3714. Franklin (WI), City of, Wisconsin
3715. Grant (WI), County of, Wisconsin
3716. Green (WI), County of, Wisconsin
3717. Green Lake (WI), County of, Wisconsin
3718. Greenfield (WI), City of, Wisconsin
3719. Iowa (WI), County of, Wisconsin
3720. Iron (WI), County of, Wisconsin
3721. Jackson (WI), County of, Wisconsin
3722. Janesville (WI), City of, Wisconsin
3723. Jefferson (WI), County of, Wisconsin
3724. Juneau (WI), County of, Wisconsin
3725. Kenosha (WI), City of, Wisconsin
3726. Kenosha (WI), County of, Wisconsin
3727. Kewaunee (WI), County of, Wisconsin
3728. La Crosse (WI), County of, Wisconsin
3729. Lafayette (WI), County of, Wisconsin
3730. Langlade (WI), County of, Wisconsin
3731. Lincoln (WI), County of, Wisconsin
3732. Manitowoc (WI), County of, Wisconsin
3733. Marathon (WI), County of, Wisconsin
3734. Marinette (WI), City of, Wisconsin
3735. Marinette (WI), County of, Wisconsin
3736. Marquette (WI), County of, Wisconsin
3737. Menominee (WI), County of, Wisconsin
3738. Milwaukee (WI), City of, Wisconsin
3739. Milwaukee (WI), County of, Wisconsin
3740. Monroe (WI), County of, Wisconsin
3741. Mount Pleasant (WI), Village of, Wisconsin
3742. Oak Creek (WI), City of, Wisconsin
3743. Oconto (WI), County of, Wisconsin
3744. Oneida (WI), County of, Wisconsin
3745. Outagamie (WI), County of, Wisconsin
3746. Ozaukee (WI), County of, Wisconsin
3747. Pepin (WI), County of, Wisconsin
3748. Pierce (WI), County of, Wisconsin
3749. Pleasant Prairie (WI), Village of, Wisconsin
3750. Portage (WI), County of, Wisconsin
3751. Price (WI), County of, Wisconsin
3752. Racine (WI), County of, Wisconsin
3753. Richland (WI), County of, Wisconsin
3754. Rock (WI), County of, Wisconsin
3755. Rusk (WI), County of, Wisconsin
3756. Sauk (WI), County of, Wisconsin
3757. Sawyer (WI), County of, Wisconsin
3758. Shawano (WI), County of, Wisconsin
3759. Sheboygan (WI), County of, Wisconsin
3760. South Milwaukee (WI), City of, Wisconsin
3761. St. Croix (WI), County of, Wisconsin
3762. Sturtevant (WI), Village of, Wisconsin
3763. Superior (WI), City of, Wisconsin
3764. Taylor (WI), County of, Wisconsin
3765. Trempealeau (WI), County of, Wisconsin
3766. Union Grove (WI), Village of, Wisconsin
3767. Vernon (WI), County of, Wisconsin
3768. Vilas (WI), County of, Wisconsin
3769. Walworth (WI), County of, Wisconsin
3770. Washburn (WI), County of, Wisconsin
3771. Washington (WI), County of, Wisconsin
3772. Waukesha (WI), County of, Wisconsin
3773. Waupaca (WI), County of, Wisconsin
3774. Waushara (WI), County of, Wisconsin
3775. Wauwatosa (WI), City of, Wisconsin
3776. West Allis (WI), City of, Wisconsin
3777. Winnebago (WI), County of, Wisconsin
3778. Wood (WI), County of, Wisconsin
3779. Yorkville (WI), Village of, Wisconsin
3780. Carbon (WY), County of, Wyoming
3781. Casper (WY), City of, Wyoming
3782. Cheyenne (WY), City of, Wyoming
3783. Green River (WY), City of, Wyoming
3784. Riverton (WY), City of, Wyoming
3785. Rock Springs (WY), City of, Wyoming
3786. Sweetwater (WY), County of, Wyoming

EXHIBIT D

Later Litigating Subdivision Suspension and Offset Determinations

| <u>Participation Tier</u> | <u>Per Capita Amount¹³</u> | <u>Suspension Percentage</u> | <u>Offset Cap</u> | <u>Suspension Deadline and Ending Point</u> |
|----------------------------------|--|-------------------------------------|--------------------------|--|
| 1 | \$2,500 | 66% | 66% | Earlier of (1) 6 months after denial of a motion to dismiss, (2) 12 months from filing, or (3) 6 months before final pre-trial conference, and until final judgment affirmed on appeal, including dismissal. |
| 2 | \$2,000 | 33.33% | 34% | Earlier of (1) 6 months after denial of a motion to dismiss, (2) 12 months from filing, or (3) 6 months before final pre-trial conference, and until final judgment affirmed on appeal, including dismissal. |
| 3 | \$1,500 | 27.5% | 30% | Earlier of (1) 9 months after denial of a motion to dismiss, (2) 12 months from filing, or (3) 6 months before final pre-trial conference, and until final judgment affirmed on appeal, including dismissal. |
| 4 | \$1,000 | 20% | 25% | Earlier of (1) 9 months after denial of a motion to dismiss, (2) 12 months from filing, or (3) 6 months before final pre-trial conference, and until final judgment affirmed on appeal, including dismissal. |

¹³ Population will be measured at the level of the Later Litigating Subdivision as described in Section XIV.A, Section XIV.B, and Section XIV.C.

EXHIBIT E

List of Opioid Remediation Uses

**Schedule A
Core Strategies**

States and Qualifying Block Grantees shall choose from among the abatement strategies listed in Schedule B. However, priority shall be given to the following core abatement strategies (“*Core Strategies*”).¹⁴

A. **NALOXONE OR OTHER FDA-APPROVED DRUG TO
REVERSE OPIOID OVERDOSES**

1. Expand training for first responders, schools, community support groups and families; and
2. Increase distribution to individuals who are uninsured or whose insurance does not cover the needed service.

B. **MEDICATION-ASSISTED TREATMENT (“MAT”)
DISTRIBUTION AND OTHER OPIOID-RELATED
TREATMENT**

1. Increase distribution of MAT to individuals who are uninsured or whose insurance does not cover the needed service;
2. Provide education to school-based and youth-focused programs that discourage or prevent misuse;
3. Provide MAT education and awareness training to healthcare providers, EMTs, law enforcement, and other first responders; and
4. Provide treatment and recovery support services such as residential and inpatient treatment, intensive outpatient treatment, outpatient therapy or counseling, and recovery housing that allow or integrate medication and with other support services.

¹⁴ As used in this Schedule A, words like “expand,” “fund,” “provide” or the like shall not indicate a preference for new or existing programs.

C. **PREGNANT & POSTPARTUM WOMEN**

1. Expand Screening, Brief Intervention, and Referral to Treatment (“*SBIRT*”) services to non-Medicaid eligible or uninsured pregnant women;
2. Expand comprehensive evidence-based treatment and recovery services, including MAT, for women with co-occurring Opioid Use Disorder (“*OUD*”) and other Substance Use Disorder (“*SUD*”) / Mental Health disorders for uninsured individuals for up to 12 months postpartum; and
3. Provide comprehensive wrap-around services to individuals with OUD, including housing, transportation, job placement/training, and childcare.

D. **EXPANDING TREATMENT FOR NEONATAL ABSTINENCE SYNDROME (“*NAS*”)**

1. Expand comprehensive evidence-based and recovery support for NAS babies;
2. Expand services for better continuum of care with infant-need dyad; and
3. Expand long-term treatment and services for medical monitoring of NAS babies and their families.

E. **EXPANSION OF WARM HAND-OFF PROGRAMS AND RECOVERY SERVICES**

1. Expand services such as navigators and on-call teams to begin MAT in hospital emergency departments;
2. Expand warm hand-off services to transition to recovery services;
3. Broaden scope of recovery services to include co-occurring SUD or mental health conditions;
4. Provide comprehensive wrap-around services to individuals in recovery, including housing, transportation, job placement/training, and childcare; and
5. Hire additional social workers or other behavioral health workers to facilitate expansions above.

F. **TREATMENT FOR INCARCERATED POPULATION**

1. Provide evidence-based treatment and recovery support, including MAT for persons with OUD and co-occurring SUD/MH disorders within and transitioning out of the criminal justice system; and
2. Increase funding for jails to provide treatment to inmates with OUD.

G. **PREVENTION PROGRAMS**

1. Funding for media campaigns to prevent opioid use (similar to the FDA's "Real Cost" campaign to prevent youth from misusing tobacco);
2. Funding for evidence-based prevention programs in schools;
3. Funding for medical provider education and outreach regarding best prescribing practices for opioids consistent with the 2016 CDC guidelines, including providers at hospitals (academic detailing);
4. Funding for community drug disposal programs; and
5. Funding and training for first responders to participate in pre-arrest diversion programs, post-overdose response teams, or similar strategies that connect at-risk individuals to behavioral health services and supports.

H. **EXPANDING SYRINGE SERVICE PROGRAMS**

1. Provide comprehensive syringe services programs with more wrap-around services, including linkage to OUD treatment, access to sterile syringes and linkage to care and treatment of infectious diseases.

I. **EVIDENCE-BASED DATA COLLECTION AND RESEARCH ANALYZING THE EFFECTIVENESS OF THE ABATEMENT STRATEGIES WITHIN THE STATE**

Schedule B
Approved Uses

Support treatment of Opioid Use Disorder (OUD) and any co-occurring Substance Use Disorder or Mental Health (SUD/MH) conditions through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, the following:

| |
|---------------------|
| PART ONE: TREATMENT |
|---------------------|

A. TREAT OPIOID USE DISORDER (OUD)

Support treatment of Opioid Use Disorder (“*OUD*”) and any co-occurring Substance Use Disorder or Mental Health (“*SUD/MH*”) conditions through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, those that:¹⁵

1. Expand availability of treatment for OUD and any co-occurring SUD/MH conditions, including all forms of Medication-Assisted Treatment (“*MAT*”) approved by the U.S. Food and Drug Administration.
2. Support and reimburse evidence-based services that adhere to the American Society of Addiction Medicine (“*ASAM*”) continuum of care for OUD and any co-occurring SUD/MH conditions.
3. Expand telehealth to increase access to treatment for OUD and any co-occurring SUD/MH conditions, including MAT, as well as counseling, psychiatric support, and other treatment and recovery support services.
4. Improve oversight of Opioid Treatment Programs (“*OTPs*”) to assure evidence-based or evidence-informed practices such as adequate methadone dosing and low threshold approaches to treatment.
5. Support mobile intervention, treatment, and recovery services, offered by qualified professionals and service providers, such as peer recovery coaches, for persons with OUD and any co-occurring SUD/MH conditions and for persons who have experienced an opioid overdose.
6. Provide treatment of trauma for individuals with OUD (*e.g.*, violence, sexual assault, human trafficking, or adverse childhood experiences) and family members (*e.g.*, surviving family members after an overdose or overdose fatality), and training of health care personnel to identify and address such trauma.
7. Support evidence-based withdrawal management services for people with OUD and any co-occurring mental health conditions.

¹⁵ As used in this Schedule B, words like “expand,” “fund,” “provide” or the like shall not indicate a preference for new or existing programs.

8. Provide training on MAT for health care providers, first responders, students, or other supporting professionals, such as peer recovery coaches or recovery outreach specialists, including telementoring to assist community-based providers in rural or underserved areas.
9. Support workforce development for addiction professionals who work with persons with OUD and any co-occurring SUD/MH conditions.
10. Offer fellowships for addiction medicine specialists for direct patient care, instructors, and clinical research for treatments.
11. Offer scholarships and supports for behavioral health practitioners or workers involved in addressing OUD and any co-occurring SUD/MH or mental health conditions, including, but not limited to, training, scholarships, fellowships, loan repayment programs, or other incentives for providers to work in rural or underserved areas.
12. Provide funding and training for clinicians to obtain a waiver under the federal Drug Addiction Treatment Act of 2000 ("*DATA 2000*") to prescribe MAT for OUD, and provide technical assistance and professional support to clinicians who have obtained a DATA 2000 waiver.
13. Disseminate of web-based training curricula, such as the American Academy of Addiction Psychiatry's Provider Clinical Support Service–Opioids web-based training curriculum and motivational interviewing.
14. Develop and disseminate new curricula, such as the American Academy of Addiction Psychiatry's Provider Clinical Support Service for Medication–Assisted Treatment.

B. SUPPORT PEOPLE IN TREATMENT AND RECOVERY

Support people in recovery from OUD and any co-occurring SUD/MH conditions through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, the programs or strategies that:

1. Provide comprehensive wrap-around services to individuals with OUD and any co-occurring SUD/MH conditions, including housing, transportation, education, job placement, job training, or childcare.
2. Provide the full continuum of care of treatment and recovery services for OUD and any co-occurring SUD/MH conditions, including supportive housing, peer support services and counseling, community navigators, case management, and connections to community-based services.
3. Provide counseling, peer-support, recovery case management and residential treatment with access to medications for those who need it to persons with OUD and any co-occurring SUD/MH conditions.

4. Provide access to housing for people with OUD and any co-occurring SUD/MH conditions, including supportive housing, recovery housing, housing assistance programs, training for housing providers, or recovery housing programs that allow or integrate FDA-approved medication with other support services.
5. Provide community support services, including social and legal services, to assist in deinstitutionalizing persons with OUD and any co-occurring SUD/MH conditions.
6. Support or expand peer-recovery centers, which may include support groups, social events, computer access, or other services for persons with OUD and any co-occurring SUD/MH conditions.
7. Provide or support transportation to treatment or recovery programs or services for persons with OUD and any co-occurring SUD/MH conditions.
8. Provide employment training or educational services for persons in treatment for or recovery from OUD and any co-occurring SUD/MH conditions.
9. Identify successful recovery programs such as physician, pilot, and college recovery programs, and provide support and technical assistance to increase the number and capacity of high-quality programs to help those in recovery.
10. Engage non-profits, faith-based communities, and community coalitions to support people in treatment and recovery and to support family members in their efforts to support the person with OUD in the family.
11. Provide training and development of procedures for government staff to appropriately interact and provide social and other services to individuals with or in recovery from OUD, including reducing stigma.
12. Support stigma reduction efforts regarding treatment and support for persons with OUD, including reducing the stigma on effective treatment.
13. Create or support culturally appropriate services and programs for persons with OUD and any co-occurring SUD/MH conditions, including new Americans.
14. Create and/or support recovery high schools.
15. Hire or train behavioral health workers to provide or expand any of the services or supports listed above.

C. CONNECT PEOPLE WHO NEED HELP TO THE HELP THEY NEED
(CONNECTIONS TO CARE)

Provide connections to care for people who have—or are at risk of developing—OUD and any co-occurring SUD/MH conditions through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, those that:

1. Ensure that health care providers are screening for OUD and other risk factors and know how to appropriately counsel and treat (or refer if necessary) a patient for OUD treatment.
2. Fund SBIRT programs to reduce the transition from use to disorders, including SBIRT services to pregnant women who are uninsured or not eligible for Medicaid.
3. Provide training and long-term implementation of SBIRT in key systems (health, schools, colleges, criminal justice, and probation), with a focus on youth and young adults when transition from misuse to opioid disorder is common.
4. Purchase automated versions of SBIRT and support ongoing costs of the technology.
5. Expand services such as navigators and on-call teams to begin MAT in hospital emergency departments.
6. Provide training for emergency room personnel treating opioid overdose patients on post-discharge planning, including community referrals for MAT, recovery case management or support services.
7. Support hospital programs that transition persons with OUD and any co-occurring SUD/MH conditions, or persons who have experienced an opioid overdose, into clinically appropriate follow-up care through a bridge clinic or similar approach.
8. Support crisis stabilization centers that serve as an alternative to hospital emergency departments for persons with OUD and any co-occurring SUD/MH conditions or persons that have experienced an opioid overdose.
9. Support the work of Emergency Medical Systems, including peer support specialists, to connect individuals to treatment or other appropriate services following an opioid overdose or other opioid-related adverse event.
10. Provide funding for peer support specialists or recovery coaches in emergency departments, detox facilities, recovery centers, recovery housing, or similar settings; offer services, supports, or connections to care to persons with OUD and any co-occurring SUD/MH conditions or to persons who have experienced an opioid overdose.
11. Expand warm hand-off services to transition to recovery services.
12. Create or support school-based contacts that parents can engage with to seek immediate treatment services for their child; and support prevention, intervention, treatment, and recovery programs focused on young people.
13. Develop and support best practices on addressing OUD in the workplace.

14. Support assistance programs for health care providers with OUD.
15. Engage non-profits and the faith community as a system to support outreach for treatment.
16. Support centralized call centers that provide information and connections to appropriate services and supports for persons with OUD and any co-occurring SUD/MH conditions.

D. ADDRESS THE NEEDS OF CRIMINAL JUSTICE-INVOLVED PERSONS

Address the needs of persons with OUD and any co-occurring SUD/MH conditions who are involved in, are at risk of becoming involved in, or are transitioning out of the criminal justice system through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, those that:

1. Support pre-arrest or pre-arraignment diversion and deflection strategies for persons with OUD and any co-occurring SUD/MH conditions, including established strategies such as:
 1. Self-referral strategies such as the Angel Programs or the Police Assisted Addiction Recovery Initiative (“*PAARP*”);
 2. Active outreach strategies such as the Drug Abuse Response Team (“*DART*”) model;
 3. “Naloxone Plus” strategies, which work to ensure that individuals who have received naloxone to reverse the effects of an overdose are then linked to treatment programs or other appropriate services;
 4. Officer prevention strategies, such as the Law Enforcement Assisted Diversion (“*LEAD*”) model;
 5. Officer intervention strategies such as the Leon County, Florida Adult Civil Citation Network or the Chicago Westside Narcotics Diversion to Treatment Initiative; or
 6. Co-responder and/or alternative responder models to address OUD-related 911 calls with greater SUD expertise.
2. Support pre-trial services that connect individuals with OUD and any co-occurring SUD/MH conditions to evidence-informed treatment, including MAT, and related services.
3. Support treatment and recovery courts that provide evidence-based options for persons with OUD and any co-occurring SUD/MH conditions.

4. Provide evidence-informed treatment, including MAT, recovery support, harm reduction, or other appropriate services to individuals with OUD and any co-occurring SUD/MH conditions who are incarcerated in jail or prison.
5. Provide evidence-informed treatment, including MAT, recovery support, harm reduction, or other appropriate services to individuals with OUD and any co-occurring SUD/MH conditions who are leaving jail or prison or have recently left jail or prison, are on probation or parole, are under community corrections supervision, or are in re-entry programs or facilities.
6. Support critical time interventions (“CTP”), particularly for individuals living with dual-diagnosis OUD/serious mental illness, and services for individuals who face immediate risks and service needs and risks upon release from correctional settings.
7. Provide training on best practices for addressing the needs of criminal justice-involved persons with OUD and any co-occurring SUD/MH conditions to law enforcement, correctional, or judicial personnel or to providers of treatment, recovery, harm reduction, case management, or other services offered in connection with any of the strategies described in this section.

E. ADDRESS THE NEEDS OF PREGNANT OR PARENTING WOMEN AND THEIR FAMILIES, INCLUDING BABIES WITH NEONATAL ABSTINENCE SYNDROME

Address the needs of pregnant or parenting women with OUD and any co-occurring SUD/MH conditions, and the needs of their families, including babies with neonatal abstinence syndrome (“NAS”), through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, those that:

1. Support evidence-based or evidence-informed treatment, including MAT, recovery services and supports, and prevention services for pregnant women—or women who could become pregnant—who have OUD and any co-occurring SUD/MH conditions, and other measures to educate and provide support to families affected by Neonatal Abstinence Syndrome.
2. Expand comprehensive evidence-based treatment and recovery services, including MAT, for uninsured women with OUD and any co-occurring SUD/MH conditions for up to 12 months postpartum.
3. Provide training for obstetricians or other healthcare personnel who work with pregnant women and their families regarding treatment of OUD and any co-occurring SUD/MH conditions.
4. Expand comprehensive evidence-based treatment and recovery support for NAS babies; expand services for better continuum of care with infant-need dyad; and expand long-term treatment and services for medical monitoring of NAS babies and their families.

5. Provide training to health care providers who work with pregnant or parenting women on best practices for compliance with federal requirements that children born with NAS get referred to appropriate services and receive a plan of safe care.
6. Provide child and family supports for parenting women with OUD and any co-occurring SUD/MH conditions.
7. Provide enhanced family support and child care services for parents with OUD and any co-occurring SUD/MH conditions.
8. Provide enhanced support for children and family members suffering trauma as a result of addiction in the family; and offer trauma-informed behavioral health treatment for adverse childhood events.
9. Offer home-based wrap-around services to persons with OUD and any co-occurring SUD/MH conditions, including, but not limited to, parent skills training.
10. Provide support for Children's Services—Fund additional positions and services, including supportive housing and other residential services, relating to children being removed from the home and/or placed in foster care due to custodial opioid use.

| |
|----------------------|
| PART TWO: PREVENTION |
|----------------------|

F. PREVENT OVER-PRESCRIBING AND ENSURE APPROPRIATE PRESCRIBING AND DISPENSING OF OPIOIDS

Support efforts to prevent over-prescribing and ensure appropriate prescribing and dispensing of opioids through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, the following:

1. Funding medical provider education and outreach regarding best prescribing practices for opioids consistent with the Guidelines for Prescribing Opioids for Chronic Pain from the U.S. Centers for Disease Control and Prevention, including providers at hospitals (academic detailing).
2. Training for health care providers regarding safe and responsible opioid prescribing, dosing, and tapering patients off opioids.
3. Continuing Medical Education (CME) on appropriate prescribing of opioids.
4. Providing Support for non-opioid pain treatment alternatives, including training providers to offer or refer to multi-modal, evidence-informed treatment of pain.
5. Supporting enhancements or improvements to Prescription Drug Monitoring Programs ("PDMPs"), including, but not limited to, improvements that:

1. Increase the number of prescribers using PDMPs;
2. Improve point-of-care decision-making by increasing the quantity, quality, or format of data available to prescribers using PDMPs, by improving the interface that prescribers use to access PDMP data, or both; or
3. Enable states to use PDMP data in support of surveillance or intervention strategies, including MAT referrals and follow-up for individuals identified within PDMP data as likely to experience OUD in a manner that complies with all relevant privacy and security laws and rules.
6. Ensuring PDMPs incorporate available overdose/naloxone deployment data, including the United States Department of Transportation's Emergency Medical Technician overdose database in a manner that complies with all relevant privacy and security laws and rules.
7. Increasing electronic prescribing to prevent diversion or forgery.
8. Educating dispensers on appropriate opioid dispensing.

G. PREVENT MISUSE OF OPIOIDS

Support efforts to discourage or prevent misuse of opioids through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, the following:

1. Funding media campaigns to prevent opioid misuse.
2. Corrective advertising or affirmative public education campaigns based on evidence.
3. Public education relating to drug disposal.
4. Drug take-back disposal or destruction programs.
5. Funding community anti-drug coalitions that engage in drug prevention efforts.
6. Supporting community coalitions in implementing evidence-informed prevention, such as reduced social access and physical access, stigma reduction—including staffing, educational campaigns, support for people in treatment or recovery, or training of coalitions in evidence-informed implementation, including the Strategic Prevention Framework developed by the U.S. Substance Abuse and Mental Health Services Administration (“SAMHSA”).
7. Engaging non-profits and faith-based communities as systems to support prevention.

8. Funding evidence-based prevention programs in schools or evidence-informed school and community education programs and campaigns for students, families, school employees, school athletic programs, parent-teacher and student associations, and others.
9. School-based or youth-focused programs or strategies that have demonstrated effectiveness in preventing drug misuse and seem likely to be effective in preventing the uptake and use of opioids.
10. Create or support community-based education or intervention services for families, youth, and adolescents at risk for OUD and any co-occurring SUD/MH conditions.
11. Support evidence-informed programs or curricula to address mental health needs of young people who may be at risk of misusing opioids or other drugs, including emotional modulation and resilience skills.
12. Support greater access to mental health services and supports for young people, including services and supports provided by school nurses, behavioral health workers or other school staff, to address mental health needs in young people that (when not properly addressed) increase the risk of opioid or another drug misuse.

H. PREVENT OVERDOSE DEATHS AND OTHER HARMS (HARM REDUCTION)

Support efforts to prevent or reduce overdose deaths or other opioid-related harms through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, the following:

1. Increased availability and distribution of naloxone and other drugs that treat overdoses for first responders, overdose patients, individuals with OUD and their friends and family members, schools, community navigators and outreach workers, persons being released from jail or prison, or other members of the general public.
2. Public health entities providing free naloxone to anyone in the community.
3. Training and education regarding naloxone and other drugs that treat overdoses for first responders, overdose patients, patients taking opioids, families, schools, community support groups, and other members of the general public.
4. Enabling school nurses and other school staff to respond to opioid overdoses, and provide them with naloxone, training, and support.
5. Expanding, improving, or developing data tracking software and applications for overdoses/naloxone revivals.
6. Public education relating to emergency responses to overdoses.

7. Public education relating to immunity and Good Samaritan laws.
8. Educating first responders regarding the existence and operation of immunity and Good Samaritan laws.
9. Syringe service programs and other evidence-informed programs to reduce harms associated with intravenous drug use, including supplies, staffing, space, peer support services, referrals to treatment, fentanyl checking, connections to care, and the full range of harm reduction and treatment services provided by these programs.
10. Expanding access to testing and treatment for infectious diseases such as HIV and Hepatitis C resulting from intravenous opioid use.
11. Supporting mobile units that offer or provide referrals to harm reduction services, treatment, recovery supports, health care, or other appropriate services to persons that use opioids or persons with OUD and any co-occurring SUD/MH conditions.
12. Providing training in harm reduction strategies to health care providers, students, peer recovery coaches, recovery outreach specialists, or other professionals that provide care to persons who use opioids or persons with OUD and any co-occurring SUD/MH conditions.
13. Supporting screening for fentanyl in routine clinical toxicology testing.

| |
|------------------------------|
| PART THREE: OTHER STRATEGIES |
|------------------------------|

I. FIRST RESPONDERS

In addition to items in section C, D and H relating to first responders, support the following:

1. Education of law enforcement or other first responders regarding appropriate practices and precautions when dealing with fentanyl or other drugs.
2. Provision of wellness and support services for first responders and others who experience secondary trauma associated with opioid-related emergency events.

J. LEADERSHIP, PLANNING AND COORDINATION

Support efforts to provide leadership, planning, coordination, facilitations, training and technical assistance to abate the opioid epidemic through activities, programs, or strategies that may include, but are not limited to, the following:

1. Statewide, regional, local or community regional planning to identify root causes of addiction and overdose, goals for reducing harms related to the opioid epidemic, and areas and populations with the greatest needs for treatment

intervention services, and to support training and technical assistance and other strategies to abate the opioid epidemic described in this opioid abatement strategy list.

2. A dashboard to (a) share reports, recommendations, or plans to spend opioid settlement funds; (b) to show how opioid settlement funds have been spent; (c) to report program or strategy outcomes; or (d) to track, share or visualize key opioid- or health-related indicators and supports as identified through collaborative statewide, regional, local or community processes.
3. Invest in infrastructure or staffing at government or not-for-profit agencies to support collaborative, cross-system coordination with the purpose of preventing overprescribing, opioid misuse, or opioid overdoses, treating those with OUD and any co-occurring SUD/MH conditions, supporting them in treatment or recovery, connecting them to care, or implementing other strategies to abate the opioid epidemic described in this opioid abatement strategy list.
4. Provide resources to staff government oversight and management of opioid abatement programs.

K. TRAINING

In addition to the training referred to throughout this document, support training to abate the opioid epidemic through activities, programs, or strategies that may include, but are not limited to, those that:

1. Provide funding for staff training or networking programs and services to improve the capability of government, community, and not-for-profit entities to abate the opioid crisis.
2. Support infrastructure and staffing for collaborative cross-system coordination to prevent opioid misuse, prevent overdoses, and treat those with OUD and any co-occurring SUD/MH conditions, or implement other strategies to abate the opioid epidemic described in this opioid abatement strategy list (*e.g.*, health care, primary care, pharmacies, PDMPs, etc.).

L. RESEARCH

Support opioid abatement research that may include, but is not limited to, the following:

1. Monitoring, surveillance, data collection and evaluation of programs and strategies described in this opioid abatement strategy list.
2. Research non-opioid treatment of chronic pain.
3. Research on improved service delivery for modalities such as SBIRT that demonstrate promising but mixed results in populations vulnerable to opioid use disorders.

4. Research on novel harm reduction and prevention efforts such as the provision of fentanyl test strips.
5. Research on innovative supply-side enforcement efforts such as improved detection of mail-based delivery of synthetic opioids.
6. Expanded research on swift/certain/fair models to reduce and deter opioid misuse within criminal justice populations that build upon promising approaches used to address other substances (*e.g.*, Hawaii HOPE and Dakota 24/7).
7. Epidemiological surveillance of OUD-related behaviors in critical populations, including individuals entering the criminal justice system, including, but not limited to approaches modeled on the Arrestee Drug Abuse Monitoring (“*ADAM*”) system.
8. Qualitative and quantitative research regarding public health risks and harm reduction opportunities within illicit drug markets, including surveys of market participants who sell or distribute illicit opioids.
9. Geospatial analysis of access barriers to MAT and their association with treatment engagement and treatment outcomes.

EXHIBIT F

List of States and Overall Allocation Percentages

| | |
|-----------------------------|---------------|

EXHIBIT G

Subdivisions Eligible to Receive Direct Allocations from the Subdivision Fund and Default Subdivision Fund Allocation Percentages

The Subdivisions set forth on this Exhibit G are eligible to receive direct allocations from the Subdivision Fund, if such Subdivisions are otherwise eligible to receive such funds under this Agreement. By default, the Subdivisions set forth on this Exhibit G shall include: (1) all Litigating Subdivisions that are General Purpose Governments; (2) all counties and parishes in States with functional counties or parishes; (3) all Subdivisions that are the highest level of General Purpose Government in States without functional counties or parishes; and (4) all other Subdivisions that are General Purpose Governments with a population of 10,000 or greater. A State may elect to add any additional Subdivisions to this Exhibit G at any time prior to the Initial Participation Date.

Immediately upon the effectiveness of any State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by Section V.D.3 (or upon the effectiveness of an amendment to any State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by Section V.D.3) that addresses allocation from the Subdivision Fund, whether before or after the Initial Participation Date, this Exhibit G will automatically be amended to reflect the allocation from the Subdivision Fund pursuant to the State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by Section V.D.3.

For the avoidance of doubt, inclusion on this Exhibit G shall not create any claim for any amount of the Settlement Fund, and no such amounts shall be allocated or distributed to any Subdivision included herein if such Subdivision does not otherwise meet all requirements to receive any such funds pursuant to this Agreement.

The Parties recognize the benefits of remediation funds reaching all communities, including through direct payments from the Subdivision Fund. However, to promote efficiency in the use of such funds and avoid administratively-burdensome disbursements that would be too small to add a meaningful abatement response, certain Subdivisions do not receive a direct allocation from the Subdivision Fund. However, such Subdivisions will benefit from Opioid Remediation in their community, and are eligible to receive direct benefits from the Abatement Accounts Fund in their State. All settlement funds, whether allocated to a Settling State, an Abatement Accounts Fund or a Subdivision listed on this Exhibit G can be used for Opioid Remediation in communities not listed herein.

As provided by Section V.D.4.c, the Allocation Percentages shown below apply to distribution of each Settling State's Subdivision Fund in the absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust. The allocation that would have otherwise gone to General Purpose Government Subdivisions not listed below as receiving a direct allocation shall be (1) directed to the county or parish in which such Subdivision is located in Settling States with functional counties or parishes if the relevant county or parish is a Participating Subdivision or (2) to the highest-level General Purpose Government in which such Subdivision is located in Settling States without functional counties or parishes if the relevant highest-level General

Purpose Government is a Participating Subdivision. Where the relevant county, parish or highest-level General Purpose Government is not a Participating Subdivision, allocations of General Purpose Subdivisions not listed below as eligible to become Participating Subdivisions shall be allocated pursuant to Section VII.I. The redirecting of funds described in this paragraph is intended to promote the efficient use of Opioid Remediation funds while keeping, where possible, local control of the distribution of those funds.

Allocations are subject to change pursuant to a State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution.

EXHIBIT H

Participation Tier Determination¹

| Participation Tier² | Number of Settling States as of the Reference Date (or as of the Payment Date, beginning in Payment Year 3)³ | Percentage of Litigating Subdivisions in Settling States that are Participating Subdivisions and/or Subdivisions Subject to a Bar, Case-Specific Resolution, or Settlement Class Resolution in effect as of the Reference Date (or as of the Payment Date, beginning in Payment Year 3)^{4,5} ("Percentage of Litigating Subdivisions") | Percentage of Primary Subdivisions that are Non-Litigating Subdivisions in Settling States that are Participating Subdivisions and/or Subdivisions Subject to a Bar, Case-Specific Resolution, or Settlement Class Resolution in effect as of the Reference Date (or as of the Payment Date, beginning in Payment Year 3) ("Percentage of Non-Litigating Subdivisions") |
|---------------------------------------|--|--|--|
| 1 | 44 out of 49 | 95% | 90% (Primary Subdivisions only) |
| 2 | 45 out of 49 | 96% | 96% (Primary Subdivisions only) |
| 3 | 46 out of 49 | 97% | 97% (Primary Subdivisions only) |
| 4 | 48 out of 49 | 98% | 97% (Primary Subdivisions only) |

¹ For the avoidance of doubt, the determinations that a sufficient number of states have agreed to be Settling States and there has been sufficient resolution of the Claims of the Litigating Subdivisions in the Settling States as described in the preamble, Section II.A and Section VIII.A remain in the sole discretion of the Settling Distributors.

² In order to qualify for the relevant tier, the minimum amounts listed in each of the "Number of Settling States," "Percentage of Litigating Subdivisions," and "Percentage of Non-Litigating Primary Subdivisions" columns must be met or surpassed.

³ For the sole purpose of the Participation Tier determination under this Exhibit H, the States used to calculate each criterion (including the Percentage of Litigating Subdivisions and Percentage of Non-Litigating Subdivisions) will include each of the 50 states in the United States, except West Virginia, for a total of 49 states. For the avoidance of doubt, notwithstanding the definition of "State" in Section I.TTT or Exhibit F, neither Washington, D.C., nor any territory of the United States will be included for purposes of determining the participation tier under this Exhibit H.

⁴ School Districts, Health Districts, Hospital Districts, Library Districts and Fire Districts that satisfy the definition of Litigating Subdivision will be included for purposes of determining the Percentage of Litigating Subdivisions. These categories of Special District shall have their population measured as set forth in Section XIV.B. Any other Special Districts that satisfy the definition of Litigating Subdivisions will not be included for purposes of calculating the Participation Tier.

