless in full City and City's employees, shall specifically extend to any and all employment-related claims of any type brought by employees, consultants, subconsultants or other agents of Consultant, against City (either alone, or jointly with Consultant), regardless of venue/jurisdiction in which the claim is brought and the manner of relief sought.
- C. To the extent Consultant is obligated to provide health insurance coverage to its employees pursuant to the Affordable Care Act ("Act") and/or any other similar federal or state law, Consultant warrants that it is meeting its obligations under the Act and will fully indemnify and hold harmless City for any penalties, fines, adverse rulings, or tax payments associated with Consultant's responsibilities under the Act.

15. INSURANCE REQUIREMENTS

During the term of this Agreement, and for any time period set forth in Exhibit C, Consultant shall provide and maintain in full force and effect, at no cost to City, insurance policies as set forth in Exhibit C.

16. WAIVER

Consultant agrees that waiver by City of any one or more of the conditions of performance under this Agreement shall not be construed as waiver(s) of any other condition of performance under this Agreement. Neither City's review, acceptance nor payments for any of the Services required under this Agreement shall be constructed to operate as a waiver of any rights under this Agreement or of any cause of action arising out of the performance of this Agreement.

17. NOTICES

All notices to the Parties shall, unless otherwise requested in writing, be sent to City addressed as follows:

The workday the e-mail was sent shall control the date notice was deemed given. An e-mail transmitted after 1:00 p.m. on a Friday shall be deemed to have been transmitted on the following business day.

18. COMPLIANCE WITH LAWS

Consultant shall comply with all applicable laws and regulations of the federal, state and local government, including but not limited to "The Code of the City of Santa Clara, California" ("SCCC"). In particular, Consultant's attention is called to the regulations regarding Campaign Contributions (SCCC Chapter 2.130), Lobbying (SCCC Chapter 2.155), Minimum Wage (SCCC Chapter 3.20), Business Tax Certificate (SCCC section 3.40.060), and Food and Beverage Service Worker Retention (SCCC Chapter 9.60), as such Chapters or Sections may be amended from time to time or renumbered. Additionally Consultant has read and agrees to comply with City's Ethical Standards (<http://santaclaraca.gov/home/showdocument?id=58299>).

19. CONFLICTS OF INTEREST

Consultant certifies that to the best of its knowledge, no City officer, employee or authorized representative has any financial interest in the business of Consultant and that no person associated with Consultant has any interest, direct or indirect, which could conflict with the faithful performance of this Agreement. Consultant is familiar with the provisions of California Government Code section 87100 and

following, and certifies that it does not know of any facts which would violate these code provisions. Consultant will advise City if a conflict arises.

20. FAIR EMPLOYMENT

Consultant shall not discriminate against any employee or applicant for employment because of race, sex, color, religion, religious creed, national origin, ancestry, age, gender, marital status, physical disability, mental disability, medical condition, genetic information, sexual orientation, gender expression, gender identity, military and veteran status, or ethnic background, in violation of federal, state or local law.

21. NO USE OF CITY NAME OR EMBLEM

Consultant shall not use City's name, insignia, or emblem, or distribute any information related to services under this Agreement in any magazine, trade paper, newspaper or other medium without express written consent of City.

22. GOVERNING LAW AND VENUE

This Agreement shall be governed and construed in accordance with the statutes and laws of the State of California. The venue of any suit filed by either Party shall be vested in the state courts of the County of Santa Clara, or if appropriate, in the United States District Court, Northern District of California, San Jose, California.

23. SEVERABILITY CLAUSE

In case any one or more of the provisions in this Agreement shall, for any reason, be held invalid, illegal or unenforceable in any respect, it shall not affect the validity of the other provisions, which shall remain in full force and effect.

24. AMENDMENTS

This Agreement may only be modified by a written amendment duly authorized and executed by the Parties to this Agreement.

25. COUNTERPARTS

This Agreement may be executed in counterparts, each of which shall be deemed to be an original, but both of which shall constitute one and the same instrument.

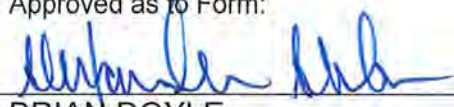

The Parties acknowledge and accept the terms and conditions of this Agreement as evidenced by the following signatures of their duly authorized representatives.

"CONSULTANT"

EXHIBIT A SCOPE OF SERVICES

1. GENERAL

- 1.1.** Consultant shall assist the City in updating its Climate Action Plan (CAP). Consultant shall also assist the City in the preparation of related environmental reviews in conformance with the California Environmental Quality Act (CEQA).
- 1.2.** The Consultant team will work closely with City staff members from the Community Development Department, the Electric Department (Silicon Valley Power), the Public Works Department, and the Water & Sewer Utilities Department.
- 1.3.** Consultant shall coordinate with the City project team, including participating in biweekly check-in calls with City staff.
- 1.4.** Consultant shall provide real-time budget updates and regular detailed reports and invoices, and will provide monthly progress reports that cover budget, timeline, and deliverables.
- 1.5.** Subconsultants: The following subconsultants have been approved to perform services under this Agreement.
 - 1.5.1.** David J. Powers & Associates; and
 - 1.5.2.** Raimi + Associates.

2. CLIMATE ACTION PLAN UPDATE

2.1. Coordinate with City Project Team

- 2.1.1.** Consultant shall facilitate a kickoff meeting with the City project team. The purpose of the kickoff meeting will be to review the 2013 Climate Action Plan, discuss the relationship of the CAP to other City documents, and make key decisions regarding project methodologies, scopes, and boundaries.
- 2.1.2.** Consultant shall describe the project's ultimate goals and outcomes, and methodologies for meeting those outcomes through City, stakeholder, and public engagement. Consultant shall outline a vision for public engagement and identify key stakeholder groups to begin contacting. Outcomes from the kick-off meeting will include a final project work plan and schedule.
- 2.1.3. Deliverable:**
 - 2.1.3.1.** Project Initiation/Kickoff meeting.

2.2. Analyze City Actions Since 2013 CAP was Adopted

2.2.1. The Consultant shall review the City's existing Climate Action Plan, environmental documentation, and any other related data to measure the City's progress in reducing greenhouse gases (GHG) against the recommended baseline. The updated CAP shall reflect the City's accomplishments since the adoption of the last Climate Action Plan.

2.2.2. The City has adopted several programs since the current Climate Action Plan was developed that shall be considered for the greenhouse gas reduction, while preparing the updated CAP document. The City aims to develop and adopt the updated CAP as an amendment to the existing 2030 General Plan.

2.2.3. Deliverables:

2.2.3.1. Memo summarizing City progress on 2013 CAP actions; and

2.2.3.2. Interviews with City staff, if needed.

2.3. Recommend and Forecast GHG Emission Reduction Targets

2.3.1. The Consultant shall review and analyze the past GHG emission data for the community and municipal operations and update GHG emission reduction forecasts. Consultant shall determine scenarios to achieve new reduction targets in the CAP Update. The Consultant must evaluate and summarize the impact of anticipated state and federal policies and programs on GHG emission reductions and incorporate those into this task as appropriate.

2.3.2. Deliverables:

2.3.2.1. Validated municipal and community inventories;

2.3.2.2. Business as usual forecast, including contributions from population and economic growth and comparison to potential reduction targets; and

2.3.2.3. Emission scenarios and reduction targets, in total and per capita.

2.4. Greenhouse Gas Reduction and Sustainability Strategies

2.4.1. The Consultant shall identify any opportunities where greater cross-departmental coordination and/or consideration of GHG impacts would increase the effectiveness of the City's sustainability efforts and GHG reduction.

2.4.2. Deliverables:

2.4.2.1. Initial list of options, evaluation of options, and revised shortlist; and

- 2.4.2.2. Inter-departmental workshop and/or other collaborative tools.

2.5. Develop and Conduct Community Engagement Guidance and Strategies

- 2.5.1. The Consultant shall provide a robust community outreach strategy based on successful outcomes and experience with similar projects in other communities.
- 2.5.2. At a minimum, the Consultant shall plan on facilitating and attending three (3) public workshops to engage the community.
- 2.5.3. **Deliverable:**
 - 2.5.3.1. Community Engagement Plan and implementation of engagement strategies included therein.

2.6. Coordinate with Related City Efforts

- 2.6.1. The City is in the process of adopting several policies and initiatives, such as the Green Infrastructure Plan, electric vehicle (EV) charging master plan, etc. The Consultant shall stay coordinated and aligned with the relevant departments and include them in the updated Climate Action Plan.
- 2.6.2. **Deliverable:**
 - 2.6.2.1. Coordinate with Related City Efforts.

2.7. Draft Updated Climate Action Plan

- 2.7.1. The Consultant shall develop a draft updated Climate Action Plan using the GHG emission analysis described in Section 2.4 above. The specific strategies and priority actions selected to meet the recommended target reductions shall be summarized into a strategic framework with specific near-term implementation plans and a schedule for longer-term implementation plan development. Measures shall identify agencies and departments responsible, indicators for success, potential partnerships, recommended funding sources, and appropriate methods to assess progress.
- 2.7.2. The Plan shall include the following key components.
 - 2.7.2.1. Background and rationale: This will describe the vision of a resilient, low-emissions City of Santa Clara, explain the importance of the CAP, and highlight anticipated benefits and avoided costs.
 - 2.7.2.2. Baseline and projections summary: This section will summarize and discuss baseline conditions and forecasts of GHG emissions. It will also cover observed and projected changes in climate and likely impacts of climate change on the city and region.

- 2.7.2.3.** Vision, goals, and key performance indicators: This component will frame the CAP by introducing the City's vision for the future, emissions-reduction goals over the short, medium and long term, and key performance indicators that the City and the general public can use to gauge progress.
- 2.7.2.4.** Strategies and actions: Consultant shall describe each overarching strategy and briefly describe the corresponding actions.
- 2.7.2.5.** Implementation Plan: A plan that will be presented as an integral component of the full Climate Action Plan, laying out how to put it into action. The implementation plan will have tables to depict actions, roles, and desired outcomes by sector and emissions source. The implementation plan will contain the following sections.
- Year 1 implementation overview: A summary of key tasks to be accomplished in the first year of plan implementation.
 - Implementation summary and schedule: For each priority plan action, relative measures of action cost and effectiveness, accompanying co-benefits, timeframes for implementation, and responsible departments.
 - Funding: Potential funding mechanisms and opportunities for financing specific plan actions.
 - Oversight, accountability, and enforcement: This will include a framework and plan for future revisions and updates by City staff and the Council. It may also include an ongoing structure for ongoing citizen oversight and involvement.
 - City staffing and leadership: Based on the staffing analysis, this section will lay out a structure for maintaining ongoing City staff resources and leadership during the CAP implementation phase.
 - Equity: Guidance for ensuring that equity is considered in plan implementation and noting specific strategies or actions where this will require particular attention.
 - Monitoring, evaluation, and reporting: Methodology, tools, and metrics for measuring progress and tracking performance over time, and a template and plan for reporting on this progress to broad audiences. It will include reporting on progress against specific strategies

and actions, as well as overall progress on reducing community climate vulnerability and emissions.

2.7.3. Deliverable:

- 2.7.3.1.** Draft Climate Action Plan, with the main body anticipated to be approximately 50-60 pages long; and
- 2.7.3.2.** Appendices to the CAP, including a detailed Implementation Plan.

2.8. Prepare Appropriate Environmental Documents

2.8.1. Consultant shall prepare an addendum for the City's CAP that fulfills the requirements under the CEQA. The addendum will include a project description, discussion of consistency with applicable plans and policies, a section that includes a description of existing conditions, the CEQA checklist, and an explanation of project impacts.

2.8.1.1. Project description: A detailed description using maps and graphics where appropriate to illustrate the proposed measures and programs that will be incorporated into the CAP.

2.8.1.2. CEQA checklist: This will include content appropriate for the proposed implementation measures. These will likely focus on energy, GHG emissions, transportation, and utilities.

2.8.1.3. Report circulation, review, and finalizing: Preparation of the 1st Administrative Draft Addendum, revising per City comments, submittal of the Screencheck version to the City for final review and comment, and preparation of the final document for posting on the City's website.

2.8.2. Deliverables:

- 2.8.2.1.** 1st Administrative Draft Addendum;
- 2.8.2.2.** Revised Addendum and Screencheck; and
- 2.8.2.3.** Final Study/Addendum.

2.9. Support City in the Adoption of the Climate Action Plan and the General Plan Amendment

2.9.1. The Consultant shall prepare reports, presentations and updates, and attend and engage the commissions and City Council throughout the CAP update process.

2.9.2. The Consultant shall support City staff preparing reports, presenting, and obtaining approval of the finalized CAP and obtaining approval of the General Plan Amendment from the Planning Commission and the final adoption by the City Council.

2.9.3. Deliverable:

- 2.9.3.1.** Presentations, reports, memos, and/or other CAP adoption support, as required by City staff.

3. ADMINISTRATIVE DRAFT CLIMATE ACTION PLAN

- 3.1.** Consultant shall prepare an Administrative Draft Climate Action Plan with all the components discussed in this Exhibit A.
- 3.2.** Consultant shall provide ten (10) copies of the Administrative Draft CAP to the City for review and comment. Consultant shall also submit a Word version of the draft to facilitate and convey City comments/edits.
- 3.3.** The City shall send the Consultant a consolidated set of City comments/edits in Word format using tracked changes.
- 3.4. Deliverable:**
- 3.4.1.** Ten (10) copies and Word file of draft CAP submitted to the City for review.

4. FINAL DRAFT CLIMATE ACTION PLAN

- 4.1.** Upon receiving the consolidated set of City comments/edits, Consultant will revise the draft CAP based on the comments and revision from the City. Consultant shall then organize a request for public comment on the revised CAP.
- 4.2.** Consultant shall provide the City with a matrix indicating Consultant's recommended way to address each public comment and asking for City guidance on pending issues. Consultant shall compile feedback and integrate it, as appropriate, into a final version of the CAP to be presented to City Council for approval.
- 4.3.** Consultant shall provide five (5) printed copies of the final draft CAP. Consultant shall also submit them electronically in Word and Adobe PDF formats.
- 4.4. Deliverable:**
- 4.4.1.** Five (5) copies of Final Climate Action Plan and electronic copies in Word and PDF formats.

- 5.2. If there are no discrepancies or deficiencies in the submitted invoice, City shall submit payment to Consultant within thirty (30) days.

EXHIBIT C

INSURANCE REQUIREMENTS

Without limiting the Consultant's indemnification of the City, and prior to commencing any of the Services required under this Agreement, the Consultant shall provide and maintain in full force and effect, at its sole cost and expense, the following insurance policies with at least the indicated coverages, provisions and endorsements:

A. COMMERCIAL GENERAL LIABILITY INSURANCE

1. Commercial General Liability Insurance policy which provides coverage at least as broad as Insurance Services Office form CG 00 01. Policy limits are subject to review, but shall in no event be less than, the following:

\$1,000,000 Each Occurrence
\$2,000,000 General Aggregate
\$2,000,000 Products/Completed Operations Aggregate
\$1,000,000 Personal Injury
2. Exact structure and layering of the coverage shall be left to the discretion of Consultant; however, any excess or umbrella policies used to meet the required limits shall be at least as broad as the underlying coverage and shall otherwise follow form.
3. The following provisions shall apply to the Commercial Liability policy as well as any umbrella policy maintained by the Consultant to comply with the insurance requirements of this Agreement:
 - a. Coverage shall be on a "pay on behalf" basis with defense costs payable in addition to policy limits;
 - b. There shall be no cross liability exclusion which precludes coverage for claims or suits by one insured against another; and
 - c. Coverage shall apply separately to each insured against whom a claim is made or a suit is brought, except with respect to the limits of liability.

B. BUSINESS AUTOMOBILE LIABILITY INSURANCE

Business automobile liability insurance policy which provides coverage at least as broad as ISO form CA 00 01 with policy limits a minimum limit of not less than one million dollars (\$1,000,000) each accident using, or providing coverage at least as broad as, Insurance Services Office form CA 00 01. Liability coverage shall apply to all owned, non-owned and hired autos.

In the event that the Work being performed under this Agreement involves transporting of hazardous or regulated substances, hazardous or regulated

wastes and/or hazardous or regulated materials, Consultant and/or its subconsultants involved in such activities shall provide coverage with a limit of two million dollars (\$2,000,000) per accident covering transportation of such materials by the addition to the Business Auto Coverage Policy of Environmental Impairment Endorsement MCS90 or Insurance Services Office endorsement form CA 99 48, which amends the pollution exclusion in the standard Business Automobile Policy to cover pollutants that are in or upon, being transported or towed by, being loaded onto, or being unloaded from a covered auto.

C. WORKERS' COMPENSATION

1. Workers' Compensation Insurance Policy as required by statute and employer's liability with limits of at least one million dollars (\$1,000,000) policy limit Bodily Injury by disease, one million dollars (\$1,000,000) each accident/Bodily Injury and one million dollars (\$1,000,000) each employee Bodily Injury by disease.
2. The indemnification and hold harmless obligations of Consultant included in this Agreement shall not be limited in any way by any limitation on the amount or type of damage, compensation or benefit payable by or for Consultant or any subconsultant under any Workers' Compensation Act(s), Disability Benefits Act(s) or other employee benefits act(s).
3. This policy must include a Waiver of Subrogation in favor of the City of Santa Clara, its City Council, commissions, officers, employees, volunteers and agents.

D. PROFESSIONAL LIABILITY

Professional Liability or Errors and Omissions Insurance as appropriate shall be written on a policy form coverage specifically designed to protect against negligent acts, errors or omissions of the Consultant. Covered services as designated in the policy must specifically include work performed under this agreement. Coverage shall be in an amount of not less than one million dollars (\$1,000,000) per claim or two million dollars (\$2,000,000) aggregate. Any coverage containing a deductible or self-retention must first be approved in writing by the City Attorney's Office.

E. COMPLIANCE WITH REQUIREMENTS

All of the following clauses and/or endorsements, or similar provisions, must be part of each commercial general liability policy, and each umbrella or excess policy.

1. Additional Insureds. City of Santa Clara, its City Council, commissions, officers, employees, volunteers and agents are hereby added as additional insureds in respect to liability arising out of Consultant's work for City, using Insurance Services Office (ISO) Endorsement CG 20 10 11 85

or the combination of CG 20 10 03 97 and CG 20 37 10 01, or its equivalent.

2. Primary and non-contributing. Each insurance policy provided by Consultant shall contain language or be endorsed to contain wording making it primary insurance as respects to, and not requiring contribution from, any other insurance which the Indemnities may possess, including any self-insurance or self-insured retention they may have. Any other insurance Indemnities may possess shall be considered excess insurance only and shall not be called upon to contribute with Consultant's insurance.
3. Cancellation.
 - a. Each insurance policy shall contain language or be endorsed to reflect that no cancellation or modification of the coverage provided due to non-payment of premiums shall be effective until written notice has been given to City at least ten (10) days prior to the effective date of such modification or cancellation. In the event of non-renewal, written notice shall be given at least ten (10) days prior to the effective date of non-renewal.
 - b. Each insurance policy shall contain language or be endorsed to reflect that no cancellation or modification of the coverage provided for any cause save and except non-payment of premiums shall be effective until written notice has been given to City at least thirty (30) days prior to the effective date of such modification or cancellation. In the event of non-renewal, written notice shall be given at least thirty (30) days prior to the effective date of non-renewal.
4. Other Endorsements. Other endorsements may be required for policies other than the commercial general liability policy if specified in the description of required insurance set forth in Sections A through D of this Exhibit C, above.

F. **ADDITIONAL INSURANCE RELATED PROVISIONS**

Consultant and City agree as follows:

1. Consultant agrees to ensure that subconsultants, and any other party involved with the Services who is brought onto or involved in the performance of the Services by Consultant, provide the same minimum insurance coverage required of Consultant, except as with respect to limits. Consultant agrees to monitor and review all such coverage and assumes all responsibility for ensuring that such coverage is provided in conformity with the requirements of this Agreement. Consultant agrees that upon request by City, all agreements with, and insurance compliance

documents provided by, such subconsultants and others engaged in the project will be submitted to City for review.

2. Consultant agrees to be responsible for ensuring that no contract used by any party involved in any way with the project reserves the right to charge City or Consultant for the cost of additional insurance coverage required by this Agreement. Any such provisions are to be deleted with reference to City. It is not the intent of City to reimburse any third party for the cost of complying with these requirements. There shall be no recourse against City for payment of premiums or other amounts with respect thereto.
3. The City reserves the right to withhold payments from the Consultant in the event of material noncompliance with the insurance requirements set forth in this Agreement.

G. EVIDENCE OF COVERAGE

Prior to commencement of any Services under this Agreement, Consultant, and each and every subconsultant (of every tier) shall, at its sole cost and expense, provide and maintain not less than the minimum insurance coverage with the endorsements and deductibles indicated in this Agreement. Such insurance coverage shall be maintained with insurers, and under forms of policies, satisfactory to City and as described in this Agreement. Consultant shall file with the City all certificates and endorsements for the required insurance policies for City's approval as to adequacy of the insurance protection.

H. EVIDENCE OF COMPLIANCE

Consultant or its insurance broker shall provide the required proof of insurance compliance, consisting of Insurance Services Office (ISO) endorsement forms or their equivalent and the ACORD form 25-S certificate of insurance (or its equivalent), evidencing all required coverage shall be delivered to City, or its representative as set forth below, at or prior to execution of this Agreement. Upon City's request, Consultant shall submit to City copies of the actual insurance policies or renewals or replacements. Unless otherwise required by the terms of this Agreement, all certificates, endorsements, coverage verifications and other items required to be delivered to City pursuant to this Agreement shall be mailed to:

EBIX Inc.

REPORT TO COUNCIL

SUBJECT

Action on Amendment No. 2 to the Billboard Banking Agreement with Outfront Media, LLC to Allow a Banked Credit for the Removal of a Two-Sided Static Billboard Located at 4545 Stevens Creek Boulevard Until June 30, 2022

COUNCIL PILLAR

Promote and Enhance Economic, Housing and Transportation Development

BACKGROUND

In April 2011, the Council revised the City Council Policy Statement for Billboard Relocation Agreements (Relocation Policy) (Attachment 1) providing that relocation or construction of a billboard may only occur with the removal of billboards from the City's existing inventory. More specifically, billboard relocation could only occur based upon removal of a sign face or panel at a ratio of 3:1 (three billboard faces removed for each relocated, new or reconstructed face). The policy was aimed at the overall net reduction of sign faces.

In 2017, Outfront Media, LLC (Outfront) expressed interest in constructing a new two-sided digital billboard within the City at a future date. In accordance with the Relocation Policy, Outfront would be required to remove a total of six existing billboard faces. Outfront removed a two-sided billboard structure located at 4545 Stevens Creek Boulevard to accommodate redevelopment of the site and requested City approval to bank two billboard faces as a credit on a future billboard site.

On May 9, 2017, City Council approved the Billboard Banking Agreement (Agreement) with Outfront to allow credit for the removal of the two-sided static billboard located at 4545 Stevens Creek Boulevard. The Agreement allowed credits to be banked until December 31, 2020. As consideration, Outfront agreed to remove an additional non-banked billboard face at 2550 Lafayette Street by December 31, 2020 (Attachment 2).

In December 2019, Outfront approached the City with a request to amend the Agreement, to extend the termination date from December 31, 2020 to December 31, 2024. After discussions with staff, Outfront determined that they would pursue approvals of a single faced billboard at 630 Laurelwood Road and therefore not need an extension to the Banking Agreement beyond December 31, 2020.

Due to unforeseen delays as a result of the COVID-19 pandemic, Outfront submitted a formal application on September 16, 2020 to construct a new single face digital display at 630 Laurelwood Road. On December 16, 2020, Council approved Amendment no. 1 to the Agreement to extend the term to December 31, 2021 (Attachment 3).

On December 18, 2020, Outfront removed the billboard sign at 2550 Lafayette Street as required by

the original Agreement.

DISCUSSION

Staff have worked diligently with Outfront on a timeline for the approval processes for a new billboard sign and approval of a relocation agreement before December 2021. However, there have been significant delays with the application process, specifically with CEQA documentation needed prior to seeking entitlements for the new billboard sign. Therefore, staff is recommending a second amendment (Attachment 4) to the Agreement to extend the term to June 30, 2022 which would allow for sufficient time to process approvals and for Outfront to maintain the banked credits in accordance with the Banking Agreement.

As discussed earlier, the Banking Agreement preserves credits for the removal of billboard faces under the Relocation Policy that would be applied to future billboard requests. The requested amendment does not provide for any approvals of a new billboard. As of the preparation of this report, CEQA environmental documentation for 630 Laurelwood has been prepared and will be circulated for review and comment. Subsequently, staff will bring forth the item to Planning Commission and Council for consideration of the sign project and corresponding Relocation Agreement.

ENVIRONMENTAL REVIEW

The action being considered does not constitute a "project" within the meaning of the California Environmental Quality Act ("CEQA") pursuant to CEQA Guidelines section 15378(a) as it has no potential for resulting in either a direct physical change in the environment, or a reasonably foreseeable indirect physical change in the environment.

FISCAL IMPACT

There is no fiscal impact associated with this action.

COORDINATION

This report has been coordinated with the Community Development Department and the City Attorney's Office.

PUBLIC CONTACT

Public contact was made by posting the Council agenda on the City's official-notice bulletin board outside City Hall Council Chambers. A complete agenda packet is available on the City's website and in the City Clerk's Office at least 72 hours prior to a Regular Meeting and 24 hours prior to a Special Meeting. A hard copy of any agenda report may be requested by contacting the City Clerk's Office at (408) 615-2220, email clerk@santaclaraca.gov <<mailto:clerk@santaclaraca.gov>>.

RECOMMENDATION

Approve and authorize the City Manager to execute Amendment No. 2 to the Billboard Banking Agreement with Outfront Media, LLC to extend the termination date from December 31, 2021 to June 30, 2022.

CITY COUNCIL POLICY STATEMENT FOR BILLBOARD RELOCATION AGREEMENTS

Revised April 2011

All Billboard Relocation Agreements shall have the following as the minimum criteria:

1. As of the adoption of this policy, there are 24 existing billboards in the City and that number shall not increase.
2. "Relocation" is defined as raising the height of an existing billboard, reconstructing an existing billboard, adding a face to an existing one sided billboard, or replacing an existing billboard with a new billboard in a new location.
3. Relocation can only occur with the removal of billboards from the existing billboard inventory as of July 1, 2004.
4. Relocation can only occur based upon a sign face or panel removal ratio of 3:1 (three faces removed for each relocated, new or reconstructed face) that will result in the net reduction of sign faces. As an example, in order to increase the height of a single faced billboard, 3 existing billboard faces would have to be removed.
5. In an effort to minimize public expense in amortizing outdoor advertising displays, the City may waive certain billboard requirements as set forth in City Code Sections 18.80.050 (height) and 18.80.220(b) (billboard general provisions), as those sections may be amended from time to time, with factual findings by the City Council which justify the relocation of billboards. Those findings shall include, but not be limited to, ensuring traffic safety and aesthetics are maintained in the City, encouraging locations adjacent to freeways and expressways, restricting billboards from or near residential areas and providing a minimum of 300 foot separation from existing or proposed billboards.
6. All relocated billboards must provide for at least 10% public service announcement use, free of charge to the City and non-profit entities, of one full face of copy exposure based on daily use (e.g. 36.5 days per year), and at least 50% of such public service announcement use shall occur during the hours of 6:00 a.m. and 9:00 p.m. daily.
7. Any relocation agreement allowing any relocated billboards in residentially zoned areas or areas designated for residential use in the General Plan shall require the removal of the billboard after a period of 20 years.
8. The consideration for City execution of a billboard relocation agreement shall be a payment to the City in the amount of a minimum of \$70,000.00 per relocated sign face.

**BILLBOARD BANKING AGREEMENT
BY AND BETWEEN THE
CITY OF SANTA CLARA, CALIFORNIA,
AND
OUTFRONT MEDIA LLC**

PREAMBLE

This billboard banking agreement ("Agreement") is by and between OUTFRONT Media LLC, a Delaware limited liability company, with its principal place of business located at 405 Lexington Avenue, New York, NY 10174 ("Advertiser"), and the City of Santa Clara, California, a chartered California municipal corporation with its primary business address at 1500 Warburton Avenue, Santa Clara, California 95050 ("City"). City and Advertiser may be referred to individually as a "Party" or collectively as the "Parties" or the "Parties to this Agreement." This Agreement shall commence on the "Effective Date," which is the date that the final signatory executes the Agreement.

RECITALS

- A. WHEREAS, Sections 18.80.220-.221 of the Code of the City of Santa Clara, California ("SCCC") limit the total number of billboards within the City limits and prohibit the construction of additional billboards, except through billboard relocation agreements pursuant to Business & Professions Code section 5412 and the City Council Policy Statement for Billboard Relocation Agreements;
- B. WHEREAS, Pursuant to SCCC Section 18.80.220(b)(6), any billboard that has been dismantled or removed for a period of 120 consecutive calendar days would ordinarily cease to be counted towards the total permissible billboards within the City;
- C. WHEREAS, Advertiser is the owner of a number of billboard faces and structures within the City of Santa Clara including the following:
 - a. 4545 Stevens Creek Boulevard (2 faces)
 - b. 2983 El Camino Real (2 faces)
 - c. 3362 El Camino Real (2 faces)
 - d. 2550 Lafayette Street (1 face)
- D. WHEREAS, Advertiser wishes to construct, within the City, and at some future date, a two-sided digital billboard ("Proposed Sign");
- E. WHEREAS, In accordance with the City Council Policy Statement for Billboard Relocation Agreements, Advertiser must remove 3 existing billboard faces for each new digital face it wishes to install, such that a total of 6 existing billboard faces must be removed in order to install a new digital billboard with two faces;

- F. WHEREAS, Advertiser wishes to remove the two-sided billboard structure located at 4545 Stevens Creek Boulevard and "bank" those sides towards the future construction of the Proposed Sign; and
- G. WHEREAS, Advertiser believes that it will seek City approval of its construction of the Proposed Sign, at some future date, before December 31, 2020.

Now therefore, in consideration of the mutual promises herein contained, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereby agree as follows:

AGREEMENT PROVISIONS

1. The term of this Agreement shall begin on the Effective Date of this Agreement and terminate on December 31, 2020.
2. Advertiser agrees as follows:
 - a. Advertiser shall remove its 2-sided billboard structure from 4545 Stevens Creek Boulevard, including the billboard's two faces, within 90 days after the Effective Date of this Agreement, and
 - b. Advertiser shall remove the billboard face at 2550 Lafayette Street by December 31, 2020, and
 - c. Advertiser shall remove the remaining 4 billboard faces listed in Recital C, including billboard faces at 2983 and 3362 El Camino Real, on or before December 31, 2020 so long as Advertiser has successfully obtained all state and City approvals to construct and operate the Proposed Sign prior to December 31, 2020, and the statutes of limitation for legally opposing such approvals have expired without challenge. However, in Outfront's sole discretion, it may remove the remaining 4 billboard faces listed in Recital C prior to the expiration of any applicable statutes of limitation and satisfy the requirements of this paragraph.
3. In exchange for Advertiser's obligations concerning timely removal of the two-sided billboard structure at 4545 Stevens Creek Boulevard and its obligations concerning removal of the billboard face at 2550 Lafayette Street pursuant to the terms of Section 1 of this Agreement, City shall allow Advertiser to "bank" the two billboard faces from the removal of the 4545 Stevens Creek Boulevard structure, until December 31, 2020. Thus, in the event Advertiser applies for City approval of the construction of the Proposed Sign on or before December 31, 2020, Advertiser may credit the two billboard faces it removed from 4545 Stevens Creek Boulevard towards the total billboard faces required to be removed under the City Council Policy Statement.
4. If Advertiser fails to remove the seven (7) billboard structures described in this Agreement within the timeframes specified in Sections 1 to 3 of this Agreement (the "Deadlines"), and such failure is due to a delay caused by a public agency with approval authority over the removal work that has withheld a permit for Advertiser to proceed with the removal work, then the Deadlines shall

be tolled until such time as the public agency grants the permit required for the removal work to proceed. The Parties also agree that the Deadlines shall toll in the event there is a legal challenge to this Agreement or any approval for the removal work. The tolling period shall last until the date upon which any legal challenge is resolved. Nothing in this Agreement shall operate to constrain the City's discretion in considering any application by the Advertiser for the Proposed Sign.

5. Except as necessary to allow for the "banking" of the 2-sided billboard structure at 4545 Stevens Creek Boulevard, as set forth in Section 3 of this Agreement, within the timeframes set forth in Sections 1 to 4 of this Agreement, the Parties expressly acknowledge and agree that this Agreement does not affect, and has no bearing upon, Advertiser's rights and responsibilities with respect to satisfaction of any provision of California State law, City Code or Council Policy Statement, including, but not limited to, zoning codes, building codes, permit requirements, public service announcement requirements, and payment of fees. Advertiser must satisfy all other applicable requirements without reference to this Agreement.
6. This Agreement shall not be assigned or transferred without the prior written approval of City, though such approval shall not unreasonably be withheld.
7. This Agreement shall not be construed to be an agreement for the benefit of any third party or parties and no third party or parties shall have any claim or right of action under this Agreement for any cause whatsoever.
8. To the extent permitted by law, Advertiser agrees to protect, defend, hold harmless and indemnify City, its City Council, commissions, officers, employees, volunteers and agents from and against any claim, injury, liability, loss, cost, and/or expense or damage, including all costs and reasonable attorney's fees in providing a defense to any claim arising therefrom, made by third parties for which City shall become liable arising from Advertiser's negligence, reckless or wrongful acts, errors, or omissions with respect to or in any way connected with this Agreement.
9. This Agreement may be amended only with the written consent of both Parties.
10. This Agreement represents the entire agreement between City and Advertiser with respect to the subject matter of this Agreement. No other understanding, agreements, conversations, or otherwise, with any representative of City prior to execution of this Agreement shall affect or modify any of the terms or obligations of this Agreement. Any verbal agreement shall be considered unofficial information and is not binding upon City.
11. In case any one or more of the provisions in this Agreement shall, for any reason, be held invalid, illegal or unenforceable in any respect, it shall not affect the validity of the other provisions, which shall remain in full force and effect.
12. Advertiser agrees that waiver by City of any one or more of the conditions of performance under this Agreement shall not be construed as waiver(s) of any other condition of performance under this Agreement.

13. All notices to the Parties shall, unless otherwise requested in writing, be sent to City addressed as follows:

City of Santa Clara
Attention: City Manager's Office
1500 Warburton Avenue
Santa Clara, California 95050
or by facsimile at (408) 241-6771

If notice is sent via facsimile, a signed, hard copy of the material shall also be mailed. The workday the facsimile was sent shall control the date notice was deemed given if there is a facsimile machine generated document on the date of transmission. A facsimile transmitted after 1:00 p.m. on a Friday shall be deemed to have been transmitted on the following Monday.

14. This Agreement shall be governed and construed in accordance with the statutes and laws of the State of California. The venue of any suit filed by either Party shall be vested in the state courts of the County of Santa Clara, or if appropriate, in the United States District Court, Northern District of California, San Jose, California.

15. Dispute Resolution.

- A. Unless otherwise mutually agreed to by the Parties, any controversies between Advertiser and City regarding the construction or application of this Agreement, and claims arising out of this Agreement or its breach, shall be submitted to mediation within thirty (30) days of the written request of one Party after the service of that request on the other Party.
- B. The Parties may agree on one mediator. If they cannot agree on one mediator, the Party demanding mediation shall request the Superior Court of Santa Clara County to appoint a mediator. The mediation meeting shall not exceed one day (eight (8) hours). The Parties may agree to extend the time allowed for mediation under this Agreement.
- C. The costs of mediation shall be borne by the Parties equally, except as provided in Section 15(D) of this Agreement
- D. For any contract dispute, mediation under this section is a condition precedent to filing an action in any court. In the event of mediation which arises out of any dispute related to this Agreement, the Parties shall each pay their respective attorney's fees, expert witness

costs and cost of suit through mediation only. In the event of litigation, the prevailing Party shall recover its reasonable costs of suit, expert's fees, and attorney's fees. If mediation does not resolve the dispute, the Parties agree that the matter shall be litigated in a court of law, and not subject to the arbitration provisions of the Public Contracts Code.

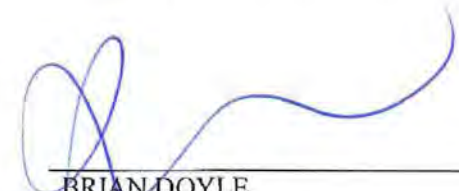

16. This Agreement does not prevent either Party from entering into similar agreements with other parties. To prevent a conflict of interest, Advertiser certifies that to the best of its knowledge, no City officer, employee or authorized representative has any financial interest in the business of Advertiser and that no person associated with Advertiser has any interest, direct or indirect, which could conflict with Advertiser's faithful performance of this Agreement. Advertiser is familiar with the provisions of California Government Code Section 87100 and following, and certifies that it does not know of any facts which would violate these code provisions. Advertiser will advise City if a conflict arises.
17. This Agreement is a fully integrated agreement and sets forth the entire understanding between the Parties with respect to the matters stated in this Agreement and supersedes any and all prior agreements or understandings between the Parties, whether oral or written.
18. In case any one or more of the provisions in this Agreement shall, for any reason, be held invalid, illegal or unenforceable in any respect, it shall not affect the validity of the other provisions, which shall remain in full force and effect.
19. Interpretation and construction:
 - A. The Parties represent and declare that, in executing this Agreement, they relied solely upon their own judgment, belief and knowledge, and that they have obtained the advice and recommendations of their own independently selected counsel concerning the nature, extent or duration of their rights and claims; and that they have not been influenced to any extent whatsoever in executing this Agreement by any representations or statements not expressly contained or referred to in this Agreement.
 - B. The preparation of this Agreement has been a joint effort of the Parties, and thus any term or provision contained herein may not be construed more strictly or liberally for or against any of the Parties.
20. This Agreement may be executed in counterparts, each of which shall be deemed to be an original, but both of which shall constitute one and the same instrument.
21. The Parties agree that signatures on this Agreement, including those transmitted by facsimile, shall be sufficient to bind the Parties. Advertiser represents that Advertiser's signatory to this Agreement is authorized by resolution, bylaws, constitution, or other authorization of Advertiser, which resolution, bylaw, constitution, or other authorization is currently in full force and effect, to execute this Agreement on Advertiser's behalf. The City represents that this Agreement is authorized by local ordinance, regulation, policy, or other law, and that the City Manager is authorized to sign this Agreement on behalf of the City, to execute amendments thereto, and to take any other action necessary to implement this Agreement.

The Parties acknowledge and accept the terms and conditions of this Agreement as evidenced by the following signatures of their duly authorized representatives.

"ADVERTISER"

**FIRST AMENDMENT TO BILLBOARD BANKING AGREEMENT
BY AND BETWEEN THE
CITY OF SANTA CLARA, CALIFORNIA,
AND
OUTFRONT MEDIA LLC**

PREAMBLE

THIS FIRST AMENDMENT is made and entered into this 16TH day of DECEMBER, 2020 by and between the City of Santa Clara, a chartered California municipal corporation ("City"), and OUTFRONT Media LLC, a Delaware limited liability company ("Advertiser"). City and Advertiser may be referred to individually as a "Party" or collectively as the "Parties" or the "Parties to this Agreement."

RECITALS

- A. WHEREAS, the Parties entered into that certain agreement entitled Billboard Banking Agreement by and between the City of Santa Clara, California, and Outfront Media LLC, dated May 11, 2017 ("Original Agreement");
- B. WHEREAS, Pursuant to Section 9 of the Original Agreement, the Original Agreement can be amended with the written consent of both Parties;
- C. WHEREAS, the terms of this First Amendment to the Original Agreement, to which both Parties consent, is intended to modify the Original Agreement as set forth below;
- D. WHEREAS, the Parties entered into the Original Agreement for the purpose of allowing Advertiser to construct a single, two-sided billboard structure (the "Original Proposed Sign") before December 31, 2020, in accordance with the April 2011 City Council Policy Statement for Billboard Relocation Agreements (the "Council Policy");
- E. WHEREAS, the Original Agreement allowed the Advertiser to "bank" the removal of the two-sided static billboard located at 4545 Stevens Creek Boulevard as credit towards construction of a new billboard under the Council Policy. As consideration for allowing the banking of the two sides, Advertiser committed to also remove an additional billboard face, at 2550 Lafayette Street, by December 31, 2020;
- F. WHEREAS, the Original Agreement also committed Advertiser to remove an additional 4 billboard faces prior to construction of the Original Proposed Sign and prior to December 31, 2020, but also acknowledged that such removals were

not required if the Advertiser did not obtain all necessary state and City approvals to construct and operate the Original Proposed Sign prior to December 31, 2020. The additional 4 billboard faces were located at 2983 El Camino Real (2 faces) and 3362 El Camino Real (2 faces);

- G. WHEREAS, although the Original Agreement contemplated that the construction of the Original Proposed Sign would be a two-sided billboard, due to a limited availability of locations capable of supporting operations of a new two-sided billboard, the construction of such as contemplated under the Original Agreement is not feasible, although it is feasible to construct one single-sided billboard ("Single Sign Project"):
- H. WHEREAS, in lieu of constructing the two-sided Original Proposed Sign and removing an additional four faces, the Parties would now like to amend the Agreement to provide for the construction of the Single Sign Project and the removal of only one additional, easterly oriented face at 2983 El Camino Real, in addition to the three faces already committed to be removed (the two faces at 4545 Stevens Creek Boulevard and the one face at 2550 Lafayette Street);
- I. WHEREAS, pursuant to the Original Agreement, Advertiser timely removed the two-sided billboard structure located at 4545 Stevens Creek Boulevard;
- J. WHEREAS, on September 16, 2020, Advertiser submitted an application for a single-sided billboard on property located at 630 Laurelwood Road; and
- K. WHEREAS, on November 24, 2020, Advertiser submitted an application for a demolition permit for the removal of a billboard located at 2550 Lafayette Street.

Now therefore, in consideration of the mutual promises herein contained, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereby modify the Original Agreement as follows:

AGREEMENT AMENDMENTS

- 1. Section 1 of the Original Agreement, entitled "Agreement Provisions," is amended to read as follows:

"The term of this Agreement shall begin on the Effective Date of this Agreement and terminate on December 31, 2021."

- 2. Section 2 of the Original Agreement, entitled "Agreement Provisions" is amended to read as follows:

"Advertiser agrees as follows:

- a. Advertiser shall remove its two-sided billboard structure from 4545 Stevens Creek Boulevard, including the billboard's two faces, within 90 days after the Effective Date of this Agreement, and
- b. Advertiser shall remove the billboard face at 2550 Lafayette Street by December 31, 2020, and
- c. Advertiser shall remove the easterly oriented billboard face at 2983 El Camino Real within ninety (90) days of Advertiser securing all government approvals of a Single Sign Project, except that City and Advertiser agree to extend the date for removal of this face in the event there is a legal challenge to any governmental approvals for the Single Sign Project, and the tolling period shall last until the date upon which any legal challenge is resolved in a manner allowing for implementation of the Single Sign Project.
- d. Notwithstanding section 4 of the Original Agreement, the removal of additional billboards listed in Recital C of the Original Agreement (the westerly face of 2983 El Camino Real, and the two faces at 3362 El Camino Real) is not required unless and until Advertiser secures approval for entitlements for a second billboard face, the terms of which removal shall be negotiated between City and Advertisers under a separate relocation agreement.

3. Section 3 of the Original Agreement is amended to read as follows:

"In exchange for Advertiser's obligations concerning timely removal of the two-sided billboard structure at 4545 Stevens Creek Boulevard and its obligations concerning removal of the billboard face at 2550 Lafayette Street pursuant to the terms of section 1 of this Agreement, City shall allow Advertiser to continue to "bank" credits for its removal of the two-sided billboard structure from 4545 Stevens Creek Boulevard, including the billboard's two faces, until December 31, 2021. Thus, in the event Advertiser applies for City approval of the construction of the Single Sign Project, Advertiser may credit the two billboard faces it removed from 4545 Stevens Creek Boulevard toward the total billboard faces required to be removed under the City Council Policy Statement until December 31, 2021."

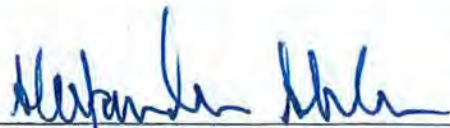

4. Except as amended above, all other terms and conditions of the Original Agreement shall remain in full force and effect. In case of a conflict in the terms of the Agreement and this First Amendment, the provisions of this First Amendment shall control.

The Parties acknowledge and accept the terms and conditions of this First Amendment as evidenced by the following signatures of their duly authorized representatives.

Agenda Report

REPORT TO COUNCIL

SUBJECT

Action on a Resolution to Comply with the Surplus Land Act for Purposes for Participation in the One Bay Area Grant Program

COUNCIL PILLAR

Deliver and Enhance High Quality Efficient Services and Infrastructure

BACKGROUND

The Metropolitan Transportation Commission (MTC), the metropolitan planning organization for the nine-county San Francisco Bay Area (which includes Santa Clara County), administers regional transportation grant funding opportunities such as, the regional One Bay Area Grant (OBAG) Program. To receive OBAG funding, the MTC requires agencies adopt a resolution (Attachment 1) related to compliance with the Act. The next cycle of OBAG funding is projected to announce a call for projects in 2022.

The Surplus Land Act (Act) was enacted in 1968 and contains procedures for disposition by sale or lease of surplus properties by local agencies. Surplus land is land owned by a local agency that is determined to be no longer necessary for the agency's use, except land being held by the agency for the purpose of exchange or which is exempt under the Act, such as land less than 5,000 square feet in area, less than the minimum legal residential lot size, or land that has no recorded access and is less than 10,000 square feet in area. As a Charter City, the City of Santa Clara has previously been exempted from the Act.

California Assembly Bill (AB) 2135, amended the Surplus Land Act to prioritize affordable housing development on surplus lands, including the following: it extended the good faith negotiation period to 90 days; where a housing project is developed on the site, required at least 25 percent of the development to be income restricted for lower income households, earning 80% or less of Area Median Income (AMI); and added a requirement that if negotiations with one of the specified entities are unsuccessful, then any residential development on the surplus land over 10 units must make at least 15 percent of the units affordable. A 2020 California Supreme Court decision extended the applicability of the Act to charter cities, including Santa Clara.

Furthermore, there are additional, more recent State Assembly Bills related to the Act. AB 1255 and AB 1486, both signed by the Governor in October 2019, also amended the Act. AB 1255 required each city to make a central inventory of specified surplus land and report the information to the California Department of Housing and Community Development (HCD). AB 1486 expanded the definition of a local agency to include a redevelopment successor agency, clarified the definition of what constitutes surplus land, and required a local agency to make findings regarding surplus land before beginning the disposition process.

DISCUSSION

The Community Development Department (CDD) staff has analyzed the necessary actions that the City must undertake related to the Resolution and the City is currently complying with the Act. Per AB 1255, the City is required to make a central inventory of specified surplus land and excess land identified pursuant to the Act on or before December 31 of each year. The City shall include a description of each parcel and its present uses, a matter of public record, and report this information to HCD no later than April 1 of each year, beginning April 1, 2021. Preparation for annual reporting for 2021 is currently underway by CDD and will be submitted as part of the Housing Element Annual Progress Report. In addition, the City must provide notices of availability of surplus land, receive notices of interest from entities, and report information to the HCD. Compliance with the Act supports HCD by helping to identify the supply of land for affordable housing. Additionally, adopting a resolution related to compliance with the Act will allow the City to apply for future OBAG funding opportunities.

ENVIRONMENTAL REVIEW

The action being considered does not constitute a "project" within the meaning of the California Environmental Quality Act (CEQA) pursuant to CEQA Guidelines section 15378(b)(5) in that it is a governmental organization or administrative activity that will not result in direct or indirect changes in the environment.

FISCAL IMPACT

There is no fiscal impact related to this report.

COORDINATION

This report has been coordinated with the City Attorney's Office. Additionally, the proposed Resolution has been coordinated with the Santa Clara Valley Transportation Authority and MTC.

PUBLIC CONTACT

Public contact was made by posting the Council agenda on the City's official-notice bulletin board outside City Hall Council Chambers. A complete agenda packet is available on the City's website and in the City Clerk's Office at least 72 hours prior to a Regular Meeting and 24 hours prior to a Special Meeting. A hard copy of any agenda report may be requested by contacting the City Clerk's Office at (408) 615-2220, email clerk@santaclaraca.gov <<mailto:clerk@santaclaraca.gov>> or at the public information desk at any City of Santa Clara public library.

RECOMMENDATION

Adopt a Resolution to Comply with the Surplus Land Act for Purposes for Participation in the One Bay Area Grant Program.

RESOLUTION NO. _____

**A RESOLUTION OF THE CITY OF SANTA CLARA, CALIFORNIA TO COMPLY WITH THE
SURPLUS LAND ACT**

BE IT RESOLVED BY THE CITY OF SANTA CLARA AS FOLLOWS:

WHEREAS, the San Francisco region has the highest housing costs in the United States; and

WHEREAS, the Bay Area produced less than 30% of the need for low- and moderate-income housing units from 2007-2014; and

WHEREAS, there are limited funding sources available to secure land for the construction of low- and moderate-income housing; and

WHEREAS, public lands can play a critical role in increasing the supply of land for affordable housing;

WHEREAS, the Metropolitan Transportation Commission adopted Resolution No. 4202, outlining the programming policy and project selection criteria for the One Bay Area Grant Program (OBAG 2), including certain requirements to access these funds; and

WHEREAS, one such requirement is the adoption of a resolution demonstrating compliance with Surplus Land Act (California Government Code § 54220, et seq.).

**NOW THEREFORE, BE IT FURTHER RESOLVED BY THE CITY OF SANTA CLARA AS
FOLLOWS:**

1. That the City of Santa Clara agrees to comply with the terms of the Surplus Land Act, as exists now or may be amended in the future including, but not limited to, AB 1255 (Rivas, 2019), which requires jurisdictions to compile and report annually an

inventory of surplus lands to the California Department of Housing and Community Development.

2. Effective date. This resolution shall become effective immediately.

LEGISLATIVE COUNSEL'S DIGEST

AB 2135, Ting. Surplus land: affordable housing.

(1) Existing law prescribes requirements for the disposal of surplus land by a local agency, as defined. Existing law requires a local agency disposing of surplus land to negotiate in good faith with certain entities that provided notice of a desire to purchase or lease the land and, if the price or terms cannot be agreed upon within a period of not less than 60 days with those entities, the local agency may dispose of the surplus land without fulfilling further requirements, as specified. Existing law authorizes a local agency selling surplus land for specified purposes to specified entities, including, but not limited to, low- and moderate-income housing, to provide a payment period of up to 20 years in a sales contract or trust deed. Existing law requires a local agency disposing of surplus land to give first priority in a purchase or lease to an entity agreeing to use the site for housing for persons of low or moderate income, except as specified. Existing law specifies that these and other related provisions are not to be interpreted to empower a local agency to sell or lease surplus land at less than fair market value.

This bill would require an entity proposing to use the surplus land for developing low- and moderate-income housing to agree to make available not less than 25% of the total number of units developed on the parcels at affordable housing cost or affordable rent for a period of at least 55 years to lower-income households, as those terms are defined in existing law. This bill would require a local agency to give first priority in disposing of the surplus land to an entity that agrees to these requirements. This bill would also require these requirements, as specified, to be contained in a covenant or restriction recorded against the surplus land at the time of sale, to run with the land, and be enforceable, against any owner who violates the covenant or restriction and each successor-in-interest who continues the violation, by a residents' association, as specified, and certain individuals, that include, but are not limited to, a resident of a unit subject to these requirements. This bill would increase the minimum time that an agency disposing of surplus land is required to conduct negotiations with certain entities desiring to purchase or lease the surplus land from 60 to 90 days. This bill would require, if the local agency does not agree to price and terms

with those certain entities and the surplus land is used for the development of 10 or more residential units, the entity or a successor-in-interest that received the surplus land to provide not less than 15% of the total number of units developed on the parcels at affordable housing cost or affordable rent, at terms similar to an entity that received first priority for providing not less than 25% of the total number of units at affordable housing cost or affordable rent, as specified.

This bill would permit the payment period for surplus land sold for low- and moderate-income housing purposes to exceed 20 years, subject to limits related to land use requirements for low- or moderate-income housing.

This bill would delete the statement that these provisions are not to be interpreted to empower a local agency to sell or lease surplus land at less than fair market value, and would provide that a sale or lease at or less than fair market value, as specified, shall not be construed as inconsistent with an agency's purpose. By increasing the duties of local officials in connection with sales and leases of surplus land, this bill would impose a state-mandated local program.

(2) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.

The people of the State of California do enact as follows:

SECTION 1. Section 54220 of the Government Code is amended to read:

54220. (a) The Legislature reaffirms its declaration that housing is of vital statewide importance to the health, safety, and welfare of the residents of this state and that provision of a decent home and a suitable living environment for every Californian is a priority of the highest order. The Legislature further declares that there is a shortage of sites available for housing for persons and families of low and moderate income and that surplus government land, prior to disposition, should be made available for that purpose.

(b) The Legislature reaffirms its belief that there is an identifiable deficiency in the amount of land available for recreational purposes and that surplus land, prior to disposition, should be made available for park and recreation purposes or for open-space purposes. This article shall not apply to surplus residential property as defined in Section 54236.

(c) The Legislature reaffirms its declaration of the importance of appropriate planning and development near transit stations, to encourage the clustering of housing and commercial development around such stations. Studies of transit ridership in California indicate that a higher percentage of persons who live or work within walking distance of major transit stations

utilize the transit system more than those living elsewhere, and that lower income households are more likely to use transit when living near a major transit station than higher income households. The sale or lease of surplus land at less than fair market value to facilitate the creation of affordable housing near transit is consistent with goals and objectives to achieve optimal transportation use. The Legislature also notes that the Federal Transit Administration gives priority for funding of rail transit proposals to areas that are implementing higher-density, mixed-use, and affordable development near major transit stations.

SEC. 2. Section 54222.5 is added to the Government Code, to read:

54222.5. An entity proposing to use the surplus land for developing low- and moderate-income housing shall agree to make available not less than 25 percent of the total number of units developed on the parcels at affordable housing cost, as defined in Section 50052.5 of the Health and Safety Code, or affordable rent, as defined in Section 50053 of the Health and Safety Code, to lower income households, as defined in Section 50079.5 of the Health and Safety Code. Rental units shall remain affordable to, and occupied by, lower income households for a period of at least 55 years. The initial occupants of all ownership units shall be lower income households, and the units shall be subject to an equity sharing agreement consistent with paragraph (2) of subdivision (c) of Section 65915. These requirements shall be contained in a covenant or restriction recorded against the surplus land at the time of sale, which shall run with the land and shall be enforceable, against any owner who violates a covenant or restriction and each successor in interest who continues the violation, by any of the following:

- (a) The local agency that disposed of the property.
- (b) A resident of a unit subject to this section.
- (c) A residents association with members who reside in units subject to this section.
- (d) A former resident of a unit subject to this section who last resided in that unit.
- (e) An applicant seeking to enforce the covenants or restrictions for a particular unit that is subject to this section, if the applicant conforms to all of the following:
 - (1) Is of low or moderate income, as defined in Section 50093 of the Health and Safety Code.
 - (2) Is able and willing to occupy that particular unit.
 - (3) Was denied occupancy of that particular unit due to an alleged breach of a covenant or restriction implementing this section.
- (f) A person on an affordable housing waiting list who is of low or moderate income, as defined in Section 50093 of the Health and Safety Code, and who is able and willing to occupy a unit subject to this section.

SEC. 3. Section 54223 of the Government Code is amended to read:

54223. After the disposing agency has received notice from the entity desiring to purchase or lease the land, the disposing agency and the entity shall enter into good faith negotiations to determine a mutually satisfactory sales price or lease terms. If the price or terms cannot be agreed upon after

a good faith negotiation period of not less than 90 days, the land may be disposed of without further regard to this article, except that Section 54233 shall apply.

SEC. 4. Section 54225 of the Government Code is amended to read:

54225. Any public agency selling surplus land to an entity described in Section 54222 for park or recreation purposes, for open-space purposes, for school purposes, or for low- and moderate- income housing purposes may provide for a payment period of up to 20 years in any contract of sale or sale by trust deed for the land. The payment period for surplus land sold for housing for persons and families of low and moderate income may exceed 20 years, but the payment period shall not exceed the term that the land is required to be used for low- or moderate-income housing.

SEC. 5. Section 54226 of the Government Code is amended to read:

54226. This article shall not be interpreted to limit the power of any local agency to sell or lease surplus land at fair market value or at less than fair market value, and any such sale or lease at or less than fair market value consistent with this article shall not be construed as inconsistent with an agency's purpose. No provision of this article shall be applied when it conflicts with any other provision of statutory law.

SEC. 6. Section 54227 of the Government Code is amended to read:

54227. (a) In the event that any local agency disposing of surplus land receives offers for the purchase or lease of that land from more than one of the entities to which notice and an opportunity to purchase or lease shall be given pursuant to this article, the local agency shall give first priority to the entity that agrees to use the site for housing that meets the requirements of Section 54222.5. If the local agency receives offers from more than one entity that agrees to meet the requirements of Section 54222.5, then the local agency shall give priority to the entity that proposes to provide the greatest number of units that meet the requirements of Section 54222.5 at the deepest level of affordability.

(b) Notwithstanding subdivision (a), first priority shall be given to an entity that agrees to use the site for park or recreational purposes if the land being offered is already being used and will continue to be used for park or recreational purposes, or if the land is designated for park and recreational use in the local general plan and will be developed for that purpose.

SEC. 7. Section 54233 is added to the Government Code, to read:

54233. If the local agency does not agree to price and terms with an entity to which notice and an opportunity to purchase or lease are given pursuant to this article and disposes of the surplus land to an entity that uses the property for the development of 10 or more residential units, the entity or a successor-in-interest shall provide not less than 15 percent of the total number of units developed on the parcels at affordable housing cost, as defined in Section 50052.5 of the Health and Safety Code, or affordable rent, as defined in Section 50053 of the Health and Safety Code, to lower income households, as defined in Section 50079.5 of the Health and Safety Code. Rental units shall remain affordable to, and occupied by, lower income households for a period of at least 55 years. The initial occupants of all

ownership units shall be lower income households, and the units shall be subject to an equity sharing agreement consistent with the provisions of paragraph (2) of subdivision (c) of Section 65915. These requirements shall be contained in a covenant or restriction recorded against the surplus land prior to land use entitlement of the project, and the covenant or restriction shall run with the land and shall be enforceable, against any owner who violates a covenant or restriction and each successor in interest who continues the violation, by any of the entities described in subdivisions (a) to (f), inclusive, of Section 54222.5.

SEC. 8. If the Commission on State Mandates determines that this act contains costs mandated by the state, reimbursement to local agencies and school districts for those costs shall be made pursuant to Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code.

REPORT TO COUNCIL

SUBJECT

Action to Adopt a Resolution Authorizing the City Manager to Negotiate and Execute a Consortium Agreement with the County of Santa Clara (County), that Authorizes the County to Submit Funding Applications to the State of California on the City's Behalf for the City's allocation of State Permanent Local Housing Allocation (PLHA) Program Funds, and Authorizes the County to Administer the Funds in Accordance with State Requirements and in Accordance with the Consortium Agreement

BACKGROUND

SB2 (2017), as authorized by Health and Safety Code Section 50470, was part of a 15-bill housing package aimed at addressing the state's housing shortage and high housing costs. SB2 created the Building Homes and Jobs Trust Fund and the PLHA Program. Specifically, it established a permanent source of funding intended to increase the affordable housing stock in California. The revenue from SB2 varies from year to year, as revenue is dependent on real estate transactions with fluctuating activity. The legislation directs the California Department of Housing and Community Development (HCD) to use 70% of the revenue collected, beginning in calendar year 2019, to provide financial assistance to local governments for eligible housing-related projects and programs to assist in addressing the unmet housing needs of their local communities.

The PLHA formula allocations are based on the same formula used to award federal Community Development Block Grant (CDBG) funds to eligible communities in Federal Fiscal Year (FFY) 2017. The chart below shows the estimated 2019 PLHA allocations by eligible jurisdiction in the County. The jurisdictions will receive annual allocations of PLHA funds.

| PHLA Entitlement Jurisdictions | 2019 Allocation | 2020 Allocation | Combined 2019 & 2020 Allocation | Previously Awarded | Currently Available |
|--------------------------------|-----------------|-----------------|---------------------------------|--------------------|---------------------|
| Santa Clara County | \$736,733 | \$1,145,111 | \$1,881,844 | \$0 | \$1,881,844 |

DISCUSSION

The County is proposing to submit a noncompetitive application for the PLHA funds allocated to the County and on behalf of the City of Santa Clara which will include the following:

1. A resolution stating that the County will enter into a Consortium Agreement with the cities and submit a joint application to the HCD for the additive PLHA allocation for each entitlement jurisdiction.
2. A Consortium Agreement between the County and the cities for a term of five years, which will auto renew until a city notifies County of its intent to withdraw, and that authorizes the County to act as the Lead Entity for the PLHA Program and shall assume overall responsibility for ensuring that the PLHA Program is carried out in compliance with Title 24, Part 92 of the Code of Federal Regulations.