The Percentage of Litigating Subdivisions and Percentage of Non-Litigating Primary Subdivisions will be calculated as follows: each Litigating Subdivision and each Non-Litigating Subdivision in the 49 states used to calculate the Participation Tier will be assigned a metric reflecting both population and severity (the "Population-Severity Metric"). The Population-Severity Metric shall be the Subdivision's population plus the Subdivision's population multiplied by the severity factor for the State of the Subdivision (the severity factors for each State are attached as Exhibit X hereto) and then divided in two, thus giving fifty percent (50%) weight to each of population and population multiplied by the severity factor. The denominator for each Percentage shall be the sum total of the Population-Severity Metric for all the Subdivisions in the relevant category (Litigating Subdivisions or Non-Litigating Primary Subdivisions) in the Settling States, notwithstanding that persons may be included within the population (and therefore the Population-Severity Metric) of more than one Subdivision. The numerator will be the sum total of the Population-Severity Metrics of all Subdivisions in the relevant category of Subdivision (*i.e.*, Litigating Subdivisions or Non-Litigating Subdivisions that are also Primary Subdivisions) in the Settling States that are either Participating Subdivisions or are subject to a Bar, Case-Specific Resolution, or Settlement Class Resolution, notwithstanding that persons may be included within the population of more than one Subdivision. An

individual Litigating Subdivision shall not be included more than once in the numerator, and shall not be included more than once in the denominator, of the calculation regardless if it (or any of its officials) is named as multiple plaintiffs in the same lawsuit; *provided, however*, that for the avoidance of doubt, no Litigating Subdivision will be excluded from the numerator or denominator under this sentence unless a Litigating Subdivision otherwise counted in the denominator has the authority to release the Claims (consistent with Section XI) of the Litigating Subdivision to be excluded.

For the avoidance of doubt, Subdivisions in Non-Settling States are excluded from both the denominator and numerator of the calculations for the Percentage of Litigating Subdivisions and Percentage of Non-Litigating Primary Subdivisions.

- ⁵ During the period when the Participation Tier is redetermined annually, Later Participating Subdivisions described in Section VII.E.3 or Section VII.E.4 shall not be included as Participating Subdivisions, and for Subdivisions subject to a Bar, Case-Specific Resolution, or Settlement Class Resolution to be included, the Bar, Case-Specific Resolution, or Settlement Class Resolution must have been in effect both as of the relevant Payment Date and for the entire period since the prior Payment Date.

EXHIBIT I

Primary Subdivisions¹⁶

EXHIBIT K

Subdivision Settlement Participation Form

| | |
|----------------------|--------|
| Governmental Entity: | State: |
| Authorized Official: | |
| Address 1: | |
| Address 2: | |
| City, State, Zip: | |
| Phone: | |
| Email: | |

The governmental entity identified above ("*Governmental Entity*"), in order to obtain and in consideration for the benefits provided to the Governmental Entity pursuant to the Settlement Agreement dated July 21, 2021 ("*Distributor Settlement*"), and acting through the undersigned authorized official, hereby elects to participate in the Distributor Settlement, release all Released Claims against all Released Entities, and agrees as follows.

1. The Governmental Entity is aware of and has reviewed the Distributor Settlement, understands that all terms in this Participation Form have the meanings defined therein, and agrees that by signing this Participation Form, the Governmental Entity elects to participate in the Distributor Settlement and become a Participating Subdivision as provided therein.
2. The Governmental Entity shall, within 14 days of the Reference Date and prior to the filing of the Consent Judgment, secure the dismissal with prejudice of any Released Claims that it has filed.
3. The Governmental Entity agrees to the terms of the Distributor Settlement pertaining to Subdivisions as defined therein.
4. By agreeing to the terms of the Distributor Settlement and becoming a Releasor, the Governmental Entity is entitled to the benefits provided therein, including, if applicable, monetary payments beginning after the Effective Date.
5. The Governmental Entity agrees to use any monies it receives through the Distributor Settlement solely for the purposes provided therein.
6. The Governmental Entity submits to the jurisdiction of the court in the Governmental Entity's state where the Consent Judgment is filed for purposes limited to that court's role as provided in, and for resolving disputes to the extent provided in, the Distributor Settlement. The Governmental Entity likewise agrees to arbitrate before the National Arbitration Panel as provided in, and for resolving disputes to the extent otherwise provided in, the Distributor Settlement.

7. The Governmental Entity has the right to enforce the Distributor Settlement as provided therein.
8. The Governmental Entity, as a Participating Subdivision, hereby becomes a Releasor for all purposes in the Distributor Settlement, including, but not limited to, all provisions of Part XI, and along with all departments, agencies, divisions, boards, commissions, districts, instrumentalities of any kind and attorneys, and any person in their official capacity elected or appointed to serve any of the foregoing and any agency, person, or other entity claiming by or through any of the foregoing, and any other entity identified in the definition of Releasor, provides for a release to the fullest extent of its authority. As a Releasor, the Governmental Entity hereby absolutely, unconditionally, and irrevocably covenants not to bring, file, or claim, or to cause, assist or permit to be brought, filed, or claimed, or to otherwise seek to establish liability for any Released Claims against any Released Entity in any forum whatsoever. The releases provided for in the Distributor Settlement are intended by the Parties to be broad and shall be interpreted so as to give the Released Entities the broadest possible bar against any liability relating in any way to Released Claims and extend to the full extent of the power of the Governmental Entity to release claims. The Distributor Settlement shall be a complete bar to any Released Claim.
9. The Governmental Entity hereby takes on all rights and obligations of a Participating Subdivision as set forth in the Distributor Settlement.
10. In connection with the releases provided for in the Distributor Settlement, each Governmental Entity expressly waives, releases, and forever discharges any and all provisions, rights, and benefits conferred by any law of any state or territory of the United States or other jurisdiction, or principle of common law, which is similar, comparable, or equivalent to § 1542 of the California Civil Code, which reads:

General Release; extent. A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release, and that if known by him or her would have materially affected his or her settlement with the debtor or released party.

A Releasor may hereafter discover facts other than or different from those which it knows, believes, or assumes to be true with respect to the Released Claims, but each Governmental Entity hereby expressly waives and fully, finally, and forever settles, releases and discharges, upon the Effective Date, any and all Released Claims that may exist as of such date but which Releasors do not know or suspect to exist, whether through ignorance, oversight, error, negligence or through no fault whatsoever, and which, if known, would materially affect the Governmental Entities' decision to participate in the Distributor Settlement.

11. Nothing herein is intended to modify in any way the terms of the Distributor Settlement, to which Governmental Entity hereby agrees. To the extent this Participation Form is interpreted differently from the Distributor Settlement in any respect, the Distributor Settlement controls.

I have all necessary power and authorization to execute this Participation Form on behalf of the Governmental Entity.

EXHIBIT O

Adoption of a State-Subdivision Agreement

A State-Subdivision Agreement shall be applied if it meets the requirements of Section V and is approved by the State and by the State's Subdivisions as follows:

1. *Requirements for Approval.* A State-Subdivision Agreement shall be agreed when it has been approved by the State and either (a) Subdivisions whose aggregate "*Population Percentages*," determined as set forth below, total more than sixty percent (60%), or (b) Subdivisions whose aggregate Population Percentages total more than fifty percent (50%) provided that these Subdivisions also represent fifteen percent (15%) or more of the State's counties or parishes (or, in the case of Settling States whose counties and parishes that do not function as local governments, fifteen percent (15%) of or more of the Settling State's General Purpose Governments that qualify as Subdivisions), by number.

2. *Approval Authority.* Approval by the State shall be by the Attorney General. Approval by a Subdivision shall be by the appropriate official or legislative body pursuant to the required procedures for that Subdivision to agree to a legally binding settlement.

3. *Population Percentage Calculation.* For purposes of this Exhibit O only, Population Percentages shall be determined as follows: For States with functional counties or parishes¹⁷, the Population Percentage of each county or parish shall be deemed to be equal to (a) (1) two hundred percent (200%) of the population of such county or parish, minus (2) the aggregate population of all Primary Incorporated Municipalities located in such county or parish, divided by (b) two hundred percent (200%) of the State's population. A "*Primary Incorporated Municipality*" means a city, town, village or other municipality incorporated under applicable state law with a population of at least 25,000 that is not located within another incorporated municipality. The Population Percentage of each Primary Incorporated Municipality shall be equal to its population (including the population of any incorporated or unincorporated municipality located therein) divided by two hundred percent (200%) of the State's population; *provided that* the Population Percentage of a Primary Incorporated Municipality that is not located within a county shall be equal to two hundred percent (200%) of its population (including the population of any incorporated or unincorporated municipality located therein) divided by two hundred percent (200%) of the State's population. For all States that do not have functional counties or parishes, the Population Percentage of each General Purpose Government (including any incorporated or unincorporated municipality located therein), shall be equal to its population divided by the State's population.

4. *Preexisting Agreements and Statutory Provisions.* A State may include with the notice to its Subdivisions an existing agreement, a proposed agreement, or statutory provisions regarding the distribution and use of settlement funds and have the acceptance of such an agreement or statutory provision be part of the requirements to be an Initial Participating Subdivision.

¹⁷ Certain states do not have counties or parishes that have functional governments, including: Alaska, Connecticut, Massachusetts, Rhode Island, and Vermont.

5. *Revised Agreements.* A State-Subdivision Agreement that has been revised, supplemented, or refined shall be applied if it meets the requirements of Section V and is approved by the State and by the State's Subdivisions pursuant to the terms above.

EXHIBIT P

Injunctive Relief

I. INTRODUCTION

- A. Within ninety (90) days of the Effective Date unless otherwise set forth herein, each Injunctive Relief Distributor shall implement the injunctive relief terms set forth in Sections II through XIX (the “*Injunctive Relief Terms*”) in its Controlled Substance Monitoring Program (“*CSMP*”).
- B. The Effective Date of these Injunctive Relief Terms shall be defined by Section I.P of the Settlement Agreement, dated as of July 21, 2021, which incorporates these Injunctive Relief Terms as Exhibit P.

II. TERM AND SCOPE

- A. The duration of the Injunctive Relief Terms contained in Sections IV through XVI shall be ten (10) years from the Effective Date.
- B. McKesson Corporation, Cardinal Health, Inc., and AmerisourceBergen Corporation are referred to collectively throughout these Injunctive Relief Terms as the “*Injunctive Relief Distributors*” or individually as an “*Injunctive Relief Distributor*.” Each Injunctive Relief Distributor is bound by the terms herein.
- C. The requirements contained in Sections VIII through XV shall apply to the distribution of Controlled Substances to Customers by each Injunctive Relief Distributor’s Full-Line Wholesale Pharmaceutical Distribution Business, including by any entities acquired by the Injunctive Relief Distributors that are engaged in the Full-Line Wholesale Pharmaceutical Distribution Business. The prior sentence is not limited to activity physically performed at each Injunctive Relief Distributor’s distribution centers and includes activity covered by the prior sentence performed by each Injunctive Relief Distributor at any physical location, including at its corporate offices or at the site of a Customer with respect to Sections III through XV.

III. DEFINITIONS

- A. “*Audit Report*.” As defined in Section XVIII.H.3.
- B. “*Chain Customers*.” Chain retail pharmacies that have centralized corporate headquarters and have multiple specific retail pharmacy locations from which Controlled Substances are dispensed to individual patients.
- C. “*Chief Diversion Control Officer*.” As defined in Section IV.A.
- D. “*Clearinghouse*.” The system established by Section XVII.

- E. “*Clearinghouse Advisory Panel.*” As defined in Section XVII.B.4.
- F. “*Controlled Substances.*” Those substances designated under schedules II-V pursuant to the federal Controlled Substances Act and the laws and regulations of the Settling States that incorporate federal schedules II-V. For purposes of the requirements of the Injunctive Relief Terms, Gabapentin shall be treated as a Controlled Substance, except for purposes of Section XII for Customers located in States that do not regulate it as a controlled substance or similar designation (e.g., drug of concern).
- G. “*Corrective Action Plan.*” As defined in Section XIX.B.7.b.
- H. “*CSMP.*” As defined in Section I.A.
- I. “*CSMP Committee.*” As defined in Section VI.A.
- J. “*Customers.*” Refers collectively to current, or where applicable potential, Chain Customers and Independent Retail Pharmacy Customers. “Customers” do not include long-term care facilities, hospital pharmacies, and pharmacies that serve exclusively inpatient facilities.
- K. “*Data Security Event.*” Refers to any compromise, or threat that gives rise to a reasonable likelihood of compromise, by unauthorized access or inadvertent disclosure impacting the confidentiality, integrity, or availability of Dispensing Data.
- L. “*Dispensing Data.*” Includes, unless altered by the Clearinghouse Advisory Panel: (i) unique patient IDs; (ii) patient zip codes; (iii) the dates prescriptions were dispensed; (iv) the NDC numbers of the drugs dispensed; (v) the quantities of drugs dispensed; (vi) the day’s supply of the drugs dispensed; (vii) the methods of payment for the drugs dispensed; (viii) the prescribers’ names; (ix) the prescribers’ NPI or DEA numbers; and (x) the prescribers’ zip codes or addresses. The Clearinghouse will be solely responsible for collecting Dispensing Data.
- M. “*Draft Report.*” As defined in Section XVIII.H.1.
- N. “*Effective Date.*” As defined in Section I.B.
- O. “*Full-Line Wholesale Pharmaceutical Distribution Business.*” Activity engaged in by distribution centers with a primary business of supplying a wide range of branded, generic, over-the-counter and specialty pharmaceutical products to Customers.
- P. “*Highly Diverted Controlled Substances.*” Includes: (i) oxycodone; (ii) hydrocodone; (iii) hydromorphone; (iv) tramadol; (v) oxymorphone; (vi) morphine; (vii) methadone; (viii) carisoprodol; (ix) alprazolam; and (x) fentanyl. The Injunctive Relief Distributors shall confer annually and review this list to determine whether changes are appropriate and shall add Controlled Substances to

the list of Highly Diverted Controlled Substances as needed based on information provided by the DEA and/or other sources related to drug diversion trends. The Injunctive Relief Distributors shall notify the State Compliance Review Committee and the Monitor of any additions to the list of Highly Diverted Controlled Substances. Access to Controlled Substances predominately used for Medication-Assisted Treatment shall be considered when making such additions.

- Q. “*Independent Retail Pharmacy Customers.*” Retail pharmacy locations that do not have centralized corporate headquarters and dispense Controlled Substances to individual patients.
- R. “*Injunctive Relief Distributors.*” As defined in Section II.B.
- S. “*Injunctive Relief Terms.*” As defined in Section I.A.
- T. “*Monitor.*” As defined in Section XVIII.A.
- U. “*National Arbitration Panel.*” As defined by Section I.GG of the Settlement Agreement, dated as of July 21, 2021, which incorporates these Injunctive Relief Terms as Exhibit P.
- V. “*NDC.*” National Drug Code.
- W. “*non-Controlled Substance.*” Prescription medications that are not Controlled Substances.
- X. “*Notice of Potential Violation.*” As defined in Section XIX.B.2.
- Y. “*Order.*” A unique Customer request on a specific date for (i) a certain amount of a specific dosage form or strength of a Controlled Substance or (ii) multiple dosage forms and/or strengths of a Controlled Substance. For the purposes of this definition, each line item on a purchasing document or DEA Form 222 is a separate order, except that a group of line items either in the same drug family or DEA base code (based upon the structure of a Injunctive Relief Distributor’s CSMP) may be considered to be a single order.
- Z. “*Pharmacy Customer Data.*” Aggregated and/or non-aggregated data provided by the Customer for a 90-day period.
 - 1. To the extent feasible based on the functionality of a Customer’s pharmacy management system, Pharmacy Customer Data shall contain (or, in the case of non-aggregated data, shall be sufficient to determine) the following:
 - a) A list of the total number of prescriptions and dosage units for each NDC for all Controlled Substances and non-Controlled Substances;

- b) A list of the top five prescribers of each Highly Diverted Controlled Substance by dosage volume and the top ten prescribers of all Highly Diverted Controlled Substances combined by dosage volume. For each prescriber, the data shall include the following information:
 - (1) Number of prescriptions and doses prescribed for each Highly Diverted Controlled Substance NDC;
 - (2) Number of prescriptions for each unique dosage amount (number of pills per prescription) for each Highly Diverted Controlled Substance NDC;
 - (3) Prescriber name, DEA registration number, and address; and
 - (4) Medical practice/specialties, if available;
 - c) Information on whether the method of payment was cash for (a) Controlled Substances, and (b) non-Controlled Substances; and
 - d) Information on top ten patient residential areas by five-digit ZIP code prefix for filled Highly Diverted Controlled Substances by dosage volume, including number of prescriptions and doses for each Highly Diverted Controlled Substance NDC.
2. Injunctive Relief Distributors are not required to obtain Pharmacy Customer Data for all Customers. Pharmacy Customer Data only needs to be obtained under circumstances required by the Injunctive Relief Terms and the applicable CSMP policies and procedures. Each Injunctive Relief Distributor's CSMP policies and procedures shall describe the appropriate circumstances under which and methods to be used to obtain and analyze Pharmacy Customer Data.
3. Injunctive Relief Distributors shall only collect, use, disclose or retain Pharmacy Customer Data consistent with applicable federal and state privacy and consumer protections laws. Injunctive Relief Distributors shall not be required to collect, use, disclose or retain any data element that is prohibited by law or any element that would require notice to or consent from the party who is the subject of the data element, including, but not limited to, a third party (such as a prescriber) to permit collection, use, disclosure and/or retention of the data.
- AA. *"Potential Violation."* As defined in Section XIX.B.1.
- BB. *"Reporting Periods."* As defined in Section XVIII.C.1.

- CC. “*Settling State*.” As defined by Section I.OOO of the Settlement Agreement, dated as of July 21, 2021, which incorporates these Injunctive Relief Terms as Exhibit P.
- DD. “*State Compliance Review Committee*.” The initial State Compliance Review Committee members are representatives from the Attorneys General Offices of Connecticut, Florida, New York, North Carolina, Tennessee, and Texas. The membership of the State Compliance Review Committee may be amended at the discretion of the Settling States.
- EE. “*Suspicious Orders*.” As defined under federal law and regulation and the laws and regulations of the Settling States that incorporate the federal Controlled Substances Act. Suspicious Orders currently include, but are not limited to, orders of unusual size, orders deviating substantially from a normal pattern, and orders of unusual frequency.
- FF. “*Threshold*.” The total volume of a particular drug family, DEA base code, or a particular formulation of a Controlled Substance that an Injunctive Relief Distributor shall allow a Customer to purchase in any particular period. This term may be reassessed during Phase 2-B of the Clearinghouse.
- GG. “*Third Party Request*.” A request from an entity other than an Injunctive Relief Distributor, a Settling State, or the Monitor pursuant to a subpoena, court order, data practices act, freedom of information act, public information act, public records act, or similar law.
- HH. “*Top Prescriber*.” A prescriber who, for a Customer, is either (i) among the top five (5) prescribers of each Highly Diverted Controlled Substance or (ii) among the top ten (10) prescribers of Highly Diverted Controlled Substances combined, as determined from the most recent Pharmacy Customer Data for that Customer.

IV. CSMP PERSONNEL

- A. Each Injunctive Relief Distributor shall establish or maintain the position of Chief Diversion Control Officer, or other appropriately titled position, to oversee the Injunctive Relief Distributor’s CSMP. The Chief Diversion Control Officer shall have appropriate experience regarding compliance with the laws and regulations concerning Controlled Substances, in particular laws and regulations requiring effective controls against the potential diversion of Controlled Substances. The Chief Diversion Control Officer shall report directly to either the senior executive responsible for U.S. pharmaceutical distribution or the most senior legal officer at the Injunctive Relief Distributor.
- B. The Chief Diversion Control Officer shall be responsible for the approval of material revisions to the CSMP.
- C. The Chief Diversion Control Officer shall provide at least quarterly reports to the CSMP Committee regarding the Injunctive Relief Distributor’s operation of the

CSMP, including the implementation of any changes to the CSMP required by these Injunctive Relief Terms.

- D. An Injunctive Relief Distributor's CSMP functions, including, but not limited to, the onboarding and approval of new Customers for the sale of Controlled Substances, setting and adjusting Customer Thresholds for Controlled Substances, terminating or suspending Customers, and submitting Suspicious Orders and other reports to Settling States (or the Clearinghouse, when operational), but excluding support necessary to perform these functions, shall be conducted exclusively by the Injunctive Relief Distributor's CSMP personnel or qualified third-party consultants.
- E. Staffing levels of each Injunctive Relief Distributor's CSMP department shall be reviewed periodically, but at least on an annual basis, by the Injunctive Relief Distributor's CSMP Committee. This review shall include consideration of relevant developments in technology, law, and regulations to ensure the necessary resources are in place to carry out the program in an effective manner.
- F. Personnel in an Injunctive Relief Distributor's CSMP department shall not report to individuals in an Injunctive Relief Distributor's sales department, and sales personnel shall not be authorized to make decisions regarding the promotion, compensation, demotion, admonition, discipline, commendation, periodic performance reviews, hiring, or firing of CSMP personnel.
- G. The CSMP policies and procedures shall be published in a form and location readily accessible to all CSMP personnel at each Injunctive Relief Distributor.

V. INDEPENDENCE

- A. For each Injunctive Relief Distributor, sales personnel compensated with commissions shall not be compensated based on revenue or profitability targets or expectations for sales of Controlled Substances. However, each Injunctive Relief Distributor's personnel may, as applicable, be compensated (including incentive compensation) based on formulas that include total sales for all of the Injunctive Relief Distributor's products, including Controlled Substances. The compensation of sales personnel shall not include incentive compensation tied solely to sales of Controlled Substances.
- B. For any Injunctive Relief Distributor personnel who are compensated at least in part based on Customer sales, the Injunctive Relief Distributor shall ensure the compensation of such personnel is not decreased by a CSMP-related suspension or termination of a Customer or as a direct result of the reduction of sales of Controlled Substances to a Customer pursuant to the CSMP.
- C. The Injunctive Relief Distributors' sales personnel shall not be authorized to make decisions regarding the implementation of CSMP policies and procedures, the design of the CSMP, the setting or adjustment of Thresholds, or other actions

taken pursuant to the CSMP, except sales personnel must provide information regarding compliance issues to CSMP personnel promptly. The Injunctive Relief Distributors' sales personnel are prohibited from interfering with, obstructing, or otherwise exerting control over any CSMP department decision-making.

- D. Each Injunctive Relief Distributor shall review its compensation and non-retaliation policies and, if necessary, modify and implement changes to those policies to effectuate the goals of, and incentivize compliance with, the CSMP.
- E. Each Injunctive Relief Distributor shall maintain a telephone, email, and/or web-based "hotline" to permit employees and/or Customers to anonymously report suspected diversion of Controlled Substances or violations of the CSMP, Injunctive Relief Distributor company policy related to the distribution of Controlled Substances, or applicable law. Each Injunctive Relief Distributor shall share the hotline contact information with their employees and Customers. Each Injunctive Relief Distributor shall maintain all complaints made to the hotline, and document the determinations and bases for those determinations made in response to all complaints.

VI. **OVERSIGHT**

- A. To the extent not already established, each Injunctive Relief Distributor shall establish a committee that includes senior executives with responsibility for legal, compliance, distribution and finance to provide oversight over its CSMP (the "*CSMP Committee*"). The Chief Diversion Control Officer shall be a member of the CSMP Committee. The CSMP Committee shall not include any employee(s) or person(s) performing any sales functions on behalf of the Injunctive Relief Distributor; provided that service on the CSMP Committee by any senior executives listed in this paragraph whose responsibilities may include, but are not limited to, management of sales functions shall not constitute a breach of the Injunctive Relief Terms.
- B. Each Injunctive Relief Distributor's CSMP Committee shall have regular meetings during which the Chief Diversion Control Officer shall present to the CSMP Committee with respect to, and the CSMP Committee shall evaluate, among other things: (1) any material modifications and potential enhancements to the CSMP including, but not limited to, those relating to Customer due diligence and Suspicious Order monitoring and reporting; (2) any significant new national and regional diversion trends involving Controlled Substances; (3) the Injunctive Relief Distributor's adherence to the CSMP policies and procedures, the Injunctive Relief Terms, and applicable laws and regulations governing the distribution of Controlled Substances; and (4) any technology, staffing, or other resource needs for the CSMP. The CSMP Committee shall have access to all CSMP reports. The CSMP Committee will review and approve the specific metrics used to identify the Red Flags set forth in Section VIII.

- C. On a quarterly basis, each Injunctive Relief Distributor's CSMP Committee shall send a written report to the Injunctive Relief Distributor's Chief Executive, Chief Financial, and Chief Legal Officer, as well as its Board of Directors, addressing: (1) the Injunctive Relief Distributor's substantial adherence to the CSMP policies and procedures, the Injunctive Relief Terms, and applicable laws and regulations governing the distribution of Controlled Substances; (2) recommendations as appropriate about the allocation of resources to ensure the proper functioning of the Injunctive Relief Distributor's CSMP; and (3) significant revisions to the CSMP. The Board of Directors or a committee thereof at each Injunctive Relief Distributor shall document in its minutes its review of the quarterly CSMP Committee reports.
- D. To the extent not already established, the Board of Directors of each Injunctive Relief Distributor shall establish its own compliance committee (the "*Board Compliance Committee*") to evaluate, at a minimum, and on a quarterly basis: (1) the CSMP Committee's written reports; (2) the Injunctive Relief Distributor's substantial adherence to the CSMP policies and procedures, the Injunctive Relief Terms, and applicable laws and regulations governing the distribution of Controlled Substances; (3) the Injunctive Relief Distributor's code of conduct and any whistleblower reporting policies, including those prescribed by Section V.E; and (4) any significant regulatory and/or government enforcement matters within the review period relating to the distribution of Controlled Substances. An Injunctive Relief Distributor meets this requirement if it established, prior to the Effective Date, multiple committees of its Board of Directors that together have responsibilities outlined in this paragraph.
- E. The Board Compliance Committee shall have the authority to: (1) require management of the Injunctive Relief Distributor to conduct audits on any CSMP or legal and regulatory concern pertaining to Controlled Substances distribution, and to update its full Board of Directors on those audits; (2) to commission studies, reviews, reports, or surveys to evaluate the Injunctive Relief Distributor's CSMP performance; (3) request meetings with the Injunctive Relief Distributor's management and CSMP staff; and (4) review the appointment, compensation, performance, and replacement of the Injunctive Relief Distributor's Chief Diversion Control Officer.

VII. MANDATORY TRAINING

- A. Each Injunctive Relief Distributor shall require all new CSMP personnel to attend trainings on its CSMP, its obligations under the Injunctive Relief Terms, and its duties with respect to maintaining effective controls against potential diversion of Controlled Substances and reporting Suspicious Orders pursuant to state and federal laws and regulations prior to conducting any compliance activities for the Injunctive Relief Distributor without supervision.
- B. Each Injunctive Relief Distributor shall provide annual trainings to CSMP personnel on its CSMP, its obligations under the Injunctive Relief Terms, and its

duties to maintain effective controls against potential diversion of Controlled Substances and report Suspicious Orders pursuant to state and federal laws and regulations.

- C. On an annual basis, each Injunctive Relief Distributor shall test its CSMP personnel on their knowledge regarding its CSMP, its obligations under the Injunctive Relief Terms, and its duties to maintain effective controls against potential diversion of Controlled Substances and to report Suspicious Orders pursuant to state and federal laws and regulations.
- D. Each Injunctive Relief Distributor shall train all third-party compliance consultants (defined as non-employees who are expected to devote fifty percent (50%) or more of their time to performing work related to the Injunctive Relief Distributor's CSMP, excluding information technology consultants not engaged in substantive functions related to an Injunctive Relief Distributor's CSMP) performing compliance functions for the Injunctive Relief Distributor in the same manner as the Injunctive Relief Distributor's CSMP personnel.
- E. At least every three (3) years in the case of existing employees, and within the first six months of hiring new employees, each Injunctive Relief Distributor shall require operations, sales, and senior executive employees to attend trainings on its CSMP, its obligations under the Injunctive Relief Terms, the hotline established in Section V.E, and its duties to maintain effective controls against potential diversion of Controlled Substances and report Suspicious Orders pursuant to state and federal laws and regulations.

VIII. RED FLAGS

- A. Within one hundred and twenty days (120) of the Effective Date, each Injunctive Relief Distributor shall, at a minimum, apply specific metrics to identify the potential Red Flags described in Section VIII.D with respect to Independent Retail Pharmacy Customers. For Chain Customers, the metrics used to identify the Red Flags described in Section VIII.D may be adjusted based on the specific business model and supplier relationships of the Chain Customer.
- B. Each Injunctive Relief Distributor shall evaluate and, if necessary, enhance or otherwise adjust the specific metrics it uses to identify Red Flags set forth in Section VIII.D.
- C. Each Injunctive Relief Distributor shall provide annually to the Monitor the specific metrics it uses to identify Red Flags as set forth in Section VIII.D. The Monitor shall review the metrics used to identify Red Flags as set forth in Section VIII.D to assess whether the metrics are reasonable. The Monitor may, at its discretion, suggest revisions to the metrics in the annual Audit Report as part of the Red Flags Review set forth in Section XVIII.F.3.f. Each Injunctive Relief Distributor may rely on its specific metrics to comply with the requirements of

Section VIII unless and until the Monitor proposes a revised metric in connection with Section XVIII.H.

D. For purposes of the Injunctive Relief Terms, “*Red Flags*” are defined as follows:

1. **Ordering ratio of Highly Diverted Controlled Substances to non-Controlled Substances:** Analyze the ratio of the order volume of all Highly Diverted Controlled Substances to the order volume of all non-Controlled Substances to identify Customers with significant rates of ordering Highly Diverted Controlled Substances.
2. **Ordering ratio of Highly Diverted Controlled Substance base codes or drug families to non-Controlled Substances:** Analyze the ratio of the order volume of each Highly Diverted Controlled Substance base code or drug family to the total order volume of all non-Controlled Substances to identify Customers with significant rates of ordering each Highly Diverted Controlled Substance base code or drug family.
3. **Excessive ordering growth of Controlled Substances:** Analyze significant increases in the ordering volume of Controlled Substances using criteria to identify customers that exhibit percentage growth of Controlled Substances substantially in excess of the percentage growth of non-Controlled Substances.
4. **Unusual formulation ordering:** Analyze ordering of Highly Diverted Controlled Substances to identify customers with significant ordering of high-risk formulations. High-risk formulations include, but are not limited to, 10mg hydrocodone, 8mg hydromorphone, 2mg alprazolam, single-ingredient buprenorphine (*i.e.*, buprenorphine without naloxone), and highly-abused formulations of oxycodone. On an annual basis (or as otherwise necessary), high-risk formulations of Highly Diverted Controlled Substances may be added, removed, or revised based on the Injunctive Relief Distributors’ assessment and regulatory guidance.
5. **Out-of-area patients:** Analyze Pharmacy Customer Data or Dispensing Data to assess volume of prescriptions for Highly Diverted Controlled Substances for out-of-area patients (based on number of miles traveled between a patient’s zip code and the pharmacy location, depending on the geographic area of interest) taking into consideration the percentage of out-of-area patients for non-Controlled Substances.
6. **Cash prescriptions:** Analyze Pharmacy Customer Data or Dispensing Data to assess percentage of cash payments for purchases of Controlled Substances taking into consideration the percentage of cash payments for purchases of non-Controlled Substances.

7. **Prescriber activity of Customers:** Analyze Pharmacy Customer Data or Dispensing Data to identify Customers that are dispensing Highly Diverted Controlled Substance prescriptions for Top Prescribers as follows:
 - a) Top Prescribers representing a significant volume of dispensing where the prescriber's practice location is in excess of 50 miles from the pharmacy ("out-of-area"), relative to the percentage of out-of-area prescriptions for non-Controlled Substances.
 - b) Top Prescribers representing prescriptions for the same Highly Diverted Controlled Substances in the same quantities and dosage forms indicative of pattern prescribing (e.g., a prescriber providing many patients with the same high-dose, high-quantity supply of 30mg oxycodone HCL prescription without attention to the varying medical needs of the prescriber's patient population).
 - c) Top Prescribers where the top five (5) or fewer prescribers represent more than fifty percent (50%) of total prescriptions for Highly Diverted Controlled Substances during a specified period.
 8. **Public regulatory actions against Customers:** Review information retrieved from companies that provide licensing and disciplinary history records (e.g., LexisNexis), and/or other public sources, including governmental entities, showing that the Customer, pharmacists working for that Customer, or the Customer's Top Prescribers have been subject, in the last five (5) years, to professional disciplinary sanctions regarding the dispensing or handling of Controlled Substances or law enforcement action related to Controlled Substances diversion. Continued licensing by a relevant state agency may be considered, but shall not be dispositive, in resolving the Red Flag. For Chain Customer locations, representations from each Chain Customer that it reviews its pharmacists' licensing statuses annually and for the regulatory actions described in this paragraph has either (i) taken appropriate employment action, or (ii) disclosed the regulatory action to the Injunctive Relief Distributor, may be considered in resolving the Red Flag.
 9. **Customer termination data:** Review information from the Injunctive Relief Distributor's due diligence files and, when operable, from the Clearinghouse, subject to Section VIII.F, regarding Customers that have been terminated from ordering Controlled Substances by another distributor due to concerns regarding Controlled Substances.
- E. For any Red Flag evaluation in Section VIII.D that may be performed using Pharmacy Customer Data or Dispensing Data, an Injunctive Relief Distributor will analyze the Red Flag using Pharmacy Customer Data, to the extent feasible based on the functionality of a Customer's pharmacy management system, until

Dispensing Data is collected and analyzed by the Clearinghouse as described in Section XVII. Until Dispensing Data is collected and analyzed by the Clearinghouse, an Injunctive Relief Distributor may satisfy the Red Flag evaluations in Sections VIII.D.5 through VIII.D.7 by engaging in considerations of out-of-area patients, cash payments for prescriptions and Top Prescribers without satisfying the specific requirements of Sections VIII.D.5 through VIII.D.7. In the event that the Clearinghouse is not collecting and analyzing Dispensing Data within two years of the Effective Date, the Injunctive Relief Distributors and the State Compliance Review Committee shall meet and confer to consider alternatives for the performance of the analysis required by Sections VIII.D.5 through VIII.D.7 using Pharmacy Customer Data.

- F. As provided for in Section XVII.C.4, the foregoing Red Flag evaluations may be performed by the Clearinghouse and reported to the relevant Injunctive Relief Distributors.
- G. The Injunctive Relief Distributors and the State Compliance Review Committee shall work in good faith to identify additional potential Red Flags that can be derived from the data analytics to be performed by the Clearinghouse.

IX. ONBOARDING

- A. For each Injunctive Relief Distributor, prior to initiating the sale of Controlled Substances to a potential Customer, a member of the Injunctive Relief Distributor's CSMP department (or a qualified third-party compliance consultant trained on the Injunctive Relief Distributor's CSMP) shall perform the following due diligence:
 - 1. Interview the pharmacist-in-charge, either over the telephone, via videoconference, or in person. The interview shall include questions regarding the manner in which the potential Customer maintains effective controls against the potential diversion of Controlled Substances.
 - 2. Obtain a "Pharmacy Questionnaire" completed by the owner and/or pharmacist-in-charge of the potential Customer. The Pharmacy Questionnaire shall require going-concern potential Customers to list their top ten (10) prescribers for Highly Diverted Controlled Substances combined, along with the prescriber's specialty, unless the Injunctive Relief Distributor is able to obtain this data otherwise. The Pharmacy Questionnaire shall also require disclosure of the identity of all other distributors that serve the potential Customer, and whether the potential Customer has been terminated or suspended from ordering Controlled Substances by another distributor and the reason for any termination or suspension. The Pharmacy Questionnaire shall request information that would allow the Injunctive Relief Distributor to identify Red Flags, including questions regarding the manner in which the potential Customer maintains effective controls against the potential diversion of Controlled

Substances. A potential Customer's responses to the Pharmacy Questionnaire shall be verified, to the extent applicable and practicable, against external sources (for example, the Clearinghouse, once operational, and Automation of Reports and Consolidated Orders System ("ARCOS") data made available to the Injunctive Relief Distributor by the DEA). The Pharmacy Questionnaire shall be maintained by the Injunctive Relief Distributor in a database accessible to its CSMP personnel.