The objectives set forth in the PLHA program and our local goals and priorities include increasing the supply of housing for households at or below 60% of area median income, increase assistance to affordable owner-occupied workforce housing, assist persons experiencing or at risk of homelessness, facilitate housing affordability, particularly for lower and moderate income households, and promote projects and programs to meet the local government's unmet share of the regional housing needs allocation.

To meet the objectives set forth by the PLHA program, the County and City agreed that PLHA funds received will be allocated toward the following eligible activities selected based on the most pressing needs of the community:

1. 100% of the allocated PLHA funding will be allocated toward the predevelopment, development, acquisition, rehabilitation, and preservation of multifamily, residential live-work, rental housing that is affordable to extremely low, very low, low-, and moderate-income households, including necessary operating subsidies in the City of Santa Clara.

ENVIRONMENTAL REVIEW

The action being considered does not constitute a "project" within the meaning of the California Environmental Quality Act ("CEQA") pursuant to CEQA Guidelines section 15378(b)(5) in that it is a governmental organizational or administrative activity that will not result in direct or indirect changes in the environment.

FISCAL IMPACT

By joining the Consortium, it allows for administration of the application for funding and the reporting requirements to be conducted by the County, preserving staff time and ensuring compliance with state requirements. The City's allocation of PHLA funds will be allocated to the Consortium and restricted for use by the eligible uses contained in the agreement. The City will direct City's portion of the annual PLHA allocations to be used for the specific use of predevelopment, development,

acquisition, rehabilitation, and preservation of multifamily, residential live-work, or rental housing that is affordable to extremely low, very low, low-, and moderate-income households in the City of Santa Clara.

COORDINATION

This report was coordinated with City Manager's Office, City Attorney's Office, and Department of Finance

PUBLIC CONTACT

Public contact was made by posting the Council agenda on the City's official-notice bulletin board outside City Hall Council Chambers. A complete agenda packet is available on the City's website and in the City Clerk's Office at least 72 hours prior to a Regular Meeting and 24 hours prior to a Special Meeting. **COOPERATION AGREEMENT (AGREEMENT) FOR THE
[REDACTED] COUNTY PERMANENT LOCAL HOUSING ALLOCATION (PLHA)
PROGRAM CONSORTIUM**

This Agreement is entered into by and between the City [REDACTED] (hereinafter referred to as CITY) and the County [REDACTED] (COUNTY), acting as the "Lead Entity" of the PLHA Consortium for the [REDACTED] County.

WITNESSETH:

WHEREAS, In 2017, Governor Brown signed a 15-bill housing package aimed at addressing the state's housing shortage and high housing costs, which included the Building Homes and Jobs Act (SB 2), which established a \$75 recording fee on real estate documents to increase the supply of affordable homes in California; and

WHEREAS, Because the number of real estate transactions recorded in each county will vary from year to year, the revenues collected will fluctuate; and

WHEREAS, SB 2 directs the California Department of Housing and Community Development (State HCD) to use seventy percent (70%) of the annual revenue collected for locally administered affordable housing programs beginning in calendar year 2019, which establishes the Permanent Local Housing Allocation program (PLHA); and

WHEREAS, one or more local governments may designate another Local government to administer on its behalf its formula allocation of PLHA funds provided that the local governments enter into a legally binding agreement and the funds are expended for eligible activities and consistent with program requirements; and

WHEREAS, COUNTY has formed a [REDACTED] County PLHA Consortium (Consortium), whereas Cities within the jurisdictional boundaries of [REDACTED] County may elect to join the Consortium; and

WHEREAS, COUNTY has agreed to be designated as the Lead Entity of the Consortium; and

WHEREAS, the CITY has elected to join the Consortium pursuant to Resolution # _____ passed by the City Council on _____, and included as Exhibit B to this Agreement; and

WHEREAS, it is the desire of COUNTY and CITY that this Agreement be automatically renewed at the end of the Term, as defined herein, unless, within sixty (60) days prior to the end of the Term, COUNTY or CITY elects not to renew the Agreement.

NOW, THEREFORE, IT IS AGREED AS FOLLOWS:

1. **TRUE AND CORRECT.** The above recitals are true and correct.
2. **BENEFICIARY.** A beneficiary is a member of the low-income public that will reside in an affordable housing unit, shelter, or other housing developed with Consortium Funds or will utilize one or more services provided by Recipients of Consortium Funds.
3. **CITY FUNDS.** CITY funds are the portion of the Consortium Funds that were identified by State HCD as the amount of PLHA funds that would have been allocated to CITY. By execution of this Agreement, CITY authorizes that its PLHA funds be allocated to the Consortium and restricted for use by the eligible uses contained in the Plan. CITY may exercise control over the eligible uses of its own funds as provided for in Section 21(b) of this Agreement.
4. **CONSORTIUM.** The Consortium consists of COUNTY, CITY and the cities of [REDACTED], and [REDACTED] (individually "Consortium Member" and together "Consortium Members"), during the term of this Agreement.
5. **CONSORTIUM FUNDS.** Consortium funds include the annual allocations of PLHA funds allocated by State HCD to the COUNTY on behalf of the Consortium.
6. **COMPLIANCE WITH LAW.** COUNTY and CITY agree to comply with the State of California PLHA program and any guidelines, rules, policies, or standards of general application as may be revised from time-to-time by the State Department of Housing and Community Development.
7. **ELIGIBLE APPLICANT.** Eligible Applicant is a jurisdiction identified in the PLHA Guidelines as Eligible Applicant, is in the County [REDACTED], and receives an annual allocation of PLHA funds from the State.
8. **FISCAL YEAR.** The fiscal year is the period July 1 through June 30.
9. **GEOGRAPHIC BOUNDARIES.** The geographic areas where Consortium Funds may be used or from which beneficiaries are located, include the jurisdictional boundaries of Consortium members and the cities of [REDACTED] and [REDACTED].
10. **GUIDELINES.** Guidelines are the Permanent Local Housing Allocation Final Guidelines, dated October 2019 and attached hereto as Exhibit A, as amended from time to time by State HCD.
11. **HCD.** HCD is the County [REDACTED] Division of Housing and Community Development under the County Department [REDACTED].

- 12. LEAD ENTITY.** COUNTY will serve as Lead Entity of the Consortium and by CITY's signature to this Agreement, CITY consents to COUNTY applying for, receiving, committing, and managing Consortium Funds as authorized by this Agreement and Guidelines.
- 13. PLHA PROGRAM.** PLHA is the Permanent Local Housing Allocation program established by the State of California pursuant to Senate Bill 2 (2017) and administered by State HCD.
- 14. PLAN.** The Plan is the document submitted by the Consortium to the State HCD as part of a complete application in which the Consortium proposes to use allocated funds for at least one eligible Activity. The Plan shall have a term of five years. In succeeding years, the Consortium is required to obtain the approval of State HCD for any amendments made to the Plan, as set forth in Section 302(c)(5) of the Guidelines. Attached hereto as Exhibit C is a list of Eligible Activities selected by the Consortium to be included in the initial five (5) year Plan submitted to State HCD. Reallocations of more than 10% of funds among activities require amendment of the Plan, with approval granted by the governing body of the Lead Entity at a publicly noticed public meeting. Amendments to the Plan for the succeeding five (5) years must be approved by State HCD.
- 15. PROGRAM INCOME.** Program Income includes funds returned by a Recipient of Consortium Funds due to non-use of the funds for an eligible use as described in the Guidelines, or recaptured by COUNTY for ineligible uses, or funds paid by a Recipient pursuant to the terms and conditions of a loan agreement executed by the Recipient and COUNTY to use Consortium Funds for an eligible use. COUNTY reserves the right to administer and service such loans, collect payments, and reuse the funds for other eligible uses as described in the Plan without consideration of the origin of the funds, whether from COUNTY or Consortium members' allocations. Such funds shall be considered Consortium Funds and be utilized for eligible uses countywide. This provision will survive the termination of this Agreement pursuant to Section 16 of this Agreement and, if the PLHA Program ceases to exist and State HCD does not otherwise restrict the uses of Program Income, COUNTY may, at COUNTY'S discretion, use Program Income for any other community benefit that serves low-income persons, defined as household income that does not exceed eighty-percent (80%) of the area median income as published annually by the U.S. Department of Housing and Urban Development for the [REDACTED] Metropolitan Statistical Area.
- 16. STATE HCD.** State HCD is the State of California Department of Housing and Community Development.
- 17. RECIPIENT.** Recipient is a non-profit 501 (c)(3) charitable organizations or for-profit entity authorized by written agreement (Recipient Agreement) entered into with COUNTY to expend funds eligible uses of Consortium Funds as authorized by the Recipient Agreement.
- 18. TERM OF AGREEMENT.** The term of this Agreement shall begin on the date signed by COUNTY and will terminate on the earlier of a) the end of the fiscal year in which the COUNTY or CITY no longer is an Eligible Applicant as defined in the Guidelines, or b) the

end of the Fiscal Year in which CITY elects to terminate its participation in the Consortium and CITY has given COUNTY notice of its intent to terminate at least sixty (60) days' prior to the end of the Fiscal Year, or c) State HCD has terminated its agreement with COUNTY or Consortium, or d) the end of the fifth year of the five (5) year Plan currently in effect and submitted to State HCD by COUNTY on behalf of the Consortium as required by the Guidelines, subject to the Automatic Renewal provisions as described in Section 12, or e) the State of California discontinues the PLHA program. Notwithstanding the above, if CITY terminates this Agreement pursuant to b) above, then COUNTY reserves the right to retain CITY Funds that had been allocated to CITY, or to the Consortium on CITY's behalf, and that have not been committed to one or more eligible uses during the term of this Agreement.

19. AUTOMATIC RENEWAL. This Agreement shall automatically renew for the next five Fiscal Years of the Plan. COUNTY will submit to the State of California a new five-year Plan as required by the State HCD outlining the planned uses of Consortium Funds allocated by State HCD unless CITY provides COUNTY with notice of termination at least sixty (60) days prior to the end of the fifth (5th) Fiscal Year of the Plan period.

20. AMENDMENTS. Any amendments to this Agreement must be in writing. In the event that amendments to this Agreement are required by State HCD to meet the requirements of the Guidelines, COUNTY and CITY will not unreasonably withhold their consent to amend the Agreement. Notwithstanding, if an amendment is necessary to comply with the Guidelines and no other substantial changes reallocating funds by more than 10% amongst eligible activities are made, such changes may be made administratively by COUNTY upon notifying CITY.

21. PROGRAM ADMINISTRATION.

a. The Lead Entity assumes overall responsibility for the Consortium and Consortium Funds, and will ensure that funds are used in accordance with the Guidelines and Plan. The Lead Entity will perform the following activities:

- i. Ensure that Consortium activities are carried out in compliance with the Guidelines and the Plan;
- ii. Prepare applications to State HCD on behalf of the Consortium to apply for PLHA funds on behalf of Consortium members
- iii. Prepare the five (5) year plan in consultation with Consortium members and submit to State HCD;
- iv. Award and distribute Consortium Funds in accordance with the Guidelines and Section 21(a)(vii) of this Agreement, and prepare and execute Recipient agreements;
- v. Prepare and submit to State HCD required reports pursuant to the Guidelines and provide copies to Consortium Members;
- vi. Monitor Recipients' uses of Consortium Funds, including long-term monitoring of affordable housing developments;
- vii. Publish an annual Notice of Funding Availability (NOFA) to solicit applications from potential Recipients to use Consortium Funds for eligible activities in

accordance with the Guidelines and Plan. The NOFA will show PLHA allocations by Consortium Member. The NOFA may accept full applications for any eligible use as included in the Plan and, for housing development projects, may accept a notice of intent to apply for funds, in lieu of a full application, for projects that will be ready to commence within the next Fiscal Year and that have all other funding commitments in place necessary to complete the project with the exception of Consortium Funds or State program funds, such as the low-income housing tax credit program; provided that the applicant otherwise meets the requirements of and is ready to submit the application to the State;

- viii. Process applications through HCD's established application review procedures and:
 - 1. A review team may be convened by COUNTY and may include one or more Consortium Members;
 - 2. COUNTY will distribute to Consortium Members a list of applicants and, upon request by a Consortium Member, a copy of the full applications by a potential Recipient that proposes an eligible use in the Consortium Member's jurisdiction;
 - 3. Consult with a Consortium Member on any proposed use of CITY Funds.
- b. Consortium Members agree to the following:
 - i. Cities may direct that all or a portion of their annual PLHA allocation be used for specific use(s) to benefit their respective city or pool their funds with other Consortium Funds to fund eligible uses countywide, provided that no one eligible use will utilize less than the lesser of the city's total allocation for that Fiscal Year, or \$100,000. Cities that will administer the eligible use directly will be required to enter into an agreement with COUNTY;
 - ii. Cities may save or "bank" their annual allocation(s) for use in a future year for an eligible use within their city, up to a total of three years' allocations, except that COUNTY as the Lead Entity preserves the right to award CITY Funds to eligible uses without CITY's consent, if necessary to meet certain commitment and expenditure deadlines provided in the Guidelines. If, after three years of banking its funds, CITY has not identified eligible use(s) for the CITY Funds; COUNTY will include the funds in the next annual NOFA or award the funds pursuant to Section 18 (b) ii of this Agreement;
 - iii. COUNTY may, at COUNTY's discretion, set a minimum amount of funds for a particular eligible activity for example, for a public service type activity, the minimum amount may be set at \$50,000 and for a housing development project, the minimum amount may be set at \$300,000. These amounts may be revised by COUNTY as COUNTY's discretion;
 - iv. COUNTY will keep a pipeline of proposed housing development projects that includes projects identified from any notices of intent to apply received in response to the annual NOFA as described in Section 21(b)(vii) of this Agreement. Development projects will be prioritized based on project

readiness, including zoning and planning approvals, commitment of funding sources, and other considerations as outlined in the annual NOFA. Full applications will be required from the applicant or Recipient in order to be considered for an award of Consortium Funds.

- v. Consortium Funds for affordable housing new construction, rehabilitation, and preservation, unless otherwise restricted by the PLHA program, will mirror federal HOME Investment Partnerships (HOME) program's requirements for income limits, rent limits, occupancy requirements, and monitoring requirements, and PLHA funds use on projects that meet the HOME requirements may be used by the COUNTY as HOME Match as required by the HOME program. Income and rent limits for projects will be determined by COUNTY for each project funded with Consortium Funds in consideration of population served and other factors. Such restrictions will be memorialized by the execution and recordation of a County Regulatory Agreement with terms of not less than twenty (20) years for new construction and fifteen (15) years for acquisition only, or rehabilitation. Income eligibility will be established using the requirements at 24 CFR 5.609 – 612. Ongoing monitoring of the affordable developments will utilize the federal Housing Quality Standards or other required by the HOME program;
- vi. All uses of Consortium Funds are subject to approval by the County Board of Supervisors;
- vii. COUNTY will retain the percentage of the total annual Consortium Funds for administrative purposes as permitted by the PLHA program, currently set at five-percent (5%).

22. RESPONSIBILITIES OF CITY. CITY authorizes COUNTY to act as Lead Entity of the Consortium and authorizes COUNTY to administer CITY Funds pursuant to this Agreement, the Plan, and Guidelines. CITY shall, as required by the Guidelines or when otherwise requested by State HCD, provide written confirmation of CITY's participation in the Consortium and authorizes COUNTY to administer its CITY Funds. Such written authorization will be provided by the method described in the Guidelines, which may require a resolution passed CITY's governing body. CITY will not reasonably withhold executing this Agreement or passing a required resolution and will ensure that this Agreement and resolution are executed and provided by CITY to COUNTY in a timely manner to meet any deadlines imposed by State HCD as described in the Guidelines and/or PLHA Notices of Funding Availability.

23. INDEMNIFICATION AND INSURANCE.

A. INDEMNIFICATION

In lieu of and notwithstanding the pro rata risk allocation which might otherwise be imposed between the parties pursuant to California Government Code Section 895.6, the parties agree

that all losses or liabilities incurred by a party shall not be shared pro rata but instead all parties agree that pursuant to California Government Code Section 895.4, each of the parties hereto shall fully indemnify and hold each of the other parties, their officers, board members, employees and agents, harmless from any claim, expense or cost, damage or liability imposed for injury (as defined by California Government Code Section 810.8) occurring by reason of the negligent acts or omissions or willful misconduct of the indemnifying party, its officers, board members, employees or agents, under or in connection with or arising out of any work, authority or jurisdiction delegated to such party under this Agreement. No party, nor any officer, board member, employee or agent thereof shall be responsible for any damage or liability occurring by reason of the negligent acts or omissions or willful misconduct of other parties hereto, their officers, board members, employees or agents, under or in connection with or arising out of any work, authority or jurisdiction delegated to such other parties under this Agreement.

B. INSURANCE

Each party to this Agreement shall maintain its own insurance coverage, through commercial insurance, self-insurance or a combination thereof, against any claim, expense, cost, damage, or liability arising out of the performance of its responsibilities pursuant to this Agreement.

- 24. NOTICE.** Any notice or notices required or permitted to be given pursuant to this agreement must be provided either by certified mail or personal service.
- 25. EXCLUSION OF FUNDS.** This Agreement applies only to those funds received under the PLHA Program and Program income generated by the uses of Consortium Funds and any matching contributions. This Agreement does not apply to or control funds other than those described herein.
- 26. COUNTY'S OBLIGATION TO DISTRIBUTE FUNDS.** If PLHA Funds are not awarded to the Consortium by State HCD or if the State HCD agreement with the COUNTY or Consortium is terminated or suspended, then this Agreement shall also terminate and COUNTY as Lead Entity has no obligation under this Agreement or to State HCD to distribute PLHA Funds to Consortium Members or otherwise administer the PLHA Program.
- 27. PLAN IMPLEMENTATION.** In the event that there are insufficient responses to the NOFA requesting funds for an eligible activity in a given Fiscal Year, COUNTY has authority to deviate from eligible uses in the Plan and fund other eligible activities as permitted by State HCD and contemplated in Section 20 of this Agreement. Reallocation of PLHA funds by more than 10% among eligible activities in the Plan shall require County Board of Supervisors approval.
- 28. NEW CONSORTIUM MEMBERS.** COUNTY may add new Consortium members to this Consortium Agreement as permitted by the Guidelines. COUNTY and the new member city will

mutually determine the administration of PLHA funds previously allocated to the new member city that have not been awarded to eligible uses: the new member city may continue to utilize allocated PLHA Funds on hand, or may remit these PLHA Funds to COUNTY to be allocated pursuant to this Agreement. COUNTY and the new member city will mutually determine the appropriate time to enter the Consortium and execute an agreement whether it be at the start of a Fiscal Year or other point in time. Each new member city must:

- a) Pass a resolution by its governing body as prescribed in the Guidelines;
- b) Execute an agreement with COUNTY, in a form substantially similar to this Agreement;
- c) Meet threshold requirements detailed in Section 302 of the Guidelines.

29. AUTHORITY TO JOIN CONSORTIUM. Each Consortium Member hereby certifies that it is authorized to enter into this Agreement. Authorizing Resolutions from the governing body of each local government joining the Consortium are incorporated into this Agreement as Exhibit B and made part of this Agreement.

30. RECORDS AND REPORTS. The Lead Entity shall maintain records as required by State HCD for a minimum of three (3) years, including and not limited to records identified in Sections 500 and 501 of the Guidelines and each participating jurisdiction respecting individual projects and programs shall be open and available for inspection by auditors assigned by State HCD and/or the CITY or Consortium during normal business hours of COUNTY. Each city shall submit such reports and information as may be necessary for the Lead Entity to fulfill its obligations as administrator of the Consortium.

31. COOPERATION IN UNDERTAKING ELIGIBLE USES UNDER PLHA. Each member of the Consortium agrees to cooperate to undertake or to assist in the undertaking of eligible activities specified in the Plan.

32. SEVERABILITY. Every provision of this Agreement is intended to be severable. If any provision of this Agreement shall be held invalid, illegal, or unenforceable by a court of competent jurisdiction, the validity, legality, and enforceability of the remaining provisions shall not in any way be affected or impaired.

33. COUNTERPARTS. This Agreement may be executed in any number of counterparts, each of which shall be considered an original for all purposes; provided, however, that all such counterparts shall together constitute one and the same instrument.

Remainder of page is intentionally blank

IN WITNESS WHEREOF, the parties have executed this agreement on the day and year first above written. This agreement may be executed in counterparts, each of which shall be an original and all of which together constitute one and the same agreement.

REPORT TO COUNCIL

SUBJECT

Action to Adopt Resolutions to Set the Regular Meeting Schedules and Dates for the Cultural Commission, Parks & Recreation Commission, Senior Advisory Commission, and Youth Commission for Calendar Year 2022

COUNCIL PILLAR

Enhance Community Engagement and Transparency

BACKGROUND

The City Code states that each board or commission shall hold regular meetings at the times and on the days indicated by resolution of the City Council and are subject to amendment from time to time by Council resolution. Resolution No. 5195 adopted by the City Council in 1987 provided the original schedule for meeting dates and times for the Cultural Commission, Parks and the Recreation Commission, and Senior Advisory Commission. Resolution No. 6047 established the Youth Commission regular meeting day, month, and time. By subsequent resolutions of the City Council, the Commissions have had their schedule of meeting dates and times updated to meet the specific needs of each commission and the public.

DISCUSSION

The City publishes an annual calendar of meetings for Council, Boards and Commissions. The Parks & Recreation Department supports four commissions. The purpose of this item is to set the Calendar of Regular Meetings for 2022 for each of these Commissions. To streamline the process, there is one Council report with four separate resolutions for review and approval by Council.

Commissions currently meet by approved resolution on the following schedules as indicated below:

- According to Council Resolution No. 19-8667, the Cultural Commission meets ten times per year on the first Monday of each month at 7:00 p.m., except when such day falls on a City holiday. On October 4, 2021, the Cultural Commission recommended (RTC # 21-1275) that Council to approve the proposed resolution (Attachment 1) and its calendar of meetings for 2022 (Attachment 2).
- According to Council Resolution 19-8771, the Youth Commission meets on the second Tuesday of each month from January to May and September to December at 6 p.m. On October 12, 2021 the Youth Commission recommended (RTC # 21-4997) that Council approve the proposed resolution (Attachment 3) and its calendar of meetings for 2022 (Attachment 4).
- According to Council Resolution No. 20-8918, the Parks & Recreation Commission meets

eleven times per year on the third Tuesday of the month at 7:00 p.m. On September 21, 2021, the Parks & Recreation Commission recommended (RTC # 21-1280) that Council adopt a resolution (Attachment 5) to set the calendar of meetings for 2022 (Attachment 6).

- According to Council Resolution No. 19-8690, the Senior Advisory Commission meets eleven times per year on the fourth Monday of each month at 10:00 a.m., January through November. On September 27, 2021, the Senior Advisory Commission recommended (RTC # 21-968) that Council adopt a resolution (Attachment 7) to set the calendar of meetings for 2022 (Attachment 8).

ENVIRONMENTAL REVIEW

The action being considered does not constitute a “project” within the meaning of the California Environmental Quality Act (“CEQA”) pursuant to CEQA Guidelines section 15378(b)(5) in that it is a governmental organizational or administrative activity that will not result in direct or indirect changes in the environment.

FISCAL IMPACT

There is no cost to the City other than staff time and expense.

PUBLIC CONTACT

Public contact was made by posting the Council agenda on the City's official-notice bulletin board outside City Hall Council Chambers. A complete agenda packet is available on the City's website and in the City Clerk's Office at least 72 hours prior to a Regular Meeting and 24 hours prior to a Special Meeting. A hard copy of any agenda report may be requested by contacting the City Clerk's Office at 408-615-2220, email clerk@santaclaraca.gov <mailto:clerk@santaclaraca.gov>.

RECOMMENDATION

Adopt the proposed resolutions to set each of the 2022 Calendar of Regular Meetings for the Cultural Commission, Youth Commission, Parks & Recreation Commission, and Senior Advisory Commission.

REPORT TO COUNCIL

SUBJECT

Actions to Approve the New Classification of Senior Electric Crew Foreperson; Reclassify 1.0 Underground Crew Leader to 1.0 Senior Electric Crew Foreperson; Approve Salary Adjustments to Plans Examiner and Senior Plans Examiner; and Approve the As-Needed Salary Plan

COUNCIL PILLAR

Enhance Community Engagement and Transparency

BACKGROUND

Section 9 of the Personnel and Salary Resolution requires City Council approval of compensation plans for both classified and unclassified positions. California Code Regulations Section 570.5 governs and requires the adoption of updated publicly available salary schedules by the governing body. The proposed Council action satisfies these applicable requirements.

The City of Santa Clara contracts with the California Public Employees' Retirement System (CalPERS) to provide retirement benefits for employees in both classified and unclassified positions. When the City makes modifications to the salary schedules for its classified or unclassified positions, the City Council must approve and adopt the publicly available salary schedules to comply with California Code of Regulations (CCR) section 570.5.

New Class Specification: Senior Electric Crew Foreperson (Job Code 551)

The Classified Salary Plan is recommended to be revised effective December 12, 2021 to reflect the creation of the Senior Electric Crew Foreperson (Job Code 551). This classification was created to manage the high demand of new and existing capital improvement projects as well as manage the differing contractors utilized by SVP. The Administration recommends approval to reclassify a 1.0 Underground Crew Leader (Job Code 887) to 1.0 Senior Electric Crew Foreperson (Job Code 551). The new class specification was approved by the Civil Service Commission on October 14, 2021.

Salary Adjustments: Plans Examiner (Job Code 630) and Senior Plans Examiner (Job Code 773)

The Classified Salary Plan is recommended to be revised effective December 12, 2021 to update the salary for Plans Examiner (Job Code 630) and Senior Plans Examiner (Job Code 773). These classifications have significant recruitment and retention challenges. In addition to revising the current salary to be competitive with the market, the Administration is recommending the implementation of an employee referral program to assist in the recruitment initiatives by the Department.

The As-Needed Salary Plan has been modified to reflect the change in the City of Santa Clara minimum wage that goes into effect January 1, 2022. The minimum wage for the City of Santa Clara will be increased to \$16.40/hour, which is based on the Regional Consumer Price Index per the Minimum Wage Ordinance. The proposed updates to the As-Needed Salary Plan are recommended to be effective December 26, 2021. Additionally, obsolete classifications titled Fire Inspector Aide (Job Code 473) and Traffic Control Trainee (Job Code 847) are being deleted from the As-Needed Salary Plan.

DISCUSSION

New Class Specification: Senior Electric Crew Foreperson (Job Code 551)

Human Resources coordinated with Silicon Valley Power (SVP) to create a new classification titled Senior Electric Crew Foreperson (Job Code 551). This classification is advanced supervisory level classification in the Classified service. This classification supervises the Electric Crew Foreperson series and may supervise multiple crews in the operations, maintenance, and construction of underground and electrical distributions lines. Additional duties include assisting in the planning and leading the training program for Journey Lineworkers (Job Code 560) and Journey Lineworker Apprentices (Job Code 561/561R), and performing other duties as assigned. This classification is the bridge classification between the Electric Division Manager (Job Code 104) classification and the Electric Crew Foreperson (Job Code 550) classification. This classification requires the ability to hold a Safety Clearance and direct work at the Electric Utility under this clearance.

Senior Electric Crew Foreperson (Job Code 551) - with an annual salary range of \$163,538.28 - \$208,845.12 (Steps 1-7). The Senior Electric Crew Foreperson (Job Code 551) is responsible for directing, monitoring, and auditing the work of contractors and supervising the work of multiple crews.

Additionally, the Administration recommends approval to reclassify a 1.0 Underground Crew Leader (Job Code 887) to 1.0 Senior Electric Crew Foreperson (Job Code 551).

Salary Adjustments: Plans Examiner (Job Code 630) and Senior Plans Examiner (Job Code 773)

The Community Development Department and Human Resources Department have encountered recruitment and retention issues with the Plans Examiner (Job Code 630) and Senior Plans Examiner (Job Code 773) classifications. In an effort to address these issues, the Human Resources Department conducted a salary analysis of the Plans Examiner (Job Code 630) and Senior Plans Examiner (Job Code 773) against the City's comparator agencies. Based upon the results of the survey, it is recommended to increase the Plans Examiner (Job Code 630) salary by approximately 5% and the Senior Plans Examiner (Job Code 773) salary by approximately 10% in order to be more competitive with the market and assist with recruitment and retention challenges with these classifications.

The salary ranges will be adjusted as follows:

| | | | | |
|--------------------------------------|--|-----------|-----------|-----------|
| Classification | Current Annual < https://www.santaclaraca.gov/home/showpublisheddocument/64286/63745358492870000 >New Annual (Approximate) | | | |
| | Step 1 | Step 7 | Step 1 | Step 7 |
| Plans Examiner (Job Code 630) | \$111,720 | \$142,656 | \$117,360 | \$149,880 |
| Senior Plans Examiner (Job Code 773) | \$117,360 | \$149,880 | \$129,456 | \$165,168 |

Approval and Adoption of the Salary Plan for As-Needed Positions

The As-Needed Salary Plan is recommended to be modified in order to comply with the City's Minimum Wage Ordinance increase of \$16.40/hour that goes into effect January 1, 2022. Due to the compaction caused by the minimum wage increase, the Administration is conducting a salary study for various As-Needed classifications. The Administration will return at a later date with proposed salary adjustments for those classifications.

In order to address current compaction issues, the Administration is recommending a salary adjustment to Senior Library Page (Job Code 756), to address compaction issues with the lower level Library Page (Job Code 542) classification. The Administration is also recommending a salary adjustment to the Recreation Leader II (Job Code 682) classification, in order to address compaction with the lower level Recreation Leader I (Job Code 681) classification, until the Administration brings forward the revised salary recommendation.

The As-Needed Salary Plan is recommended to be modified as follows:

- Temporary Employee (Job Code 349) - with an hourly range of \$16.40 - \$200.00,
- Crossing Guard (Job Code 362) - with an hourly range of \$16.40 - \$17.21,
- Emergency Medical Technician (Job Code 100) - with an hourly range of \$16.40 - \$20.19,
- Instructor/Lifeguard (Job Code 501) - with an hourly range of \$16.40 - \$16.67,
- Laborer (Job Code 502) - with a flat hourly rate of \$16.40,
- Library Page (Job Code 542) - with a flat hourly rate of \$16.40,
- Library Technology Aide (Job Code 537) - with a flat hourly rate of \$16.40,
- Lifeguard (Job Code 543) - with a flat hourly rate of \$16.40,
- Nutrition Meal Server (Job Code 608) - with an hourly range of \$16.40 - \$18.09,
- Pool Manager (Job Code 666) - with an hourly range of \$16.40 - \$19.34,
- Records Assistant (Job Code 606) - with an hourly range of \$16.40 - \$18.41,
- Recreation Instructor (Job Code 699) - with an hourly range of \$16.40 - \$18.58,
- Recreation Leader I (Job Code 681) - with a flat hourly rate of \$16.40,
- Recreation Leader II (Job Code 682) - with an hourly range of \$16.40 - \$16.81,
- Recreation Leader III (Job Code 683) - with an hourly range of \$16.40 - \$17.25,
- Recreation Office Assistant (Job Code 698) - with an hourly range of \$16.40 - \$18.58,

- Recreation Specialist (Job Code 686) - with an hourly range of \$16.40 - \$18.58,
- Senior Library Page (Job Code 756) - with an hourly range of \$17.22 - \$20.96,
- Student Intern I (Job Code 497) - with an hourly range of \$15.65 - \$18.72; and
- Traffic Control Trainee (Job Code 847)- with a flat hourly rate of \$16.40.

Delete the following obsolete classifications:

- Fire Inspector Aide (Job Code 473); and
- Traffic Control Trainee (Job Code 847).

ENVIRONMENTAL REVIEW

The action being considered does not constitute a “project” within the meaning of the California Environmental Quality Act (“CEQA”) pursuant to CEQA Guidelines section 15378(b)(5) in that it is a governmental organizational or administrative activity that will not result in direct or indirect changes in the environment.

FISCAL IMPACT

SVP intends to reclassify a vacant 1.0 Underground Crew Leader (Job Code 887) position to the newly created classification of Senior Electric Crew Foreperson (Job Code 551). The anticipated cost of this change is approximately \$50,000 (including the cost of benefits) in FY 2021/22 based on comparing both positions at step 2 of the salary scale. The increase should be able to be absorbed by the department.

The salary adjustment for the Plans Examiner (Job Code 630) fiscal impact would not be significant. Since only the later salary steps exceed the current range, the maximum anticipated change in FY 2021/22 would be approximately \$12,000 annually including benefits. Since this change would be prorated, due to being effective in late November, the actual total maximum change would be approximately \$7,000 per position for FY 2021/22. Based on the current approved number of Plan Examiners (5), the total fiscal impact would be \$35,000.

The salary adjustments for Senior Plans Examiner (Job Code 773) fiscal impact would approximately be \$19,000 including benefits in FY 2021/22, based on comparing the change in salary costs at step 1 of the salary scale. Prorated this would be an anticipated cost increase of \$11,000 per position and a total of \$44,000 based on the current number of approved Senior Plans Examiner positions (4). Due to the high number of vacancies currently in the Community Development Department's - Building Division, both increases in the salary scale of the Plans Examiner and Senior Plans Examiner should be able to be absorbed in the Building Division's current operating budget.

The fiscal impact to the FY 2021/22 Operating Budget to update as-needed class specifications that are covered under the City's Minimum Wage Ordinance increase from \$15.65 per hour to \$16.40 per hour effective January 1, 2022 is approximately \$14,000 for the remainder of FY 2021/22. This estimate is based on the average number of as-needed hours worked in 2020 and 2021. This additional cost will be absorbed by the various departments in their existing budgets for FY 2021/22.

COORDINATION

This report has been coordinated with the Finance Department and City Attorney's Office.

PUBLIC CONTACT

Public contact was made by posting the Council agenda on the City's official-notice bulletin board outside City Hall Council Chambers. DISTINGUISHING CHARACTERISTICS

The Senior Electric Crew Foreperson is an advanced supervisory level classification in the series responsible for directing and monitoring the work of contractors and may supervise multiple crews within a work group. This classification reports to the Electric Division Manager. Incumbents in this classification are assigned to supervise the most complex tasks which require considerable discretion and independent judgment. This classification requires the ability to hold a Safety Clearance and direct work under this clearance. This classification differs from the lower level Electric Crew Foreperson classification in that it has a larger scope of supervisory responsibility, including the supervision of Electric Crew Forepersons and contractors. This classification differs from the higher-level Electric Division Manager in that the latter has the responsibility of managing and setting the overall strategic direction for a division.

An incumbent in this position demonstrates strong ethical, professional, and service-oriented leadership and interpersonal skills, sets a good example, and correctly applies the tenets of the City's Code of Ethics and Values.

ORDINANCE NO. 1969

**AN ORDINANCE OF THE CITY OF SANTA CLARA,
CALIFORNIA, AMENDING CHAPTER 3.20 ("MINIMUM WAGE
ORDINANCE") OF TITLE 3 ("REVENUE AND FINANCE") OF
"THE CODE OF THE CITY OF SANTA CLARA, CALIFORNIA"**

BE IT ORDAINED BY THE CITY OF SANTA CLARA AS FOLLOWS:

WHEREAS, families and workers need to earn a living wage, and public policies which help achieve that goal are beneficial;

WHEREAS, payment of a minimum wage advances the interests of the City as a whole, by creating jobs that keep workers and their families out of poverty;

WHEREAS, a minimum wage will enable a worker to meet basic needs and avoid economic hardship;

WHEREAS, this ordinance is intended to improve the quality of services provided in the City to the public by reducing high turnover, absenteeism, and instability in the workplace;

WHEREAS, prompt and efficient enforcement of this Chapter will provide workers with economic security and the assurance that their rights will be respected;

WHEREAS, key findings of a regional minimum wage study survey performed by the Institute for Research on Labor and Employment at UC Berkeley and BW Research Partnership showed that increasing the minimum wage to \$15.00 an hour by 2019 in Santa Clara County would:

- Increase earnings for 250,000 workers;
- Raise average annual earnings of affected workers by 19.4 percent;
- Slightly increase average retail prices in Santa Clara County by 0.2 percent over three years;
- Have a net effect on employment that is slightly negative at the county level (1,450 jobs) and close to zero at a 10 county regional level; and,

WHEREAS, the Cities Association of Santa Clara County recommends a regional minimum wage increase to \$15.00 by 2019 as an effort to prevent an uneven playing field that can be damaging to local economies, provide equity to the shared countywide economy, and implement regional consistency across the county.

NOW THEREFORE, BE IT FURTHER ORDAINED BY THE CITY OF SANTA CLARA AS FOLLOWS:

SECTION 1: That Chapter 3.20 ("Minimum Wage Ordinance") of Title 3 ("Revenue and Finance") of "The Code of the City of Santa Clara, California" ("SCCC") is hereby amended to read as follows:

3.20.010 Title.

This chapter shall be known as the minimum wage chapter of the City of Santa Clara.

3.20.020 Authority.

This Chapter is adopted pursuant to the powers vested in the City of Santa Clara under the laws and Constitution of the State of California, but not limited to, the police powers vested in the City pursuant to Article XI, Section 7 of the California Constitution and Section 1205(b) of the California Labor Law.

3.20.030 Definitions.

The following terms shall have the following meanings:

(a) "City" shall mean City of Santa Clara or any agency designated by the City to administer the terms of this Chapter.

(b) "Employee" shall mean any person who:

(1) In a calendar week performs at least two (2) hours of work for an Employer as defined below.

(2) Qualifies as an employee entitled to payment of a minimum wage from any employer under the California minimum wage law, as provided under Section 1197 of the California Labor Code and wage orders published by the California Industrial Welfare Commission, or is a participant in a Welfare-to-Work Program.

(c) "Employer" shall mean any person, including corporate officers or executives, as defined in Section 18 of the California Labor Code, who directly or indirectly through any other person, including through the services of a temporary employment agency, staffing agency or similar entity, employs or exercises control over the wages, hours or working conditions of any Employee and who is either subject to Chapter 3.40 SCCC or maintains a facility in the City.

(d) "Governmental Agencies" shall include federal agencies, state agencies, school districts and auxiliary organizations as defined under Education Code sections 72670(c) and 89901. Governmental Agency does not include the City of Santa Clara.

(e) "Minimum Wage" shall have the meaning set forth in SCCC 3.20.040.

(f) "Welfare-to-Work Program" shall mean the CalWORKS Program, County Adult Assistance Program (CAAP) which includes the Personal Assisted Employment Services (PAES) Program, and General Assistance Program, and any successor programs that are substantially similar to them.

3.20.040 Minimum wage.

(a) Employers shall pay Employees no less than the Minimum Wage set forth in this Section for each hour worked within the geographic boundaries of the City of Santa Clara. Governmental Agencies are exempt from the minimum wage requirements under the principle of governmental immunity when the work performed is related to the agency's governmental function.

(b) Effective January 1, 2017, the Minimum Wage shall be an hourly rate of \$11.10. Effective January 1, 2018, the Minimum Wage shall be an hourly rate of thirteen dollars (\$13.00). On January 1, 2019, the Minimum Wage shall be an hourly rate of fifteen dollars (\$15.00), except when these scheduled increases are temporarily suspended under subsection (f). To prevent inflation from eroding its value, beginning on January 1, 2020, and each January 1st thereafter, the Minimum Wage shall increase by an amount corresponding to the increase, if any, in the cost of living. The prior year's increase in the cost of living shall be measured by the percentage increase, if any, as of August of the preceding year of the Bay Area Consumer Price Index (Urban Wage Earners and Clerical Workers, San Francisco-Oakland-San Jose, CA for All Items) or its successor index as published by the U.S. Department of Labor or its successor agency, with the amount of the Minimum Wage increase rounded to the nearest multiple of five (\$.05) cents. If there is no net increase in the cost of living, the minimum wage shall remain unchanged for that year. Cost of living increases to the Minimum Wage shall not exceed five (5) percent. The adjusted Minimum Wage shall be announced by October 1 of each year, and shall become effective as the new minimum wage on January 1 of the following year.

(c) Commissions or guaranteed gratuities, not including discretionary tips, may be counted toward payment of the Minimum Wage when the commissions or guaranteed gratuities are earned and paid together with other compensation paid to an employee and are equal to or greater than the current Minimum Wage. For each pay period, Employers shall pay the Employee an amount that equals or exceeds the current hourly Minimum Wage.

(d) The Employer may offset a portion of the Minimum Wage for housing and meal costs only if the offsets are the same as those available under the California minimum wage law. The offsets shall only be recognized if there is a prior voluntary agreement between the Employer and the Employee.

(e) A violation for unlawfully failing to pay the Minimum Wage shall be deemed to continue from the date immediately following the date that the wages were due and payable as provided in Part 1 (commencing with Section 200) of Division 2 of the California Labor Code, to the date immediately preceding the date the wages are paid in full.

(f) On or before September 1, 2017, and on or before every September 1 thereafter until the Minimum Wage is fifteen dollars (\$15.00) per hour, to ensure that economic conditions can support a minimum wage increase, the City Manager or his/her designee shall annually make a determination and certify to the City Council whether each condition below is met:

(A) Total nonfarm employment for California, seasonally adjusted, decreased over the three-month period from April to June, inclusive, prior to the September 1 determination. This calculation shall compare seasonally adjusted total nonfarm employment in June to seasonally adjusted total nonfarm employment in March, as reported by the Employment Development Department.

(B) Total nonfarm employment for California, seasonally adjusted, decreased over the six-month period from January to June, inclusive, prior to the September 1 determination. This calculation shall compare seasonally adjusted total nonfarm employment in June to seasonally adjusted total nonfarm employment in December, as reported by the Employment Development Department.

(C) California state retail sales and use tax cash receipts from a 3.9375-percent tax rate for the July 1 to June 30, inclusive, period ending one month prior to the September 1 determination is less than retail sales and use tax cash receipts from a 3.9375-percent tax rate for the July 1 to June 30, inclusive, period ending 14 months prior to the

September 1 determination. The calculation for the condition specified in this subparagraph shall be made by the City Manager or designee using data posted online by the State Board of Equalization, following the procedure specified in paragraph (1) of subdivision (c) of Section 1182.12 of the California Labor Code as follows:

(i) The State Board of Equalization shall publish by the 10th of each month on its Internet Web site the total retail sales (sales before adjustments) for the prior month derived from their daily retail sales and use tax reports.

(ii) The State Board of Equalization shall publish by the 10th of each month on its Internet Web site the monthly factor required to convert the prior month's retail sales and use tax total from all tax rates to a retail sales and use tax total from a 3.9375-percent tax rate.

(iii) The Department of Finance shall multiply the monthly total from clause (i) by the monthly factor from clause (ii) for each month.

(iv) The Department of Finance shall sum the monthly totals calculated in clause (iii) to calculate the 12-month July 1 to June 30, inclusive, totals needed for the comparison in this subparagraph.

(g) If, for any year, the condition in either subsection (A) or (B) of SCCC 3.20.040(f) is met, and if the condition in subsection (C) of SCCC 3.20.040(f) is met, the City Council may, on or before October 1 of that year, make a determination to temporarily suspend the minimum wage increase scheduled for the following year.

(h) If the City Council makes a determination to temporarily suspend the scheduled minimum wage increases for the following year, all dates specified in SCCC 3.20.040(b) that are subsequent to the October 1 determination date shall be postponed by an additional year.

3.20.050 Waiver through collective bargaining.

To the extent required by federal law, all or any portion of the applicable requirements of this Chapter may be waived in a bona fide collective bargaining agreement, provided that such waiver is explicitly set forth in such agreement in clear and unambiguous terms.

3.20.060 Notice, posting and payroll records.

(a) By January 1 of each year, the City shall publish and make available to Employers a bulletin announcing the adjusted Minimum Wage rate for the upcoming year, which shall take effect on January 1. In conjunction with this bulletin, the City shall by January 1, or as soon as practicable thereafter of each year publish and make available to Employers, in the top three languages spoken in the City based on the latest available census information for the City, a notice suitable for posting by Employers in the workplace informing Employees of the current Minimum Wage rate and of their rights under this Chapter.

(b) Every Employer shall post in a conspicuous place at any workplace or job site where any Employee works the notice published each year by the Office informing Employees of the current Minimum Wage rate and of their rights under this Chapter. Every Employer shall post such notices in the top three languages spoken in the City based on the latest available census information for the City at the workplace or job site. Every Employer shall also provide each Employee at the time of hire with the Employer's name, address, and telephone number in writing.

(c) Employers shall retain payroll records pertaining to Employees for a period of four years, and shall allow the City access to such records, with appropriate notice and at a mutually agreeable time, to monitor compliance with the requirements of this Chapter. Where an Employer does not maintain or retain adequate records documenting wages paid or does not allow the City reasonable access to such records, the Employee's account of how much he or she was paid shall be presumed to be accurate, absent clear and convincing evidence otherwise.

3.20.070 Retaliation prohibited.

(a) It shall be unlawful for an Employer or any other party to discriminate in any manner or take adverse action against any person in retaliation for exercising rights protected under this Chapter. Rights protected under this Chapter include, but are not limited to: the right to file a complaint or inform any person about any party's alleged noncompliance with this Chapter; and the right to inform any person of his or her potential rights under this Chapter and to assist him or her in asserting such rights. Protections of this Chapter shall apply to any person who mistakenly, but in good faith, alleges noncompliance with this Chapter.

(b) Taking adverse action against a person within ninety (90) days of the person's exercise of rights protected under this Chapter shall raise a rebuttable presumption of having done so in retaliation for the exercise of such rights.

3.20.080 Implementation.

(a) Guidelines. The City shall be authorized to coordinate implementation and enforcement of this Chapter and may promulgate appropriate guidelines or rules for such purposes. Any guidelines or rules promulgated by the City shall have the force and effect of law and may be relied on by Employers, Employees and other parties to determine their rights and responsibilities under this Chapter. Any guidelines or rules may establish procedures for ensuring fair, efficient and cost-effective implementation of this Chapter, including supplementary procedures for helping to inform Employees of their rights under this Chapter, for monitoring Employer compliance with this Chapter, and for providing administrative hearings to determine whether an Employer or other person has violated the requirements of this Chapter.

(b) Reporting Violations. An Employee or any other person may report to the City in writing any suspected violation of this Chapter. The City shall encourage reporting pursuant to this subsection by keeping confidential, to the maximum extent permitted by applicable laws, the name and other identifying information of the Employee or person reporting the violation. Provided, however, that with the authorization of such person, the City may disclose his or her

name and identifying information as necessary to enforce this Chapter or other employee protection laws. In order to further encourage reporting by Employees, if the City notifies an Employer that the City is investigating a complaint, the City shall require the Employer to post or otherwise notify its Employees that the City is conducting an investigation, using a form provided by the City.

(c) Investigation. The City shall be responsible for investigating any possible violations of this Chapter by an Employer or other person. The City shall have the authority to inspect workplaces, interview persons and request the City Attorney to subpoena books, papers, records, or other items relevant to the enforcement of this Chapter.

(d) Informal Resolution. The City shall make every effort to resolve complaints informally, in a timely manner, and shall have a policy that the City shall take no more than one year to resolve any matter, before initiating an enforcement action. The failure of the City to meet these timelines within one year shall not be grounds for closure or dismissal of the complaint.

3.20.090 Enforcement.

(a) Where prompt compliance is not forthcoming, the City shall take any appropriate enforcement action to secure compliance. All remedies in the SCCC are considered cumulative and the use of one or more remedies by the City shall not bar the use of any other remedy for the purpose of enforcing these provisions.

(1) The City may issue an administrative citation pursuant to Chapter 1.10 of the SCCC with a fine of not more than fifty dollars (\$50.00) for each day or portion thereof and for each Employee or person as to whom the violation occurred or continued. The Council may modify the fine amount by Resolution.

(2) Alternatively, the City may initiate a proceeding under Chapter 1.05 of the SCCC by issuing a compliance order.

(3) The City may initiate a civil action for injunctive relief and damages and civil penalties in a court of competent jurisdiction.

(b) Any person aggrieved by a violation of this Chapter, any entity a member of which is aggrieved by a violation of this Chapter, or any other person or entity acting on behalf of the public as provided for under applicable state law, may bring a civil action in a court of competent jurisdiction against the Employer or other person violating this Chapter and, upon prevailing, shall be awarded reasonable attorneys' fees and costs and shall be entitled to such legal or equitable relief as may be appropriate to remedy the violation, including, without limitation, the payment of any back wages unlawfully withheld, the payment of an additional sum as a civil penalty in the amount of fifty dollars (\$50.00) to each Employee or person whose rights under this Chapter were violated for each day that the violation occurred or continued, reinstatement in employment and/or injunctive relief. Provided, however, that any person or entity enforcing this Chapter on behalf of the public as provided for under applicable state law shall, upon prevailing, be entitled only to equitable, injunctive or restitutionary relief to employees, and reasonable attorneys' fees and costs.

(c) This Section shall not be construed to limit an Employee's right to bring legal action for a violation of any other laws concerning wages, hours, or other standards or rights nor shall exhaustion of remedies under this Chapter be a prerequisite to the assertion of any right.

(d) Except where prohibited by state or federal law, City agencies or departments may revoke or suspend any registration certificates, permits or licenses held or requested by the Employer until such time as the violation is remedied.

(e) Relief. The remedies for violation of this Chapter include but are not limited to:

(1) Reinstatement, the payment of back wages unlawfully withheld, and the payment of an additional sum as a civil penalty in the amount of fifty dollars (\$50.00) to each Employee or person whose rights under this Chapter were violated for each day or portion

thereof that the violation occurred or continued, and fines imposed pursuant to other provisions of this Code or state law.

(2) Interest on all due and unpaid wages at the rate of interest specified in subdivision (b) of Section 3289 of the California Civil Code, which shall accrue from the date that the wages were due and payable as provided in Part 1 (commencing with Section 200) of Division 2 of the California Labor Code, to the date the wages are paid in full.

(3) Reimbursement of the City's administrative costs of enforcement and reasonable attorney's fees.

3.20.100 Relationship to other requirements.

This Chapter provides for payment of a local Minimum Wage and shall not be construed to preempt or otherwise limit or affect the applicability of any other law, regulation, requirement, policy or standard that provides for payment of higher or supplemental wages or benefits, or that extends other protections.

3.20.110 Application of minimum wage to welfare-to-work programs.

The Minimum Wage established pursuant to SCCC 3.20.040(b) shall apply to the Welfare-to-Work programs under which persons must perform work in exchange for receipt of benefits. Participants in Welfare-to-Work Programs shall not, during a given benefits period, be required to work more than a number of hours equal to the value of all cash benefits received during that period, divided by the Minimum Wage.

3.20.120 Fees.

Nothing herein shall preclude the City Council from imposing a cost recovery fee on all Employers to pay the cost of administering this Chapter."

SECTION 2: CEQA – Exemption. The City Council finds, pursuant to Title 14 of the California Code of Regulations, Section 15031(b)(3), that this ordinance is exempt from the requirements of the California Environmental Quality Act (CEQA) in that it is not a project which has the potential for causing a significant effect on the environment.

SECTION 3: Savings clause. The changes provided for in this ordinance shall not affect any offense or act committed or done or any penalty or forfeiture incurred or any right established or accruing before the effective date of this ordinance; nor shall it affect any prosecution, suit or proceeding pending or any judgment rendered prior to the effective date of this ordinance. All fee schedules shall remain in force until superseded by the fee schedules adopted by the City Council.

SECTION 4: Constitutionality, severability. If any section, subsection, sentence, clause, phrase, or word of this ordinance is for any reason held by a court of competent jurisdiction to be unconstitutional or invalid for any reason, such decision shall not affect the validity of the remaining portions of the ordinance. The City Council hereby declares that it would have passed this ordinance and each section, subsection, sentence, clause, phrase, and word thereof, irrespective of the fact that any one or more section(s), subsection(s), sentence(s), clause(s), phrase(s), or word(s) be declared invalid.

REPORT TO COUNCIL

SUBJECT

Action on 2021 Q3 Legislative Update

COUNCIL PILLAR

Enhance Community Engagement and Transparency

BACKGROUND

On October 9, 2018, the City Council adopted Resolution No. 18-8611 to approve a Legislative Advocacy Position (LAP) Policy (Attachment 1). The LAP Policy establishes clear guidelines for advancing City goals and positions through legislative review and advocacy at the regional, state, and federal levels of government. The policy also provides guidance for City officials who serve on regional, state, and national boards, committees, and commissions when they are asked to review public policy matters and issues.

On February 9, 2021, the City Council adopted twelve (12) LAPs for 2021 on the following key issues:

- COVID-19 Legislation
- Energy Legislation, Regulations and Issues
- Engagement with Federal Aviation Administration Regarding Airplane Noise
- Housing
- Human Resources and Public Sector Employment
- Local Authority over Wireless Telecommunications Facilities and Cable Services
- Public Safety
- Regional and State-wide Water Supply and Conservation
- Regional Issues and Collaboration
- Regional Transportation Issues
- School Mitigation Fees
- Sustainability and Environmental Legislation, Regulations and Issues

On May 25, 2021, the Council approved amended versions of the Energy Legislation, Regulations and Issues and Public Safety LAPs. The most current versions of the adopted LAPs can be found under the 2021 Legislative Advocacy Positions document (Attachment 2).

In addition to requiring the City Council to adopt or update LAPs annually to identify specific legislative priorities, the LAP Policy also requires staff to provide quarterly legislative updates on public policy items of interest to the Council and provide Council copies of letters or summary of actions on legislative items.

The City has an existing agreement with Townsend Public Affairs for state and federal legislative advocacy services, which includes tracking and monitoring legislation and advocating the City's position on various legislation at the State and federal levels of government. This update provides information on such legislation.

DISCUSSION

Since the adoption of the 2021 LAPs, staff and Townsend Public Affairs have been tracking and monitoring various legislative items. The 2021 Q3 Legislation document (Attachment 3) summarizes tracked bills that have been passed by the State Legislature. The bills are grouped by their aligned LAP, guiding principle for legislative advocacy or approved City policy (e.g., City Council Goals and Priorities), and a summary has been provided for each bill.

The LAP Policy states, "Letters and other communications expressing the City's position on legislation will customarily bear the signature of the Mayor in accordance with City Charter Section 704.2 - 704.3. If the legislation's principal impact affects the City's operation, the communication may be signed by the City Manager." The City has taken action on some of the issues that are outlined below (e.g. submitted a letter of thanks, support or opposition). Those actions are documented in the 2021 Q3 Legislative Action attachment (Attachment 4). For the letter addressed to Governor Newsom that is referenced in the attachment, Mayor Gillmor was requested by Elected Officials to Protect America (EOPA) to sign a letter in support of ending the issuance of permits for new fossil fuel projects, designing a managed decline of all fossil fuel production starting with a 2,500 foot buffer around specific areas, and committing the state to 100% clean, renewable energy in all sectors. At the time of this report, Mayor Gillmor's name is not reflected among the signatories, but Councilmember Jain's is.

State Legislative Update

September 10th marked the conclusion of the first year of the 2021-22 legislative session. This year, there were 836 bills that reached the Governor's Desk out of 2,421 bills introduced (Senate-828; Assembly-1,593). In finalizing his actions on legislation on October 9th, the Governor signed 770 bills and vetoed 66 bills, for a 7.9% veto rate. This means that 34.5 percent of the bills introduced made it to the Governor's Desk; 32 percent of the bills introduced got signed into law; and 2.7 percent of the bills introduced got vetoed.

To put this into context, the 2021 session saw nearly twice as many bills passed by the Legislature than in 2020, which featured a total of only 428 bills passed by the Legislature due to the onset of the COVID-19 pandemic - the lowest approved by the Legislature in over 50 years. Despite the 2021 session's higher passed bill count, the 836-bill total is lower than in previous years. This can largely be attributed to the 12-measure per legislator cap imposed by Assembly and Senate leadership to ensure focus was directed to critical COVID mitigation and recovery legislation.

Much of the legislation signed by the Governor was packaged with other similar measures to address economic recovery, the housing crisis, and extreme weather events, including drought and wildfires. For instance, the Newsom Administration has been focused on the implementation of the California Comeback Plan through significant budget allocations to both accelerate the State's recovery from the pandemic and tackling persistent challenges. Part of the \$100 billion plan has included over \$20 billion in housing and homelessness investments, with the goal of producing 84,000 homes. Other investments include a climate resiliency package and stimulus payments to the State's vulnerable

residents.

Given the massive impacts the coronavirus pandemic had upon the legislative proceedings during the 2020 Session, legislators were focused this year on streamlining the passage of COVID recovery legislation, as well as legislation that was paused last year due to the immediate need for emergency measures, such as land use and public safety reform.

Ultimately, the 2021 Legislative Session will be remembered for its passage of one of the most significant housing and land use reform and policing reform packages, as well as a long, drawn-out Budget process, which featured a record amount of funding reserves and federal relief funds.

Major Policy Considerations

Below are brief summaries of legislative action in a few key areas, as well as additional information regarding legislation that was approved by the Governor, which may be of interest to the City.

COVID-19

Statewide Assistance Programs - The 2021 Legislative Session's focus was largely centered on Coronavirus pandemic recovery and support efforts for vulnerable Californians through the Budget, which included significant pass-through funding from the federal government to help combat the public health and economic impacts of the pandemic. Part of these efforts were codified in the Governor's California Comeback Plan, which included over \$100 billion in investments into programs such as the "Golden State Stimulus Plan," which provided a series of direct payments to taxpayers making up to \$75,000, and the California Rent Relief program, which allowed for renters and landlords to apply for rent and utility payment relief. These supportive efforts came in addition to Governor Newsom extending the state's eviction moratorium, which expired at the end of September.

Remote Meetings Legislation - In addition to the State's budgetary programs providing such things as rental relief to low-income Californians, this year the Legislature focused on the longevity of tech-inclusive requirements to allow for remote meetings. This included Assembly Member Robert Rivas' AB 361, which allows local agencies to use teleconferencing without complying with specified Ralph M. Brown Act restrictions in certain state emergencies, thus codifying provisions originally included in Governor Newsom's executive orders waiving certain Brown Act restrictions. The Governor signed this legislation into law, which officially took effect October 1, 2021. Another bill related to remote meetings was Assembly Member Alex Lee's AB 339, which would have required local governments with populations of over 250,000 to provide both in-person and teleconference options for the public to attend their meetings. This measure was met with opposition from local governments, who claimed the bill's provisions would create onerous and costly technology requirements that could lead to new opportunities for litigious individuals to take advantage of the Act to sue local public agencies. Ultimately, Governor Newsom vetoed AB 339, stating that the population threshold would set a precedent of tying public access requirements to the population of jurisdictions.

Vaccine Requirements - Notably, the Legislature refrained from imposing a vaccine mandate through the enactment of statute. Toward the end of session, gut & amend legislation, which would have required government employees and employees of specific industries to submit to weekly mandatory testing or provide proof of vaccination as a condition of employment, failed to materialize. This could

have been attributed to multiple political factors at the time, which included the upcoming gubernatorial recall election, and the late post-policy committee consideration deadline for the release of the gut & amend language, which was bound to generate criticism regarding the legislative process.

While the Legislature did not pass vaccination requirements, the State did so via a series of regulations from the California Department of Public Health (CDPH), beginning with mandatory vaccines or up to bi-weekly testing as a condition of employment for all healthcare workers and state employees. All employees subject to this requirement were given a deadline of September 30 to be in full compliance. In addition to the workplace vaccine regulations, the Governor announced plans require all school employees and students be vaccinated following full FDA approval of existing vaccines. The school vaccine requirement will apply to K-12 students and school employees and will be a condition of in-person attendance and employment for all pupils and employees of any private or public elementary or secondary school. Once vaccines receive full approval, all students over the age of 12 will be required to receive a vaccine, with all younger students receiving a vaccine once the FDA approves administering it to younger age groups.

Looking forward, it is possible that the 2022 Legislative Session will feature a more robust portfolio of bills to implement vaccine mandates or eliminate loopholes like the personal belief exemption, which applies to the current set of regulations and allows for individuals to opt-out of the COVID-19 vaccine for religious or ideological reasons.

Housing

During last year's session, it appeared that the issues of affordable housing, housing production, and homelessness would dominate the policy conversation. However, the pandemic stalled the progression of many top-down housing reform measures as attention was diverted to addressing immediate COVID-19 mitigation strategies. This year, housing and land use reform measures were thrust back into the spotlight, with numerous measures sailing through the policy committee process, unlike previous renditions of the same bills had in prior sessions. Notable land use legislation like Senate Pro Tempore Toni Atkins' SB 9 made it to the Governor's desk nearly a week before the end of session.

Just shy of a week after the Legislature's adjournment on September 10, Governor Newsom signed the first round of housing and land use reform bills, which included SB 8 (Skinner), which extends the Housing Crisis Act of 2019, SB 9 (Atkins), which requires the ministerial approval of urban lot splits and two-unit developments on single-family zoned parcels, and SB 10 (Wiener), which authorizes local governments to zone any parcel up to 10 units via ordinance.

After the enactment of the first round of housing and land use bills, the Governor signed a 27-bill package on September 28 to further address the State's housing crisis, with more focus on accountability and enforcement as it pertains to development goals. The bills in this package included AB 215 (Chiu), which increases enforcement within the Department of Housing and Community

Development (HCD) and housing element transparency standards, AB 602 (Grayson), which increases the transparency of impact fees through revised nexus study requirements, and SB 478 (Wiener), which prohibits local governments from imposing certain floor area ratio standards on specified housing projects.