3. Complete a written onboarding report to be maintained in a database accessible to the Injunctive Relief Distributor's CSMP personnel reflecting the findings of the interview and any site visit, the findings regarding the identification of and, if applicable, conclusion concerning any Red Flag associated with the pharmacy, as well as an analysis of the Pharmacy Questionnaire referenced in the preceding paragraph.
 4. For going-concern potential Customers, review Pharmacy Customer Data to assist with the identification of any Red Flags.
 5. Document whether the potential Customer or the pharmacist-in-charge has been subject to any professional disciplinary sanctions or law enforcement activity related to Controlled Substances dispensing, and, if so, the basis for that action. For Chain Customers, this provision shall apply to the potential specific pharmacies in question.
- B. For Chain Customers, each Injunctive Relief Distributor may obtain the information in Section IX.A from a corporate representative of the Chain Customer.
- C. In the event that an Injunctive Relief Distributor identifies one or more unresolved Red Flags or other information indicative of potential diversion of Controlled Substances through the onboarding process or otherwise, the Injunctive Relief Distributor shall refrain from selling Controlled Substances to the potential Customer pending additional due diligence. If following additional due diligence, the Injunctive Relief Distributor is unable to resolve the Red Flags or other information indicative of diversion, the Injunctive Relief Distributor shall not initiate the sale of Controlled Substances to the potential Customer and shall report the potential Customer consistent with Section XIV. If the Injunctive Relief Distributor determines that the potential Customer may be onboarded for the sale of Controlled Substances, the Injunctive Relief Distributor shall document the decision and the bases for its decision. Such a good faith determination, if documented, shall not serve, without more, as the basis of a future claim of non-compliance with the Injunctive Relief Terms. For Chain Customers, these provisions shall apply to the potential specific pharmacies in question.

X. ONGOING DUE DILIGENCE

- A. Each Injunctive Relief Distributor shall periodically review its procedures and systems for detecting patterns or trends in Customer order data or other information used to evaluate whether a Customer is maintaining effective controls against diversion.
- B. Each Injunctive Relief Distributor shall conduct periodic proactive compliance reviews of its Customers' performance in satisfying their corresponding responsibilities to maintain effective controls against the diversion of Controlled Substances.
- C. Each Injunctive Relief Distributor shall review ARCOS data made available to it by the DEA and, once operational, by the Clearinghouse, to assist with Customer specific due diligence. For Chain Customers, this provision shall apply to the potential specific pharmacies in question.
- D. Each Injunctive Relief Distributor shall conduct due diligence as set forth in its CSMP policies and procedures in response to concerns of potential diversion of Controlled Substances at its Customers. For Chain Customers, these provisions shall apply to the specific pharmacies in question. The due diligence required by an Injunctive Relief Distributor's CSMP policies and procedures may depend on the information or events at issue. The information or events raising concerns of potential diversion of Controlled Substances at a Customer include but are not limited to:
 - 1. The discovery of one or more unresolved Red Flags;
 - 2. The receipt of information directly from law enforcement or regulators concerning potential diversion of Controlled Substances at or by a Customer;
 - 3. The receipt of information concerning the suspension or revocation of pharmacist's DEA registration or state license related to potential diversion of Controlled Substances;
 - 4. The receipt of reliable information through the hotline established in Section V.E concerning suspected diversion of Controlled Substances at the Customer;
 - 5. The receipt of reliable information from another distributor concerning suspected diversion of Controlled Substances at the Customer; or
 - 6. Receipt of other reliable information that the Customer is engaged in conduct indicative of diversion or is failing to adhere to its corresponding responsibility to prevent the diversion of Highly Diverted Controlled Substances.

- E. On an annual basis, each Injunctive Relief Distributor shall obtain updated pharmacy questionnaires from five hundred (500) Customers to include the following:
1. The top 250 Customers by combined volume of Highly Diverted Controlled Substances purchased from the Injunctive Relief Distributor measured as of the end of the relevant calendar year; and
 2. Additional Customers selected as a representative sample of various geographic regions, customer types (Independent Retail Pharmacy Customers and Chain Customers), and distribution centers. Each Injunctive Relief Distributor's Chief Diversion Control Officer shall develop risk-based criteria for the sample selection.
- F. Scope of Review
1. For reviews triggered by Section X.D, an Injunctive Relief Distributor shall conduct due diligence and obtain updated Pharmacy Customer Data or equivalent, or more comprehensive data from the Clearinghouse if needed, as set forth in its CSMP policies and procedures.
 2. For questionnaires collected pursuant to Section X.E, Injunctive Relief Distributors shall conduct a due diligence review consistent with the Injunctive Relief Distributors' CSMP policies and procedures. These annual diligence reviews shall be performed in addition to any of the diligence reviews performed under Section X.D, but may reasonably rely on reviews performed under Section X.D.
 3. If the Injunctive Relief Distributor decides to terminate the Customer due to concerns regarding potential diversion of Controlled Substances, the Injunctive Relief Distributor shall promptly cease the sale of Controlled Substances to the Customer and report the Customer consistent with Section XIV. If the Injunctive Relief Distributor decides not to terminate the Customer, the Injunctive Relief Distributor shall document that determination and the basis therefor. Such a good faith determination, if documented, shall not, without more, serve as the basis of a future claim of non-compliance with the Injunctive Relief Terms.

XI. SITE VISITS

- A. Each Injunctive Relief Distributor shall conduct site visits, including unannounced site visits, where appropriate, of Customers, as necessary, as part of Customer due diligence.
- B. During site visits, an Injunctive Relief Distributor's CSMP personnel or qualified third-party compliance consultants shall interview the pharmacist-in-charge or other relevant Customer employees, if appropriate, about any potential Red Flags

and the Customer's maintenance of effective controls against the potential diversion of Controlled Substances.

- C. An Injunctive Relief Distributor's CSMP personnel or qualified third-party compliance consultants who conduct site visits shall document the findings of any site visit.
- D. Site visit and all other compliance reports shall be maintained by each Injunctive Relief Distributor in a database accessible to all CSMP personnel.

XII. THRESHOLDS

- A. Each Injunctive Relief Distributor shall use Thresholds to identify potentially Suspicious Orders of Controlled Substances from Customers.
- B. Each Injunctive Relief Distributor's CSMP department shall be responsible for the oversight of the process for establishing and modifying Thresholds. The sales departments of the Injunctive Relief Distributors shall not have the authority to establish or adjust Thresholds for any Customer or participate in any decisions regarding establishment or adjustment of Thresholds.
- C. Injunctive Relief Distributors shall not provide Customers specific information about their Thresholds or how their Thresholds are calculated.
 - 1. Threshold Setting
 - a) Injunctive Relief Distributors shall primarily use model-based thresholds. For certain circumstances, Injunctive Relief Distributors may apply a non-model threshold based on documented customer diligence and analysis.
 - b) Each Injunctive Relief Distributor shall include in its Annual Threshold Analysis and Assessment Report (as required by Section XVIII.F.3.c) to the Monitor summary statistics regarding the use of non-model thresholds and such information shall be considered by the Monitor as part of its Threshold Setting Process Review in the annual Audit Report.
 - c) For the purposes of establishing and maintaining Thresholds, each Injunctive Relief Distributor shall take into account the Controlled Substances diversion risk of each drug base code. The diversion risk of each base code should be defined and reassessed annually by the Injunctive Relief Distributor's CSMP Committee and reviewed by the Monitor.
 - d) Each Injunctive Relief Distributor shall establish Thresholds for new Customers prior to supplying those Customers with Controlled Substances and shall continue to have Thresholds in

place at all times for each Customer to which it supplies Controlled Substances.

- e) When ordering volume from other distributors becomes readily available from the Clearinghouse, an Injunctive Relief Distributor shall consider including such information as soon as reasonably practicable in establishing and maintaining Thresholds.
- f) Each Injunctive Relief Distributor shall incorporate the following guiding principles in establishing and maintaining Customer Thresholds, except when inapplicable to non-model Thresholds:
 - (1) Thresholds shall take into account the number of non-Controlled Substance dosage units distributed to, dispensed and/or number of prescriptions dispensed by the Customer to assist with the determination of Customer size. As a general matter, smaller customers should have lower Thresholds than larger customers.
 - (2) For the purposes of establishing and maintaining Thresholds, Injunctive Relief Distributors shall use statistical models that are appropriate to the underlying data.
 - (3) For the purposes of establishing and maintaining Thresholds, Injunctive Relief Distributors shall take into account a Customer's ordering and/or dispensing history for a specified period of time.
 - (4) For the purposes of establishing and maintaining Thresholds, Injunctive Relief Distributors shall take into account the ordering history of Customers within similar geographic regions, or, where appropriate for Chain Customers, ordering history within the chain.
 - (5) If appropriate, Thresholds may take into account the characteristics of Customers with similar business models.
 - (a) A Customer's statement that it employs a particular business model must be verified, to the extent practicable, before that business model is taken into account in establishing and maintaining a Customer's Threshold.

2. Threshold Auditing

- a) The Injunctive Relief Distributors shall review their respective Customer Thresholds at least on an annual basis and modify them where appropriate.
- b) Each Injunctive Relief Distributor's CSMP department shall annually evaluate its Threshold setting methodology and processes and its CSMP personnel's performance in adhering to those policies.

3. Threshold Changes

- a) An Injunctive Relief Distributor may increase or decrease a Customer Threshold as set forth in its CSMP policies and procedures, subject to Sections XII.C.3.b through XII.C.3.e.
- b) Prior to approving any Threshold change request by a Customer, each Injunctive Relief Distributor shall conduct due diligence to determine whether an increase to the Threshold is warranted. This due diligence shall include obtaining from the Customer the basis for the Threshold change request, obtaining and reviewing Dispensing Data and/or Pharmacy Customer Data for the previous three (3) months for due diligence purposes, and, as needed, conducting an on-site visit to the Customer. This Threshold change request diligence shall be conducted by the Injunctive Relief Distributor's CSMP personnel.
- c) No Injunctive Relief Distributor shall proactively contact a Customer to suggest that the Customer request an increase to any of its Thresholds, to inform the Customer that its Orders-to-date are approaching its Thresholds or to recommend to the Customer the amount of a requested Threshold increase. It shall not be a violation of this paragraph to provide Chain Customer headquarters reporting on one or more individual Chain Customer pharmacy location(s) to support the anti-diversion efforts of the Chain Customer's headquarters staff, and it shall not be a violation of this paragraph for the Injunctive Relief Distributor's CSMP personnel to contact Customers to seek to understand a Customer's ordering patterns.
- d) An Injunctive Relief Distributor's Chief Diversion Control Officer may approve criteria for potential adjustments to Customer Thresholds to account for circumstances where the Thresholds produced by the ordinary operation of the statistical models require modification. Such circumstances include adjustments to account for seasonal ordering of certain Controlled Substances that are

based on documented diligence and analysis, adjustments made to permit ordering of certain Controlled Substances during a declared national or state emergency (e.g., COVID-19 pandemic), IT errors, and data anomalies causing results that are inconsistent with the design of the statistical models. Each Injunctive Relief Distributor shall include in its Annual Threshold Analysis and Assessment Report (as required by Section XVIII.F.3.c) to the Monitor information regarding the use of this paragraph and such information shall be considered by the Monitor as part of its Threshold Setting Process Review in the annual Audit Report.

- e) Any decision to raise a Customer's Threshold in response to a request by a Customer to adjust its Threshold must be documented in a writing and state the reason(s) for the change. The decision must be consistent with the Injunctive Relief Distributor's CSMP and documented appropriately.

XIII. SUSPICIOUS ORDER REPORTING AND NON-SHIPMENT

- A. Each Injunctive Relief Distributor shall report Suspicious Orders to the Settling States ("*Suspicious Order Reports*" or "*SORs*"), including those Settling States that do not currently require such SORs, at the election of the Settling State.
- B. For the SORs required by the Injunctive Relief Terms, each Injunctive Relief Distributor shall report Orders that exceed a Threshold for Controlled Substances set pursuant to the processes in Section XII that are blocked and not shipped.
- C. No Injunctive Relief Distributor shall ship any Order that it (i) reports pursuant to Sections XIII.A or XIII.B, or (ii) would have been required to report pursuant to Sections XIII.A or XIII.B had the Settling State elected to receive SORs.
- D. In reporting Suspicious Orders to the Settling States, the Injunctive Relief Distributors shall file SORs in a standardized electronic format that is uniform among the Settling States and contains the following information fields:
 - 1. Customer name;
 - 2. Customer address;
 - 3. DEA registration number;
 - 4. State pharmacy license number;
 - 5. Date of order;
 - 6. NDC number;
 - 7. Quantity;

8. Explanation for why the order is suspicious (up to 250 characters): Details that are order-specific regarding why an order was flagged as a Suspicious Order, including specific criteria used by an Injunctive Relief Distributor's Threshold system (except phrases such as "order is of unusual size" without any additional detail are not acceptable); and
 9. Name and contact information for a knowledgeable designee within the Injunctive Relief Distributor's CSMP department to be a point of contact for the SORs.
- E. On a quarterly basis, each Injunctive Relief Distributor shall provide a summary report to the Settling States that elect to receive it that provides the following information for the relevant quarter with respect to the top ten (10) Customers by volume for each Highly Diverted Controlled Substance base code that have placed a Suspicious Order for that base code, in that quarter (for Chain Customers, only individual pharmacies in the chain will be considered for evaluation as a top ten (10) Customer):
1. The number of SORs submitted for that Customer by base code;
 2. The Customer's order volume by base code for the quarter for all Highly Diverted Controlled Substances;
 3. The Customer's order frequency by base code for the quarter for all Highly Diverted Controlled Substances;
 4. For each Highly Diverted Controlled Substance base code, the ratio of the Customer's order volume for that base code to the volume of all pharmaceutical orders for the quarter; and
 5. The ratio of the Customer's order volume of all Controlled Substances to the volume of all pharmaceutical orders for the quarter.
- F. The Injunctive Relief Distributors shall only be required to file a single, uniform, electronic form of SOR with any Settling State that receives SORs pursuant to these Injunctive Relief Terms. A Settling State retains the authority pursuant to applicable state law or relevant state agency authority to request additional information about a particular SOR.
- G. It is the objective of the Settling States and the Injunctive Relief Distributors for the Injunctive Relief Distributors to provide SORs to Settling States that identify the same Suspicious Orders as reported to the DEA pursuant to the definition and requirements of the federal Controlled Substances Act and its regulations, although the fields of the SORs submitted to the Settling States as required by Section XIII may differ from the content required by the DEA. To the extent federal definitions and requirements materially change during the term of the Injunctive Relief Terms, the Injunctive Relief Distributors may be required to adjust the format and content of the SORs to meet these federal requirements. The

Injunctive Relief Distributors and the State Compliance Review Committee will engage in good faith discussions regarding such adjustments.

- H. It shall not be a violation of the Injunctive Relief Terms if an Injunctive Relief Distributor ships a Suspicious Order or fails to submit or transmit a SOR if:
1. The shipment of the Suspicious Order or failed SOR transmission was due to a computer error (data entry mistakes, coding errors, computer logic issues, software malfunctions, and other computer errors or IT failures); and
 2. The Injunctive Relief Distributor reports the error, including a description of measures that will be taken to prevent recurrence of the error, to any affected Settling State, the State Compliance Review Committee, and the Monitor within five (5) business days of its discovery.

XIV. TERMINATED CUSTOMERS

- A. Each Injunctive Relief Distributor shall report to the Clearinghouse, once operational, within five (5) business days (or as otherwise required by state statute or regulation), Customers it has terminated from eligibility to receive Controlled Substances or refused to onboard for the sale of Controlled Substances due to concerns regarding the Customer's ability to provide effective controls against the potential diversion of Controlled Substances following the Effective Date.
- B. The Injunctive Relief Distributors shall report to the relevant Settling State(s), within five (5) business days (or as otherwise required by state statute or regulation) Customers located in such Settling States that it has terminated from eligibility to receive Controlled Substances or refused to onboard for the sale of Controlled Substances due to concerns regarding the Customer's ability to provide effective controls against the potential diversion of Controlled Substances following the Effective Date. Such reports will be made in a uniform format. The Injunctive Relief Distributors and the State Compliance Review Committee shall use best efforts to agree on such uniform format for inclusion prior to the requirement taking effect.
- C. In determining whether a Customer should be terminated from eligibility to receive Controlled Substances, Injunctive Relief Distributors shall apply factors set out in their CSMP policies and procedures, which shall include the following conduct by a Customer:
1. Has generated an excessive number of Suspicious Orders, which cannot otherwise be explained;
 2. Has routinely demonstrated unresolved Red Flag activity;

3. Has continued to fill prescriptions for Highly Diverted Controlled Substances that raise Red Flags following an Injunctive Relief Distributor's warning or communication about such practices;
 4. Has failed to provide Pharmacy Customer Data or Dispensing Data in response to a request from an Injunctive Relief Distributor or otherwise refuses to cooperate with the Injunctive Relief Distributor's CSMP after providing the Customer with a reasonable amount of time to respond to the Injunctive Relief Distributor's requests;
 5. Has been found to have made material omissions or false statements on a Pharmacy Questionnaire (the requirements for the contents of a Pharmacy Questionnaire are described in Section IX); or
 6. Has been the subject of discipline by a State Board of Pharmacy within the past three (3) years or has had its owner(s) or pharmacist-in-charge subject to license probation or termination within the past five (5) years by a State Board of Pharmacy for matters related to Controlled Substances dispensing or a federal or state felony conviction.
- D. Once the Clearinghouse has made Customer termination data available to each Injunctive Relief Distributor, each Injunctive Relief Distributor shall consider terminating Customers that have been terminated from eligibility to receive Controlled Substances by another distributor as a result of suspected diversion of Controlled Substances if the Customer is ordering only Controlled Substances from the Injunctive Relief Distributor. If the Injunctive Relief Distributor determines not to terminate Customers to which this paragraph applies, the Injunctive Relief Distributor shall document its decision-making. A good-faith decision to continue shipping Controlled Substances to Customers to which this paragraph applies, shall not serve, without more, as the basis of a future claim of non-compliance with the Injunctive Relief Terms.
- E. For Chain Customers, the provisions in Section XIV.A-D shall apply to the specific pharmacies in question.

XV. EMERGENCIES

- A. In the circumstances of declared national or state emergencies in which the healthcare community relies on the Injunctive Relief Distributors for critical medicines, medical supplies, products, and services, the Injunctive Relief Distributors may be required to temporarily modify their respective CSMP processes to meet the critical needs of the supply chain. These modifications may conflict with the requirements of the Injunctive Relief Terms.
- B. In the case of a declared national or state emergency, the Injunctive Relief Distributors shall be required to give notice to the State Compliance Review Committee of any temporary material changes to their CSMP processes which

may conflict with the requirements of the Injunctive Relief Terms and specify the sections of the Injunctive Relief Terms which will be affected by the temporary change.

- C. The Injunctive Relief Distributors shall document all temporary changes to their CSMP processes and appropriately document all customer-specific actions taken as a result of the declared national or state emergency.
- D. The Injunctive Relief Distributors shall provide notice to the State Compliance Review Committee at the conclusion of the declared national or state emergency, or sooner, stating that the temporary CSMP processes put into place have been suspended.
- E. Provided the Injunctive Relief Distributors comply with the provisions of Sections XV.A through XV.D, the Injunctive Relief Distributors will not face liability for any deviations from the requirements of the Injunctive Relief Terms taken in good faith to meet the critical needs of the supply chain in response to the declared national or state emergency. Nothing herein shall limit Settling States from pursuing claims against the Injunctive Relief Distributors based on deviations from the requirements of the Injunctive Relief Terms not taken in good faith to meet the critical needs of the supply chain in response to a declared national or state emergency.

XVI. COMPLIANCE WITH LAWS AND RECORDKEEPING

- A. The Injunctive Relief Distributors acknowledge and agree that they must comply with applicable state and federal laws governing the distribution of Controlled Substances.
- B. Good faith compliance with the Injunctive Relief Terms creates a presumption that the Injunctive Relief Distributors are acting reasonably and in the public interest with respect to Settling States' existing laws requiring effective controls against diversion of Controlled Substances and with respect to the identification, reporting, and blocking of Suspicious Orders of Controlled Substances.
- C. The requirements of the Injunctive Relief Terms are in addition to, and not in lieu of, any other requirements of state or federal law applicable to Controlled Substances distribution. Except as provided in Section XVI.D, nothing in the Injunctive Relief Terms shall be construed as relieving Injunctive Relief Distributors of the obligation to comply with such laws, regulations, or rules. No provision of the Injunctive Relief Terms shall be deemed as permission for Injunctive Relief Distributors to engage in any acts or practices prohibited by such laws, regulations, or rules.
- D. In the event of a conflict between the requirements of the Injunctive Relief Terms and any other law, regulation, or requirement such that an Injunctive Relief Distributor cannot comply with the law without violating the Injunctive Relief

Terms or being subject to adverse action, including fines and penalties, the Injunctive Relief Distributor shall document such conflicts and notify the State Compliance Review Committee and any affected Settling State the extent to which it will comply with the Injunctive Relief Terms in order to eliminate the conflict within thirty (30) days of the Injunctive Relief Distributor's discovery of the conflict. The Injunctive Relief Distributor shall comply with the Injunctive Relief Terms to the fullest extent possible without violating the law.

- E. In the event of a change or modification of federal or state law governing the distribution of Controlled Substances that creates an actual or potential conflict with the Injunctive Relief Terms, any Injunctive Relief Distributor, any affected Settling State, or the State Compliance Review Committee may request that the Injunctive Relief Distributors, State Compliance Review Committee, and any affected Settling State meet and confer regarding the law change. During the meet and confer, the Injunctive Relief Distributors, the State Compliance Review Committee, and any affected Settling State will address whether the change or modification in federal or state law requires an amendment to the Injunctive Relief Terms. In the event the Injunctive Relief Distributors, the State Compliance Review Committee, and any affected Settling State cannot agree on a resolution, and the dispute relates to whether the generally applicable Injunctive Relief Terms herein should be changed, an Injunctive Relief Distributor, the State Compliance Review Committee, or any affected Settling State may submit the question to the National Arbitration Panel. If the dispute relates to whether a change in an individual State's law requires a modification of the Injunctive Relief Terms only with respect to that State, an Injunctive Relief Distributor, the State Compliance Review Committee, or any affected Settling State may seek resolution of the dispute pursuant to Section XIX. Maintenance of competition in the industry and the potential burden of inconsistent obligations by Injunctive Relief Distributors shall be a relevant consideration in such resolution.
- F. Recordkeeping: Each Injunctive Relief Distributor shall retain records it is required to create pursuant to its obligations hereunder in an electronic or otherwise readily accessible format. The Settling States shall have the right to review records provided to the Monitor pursuant to Section XVIII. Nothing in the Injunctive Relief Terms prohibits a Settling State from issuing a lawful subpoena for records pursuant to an applicable law.

XVII. CLEARINGHOUSE

- A. Creation of the Clearinghouse
1. The Clearinghouse functions shall be undertaken by a third-party vendor or vendors.
 2. The vendor(s) will be chosen through a process developed and jointly agreed upon by the Injunctive Relief Distributors and the State Compliance Review Committee.

3. Consistent with the process developed by the Injunctive Relief Distributors and the State Compliance Review Committee, within two (2) months of the Effective Date, the Injunctive Relief Distributors shall issue a Request for Proposal to develop the systems and capabilities for a Clearinghouse to perform the services of a data aggregator.
4. Within five (5) months of the Effective Date, the Clearinghouse Advisory Panel shall select one or more entities to develop the systems for the Clearinghouse and perform data aggregator services. The Clearinghouse Advisory Panel shall select a vendor or vendors that employ or retain personnel who have adequate expertise and experience related to the pharmaceutical industry, the distribution of Controlled Substances, and the applicable requirements of the Controlled Substances Act and the DEA's implementing regulations.
5. Within sixty (60) days of the selection of a vendor(s) to serve as the Clearinghouse, the Injunctive Relief Distributors shall negotiate and finalize a contract with the vendor(s). The date that the contract is signed by the Injunctive Relief Distributors and the vendor(s) shall be referred to as the "*Clearinghouse Retention Date*."
6. The development of the Clearinghouse shall proceed on a phased approach as discussed in Sections XVII.C and XVII.D.

B. Governance and Staffing of the Clearinghouse

1. *Capabilities.* The selected vendor or vendors shall staff the Clearinghouse in a manner that ensures the development of robust data collection, analytics and reporting capabilities for the Settling States and Injunctive Relief Distributors. To the extent additional expertise is required for the engagement, the vendor(s) may retain the services of third-party consultants.
2. *Independence.* While performing services for the Clearinghouse, all vendors and consultants, and their staff working on the Clearinghouse, shall be independent (*i.e.*, not perform services of any kind, including as a consultant or an employee on behalf of any Injunctive Relief Distributor outside of the ordinary business operations of the Clearinghouse). Independence may be achieved by implementing appropriate ethical walls with employees who are currently performing or who have previously performed work for an Injunctive Relief Distributor within two years of the Clearinghouse Retention Date.
3. *Liability.* The Injunctive Relief Distributors are entitled to rely upon information or data received from the Clearinghouse, whether in oral, written, or other form. No Injunctive Relief Distributor, and no individual serving on the Clearinghouse Advisory Panel, shall have any liability

(whether direct or indirect, in contract or tort or otherwise) to any Party for or in connection with any action taken or not taken by the Clearinghouse. In addition, no Injunctive Relief Distributor, and no individual serving on the Clearinghouse Advisory Panel, shall have any liability (whether direct or indirect, in contract or tort or otherwise) to any Party for or in connection with any action taken or not taken by an Injunctive Relief Distributor based on incorrect, inaccurate, incomplete or otherwise erroneous information or data provided by the Clearinghouse, unless the information or data was incorrect, inaccurate, incomplete or otherwise erroneous because the Injunctive Relief Distributor itself provided incorrect, inaccurate, incomplete or otherwise erroneous data or information to the Clearinghouse. For any legal requirements that are assumed by the Clearinghouse during Phase 2-B pursuant to Section XVII.D.3, liability shall be addressed pursuant to Section XVII.D.3.c.

4. *Clearinghouse Advisory Panel.* The State Compliance Review Committee and Injunctive Relief Distributors shall create a Clearinghouse Advisory Panel no later than sixty (60) days after the Effective Date to oversee the Clearinghouse.
 - a) The Clearinghouse Advisory Panel shall have an equal number of members chosen by the State Compliance Review Committee on the one hand, and the Injunctive Relief Distributors on the other. The size of the Clearinghouse Advisory Panel will be decided by the State Compliance Review Committee and the Injunctive Relief Distributors, and the State Compliance Review Committee and the Injunctive Relief Distributors may select as members third-party experts, but no more than one half of each side's representatives may be such third-party experts. At least one member chosen by the State Compliance Review Committee will be based on consultation with the National Association of State Controlled Substances Authorities.
 - b) During the first two years of the operation of the Clearinghouse, the Clearinghouse Advisory Panel shall meet (in-person or remotely) at least once per month. After the first two years of operation, the Clearinghouse Advisory Panel shall meet at least quarterly. The Monitor may attend Clearinghouse Advisory Panel meetings and may provide recommendations to the Clearinghouse Advisory Panel.
 - c) The Clearinghouse Advisory Panel shall establish a subcommittee to advise on issues related to privacy, the Health Insurance Portability and Accountability Act of 1996 ("*HIPAA*"), and data security and a subcommittee to advise on issues related to Dispensing Data. It may establish additional subcommittees. Subcommittees may include individuals who are not members of

the Clearinghouse Advisory Panel. The Clearinghouse Advisory Panel may invite one or more prescribers, dispensers, and representatives from state Prescription Drug Monitoring Programs (“PDMP”) to serve on the Dispensing Data subcommittee. Each Injunctive Relief Distributor shall have a representative on each subcommittee created by the Clearinghouse Advisory Panel.

- d) The Clearinghouse Advisory Panel may delegate tasks assigned to it by the Injunctive Relief Terms to the Executive Director.
5. *Executive Director.* One employee of the vendor, or one representative from the vendor group in the event that there are multiple vendors, shall be an Executive Director who shall manage day-to-day operations and report periodically to the Clearinghouse Advisory Panel.

C. Phase 1 of the Clearinghouse: Data Collection, Initial Analytics and Reporting

1. System Development

- a) Within one (1) year of the Clearinghouse Retention Date, the Clearinghouse shall develop systems to receive and analyze data obtained from the Injunctive Relief Distributors pursuant to electronic transmission formats to be agreed upon by the Clearinghouse Advisory Panel.
- b) In developing such systems, the Clearinghouse shall ensure that:
 - (1) The systems provide robust reporting and analytic capabilities.
 - (2) Data obtained from Injunctive Relief Distributors shall be automatically pulled from the existing order management data platforms (e.g., SAP).
 - (3) The systems shall be designed to receive data from sources other than the Injunctive Relief Distributors, including pharmacies, non-Injunctive Relief Distributors, the DEA, State Boards of Pharmacy, and other relevant sources, pursuant to standardized electronic transmission formats.
 - (4) The systems shall be designed to protect personally identifiable information (“PII”) and protected health information (“PHI”) from disclosure and shall comply with HIPAA and any federal and state laws relating to the protection of PII and PHI.

- (5) The Clearinghouse will establish a HIPAA-compliant database that can be accessed by state authorities, the Injunctive Relief Distributors, and any entities that subsequently participate in the Clearinghouse. The database that will be made available to the Injunctive Relief Distributors and any non-governmental entities that subsequently participate in the Clearinghouse will also blind commercially sensitive information.
- (6) State authorities shall have access to the HIPAA-compliant database via web-based tools and no additional or specialized equipment or software shall be required. This access shall allow state authorities to query the HIPAA-compliant database without limitation.
- (7) The Injunctive Relief Distributors shall be permitted to use data obtained from the Clearinghouse for anti-diversion purposes, including the uses expressly contemplated by the Injunctive Relief Terms. The Injunctive Relief Distributors shall not sell (or obtain license fees for) data obtained from Clearinghouse to any third-parties. Nothing in the Injunctive Relief Terms shall prohibit an Injunctive Relief Distributor from using its own data, including data provided to the Injunctive Relief Distributor by third-parties other than the Clearinghouse, for any commercial purposes, including selling or licensing its data to third-parties.

2. Aggregation of Data

- a) It is the goal of the Settling States and the Injunctive Relief Distributors for the Clearinghouse to obtain comprehensive data from all distributors, pharmacies, and other relevant data sources to provide maximum permissible transparency into the distribution and dispensing of Controlled Substances. During Phase 1, the Clearinghouse Advisory Panel shall develop recommendations for ways to achieve this goal.
- b) In Phase 1, the Injunctive Relief Distributors shall provide and/or facilitate the collection of, and the Clearinghouse shall collect and maintain, the following:
 - (1) Injunctive Relief Distributor transaction data for Controlled Substances and non-Controlled Substances, specified at the NDC, date, quantity, and customer level.

- (2) Injunctive Relief Distributor information on Customers that have been terminated and/or declined onboarding due to concerns regarding Controlled Substance dispensing following the Effective Date.
 - c) The Clearinghouse shall make available to the Injunctive Relief Distributors, in a format to be determined by the Clearinghouse Advisory Panel, blinded data for their CSMP due diligence functions. The data will include all Controlled Substances and non-Controlled Substances and be refreshed on a regular basis. The Clearinghouse will also seek to provide non-identifying information regarding whether a single distributor is associated with multiple warehouses with unique DEA registrations (e.g., multiple distribution centers operated by a single distributor), in the data it makes available.
 - d) During Phase 1, the Clearinghouse Advisory Panel (with input from its Dispensing Data subcommittee) will develop an operational plan to obtain Dispensing Data directly from pharmacies, unless the Clearinghouse Advisory Panel determines it is inadvisable to do so. The operational plan developed by the Clearinghouse Advisory Panel shall address compliance with HIPAA and shall include recommendations to facilitate the collection of Dispensing Data in compliance with HIPAA and relevant state privacy laws. To the extent possible, the Clearinghouse will begin collecting Dispensing Data during Phase 1.
 - e) Nothing in the Injunctive Relief Terms shall require the Injunctive Relief Distributors to indemnify or otherwise be responsible to pharmacy customers for any claims resulting from the provision of Dispensing Data to the Clearinghouse, including, but not limited to, claims related to any data breaches occurring with the data transmitted to or maintained by the Clearinghouse.
3. State and Federal Reporting Requirements
- a) The Injunctive Relief Distributors shall comply with state and federal transactional and Suspicious Order reporting requirements related to Controlled Substances as follows:
 - (1) Until such time as the Clearinghouse is able to provide transactional and Suspicious Order regulatory reporting to the states on behalf of the Injunctive Relief Distributors, the Injunctive Relief Distributors shall continue to file all required reports under state law and those reports required by these Injunctive Relief Terms.

- (2) Once the Clearinghouse is able to process and submit such reports, the Clearinghouse may process and submit those reports on behalf of each Injunctive Relief Distributor to the states. At all times during Phase 1, each Injunctive Relief Distributor shall remain responsible for the identification of Suspicious Orders and will remain liable for a failure to submit transactional data or Suspicious Order reports required under state law or these Injunctive Relief Terms.
- (3) An Injunctive Relief Distributor may elect to fulfill its reporting obligations directly, rather than have the Clearinghouse assume the responsibility for the transmission of the various reports.

4. Additional Reports and Analytics

- a) In consultation with the Clearinghouse Advisory Panel, the Clearinghouse shall work to develop additional reports and analyses to assist the Settling States and the Injunctive Relief Distributors in addressing Controlled Substance diversion, including, but not limited to, identifying Red Flags consistent with Section VIII.
- b) The Clearinghouse will generate analyses and reports to be used by the Settling States and the Injunctive Relief Distributors based on format and content recommended by the Clearinghouse Advisory Panel. In order to refine the format and reach final recommendations, the Clearinghouse shall prepare sample analytical reports for a sample geographic region to review with the Clearinghouse Advisory Panel. The sample reports will also be shared with the DEA in an effort to receive additional feedback.
- c) After the content and format of the sample reports have been approved by the Clearinghouse Advisory Panel, the Clearinghouse will begin producing reports on a periodic basis.
- d) The Clearinghouse will develop capabilities to provide Settling States customized reports upon reasonable request to assist in their efforts to combat the diversion of Controlled Substances and for other public health and regulatory purposes.
- e) After the Clearinghouse has obtained sufficient Dispensing Data from Customers, the Clearinghouse shall commence providing standard reports to the Settling States and Injunctive Relief Distributors that will include summaries and analysis of Dispensing Data. The reports and analytics of Dispensing Data

shall be developed in consultation with the Clearinghouse Advisory Panel (including its Dispensing Data subcommittee) and shall include, but not be limited to:

- (1) Identification of Customers whose dispensing may indicate Red Flags consistent with Section VIII, as determined by the Clearinghouse from aggregate data; and
 - (2) Identification of Customers whose aggregate dispensing volumes for Highly Diverted Controlled Substances are disproportionately high relative to the population of the relevant geographic area.
- f) The Clearinghouse shall also prepare reports and analyses for the Settling States and Injunctive Relief Distributors identifying prescribers whose prescribing behavior suggests they may not be engaged in the legitimate practice of medicine. Such reports and analysis shall be developed in consultation with the Clearinghouse Advisory Panel (including its Dispensing Data subcommittee) and shall seek to identify and evaluate:
- (1) Prescribers who routinely prescribe large volumes of Highly Diverted Controlled Substances relative to other prescribers with similar specialties, including health care professionals who prescribe a large number of prescriptions for high dosage amounts of Highly Diverted Controlled Substances;
 - (2) Prescribers whose prescriptions for Highly Diverted Controlled Substances are routinely and disproportionately filled in a geographic area that is unusual based on the prescriber's location; and
 - (3) Prescribers who routinely prescribe out-of-specialty or out-of-practice area without legitimate reason.
- g) Reports or analysis generated by the Clearinghouse may not be based on complete data due to a lack of participation by non-Injunctive Relief Distributors and pharmacies. As such, Injunctive Relief Distributors shall not be held responsible for actions or inactions related to reports and analysis prepared by the Clearinghouse which may be based on incomplete data due to a lack of participation by non-Injunctive Relief Distributors and pharmacies.