In addition to the more than 30-bill housing package addressing issues like density, zoning, and development streamlining, another key element to the State's housing laws is the new Housing Accountability Unit (HAU) within the state Housing and Community Development (HCD) Agency created in the 2021 Budget. The 25-person team with a budget of more than \$4 million is expected to assist local governments meet their housing goals - and crack down on those that fail to do so. Per the Governor's remarks on the newly created unit, "The HAU will be empowered to take escalating enforcement steps to bring municipalities into compliance with their RHNA goals in the event of persistent non-compliance."

Given the breadth of the housing and land use reform bills enacted during the 2021 session, it begs the question on whether the Legislature will have the same appetite for additional housing reform measures in 2022. It is expected that the focus will shift from the enactment of new measures to the implementation and enforcement of existing measures, with the new HAU serving as an additional mechanism to accomplish housing production accountability.

Public Safety Reform

Following the death of George Floyd in 2020, the Legislature introduced several bills aimed at police reform and means of alternative response to non-emergency calls for law enforcement. Authors of the various legislative proposals worked with the Newsom Administration and many stakeholders, including representatives from law enforcement, in efforts to advance their legislation. Ultimately, some bills were able to move forward, but many bills which attempted to make significant policy changes, were ultimately held so that they could receive full legislative consideration in 2021.

This year, public safety reform became a major focus of the Legislature. Following session's adjournment, the Governor signed into law a package of police reform bills that constitute some of the most significant changes to peace officer accountability in recent years. The package included bills such as SB 2 (Bradford), which creates a system to investigate and revoke or suspend peace officer certification for serious misconduct along with imposing changes to qualified immunity standards, and SB 16 (Skinner), which allows for public access of police officer misconduct records related to excessive use of force and failure to intervene, among other things.

Other bills include AB 89 (Jones-Sawyer) which increases the minimum qualified age for peace officers and establishes a college-level curriculum for certification, and AB 48 (Gonzalez), which prohibits the use of rubber bullets and pepper spray against peaceful protestors. While significant, the passage and enactment of these measures comes at no surprise, given the behind-the-scenes work done via the Assembly's formation of a Select Committee on Police Reform and a series of recommendations for policing and protesting reform outlined by the Newsom Administration this year.

Broadband

In addition to the significant packages of housing and police reform measures signed into law, the

Legislature was focused on the deployment of broadband infrastructure, as connectivity needs were laid bare by the pandemic and reliance on the internet. During the Budget process, the Legislature passed SB 156, a Budget trailer bill providing over \$6 billion to expand broadband infrastructure and enhance internet access for unserved and underserved communities.

The historic investment includes:

- \$3.25 billion to build, operate and maintain an open access, state-owned middle mile network - high-capacity fiber lines that carry large amounts of data at higher speeds over longer distances between local networks.
- \$2 billion to set up last-mile broadband connections that will connect homes and businesses with local networks. The legislation expedites project deployment and enables Tribes and local governments to access this funding.
- \$750 million for a loan loss reserve fund to bolster the ability of local governments and nonprofits to secure financing for broadband infrastructure.
- Creation of a broadband czar position at the California Department of Technology, and a broadband advisory committee with representatives from across state government and members appointed by the Legislature.

Accompanying measures to this investment include Assembly Member Aguiar-Curry's AB 14 and Senator Lena Gonzalez's SB 4, which prioritize the broadband needs of California's unserved and underserved communities and make important, separate tweaks to the California Advanced Services Fund surcharge program. Specifically, AB 14 and SB 4 extend the operation of the California Advanced Services Fund (CASF) through 2032 and increase the annual funding cap from \$66 to \$150 million, thus increasing the amount of funds within the CASF's various subaccounts, which fund projects like broadband deployment in low-income housing communities.

Each of these broadband deployment bills was accompanied by a veto of Senator Dodd's SB 556, which would have forced local governments to make space on public infrastructure available to telecommunications providers. In his veto message, the Governor highlighted the role local government will have in last mile deployment, which is essential to driving competition and increasing access.

Transportation

A notable element to the 2021 session was its long and drawn-out Budget process. During the final round of "Budget clean-up" legislation, Governor Newsom and legislators announced they tabled discussions on \$4.2 billion in high-speed rail bond funding until 2022. The outstanding budget issue originated from a behind the scenes disagreement between the Legislature and the Governor on the appropriation of funds for the high-speed rail project in the Central Valley. Specifically, many members of the Legislature wanted to pivot funding generated by Proposition 1A from investments in high-speed rail into other investments like infrastructure maintenance and sustainable transportation. The Governor's Office wanted to see the \$4.2 billion in 1A funds invested into finishing the Merced to Bakersfield rail segment and the environmental review and planning for the remaining San Francisco to Los Angeles route. Assembly Member Laura Friedman, Chair of the Assembly Transportation Committee, said the delay is because the High-speed Rail Authority has not provided specifics on its planned expenditures.

The impasse on high-speed rail project funding is significant because there were several other

planned appropriations of transportation funding in the State Budget that are now also held up. Several transportation funding augmentations had been contingent on the enactment of additional legislation specifying how the funds would be allocated by October 10, 2021. The Legislature did not pass the additional legislation required. Consequently, these revert to the General Fund:

- Transit and Intercity Rail Capital Program (\$2.5 Billion): Had this funding become available, the California State Transportation Agency (CalSTA) would have selected projects and the California Transportation Commission (CTC) would have allocated funds. Of the \$2.5 billion, \$1 billion would have been specifically for 2028 Olympics projects and \$500 million would have been specifically for grade separation projects.
- Active Transportation Program (\$500 Million): Had this funding become available, the CTC would have proceeded with the 2021 Active Transportation Program (ATP) Augmentation Framework to augment the current program cycle.
- State and Local Climate Adaptation Program (\$400 Million): Had this funding become available, the CTC would have been required to allocate funds to climate resiliency projects for Caltrans and regional and local agencies.

Governor Newsom has been commenting through CalSTA and several legislative veto messages that he looks forward to re-engaging with the Legislature to finalize and pass a comprehensive transportation package early next year that invests in a wide variety of critically necessary projects including high-speed rail, connectivity projects in advance of the 2028 Los Angeles Olympics, road and bridge repair, and a variety of other rail system improvements.

Other Priority Legislation

Below are highlights of legislation that was approved by the Legislature and may be of interest to the City. The below bills have been grouped by LAP.

COVID-19 Legislation LAP

- AB 61 (Gabriel) authorizes the Department of Alcohol Beverage Control (ABC), for 365 days from the date the Covid-19 pandemic state of emergency proclaimed by the Governor is lifted, to allow licensees to continue to exercise license privileges in an expanded licensed area authorized pursuant to a COVID-19 Temporary Catering Authorization. This measure was signed into law by the Governor.
- AB 339 (Lee) would have created standards for public participation and access for jurisdictions of at least 250,000 people to join and comment at open and public city council and county board of supervisor meetings, in-person and remotely, between January 1, 2022, to December 31, 2023. This measure was vetoed by Governor Newsom.
- AB 361 (R. Rivas) gives local agencies the authority to host virtual meetings until January 1, 2024, and for state agencies until January 31, 2022. Under the state of emergency, the legislative body must, in order to continue meeting subject to this exemption to the Brown Act, no later than 30 days after it commences using the exemption, and every 30 days thereafter, make findings by majority vote. AB 361 was amended in the final week of session to include an urgency clause. This bill was signed into law by Governor Newsom.

- SB 336 (Ochoa-Bogh) requires the California Department of Public Health or a local health officer, when it issues specified guidance or orders related to preventing the spread of COVID-19 or to protect public health against a threat of COVID-19, to publish the measures on its website and to create an opportunity for local entities to sign up for an email distribution list relative to changes such measures. This measure was signed into law by the Governor.

Energy Legislation, Regulation and Issues LAP

- AB 418 (Valladares) would have created the Community Power Resiliency Program within California Office of Emergency Services (Cal OES) for the purposes of helping local entities prepare for power outages. This measure was vetoed by the Governor.
- SB 52 (Dodd) defines a 'deenergization event' as a planned power outage and would make a deenergization event one of those conditions constituting a local emergency, thus allowing counties to seek reimbursement for the costs incurred by running the emergency operation centers. This bill was signed into law by Governor Newsom.
- AB 1403 (Levine) would have added "deenergization event" to the list of conditions constituting a state of emergency and local emergency and defines "deenergization event" to mean a planned power outage, undertaken by an electrical corporation, to reduce risk of wildfires caused by utility equipment. This bill was vetoed by Governor Newsom.

Housing LAP

- AB 215 (Chiu) provides the Department of Housing and Community Development (HCD) with additional enforcement authority for local agency violations of specified housing laws and increases public review for housing elements. With respect to increasing the Department's enforcement authority, the bill adds to the list of housing law violations for which HCD is authorized to take legal enforcement action against a noncompliant jurisdiction and authorizes HCD to appoint or contract with other counsel in the event the Attorney General declines to act. To increase public review for housing elements, the bill requires local governments to make the first draft revision of a housing element available for public comment for at least 30 days and, if any comments are received, take at least 10 additional business days to consider and incorporate public comments into the draft revision before submitting it to HCD before posting to their website. This bill was signed into law by Governor Newsom.
- AB 602 (Grayson) requires local agencies conducting an impact fee nexus study after 2022 to follow specific standards and practices, including completing an impact fee nexus study prior to adopting a development fee, identifying existing public facility service levels and an explanation for why the new level of service and corresponding fee is necessary, and identifying the levied or proposed fee proportionately to the square footage of proposed units. This bill was signed into law by Governor Newsom.
- AB 977 (Gabriel) requires grantees or entities that receive funding from a state homeless program or programs to report specified data to the Homeless Coordinating and Financing Council (HCFC) on the populations they serve. This measure was signed into law by the Governor.

- AB 1304 (Santiago) expands the ways in which local agencies must affirmative further fair housing (AFFH) in their housing elements. This measure was signed into law by the Governor.
- AB 1398 (Bloom) requires expedited rezoning for local jurisdictions that fail to adopt a legally compliant housing element within 120 days of the statutory deadline. This measure was signed into law by the Governor.
- SB 9 (Atkins) requires ministerial approval of a housing development of no more than two units in a single-family zone (duplex), the subdivision of a parcel zoned for residential use into two parcels (lot split). Parcels located in areas prone to environmental degradation, historic landmark districts, or areas designated for conservancy are excluded from the bill's provisions. Imposes a minimum three-year owner occupancy requirement for applicants of lot splits. This bill was signed into law by Governor Newsom.
- SB 10 (Wiener) authorizes a city or county to pass an ordinance to zone any parcel for up to 10 units of residential density, at a height specified by the local government in the ordinance, if the parcel is located in a transit-rich area or an urban infill site. Defines "transit-rich area" as a parcel within one-half mile of a major transit stop, or a parcel on a high-quality bus corridor. Defines "urban infill site" as an area within an urban cluster with at least 75% of the perimeter adjoining to parcels developed with urban use and is zoned for residential or mixed use. This bill was signed into law by Governor Newsom.
- SB 290 (Skinner) makes various changes to Density Bonus Law (DBL), including providing additional benefits to housing developments that include low-income rental and for-sale housing units, and moderate-income for-sale housing units. This measure was signed into law by the Governor.
- SB 477 (Wiener) would have added a number of requirements to the annual progress report (APR) that local governments are required to submit to the state Department of Housing and Community Development (HCD) each year in relation to their housing elements. This measure was vetoed by the Governor.

Human Resources and Public Sector Employment LAP

- AB 123 (Gonzalez) would have increased the wage replacement rate for paid family leave (PFL) claims commencing after January 1, 2023, but before January 1, 2025 to 65% or 75%; and for claims commencing after January 1, 2025 to 70% or 90%. This bill was vetoed by Governor Newsom.
- SB 278 (Leyva) provides that when a retiree's CalPERS pension is reduced post-retirement, due to the inclusion of compensation agreed to under a collective bargaining agreement that is later determined to be nonpensionable, the public employer must cover the difference between the pension as originally calculated and as reduced by CalPERS. This bill was signed into law by Governor Newsom.

Local Authority Over Wireless Telecommunications Facilities and Cable Services LAP

- AB 14 (Aguiar-Curry) extends the California Advanced Services Fund (CASF) program to encourage deployment of broadband service to unserved Californians, including updating the

CASF's surcharge and preserving various changes made by recent budget legislation. This bill was signed into law by Governor Newsom.

- AB 41 (Wood) requires the California Department of Transportation (Caltrans) to install conduit for fiber communications lines as part of projects to build a state-owned middle-mile broadband network. This bill also requires the California Public Utilities Commission (CPUC) to update broadband maps to specified information about local broadband service. This measure was signed into law by the Governor.
- SB 4 (Gonzalez) extends the operation of the California Advanced Services Fund (CASF) through 2032, increases the annual funding cap for the CASF, and expands projects eligible for CASF grants to include fund broadband deployment at unserved locations used for emergency response. This measure was signed into law by Governor Newsom.
- SB 378 (Gonzalez) requires local governments to allow fiber installers to use microtrenching as a method for installing fiber unless the local government makes a specified finding that permitting microtrenching would adversely impact public health and safety. This measure was signed into law by the Governor.
- SB 556 (Dodd) would have established permitting requirements for the placement of small wireless facilities on streetlight and traffic signal poles owned by local governments, including specified timelines for approving and attaching infrastructure, limitations on fees for attachments, and restrictions on local governments' ability to prohibit small wireless facility attachments. This bill was vetoed by Governor Newsom.

Public Safety LAP

- AB 26 (Holden) requires use of force policies for law enforcement agencies to include the requirement that officers "immediately" report potential excessive force, and further describes the requirement to "intercede" if another officer uses excessive force. Provides additional specifications for law enforcement agency policies on the duty to intervene when another officer uses excessive force. This bill was signed into law by Governor Newsom.
- AB 48 (Gonzalez) bans police from using tear gas and "less-lethal" projectiles on protestors. This bill was introduced last year and was one of the bills that ran out of time, so it was reintroduced this session. This bill was signed into law by Governor Newsom.
- SB 2 (Bradford) creates a process for law enforcement officers to be terminated if convicted of crimes or some forms of misconduct. In certain circumstances, such as if an officer is convicted of wrongful death, the bill would remove immunity protections, which shield public employees from civil lawsuits. This bill was signed into law by Governor Newsom.
- SB 16 (Skinner) expands the categories of police personnel records that are subject to disclosure under the California Public Records Act (CPRA) to include sustained findings involving force that is unreasonable or excessive, and any sustained finding that an officer failed to intervene against another officer using unreasonable or excessive force. This bill was signed into law by Governor Newsom.

Regional and Statewide Water Supply and Conservation LAP

- SB 273 (Hertzberg) authorizes a municipal wastewater agency to enter into agreements with entities responsible for stormwater management for the purpose of managing stormwater and dry weather runoff and to levy taxes, fees, and charges consistent with the municipal wastewater agency's existing authority to fund wastewater management projects. This bill was signed into law by Governor Newsom.
- SB 323 (Caballero) authorizes a local agency or interested person to bring a validation action in a superior court to determine the validity of a fee or charge for water and sewer service. Additionally, requires an interested party bring a validation action within 120 days after the fee or charge becomes effective, thus providing public agency water and sewer rates the same protections already afforded to fees and charges that fund other essential government services. This bill was signed into law by Governor Newsom.

Regional Issues and Collaboration LAP

- SB 60 (Glazer) allows cities to impose a fine of up to \$5,000 for public and health and safety violations of a short-term rental ordinance, bringing the fine threshold above the existing \$1,300 for each additional violation of the same ordinance within a year. This bill was signed into law by Governor Newsom.

Regional Transportation Issues LAP

- AB 43 (Friedman) grants local governments greater flexibility in setting speed limits based on recommendations the Zero Traffic Fatality Task Force (Task Force) made in January 2020. This bill was signed into law by Governor Newsom.
- AB 1157 (Friedman) would have made changes to the required elements of metropolitan planning organizations' (MPO) regional transportation plans (RTPs) to ensure effective implementation of sustainable communities' strategies (SCSs) and alternative planning strategies (APSS). This measure was vetoed by the Governor.

Sustainable and Environmental Legislation, Regulations, and Issues LAP

- AB 818 (Bloom) requires covered non disposable wipes to be labeled to communicate that they should not be flushed. This measure was signed into law by the Governor.
- SB 1 (Atkins) establishes the California Sea Level Rise Mitigation and Adaptation Act of 2021 and creates the California Sea Level Rise State and Regional Support Collaborative at the Ocean Protection Council to help coordinate and fund state efforts to prepare for sea level rise associated with climate change. This bill was signed into law by Governor Newsom.
- SB 619 (Laird) allows local governments to submit a notice of intent to comply with requirements set forth by SB 1383 (Lara, 2016) regulations to CalRecycle, which, if approved, would authorize a jurisdiction to receive civil penalty relief for the 2022 calendar year and a corrective action plan. This bill was signed into law by Governor Newsom.

ENVIRONMENTAL REVIEW

The action being considered does not constitute a “project” within the meaning of the California Environmental Quality Act (“CEQA”) pursuant to CEQA Guidelines section 15378(b)(5) in that it is a governmental organizational or administrative activity that will not result in direct or indirect changes in the environment.

FISCAL IMPACT

The City’s three-year agreement with Townsend Public Affairs for state and federal legislative advocacy services is for an amount not to exceed \$252,000. The services outlined in this report are included at no additional cost as part of the consultant’s monthly service fee.

COORDINATION

This report has been coordinated with Townsend Public Affairs and the City Attorney’s Office.

PUBLIC CONTACT

Public contact was made by posting the Council agenda on the City’s official-notice bulletin board outside City Hall Council Chambers. A complete agenda packet is available on the City’s website and in the City Clerk’s Office at least 72 hours prior to a Regular Meeting and 24 hours prior to a Special Meeting. A hard copy of any agenda report may be requested by contacting the City Clerk’s Office at (408) 615-2220, email clerk@santaclaraca.gov <<mailto:clerk@santaclaraca.gov>>.

RECOMMENDATION

Note and file the 2021 Q3 Legislative Update.

LEGISLATIVE ADVOCACY POSITION POLICY

PURPOSE

To establish clear guidelines for advancing City goals and positions through legislative review and advocacy at the regional, state, and federal levels of government and to provide guidance for City officials who serve on regional, state, and national boards, committees, and commissions when they are asked to review public policy matters and issues.

POLICY

To attain a comprehensive review of legislation affecting cities, to obtain the Council position on proposed legislation, to make the City's position known, and to maintain a record of pertinent information, the following guidelines shall be followed.

All legislative reviews are to be made on the basis of the effect on the City and citizens as a whole, and taking into account existing City positions, policies, or goals, rather than on the individual's personal feelings.

The guiding principles for legislative advocacy include and are not limited to:

- Support the League of California Cities and National League of Cities positions on priority bills that benefit Santa Clara.
- Protect local revenue sources and prevent unfunded mandates.
- Protect and/or increase funding for specific programs and services.
- Protect and/or increase local government discretion.
- Advance approved policies such as the City's Statement of Values, the General Plan, or the Climate Action Plan.

Annually, Legislative Advocacy Positions (LAP) shall be adopted or updated by the City Council at the beginning of the calendar year to identify specific legislative priorities outside of the legislative guiding principles listed above and posted on the City's website.

PROCEDURE FOR EVALUATING AND SUPPORTING LEGISLATIVE ADVOCACY

Legislation and issues of interest are brought to the City's attention through several means: the League of California Cities, the National League of Cities, the Cities Association of Santa Clara County, Council Members, city staff, citizens, and professional or governmental organizations and legislators. All legislation or issues of interest are to be referred to the City Manager's Office.

1. City Manager's Office (CMO) reviews the proposed legislation and, if warrants, requests assistance from one or more departments.

LEGISLATIVE ADVOCACY POSITION POLICY (cont.)

2. CMO/Department evaluates the bill for its impact upon Santa Clara, recommends a position and potential action, and drafts a position statement or support/opposition letter.
3. If Council has previously adopted a policy directly relevant to the legislation or the proposed legislation is generally consistent with the City's overall guiding principles for legislative advocacy or LAP, the Mayor or City Manager may sign a letter supporting or opposing legislation on behalf of the city as further detailed below.
4. If a Council policy relative to the legislation does not exist, the issue is politically controversial, or there is significant local interest in the issue, the proposed legislation including a recommendation to support, remain neutral, or not support the legislation is brought to Council for consideration.
5. Letters and other communications expressing the City's position on legislation will customarily bear the signature of the Mayor in accordance with City Charter Section 704.2 – 704.3. If the legislation's principal impact affects the City's operation, the communication may be signed by the City Manager.
6. In order to keep the Council informed of all City communications on legislation, copies of the letter or summary of actions will be distributed to the City Council as information items in the Council Meeting Agendas.
7. Staff will provide and/or coordinate quarterly legislative updates on public policy items of interest to Council and departments.

COVID-19 LEGISLATION

Overview

The outbreak of a respiratory illness caused by a novel coronavirus was first identified in Wuhan, Hubei Province, China in 2019. The disease, now commonly known as COVID-19, has since spread globally, resulting in the 2019–2020 coronavirus pandemic. The first case in the United States was announced on January 21, 2020. Since then, there has been much effort at the local, state and federal levels of government to stop the spread of the disease. Additionally, the state and federal governments have been working to provide economic relief to individuals, businesses, and local and state governments that have been impacted by COVID-19-related disruptions.

The City of Santa Clara proclaimed a local state of emergency on March 11, 2020 and continues to closely monitor county, state and federal orders, guidance and legislation to see how they apply to Santa Clara. City resources and personnel are working to continue to provide essential governmental functions to residents and businesses, while navigating the response necessary to contain the COVID-19 outbreak, providing assistance to individuals and businesses that have been negatively impacted by the pandemic, and complying with the requirements for social distancing and self-quarantining/isolating.

Guiding Principles

The City of Santa Clara's guiding principles for legislative advocacy include and are not limited to:

- Support the League of California Cities' and National League of Cities' positions on priority bills that benefit Santa Clara.
- Protect local revenue sources and prevent unfunded mandates.
- Protect and/or increase funding for specific programs and services.
- Protect and/or increase local government discretion.
- Advance approved policies such as the City's Statement of Values, the General Plan, or the Climate Action Plan.

Legislative Advocacy Position

In order to adequately protect the public health and safety of the COVID-19 outbreak, the City of Santa Clara:

- Supports efforts to provide direct relief funding to local jurisdictions, especially small and medium-sized cities, which can be utilized in response to the COVID-19 pandemic, including to offset lost revenue.
- Supports the temporary suspension of certain time-specific statutory requirements.
- Supports federal and state efforts to help mitigate the economic impacts from the coronavirus on the City's businesses and residents,
- Supports public health efforts to help mitigate the spread of COVID-19, including providing access to personal protective equipment.
- Opposes efforts to shift responsibility, to the City, of programs that have traditionally been carried out, or funded, by federal, state, or county governments.

- Supports efforts to assist small businesses, tenants, and landlords through eviction moratoriums, and other assistance programs, during the pandemic. These efforts should consider the needs of all stakeholders, including tenants, landlords, and those with unstable housing situations.
- Supports efforts to establish protocols, and provide funding, that will allow schools to resume in-person instruction in a safe manner.

ENERGY LEGISLATION, REGULATIONS AND ISSUES

Overview

The City's electric utility, Silicon Valley Power (SVP) has a mission to be a progressive, service-oriented utility, offering reliable, competitively priced services for the benefit of Santa Clara and its customers. Additionally, SVP has an adopted Strategic Plan that is intended to address the challenges facing the utility over a ten-year period. The Strategic Plan contains over thirty strategic initiatives in four distinct areas: Utility Performance Excellence; Customer Engagement and Satisfaction; Progress and Innovation Focus; and Community and Environmental Stewardship. The Legislative Advocacy Position works to further the objectives outlined in the Strategic Plan, and complements the other Legislative Advocacy Positions adopted by the City.

Guiding Principles

The City follows the below guiding principles for all areas of legislative advocacy:

- Support the positions of the League of California Cities, and National League of Cities, on priority bills that benefit Santa Clara.
- Protect local revenue sources and prevent unfunded mandates.
- Protect and/or increase funding for specific programs and services that benefit the City of Santa Clara and its residents.
- Protect and/or increase local government discretion.
- Advance approved policies, such as the City's Statement of Values, the General Plan, and the Climate Action Plan.

Legislative Advocacy Position

In order to ensure the City can provide safe, reliable, and affordable energy to ratepayers, while operating in an environmentally and fiscally conscious manner, the City will:

- Monitor PG&E's rate-making and regulatory activities to ensure it meets its obligations and agreements and advocate for changes that would mitigate adverse impacts to SVP and other publicly owned utilities (POUs).
- Support policies that will help ensure that transmission level Public Safety Power Shut-offs (PSPS) events do not unnecessarily burden local communities that are dependent on investor owned utility (IOU) transmission infrastructure.
- Support legislation that would provide local public agencies with financial resources to prepare for, and mitigate the impacts from, planned power outage events.
- Support efforts to align wildfire-related liability with fault, safeguarding public utility customers against exorbitant rate increases when their utility acts prudently.
- Monitor the development of new market initiatives from state and regional grid operators which may result in new energy-related products and changes to electric grid operations. Staff will advocate for changes that would benefit or protect SVP ratepayers.
- Monitor and participate with federal, state and local governments and stakeholders in the development of new regulations and advocate for changes that enhance system reliability and mitigate operational and ratepayer impacts.

- Support transitioning from diesel backup generators to battery-based backup generators.
- Monitor and support transmission related activities focusing on enhancing the reliability and deliverability of clean energy resources and advocating for greater transparency and assurance that transmission access charges are allocated equitably between the various beneficiaries.

**ENGAGEMENT WITH THE FEDERAL AVIATION ADMINISTRATION REGARDING
AIRPLANE NOISE**

Overview

In Santa Clara, the source of air noise comes from various activities from regional international airports, general aviation airports, and Moffett Federal Airfield. Ultimately, the Federal Aviation Administration (FAA) is primarily responsible for air traffic control, and our region continues to advocate for air noise mitigation.

In June 2017, the Cities Association of Santa Clara County (CASCC) received a Congressional request from Representatives Eshoo, Khanna and Panetta asking the CASCC to take a leadership role in forming a regional aircraft noise roundtable. The CASCC formed an Ad Hoc Committee to build the framework of forming a roundtable that works for the region. Since 2018, the Santa Clara/ Santa Cruz Roundtable, which includes local jurisdictions of Santa Clara and Santa Cruz Counties, has been working together with San Francisco Airport, Minéta San José Airport, and the FAA to address the growing concern of aircraft noise.

Guiding Principles

The City of Santa Clara's guiding principles for legislative advocacy include and are not limited to:

- Support the League of California Cities and National League of Cities positions on priority bills that benefit Santa Clara.
- Protect local revenue sources and prevent unfunded mandates.
- Protect and/or increase funding for specific programs and services.
- Protect and/or increase local government discretion.
- Advance approved policies such as the City's Statement of Values, the General Plan, or the Climate Action Plan.

Legislative Advocacy Position

In order to mitigate the impacts of air noise on the residents and businesses of the community, the City:

- Continue to support regional efforts to work with local agencies and federal representatives to mitigate the effects of aircraft noise.
- Support efforts to engage local public agencies, and members of the community, prior to any changes in flight paths, or airport operations, that may impact surrounding areas.
- Support legislation that provides funding to assist with the mitigation of impacts from aircraft noise.

HOUSING

Overview

The lack of affordable housing in the State and region continues to have an increasingly profound impact on the City of Santa Clara. In January 2019, Santa Clara County conducted its biennial Point-in-Time Count and found that there were over 9,700 individuals were living on the streets, in shelters, or in transitional housing across the county, reflecting a more than 200% increase in the homeless population over a two year period. As cities across the state struggle to address the growing affordable housing and homelessness crisis as housing prices continue to soar, housing continues to be a key legislative priority for the State Legislature and regional agencies.

Guiding Principles

The City of Santa Clara's guiding principles for legislative advocacy include and are not limited to:

- Support the League of California Cities and National League of Cities positions on priority bills that benefit Santa Clara.
- Protect local revenue sources and prevent unfunded mandates.
- Protect and/or increase funding for specific programs and services.
- Protect and/or increase local government discretion.
- Advance approved policies such as the City's Statement of Values, the General Plan, or the Climate Action Plan.

Legislative Advocacy Position

The City of Santa Clara is committed to being a leader at the local level in providing affordable housing, as well as making a fair share contribution to the overall need for housing production within Silicon Valley, and will continue to proactively take concrete steps to realize new housing production within the City. Santa Clara is also prepared to participate in broader regional efforts that are collaborative, recognize the unique characteristics of local jurisdictions, and provide opportunities for local representation.

The City is concerned about potential measures imposed at the State or regional level that reduce local control, recognizing that in some instances such measures can be necessary or helpful to advance common goals across multiple jurisdictions, but is also aware that such efforts may have unintended consequences, limited effectiveness, or create inequities due to a lack of accountability to localized circumstances.

In an effort to achieve these goals, the City will:

- Support legislation and efforts that provide resources to address the needs of the most vulnerable residents through shelter, supportive housing, and homelessness prevention services.

- Support efforts to collaborate with the County, local jurisdictions, the business sector, and non-profit and philanthropic partners to leverage available resources and bring in new funding streams to expand the reach of the supportive housing system.
- Oppose efforts to reduce federal funding for federal entitlement programs that are used to promote affordable housing, rehabilitate substandard housing, build new park facilities, provide neighborhood improvements, and fund public services.
- Advocate for more state and federal resources (e.g., funding, legal authority, technical support, streamlining administrative processes) to address local housing needs.
- Support federal efforts to preserve and strengthen the low-income housing tax credit program and federal tax exemptions for private activity bonds.
- Support legislation preserving and expanding, federal tax exemptions for state and local taxes, including state and local property, sales, and income taxes, and maintaining federal tax exemptions for mortgage interest payments on primary residences.
- Support legislation that provides local jurisdictions with authority over land use decisions and fully incorporates the involvement of local community members and an understanding of the conditions unique to the community.
- Oppose measures that reduce local control and are punitive in nature.
- Support efforts to streamline California Environmental Quality Act provisions to facilitate the production of affordable housing and reduce delays due to unmerited litigation.

HUMAN RESOURCES AND PUBLIC SECTOR EMPLOYMENT

Overview

The City of Santa Clara provides a myriad of services to the community, including Police, Fire, Public Works, Electric Utility, Planning, Parks and Recreation, and Library Services. The City employs over 1,100 part-time/seasonal and full-time employees that provide these and other services to the community. These services provide opportunities and careers for all types of interests, and the City should endeavor to leverage the rewards and benefits that come with working for the City.

Guiding Principles

The City of Santa Clara's guiding principles for legislative advocacy include and are not limited to:

- Support the League of California Cities and National League of Cities positions on priority bills that benefit Santa Clara.
- Protect local revenue sources and prevent unfunded mandates.
- Protect and/or increase funding for specific programs and services.
- Protect and/or increase local government discretion.
- Advance approved policies such as the City's Statement of Values, the General Plan, or the Climate Action Plan.

Legislative Advocacy Position

In order to ensure that the City can compete with other local municipalities, and the private sector, to attract, hire and retain a talented workforce, the City:

- Supports efforts to preserve local government's ability to manage its own employment issues, including, but not limited to, hiring, evaluating, disciplining, and negotiating collective bargaining agreements.
- Supports working with City bargaining units in finding solutions to address the service delivery needs of the community while being mindful of the City's revenue and expenditures, and recruitment and retention of the City's workforce.
- Supports efforts to increase the long-term financial stability of CalPERS.
- Opposes new federal or state unfunded mandates that would increase the City's post-employment obligations.
- Supports federal and state efforts to create a more informed, engaged, and welcoming experience for immigrants.
- Supports comprehensive immigration reform which provides opportunities to achieve economic and educational success and contribute to our community.
- Supports and increase in work visas allowing employers to hire foreign workers that require advanced technical skills, as well as support programs that stimulate the economy through job creation and capital investment by foreign investors.

- Supports efforts that protect children, including undocumented children, with the continuation of the Deferred Action for Childhood Arrivals (DACA) Program and the Dream Act.

LOCAL AUTHORITY OVER WIRELESS TELECOMMUNICATIONS FACILITIES AND CABLE SERVICES

Overview

The wireless telecommunications industry has made efforts to limit or preempt local control over placement of wireless facilities and supporting structures in and outside the rights of way. Over the past several years, actions by federal and state lawmakers have resulted in the adoption of regulations and orders controlling local authority over placement of wireless facilities, including the adoption of “shot clocks” requiring local agencies to complete review of projects within a specified time period.

Additionally, through the Federal Communications Commission’s proposed rulemaking, there have been efforts in recent years to address whether local franchising authorities (LFAs) can regulate incumbent cable operators and cable television services. The City has its own government access channel (Santa Clara City Television on Comcast cable channel 15 and AT&T U-verse 99), which may be negatively impacted by such rulings and similar legislation and activities. Santa Clara City Television is used to provide important information to the public, such as live and recorded airings of Council meetings, City special events, programs, and public service announcements.

Guiding Principles

The City of Santa Clara’s guiding principles for legislative advocacy include and are not limited to:

- Support the League of California Cities and National League of Cities positions on priority bills that benefit Santa Clara.
- Protect local revenue sources and prevent unfunded mandates.
- Protect and/or increase funding for specific programs and services.
- Protect and/or increase local government discretion.
- Advance approved policies such as the City’s Statement of Values, the General Plan, or the Climate Action Plan.

Legislative Advocacy Position

The City believes that it should maintain local authority over the placement of wireless telecommunications facilities, in order to ensure that a balance is reached between the infrastructure needs and the needs of the community. As such, the City:

- Opposes federal or state efforts to preempt local authority of the placement of wireless telecommunication facilities.
- Supports efforts to provide for local control of permitting wireless telecommunications and non-cable services facilities in the public-right-of-way.
- Supports legislation that provides opportunity for public input on the placement of wireless telecommunications facilities.
- Opposes efforts to limit the amount of time, or scope, of local review of the placement of wireless facilities.

- Monitors legislation related to distributed energy generation via back-up power at wireless telecommunications facilities.
- Supports efforts to increase access to broadband, while ensuring the placement and installation of needed equipment does not undermine local permitting authority and does not pose an undue nuisance for residents.

PUBLIC SAFETY

Overview

As a city that is consistently named one of the safest cities in the country, Santa Clara is committed to promoting a living and working environment that allows for the best quality of life. The City believes that crime prevention and enforcement efforts are integral to creating and maintaining a safe environment for residents and visitors. At the same time, the City recognizes that crime prevention and enforcement efforts alone cannot foster community safety and wellness; education, intervention and prevention efforts on various public safety topics, such as gun violence, gang activity, alcohol and tobacco use, pedestrian, driver and bicycle safety, and driving under the influence, are equally important.

As the State and region continues to experience civil unrest and an unprecedented number of natural and man-made disasters, the City recognizes the importance of a comprehensive risk management approach to emergency preparedness.

Guiding Principles

The City of Santa Clara's guiding principles for legislative advocacy include and are not limited to:

- Support the League of California Cities and National League of Cities positions on priority bills that benefit Santa Clara.
- Protect local revenue sources and prevent unfunded mandates.
- Protect and/or increase funding for specific programs and services.
- Protect and/or increase local government discretion.
- Advance approved policies such as the City's Statement of Values, the General Plan, or the Climate Action Plan.

Legislative Advocacy Position

In order to maintain public health and safety, and promote the best quality of life, the City will:

- Support legislation that seeks to impose stricter gun violence laws and/or requires the safe storage of unattended firearms.
- Support legislation that toughens penalties for chronic criminals.
- Support efforts to reduce the list of who can seek early parole and re-classify some theft crimes from misdemeanors to felonies by reforming Assembly Bill 109 (approved by the Legislature in 2011), Proposition 47 (approved by voters in 2014) and Proposition 57 (approved by voters in 2016).
- Support the expansion of the number of crimes where DNA is collected, a list that was limited when some crimes were reclassified from felonies to misdemeanors.
- Support legislation that preserves, or expands, funding levels for public safety programs, services, and equipment, such as the Edward Byrne Memorial Justice Assistance Grants.
- Support legislation that addresses crime trends and attempts to curb illegal activity, including but not limited to, illegal street racing and sideshow activity and thefts from automobile burglaries, all of which are growing trends in our region.

- Support efforts to test speed enforcement cameras and corresponding legislation to mitigate traffic-related injuries and deaths.
- Oppose public safety legislation that imposes unfunded mandates on local agencies for new programs or increased service levels.
- Support legislation that identifies new funding sources for fire and law enforcement agencies to promote public safety, wellness and employee training.
- Support legislation that recognizes the importance of a comprehensive risk management approach to emergency preparedness, fire prevention, fire suppression, and emergency medical services.
- Support legislation that provides funding for emergency preparedness, including community risk reduction strategies like community education programs (e.g., CERT, CPA), staff training, interagency cooperation, and enhanced equipment and technology.
- Support legislation that expands the implementation and testing of emergency alert systems.
- Support legislation that enhances public safety professionals' ability to respond to all types of emergencies and communicate within, and across, jurisdictions.
- Support measures that aim to return revenue generated from the enforcement of crimes back to the originating agency to sustain their efforts.
- Support the local regulation of Unmanned Aircraft Systems (UAVs), including the right to authorize use of UAVs by public safety agencies and the right to restrict or prohibit UAV use that interferes with, or poses a threat to, emergency operations or public safety.
- Support legislation that aims to assist individuals in crisis, including those who may be homeless, be the victim of human trafficking, domestic violence victims and survivors, and other vulnerable populations.
- Support legislation and efforts that recognizes the importance of developing a comprehensive preparedness strategy (e.g. mutual aid, unified command, interoperability, cyber disobedience, critical infrastructure, social media, etc.) to respond to civil unrest with input from emergency responders and allied stakeholders for local response.
- Support more funding for mental health and substance abuse.
- Support training of public safety to handle mental health issues.
- Support background checks and training requirements for gun sales.

REGIONAL AND STATE-WIDE WATER SUPPLY AND CONSERVATION

Overview

The City of Santa Clara operates 26 wells that tap the underground aquifers and make up about 62% of the City's potable water supply. The underground aquifers are replenished from local reservoirs by the Santa Clara Valley Water District (SCVWD) water recharge program. The remaining water is supplied by water imported from the SCVWD and the San Francisco Public Utilities Commission (SFPUC) through the Hetch-Hetchy Reservoir.

For certain approved non-potable uses, recycled water from the San Jose/Santa Clara Regional Wastewater Facility's South Bay Recycled Water (SBWR) facility is used. This highly treated water delivered through separate pipelines makes up about 19% of the water sales in the City. Recycled water offsets the use of potable sources in drought-prone California and is a reliable source for conservation of potable sources. The City continues to work closely with SBWR in order to increase recycled water supplies in order to meet existing demands within the City. Currently, SBWR is updating the Recycled Water Master Plan.

Guiding Principles

The City of Santa Clara's guiding principles for legislative advocacy include and are not limited to:

- Support the League of California Cities and National League of Cities positions on priority bills that benefit Santa Clara.
- Protect local revenue sources and prevent unfunded mandates.
- Protect and/or increase funding for specific programs and services.
- Protect and/or increase local government discretion.
- Advance approved policies such as the City's Statement of Values, the General Plan, or the Climate Action Plan.

Legislative Advocacy Position

In order to ensure that the City is able to maintain an affordable and reliable supply of quality water, the City maintains the following advocacy positions:

- Support and implement water conservation measures for businesses and residents including state regulatory efforts which build on ongoing efforts to "make water conservation a California way of life."
- Support regional water conservation including potable and recycled water supply efforts in cooperation with agencies such as Santa Clara Valley Water District, City of San Jose, San Francisco Public Utilities Commission (SFPUC), and the Bay Area Water Supply and Conservation Agency.
- Monitor federal, state, and regional activity related to the Bay-Delta Plan Phase 1 & 2. Support a comprehensive Bay-Delta watershed voluntary settlement agreement between stakeholders that includes SFPUC.
- Oppose legislative efforts to impose new taxes or fees on drinking water.
- Support efforts to establish alternative funding sources for water infrastructure and improved water quality projects.

- Support state and regional efforts to delivery water to Santa Clara customers using clean energy and other environmentally sustainable practices.
- Support legislation and funding to protect the health of children who might be exposed to lead in drinking water at school facilities.
- Support legislation with regional partners that allows purified recycled water to be added to the potable water supply through indirect and direct applications that improve local water resiliency for residents and businesses.

REGIONAL ISSUES AND COLLABORATION

Overview

While the City of Santa Clara is unique in many ways, it experiences many of the same issues that other cities in the region experience. The City works closely with other jurisdictions to address a variety of issues that impact residents in the San Francisco Bay Area, such as affordable housing, transportation, and water conservation.

Guiding Principles

The City follows the below guiding principles for all areas of legislative advocacy:

- Support the positions of the League of California Cities, and National League of Cities, on priority bills that benefit Santa Clara.
- Protect local revenue sources and prevent unfunded mandates.
- Protect and/or increase funding for specific programs and services that benefit the City of Santa Clara and its residents.
- Protect and/or increase local government discretion.
- Advance approved policies, such as the City's Statement of Values, the General Plan, and the Climate Action Plan.

Legislative Advocacy Position

The City recognizes the importance of regional collaboration and, as such, the City:

- Contribute to, and support the efforts of, regional organizations such as Santa Clara County Cities Association, Silicon Valley Economic Development Alliance, and the Santa Clara/Santa Cruz Airport Community Roundtable to advance the regional goals.
- Monitor regional issues, and new legislation, to ensure that they benefit the region and its residents.
- Support federal and state legislation to provide funding for regional solutions to problems, such as housing, homelessness, emergency response, and transportation.

REGIONAL TRANSPORTATION ISSUES

Overview

The City of Santa Clara believes that a robust transportation network, and related infrastructure, is a critical element to a successful and thriving community. The City works with the federal government, state government, and regional stakeholders to ensure that residents and businesses have access to traditional modes of transportation and promote alternative modes to alleviate traffic congestion and pollution. Additionally, it is important for the City's transportation network to continue to evolve to best serve the future needs of the community. To that end, local efforts are underway to promote and provide funding for alternative modes of transportation, such as updates to the City's Traffic Impact Fee program, the City's Multimodal Improvement Plan, Bicycle Master Plan Update 2018, Pedestrian Master Plan, and Creek Trail Network Expansion Master Plan. Additionally, City staff is working with other transportation agencies to support their significant regional projects, including BART Phase II (VTA), Caltrain Electrification and Caltrain Business Plan, and the High Speed Rail.

Guiding Principles

The City of Santa Clara's guiding principles for legislative advocacy include and are not limited to:

- Support the League of California Cities and National League of Cities positions on priority bills that benefit Santa Clara.
- Protect local revenue sources and prevent unfunded mandates.
- Protect and/or increase funding for specific programs and services.
- Protect and/or increase local government discretion.
- Advance approved policies such as the City's Statement of Values, the General Plan, or the Climate Action Plan.

Legislative Advocacy Position

To ensure that the City, and greater region, are able to meet the current transportation needs of the community, as well as plan for future needs, the City is advocating for the following positions:

- Support legislative, regulatory, and regional efforts to reduce the amount of traffic congestion on area freeways and County expressways.
- Support legislation that provides regional and local funding for diverse transportation projects, such as local streets and roads improvements, public transit, bicycle and pedestrian projects, intelligent transportation system improvements, corridor capacity improvements, and highway interchange improvements.
- Oppose efforts to reduce local government access to SB 1 local streets and roads funding.
- Support efforts to ensure accountability and fairness during the implementation of regional transportation ballot measures such as the VTA's 2016 Measure B program.
- Support regional efforts that will alleviate traffic congestion and promote alternative modes of transportation that benefit Santa Clara residents and businesses and that support the City's commitment to environmental sustainability.
- Monitor efforts to place regional transportation funding measures on the ballot for consideration by voters.

- Promote incentives to work from home.

SCHOOL MITIGATION FEES

Overview

State law authorizes school districts to levy development fees to pay for new school facilities and establishes the maximum fees that can be charged to developers that are building new residential and non-residential projects. This fee is updated every two years, as adjusted for inflation. Once the maximum rate is set by the State, it is the responsibility for each school district to establish its own rate.

The school fees are earmarked for improving and expanding school facilities to serve the school-age population that would be generated from new development. Land values and construction costs have dramatically increased since 1986 and the current adjusted maximum rate does not adequately mitigate the school impacts from new development.

Guiding Principles

The City of Santa Clara's guiding principles for legislative advocacy include and are not limited to:

- Support the League of California Cities and National League of Cities positions on priority bills that benefit Santa Clara.
- Protect local revenue sources and prevent unfunded mandates.
- Protect and/or increase funding for specific programs and services.
- Protect and/or increase local government discretion.
- Advance approved policies such as the City's Statement of Values, the General Plan, or the Climate Action Plan.

Legislative Advocacy Position

Santa Clara is committed to the ongoing production of needed housing within the City and ensuring the ability of school districts to meet the facility needs for a growing school-age population. As such, the City:

- Supports flexibility to consider increasing the allowable school mitigation fee level.
- Supports efforts by the State Legislature, and/or the State Allocation Board, to increase the rates to more realistically reflect current school facility costs.
- Supports efforts to index school mitigation fees, to ensure that the funding remains at a stable level.
- Supports other provisions to allow school districts to effectively mitigate the impacts of new development.

SUSTAINABILITY AND ENVIRONMENTAL LEGISLATION, REGULATIONS AND ISSUES

Overview

The City of Santa Clara is committed to creating a sustainable city for residents and businesses. The City strives to conduct its operations in a way that is environmentally conscious and promotes sustainability. The City is dedicated to collaborating with regional stakeholders to improve the air quality, water quality, and overall environmental quality of life for the residents and businesses of the City.

Guiding Principles

The City of Santa Clara's guiding principles for legislative advocacy include and are not limited to:

- Support the League of California Cities and National League of Cities positions on priority bills that benefit Santa Clara.
- Protect local revenue sources and prevent unfunded mandates.
- Protect and/or increase funding for specific programs and services.
- Protect and/or increase local government discretion.
- Advance approved policies such as the City's Statement of Values, the General Plan, or the Climate Action Plan.

Legislative Advocacy Position

Interest in sustainability and environmental issues, at both the state and federal levels, will likely result in new legislation and regulation changes that could significantly impact the City. Monitoring and advocacy efforts will be geared towards ensuring that emerging legislation and regulations align with the City's interests in providing sustainable services to its residents and businesses through the following:

- Support opportunities to further reform the California Environmental Quality Act process that support greater efficiency and transparency and alignment with objective environmental goals while protecting local land use authority.
- Monitor legislation related to vehicle miles traveled, in lieu of level of service, in relation to transportation impacts of projects.
- Monitor legislation related to energy related issues including renewable energy, energy efficiency and conservation, resiliency, smart grid solutions, energy storage, distributed energy and transportation electrification, among other things.
- Advocate for goals and policies that remain technology agnostic and commercially available, and avoid policies that choose specific technologies or energy procurement mandates that can lead to increased customer costs while discouraging innovation.
- Support legislation that removes barriers to the electrification of buildings and transportation and legislation that provides regulatory streamlining of reporting and other actions that also preserves local decision-making authority.

- Monitor legislation that may have a regional and local impact on greenhouse gas (GHG) emissions and advocate for effective and equitable approaches to emissions reduction.
- Support a comprehensive approach to climate policy that optimizes GHG reductions across multiple sectors (transportation, electricity, buildings, etc.)
- Advocate for the flexibility to optimize the portfolio of GHG emissions reduction opportunities identified in the City's Climate Action Plan and includes but not limited to new renewable energy and storage procurement, water conservation and energy efficiency, smart grid solutions, increase waste diversion, sustainable land use, increase tree canopy, building decarbonization, transportation electrification among other actions in the portfolio.
- Monitor legislation and water quality regulations related to contaminants of emerging concern.
- Monitor research and regulations on Per-and Poly-fluoroalkyl Substances (PFASs) and their impacts on the environment, drinking water, and firefighting foam.
- Oppose federal or state efforts to permit additional oil drilling off the California coast.
- Monitor legislation and regulatory efforts related to recycling and solid waste and advocate for legislation and regulations that enable mixed waste processing and composting to remain viable pathways for waste compliance.
- Support legislation and regulatory efforts that aid the City's Pretreatment Program, Fats, Oils & Grease (FOG) Inspection Program, and Operations and Maintenance of the sanitary sewer collections system.
- Support urban runoff pollution regulations, water conservation and recycling, and pollution controls that benefit the City.
- Monitor legislation and regulations related to the National Pollutant Discharge Elimination System and support efforts that are attainable and reflect local conditions and circumstances.
- Track the progress of the South Bay Salt Ponds Restoration Project and its proximity and potential impacts to the Regional Wastewater Facility, which Santa Clara jointly owns with the City of San Jose.
- Track the progress of the South San Francisco Bay Shoreline Study and support associated regional resiliency planning efforts to ensure that Santa Clara's infrastructure and community assets are considered and protected as the Bay Area plans and constructs resiliency projects.
- Support legislation, regulations, and funding to strengthen forest management and fire prevention activities and improve emergency preparedness and response. These include, but are not limited to, the modernization of vegetation and forest management practices for wildfire prevention and carbon sequestration and biomass production for energy, forest thinning, and other activities to improve the health of forests damaged by infestation of bark beetles, plant pathogens, drought, or other hazards that exponentially increase wildfire dangers.
- Work with regional partners to maintain the reliability of the water supply and water sustainability to support current customers and to allow for expected growth in the near future and beyond.
- Monitor legislation and regulations related to the San Jose/Santa Clara Regional Wastewater Facility (RWF) being the largest discharger to the San Francisco Bay. The RWF is regulated by the National Pollutant Discharge Elimination System permit under the Clean Water Act administered by San Francisco Bay Regional Water Quality Control

Board. New regulations are focused on Contaminants of Emerging Concern, Toxicity, and Nutrient Reduction.

- Support California Energy Commission (CEC) and California Public Utilities Commission (CPUC) to accelerate building and transportation decarbonization in the 2022 Title 24 part 6 (CalGreen) code.
- Support Work from Home Policies.
- Increase support for forest management to reduce wildfires which are increasing in numbers and destruction due to climate change.

MEMO

To: City of Santa Clara

From: Townsend Public Affairs, Inc.

Date: November 11, 2021

Subject: Legislative Update

Summary

This document is meant to provide a summary of legislation that was monitored on behalf of the City of Santa Clara during the 2021 Legislative Session. Where appropriate, Townsend Public Affairs has worked with the City to provide information on legislation, assess the potential impact of legislation to the City, and recommend positions that the City may wish to adopt on specific bills.

The information below is sorted by the Legislative Advocacy Position that is most relevant to the bill or activity.

COVID-19 Legislation LAP

AB 61 **(Gabriel D) Business pandemic relief.**

Status: 10/8/2021-Approved by the Governor. Chaptered by Secretary of State - Chapter 651, Statutes of 2021.

Summary: Would authorize the Department of Alcoholic Beverage Control, for a period of 365 days following the end of the state of emergency proclaimed by the Governor on March 4, 2020, in response to the COVID-19 pandemic, to permit licensees to exercise license privileges in an expanded license area authorized pursuant to a COVID-19 Temporary Catering Permit approved in accordance with the Fourth Notice of Regulatory Relief issued by the department. The bill would also authorize the department to extend the period of time during which the COVID-19 permit is valid beyond 365 days if the licensee has filed a pending application with the department for the permanent expansion of their premises before the 365-day time period expires. The bill would make these provisions effective only until July 1, 2024 and repeal them as of that date.

AB 339 **(Lee D) Local government: open and public meetings.**

Status: 10/7/2021-Vetoed by the Governor

Summary: The Ralph M. Brown Act requires that all meetings of a legislative body of a local agency be open and public and that all persons be permitted to attend and participate. Under existing law, a member of the legislative body who attends a meeting where action is taken in violation of this provision, with the intent to deprive

the public of information that the member knows the public is entitled to, is guilty of a crime. This bill would require local agencies to conduct meetings subject to the act consistent with applicable state and federal civil rights laws.

AB 361 (Rivas, Robert D) Open meetings: local agencies: teleconferences.

Status: 9/16/2021-Approved by the Governor. Chaptered by Secretary of State - Chapter 165, Statutes of 2021.

Summary: Would, until January 1, 2024, authorize a local agency to use teleconferencing without complying with the teleconferencing requirements imposed by the Ralph M. Brown Act when a legislative body of a local agency holds a meeting during a declared state of emergency, as that term is defined, when state or local health officials have imposed or recommended measures to promote social distancing, during a proclaimed state of emergency held for the purpose of determining, by majority vote, whether meeting in person would present imminent risks to the health or safety of attendees, and during a proclaimed state of emergency when the legislative body has determined that meeting in person would present imminent risks to the health or safety of attendees.

AB 845 (Rodriguez D) Disability retirement: COVID-19: presumption.

Status: 7/23/2021-Approved by the Governor. Chaptered by Secretary of State - Chapter 122, Statutes of 2021.

Summary: Current law prescribes various requirements for the organization and administration of public retirement systems, which typically provide pension, disability, and death benefits to their members. Current law provides that participants in certain membership categories may be entitled to special benefits if death or disability arises in the course of employment. The California Public Employees' Pension Reform Act of 2013 (PEPRA) generally requires a public retirement system to modify its plan or plans to comply with that act and establishes limits on defined benefit formulas and caps on pensionable compensation. This bill, until January 1, 2023, would create a presumption, applicable to the retirement systems that PEPRA regulates and to specified members in those systems, that would be applied to disability retirements on the basis, in whole or in part, of a COVID-19-related illness. In this circumstance, the bill would require that it be presumed the disability arose out of, or in the course of, the member's employment. The bill would authorize the presumption to be rebutted by evidence to the contrary, but unless controverted, the applicable governing board of a public retirement system would be required to find in accordance with the presumption.

SB 49 (Umberg D) Income taxes: credits: California Fair Fees Tax Credit.

Status: 2-Year Bill

Summary: The Personal Income Tax Law and the Corporation Tax Law allow various credits against the taxes imposed by those laws. This bill would allow a credit against those taxes for each taxable year beginning on or after January 1, 2021, and before January 1, 2026, to a taxpayer that meets certain criteria, including that the taxpayer temporarily ceased business operations for at least 30 consecutive days during the taxable year in response to an emergency order. The amount of credit would vary based on the number of consecutive days the qualified taxpayer has ceased business operations during the taxable year, with a maximum amount of \$6,000 if the qualified taxpayer has temporarily ceased business operations for at least 180 consecutive days.

- SB 64** **(Leyva D) Mobilehome parks: emergency relief: coronavirus (COVID-19).**
Status: 2-Year Bill
Summary: Would prohibit the management from terminating or attempting to terminate the tenancy of a homeowner or resident who is impacted by the coronavirus (COVID-19) pandemic on the grounds of failure of the homeowner or resident to comply with a reasonable rule or regulation of the park that is part of the rental agreement during a declared state of emergency or local emergency related to the coronavirus (COVID-19) pandemic, and during a 120-day time period after the state of emergency or local emergency is terminated. The bill would also require that any complaint for unlawful detainer against a homeowner or resident who is impacted by the coronavirus (COVID-19) pandemic clearly state on the first page of the complaint that it is subject to additional protections.
- SB 93** **(Committee on Budget and Fiscal Review) Employment: rehiring and retention: displaced workers: COVID-19 pandemic.**
Status: 4/16/2021-Approved by the Governor. Chaptered by Secretary of State. Chapter 16, Statutes of 2021.
Summary: Would, until December 31, 2024, require an employer, to offer its laid-off employees specified information about job positions that become available for which the laid-off employees are qualified, and to offer positions to those laid-off employees based on a preference system, in accordance with specified timelines and procedures. The bill would define the term “laid-off employee” to mean any employee who was employed by the employer for 6 months or more in the 12 months preceding January 1, 2020, and whose most recent separation from active service was due to a reason related to the COVID-19 pandemic, including a public health directive, government shutdown order, lack of business, a reduction in force, or other economic, nondisciplinary reason related to the COVID-19 pandemic. The bill would require an employer to keep records for 3 years, including records of communications regarding the offers.
- SB 314** **(Wiener D) Alcoholic beverages.**
Status: 10/8/2021-Approved by the Governor. Chaptered by Secretary of State. Chapter 656, Statutes of 2021.
Summary: Current law authorizes the issuance of a caterer’s permit, upon application to the Department of Alcoholic Beverage Control, to a licensee under an on-sale general license, an on-sale beer and wine license, a club license, or a veterans’ club license, that authorizes the holder of the permit to sell alcoholic beverages at specified locations and events, including, among others, conventions, sporting events, and trade exhibits. The department, pursuant to its powers and in furtherance of emergency declarations and orders of the Governor under the California Emergency Services Act regarding the spread of the COVID-19 virus, has prescribed temporary relief measures to suspend certain legal restrictions relating to, among other things, the expansion of a licensed footprint, sales of alcoholic beverages to-go, and delivery privileges. This bill would prohibit the authorization of a catering permit for use at any one premises for more than 36 events in one calendar year.
- SB 336** **(Ochoa Bogh R) Public health: COVID-19.**
Status: 10/4/2021-Approved by the Governor. Chaptered by Secretary of State. Chapter 487, Statutes of 2021.
Summary: Would require, when the State Department of Public Health issues a statewide order or mandatory guidance, or when a local health officer issues an order, related to preventing the spread of COVID-19, as defined, or protecting public health

against a threat of COVID-19, that they publish on their internet website the order or guidance and the date that the order or guidance takes effect. The bill would also require the department or local health officer to create an opportunity for local communities, businesses, nonprofit organizations, individuals, and others to sign up for an email distribution list relative to changes to the order or guidance.

Energy Legislation, Regulations, and Issues LAP

AB 418 (Valladares R) Emergency services: grant program.

Status: 10/4/2021-Vetoed by Governor.

Summary: Would establish the Community Power Resiliency Program (program), to be administered by the Office of Emergency Services, to support local governments' efforts to improve resiliency in response to power outage events. The bill would require the office to allocate funds, pursuant to an appropriation by the Legislature, to local governments, special districts, and tribes for various purposes relating to power resiliency, and would require certain entities, in order to be eligible for funding, to either describe the portion of their emergency plan that includes power outages or confirm that power outages will be included when the entity revises any portion of their emergency plan.

AB 1403 (Levine D) Emergency services.

Status: 10/5/2021-Vetoed by Governor.

Summary: The California Emergency Services Act authorizes the Governor to proclaim a state of emergency when specified conditions of disaster or extreme peril to the safety of persons and property exist and authorizes the Governor to exercise certain powers in response to that emergency. Current law defines the term "state of emergency" to mean a duly proclaimed existence of conditions of disaster or of extreme peril to the safety of persons and property within the state caused by, among other things, fire, storm, or riot. This bill would additionally include a "deenergization event," defined as a planned power outage, within those conditions constituting a state of emergency.

SB 52 (Dodd D) State of emergency: local emergency: planned power outage.

Status: 10/6/2021-Approved by the Governor. Chaptered by Secretary of State. Chapter 597, Statutes of 2021.

Summary: Would define a 'deenergization event' as a planned power outage and would make a deenergization event one of those conditions constituting a local emergency, with prescribed limitations.

SB 99 (Dodd D) Community Energy Resilience Act of 2021.

Status: 2-year Bill

Summary: Current law establishes within the Natural Resources Agency the State Energy Resources Conservation and Development Commission. Current law assigns the commission various duties, including applying for and accepting grants, contributions, and appropriations, and awarding grants consistent with the goals and objectives of a program or activity the commission is authorized to implement or administer. This bill, the Community Energy Resilience Act of 2021, would require the commission to develop and implement a grant program for local governments to develop community energy resilience plans and expedite permit review of distributed energy resources by local governments.

SB 533

(Stern D) Electrical corporations: wildfire mitigation plans: deenergization events.

Status: 9/23/2021-Approved by the Governor. Chaptered by Secretary of State. Chapter 244, Statutes of 2021.

Summary: Would require that an electrical corporation's wildfire mitigation plan identify circuits that have frequently been deenergized to mitigate the risk of wildfire and the measures taken, or planned to be taken, by the electrical corporation to reduce the need for, and impact of, future deenergization of those circuits, including the estimated annual decline in circuit deenergization and deenergization impact on customers, and replacing, hardening, or undergrounding any portion of the circuit or of upstream transmission or distribution lines.

Housing LAP

AB 68

(Quirk-Silva D) Department of Housing and Community Development: California Statewide Housing Plan: annual reports.

Status: 9/28/2021-Approved by the Governor. Chaptered by Secretary of State - Chapter 341, Statutes of 2021.

Summary: Current law establishes the California Statewide Housing Plan, which serves as a state housing plan for all relevant purposes, that incorporates a statement of housing goals, policies, and objectives, as well as specified segments. Current law requires the Department of Housing and Community Development to update and provide a revision of the plan to the Legislature every 4 years. This bill would revise and recast those provisions related to the California Statewide Housing Plan. The bill would, starting with any update or revision to the plan on or after January 1, 2023, require the plan to include specified information, including, among other things, the number of affordable units needed to meet the state's affordable housing needs and recommendations for modernizing statutory and regulatory terminology. The bill would require the department to publish and make the plan available to the public on the department's internet website.

AB 71

(Rivas, Luz D) Homelessness funding: Bring California Home Act.