D. Phase 2 of the Clearinghouse: Additional Data Collection and Analytics and Assumption of CSMP Functions

Within one (1) year of Phase 1 of the Clearinghouse being operational, the Clearinghouse and the Clearinghouse Advisory Panel shall develop a detailed strategic and implementation plan for Phase 2 of the Clearinghouse (“*Phase 2 Planning Report*”). Phase 2 will consist of two parts. Phase 2-A will focus on increasing data collection from non-Injunctive Relief Distributors, pharmacies and other data sources and developing enhanced analytics based on the experiences gained from Phase 1. Phase 2-A will also include recommendations for the development of uniform federal and state reporting. Phase 2-B will involve the potential assumption of various CSMP activities, including Threshold setting and order management by the Clearinghouse. The Phase 2 Planning Report will address both Phase 2-A and Phase 2-B. After the completion of the Phase 2 Planning Report, individual Injunctive Relief Distributors, in their sole discretion, may elect not to proceed with Phase 2-B as provided by Section XVII.E. If one or more Injunctive Relief Distributors elect to proceed with Phase 2-B, the goal will be to have Phase 2-B fully operational within two (2) years of the Clearinghouse Retention Date and no later than three (3) years of the Clearinghouse Retention Date.

1. Phase 2-A: Additional Data Collection and Analytics

- a) During Phase 2-A, the Clearinghouse will continue the functions defined in Phase 1 and work to expand the scope of its data collection and enhance its analytics and reporting capabilities including the following:
 - (1) Integration of data from additional sources, including:
 - (a) Transaction data from other distributors, including manufacturers that distribute directly to retail pharmacies and pharmacies that self-warehouse; and
 - (b) Where possible, state PDMP data and other data, including, but not limited to, State Board of Medicine and Board of Pharmacy sanctions, and agreed-upon industry data. If state PDMP data is effectively duplicative of Dispensing Data already obtained in Phase 1, it will not be necessary for the Clearinghouse to obtain state PDMP data.
 - (2) Development of additional metrics analyzing the data available from the additional data sources (PDMP, other pharmacy data, sanction authorities, and third-party volume projections).

- (3) Development of real-time or near real-time access to distribution data, dispensing data and other data sources.
- (4) Refinement of methodologies for analyzing Dispensing Data to identify suspicious prescribers.
- (5) Development of additional capabilities to provide Settling States, the Injunctive Relief Distributors and potentially the DEA customized reporting from the Clearinghouse upon reasonable request.

2. Phase 2-A: Uniform Required Reporting

- a) The Clearinghouse and the Clearinghouse Advisory Panel shall develop uniform reporting recommendations for potential implementation by state regulators in order to allow the Injunctive Relief Distributors to satisfy their obligations under the Injunctive Relief Terms and state and federal laws in a uniform and consistent manner.
- b) It is a goal of the Settling States and the Injunctive Relief Distributors to:
 - (1) Streamline and simplify required reporting which will benefit the Injunctive Relief Distributors and the Settling States, as well as the DEA;
 - (2) Develop uniform transactional and Suspicious Order reporting requirements; and
 - (3) Provide for the submission of uniform Suspicious Order reports.

3. Phase 2-B: Clearinghouse Assumption of CSMP Functions

- a) With respect to Phase 2-B, the Phase 2 Planning Report shall address:
 - (1) Engagement with stakeholders, including the DEA, to develop the system of Threshold setting and Suspicious Order reporting to potentially be provided by the Clearinghouse;
 - (2) Development of technology and rules, including any proposed changes to federal law or regulations;
 - (3) Development of models for the identification of Suspicious Orders and setting universal Thresholds in a manner

consistent with Section XII. These models shall include active order management and order fulfillment protocols to ensure that orders are compared to relevant Thresholds by the Clearinghouse before shipment instructions are provided by the Clearinghouse to the Injunctive Relief Distributors. The models shall also include the identification of Suspicious Orders when they are placed by Customers, which will be held before shipment or blocked based on instructions provided by the Clearinghouse to the Injunctive Relief Distributors.

- (4) Development of criteria governing distribution to Customers that have placed one or more Orders that exceed a Threshold;
 - (5) Development of rules for allocating Orders placed by Customers that have more than one Distributor if one or more Orders exceed a Threshold;
 - (6) Development of a pilot project for a sample geographic region to perform data analysis to test the models for Threshold setting and the identification of Suspicious Orders.
- b) Following implementation of Phase 2-B, the Injunctive Relief Distributors participating in Phase 2-B and the State Compliance Review Committee shall meet and confer with respect to whether to expand the scope of the Clearinghouse to cover additional anti-diversion functions, such as the performance of due diligence.
- c) CSMP functions that have been assumed by the Clearinghouse during Phase 2-B will no longer be performed by participating Injunctive Relief Distributors individually through their CSMPs. CSMP functions performed by the Clearinghouse will assist participating Injunctive Relief Distributors to satisfy the applicable legal obligations of those Injunctive Relief Distributors. The Clearinghouse's performance of CSMP functions will not relieve participating Injunctive Relief Distributors from their legal obligations unless (i) the Injunctive Relief Distributors and the State Compliance Review Committee jointly enter into a written agreement for the Clearinghouse to assume legal requirements during Phase 2-B; and (ii) all vendors and consultants working on the Clearinghouse agree in writing to assume such obligations. Nothing in this paragraph shall apply to any Injunctive Relief Distributor that does not participate in Phase 2-B pursuant to Section XVII.E.

E. Option to Opt Out of Phase 2-B

1. Each Injunctive Relief Distributor shall have the option, in its sole discretion, to elect not to participate in Phase 2-B at any point. In the event that an Injunctive Relief Distributor elects not to participate in Phase 2-B, that Injunctive Relief Distributor shall cease to have any obligation to fund future costs directly related to Phase 2-B of the Clearinghouse or to implement the Clearinghouse's determinations as to identification of Suspicious Orders and Suspicious Order reporting. If an Injunctive Relief Distributor elects not to participate in Phase 2-B, that Injunctive Relief Distributor shall remain responsible for the requirements specified for Phase 1 and Phase 2-A of the Clearinghouse and shall be responsible for contributing to the costs associated with Phase 1 and Phase 2-A.
2. In the event that an Injunctive Relief Distributor elects not to participate in Phase 2-B, the Clearinghouse Advisory Panel shall discuss and make recommendations for any necessary adjustments to the Phase 2-B capabilities described in Section XVII.D.3.

F. Funding

1. The establishment and ongoing operations of the Clearinghouse shall be funded by the Injunctive Relief Distributors for a period of ten (10) years commencing on the Clearinghouse Retention Date.
2. For each of the first two (2) years of the operation of the Clearinghouse, the Injunctive Relief Distributors will make total payments of \$7.5 million per year combined. For years three (3) through ten (10), the Injunctive Relief Distributors will make total payments of \$3 million per year combined. Additional costs associated with Phase 2-B shall be billed to the Injunctive Relief Distributors participating in Phase 2-B.
3. Payments by the Injunctive Relief Distributors for the Clearinghouse shall be allocated among the Injunctive Relief Distributors as set forth in Section IV.H of the Settlement Agreement, dated as of July 21, 2021, which incorporates these Injunctive Relief Terms as Exhibit P.
4. In the event that the cost of the Clearinghouse exceeds the amounts provided by the Injunctive Relief Distributors, the Injunctive Relief Distributors and State Compliance Review Committee shall meet-and-confer on alternatives, which may include:
 - a) Limiting the operations of the Clearinghouse consistent with a revised budget;
 - b) Seeking additional sources of funding for the Clearinghouse; and/or

- c) Allocating, in a manner consistent with the allocation of payments between the Injunctive Relief Distributors as set forth in Section XVII.F.3, additional amounts that are the responsibility of the Injunctive Relief Distributors to be used for the operation of the Clearinghouse.
- 5. The Injunctive Relief Distributors and the State Compliance Review Committee agree to engage in good faith discussions regarding potential continued operation and funding of the Clearinghouse following the initial ten (10) year period of Clearinghouse operations.
- 6. The Injunctive Relief Distributors and the State Compliance Review Committee shall develop a means to obtain payments from other parties that may use or benefit from the Clearinghouse, including, but not limited to, other settling defendants, non-Injunctive Relief Distributors, or other parties and the Clearinghouse Advisory Panel shall consider other funding sources for the Clearinghouse. This may include consideration of a user fee or other model by which non-Injunctive Relief Distributors that use the Clearinghouse will contribute to funding the Clearinghouse.
- 7. In the event that ten (10) or more Settling States reach agreements with any national retail chain pharmacies to resolve claims related to the distribution of Controlled Substances, the Settling States' Attorneys' General agree to make participation in the Clearinghouse, including providing data to the Clearinghouse and contribution to the cost of the operation of the Clearinghouse, a condition of any settlement. The Settling States' Attorneys' General agree to make best efforts to ensure that any other settling distributors and/or pharmacies participate in the Clearinghouse. To the extent that the Attorneys General are able to secure participation by additional distributors and/or pharmacies, it is anticipated that, to the extent practicable based on the financial and relative size of the settling distributor and/or pharmacy, those entities will contribute to the cost of the operation of the Clearinghouse. The Injunctive Relief Distributors' obligation to fund the Clearinghouse shall be partially reduced by contributions obtained from other distributors and/or pharmacies pursuant to a formula to be determined by the Clearinghouse Advisory Panel.

G. Confidentiality

- 1. All data provided to the Clearinghouse shall be confidential.
- 2. Information provided by distributors participating in the Clearinghouse may not be provided to any other entity or individual outside those expressly contemplated by the Injunctive Relief Terms.

3. The Clearinghouse may not provide to any distributor information specific to another distributor. Notwithstanding the prior sentence, the Clearinghouse may provide blinded data to a distributor reflecting total Orders (across all distributors) for a particular Customer, region, and/or state at the base code and NDC number level and all transactional data information. Such information may only be used by receiving distributors for purposes of identifying, minimizing, or otherwise addressing the risk of Controlled Substances diversion. No distributor or pharmacy, including the Injunctive Relief Distributors, shall attempt to obtain revenue from this information. Such information provided by the Clearinghouse shall be compliant with all applicable laws and regulations.
4. If the Clearinghouse receives a request for disclosure of any data, material or other information created or shared under the Injunctive Relief Terms, pursuant to a Third Party Request, the Clearinghouse shall notify the Injunctive Relief Distributors and the Clearinghouse Advisory Panel of the Third Party Request and any confidential information to be disclosed so that the Injunctive Relief Distributors may seek a protective order or otherwise challenge or object to the disclosure. The Clearinghouse shall provide the Injunctive Relief Distributors and the Clearinghouse Advisory Panel with at least ten (10) days' advance notice before complying with any Third Party Request for confidential information, except where state law requires a lesser period of advance notice.

H. Data Integrity

1. The Clearinghouse shall use best-in-class technology to preserve the integrity of the data.
2. The Clearinghouse shall report any data breaches under HIPAA and state law that occur as a result of any of its data collection and reporting activities to the Settling States and other authorities as required by law.
3. The Injunctive Relief Distributors and the Settling States shall not be liable for any breaches of any databases maintained by the Clearinghouse. This does not excuse the Clearinghouse or its vendor(s) from compliance with all state and federal laws and regulations governing (1) the protection of personal information and protected health information, or (2) notifications relating to Data Security Events.

I. Credit for Investment in the Clearinghouse

1. The Injunctive Relief Distributors and the State Compliance Review Committee shall negotiate in good faith regarding a potential credit against Injunctive Relief Distributors' overall settlement obligations if costs exceed the amounts specified in Section XVII.F.

XVIII. MONITOR

A. Monitor Selection and Engagement

1. The Injunctive Relief Distributors shall engage a Monitor to perform the reviews described in Section XVIII.F. The Monitor shall employ or retain personnel who have appropriate qualifications related to the pharmaceutical industry and the laws governing the distribution of pharmaceuticals, the distribution of Controlled Substances, and the applicable requirements of federal and state law. The Monitor may also employ or retain personnel who have appropriate qualifications in the audit and review of sample documents in order to conduct the reviews described in Section XVIII.F. To the extent additional expertise is required for the engagement, the Monitor may retain the services of third-party consultants.
2. The Monitor must perform each review described in Section XVIII.F in a professionally independent and objective fashion, as defined in the most recent Government Auditing Standards issued by the United States Government Accountability Office. A Monitor shall not be engaged in active litigation involving one or more of the Injunctive Relief Distributors or Settling States or present a potential conflict of interest involving matters concerning an Injunctive Relief Distributor, except by agreement of the affected parties. If the Monitor is employed by an entity that performed work for any Injunctive Relief Distributor or any of the Settling States prior to the Effective Date, the Monitor will cause to be implemented appropriate ethical walls between the Monitor team and the employees of the firm who have previously performed work for an Injunctive Relief Distributor or any of the Settling States.
3. The process for selecting the Monitor shall be as follows:
 - a) Within sixty (60) calendar days of the Effective Date, the Injunctive Relief Distributors and the State Compliance Review Committee shall exchange pools of recommended candidates to serve as the Monitor. The pools shall each contain the names of three (3) individuals, groups of individuals, or firms.
 - b) After receiving the pools of Monitor candidates, the Injunctive Relief Distributors and the State Compliance Review Committee shall have the right to meet with the candidates and conduct appropriate interviews of the personnel who are expected to work on the project. The Injunctive Relief Distributors (individually or in combination) and the State Compliance Review Committee may veto any of the candidates, and must do so in writing within thirty (30) days of receiving the pool of candidates. If all three (3) candidates within a pool are rejected by either the Injunctive Relief

Distributors or the State Compliance Review Committee, the party who rejected the three (3) candidates may direct the other party to provide up to three (3) additional qualified candidates within thirty (30) calendar days of receipt of said notice.

- c) If the Injunctive Relief Distributors or the State Compliance Review Committee do not object to a proposed candidate, the Injunctive Relief Distributors or the State Compliance Review Committee shall so notify the other in writing within thirty (30) days of receiving the pool of candidates. If more than one candidate remains, the State Compliance Review Committee shall select the Monitor from the remaining candidates. Within thirty (30) calendar days of the selection of the Monitor, the Injunctive Relief Distributors shall retain the Monitor, and finalize all terms of engagement, supplying a copy of an engagement letter to the State Compliance Review Committee. The terms of engagement shall include a process by which Injunctive Relief Distributors may challenge Monitor costs as excessive, duplicative or unnecessary, which process must be approved by the State Compliance Review Committee.
4. The Injunctive Relief Distributors shall be responsible for the Monitor's fees and costs directly related to its performance of the work specified by the Injunctive Relief Terms up to a limit of \$1,000,000 per year per Injunctive Relief Distributor (*i.e.*, a total of \$3,000,000 per year).
5. Prior to each year, the Monitor shall submit a combined annual budget to the Injunctive Relief Distributors and State Compliance Review Committee that shall not exceed a total of \$3,000,000. The Monitor shall submit quarterly reports to the Injunctive Relief Distributors and the State Compliance Review Committee tracking actual spend to the annual budget.
6. In the event that any of the Injunctive Relief Distributors or State Compliance Review Committee believe that the Monitor is not performing its duties and responsibilities under the Injunctive Relief Terms in a reasonably cost effective manner, an Injunctive Relief Distributor or the State Compliance Review Committee shall recommend in writing changes to the Monitor's practices to reduce cost. The Monitor, Injunctive Relief Distributors, and the State Compliance Review Committee shall meet and confer in good faith in response to such a recommendation.
7. In the event that the Injunctive Relief Distributor and the State Compliance Review Committee cannot agree on whether the recommended cost reductions are warranted, either the State Compliance Review Committee or the Injunctive Relief Distributors may submit the question to the National Arbitration Panel, who shall determine whether

the Monitor is performing its duties and responsibilities under the Injunctive Relief Terms in a reasonably cost effective manner, and, if not, the necessary changes to the Monitor's practices to reduce cost.

8. If the National Arbitration Panel determines that the Monitor cannot complete the reviews described in Section XVIII.F within the combined annual budget of \$3,000,000, the National Arbitration Panel shall require the Monitor to provide the Injunctive Relief Distributors and the State Compliance Review Committee with a written report explaining why it is not possible to complete the reviews within budget and all steps the Monitor has taken to perform its duties and responsibilities under the Injunctive Relief Terms in a reasonably cost effective manner. After receiving the Monitor's report, the Injunctive Relief Distributors, and the State Compliance Review Committee shall meet and confer in good faith to determine whether an increase in the combined budget is appropriate. If the Injunctive Relief Distributors and the State Compliance Review Committee cannot reach an agreement on the amount of the reasonable costs in excess of \$3,000,000 for the relevant year, the issue will be submitted to the National Arbitration Panel for resolution. The National Arbitration Panel may award additional costs up to total cap of \$5,000,000 for the relevant year (\$3,000,000 plus an additional \$2,000,000).
9. Unless the Injunctive Relief Distributors and the State Compliance Review Committee agree otherwise as part of the meet and confer process in the prior paragraph (such as by agreeing to limit the Monitor's duties and responsibilities for the remainder of the year), the amount above \$3,000,000 and up to the total cap of \$5,000,000 in a given year necessary for the Monitor to complete the reviews described in Section XVIII.F shall be divided evenly among the Injunctive Relief Distributors without reducing any other amounts that are the responsibility of the Injunctive Relief Distributors.

B. Early Termination of the Monitor

1. In the event any of the Injunctive Relief Distributors or State Compliance Review Committee believe that the Monitor is not performing its duties and responsibilities under the Injunctive Relief Terms in a reasonably professional, competent and independent manner, an Injunctive Relief Distributor or the State Compliance Review Committee shall recommend replacement of the Monitor in writing. The Injunctive Relief Distributors and the State Compliance Review Committee shall meet and confer in good faith in response to a recommendation to replace the Monitor. If the State Compliance Review Committee and the Injunctive Relief Distributors agree that the Monitor should be replaced, a replacement Monitor will be selected in the manner set forth in Section XVIII.A.3.

2. In the event the Injunctive Relief Distributor and the State Compliance Review Committee cannot agree on whether the Monitor should be replaced, either the State Compliance Review Committee or the Injunctive Relief Distributors may submit the question of the Monitor's dismissal to the National Arbitration Panel, and the Monitor shall only be dismissed if that panel finds that there is Good Cause for dismissal. Good Cause for dismissal shall mean (a) a material and substantial breach of the terms of the Monitor's obligations under the Injunctive Relief Terms; (b) any act of dishonesty, misappropriation, embezzlement, intentional fraud, or similar conduct by the Monitor; (c) any clear pattern of bias or prejudice in favor or against any party by the Monitor; (d) conduct by the Monitor that demonstrates unfitness to fulfill the functions of the Monitor reasonably and competently; or (e) conflicts of interest described in Section XVIII.A.2. If the panel finds that the Monitor should be dismissed, a replacement Monitor will be selected in the manner set forth in Section XVIII.A.3.
3. In addition, if the Monitor resigns for any reason, a replacement Monitor will be selected in the manner set forth in Section XVIII.A.3.

C. Term and Reporting Periods

1. The term of the Monitor will be five (5) years from the date the Monitor is appointed, divided into one-year periods for purposes of the reviews and reporting described in Section XVIII ("*Reporting Periods*").

D. Monitor Access to Information

1. In connection with its reviews set forth in Section XVIII.F, the Monitor may request to interview employees with appropriate authority and responsibilities as necessary. In the event that an Injunctive Relief Distributor believes that the Monitor is requesting an unreasonable number of interviews or requesting interviews of employees who do not have relevant information to the reviews required by Section XVIII.F, the Injunctive Relief Distributor and State Compliance Review Committee shall meet and confer in good faith to resolve this issue.
2. The Chief Diversion Control Officer of each Injunctive Relief Distributor or a direct report of the Chief Diversion Control Officer shall serve as the primary point of contact for the Monitor to facilitate the Monitor's access to documents, materials, or staff necessary to conduct the reviews specified in Section XVIII.F. The Monitor shall communicate any request for documents, materials, or access to staff to the Chief Diversion Control Officers or their designees.
3. If at any time the Monitor believes there is undue delay, resistance, interference, limitation, or denial of access to any records or to any

employee or former employee deemed necessary by the Monitor to conduct the reviews specified in Section XVIII.F, the Monitor shall notify the Chief Diversion Control Officer of the Injunctive Relief Distributor and they shall meet and confer to resolve such issue. If the Monitor believes that the matter was not resolved, the Monitor shall immediately report the issue to the State Compliance Review Committee.

4. To the extent any of the documents requested by the Monitor contain material protected from disclosure by any legal privilege, including the attorney-client privilege or attorney work product protections, an Injunctive Relief Distributor may redact such material before providing the documents to the Monitor, but must provide the Monitor with a privilege log describing the redacted information and identifying the basis for redaction.
5. Notwithstanding any other information referenced and produced pursuant to Section XVIII, the Monitor shall have access to, and each Injunctive Relief Distributor's Chief Diversion Control Officer shall produce to the Monitor, any settlement agreements with government entities entered into after the Effective Date specifically concerning the requirements contained in the Injunctive Relief Terms and an Injunctive Relief Distributor's distribution of Controlled Substances (as opposed to distribution of pharmaceutical products in general).

E. Settling States' Access to Monitor

1. Other than in connection with the initiation of a Notice of Potential Violation set forth in Section XIX.B.2, should the Monitor believe it needs to initiate communication with the State Compliance Review Committee regarding an Injunctive Relief Distributor's compliance with the Injunctive Relief Terms, the Monitor's communications should include the Chief Diversion Control Officer or counsel of the affected Injunctive Relief Distributor, regardless of the form of communication.
2. The State Compliance Review Committee shall have access to any settlement agreements produced to the Monitor pursuant to Section XVIII.D.5.

F. Reviews to be Conducted by the Monitor

1. There shall be two (2) types of reviews to be conducted by the Monitor:
 - a) Customer-specific reviews, as set forth in Section XVIII.F.2; and
 - b) System reviews, as set forth in Section XVIII.F.3.

2. Customer-Specific Reviews

- a) The following Customer-specific reviews will be conducted by the Monitor for each Injunctive Relief Distributor for each of the Reporting Periods:
 - (1) Threshold Change Request Review (“*TCR Review*”);
 - (2) Onboarding New Customer Review (“*Onboarding Review*”);
 - (3) Ongoing Due Diligence Review (“*Ongoing Diligence Review*”);
 - (4) Customer Termination Review (“*Termination Review*”); and
 - (5) Orders that Exceed Thresholds but are Shipped Review (“*Exceeded Threshold Review*”).
- b) Sample selection and audit periods for TCR Reviews, Onboarding Reviews, Ongoing Diligence Reviews, Termination Reviews, and Exceeded Threshold Reviews:
 - (1) For each Reporting Period, the Monitor will review a representative sample of files for the performance of the TCR Reviews, Onboarding Reviews, and Ongoing Diligence Reviews. The Monitor shall select a sample representative of various geographic regions, customer types (Independent Retail Pharmacy Customers or Chain Customer), and distribution centers.
 - (2) The Monitor will meet and confer with each of the Injunctive Relief Distributors to determine the appropriate audit period within each Reporting Period from which the samples will be selected (e.g. samples will be selected from the first six (6) months of a reporting period to allow the Monitor time to perform its review during the remainder of the reporting period).
 - (3) Within thirty (30) calendar days following the close of the agreed-upon audit period, the Injunctive Relief Distributors (or the Clearinghouse once operational, if able to do so) will provide the Monitor with the following lists of relevant Customers for each type of review:
 - (a) A list of all Customers that requested at least one Threshold increase for a Highly Diverted Controlled

Substance during the relevant audit period, including the number of such requests by each Customer;

- (b) A list of all Customers that were onboarded during the relevant audit period and, during that period, ordered and received Highly Diverted Controlled Substances;
 - (c) A list of all Customers that were the subject of an Ongoing Diligence Review during the relevant audit period;
 - (d) A list of all Customers that, for reasons related to Controlled Substance regulatory compliance, were terminated during the relevant audit period; and
 - (e) A list of all Orders for Highly Diverted Controlled Substances where a decision was made to ship the Order even though the order exceeded the otherwise applicable Threshold, with number of such shipped orders.
- (4) Within fifteen (15) calendar days of compiling this Customer information for sample selection, each Injunctive Relief Distributor shall propose a reasonable number of customer files for each review to the Monitor.
 - (5) Within fifteen (15) calendar days of receiving the lists specified above from the Injunctive Relief Distributors, the Monitor shall choose representative files to be reviewed from these lists. Each list will include the Customers' zip code, geographic region, distribution center, and customer type (Independent Retail Pharmacy Customer or Chain Customer).

c) TCR Reviews

- (1) For each Reporting Period, the Monitor shall conduct a TCR Review for a sample review of Customers who requested at least one Threshold increase for Highly Diverted Controlled Substances for each Injunctive Relief Distributor. For the TCR Reviews, the Monitor shall review the information contained in the files of the sample Customers and determine whether the information reflects substantial compliance with the requirements of Section XII.C.3.

- d) Onboarding Reviews
 - (1) For each Reporting Period, the Monitor shall conduct an Onboarding Review of a sample of Customers that were onboarded during the applicable audit period and, during that period, ordered and received Highly Diverted Controlled Substances from the Injunctive Relief Distributor. For the Onboarding Reviews, the Monitor shall review the information contained in the files of the sample Customers and determine whether the information reflects substantial compliance with the requirements of Section IX.
- e) Ongoing Diligence Reviews
 - (1) For each Reporting Period, the Monitor shall conduct an Ongoing Diligence Review of a sample of Customers for each Injunctive Relief Distributor that was the subject of an Ongoing Diligence Review during the relevant audit period. For the Ongoing Diligence Reviews, the Monitor shall review the information contained in the files of the sample of Customers and determine whether the information reflects substantial compliance with the requirements of Section X.
- f) Termination Reviews
 - (1) For each Reporting Period, the Monitor shall conduct a review of a sample of Customers that were terminated by each Injunctive Relief Distributor during the audit period. For the Termination Reviews, the Monitor shall review the information contained in the files of the sample of Customers and determine whether the information reflects substantial compliance with the requirements of Section XIV.
- g) Exceeded Threshold Review
 - (1) For each Reporting Period, the Monitor shall conduct a review of a sample of Orders for Highly Diverted Controlled Substances where a decision was made by the Injunctive Relief Distributor to ship the Order even though the Order exceeded the applicable Threshold. For the Exceeded Threshold Reviews, the Monitor shall review the information contained in the Customer files related to the Orders and determine whether the information reflects substantial compliance with the requirements of Section XIII.B.

3. Annual System Reviews:

- a) The following system reviews will be conducted by the Monitor for each Injunctive Relief Distributor for each of the Reporting Periods:
 - (1) CSMP Review;
 - (2) Threshold Setting Process Review;
 - (3) Suspicious Orders and Suspicious Order Report Review;
 - (4) Compensation Review;
 - (5) Red Flag Review; and
 - (6) Review of CSMP Integration with Clearinghouse.
- b) CSMP Review
 - (1) For each Reporting Period, the Monitor shall conduct a review of the following materials from each Injunctive Relief Distributor:
 - (a) Current CSMP policies and procedures;
 - (b) Organizational charts for the departments that are relevant to the CSMP organization;
 - (c) Logs and/or summaries of any reports received on the “hot line” required by Section V.E and the action or response of an Injunctive Relief Distributor to any such reports;
 - (d) Copies of the quarterly reports provided by the Chief Diversion Control Officer to the CSMP Committee as required by Section IV.C;
 - (e) Copies of the quarterly reports provided by the CSMP Committee to senior management and the Board of Directors as required by Section VI.C; and
 - (f) Copies of the materials used for the training required by Section VII and lists of the attendees of the training.

- c) Threshold Setting Process Review:
 - (1) For each Reporting Period, each Injunctive Relief Distributor or its outside consultants shall prepare a summary report describing how its Threshold-setting methodology for Independent Retail Pharmacy Customers and Chain Customers complies with Section XII (the “*Annual Threshold Analysis and Assessment Report*”).
 - (2) For each Reporting Period, the Monitor shall review the Annual Threshold Analysis and Assessment Report, determine whether the information reflects substantial compliance with the requirements of Section XII, and include any Observations and Recommendations, as defined in Section XVIII.G, in its annual Audit Report.
- d) Suspicious Orders and Suspicious Order Reporting Review:
 - (1) For each Reporting Period, each Injunctive Relief Distributors will provide the Monitor with a report containing summary metrics for the Suspicious Orders that were reported to the DEA and the Settling States (the “*Suspicious Order Metrics Report*”). In the Suspicious Order Metrics Report, the Injunctive Relief Distributors will also provide summary metrics for Orders of Highly Diverted Controlled Substances that exceeded a Threshold but were still shipped.
 - (2) For each Reporting Period, the Monitor shall review the Suspicious Order Metrics Report, determine whether the information reflects substantial compliance with the requirements of Section XIII, and include any Observations and Recommendations in its annual Audit Report.
- e) Compensation Reviews:
 - (1) For each Reporting Period, the Monitor will review compensation-related policy documents for each Injunctive Relief Distributor for sales personnel. The Monitor shall analyze those documents and determine whether the compensation policies of each Injunctive Relief Distributor comply with the requirements contained in Section V.
- f) Red Flags Review:
 - (1) For each Reporting Period, the Monitor shall review the Red Flags defined in Section VIII and their incorporation into each Injunctive Relief Distributor’s policies and

procedures. The Monitor shall determine whether the information reflects substantial compliance with the requirements of Section VIII and include any Observations and Recommendations, as called for by Section VIII.C, about those definitions in its annual Audit Report.

g) Review of CSMP Integration with the Clearinghouse:

- (1) For each Reporting Period, each Injunctive Relief Distributor shall prepare a report summarizing the status of the Injunctive Relief Distributor's CSMP integration with the operation of the Clearinghouse ("*Clearinghouse Integration Report*"). The Monitor shall review each Injunctive Relief Distributor's Clearinghouse Integration Report, determine whether the information reflects substantial compliance with the requirements of Section XVII, and include any Observations and Recommendations in its annual Audit Report.

G. Observations and Recommendations:

1. If the Monitor notes any areas for potential improvement during the course of the reviews conducted pursuant to the Injunctive Relief Terms, the Monitor shall include any such recommendations in the Audit Report. Collectively, any such questions, concerns or recommendations will be referred to as "*Observations and Recommendations.*"

H. Audit Reports:

1. No later than one hundred and twenty (120) calendar days prior to the end of a Reporting Period and/or at any other time deemed reasonably necessary by the Monitor, the Monitor shall provide each Injunctive Relief Distributor with a draft report detailing any instances of substantial non-compliance with the applicable provisions of the Injunctive Relief Terms from the reviews in Section XVIII.F (the "*Draft Report*"). The Draft Report will also describe any Observations and Recommendations.
2. Within thirty (30) calendar days of its receipt of the Draft Report, the Injunctive Relief Distributor will provide comments and responses to the Draft Report. The Injunctive Relief Distributor will, among other things:
 - a) Respond to each instance of substantial non-compliance, including, where appropriate, describing any corrective action taken (or to be taken).
 - b) Respond to each Observation and Recommendation.

3. Within thirty (30) calendar days of its receipt of the Injunctive Relief Distributors' responses to the Draft Report, the Monitor shall provide a final report (the "*Audit Report*") to each Injunctive Relief Distributor and the State Compliance Review Committee. The Monitor shall provide the State Compliance Review Committee with a copy of an Injunctive Relief Distributor's response to the Draft Report.
4. No action or lack of action by the Settling States regarding information received from the Monitor concerning an Injunctive Relief Distributor's conduct shall be considered affirmation, acceptance, or ratification of that conduct by the Settling States.

I. Confidentiality:

1. Materials and information provided by the Injunctive Relief Distributors to the Monitor that are designated "*Confidential*" (and any parts, portions, or derivations thereof) (the "*Confidential Information*") will be kept confidential and not be shown, disclosed, or distributed to any other party, including any other Injunctive Relief Distributor.
2. The Monitor will not use materials or information received from one Injunctive Relief Distributor, or information or analysis developed using the Confidential Information of an Injunctive Relief Distributor, in its assessment of any other Injunctive Relief Distributor. Because each Injunctive Relief Distributor operates pursuant to its own unique policies and procedures intended to comply with legal and other requirements of the Injunctive Relief Terms, the Monitor shall apply the standards of each Injunctive Relief Distributor to its reviews without preference to the practices or standards applied by any other Injunctive Relief Distributor.
3. If any of the Settling States or the Monitor receive a request for disclosure of any material or information created or shared under the Injunctive Relief Terms, pursuant to a Third Party Request, the Settling State or the Monitor, respectively, shall notify the Injunctive Relief Distributors of the Third Party Request and the Confidential Information to be disclosed so that the Injunctive Relief Distributors may seek a protective order or otherwise challenge or object to the disclosure. The Settling State or the Monitor will provide the Injunctive Relief Distributors with at least ten (10) days' advance notice before complying with any Third Party Request for Confidential Information, except where state law requires a lesser period of advance notice.
4. Nothing herein will be deemed to prevent any party from claiming any applicable exemption to the public information act, freedom of information act, public records act, or similar law.

XIX. ENFORCEMENT OF INJUNCTIVE RELIEF TERMS

A. State Compliance Review Committee:

1. Any Settling State may initiate a review of a Potential Violation consistent with the process set forth in Section XIX.
2. The State Compliance Review Committee shall assign the Monitor the responsibilities set forth in Sections XIX.B.3 through XIX.B.7, regarding review of a Potential Violation and an opportunity to cure, except with respect to matters requiring interpretation of the Injunctive Relief Terms subject to Section XIX.C.2. The objective of the Monitor shall be to facilitate a resolution among the parties, providing an opportunity to cure, as applicable, for the party against whom a Potential Violation has been alleged.
3. No less than six (6) months before the Monitor's term expires pursuant to Section XVIII, the State Compliance Review Committee and Injunctive Relief Distributors shall meet and confer in good faith to determine the parameters and processes for continued enforcement, consistent to the maximum extent possible with the provisions set forth in Section XIX, for the period after the Monitor's term has ended. Absent agreement between the State Compliance Review Committee and Injunctive Relief Distributors, all provisions set forth in Section XIX involving the Monitor are excused after the Monitor's term has ended.
4. Should an Injunctive Relief Distributor allege in good faith that a Settling State or the Monitor has impaired the ability of the Injunctive Relief Distributor to meet the Injunctive Relief Terms, the Injunctive Relief Distributor may request the State Compliance Review Committee to mediate any dispute in an effort to avoid the time and expense of litigation regarding interpretation and enforcement of the Injunctive Relief Terms.