Status: 2-Year bill

Summary: The Personal Income Tax Law, in conformity with federal income tax law, generally defines gross income as income from whatever source derived and provides various exclusions from gross income. Current federal law, for purposes of determining a taxpayer's gross income for federal income taxation, requires that a person who is a United States shareholder of any controlled foreign corporation to include in their gross income the global intangible low-taxed income for that taxable year. This bill, for taxable years beginning on or after January 1, 2022, would include a taxpayer's global intangible low-taxed income in their gross income for purposes of the Personal Income Tax Law, in modified conformity with the above-described federal provisions.

AB 215

(Chiu D) Planning and Zoning Law: housing element: violations.

Status: 9/28/2021-Approved by the Governor. Chaptered by Secretary of State - Chapter 342, Statutes of 2021.

Summary: The Planning and Zoning Law requires a city or county to adopt a general plan for land use development within its boundaries that includes, among other things, a housing element. That law requires a planning agency, before adopting its housing element or amendment to its housing element, to submit a draft element or draft amendment to the Department of Housing and Community Development. This bill would require a local government to make the first draft revision of a housing element available for public comment for at least 30 days and, if any comments are received, take at least 10 additional business days to consider and incorporate public comments into the draft revision before submitting it to the department. The bill would require a local government to post any subsequent draft revision on its internet website and to email a link to the draft revision to individuals and organizations that have requested notices relating to the local government's housing element.

AB 345 (Quirk-Silva D) Accessory dwelling units: separate conveyance.

Status: 9/28/2021-Approved by the Governor. Chaptered by Secretary of State - Chapter 343, Statutes of 2021.

Summary: The Planning and Zoning Law authorizes a local agency to provide, by ordinance, for the creation of accessory dwelling units in single-family and multifamily residential zones and requires a local agency that has not adopted an ordinance to ministerially approve an application for an accessory dwelling unit, and sets forth required ordinance standards, including that the ordinance prohibit the sale or conveyance of the accessory dwelling unit separately from the primary residence. Current law, notwithstanding the prohibition described above, authorizes a local agency to, by ordinance, allow an accessory dwelling unit to be sold or conveyed separately from the primary residence to a qualified buyer if certain conditions are met. This bill would require each local agency to allow an accessory dwelling unit to be sold or conveyed separately from the primary residence to a qualified buyer if the above-described conditions are met.

AB 491 (Ward D) Housing: affordable and market rate units.

Status: 9/28/2021-Approved by the Governor. Chaptered by Secretary of State - Chapter 345, Statutes of 2021.

Summary: Would require that a mixed-income multifamily structure provide the same access to the common entrances, common areas, and amenities of the structure to occupants of the affordable housing units in the structure as is provided to occupants of the market-rate housing units. The bill would also prohibit a mixed-income multifamily structure from isolating the affordable housing units within the structure to a specific floor or an area on a specific floor.

AB 571 (Mayes I) Planning and zoning: density bonuses: affordable housing.

Status: 9/28/2021-Approved by the Governor. Chaptered by Secretary of State - Chapter 346, Statutes of 2021.

Summary: The Density Bonus Law requires a city or county to provide a developer that proposes a housing development in the city or county with a density bonus and other incentives or concessions for the production of lower income housing units, or for the donation of land within the development, if the developer agrees to, among other things, construct a specified percentage of units for very low income, low-income, or moderate-income households or qualifying residents, including lower income students. Current law requires the amount of a density bonus and the number of incentives or concessions a qualifying developer receives to be pursuant to a

certain formula based on the total number of units in the housing development. This bill would prohibit affordable housing impact fees, including inclusionary zoning fees and in-lieu fees, from being imposed on a housing development's affordable units.

AB 602

(Grayson D) Development fees: impact fee nexus study.

Status: 9/28/2021-Approved by the Governor. Chaptered by Secretary of State - Chapter 347, Statutes of 2021.

Summary: Current law requires a city, county, or special district that has an internet website to make available on its internet website certain information, including its current schedule of fees and exactions. This bill would require, on and after January 1, 2022, a city, county, or special district that conducts an impact fee nexus study to follow specific standards and practices, including, (1) that prior to the adoption of an associated development fee, an impact fee nexus study be adopted, (2) that the study identify the existing level of service for each public facility, identify the proposed new level of service, and include an explanation of why the new level of service is necessary, and (3) if the study is adopted after July 1, 2022, either calculate a fee levied or imposed on a housing development project proportionately to the square footage of the proposed units, or make specified findings explaining why square footage is not an appropriate metric to calculate the fees.

AB 721

(Bloom D) Covenants and restrictions: affordable housing.

Location: 9/28/2021- Approved by the Governor. Chaptered by Secretary of State - Chapter 349, Statutes of 2021.

Summary: Would make any recorded covenants, conditions, restrictions, or limits on the use of private or publicly owned land contained in any deed, contract, security instrument, or other instrument affecting the transfer or sale that restricts the number, size, or location of the residences that may be built on the property, or that restricts the number of persons or families who may reside on the property, unenforceable against the owner of an affordable housing development, as defined, if an approved restrictive covenant affordable housing modification document has been recorded in the public record, as provided, unless a specified exception applies.

AB 787

(Gabriel D) Planning and zoning: housing element: converted affordable housing units.

Status: 9/28/2021-Approved by the Governor. Chaptered by Secretary of State - Chapter 350, Statutes of 2021.

Summary: Current law requires the planning agency of a city or county to provide an annual report that includes specified information by April 1 of each year to specified entities, including the Department of Housing and Community Development. Existing law requires that this report include the progress in meeting the city's or county's share of regional housing needs and local efforts to remove governmental constraints to the maintenance, improvement, and development of housing. This bill would authorize a planning agency to include in its annual report, for up to 25% of a jurisdiction's moderate-income regional housing need allocation, the number of units in an existing multifamily building that were converted to deed-restricted rental housing for moderate-income households by the imposition of affordability covenants and restrictions for the unit.

AB 816

(Chiu D) Homelessness: Housing Trust Fund: housing projects.

Status: 9/29/2021-Approved by the Governor. Chaptered by Secretary of State - Chapter 396, Statutes of 2021.

Summary: Current federal law requires the Secretary of the United States Department of Housing and Urban Development to establish a Housing Trust Fund to provide grants to states to increase the supply of rental housing for extremely low and very low income families, including homeless families, and home ownership for extremely low and very low income families. Current law requires the department to collaborate with the California Housing Finance Agency to develop an allocation plan to demonstrate how the funds will be distributed, based on the priority housing needs identified in the state's consolidated plan, and to convene a stakeholder process to inform the development of the plan. Current law requires the allocation plan and program guidelines to prioritize projects based on enumerated factors such as the extent to which project rents are affordable. The department is required to submit this plan to the Assembly Committee on Housing and Community Development and the Senate Transportation and Housing Committees 30 days after receipt of the federal funds. This bill would require the department to prioritize funding for projects that serve people experiencing homelessness, to the extent that a sufficient number of projects exist.

AB 838 (Friedman D) State Housing Law: enforcement response to complaints.

Status: 9/28/2021-Approved by the Governor. Chaptered by Secretary of State - Chapter 351, Statutes of 2021.

Summary: Would, beginning July 1, 2022, require a city or county that receives a complaint of a substandard building or a lead hazard violation, from a tenant, resident, or occupant, or an agent of a tenant, resident, or occupant, to inspect the building, portion of the building intended for human occupancy, or premises of the building, document the lead hazard violations that would be discovered based upon a reasonably competent and diligent visual inspection of the property and identify any building, portion of a building intended for human occupancy, or premises on which such a building is located that is determined to be substandard. The bill would require the city or county to advise the owner or operator of each violation and of each action that is required to be taken to remedy the violation and to schedule a reinspection to verify correction of the violations.

AB 950 (Ward D) Department of Transportation: sales of excess real property: affordable housing, emergency shelters, and feeding programs.

Status: 2-year Bill

Summary: Would authorize the Department of Transportation to sell its excess real property to the city, county, or city and county where the real property is located if the city, county, or city and county agrees to use the real property for the sole purpose of implementing affordable housing, emergency shelters, or feeding programs. The bill would exempt these sales from the California Environmental Quality Act, except the department would be required to file a notice of exemption with the Office of Planning and Research and the county clerk of the county in which the real property is located.

AB 977 (Gabriel D) Homelessness program data reporting: Homeless Management Information System.

Status: 9/29/2021-Approved by the Governor. Chaptered by Secretary of State - Chapter 397, Statutes of 2021.

Summary: Would require, on or before January 1, 2023, that a grantee or entity operating specified state homelessness programs, including the No Place Like Home Program, as a condition of receiving state funds, to enter the collected data elements on the individuals and families it serves into its local Homeless Management

Information System, unless otherwise exempted by state or federal law. The bill would require the Homeless Coordinating and Financing Council to specify the format and disclosure frequency of the required data elements. The bill would apply the data entry requirements to all new state homelessness programs that commence on or after July 1, 2021. The bill would require the Homeless Coordinating and Financing Council to provide technical assistance to any grantee or entity that operates a program subject to the bill, if the grantee or entity does not already collect and enter into the local Homeless Management Information System the data elements required.

AB 989 (Gabriel D) Housing Accountability Act: appeals: Office of Housing Appeals.

Status: 2-year Bill

Summary: The Housing Accountability Act prohibits a local agency from disapproving, or conditioning approval in a manner that renders infeasible, specified housing development projects, including projects for very low, low-, or moderate-income households and projects for emergency shelters that comply with applicable, objective general plan, zoning, and subdivision standards and criteria in effect at the time the application for the project is deemed complete, unless the local agency makes specified written findings based on a preponderance of the evidence in the record. This bill would, until January 1, 2029, establish an Office of Housing Appeals (office) within the department, administered by the director of the department, to review housing development projects that are alleged to have been denied or subject to conditions in violation of the Housing Accountability Act. The bill would establish housing appeals panels, consisting of administrative law judges with specified qualifications, within the office.

AB 1017 (Quirk-Silva D) Public restrooms: Right to Restrooms Act of 2021.

Status: 2-year Bill

Summary: Would require each local government to complete an inventory of public restrooms owned and maintained by the local government, either directly or by contract, that are available to the general population in its jurisdiction. The bill would require local governments to report their findings to the State Department of Public Health, which would be required to compile the information in a report to the Legislature. The bill would require each local government to make its inventory available to agencies and service providers that work directly with homeless populations within the local government's jurisdiction and to make restroom location data available on its internet website.

AB 1029 (Mullin D) Housing elements: prohousing local policies.

Status: 9/28/2021-Approved by the Governor. Chaptered by Secretary of State - Chapter 353, Statutes of 2021.

Summary: Would add the preservation of affordable housing units through the extension of existing project-based rental assistance covenants to avoid the displacement of affected tenants and a reduction in available affordable housing units to the list of specified prohousing local policies.

AB 1304 (Santiago D) Affirmatively further fair housing: housing element: inventory of land.

Status: 9/28/2021-Approved by the Governor. Chaptered by Secretary of State - Chapter 357, Statutes of 2021.

Summary: Current law requires a public agency, as defined, to administer its

programs and activities relating to housing and community development in a manner to affirmatively further fair housing, and to not take any action that is materially inconsistent with this obligation. This bill would clarify that a local agency has a mandatory duty to comply with the obligation described above. The bill would specify that this provision is a clarification of current law and not to be deemed a change in previous law.

SB 5 (Atkins D) Affordable Housing Bond Act of 2022.

Status: 2-year Bill

Summary: Would enact the Affordable Housing Bond Act of 2022, which, if adopted, would authorize the issuance of bonds in the amount of \$6,500,000,000 pursuant to the State General Obligation Bond Law. Proceeds from the sale of these bonds would be used to fund affordable rental housing and homeownership programs. The bill would state the intent of the Legislature to determine the allocation of those funds to specific programs. This bill would provide for submission of the bond act to the voters at the November 8, 2022, statewide general election in accordance with specified law.

SB 7 (Atkins D) Environmental quality: Jobs and Economic Improvement Through Environmental Leadership Act of 2021.

Status: 5/20/2021-Approved by the Governor. Chaptered by Secretary of State. Chapter 19, Statutes of 2021.

Summary: Would enact the Jobs and Economic Improvement Through Environmental Leadership Act of 2021, which would reenact the former leadership act, with certain changes, and would authorize the Governor, until January 1, 2024, to certify projects that meet specified requirements for streamlining benefits related to CEQA. The bill would additionally include housing development projects meeting certain conditions as projects eligible for certification. The bill would, except for those housing development projects, require the quantification and mitigation of the impacts of a project from the emissions of greenhouse gases. The bill would revise and recast the labor-related requirements for projects undertaken by both public agencies and private entities. The bill would provide that the Governor is authorized to certify a project before the lead agency certifies the final EIR for the project.

SB 8 (Skinner D) Housing Crisis Act of 2019.

Status: 9/16/2021-Approved by the Governor. Chaptered by Secretary of State. Chapter 161, Statutes of 2021.

Summary: Would clarify, for various purposes of the Housing Crisis Act of 2019, that "housing development project" includes projects that involve no discretionary approvals, projects that involve both discretionary and nondiscretionary approvals, and projects that include a proposal to construct a single dwelling unit. The bill would specify that this clarification is declaratory of existing law, except that the clarification does not affect a project for which an application was submitted to the city, county, or city and county before January 1, 2022.

SB 9 (Atkins D) Housing development: approvals.

Status: 9/16/2021-Approved by the Governor. Chaptered by Secretary of State. Chapter 162, Statutes of 2021.

Summary: The Planning and Zoning Law provides for the creation of accessory dwelling units by local ordinance, or, if a local agency has not adopted an ordinance, by ministerial approval, in accordance with specified standards and conditions. This bill would require a proposed housing development containing no more than 2

residential units within a single-family residential zone to be considered ministerially, without discretionary review or hearing, if the proposed housing development meets certain requirements, including, that the proposed housing development would not require demolition or alteration of housing that is subject to a recorded covenant, ordinance, or law that restricts rents to levels affordable to persons and families of moderate, low, or very low income, that the proposed housing development does not allow for the demolition of more than 25% of the existing exterior structural walls, and that the development is not located within a historic district, is not included on the State Historic Resources Inventory, or is not within a site that is legally designated or listed as a city or county landmark or historic property or district.

City Position: Oppose

SB 10

(Wiener D) Planning and zoning: housing development: density.

Status: 9/16/2021-Approved by the Governor. Chaptered by Secretary of State. Chapter 163, Statutes of 2021.

Summary: Would, notwithstanding any local restrictions on adopting zoning ordinances, authorize a local government to adopt an ordinance to zone any parcel for up to 10 units of residential density per parcel, at a height specified in the ordinance, if the parcel is located in a transit-rich area or an urban infill site. The bill would prohibit a local government from adopting an ordinance pursuant to these provisions on or after January 1, 2029. The bill would specify that an ordinance adopted under these provisions, and any resolution to amend the jurisdiction's General Plan, ordinance, or other local regulation adopted to be consistent with that ordinance, is not a project for purposes of the California Environmental Quality Act. The bill would prohibit an ordinance adopted under these provisions from superceding a local restriction enacted or approved by a local initiative that designates publicly owned land as open-space land or for park or recreational purposes.

SB 290

(Skinner D) Density Bonus Law: qualifications for incentives or concessions: student housing for lower income students: moderate-income persons and families: local government constraints.

Status: 9/28/2021-Approved by the Governor. Chaptered by Secretary of State. Chapter 340, Statutes of 2021.

Summary: Current law requires the amount of a density bonus and the number of incentives or concessions a qualifying developer receives to be pursuant to a certain formula based on the total number of units in the housing development. This bill would require a unit designated to satisfy the inclusionary zoning requirements of a city or county to be included in the total number of units on which a density bonus and the number of incentives or concessions are based. The bill would require a city or county to grant one incentive or concession for a student housing development project that will include at least 20% of the total units for lower income students.

SB 477

(Wiener D) General plan: annual report.

Status: 10/5/2021-Vetoed by the Governor.

Summary: The Planning and Zoning Law requires a city or county to adopt a general plan for land use development within its boundaries that includes a housing element. That law requires the planning agency of a city or county to provide, by April 1 of each year, an annual report to, among other entities, the Department of Housing and Community Development that includes the number of applications submitted, the

location and total number of developments approved, the number of building permits issued, and the number of units constructed pursuant to a specific streamlined, ministerial approval process. This bill would, commencing January 1, 2024, require a planning agency to include in that annual report specified information on costs, standards, and applications for proposed housing development projects and specified information on housing development projects within the jurisdiction.

SB 478

(Wiener D) Planning and Zoning Law: housing development projects.

Status: 9/28/2021-Approved by the Governor. Chaptered by Secretary of State. Chapter 363, Statutes of 2021.

Summary: The Planning and Zoning Law requires the Department of Housing and Community Development to notify the city, county, or city and county, and authorizes the department to notify the Attorney General, that the city, county, or city and county is in violation of state law if the department finds that the housing element or an amendment to that element, or any specified action or failure to act, does not substantially comply with the law as it pertains to housing elements or that any local government has taken an action in violation of certain housing laws. This bill would prohibit a local agency, as defined, from imposing a floor area ratio standard that is less than 1.0 on a housing development project that consists of 3 to 7 units, or less than 1.25 on a housing development project that consists of 8 to 10 units.

SB 649

(Cortese D) Local governments: affordable housing: local tenant preference.

Status: 2-year Bill

Summary: Would establish a state policy supporting local tenant preferences for lower income households, , that are subject to displacement risk, and, further, permit local governments and developers in receipt of local or state funds, federal or state tax credits, or an allocation of tax-exempt private activity bonds designated for affordable rental housing to restrict occupancy by creating a local housing preference for lower income households subject to displacement risk. The bill, subject to certain requirements and limitations, would authorize a local government to allow a local tenant preference in an affordable housing rental development to reduce displacement of lower income households with displacement risk beyond local government boundaries by adopting a program that allows preferences in affordable rental housing acquired, constructed, preserved or funded with state or local funds or tax programs.

SCA 2

(Allen D) Public housing projects.

Status: 2-year bill

Summary: The California Constitution prohibits the development, construction, or acquisition of a low-rent housing project, , in any manner by any state public body until a majority of the qualified electors of the city, town, or county in which the development, construction, or acquisition of the low-rent housing project is proposed approve the project by voting in favor at an election. This measure would repeal these provisions.

Human Resources and Public Sector Employment LAP

AB 123 (**Gonzalez, Lorena D**) **Paid family leave: weekly benefit amount.**

Status: 9/28/2021-Vetoed by Governor.

Summary: Current law establishes, within the Unemployment Compensation Disability Fund program, a family temporary disability insurance program, also known as the paid family leave program, for the provision of wage replacement benefits for up to 8 weeks to workers who take time off work to care for a seriously ill family member or to bond with a minor child within one year of birth or placement. Current law defines “weekly benefit amount” for purposes of both employee contributions and benefits under this program to mean the amount of weekly benefits available to qualifying disabled individuals pursuant to unemployment compensation disability law, calculated pursuant to specified formulas partly based on the applicable percentage of the wages paid to an individual for employment by employers during the quarter of the individual’s disability base period in which these wages were highest, but not to exceed the maximum workers’ compensation temporary disability indemnity weekly benefit amount established by the Department of Industrial Relations. This bill would revise the formulas described above for periods of disability commencing after January 1, 2023, but before January 1, 2025, by redefining the weekly benefit amount to be equal to 65% or 75% of the wages paid to an individual for employment by employers during the quarter of the individual’s disability base period in which these wages were highest, divided by 13, but not exceeding the maximum workers’ compensation temporary disability indemnity weekly benefit amount established by the Department of Industrial Relations, depending on the amount of wages paid to the individual for employment by employers during the quarter of the individual’s disability base period in which these wages were highest.

SB 278 (**Leyva D**) **Public Employees’ Retirement System: disallowed compensation: benefit adjustments.**

Status: 9/27/2021-Approved by the Governor. Chaptered by Secretary of State. Chapter 331, Statutes of 2021.

Summary: The California Public Employees’ Pension Reform Act of 2013 (PEPRA) generally requires a public retirement system to modify its plan or plans to comply with the act. PEPRA establishes new defined benefit formulas and caps on pensionable compensation. This bill would establish new procedures under PERL for cases in which PERS determines that the benefits of a member or annuitant are, or would be, based on disallowed compensation that conflicts with PEPRA and other specified laws and thus impermissible under PERL. The bill would also apply these procedures retroactively to determinations made on or after January 1, 2017, if an appeal has been filed and the employee member, survivor, or beneficiary has not exhausted their administrative or legal remedies. At the threshold, after determining that compensation for an employee member reported by the state, school employer, or a contracting agency is disallowed, the bill would require the applicable employer to discontinue the reporting of the disallowed compensation.

SB 452 (**Gonzalez D**) **State government: Immigrant and Refugee Affairs Agency: Office of Immigrant and Refugee Affairs.**

Status: 2-year Bill

Summary: Current law designates 8 agencies in state government and requires the secretary of an agency to be generally responsible for the sound fiscal management of each department, office, or other unit within the agency. Current law further requires

the secretary of an agency to continually seek to improve the organization structure, the operating policies, and the management information systems of each department, office, or other unit. This bill would, until January 1, 2029, establish the Immigrant and Refugee Affairs Agency as an agency within state government, to be headed by a secretary who is appointed by the Governor and subject to Senate confirmation. The bill would specify that the purpose of the agency is to reduce obstacles and enhance immigrant integration into the social, cultural, economic, and civic life of the state.

Local Authority Over Wireless Telecommunications Facilities and Cable Services LAP

AB 14 (Aquiar-Curry D) Communications: California Advanced Services Fund: deaf and disabled telecommunications program: surcharges.

Status: 10/8/2021-Approved by the Governor. Chaptered by Secretary of State - Chapter 658, Statutes of 2021.

Summary: Under current law, the Public Utilities Commission has regulatory authority over public utilities, including telephone corporations. Current law requires the commission to develop, implement, and administer the California Advanced Services Fund (CASF) to encourage deployment of high-quality advanced communications services to all Californians that will promote economic growth, job creation, and the substantial social benefits of advanced information and communications technologies. Current law authorizes the commission to impose a surcharge to collect \$330,000,000 for deposit into the CASF beginning January 1, 2018 and continuing through the 2022 calendar year. Current law specifies the amount of surcharge revenues to be deposited into each account within the CASF, subject to appropriation by the Legislature. This bill would authorize the commission to impose the surcharge to fund the CASF until December 31, 2032.

AB 34 (Muratsuchi D) Broadband for All Act of 2022.

Status: 2-Year Bill

Summary: Would enact the Broadband for All Act of 2022, which, if approved by the voters, would authorize the issuance of bonds in the amount of \$10,000,000,000 pursuant to the State General Obligation Bond Law to support the 2022 Broadband for All Program that would be administered by the department for purposes of providing financial assistance for projects to deploy broadband infrastructure and broadband internet access services.

AB 41 (Wood D) Broadband infrastructure deployment.

Status: 10/8/2021-Approved by the Governor. Chaptered by Secretary of State - Chapter 659, Statutes of 2021.

Summary: Current law vests the Department of Transportation with full possession and control of state highways and associated property. Current law requires the department to notify companies and organizations working on broadband deployment on its internet website of specified department-led highway construction projects and authorizes those companies and organizations to collaborate with the department to install broadband conduits as part of those projects. This bill would require the department, as part of those projects that are funded by a specified item of the Budget Act of 2021 and are located in priority areas, to ensure that construction includes the installation of conduits capable of supporting optic communication cables.

SB 4

(Gonzalez D) Communications: California Advanced Services Fund.

Status: 10/8/2021-Approved by the Governor. Chaptered by Secretary of State. Chapter 671, Statutes of 2021.

Summary: Would require the Governor's Office of Business and Economic Development to coordinate with other relevant state and local agencies and national organizations to explore ways to facilitate streamlining of local land use approvals and construction permit processes for projects related to broadband infrastructure deployment and connectivity.

SB 378

(Gonzalez D) Local government: broadband infrastructure development project permit processing: microtrenching permit processing ordinance.

Status: 10/8/2021-Approved by the Governor. Chaptered by Secretary of State. Chapter 677, Statutes of 2021.

Summary: Would require a local agency to allow, except as provided, microtrenching for the installation of underground fiber if the installation in the microtrench is limited to fiber. The bill would also require a local agency with jurisdiction to approve excavations to adopt or amend existing policies, ordinances, codes, or construction rules to allow for microtrenching. The bill would provide that these provisions do not supersede, nullify, or otherwise alter the requirements to comply with specified safety standards. The bill would authorize a local agency to impose a fee for its reasonable costs on an application for a permit to install fiber. By imposing new duties on local agencies with regard to the installation of fiber, the bill would impose a state-mandated local program.

SB 556

(Dodd D) Street light poles, traffic signal poles: small wireless facilities attachments.

Status: 10/4/2021-Vetoed by Governor.

Summary: Would prohibit a local government or local publicly owned electric utility from unreasonably denying the leasing or licensing of its street light poles or traffic signal poles to communications service providers for the purpose of placing small wireless facilities on those poles. The bill would require that street light poles and traffic signal poles be made available for the placement of small wireless facilities under fair, reasonable, and nondiscriminatory fees. The bill would authorize a local government or local publicly owned electric utility to condition access to its street light poles or traffic signal poles on reasonable terms and conditions, including reasonable aesthetic and safety standards.

Public Safety LAP

AB 26

(Holden D) Peace officers: use of force.

Status: 9/30/2021-Approved by the Governor. Chaptered by Secretary of State - Chapter 403, Statutes of 2021.

Summary: Current law requires each law enforcement agency, on or before January 1, 2021, to maintain a policy that provides a minimum standard on the use of force. Current law requires that policy to require that officers report potential excessive force to a superior officer when present and observing another officer using force that the officer believes to be unnecessary, and to require that officers intercede when present and observing another officer using force that is clearly beyond that which is necessary. This bill would require those law enforcement policies to require those officers to immediately report potential excessive force.

AB 48

(Gonzalez, Lorena D) Law enforcement: use of force.

Status: 9/30/2021-Approved by the Governor. Chaptered by Secretary of State - Chapter 404, Statutes of 2021.

Summary: Would prohibit the use of kinetic energy projectiles or chemical agents by any law enforcement agency to disperse any assembly, protest, or demonstration, except in compliance with specified standards set by the bill, and would prohibit their use solely due to a violation of an imposed curfew, verbal threat, or noncompliance with a law enforcement directive. The bill would include in the standards for the use of kinetic energy projectiles and chemical agents to disperse gatherings the requirement that, among other things, those weapons only be used to defend against a threat to life or serious bodily injury to any individual, including a peace officer, or to bring an objectively dangerous and unlawful situation safely and effectively under control.

AB 89

(Jones-Sawyer D) Peace officers: minimum qualifications.

Status: 9/30/2021-Approved by the Governor. Chaptered by Secretary of State - Chapter 405, Statutes of 2021.

Summary: Current law requires the Commission on Peace Officer Standards and Training (POST) to establish a certification program for specified peace officers, including officers of the Department of the California Highway Patrol. Current law requires the commission to establish basic, intermediate, advanced, supervisory, management, and executive certificates for the purpose of fostering the education and experience necessary to perform general police service duties. Current law requires certificates to be awarded on the basis of a combination of training, education, experience, and other prerequisites, as determined by the commission. This bill would require the office of the Chancellor of the California Community Colleges to develop a modern policing degree program, with the commission and other stakeholders to serve as advisors and to submit a report on recommendations to the Legislature outlining a plan to implement the program on or before June 1, 2023.

AB 603

(McCarty D) Law enforcement settlements and judgments: reporting.

Status: 10/8/2021-Vetoed by Governor.

Summary: Would require municipalities to annually post on their internet websites specified information relating to settlements and judgments resulting from allegations of improper police conduct, including, among other information, amounts paid, broken down by individual settlement and judgment, and information on bonds used to finance use of force settlement and judgment payments. The bill would require the Transportation Agency to annually post the same information on its internet website regarding settlements and judgments against the Department of the California Highway Patrol.

AB 718

(Cunningham R) Peace officers: investigations of misconduct.

Status: 2-Year Bill

Summary: Would require a law enforcement agency or oversight agency to complete its investigation into an allegation of the use of force resulting in death or great bodily injury, sexual assault, discharge of a firearm, or dishonesty relating to the reporting, investigation, or prosecution of a crime or misconduct by another peace officer or custodial officer, despite the peace officer's or custodial officer's voluntary separation from the employing agency. The bill would require the investigation to result in a finding that the allegation is either sustained, not sustained, unfounded, or exonerated. The bill would also require an agency other than an officer's employing agency that conducts an investigation of these allegations to disclose its findings with

the employing agency no later than the conclusion of the investigation.

SB 2

(Bradford D) Peace officers: certification: civil rights.

Status: 9/30/2021-Approved by the Governor. Chaptered by Secretary of State. Chapter 409, Statutes of 2021.

Summary: Under current law, the Tom Bane Civil Rights Act, if a person or persons, whether or not acting under color of law, interferes or attempts to interfere, by threats, intimidation, or coercion, with the exercise or enjoyment by any individual or individuals of rights secured by the Constitution or laws of the United States, or of the rights secured by the Constitution or laws of this state, the Attorney General, or any district attorney or city attorney, is authorized to bring a civil action for injunctive and other appropriate equitable relief in the name of the people of the State of California, in order to protect the exercise or enjoyment of the right or rights secured. Current law also authorizes an action brought by the Attorney General, or any district attorney or city attorney, to seek a civil penalty of \$25,000. Current law also allows an individual whose exercise or enjoyment of rights has been interfered with to prosecute a civil action for damages on their own behalf. This bill would eliminate certain immunity provisions for peace officers and custodial officers, or public entities employing peace officers or custodial officers sued under the act.

SB 16

(Skinner D) Peace officers: release of records.

Status: 9/30/2021-Approved by the Governor. Chaptered by Secretary of State. Chapter 402, Statutes of 2021.

Summary: Current law makes peace officer and custodial officer personnel records and specified records maintained by any state or local agency, or information obtained from these records, confidential and prohibits these records from being disclosed in any criminal or civil proceeding except by discovery. Current law sets forth exceptions to this policy, including, among others, records relating to specified incidents involving the discharge of a firearm, sexual assault, perjury, or misconduct by a peace officer or custodial officer. Existing law makes a record related to an incident involving the use of force against a person resulting in death or great bodily injury subject to disclosure. Current law requires a state or local agency to make these excepted records available for inspection pursuant to the California Public Records Act, subject to redaction. This bill would make a sustained finding involving force that is unreasonable or excessive, and any sustained finding that an officer failed to intervene against another officer using unreasonable or excessive force, subject to disclosure.

SB 109

(Dodd D) Department of Forestry and Fire Protection: Office of Wildfire Technology Research and Development.

Status: 9/23/2021-Approved by the Governor. Chaptered by Secretary of State. Chapter 239, Statutes of 2021.

Summary: Current law requires the Office of Emergency Services and the Department of Forestry and Fire Protection to jointly establish and lead the Wildfire Forecast and Threat Intelligence Integration Center, and sets forth the functions and duties of the center, including serving as the state's integrated central organizing hub for wildfire forecasting. This bill would, until January 1, 2029, also establish the Office of Wildfire Technology Research and Development within the Department of Forestry and Fire Protection under the direct control of the Director of the department. The bill would make the office responsible for studying, testing, and advising regarding procurement of emerging technologies and tools in order to more

effectively prevent and suppress wildfires throughout the state, through specified activities, as provided.

Regional and Statewide Water Supply and Conservation LAP

- AB 100** (**Holden D**) **Drinking water: endpoint devices: lead content.**
Status: 10/8/2021-Approved by the Governor. Chaptered by Secretary of State - Chapter 692, Statutes of 2021.
Summary: The California Safe Drinking Water Act requires the State Water Resources Control Board to administer provisions relating to the regulation of drinking water to protect public health. Current law prohibits, with certain exceptions, the use of any pipe, pipe or plumbing fitting or fixture, solder, or flux that is not lead free in the installation or repair of any public water system or any plumbing in a facility providing water for human consumption. Current law defines “lead free” for purposes of conveying or dispensing water for human consumption to mean not more than 0.2% lead when used with respect to solder and flux and not more than a weighted average of 0.25% lead when used with respect to the wetted surfaces of pipes and pipe fittings, plumbing fittings, and fixtures. This bill would, commencing January 1, 2023, prohibit a person from manufacturing, and offering for sale in the state, an endpoint device that does not meet a certain lead leaching standard. The bill would, commencing July 1, 2023, prohibit a person from introducing into commerce or offering for sale in the state an endpoint device that does not meet that lead leaching standard.
- AB 271** (**Rivas, Robert D**) **Santa Clara Valley Water District: contracts: best value procurement.**
Status: 7/9/2021-Approved by the Governor. Chaptered by Secretary of State - Chapter 48, Statutes of 2021.
Summary: Current law authorizes certain local entities to select a bidder for a contract on the basis of “best value.” Existing law governs various types of contract procedures applicable to the Santa Clara Valley Water District and prescribes competitive bidding procedures for any improvement or unit of work over \$50,000. This bill would authorize the district, upon approval by the board of directors of the district, to award contracts on a best value basis for any work of the Anderson Dam project, defined to include prescribed activities and works of construction with regard to the Leroy Anderson Dam and Reservoir and certain fish and aquatic habitat measures described in a federal-state settlement agreement.
- SB 222** (**Dodd D**) **Water Rate Assistance Program.**
Status: 2-Year Bill
Summary: Would establish the Water Rate Assistance Fund in the State Treasury to help provide water affordability assistance, for both drinking water and wastewater services, to low-income ratepayers and ratepayers experiencing economic hardship in California. The bill would require the Department of Community Services and Development to develop and administer the Water Rate Assistance Program established by the bill.
- SB 273** (**Hertzberg D**) **Water quality: municipal wastewater agencies.**
Status: 9/23/2021-Approved by the Governor. Chaptered by Secretary of State. Chapter 241, Statutes of 2021.
Summary: Would authorize a municipal wastewater agency to enter into agreements

with entities responsible for stormwater management for the purpose of managing stormwater and dry weather runoff, , to acquire, construct, expand, operate, maintain, and provide facilities for specified purposes relating to managing stormwater and dry weather runoff, and to levy taxes, fees, and charges consistent with the municipal wastewater agency's existing authority in order to fund projects undertaken pursuant to the bill. The bill would require the exercise of any new authority granted under the bill to comply with the Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000. The bill would require a municipal wastewater agency that enters into or amends one of these agreements after January 1, 2022, to file a copy of the agreement or amendment with the local agency formation commission in each county where any part of the municipal wastewater agency's territory is located but would exempt those agreements and amendments from local agency formation commission approval except as required by the Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000.

SB 323 (Caballero D) Local government: water or sewer service: legal actions.

Status: 9/23/2021- Approved by the Governor. Chaptered by Secretary of State. Chapter 216, Statutes of 2021.

Summary: Current law prohibits a local agency from imposing fees for specified purposes, including fees for water or sewer connections, as defined, that exceed the estimated reasonable cost of providing the service for which the fee is charged, unless voter approval is obtained. Existing law provides that a local agency levying a new water or sewer connection fee or increasing a fee must do so by ordinance or resolution. Current law requires, for specified fees, including water or sewer connection fees, any judicial action or proceeding to attack, review, set aside, void, or annul an ordinance, resolution, or motion adopting a new fee or service charge or modifying an existing fee or service charge to be commenced within 120 days of the effective date of the ordinance, resolution, or motion according to specified procedures for validation proceedings. This bill would require any judicial action or proceeding to attack, review, set aside, void, validate, or annul an ordinance, resolution, or motion adopting, modifying, or amending water or sewer service fees or charges adopted after January 1, 2022, to be commenced within 120 days of the effective date or the date of final passage, adoption, or approval of the ordinance, resolution, or motion, whichever is later.

SB 60 (Glazer D) Residential short-term rental ordinances: health or safety infractions: maximum fines.

Status: 9/24/2021-Approved by the Governor. Chaptered by Secretary of State - Chapter 307, Statutes of 2021.

Summary: Current law sets specific monetary limits on the fines that may be imposed by city or county authorities for any violation of local building and safety codes that is an infraction, as prescribed. Current law requires a city or county levying fines pursuant to these provisions to establish a process for granting a hardship waiver in certain cases. This bill would, notwithstanding those provisions and with certain exceptions, raise the maximum fines for violation of an ordinance relating to a residential short-term rental, as defined, that is an infraction and poses a threat to health or safety, to \$1,500 for a first violation, \$3,000 for a 2nd violation of the same ordinance within one year, and \$5,000 for each additional violation of

the same ordinance within one year of the first violation. The bill would make these violations subject to the process for granting a hardship waiver.

SB 389

(Dodd D) Alcoholic beverages: retail on-sale license: off-sale privileges.

Status: 10/8/2021-Approved by the Governor. Chaptered by Secretary of State - Chapter 657, Statutes of 2021.

Summary: The Alcoholic Beverage Control Act, which is administered by the Department of Alcoholic Beverage Control, regulates the application, issuance, and suspension of alcoholic beverage licenses. Current law authorizes a person holding an on-sale general license, with respect to beer and wine, and any on-sale license, with respect to the particular beverage or beverages mentioned in the license, to exercise the rights and privileges granted by an off-sale beer and wine license. This bill would, until December 31, 2026, authorize the holder of an on-sale license for a bona fide public eating place that has off-sale privileges, or a licensed beer manufacturer, licensed wine manufacturer, or licensed craft distiller that operates a bona fide public eating place at its premises of production, to exercise additional off-sale rights and privileges, subject to specified requirements.

Regional Transportation Issues LAP

AB 43

(Friedman D) Traffic safety.

Status: 10/8/2021-Approved by the Governor. Chaptered by Secretary of State - Chapter 690, Statutes of 2021.

Summary: Current law establishes various default speed limits for vehicles upon highways. Current law authorizes state and local authorities to adjust these default speed limits based upon certain findings determined by an engineering and traffic survey. Existing law defines an engineering and traffic survey and prescribes specified factors that must be included in the survey, including prevailing speeds and road conditions. Current law authorizes local authorities to consider additional factors, including pedestrian and bicyclist safety. This bill would authorize local authorities to consider the safety of vulnerable pedestrian groups.

AB 773

(Nazarian D) Street closures and designations.

Status: 10/6/2021-Approved by the Governor. Chaptered by Secretary of State - Chapter 587, Statutes of 2021.

Summary: Would authorize a local authority to adopt a rule or regulation by ordinance to implement a slow street program, which may include closures to vehicular traffic or through vehicular traffic of neighborhood local streets with connections to citywide bicycle networks, destinations that are within walking distance, or green space. The bill would require the local authority to meet specified conditions to implement a slow street, including a determination that closure or traffic restriction is necessary for the safety and protection of persons using the closed or restricted portion of the street, conducting an outreach and engagement process, and clearly designating the closure or traffic restriction with specific signage.

AB 970

(McCarty D) Planning and zoning: electric vehicle charging stations: permit application: approval.

Status: 10/8/2021-Approved by the Governor. Chaptered by Secretary of State -

Chapter 710, Statutes of 2021.

Summary: Current law requires every city, county, and city and county to create an expedited, streamlined permitting process for electric vehicle charging stations and to adopt a checklist pursuant to which an applicant that satisfies the information requirements shall be deemed complete and therefore eligible for expedited review. This bill would clarify that these provisions apply to all cities, including charter cities.

AB 1401 (Friedman D) Residential and commercial development: remodeling, renovations, and additions: parking requirements.

Status: 2-Year Bill

Summary: Would prohibit a public agency in a county with a population of 600,000 or more from imposing a minimum automobile parking requirement, or enforcing a minimum automobile parking requirement, on residential, commercial, or other development if the development is located on a parcel that is within 1/2 mile of public transit. The bill would prohibit a public agency in a city with of 75,000 or more located in a county with a population of less than 600,000 from imposing a minimum automobile parking requirement, or enforcing a minimum automobile parking requirement, on residential, commercial, or other development if the project is located within 1/4 mile of public transit. The bill would create authorizations in this regard for a city or a county to which these prohibitions do not apply.

AB 332 (Committee on Environmental Safety and Toxic Materials) Hazardous waste: treated wood waste: management standards.

Status: 8/31/2021-Approved by the Governor. Chaptered by Secretary of State - Chapter 147, Statutes of 2021.

Summary: Current law, as part of the hazardous waste control laws, requires the Department of Toxic Substances Control to regulate the management and handling of hazardous waste. Under current law, certain wood waste that is exempt from regulation under the federal Resource Conservation and Recovery Act of 1976 is exempt from the hazardous waste control laws, if the wood waste is disposed of in a municipal landfill that meets certain requirements imposed pursuant to the Porter-Cologne Water Quality Control Act for the classification of disposal sites, and the landfill meets other specified requirements. A violation of the state's hazardous waste control laws, including a regulation adopted pursuant to those laws, is a crime. This bill would require a person managing treated wood waste to comply with the hazardous waste control laws or the management standards established in the bill, including standards for the reuse, storage, treatment, transportation, tracking, identification, and disposal of treated wood waste.

City Position: Support

AB 478 (Ting D) Solid waste: thermoform plastic containers: postconsumer thermoform recycled plastic: commingled rates.

Status: 2-Year Bill

Summary: Would, on and after January 1, 2024, would require the total thermoform

plastic containers sold by a producer, or purchased in a certain quantity, in the state to contain, on average, specified amounts of postconsumer thermoform recycled plastic, per year pursuant to a tiered plan that would require the total thermoform plastic containers to contain, on average, and depending on the recycling rate, no less than 20% or 30% postconsumer recycled plastic per year on and after June 1, 2030. The bill would exclude a person or company that produces, harvests, and packages an agricultural commodity on the site where the commodity is grown or raised from this requirement.

AB 480 **(Carrillo D) Hazardous materials.**

Status: 10/9/2021-Approved by the Governor. Chaptered by Secretary of State - Chapter 743, Statutes of 2021.

Summary: Current law requires a business that handles a hazardous material (handler), or an employee, authorized representative, agent, or designee of the handler, to, upon discovery, immediately report any release or threatened release of a hazardous material, or an actual release of a hazardous substance to the UPA and the Office of Emergency Services. Current law requires the office to adopt regulations implementing this requirement on or before January 1, 2022. This bill would revise that reporting requirement to require, for regulated facilities, a handler, or an employee, authorized representative, agent, or designee of the handler, to report a release or threatened release of a hazardous material, hazardous waste, or hazardous substance to the UPA and the office immediately upon discovery of the release or threatened release. The bill would require, for unregulated facilities, that reporting to be made upon the discovery of an actual release that results in an emergency response.

City Position: Support

AB 585 **(Rivas, Luz D) Climate change: Extreme Heat and Community Resilience Program.**

Status: 2-Year Bill

Summary: Would establish the Extreme Heat and Community Resilience Program for the purpose of coordinating state efforts and supporting local and regional efforts to mitigate the impacts of, and reduce the public health risks of, extreme heat and the urban heat island effect, and would require the Office of Planning and Research to administer the program through the Integrated Climate Adaptation and Resiliency Program.

AB 818 **(Bloom D) Solid waste: premoistened nonwoven disposable wipes.**

Status: 10/6/2021-Approved by the Governor. Chaptered by Secretary of State - Chapter 590, Statutes of 2021.

Summary: Would require certain premoistened nonwoven disposable wipes manufactured on or after July 1, 2022, to be labeled clearly and conspicuously with the phrase "Do Not Flush" and a related symbol. The bill would prohibit a covered entity, from making a representation about the flushable attributes, benefits, performance, or efficacy of those premoistened nonwoven disposable wipes. The bill would establish enforcement provisions, including authorizing a civil penalty not to exceed \$2,500 per day, up to a maximum of \$100,000 per violation, to be imposed on a covered entity who violates those provisions.

AB 1276 (Carrillo D) Single-use foodware accessories and standard condiments.

Status: 10/5/2021-Approved by the Governor. Chaptered by Secretary of State. Chapter 505, Statutes of 2021.

Summary: Would prohibit a food facility from providing any single-use foodware accessory or standard condiment, as defined, to a consumer unless requested by the consumer, as provided. The bill would prohibit those items from being bundled or packaged in a way that prohibits the consumer from taking only the item desired. The bill would authorize a food facility to ask a drive-through consumer, or a food facility located within a public airport to ask a walk-through consumer, if the consumer wants a single-use foodware accessory in specified circumstances. The bill would require a food facility using a third-party food delivery platform to list on its menu the availability of single-use foodware accessories and standard condiments and only provide those items when requested, as provided. The bill would exclude from these requirements correctional institutions, health care facilities, residential care facilities, and public and private school cafeterias.

SB 1 (Atkins D) Coastal resources: sea level rise.

Status: 9/23/2021-Approved by the Governor. Chaptered by Secretary of State. Chapter 236, Statutes of 2021.

Summary: The California Coastal Act of 1976 establishes the California Coastal Commission and provides for planning and regulation of development in the coastal zone. The act requires the commission, within 90 days after January 1, 1977, to adopt, after public hearing, procedures for the preparation, submission, approval, appeal, certification, and amendment of a local coastal program, including a common methodology for the preparation of, and the determination of the scope of, the local coastal programs. This bill would also include, as part of the procedures the commission is required to adopt, recommendations and guidelines for the identification, assessment, minimization, and mitigation of sea level rise within each local coastal program. The bill would delete the timeframe specified above by which the commission is required to adopt these procedures.

SB 83 (Allen D) Sea Level Rise Revolving Loan Program.

Status: 10/7/2021-Vetoed by the Governor.

Summary: Current law establishes in state government the Ocean Protection Council. Current law requires the council to establish policies to coordinate the collection, evaluation, and sharing of scientific data related to coastal and ocean resources among agencies. Current law establishes the State Coastal Conservancy with prescribed powers and responsibilities for implementing and administering various programs intended to preserve, protect, and restore the state's coastal areas. This bill would require the council, in consultation with the conservancy, to develop the Sea Level Rise Revolving Loan Program for purposes of providing low-interest loans to local jurisdictions for the purchase of coastal properties in their jurisdictions identified as vulnerable coastal property.

SB 619 (Laird D) Organic waste: reduction regulations: local jurisdiction compliance.

Status: 10/5/2021-Approved by the Governor. Chaptered by Secretary of State. Chapter 508, Statutes of 2021.

Summary: Current law requires the State Air Resources Board to complete, approve, and implement a comprehensive strategy to reduce emissions of short-lived climate pollutants in the state to achieve a reduction in the statewide emissions of methane by 40%. Current law requires the methane emissions reduction goals to include specified targets to reduce the landfill disposal of organics. Current law requires the Department

of Resources Recycling and Recovery, in consultation with the state board, to adopt regulations to achieve those targets for reducing organic waste in landfills, and authorizes those regulations to require local jurisdictions to impose requirements on generators or other relevant entities within their jurisdiction, to authorize local jurisdictions to impose penalties on generators for noncompliance, and to include penalties to be imposed by the department for noncompliance. This bill would authorize a local jurisdiction facing continuing violations that commence during the 2022 calendar year of those regulations to submit to the department no later than March 1, 2022, a notification of intent to comply.

Re: Thank You for Your Commitment to Helping Utility Customers Financially Impacted by COVID-19

Dear Governor Newsom, pro Tem Atkins, Speaker Rendon, and Budget Chairs Skinner and Ting:

On behalf of our not-for-profit, community owned water agencies and electric utilities and their customers, we want to thank you for your leadership in providing \$2 billion in the state budget to help utility customers financially impacted by COVID-19 address their past due water, wastewater, electric, and gas utility bills. Collectively, our organizations provide water and wastewater services to nearly 75 percent of the state and electric service to 25 percent of the state.

The COVID-19 pandemic and the associated public health measures, such as the requirement to stay at home, has had a tremendous economic impact for millions of Californians. Throughout the pandemic our organizations have continued to serve our communities to meet the needs of residents during these trying times, including suspending disconnections and late fees, and providing direct bill assistance when possible. Even so, many Californians struggled to pay their utility bills.

Under your leadership, this year's budget established the California Water and Wastewater Arrearages Payment Program to provide \$1 billion to help water and wastewater customers, and the California Arrearage Payment Program to provide \$1 billion to help electric and natural gas customers. Each program is administered in accordance with a distribution structure that is fast, efficient, and equitable. This funding will help millions of our customers in communities across the state.

We are now pleased to say the Community Services and Development Department and State Water Board are working quickly to implement the two arrearage programs. Thank you for your leadership and the committed work of your staff to make this happen.

Re: Infrastructure Investment and Jobs Act Work Plan

Dear General Spellmon, Assistant Secretary Connor, and Acting Director Young:

As mayors representing communities along the South San Francisco Bay Shoreline that are vulnerable to sea level rise and coastal flooding, we write to express our strong support for the South San Francisco Bay Shoreline Project (Shoreline Project) to receive funding under the Infrastructure Investment and Jobs Act.

The Infrastructure Investment and Jobs Act represents an unprecedented opportunity for the U.S. Army Corps of Engineers (Corps) to advance critical flood protection projects that further our shared goals of climate adaptation and environmental justice. The Shoreline Project serves those goals and more. The Phase I project, the majority of which has been ready for construction since 2019, will provide critical flood protection to thousands of residents in the disadvantaged community of Alviso, which sits 13 feet below sea level and has flooded many times, as well as the San José-Santa Clara Regional Wastewater Facility that serves much of Silicon Valley.

The Phase II feasibility study, currently underway, aims to provide protection for approximately 5,000 at-risk homes, businesses, and critical infrastructure in Palo Alto and Mountain View, including the Bay Area's fourth busiest airport; U.S. Highway 101, a critical artery that serves Silicon Valley; and the Palo Alto Regional Water Quality Control Plant. The Phase III feasibility study, which has yet to receive federal funding, will study a project to protect homes, businesses, and critical infrastructure in Mountain View and Sunnyvale, including leading Silicon Valley businesses like Google, Lockheed Martin, the NASA Ames Research Center, Moffett Airfield, the Sunnyvale Water Pollution Control Plant, the Sunnyvale Solid Waste Recycling and Transfer Station, and California State Route 237.

As your offices evaluate projects for inclusion in the Corps' work plan funded by the Infrastructure Investment and Jobs Act, we respectfully request your support for funding to

Lieutenant General Scott A. Spellmon
The Honorable Michael Connor
The Honorable Shalanda Young

complete Phase I construction and to complete the Phase II and Phase III feasibility studies to avoid subsidies from restricted and limited municipal ratepayer funds. Specifically, we support the following:

- Shoreline Phase I: \$108.3 million, which includes \$91.2 million to complete construction of all five Reaches of the project and \$17.1 million for future phases of wetland restoration and monitoring and adaptive management.
- Shoreline Phase II: \$1.7 million to complete the feasibility study.
- Shoreline Phase III: \$1.5 million to fully fund the feasibility study.

Given the critical importance of protecting our communities – and the Silicon Valley region as a whole – against the ticking clock of climate change and sea level rise, and the Corps' significant influx of new Infrastructure Investment and Jobs Act funds expressly intended to advance projects like these, we strongly urge you to use these funds to complete the Phase I project and the Phases II and III feasibility studies. This is consistent with the funding provided by Congress for Shoreline Phase I construction under the Fiscal Year 2018 Bipartisan Budget Act and would allow this important project to move without delay through all five of its phases.

Thank you for your consideration.

Re: Sacramento to Roseville Third Mainline Track (Phase One) – Capitol Corridor Joint Powers Authority 2021 CRISI Application

Dear Transportation Secretary Buttigieg,

As Mayor of the City of Santa Clara and as Alternate Board Member of the Capitol Corridor Joint Powers Authority (CCJPA) Board of Directors, I am writing to express our support for CCJPA's FY2021-22 CRISI application for the Sacramento to Roseville Third Track Project (The Project) in Placer County/Sacramento County, CA. This is a critical project for the region as highway congestion trends to pre-pandemic levels and the demand for travel between Roseville, Sacramento, and the San Francisco Bay Area resumes. It is also a key investment outlined in the CCJPA Vision Implementation Plan and California State Rail Plan.

CCJPA has worked closely with its project partners for many years to make this project a reality. Phase I of the project includes the addition of 10 miles of third track to increase service from one to three round trips daily, as well as a new layover facility in Roseville. Receiving CRISI funds will enable us to close the project's funding gap and complete Phase I. Future phases of this project will enable Capitol Corridor to offer riders 10 round trips per day between Roseville and Sacramento.

The Project is an important component of the Northern California rail network, connecting the Placer/Sacramento areas to destinations throughout the Megaregion. This megaregional connectivity has been a growing trend and is projected to continue and even accelerate. Super-commutes of 50+ minutes are on the rise. In fact, more than 70 percent of Capitol Corridor passengers from Auburn/Roseville are traveling to points in the Bay Area. This project is an important early investment that aligns with the vision of the Link21 Program, an unprecedented effort being led by CCJPA and the Bay Area Rapid Transit District (BART) to transform Northern California's passenger rail network into a faster, more integrated system, providing safe, efficient, and affordable travel for people in the Sacramento area, greater San Francisco Bay Area, the Monterey Bay area, and the Northern San Joaquin Valley. By 2040, Link21 analysis shows that robust growth is expected across the Megaregion, with significant growth in trips from counties, such as Sacramento and Placer, increasing by 64% compared to 26% within the Bay Area. By shifting longer trips from highways to rail, greater vehicle-miles-traveled (VMT) reductions can be

achieved which correspond to reductions in greenhouse gas emissions, critical to meeting regional and state air quality goals and to combating climate change.

The Project, coupled with other improvements under Link21, will make the rail network more efficient and effective in meeting the growing transportation needs of the Megaregion. These improvements are synergistic; each investment leverages the other, augmenting previous benefits and unlocking additional benefits. Ultimately, these improvements will combine to transform the Northern California Megaregion's rail network.

Thank you for your consideration.

Sincerely,

Lisa M. Gillmor

Governor Gavin Newsom
1303 10th Street, Suite 1173
Sacramento, CA 95814

Dear: Governor Newsom

We, the undersigned elected officials, are deeply concerned about the immediate and long-term harms to the people we represent from climate change and pollution caused by the extraction, processing, and burning of fossil fuels.

California has made great progress by committing our electricity sector to be carbon-neutral by 2045 and supporting the Paris Agreement. We appreciate that you have made addressing climate change a priority of your administration. You have rightly said, “we must map out longer-term strategies...for California’s energy future, to ensure that the cost of climate change doesn’t fall on those least able to afford it.”

The science is clear that phasing out fossil fuel production is urgently needed to address climate change and protect public health. It is imperative that California issue no new permits and establish public health setbacks for existing oil and gas drilling. Production of oil and gas is a significant contributor to California’s greenhouse gas emissions.^{1,2} Yet California remains a top oil-producing state, and three-quarters of oil produced here is as climate-damaging as Canada’s tar sands crude oil.³ The disastrous consequences of fossil fuel production and burning from air pollution alone — not including escalating harms from droughts, fires, mudslides, storms, and sea level rise — already cost Californians more than 12,000 lives and \$100 billion dollars annually.⁴

Unfortunately, the worst costs of fossil fuels are falling on Californians least able to afford them, exacerbating environmental injustices. Nearly 8,500 active California oil and gas wells are located within 2,500 feet of homes, schools, and hospitals,⁵ where, according to the California Council on Science and Technology, exposure to toxic air contaminants and other pollution caused by oil and gas wells is a significant threat to public health.⁶ These harms disproportionately impact people of color and economically disadvantaged communities.⁷ Between 2011 and 2018, of the more than 21,000 new oil and gas wells permitted by the state, 76 percent are located in communities with above-average poverty rates for California, and 67 percent are located in communities of color.⁸

These harms are a bad deal for Californians. The oil and gas industry contributes less than 0.9 percent of California’s GDP and 0.2 percent of jobs,^{9,10} whereas transitioning away from fossil fuels to renewable energy and expanding electrification is a net job creator.^{11,12}

As governor of California, you have a historic opportunity to lead our nation and the world on a pivotal path away from fossil fuels. Recognizing that we are in a climate emergency, as you have acknowledged, and given the grave public health and environmental justice consequences of fossil fuel production in California, we respectfully urge you to make a new statewide commitment and lay out a plan to achieve the following:

- End the issuance of permits for new fossil fuel projects, including permits for new oil and gas wells, infrastructure for fossil fuels, and petrochemical projects in California.
- Design a swift, managed decline of all fossil fuel production, starting with a 2,500-foot human health and safety buffer zone around all homes, hospitals, schools, playgrounds,

and farms to protect public health and address the severe environmental injustice of production in low-income communities and communities of color.

- Commit the state to 100% clean, renewable energy in all sectors, starting with significant investments in disadvantaged communities and areas that are already suffering the most from the worst impacts of fossil fuel extraction and climate change.

Phasing out fossil fuel production is paramount to addressing climate change, and will make California healthier and safer. It will also create hundreds of thousands of jobs throughout the state as we increase investment in renewable energy, clean vehicles and buildings, energy efficiency, public transportation, and other innovative solutions.^{4,12} We must include a just transition for fossil fuel workers to help build the clean energy economy of tomorrow, reducing pollution and expanding opportunity for all.

We look to you to provide the leadership we need for a safe, healthy, and prosperous California.

Sincerely,

Members, EOPA California

INFORMATIONAL REPORT TO COUNCIL

SUBJECT

Informational Report Regarding Bi-Yearly Project Status Report of the GIS Services Program

COUNCIL PILLAR

Deliver and Enhance High Quality Efficient Services and Infrastructure

BACKGROUND

On October 29, 2019, Arini Geographics was awarded a contract for Enterprise GIS Consulting Services. The contract was awarded as a three-year professional services agreement for the initial term of the contract, with the option of one additional two-year renewal term. Council has requested a bi-annual project status report of GIS services. This is the fourth report.

DISCUSSION

With location a common attribute across numerous city services and assets, the City's Enterprise GIS Program is a framework of people, process and technology enabling geospatial and asset information across departments to be managed in a single system. Integrating this information and making it available to staff and the public enables operational effectiveness, data-driven decision making, cross-departmental and regional coordination, citizen engagement and transparency.

Efforts are focused on both projects and day-to-day operations. Despite challenges encountered due to COVID-19, there is significant progress for the current reporting period.

- Upgraded the new infoMap to version 3.1 which now includes functionality that helps City staff easily find information related to historic parcels and addresses, very useful for a multitude of City functions, especially permitting and public safety.
- Completed GIS inventory of over 423 miles of sidewalks lining the City streets, including segmentation by property boundaries (22,311 front of property sidewalk polygons). Also integrated a total of 4,123 ramp locations previously mapped, together with EAM-specific designed digital cartography (see the depiction below).

- Completed the Mobile (Multi-source) Map for 911 field operations, which is now running on all first responders Mobile Data Computers (MDC) and synchronized with the Computer Aided Dispatch (CAD) system.
- Completed Enterprise GIS integration and location awareness for the new records management system (RMS) for the Police Department, validating records location and significantly aiding research and reporting by various location-driven constraints and scenarios.
- Completed integration with the new Enterprise Permit Management System, which provides live location validation for new and more than 500,000 existing permit records, several ways of searching and mapping sites of interest, optimal routing for inspections, and an easy way to review historical records for properties and addresses through infoMap.
- Updated the speed limit attribute of the City Streets layer, based on the data from the new traffic signs inventory. The refresh improves the optimal routing functionality being used in public safety, traffic engineering, building inspection and code enforcement applications.
- Integrated the 2020 high-resolution aerial imagery into the City Enterprise GIS Basemap, also

available on infoMap 3.1 and MapSantaClara, <https://map.santaclaraca.gov>.

- Implemented a new Operations Dashboard available internally to City staff, which offers a near real-time visualization of edits done to the City Enterprise Basemap.

Planned activities over the next six months:

- Overhaul of the City Enterprise GIS Infrastructure with significant technology improvements to ensure higher availability and security, optimize performance and better support transactional GIS through multiple integrations. This major update is replacing the end-of-life underlaying technology, preventing potential business interruptions to the Enterprise GIS system and mission critical applications currently integrated with GIS (permitting, 911 dispatch, records management, publicly available apps and story maps, etc.). *Certain activities related to this effort will continue into the next reporting period to allow for a citywide engagement on the go-live event, the decommissioning of the previous GIS infrastructure and vendor assisted (Lucity/CentralSquare) EAM integration.
- Complete citywide GIS street trees inventory. Over 20,000 trees lining the city streets, including trees located on street medians and city property, have been mapped and photographed. Digital measurements of the tree height and canopy width have been recorded as attributes, the latter used to complete the EAM-oriented cartography (see depiction below). The measurement of the tree trunk diameter (also known as the diameter at breast height, DBH), requires more field sampling and, weather permitting, will continue into the next reporting period. *This activity does not affect the planned EAM integration tasks and timeline.

- Complete the upgrade to the Common Operational Picture providing live situational awareness to public safety activities related to events at the Levi's Stadium. This effort started in August 2021 to align with dependent technology upgrades and will continue to completion

throughout the next reporting period.

- Assist with the integration of the work order and computerized maintenance management system, part of the City's EAM, for most of the GIS inventories of Streets Division's asset classes: storm drain, traffic signs, city streets, sidewalks, streets and intersections.
- Add the 2021 high-resolution aerial imagery into the City Enterprise GIS Basemap, also available on infoMap 3.1 and MapSantaClara. This new natural color image is the result of the ongoing partnership with the County of Santa Clara, together with most of its constituent Cities and special districts, enabling the City to refresh this critical component of every map yearly at a very affordable price.

Day-to-Day Operations - Quality assurance and critical data updates are continually being performed in several areas:

Statistics and information related to Enterprise GIS activities can be found in the attached infographic (Attachment 1), indicating City Basemap updates since May 1, 2021, records count in the Enterprise Geospatial Repository (EGR) by department, as well as infoMap and MapSantaClara usage statistics by functionality and geography.

- City Enterprise GIS Basemap - specialized mapping system keeping track of the City's foundational map layers (addresses, streets, parcels, ownership, general plan and zoning designations, multiyear aerial imagery) and key-related attributes. From May 1, 2021 through October 31, 2021, over 2,500 addresses were updated.
- MapSantaClara - web-based application provides tailored GIS access and reporting functionality to the public. MapSantaClara received over 20,000 visits over the current reporting period.
- Open Data Geospatial Portal - web-based repository providing access to GIS data without the need to request such information, saving City staff time -<https://map.santaclaraca.gov/data>.
- Story Maps - specialized web-based GIS outlets that facilitate information dissemination and increase the level of service to the public, including Development Projects - <http://santaclaraca.gov/devprojects> and Live Traffic Cameras - <http://santaclaraca.gov/trafficcam>.
- Public Safety - many GIS interconnections and dedicated datasets both Fire and Police Departments, and are being maintained with regularity, including maps for the Computer Aided Dispatch (CAD) system and police mobile data computers (MDCs).
- Enterprise Asset Management (EAM) - key focus area enabling more effective management of City's assets to improve their utilization and performance, reduce capital and operational costs, and improve quality of service. City GIS is an integral part of the EAM Program as the system of record for all assets tracked.
- Regional GIS Collaboration and Coordination - collaboration with neighboring cities, the County of Santa Clara, and other government agencies to ensure regional timely and quality data acquisition and sharing. Through an ongoing agreement, City is receiving fresh annual high-

resolution aerial imagery, which is the foundational GIS layer for the City Basemap. A separate effort seeks standardization of GIS data layers for emergency response, including next 911 implementation.

- Steady State GIS - fulfilled numerous requests from various City departments, including a comprehensive analysis of potable and recycled water, sanitary sewer, and storm drain pipelines that categorized total length of pipelines by diameter and service areas, information which is being used for a citywide right-of-way fee study.

ENVIRONMENTAL REVIEW

This is an informational report only and no action is being taken by the City Council and no environmental review under the California Environmental Quality Act ("CEQA") is required.

FISCAL IMPACT

There is no cost to the City associated with this report other than administrative time and expense.

Agenda Report

21-1683

Agenda Date: 12/7/2021

REPORT TO COUNCIL

SUBJECT

Action on Resolution Authorizing the City Manager to Execute Agreements and Other Necessary Documents for Participation in the National Prescription Opiate Litigation Settlement; Action to Authorize the City Manager to Negotiate and Execute Future Agreement(s) with the State or County for Use of Settlement Proceeds Without Further Council Action

COUNCIL PILLAR

Enhance Community Engagement and Transparency

BACKGROUND

On July 21, 2021, a proposed settlement was announced to resolve lawsuits against three large pharmaceutical distributors (McKesson, AmericourceBergen, and Cardinal Health) and Janssen (including Johnson & Johnson) ("Settlement Agreements"). Under the Settlement Agreements, the three large Distributors could pay up to \$21 billion and Janssen could pay up to \$5 billion to eligible counties and cities to resolve lawsuits nationwide.

The settlement arose out of litigation brought in Ohio by states and cities against pharmaceutical distributors and opioid manufacturers. The 3,800 litigants argued that the distributors and Janssen contributed to the national opioid crisis by ignoring signs of opioid addiction and overselling opioids.

California's share of the \$26 billion is approximately \$2.263 billion if all eligible counties and cities in California participate. The Distributor payments are spread over 18 years and the Janssen payments are spread over no more than nine years.

The state was tasked with developing a way to distribute the funds to cities and counties through an interstate allocation deal. Based on the interstate allocation agreements 15% of settlement funds will go to the State of California, 70% is reserved as future abatement funds ("Abatement Fund") allocated among all 431 eligible counties and cities that participate, and 15% is further allocated to only the eligible counties and cities that filed a lawsuit.

Counties and cities that receive money from the 70% abatement fund must spend the funds only on eligible abatement activities and expenditures, which are listed in Exhibit E of the Distributor and Janssen agreements (Attachment 4 & 5). Additionally, in California, 50% of the funds must be spend on High Impact Activities, which are listed in the Distributor and Janssen Subdivision agreements (Attachment 6 & 7) ("Subdivision Agreements"). Most of the abatement activities involve changes to medical treatment and prescriptions, counseling services, recovery services, supportive housing, etc., which are not services directly provided by the City of Santa Clara. Therefore, it is likely that the City will, in the future, like most other eligible cities in the County, assign its portion of the settlement

proceeds to the State or the County such that the funds may be used for the appropriate purposes.

If an eligible county or city does not participate in the settlement it could reduce the overall amount that all California counties and cities will receive, so it is in the collective best interest of all the eligible public entities to participate in the settlement..

Eligible counties and cities have until January 2, 2022 to sign and return the participation forms effectuating the entities' agreement. More information can be found and should be reviewed at www.nationalopioidsettlement.com <<http://www.nationalopioidsettlement.com>>

DISCUSSION

Despite not participating in the litigation against the opioid distributors and manufacturers, the City is eligible to receive payments through the proposed settlement. In Santa Clara County, only the County and the City of San Jose participated in the litigation. If the City accepts the settlement, it must release its claims against the opioid distributors and manufacturers and, in exchange, the City will receive funds that may be used to combat opioid abuse.

Counties and cities receiving funds must meet reporting requirements under the settlement agreements and the state-subdivision agreements, including annual reports to the California Department of Health Care Services, describing the expenditures. If the City chooses to assign its portion to the State or the County, the reporting obligation would likewise be transferred to the assignee entity.

Under the Subdivision Agreements, the City of Santa Clara would receive 0.067% of Abatement Funds for a weighted total of 0.0549723%. Assuming all 431 eligible counties and cities join both the Distributor and Janssen offers, the City may receive up to \$1,057,851 over 18 years. The amount received would decrease if fewer eligible entities participated in the settlement.

Funds received through the Abatement Fund must be spent on eligible abatement activities and expenditures, which are listed in Exhibit E of the Settlement Agreements. At least 50% of the funds received each year must be used for the following high impact abatement activities:

- (1) The provision of matching funds or operating costs for substance use disorder facilities within the Behavioral Health Continuum Infrastructure Program;
- (2) Creating new or expanded Substance Use Disorder (SUD) treatment infrastructure;
- (3) Addressing the needs of communities of color and vulnerable populations that are disproportionately impacted by SUD;
- (4) Diversion of people from the justice system into treatment, including by providing training and resources to first responders and implementing best practices for outreach, diversion and deflection, employability, restorative justice, and harm reduction; and/or
- (5) Interventions to prevent drug addiction in vulnerable youth.

ENVIRONMENTAL REVIEW

The action being considered does not constitute a "project" within the meaning of the California Environmental Quality Act ("CEQA") pursuant to CEQA Guidelines section 15378(b)(5) in that it is a

governmental organizational or administrative activity that will not result in direct or indirect changes in the environment.

FISCAL IMPACT

If the City participates in the Opioid settlement deal, up to \$1,057,851 may be received over an 18-year period to help treat opioid addiction. The total amount that the City would actually receive depends on how many eligible cities and counties participate in the settlement deal.

COORDINATION

This report was coordinated between the City Attorney's Office and City Manager's Office.

RESOLUTION NO. _____

**A RESOLUTION OF THE CITY OF SANTA CLARA, CALIFORNIA
APPROVING PARTICIPATION IN NATIONAL OPIOID
SETTLEMENT AGREEMENTS AND AUTHORIZING THE CITY
MANAGER TO EXECUTE THE RELATED PARTICIPATION
AGREEMENTS AND ANY OTHER NECESSARY DOCUMENT(S)**

BE IT RESOLVED BY THE CITY OF SANTA CLARA AS FOLLOWS:

WHEREAS, a settlement was reached in multi-district litigation originating in Ohio, brought by states and cities against three opioid distributors—McKesson, Cardinal Health, and Amerisource Bergen—and opioid manufacturer Janssen; and

WHEREAS, the proposed settlement (Settlement) consists of an agreement with the opioid distributors and an agreement with Janssen; and

WHEREAS, the opioid distributors have offered \$21 billion to be paid over an 18-year period and Janssen has offered \$5 billion over a 7-year period to settle the opioid litigation; and

WHEREAS, under the Settlement, California is scheduled to receive between \$2.269 and \$2.34 billion, some of which will be distributed to cities and counties; and

WHEREAS, the City is eligible to participate in the Settlement and may receive payments in exchange for releasing its claims against the opioid distributors and Janssen; and

WHEREAS, participating in the settlement will enable the City to receive funds that may be used to treat opioid use and disorder; and

WHEREAS, the City desires to participate in the Settlement and authorize the City Manager to execute the attached agreements and any other document(s) necessary to receive settlement funds; and

WHEREAS, jurisdictions must opt-in to the Settlement before January 2, 2022.

NOW THEREFORE, BE IT FURTHER RESOLVED BY THE CITY OF SANTA CLARA AS FOLLOWS:

1. That the City Council finds that all facts, findings, and conclusions set forth above are true and correct.

2. That the City Council finds that the City Manager or designee is authorized to execute the attached Settlement agreements and any other document(s) necessary to participate in the proposed settlement deal with the opioid distributors and with Janssen on behalf of the City of Santa Clara.

3. Effective date. This resolution shall become effective immediately.

Thank you for registering your subdivision on the national settlement website and for considering participating in the proposed Settlement Agreement with McKesson Corporation, Cardinal Health, Inc., and AmerisourceBergen Corporation (collectively “Settling Distributors”). This virtual envelope contains a Participation Form for the settlement including a release of claims and a separate Signature Page for California’s Proposed State-Subdivision Agreement Regarding Distribution and Use of Settlement Funds. Both documents in this envelope must be executed, without alteration, and submitted in order for your subdivision to be considered potentially “participating.”

The sign-on period for subdivisions ends on January 2, 2022. On or after that date, the states (in consultation with the subdivisions) and the Settling Distributors will determine whether the subdivision participation rate is sufficient for the settlement to move forward. If the deal moves forward, your release will become effective. If it does not, it will not.

As a reminder, if you have not already started your review of the settlement documentation, detailed information about the Settlements may be found at: <https://nationalopioidsettlement.com/>. This national settlement website also includes links to information about how the Settlements are being implemented in your state and how settlement funds will be allocated within your state, including information about, and links to, any applicable allocation agreement or legislation. This website will be supplemented as additional documents are created. California has also created a state-specific website which may be accessed here: <https://oag.ca.gov/opioids>. The governmental entity identified above (“Governmental Entity”), in order to obtain and in consideration for the benefits provided to the Governmental Entity pursuant to the Settlement Agreement dated July 21, 2021 (“Distributor Settlement”), and acting through the undersigned authorized official, hereby elects to participate in the Distributor Settlement, release all Released Claims against all Released Entities, and agrees as follows.

1. The Governmental Entity is aware of and has reviewed the Distributor Settlement, understands that all terms in this Election and Release have the meanings defined therein, and agrees that by this Election, the Governmental Entity elects to participate in the Distributor Settlement and become a Participating Subdivision as provided therein.
2. The Governmental Entity shall, within 14 days of the Reference Date and prior to the filing of the Consent Judgment, dismiss with prejudice any Released Claims that it has filed.
3. The Governmental Entity agrees to the terms of the Distributor Settlement pertaining to Subdivisions as defined therein.
4. By agreeing to the terms of the Distributor Settlement and becoming a Releasor, the Governmental Entity is entitled to the benefits provided therein, including, if applicable, monetary payments beginning after the Effective Date.
5. The Governmental Entity agrees to use any monies it receives through the Distributor Settlement solely for the purposes provided therein.
6. The Governmental Entity submits to the jurisdiction of the court in the Governmental Entity’s state where the Consent Judgment is filed for purposes limited to that court’s role as provided in, and for resolving disputes to the extent provided in, the Distributor Settlement.
7. The Governmental Entity has the right to enforce the Distributor Settlement as provided therein.

8. The Governmental Entity, as a Participating Subdivision, hereby becomes a Releasor for all purposes in the Distributor Settlement, including but not limited to all provisions of Part XI, and along with all departments, agencies, divisions, boards, commissions, districts, instrumentalities of any kind and attorneys, and any person in their official capacity elected or appointed to serve any of the foregoing and any agency, person, or other entity claiming by or through any of the foregoing, and any other entity identified in the definition of Releasor, provides for a release to the fullest extent of its authority. As a Releasor, the Governmental Entity hereby absolutely, unconditionally, and irrevocably covenants not to bring, file, or claim, or to cause, assist or permit to be brought, filed, or claimed, or to otherwise seek to establish liability for any Released Claims against any Released Entity in any forum whatsoever. The releases provided for in the Distributor Settlement are intended by the Parties to be broad and shall be interpreted so as to give the Released Entities the broadest possible bar against any liability relating in any way to Released Claims and extend to the full extent of the power of the Governmental Entity to release claims. The Distributor Settlement shall be a complete bar to any Released Claim.
9. The Governmental Entity hereby takes on all rights and obligations of a Participating Subdivision as set forth in the Distributor Settlement.
10. In connection with the releases provided for in the Distributor Settlement, each Governmental Entity expressly waives, releases, and forever discharges any and all provisions, rights, and benefits conferred by any law of any state or territory of the United States or other jurisdiction, or principle of common law, which is similar, comparable, or equivalent to § 1542 of the California Civil Code, which reads:

General Release; extent. A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release that, if known by him or her, would have materially affected his or her settlement with the debtor or released party.

A Releasor may hereafter discover facts other than or different from those which it knows, believes, or assumes to be true with respect to the Released Claims, but each Governmental Entity hereby expressly waives and fully, finally, and forever settles, releases and discharges, upon the Effective Date, any and all Released Claims that may exist as of such date but which Releasors do not know or suspect to exist, whether through ignorance, oversight, error, negligence or through no fault whatsoever, and which, if known, would materially affect the Governmental Entities' decision to participate in the Distributor Settlement.
11. Nothing herein is intended to modify in any way the terms of the Distributor Settlement, to which Governmental Entity hereby agrees. To the extent this Election and Release is interpreted differently from the Distributor Settlement in any respect, the Distributor Settlement controls.

I swear under penalty of perjury that I have all necessary power and authorization to execute this Election and Release on behalf of the Governmental Entity.

Proposed California State-Subdivision Agreement Regarding Distribution and Use of Settlement Funds – Distributor Settlement

1. Introduction

Pursuant to the Distributor Settlement Agreement, dated as of July 21, 2021, and any revision thereto (the “Distributor Settlement Agreement”), including Section V and Exhibit O, the State of California proposes this agreement (the “CA Distributor Allocation Agreement”) to govern the allocation, distribution, and use of Settlement Fund payments made to California pursuant to Sections IV and V of the Distributor Settlement Agreement.¹ For the avoidance of doubt, this agreement does not apply to payments made pursuant to Sections IX or X of the Distributor Settlement Agreement.

Pursuant to Exhibit O, Paragraph 4, of the Distributor Settlement Agreement, acceptance of this CA Distributor Allocation Agreement is a requirement to be an Initial Participating Subdivision.

2. Definitions

- a) *CA Participating Subdivision* means a Participating Subdivision that is also (a) a Plaintiff Subdivision and/or (b) a Primary Subdivision with a population equal to or greater than 10,000. For the avoidance of doubt, eligible CA Participating Subdivisions are those California subdivisions listed in Exhibit C (excluding Litigating Special Districts) and/or Exhibit I to the Distributor Settlement Agreement.
- b) *Janssen Settlement Agreement* means the Janssen Settlement Agreement dated July 21, 2021, and any revision thereto.
- c) *Litigating Special District* means a school district, fire protection district, health authority, health plan, or other special district that has filed a lawsuit against an Opioid Defendant. Litigating Special Districts include Downey Unified School District, Elk Grove Unified School District, Kern High School District, Montezuma Fire Protection District (located in Stockton, California), Santa Barbara San Luis Obispo Regional Health Authority, Inland Empire Health Plan, Health Plan of San Joaquin, and LA Care Health Plan.
- d) *Plaintiff Subdivision* means a Subdivision located in California, other than a Litigating Special District, that filed a lawsuit, on behalf of the Subdivision and/or through an official of the Subdivision on behalf of the People of the State of California, against one or more Opioid Defendants prior to October 1, 2020.

¹ A parallel but separate agreement (the “CA Janssen Allocation Agreement”) will govern the allocation, distribution, and use of settlement fund payments under the Janssen Settlement Agreement. An eligible Subdivision may elect to participate in either the Distributor Settlement or the Janssen Settlement, or in both.

- e) *Opioid Defendant* means any defendant (including but not limited to Johnson & Johnson, Janssen Pharmaceuticals, Inc., Purdue Pharma L.P., Cardinal Health, Inc., AmerisourceBergen Corporation, and McKesson Corporation) named in a lawsuit seeking damages, abatement, or other remedies related to or caused by the opioid public health crisis in any lawsuit brought by any state or local government on or before October 1, 2020.

3. General Terms

This agreement is subject to the requirements of the Distributor Settlement Agreement, as well as applicable law, and the Distributor Settlement Agreement governs over any inconsistent provision of this CA Distributor Allocation Agreement. Terms used in this CA Distributor Allocation Agreement have the same meaning as in the Distributor Settlement Agreement unless otherwise defined herein.

Pursuant to Section V(D)(1) of the Distributor Settlement Agreement, (a) all Settlement Fund payments will be used for Opioid Remediation, except as allowed by Section V(B)(2) of the Distributor Settlement Agreement; and (b) at least seventy percent (70%) of Settlement Fund payment amounts will be used solely for future Opioid Remediation.

4. State Allocation

The Settlement Fund payments to California,² pursuant to the Distributor Settlement Agreement, shall be allocated as follows: 15% to the State Fund; 70% to the Abatement Accounts Fund; and 15% to the Subdivision Fund. For the avoidance of doubt, all funds allocated to California from the Settlement Fund shall be combined pursuant to this CA Distributor Allocation Agreement, and 15% of that total shall be allocated to the State of California (the “State of California Allocation”), 70% to the California Abatement Accounts Fund (“CA Abatement Accounts Fund”), and 15% to the California Subdivision Fund (“CA Subdivision Fund”).

A. State of California Allocation

Fifteen percent of the total Settlement Fund payments will be allocated to the State and used by the State for future Opioid Remediation.

B. CA Abatement Accounts Fund

i. Allocation of CA Abatement Accounts Funds

- a) Seventy percent of the total Settlement Fund payments will be allocated to the CA Abatement Accounts Fund. The funds in the CA Abatement Accounts Fund will be

² For purposes of clarity, use of the term “California” refers to the geographic territory of California and the state and its local governments therein. The term “State” or “State of California” refers to the State of California as a governmental unit.

allocated based on the allocation model developed in connection with the proposed negotiating class in the National Prescription Opiate Litigation (MDL No. 2804), as adjusted to reflect only those cities and counties that are eligible, based on population or litigation status, to become a CA Participating Subdivision. The percentage from the CA Abatement Accounts Fund allocated to each CA Participating Subdivision is set forth in Appendix 1 in the column entitled abatement percentage (the “Local Allocation”). For the avoidance of doubt, Litigating Special Districts and California towns, cities, and counties with a population less than 10,000 are not eligible to receive an allocation of CA Abatement Accounts Funds.

- b) A CA Participating Subdivision that is a county, or a city and county, will be allocated its Local Allocation share as of the date on which it becomes a Participating Subdivision, and will receive payments as provided in the Distributor Settlement Agreement.
- c) A CA Participating Subdivision that is a city will be allocated its Local Allocation share as of the date on which it becomes a Participating Subdivision. The Local Allocation share for a city that is a CA Participating Subdivision will be paid to the county in which the city is located, rather than to the city, so long as: (a) the county is a CA Participating Subdivision, and (b) the city has not advised the Settlement Fund Administrator that it requests direct payment at least 60 days prior to a Payment Date. A Local Allocation share allocated to a city but paid to a county is not required to be spent exclusively for abatement activities in that city, but will become part of the county’s share of the CA Abatement Accounts Funds, which will be used in accordance with Section 4.B.ii (Use of CA Abatement Accounts Funds) and reported on in accordance with Section 4.B.iii (CA Abatement Accounts Fund Oversight).
- d) A city within a county that is a CA Participating Subdivision may opt in or out of direct payment at any time, and it may also elect direct payment of only a portion of its share, with the remainder going to the county, by providing notice to the Settlement Fund Administrator at least 60 days prior to a Payment Date. For purposes of this CA Distributor Allocation Agreement, the Cities of Los Angeles, Oakland, San Diego, San Jose and Eureka will be deemed to have elected direct payment if they become Participating Subdivisions.
- e) The State will receive the Local Allocation share of any payment to the Settlement Fund that is attributable to a county or city that is eligible to become a CA Participating Subdivision, but that has not, as of the date of that payment to the Settlement Fund, become a Participating Subdivision.
- f) Funds received by a CA Participating Subdivision, and not expended or encumbered within five years of receipt and in accordance with the Distributor Settlement Agreement and this CA Distributor Allocation Agreement shall be transferred to the State; provided however, that CA Participating Subdivisions have seven years to expend or encumber CA Abatement Accounts Funds designated to support capital outlay projects before they must be transferred to the State. This provision shall not apply to the Cost Reimbursement Funds, which shall be controlled by Appendix 2.

ii. Use of CA Abatement Accounts Funds

- a) The CA Abatement Accounts Funds will be used for future Opioid Remediation in one or more of the areas described in the List of Opioid Remediation Uses, which is Exhibit E to the Distributor Settlement Agreement.
- b) In addition to this requirement, no less than 50% of the funds received by a CA Participating Subdivision from the Abatement Accounts Fund in each calendar year will be used for one or more of the following High Impact Abatement Activities:
 - (1) the provision of matching funds or operating costs for substance use disorder facilities within the Behavioral Health Continuum Infrastructure Program;
 - (2) creating new or expanded Substance Use Disorder (“SUD”) treatment infrastructure;
 - (3) addressing the needs of communities of color and vulnerable populations (including sheltered and unsheltered homeless populations) that are disproportionately impacted by SUD;
 - (4) diversion of people with SUD from the justice system into treatment, including by providing training and resources to first and early responders (sworn and non-sworn) and implementing best practices for outreach, diversion and deflection, employability, restorative justice, and harm reduction; and/or
 - (5) interventions to prevent drug addiction in vulnerable youth.
- c) The California Department of Health Care Services (“DHCS”) may add to this list (but not delete from it) by designating additional High Impact Abatement Activities. DHCS will make reasonable efforts to consult with stakeholders, including the CA Participating Subdivisions, before adding additional High Impact Abatement Activities to this list.
- d) For the avoidance of doubt, and subject to the requirements of the Distributor Settlement Agreement and applicable law, CA Participating Subdivisions may form agreements or ventures, or otherwise work in collaboration with, federal, state, local, tribal or private sector entities in pursuing Opioid Remediation activities funded from the CA Abatement Accounts Fund. Further, provided that all CA Abatement Accounts Funds are used for Opioid Remediation consistent with the Distributor Settlement Agreement and this CA Distributor Allocation Agreement, a county and any cities or towns within the county may agree to reallocate their respective shares of the CA Abatement Accounts Funds among themselves, provided that any direct distribution may only be to a CA Participating Subdivision and any CA Participating Subdivision must agree to their share being reallocated.

iii. CA Abatement Accounts Fund Oversight

- a) Pursuant to Section 5 below, CA Participating Subdivisions receiving settlement funds must prepare and file reports annually regarding the use of those funds. DHCS may regularly review the reports prepared by CA Participating Subdivisions about the use of CA Abatement Accounts Funds for compliance with the Distributor Settlement Agreement and this CA Distributor Allocation Agreement.
- b) If DHCS determines that a CA Participating Subdivision's use of CA Abatement Accounts Funds is inconsistent with the Distributor Settlement Agreement or this CA Distributor Allocation Agreement, whether through review of reports or information from any other sources, DHCS shall send a request to meet and confer with the CA Participating Subdivision. The parties shall meet and confer in an effort to resolve the concern.
- c) If the parties are unable to reach a resolution, DHCS may conduct an audit of the Subdivision's use of the CA Abatement Accounts Funds within one year of the request to meet and confer, unless the parties mutually agree in writing to extend the meet and confer time frame.
- d) If the concern still cannot be resolved, the State may bring a motion or action in the court where the State has filed its Consent Judgment to resolve the concern or otherwise enforce the requirements of the Distributor Settlement Agreement or this CA Distributor Allocation Agreement. However, in no case shall any audit be conducted, or motion be brought, as to a specific expenditure of funds, more than five years after the date on which the expenditure of the funds was reported to DHCS, in accordance with this agreement.
- e) Notwithstanding the foregoing, this Agreement does not limit the statutory or constitutional authority of any state or local agency or official to conduct audits, investigations, or other oversight activities, or to pursue administrative, civil, or criminal enforcement actions.

C. CA Subdivision Fund

- i. Fifteen percent of the total Settlement Fund payments will be allocated to the CA Subdivision Fund. All funds in the CA Subdivision Fund will be allocated among the Plaintiff Subdivisions that are Initial Participating Subdivisions. The funds will be used, subject to any limits imposed by the Distributor Settlement Agreement and this CA Distributor Allocation Agreement, to fund future Opioid Remediation and reimburse past opioid-related expenses, which may include fees and expenses related to litigation, and to pay the reasonable fees and expenses of the Special Master as set forth in Appendix 2.

The CA Subdivision Funds will be allocated as follows:

- a) First, funds in the CA Subdivision Fund shall be used to pay the Special Master's reasonable fees and expenses in accordance with the procedures and limitations set forth in Appendix 2 to this document;
- b) Second, funds will be allocated to Plaintiff Subdivisions that are Initial Participating Subdivisions that have been awarded Costs, as defined by and in accordance with the procedures and limitations set forth in Appendix 2 to this document.
- c) Funds remaining in the CA Subdivision Fund, which shall consist of no less than 50% of the total CA Subdivision Fund received in any year pursuant to Appendix 2, Section 2.c.v, will be distributed to Plaintiff Subdivisions that are Initial Participating Subdivisions, in relative proportion to the Local Allocation. These funds shall be used to fund future opioid-related projects and to reimburse past opioid-related expenses, which may include fees and expenses related to litigation against any Opioid Defendant.

D. Provision for State Back-Stop Agreement

On August 6, 2021, Judge Dan Polster of the U.S. District Court, Northern District of Ohio, Eastern Division, issued an order (ECF Docket Number 3814) ("MDL Fees Order") in the National Prescription Opiate Litigation (MDL No. 2804) "cap[ping] all applicable contingent fee agreements at 15%." Private counsel representing Plaintiff Subdivisions should seek its contingency fees and costs from the Attorney Fee Fund or Cost Funds under the Distributor Settlement Agreement and, if applicable, the Janssen Settlement Agreement.

A Plaintiff Subdivision may separately agree to use its share of the CA Subdivision Fund to pay for fees or costs incurred by its contingency-fee counsel ("State Back-Stop Agreement"), pursuant to Exhibit R, section I(R), of the Distributor Settlement Agreement and the MDL Fees Order, so long as such contingency fees do not exceed a total contingency fee of 15% of the total gross recovery of the Plaintiff Subdivision pursuant to the Distributor Settlement, and if applicable, the Janssen Settlement, inclusive of contingency fees from the national Attorney Fee Fund and this State Back-Stop Agreement. Before seeking fees or litigation costs and expenses from a State Back-Stop Agreement, private counsel representing Plaintiff Subdivisions must first seek contingency fees and costs from the Attorney Fee Fund or Cost Funds created under the Distributor Settlement Agreement and, if applicable, the Janssen Settlement Agreement. Further, private counsel may only seek reimbursement for litigation fees and costs that have not previously been reimbursed through prior settlements or judgments.

To effectuate a State Back-Stop Agreement pursuant to this section, an agreement in the form of Appendix 3 may be entered into by a Plaintiff Subdivision, private counsel, and the California Office of the Attorney General. The California Office of the Attorney General shall, upon the request of a Plaintiff Subdivision, execute any agreement executed by a Plaintiff Subdivision and its private counsel if it is in the form of Appendix 3. The California Office of the Attorney

General will also consider requests from Plaintiff Subdivisions to execute and enter into agreements presented in other forms.

For the avoidance of doubt, this agreement does not require a Plaintiff Subdivision to request or enter into a State Back-Stop Agreement, and no State Back-Stop Agreement shall impose any duty or obligation on the State of California or any of its agencies or officers, including without limitation the Attorney General.

5. State and Subdivision Reporting

- a) DHCS will prepare an annual written report regarding the State's use of funds from the settlement until those funds are fully expended and for one year thereafter. These reports will be made publicly available on the DHCS web site.
- b) Each CA Participating Subdivision that receives payments of funds from the settlement will prepare written reports at least annually regarding the use of those funds, until those funds are fully expended and for one year thereafter. These reports will also include a certification that all funds that the CA Participating Subdivision has received through the settlement have been used in compliance with the Distributor Settlement Agreement and this CA Distributor Allocation Agreement. The report will be in a form reasonably determined by DHCS. Prior to specifying the form of the report DHCS will confer with representatives of the Plaintiff Subdivisions.
- c) The State and all CA Participating Subdivisions receiving CA Abatement Accounts Funds will track all deposits and expenditures. Each such subdivision is responsible solely for the CA Abatement Accounts Funds it receives. A county is not responsible for oversight, reporting, or monitoring of CA Abatement Accounts Funds received by a city within that county that receives direct payment. Unless otherwise exempt, Subdivisions' expenditures and uses of CA Abatement Accounts Funds and other Settlement Funds will be subject to the normal budgetary and expenditure process of the Subdivision.
- d) Each Plaintiff Subdivision receiving CA Subdivision Funds will track all deposits and expenditures, as required by the Distributor Settlement Agreement and this CA Distributor Allocation Agreement. Among other things, Plaintiff Subdivisions using monies from the CA Subdivision Fund for purposes that do not qualify as Opioid Remediation must identify and include in their annual report, the amount and how such funds were used, including if used to pay attorneys' fees, investigation costs, or litigation costs. Pursuant to Section V(B)(2) of the Distributor Settlement Agreement, such information must also be reported to the Settlement Fund Administrator and the Distributors.
- e) In each year in which DHCS prepares an annual report DHCS will also host a meeting to discuss the annual report and the Opioid Remediation activities being carried out by the State and Participating Subdivisions.

6. Miscellaneous

- a) The State or any CA Participating Subdivision may bring a motion or action in the court where the State has filed its Consent Judgment to enforce the requirements of this CA Distributor Allocation Agreement. Before filing such a motion or action the State will meet and confer with any CA Participating Subdivision that is the subject of the anticipated motion or action, and vice versa.
- b) Except as provided in the Distributor Settlement Agreement, this CA Distributor Allocation Agreement is not enforceable by any party other than the State and the CA Participating Subdivisions. It does not confer any rights or remedies upon, and shall not be enforceable by, any third party.
- c) Except as provided in the CA Distributor Allocation Agreement, if any provision of this agreement or the application thereof to any person, entity, or circumstance shall, to any extent, be invalid or unenforceable, the remainder of this agreement, or the application of such provision to persons, entities, or circumstances other than those as to which it is invalid or unenforceable, will not be affected thereby, and each other provision of this agreement will be valid and enforceable to the fullest extent permitted by law.
- d) Except as provided in the Distributor Settlement Agreement, this agreement shall be governed by and interpreted in accordance with the laws of California.

The undersigned, Santa Clara city, ACKNOWLEDGES acceptance of this Proposed California State-Subdivision Agreement Regarding Distribution and Use of Settlement Funds - Distributor Settlement is a requirement to be an Initial Participating Subdivision in the Distributor Settlement and ACCEPTS this Proposed California State-Subdivision Agreement Regarding Distribution and Use of Settlement Funds - Distributor Settlement.

I swear under penalty of perjury that I have all necessary power and authorization to execute this Election and Release on behalf of the Governmental Entity.

APPENDIX 1

DISCLAIMER: The allocation percentages herein are estimates only and should not be relied on for decisions regarding legal rights, releases, waivers, or other decisions affecting current or potential legal claims. Percentages shown in the Plaintiff Subdivision Percentage column may change pursuant to Section 4.C. of the California State-Subdivision Agreement Regarding Distribution and Use of Settlement Funds—Distributor Settlement, whereas the percentages shown in the Abatement Percentage column should not change. Participating Subdivisions, underlying calculations, and the calculated allocation percentages are subject to change. Regarding the column herein entitled “Abatement Percentage,” pursuant to Section 4.B.e., the State of California will receive the Local Allocation share of any payment to the Settlement Fund that is attributable to a county or city that is eligible to become a CA Participating Subdivision, but that has not, as of the date of that payment to the Settlement Fund, become a Participating Subdivision. Regarding the column herein entitled “Plaintiff Subdivision Percentage,” payments allocated to a Plaintiff Subdivision, which is not an Initial Participating Subdivision, will be re-allocated among the Plaintiff Subdivisions that are Initial Participating Subdivisions. Regarding the column herein entitled “Abatement Percentage,” the annotation of “100%” refers to one-hundred percent (100%) of the California Abatement Account Funds received, pursuant to Section 4.B. Regarding the column herein entitled “Plaintiff Subdivision Percentage,” the annotation of “100%” refers to one-hundred percent (100%) of the California Subdivision Funds received, pursuant to Section 4.C. Regarding the column herein entitled “Weighted Allocation Percentage,” the annotation of “100%” refers to one-hundred percent (100%) of the combined and weighted allocation of the Abatement Percentage and the Plaintiff Subdivision Percentage.

APPENDIX 2

Cost Reimbursement Procedure

1. Additional defined terms:

- a) *Costs* means the reasonable amounts paid for the attorney and other City Attorney and County Counsel staff time for individuals employed by a Plaintiff Subdivision at the contractual rate, inclusive of benefits and overhead, together with amounts paid for court reporters, experts, copying, electronic research, travel, vendors, and the like, which were paid or incurred (i) prior to July 21, 2021 in litigation against any Opioid Defendant and/or (ii) in negotiating and drafting this CA Distributor Allocation Agreement. Costs does not include attorneys' fees, costs, or expenses incurred by private contingency fee counsel. No part of the CA Abatement Accounts Fund will be used to reimburse Costs.
- b) *First Claims Date* means October 1, 2023 or when all applications for reimbursement of Costs, in whole or in part, from funds available under Section X and Exhibit R of the Distributor Settlement Agreement or Section XI and Exhibit R of the Janssen Settlement Agreement, have been finally determined under the provisions of those agreements, whichever comes first.
- c) *Special Master* means a retired judicial officer or former public lawyer, not presently employed or retained by a Plaintiff Subdivision, who will aggregate, review, and determine the reasonable Costs to be awarded to each Plaintiff Subdivision that submits a claim for reimbursement of Costs. The Special Master will be selected by a majority vote of the votes cast by Plaintiff Subdivisions, with each such subdivision having one vote.
- d) *Plaintiff Subdivision Committee* means the committee of Plaintiff Subdivisions that will review and approve the invoices submitted by the Special Master reflecting his or her reasonable time and expenses.

2. Cost Reimbursement to Plaintiff Subdivision

- a) Purpose. Substantial resources have been expended to hold Opioid Defendants accountable for creating and profiting from the opioid crisis, and this effort has been a significant catalyst in creating a National Opioid Settlement with Distributors, Johnson & Johnson, and others.
- b) Claims Procedure.
 - i. If a Plaintiff Subdivision is eligible to seek reimbursement of Costs, in whole or in part, from funds available under Section X or Exhibit R of the Distributor Settlement Agreement or Section XI or Exhibit R of the Janssen Settlement Agreement, it must first make a timely application for reimbursement from such funds. To allow sufficient time for determination of those applications, no claim for

Costs to the CA Subdivision Fund under this Agreement may be made before the First Claims Date.

- ii. A Plaintiff Subdivision that wishes to be reimbursed from the CA Subdivision Fund must submit a claim to the Special Master no later than forty-five (45) days after the First Claims Date. The Special Master will then compile and redistribute the aggregated claim totals for each Plaintiff Subdivision via email to representatives of all the Plaintiff Subdivisions. A claim for attorney and staff time must list, for each attorney or staff member included in the claim, the following information: name, title, total hours claimed, hourly rate (including, if sought, benefits and share of overhead), and narrative summarizing the general nature of the work performed by the attorney or staff member. For reimbursement of “hard” costs, the subdivision may aggregate across a category (e.g., total for travel costs). It is the intention of the Plaintiff Subdivisions that submission of documents related to reimbursement of Costs does not waive any attorney-client privilege or exemptions to the California Public Records Act.
- iii. The Special Master may request, at his or her sole option, additional documents or details to assist in the final award of Costs.
- iv. The Special Master will review claims for reasonableness and will notify each Plaintiff Subdivision of the final determination of its claim, and will provide a list of all final awards to all Plaintiff Subdivisions by email or, upon request, via First Class U.S. Mail. Any Plaintiff Subdivision may ask the Special Master to reconsider any final award within twenty-one (21) days. The Special Master will make a final determination on any such reconsideration request within thirty (30) days of receipt.
- v. Any decision of the Special Master is final and binding, and will be considered under the California Arbitration Act, Code of Civil Procedure section 1280 et seq. as a final arbitration award. Nothing in this agreement is intended to expand the scope of judicial review of the final award for errors of fact or law, and the Parties agree that they may only seek to vacate the award if clear and convincing evidence demonstrates one of the factors set forth in Code of Civil Procedure, section 1286.2, subdivision (a). Plaintiff Subdivisions will have fourteen (14) days after all final awards are made, together with any final determination of a request for reconsideration, to seek review in the Superior Court of California, pursuant to Code of Civil Procedure, section 1285, where the State has filed its Consent Judgment.
- vi. The Special Master will prepare a report of Costs that includes his or her fees and expenses at least ninety (90) days before the Payment Date for each Annual Payment. The Special Master’s preparation of a report of Costs does not discharge a Plaintiff Subdivision’s reporting requirement under Section V.B.2 of the Distributor Agreement.
- vii. A member of the Plaintiff Subdivision Committee, which is a CA Participating Subdivision, will submit to the Settlement Fund Administrator and the Distributors a

report of the fees and expenses incurred by the Special Master pursuant to Section V.B.2 of the Distributor Agreement.

c) Claims Priority and Limitation.

- i. The Special Master will submit invoices for compensation of reasonable fees and expenses to the Plaintiff Subdivision Committee no later than ninety (90) days prior to the Payment Date for each Annual Payment. The Plaintiff Subdivision Committee will promptly review and, if reasonable, approve the Special Master's invoice for compensation. The Plaintiff Subdivision Committee will submit approved invoices to the Settlement Fund Administrator for payment. The Special Master's approved invoices have priority and will be paid first from the CA Subdivision Fund before any award of Costs, subject to the limitation in Section 2.c.v below.
- ii. Final Awards of Costs that do not exceed seventy-five thousand dollars (\$75,000.00) will be paid next in priority after the Special Master's approved invoices.
- iii. Final Awards of Costs in excess of seventy-five thousand dollars (\$75,000.00) will be paid proportionally from the funds remaining in that year's Annual Payment.
- iv. Any claim for Costs that is not paid in full will be allocated against the next year's distribution from the CA Subdivision Fund, until all approved claims for Costs are paid in full.
- v. In no event will more than 50% of the total CA Subdivision Fund received in any year be used to pay Costs or the Special Master's approved invoices.
- vi. In no event shall more than \$28 million of the total CA Subdivision Funds paid pursuant to the Distributor Settlement Agreement and the Janssen Settlement Agreement be used to pay Costs.

d) Collateral Source Payments and Third-Party Settlement.

- i. In the event a Plaintiff Subdivision is awarded compensation, in whole or in part, by any source of funds created as a result of litigation against an Opioid Defendant for its reasonable Costs, it will reduce its claim for Costs from the CA Subdivision Fund by that amount. If a Plaintiff Subdivision has already received a final award of Costs from the CA Subdivision Fund, it will repay the fund up to the prior award of Costs via a payment to the Settlement Fund Administrator or notify the Settlement Fund Administrator that its allocation from the next and subsequent Annual Payments should be reduced accordingly. If the Plaintiff Subdivision is repaying any prior award of Costs, that repayment will occur as soon as is feasible after the Plaintiff Subdivision's receipt of Cost funds from the collateral source, but no more than 90 days after its receipt from the collateral source. The Settlement Fund Administrator will add any repaid Costs to the CA Subdivision Fund.

- ii. In the event a Plaintiff Subdivision reaches a monetary settlement or compromise against any Opioid Defendant outside of the National Opioid Settlement, the monetary portion of such settlement, net of fees paid to outside contingency fee counsel and of funds earmarked strictly for abatement, will be credited against its Costs and the subdivision will be ineligible to recover those credited Costs from the CA Subdivision Fund. Plaintiff Subdivisions negotiating monetary settlements or compromises against any Opioid Defendant outside of the National Opioid Settlement will negotiate for funds to repay any Costs it previously received from the CA Subdivision Fund or for Costs it otherwise might be eligible to claim from the CA Subdivision Fund. If such a settlement is paid after all final approved claims for Costs by all Plaintiff Subdivisions are satisfied in full, the settling subdivision will reimburse the CA Subdivision Fund in that amount by making payment to the Settlement Fund Administrator to add to the CA Subdivision Fund in a manner consistent with the repayments described in section 2.d.i above.

APPENDIX 3

CALIFORNIA-SUBDIVISION BACKSTOP AGREEMENT

On August 6, 2021, Judge Polster of the US District Court for the Northern District of Ohio issued an Order (the Order), docket number 3814, in In Re National Prescription Opiate Litigation, MDL 2804, addressing contingent attorney fee contracts between political subdivisions eligible to participate in the Distributors Settlement and their counsel.

In light of the Order, and at the request of [SUBDIVISION], the [SUBDIVISION], its counsel [COUNSEL], and the California Attorney General, on behalf of the State of California, are entering into this California-Subdivision Backstop Agreement (Backstop Agreement).

[SUBDIVISION] and [COUNSEL] intend this Backstop Agreement to constitute a State Back-Stop Agreement as that term is used in the Order and in Exhibit R (Agreement on Attorneys' Fees, Expenses and Costs) of the Distributor Settlement Agreement.

Pursuant to this Backstop Agreement, [SUBDIVISION] may, subject to the limitations of the Distributor Settlement Agreement and CA Distributor Allocation Agreement, as well as any other limitations imposed by law, use funds that it receives from the Distributor Settlement CA Subdivision Fund to pay a contingent fee to [COUNSEL]. Any such payment from [SUBDIVISION] to [COUNSEL], together with any contingency fees that [COUNSEL] may receive from the national Attorney Fee Fund, will not exceed a total contingency fee of [PERCENTAGE NOT TO EXCEED 15%] of the total gross recovery of [SUBDIVISION] from the Distributors Settlement.

[COUNSEL] certify that they first sought fees and costs from the Attorney Fee Fund created under the Distributor Settlement Agreement before seeking or accepting payment under this backstop agreement. [COUNSEL] further certify that they are not seeking and will not accept payment under this backstop agreement of any litigation fees or costs that have been reimbursed through prior settlements or judgments.

The Attorney General is executing this agreement solely because the definition of "State Back-Stop Agreement" in Exhibit R of the Distributor Settlement Agreement requires such agreements to be between "a Settling State" and private counsel for a participating subdivision. Neither the California Attorney General nor the State of California have any obligations under this Backstop Agreement, and this Backstop Agreement does not require the payment of any state funds to [SUBDIVISION], [COUNSEL], or any other party.

Thank you for registering your subdivision on the national settlement website and for considering participating in the proposed Settlement Agreement with Johnson & Johnson, Janssen Pharmaceuticals, Inc., Ortho-McNeil-Janssen Pharmaceuticals, Inc., and Janssen Pharmaceutica, Inc. (collectively “Janssen”). This virtual envelope contains a Participation Form for the settlement including a release of claims and a separate Signature Page for California’s Proposed State-Subdivision Agreement Regarding Distribution and Use of Settlement Funds. Both documents in this envelope must be executed, without alteration, and submitted in order for your subdivision to be considered potentially “participating.”

The sign-on period for subdivisions ends on January 2, 2022. On or after that date, the states (in consultation with the subdivisions) and Janssen will determine whether the subdivision participation rate is sufficient for the settlement to move forward. If the deal moves forward, your release will become effective. If it does not, it will not.

As a reminder, if you have not already started your review of the settlement documentation, detailed information about the Settlements may be found at: <https://nationalopioidsettlement.com/>. This national settlement website also includes links to information about how the Settlements are being implemented in your state and how settlement funds will be allocated within your state, including information about, and links to, any applicable allocation agreement or legislation. This website will be supplemented as additional documents are created. California has also created a state-specific website which may be accessed here: <https://oag.ca.gov/opioids>. The governmental entity identified above (“Governmental Entity”), in order to obtain and in consideration for the benefits provided to the Governmental Entity pursuant to the Settlement Agreement dated July 21, 2021 (“Janssen Settlement”), and acting through the undersigned authorized official, hereby elects to participate in the Janssen Settlement, release all Released Claims against all Released Entities, and agrees as follows.

1. The Governmental Entity is aware of and has reviewed the Janssen Settlement, understands that all terms in this Election and Release have the meanings defined therein, and agrees that by this Election, the Governmental Entity elects to participate in the Janssen Settlement and become a Participating Subdivision as provided therein.
2. The Governmental Entity shall, within 14 days of the Reference Date and prior to the filing of the Consent Judgment, dismiss with prejudice any Released Claims that it has filed.
3. The Governmental Entity agrees to the terms of the Janssen Settlement pertaining to Subdivisions as defined therein.
4. By agreeing to the terms of the Janssen Settlement and becoming a Releasor, the Governmental Entity is entitled to the benefits provided therein, including, if applicable, monetary payments beginning after the Effective Date.
5. The Governmental Entity agrees to use any monies it receives through the Janssen Settlement solely for the purposes provided therein.
6. The Governmental Entity submits to the jurisdiction of the court in the Governmental Entity’s state where the Consent Judgment is filed for purposes limited to that court’s role as provided in, and for resolving disputes to the extent provided in, the Janssen Settlement.
7. The Governmental Entity has the right to enforce the Janssen Settlement as provided therein.

8. The Governmental Entity, as a Participating Subdivision, hereby becomes a Releasor for all purposes in the Janssen Settlement, including but not limited to all provisions of Section IV (Release), and along with all departments, agencies, divisions, boards, commissions, districts, instrumentalities of any kind and attorneys, and any person in their official capacity elected or appointed to serve any of the foregoing and any agency, person, or other entity claiming by or through any of the foregoing, and any other entity identified in the definition of Releasor, provides for a release to the fullest extent of its authority. As a Releasor, the Governmental Entity hereby absolutely, unconditionally, and irrevocably covenants not to bring, file, or claim, or to cause, assist or permit to be brought, filed, or claimed, or to otherwise seek to establish liability for any Released Claims against any Released Entity in any forum whatsoever. The releases provided for in the Janssen Settlement are intended by the Parties to be broad and shall be interpreted so as to give the Released Entities the broadest possible bar against any liability relating in any way to Released Claims and extend to the full extent of the power of the Governmental Entity to release claims. The Janssen Settlement shall be a complete bar to any Released Claim.
9. In connection with the releases provided for in the Janssen Settlement, each Governmental Entity expressly waives, releases, and forever discharges any and all provisions, rights, and benefits conferred by any law of any state or territory of the United States or other jurisdiction, or principle of common law, which is similar, comparable, or equivalent to § 1542 of the California Civil Code, which reads:

General Release; extent. A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release that, if known by him or her, would have materially affected his or her settlement with the debtor or released party.

A Releasor may hereafter discover facts other than or different from those which it knows, believes, or assumes to be true with respect to the Released Claims, but each Governmental Entity hereby expressly waives and fully, finally, and forever settles, releases and discharges, upon the Effective Date, any and all Released Claims that may exist as of such date but which Releasors do not know or suspect to exist, whether through ignorance, oversight, error, negligence or through no fault whatsoever, and which, if known, would materially affect the Governmental Entities' decision to participate in the Janssen Settlement.

10. Nothing herein is intended to modify in any way the terms of the Janssen Settlement, to which Governmental Entity hereby agrees. To the extent this Election and Release is interpreted differently from the Janssen Settlement in any respect, the Janssen Settlement controls.

I swear under penalty of perjury that I have all necessary power and authorization to execute this Election and Release on behalf of the Governmental Entity.

Proposed California State-Subdivision Agreement Regarding Distribution and Use of Settlement Funds – Janssen Settlement

1. Introduction

Pursuant to the Janssen Settlement Agreement, dated as of July 21, 2021, and any revision thereto (the “Janssen Settlement Agreement”), including Section VI and Exhibit O, the State of California proposes this agreement (the “CA Janssen Allocation Agreement”) to govern the allocation, distribution, and use of Settlement Fund payments made to California pursuant to Sections V and VI of the Janssen Settlement Agreement.¹ For the avoidance of doubt, this agreement does not apply to payments made pursuant to Sections X or XI of the Janssen Settlement Agreement.

Pursuant to Exhibit O, Paragraph 4, of the Janssen Settlement Agreement, acceptance of this CA Janssen Allocation Agreement is a requirement to be an Initial Participating Subdivision.

2. Definitions

- a) *CA Participating Subdivision* means a Participating Subdivision that is also (a) a Plaintiff Subdivision and/or (b) a Primary Subdivision with a population equal to or greater than 10,000. For the avoidance of doubt, eligible CA Participating Subdivisions are those California subdivisions listed in Exhibit C (excluding Litigating Special Districts) and/or Exhibit I to the Janssen Settlement Agreement.
- b) *Distributor Settlement Agreement* means the Distributor Settlement Agreement dated July 21, 2021, and any revision thereto.
- c) *CA Litigating Special District* means a Litigating Special District located in California. CA Litigating Special Districts include Downey Unified School District, Elk Grove Unified School District, Kern High School District, Montezuma Fire Protection District (located in Stockton, California), Santa Barbara San Luis Obispo Regional Health Authority, Inland Empire Health Plan, Health Plan of San Joaquin, and LA Care Health Plan.
- d) *Plaintiff Subdivision* means a Subdivision located in California, other than a CA Litigating Special District, that filed a lawsuit, on behalf of the Subdivision and/or through an official of the Subdivision on behalf of the People of the State of California, against one or more Opioid Defendants prior to October 1, 2020.
- e) *Opioid Defendant* means any defendant (including but not limited to Johnson & Johnson, Janssen Pharmaceuticals, Inc., Purdue Pharma L.P., Cardinal Health, Inc.,

¹ A parallel but separate agreement (the “CA Distributor Allocation Agreement”) will govern the allocation, distribution, and use of settlement fund payments under the Distributor Settlement Agreement. An eligible Subdivision may elect to participate in either the Distributor Settlement or the Janssen Settlement, or in both.

AmerisourceBergen Corporation, and McKesson Corporation) named in a lawsuit seeking damages, abatement, or other remedies related to or caused by the opioid public health crisis in any lawsuit brought by any state or local government on or before October 1, 2020.

3. General Terms

This agreement is subject to the requirements of the Janssen Settlement Agreement, as well as applicable law, and the Janssen Settlement Agreement governs over any inconsistent provision of this CA Janssen Allocation Agreement. Terms used in this CA Janssen Allocation Agreement have the same meaning as in the Janssen Settlement Agreement unless otherwise defined herein.

Pursuant to Section VI(D)(1) of the Janssen Settlement Agreement, (a) all Settlement Fund payments will be used for Opioid Remediation, except as allowed by Section VI(B)(2) of the Janssen Settlement Agreement; and (b) at least seventy percent (70%) of Settlement Fund payment amounts will be used solely for future Opioid Remediation.

4. State Allocation

The Settlement Fund payments to California,² pursuant to the Janssen Settlement Agreement, shall be allocated as follows: 15% to the State Fund; 70% to the Abatement Accounts Fund; and 15% to the Subdivision Fund. For the avoidance of doubt, all funds allocated to California from the Settlement Fund shall be combined pursuant to this CA Janssen Allocation Agreement, and 15% of that total shall be allocated to the State of California (the “State of California Allocation”), 70% to the California Abatement Accounts Fund (“CA Abatement Accounts Fund”), and 15% to the California Subdivision Fund (“CA Subdivision Fund”).

A. State of California Allocation

Fifteen percent of the total Settlement Fund payments will be allocated to the State and used by the State for future Opioid Remediation.

B. CA Abatement Accounts Fund

i. Allocation of CA Abatement Accounts Funds

- a) Seventy percent of the total Settlement Fund payments will be allocated to the CA Abatement Accounts Fund. The funds in the CA Abatement Accounts Fund will be allocated based on the allocation model developed in connection with the proposed negotiating class in the National Prescription Opiate Litigation (MDL No. 2804), as adjusted to reflect only those cities and counties that are eligible, based on population or litigation status, to become a CA Participating Subdivision. The percentage from the CA

² For purposes of clarity, use of the term “California” refers to the geographic territory of California and the state and its local governments therein. The term “State” or “State of California” refers to the State of California as a governmental unit.

Abatement Accounts Fund allocated to each CA Participating Subdivision is set forth in Appendix 1 in the column entitled abatement percentage (the “Local Allocation”). For the avoidance of doubt, CA Litigating Special Districts and California towns, cities, and counties with a population less than 10,000 are not eligible to receive an allocation of CA Abatement Accounts Funds.

- b) A CA Participating Subdivision that is a county, or a city and county, will be allocated its Local Allocation share as of the date on which it becomes a Participating Subdivision, and will receive payments as provided in the Janssen Settlement Agreement.
- c) A CA Participating Subdivision that is a city will be allocated its Local Allocation share as of the date on which it becomes a Participating Subdivision. The Local Allocation share for a city that is a CA Participating Subdivision will be paid to the county in which the city is located, rather than to the city, so long as: (a) the county is a CA Participating Subdivision, and (b) the city has not advised the Settlement Fund Administrator that it requests direct payment at least 60 days prior to a Payment Date. A Local Allocation share allocated to a city but paid to a county is not required to be spent exclusively for abatement activities in that city, but will become part of the county’s share of the CA Abatement Accounts Funds, which will be used in accordance with Section 4.B.ii (Use of CA Abatement Accounts Funds) and reported on in accordance with Section 4.B.iii (CA Abatement Accounts Fund Oversight).
- d) A city within a county that is a CA Participating Subdivision may opt in or out of direct payment at any time, and it may also elect direct payment of only a portion of its share, with the remainder going to the county, by providing notice to the Settlement Fund Administrator at least 60 days prior to a Payment Date. For purposes of this CA Janssen Allocation Agreement, the Cities of Los Angeles, Oakland, San Diego, San Jose and Eureka will be deemed to have elected direct payment if they become Participating Subdivisions.
- e) The State will receive the Local Allocation share of any payment to the Settlement Fund that is attributable to a county or city that is eligible to become a CA Participating Subdivision, but that has not, as of the date of that payment to the Settlement Fund, become a Participating Subdivision.
- f) Funds received by a CA Participating Subdivision, and not expended or encumbered within five years of receipt and in accordance with the Janssen Settlement Agreement and this CA Janssen Allocation Agreement shall be transferred to the State; provided however, that CA Participating Subdivisions have seven years to expend or encumber CA Abatement Accounts Funds designated to support capital outlay projects before they must be transferred to the State. This provision shall not apply to the Cost Reimbursement Funds, which shall be controlled by Appendix 2.

ii. Use of CA Abatement Accounts Funds

- a) The CA Abatement Accounts Funds will be used for future Opioid Remediation in one or more of the areas described in the List of Opioid Remediation Uses, which is Exhibit E to the Janssen Settlement Agreement.
- b) In addition to this requirement, no less than 50% of the funds received by a CA Participating Subdivision from the Abatement Accounts Fund in each calendar year will be used for one or more of the following High Impact Abatement Activities:
 - (1) the provision of matching funds or operating costs for substance use disorder facilities within the Behavioral Health Continuum Infrastructure Program;
 - (2) creating new or expanded Substance Use Disorder (“SUD”) treatment infrastructure;
 - (3) addressing the needs of communities of color and vulnerable populations (including sheltered and unsheltered homeless populations) that are disproportionately impacted by SUD;
 - (4) diversion of people with SUD from the justice system into treatment, including by providing training and resources to first and early responders (sworn and non-sworn) and implementing best practices for outreach, diversion and deflection, employability, restorative justice, and harm reduction; and/or
 - (5) interventions to prevent drug addiction in vulnerable youth.
- c) The California Department of Health Care Services (“DHCS”) may add to this list (but not delete from it) by designating additional High Impact Abatement Activities. DHCS will make reasonable efforts to consult with stakeholders, including the CA Participating Subdivisions, before adding additional High Impact Abatement Activities to this list.
- d) For the avoidance of doubt, and subject to the requirements of the Janssen Settlement Agreement and applicable law, CA Participating Subdivisions may form agreements or ventures, or otherwise work in collaboration with, federal, state, local, tribal or private sector entities in pursuing Opioid Remediation activities funded from the CA Abatement Accounts Fund. Further, provided that all CA Abatement Accounts Funds are used for Opioid Remediation consistent with the Janssen Settlement Agreement and this CA Janssen Allocation Agreement, a county and any cities or towns within the county may agree to reallocate their respective shares of the CA Abatement Accounts Funds among themselves, provided that any direct distribution may only be to a CA Participating Subdivision and any CA Participating Subdivision must agree to their share being reallocated.

iii. CA Abatement Accounts Fund Oversight

- a) Pursuant to Section 5 below, CA Participating Subdivisions receiving settlement funds must prepare and file reports annually regarding the use of those funds. DHCS may regularly review the reports prepared by CA Participating Subdivisions about the use of CA Abatement Accounts Funds for compliance with the Janssen Settlement Agreement and this CA Janssen Allocation Agreement.
- b) If DHCS determines that a CA Participating Subdivision's use of CA Abatement Accounts Funds is inconsistent with the Janssen Settlement Agreement or this CA Janssen Allocation Agreement, whether through review of reports or information from any other sources, DHCS shall send a request to meet and confer with the CA Participating Subdivision. The parties shall meet and confer in an effort to resolve the concern.
- c) If the parties are unable to reach a resolution, DHCS may conduct an audit of the Subdivision's use of the CA Abatement Accounts Funds within one year of the request to meet and confer, unless the parties mutually agree in writing to extend the meet and confer time frame.
- d) If the concern still cannot be resolved, the State may bring a motion or action in the court where the State has filed its Consent Judgment to resolve the concern or otherwise enforce the requirements of the Janssen Settlement Agreement or this CA Janssen Allocation Agreement. However, in no case shall any audit be conducted, or motion be brought, as to a specific expenditure of funds, more than five years after the date on which the expenditure of the funds was reported to DHCS, in accordance with this agreement.
- e) Notwithstanding the foregoing, this Agreement does not limit the statutory or constitutional authority of any state or local agency or official to conduct audits, investigations, or other oversight activities, or to pursue administrative, civil, or criminal enforcement actions.

C. CA Subdivision Fund

- i. Fifteen percent of the total Settlement Fund payments will be allocated to the CA Subdivision Fund. All funds in the CA Subdivision Fund will be allocated among the Plaintiff Subdivisions that are Initial Participating Subdivisions. The funds will be used, subject to any limits imposed by the Janssen Settlement Agreement and this CA Janssen Allocation Agreement, to fund future Opioid Remediation and reimburse past opioid-related expenses, which may include fees and expenses related to litigation, and to pay the reasonable fees and expenses of the Special Master as set forth in Appendix 2.

The CA Subdivision Funds will be allocated as follows:

- a) First, funds in the CA Subdivision Fund shall be used to pay the Special Master's reasonable fees and expenses in accordance with the procedures and limitations set forth in Appendix 2 to this document;
- b) Second, funds will be allocated to Plaintiff Subdivisions that are Initial Participating Subdivisions that have been awarded Costs, as defined by and in accordance with the procedures and limitations set forth in Appendix 2 to this document.
- c) Funds remaining in the CA Subdivision Fund, which shall consist of no less than 50% of the total CA Subdivision Fund received in any year pursuant to Appendix 2, Section 2.c.v, will be distributed to Plaintiff Subdivisions that are Initial Participating Subdivisions, in relative proportion to the Local Allocation. These funds shall be used to fund future opioid-related projects and to reimburse past opioid-related expenses, which may include fees and expenses related to litigation against any Opioid Defendant.

D. Provision for State Back-Stop Agreement

On August 6, 2021, Judge Dan Polster of the U.S. District Court, Northern District of Ohio, Eastern Division, issued an order (ECF Docket Number 3814) ("MDL Fees Order") in the National Prescription Opiate Litigation (MDL No. 2804) "cap[ping] all applicable contingent fee agreements at 15%." Private counsel representing Plaintiff Subdivisions should seek its contingency fees and costs from the Attorney Fee Fund or Cost Funds under the Janssen Settlement Agreement and, if applicable, the Distributor Settlement Agreement.

A Plaintiff Subdivision may separately agree to use its share of the CA Subdivision Fund to pay for fees or costs incurred by its contingency-fee counsel ("State Back-Stop Agreement"), pursuant to Exhibit R, section I(R), of the Janssen Settlement Agreement and the MDL Fees Order, so long as such contingency fees do not exceed a total contingency fee of 15% of the total gross recovery of the Plaintiff Subdivision pursuant to the Janssen Settlement, and if applicable, the Distributor Settlement, inclusive of contingency fees from the national Attorney Fee Fund and this State Back-Stop Agreement. Before seeking fees or litigation costs and expenses from a State Back-Stop Agreement, private counsel representing Plaintiff Subdivisions must first seek contingency fees and costs from the Attorney Fee Fund or Cost Funds created under the Janssen Settlement Agreement and, if applicable, the Distributor Settlement Agreement. Further, private counsel may only seek reimbursement for litigation fees and costs that have not previously been reimbursed through prior settlements or judgments.