B. Process for Review of Potential Violations and Opportunity to Cure:

1. Definition of "Potential Violation": A Potential Violation occurs when an Injunctive Relief Distributor is alleged to not be in substantial compliance with (i) the Injunctive Relief Terms or (ii) a Corrective Action Plan adopted consistent with the process set forth in Section XIX.B.7.
2. Submission of Notice of Potential Violation. An allegation of a Potential Violation shall be submitted to the State Compliance Review Committee in writing by one or more Settling States ("*Notice of Potential Violation*" or "*Notice*") and shall include the following to the extent practicable:
 - a) Specification of the particular Injunctive Relief Term(s) and/or Corrective Action Plan(s) implicated by the Potential Violation;

- b) Description of the Potential Violation with specificity;
 - c) The reasoning for and, if available, any documentation supporting the allegation that a Potential Violation has occurred, including whether the Potential Violation is a matter identified by the Monitor in an Audit Report; and
 - d) Description of the time-sensitivity of the Potential Violation, if relevant.
3. Assignment to Monitor. The State Compliance Review Committee shall review every Notice. If the State Compliance Review Committee reasonably believes that further review is warranted, the State Compliance Review Committee shall forward the Notice to the Monitor. The Monitor shall ensure that the Injunctive Relief Distributor that is the subject of the Notice receives a copy of the Notice and a proposed schedule consistent with the process set forth in Sections XIX.B.4 and XIX.B.5.
4. Response to Notice of Potential Violation. Within thirty (30) days of receipt of the Notice of Potential Violation, the Injunctive Relief Distributor that is the subject of the Notice shall provide a written response to the referring Settling State(s), the Monitor, and the State Compliance Review Committee. The response (a) shall set forth the reasons the Injunctive Relief Distributor that is the subject of the Notice believes that it is in substantial compliance with the relevant Injunctive Relief Term(s) and/or Corrective Action Plan(s), and (b) as applicable, shall explain efforts undertaken to cure the Potential Violation and a schedule for completing the efforts to cure.
5. Conference for Parties re Notice of Potential Violation. The parties to the Notice shall meet or otherwise confer regarding the Potential Violation. The parties and the Monitor shall make themselves available for such a meeting (which may at any party's election be a virtual or technology-based meeting), provided, however, that the meeting is not required to take place sooner than fifteen (15) days after a written response to the Notice of Potential Violation.
6. Process for Previously-Submitted Notices of Potential Violation. At the request of the parties to a Notice, the Monitor shall determine whether the Notice implicates the same or similar issues as a previously submitted Notice or is a matter previously identified by the Monitor in an Audit Report involving the same party alleged to have engaged in a Potential Violation, and make an initial determination as to whether the issues needs to be addressed anew. The Monitor shall inform the Settling State and Injunctive Relief Distributor involved in the previous Notice or the subject of a matter previously identified by the Monitor in an Audit Report of its determination within five (5) business days of receipt of the Notice. The

Settling State and Injunctive Relief Distributor shall have five (5) business days to object to the determination. If an objection is made, the Monitor shall respond to the objection within five (5) business days. If no objection is made, the party involved in the prior Notice may rely on the response to the previously submitted Notice or matter previously identified by the Monitor in an Audit Report and no further action shall be required.

7. Monitor Resolution of Potential Violation and Opportunity to Cure. Within thirty (30) days of the meeting pursuant to Section XIX.B.5, the Monitor, taking into consideration the submissions of the parties involved in the Notice and other information available to the Monitor, shall resolve the Notice as follows:
- a) If the Monitor reasonably believes that a Potential Violation is not ongoing or has been substantially resolved as of thirty (30) days from the meeting pursuant to Section XIX.B.5, the Monitor shall provide written notice to the State Compliance Review Committee and the Settling State(s) and Injunctive Relief Distributor involved in the Notice.
 - b) If the Monitor reasonably believes that a Potential Violation is ongoing and has not been substantially resolved as of thirty (30) days from the meeting pursuant to Section XIX.B.5, the Monitor shall provide written notice to the State Compliance Review Committee and the Settling State(s) and Injunctive Relief Distributor involved in the Notice and request that the Injunctive Relief Distributor prepare, within thirty (30) days of the receipt of such written notice, a Corrective Action Plan to remedy such Potential Violation, including a reasonable period for implementation of such plan. The Monitor may extend the period of time to submit a Corrective Action Plan up to ninety (90) days based on a reasonable request by the affected party.
 - c) A Corrective Action Plan may address multiple Potential Violations, and an existing Corrective Action Plan may be amended to address additional Potential Violations.
 - d) Within ten (10) business days of submission of a Corrective Action Plan regarding a Potential Violation, the Monitor shall confer with the State Compliance Review Committee and the Settling State(s) and Injunctive Relief Distributor involved in the Notice regarding the proposed Corrective Action Plan. The Monitor may recommend revisions in its discretion. The conference required by this paragraph may at any party's election be a virtual or technology-based meeting.

- e) Within thirty (30) days of the conference in Section XIX.B.7.d, the Monitor shall advise the State Compliance Review Committee and the Settling State(s) and Injunctive Relief Distributor involved in the Notice whether the Monitor has adopted the proposed Corrective Action Plan or whether the Monitor has adopted it after making modifications. The Monitor shall also set forth a reasonable period for implementation of any such plan that has been adopted. The Injunctive Relief Distributor that is subject to a Corrective Action Plan adopted by the Monitor must begin to comply with the Corrective Action Plan within five (5) business days of receiving notice of the Corrective Action Plan has been adopted, unless it seeks review by the State Compliance Review Committee pursuant to Section XIX.C.1.

C. Enforcement Responsibilities of State Compliance Review Committee:

1. The Settling State(s) or Injunctive Relief Distributor involved in a Notice may request the State Compliance Review Committee to review the resolution (including a resolution pursuant to Section XIX.B.7.a) and/or Corrective Action Plan adopted by the Monitor regarding that Notice. Any such request must be made within five (5) business days of a resolution or adoption of a Corrective Action Plan by the Monitor. The State Compliance Review Committee, taking into consideration the resolution by the Monitor, submissions of the Settling State(s) or Injunctive Relief Distributor, and other information available to the Committee, shall within thirty (30) days of receipt of the request resolve the matter by written notice to the affected parties, which shall include the State Compliance Review Committee's reasoning in reaching its resolution. The State Compliance Review Committee may agree, disagree, or modify any resolution or Corrective Action Plan that it reviews. An Injunctive Relief Distributor that is subject to a Corrective Action Plan that is affirmed or affirmed as amended by the State Compliance Review Committee must within five (5) business days begin to comply with the Corrective Action Plan.
2. The State Compliance Review Committee shall review any issues raised by a Notice regarding the interpretation of the Injunctive Relief Terms at the request of the Settling State(s), Injunctive Relief Distributor involved in a Notice, or the Monitor. Such a request may be made at any time after the Notice's submission, and the request will not extend the timelines set forth in Sections XIX.B and XIX.C.1. The State Compliance Review Committee shall notify the Monitor, Settling State(s) and Injunctive Relief Distributor involved in the Notice of its determination. Settling States and Injunctive Relief Distributors do not waive their rights to challenge the interpretation of the Injunctive Relief Terms by the State Compliance Review Committee in any subsequent proceeding pursuant to Section XIX.E.2.

3. The State Compliance Review Committee may, independent of a Notice of Potential Violation, review requests by a Monitor, Settling State, or Injunctive Relief Distributor regarding the interpretation of the Injunctive Relief Terms. The State Compliance Review Committee shall notify the Monitor and requesting party of its interpretation, including the State Compliance Review Committee's reasoning in reaching its conclusion. Settling States and Injunctive Relief Distributors do not waive their rights to challenge the interpretation of the Injunctive Relief Terms by the State Compliance Review Committee in any subsequent proceeding pursuant to Section XIX.E.2.
4. The State Compliance Review Committee shall make available to all Settling States and Injunctive Relief Distributors any interpretation it issues pursuant to Sections XIX.C.2 and XIX.C.3.

D. Composition of State Compliance Review Committee:

1. A Settling State on the State Compliance Review Committee that is in active litigation with one or more of the Injunctive Relief Distributors, or in another potential conflict of interest involving compliance with Controlled Substances laws and regulations, may not serve on the State Compliance Review Committee for matters involving the affected Injunctive Relief Distributor, and the remaining Settling States on the State Compliance Review Committee shall within five (5) business days select an alternate Settling State as a replacement.
2. If the affected state on the State Compliance Review Committee disputes that it has a disqualifying active litigation or other conflict of interest, the determination of whether that state has a conflict disqualifying it from serving on the State Compliance Review Committee shall be made by the remaining states on the State Compliance Review Committee.

E. Enforcement Actions:

1. Any written notice or resolution by the State Compliance Review Committee regarding the matters set forth in Sections XIX.B and XIX.C shall provide the State Compliance Review Committee's assessment of the matter but will not be an official opinion of any individual Settling State.
2. Following the issuance of a written notice or resolution of the State Compliance Review Committee pursuant to Section XIX.C, a Settling State or Injunctive Relief Distributor may take whatever action it deems necessary related to the written notice or resolution issued by the State Compliance Review Committee, provided that the Settling State or Injunctive Relief Distributor is either (a) the Settling State that sought review by the State Compliance Review Committee, or (b) the Injunctive Relief Distributor that is the subject of the Potential Violation at issue.

Such action may include but is not limited to bringing an action to enforce the settlement agreement, filing a new original action, or, the parties to a Notice attempting to negotiate a Corrective Action Plan directly with each other.

3. The Settling States agree that prior to taking any court or administrative action, other than an action that is necessary to address an immediate threat to the health, safety, or welfare of the citizens of the Settling State, or that a public emergency requiring immediate action exists, it will follow the process outlined in Sections XIX.B and XIX.C.
4. A Settling State or Injunctive Relief Distributor must bring a court or administrative action within six (6) months of any resolution of the State Compliance Review Committee, unless the alleged violation is also an independent violation of state or federal law, or an action that a Settling State concludes is necessary to address an immediate threat to the health, safety, or welfare of the citizens of the State, or that a public emergency requiring immediate action exists, in which cases, the applicable statute of limitations (if any) for sovereign actions shall apply.

EXHIBIT Q

Illustrative Examples of Prepayments

Example 1

Gross Settlement Prepayment: \$3,000,000

Settlement Prepayment Reduction Schedule: Reduce amounts paid for each of Payment Years 8, 13, and 18 by \$1,000,000

Net Settlement Prepayment Amount (assumes discount rate of five percent (5%)): \$2,591,513
(\$863,838 for each of Payment Years 5, 10, and 15)

| Payment Year | Initial Settlement Payment Schedule | Settlement Prepayment Reduction (-) | Net Settlement Prepayment (+) | Revised Settlement Payment Schedule |
|--------------|-------------------------------------|-------------------------------------|-------------------------------|-------------------------------------|
| 1 | \$1,000,000 | | | \$1,000,000 |
| 2 | \$1,000,000 | | | \$1,000,000 |
| 3 | \$1,000,000 | | | \$1,000,000 |
| 4 | \$1,000,000 | | | \$1,000,000 |
| 5 | \$1,000,000 | | \$863,838 | \$1,863,838 |
| 6 | \$1,000,000 | | | \$1,000,000 |
| 7 | \$1,000,000 | | | \$1,000,000 |
| 8 | \$1,000,000 | \$1,000,000 | | \$0 |
| 9 | \$1,000,000 | | | \$1,000,000 |
| 10 | \$1,000,000 | | \$863,838 | \$1,863,838 |
| 11 | \$1,000,000 | | | \$1,000,000 |
| 12 | \$1,000,000 | | | \$1,000,000 |
| 13 | \$1,000,000 | \$1,000,000 | | \$0 |
| 14 | \$1,000,000 | | | \$1,000,000 |
| 15 | \$1,000,000 | | \$863,838 | \$1,863,838 |
| 16 | \$1,000,000 | | | \$1,000,000 |
| 17 | \$1,000,000 | | | \$1,000,000 |
| 18 | \$1,000,000 | \$1,000,000 | | \$0 |
| Total | \$18,000,000 | \$3,000,000 | \$2,591,513 | \$17,591,513 |

Example 2

Gross Settlement Prepayment: \$3,000,000

Settlement Prepayment Reduction Schedule: Reduce amounts paid for each of Payment Years 4, 9, and 14 by \$1,000,000

Net Settlement Prepayment Amount (assumes discount rate of five percent (5%)): \$2,857,143
(\$952,381 for each of Payment Years 3, 8, and 13)

| Payment Year | Initial Settlement Payment Schedule | Settlement Prepayment Reduction (-) | Net Settlement Prepayment (+) | Revised Settlement Payment Schedule |
|--------------|-------------------------------------|-------------------------------------|-------------------------------|-------------------------------------|
| 1 | \$1,000,000 | | | \$1,000,000 |
| 2 | \$1,000,000 | | | \$1,000,000 |
| 3 | \$1,000,000 | | \$952,381 | \$1,952,381 |
| 4 | \$1,000,000 | \$1,000,000 | | \$0 |
| 5 | \$1,000,000 | | | \$1,000,000 |
| 6 | \$1,000,000 | | | \$1,000,000 |
| 7 | \$1,000,000 | | | \$1,000,000 |
| 8 | \$1,000,000 | | \$952,381 | \$1,952,381 |
| 9 | \$1,000,000 | \$1,000,000 | | \$0 |
| 10 | \$1,000,000 | | | \$1,000,000 |
| 11 | \$1,000,000 | | | \$1,000,000 |
| 12 | \$1,000,000 | | | \$1,000,000 |
| 13 | \$1,000,000 | | \$952,381 | \$1,952,381 |
| 14 | \$1,000,000 | \$1,000,000 | | \$0 |
| 15 | \$1,000,000 | | | \$1,000,000 |
| 16 | \$1,000,000 | | | \$1,000,000 |

EXHIBIT R

Agreement on Attorneys' Fees, Expenses and Costs

This Agreement on Attorneys' Fees, Expenses and Costs ("*Fee Agreement*") is entered between McKesson Corporation, Cardinal Health, Inc., and AmerisourceBergen Corporation (collectively, the "*Settling Distributors*"), and the Plaintiffs' Executive Committee appointed in the multidistrict litigation in the Northern District of Ohio, National Prescription Opiate Litigation, No. 1:17-MD-2804 ("*MDL PEC*"), in connection with the Distributor Settlement Agreement ("*Distributor Agreement*"). This Fee Agreement becomes effective on the Effective Date of the Distributor Agreement or the date that the Consent Judgments anticipated under the Distributor Agreement become final in 25 Settling States (whichever is later). However, costs specified in Sections II.I and II.I.4 of this Fee Agreement that are to be funded pre-Effective Date by the Settling Distributors are effective upon agreement in writing with the Settling Distributors.

I. Definitions.

A. This Fee Agreement incorporates all defined terms in the Distributor Agreement, unless otherwise defined herein, and shall be interpreted in a manner consistent with the Distributor Agreement.

B. "*Attorney.*" Any of the following retained through a legal contract: a solo practitioner, a multi-attorney law firm, or other legal representative of a Participating Subdivision.

C. "*Attorney Fee Fund.*" An account consisting of funds allocated to pay attorneys' fees approved pursuant to Section II of this Fee Agreement established by Order of, and under the ongoing jurisdiction of, the MDL Court, as provided below.

D. "*Common Benefit Fund.*" The sub fund of the Attorney Fee Fund described in Section II.C.

E. "*Contingency Fee Fund.*" The sub fund of the Attorney Fee Fund described in Section II.D.

F. "*Cost and Expense Fund Administrator.*" The administrator appointed by the MDL Court to administer the MDL Expense Fund and Subdivision Cost Fund as provided in the Fee Agreement.

G. "*Cost Funds.*" Collectively, the MDL Expense Fund and Subdivision Cost Fund.

H. "*Fee Entitlement.*" Any right, entitlement or expectation, including but not limited to a fee contract, contingent fee contract, agreement, referral arrangement, co-counsel arrangement, State Back-Stop Agreement, or any other arrangement by which counsel could receive compensation or other consideration.

I. “*Fee Panel.*” The three-person panel appointed by the MDL Court to administer the Attorney Fee Fund and its sub funds as provided in the Fee Agreement.

J. “*Litigating Subdivision Cost Fund.*” The cost fund described in Section II.E herein.

K. “*MDL Court.*” United States District Court for the Northern District of Ohio Eastern Division, Case No. 1:17-md-2804, Judge Dan Aaron Polster.

L. “*MDL Expense Fund.*” The cost fund described in Section II.F below.

M. “*MDL PEC.*” The Plaintiffs’ Executive Committee appointed by the MDL Court.

N. “*Non-Participating Litigating Subdivision.*” A Litigating Subdivision that is not a Participating Subdivision.

O. “*Participating Litigating Subdivision.*” A Litigating Subdivision that is also a Participating Subdivision.

P. “*Participation Agreement.*” An agreement executed by an Attorney that acknowledges the obligation to pay an appropriate MDL Common Benefit Assessment.

Q. “*Qualifying Representation.*” Legal services provided for representation of a Participating Litigating Subdivision regarding Released Claims against Released Entities.

R. “*State Back-Stop Agreement.*” Any agreement by a Settling State and private counsel for Participating Subdivisions in that State (or legislation enacted in that State) to provide, adjust, or guarantee attorneys’ fees and costs, whether from the Attorney Fee Fund or any other source recognized in the agreement or legislation.

II. Fees and Costs.

A. *Total Attorneys’ Fees and Costs.*

1. Total attorneys’ fees and costs to be paid by Settling Distributors to Attorneys in each of the relevant Payment Years under this Fee Agreement shall be up to the following amounts, subject to the provisions set forth below, including with respect to the division of the Attorney Fee Fund into its sub funds:

| | Attorney Fee Fund <i>(Contingency Fee Fund and Common Benefit Fund)</i> | MDL Expense Fund | Litigating Subdivision Cost Fund |
|-----------------------|---|-----------------------------|---|
| Payment Year 1 | \$136,044,378.70 | \$40,384,615.39 | \$40,000,000 |
| Payment Year 2 | \$150,934,911.25 | | \$40,000,000 |
| Payment Year 3 | \$270,825,443.80 | | \$40,000,000 |
| Payment Year 4 | \$183,625,739.68 | | |

| | | | |
|-----------------------|------------------|--|--|
| Payment Year 5 | \$183,625,739.69 | | |
| Payment Year 6 | \$183,625,739.69 | | |
| Payment Year 7 | \$183,625,739.69 | | |

2. The sub funds within the Attorney Fee Fund shall include the Common Benefit Fund and the Contingency Fee Fund. The Cost Funds shall include the MDL Expense Fund, and the Litigating Subdivision Cost Fund. The State Counsel Fee Fund and the State Cost Fund shall be separate funds under the control of the Settling States.

3. The Contingency Fee Fund and the Common Benefit Fund shall be administered by a Fee Panel to be appointed by the MDL Court that will be governed by the provisions of this Fee Agreement and shall design the process and procedures for the allocation of fees pursuant to this Fee Agreement and the MDL Court's Order. The Cost Funds shall be administered by the Cost and Expense Fund Administrator to be appointed by the MDL Court who will be governed by the provisions of this Fee Agreement and shall design the process and procedures for the allocation of costs pursuant to this Fee Agreement and the MDL Court's Order.

4. The fees and costs to be paid under this Fee Agreement are available for Attorneys engaged in Qualifying Representations only. Fees and costs to be paid under this Fee Agreement are not available prior to the Effective Date of the Distributor Agreement or if the Distributor Agreement does not proceed past the Settling Distributors' determination in Section VIII.A of the Distributor Agreement. Fees and costs to be paid under this Fee Agreement are not available for representation of Non-Participating Subdivisions or Non-Litigating Subdivisions and are not available for representation of private hospitals, third-party payors, NAS claimants, personal injury/wrongful death claimants, or any entity other than Participating Litigating Subdivisions. In addition, fees and costs under this Fee Agreement are not available for representation of any individual or entity in matters other than those claims against Released Entities, but may include a reasonable share of representations that involve development of facts for pursuit of opioid-related claims against multiple defendants in the pharmacy, manufacturing, and distribution chain.

5. Payments due to the Attorney Fee Fund and the Cost Funds from the Settling Distributors under this Section II will be allocated among the Settling Distributors as follows: McKesson — 38.1%; Amerisource — 31.0%; Cardinal — 30.9%. A Settling Distributor's sole responsibility for payments under this Fee Agreement shall be to make its share of each payment. The obligations of the Settling Distributors in this Fee Agreement are several and not joint. No Settling Distributor shall be responsible for any portion of another Settling Distributor's share.

B. *Attorney Fee Fund and Sub Funds.*

1. There shall be a split of the Attorney Fee Fund into the Contingency Fee Fund and the Common Benefit Fund. The split shall be 40% to the Contingency Fee Fund and 60% to the Common Benefit Fund.

2. In no event shall Settling Distributors be required to pay more into the Attorney Fee Fund in any Payment Year than the maximum amount specified for that Payment Year in Section II.A.1, which amounts are reflected in Exhibit M to the Distributor Agreement. The amounts allocated to the Contingency Fee Fund and the Common Benefit Fund set by the Fee Panel shall be subject to the reductions and offsets set forth below.

3. Awards of fees from the Contingency Fee Fund shall be available to Attorneys with Qualifying Representations of Participating Litigating Subdivisions eligible to receive an allocation under the Distributor Agreement, as set forth in Exhibit G to the Distributor Agreement, and shall be made applying the Mathematical Model attached as Exhibit A to this Fee Agreement ("*Mathematical Model*"). The collection of the data and calculations for the Mathematical Model has been a cooperative effort among private counsel for a large number of Litigating Subdivisions. The analysis has been spearheaded by Joseph Tann and Andrew Arnold. The Fee Panel is encouraged to continue working with those counsel in application of the Model. The Fee Panel shall oversee the application of the Model and resolve any questions or disputes concerning the eligibility of an Attorney to participate as required in Section II.G. The Panel is empowered to hear disputes concerning and ensure the accuracy of the mathematical calculation.

4. As to awards from the Contingency Fee Fund, there shall be no right of appeal.

5. Any appeal of an award of the Fee Panel from the Common Benefit Fund will be made to the MDL Court and be reviewed under an abuse of discretion standard.

C. *Common Benefit Fund.* (60% of the Attorney Fee Fund.)

1. Funds in the Attorney Fee Fund shall be allocated to the Common Benefit Fund according to the schedule set forth below, subject to the adjustments described in Section II.C.5. The payments are to be made on the following yearly schedule, subject to the adjustments set forth below:

| | |
|----------------|-------------------------|
| Payment Year 1 | \$81,626,627.22 |
| Payment Year 2 | \$90,560,946.75 |
| Payment Year 3 | \$162,495,266.28 |
| Payment Year 4 | \$110,175,443.79 |
| Payment Year 5 | \$110,175,443.79 |
| Payment Year 6 | \$110,175,443.79 |
| Payment Year 7 | \$110,175,443.79 |
| Total: | \$775,384,615.41 |

2. The Common Benefit Fund shall be available to compensate Attorneys engaged in Qualifying Representations of Participating Litigating Subdivisions who:

- a. have performed work for the common benefit of all subdivisions pursuant to the guidelines established by Judge Polster set forth in MDL 2804 and the Order dated June 19, 2018, under docket number 636, which is included herein by reference; and
- b. satisfy the eligibility criteria set forth in Section II.G.

For purposes of Common Benefit Fund distribution, notwithstanding Section II.A.4 above, Attorneys representing Tribal Nations litigating against the Settling Distributors that have reached a settlement for Released Claims with Settling Distributors and/or Released Entities and meet the eligibility criteria in Section II.G shall be eligible.

3. The Common Benefit Fund shall be overseen by the Fee Panel, which shall determine the allocation of funds to eligible Attorneys consistent with this Fee Agreement and the June 19, 2018 Order.

4. In assessing the benefits that an Attorney has conferred to Participating Subdivisions (including non-Litigating Subdivisions) and/or Tribal Nations for purposes of any compensation decision, the Fee Panel shall give significant weight to the extent to which (i) the Attorney and his or her clients have contributed to increasing (or reducing) the Initial Participation Tier achieved through participation in the Distributor Agreement; (ii) the Attorney and his or her clients have contributed to increasing (or reducing) the amounts achieved under Incentive Payments A-D through participation in the Distributor Agreement; and (iii) the Attorney and his or her clients have contributed to the potential triggering of any suspension, reduction, or offset of Payment amounts under the Distributor Agreement. The Fee Panel may also consider additional fee recoveries the Attorney may potentially obtain, including, but not limited to, from State Back-Stop Agreements, representations of States or Tribal Nations, representations of other clients in opioids-related matters, or through the representation of Subdivision clients, whether they participated in the Distributor Agreement or not. It is the intent of this provision to recognize that the goal of the Distributor Agreement is to provide for maximum participation by the Subdivisions, maximum abatement funding for all Subdivisions nationally, and the maximum peace for Released Entities. Therefore, representing a Non-Participating Subdivision does not further the goal of the Distributor Agreement and should not be considered Common Benefit because it does not increase funds available to Participating Subdivisions' abatement programs. Representing Later Litigating Subdivisions is antithetical to the Distributor Agreement, detracts from Common Benefit, and is addressed by the ethics opinion discussed in Section II.I.4. The Fee Panel shall consider this concept of "*common detriment*" set forth in this Section II.C.4 in all of its decisionmaking with respect to the allocation of the Attorney Fee Fund among Attorneys, as well as, in its discretion, any offsets provided to Settling Distributors as set forth in Section II.C.6. The Fee Panel shall consider the totality of the Attorney's Participating Litigating Subdivisions as compared to the Attorney's Non-Participating Litigating

Subdivisions; the Parties recognize that, although the goal is for 100% participation, Attorneys with a higher number of clients have a higher probability of having one or more Non-Participating Litigating Subdivision client. As used in this Section II.C.4, “*client*” or “*representing*” a Subdivision shall include any Litigating Subdivision as to which the Attorney has a Fee Entitlement.

5. As set forth in Section II.C.6, the Fee Panel must consider the factors described in Section II.C.4 to determine how and whether to reduce the amounts to be paid by Settling Distributors under this Fee Agreement and to determine how to allocate funds among Attorneys. They may also, at their discretion, consider other factors. Any reduction in payment obligation or credit to be given a Settling Distributor in this Fee Agreement shall be applied against Payment Year 7 and working backwards. Any reduction to an Attorney not credited to Settling Distributors shall be allocated to attorneys whose Litigating Subdivision clients participated in the settlement by the Initial Participation Date.

6. The amounts to be provided as a credit or offset to Settling Distributors from the Common Benefit Fund shall depend on the relevant Participation Tier achieved, set forth in Exhibit H of the Distributor Agreement, as follows:

a. At Participation Tier 1 or below, the Common Benefit Fund payments to be paid by Settling Distributors shall be reduced as follows:

(i) With respect to any Attorney seeking payment from the Common Benefit Fund, the Fee Panel shall compare the aggregate allocation that Participating Litigating Subdivisions with which the Attorney has a Fee Entitlement would receive using the negotiating class allocation metrics with the aggregate amount that all Litigating Subdivisions (Participating and Non-Participating) with which the Attorney has a Fee Entitlement would receive using the negotiating class allocation metrics, provided that only Litigating Subdivisions in Settling States shall be considered for this ratio. The Fee Panel will multiply the amount to be paid to that Attorney from the Common Benefit Fund by that ratio, reduce the Attorney’s award by a maximum reduction of 15%, and the dollar amount of such reduction shall be deducted, dollar-for-dollar, from the amount owed by Settling Distributors to the Common Benefit Fund of the Attorney Fee Fund.

(ii) In the event that any Non-Participating Subdivision that is (a) under the jurisdiction of the MDL Court or (b) represented by an Attorney that is obligated to pay into the MDL Common Benefit Fund pursuant to a Participation Agreement, an order of the MDL Court, or any other arrangement settles with or wins a judgment against a Released Entity separate from the Distributor Agreement, and such settlement or judgment results in a common benefit fee assessment or fee payment into the MDL Common Benefit Fund during the time of Settling Distributors’ obligation to pay fees under this Fee Agreement, Settling Distributors’

obligation to pay into the Common Benefit Fund shall be reduced dollar-for-dollar for any amount of such fee assessments or payments (in the aggregate based on all reductions in this Section II.C.6.a.ii that exceed the reductions in Section II.C.6.a.i).

(iii) For the avoidance of doubt, in Tier 1 for each settlement or judgment with the Settling Distributors that results in an assessment or payment to the MDL Common Benefit Fund, that payment shall result in an offset for the Settling Distributors, unless the assessment or payment occurs after the Payment Date for Year 7.

b. At Participation Tier 2, the Common Benefit Fund payments to be made by Settling Distributors shall be reduced only as follows:

(i) Reduction by the Fee Panel. With respect to all Attorneys making an application that seeks payment from the Common Benefit Fund, the Fee Panel shall, following a determination that an Attorney is eligible under Section II.G, apply the criteria specified in Section II.C.4 in determining whether the lack of participation by Subdivisions with which an Attorney has a Fee Entitlement has resulted in a reduction in the Participation Tier achieved, reduction in benefit to Participating Subdivisions as a result of reductions in Incentive Payments A-D, and/or potential triggering of a suspension, reduction or offset under the Distributor Agreement. If the Fee Panel concludes that such a reduction has occurred, it must consider (1) the relative size of the Non-Participating Subdivision, as adjusted by the severity measures reflected in Exhibit H (governing the Participation Tiers) of the Distributor Agreement, and the impact of its non-participation on the Distributor Agreement as a whole (including amounts of Incentive Payments and triggering of suspensions, reductions or offsets); (2) whether and by how much the payment to the Attorney from the Common Benefit Fund should be reduced as a result of the impact of such non-participation on Participating Subdivisions; and (3) whether some or all of said reduction should revert to Settling Distributors due to the reduction in peace obtained from the Distributor Agreement. Consideration of the factors discussed in this Section II.C.6.b.i and Section II.C.4 is mandatory. The decision whether to (and by how much to) reduce payments by Settling Distributors or to reduce the payment to any Attorney based on the factors in Section II.C.4 shall be in the sole discretion of the Fee Panel.

(ii) Offsets.

(1) In the event that any Non-Participating Subdivision that is (a) under the jurisdiction of the MDL Court or (b) represented by an Attorney that is obligated to pay into the MDL Common Benefit Fund pursuant to a Participation Agreement, an order of the MDL Court, or any other arrangement

settles with or wins a judgment against a Released Entity separate from the Distributor Agreement, and such settlement or judgment results in a common benefit fee assessment or fee payment into the MDL Common Benefit Fund during the time of Settling Distributors' obligation to pay Common Benefit Fees under this Fee Agreement, Settling Distributors' obligation to pay into the Common Benefit Fund shall be reduced dollar-for-dollar up to the amount of the fee assessment or payment, except that such amount shall be capped at 7.5% of the amount of the settlement or judgment. Such reduction shall be taken first from Payment Year 7 of Settling Distributors' payments to the Common Benefit Fund of the Attorney Fee Fund up to the full amount of Settling Distributors' payment obligation in Payment Year 7, then from Payment Year 6, and so on.

(2) For the avoidance of doubt, for each settlement or judgment with the Settling Distributors that results in an assessment or payment to the MDL Common Benefit Fund, that payment shall result in an offset for the Settling Distributors, unless the assessment or payment occurs after the Payment Date for Payment Year 7.

c. At Participation Tier 3, the reductions to the Attorney Fee Fund shall be the same as set forth in Section II.C.6.b, except that the cap on each offset shall be 5% of the amount of such settlement or judgment.

d. At Participation Tier 4, there shall be no reductions to the Settling Distributors' obligations to make payment into the Common Benefit Fund, but the principles set forth in Section II.C.4 shall continue to apply.

D. *Contingency Fee Fund.* (40% of the Attorney Fee Fund.)

1. Funds from the Attorney Fee Fund shall be allocated to the Contingency Fee Fund on the following yearly schedule, subject to the adjustments set forth below:

| | |
|----------------|-------------------------|
| Payment Year 1 | \$54,417,751.48 |
| Payment Year 2 | \$60,373,964.50 |
| Payment Year 3 | \$108,330,177.52 |
| Payment Year 4 | \$73,450,295.88 |
| Payment Year 5 | \$73,450,295.88 |
| Payment Year 6 | \$73,450,295.88 |
| Payment Year 7 | \$73,450,295.88 |
| Total: | \$516,923,077.32 |

2. The Contingency Fee Fund shall be available to compensate Attorneys engaged in Qualifying Representations of Participating Litigating Subdivisions that meet the criteria set forth in Section II.G.

3. The Contingency Fee Fund shall be available to Attorneys who:

a. represent Litigating Subdivisions that are Participating Subdivisions, whether their actions are filed in state or federal court; and

b. meet the eligibility criteria of Section II.G.

c. Participation in the Contingency Fee Fund by counsel that have a case that is not subject to the jurisdiction of the MDL Court shall not create, provide, or waive jurisdiction of the MDL Court over that Litigating Subdivision, that case or Attorneys, other than to oversee the fairness of the distribution process, and enforcement of this Fee Agreement.

4. The amounts owed by Settling Distributors to the Contingency Fee Fund shall depend on the relevant Participation Tier set forth in Exhibit H of the Distributor Agreement as follows:

a. At Participation Tiers 1, 2 and 3, the Contingency Fee Fund payments shall be reduced as follows:

(i) For Non-Settling States, the Contingency Fee Fund payments shall first be reduced by the amounts identified by the Fee Panel, pursuant to Section II.H.6, that would have been owed to counsel for Litigating Subdivisions in Non-Settling States, had those States and those Litigating Subdivisions been Settling States and Participating Subdivisions.

(ii) Following the calculation in Section II.D.4.a.i, the Contingency Fee Fund payments shall be reduced to reflect the non-joinder of Litigating Subdivisions in Settling States by subtracting the amounts identified by the Fee Panel, pursuant to Section II.H.6, that would have been owed to counsel for Non-Participating Litigating Subdivisions in Settling States had such Litigating Subdivisions been Participating Subdivisions.

b. At Participation Tier 4, there shall be no reductions in the Contingency Fee Fund.

c. In the event that the Settling Distributors, prior to the Effective Date of the Distributor Agreement, settle with any Litigating Subdivision and, under such settlement agreement pay attorneys' fees, the Fee Panel shall treat those Litigating Subdivisions as Participating Litigating Subdivisions and, applying the same criteria applicable to all Attorneys for Participating Litigating

Subdivisions, determine what amount they would have been paid from the Contingency Fee Fund if they had become Participating Subdivisions under the Distributor Agreement without such prior settlement. That sum, rather than being paid to the Attorney for the previously settled Litigating Subdivision, shall be credited and/or returned to the Settling Defendants as if determined under Section II.D.4.a.ii above, except that such credit shall not be greater than the amount to the Attorneys paid under the Litigating Subdivision's prior settlement agreement.

E. *Litigating Subdivision Cost Fund.*

1. The Settling Distributors shall pay \$120,000,000 into the Subdivision Cost Fund, according to the schedule set forth below:

| | |
|----------------|--------------|
| Payment Year 1 | \$40,000,000 |
| Payment Year 2 | \$40,000,000 |
| Payment Year 3 | \$40,000,000 |

2. The Litigating Subdivision Cost Fund shall be available to compensate Attorneys for costs and expenses arising out of representation of Participating Litigating Subdivisions or to compensate Participating Litigating Subdivisions for direct in-house costs for expenditures related to their litigation against the Settling Distributors, including the cost of in-house employees. No funds in the Litigating Subdivision Cost Fund may be used to compensate the costs incurred by Non-Participating Subdivisions or Non-Litigating Subdivisions or costs and expenses arising out of representation of any such Subdivision. In allocating the Litigating Subdivision Cost Fund, the Administrator shall not allocate any funds for costs incurred after July 21, 2021.

3. During the period between July 21, 2021, and the Effective Date, the MDL PEC, as well as Litigating Subdivisions eligible to claim costs from the Litigating Subdivision Cost Fund shall make best efforts to cease litigation activity against Settling Distributors, including by jointly seeking stays or severance of claims against the Settling Distributors, where feasible, or postponements if a motion to stay or sever is not feasible or is denied, so long as such actions are not otherwise detrimental to the Litigating Subdivision.

4. In the event that the Settling Distributors, prior to the Effective Date of the Distributor Agreement, settle with any Litigating Subdivision and, under such settlement agreement pay costs to the Litigating Subdivision or its Attorney, the MDL Cost and Expense Fund Administrator shall treat those Litigating Subdivisions as Participating Litigating Subdivisions and, using the same criteria applicable to all applicants to the Subdivision Cost Fund, determine what amount in costs the Litigating Subdivision or its Attorney would have been paid from the Litigating Subdivision Cost Fund if it had settled under the Distributor Agreement. That sum, rather than being paid to the Attorney or the previously settling Litigating Subdivision, shall be credited and/or returned to the Settling Defendants, except that such sum shall not be greater than the amount paid under the previously settled Litigating Subdivision's settlement agreement.

5. The MDL Court shall appoint a Cost and Expense Fund Administrator, who shall develop a process and criteria, with input from participating counsel, by which to (a) determine the distribution of amounts from the MDL Expense Fund in pursuit of the claims against Settling Distributors; and (b) receive and evaluate applications from Participating Litigating Subdivisions, whether filed in Federal Court or State Court, to seek reimbursement from the Litigating Subdivision Cost Fund for eligible costs under Section II.E.2 in pursuit of the claims against the Settling Distributors. The Cost and Expense Fund Administrator shall require transparency from all applicants as to any other sources for compensating Attorneys for Litigating Subdivisions for costs incurred. The Cost and Expense Fund Administrator shall be compensated from the Fund.

6. In the event that the total amount of reimbursements from the Litigating Subdivision Cost Fund approved as reasonable by the Cost and Expense Administrator is less than the \$120,000,000, any remaining funds shall revert to the Settling Distributors.

F. *MDL Expense Fund.*

1. In Payment Year 1 of the Distributor Agreement, the Settling Distributors shall pay the following amount into the MDL Expense Fund:

| | |
|------------------|--------------|
| MDL Expense Fund | \$40,384,615 |
|------------------|--------------|

2. The MDL Expense Fund shall be released following the Effective Date of this Fee Agreement without any delay to reimburse the MDL Counsel for an agreed-to portion of the expenses incurred, as approved by the Cost and Expense Fund Administrator. The MDL Expense Fund will be paid directly to the MDL Cost Account, set up by MDL Order and will be administered under the ongoing jurisdiction of the MDL Court, as provided below. No funds may be used to compensate the costs incurred by Non-Participating Subdivisions or to compensate any Attorney for costs incurred in representing one or more Non-Participating Subdivisions.

3. In allocating the MDL Expense Fund, the Administrator shall not allocate any funds for costs incurred after July 21, 2021, unless the Administrator determines that there are sufficient funds to cover all subdivision costs incurred prior to July 21, 2021 and that special circumstances exist to justify costs incurred following the public announcement of the Distributor Agreement.

G. *Eligibility.*

1. It is the intention of all parties participating in the Fee Panel process that there should be total transparency to the Fee Panel and to all fund participants. In connection with the process to be developed by the Fee Panel, any and all monies in attorney's fees, including referral fees, expenses paid, promises for payment, or any other Fee Entitlement, to any applicant in any opioid litigation shall be disclosed to the Fee Panel as a condition of participating in the Attorney Fee Fund and prior to an award from the Fee Panel. Any payment, expectation of payment or perceived entitlement to participate in a State Back-Stop Agreement or any other agreement reached with a

Settling State or any Subdivision or any other source regarding payment of fees must be disclosed to the Fee Panel. Similarly, any right to payment from any other fund, for example a fund for payment to lawyers representing Settling States or Tribal Nations or Subdivisions shall be disclosed to the Fee Panel. Because it is anticipated that there will be multiple firms listed on contingent fee agreements with Litigating Subdivisions, the Fee Panel shall establish procedures, with input from Attorneys for Participating Litigating Subdivisions, for who should petition for fees from such groups and to whom the fee shall be paid and thereafter distributed to co-counsel in accordance with applicable agreements. For the avoidance of doubt, all Attorneys that are part of such groups must meet the eligibility criteria in Section II.G, must be subject to the criteria set forth in Section II.C.4, and must be disclosed to the Fee Panel.

2. An Attorney may apply for and recover attorneys' fees from the Common Benefit Fund, the Contingency Fee Fund, and the Litigating Subdivision Cost Fund and any fund created by a past or future State Back-Stop Agreement, provided the Attorney satisfies the requirements relevant to each such fund and requirements for disclosure to the Fee Panel.

3. An Attorney may not receive any payment from the Attorney Fee Fund (which includes both the Contingency Fee Fund and the Common Benefit Fund) unless the following eligibility criteria are met and annually certified by the Attorney:

a. The Attorney must expressly waive the enforcement against the Litigating Subdivision client of all Fee Entitlements (other than under State Back-Stop Agreements) arising out of or related to any or all Qualifying Representations of any Participating Litigating Subdivision prior to applying for attorneys' fees from the Attorney Fee Fund or costs from the Cost Funds. All applications for attorneys' fees or costs under this Fee Agreement shall include an affirmation by the Attorney of such waiver and notice to the client(s) of such waiver. Such waiver shall not preclude the Attorney from submitting such Fee Entitlements to the Fee Panel as a factor for consideration in allocating payments from the Attorney Fee Fund or in connection with a State Back-Stop Agreement. For the avoidance of doubt, no Attorney may recover fees under this Fee Agreement unless the Attorney expressly agrees not to enforce Fee Entitlements as to each and every Participating Litigating Subdivision represented by that Attorney, but such Attorneys may participate in and receive funds from a State Back-Stop Agreement.

b. The Attorney must represent that s/he has no present intent to represent or participate in the representation of any Later Litigating Subdivision or any Releasor with respect to Released Claims against Released Entities.

c. The Attorney must represent that s/he has not and will not engage in any advertising or solicitation related to Released Claims against Released Entities where such advertising or solicitation relates to a representation that the Attorney could not undertake consistent with the ethics opinion referenced in Section II.I.4.

d. The Attorney must represent s/he will not charge or accept any referral fees for any Released Claims brought against Released Entities by Later Litigating Subdivisions. For the avoidance of doubt, this representation shall not prohibit Attorneys from receiving allocated shares of any future common benefit assessments arising out of settlements or judgments with Later Litigating Subdivisions represented by other Attorneys that are the result of the MDL Court's Common Benefit order.

e. The Attorney may not have and must represent that s/he does not have a Fee Entitlement related to a Later Litigating Subdivision.

f. The Attorney must certify that s/he has reviewed the ethics opinion referenced in Section II.I.4 and will act in conformity with such opinion.

g. The Attorney must fully disclose the participation, or the anticipation of participation, in any agreement with a Settling State or Participating Subdivision concerning fees arising out of or related to the Distributor Agreement, including any fees paid or anticipated to be paid or any State Back-Stop Agreement.

h. The Attorney must identify for the Fee Panel whether s/he utilized state litigation work product or MDL work product, including but not limited to ARCOS data, document repositories, experts developed in the MDL, and deposition transcripts. The Attorney must identify whether s/he signed the MDL Participation Agreement, and for which case(s) it was signed.

i. Any Attorney who applies for fees from one or both Funds must represent that, having exercised his/her independent judgment, s/he believes the Distributor Agreement to be fair and will make or has made best efforts to recommend the Distributor Agreement to his or her Subdivision clients in Settling States. For the avoidance of doubt, each Attorney is expected to exercise his or her independent judgment in the best interest of each client individually before determining whether to recommend joining the settlement. All applications for attorneys' fees or costs under this Section II shall include an affirmation by the Attorney in compliance with this Section II.G.

4. No Attorney receiving fees under this Fee Agreement may apply for or recover from the Attorney Fee Fund fees arising from representing a Non-Settling State or a Non-Participating Subdivision. All applications for attorneys' fees under this Section II shall include an affirmation by the Attorney of compliance with this Section II.

5. An Attorney who has filed an application under this Section II and received an award of attorneys' fees shall provide a certification of compliance this Fee Agreement annually during the years upon which they are still entitled to receive attorneys' fee payments.

6. If, at any time, the Attorney is unable to make the representations set forth in this Section II.G.3, such representations become untrue, or the Attorney falsely represents compliance with the eligibility criteria, the Attorney shall cease to be eligible to receive funds from the Attorney Fee Fund until further review by the Fee Panel of the Attorney's eligibility under and compliance with this Section II.

7. If an Attorney has a Fee Entitlement from a Later Litigating Subdivision or otherwise becomes unable to reaffirm compliance with the eligibility criteria set forth above, the Attorney shall notify Settling Distributors and the Fee Panel. For the avoidance of doubt, any Attorney who undertakes any new representation of, or has a Fee Entitlement to, a Later Litigating Subdivision shall be prohibited from receiving any future funds from the Attorney Fee Fund. If an Attorney fails to notify Settling Distributors and the Fee Panel of such Fee Entitlement to a Later Litigating Subdivision, the Attorney shall be required to refund amounts previously paid.

8. In the event that an Attorney is deemed ineligible by the Fee Panel (whether based on its initial application or subsequent recertification), the Fee Panel shall provide notice to the Attorney and give the Attorney 30 days to provide additional information such that the Fee Panel could reconsider the Attorney's eligibility.

9. To the extent that an Attorney has a Fee Entitlement with a Participating Subdivision and is authorized to bring Released Claims against Released Entities, but such authorization is, in scope, less broad than the category of Released Claims set forth in the Distributor Agreement, such Attorney may participate fully in both the Contingency Fee Fund and the Common Benefit Fund, without any reduction imposed by the Fee Panel due to the scope of the authorization, so long as the Participating Subdivision fully releases all Released Claims against Released Entities.

10. Attorneys applying to the Attorney Fee Fund knowingly and expressly agree to be bound by the decisions of the Fee Panel, subject to the limited appeal rights set forth in this Fee Agreement, and waive the ability to assert the lack of enforceability of the allocation reached through the arbitration procedures outlined herein.

H. *Calculation of Amounts Due.*

1. The Fee Panel shall be solely responsible for determining the amount of fees to be paid to each Attorney and each Participating Subdivision that applies under this Section II. None of the Released Entities shall have any responsibility, obligation, or liability of any kind whatsoever with respect to how attorneys' fees are calculated under this Section II, except that the Fee Panel may receive information from the Settling Distributors (a) as to the identity of Participating, Non-Participating, Litigating, Later Litigating, and Non-Litigating Subdivisions; (b) the impact of non-participation by a Litigating Subdivision as is relevant to the Fee Panel's determination in Section II.C.4; and (c) such other information as Settling Distributors may voluntarily elect to provide.

2. The Fee Panel shall establish procedures for the arbitration process consistent with this Fee Agreement and orders of the MDL Court. Such procedures may

include submission of documentary and/or other evidence, interviews with applicants and/or other counsel (including counsel for Settling Distributors) that the Fee Panel deems appropriate, and/or other means of creating a record upon which fee awards will be based.

3. In making determinations under this Fee Agreement, the Fee Panel must apply the eligibility criteria set forth in Section II.G of this Fee Agreement and the criteria set forth in Section II. In addition, the Fee Panel will give consideration in regard to Common Benefit awards to the *Johnson* factors, as well as the following factors (which factors may be applied and given relative weight in the Fee Panel's discretion):

a. The Attorney's contemporaneously recorded time and labor dedicated to Qualifying Representations along with the Attorney's financial commitment to such Qualifying Representations. Claimed "*time*" will not be automatically accepted by the Fee Panel but will be critically reviewed and given substantially more weight and consideration if such time was subject to the audit process described in any Pretrial Order(s) governing the collection of common benefit time;

b. The novelty, time, and complexity of the Qualifying Representations;

c. The skill requisite to perform legal services properly and undesirability of the case;

d. The preclusion of other employment by the Attorney due to time dedicated to Qualifying Representations;

e. The "*common benefit*," if any alleged to have been conferred by the Attorney and whether such common benefit work product by that Attorney was used by others in parallel litigations against Released Entities whether within or outside the MDL, provided that for any Attorney claiming that s/he substantially benefited cases other than those in which s/he entered an appearance as counsel must substantiate such claims by proffering factual support, such as proper supporting affidavits or other documents as determined by the Fee Panel with input from Attorneys for Participating Litigating Subdivisions;

f. Any "*common detriment*," as set forth in Section II.C.4.

g. Any contingent fee agreements or other Fee Entitlement with Participating Subdivisions, enforcement of which, except for State Back-Stop Agreements, are waived in conjunction with the application, the nature and extent of any work for those Participating Subdivisions, whether such Participating Subdivisions actively litigated and, if so, the nature and procedural history of such case(s);

h. The experience, reputation, and ability of the Attorney;

- i. Whether the Attorney's clients brought Released Claims against Released Entities;
- j. The status of discovery in cases primarily handled by the Attorney;
- k. The nature of any work by the Attorney on "*bellwether*" cases or cases that were similarly active in litigation;
- l. Any pressure points successfully asserted by the Attorney in cases against Settling Distributors or any risk for Settling Distributors created by the Attorney in cases against them;
- m. Any risk for defendants created by applicants in cases against the Settling Distributors;
- n. Successful and unsuccessful motion practice in cases worked on by the Attorney;
- o. The date of filing of any cases filed by the Attorney;
- p. Obtaining consolidation of the litigation in the Attorney's jurisdiction;
- q. The number and population of entities represented by the Attorney and the fees that would have been awarded under extinguished contingent fee arrangements;
- r. Whether the Attorney's clients brought claims against the Settling Distributors;
- s. Whether the Attorney has had a leadership role in the litigation, whether in state or federal court;
- t. Whether the Attorney has had a leadership role in any negotiations aimed at resolving the litigation;
- u. Whether the Attorney's cases have survived motions to dismiss;
- v. The extent to which the Attorney contributed to the work product user for the common benefits of opioids litigants, including, without limitation, work on ARCOS data, Prescription Data Monitoring Programs, IQVIA data, depositions, document production and analysis experts, motions, briefs and pleadings, trial preparations, and trials;
- w. The extent to which litigation was done prior to and contributed to completion of settlement negotiations, as distinct from litigation that was done litigating after the announcement of the Distributor Agreement, such latter

litigation both being of less value and potentially resulting a common detriment to the settlement process; and

x. Any other factors that the Fee Panel finds to be appropriate to consider after input from applicants to the Attorney Fee Fund.

4. The Fee Panel shall develop procedures for receiving a single application, which may be updated or amended based on new information (such as participation by additional Litigating Subdivisions) from each Attorney seeking compensation from the Attorney Fee Fund, procedures shall not be inconsistent with this Fee Agreement. Any request for attorneys' fees not included on the single application or through the updating/amendment process designed by the Fee Panel shall be deemed waived. For purposes of transparency and to permit the Fee Panel to conduct its work, the application from each Attorney shall, at a minimum, require each Attorney to:

a. Identify all Litigating Subdivisions for which s/he is seeking payment from the Attorney Fee Fund;

b. Identify all Subdivisions in both Settling and Non-Settling States with respect to which s/he has a Fee Entitlement with respect to Relevant Claims against Released Entities, and identify all co-counsel in such cases;

c. Identify which of those Subdivisions are Participating Subdivisions and which are not;

d. Specify the specific fund or funds within the Attorney Fee Fund from which the Attorney is seeking compensation;

e. Demonstrate his or her eligibility for compensation from the relevant sub funds within the Attorney Fee Fund pursuant to the criteria set forth for the relevant sub fund; and

f. Identify any and all Fee Entitlements from representations of States, Tribal Nations, or other plaintiffs related to Released Claims against Released Entities or in opioids-related matters.

Notwithstanding Sections II.H.4.a-f above, the Panel may consider a supplemental application if the Attorney shows good cause why circumstances exist that will lead to consideration for additional Common Benefit award. Examples would include, but are not limited to, an Attorney having Non-Participating Litigating Subdivision clients that subsequently become Participating Subdivisions, a Bar Date passes that increases participation or the Participation Tier or an Allocation Agreement is reached.

5. With respect to the Common Benefit Fund, the Fee Panel shall (subject to any applicable MDL Court Order):

a. Review the applications of all Attorneys seeking compensation from the Common Benefit Fund, including determining eligibility for each Attorney as set forth in Section II.G.

b. Reduce, on an annual basis, the Distributor's payment obligations, as set forth in Section II.C.6. The Panel shall inform the Settling Distributors and the MDL PEC of all such amounts and adjust the Settling Distributors' payment obligations accordingly.

c. Using criteria set forth in Sections II.C and II.G, allocate amounts from the Common Benefit Fund to eligible Attorneys, including payment amounts for each Payment Year. In making such allocations (regardless of the Participation Tier achieved), the Panel shall apply the principles set forth in Section II.C.4 and shall allocate any reduction in the payments of Settling Distributors specified in Section II.C.6 to the amounts paid to Attorneys with a Fee Entitlement to Litigating Subdivisions that are not Participating Subdivisions.

6. With respect to the Contingency Fee Fund, the Fee Panel shall:

a. Review the applications of all Attorneys seeking compensation from the Litigating Subdivision Fee Fund, including determining eligibility for each Attorney as set forth in Section II.G.

b. Apply the Mathematical Model in Exhibit A.

c. Use such allocations to reduce payments, on an annual basis, the payment obligations of the Settling Distributors to the Attorney Fee Fund as set forth in Section II.D.4, and distributions therefrom, and inform the Settling Distributors and MDL PEC of all such adjustments.

7. To the extent that there is a dispute about the calculations of the Fee Panel related to the amounts that Settling Distributors are required to pay (including application of any reductions or offsets under this Fee Agreement), such disputes shall be presented to the Fee Panel and any disputed funds be paid into/held in escrow. The Fee Panel shall resolve such disputes expeditiously, with either Party having the right to seek review from the MDL Court.

8. For purposes of determination of fee or cost awards, allocations, reductions and possible reversions under this Fee Agreement, unless specified otherwise a Subdivision will be considered a Non-Participating Subdivision if it is not a Participating Subdivision as of the deadline for the application for the fee or cost award at issue (or, if the determination does not involve a specific application, the date on which the record for such determination closes).

9. In the event that the Fee Panel, through the use of the Mathematical Model set forth in Exhibit A, allocates funds from the Contingency Fee Fund for an Attorney based on a Qualifying Representation of a Participating Litigating Subdivision or allocates cost to such Participating Litigating Subdivision and that Subdivision is in a

Settling State in which the Consent Judgment has not been approved, such funds shall be placed into escrow until the Consent Judgment is approved, after which time they shall be released.

I. *Miscellaneous.*

1. The costs associated with the Fee Panel prior to the Effective Date of this Fee Agreement shall be funded by Settling Distributors. The Fee Panel shall charge an hourly rate that has been previously approved by a federal or state court and shall provide a budget and a cap for such work prior to the Effective Date, which shall be approved by Settling Distributors and such approval shall not be unreasonably withheld. Settling Distributors shall receive a refund for any such payment of pre-Effective Date costs from interest that accrues on the monies in the Attorney Fee Fund (including interest that accrues during such time as the Attorney Fee Fund monies are in escrow prior to the Effective Date of the Distributor Agreement), up to the amount of such costs. Post-Effective Date, the cost of the Fee Panel shall be charged against the applicable Fee Fund based on allocation by the Fee Panel and shall not be otherwise funded by Settling Distributors. The costs associated with the Cost and Expense Fund Administrator shall be paid from funds in the MDL Expense Fund and the Litigating Subdivision Cost Fund and shall not be otherwise funded by Settling Distributors.

2. The MDL PEC will seek, and the Attorneys General for Settling States and the Settling Distributors will not oppose, a Common Benefit Fee Order requiring an assessment of 7.5% on the gross recovery (by judgment or settlement) of any Non-Participating Subdivision that is subject to the federal court jurisdiction, represented by a MDL PEC firm, represented by any Attorney receiving fees from the Common Benefit Fund, represented by any Attorney that signed a Participation Agreement or paid in a case otherwise under the jurisdiction of the MDL Court.

3. The MDL PEC shall provide to Settling Distributors information they have that identifies Attorneys who represent Litigating Subdivisions who are not Participating Subdivisions and who have an obligation to pay a common benefit assessment, either due to the MDL Court's orders or to having signed a Participation Agreement.

4. The MDL PEC shall retain ethics counsel of its choice to provide an opinion that addresses the compliance of its ethical obligations, as it relates to the Distributor Agreement. Such opinion shall address the issue of the potential conflict of interest for an Attorney that had represented a Participating Subdivision also representing a Later Litigating Subdivision as defined in the Distributor Agreement. This Section II.I shall be enforceable to the extent permitted by the equivalent to Rules 1.16 and 5.6 of the ABA Model Rules of Professional Conduct in the relevant jurisdictions. The opinion shall be provided to the Settling Distributors as soon as it is completed and, in any event, prior to July 31, 2021 and shall be disseminated to counsel eligible to apply to the Attorney Fee Fund within 30 days of the announcement of the Distributor Agreement. The MDL PEC represents that it will comply with this opinion until the Reference Date and thereafter if the Distributor Agreement proceeds. The cost of such expert work done

prior to the Effective Date of the Distributor Agreement shall be funded by Settling Distributors.

5. Participating Subdivisions agree to instruct their counsel to treat information, work product and expert materials as secret under Rule 1.6 of the ABA Model Rules of Professional Conduct. Accordingly, an Attorney shall not share information or work product with, or experts or materials to, non-participants (other than the Attorney's own current clients or their lawyers, consultants, experts or other representatives or agents). However, nothing herein shall prevent MDL Leadership or PEC Counsel from fulfilling their obligations in any MDL and the MDL Court Order.

III. Miscellaneous.

A. *Termination.* If the Distributor Agreement does not proceed past the Reference Date, whether because the Settling Distributors do not determine to proceed or for any other reason, this Fee Agreement shall be null and void, Settling Distributors shall have no obligation to make any payments under this Fee Agreement, and the Settling Distributors and the MDL PEC shall take such steps as are necessary to restore the status quo ante.

B. *MDL Court Consideration.* This Fee Agreement shall be attached as an exhibit to the Distributor Agreement. This Fee Agreement shall also be submitted jointly by the Settling Distributors and the MDL PEC to the MDL Court for approval pursuant to the motion that shall be attached, prior to the Preliminary Agreement Date of the Distributor Agreement, to this Fee Agreement as Exhibit B.

1. In the event that the MDL Court, through an order, makes any change to the amounts potentially to be paid by Settling Distributors under this Fee Agreement, makes any change to the Fee Panel's consideration of the factors set forth in Section II.C.4, or any other material change to the draft Order attached as part of Exhibit B or the terms of this Fee Agreement, the Settling Distributors and the MDL PEC shall meet and confer concerning such changes.

2. If the Settling Distributors and the MDL PEC are unable to reach agreement and revisions to this Fee Agreement in the event discussed in Section III.B.1, this Fee Agreement shall be null and void, Settling Distributors shall have no obligation to make any payments under this Fee Agreement, and the Settling Distributors and the MDL PEC shall take such steps as are necessary to restore the *status quo ante*.

C. *Amendment.* Once the MDL Court has entered an order implementing this Fee Agreement, this Fee Agreement can only be amended by (1) written agreement of the Settling Distributors and the MDL PEC and (2) approval by the MDL Court.

D. *Jurisdiction and Enforcement.* The MDL Court shall have exclusive and ongoing jurisdiction over the enforcement and implementation of this Fee Agreement as set forth herein. The MDL PEC shall be the Authorized Party to enforce this Fee Agreement, as to the payment obligations of the Settling Distributors as set forth in this Fee Agreement, and as to Attorneys making application to the Funds under this Fee Agreement. Solely for purposes of assessing or

allocating common benefit fees, the MDL Court will continue to have jurisdiction over the work product developed in the MDL Court by and under the direction of the MDL PEC with respect to claims against the Settling Defendants, including data and documents, depositions, expert reports, briefs and pleadings; and the MDL Court's protective orders, management orders, and other decisions regarding such discovery and other work product, including but not limited to, conditions on its use, will continue in full force and effect. Nothing in this Section III.D authorizes the MDL Court to act contrary to this Fee Agreement or to share any of the work product, or provides the MDL Court with jurisdiction over the Distributor Agreement.

Description of Mathematical Model for the Allocation of the Contingency Fee Funds

Distributor Settlement Agreement and Janssen Settlement Agreement

This document describes the Mathematical Model for allocation of the Contingency Fee Fund described in Exhibit R (Agreement of Attorney's Fees, Expenses and Costs) to the Distributor Settlement Agreement and the Janssen Settlement Agreement, respectively.¹⁸ Awards of fees from the Contingency Fee Funds shall be available to Attorneys with Qualifying Representations of Participating Litigating Subdivisions eligible to receive an allocation under the corresponding agreements.¹⁹ A Fee Panel shall oversee the application of the Model and resolve any questions or disputes concerning the eligibility of a counsel to participate. The Panel is empowered to hear disputes concerning and ensure the accuracy of the mathematical calculations.

In general terms, allocation of the Contingency Fee Fund shall be made by (1) determining the amount of the Settlement Fund that is attributable to each Litigating Subdivision; (2) making certain adjustments to these amounts based on when the Subdivision filed suit and the terms of the applicable fee contract; and (3) dividing the Contingency Fee Fund proportionately among counsel for each Participating Litigating Subdivision based on the amounts calculated in subpart 2.

Each Settling Defendant is responsible only for its own share of payments.²⁰ In other words, to collect a fee award from the Contingency Fee Fund against a Settling Defendant, the Participating Litigating Subdivision must have named the Settling Defendant in its lawsuit. The total amount of the Contingency Fee Fund in the Distributor Settlement Agreement is \$516,923,077.²¹ Amerisource's share is \$160,246,153.97 (31.0%), Cardinal's share is \$159,729,230.89 (30.9%), and McKesson's share is \$196,947,692.46 (38.1%). The total amount of the Contingency Fee Fund in the Janssen Settlement Agreement is \$123,076,923.²²

More specifically, allocation of each Settling Defendant's share of the corresponding Contingency Fee Fund shall be made according to the following steps. These steps must be performed separately for each Settlement Agreement, and each Defendant is responsible for paying only its share of the Contingency Fee Fund. These calculations are made only for purpose of determining the percentage share of the Contingency Fee Fund that Attorneys for each Participating Litigating Subdivision should receive, **not** for determining the dollar amount each Subdivision will receive.

¹⁸ See Distributor Settlement Agreement, Exhibit R § II.B.3; Janssen Settlement Agreement, Exhibit R § II.B.3.

¹⁹ Distributor Settlement Agreement, Exhibit R § II.B.3; Janssen Settlement Agreement, Exhibit R § II.B.3

²⁰ Distributor Settlement Agreement, Exhibit R § II.A.5.

²¹ Distributor Settlement Agreement, Exhibit R § II.D.1.

²² Janssen Settlement Agreement, Exhibit R § II.D.1.

- (1) For each Settling State, attribute 50% of the settlement funds for that State to its Subdivisions according to the Subdivision Allocation Percentage in Exhibit G to the Distributor Settlement Agreement or Janssen Settlement Agreement, as appropriate.

Illustrative example for the Distributor Agreement:

- Assume that State A is allocated 1.00000% of the \$18,554,013,691.11 Restitution/Abatement amount [see Exhibit M of the Agreement].
- 50% of the 1% share allocated to State A is \$92,770,068.46.
- Assume that, per Exhibit G of the Agreement, the Subdivision Allocation Percentage for City B in State A is 1.00000000%.
- For purposes of determining its counsel's share of the Contingency Fee Fund, City B is attributed 1.00000000% of \$92,770,068.46, or \$927,700.68.

- (2) Adjust the amounts in paragraph 1 as follows:

- a. *Upward Adjustment for Early Filers.* Increase the amount calculated in paragraph 1 above by 10% for any Litigating Subdivision that named the defendant(s) in a suit before December 5, 2017, the date the National Prescription Opiate Litigation MDL was formed. This adjustment must be done individually for each defendant. If the Litigating Subdivision did not name a Settling Defendant in a suit before January 1, 2021, then fees from the Contingency Fee Fund for that defendant will not be awarded to Attorneys with otherwise Qualifying Representations of that Participating Litigating Subdivision.

Illustrative Example:

- Assume City C is attributed \$1,000,000 under paragraph 1 above.
 - If City C named the defendant(s) before 12/5/2017, the attributed amount would be adjusted to \$1,100,000.
- b. *Determine Amount Due under Contingency Fee Contract.* Determine the amount that would be due to Attorneys with Qualifying Representations of each Participating Litigating Subdivision under the terms of the applicable fee contract if the Participating Litigating Subdivision were to receive the amount calculated in paragraph 2.a. This amount can be referred to as the Contingency Fee Assumption.

Illustrative Example:

Continuing the example given in paragraph 2.a, if Attorneys have a 20% contingency fee contract with City C for the relevant litigation, the amount calculated in this step would be 20% of \$1,100,000, or \$220,000.

In the next step, the Contingency Fee Assumption is used to determine the percentage share of the Contingency Fee Fund due to Attorneys for each Participating Litigating Subdivision.

(3) Divide the Contingency Fee Fund proportionately among Attorneys for each Participating Litigating Subdivision in two ways:

- a. *National Fee Pool Calculation.* Determine each Litigating Subdivision's percentage share of all amounts due under contingency fee contracts nationwide by dividing the Contingency Fee Assumption calculated for each Subdivision in paragraph 2.b by the sum of all Contingency Fee Assumptions. Then multiply that percentage by the Contingency Fee Fund to figure each Subdivision's dollar share of the Contingency Fee Fund (but only for Settling Defendants the Subdivision timely named in a lawsuit).²³

Illustrative example for Distributor Settlement Agreement:

- $\$220,000$ [from para. 2.b] \div $\$1,800,000,000$ [total amount owed under contingency fee contracts nationwide] = 0.012222% ²⁴
- $0.012222\% \times \$516,923,077.32$ [Contingency Fee Fund] = $\$63,179.49$

- b. *Separate State Fee Pools Calculation.* Determine each Litigating Subdivision's percentage share of all amounts due under contingency fee contracts statewide by dividing the Contingency Fee Assumption calculated for each Subdivision in paragraph 2.b by the sum of all Contingency Fee Assumptions in the same State. Then multiply that percentage by the portion of the Contingency Fee Fund that corresponds to that State's Overall Allocation Percentage, shown in Exhibit F of the relevant Settlement Agreement, to figure each Subdivision's dollar share of the Contingency Fee Fund (but only for Settling Defendants the Subdivision timely named in a lawsuit).

Illustrative example for Distributor Settlement Agreement:

- $1\% \times \$516,923,077.32 = \$5,169,230.77$ [amount of the Contingency Fee Fund corresponding to State A]

²³ Because a few Litigating Subdivisions named only one or two of the Distributors in a lawsuit before January 1, 2021, each Subdivision's share of the Contingency Fee Fund is slightly different for each distributor. Therefore, under the Distributor Settlement Agreement, the calculations described in this step need to be made separately for each Settling Defendant. It is shown in a single calculation here for ease of illustration only.

²⁴ In this example, \$1.8 billion is the amount theoretically owed under all contingency fee contracts for litigation against distributors as calculated in paragraph 2.b. This amount is illustrative only; the actual amount will not be known until all litigating subdivisions are identified and the terms of all of their contingency fee contracts are collected.

- Assume a total of \$17,600,000 is owed under contingency fee contracts for State A.
- $\$220,000$ [from para. 2.b] \div $\$17,600,000 = 1.25\%$
- $1.25\% * \$5,169,230.77 = \$64,615.38$

The award of fees to Attorneys with Qualifying Representations of Participating Litigating Subdivisions will be the average of the final amounts calculated in paragraphs 3.a and 3.b above.²⁵

Paragraph 3.a represents allocation based on a proportional share of a National Fee Pool, while paragraph 3.b represents allocation based on a proportional share of the Separate State Fee Pools. In other words, for the National Fee Pool described above in paragraph 3.a, the contingency fee contract rate is compared to all other contingency fee contract rates in the nation. For the Separate State Fee Pools described above in paragraph 3.b, the contingency fee contract terms are compared to the other contingency fee contract terms in that same State. The National Fee Pool and the Separate State Fee Pools are given equal weighting. This is illustrated below.

Using the first methodology, Attorneys for two Subdivisions in different States with the same amount calculated under paragraph 2.b would be assigned the same amount under paragraph 3.a. Using the second methodology, Attorneys for the same two Subdivisions would be assigned different amounts under paragraph 3.b because they are in different States. Specifically, the Subdivision in the State with a smaller proportion of Participating

²⁵ The model also enforces a maximum fee award of 20% of the amount calculated in 2.b. This rule is designed to prevent windfalls by addressing over-allocation in a small number of states with relatively few Litigating Subdivisions. An estimated 97% of Qualifying Representations are not impacted this rule. The description in this document of the Mathematical Model is by necessity an abstraction; the precise contours of the calculations are defined in the model itself.

Litigating Subdivisions would be allocated more than the Subdivision in the State with a greater proportion of Participating Litigating Subdivisions.

EXHIBIT S

Agreement on the State Outside Counsel Fee Fund

1. **Creation of a State Outside Counsel Fee Fund.** The Settling Distributors and the Settling States agree to the creation of a state outside counsel fee fund to pay reasonable attorneys' fees of Settling States which have retained outside counsel in connection with litigation against the Settling Distributors (such fund, the "*State Outside Counsel Fee Fund*").

2. **State Outside Counsel Fee Fund Administration.** The State Outside Counsel Fee Fund shall be administered separately from the Common Benefit Fund, the Contingency Fee Fund, the State Cost Fund, and the MDL Expense Fund. A committee of Attorneys General shall oversee the State Outside Counsel Fee Fund (the "*Fee Fund Committee*"). The Fee Fund Committee shall initially consist of the following States: (a) Delaware; (b) Florida; (c) Georgia; (d) Indiana; (e) Michigan; (f) Ohio; and (g) Rhode Island. The Fee Fund Committee shall select a settlement fund administrator, who may or may not be different from the Settlement Fund Administrator (the "*Fee Fund Administrator*") and who shall administer the State Outside Counsel Fee Fund according to the guidelines and directives of the Fee Fund Committee.

3. **State Outside Counsel Fee Eligibility.** To receive any amount from the State Outside Counsel Fee Fund, an outside counsel to a Settling State must have filed and maintained an action in the name of a Settling State or its Attorney General against a Settling Distributor in a state or federal court as of June 1, 2021. No Settling State shall receive funds from both the State Outside Counsel Fee Fund and the Additional Restitution Amount as set forth in Section IX.

4. **State Outside Counsel Fee Fund Amount.** The Settling Distributors shall pay funds into the State Outside Counsel Fee Fund according to the schedule set forth below, subject to any suspensions, offsets, reductions, or adjustments provided for in the Agreement or described below:

| | |
|-----------------------------|---------------|
| Payment Year 1 Payment Date | \$136,044,379 |
| Payment Year 2 Payment Date | \$129,230,769 |
| Payment Year 3 Payment Date | \$17,417,160 |

5. **State Outside Counsel Fee Fund Availability and Calculation of Amount.**
- The State Outside Counsel Fee Fund shall be available to compensate private outside counsel for Settling State Attorneys General for approved fees arising out of representation of the Settling State pursuant to the schedule developed by the Fee Fund Committee and provided to the Settling Distributors.
 - Fees shall be calculated by adding two components: (a) a fixed amount consisting of fifty percent (50%) of the amount allocated to a Settling State pursuant to Exhibit F multiplied by 4.5%; and (b) a proportional percentage of the remaining fee due under that Settling State's contract assuming that fifty

percent (50%) of the Settling State's recovery is allocable to a Settling State (rather than allocable to the Settling State's Participating Subdivisions) so that the fees of all Settling States (minus the fixed amount that would have been allocated to any Non-Settling States had they become Settling States) exhausts the State Outside Counsel Fee Fund. The proportional share percentage will be the same for each Settling State included in the State Outside Counsel Fee Fund. All amounts paid will be less any costs or fees of the Fee Fund Administrator.