To effectuate a State Back-Stop Agreement pursuant to this section, an agreement in the form of Appendix 3 may be entered into by a Plaintiff Subdivision, private counsel, and the California Office of the Attorney General. The California Office of the Attorney General shall, upon the request of a Plaintiff Subdivision, execute any agreement executed by a Plaintiff Subdivision and its private counsel if it is in the form of Appendix 3. The California Office of the Attorney

General will also consider requests from Plaintiff Subdivisions to execute and enter into agreements presented in other forms.

For the avoidance of doubt, this agreement does not require a Plaintiff Subdivision to request or enter into a State Back-Stop Agreement, and no State Back-Stop Agreement shall impose any duty or obligation on the State of California or any of its agencies or officers, including without limitation the Attorney General.

5. State and Subdivision Reporting

- a) DHCS will prepare an annual written report regarding the State's use of funds from the settlement until those funds are fully expended and for one year thereafter. These reports will be made publicly available on the DHCS web site.
- b) Each CA Participating Subdivision that receives payments of funds from the settlement will prepare written reports at least annually regarding the use of those funds, until those funds are fully expended and for one year thereafter. These reports will also include a certification that all funds that the CA Participating Subdivision has received through the settlement have been used in compliance with the Janssen Settlement Agreement and this CA Janssen Allocation Agreement. The report will be in a form reasonably determined by DHCS. Prior to specifying the form of the report DHCS will confer with representatives of the Plaintiff Subdivisions.
- c) The State and all CA Participating Subdivisions receiving CA Abatement Accounts Funds will track all deposits and expenditures. Each such subdivision is responsible solely for the CA Abatement Accounts Funds it receives. A county is not responsible for oversight, reporting, or monitoring of CA Abatement Accounts Funds received by a city within that county that receives direct payment. Unless otherwise exempt, Subdivisions' expenditures and uses of CA Abatement Accounts Funds and other Settlement Funds will be subject to the normal budgetary and expenditure process of the Subdivision.
- d) Each Plaintiff Subdivision receiving CA Subdivision Funds will track all deposits and expenditures, as required by the Janssen Settlement Agreement and this CA Janssen Allocation Agreement. Among other things, Plaintiff Subdivisions using monies from the CA Subdivision Fund for purposes that do not qualify as Opioid Remediation must identify and include in their annual report, the amount and how such funds were used, including if used to pay attorneys' fees, investigation costs, or litigation costs. Pursuant to Section VI(B)(2) of the Janssen Settlement Agreement, such information must also be reported to the Settlement Fund Administrator and Janssen.
- e) In each year in which DHCS prepares an annual report DHCS will also host a meeting to discuss the annual report and the Opioid Remediation activities being carried out by the State and Participating Subdivisions.

6. Miscellaneous

- a) The State or any CA Participating Subdivision may bring a motion or action in the court where the State has filed its Consent Judgment to enforce the requirements of this CA Janssen Allocation Agreement. Before filing such a motion or action the State will meet and confer with any CA Participating Subdivision that is the subject of the anticipated motion or action, and vice versa.
- b) Except as provided in the Janssen Settlement Agreement, this CA Janssen Allocation Agreement is not enforceable by any party other than the State and the CA Participating Subdivisions. It does not confer any rights or remedies upon, and shall not be enforceable by, any third party.
- c) Except as provided in the CA Janssen Allocation Agreement, if any provision of this agreement or the application thereof to any person, entity, or circumstance shall, to any extent, be invalid or unenforceable, the remainder of this agreement, or the application of such provision to persons, entities, or circumstances other than those as to which it is invalid or unenforceable, will not be affected thereby, and each other provision of this agreement will be valid and enforceable to the fullest extent permitted by law.
- d) Except as provided in the Janssen Settlement Agreement, this agreement shall be governed by and interpreted in accordance with the laws of California.

The undersigned, Santa Clara city, ACKNOWLEDGES acceptance of this Proposed California State-Subdivision Agreement Regarding Distribution and Use of Settlement Funds - Janssen Settlement is a requirement to be an Initial Participating Subdivision in the Janssen Settlement and ACCEPTS this Proposed California State-Subdivision Agreement Regarding Distribution and Use of Settlement Funds - Janssen Settlement.

I swear under penalty of perjury that I have all necessary power and authorization to execute this Election and Release on behalf of the Governmental Entity.

APPENDIX 1

DISCLAIMER: The allocation percentages herein are estimates only and should not be relied on for decisions regarding legal rights, releases, waivers, or other decisions affecting current or potential legal claims. Percentages shown in the Plaintiff Subdivision Percentage column may change pursuant to Section 4.C. of the California State-Subdivision Agreement Regarding Distribution and Use of Settlement Funds—Janssen Settlement, whereas the percentages shown in the Abatement Percentage column should not change. Participating Subdivisions, underlying calculations, and the calculated allocation percentages are subject to change. Regarding the column herein entitled “Abatement Percentage,” pursuant to Section 4.B.e., the State of California will receive the Local Allocation share of any payment to the Settlement Fund that is attributable to a county or city that is eligible to become a CA Participating Subdivision, but that has not, as of the date of that payment to the Settlement Fund, become a Participating Subdivision. Regarding the column herein entitled “Plaintiff Subdivision Percentage,” payments allocated to a Plaintiff Subdivision, which is not an Initial Participating Subdivision, will be re-allocated among the Plaintiff Subdivisions that are Initial Participating Subdivisions. Regarding the column herein entitled “Abatement Percentage,” the annotation of “100%” refers to one-hundred percent (100%) of the California Abatement Account Funds received, pursuant to Section 4.B. Regarding the column herein entitled “Plaintiff Subdivision Percentage,” the annotation of “100%” refers to one-hundred percent (100%) of the California Subdivision Funds received, pursuant to Section 4.C. Regarding the column herein entitled “Weighted Allocation Percentage,” the annotation of “100%” refers to one-hundred percent (100%) of the combined and weighted allocation of the Abatement Percentage and the Plaintiff Subdivision Percentage.

APPENDIX 2

Cost Reimbursement Procedure

1. Additional defined terms:

- a) *Costs* means the reasonable amounts paid for the attorney and other City Attorney and County Counsel staff time for individuals employed by a Plaintiff Subdivision at the contractual rate, inclusive of benefits and overhead, together with amounts paid for court reporters, experts, copying, electronic research, travel, vendors, and the like, which were paid or incurred (i) prior to July 21, 2021 in litigation against any Opioid Defendant and/or (ii) in negotiating and drafting this CA Janssen Allocation Agreement. Costs does not include attorneys' fees, costs, or expenses incurred by private contingency fee counsel. No part of the CA Abatement Accounts Fund will be used to reimburse Costs.
- b) *First Claims Date* means October 1, 2023 or when all applications for reimbursement of Costs, in whole or in part, from funds available under Section X and Exhibit R of the Distributor Settlement Agreement or Section XI and Exhibit R of the Janssen Settlement Agreement, have been finally determined under the provisions of those agreements, whichever comes first.
- c) *Special Master* means a retired judicial officer or former public lawyer, not presently employed or retained by a Plaintiff Subdivision, who will aggregate, review, and determine the reasonable Costs to be awarded to each Plaintiff Subdivision that submits a claim for reimbursement of Costs. The Special Master will be selected by a majority vote of the votes cast by Plaintiff Subdivisions, with each such subdivision having one vote.
- d) *Plaintiff Subdivision Committee* means the committee of Plaintiff Subdivisions that will review and approve the invoices submitted by the Special Master reflecting his or her reasonable time and expenses.

2. Cost Reimbursement to Plaintiff Subdivision

- a) Purpose. Substantial resources have been expended to hold Opioid Defendants accountable for creating and profiting from the opioid crisis, and this effort has been a significant catalyst in creating a National Opioid Settlement with Distributors, Johnson & Johnson, and others.
- b) Claims Procedure.
 - i. If a Plaintiff Subdivision is eligible to seek reimbursement of Costs, in whole or in part, from funds available under Section X or Exhibit R of the Distributor Settlement Agreement or Section XI or Exhibit R of the Janssen Settlement Agreement, it must first make a timely application for reimbursement from such funds. To allow sufficient time for determination of those applications, no claim for

Costs to the CA Subdivision Fund under this Agreement may be made before the First Claims Date.

- ii. A Plaintiff Subdivision that wishes to be reimbursed from the CA Subdivision Fund must submit a claim to the Special Master no later than forty-five (45) days after the First Claims Date. The Special Master will then compile and redistribute the aggregated claim totals for each Plaintiff Subdivision via email to representatives of all the Plaintiff Subdivisions. A claim for attorney and staff time must list, for each attorney or staff member included in the claim, the following information: name, title, total hours claimed, hourly rate (including, if sought, benefits and share of overhead), and narrative summarizing the general nature of the work performed by the attorney or staff member. For reimbursement of “hard” costs, the subdivision may aggregate across a category (e.g., total for travel costs). It is the intention of the Plaintiff Subdivisions that submission of documents related to reimbursement of Costs does not waive any attorney-client privilege or exemptions to the California Public Records Act.
- iii. The Special Master may request, at his or her sole option, additional documents or details to assist in the final award of Costs.
- iv. The Special Master will review claims for reasonableness and will notify each Plaintiff Subdivision of the final determination of its claim, and will provide a list of all final awards to all Plaintiff Subdivisions by email or, upon request, via First Class U.S. Mail. Any Plaintiff Subdivision may ask the Special Master to reconsider any final award within twenty-one (21) days. The Special Master will make a final determination on any such reconsideration request within thirty (30) days of receipt.
- v. Any decision of the Special Master is final and binding, and will be considered under the California Arbitration Act, Code of Civil Procedure section 1280 et seq. as a final arbitration award. Nothing in this agreement is intended to expand the scope of judicial review of the final award for errors of fact or law, and the Parties agree that they may only seek to vacate the award if clear and convincing evidence demonstrates one of the factors set forth in Code of Civil Procedure, section 1286.2, subdivision (a). Plaintiff Subdivisions will have fourteen (14) days after all final awards are made, together with any final determination of a request for reconsideration, to seek review in the Superior Court of California, pursuant to Code of Civil Procedure, section 1285, where the State has filed its Consent Judgment.
- vi. The Special Master will prepare a report of Costs that includes his or her fees and expenses at least ninety (90) days before the Payment Date for each Annual Payment. The Special Master’s preparation of a report of Costs does not discharge a Plaintiff Subdivision’s reporting requirement under Section VI.B.2 of the Janssen Agreement.
- vii. A member of the Plaintiff Subdivision Committee, which is a CA Participating Subdivision, will submit to the Settlement Fund Administrator and Janssen a report

of the fees and expenses incurred by the Special Master pursuant to Section VI.B.2 of the Janssen Agreement.

c) Claims Priority and Limitation.

- i. The Special Master will submit invoices for compensation of reasonable fees and expenses to the Plaintiff Subdivision Committee no later than ninety (90) days prior to the Payment Date for each Annual Payment. The Plaintiff Subdivision Committee will promptly review and, if reasonable, approve the Special Master's invoice for compensation. The Plaintiff Subdivision Committee will submit approved invoices to the Settlement Fund Administrator for payment. The Special Master's approved invoices have priority and will be paid first from the CA Subdivision Fund before any award of Costs, subject to the limitation in Section 2.c.v below.
- ii. Final Awards of Costs that do not exceed seventy-five thousand dollars (\$75,000.00) will be paid next in priority after the Special Master's approved invoices.
- iii. Final Awards of Costs in excess of seventy-five thousand dollars (\$75,000.00) will be paid proportionally from the funds remaining in that year's Annual Payment.
- iv. Any claim for Costs that is not paid in full will be allocated against the next year's distribution from the CA Subdivision Fund, until all approved claims for Costs are paid in full.
- v. In no event will more than 50% of the total CA Subdivision Fund received in any year be used to pay Costs or the Special Master's approved invoices.
- vi. In no event shall more than \$28 million of the total CA Subdivision Funds paid pursuant to the Distributor Settlement Agreement and the Janssen Settlement Agreement be used to pay Costs.

d) Collateral Source Payments and Third-Party Settlement.

- i. In the event a Plaintiff Subdivision is awarded compensation, in whole or in part, by any source of funds created as a result of litigation against an Opioid Defendant for its reasonable Costs, it will reduce its claim for Costs from the CA Subdivision Fund by that amount. If a Plaintiff Subdivision has already received a final award of Costs from the CA Subdivision Fund, it will repay the fund up to the prior award of Costs via a payment to the Settlement Fund Administrator or notify the Settlement Fund Administrator that its allocation from the next and subsequent Annual Payments should be reduced accordingly. If the Plaintiff Subdivision is repaying any prior award of Costs, that repayment will occur as soon as is feasible after the Plaintiff Subdivision's receipt of Cost funds from the collateral source, but no more than 90 days after its receipt from the collateral source. The Settlement Fund Administrator will add any repaid Costs to the CA Subdivision Fund.

- ii. In the event a Plaintiff Subdivision reaches a monetary settlement or compromise against any Opioid Defendant outside of the National Opioid Settlement, the monetary portion of such settlement, net of fees paid to outside contingency fee counsel and of funds earmarked strictly for abatement, will be credited against its Costs and the subdivision will be ineligible to recover those credited Costs from the CA Subdivision Fund. Plaintiff Subdivisions negotiating monetary settlements or compromises against any Opioid Defendant outside of the National Opioid Settlement will negotiate for funds to repay any Costs it previously received from the CA Subdivision Fund or for Costs it otherwise might be eligible to claim from the CA Subdivision Fund. If such a settlement is paid after all final approved claims for Costs by all Plaintiff Subdivisions are satisfied in full, the settling subdivision will reimburse the CA Subdivision Fund in that amount by making payment to the Settlement Fund Administrator to add to the CA Subdivision Fund in a manner consistent with the repayments described in section 2.d.i above.

APPENDIX 3

CALIFORNIA-SUBDIVISION BACKSTOP AGREEMENT

On August 6, 2021, Judge Polster of the US District Court for the Northern District of Ohio issued an Order (the Order), docket number 3814, in In Re National Prescription Opiate Litigation, MDL 2804, addressing contingent attorney fee contracts between political subdivisions eligible to participate in the Janssen Settlement and their counsel.

In light of the Order, and at the request of [SUBDIVISION], the [SUBDIVISION], its counsel [COUNSEL], and the California Attorney General, on behalf of the State of California, are entering into this California-Subdivision Backstop Agreement (Backstop Agreement).

[SUBDIVISION] and [COUNSEL] intend this Backstop Agreement to constitute a State Back-Stop Agreement as that term is used in the Order and in Exhibit R (Agreement on Attorneys' Fees, Costs, and Expenses) of the Janssen Settlement Agreement.

Pursuant to this Backstop Agreement, [SUBDIVISION] may, subject to the limitations of the Janssen Settlement Agreement and CA Janssen Allocation Agreement, as well as any other limitations imposed by law, use funds that it receives from the Janssen Settlement CA Subdivision Fund to pay a contingent fee to [COUNSEL]. Any such payment from [SUBDIVISION] to [COUNSEL], together with any contingency fees that [COUNSEL] may receive from the national Attorney Fee Fund, will not exceed a total contingency fee of [PERCENTAGE NOT TO EXCEED 15%] of the total gross recovery of [SUBDIVISION] from the Distributors Settlement.

[COUNSEL] certify that they first sought fees and costs from the Attorney Fee Fund created under the Janssen Settlement Agreement before seeking or accepting payment under this backstop agreement. [COUNSEL] further certify that they are not seeking and will not accept payment under this backstop agreement of any litigation fees or costs that have been reimbursed through prior settlements or judgments.

The Attorney General is executing this agreement solely because the definition of "State Back-Stop Agreement" in Exhibit R of the Janssen Settlement Agreement requires such agreements to be between "a Settling State" and private counsel for a participating subdivision. Neither the California Attorney General nor the State of California have any obligations under this Backstop Agreement, and this Backstop Agreement does not require the payment of any state funds to [SUBDIVISION], [COUNSEL], or any other party.

DISTRIBUTOR SETTLEMENT AGREEMENT

This Settlement Agreement, dated as of July 21, 2021 (the “*Agreement*”), sets forth the terms of settlement between and among the Settling States, the Settling Distributors, and the Participating Subdivisions (as those terms are defined below). Upon satisfaction of the conditions set forth in Section II and Section VIII, this Agreement will be binding on all Settling States, Settling Distributors, and Participating Subdivisions. This Agreement will then be filed as part of Consent Judgments in the respective courts of each of the Settling States, pursuant to the terms set forth in Section VIII.

I. Definitions

For all sections of this Agreement except Exhibit E and Exhibit P, the following definitions apply:

A. “*Abatement Accounts Fund.*” The component of the Settlement Fund described in Section V.E.

B. “*Additional Restitution Amount.*” The amount available to Settling States listed on Exhibit N totaling \$282,692,307.70.

C. “*Agreement.*” This agreement, as set forth above. For the avoidance of doubt, this Agreement is inclusive of all exhibits.

D. “*Alleged Harms.*” The alleged past, present, and future financial, societal, and public nuisance harms and related expenditures arising out of the alleged misuse and abuse of Products, non-exclusive examples of which are described in the documents listed on Exhibit A, that have allegedly arisen as a result of the physical and bodily injuries sustained by individuals suffering from opioid-related addiction, abuse, death, and other related diseases and disorders, and that have allegedly been caused by the Settling Distributors.

E. “*Allocation Statute.*” A state law that governs allocation, distribution, and/or use of some or all of the Settlement Fund amounts allocated to that State and/or its Subdivisions. In addition to modifying the allocation set forth in Section V.D.2, an Allocation Statute may, without limitation, contain a Statutory Trust, further restrict expenditures of funds, form an advisory committee, establish oversight and reporting requirements, or address other default provisions and other matters related to the funds. An Allocation Statute is not required to address all three (3) types of funds comprising the Settlement Fund or all default provisions.

F. “*Annual Payment.*” The total amount payable to the Settlement Fund Administrator by the Settling Distributors on the Payment Date each year, as calculated by the Settlement Fund Administrator pursuant to Section IV.B.1.e. For the avoidance of doubt, this term does not include the Additional Restitution Amount or amounts paid pursuant to Section X.

G. “*Appropriate Official.*” As defined in Section XIV.F.3.

H. “*Bankruptcy Code.*” Title 11 of the United States Code, 11 U.S.C. § 101, et seq.

I. “*Bar.*” Either: (1) a law barring Subdivisions in a State from maintaining Released Claims against Released Entities (either through a direct bar or through a grant of authority to release claims and the exercise of such authority in full) or (2) a ruling by the highest court of the State (or, in a State with a single intermediate court of appeals, the intermediate court of appeals when not subject to further review by the highest court of the State) setting forth the general principle that Subdivisions in the State may not maintain any Released Claims against Released Entities, whether on the ground of this Agreement (or the release in it) or otherwise. For the avoidance of doubt, a law or ruling that is conditioned or predicated upon payment by a Released Entity (apart from the Annual Payments by Settling Distributors under this Agreement) shall not constitute a Bar.

J. “*Case-Specific Resolution.*” Either: (1) a law barring the Subdivision at issue from maintaining any Released Claims against any Released Entities (either through a direct bar or through a grant of authority to release claims and the exercise of such authority in full); or (2) a ruling by a court of competent jurisdiction over the Subdivision at issue that the Subdivision may not maintain any Released Claims at issue against any Released Entities, whether on the ground of this Agreement (or the release in it) or otherwise. For the avoidance of doubt, a law or ruling that is conditioned or predicated upon payment by a Released Entity (apart from the Annual Payments by Settling Distributors under this Agreement) shall not constitute a Case-Specific Resolution.

K. “*Claim.*” Any past, present or future cause of action, claim for relief, cross-claim or counterclaim, theory of liability, demand, derivative claim, request, assessment, charge, covenant, damage, debt, lien, loss, penalty, judgment, right, obligation, dispute, suit, contract, controversy, agreement, *parens patriae* claim, promise, performance, warranty, omission, or grievance of any nature whatsoever, whether legal, equitable, statutory, regulatory or administrative, whether arising under federal, state or local common law, statute, regulation, guidance, ordinance or principles of equity, whether filed or unfiled, whether asserted or unasserted, whether known or unknown, whether accrued or unaccrued, whether foreseen, unforeseen or unforeseeable, whether discovered or undiscovered, whether suspected or unsuspected, whether fixed or contingent, and whether existing or hereafter arising, in all such cases, including, but not limited to, any request for declaratory, injunctive, or equitable relief, compensatory, punitive, or statutory damages, absolute liability, strict liability, restitution, abatement, subrogation, contribution, indemnity, apportionment, disgorgement, reimbursement, attorney fees, expert fees, consultant fees, fines, penalties, expenses, costs or any other legal, equitable, civil, administrative, or regulatory remedy whatsoever.

L. “*Claim-Over.*” A Claim asserted by a Non-Released Entity against a Released Entity on the basis of contribution, indemnity, or other claim-over on any theory relating to a Non-Party Covered Conduct Claim asserted by a Releasor.

M. “*Compensatory Restitution Amount.*” The aggregate amount paid or incurred by the Settling Distributors hereunder other than amounts paid as attorneys’ fees and costs or identified pursuant to Section V.B.2 as being used to pay attorneys’ fees, investigation costs or litigation costs.

N. *“Consent Judgment.”* A state-specific consent judgment in a form to be agreed by the Settling States and the Settling Distributors prior to the Initial Participation Date that, among other things, (1) approves this Agreement and (2) provides for the release set forth in Section XI.A, including the dismissal with prejudice of any Released Claims that the Settling State has brought against Released Entities.

O. *“Covered Conduct.”* Any actual or alleged act, failure to act, negligence, statement, error, omission, breach of any duty, conduct, event, transaction, agreement, misstatement, misleading statement or other activity of any kind whatsoever from the beginning of time through the Reference Date (and any past, present, or future consequence of any such act, failure to act, negligence, statement, error, omission, breach of duty, conduct, event, transaction, agreement, misstatement, misleading statement or other activity) relating in any way to (1) the discovery, development, manufacture, packaging, repackaging, marketing, promotion, advertising, labeling, recall, withdrawal, distribution, delivery, monitoring, reporting, supply, sale, prescribing, dispensing, physical security, warehousing, use or abuse of, or operating procedures relating to, any Product, or any system, plan, policy or advocacy relating to any Product or class of Products, including, but not limited to, any unbranded promotion, marketing, programs, or campaigns relating to any Product or class of Products; (2) the characteristics, properties, risks, or benefits of any Product; (3) the reporting, disclosure, non-reporting or non-disclosure to federal, state or other regulators of orders placed with any Released Entity; or (4) diversion control programs or suspicious order monitoring; *provided, however*, that as to any Claim that a Releasor has brought or could bring, Covered Conduct does not include non-compliance with statutory or administrative supply security standards concerning cleanliness of facilities or stopping counterfeit products, so long as such standards apply to the storage and distribution of both controlled and non-controlled pharmaceuticals.

P. *“Designated State.”* New York.

Q. *“Effective Date.”* The date sixty (60) calendar days after the Reference Date.

R. *“Enforcement Committee.”* A committee consisting of representatives of the Settling States and of the Participating Subdivisions. Exhibit B contains the organizational bylaws of the Enforcement Committee. Notice pursuant to Section XIV.Q shall be provided when there are changes in membership or contact information.

S. *“Final Order.”* An order or judgment of a court of competent jurisdiction with respect to the applicable subject matter (1) which has not been reversed or superseded by a modified or amended order, is not currently stayed, and as to which any right to appeal or seek certiorari, review, reargument, stay, or rehearing has expired, and as to which no appeal or petition for certiorari, review, reargument, stay, or rehearing is pending, or (2) as to which an appeal has been taken or petition for certiorari, review, reargument, stay, or rehearing has been filed and (a) such appeal or petition for certiorari, review, reargument, stay, or rehearing has been resolved by the highest court to which the order or judgment was appealed or from which certiorari, review, reargument, stay, or rehearing was sought, or (b) the time to appeal further or seek certiorari, review, reargument, stay, or rehearing has expired and no such further appeal or petition for certiorari, review, reargument, stay, or rehearing is pending.

T. *“Global Settlement Abatement Amount.”* The abatement amount of \$19,045,384,616.

U. *“Global Settlement Amount.”* The Global Settlement Amount is \$21 billion, which shall be divided into the Global Settlement Abatement Amount, the Additional Restitution Amount, and the Global Settlement Attorney Fee Amount.

V. *“Global Settlement Attorney Fee Amount.”* The attorney fee amount of \$1,671,923,077.

W. *“Incentive Payment A.”* The incentive payment described in Section IV.F.1.

X. *“Incentive Payment B.”* The incentive payment described in Section IV.F.2.

Y. *“Incentive Payment C.”* The incentive payment described in Section IV.F.3.

Z. *“Incentive Payment D.”* The incentive payment described in Section IV.F.4.

AA. *“Incentive Payment Final Eligibility Date.”* With respect to a Settling State, the date that is the earlier of (1) the fifth Payment Date, (2) the date of completion of opening statements in a trial of any action brought by a Subdivision in that State that includes a Released Claim against a Released Entity when such date is more than two (2) years after the Effective Date, or (3) two (2) years after the Effective Date in the event a trial of an action brought by a Subdivision in that State that includes a Released Claim against a Released Entity began after the Initial Participation Date but before two (2) years after the Effective Date.

BB. *“Initial Participating Subdivision.”* A Subdivision that meets the requirements set forth in Section VII.D.

CC. *“Initial Participation Date.”* The date one hundred twenty (120) calendar days after the Preliminary Agreement Date, unless it is extended by written agreement of the Settling Distributors and the Enforcement Committee.

DD. *“Injunctive Relief Terms.”* The terms described in Section III and set forth in Exhibit P.

EE. *“Later Litigating Subdivision.”* A Subdivision (or Subdivision official asserting the right of or for the Subdivision to recover for alleged harms to the Subdivision and/or the people thereof) that: (1) first files a lawsuit bringing a Released Claim against a Released Entity after the Trigger Date; or (2) adds a Released Claim against a Released Entity after the Trigger Date to a lawsuit brought before the Trigger Date that, prior to the Trigger Date, did not include any Released Claims against a Released Entity; or (3) (a) was a Litigating Subdivision whose Released Claims against Released Entities were resolved by a legislative Bar or legislative Case-Specific Resolution as of the Trigger Date, (b) such legislative Bar or legislative Case-Specific Resolution is subject to a Revocation Event after the Trigger Date, and (c) the earlier of the date of completion of opening statements in a trial in an action brought by a Subdivision in that State that includes a Released Claim against a Released Entity or one hundred eighty (180) days from the Revocation Event passes without a Bar or Case-Specific

Resolution being implemented as to that Litigating Subdivision or the Litigating Subdivision's Released Claims being dismissed; or (4) (a) was a Litigating Subdivision whose Released Claims against Released Entities were resolved by a judicial Bar or judicial Case-Specific Resolution as of the Trigger Date, (b) such judicial Bar or judicial Case-Specific Resolution is subject to a Revocation Event after the Trigger Date, and (c) such Litigating Subdivision takes any action in its lawsuit asserting a Released Claim against a Released Entity other than seeking a stay or dismissal.

FF. *"Later Participating Subdivision."* A Participating Subdivision that is not an Initial Participating Subdivision, but meets the requirements set forth in Section VII.E.

GG. *"Litigating Subdivision."* A Subdivision (or Subdivision official) that brought any Released Claim against any Released Entity prior to the Trigger Date; *provided, however*, that a Subdivision (or Subdivision official) that is a Prior Litigating Subdivision shall not be considered a Litigating Subdivision. Exhibit C is an agreed list of all Litigating Subdivisions. Exhibit C will be updated (including with any corrections) periodically, and a final version of Exhibit C will be attached hereto as of the Reference Date.

HH. *"National Arbitration Panel."* The panel comprised as described in Section VI.F.2.b.

II. *"National Disputes."* As defined in Section VI.F.2.a.

JJ. *"Net Abatement Amount."* The Global Settlement Abatement Amount as reduced by the Tribal/W. Va. Subdivision Credit.

KK. *"Net Settlement Prepayment Amount."* As defined in Section IV.J.1.

LL. *"Non-Litigating Subdivision."* Any Subdivision that is neither a Litigating Subdivision nor a Later Litigating Subdivision.

MM. *"Non-Participating Subdivision."* Any Subdivision that is not a Participating Subdivision.

NN. *"Non-Party Covered Conduct Claim."* A Claim against any Non-Released Entity involving, arising out of, or related to Covered Conduct (or conduct that would be Covered Conduct if engaged in by a Released Entity).

OO. *"Non-Party Settlement."* A settlement by any Releasor that settles any Non-Party Covered Conduct Claim and includes a release of any Non-Released Entity.

PP. *"Non-Released Entity."* An entity that is not a Released Entity.

QQ. *"Non-Settling State."* Any State that is not a Settling State.

RR. *"Offset Cap."* The per-State dollar amount which the dollar-for-dollar offset described in Section XII.A cannot exceed in a Payment Year, to be calculated by multiplying the

amount of the relevant Annual Payment apportioned to the State and to its Subdivisions for that Payment Year by the percentage for the applicable Participation Tier as set forth in Exhibit D.

SS. “*Opioid Remediation.*” Care, treatment, and other programs and expenditures (including reimbursement for past such programs or expenditures¹ except where this Agreement restricts the use of funds solely to future Opioid Remediation) designed to (1) address the misuse and abuse of opioid products, (2) treat or mitigate opioid use or related disorders, or (3) mitigate other alleged effects of, including on those injured as a result of, the opioid epidemic. Exhibit E provides a non-exhaustive list of expenditures that qualify as being paid for Opioid Remediation. Qualifying expenditures may include reasonable related administrative expenses.

TT. “*Opioid Tax.*” Any tax, assessment, license fee, surcharge or any other fee (other than a fixed prospective excise tax or similar tax or fee that has no restriction on pass-through) imposed by a State on a Settling Distributor on the sale, transfer or distribution of opioid products; *provided, however*, that neither the Excise Tax on sale of Opioids, Article 20-D of New York’s Tax Law nor the Opioid Stewardship Act, Article 33, Title 2-A of New York’s Public Health Law shall be considered an Opioid Tax for purposes of this Agreement.

UU. “*Overall Allocation Percentage.*” A Settling State’s percentage as set forth in Exhibit F. The aggregate Overall Allocation Percentages of all States (including Settling States and Non-Settling States) shall equal one hundred percent (100%).

VV. “*Participating Subdivision.*” Any Subdivision that meets the requirements for becoming a Participating Subdivision under Section VII.B and Section VII.C. Participating Subdivisions include both Initial Participating Subdivisions and Later Participating Subdivisions.

WW. “*Participation Tier.*” The level of participation in this Agreement as determined pursuant to Section VIII.C using the criteria set forth in Exhibit H.

XX. “*Parties.*” The Settling Distributors and the Settling States (each, a “*Party*”).

YY. “*Payment Date.*” The date on which the Settling Distributors make the Annual Payment pursuant to Section IV.B.

ZZ. “*Payment Year.*” The calendar year during which the applicable Annual Payment is due pursuant to Section IV.B. Payment Year 1 is 2021, Payment Year 2 is 2022 and so forth. References to payment “*for a Payment Year*” mean the Annual Payment due during that year. References to eligibility “*for a Payment Year*” mean eligibility in connection with the Annual Payment due during that year.

AAA. “*Preliminary Agreement Date.*” The date on which the Settling Distributors are to inform the Settling States of their determination whether the condition in Section II.B has been satisfied. The Preliminary Agreement Date shall be no more than fourteen (14) calendar days after the end of the notice period to States, unless it is extended by written agreement of the Settling Distributors and the Enforcement Committee.

¹ Reimbursement includes amounts paid to any governmental entities for past expenditures or programs.

BBB. “*Prepayment Notice.*” As defined in Section IV.J.1.

CCC. “*Primary Subdivision.*” A Subdivision that is a General Purpose Government (including, but not limited to, a municipality, county, county subdivision, city, town, township, parish, village, borough, gore, or any other entities that provide municipal-type government) with population over 10,000; *provided, however*, that as used in connection with Incentive Payment C, the population threshold is 30,000. Attached as Exhibit I is an agreed list of the Primary Subdivisions in each State.

DDD. “*Prior Litigating Subdivision*” A Subdivision (or Subdivision official) that brought any Released Claim against any Released Entity prior to the Trigger Date and all such Released Claims were separately settled or finally adjudicated prior to the Trigger Date; *provided, however*, that if the final adjudication was pursuant to a Bar, such Subdivision shall not be considered a Prior Litigating Subdivision. Notwithstanding the prior sentence, the Settling Distributors and the Settling State of the relevant Subdivision may agree in writing that the Subdivision shall not be considered a Prior Litigating Subdivision.

EEE. “*Product.*” Any chemical substance, whether used for medicinal or non-medicinal purposes, and whether natural, synthetic, or semi-synthetic, or any finished pharmaceutical product made from or with such substance, that is: (1) an opioid or opiate, as well as any product containing any such substance; or (2) benzodiazepine, carisoprodol, or gabapentin; or (3) a combination or “cocktail” of chemical substances prescribed, sold, bought, or dispensed to be used together that includes opioids or opiates. “Product” shall include, but is not limited to, any substance consisting of or containing buprenorphine, codeine, fentanyl, hydrocodone, hydromorphone, meperidine, methadone, morphine, oxycodone, oxymorphone, tapentadol, tramadol, opium, heroin, carfentanil, diazepam, estazolam, quazepam, alprazolam, clonazepam, oxazepam, flurazepam, triazolam, temazepam, midazolam, carisoprodol, gabapentin, or any variant of these substances or any similar substance. Notwithstanding the foregoing, nothing in this section prohibits a Settling State from taking administrative or regulatory action related to benzodiazepine (including, but not limited to, diazepam, estazolam, quazepam, alprazolam, clonazepam, oxazepam, flurazepam, triazolam, temazepam, and midazolam), carisoprodol, or gabapentin that is wholly independent from the use of such drugs in combination with opioids, *provided* such action does not seek money (including abatement and/or remediation) for conduct prior to the Effective Date.

FFF. “*Reference Date.*” The date on which the Settling Distributors are to inform the Settling States of their determination whether the condition in Section VIII has been satisfied. The Reference Date shall be no later than thirty (30) calendar days after the Initial Participation Date, unless it is extended by written agreement of the Settling Distributors and the Enforcement Committee.

GGG. “*Released Claims.*” Any and all Claims that directly or indirectly are based on, arise out of, or in any way relate to or concern the Covered Conduct occurring prior to the Reference Date. Without limiting the foregoing, Released Claims include any Claims that have been asserted against a Settling Distributor by any Settling State or Litigating Subdivision in any federal, state, or local action or proceeding (whether judicial, arbitral, or administrative) based on, arising out of, or relating to, in whole or in part, the Covered Conduct, or any such Claims

that could be or could have been asserted now or in the future in those actions or in any comparable action or proceeding brought by a State, Subdivision, or Releasor (whether or not such State, Subdivision, or Releasor has brought such action or proceeding). Released Claims also include all Claims asserted in any proceeding to be dismissed pursuant to this Agreement, whether or not such claims relate to Covered Conduct. The Parties intend that this term, "Released Claims," be interpreted broadly. This Agreement does not release Claims by private individuals. It is the intent of the Parties that Claims by private individuals be treated in accordance with applicable law. Released Claims is also used herein to describe claims brought by a Later Litigating Subdivision or other non-party Subdivision that would have been Released Claims if they had been brought by a Releasor against a Released Entity.

HHH. *"Released Entities."* With respect to Released Claims, the Settling Distributors and (1) all past and present subsidiaries, divisions, predecessors, successors, and assigns (in each case, whether direct or indirect) of each Settling Distributor; (2) all past and present subsidiaries and divisions (in each case, whether direct or indirect) of any entity described in subsection (1); (3) the respective past and present officers, directors, members, trustees, and employees of any of the foregoing (each for actions that occurred during and related to their work for, or employment with, any of the Settling Distributors or the foregoing entities); (4) all past and present joint ventures (whether direct or indirect) of each Settling Distributor or its subsidiaries, including in any Settling Distributor or subsidiary's capacity as a participating member in such joint venture; (5) all direct or indirect parents and shareholders of the Settling Distributors (solely in their capacity as parents or shareholders of the applicable Settling Distributor with respect to Covered Conduct); and (6) any insurer of any Settling Distributor or any person or entity otherwise described in subsections (1)-(5) (solely in its role as insurer of such person or entity and subject to the last sentence of Section XI.C). Any person or entity described in subsections (3)-(6) shall be a Released Entity solely in the capacity described in such clause and shall not be a Released Entity with respect to its conduct in any other capacity. For the avoidance of doubt, CVS Health Corp., Walgreens Boots Alliance, Inc., and Walmart Inc. (collectively, the "*Pharmacies*") are not Released Entities, nor are their direct or indirect past or present subsidiaries, divisions, predecessors, successors, assigns, joint ventures, shareholders, officers, directors, members, trustees, or employees (shareholders, officers, directors, members, trustees, and employees for actions related to their work for, employment with, or involvement with the Pharmacies) Released Entities. Notwithstanding the prior sentence, any joint venture or past or present subsidiary of a Settling Distributor is a Released Entity, including any joint venture between a Settling Distributor or any Settling Distributor's subsidiary and a Pharmacy (or any subsidiary of a Pharmacy); *provided, however*, that any joint venture partner of a Settling Distributor or a Settling Distributor's subsidiary is not a Released Entity unless it falls within subsections (1)-(6) above. Lists of Settling Distributors' subsidiaries, joint ventures, and predecessor entities are appended to this Agreement as Exhibit J. With respect to joint ventures (including predecessor entities), only entities listed on Exhibit J are Released Entities. With respect to wholly-owned subsidiaries (including predecessor entities), Exhibit J represents a good faith effort by the Settling Distributors to list all such entities, but any and all wholly-owned subsidiaries (including predecessor entities) of any Settling Distributor are Released Entities, whether or not they are listed on Exhibit J. For the avoidance of doubt, any entity acquired, or joint venture entered into, by a Settling Distributor after the Reference Date is not a Released Entity.

III. “*Releasors.*” With respect to Released Claims, (1) each Settling State; (2) each Participating Subdivision; and (3) without limitation and to the maximum extent of the power of each Settling State’s Attorney General and/or Participating Subdivision to release Claims, (a) the Settling State’s and Participating Subdivision’s departments, agencies, divisions, boards, commissions, Subdivisions, districts, instrumentalities of any kind and attorneys, including its Attorney General, and any person in his or her official capacity whether elected or appointed to serve any of the foregoing and any agency, person, or other entity claiming by or through any of the foregoing, (b) any public entities, public instrumentalities, public educational institutions, unincorporated districts, fire districts, irrigation districts, and other Special Districts in a Settling State, and (c) any person or entity acting in a *parens patriae*, sovereign, quasi-sovereign, private attorney general, *qui tam*, taxpayer, or other capacity seeking relief on behalf of or generally applicable to the general public with respect to a Settling State or Subdivision in a Settling State, whether or not any of them participate in this Agreement. The inclusion of a specific reference to a type of entity in this definition shall not be construed as meaning that the entity is not a Subdivision. Each Settling State’s Attorney General represents that he or she has or has obtained (or will obtain no later than the Initial Participation Date) the authority set forth in Section XI.G. In addition to being a Releasor as provided herein, a Participating Subdivision shall also provide the Subdivision Settlement Participation Form referenced in Section VII providing for a release to the fullest extent of the Participating Subdivision’s authority.

JJJ. “*Revocation Event.*” With respect to a Bar, Settlement Class Resolution, or Case-Specific Resolution, a revocation, rescission, reversal, overruling, or interpretation that in any way limits the effect of such Bar, Settlement Class Resolution, or Case-Specific Resolution on Released Claims, or any other action or event that otherwise deprives the Bar, Settlement Class Resolution, or Case-Specific Resolution of force or effect in any material respect.

KKK. “*Settlement Class Resolution.*” A class action resolution in a court of competent jurisdiction in a Settling State (that is not successfully removed to federal court) with respect to a class of Subdivisions in that State that (1) conforms with that Settling State’s statutes, case law, and rules of procedure regarding class actions; (2) is approved and entered as an order of a court of competent jurisdiction in that State and such order has become a Final Order; (3) is binding on all Non-Participating Subdivisions in that State (other than opt outs as permitted under the next sentence); (4) provides that all such Non-Participating Subdivisions may not bring any Released Claims against any Released Entities, whether on the ground of this Agreement (or the releases herein) or otherwise; and (5) does not impose any costs or obligations on Settling Distributors other than those provided for in this Agreement, or contain any provision inconsistent with any provision of this Agreement. If applicable state law requires that opt-out rights be afforded to members of the class, a class action resolution otherwise meeting the foregoing requirements shall qualify as a Settlement Class Resolution unless Subdivisions collectively representing more than one percent (1%) of the total population of that State opt out. In seeking certification of any Settlement Class, the applicable State and Participating Subdivisions shall make clear that certification is sought solely for settlement purposes and shall have no applicability beyond approval of the settlement for which certification is sought. Nothing in this Agreement constitutes an admission by any Party that class certification would be appropriate for litigation purposes in any case or for purposes unrelated to this Agreement.

LLL. “*Settlement Fund.*” The interest-bearing fund established pursuant to this Agreement into which the Annual Payments are made under Section IV.

MMM. “*Settlement Fund Administrator.*” The entity that annually determines the Annual Payment (including calculating Incentive Payments pursuant to Section IV and any amounts subject to suspension, offset, or reduction pursuant to Section XII and Section XIII), annually determines the Participation Tier pursuant to Section VIII.C, administers the Settlement Fund, and distributes amounts into the Abatement Accounts Fund, State Fund, and Subdivision Fund pursuant to this Agreement. The duties of the Settlement Fund Administrator shall be governed by this Agreement. Prior to the Initial Participation Date, the Settling Distributors and the Enforcement Committee shall agree to selection and removal processes for and the identity of the Settlement Fund Administrator, and a detailed description of the Settlement Fund Administrator’s duties and responsibilities, including a detailed mechanism for paying the Settlement Fund Administrator’s fees and costs, all of which shall be appended to the Agreement as Exhibit L.

NNN. “*Settlement Fund Escrow.*” The interest-bearing escrow fund established pursuant to this Agreement to hold disputed or suspended payments made under this Agreement, and to hold the first Annual Payment until the Effective Date.

OOO. “*Settlement Payment Schedule.*” The schedule attached to this Agreement as Exhibit M.

PPP. “*Settlement Prepayment.*” As defined in Section IV.J.1.

QQQ. “*Settlement Prepayment Reduction Schedule.*” As defined in Section IV.J.1.

RRR. “*Settling Distributors.*” McKesson Corporation, Cardinal Health, Inc., and AmerisourceBergen Corporation (each, a “*Settling Distributor*”).

SSS. “*Settling State.*” A State that has entered into this Agreement with all Settling Distributors and delivers executed releases in accordance with Section VIII.A.

TTT. “*State.*” With the exception of West Virginia, which has addressed its claims separately and is excluded from participation in this Agreement, the states, commonwealths, and territories of the United States of America, as well as the District of Columbia. The 55 States are listed in Exhibit F. Additionally, the use of non-capitalized “state” to describe something (*e.g.*, “state court”) shall also be read to include parallel entities in commonwealths, territories, and the District of Columbia (*e.g.*, “territorial court”).

UUU. “*State Fund.*” The component of the Settlement Fund described in Section V.C.

VVV. “*State-Subdivision Agreement.*” An agreement that a Settling State reaches with the Subdivisions in that State regarding the allocation, distribution, and/or use of funds allocated to that State and to its Subdivisions. A State-Subdivision Agreement shall be effective if approved pursuant to the provisions of Exhibit O or if adopted by statute. Preexisting agreements addressing funds other than those allocated pursuant to this Agreement shall qualify

if the approval requirements of Exhibit O are met. A State and its Subdivisions may revise a State-Subdivision Agreement if approved pursuant to the provisions of Exhibit O, or if such revision is adopted by statute.

WWW. “*Statutory Trust.*” A trust fund established by state law to receive funds allocated to a Settling State’s Abatement Accounts Fund and restrict any expenditures made using funds from such Settling State’s Abatement Accounts Fund to Opioid Remediation, subject to reasonable administrative expenses. A State may give a Statutory Trust authority to allocate one (1) or more of the three (3) types of funds comprising such State’s Settlement Fund, but this is not required.

XXX. “*Subdivision.*” Any (1) General Purpose Government (including, but not limited to, a municipality, county, county subdivision, city, town, township, parish, village, borough, gore, or any other entities that provide municipal-type government), School District, or Special District within a State, and (2) any other subdivision or subdivision official or sub-entity of or located within a State (whether political, geographical or otherwise, whether functioning or non-functioning, regardless of population overlap, and including, but not limited to, Nonfunctioning Governmental Units and public institutions) that has filed a lawsuit that includes a Released Claim against a Released Entity in a direct, *parens patriae*, or any other capacity. “General Purpose Government,” “School District,” and “Special District” shall correspond to the “five basic types of local governments” recognized by the U.S. Census Bureau and match the 2017 list of Governmental Units.² The three (3) General Purpose Governments are county, municipal, and township governments; the two (2) special purpose governments are School Districts and Special Districts.³ “Fire District,” “Health District,” “Hospital District,” and “Library District” shall correspond to categories of Special Districts recognized by the U.S. Census Bureau.⁴ References to a State’s Subdivisions or to a Subdivision “in,” “of,” or “within” a State include Subdivisions located within the State even if they are not formally or legally a sub-entity of the State; *provided, however*, that a “Health District” that includes any of the following words or phrases in its name shall not be considered a Subdivision: mosquito, pest, insect, spray, vector, animal, air quality, air pollution, clean air, coastal water, tuberculosis, and sanitary.

YYY. “*Subdivision Allocation Percentage.*” The portion of a Settling State’s Subdivision Fund set forth in Exhibit G that a Subdivision will receive pursuant to Section V.C or Section V.D if it becomes a Participating Subdivision. The aggregate Subdivision Allocation

³ *E.g.*, U.S. Census Bureau, “Technical Documentation: 2017 Public Use Files for State and Local Government Organization” at 7 (noting that “the Census Bureau recognizes five basic types of local governments,” that three of those are “general purpose governments” (county governments, municipal governments, and township governments), and that the other two are “school district and special district governments”), https://www2.census.gov/programs-surveys/gus/datasets/2017/2017_gov_org_meth_tech_doc.pdf.

⁴ A list of 2017 Government Units provided by the Census Bureau identifies 38,542 Special Districts and categorizes them by “FUNCTION_NAME.” “Govt_Units_2017_Final” spreadsheet, “Special District” sheet, included in “Independent Governments - list of governments with reference information,” <https://www.census.gov/data/datasets/2017/econ/gus/public-use-files.html>. As used herein, “Fire District” corresponds to Special District function name “24 – Local Fire Protection,” “Health District” corresponds to Special District function name “32 – Health,” “Hospital District” corresponds to Special District function name “40 – Hospitals,” and “Library District” corresponds to Special District function name “52 – Libraries.” *See id.*

Percentage of all Subdivisions receiving a Subdivision Allocation Percentage in each State shall equal one hundred percent (100%). Immediately upon the effectiveness of any State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by Section V.D.3 (or upon the effectiveness of an amendment to any State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by Section V.D.3) that addresses allocation from the Subdivision Fund, or upon any, whether before or after the Initial Participation Date, Exhibit G will automatically be amended to reflect the allocation from the Subdivision Fund pursuant to the State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by Section V.D.3. The Subdivision Allocation Percentages contained in Exhibit G may not change once notice is distributed pursuant to Section VII.A, except upon the effectiveness of any State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by Section V.D.3 (or upon the effectiveness of an amendment to any State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by Section V.D.3) that addresses allocation from the Subdivision Fund. For the avoidance of doubt, no Subdivision not listed on Exhibit G shall receive an allocation from the Subdivision Fund and no provision of this Agreement shall be interpreted to create such an entitlement.

ZZZ. “*Subdivision Fund.*” The component of the Settlement Fund described in Section V.C.

AAAA. “*Subdivision Settlement Participation Form.*” The form attached as Exhibit K that Participating Subdivisions must execute and return to the Settlement Fund Administrator.

BBBB. “*Suspension Amount.*” The amount calculated as follows: the per capita amount corresponding to the applicable Participation Tier as set forth in Exhibit D multiplied by the population of the Later Litigating Subdivision.

CCCC. “*Suspension Cap.*” The amount calculated as follows: the suspension percentage corresponding to the applicable Participation Tier as set forth in Exhibit D multiplied by the amount of the relevant Annual Payment apportioned to the State of the Later Litigating Subdivision and to Subdivisions in that State in each year of the suspension.

DDDD. “*Suspension Deadline.*” With respect to a lawsuit filed by a Later Litigating Subdivision asserting a Released Claim, the deadline set forth in Exhibit D corresponding to the applicable Participation Tier.

EEEE. “*Threshold Motion.*” A motion to dismiss or equivalent dispositive motion made at the outset of litigation under applicable procedure. A Threshold Motion must include as potential grounds for dismissal any applicable Bar or the relevant release by a Settling State or Participating Subdivision provided under this Agreement and, where appropriate under applicable law, any applicable limitations defense.

FFFF. “*Tribal/W. Va. Subdivision Credit.*” The Tribal/W. Va. Subdivision Credit shall equal 2.58% of the Global Settlement Abatement Amount.

GGGG. “*Trigger Date.*” In the case of a Primary Subdivision, the Reference Date. In the case of all other Subdivisions, the Preliminary Agreement Date.

II. Participation by States and Condition to Preliminary Agreement

A. *Notice to States.* On July 22, 2021 this Agreement shall be distributed to all States. The States' Attorneys General shall then have a period of thirty (30) calendar days to decide whether to become Settling States. States that determine to become Settling States shall so notify the National Association of Attorneys General and Settling Distributors and shall further commit to obtaining any necessary additional State releases prior to the Reference Date. This notice period may be extended by written agreement of the Settling Distributors and the Enforcement Committee.

B. *Condition to Preliminary Agreement.* Following the notice period set forth in Section II.A above, the Settling Distributors shall determine on or before the Preliminary Agreement Date whether, in their sole discretion, enough States have agreed to become Settling States to proceed with notice to Subdivisions as set forth in Section VII below. If the Settling Distributors determine that this condition has been satisfied, and that notice to the Litigating Subdivisions should proceed, they will so notify the Settling States by providing notice to the Enforcement Committee and Settlement Fund Administrator on the Preliminary Agreement Date. If the Settling Distributors determine that this condition has not been satisfied, they will so notify the Settling States by providing notice to the Enforcement Committee and Settlement Fund Administrator, and this Agreement will have no further effect and all releases and other commitments or obligations contained herein will be void.

C. *Later Joinder by States.* After the Preliminary Agreement Date, a State may only become a Settling State with the consent of the Settling Distributors, in their sole discretion. If a State becomes a Settling State more than sixty (60) calendar days after the Preliminary Agreement Date, but on or before January 1, 2022, the Subdivisions in that State that become Participating Subdivisions within ninety (90) calendar days of the State becoming a Settling State shall be considered Initial Participating Subdivisions. A State may not become a Settling State after January 1, 2022.

D. *Litigation Activity.* Following the Preliminary Agreement Date, States that determine to become Settling States shall make best efforts to cease litigation activity against Settling Distributors, including by jointly seeking stays or severance of claim against the Settling Distributors, where feasible, and otherwise to minimize such activity by means of agreed deadline extensions and agreed postponement of depositions, document productions, and motion practice if a motion to stay or sever is not feasible or is denied.

III. Injunctive Relief

A. *Injunctive Relief.* As part of the Consent Judgment, the Parties agree to the entry of the injunctive relief terms attached in Exhibit P.

IV. Settlement Payments

A. *Settlement Fund.* All payments under this Section IV shall be made into the Settlement Fund, except that, where specified, they shall be made into the Settlement Fund Escrow. The Settlement Fund shall be allocated and used only as specified in Section V.

B. *Annual Payments.* The Settling Distributors shall make eighteen (18) Annual Payments, each comprised of base and incentive payments as provided in this Section IV, as well as fifty percent (50%) of the amount of any Settlement Fund Administrator costs and fees that exceed the available interest accrued in the Settlement Fund as provided in Section V.C.5, and as determined by the Settlement Fund Administrator as set forth in this Agreement.

1. All data relevant to the determination of the Annual Payment and allocations to Settling States and their Participating Subdivisions listed on Exhibit G shall be submitted to the Settlement Fund Administrator no later than sixty (60) calendar days prior to the Payment Date for each Annual Payment. The Settlement Fund Administrator shall then determine the Annual Payment, the amount to be paid to each Settling State and its Participating Subdivisions included on Exhibit G, and the amount of any Settlement Fund Administrator costs and fees, all consistent with the provisions in Exhibit L, by:

- a. determining, for each Settling State, the amount of base and incentive payments to which the State is entitled by applying the criteria under Section IV.D, Section IV.E, and Section IV.F;
- b. applying any suspensions, offsets, or reductions as specified under Section IV, Section XII, and Section XIII;
- c. applying any adjustment required as a result of prepayment or significant financial constraint, as specified under Section IV.J and Section IV.K;
- d. determining the amount of any Settlement Fund Administrator costs and fees that exceed the available interest accrued in the Settlement Fund, as well as the amounts, if any, of such costs and fees owed by Settling Distributors and out of the Settlement Fund pursuant to Section V.C.5;
- e. determining the total amount owed by Settling Distributors (including any amounts to be held in the Settlement Fund Escrow pending resolution of a case by a Later Litigating Subdivision as described in Section XII) to all Settling States and the Participating Subdivisions listed on Exhibit G; and
- f. the Settlement Fund Administrator shall then allocate, after subtracting the portion of any Settlement Fund Administrator costs and fees owed out of funds from the Settlement Fund pursuant to Section V.C.5, the Annual Payment pursuant to Section V.C and Section V.D among the Settling States, among the separate types of funds for each Settling State (if applicable), and among the Participating Subdivisions listed on Exhibit G.

2. The Settlement Fund Administrator shall also apply the allocation percentages set forth in Section IV.I and determine for each Settling Distributor the amount of its allocable share of the Annual Payment. For the avoidance of doubt, each Settling Distributor's liability for its share of the Annual Payment is several, and not joint.

3. As soon as possible, but no later than fifty (50) calendar days prior to the Payment Date for each Annual Payment and following the determination described in Section IV.B.1 and Section IV.B.2, the Settlement Fund Administrator shall give notice to the Settling Distributors, the Settling States, and the Enforcement Committee of the amount of the Annual Payment (including the amount of the Settlement Fund to be allocated to the Settlement Fund Administrator in costs and fees pursuant to Section V.C.5), the amount to be received by each Settling State, the amount to be received by the separate types of funds for each Settling State (if applicable), and the amount to be received by each Settling State's Participating Subdivisions listed on Exhibit G. The Settlement Fund Administrator shall also give notice to each Settling Distributor of the amount of its allocable share of the Annual Payment, including its allocable share of the amount of any Settlement Fund Administrator costs and fees that exceed the available interest accrued in the Settlement Fund pursuant to Section V.C.5.

4. Within twenty-one (21) calendar days of the notice provided by the Settlement Fund Administrator, any party may dispute, in writing, the calculation of the Annual Payment (including the amount allocated for Settlement Fund Administrator costs and fees), or the amount to be received by a Settling State and/or its Participating Subdivisions listed on Exhibit G. Such disputing party must provide a written notice of dispute to the Settlement Fund Administrator, the Enforcement Committee, any affected Settling State, and the Settling Distributors identifying the nature of the dispute, the amount of money that is disputed, and the Settling State(s) affected.

5. Within twenty-one (21) calendar days of the sending of a written notice of dispute, any affected party may submit a response, in writing, to the Settlement Fund Administrator, the Enforcement Committee, any affected Settling State, and the Settling Distributors identifying the basis for disagreement with the notice of dispute.

6. If no response is filed, the Settlement Fund Administrator shall adjust the amount calculated consistent with the written notice of dispute, and each Settling Distributor shall pay its allocable share of the adjusted amount, collectively totaling that year's Annual Payment, on the Payment Date. If a written response to the written notice of dispute is timely sent to the Settlement Fund Administrator, the Settlement Fund Administrator shall notify the Settling Distributors of the preliminary amount to be paid, which shall be the greater of the amount originally calculated by the Settling Administrator or the amount that would be consistent with the notice of dispute, *provided, however*, that in no circumstances shall the preliminary amount to be paid be higher than the maximum amount of Base and Incentive Payments A and D for that Payment Year as set forth on Exhibit M. For the avoidance of doubt, a transfer of suspended payments from the Settlement Fund Escrow pursuant to Section XII.A.2 does not count toward determining whether the amount to be paid is higher than the maximum amount of Base and Incentive Payments A and D for that Payment Year as set forth on Exhibit M.

7. The Settlement Fund Administrator shall place any disputed amount of the preliminary amount paid by the Settling Distributors into the Settlement Fund Escrow and shall disburse any undisputed amount to each Settling State and its Participating

Subdivisions listed on Exhibit G within fifteen (15) calendar days of the Payment Date or at such later time as directed by each Settling State.

8. Disputes described in this subsection shall be resolved in accordance with the terms of Section VI.F.

9. For the avoidance of doubt, no Subdivision not listed on Exhibit G shall receive an allocation from the Subdivision Fund and no provision of this Agreement shall be interpreted to create such an entitlement.

C. *Procedure for Annual Payment in Payment Years 1 and 2.* The process described in Section IV.B shall not apply to Payment Years 1 and 2. The procedure in lieu of Section IV.B.1 for Payment Years 1 and 2 is as set forth below:

1. The Payment Date for Payment Year 1 is September 30, 2021. *Provided* that the condition set forth in Section II.B has been satisfied, on or before such date, the Settling Distributors shall pay into the Settlement Fund Escrow the total amount of the base payment, Incentive Payment A for the Settling States (the amount specified in Exhibit M for Payment Year 1 reduced by the allocable share of any Non-Settling States), and the Settling Distributors' allocable share of the amount of any Settlement Fund Administrator costs and fees that exceed the available interest accrued in the Settlement Fund pursuant to Section V.C.5. In the event that, in accordance with the terms of Section VIII.A, the Settling Distributors determine not to proceed with the Settlement, or the Settlement does not become effective for any other reason, the funds held in the Settlement Fund Escrow shall immediately revert to the Settling Distributors. If the condition set forth in Section VIII.A is met, the Settlement Fund Administrator shall allocate the Annual Payment, after subtracting the portion of Settlement Fund Administrator costs and fees owed out of funds from the Settlement Fund pursuant to Section V.C.5, pursuant to Section V.C and Section V.D among the Settling States and their Participating Subdivisions listed on Exhibit G. The portion of any Settlement Fund Administrator costs and fees owed out of funds from the Settlement Fund pursuant to Section V.C.5 shall be available to the Settlement Fund Administrator for the payment of such costs and fees immediately. The remainder of the Annual Payment for Payment Year 1 shall be transferred by the Settlement Fund Administrator on the Effective Date from the Settlement Fund Escrow to the Settlement Fund and then to each Settling State and to its Initial Participating Subdivisions included on Exhibit G; *provided, however*, that for any Settling State where the Consent Judgment has not been entered as of the Effective Date, the funds allocable to that Settling State and its Participating Subdivisions included on Exhibit G shall not be transferred from the Settlement Fund Escrow or disbursed until ten (10) calendar days after the entry of the Consent Judgment in that State; and, *provided, further*, the Settlement Fund Administrator shall leave in the Settlement Fund Escrow funds allocated to Subdivisions included on Exhibit G that are not Initial Participating Subdivisions. Should such a Subdivision become a Participating Subdivision between the Initial Participation Date and the Effective Date, the allocation for such Participating Subdivision shall be transferred to the Settlement Fund and paid to the Participating Subdivision at the same time as Initial Participating Subdivisions in that State are paid.

2. The Payment Date for Payment Year 2 is July 15, 2022. On or before such date, the Settling Distributors shall pay into the Settlement Fund the total amount of the base payment, Incentive Payment A for the Settling States (the amount specified in Exhibit M for Payment Year 2 reduced by the allocable share of any Non-Settling States), and the Settling Distributors' allocable share of the amount of any Settlement Fund Administrator costs and fees that exceed the available interest accrued in the Settlement Fund pursuant to Section V.C.5. The portion of any Settlement Fund Administrator costs and fees owed out of funds from the Settlement Fund pursuant to Section V.C.5 shall be available to the Settlement Fund Administrator for the payment of such costs and fees immediately. The Settlement Fund Administrator shall disburse the remaining amounts to each Settling State and to its Participating Subdivisions included on Exhibit G within fifteen (15) calendar days of the Payment Date or at such later time as directed by each Settling State. If a Settling State enacts a legislative Bar after the Initial Participation Date, but before July 15, 2022, a Subdivision that meets the requirements for becoming a Participating Subdivision under Section VII prior to July 15, 2022 (but was not an Initial Participating Subdivision) shall be eligible to receive its allocated share (if any) for Payment Year 2, and it shall also receive any amounts allocated to it for Payment Year 1 from the Settlement Fund Escrow.

3. Any amounts remaining in the Settlement Fund Escrow for allocations to Subdivisions listed on Exhibit G that have not become Participating Subdivisions after all payments for Payment Year 2 are disbursed shall be transferred to the Settlement Fund and disbursed to the appropriate sub-funds in each Settling State pursuant to Section V.D.5.

4. Any disputes as to the allocation of the Annual Payments in Payment Years 1 and 2 shall be resolved pursuant to the process set forth in Section IV.B.3 through Section IV.B.8, except that in Payment Year 1, the Settlement Fund Administrator shall have until ten (10) calendar days after the Initial Participation Date to give notice of the amount to be received by each Settling State, the amount to be received by the separate types of funds for each Settling State (if applicable), and the amount to be received by each Initial Participating Subdivision in the Settling States that is listed on Exhibit G.

D. *Payment Date for Subsequent Payment Years.* The Payment Date for Payment Year 3 and successive Payment Years is July 15 of the third and successive years and the Annual Payment shall be made pursuant to the process set forth in Section IV.B, except that, with respect to Payment Year 3, Settling States shall have up to the Payment Date to become eligible for Incentive Payment A and thus avoid the reductions set forth in Section XIII. If a Settling State enacts a Bar less than sixty (60) calendar days before the Payment Date for Payment Year 3, each Settling Distributor shall pay, within thirty (30) calendar days of the Payment Year 3 Payment Date, its allocable share, pursuant to Section IV.I, of the difference between the Annual Payment as calculated by the Settlement Fund Administrator and the amount that would have been owed had the Settlement Fund Administrator taken the Bar into account.

E. *Base Payments.* Subject to the suspension, reduction, and offset provisions set forth in Section XII and Section XIII, the Settling Distributors shall collectively make base

payments equal to fifty-five percent (55%) of the Net Abatement Amount multiplied by the aggregate Overall Allocation Percentage of the Settling States. These payments will be due in installments consistent with Exhibit M over the eighteen (18) Payment Years and as adjusted by the Settlement Fund Administrator pursuant to the provisions in Section IV, Section XII, and Section XIII.

F. *Incentive Payments.* Subject to the suspension, offset, and reduction provisions set forth in Section XII and Section XIII, the Settling Distributors shall collectively make potential additional incentive payments totaling up to a maximum of forty-five percent (45%) of the Net Abatement Amount multiplied by the aggregate Overall Allocation Percentage of the Settling States, with the actual amount depending on whether and the extent to which the criteria set forth below are met in each Settling State. The incentive payments shall be divided among four (4) categories, referred to as Incentive Payments A-D. Incentive Payments A-C will be due in installments over the eighteen (18) Payment Years, and Incentive Payment D will be due in installments over thirteen (13) years beginning with Payment Year 6. The total amount of incentive payments in an Annual Payment shall be the sum of the incentive payments for which individual Settling States are eligible for that Payment Year under the criteria set forth below. The incentive payments shall be made with respect to a specific Settling State based on its eligibility for that year under the criteria set forth below.

1. Incentive Payment A. Incentive Payment A shall be equal to forty percent (40%) of the Net Abatement Amount multiplied by the aggregate Overall Allocation Percentage of the Settling States, provided all Settling States satisfy the requirements of Incentive Payment A. Incentive Payment A will be due to a Settling State as part of the Annual Payment in each of the eighteen (18) Payment Years that a Settling State is eligible for Incentive Payment A and shall equal a total potential maximum of \$7,421,605,477 if all States are eligible for all eighteen (18) Payment Years. Each Settling State's share of Incentive Payment A in a given year, *provided* that Settling State is eligible, shall equal the total maximum amount available for Incentive Payment A for that year as reflected in Exhibit M times the Settling State's Overall Allocation Percentage. Eligibility for Incentive Payment A is as follows:

a. For the Payment Years 1 and 2, all Settling States are deemed eligible for Incentive Payment A.

b. For each Payment Year other than Payment Years 1 and 2, a Settling State is eligible for Incentive Payment A if, as of sixty (60) calendar days prior to the Payment Date (except that in Payment Year 3, this date is as of the Payment Date), (i) there is a Bar in that State in full force and effect, (ii) there is a Settlement Class Resolution in that State in full force and effect, (iii) the Released Claims of all of the following entities are released through the execution of Subdivision Settlement Participation Forms, or there is a Case-Specific Resolution against such entities: all Primary Subdivisions, Litigating Subdivisions, School Districts with a K-12 student enrollment of at least 25,000 or .10% of a State's population, whichever is greater, and Health Districts and Hospital Districts that have at least one hundred twenty-five (125) hospital beds in one or more hospitals rendering services in that district; or (iv) a combination of

the actions in clauses (i)-(iii) has achieved the same level of resolution of Claims by Subdivisions (e.g., a Bar against future litigation combined with full joinder by Litigating Subdivisions). For the avoidance of doubt, subsection (iv) cannot be satisfied unless all Litigating Subdivisions are Participating Subdivisions or there is a Case-Specific Resolution against any such Subdivisions that are not Participating Subdivisions. The Settling Distributors and the Enforcement Committee shall meet and confer in order to agree on data sources for purposes of this Section prior to the Preliminary Agreement Date.

c. Notwithstanding Section IV.F.1.b, for each Payment Year other than Payment Years 1 and 2, a Settling State that is not eligible for Incentive Payment A as of the Incentive Payment Final Eligibility Date shall not be eligible for Incentive Payment A for that Payment Year or any subsequent Payment Years.

d. If the Settling Distributors made a payment under Incentive Payment A solely on the basis of a Bar or Settlement Class Resolution in a Settling State and that Bar or Settlement Class Resolution is subsequently removed, revoked, rescinded, reversed, overruled, interpreted in a manner to limit the scope of the release, or otherwise deprived of force or effect in any material respect, that Settling State shall not be eligible for Incentive Payment A thereafter, unless the State requalifies for Incentive Payment A through any method pursuant to Section IV.F.1.b, in which case the Settling State shall be eligible for Incentive Payment A less any litigation fees and costs incurred by Settling Distributor in the interim, except that, if the re-imposition occurs after the completion of opening statements in a trial involving a Released Claim, the Settling State shall not be eligible for Incentive Payment A (unless this exception is waived by the Settling Distributors).

e. In determining the amount of Incentive Payment A that Settling Distributors will pay in a Payment Year and each Settling State's share, if any, of Incentive Payment A for that Payment Year, the Settlement Fund Administrator shall: (i) identify all Settling States that are eligible for Incentive Payment A; (ii) multiply the Overall Allocation Percentage for each such eligible Settling State by the maximum amount that Settling Distributors could owe with respect to Incentive Payment A for that Payment Year as listed on Exhibit M. The amount calculated in (ii) shall be the amount allocated to a Settling State eligible for Incentive Payment A for that Payment Year and the aggregate of each such amount for Settling States eligible for Incentive Payment A shall be the amount of Incentive Payment A Settling Distributors are obligated to pay in that Payment Year, all such amounts subject to the suspension, offset, and reduction provisions in Section XII and Section XIII.

2. Incentive Payment B. Incentive Payment B shall be available to Settling States that are not eligible for Incentive Payment A for the applicable Payment Year. Incentive Payment B shall be equal to up to twenty-five percent (25%) of the Net Abatement Amount multiplied by the aggregate Overall Allocation Percentage of the

Settling States. Incentive Payment B will be due to a Settling State as part of the Annual Payment in each of the eighteen (18) Payment Years that a Settling State is eligible for Incentive Payment B and equal a total potential maximum of \$4,638,503,423 if all States are eligible for all eighteen (18) Payment Years. Each Settling State's maximum share of Incentive Payment B in a given year shall equal the total maximum amount available for Incentive Payment B for that year as reflected in Exhibit M times the Settling State's Overall Allocation Percentage. Eligibility for Incentive Payment B is as follows:

- a. A Settling State is not eligible for Incentive Payment B for a Payment Year for which it is eligible for Incentive Payment A.
- b. Subject to Section IV.F.2.a, the amount of Incentive Payment B for which a Settling State is eligible in a Payment Year shall be a percentage of that State's maximum share of Incentive Payment B based on the extent to which (A) Litigating Subdivisions in the State are Participating Subdivisions or (B) there is a Case-Specific Resolution against Litigating Subdivisions in the State, collectively, "*Incentive B Eligible Subdivisions*." The percentage of the State's maximum share of Incentive Payment B that the State is eligible for in a Payment Year shall be determined according to the table below:

| Percentage of Litigating Subdivision Population that is Incentive B Eligible Subdivision Population⁵ | Incentive Payment B Eligibility Percentage |
|--|---|
| Up to 85% | 0% |
| 85%+ | 30% |
| 86+ | 40% |
| 91+ | 50% |
| 95+ | 60% |
| 99%+ | 95% |
| 100% | 100% |

⁵ The "Percentage of Litigating Subdivision Population that is Incentive B Eligible Subdivision Population" shall be determined by the aggregate population of the Settling State's Litigating Subdivisions that are Incentive B Eligible Subdivisions divided by the aggregate population of the Settling State's Litigating Subdivisions. In calculating the Settling State's population that resides in Litigating Subdivisions, (a) the population of the Settling State's Litigating Subdivisions shall be the sum of the population of all Litigating Subdivisions in the Settling State, notwithstanding that persons may be included within the population of more than one Litigating Subdivision, and (b) the population that resides in Incentive B Eligible Subdivisions shall be the sum of the population of the Incentive B Eligible Subdivisions, notwithstanding that persons may be included within the population of more than one Incentive B Eligible Subdivision. An individual Litigating Subdivision shall not be included more than once in the numerator, and shall not be included more than once in the denominator, of the calculation regardless if it (or any of its officials) is named as multiple plaintiffs in the same lawsuit; *provided, however*, that for the avoidance of doubt, no Litigating Subdivision will be excluded from the numerator or denominator under this sentence unless a Litigating Subdivision otherwise counted in the denominator has the authority to release the Claims (consistent with Section XI) of the Litigating Subdivision to be excluded. For the avoidance of doubt, a Settling State in which the population that resides in Incentive B Eligible Subdivisions is less than eighty-five percent (85%) of the population of Litigating Subdivisions shall not be eligible for any portion of Incentive Payment B.

c. In determining the amount that Settling Distributors will pay in a Payment Year under Incentive Payment B and each Settling State's share of Incentive Payment B for that Payment Year, the Settlement Fund Administrator shall: (i) identify all States that are eligible for Incentive Payment B because they are ineligible for Incentive Payment A; (ii) determine the Incentive Payment B eligibility percentage for each such Settling State; (iii) multiply the Incentive Payment B eligibility percentage for each such State by the Overall Allocation Percentage of that State; (iv) multiply the product from (iii) by the maximum amount that Settling Distributors could owe under Incentive Payment B for that Payment Year from Exhibit M. The amount calculated in (iv) shall be the amount allocated to a Settling State eligible for Incentive Payment B for that Payment Year, and the aggregate of such amounts for Settling States eligible for Incentive Payment B shall be the amount paid for that Payment Year by Settling Distributors with respect to Incentive Payment B, all such amounts subject to the suspension, offset, and reduction provisions in Section XII and Section XIII. If there are no Litigating Subdivisions in a Settling State, and that Settling State is otherwise eligible for Incentive Payment B, that Settling State will receive its full allocable share of Incentive Payment B.

d. A Settling State's eligibility for Incentive Payment B for a Payment Year shall be determined as of sixty (60) calendar days prior to the Payment Date for that Payment Year; *provided* that the percentage of Incentive Payment B for which a Settling State is eligible as of the Incentive Payment Final Eligibility Date shall cap its eligibility for that Payment Year and all subsequent Payment Years.

3. Incentive Payment C. Incentive Payment C shall be available to Settling States that are not eligible for Incentive Payment A for a Payment Year, including to Settling States that are also eligible for Incentive Payment B. Incentive Payment C shall be equal to up to fifteen percent (15%) of the Net Abatement Amount multiplied by the aggregate Overall Allocation Percentage of the Settling States. Incentive Payment C will be due to a Settling State as part of the Annual Payment in each of the eighteen (18) Payment Years that a Settling State is eligible for Incentive Payment C and equal a total potential maximum of \$2,783,102,054 if all States are eligible for all eighteen (18) Payment Years. Each Settling State's maximum share of Incentive Payment C in a given year shall equal the total maximum amount available for Incentive Payment C for that year as reflected in Exhibit M multiplied by the Settling State's Overall Allocation Percentage. Eligibility for Incentive Payment C is as follows:

a. A Settling State is not eligible for Incentive Payment C for a Payment Year in which it is eligible for Incentive Payment A.

b. Subject to Section IV.F.3.a, the amount of Incentive Payment C for which a Settling State is eligible in a Payment Year shall be a percentage of the State's maximum share of Incentive Payment C based on the extent to which (A) Non-Litigating Subdivisions that are Primary Subdivisions with a population

over 30,000 and Litigating Subdivisions in the State are Participating Subdivisions or (B) there is a Case-Specific Resolution against Non-Litigating Subdivisions that are Primary Subdivisions with a population over 30,000 and Litigating Subdivisions in the State, collectively, “*Incentive C Eligible Subdivisions*.” The percentage of the State’s maximum share of Incentive Payment C that the State is eligible for in a Payment Year shall be determined according to the table below:

| Percentage of Relevant Subdivision Population that is Incentive C Eligible Population⁶ | Incentive Payment C Eligibility Percentage |
|--|---|
| Up to 60% | 0% |
| 60%+ | 25% |
| 70%+ | 35% |
| 75%+ | 40% |
| 80%+ | 45% |
| 85%+ | 55% |
| 90%+ | 60% |
| 93%+ | 65% |
| 94%+ | 75% |
| 95+ | 90% |
| 98+ | 95% |
| 100% | 100% |

c. In determining the amount that Settling Distributors will pay in a Payment Year under Incentive Payment C and each Settling State’s share of Incentive Payment C for that Payment Year, the Settlement Fund Administrator shall: (i) identify all States that are eligible for Incentive Payment C because they are ineligible for Incentive Payment A; (ii) determine the Incentive Payment C eligibility percentage for each such Settling State; (iii) multiply the Incentive Payment C eligibility percentage for each such State by the Overall Allocation Percentage of that State; (iv) multiply the product from (iii) by the maximum

⁶ The “Percentage of Relevant Subdivision Population that is Incentive C Eligible Population” shall be determined by the aggregate population of the Settling State’s Incentive C Eligible Subdivisions divided by the aggregate population of the Settling State’s Non-Litigating Primary Subdivisions with a population over 30,000 and Litigating Subdivisions (“*Incentive Payment C Subdivisions*”). None of the population figures shall include Prior Litigating Subdivisions. In calculating the Settling State’s population that resides in Incentive Payment C Subdivisions, (a) the population shall be the sum of the population of all Incentive Payment C Subdivisions in the Settling State, notwithstanding that persons may be included within the population of more than one Incentive Payment C Subdivision, and (b) the population that resides in Incentive C Eligible Subdivisions shall be the sum of the population of the Incentive C Eligible Subdivisions, notwithstanding that persons may be included within the population of more than one Incentive C Eligible Subdivision. An individual Incentive Payment C Subdivision shall not be included more than once in the numerator, and shall not be included more than once in the denominator, of the calculation regardless if it (or any of its officials) is named as multiple plaintiffs in the same lawsuit. For the avoidance of doubt, a Settling State in which the population that resides in Incentive C Eligible Subdivisions is less than sixty percent (60%) of the population of Incentive Payment C Subdivisions shall not be eligible for any portion of Incentive Payment C.

amount that Settling Distributors could owe under Incentive Payment C for that Payment Year from Exhibit M. The amount calculated in (iv) shall be the amount allocated to a Settling State eligible for Incentive Payment C for that Payment Year and the aggregate of such amounts for Settling States eligible for Incentive Payment C shall be the amount paid for that Payment Year by Settling Distributors with respect to Incentive Payment C, all such amounts subject to the suspension, offset, and reduction provisions in Section XII and Section XIII. If there are no Litigating Subdivisions or Non-Litigating Subdivisions that are Primary Subdivisions with a population of more than 30,000 in a Settling State, and that Settling State is otherwise eligible for Incentive Payment C, that Settling State will receive its full allocable share of Incentive Payment C.

d. A Settling State's eligibility for Incentive Payment C for a Payment Year shall be determined as of sixty (60) calendar days prior to the Payment Date for that Payment Year; *provided* that the percentage of Incentive Payment C for which a Settling State is eligible as of the Incentive Payment Final Eligibility Date shall cap its eligibility for that Payment Year and all subsequent Payment Years.

4. Incentive Payment D. Incentive Payment D shall be applied at Payment Year 6. Incentive Payment D shall be equal to five percent (5%) of the Net Abatement Amount multiplied by the aggregate Overall Allocation Percentage of the Settling States. Incentive Payment D will be due to a Settling State as part of the Annual Payment for each of thirteen (13) Payment Years (from Payment Year 6 to Payment Year 18) that any Settling State is eligible for Incentive Payment D and equal a total potential maximum of \$927,700,685 if all States are eligible for all thirteen (13) Payment Years. Each Settling State's share of Incentive Payment D in a given year shall equal the total maximum amount available for Incentive Payment D for that year as reflected in Exhibit M times the Settling State's Overall Allocation Percentage. Eligibility for Incentive Payment D is as follows:

a. A Settling State is eligible for Incentive Payment D if there has been no Later Litigating Subdivision in that State that has had a Claim against a Released Entity survive more than six (6) months after denial in whole or in part of a Threshold Motion.

b. A Settling State's eligibility for Incentive Payment D shall be determined as of sixty (60) calendar days prior to the Payment Date. If a Later Litigating Subdivision's lawsuit in that State survives more than six (6) months after denial in whole or in part of a Threshold Motion after that date, that State shall not be eligible for Incentive Payment D for the Payment Year in which that occurs and any subsequent Payment Year.

c. Notwithstanding Section IV.F.4, a Settling State can become re-eligible for Incentive Payment D if the lawsuit that survived a Threshold Motion is dismissed pursuant to a later motion on grounds included in the Threshold Motion, in which case the Settling State shall be eligible for Incentive Payment D

less any litigation fees and costs incurred by Settling Distributor in the interim, except that if the dismissal motion occurs after the completion of opening statements in such action, the Settling State shall not be eligible for Incentive Payment D.

d. For the avoidance of doubt, a Settling State may be eligible for Incentive Payment D whether or not it is eligible for Incentive Payments A-C.

e. In determining the amount of Incentive Payment D that Settling Distributors will pay in a Payment Year and each Settling State's share, if any, of Incentive Payment D for that Payment Year, the Settlement Fund Administrator shall: (i) identify all Settling States that are eligible for Incentive Payment D; (ii) multiply the Overall Allocation Percentage for each such eligible Settling State by the maximum amount that Settling Distributors could owe with respect to Incentive Payment D for that Payment Year listed on Exhibit M; and (iii) subtract any litigation fees and costs allowed to be deducted pursuant to Section IV.F.4.c. The amount calculated in (iii) shall be the amount allocated to a Settling State eligible for Incentive Payment D for that Payment Year and the aggregate of each such amount for Settling States eligible for Incentive Payment D shall be the amount of Incentive Payment D Settling Distributors are obligated to pay in that Payment Year, all such amounts subject to the suspension, reduction, and offset provisions in Section XII and Section XIII.

G. *Reductions/Offsets.* The base and incentive payments are subject to suspension, offset, and reduction as provided in Section XII and Section XIII.

H. *State-Specific Agreements.* Notwithstanding any other provision of this Agreement or any other agreement, in the event that: (1) the Settling Distributors enter into an agreement with any Settling State that resolves with finality such Settling State's Claims consistent with Section XI of this Agreement and such agreement has an effective date prior to the Effective Date of this Agreement (such agreement, a "*State-Specific Agreement*") and (2) pursuant to the terms of the State-Specific Agreement, any payments, or any portion thereof, made by the Settling Distributors thereunder are made in lieu of any payments (for the avoidance of doubt, including the Additional Restitution Amount), or any portion thereof, to be made under this Agreement and the Settling Distributors make such a payment pursuant to the State-Specific Agreement, then the Settling Distributors will reduce any payments allocable to such Settling State (whether made to the Settlement Fund Escrow or the Settlement Fund) made pursuant to this Agreement to the extent such amount was already paid pursuant to the terms of the State-Specific Agreement.

I. *Allocation of Payments among Settling Distributors.* Payments due from the Settling Distributors under this Section IV, Section IX, and Section X will be allocated among the Settling Distributors as follows: McKesson – 38.1%; Amerisource – 31.0%; Cardinal – 30.9%. A Settling Distributor's sole responsibility for payments under this Agreement shall be to make its share of each payment. The obligations of the Settling Distributors in this Agreement are several and not joint. No Settling Distributor shall be responsible for any portion of another Settling Distributor's share.

J. *Pre-payment Option.*

1. Any Settling Distributor shall have the right, subject to the limitations set forth in Section IV.J.3, to prepay any base payment or incentive payment in whole or in part, without premium or penalty (a "*Settlement Prepayment*") by providing at least fourteen (14) calendar days prior written notice to the Settlement Fund Administrator and Enforcement Committee (a "*Prepayment Notice*"). Any Prepayment Notice shall specify: (a) the gross amount of the Settlement Prepayment (the "*Gross Settlement Amount*"), (b) the manner in which such Settlement Prepayment shall be applied to reduce such Settling Distributor's future share of Annual Payments (*i.e.*, to which future year(s) the allocable portion of an Annual Payment owed by such Settling Distributor the Settlement Prepayment should be applied) (such manner of application, a "*Settlement Prepayment Reduction Schedule*"), (c) the net present value of the Settlement Prepayment as of the Prepayment Date based on the Settlement Prepayment Reduction Schedule using a discount rate equal to the prime rate as published by the *Wall Street Journal* on the date of the Prepayment Notice plus 1.75% (such net present value amount, the "*Net Settlement Prepayment Amount*"), and (d) the date on which the prepayment will be made, which shall be no more than fifteen (15) calendar days after the date of the Prepayment Notice (the "*Prepayment Date*").

2. On the Prepayment Date the Settling Distributor shall pay the Net Settlement Prepayment Amount to the Settlement Fund and such amount shall be used only as specified in Section V. Following such payment, all future portions of the Annual Payments allocated to the applicable Settling Distributor under Section IV.E and Section IV.F shall be reduced pursuant to the Settlement Prepayment Reduction Schedule, and the Exhibit M will be updated to give effect to such reduction, and going forward such updated schedule will be Exhibit M.

3. A Settling Distributor's right to make prepayments shall be subject to the following limitations:

a. Prepayments may apply to base payments or to both base and incentive payments. If the prepayment applies to both base and incentive payments, the prepayments will apply proportionately across base and incentive payments.

b. A Settling Distributor shall make no more than three (3) prepayments over the eighteen (18) year payment term. A Settling Distributor shall not make more than one (1) prepayment in a five (5) year period and there shall not be prepayments made in the first two (2) Payment Years.

c. Prepayments shall only be applied to one (1) or more of the three (3) Payment Years following the prepayment.

d. The total amount of a prepayment of base payments after discounting calculations shall not be larger than the base payment for the Payment Year with the lowest Annual Payment amount affected by the prepayment. The

total amount of a prepayment for both base payments and incentive payments shall not be larger than the base payment and anticipated incentive payment for the lowest Payment Year affected by the prepayment. The “anticipated incentive payment” for a future Payment Year shall reflect the incentives earned by each Settling State as of the time of the prepayment and any offsets or adjustments known at that time.

e. In a Payment Year against which there has been a prepayment, if the amount a Settling State is calculated to receive is greater than the amount prepaid prior to discounting calculations, the Settling Distributor shall pay the difference. If, in a Payment Year for which there has been a prepayment, the amount that a Settling State is calculated to receive is less than the amount calculated at the time of the prepayment, there shall be a credit for the difference to the Settling Distributor to be applied in the subsequent Payment Year(s), if any.

f. Prepayments shall be applied proportionately to all Settling States.

4. The Settling States may agree to a prepayment that does not apply these restrictions. Such a prepayment would need approval of Settling States representing at least ninety-five percent (95%) allocable share as measured by the allocations in Exhibit E; *provided, however*, that this provision does not limit or restrict any Settling State from negotiating its own prepayment with a Settling Distributor.

5. For illustrative purposes only, attached as Exhibit Q are examples showing a Settlement Prepayment, the related calculation of the Net Settlement Prepayment Amount, and the related adjustment to the Settlement Payment Schedule.

K. *Significant Financial Constraint.*

1. A Settling Distributor's allocable share of the Annual Payment for a Payment Year may, at the election of such Settling Distributor, be deferred either (a) up to the amount by which that share plus such Settling Distributor's share of amounts payable under Section IX and Section X would exceed twenty percent (20%) of such Settling Distributor's total operating cash flow (as determined pursuant to United States generally accepted accounting principles) for its fiscal year that concluded most recently prior to the due date for that payment or (b) (i) up to twenty-five percent (25%) if, as of thirty (30) calendar days preceding that payment date, the company's credit rating from one or more of the three nationally recognized rating agencies is below BBB or Baa2 or (ii) up to one hundred percent (100%) if, as of thirty (30) calendar days preceding that payment date, the company's credit rating from one or more of the three nationally recognized rating agencies is below BBB- or Baa3. If the reason for exceeding twenty percent (20%) of a Settling Distributor's total operating cash flow or the decrease in credit rating is substantially attributable to the incurrence of debt to fund post-settlement acquisitions or to the payment of dividends and/or share repurchases that together are of an amount that exceeds the total amount of those two items for the prior fiscal year, no deferral is available. A Settling Distributor shall not be allowed to defer payment for a

Payment Year if that Settling Distributor engaged in any share repurchases in the three fiscal quarters prior to the Payment Date for that Payment Year.

2. If a Settling Distributor has reason to believe that it will not be able to pay some or all of its allocable share of the Annual Payment for a Payment Year, it shall provide at least ninety (90) calendar days' prior written notice to the Settlement Fund Administrator and Enforcement Committee (a "*Deferred Payment Notice*"). Any Deferred Payment Notice shall specify and include: (a) the gross amount of the payments owed (including the estimated allocable portion of the Annual Payment, and amounts owed under Section IX and Section X, by the relevant Settling Distributor), (b) the amount that the Settling Distributor believes it will be unable to pay, (c) the accounting and audited financial documents upon which the Settling Distributor relied for making this determination, and (d) any other relevant information for the Enforcement Committee to consider.

3. A Settling Distributor shall not utilize this provision during the first three (3) Payment Years. If a Settling Distributor defers some or all of the payments due in a Payment Year pursuant to this Section IV.K, it shall not repurchase any shares, or fund new acquisitions with an acquisition price greater than \$250 million, during the deferral period until the deferred amount is fully repaid with interest. Any amounts deferred shall bear interest at an interest rate equal to the prime rate as published by the *Wall Street Journal* on the date of the Deferral Payment Notice plus 0.5%.

4. The Settling Distributor shall pay all deferred amounts, including applicable interest on the next Payment Date. If the amounts previously deferred (including interest) together with the Settling Distributor's share of all payments due for a Payment Year would allow for a deferral under Section IV.K.1, the Settling Distributor shall pay as much of the previously deferred amounts (including interest) as it can pay without triggering the ability to defer payment and may defer the remainder as permitted under (and subject to the restrictions of) this Section IV.K.

5. Deferrals will apply proportionally across base payments and incentive payments. For the avoidance of doubt, this Section IV.K applies fully to Payment Years after the first three (3) Payment Years, including the base payments and all incentive payments due pursuant to this Agreement during the Payment Year at issue.

6. If a Settling Distributor could pay a portion of its allocable share of the Annual Payments due pursuant to this Agreement during a Payment Year without triggering this Section IV.K, the Settling Distributor shall be required to pay that portion as scheduled and only the excess would be subject to deferral at the election of the Settling Distributor (in whole or in part) as provided herein.

7. The Settling Distributor shall pay any deferred amounts, including applicable interest on or before the date on which the payment is due for Payment Year 18.

V. Allocation and Use of Settlement Payments

A. *Components of Settlement Fund.* The Settlement Fund shall be comprised of an Abatement Accounts Fund, a State Fund, and a Subdivision Fund for each Settling State. The payments made under Section IV into the Settlement Fund shall be initially allocated among those three (3) sub-funds and distributed and used as provided below. Payments placed into the Settlement Fund do not revert back to the Settling Distributors.

B. *Use of Settlement Payments.*

1. It is the intent of the Parties that the payments disbursed from the Settlement Fund to Settling States and Participating Subdivisions be for Opioid Remediation, subject to exceptions that must be documented in accordance with Section V.B.2. In no event may less than eighty-five percent (85%) of the Settling Distributors' maximum amount of payments pursuant to Section IV, Section IX, and Section X as set forth on Exhibit M over the entirety of all Payments Years (but not any single Payment Year) be spent on Opioid Remediation.

2. While disfavored by the Parties, a Settling State or a Participating Subdivision set forth on Exhibit G may use monies from the Settlement Fund (that have not been restricted by this Agreement solely to future Opioid Remediation) for purposes that do not qualify as Opioid Remediation. If, at any time, a Settling State or a Participating Subdivision set forth on Exhibit G uses any monies from the Settlement Fund for a purpose that does not qualify as Opioid Remediation, such Settling State or Participating Subdivision set forth on Exhibit G shall identify such amounts and report to the Settlement Fund Administrator and the Settling Distributors how such funds were used, including if used to pay attorneys' fees, investigation costs, litigation costs, or costs related to the operation and enforcement of this Agreement, respectively. It is the intent of the Parties that the reporting under this Section V.B.2 shall be available to the public. For the avoidance of doubt, (a) any amounts not identified under this Section V.B.2 as used to pay attorneys' fees, investigation costs, or litigation costs shall be included in the "Compensatory Restitution Amount" for purposes of Section VI.F and (b) Participating Subdivisions not listed on Exhibit G may only use monies from the Settlement Fund for purposes that qualify as Opioid Remediation.

C. *Allocation of Settlement Fund.*

The allocation of the Settlement Fund allows for different approaches to be taken in different states, such as through a State-Subdivision Agreement. Given the uniqueness of States and their Subdivisions, Settling States and their Subdivisions are encouraged to enter into State-Subdivision Agreements in order to direct the allocation of their portion of the Settlement Fund. As set out below, the Settlement Fund Administrator will make an initial allocation to three (3) state-level sub-funds. The Settlement Fund Administrator will then, for each Settling State and its Participating Subdivisions, apply the terms of this Agreement and any relevant State-Subdivision Agreement, Statutory Trust, Allocation Statute, or voluntary redistribution of funds as set out below before disbursing the funds.

1. Base Payments. The Settlement Fund Administrator will allocate base payments under Section IV.D among the Settling States in proportion to their respective Overall Allocation Percentages. Base payments for each Settling State will then be allocated fifteen percent (15%) to its State Fund, seventy percent (70%) to its Abatement Accounts Fund, and fifteen percent (15%) to its Subdivision Fund. Amounts may be reallocated and will be distributed as provided in Section V.D.

2. Incentive Payments. The Settlement Fund Administrator will treat incentive payments under Section IV.F on a State-specific basis. Incentive payments for which a Settling State is eligible under Section IV.F will be allocated fifteen percent (15%) to its State Fund, seventy percent (70%) to its Abatement Accounts Fund, and fifteen percent (15%) to its Subdivision Fund. Amounts may be reallocated and will be distributed as provided in Section V.D.

3. Application of Adjustments. If a suspension, offset, or reduction under Section XII or Section XIII applies with respect to a Settling State, the suspension, offset, or reduction shall be applied proportionally to all amounts that would otherwise be apportioned and distributed to the State Fund, the Abatement Accounts Fund, and the Subdivision Fund for that State.

4. Settlement Fund Administrator. Prior to the Initial Participation Date, the Settling Distributors and the Enforcement Committee will agree to a detailed mechanism consistent with the foregoing for the Settlement Fund Administrator to follow in allocating, apportioning, and distributing payments, which shall then be appended hereto as Exhibit L.

5. Settlement Fund Administrator Costs. Any costs and fees associated with or arising out of the duties of the Settlement Fund Administrator as described in Exhibit L shall be paid from the interest accrued in the Settlement Fund Escrow and the Settlement Fund; *provided, however*, that if such accrued interest is insufficient to pay the entirety of any such costs and fees, Settling Distributors shall pay fifty percent (50%) of the additional amount and fifty percent (50%) shall be paid out of the Settlement Fund.

D. Settlement Fund Reallocation and Distribution.

As set forth below, within a particular Settling State's account, amounts contained in the Settlement Fund sub-funds may be reallocated and distributed per a State-Subdivision Agreement or other means. If the apportionment of amounts is not addressed and controlled under Section V.D.1 and Section V.D.2, then the default provisions of Section V.D.4 apply. It is not necessary that a State-Subdivision Agreement or other means of allocating funds pursuant to Section V.D.1 and Section V.D.2 address all of the Settlement Fund sub-funds. For example, a Statutory Trust might only address disbursements from a Settling State's Abatement Accounts Fund.

1. Distribution by State-Subdivision Agreement. If a Settling State has a State-Subdivision Agreement, amounts apportioned to that State's State Fund, Abatement Accounts Fund, and Subdivision Fund under Section V.C shall be reallocated and

distributed as provided by that agreement. Any State-Subdivision Agreement entered into after the Preliminary Agreement Date shall be applied only if it requires: (a) that all amounts be used for Opioid Remediation, except as allowed by Section V.B.2, and (b) that at least seventy percent (70%) of amounts be used solely for future Opioid Remediation.⁷ For a State-Subdivision Agreement to be applied to the relevant portion of an Annual Payment, notice must be provided to the Settling Distributors and the Settlement Fund Administrator at least sixty (60) calendar days prior to the Payment Date.

2. Distribution by Allocation Statute. If a Settling State has an Allocation Statute and/or a Statutory Trust that addresses allocation or distribution of amounts apportioned to such State's State Fund, Abatement Accounts Fund, and/or Subdivision Fund and that, to the extent any or all such sub-funds are addressed, requires (1) all amounts to be used for Opioid Remediation, except as allowed by Section V.B.2, and (2) at least seventy percent (70%) of all amounts to be used solely for future Opioid Remediation,⁸ then, to the extent allocation or distribution is addressed, the amounts apportioned to that State's State Fund, Abatement Accounts Fund, and Subdivision Fund under Section V.C shall be allocated and distributed as addressed and provided by the applicable Allocation Statute or Statutory Trust. For the avoidance of doubt, an Allocation Statute or Statutory Trust need not address all three (3) sub-funds that comprise the Settlement Fund, and if the applicable Allocation Statute or Statutory Trust does not address distribution of all or some of these three (3) sub-funds, the applicable Allocation Statute or Statutory Trust does not replace the default provisions described in Section V.D.4 of any such unaddressed fund. For example, if an Allocation Statute or Statutory Trust that meets the requirements of this Section V.D.2 only addresses funds restricted to abatement, then the default provisions in this Agreement concerning allocation among the three (3) sub-funds comprising the Settlement Fund and the distribution of the State Fund and Subdivision Fund for that State would still apply, while the distribution of the applicable State's Abatement Accounts Fund would be governed by the qualifying Allocation Statute or Statutory Trust.

3. Voluntary Redistribution. A Settling State may choose to reallocate all or a portion of its State Fund to its Abatement Accounts Fund. A Participating Subdivision included on Exhibit G may choose to reallocate all or a portion of its allocation from the Subdivision Fund to the State's Abatement Accounts Fund or to another Participating Subdivision. For a voluntary redistribution to be applied to the relevant portion of an Annual Payment, notice must be provided to the Settling Distributors and the Settlement Fund Administrator at least sixty (60) calendar days prior to the Payment Date.

4. Distribution in the Absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust. If Section V.D.1 and Section V.D.2 do not apply, amounts

⁷ Future Opioid Remediation includes amounts paid to satisfy any future demand by another governmental entity to make a required reimbursement in connection with the past care and treatment of a person related to the Alleged Harms.

⁸ Future Opioid Remediation includes amounts paid to satisfy any future demand by another governmental entity to make a required reimbursement in connection with the past care and treatment of a person related to the Alleged Harms.

apportioned to that State's State Fund, Abatement Accounts Fund, and Subdivision Fund under Section V.C shall be distributed as follows:

a. Amounts apportioned to that State's State Fund shall be distributed to that State.

b. Amounts apportioned to that State's Abatement Accounts Fund shall be distributed consistent with Section V.E. Each Settling State shall submit to the Settlement Fund Administrator a designation of a lead state agency or other entity to serve as the single point of contact for that Settling State's funding requests from the Abatement Accounts Fund and other communications with the Settlement Fund Administrator. The designation of an individual entity is for administrative purposes only and such designation shall not limit funding to such entity or even require that such entity receive funds from this Agreement. The designated entity shall be the only entity authorized to request funds from the Settlement Fund Administrator to be disbursed from that Settling State's Abatement Accounts Fund. If a Settling State has established a Statutory Trust then that Settling State's single point of contact may direct the Settlement Fund Administrator to release the State's Abatement Accounts Fund to the Statutory Trust.

c. Amounts apportioned to that State's Subdivision Fund shall be distributed to Participating Subdivisions in that State included on Exhibit G per the Subdivision Allocation Percentage listed in Exhibit G. Section VII.I shall govern amounts that would otherwise be distributed to Non-Participating Subdivisions listed in Exhibit G. For the avoidance of doubt and notwithstanding any other provision in this Agreement, no Non-Participating Subdivision will receive any amount from the Settlement Fund, regardless of whether such Subdivision is included on Exhibit G.

d. Special Districts shall not be allocated funds from the Subdivision Fund, except through a voluntary redistribution allowed by Section V.D.3. A Settling State may allocate funds from its State Fund or Abatement Accounts Fund for Special Districts.

5. Restrictions on Distribution. No amounts may be distributed from the Subdivision Fund contrary to Section VII, *i.e.*, no amounts may be distributed directly to Non-Participating Subdivisions or to Later Participating Subdivisions to the extent such a distribution would violate Section VII.E through Section VII.H. Amounts allocated to the Subdivision Fund that cannot be distributed by virtue of the preceding sentence shall be distributed into the sub-account in the Abatement Accounts Fund for the Settling State in which the Subdivision is located, unless those payments are redirected elsewhere by a State-Subdivision Agreement described in Section V.D.1 or by an Allocation Statute or a Statutory Trust described in Section V.D.2.

E. *Provisions Regarding the Abatement Accounts Fund.*

1. State-Subdivision Agreement, Allocation Statute, and Statutory Trust Fund Provisions. A State-Subdivision Agreement, Allocation Statute, or Statutory Trust may govern the operation and use of amounts in that State's Abatement Accounts Fund so long as it complies with the requirements of Section V.D.1 or Section V.D.2, as applicable, and all direct payments to Subdivisions comply with Section VII.E through Section VII.H.

2. Absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust. In the absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust that addresses distribution, the Abatement Accounts Fund will be used solely for future Opioid Remediation⁹ and the following shall apply with respect to a Settling State:

a. *Regional Remediation.*

(i) At least fifty percent (50%) of distributions for remediation from a State's Abatement Accounts Fund shall be annually allocated and tracked to the regional level. A Settling State may allow the Advisory Committee established pursuant to Section V.E.2.d to define its regions and assign regional allocations percentages. Otherwise, a Settling State shall (A) define its initial regions, which shall consist of one (1) or more General Purpose Subdivisions and which shall be designated by the state agency with primary responsibility for substance abuse disorder services employing, to the maximum extent practical, existing regions established in that State for opioid abuse treatment or other public health purposes; (B) assign initial regional allocation percentages to the regions based on the Subdivision Allocation Percentages in Exhibit G and an assumption that all Subdivisions included on Exhibit G will become Participating Subdivisions.

(ii) This minimum regional expenditure percentage is calculated on the Settling State's initial Abatement Accounts Fund allocation and does not include any additional amounts a Settling State has directed to its Abatement Accounts Fund from its State Fund, or any other amounts directed to the fund. A Settling State may dedicate more than fifty percent (50%) of its Abatement Accounts Fund to the regional expenditure and may annually adjust the percentage of its Abatement Accounts Fund dedicated to regional expenditures as long as the percentage remains above the minimum amount.

(iii) The Settling State (A) has the authority to adjust the definition of the regions, and (B) may annually revise the percentages

⁹ Future Opioid Remediation includes amounts paid to satisfy any future demand by another governmental entity to make a required reimbursement in connection with the past care and treatment of a person related to the Alleged Harms.

allocated to each region to reflect the number of General Purpose Subdivisions in each region that are Non-Participating Subdivisions.

b. *Subdivision Block Grants.* Certain Subdivisions shall be eligible to receive regional allocation funds in the form of a block grant for future Opioid Remediation. A Participating Subdivision eligible for block grants is a county or parish (or in the case of States that do not have counties or parishes that function as political subdivisions, a city) that (1) does not contain a Litigating Subdivision or a Later Litigating Subdivision for which it has the authority to end the litigation through a release, bar or other action, (2) either (i) has a population of 400,000 or more or (ii) in the case of California has a population of 750,000 or more, and (3) has funded or otherwise managed an established health care or treatment infrastructure (*e.g.*, health department or similar agency). Each Subdivision eligible to receive block grants shall be assigned its own region.

c. *Small States.* Notwithstanding the provisions of Section V.E.2.a, Settling States with populations under four (4) million that do not have existing regions described in Section V.E.2.a shall not be required to establish regions. However, such a Settling State that contains one (1) or more Subdivisions eligible for block grants under Section V.E.2.c shall be divided regionally so that each block-grant eligible Subdivision is a region and the remainder of the state is a region.

d. *Advisory Committee.* The Settling State shall designate an Opioid Settlement Remediation Advisory Committee (the “*Advisory Committee*”) to provide input and recommendations regarding remediation spending from that Settling State’s Abatement Accounts Fund. A Settling State may elect to use an existing advisory committee or similar entity (created outside of a State-Subdivision Agreement or Allocation Statute); *provided, however*, the Advisory Committee or similar entity shall meet the following requirements:

(i) Written guidelines that establish the formation and composition of the Advisory Committee, terms of service for members, contingency for removal or resignation of members, a schedule of meetings, and any other administrative details;

(ii) Composition that includes at least an equal number of local representatives as state representatives;

(iii) A process for receiving input from Subdivisions and other communities regarding how the opioid crisis is affecting their communities, their abatement needs, and proposals for abatement strategies and responses; and

(iv) A process by which Advisory Committee recommendations for expenditures for Opioid Remediation will be made to and considered by the appropriate state agencies.

3. Abatement Accounts Fund Reporting. The Settlement Fund Administrator shall track and assist in the report of remediation disbursements as agreed to among the Settling Distributors and the Enforcement Committee.

F. *Nature of Payment.* Each of the Settling Distributors, the Settling States, and the Participating Subdivisions acknowledges and agrees that notwithstanding anything to the contrary in this Agreement, including, but not limited to, the scope of the Released Claims:

1. It has entered into this Agreement to avoid the delay, expense, inconvenience, and uncertainty of further litigation;

2. (a) The Settling States and Participating Subdivisions sought compensatory restitution (within the meaning of 26 U.S.C. § 162(f)(2)(A)) as damages for the Alleged Harms allegedly suffered by the Settling States and Participating Subdivisions; (b) the Compensatory Restitution Amount is no greater than the amount, in the aggregate, of the Alleged Harms allegedly suffered by the Settling States and Participating Subdivisions; and (c) the portion of the Compensatory Restitution Amount received by each Settling State or Participating Subdivision is no greater than the amount of the Alleged Harms allegedly suffered by such Settling State or Participating Subdivision;

3. The payment of the Compensatory Restitution Amount by the Settling Distributors constitutes, and is paid for, compensatory restitution (within the meaning of 26 U.S.C. § 162(f)(2)(A)) for alleged damage or harm (as compensation for alleged damage or harm arising out of alleged bodily injury) allegedly caused by the Settling Distributors;

4. The Compensatory Restitution Amount is being paid as compensatory restitution (within the meaning of 26 U.S.C. § 162(f)(2)(A)) in order to restore, in whole or in part, the Settling States and Participating Subdivisions to the same position or condition that they would be in had the Settling States and Participating Subdivisions not suffered the Alleged Harms; and

5. For the avoidance of doubt: (a) no portion of the Compensatory Restitution Amount represents reimbursement to any Settling State or Participating Subdivision or other person or entity for the costs of any investigation or litigation, (b) the entire Compensatory Restitution Amount is properly characterized as described in Section V.F., and (c) no portion of the Compensatory Restitution Amount constitutes disgorgement or is properly characterized as the payment of statutory or other fines, penalties, punitive damages, or other punitive assessments.

VI. Enforcement

A. *Enforceability.* This Agreement is enforceable only by the Settling States and the Settling Distributors; *provided, however*, that Released Entities may enforce Section XI and Participating Subdivisions listed on Exhibit G have the enforcement rights described in Section VI.D. Except to the extent allowed by the Injunctive Relief Terms, Settling States and Participating Subdivisions shall not have enforcement rights with respect to either the terms of

this Agreement that apply only to or in other States or any Consent Judgment entered into by another Settling State. Participating Subdivisions shall not have enforcement rights against the Settling Distributors with respect to this Agreement or any Consent Judgment except that Participating Subdivisions listed on Exhibit G shall have enforcement rights as set forth herein as to payments that would be allocated to the Subdivision Fund or Abatement Accounts Fund pursuant to Section V; *provided, however*, that each Settling State shall allow Participating Subdivisions in such Settling State to notify it of any perceived violations of this Agreement or the applicable Consent Judgment.

B. *Jurisdiction.* The Settling Distributors consent to the jurisdiction of the court in which each Settling State files its Consent Judgment, limited to resolution of disputes identified in Section VI.F.1 for resolution in that court.

C. *Specific Terms Dispute Resolution.*

1. Any dispute that is addressed by the provisions set forth in the Injunctive Relief Terms shall be resolved as provided therein.

2. In the event that Settling Distributors believe that the eight-five percent (85%) threshold established in Section V.B.1 is not being satisfied, any Party may request that the Settling Distributors and Enforcement Committee meet and confer regarding the use of funds to implement Section V.B.1. The completion of such meet-and-confer process is a precondition to further action regarding any such dispute. Further action concerning Section V.B.1 shall: (i) be limited to the Settling Distributors seeking to reduce their Annual Payments by no more than five percent (5%) of the difference between the actual amount of Opioid Remediation and the eighty-five percent (85%) threshold established in Section V.B.1; (ii) only reduce Annual Payments to those Settling States and their Participating Subdivisions that are below the eighty-five percent (85%) threshold established in Section V.B.1; and (iii) not reduce Annual Payments restricted to future Opioid Remediation.

D. *State-Subdivision Enforcement.*

1. A Subdivision shall not have enforcement rights against a Settling State in which it is located with respect to this Agreement or any Consent Judgment except that a Participating Subdivision listed on Exhibit G shall have enforcement rights (a) as provided for in a State-Subdivision Agreement, Allocation Statute, or Statutory Trust with respect to intrastate allocation or (b) in the absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust, to allegations that (i) the Settling State's use of Abatement Accounts Fund monies were not used for uses similar to or in the nature of those uses contained in Exhibit E; or (ii) a Settling State failed to pay funds directly from the Abatement Accounts Fund to a Participating Subdivision eligible to receive a block grant pursuant to Section V.E.2.b.

2. A Settling State shall have enforcement rights against a Participating Subdivision located in its territory (a) as provided for in a State-Subdivision Agreement, Allocation Statute, or Statutory Trust; or (b) in the absence of a State-Subdivision

Agreement, Allocation Statute, or Statutory Trust, to allegations that the Participating Subdivisions' uses of Abatement Accounts Fund monies were not used for purposes similar to or in the nature of those uses contained in Exhibit E.

3. As between Settling States and Participating Subdivisions, the above rights are contractual in nature and nothing herein is intended to limit, restrict, change or alter any other existing rights under law.

E. *Subdivision Distributor Payment Enforcement.* A Participating Subdivision listed on Exhibit G shall have the same right as a Settling State pursuant to Section VI.F.2.a(v) to seek resolution regarding the failure by a Settling Distributor to make its allocable share of an Annual Payment in a Payment Year.

F. *Other Terms Regarding Dispute Resolution.*

1. Except to the extent provided by Section VI.C or Section VI.F.2, all disputes shall be resolved in either the court that entered the relevant Consent Judgment or, if no such Consent Judgment was entered, a state or territorial court with jurisdiction located wherever the seat of the relevant state government is located.

a. State court proceedings shall be governed by the rules and procedures of the relevant forum.

b. For the avoidance of doubt, disputes to be resolved in state court include, but are not limited to, the following:

(i) disputes concerning whether expenditures qualify as Opioid Remediation;

(ii) disputes between a Settling State and its Participating Subdivisions as provided by Section VI.D, except to the extent the State-Subdivision Agreement provides for other dispute resolution mechanisms. For the avoidance of doubt, disputes between a Settling State and any Participating Subdivision shall not be considered National Disputes;

(iii) whether this Agreement and relevant Consent Judgment are binding under state law;

(iv) the extent of the Attorney General's or other participating entity's authority under state law, including the extent of the authority to release claims;

(v) whether the definition of a Bar, a Case-Specific Resolution, Final Order, lead state agency as described in Section V.D.4.b, Later Litigating Subdivision, Litigating Subdivision, or Threshold Motion have been met; and

(vi) all other disputes not specifically identified in Section VI.C or Section VI.F.2.

c. Any Party may request that the National Arbitration Panel provide an interpretation of any provision of the settlement that is relevant to the state court determination, and the National Arbitration Panel shall make reasonable best efforts to supply such interpretation within the earlier of thirty (30) calendar days or the time period required by the state court proceedings. Any Party may submit that interpretation to the state court to the extent permitted by, and for such weight provided by, the state court's rules and procedures. If requested by a Party, the National Arbitration Panel shall request that its interpretation be accepted in the form of an *amicus curiae* brief, and any attorneys' fees and costs for preparing any such filing shall be paid for by the requesting Party.

2. National Disputes involving a Settling State, a Participating Subdivision that has enforcement rights pursuant to Section VI.A, and/or a Settling Distributor shall be resolved by the National Arbitration Panel.

a. National Disputes are disputes that are not addressed by Section VI.C, and which are exceptions to Section VI.F.1's presumption of resolution in state courts because they involve issues of interpretation of terms contained in this Agreement applicable to all Settling States without reference to a particular State's law. Disputes between a Settling State and any Participating Subdivision shall not be considered National Disputes. National Disputes are limited to the following:

(i) the amount of offset and/or credit attributable to Non-Settling States or the Tribal/W. Va. Subdivision Credit;

(ii) issues involving the scope and definition of Product;

(iii) interpretation and application of the terms "Covered Conduct," "Released Entities," and "Released Claims";

(iv) the allocation of payments among Settling Distributors as described in Section IV.I;

(v) the failure by a Settling Distributor to pay its allocable share of the Annual Payment or of the Additional Restitution Amount in a Payment Year, but for the avoidance of doubt, disputes between a Settling Distributor and a Settling State over the amounts owed only to that state that do not affect any other Settling State shall not be considered National Disputes;

(vi) the interpretation and application of the significant financial constraint provision in Section IV.K, including, without limitation, eligibility for and amount of deferrals for any given year, time for repayment, and compliance with restrictions during deferral term;

(vii) the interpretation and application of the prepayment provisions as described in Section IV.J;

(viii) the interpretation and application of any most-favored-nation provision in Section XIV.E;

(ix) questions regarding the performance and/or removal of the Settlement Fund Administrator;

(x) replacement of the Monitor, as provided in the Injunctive Relief Terms;

(xi) disputes involving liability of successor entities;

(xii) disputes that require a determination of the sufficiency of participation in order to qualify for Incentive Payments A, B, or C, as well as disputes over qualification for Participation Tiers;

(xiii) disputes involving a Releaser's compliance with, and the appropriate remedy under, Section XI.B.I.A.3;

(xiv) disputes requiring the interpretation of Agreement terms that are national in scope or impact, which shall mean disputes requiring the interpretation of Agreement terms that (i) concretely affect four (4) or more Settling States; and (ii) do not turn on unique definitions and interpretations under state law; and

(xv) any dispute subject to resolution under Section VI.F.1 but for which all parties to the dispute agree to arbitration before the National Arbitration Panel under the provisions of this Section VI.F.2.

b. The National Arbitration Panel shall be comprised of three (3) arbitrators. One (1) arbitrator shall be chosen by the Settling Distributors, one (1) arbitrator shall be chosen by the Enforcement Committee with due input from Participating Subdivisions listed on Exhibit G, and the third arbitrator shall be agreed upon by the first two (2) arbitrators. The membership of the National Arbitration Panel is intended to remain constant throughout the term of this Agreement, but in the event that replacements are required, the retiring arbitrator shall be replaced by the party that selected him/her.

c. The National Arbitration Panel shall make reasonable best efforts to decide all matters within one hundred eighty (180) calendar days of filing, and in no event shall it take longer than one (1) year.

d. The National Arbitration Panel shall conduct all proceedings in a reasonably streamlined process consistent with an opportunity for the parties to be heard. Issues shall be resolved without the need for live witnesses where feasible,

and with a presumption in favor of remote participation to minimize the burdens on the parties.

e. To the extent allowed under state law, a Settling State, a Participating Subdivision that has enforcement rights pursuant to Section VI.A, and (at any party's request) the National Arbitration Panel may certify to an appropriate state court any question of state law. The National Arbitration Panel shall be bound by a final state court determination of such a certified question. The time period for the arbitration shall be tolled during the course of the certification process.

f. The arbitrators will give due deference to any authoritative interpretation of state law, including any declaratory judgment or similar relief obtained by a Settling State, a Participating Subdivision that has enforcement rights pursuant to Section VI.A, or Settling Distributor on a state law issue.

g. The decisions of the National Arbitration Panel shall be binding on Settling States, Participating Subdivisions, Settling Distributors, and the Settlement Fund Administrator. In any proceeding before the National Arbitration Panel involving a dispute between a Settling State and one or more Settling Distributors whose resolution could prejudice the rights of a Participating Subdivision(s) in that Settling State, such Participating Subdivision(s) shall be allowed to file a statement of view in the proceeding.

h. Nothing herein shall be construed so as to limit or otherwise restrict a State from seeking injunctive or other equitable relief in state court to protect the health, safety, or welfare of its citizens.

i. Each party shall bear its own costs in any arbitration or court proceeding arising under this Section VI. The costs for the arbitrators on the National Arbitration Panel shall be divided and paid equally by the disputing sides for each individual dispute, *e.g.*, a dispute between a Settling Distributor and Settling States/Participating Subdivisions shall be split fifty percent (50%) by the Settling Distributor and fifty percent (50%) by the Settling States/Participating Subdivisions that are parties to the dispute; a dispute between a Settling State and a Participating Subdivision shall be split fifty percent (50%) by the Settling State that is party to the dispute and fifty percent (50%) by any Participating Subdivisions that are parties to the dispute.

3. Prior to initiating an action to enforce pursuant to this Section VI.F, the complaining party must:

a. Provide written notice to the Enforcement Committee of its complaint, including the provision of the Consent Judgment and/or Agreement that the practice appears to violate, as well as the basis for its interpretation of the disputed provision. The Enforcement Committee shall establish a reasonable process and timeline for obtaining additional information from the involved

parties; *provided, however*, that the date the Enforcement Committee establishes for obtaining additional information from the parties shall not be more than forty-five (45) calendar days following the notice. The Enforcement Committee may advise the involved parties of its views on the complaint and/or seek to resolve the complaint informally.

b. Wait to commence any enforcement action until thirty (30) calendar days after the date that the Enforcement Committee establishes for obtaining additional information from the involved parties.

4. If the parties to a dispute cannot agree on the proper forum for resolution of the dispute under the provisions of Section VI.F.1 or Section VI.F.2, a committee comprising the Enforcement Committee and sufficient representatives of the Settling Distributors such that the members of the Enforcement Committee have a majority of one (1) member will determine the forum where the dispute will be initiated within twenty-eight (28) calendar days of receiving notification of the dispute relating to the proper forum. The forum identified by such committee shall be the sole forum for litigating the issue of which forum will hear the substantive dispute, and the committee's identification of such forum in the first instance shall not be entitled to deference by the forum selected.

G. *No Effect.* Nothing in this Agreement shall be interpreted to limit the Settling State's Civil Investigative Demand ("CID") or investigative subpoena authority, to the extent such authority exists under applicable state law and the CID or investigative subpoena is issued pursuant to such authority, and Settling Distributors reserve all of their rights in connection with a CID or investigative subpoena issued pursuant to such authority.

VII. Participation by Subdivisions

A. *Notice.* No later than fifteen (15) calendar days after the Preliminary Agreement Date, the Settling States, with the cooperation of the Settling Distributors, shall send individual written notice of the opportunity to participate in this Agreement and the requirements of participation to all Subdivisions in the Settling States that are (1) Litigating Subdivisions or (2) Non-Litigating Subdivisions listed on Exhibit G. The costs of the written notice to such Subdivisions shall be paid for by the Settling Distributors. The Settling States, with the cooperation of the Settling Distributors, may also provide general notice reasonably calculated to alert Non-Litigating Subdivisions in the Settling States to this Agreement, the opportunity to participate in it, and the requirements for participation. Such notice may include publication and other standard forms of notification, as well as notice to national state and county organizations such as the National Association of Counties and the National League of Cities. The notice will include that the deadline for becoming an Initial Participating Subdivision is the Initial Participation Date. Nothing contained herein shall preclude a Settling State from providing further notice to or otherwise contacting any of its Subdivisions about becoming a Participating Subdivision, including beginning any of the activities described in this paragraph prior to the Preliminary Agreement Date.

B. *Requirements for Becoming a Participating Subdivision—Non-Litigating Subdivisions.* A Non-Litigating Subdivision in a Settling State may become a Participating

Subdivision by returning an executed Subdivision Settlement Participation Form to the Settlement Fund Administrator specifying (1) that the Subdivision agrees to the terms of this Agreement pertaining to Subdivisions, (2) that the Subdivision releases all Released Claims against all Released Entities, (3) that the Subdivision agrees to use monies it receives, if any, from the Settlement Fund pursuant to the applicable requirements of Section V; *provided, however*, that Non-Litigating Subdivisions may only use monies originating from the Settlement Fund for purposes that qualify as Opioid Remediation, and (4) that the Subdivision submits to the jurisdiction of the court where the applicable Consent Judgment is filed for purposes limited to that court's role under this Agreement. The required Subdivision Settlement Participation Form is attached as Exhibit K.

C. *Requirements for Becoming a Participating Subdivision—Litigating Subdivisions/Later Litigating Subdivisions.* A Litigating Subdivision or Later Litigating Subdivision in a Settling State may become a Participating Subdivision by returning an executed Subdivision Settlement Participation Form to the Settlement Fund Administrator and upon prompt dismissal with prejudice of its lawsuit. A Settling State may require each Litigating Subdivision in that State to specify on the Subdivision Settlement Participation Form whether its counsel has waived any contingency fee contract with that Participating Subdivision and whether, if eligible, it intends to seek fees pursuant to Exhibit R. The Settlement Fund Administrator shall provide quarterly reports of this information to the parties organized by Settling State. A Litigating Subdivision or Later Litigating Subdivision may not become a Participating Subdivision after the completion of opening statements in a trial of the lawsuit it brought that includes a Released Claim against a Released Entity.

D. *Initial Participating Subdivisions.* A Subdivision qualifies as an Initial Participating Subdivision if it meets the applicable requirements for becoming a Participating Subdivision set forth in Section VII.B or Section VII.C by the Initial Participation Date. All Subdivision Settlement Participation Forms shall be held in escrow by the Settlement Fund Administrator until the Reference Date.

E. *Later Participating Subdivisions.* A Subdivision that is not an Initial Participating Subdivision may become a Later Participating Subdivision by meeting the applicable requirements for becoming a Participating Subdivision set forth in Section VII.B or Section VII.C after the Initial Participation Date and by agreeing to be subject to the terms of a State-Subdivision Agreement (if any) or any other structure adopted or applicable pursuant to Section V.D or Section V.E. The following provisions govern what a Later Participating Subdivision can receive (but do not apply to Initial Participating Subdivisions):

1. Except as provided in Section IV.C, a Later Participating Subdivision shall not receive any share of any Annual Payment due before it became a Participating Subdivision.

2. A Later Participating Subdivision that becomes a Participating Subdivision after July 15, 2022 shall receive seventy-five percent (75%) of the share of future base or incentive payments that it would have received had it become a Later Participating Subdivision prior to that date (unless the Later Participating Subdivision is subject to Section VII.E.3 or Section VII.E.4).

3. A Later Participating Subdivision that, after the Initial Participation Date, maintains a lawsuit for a Released Claim(s) against a Released Entity and has judgment entered against it on every such Claim before it became a Participating Subdivision (other than a consensual dismissal with prejudice) shall receive fifty percent (50%) of the share of future base or incentive payments that it would have received had it become a Later Participating Subdivision prior to such judgment; *provided, however*, that if the Subdivision appeals the judgment and the judgment is affirmed with finality before the Subdivision becomes a Participating Subdivision, the Subdivision shall not receive any share of any base payment or incentive payments.

4. A Later Participating Subdivision that becomes a Participating Subdivision while a Bar or Case-Specific Resolution involving a different Subdivision exists in its State shall receive twenty-five percent (25%) of the share of future base or incentive payments that it would have received had it become a Later Participating Subdivision without such Bar or Case-Specific Resolution.