6. Payment by the Fee Fund Administrator.

- a. If a Settling State's outside counsel agrees that the amount calculated in Paragraph 5 above either satisfies in full or exceeds the amounts owed to all such Settling State's outside counsel, then upon written notice waiving all entitlement to any additional fee, the Fee Fund Administrator shall pay that Settling State's outside counsel the amount that satisfies the Settling State's obligation in full and, in no event more than (i) such obligation or (ii) the amount pursuant to the calculation and any schedule created by the Fee Fund Committee.
- b. If a Settling State's outside counsel does not agree that the amount calculated in Paragraph 5 above either satisfies in full or exceeds the amounts owed by the Settling State, then the Settling State's share shall be placed in an interest-bearing escrow account (less reasonable expenses of the Fee Fund Administrator) and held unless and until the Settling State and its outside counsel agree in a signed writing to a resolution of the amount outstanding or there is a final judgment entered that is no longer appealable.
- c. Upon being provided a signed, written agreement or the final non-appealable judgment, the Fee Fund Administrator shall release monies from the State Outside Counsel Fee Fund in either the amount held by the Fee Fund Administrator, if the amount of the agreement or judgment is equal to or more than the amount held, or the amount indicated in the agreement or in the final judgment, if the amount in the agreement or judgment is less than the amount held.
- d. Nothing herein, including the amounts listed in paragraph 5 above, shall prevent a Settling State from arguing in any proceeding with its outside counsel that (i) its recovery was less than fifty percent (50%) of the recovery in the Settlement Agreement down to and including fifteen percent (15%) of the total recovery; (ii) any payment should be discounted by an appropriate discount rate commensurate to the risk of the Settlement Agreement and the timeline that the Settling State is receiving its payments; (iii) the settlement amount should be lower because the amount a Settling State receives was reduced because such Settling State's outside counsel failed to obtain joinder from a Settling State's Subdivision(s) that the outside counsel also

represented; or (iv) any limitation placed by the Settling Distributors bars payment of a higher fee to outside counsel.

- e. In the event the amount due to the Settling State's outside counsel from an escrow account is less than the total amount of funds escrowed on the account of the Settling State, the balance shall be paid to the Settling State. In no event, other than a State becoming a Non-Settling State, shall funds revert to a Settling Distributor.
- f. Amounts owed by Settling Distributors to the State Outside Counsel Fee Fund shall be reduced and/or credited to Settling Distributors by amounts allocated on the above-mentioned schedule for outside counsel in Non-Settling States.

7. Reversion or Reduction of Amounts owed to Non-Settling States. Amounts owed by Settling Distributors to the State Outside Counsel Fee Fund shall be reduced proportionally across payments owed by the Settling Distributors by amounts allocated to the fixed amount on the below schedule for outside counsel in the event that a listed State becomes a Non-Settling State. In the event the Fee Fund Administrator receives part or all of the fixed amount due to a Non-Settling State from a Settling Distributor, the Fee Fund Administrator shall return the amount allocable to that Non-Settling State's fixed amount to the Settling Distributor.

| State | Distributor Allocation % | Distributor Payment Amount | State Share | Contract Rate | Full Contract Amount | Fixed Amount |
|----------------|--------------------------|----------------------------|------------------|---------------------------|----------------------|------------------------|
| Alabama | 1.6419% | \$312,711,699.09 | \$156,355,849.55 | TIPAC | \$18,201,265.32 | \$7,036,013.23 |

EXHIBIT T

Agreement on the State Cost Fund Administration

1. **Creation of a State Cost Fund.** The Settling Distributors and the Settling States agree to the creation of a state cost fund to pay litigation costs and expenses associated with litigation and investigation related to the opioid litigation (such fund, the "*State Cost Fund*"). The State Cost Fund shall be administered separately from the Common Benefit Fund, the Contingency Fee Fund, the State Counsel Fee Fund, and the MDL Expense Fund.
2. **State Cost Fund Amount and to Whom Owed.** On the Payment Date of Payment Year 1, the Settling Distributors shall pay into the State Cost Fund \$56,538,461.00 (the "*State Cost Fund Amount*"). No funds may be released from the State Cost Fund to Non-Settling States.
3. **State Cost Fund Committee.** A committee of Attorneys General or their designated representatives (such committee, the "*State Cost Fund Committee*") shall oversee the State Cost Fund. The committee shall initially consist of the following States: (a) Delaware; (b) Florida; (c) Georgia; (d) New York; (e) North Carolina; (f) Ohio; (g) Tennessee; and (h) Texas. The Attorneys General may by majority vote add or change the composition of the State Cost Fund Committee, including replacing any above State, if that State is not a Settling State.
4. **State Cost Fund Administrator.** The State Cost Fund Committee shall select an administrator (the "*State Cost Fund Administrator*"). The State Cost Fund Administrator may or may not be different from the Settlement Fund Administrator. The State Cost Fund Administrator shall administer the State Cost Fund and direct payments to Settling States.
5. **State Cost Fund Guidelines.** Monies in the State Cost Fund shall be released without any delay to reimburse Settling States for documented costs incurred or paid in connection with litigation and investigation related to the opioid litigation. In allocating the State Cost Fund, no funds shall be allocated for costs incurred after July 21, 2021. The State Cost Fund Committee shall establish guidelines for the submission and approval of expenses eligible for reimbursement from the State Cost Fund. The State Cost Fund Administrator shall, in accordance with such guidelines, receive from Settling States records sufficient to demonstrate the incurrence and payment of each expense attributable to litigation or investigation related to the opioid litigation, including any outstanding National Association of Attorneys General grant.
6. **State Cost Fund Payment Priorities and Residual.** To the extent the aggregate eligible submissions of costs and expenses from Settling States exceed the State Cost Fund Amount, payments to Settling States shall be paid in the order described in this section until the State Cost Fund is exhausted. If the State Cost Fund is unable to fully pay costs at any of the following levels, then Settling States with costs at that level shall be paid on a proportional basis. All expenses with a lesser priority from the level where the State Cost Fund is exhausted will not be reimbursed from the State Cost Fund. Costs shall be paid in the following order of priority:

(a) the reasonable costs of the State Cost Fund Administrator, if any; (b) repayment of the National Association of Attorneys General grants connected to opioid litigation; (c) costs incurred or paid by outside counsel for a Settling State litigating against the Settling Distributors apart from any fee owed; (d) litigation-related costs attributable to the Settling Distributors incurred or paid by a Settling State litigating against the Settling Distributors; and (e) pre-suit investigation-related costs attributable to the Settling Distributors incurred or paid by either a Settling State outside counsel (not including any amount of fees or any costs which have already been reimbursed pursuant to clause (c), above) or a Settling State investigating the Settling Distributors. If the State Cost Fund has additional monies after payment of the State Cost Fund Administrator's and all Settling States' submitted costs, then the remaining funds will be provided to the National Association of Attorneys General to be placed in the Financial Services Fund for the purpose of funding grants for consumer protection- or healthcare-related enforcement or training activities. In determining what costs are attributable to the Settling Distributors, the State Fund Committee shall develop a guideline that ensures that all Settling States are treated equitably.

JANSSEN SETTLEMENT AGREEMENT

This settlement agreement dated as of July 21, 2021 (the “*Agreement*”) sets forth the terms of settlement between and among the Settling States, Participating Subdivisions, and Janssen (as those terms are defined below). Upon satisfaction of the conditions set forth in Sections II and VIII, this Agreement will be binding on the Settling States, Janssen, and Participating Subdivisions. This Agreement will then be filed as part of Consent Judgments in the respective courts of each of the Settling States, pursuant to the terms set forth in Section VIII.

I. Definitions

Unless otherwise specified, the following definitions apply:

1. “*Abatement Accounts Fund*” means a component of the Settlement Fund described in subsection VI.E.
2. “*Additional Restitution Amount*” means the amount available to Settling States listed in Exhibit N of \$67,307,692.
3. “*Agreement*” means this agreement as set forth above, inclusive of all exhibits.
4. “*Alleged Harms*” means the alleged past, present, and future financial, societal, and related expenditures arising out of the alleged misuse and abuse of opioid products, non-exclusive examples of which are described in the documents listed on Exhibit A, that have allegedly arisen as a result of the physical and bodily injuries sustained by individuals suffering from opioid-related addiction, abuse, death, and other related diseases and disorders, and that have allegedly been caused by Janssen.
5. “*Allocation Statute*” means a state law that governs allocation, distribution, and/or use of some or all of the Settlement Fund amounts allocated to that State and/or its Subdivisions. In addition to modifying the allocation, as set forth in subsection VI.D.2, an Allocation Statute may, without limitation, contain a Statutory Trust, further restrict expenditure of funds, form an advisory committee, establish oversight and reporting requirements, or address other default provisions and other matters related to the funds. An Allocation Statute is not required to address all three (3) types of funds comprising the Settlement Fund or all default provisions.
6. “*Annual Payment*” means the total amount payable to the Settlement Fund by Janssen on the Payment Date each year in 2023 and onward, as calculated by the Settlement Fund Administrator pursuant to Section V. For the avoidance of doubt, this term does not include the Additional Restitution Amount or amounts paid pursuant to Section XI.
7. “*Appropriate Official*” means the official defined in subsection XIII.E.

8. “*Attorney Fee Fund*” means an account consisting of funds allocated to pay attorneys’ fees and costs pursuant to the agreement on attorneys’ fees and costs attached as Exhibit R.
9. “*Bar*” means either (1) a ruling by the highest court of the State or the intermediate court of appeals when not subject to further review by the highest court of the State in a State with a single intermediate court of appeals setting forth the general principle that no Subdivisions or Special Districts in the State may maintain Released Claims against Released Entities, whether on the ground of the Agreement (or the release in it) or otherwise; (2) a law barring Subdivisions and Special Districts in the State from maintaining or asserting Released Claims against Released Entities (either through a direct bar or through a grant of authority to release claims and that authority is exercised in full); or (3) a Settlement Class Resolution in the State with full force and effect. For the avoidance of doubt, a law or ruling that is conditioned or predicated upon payment by a Released Entity (apart from payments by Janssen incurred under the Agreement) shall not constitute a Bar.
10. “*Case-Specific Resolution*” means either (1) a law barring specified Subdivisions or Special Districts from maintaining Released Claims against Released Entities (either through a direct bar or through a grant of authority to release claims and that authority is exercised in full); (2) a ruling by a court of competent jurisdiction over a particular Subdivision or Special District that has the legal effect of barring the Subdivision or Special District from maintaining any Released Claims at issue against Released Entities, whether on the ground of the Agreement (or the release in it) or otherwise; or (3) in the case of a Special District, a release consistent with Section IV below. For the avoidance of doubt, a law, ruling, or release that is conditioned or predicated upon a post-Effective Date payment by a Released Entity (apart from payments by Janssen incurred under the Agreement or injunctive relief obligations incurred by it) shall not constitute a Case-Specific Resolution.
11. “*Claim*” means any past, present or future cause of action, claim for relief, cross-claim or counterclaim, theory of liability, demand, derivative claim, request, assessment, charge, covenant, damage, debt, lien, loss, penalty, judgment, right, obligation, dispute, suit, contract, controversy, agreement, parens patriae claim, promise, performance, warranty, omission, or grievance of any nature whatsoever, whether legal, equitable, statutory, regulatory or administrative, whether arising under federal, state or local common law, statute, regulation, guidance, ordinance or principles of equity, whether filed or unfiled, whether asserted or unasserted, whether known or unknown, whether accrued or unaccrued, whether foreseen, unforeseen or unforeseeable, whether discovered or undiscovered, whether suspected or unsuspected, whether fixed or contingent, and whether existing or hereafter arising, in all such cases, including but not limited to any request for declaratory, injunctive, or equitable relief, compensatory, punitive, or statutory damages, absolute liability, strict liability, restitution, subrogation, contribution, indemnity, apportionment, disgorgement, reimbursement, attorney fees, expert

fees, consultant fees, fines, penalties, expenses, costs or any other legal, equitable, civil, administrative, or regulatory remedy whatsoever.

12. “*Claim Over*” means a Claim asserted by a Non-Released Entity against a Released Entity on the basis of contribution, indemnity, or other claim-over on any theory relating to a Non-Party Covered Conduct Claim asserted by a Releasor.
13. “*Compensatory Restitution Amount*” means the aggregate amount of payments by Janssen hereunder other than amounts paid as attorneys’ fees and costs or identified pursuant to subsection VI.B.2 as being used to pay attorneys’ fees and investigation costs or litigation costs.
14. “*Consent Judgment*” means a state-specific consent judgment in a form to be agreed upon by the Settling States, Participating Subdivisions, and Janssen prior to the Initial Participation Date that, among other things, (1) approves this Agreement and (2) provides for the release set forth in Section IV, including the dismissal with prejudice of any Released Claims that the Settling State has brought against Released Entities.
15. “*Court*” means the respective court for each Settling State to which the Agreement and the Consent Judgment are presented for approval and/or entry as to that Settling State, or the Northern District of Ohio for purposes of administering the Attorney Fee Fund and any related fee and cost agreements.
16. “*Covered Conduct*” means any actual or alleged act, failure to act, negligence, statement, error, omission, breach of any duty, conduct, event, transaction, agreement, misstatement, misleading statement or other activity of any kind whatsoever from the beginning of time through the Reference Date (and any past, present, or future consequence of any such act, failure to act, negligence, statement, error, omission, breach of duty, conduct, event, transaction, agreement, misstatement, misleading statement or other activity) relating in any way to (a) the discovery, development, manufacture, packaging, repackaging, marketing, promotion, advertising, labeling, recall, withdrawal, distribution, delivery, monitoring, reporting, supply, sale, prescribing, dispensing, physical security, warehousing, use or abuse of, or operating procedures relating to any Product, or any system, plan, policy, or advocacy relating to any Product or class of Products, including but not limited to any unbranded promotion, marketing, programs, or campaigns relating to any Product or class of Products; (b) the characteristics, properties, risks, or benefits of any Product; (c) the reporting, disclosure, non-reporting or non-disclosure to federal, state or other regulators of orders for any Product placed with any Released Entity; (d) the selective breeding, harvesting, extracting, purifying, exporting, importing, applying for quota for, procuring quota for, handling, promoting, manufacturing, processing, packaging, supplying, distributing, converting, or selling of, or otherwise engaging in any activity relating to, precursor or component Products, including but not limited to natural, synthetic, semi-synthetic or chemical raw materials, starting materials, finished

active pharmaceutical ingredients, drug substances, or any related intermediate Products; or (e) diversion control programs or suspicious order monitoring related to any Product.

17. “*Designated State*” means New York.
18. “*Effective Date*” means the date sixty (60) days after the Reference Date.
19. “*Enforcement Committee*” means a committee consisting of representatives of the Settling States and of the Participating Subdivisions. Exhibit B contains the organizational bylaws of the Enforcement Committee. Notice pursuant to subsection XIII.O shall be provided when there are changes in membership or contact information.
20. “*Global Settlement Abatement Amount*” means the abatement amount of \$4,534,615,385.
21. “*Global Settlement Amount*” means \$5 billion, which shall be divided into the Global Settlement Abatement Amount, the Additional Restitution Amount, and the Global Settlement Attorney Fee Amount.
22. “*Global Settlement Attorney Fee Amount*” means the attorney fee amount of \$398,076,923.
23. “*Incentive A*” means the incentive payment described in subsection V.E.4.
24. “*Incentive B*” means the incentive payment described in subsection V.E.5.
25. “*Incentive C*” means the incentive payment described in subsection V.E.6.
26. “*Incentive D*” means the incentive payment described in subsection V.E.7.
27. “*Incentive Payment Final Eligibility Date*” means, with respect to a Settling State, the date that is the earliest of (1) three years after the Effective Date; (2) the date of completion of opening statements in a trial of any action brought by a Subdivision in that State that includes a Released Claim against a Released Entity when such date is more than two (2) years after the Effective Date; or (3) two (2) years after the Effective Date in the event a trial of an action brought by a Subdivision in that State that includes a Released Claim against a Released Entity began after the Initial Participation Date but before two (2) years after the Effective Date.
28. “*Initial Participating Subdivision*” means a Subdivision that meets the requirements set forth in subsection VII.D.
29. “*Initial Participation Date*” means the date one hundred twenty (120) days after the Preliminary Agreement Date, unless it is extended by written agreement of Janssen and the Enforcement Committee.

30. “*Initial Year Payment*” means the total amount payable to the Settlement Fund by Janssen on each of the two Payment Dates in 2022, as calculated by the Settlement Fund Administrator pursuant to Section V. For the avoidance of doubt, this term does not include the Additional Restitution Amount or amounts paid pursuant to Section XI.
31. “*Injunctive Relief Terms*” means the terms described in Section III and set forth in Exhibit P.
32. “*Janssen*” means Johnson & Johnson, Janssen Pharmaceuticals, Inc., Ortho-McNeil-Janssen Pharmaceuticals, Inc., and Janssen Pharmaceutica, Inc.
33. “*Later Litigating Special District*” means a Special District (or Special District official asserting the right of or for the Special District to recover for alleged harms to the Special District and/or the people thereof) that is not a Litigating Special District and that files a lawsuit bringing a Released Claim against a Released Entity, or that adds such a claim to a pre-existing lawsuit, after the Preliminary Agreement Date. It may also include a Litigating Special District whose claims were resolved by a judicial Bar or Case-Specific Resolution which is later revoked following the execution date of this Agreement, when such Litigating Special District takes any affirmative step in its lawsuit other than seeking a stay or removal.
34. “*Later Litigating Subdivision*” means a Subdivision (or Subdivision official asserting the right of or for the Subdivision to recover for alleged harms to the Subdivision and/or the people thereof) that is not a Litigating Subdivision and that files a lawsuit bringing a Released Claim against a Released Entity, or that adds such a claim to a pre-existing lawsuit, after the Trigger Date. It may also include a Litigating Subdivision whose claims were resolved by a judicial Bar or Case-Specific Resolution which is later revoked following the execution date of this Agreement, when such Litigating Subdivision takes any affirmative step in its lawsuit other than seeking a stay or removal.
35. “*Later Participating Subdivision*” means a Participating Subdivision that meets the requirements of subsection VII.E but is not an Initial Participating Subdivision.
36. “*Litigating Special District*” means a Special District (or Special District official) that brought any Released Claims against any Released Entities on or before the Preliminary Agreement Date that were not separately resolved prior to that date. A list of Litigating Special Districts will be agreed to by the parties and attached hereto as of the Preliminary Agreement Date.
37. “*Litigating Subdivision*” means a Subdivision (or Subdivision official asserting the right of or for the Subdivision to recover for alleged harms to the Subdivision and/or the people thereof) that brought any Released Claim against any Released Entity prior to the Trigger Date that were not separately resolved prior to that

Trigger Date. A Prior Litigating Subdivision shall not be considered a Litigating Subdivision. Exhibit C is an agreed list of the Litigating Subdivisions. Exhibit C will be updated (including with any corrections) periodically, and a final version of Exhibit C will be attached hereto as of the Reference Date.

- 38. “*National Arbitration Panel*” means the panel described in subsection XII.F.
- 39. “*National Disputes*” means the disputes described in subsection XII.F.
- 40. “*Non-Litigating Special District*” means a Special District that is neither a Litigating Special District nor a Later Litigating Special District.
- 41. “*Non-Litigating Subdivision*” means a Subdivision that is neither a Litigating Subdivision nor a Later Litigating Subdivision.
- 42. “*Non-Participating Subdivision*” means a Subdivision that is not a Participating Subdivision.
- 43. “*Non-Party Covered Conduct Claim*” means a Claim against any Non-Released Entity involving, arising out of, or related to Covered Conduct (or conduct that would be Covered Conduct if engaged in by a Released Entity).
- 44. “*Non-Party Settlement*” means a settlement by any Releasor that settles any Non-Party Covered Conduct Claim and includes a release of any Non-Released Entity.
- 45. “*Non-Released Entity*” means an entity that is not a Released Entity.
- 46. “*Non-Settling State*” means a State that is not a Settling State.
- 47. “*Opioid Remediation*” means care, treatment, and other programs and expenditures (including reimbursement for past such programs or expenditures except where this Agreement restricts the use of funds solely to future Opioid Remediation) designed to (1) address the misuse and abuse of opioid products, (2) treat or mitigate opioid use or related disorders, or (3) mitigate other alleged effects of the opioid abuse crisis, including on those injured as a result of the opioid abuse crisis. Exhibit E provides a non-exhaustive list of expenditures that qualify as being paid for Opioid Remediation. Qualifying expenditures may include reasonable related administrative expenses.
- 48. “*Overall Allocation Percentage*” means a Settling State’s percentage as set forth in Exhibit F. The aggregate Overall Allocation Percentages of all States (including Settling States and Non-Settling States) shall equal 100%.
- 49. “*Participating Special District*” means a Special District that executes a release consistent with Section IV below and meets the requirements for becoming a Participating Special District under Section VII.

50. “*Participating Subdivision*” means a Subdivision that meets the requirements for becoming a Participating Subdivision under Section VII. Participating Subdivisions include both Initial Participating Subdivisions and Later Participating Subdivisions. Subdivisions eligible to become Participating Subdivisions are listed in Exhibit G. A Settling State may add additional Subdivisions to Exhibit G at any time prior to the Initial Participation Date.
51. “*Participation Tier*” means the level of participation in this Agreement as determined pursuant to subsection VIII.C using the criteria set forth in Exhibit H.
52. “*Parties*” means Janssen and the Settling States (each, a “*Party*”).
53. “*Payment Date*” means the date on which Janssen makes its payments pursuant to Section V and Exhibit M.
54. “*Payment Year*” means the calendar year during which the applicable Initial Year Payments or Annual Payments are due pursuant to subsection V.B. Payment Year 1 is 2022, Payment Year 2 is 2023 and so forth. References to payment “for a Payment Year” mean the Initial Year Payments or Annual Payment due during that year. References to eligibility “for a Payment Year” mean eligibility in connection with the Initial Year Payments or Annual Payment due during that year.
55. “*Preliminary Agreement Date*” means the date on which Janssen gives notice to the Settling States and MDL PEC of its determination that a sufficient number of States have agreed to be Settling States. This date shall be no more than fourteen (14) days after the end of the notice period to States, unless it is extended by written agreement of Janssen and the Enforcement Committee.
56. “*Primary Subdivision*” means a Subdivision that has a population of 30,000 or more. A list of Primary Subdivisions in each State is provided in Exhibit I.
57. “*Prior Litigating Subdivision*” means a Subdivision (or Subdivision official asserting the right of or for the Subdivision to recover for alleged harms to the Subdivision and/or the people thereof) that brought any Released Claim against any Released Entity prior to the Trigger Date and all such Released Claims were separately settled or finally adjudicated prior to the Trigger Date; *provided, however,* that if the final adjudication was pursuant to a Bar, such Subdivision shall not be considered a Prior Litigating Subdivision. Notwithstanding the prior sentence, Janssen and the State of the relevant Subdivision may agree in writing that such Subdivision shall not be considered a Prior Litigating Subdivision.
58. “*Product*” means any chemical substance, whether used for medicinal or non-medicinal purposes, and whether natural, synthetic, or semi-synthetic, or any finished pharmaceutical product made from or with such substance, that is an opioid or opiate, as well as any product containing any such substance. It also includes: 1) the following when used in combination with opioids or opiates: benzodiazepine, carisoprodol, zolpidem, or gabapentin; and 2) a combination or

“cocktail” of any stimulant or other chemical substance prescribed, sold, bought, or dispensed to be used together that includes opioids or opiates. For the avoidance of doubt, “Product” does not include benzodiazepine, carisoprodol, zolpidem, or gabapentin when not used in combination with opioids or opiates. “Product” includes but is not limited to any substance consisting of or containing buprenorphine, codeine, fentanyl, hydrocodone, hydromorphone, meperidine, methadone, morphine, naloxone, naltrexone, oxycodone, oxymorphone, tapentadol, tramadol, opium, heroin, carfentanil, any variant of these substances, or any similar substance. “Product” also includes any natural, synthetic, semi-synthetic or chemical raw materials, starting materials, finished active pharmaceutical ingredients, drug substances, and any related intermediate products used or created in the manufacturing process for any of the substances described in the preceding sentence.

59. “*Reference Date*” means the date on which Janssen is to inform the Settling States and MDL PEC of its determination whether there is sufficient resolution of claims and potential claims at the Subdivision level to go forward with the settlement. The Reference Date shall be thirty (30) days after the Initial Participation Date, unless it is extended by written agreement of Janssen and the Enforcement Committee.
60. “*Released Claims*” means any and all Claims that directly or indirectly are based on, arise out of, or in any way relate to or concern the Covered Conduct occurring prior to the Reference Date. Without limiting the foregoing, “Released Claims” include any Claims that have been asserted against the Released Entities by any Settling State or any of its Litigating Subdivisions or Litigating Special Districts in any federal, state or local action or proceeding (whether judicial, arbitral, or administrative) based on, arising out of or relating to, in whole or in part, the Covered Conduct, or any such Claims that could be or could have been asserted now or in the future in those actions or in any comparable action or proceeding brought by a State, any of its Subdivisions or Special Districts, or any Releasors (whether or not such State, Subdivision, Special District, or Releasor has brought such action or proceeding). Released Claims also include all Claims asserted in any proceeding to be dismissed pursuant to the Agreement, whether or not such claims relate to Covered Conduct. The Parties intend that “Released Claims” be interpreted broadly. This Agreement does not release Claims by private individuals. It is the intent of the Parties that Claims by private individuals be treated in accordance with applicable law. Released Claims is also used herein to describe Claims brought by a Later Litigating Subdivision or other non-party Subdivision or Special District that would have been Released Claims if they had been brought by a Releasor against a Released Entity.
61. “*Released Entities*” means Janssen and (1) all of Janssen’s past and present direct or indirect parents, subsidiaries, divisions, predecessors, successors, assigns, including Noramco, Inc. and Tasmanian Alkaloids PTY. LTD.; (2) the past and present direct or indirect subsidiaries, divisions, and joint ventures, of any of the foregoing; (3) all of Janssen’s insurers (solely in their role as insurers with respect

to the Released Claims); (4) all of Janssen's, or of any entity described in subsection (1), past and present joint ventures; and (5) the respective past and present officers, directors, members, shareholders (solely in their capacity as shareholders of the foregoing entities), partners, trustees, agents, and employees of any of the foregoing (for actions that occurred during and related to their work for, or employment with, Janssen). Any person or entity described in subsections (3)-(5) shall be a Released Entity solely in the capacity described in such clause and shall not be a Released Entity with respect to its conduct in any other capacity. For the avoidance of doubt, the entities listed in Exhibit Q are not Released Entities; *and provided further* that any joint venture partner of Janssen or Janssen's subsidiary is not a Released Entity unless it falls within subsections (1)-(5) above. A list of Janssen's present subsidiaries and affiliates can be found at <https://johnsonandjohnson.gcs-web.com/static-files/f61ae5f3-ff03-46c1-bfc9-174947884db2>. Janssen's predecessor entities include but are not limited to those entities listed on Exhibit J. For the avoidance of doubt, any entity acquired, or joint venture entered into, by Janssen after the Reference Date is not a Released Entity.

62. “*Releasers*” means (1) each Settling State; (2) each Participating Subdivision; and (3) without limitation and to the maximum extent of the power of each Settling State's Attorney General and/or Participating Subdivision to release Claims, (a) the Settling State's and Participating Subdivision's departments, agencies, divisions, boards, commissions, Subdivisions, districts, instrumentalities of any kind and attorneys, including its Attorney General, and any person in their official capacity whether elected or appointed to serve any of the foregoing and any agency, person, or other entity claiming by or through any of the foregoing, (b) any public entities, public instrumentalities, public educational institutions, unincorporated districts, fire districts, irrigation districts, water districts, law enforcement districts, emergency services districts, school districts, hospital districts and other Special Districts in a Settling State, and (c) any person or entity acting in a *parens patriae*, sovereign, quasi-sovereign, private attorney general, *qui tam*, taxpayer, or other capacity seeking relief on behalf of or generally applicable to the general public with respect to a Settling State or Subdivision in a Settling State, whether or not any of them participate in the Agreement. The inclusion of a specific reference to a type of entity in this definition shall not be construed as meaning that the entity is not a Subdivision. In addition to being a Releaser as provided herein, a Participating Subdivision shall also provide the Subdivision Settlement Participation Form or the Election and Release Form referenced in Section VII providing for a release to the fullest extent of the Participating Subdivision's authority, which shall be attached as an exhibit to the Agreement. Each Settling State's Attorney General represents that he or she has or has obtained (or will obtain no later than the Initial Participation Date) the authority set forth in the Representation and Warranty subsection of Section IV.
63. “*Revocation Event*” means with respect to a Bar, Settlement Class Resolution, or Case-Specific Resolution, a legislative amendment or a revocation, rescission, reversal, overruling, or interpretation that in any way limits the effect of such Bar,

Settlement Class Resolution, or Case-Specific Resolution on Released Claims or any other action or event that otherwise deprives the Bar, Settlement Class Resolution or Case-Specific Resolution of force or effect in any material respect.

64. “*Settlement Class Resolution*” means a class action resolution in a court of competent jurisdiction in a Settling State with respect to a class of Subdivisions and Special Districts in that State that (1) conforms with that Settling State’s statutes, case law, and/or rules of procedure regarding class actions; (2) is approved and entered as an order of a court of competent jurisdiction in that State and has become final as defined in “State-Specific Finality”; (3) is binding on all Non-Participating Subdivisions and Special Districts in that State (other than opt outs as permitted under the next sentence); (4) provides that all such Non-Participating Subdivisions or Special Districts may not bring Released Claims against Released Entities, whether on the ground of the Agreement (or the releases herein) or otherwise; and (5) does not impose any costs or obligations on Janssen other than those provided for in the Agreement, or contain any provision inconsistent with any provision of the Agreement. If applicable state law requires that opt-out rights be afforded to members of the class, a class action resolution otherwise meeting the foregoing requirements shall qualify as a Settlement Class Resolution unless Subdivisions collectively representing more than 1% of the total population of all of that State’s Subdivisions listed in Exhibit G opt out. In seeking certification of any Settlement Class, the applicable State and Participating Subdivisions shall make clear that certification is sought solely for settlement purposes and shall have no applicability beyond approval of the settlement for which certification is sought. Nothing in this Agreement constitutes an admission by any Party that class certification would be appropriate for litigation purposes in any case.
65. “*Settlement Fund*” means the interest-bearing fund established under the Agreement into which all payments by Janssen are made other than amounts paid as attorneys’ fees and costs or identified pursuant to subsection VI.B.2 as being used to pay attorneys’ fees and costs. The Settlement Fund comprises the Abatement Accounts Fund, State Fund, and Subdivision Fund.
66. “*Settlement Fund Administrator*” means the entity that determines the Annual Payments (including calculating Incentive Payments pursuant to Section V) and any amounts subject to suspension or offset pursuant to Sections V and IX), determines the Participation Tier, and administers and distributes amounts into the Settlement Fund. The duties of the Settlement Fund Administrator shall be governed by this Agreement. Prior to the Initial Participation Date, the Parties shall agree to selection and removal processes for and a detailed description of the Settlement Fund Administrator’s duties, including a detailed mechanism for paying the Settlement Fund Administrator’s fees and costs, all of which shall be appended to the Agreement as Exhibit L.

67. “*Settlement Fund Escrow*” means the interest-bearing escrow fund established pursuant to this Agreement to hold disputed or suspended payments made under this Agreement.
68. “*Settlement Payment Schedule*” means the schedule of payments attached to this Agreement as Exhibit M. A revised Settlement Payment Schedule will be substituted for Exhibit M after any offsets, reductions, or suspensions under Sections V and IX are determined.
69. “*Settling State*” means any State that has entered the Agreement.
70. “*Special District*” means a formal and legally recognized sub-entity of a State that is authorized by State law to provide one or a limited number of designated functions, including but not limited to school districts, fire districts, healthcare & hospital districts, and emergency services districts. Special Districts do not include sub-entities of a State that provide general governance for a defined area that would qualify as a Subdivision.
71. “*State*” means any state of the United States of America, the District of Columbia, American Samoa, Guam, the Northern Mariana Islands, Puerto Rico, and the U.S. Virgin Islands. Additionally, the use of non-capitalized “state” to describe something (e.g., “state court”) shall also be read to include parallel entities in commonwealths, territories, and the District of Columbia (e.g., “territorial court”).
72. “*State Fund*” means a component of the Settlement Fund described in subsection VI.C.
73. “*State-Specific Finality*” means, with respect to the Settling State in question:
- a. the Agreement and the Consent Judgment have been approved and entered by the Court as to Janssen, including the release of all Released Claims against Released Entities as provided in this Agreement;
 - b. for all lawsuits brought by the Settling State against Released Entities for Released Claims, either previously filed or filed as part of the entry of the Consent Judgment, the Court has stated in the Consent Judgment or otherwise entered an order finding that all Released Claims against Released Entities asserted in the lawsuit have been resolved by agreement; and
 - c. (1) the time for appeal or to seek review of or permission to appeal from the approval and entry as described in subsection (a) hereof and entry of such order described in subsection (b) hereof has expired; or (2) in the event of an appeal, the appeal has been dismissed or denied, or the approval and entry described in (a) hereof and the order described in subsection (b) hereof have been affirmed in all material respects (to the extent challenged in the appeal) by the court of last resort to which such appeal has been taken and such dismissal or affirmance has become no

longer subject to further appeal (including, without limitation, review by the United States Supreme Court).

74. “*State-Subdivision Agreement*” means an agreement that a Settling State reaches with the Subdivisions in that State regarding the allocation, distribution, and/or use of funds allocated to that State and to Participating Subdivisions in that State. A State-Subdivision Agreement shall be effective if approved pursuant to the provisions of Exhibit O or if adopted by statute. Preexisting agreements addressing funds other than those allocated pursuant to this Agreement shall qualify if the approval requirements of Exhibit O are met. A State and its Subdivisions may revise, supplement, or refine a State-Subdivision Agreement if approved pursuant to the provisions of Exhibit O or if adopted by statute.
75. “*Statutory Trust*” means a trust fund established by state law to receive funds allocated to a State’s Abatement Accounts Fund and restrict their expenditure to Opioid Remediation purposes subject to reasonable administrative expenses. A State may give a Statutory Trust authority to allocate one or more of the three Settlement Funds, but this is not required.
76. “*Subdivision*” means a formal and legally recognized sub-entity of a State that provides general governance for a defined area, including a county, parish, city, town, village, or similar entity. Unless otherwise specified, “Subdivision” includes all functional counties and parishes and other functional levels of sub-entities of a State that provide general governance for a defined area. Historic, non-functioning sub-entities of a State (such as Connecticut counties) are not Subdivisions, unless the entity has filed a lawsuit that includes a Released Claim against a Released Entity in a direct, parens patriae, or any other capacity. For purposes of this Agreement, the term Subdivision does not include Special Districts. A list of Subdivisions by state will be agreed to prior to any Subdivision sign-on period.
77. “*Subdivision Allocation Percentage*” means for Subdivisions in a Settling State that are eligible to receive an allocation from the Subdivision Fund pursuant to subsection VI.C or subsection VI.D, the percentage as set forth in Exhibit G. The aggregate Subdivision Allocation Percentage of all Subdivisions receiving a Subdivision Allocation Percentage in each State shall equal 100%. Immediately upon the effectiveness of any State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by subsection VI.D.3 (or upon the effectiveness of an amendment to any State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by subsection VI.D.3) that addresses allocation from the Subdivision Fund, or upon any, whether before or after the Initial Participation Date, Exhibit G will automatically be amended to reflect the allocation from the Subdivision Fund pursuant to the State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by Section V.D.3. The Subdivision Allocation Percentages contained in Exhibit G may not change once notice is distributed pursuant to subsection VII.A, except upon the effectiveness of any State-

Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by subsection VI.D.3 (or upon the effectiveness of an amendment to any State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by subsection VI.D.3) that addresses allocation from the Subdivision Fund. For the avoidance of doubt, no Subdivision not listed on Exhibit G shall receive an allocation from the Subdivision Fund and no provision of this Agreement shall be interpreted to create such an entitlement.