F. *No Increase in Payments.* Amounts to be received by Later Participating Subdivisions shall not increase the payments due from the Settling Distributors.

G. *Ineligible Subdivisions.* Subdivisions in Non-Settling States and Prior Litigating Subdivisions are not eligible to be Participating Subdivisions.

H. *Non-Participating Subdivisions.* Non-Participating Subdivisions shall not directly receive any portion of any Annual Payment, including from the State Fund and direct distributions from the Abatement Accounts Fund; however, a Settling State may choose to fund future Opioid Remediation that indirectly benefits Non-Participating Subdivisions.

I. *Unpaid Allocations to Later Participating Subdivisions and Non-Participating Subdivisions.* Any base payment and incentive payments allocated pursuant to Section V.D to a Later Participating Subdivision or Non-Participating Subdivision that cannot be paid pursuant to this Section VII, including the amounts that remain unpaid after the reductions required by Section VII.E.2 through Section VII.E.4, will be allocated to the Abatement Accounts Fund for the Settling State in which the Subdivision is located, unless those payments are redirected elsewhere by a State-Subdivision Agreement or by a Statutory Trust.

VIII. Condition to Effectiveness of Agreement and Filing of Consent Judgment

A. *Determination to Proceed With Settlement.*

1. The Settling States shall confer with legal representatives of the Participating Subdivisions listed on Exhibit G and inform the Settling Distributors no later than fifteen (15) calendar days prior to the Reference Date whether there is sufficient participation to proceed with this Agreement. Within seven (7) calendar days of informing the Settling Distributors that there is sufficient participation to proceed, the Settling States will deliver all signatures and releases required by the Agreement to be provided by the Settling States to the Settling Distributors.

2. If the Settling States inform Settling Distributors that there is sufficient participation, the Settling Distributors will then determine on or before the Reference Date whether there is sufficient State participation and sufficient resolution of the Claims of the Litigating Subdivisions in the Settling States (through participation under Section VII, Case-Specific Resolution(s) and Bar(s)) to proceed with this Agreement. The determination shall be in the sole discretion of the Settling Distributors and may be based on any criteria or factors deemed relevant by the Settling Distributors.

B. *Notice by Settling Distributors.* On or before the Reference Date, the Settling Distributors shall inform the Settling States of their determination pursuant to Section VIII.A. If the Settling Distributors determine to proceed, the Parties will proceed to file the Consent Judgments and the obligations in the Subdivision Settlement Participation Forms will be effective and binding as of the Reference Date. If the Settling Distributors determine not to proceed, this Agreement will have no further effect, any amounts placed in escrow for Payment Year 1, including funds referenced in Section IV.C.1, Section IX, Section X, and Exhibit M, shall be returned to the Settling Distributors, and all releases (including those contained in Subdivision Settlement Participation Forms) and other commitments or obligations contained herein or in Subdivision Settlement Participation Forms will be void.

C. *Determination of the Participation Tier.*

1. On the Reference Date, *provided* that Settling Distributors determine to proceed with this Agreement, the Settlement Fund Administrator shall determine the Participation Tier. The criteria used to determine the Participation Tier are set forth in Exhibit H. Any disputes as to the determination of the Participation Tier shall be decided by the National Arbitration Panel.

2. The Participation Tier shall be redetermined by the Settlement Fund Administrator annually as of the Payment Date, beginning with Payment Year 3, pursuant to the criteria set forth in Exhibit H.

3. After Payment Year 6, the Participation Tier cannot move higher, unless this restriction is waived by the Settling Distributors.

4. In the event that a Participation Tier redetermination moves the Participation Tier higher, and that change is in whole or in part as a result of the post-Reference Date enactment of a Bar and there is later a Revocation Event with respect to such Bar, then on the next Payment Date that is at least one hundred eighty (180) calendar days after the Revocation Event, the Participation Tier shall move down to the Participation Tier that would have applied had the Bar never been enacted, unless the Bar is reinstated or all Subdivisions affected by the Revocation Event become Participating Subdivisions within one hundred eighty (180) calendar days of the Revocation Event. This is the sole circumstance in which, on a nationwide basis, the Participation Tier can move down.

5. In the event that there is a post-Reference Date Revocation Event with respect to a Bar that was enacted in a Settling State prior to the Reference Date, then, on

the next Payment Date that is at least one hundred eighty (180) calendar days after the Revocation Event, unless the Bar is reinstated or all Subdivisions affected by the Revocation Event become Participating Subdivisions within one hundred eighty (180) calendar days of the Revocation Event, the Participation Tier shall decrease – solely for the State in which the Revocation Event occurred – to the Participation Tier commensurate with the percentage of Litigating Subdivisions in that State that are Participating Subdivisions and the percentage of Non-Litigating Subdivisions that are both Primary Subdivisions and Participating Subdivisions, according to the criteria set forth in Exhibit G, except that the calculations shall be performed as to that State alone. For the avoidance of doubt and solely for the calculation in this subparagraph, the Settling States Column of Exhibit H shall play no role. This is the sole circumstance in which one Settling State will have a different Participation Tier than other Settling States.

6. The redetermination of the Participation Tier under Section VIII.C.2 shall not affect payments already made or suspensions, offsets, or reductions already applied.

IX. Additional Restitution

A. *Additional Restitution Amount.* Pursuant to the schedule set forth in Exhibit M and subject to the reduction specified in Section IX.B, the Settling Distributors shall pay an Additional Restitution Amount to the Settling States listed in Exhibit N. Such funds shall be paid, on the schedule set forth on Exhibit M, on the Payment Date for each relevant Payment Year to such Settling States as allocated by the Settlement Fund Administrator pursuant to Exhibit N.

B. *Reduction of Additional Restitution Amount.* In the event that any Non-Settling States appear on Exhibit N, the amounts owed by Settling Distributors pursuant to this Section IX shall be reduced by the allocations set forth on Exhibit N for any such Non-Settling States.

C. *Use of Funds.* All funds paid as an Additional Restitution Amount shall be part of the Compensatory Restitution Amount, shall be used for Opioid Remediation, except as allowed by Section V.B.2, and shall be governed by the same requirements as specified in Section V.F.

X. Plaintiffs' Attorneys' Fees and Costs

The Agreement on Attorneys' Fees, Expenses and Costs is set forth in Exhibit R and incorporated herein by reference. The Agreement on the State Outside Counsel Fee Fund and Agreement on the State Cost Fund Administration are set forth in Exhibit S and Exhibit T, respectively, and are incorporated herein by reference.

XI. Release

A. *Scope.* As of the Effective Date, the Released Entities are hereby released and forever discharged from all of the Releasers' Released Claims. Each Settling State (for itself and its Releasers) and Participating Subdivision hereby absolutely, unconditionally, and irrevocably covenants not to bring, file, or claim, or to cause, assist or permit to be brought, filed, or claimed, or to otherwise seek to establish liability for any Released Claims against any Released Entity in

any forum whatsoever. The releases provided for in this Agreement are intended by the Parties to be broad and shall be interpreted so as to give the Released Entities the broadest possible bar against any liability relating in any way to Released Claims and extend to the full extent of the power of each Settling State and its Attorney General to release claims. This Agreement shall be a complete bar to any Released Claim.

B. *Claim-Over and Non-Party Settlement.*

1. It is the intent of the Parties that:
 - a. Released Entities should not seek contribution or indemnification (other than pursuant to an insurance contract), from other parties for their payment obligations under this Agreement;
 - b. the payments made under this Agreement shall be the sole payments made by the Released Entities to the Releasors involving, arising out of, or related to Covered Conduct (or conduct that would be Covered Conduct if engaged in by a Released Entity);
 - c. Claims by Releasors against non-Parties should not result in additional payments by Released Entities, whether through contribution, indemnification or any other means; and
 - d. the Agreement meets the requirements of the Uniform Contribution Among Joint Tortfeasors Act and any similar state law or doctrine that reduces or discharges a released party's liability to any other parties.

The provisions of this Section XI.B are intended to be implemented consistent with these principles. This Agreement and the releases and dismissals provided for herein are made in good faith.

2. No Released Entity shall seek to recover for amounts paid under this Agreement based on indemnification, contribution, or any other theory from a manufacturer, pharmacy, hospital, pharmacy benefit manager, health insurer, third-party vendor, trade association, distributor, or health care practitioner; *provided* that a Released Entity shall be relieved of this prohibition with respect to any entity that asserts a Claim-Over against it. For the avoidance of doubt, nothing herein shall prohibit a Released Entity from recovering amounts owed pursuant to insurance contracts.

3. To the extent that, on or after the Reference Date, any Releasor enters into a Non-Party Settlement, including in any bankruptcy case or through any plan of reorganization (whether individually or as a class of creditors), the Releasor will include (or in the case of a Non-Party Settlement made in connection with a bankruptcy case, will cause the debtor to include), unless prohibited from doing so under applicable law, in the Non-Party Settlement a prohibition on contribution or indemnity of any kind substantially equivalent to that required from the Settling Distributors in Section XI.B.2, or a release from such Non-Released Entity in favor of the Released Entities (in a form equivalent to the releases contained in this Agreement) of any Claim-Over. The obligation to obtain

the prohibition and/or release required by this subsection is a material term of this Agreement.

4. In the event that any Releasor obtains a judgment with respect to Non-Party Covered Conduct against a Non-Released Entity that does not contain a prohibition like that described in Section XI.B.3, or any Releasor files a Non-Party Covered Conduct Claim against a Non-Released Entity in bankruptcy or a Releasor is prevented for any reason from obtaining a prohibition/release in a Non-Party Settlement as provided in Section XI.B.3, and such Non-Released Entity asserts a Claim-Over against a Released Entity, the Released Entity shall be relieved of the prohibition in Section XI.B.2 with respect to that Non-Released Entity and that Releasor and the Settling Distributors shall take the following actions to ensure that the Released Entities do not pay more with respect to Covered Conduct to Releasors or to Non-Released Entities than the amounts owed under this Settlement Agreement by the Settling Distributors:

a. Settling Distributors shall notify that Releasor of the Claim-Over within sixty (60) calendar days of the assertion of the Claim-Over or sixty (60) calendar days of the Effective Date of this Settlement Agreement, whichever is later;

b. Settling Distributors and that Releasor shall meet and confer concerning the means to hold Released Entities harmless and ensure that they are not required to pay more with respect to Covered Conduct than the amounts owed by Settling Distributors under this Agreement;

c. That Releasor and Settling Distributors shall take steps sufficient and permissible under the law of the State of the Releasor to hold Released Entities harmless from the Claim-Over and ensure Released Entities are not required to pay more with respect to Covered Conduct than the amounts owed by Settling Distributors under this Agreement. Such steps may include, where permissible:

(i) Filing of motions to dismiss or such other appropriate motion by Settling Distributors or Released Entities, and supported by Releasors, in response to any claim filed in litigation or arbitration;

(ii) Reduction of that Releasors' Claim and any judgment it has obtained or may obtain against such Non-Released Entity by whatever amount or percentage is necessary to extinguish such Claim-Over under applicable law, up to the amount that Releasor has obtained, may obtain, or has authority to control from such Non-Released Entity;

(iii) Placement into escrow of funds paid by the Non-Released Entities such that those funds are available to satisfy the Claim-Over;

(iv) Return of monies paid by Settling Distributors to that Releasor under this Settlement Agreement to permit satisfaction of a

judgment against or settlement with the Non-Released Entity to satisfy the Claim-Over;

(v) Payment of monies to Settling Distributors by that Releasor to ensure they are held harmless from such Claim-Over, up to the amount that Releasor has obtained, may obtain, or has authority to control from such Non-Released Entity;

(vi) Credit to the Settling Distributors under this Agreement to reduce the overall amounts to be paid under the Agreement such that they are held harmless from the Claim-Over; and

(vii) Such other actions as that Releasor and Settling Distributors may devise to hold Settling Distributors harmless from the Claim-Over.

d. The actions of that Releasor and Settling Distributors taken pursuant to paragraph (c) must, in combination, ensure Settling Distributors are not required to pay more with respect to Covered Conduct than the amounts owed by Settling Distributors under this Agreement.

e. In the event of any dispute over the sufficiency of the actions taken pursuant to paragraph (c), that Releasor and the Settling Distributors may seek review by the National Arbitration Panel, provided that, if the parties agree, such dispute may be heard by the state court where the relevant Consent Judgment was filed. The National Arbitration Panel shall have authority to require Releasors to implement a remedy that includes one or more of the actions specified in paragraph (c) sufficient to hold Released Entities fully harmless. In the event that the Panel's actions do not result in Released Entities being held fully harmless, Settling Distributors shall have a claim for breach of this Agreement by Releasors, with the remedy being payment of sufficient funds to hold Settling Distributors harmless from the Claim-Over. For the avoidance of doubt, the prior sentence does not limit or eliminate any other remedy that Settling Distributors may have.

5. To the extent that the Claim-Over is based on a contractual indemnity, the obligations under Section XI.B.4 shall extend solely to a Non-Party Covered Conduct Claim against a pharmacy, clinic, hospital or other purchaser or dispenser of Products, a manufacturer that sold Products, a consultant, and/or a pharmacy benefit manager or other third-party payor. Each Settling Distributor shall notify the Settling States, to the extent permitted by applicable law, in the event that any of these types of Non-Released Entity asserts a Claim-Over arising out of contractual indemnity against it.

C. *Indemnification and Contribution Prohibited.* No Released Entity shall seek to recover for amounts paid under this Agreement based on indemnification, contribution, or any other theory, from a manufacturer, pharmacy, hospital, pharmacy benefit manager, health insurer, third-party vendor, trade association, distributor, or health care practitioner. For the

avoidance of doubt, nothing herein shall prohibit a Released Entity from recovering amounts owed pursuant to insurance contracts.

D. *General Release.* In connection with the releases provided for in this Agreement, each Settling State (for itself and its Releasers) and Participating Subdivision expressly waives, releases, and forever discharges any and all provisions, rights, and benefits conferred by any law of any State or territory of the United States or other jurisdiction, or principle of common law, which is similar, comparable, or equivalent to § 1542 of the California Civil Code, which reads:

General Release; extent. A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release and that if known by him or her, would have materially affected his or her settlement with the debtor or released party.

A Releaser may hereafter discover facts other than or different from those which it knows, believes, or assumes to be true with respect to the Released Claims, but each Settling State (for itself and its Releasers) and Participating Subdivision hereby expressly waives and fully, finally, and forever settles, releases and discharges, upon the Effective Date, any and all Released Claims that may exist as of such date but which Releasers do not know or suspect to exist, whether through ignorance, oversight, error, negligence or through no fault whatsoever, and which, if known, would materially affect the Settling States' decision to enter into this Agreement or the Participating Subdivisions' decision to participate in this Agreement.

E. *Assigned Interest Waiver.* To the extent that any Settling State has any direct or indirect interest in any rights of a third-party that is a debtor under the Bankruptcy Code as a result of a claim arising out of Covered Conduct by way of assignment or otherwise, including as a result of being the beneficiary of a trust or other distribution entity, to assert claims against a Settling Distributor (whether derivatively or otherwise), under any legal or equitable theory, including for indemnification, contribution, or subrogation, such Settling State waives the right to assert any such claim, or to receive a distribution or any benefit on account of such claim and such claim, distribution, or benefit shall be deemed assigned to such Settling Distributor.

F. *Res Judicata.* Nothing in this Agreement shall be deemed to reduce the scope of the res judicata or claim preclusive effect that the settlement memorialized in this Agreement, and/or any Consent Judgment or other judgment entered on this Agreement, gives rise to under applicable law.

G. *Representation and Warranty.* The signatories hereto on behalf of their respective Settling States expressly represent and warrant that they have (or have obtained, or will obtain no later than the Initial Participation Date) the authority to settle and release, to the maximum extent of the State's power, all Released Claims of (1) their respective Settling States, (2) all past and present executive departments, state agencies, divisions, boards, commissions and instrumentalities with the regulatory authority to enforce state and federal controlled substances acts, and (3) any of their respective Settling State's past and present executive departments, agencies, divisions, boards, commissions and instrumentalities that have the authority to bring Claims related to Covered Conduct seeking money (including abatement and/or remediation) or

revocation of a pharmaceutical distribution license. For the purposes of clause (3) above, executive departments, agencies, divisions, boards, commissions, and instrumentalities are those that are under the executive authority or direct control of the State's Governor. Also for the purposes of clause (3), a release from a State's Governor is sufficient to demonstrate that the appropriate releases have been obtained.

H. *Effectiveness.* The releases set forth in this Agreement shall not be impacted in any way by any dispute that exists, has existed, or may later exist between or among the Releasors. Nor shall such releases be impacted in any way by any current or future law, regulation, ordinance, or court or agency order limiting, seizing, or controlling the distribution or use of the Settlement Fund or any portion thereof, or by the enactment of future laws, or by any seizure of the Settlement Fund or any portion thereof.

I. *Cooperation.* Releasors (1) will not encourage any person or entity to bring or maintain any Released Claim against any Released Entity and (2) will reasonably cooperate with and not oppose any effort by Settling Distributors to secure the prompt dismissal of any and all Released Claims.

J. *Non-Released Claims.* Notwithstanding the foregoing or anything in the definition of Released Claims, this Agreement does not waive, release or limit any criminal liability, Claims for liability under tax law, Claims under securities law by a State Releasor as investor, Claims against parties who are not Released Entities, Claims by private individuals, and any claims arising under this Agreement for enforcement of this Agreement.

XII. Later Litigating Subdivisions

A. *Released Claims against Released Entities.* Subject to Section XII.B, the following shall apply in the event a Later Litigating Subdivision in a Settling State maintains a lawsuit for a Released Claim against a Released Entity after the Reference Date:

1. The Released Entity shall take ordinary and reasonable measures to defend the action, including filing a Threshold Motion with respect to the Released Claim. The Released Entity shall further notify the Settling State and Settlement Fund Administrator immediately upon notice of a Later Litigating Subdivision bringing a lawsuit for a Released Claim, and shall not oppose a Settling State's submission in support of the Threshold Motion.

2. The provisions of this Section XII.A.2 apply if the Later Litigating Subdivision is a Primary Subdivision (except as provided in Section XII.A.2.f):

a. If a lawsuit including a Released Claim survives until the Suspension Deadline for that lawsuit, the Settlement Fund Administrator shall calculate the Suspension Amount applicable to the next Payment due from the Settling Distributor(s) at issue and apportioned to the State of the Later Litigating Subdivision and to Subdivisions in that State; *provided, however*, that the Suspension Amount for a Payment Year cannot exceed the Suspension Cap. The Suspension Amount shall be paid into the Settlement Fund Escrow account. If the Suspension Amount exceeds the Suspension Cap for that Payment Year, then the

remaining amount will be paid into the Settlement Fund Escrow in the following Payment Year, subject to the Suspension Cap for that Payment Year, and so forth in each succeeding Payment Year until the entire Suspension Amount has been paid into the Settlement Fund Escrow or the Released Claim is resolved, as provided below, whichever comes first. A suspension does not apply during the pendency of any appeal dismissing the lawsuit for a Released Claim in whole.

b. If the Released Claim is resolved with finality without requirement of payment by the Released Entity, the placement of any remaining balance of the Suspension Amount into the Settlement Fund Escrow shall cease and the Settlement Fund Administrator shall immediately transfer amounts in the Settlement Fund Escrow on account of the suspension to the Settling State at issue and its Participating Subdivisions. The lawsuit will not cause further suspensions unless the Released Claim is reinstated upon further review, legislative action, or otherwise.

c. If the Released Claim is resolved with finality on terms requiring payment by the Released Entity, the Settlement Fund Administrator will transfer the amounts in the Settlement Fund Escrow on account of the suspension to the Settling Distributor(s) at issue necessary to satisfy the payment obligation of the Released Entity to the relevant Later Litigating Subdivision. If any balance remains in the Settlement Fund Escrow on account of the suspension after transfer of the amount necessary to satisfy the payment obligation, the Settlement Fund Administrator will immediately transfer the balance to the Settling State at issue and its Participating Subdivisions. If the payment obligation of the Released Entity to the relevant Later Litigating Subdivision exceeds the amounts in the Settlement Fund Escrow on account of the suspension, the Settling Distributor at issue shall receive a dollar-for-dollar offset, subject to the yearly Offset Cap, for the excess amount against its obligation to pay its allocable share of Annual Payments that would be apportioned to the Settling State at issue and to its Subdivisions. The offset shall be applied as follows: first against the Settling Distributor's allocable share of the Annual Payment due in Payment Year 18, up to the Offset Cap for that Payment Year, with any remaining amounts above the Offset Cap applied against the Settling Distributor's allocable share of the Annual Payment due in Payment Year 17, up to the Offset Cap for that Payment Year, and so forth for each preceding Payment Year until the entire amount to be offset has been applied or no future Payment Years remain.

d. If the lawsuit asserting a Released Claim is resolved with finality on terms requiring payment by the Released Entity, and the Released Claim did not give rise to a suspension of any Settling Distributor's portion of any Annual Payments (*e.g.*, because it was resolved during Payment Years 1 or 2, during which all Settling States are deemed eligible for Incentive Payment A and thus no suspension of payments took place, as provided by Section XII.B), the Settling Distributor at issue shall receive a dollar-for-dollar offset, subject to the yearly Offset Cap, for the amount paid. The offset shall be applied against the relevant Settling Distributor's allocable portion of the Annual Payments starting in

Payment Year 18 and working backwards as set forth in Section XII.A.2.c. If the lawsuit for a Released Claim is otherwise resolved by the Released Entity, without the Settling Distributor filing a Threshold Motion despite an opportunity to do so, and the Released Claim did not give rise to a suspension of any Settling Distributor's portion of any Annual Payments, the Settling Distributor at issue shall not receive any offset for the amount paid.

e. If more than one Primary Subdivision in a Settling State becomes a Later Litigating Subdivision, a single Suspension Cap applies and the total amounts deducted from the share of the Annual Payment allocated to the Settling State and its Participating Subdivisions in a given Payment Year cannot exceed the Suspension Cap. For the avoidance of doubt, an individual Primary Subdivision shall not trigger more than one suspension regardless if it (or any of its officials) is named as multiple plaintiffs in the same lawsuit.

f. This Section XII.A.2 shall not apply with respect to a Primary Subdivision that is either (i) a Later Litigating Subdivision under clause (3) of the definition of that term solely because a legislative Bar or legislative Case-Specific Resolution applicable as of the Reference Date is invalidated by judicial decision after the Reference Date or (ii) a Later Litigating Subdivision under clause (4) of the definition of that term. Such a Primary Subdivision shall be treated as a General Purpose Government under Section XII.A.3.

3. The terms of this Section XII.A.3 apply if a the Later Litigating Subdivision is not a Primary Subdivision (except for Primary Subdivisions referenced in Section XII.A.2.f) but is a General Purpose Government, School District, Health District or Hospital District: if the Released Claim is resolved with finality on terms requiring payment by the Released Entity, the Settling Distributor at issue shall receive a dollar-for-dollar offset, subject to the yearly Offset Cap, for the amount paid against its portion of the obligation to make Annual Payments that would be apportioned to the Settling State at issue and to its Subdivisions. The offset shall be applied as follows: first against the relevant Settling Distributor's allocable share of the Annual Payment due in Payment Year 18, up to the Offset Cap for that Payment Year, with any remaining amounts above the Offset Cap applied against the Payment due in Payment Year 17, up to the Offset Cap for that Payment Year, and so forth for each preceding Payment Year until the entire amount to be offset has been applied or no future Payment Year remains. If the Released Claim is resolved on terms requiring payment during the first two (2) Payment Years, in no case will any amounts be offset against the amounts due in Payment Years 1 and 2.

4. In no event shall the total of Suspension Amounts and offsets pursuant to this Section applicable to a Settling State in a Payment Year for that Payment Year exceed the Offset Cap for that State. If, in a Payment Year, the total of Suspension Amounts and offsets applicable to a Settling State exceeds the Offset Cap, the Suspension Amounts shall be reduced so that the total of Suspension Amounts and offsets equals the Offset Cap.

5. For the avoidance of doubt, any offset pursuant to this Section XII in a Settling State that is not eligible for Incentive Payment A shall continue to apply even if the Settling State at issue subsequently becomes eligible for Incentive Payment A.

6. “*Terms requiring payment*” shall mean (i) a final monetary judgment or (ii) a settlement; *provided* that the Released Entity sought the applicable State Attorney General’s consent to the settlement and such consent was either obtained or unreasonably withheld. Should the judgment or settlement resolve claims that are not Released Claims, the offset shall be for the Released Claims portion only, which shall be distinguishable in the judgment or settlement.

B. *Exceptions.*

1. Section XII.A shall not apply where the Settling State at issue meets the eligibility criteria for and is entitled to Incentive Payment A for the Payment Year at issue, except as expressly provided therein. For the avoidance of doubt, because all Settling States are deemed eligible for Incentive Payment A for Payment Years 1 and 2 under Section IV.F.1.c, a suspension of Payments under Section XII.A.2 shall not apply to any Settling States for those Payment Years.

2. An offset under Section XII.A.2 and Section XII.A.3 shall not apply where the Later Litigating Subdivision opted out of a Settlement Class Resolution in the Settling State at issue that was in full force and effect in that Settling State as of the due date of the payment for Payment Year 2 and remains in full force and effect; *provided* that an offset relating to that Subdivision may apply under Section XIII.

3. Section XII.A shall not apply where the Later Litigating Subdivision seeks less than \$10 million, or so long as its total claim is reduced to less than \$10 million, in the lawsuit for a Released Claim at issue.

4. An offset under Section XII.A.3 shall not apply where the applicable Participation Tier is Participation Tier 1 and the population of the Later Litigating Subdivision is under 10,000.

5. If the applicable Participation Tier is Participation Tier 2 or higher, and the Later Litigating Subdivision has a population less than 10,000, the offset under Section XII.A.3 shall only apply to amounts paid pursuant to a settlement or judgment that are over \$10 million per case or resolution. Any type of consolidated or aggregated or joined or class actions, however styled, shall be considered a single case, and any resolutions that occur within a sixty (60) calendar day period of each other and involve Later Litigating Subdivisions that share common counsel and/or are created by the same or related judgments, settlement agreements, or other instruments or are conditioned upon one another, shall be considered a single resolution. For the avoidance of doubt, any such case or resolution shall have only a single \$10,000,000 exemption from the offset under Section XII.A.3.

C. *No Effect on Other Provisions.* A suspension or offset under Section XII.A shall not affect the Injunctive Relief Terms or the Consent Judgment.

D. *No Effect on Other States.* A suspension or offset under Section XII.A applicable to one State shall not affect the allocation or payment of the Annual Payment to other Settling States.

XIII. Reductions/Offsets

A. *Non-Settling States.* Non-Settling States shall not be eligible for any payments or have any rights in connection with this Agreement. Accordingly, the stated maximum dollar amounts of the payments specified in Exhibit M are reduced by the aggregate Overall Allocation Percentage of Non-Settling States as set forth in Exhibit F.

B. *Offset Relating to Incentive Payment A.* If a Settling State is not eligible for Incentive Payment A at the third Payment Date, the Settling Distributors shall receive an offset with respect to that State.¹⁰ The offset shall be the dollar amount difference between (1) the total amount of the Incentive Payment A due from the Settling Distributors on the Effective Date and on the Payment Date for Payment Year 2 allocated to that State and its Participating Subdivisions, and (2) the total amount of Incentive Payments B and C that would have been due from the Settling Distributors on the Effective Date and on the Payment Date for Payment Year 2 so allocated but for the State's deemed eligibility for Incentive Payment A. The offset shall be applied in equal installments to reduce the Annual Payments for Payment Years 3 through 7 that would be apportioned to that State and to its Subdivisions, and shall remain applicable even if that State subsequently becomes eligible for Incentive Payment A.

C. *Settlement Class Resolution Opt Outs.* If a Settling State is eligible for Incentive Payment A on the basis of a Settlement Class Resolution, and a Primary Subdivision that opted out of the Settlement Class Resolution maintains a lawsuit asserting a Released Claim against a Released Entity, the following shall apply. If the lawsuit asserting a Released Claim either survives a Threshold Motion or has an unresolved Threshold Motion fewer than sixty (60) calendar days prior to the scheduled start of a trial involving a Released Claim, and is resolved with finality on terms requiring payment by the Released Entity, the Settling Distributor at issue shall receive a dollar-for-dollar offset for the amount paid against its obligation to make remaining Incentive Payment A payments that would be apportioned to that State and to its Subdivisions. For the avoidance of doubt, an offset shall not be applicable under this subsection if it is applicable under Section XII.A with respect to the Subdivision at issue.

D. *Revoked Bar, Settlement Class Resolution, or Case-Specific Resolution.* If the Settling Distributors made any Annual Payments that included any incentive payments earned as a result of the existence of a Bar, Settlement Class Resolution, or Case-Specific Resolution in a Settling State, and there is subsequently a Revocation Event with respect to that Bar, Settlement Class Resolution, or Case-Specific Resolution after the determination of the amount of such Annual Payment, the Settling Distributors shall receive a dollar-for-dollar offset against the portion of remaining Annual Payments that would be allocated to that State and its Participating Subdivisions. This offset will be calculated as the dollar amount difference between (1) the total amount of incentive payments paid by the Settling Distributors by virtue of the Bar, Settlement

¹⁰ For purposes of this provision, in determining whether a Settling State would not be eligible for Incentive Payment A for Payment Year 3, the criteria set forth in Section IV.F.1.b shall apply to that Payment Year.

Class Resolution, or Case-Specific Resolution subject to the Revocation Event and (2) the total amount of incentive payments that would have been due from the Settling Distributors during that time had the Bar, Settlement Class Resolution, or Case-Specific Resolution subject to the Revocation Event not been in effect. The amount of incentive payments that would have been due, referenced in clause (2) above, will be calculated one hundred eighty (180) calendar days after the Revocation Event; for purposes of calculating the amount of incentive payments that would have been due, any relevant Subdivision shall be included as a Participating Subdivision if: (1) its Released Claims are extinguished by any subsequent Bar, Settlement Class Resolution, or Case-Specific Resolution in effect as of the date of such calculation, or (2) it becomes a Participating Subdivision (in addition to all other Participating Subdivisions) prior to the date of such calculation.

E. *Certain Taxes.* Amounts paid by a Settling Distributor under an Opioid Tax in a Settling State in a Payment Year shall give rise to a dollar-for-dollar offset against that Settling Distributor's obligation to pay its share of the Annual Payment in that Payment Year that would be allocated to the taxing State or its Participating Subdivisions. If such amounts paid exceed that Settling Distributor's allocable share of the Annual Payment allocable to the taxing State or its Participating Subdivisions in that Payment Year, the excess shall carry forward as an offset against its allocable share of remaining Annual Payments that would be allocated to the taxing State or its Participating Subdivisions

F. *Not Subject to Suspension Cap or Offset Cap.* For the avoidance of doubt, neither the Suspension Cap nor the Offset Cap apply to the offsets and reductions set forth in this Section XIII.

XIV. Miscellaneous

A. *Population of General Purpose Governments.* The population figures for General Purpose Governments shall be the published U.S. Census Bureau's population estimates for July 1, 2019, released May 2020. These population figures shall remain unchanged during the term of this Agreement.¹¹

B. *Population of Special Districts.* For any purpose in this Agreement in which the population of a Special District is used other than Section IV.F.1.b: (a) School Districts' population will be measured by the number of students enrolled who are eligible under the Individuals with Disabilities Education Act ("*IDEA*") or Section 504 of the Rehabilitation Act of 1973; (b) Health Districts' and Hospital Districts' population will be measured at twenty-five percent (25%) of discharges; and (c) all other Special Districts' (including Fire Districts' and Library Districts') population will be measured at ten percent (10%) of the population served. The Settling Distributors and the Enforcement Committee shall meet and confer in order to agree on data sources for purposes of this Section prior to the Preliminary Agreement Date.

¹¹ The estimates for counties and parishes were accessed at <https://www.census.gov/data/datasets/time-series/demo/popest/2010s-countiestotal.html>. The estimates for cities and towns can currently be found at <https://www.census.gov/data/datasets/time-series/demo/popest/2010s-total-cities-and-towns.html>.

C. *Population Associated with Sheriffs.* For any purpose in this Agreement in which the population associated with a lawsuit by a sheriff is used, the population will be measured at twenty percent (20%) of the capacity of the jail(s) operated by the sheriff.

D. *No Admission.* The Settling Distributors do not admit liability or wrongdoing. Neither this Agreement nor the Consent Judgments shall be considered, construed or represented to be (1) an admission, concession or evidence of liability or wrongdoing or (2) a waiver or any limitation of any defense otherwise available to the Settling Distributors.

E. *Most-Favored-Nation Provision.*—Settling States.

1. If, after the Reference Date, any Settling Distributor enters into any settlement agreement with any Non-Settling State that resolves Claims similar in scope to the Claims released by a Settling State under this Agreement on overall payment terms that are more favorable to such Non-Settling State than the overall payment terms of the Agreement (after due consideration of relevant differences in population or other appropriate factors), then the Settling States, individually or collectively, may elect to seek review, pursuant to Section XIV.E.3, of the overall payment terms of this Agreement and the Non-Settling State agreement so that such Settling State(s) may obtain, with respect to that Settling Distributor, overall payment terms at least as favorable as those obtained by such Non-Settling State. “*Overall payment terms*” refers to consideration of all payment terms of the two agreements, taken together, including, but not limited to the amount of payments, the timing of payments, and conditions or contingencies on payments.

2. For any settlement with a Non-Settling State involving Released Claims that is entered into after the Reference Date, Settling Distributors shall provide the Enforcement Committee with a copy of the settlement agreement or relevant consent judgment within thirty (30) calendar days of the consummation of such settlement. The Enforcement Committee will promptly distribute such copy to all Settling States.

3. In the event that one or more Settling State(s) believes that the overall payment terms of an agreement by a Settling Distributor with a Non-Settling State are more favorable to the Non-Settling State, when compared based on the totality of the considerations set forth in Section XIV.E.1, the Settling State(s) and the Settling Distributor shall engage in the following process:

a. The Settling State(s) shall provide notice, within sixty (60) calendar days of the date on which a settlement agreement or consent judgment is provided to the Enforcement Committee, to the Settling Distributor of its (their) intent to seek revision of this Agreement to provide payment terms that are, on an overall basis, as favorable as those obtained by the Non-Settling State. Such notice shall be confidential and not disclosed publicly to the extent allowed by law and shall state, in detail, the basis for the State’s (States’) belief that it (they) is entitled to a revision of the Agreement.

b. The Settling Distributor shall, within thirty (30) calendar days, provide a response to the Settling State(s), explaining its position, in detail, as to whether the Settling State(s) is entitled to more favorable overall payment terms than those provided for in this Agreement.

c. In the event the Settling State(s) and Settling Distributor do not reach agreement as to the application of Section XIV.E.1, the Settling State(s) may petition the National Arbitration Panel to seek a ruling from the Panel as to the applicability of Section XIV.E.1, provided that the Settling State(s) may seek such review only if at least five (5) Settling States co-sign the petition. The Panel shall consider submissions and argument by the parties pursuant to the procedures set forth in Section VI.F.2.

d. The Settling State(s) and the Settling Distributor shall be bound by the determination of the National Arbitration Panel.

4. This Section XIV.E does not apply to, and there is no ability of any Settling State to seek or obtain revision of this Agreement based on, any Non-Settling State agreement with any Settling Distributor that is entered into with: (a) a Non-Settling State after a date sixty (60) calendar days prior to the scheduled start date of a trial between any Settling Distributor and the Non-Settling State or any severed or bifurcated portion thereof, provided that, where, in order to complete a settlement, a Non-Settling State and a Settling Distributor jointly request an adjournment of the scheduled start date of a trial within sixty (60) days of that date, this exception will apply as if the trial date had not been adjourned; (b) a Non-Settling State that previously litigated to judgment a case related to opioids against any manufacturer, distributor, or pharmacy; or (c) a Non-Settling State that has obtained any court order or judicial determination that grants judgment (in whole or in part) against any Settling Distributor. For avoidance of doubt, the National Arbitration Panel shall have no power to review agreements described in this paragraph.

5. This Section XIV.E does not apply to, and there is no ability of any Settling State to seek or obtain revision of this Agreement based on, any agreement between a Settling Distributor and (a) federally-recognized tribe(s) or (b) West Virginia subdivisions or (c) Non-Participating Subdivisions. This Section XIV.E will not apply to any agreement entered into more than eighteen (18) months after the Reference Date.

F. *Tax Cooperation and Reporting.*

1. Upon request by any Settling Distributor, the Settling States and Participating Subdivisions agree to perform such further acts and to execute and deliver such further documents as may be reasonably necessary for the Settling Distributors to establish the statements set forth in Section V.E.3 to the satisfaction of their tax advisors, their independent financial auditors, the Internal Revenue Service, or any other governmental authority, including as contemplated by Treasury Regulations Section 1.162-21(b)(3)(ii) and any subsequently proposed or finalized relevant regulations or administrative guidance.

2. Without limiting the generality of Section XIV.F.1, each Settling State and Participating Subdivision shall cooperate in good faith with any Settling Distributor with respect to any tax claim, dispute, investigation, audit, examination, contest, litigation, or other proceeding relating to this Agreement.

3. The Designated State, as defined in Section I.P as New York, on behalf of all Settling States and Participating Subdivisions, shall designate one of its officers or employees to act as the “appropriate official” within the meaning of Treasury Regulations Section 1.6050X-1(f)(1)(ii)(B) (the “*Appropriate Official*”). The Designated State shall direct and ensure that the Appropriate Official timely (a) files (i) at the time this Agreement becomes binding on the Parties, an IRS Form 1098-F in the form attached as Exhibit U, Exhibit V, and Exhibit W with respect to each of the Settling Distributors and (ii) any legally required returns or amended returns with any applicable governmental authority, or any returns requested by the respective Settling Distributors, and (b) provides to each of the Settling Distributors a copy of (i) the IRS Form 1098-F filed with respect to such Settling Distributor and (ii) any legally required written statement pursuant to any applicable law and any other document referred to in clause (a)(ii) above. Any such form, return, or statement shall be prepared and filed in a manner fully consistent with Section V.E.3.

4. The Settling States and Participating Subdivisions agree that any return, amended return, or written statement filed or provided pursuant to paragraph 3, and any similar document, shall be prepared and filed in a manner consistent with reporting each Settling Distributor’s portion of the Global Settlement Amount as the “Total amount to be paid” pursuant to this Agreement in Box 1 of IRS Form 1098-F and each Settling Distributor’s portion of the Compensatory Restitution Amount as “Restitution/remediation amount” in Box 2 of IRS Form 1098-F, as reflected in the attached Exhibit U, Exhibit V, and Exhibit W. If the Designated State or Appropriate Official shall be required to file any return, amended return, or written statement contemplated by this Section XIV.F other than an IRS Form 1098-F in the form attached as Exhibit U, Exhibit V, and Exhibit W, the Designated State shall direct and ensure that the Appropriate Official provides to each Settling Distributor a draft of such return, amended return, or written statement in respect of such Settling Distributor no later than sixty (60) calendar days prior to the due date thereof and shall accept and reflect any reasonable comments of such Settling Distributor on the return, amended return, or written statement in respect of such Settling Distributor.

5. For the avoidance of doubt, neither the Settling Distributors nor the Settling States and Participating Subdivisions make any warranty or representation to any Settling State, Participating Subdivision, or Releasor as to the tax consequences of the payment of the Compensatory Restitution Amount (or any portion thereof).

G. *No Third-Party Beneficiaries.* Except as expressly provided in this Agreement, no portion of this Agreement shall provide any rights to, or be enforceable by, any person or entity that is not a Settling State or Released Entity. No Settling State may assign or otherwise convey any right to enforce any provision of this Agreement.

H. *Calculation.* Any figure or percentage referred to in this Agreement shall be carried to seven decimal places.

I. *Construction.* None of the Parties and no Participating Subdivision shall be considered to be the drafter of this Agreement or of any of its provisions for the purpose of any statute, case law, or rule of interpretation or construction that would or might cause any provision to be construed against the drafter of this Agreement. The headings of the provisions of this Agreement are not binding and are for reference only and do not limit, expand, or otherwise affect the contents or meaning of this Agreement.

J. *Cooperation.* Each Party and each Participating Subdivision agrees to use its best efforts and to cooperate with the other Parties and Participating Subdivisions to cause this Agreement and the Consent Judgments to become effective, to obtain all necessary approvals, consents and authorizations, if any, and to execute all documents and to take such other action as may be appropriate in connection herewith. Consistent with the foregoing, each Party and each Participating Subdivision agrees that it will not directly or indirectly assist or encourage any challenge to this Agreement or any Consent Judgment by any other person, and will support the integrity and enforcement of the terms of this Agreement and the Consent Judgments.

K. *Entire Agreement.* This Agreement, including its exhibits and any other attachments, embodies the entire agreement and understanding between and among the Parties and Participating Subdivisions relating to the subject matter hereof and supersedes (1) all prior agreements and understandings relating to such subject matter, whether written or oral and (2) all purportedly contemporaneous oral agreements and understandings relating to such subject matter.

L. *Execution.* This Agreement may be executed in counterparts and by different signatories on separate counterparts, each of which shall be deemed an original, but all of which shall together be one and the same Agreement. One or more counterparts of this Agreement may be delivered by facsimile or electronic transmission with the intent that it or they shall constitute an original counterpart hereof. One or more counterparts of this Agreement may be signed by electronic signature.

M. *Good Faith and Voluntary Entry.* Each Party warrants and represents that it negotiated the terms of this Agreement in good faith. Each of the Parties and Participating Subdivisions warrants and represents that it freely and voluntarily entered into this Agreement without any degree of duress or compulsion. The Parties and Participating Subdivisions state that no promise of any kind or nature whatsoever (other than the written terms of this Agreement) was made to them to induce them to enter into this Agreement.

N. *Legal Obligations.* Nothing in this Agreement shall be construed as relieving any Settling Distributor of the obligation to comply with all state and federal laws, regulations or rules, nor shall any of the provisions herein be deemed to be permission to engage in any acts or practices prohibited by such laws, regulations, or rules. Except with respect to the Injunctive Relief Terms, in the event of a conflict between this Agreement and any requirement or requirements of federal, state, or local laws, such that a Settling Distributor cannot comply with this Agreement without violating such a requirement or requirements, the Settling Distributor

shall document such conflicts and notify the Attorney(s) General of the relevant Settling State(s) that it intends to comply with the requirement or requirements to the extent necessary to eliminate the conflict. With respect to the Injunctive Relief Terms, in the event of such a conflict, the procedures set forth in Section III.X of the Injunctive Relief Terms will be followed.

O. *No Prevailing Party.* The Parties and Participating Subdivisions each agree that they are not the prevailing party in this action, for purposes of any claim for fees, costs, or expenses as prevailing parties arising under common law or under the terms of any statute, because the Parties and Participating Subdivisions have reached a good faith settlement. The Parties and Participating Subdivisions each further waive any right to challenge or contest the validity of this Agreement on any ground, including, without limitation, that any term is unconstitutional or is preempted by, or in conflict with, any current or future law. Nothing in the previous sentence shall modify, or be construed to conflict with, Section XIV.M.

P. *Non-Admissibility.* The settlement negotiations resulting in this Agreement have been undertaken by the Parties and by certain representatives of the Participating Subdivisions in good faith and for settlement purposes only, and no evidence of negotiations or discussions underlying this Agreement shall be offered or received in evidence in any action or proceeding for any purpose. This Agreement shall not be offered or received in evidence in any action or proceeding for any purpose other than in an action or proceeding arising under or relating to this Agreement.

Any Party or the Plaintiffs' Executive Committee may change or add the contact information of the persons designated to receive notice on its behalf by notice given (effective upon the giving of such notice) as provided in this Section XIV.P.

R. *No Waiver.* The waiver of any rights conferred hereunder shall be effective only if made by written instrument executed by the waiving Party or Parties. The waiver by any Party of any breach of this Agreement shall not be deemed to be or construed as a waiver of any other breach, whether prior, subsequent, or contemporaneous, nor shall such waiver be deemed to be or construed as a waiver by any other Party.

S. *Preservation of Privilege.* Nothing contained in this Agreement or any Consent Judgment, and no act required to be performed pursuant to this Agreement or any Consent Judgment, is intended to constitute, cause, or effect any waiver (in whole or in part) of any attorney-client privilege, work product protection, or common interest/joint defense privilege, and each Party and Participating Subdivision agrees that it shall not make or cause to be made in any forum any assertion to the contrary.

T. *Successors.*

1. This Agreement shall be binding upon, and inure to the benefit of, the Settling Distributors and their respective successors and assigns.

2. A Settling Distributor shall not, in one (1) transaction or a series of related transactions, sell or transfer U.S. assets having a fair market value equal to twenty-five percent (25%) or more of the consolidated assets of such Settling Distributor (other than sales or transfers of inventories, or sales or transfers to an entity owned directly or indirectly by such Settling Distributor) where the sale or transfer is announced after the Reference Date, is not for fair consideration, and would foreseeably and unreasonably jeopardize such Settling Distributor's ability to make the payments under this Agreement that are due on or before the third Payment Date following the close of a sale or transfer transaction, unless the Settling Distributor obtains the acquiror's agreement that it will be either a guarantor of or successor to the percentage of that Settling Distributor's remaining Payment Obligations under this Agreement equal to the percentage of the

Settling Distributor's consolidated assets being sold or transferred in such transaction. Percentages under this section shall be determined in accordance with United States generally accepted accounting principles and as of the date of the Settling Distributor's most recent publicly filed consolidated balance sheet prior to the date of entry into the sale or transfer agreement at issue. This Section XIV.T shall be enforceable solely by the Enforcement Committee, and any objection under this Section XIV.T not raised within twenty (20) calendar days of the announcement of the relevant transaction is waived. Any dispute under this Section XIV.T shall be a National Dispute as described in Section VI.F.2 and must be raised exclusively with the National Arbitration Panel as described therein within twenty (20) calendar days of the announcement, and the sole remedy shall be an order enjoining the transaction.

3. A Settling Distributor shall not, in one (1) transaction or a series of related transactions, sell or transfer (other than sales or transfers to an entity owned directly or indirectly by such Settling Distributor) more than twenty-five percent (25%) of the distribution centers within its Full-Line Wholesale Pharmaceutical Distribution Business (as that term is defined in the Injunctive Relief Terms) where the sale or transfer is announced after the Reference Date, unless the Settling Distributor obtains the acquiror's agreement that it will be bound by the Injunctive Relief Terms.

U. *Modification, Amendment, Alteration.* After the Reference Date, any modification, amendment, or alteration of this Agreement by the Parties shall be binding only if evidenced in writing signed by the Settling Distributor to which the modification, amendment, or alteration applies, if the change applies to less than all Settling Distributors, along with the signatures of at least thirty-seven of those then serving Attorneys General of the Settling States along with a representation from each Attorney General that either: (1) the advisory committee or similar entity established or recognized by that Settling State (either pursuant to Section V.E.2.d, by a State-Subdivision Agreement, or by statute) voted in favor of the modification, amendment or alteration of this Agreement including at least one member appointed by the Participating Subdivisions listed on Exhibit G; or (2) in States without any advisory committee, that 50.1% (by population) of the Participating Subdivisions listed on Exhibit G expressed approval of the modification, amendment, or alteration of this Agreement in a writing.

V. *Termination.*

1. Unless otherwise agreed to by each of the Settling Distributors and the Settling State in question, this Agreement and all of its terms (except Section XIV.P and any other non-admissibility provisions, which shall continue in full force and effect) shall be canceled and terminated with respect to the Settling State, and the Agreement and all orders issued by the courts in the Settling State pursuant to the Agreement shall become null and void and of no effect if one or more of the following conditions applies:

a. a Consent Judgment approving this Agreement without modification of any of the Agreement's terms has not been entered as to the Settling State by a court of competent jurisdiction on or before one hundred eighty (180) calendar days after the Effective Date;

b. this Agreement or the Consent Judgment as to that Settling State has been disapproved by a court of competent jurisdiction to which it was presented for approval and/or entry (or, in the event of an appeal from or review of a decision of such a court to approve this Agreement and the Consent Judgment, by the court hearing such appeal or conducting such review), and the time to appeal from such disapproval has expired, or, in the event of an appeal from such disapproval, the appeal has been dismissed or the disapproval has been affirmed by the court of last resort to which such appeal has been taken and such dismissal or disapproval has become no longer subject to further appeal (including, without limitation, review by the United States Supreme Court); or

2. If this Agreement is terminated with respect to a Settling State for whatever reason pursuant to Section XIV.V.1, then:

a. an applicable statute of limitation or any similar time requirement (excluding any statute of repose) shall be tolled from the date the Settling State signed this Agreement until the later of the time permitted by applicable law or for one year from the date of such termination, with the effect that the Settling Distributors and the Settling State in question shall be in the same position with respect to the statute of limitation as they were at the time the Settling State filed its action; and

b. the Settling Distributors and the Settling State in question shall jointly move the relevant court of competent jurisdiction for an order reinstating the actions and claims dismissed pursuant to the terms of this Agreement governing dismissal, with the effect that the Settling Distributors and the Settling State in question shall be in the same position with respect to those actions and claims as they were at the time the action or claim was stayed or dismissed.

3. Unless each of the Settling Distributors and the Enforcement Committee agrees otherwise, this Agreement, with the exception of the Injunctive Relief Terms that have their own provisions on duration, shall terminate as to all Parties as of the Payment Date for Payment Year 18, *provided* that all Settling Distributors that as of that date are not Bankrupt Settling Distributors have performed their Payment obligations under the Agreement as of that date. If fewer than all Settling Distributors that as of that date are not Bankrupt Settling Distributors have performed their Payment obligations under the Agreement as of that date, then the Agreement shall terminate as of that date as to any Settling Distributor that has performed its Payment obligations under the Agreement and the Agreement (a) shall terminate as to each of the remaining Settling Distributors that as of that date is not a Bankrupt Settling Distributor at such time as each performs its Payment obligations under the Agreement and (b) shall terminate as to all Parties at such time as all Settling Distributors that are not Bankrupt Settling Distributors have performed their Payment obligations under the Agreement. Notwithstanding any other provision in this Section XIV.V.3 or in this Agreement, all releases under this Agreement will remain effective despite any termination under this Section XIV.V.3.

W. *Governing Law.* Except (1) as otherwise provided in this Agreement or (2) as necessary, in the sole judgment of the National Arbitration Panel, to promote uniformity of interpretation for matters within the scope of the National Arbitration Panel's authority, this Agreement shall be governed by and interpreted in accordance with the respective laws of the Settling State, without regard to the conflict of law rules of such Settling State, that is seeking to enforce the Agreement against Settling Distributor(s) or against which Settling Distributor(s) are seeking enforcement. Notwithstanding any other provision in this subsection on governing law, any disputes relating to the Settlement Fund Escrow shall be governed by and interpreted in accordance with the law of the state where the escrow agent has its primary place of business.

X. *Bankruptcy.* The following provisions shall apply if a Settling Distributor enters Bankruptcy (a Settling Distributor which does so and takes the actions, or is otherwise subjected to the actions, referred to in (i) and/or (ii) herein being referred to as a "*Bankrupt Settling Distributor*") and (i) the Bankrupt Settling Distributor's bankruptcy estate recovers, pursuant to 11 U.S.C. § 550, any payments made under this Agreement, or (ii) this Agreement is deemed executory and is rejected by such Settling Distributor pursuant to 11 U.S.C. § 365:

1. In the event that both a number of Settling States equal to at least seventy-five percent (75%) of the total number of Settling States and Settling States having aggregate Overall Allocation Percentages as set forth on Exhibit F equal to at least seventy-five percent (75%) of the total aggregate Overall Allocation Percentages assigned to all Settling States deem (by written notice to the Settling Distributors other than the Bankrupt Settling Distributor) that the financial obligations of this Agreement have been terminated and rendered null and void as to such Bankrupt Settling Distributor (except as provided in Section XIV.X.1.a) due to a material breach by such Bankrupt Settling Distributor, whereupon, with respect to all Settling States:

a. all agreements, all concessions, all reductions of Releasing Parties' Claims, and all releases and covenants not to sue, contained in this Agreement shall immediately and automatically be deemed null and void as to such Bankrupt Settling Distributor; the Settling States shall be deemed immediately and automatically restored to the same position they were in immediately prior to their entry into this Settlement Agreement in respect to such Bankrupt Settling Distributor and the Settling States shall have the right to assert any and all claims against such Bankrupt Settling Distributor in the Bankruptcy or otherwise, subject to any automatic stay, without regard to any limits or agreements as to the amount of the settlement otherwise provided in this Agreement; *provided, however*, that notwithstanding the foregoing sentence, (i) all reductions of Releasing Parties' Claims, and all releases and covenants not to sue, contained in this Agreement shall remain in full force and effect as to all persons or entities other than the Bankrupt Settling Distributor itself; and (ii) in the event a Settling State asserts any Released Claim against a Bankrupt Settling Distributor after the rejection and/or termination of this Agreement with respect to such Settling Distributor as described in this Section XIV.X.1.a and receives a judgment, settlement or distribution arising from such Released Claim, then the amount of any payments such Settling State has previously received from such Bankrupt Settling Distributor under this Agreement shall be applied to reduce the amount of any

such judgment, settlement or distribution (provided that no credit shall be given against any such judgment, settlement or distribution for any payment that such Settling State is required to disgorge or repay to the Bankrupt Settling Distributor's bankruptcy estate); and

b. the Settling States may exercise all rights provided under the federal Bankruptcy Code (or other applicable bankruptcy or non-bankruptcy law) with respect to their Claims against such Bankrupt Settling Distributor subject to all defenses and rights of the Bankrupt Settling Distributor.

EXHIBIT B

Enforcement Committee Organizational Bylaws

ARTICLE I

These bylaws constitute the code of rules adopted by the Settling States and Participating Subdivisions for the creation of an Enforcement Committee (the “*Committee*”) to exist and operate during the term of the Agreement with the Settling Distributors and shall control the regulation and management of the Committee’s affairs.

ARTICLE II

Purpose

The Committee is organized for the sole purpose of evaluating and taking such action as deemed reasonable, necessary, and appropriate by the members of the Committee on the matters delegated to the Committee under that certain Settlement Agreement between the Settling States and the Settling Distributors dated July 21, 2021.

ARTICLE III

Members of the Committee

(1) Number of Members

The Committee will consist of seventeen (17) members (the “*Members*”). Upon majority resolution of the Committee, the number of Members may be increased or decreased from time to time, but in no event shall a decrease have the effect of decreasing the total number of Members to less than seven Members.

(2) Initial Members

The Committee initially will consist of eleven Settling State Members and six Participating Subdivision Members, three of the Participating Subdivisions shall be counties and three shall be municipalities. The initial Settling State Members are representatives from: Connecticut, Delaware, Florida, Georgia, Massachusetts, New York, North Carolina, Ohio, Pennsylvania, Tennessee, and Texas. The initial Participating Subdivision Members are: (a) Bexar County, Texas; (b) Broward County, Florida; (c) Chicago, Illinois; (d) Cincinnati, Ohio; (e) Nashville, Tennessee; and (f) Nassau County, New York. Until the Reference Date contained in the Settlement Agreement, the Participating Subdivisions may designate their outside counsel to serve as their representative. After the Reference Date, an employee or official of the Participating Subdivision must be the designated as the representative of the Participating Subdivision.

(3) Term of Members

The term of office for Members of the Committee will be until the end of the term of the Settlement Agreement, eighteen (18) years, unless and until a Member withdraws or resigns from the Committee.

(4) Resignation

Any Member may resign at any time by delivering written notice to the Chairperson of the Committee. Such resignation shall take effect upon receipt or, if later, at the time specified in the notice.

(5) Removal

(a) Any Member may be removed without cause, at any time, by a majority of the entire Committee, at a Regular or Special Meeting called for that purpose. Any Member under consideration of removal must first be notified about the consideration by written notice at least five days prior to the meeting at which the vote takes place.

(b) In the event that any Member is not a Settling State or a Participating Subdivision or the Member subsequently becomes a Later Litigating Subdivision or otherwise does not support the Agreement, the Member shall be removed immediately without notice or vote of the Committee.

(6) Vacancies

In the event of a vacancy, the Members of the same type (Settling State or Participating Subdivision) shall select another Settling State or Participating Subdivision to fill that Member's position.

(7) Compensation

Members shall not receive any salaries or other compensation for their services, but, by resolution of the Committee, may be reimbursed for any actual expenses incurred in the performance of their duties for the Committee, as long as a majority of disinterested Members approve the reimbursement. Any reimbursement shall be sought from the Settlement Fund Administrator.

ARTICLE IV

Conflicts of Interest and Code of Ethics

If a Member, agent, or employee of the Committee has a conflict of interest, he or she may not participate in a vote, discussion, or decision about the matter. Each Member shall follow any applicable state or local law with respect to conflicts, gifts, and ethics.

ARTICLE V

Committee Meetings

(1) Place of Meetings

Meetings of the Committee will be held at any place that the Chairperson may designate, including by telephonic or electronic means.

(2) Regular Meetings

Regular meetings of the Committee shall be held as deemed necessary by the by the Chairperson or any three members.

(3) Notice of Meetings

Written notice of the date, time, place and subject of each meeting must be provided to the Members at least 72 hours before the scheduled time of the meeting, except when there is an emergency or urgent public necessity.

(4) Quorum

A majority of the incumbent Members (not counting vacancies) shall constitute a quorum for the purposes of convening a meeting or conducting business.

(5) Voting and Proxy

When it is necessary to vote on any matter before the Committee, Members may vote by electronic means as provided in these Bylaws. Proxy voting is permitted. In order for a matter to pass, the matter must have a majority vote of Members present and must have at least one vote from a Settling State Member and a Participating Subdivision Member. In the event that there is a Quorum, but no Settling State or Participating Subdivision Member is present, then a matter may pass with a simple majority vote.

(6) Minutes

The Committee shall prepare and keep minutes. The minutes must state the subject of each deliberation and indicate each vote, order, decision, or other action taken.

ARTICLE VI
Officers

(1) Roster of Officers

The Committee shall have a Chairperson, a Vice Chairperson, and a Secretary. The Committee may have at its discretion, such other officers as may be appointed by the Members of the Committee. One person may hold two or more offices, except those serving as Chairperson.

(2) Election and Removal of Officers

All officers shall serve two-year terms. The election shall be conducted at the first meeting of the fiscal year. Officers shall remain in office until their successors have been selected. Officers may serve consecutive terms without limit. The election of officers shall be by majority vote of the Members of the Committee attending the meeting.

(3) Vacancies

If a vacancy occurs during the term of office for any elected officer, the Members of the Committee shall elect a new officer to fill the remainder of the term as soon as practical, by majority vote of Members present.

(4) Chairperson

The Chairperson will supervise and control the affairs of the Committee and shall exercise such supervisory powers as may be given him/her by the Members of the Committee. The Chairperson will perform all duties incident to such office and such other duties as may be

provided in these bylaws or as may be prescribed from time to time by the Committee. The Chairperson shall preside at all meetings and shall exercise parliamentary control in accordance with Robert's Rules of Order.

(5) Vice Chairperson

The Vice Chairperson shall act in place of the Chairperson in the event of the Chairperson's absence, inability, or refusal to act, and shall exercise and discharge such other duties as may be required by the Committee. The Vice Chairperson shall serve as the parliamentarian and interpret any ambiguities of the bylaws.

(6) Secretary

The Secretary will keep and maintain all records related to the Committee and take minutes of all meetings.

(7) Records

All elected officers and committee chairpersons shall relinquish their records to the Chairperson immediately upon the completion of their term of office or completion of their term of office or completion of a project.

(8) Resignation

An officer may resign the office while not resigning membership from the Committee, by submitting a letter to the Chairperson. Vacancies occurring in any office shall be appointed for the remainder of the term.

ARTICLE VII
Duties

(1) Prior to the Reference Date

The Committee shall be responsible for any additional negotiations with the Settling Distributors, including, but not limited to, negotiating extensions of any periods created by the Settlement Agreement.

(2) After the Enforcement Date

The Committee shall establish procedures for the receipt of notices that a dispute exists concerning the Agreement and review of such disputes, pursuant to Section VI of the Agreement. Members may engage with Settling Distributors, Settling States, and Participating Subdivisions attempting to resolve any dispute without further action by the Committee. The Committee may request additional information from Settling Distributors, Settling States, and Participating Subdivisions to the extent the Committee believes such information is necessary to understand, resolve, or provide advice related to a dispute. The Committee shall endeavor to provide advice relative to the dispute no later than 60 days after receipt of notice.

ARTICLE VIII
Rules of Procedure

The proceedings and business of the Committee shall be governed by Robert's Rules of Order unless otherwise waived by the Committee.

ARTICLE IX
Operations

(1) Records

The Committee will keep correct and complete records and will also keep minutes of the proceedings of the Committee meetings and Committees. The Committee will keep at its principal place of business at a place designated by the Chairperson.

All elected officers and committee chairpersons shall relinquish their records to the Chairperson, immediately upon the completion of their term of office.

(2) Inspection of Books and Records

The minutes of a meeting are public records and shall be available for public inspection and copying on request to the Committee's Chairperson or the Chairperson's designee.

(3) Amendments

The bylaws may be amended at any time by a vote of a majority of Members present and must have at least one vote from a Settling State Member and a Participating Subdivision Member. In the event that there is a Quorum, but no Settling State or Participating Subdivision Member is present, then a matter may pass with a simple majority vote.