78. “*Subdivision Fund*” means a component of the Settlement Fund described in subsection VI.C.
79. “*Subdivision Settlement Participation Form*” means the form attached as Exhibit K that Participating Subdivisions must execute and return to the Settlement Fund Administrator, and which shall (1) make such Participating Subdivisions signatories to this Agreement, (2) include a full and complete release of any and of such Subdivision’s claims, and (3) require the prompt dismissal with prejudice of any Released Claims that have been filed by any such Participating Subdivision.
80. “*Threshold Motion*” means a motion to dismiss or equivalent dispositive motion made at the outset of litigation under applicable procedure. A Threshold Motion must include as potential grounds for dismissal, any applicable Bar or the relevant release by a Settling State or Participating Subdivision provided under this Agreement and, where appropriate under applicable law, any applicable limitations defense.
81. “*Trigger Date*” means, in the case of a Primary Subdivision, the Reference Date, or, in the case of all other Subdivisions, the Preliminary Agreement Date.

II. Participation by States and Condition to Preliminary Agreement

- A. *Notice to States.* On July 22, 2021 this Agreement shall be distributed to all States. The States’ Attorneys General shall then have a period of thirty (30) days to decide whether to become Settling States. States that determine to become Settling States shall so notify the National Association of Attorneys General and Janssen and shall further commit to obtaining any necessary additional State releases prior to the Reference Date. This notice period may be extended by written agreement of Janssen and the Enforcement Committee.
- B. *Condition to Preliminary Agreement.* Following the notice period set forth in subsection II.A above, Janssen shall determine on or before the Preliminary Agreement Date whether, in its sole discretion, enough States have agreed to become Settling States to proceed with notice to Subdivisions as set forth in Section VII below. If Janssen determines that this condition has been satisfied, and that notice to the Litigating Subdivisions should proceed, it will so notify the Settling States by providing notice to the Enforcement Committee and Settlement Fund Administrator on the Preliminary Agreement Date. If Janssen determines that this condition has not been satisfied, it will so

notify the Settling States by providing notice to the Enforcement Committee and Settlement Fund Administrator, and this Agreement will have no further effect and all releases and other commitments or obligations contained herein will be void.

- C. *Later Joinder by States.* After the Preliminary Agreement Date, a State may only become a Settling State with the consent of Janssen, in its sole discretion. If a State becomes a Settling State more than sixty (60) days after the Preliminary Agreement Date, but on or before January 1, 2022, the Subdivisions and Special Districts in that State that become Participating Subdivisions and Participating Special Districts within ninety (90) days of the State becoming a Settling State shall be considered Initial Participating Subdivisions or Initial Participating Special Districts. A State may not become a Settling State after January 1, 2022.

III. Injunctive Relief

- A. *Entry of Injunctive Relief.* As part of the Consent Judgment, the Parties agree to the injunctive relief terms attached as Exhibit P.

IV. Release

- A. *Scope.* As of the Effective Date, the Released Entities will be released and forever discharged from all of the Releasers' Released Claims. Each Settling State (for itself and its Releasers) and Participating Subdivision (for itself and its Releasers) will, on or before the Effective Date, absolutely, unconditionally, and irrevocably covenant not to bring, file, or claim, or to cause, assist in bringing, or permit to be brought, filed, or claimed, or to otherwise seek to establish liability for any Released Claims against any Released Entity in any forum whatsoever. The releases provided for in the Agreement are intended by the Parties to be broad and shall be interpreted so as to give the Released Entities the broadest possible bar against any liability relating in any way to Released Claims and extend to the full extent of the power of each Settling State and its Attorney General to release claims. The Release shall be a complete bar to any Released Claim.
- B. *Claim Over and Non-Party Settlement.*
1. *Statement of Intent.* It is the intent of the Parties that:
 - a. Released Entities should not seek contribution or indemnification (other than pursuant to an insurance contract) from other parties for their payment obligations under this Settlement Agreement;
 - b. the payments made under this Settlement Agreement shall be the sole payments made by the Released Entities to the Releasers involving, arising out of, or related to Covered Conduct (or conduct that would be Covered Conduct if engaged in by a Released Entity);
 - c. Claims by Releasers against non-Parties should not result in additional payments by Released Entities, whether through contribution, indemnification or any other means; and

- d. the Settlement meets the requirements of the Uniform Contribution Among Joint Tortfeasors Act and any similar state law or doctrine that reduces or discharges a released party's liability to any other parties.
 - e. The provisions of this subsection IV.B are intended to be implemented consistent with these principles. This Agreement and the releases and dismissals provided for herein are made in good faith.
- 2. *Contribution/Indemnity Prohibited.* No Released Entity shall seek to recover for amounts paid under this Agreement based on indemnification, contribution, or any other theory from a manufacturer, pharmacy, hospital, pharmacy benefit manager, health insurer, third-party vendor, trade association, distributor, or health care practitioner, provided that a Released Entity shall be relieved of this prohibition with respect to any entity that asserts a Claim-Over against it. For the avoidance of doubt, nothing herein shall prohibit a Released Entity from recovering amounts owed pursuant to insurance contracts.
- 3. *Non-Party Settlement.* To the extent that, on or after the Reference Date, any Releasor enters into a Non-Party Settlement, including in any bankruptcy case or through any plan of reorganization (whether individually or as a class of creditors), the Releasor will include (or in the case of a Non-Party Settlement made in connection with a bankruptcy case, will cause the debtor to include), unless prohibited from doing so under applicable law, in the Non-Party Settlement a prohibition on contribution or indemnity of any kind substantially equivalent to that required from Janssen in subsection IV.B.2, or a release from such Non-Released Entity in favor of the Released Entities (in a form equivalent to the releases contained in this Agreement) of any Claim-Over. The obligation to obtain the prohibition and/or release required by this subsection is a material term of this Agreement.
- 4. *Claim-Over.* In the event that any Releasor obtains a judgment with respect to Non-Party Covered Conduct against a Non-Released Entity that does not contain a prohibition like that in subsection IV.B.3, or any Releasor files a Non-Party Covered Conduct Claim against a non-Released Entity in bankruptcy or a Releasor is prevented for any reason from obtaining a prohibition/release in a Non-Party Settlement as provided in subsection IV.B.3, and such Non-Released Entity asserts a Claim-Over against a Released Entity, that Releasor and Janssen shall take the following actions to ensure that the Released Entities do not pay more with respect to Covered Conduct to Releasors or to Non-Released Entities than the amounts owed under this Settlement Agreement by Janssen:
 - a. Janssen shall notify that Releasor of the Claim-Over within sixty (60) days of the assertion of the Claim-Over or sixty (60) days of the Effective Date of this Settlement Agreement, whichever is later;
 - b. Janssen and that Releasor shall meet and confer concerning the means to hold Released Entities harmless and ensure that it is not required to pay

more with respect to Covered Conduct than the amounts owed by Janssen under this Settlement Agreement;

- c. That Releasor and Janssen shall take steps sufficient and permissible under the law of the State of the Releasor to hold Released Entities harmless from the Claim-Over and ensure Released Entities are not required to pay more with respect to Covered Conduct than the amounts owed by Janssen under this Settlement Agreement. Such steps may include, where permissible:
 - (1) Filing of motions to dismiss or such other appropriate motion by Janssen or Released Entities, and supported by Releasors, in response to any claim filed in litigation or arbitration;
 - (2) Reduction of that Releasor's Claim and any judgment it has obtained or may obtain against such Non-Released Entity by whatever amount or percentage is necessary to extinguish such Claim-Over under applicable law, up to the amount that Releasor has obtained, may obtain, or has authority to control from such Non-Released Entity;
 - (3) Placement into escrow of funds paid by the Non-Released Entities such that those funds are available to satisfy the Claim-Over;
 - (4) Return of monies paid by Janssen to that Releasor under this Settlement Agreement to permit satisfaction of a judgment against or settlement with the Non-Released Entity to satisfy the Claim-Over;
 - (5) Payment of monies to Janssen by that Releasor to ensure it is held harmless from such Claim-Over, up to the amount that Releasor has obtained, may obtain, or has authority to control from such Non-Released Entity;
 - (6) Credit to Janssen under this Settlement Agreement to reduce the overall amounts to be paid under the Settlement Agreement such that it is held harmless from the Claim-Over; and
 - (7) Such other actions as that Releasor and Janssen may devise to hold Janssen harmless from the Claim Over.
- d. The actions of that Releasor and Janssen taken pursuant to paragraph (c) must, in combination, ensure Janssen is not required to pay more with respect to Covered Conduct than the amounts owed by Janssen under this Settlement Agreement.
- e. In the event of any dispute over the sufficiency of the actions taken pursuant to paragraph (c), that Releasor and Janssen may seek review by

the National Arbitration Panel, provided that, if the parties agree, such dispute may be heard by the state court where the relevant Consent Judgment was filed. The National Arbitration Panel shall have authority to require Releasors to implement a remedy that includes one or more of the actions specified in paragraph (c) sufficient to hold Released Entities fully harmless. In the event that the panel's actions do not result in Released Entities being held fully harmless, Janssen shall have a claim for breach of this Settlement Agreement by Releasors, with the remedy being payment of sufficient funds to hold Janssen harmless from the Claim-Over. For the avoidance of doubt, the prior sentence does not limit or eliminate any other remedy that Janssen may have.

5. To the extent that the Claim-Over is based on a contractual indemnity, the obligations under subsection IV.B.4 shall extend solely to a Non-Party Covered Conduct Claim against a pharmacy, clinic, hospital or other purchaser or dispenser of Products, a manufacturer that sold Products, a consultant, and/or a pharmacy benefit manager or other third-party payor. Janssen shall notify the Settling States, to the extent permitted by applicable law, in the event that any of these types of Non-Released Entities asserts a Claim-Over arising out of contractual indemnity against it.

- C. *General Release.* In connection with the releases provided for in the Agreement, each Settling State (for itself and its Releasors) and Participating Subdivision expressly waives, releases, and forever discharges any and all provisions, rights, and benefits conferred by any law of any state or territory of the United States or other jurisdiction, or principle of common law, which is similar, comparable, or equivalent to § 1542 of the California Civil Code, which reads:

General Release; extent. A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release that, if known by him or her, would have materially affected his or her settlement with the debtor or released party.

A Releasor may thereafter discover facts other than or different from those which it knows, believes, or assumes to be true with respect to the Released Claims, but each Settling State (for itself and its Releasors) and Participating Subdivision hereby expressly waives and fully, finally, and forever settles, releases, and discharges, upon the Effective Date, any and all Released Claims that may exist as of such date but which Releasors do not know or suspect to exist, whether through ignorance, oversight, error, negligence or through no fault whatsoever, and which, if known, would materially affect the Settling States' decision to enter into the Agreement or the Participating Subdivisions' decision to participate in the Agreement.

- D. *Res Judicata.* Nothing in the Agreement shall be deemed to reduce the scope of the res judicata or claim preclusive effect that the settlement memorialized in the Agreement,

and/or any Consent Judgment or other judgment entered on the Agreement, gives rise to under applicable law.

- E. *Representation and Warranty.* The signatories hereto on behalf of their respective Settling States and its Participating Subdivisions expressly represent and warrant that they will obtain on or before the Effective Date (or have obtained) the authority to settle and release, to the maximum extent of the State's power, all Released Claims of (1) their respective Settling States; (2) all past and present executive departments, state agencies, divisions, boards, commissions and instrumentalities with the regulatory authority to enforce state and federal controlled substances acts; (3) any of their respective Settling State's past and present executive departments, agencies, divisions, boards, commissions and instrumentalities that have the authority to bring Claims related to Covered Conduct seeking money (including abatement and/or remediation) or revocation of a pharmaceutical distribution license; and (4) any Participating Subdivisions. For the purposes of clause (3) above, executive departments, agencies, divisions, boards, commissions, and instrumentalities are those that are under the executive authority or direct control of the State's Governor. Also, for the purposes of clause (3), a release from a State's Governor is sufficient to demonstrate that the appropriate releases have been obtained.
- F. *Effectiveness.* The releases set forth in the Agreement shall not be impacted in any way by any dispute that exists, has existed, or may later exist between or among the Releasors. Nor shall such releases be impacted in any way by any current or future law, regulation, ordinance, or court or agency order limiting, seizing, or controlling the distribution or use of the Settlement Fund or any portion thereof, or by the enactment of future laws, or by any seizure of the Settlement Fund or any portion thereof.
- G. *Cooperation.* Releasors (i) will not encourage any person or entity to bring or maintain any Released Claim against any Released Entity and (ii) will reasonably cooperate with and not oppose any effort by a Released Entity to secure the prompt dismissal of any and all Released Claims.
- H. *Non-Released Claims.* Notwithstanding the foregoing or anything in the definition of Released Claims, the Agreement does not waive, release or limit any criminal liability, Claims for any outstanding liability under any tax or securities law, Claims against parties who are not Released Entities, Claims by private individuals and any claims arising under the Agreement for enforcement of the Agreement.

V. Monetary Relief and Payments

A. Structure of Payments

- 1. All payments under this Section V shall be made into the Settlement Fund, except that where specified, they shall be made into the Settlement Fund Escrow. The Settlement Fund shall be allocated and used only as specified in Section VI.
- 2. Janssen shall pay into the Settlement Fund the sum of Four Billion, Five Hundred Thirty-Four Million, Six Hundred Fifteen Thousand, Three Hundred Eighty-Five

Dollars (\$4,534,615,385) minus (1) the offsets and credits specified in subsection V.C below, (2) any unearned incentive payments under subsection V.E below, and (3) any adjustments under Section IX below.

3. The payments to the Settlement Fund shall be divided into base and incentive payments as provided in subsections V.D and V.E below.

B. Payment Process

1. Except as otherwise provided in this Agreement, Janssen shall make two Initial Year Payments and nine (9) Annual Payments. The Initial Year Payments will consist of base payments. The first Annual Payment shall consist of incentive payments and subsequent Annual Payments shall each consist of base and incentive payments. The amount of all Initial Year Payments and Annual Payments shall be determined by the Settlement Fund Administrator applying Section V and Exhibit M. The Payment Date for the first Initial Year Payment shall be no later than ninety (90) days after the Effective Date. The Payment Date for the second Initial Year Payment shall be no later than July 15, 2022. The Payment Date for the first Annual Payment shall be no later than one year and sixty days following the Effective Date; the Payment Date for the second Annual Payment shall be no later than two years and sixty days following the Effective Date, and so forth, until all Annual Payments are made.
2. All data relevant to the determination of each such payment shall be submitted to the Settlement Fund Administrator sixty (60) days prior to the Payment Date for each payment. Prior to the Initial Participation Date, the Parties will include an exhibit to the Agreement setting forth in detail the process for submitting such data to the Settlement Fund Administrator prior to each Payment Date. The Settlement Fund Administrator shall then determine the Initial Year Payment or Annual Payment and the amount to be paid to each Settling State and its Participating Subdivisions, consistent with the provisions in Exhibit L, by:
 - a. determining, for each Settling State, the amount of base and incentive payments to which the State is entitled by applying the criteria in this Section;
 - b. applying any reductions, suspensions, or offsets required by Sections V and IX; and
 - c. determining the total amount owed by Janssen to all Settling States and Participating Subdivisions.
3. The Settlement Fund Administrator shall then allocate the Initial Year Payment or Annual Payment pursuant to Section VI among the Settling States, among the separate types of funds for each Settling State (if applicable), and among the Participating Subdivisions.

4. As soon as possible, but no later than fifty (50) days prior to the Payment Date for each payment and following the determination described in subsection V.B.2, the Settlement Fund Administrator shall give notice to Janssen, the Settling States, and the Enforcement Committee of the amount of the Initial Year Payment or Annual Payment, the amount to be received by each Settling State, the amount to be received by the separate types of funds for each Settling State (if applicable), and the amount to be received by each Settling State's Participating Subdivisions.
5. Within twenty-one (21) days of the notice provided by the Settlement Fund Administrator, any party may dispute, in writing, the calculation of the Initial Year Payment or Annual Payment, or the amount to be received by a Settling State and/or its Participating Subdivisions. Such disputing party must provide a written notice of dispute to the Settlement Fund Administrator, the Enforcement Committee, any affected Settling State, and Janssen identifying the nature of the dispute, the amount of money that is disputed, and the Settling State(s) affected.
6. Within twenty-one (21) days of the sending of a written notice of dispute, any affected party may submit a response, in writing, to the Settlement Fund Administrator, the Enforcement Committee, any affected Settling State, and Janssen identifying the basis for disagreement with the notice of dispute.
7. If no response is filed, the Settlement Fund Administrator shall adjust the amount calculated consistent with the written notice of dispute, and Janssen shall pay the adjusted amount as the Initial Year Payment or Annual Payment on the Payment Date. If a written response to the written notice of dispute is timely sent to the Settlement Fund Administrator, the Settlement Fund Administrator shall notify Janssen of the preliminary amount to be paid, which shall be the greater of the amount originally calculated by the Settlement Fund Administrator or the amount that would be consistent with the notice of dispute, *provided, however* that in no circumstances shall the preliminary amount to be paid be higher than the maximum amount of base and incentive payments for that payment as set forth in Exhibit M. For the avoidance of doubt, a transfer of suspended payments from the Settlement Fund Escrow does not count toward determining whether the amount to be paid is higher than the maximum amount of base and incentive payments for that payment as set forth in Exhibit M.
8. The Settlement Fund Administrator shall place any disputed amount of the preliminary amount paid by Janssen into the Settlement Fund Escrow and shall disburse any undisputed amount to each Settling State and its Participating Subdivisions receiving direct allocations within fifteen (15) days of the Payment Date or at such later time as directed by each Settling State.
9. Disputes described in this subsection (other than those for which no response is filed under subsection V.B.6) shall be resolved in accordance with the terms of Section XII.

10. The process described in this subsection V.B shall also apply to accelerated payments made pursuant to Incentive A under subsection V.E.4.
11. For the avoidance of doubt, Subdivisions not listed on Exhibit G shall not receive an allocation from the Subdivision Fund.

C. Offsets for Non-Settling States and Credits

1. An offset equal to Four Billion, Five Hundred Thirty-Four Million, Six Hundred Fifteen Thousand, Three Hundred Eighty-Five Dollars (\$4,534,615,385) times the percentage allocation assigned to each Non-Settling State in Exhibit F shall be deducted from the total amount to be paid by Janssen to the Settlement Fund under subsection V.A.2 above.
2. In addition to the offset, a credit of Two Hundred and Seventy Million Dollars (\$270,000,000) shall be deducted from the maximum Settlement Fund amount to be paid by Janssen under subsection V.A.2 above and applied to the payment amounts as specified by Exhibit M. For the avoidance of doubt, the base payments and maximum incentive payment amounts shown on Exhibit M already reflect the deduction of the offset.
3. Notwithstanding any other provision of this Agreement or any other agreement, in the event that: (1) Janssen enters into an agreement with any Settling State that resolves with finality such Settling State's Claims consistent with Section IV of this Agreement and such agreement has an effective date prior to the Effective Date of this Agreement (such agreement, a "State-Specific Agreement") and (2) pursuant to the terms of the State-Specific Agreement, any payments, or any portion thereof, made by Janssen thereunder are made in lieu of any payments (for the avoidance of doubt, including the Additional Restitution Amount), or any portion thereof, to be made under this Agreement and Janssen makes such a payment pursuant to the State-Specific Agreement, then Janssen will reduce any payments allocable to such Settling State (whether made to the Settlement Fund Escrow or the Settlement Fund) made pursuant to this Agreement to the extent such amount was already paid pursuant to the terms of the State-Specific Agreement. This provision includes but is not limited to any corresponding amounts already paid to the Qualified Settlement Fund established under the Agreement between Janssen and the State of New York dated June 25, 2021.
4. Non-Settling States shall not be eligible for any payments or have any rights in connection with this Agreement. Accordingly, the stated maximum dollar amounts of the payments specified in Exhibit M are reduced by the aggregate Overall Allocation Percentage of Non-Settling States as set forth in Exhibit F.

D. Base Payments

1. Janssen shall make base payments into the Settlement Fund totaling One Billion, Nine Hundred Forty-Two Million, Three Hundred Forty-Six Thousand, One Hundred Fifty-Five Dollars (\$1,942,346,155) minus the offsets and credits

specified in subsection V.C above. The base payments will be paid in accordance with the payment schedule specified by Exhibit M, subject to potential acceleration and potential deductions as provided herein.

2. The base payments will be allocated by Settling State proportionate to each Settling State's assigned percentages in Exhibit F, adjusted for any Non-Settling States.
3. If a State qualifies for Incentive A (described below), Janssen will accelerate the base payment schedule so that the State receives its Payment Year 1-4 base payment allocations and full Payment Year 1-4 Incentive A payment amounts within ninety (90) days of notice, on or after the Effective Date, of the Bar's implementation. Payment Year 5-10 payments are made annually and cannot be accelerated.
4. The exemplar payment schedule in Exhibit M does not account for deductions for offsets or unearned incentives, which will be separately calculated for each payment.

E. Incentive Payments

1. Janssen shall make incentive payments into the Settlement Fund potentially totaling up to Two Billion, Three Hundred Twenty-Two Million, Two Hundred Sixty-Nine Thousand, Two Hundred Thirty Dollars (\$2,322,269,230), consisting of \$2,109,038,461 for Incentive A (or, alternatively up to \$2,109,038,461 for combined Incentives B and C if Incentive A is not achieved) and \$213,230,769 for Incentive D, prior to being adjusted for credits if every State is a Settling State and were to satisfy the requirements specified below to earn its maximum incentive amount. The incentive payments will be paid in accordance with the payment schedule in Exhibit M, subject to potential acceleration and potential deductions as provided herein.
2. The maximum incentive amount for any Settling State shall be \$2,322,269,230 times the percentage allocation assigned that Settling State in Exhibit F.
3. A Settling State may qualify to receive incentive payments in addition to base payments if, as of the Incentive Payment Final Eligibility Date, it meets the incentive eligibility requirements specified below. Settling States may qualify for incentive payments in four ways. If a Settling State qualifies for "Incentive A," it will become entitled to receive the maximum Incentive A payment allocable to the State as stated in subsection V.E.1. If a Settling State does not qualify for Incentive A, it can alternatively qualify for "Incentive B" and/or "Incentive C." A Settling State can qualify for "Incentive D" regardless of whether it qualifies for another incentive payment. The Incentive Payment Final Eligibility Date is not relevant to Incentive D.

4. *Incentive A: Accelerated Incentive Payment for Full Participation.*
- a. A Settling State shall receive an accelerated Incentive A payment allocable to the State for full participation as described in subsection V.E.4.b.
 - b. A State qualifies for Incentive A by: (1) complete participation in the form of releases consistent with Section IV above from all Litigating Subdivisions and Litigating Special Districts, Non-Litigating Subdivisions with population over 10,000, and Non-Litigating Covered Special Districts (as defined in subsection V.E.7.e); (2) a Bar; or (3) a combination of approaches in clauses (1)-(2) that achieves the same level of resolution of Subdivision and Special District claims (e.g., a law barring future litigation combined with full joinder by Litigating Subdivisions and Litigating Special Districts). For purposes of Incentive A, a Subdivision or Special District is considered a “Litigating Subdivision” or “Litigating Special District” if it has brought Released Claims against Released Entities on or before the Reference Date; all other Subdivisions and Special Districts are considered “Non-Litigating.” For purposes of Incentive A, Non-Litigating Special Districts shall not include a Special District with any of the following words or phrases in its name: mosquito, pest, insect, spray, vector, animal, air quality, air pollution, clean air, coastal water, tuberculosis, and sanitary.
 - c. Qualification for Incentive A entitles the qualifying Settling State to expedited payment of base payments and incentive payments for Payment Years 1-4, which Janssen shall pay into the Settlement Fund within ninety (90) days after receiving notice from the Settlement Fund Administrator that a State has qualified for Incentive A, but in no event less than ninety (90) days from the Effective Date. Base and incentive payments for Payment Years 5-10 will not be expedited.
 - d. If a Settling State qualifies for Incentive A after receiving an incentive payment under Incentives B or C, described below, the Settling State’s payments under Incentive A will equal the remainder of its total Incentive A payments less any payments previously received under Incentives B or C. A Settling State that receives all of its maximum incentive allocation under Incentive A shall not receive additional incentive payments under Incentives B or C.
 - e. A Settling State that is not eligible for Incentive A as of the Incentive Payment Final Eligibility Date shall not be eligible for Incentive A for that Payment Year or any subsequent Payment Years.

5. *Incentive B: Early Participation or Released Claims by Litigating Subdivisions and Litigating Special Districts.*
- a. If a Settling State does not qualify for Incentive A, it may still qualify to receive up to 60% of its total potential Incentive A payment allocation under Incentive B.
 - b. A Settling State can qualify for an Incentive B payment if Litigating Subdivisions and Litigating Special Districts collectively representing at least 75% of the Settling State's litigating population are either Participating Subdivisions or have their claims resolved through Case-Specific Resolutions.
 - (1) A Settling State's litigating population is the sum of the population of all Litigating Subdivisions and Litigating Special Districts. A Settling State's litigating population shall include all Litigating Subdivisions and Litigating Special Districts whose populations overlap in whole or in part with other Litigating Subdivisions and Litigating Special Districts, for instance in the case of a Litigating Special District, city, or township contained within a county.
 - (2) For example, if a Litigating Special District and a city that is a Litigating Subdivision are located within a county that is a Litigating Subdivision, then each of their individual populations would be added together to determine the total litigating population. Special District populations shall be counted in the manner set forth in subsection XIII.B. If each qualifies as a Litigating Subdivision or Litigating Special District and the county has a population of 10, the City has a population of 8, and the Special District has a population of 1, the total litigating population would be 19.
 - c. The following time periods apply to Incentive B payments:
 - (1) Period 1: Zero to two hundred ten (210) days after the Effective Date.
 - (2) Period 2: Two hundred eleven (211) days to one year after the Effective Date.
 - (3) Period 3: One year and one day to two years after the Effective Date.
 - d. Within Period 1: If Litigating Subdivisions and Litigating Special Districts collectively representing at least 75% of a Settling State's litigating population are Participating Subdivisions or have their claims resolved through Case-Specific Resolutions during Period 1, a sliding scale will determine the share of the funds available under Incentive B, with a

maximum of 60% of the Settling State’s total potential incentive payment allocation available. Under that sliding scale, if Litigating Subdivisions and Litigating Special Districts collectively representing 75% of a Settling State’s litigating population become Participating Subdivisions or achieve Case-Specific Resolution status by the end of Period 1, a Settling State will receive 50% of the total amount available to it under Incentive B. If more Litigating Subdivisions and Litigating Special Districts become Participating Subdivisions or achieve Case-Specific Resolution status, the Settling State shall receive an increased percentage of the total amount available to it under Incentive B as shown in the table below.

| Participation or Case-Specific Resolution Levels (As percentage of litigating population) | Incentive B Award (As percentage of total amount available to State under Incentive B) |
|---|--|
| 75% | 50% |
| 76% | 52% |
| 77% | 54% |
| 78% | 56% |
| 79% | 58% |
| 80% | 60% |
| 85% | 70% |
| 90% | 80% |
| 95% | 90% |
| 100% | 100% |

- e. Within Period 2: If a Settling State did not qualify for an Incentive B payment in Period 1, but Litigating Subdivisions and Litigating Special Districts collectively representing at least 75% of the Settling State’s litigating population become Participating Subdivisions or achieve Case-Specific Resolution status by the end of Period 2, then the Settling State qualifies for 75% of the Incentive B payment it would have qualified for in Period 1.
- f. Within Period 3: If a Settling State did not qualify for an Incentive B payment in Periods 1 or 2, but Litigating Subdivisions and Litigating Special Districts collectively representing at least 75% of the Settling State’s litigating population become Participating Subdivisions or achieve Case-Specific Resolution status by the end of Period 3, then the Settling State qualifies for 50% of the Incentive B payment it would have qualified for in Period 1.
- g. A Settling State that receives the Incentive B payment for Periods 1 and/or 2 can receive additional payments if it secures participation from additional Litigating Subdivisions and Litigating Special Districts (or Case-Specific Resolutions of their claims) during Periods 2 and/or 3.

Those additional payments would equal 75% (for additional participation or Case-Specific Resolutions during Period 2) and 50% (for additional participation or Case-Specific Resolutions during Period 3) of the amount by which the increased litigating population levels would have increased the Settling State's Incentive B payment if they had been achieved in Period 1.

- h. If Litigating Subdivisions and Litigating Special Districts that have become Participating Subdivisions or achieved Case-Specific Resolution status collectively represent less than 75% of a Settling State's litigating population by the end of Period 3, the Settling State shall not receive any Incentive B payment.
- i. If there are no Litigating Subdivisions or Litigating Special Districts in a Settling State, and that Settling State is otherwise eligible for Incentive B, that Settling State will receive its full allocable share of Incentive B.
- j. Incentives earned under Incentive B shall accrue after each of Periods 1, 2, and 3. After each period, the Settlement Fund Administrator shall conduct a look-back to assess which Settling States vested an Incentive B payment in the preceding period. Based on the look-back, the Settlement Fund Administrator will calculate the incentives accrued under Incentive B for the period; *provided* that the percentage of Incentive B for which a Settling State is eligible as of the Incentive Payment Final Eligibility Date shall cap its eligibility for that Payment Year and all subsequent Payment Years.

6. *Incentive C: Early Participation of Subdivisions*

- a. If a Settling State does not qualify for Incentive A, it may still qualify to receive up to 40% of its total potential Incentive A payment allocation under Incentive C, which has two parts.
 - (1) Part 1: Under Incentive C, Part 1, a Settling State can receive up to 75% of its Incentive C allocation. A Settling State can qualify for a payment under Incentive C, Part 1 only if Primary Subdivisions (whether Litigating Primary Subdivisions or Non-Litigating Primary Subdivisions as of the Reference Date) representing at least 60% of the Settling State's Primary Subdivision population become Participating Subdivisions or achieve Case-Specific Resolution status.
 - (2) A Settling State's Primary Subdivision population is the sum of the population of all Primary Subdivisions (whether Litigating Primary Subdivisions or Non-Litigating Primary Subdivisions as of the Reference Date). Because Subdivisions include Subdivisions whose populations overlap in whole or in part with other

Subdivisions, for instance in the case of a city or township contained within a county, the Settling State's Primary Subdivision population is greater than Settling State's total population. (Special Districts are not relevant for purposes of Incentive C calculations.)

- (3) A sliding scale will determine the share of the funds available under Incentive C, Part 1 to Settling States meeting the minimum 60% threshold. Under that sliding scale, if a Settling State secures participation or Case-Specific Resolutions from Primary Subdivisions representing 60% of its total Primary Subdivision population, it will receive 40% of the total amount potentially available to it under Incentive C, Part 1. If a Settling State secures participation or Case-Specific Resolutions from Primary Subdivisions representing more than 60% of its Primary Subdivision population, the Settling State shall be entitled to receive a higher percentage of the total amount potentially available to it under Incentive C, Part 1, on the scale shown in the table below. If there are no Primary Subdivisions, and that Settling State is otherwise eligible for Incentive C, that Settling State will receive its full allocable share of Incentive C, Part 1.

| Participation or Case-Specific Resolution Levels (As percentage of total Primary Subdivision population) | Incentive C Award (As percentage of total amount available to State under Incentive C, Part 1) |
|--|--|
| 60% | 40% |
| 70% | 45% |
| 80% | 50% |
| 85% | 55% |
| 90% | 60% |
| 91% | 65% |
| 92% | 70% |
| 93% | 80% |
| 94% | 90% |
| 95% | 100% |

- b. Part 2: If a Settling State qualifies to receive an incentive under Incentive C, Part 1, the State can also qualify to receive an additional incentive amount equal to 25% of its total potential Incentive C allocation by securing 100% participation of the ten (10) largest Subdivisions by population in the Settling State. (Special Districts are not relevant for purposes of this calculation.) If a Settling State does not qualify for any amount under Incentive C, Part 1, it cannot qualify for Incentive C, Part 2.
- c. Incentives earned under Incentive C shall accrue on an annual basis up to three years after the Effective Date. At one, two, and three years after the

Effective Date, the Settlement Fund Administrator will conduct a look-back to assess which Subdivisions had agreed to participate or had their claim resolved through a Case-Specific Resolution that year. Based on the look-back, the Settlement Fund Administrator will calculate the incentives accrued under Incentive C for the year; *provided* that the percentage of Incentive C for which a Settling State is eligible as of the Incentive Payment Final Eligibility Date shall cap its eligibility for that Payment Year and all subsequent Payment Years.

7. *Incentive D: Release of Payments if No Qualifying Special District Litigation.*

- a. \$213,230,769 shall be available for potential Incentive D payments according to the terms specified in this subsection V.E.7.
- b. If, within five years of the Reference Date, a Covered Special District files litigation against any Released Entity, Janssen shall, within thirty (30) days of Janssen being served, provide notice of the litigation to the Settling State in which the Covered Special District sits, which shall file a motion to intervene in the litigation and use its best efforts to obtain either dismissal of the litigation in cooperation with Janssen, or a release consistent with Section IV of the Special District's Claims.
- c. A Settling State shall receive its allocation of the Incentive D payment if, within five years after the Effective Date (the "look-back date"), no Covered Special District within the Settling State has filed litigation which has survived a Threshold Motion and remains pending as of the look-back date, unless the dismissal after the litigation survived the Threshold Motion is conditioned or predicated upon payment by a Released Entity (apart from payments by Janssen incurred under the Agreement or injunctive relief obligations incurred by it).
- d. Prior to the look-back date, a Released Entity shall not enter into a settlement with a Covered Special District unless the State in which the Covered Special District sits consents to such a settlement or unreasonably withholds consent of such a settlement.
- e. "Covered Special Districts" are school districts, healthcare/hospital districts, and fire districts, subject to the following population thresholds:
 - (1) For school districts, the K-12 student enrollment must be 25,000 or 0.12% of a State's population, whichever is greater;
 - (2) For fire districts, the district must cover a population of 25,000, or 0.20% of a State's population if a State's population is greater than 18 million. If not easily calculable from state data sources and agreed to between the State and Janssen, a fire district's population is calculated by dividing the population of the county or counties a

fire district serves by the number of fire districts in the county or counties.

- (3) For healthcare/hospital districts, the district must have at least 125 hospital beds in one or more hospitals rendering services in that district.

VI. Allocation and Use of Settlement Funds

- A. *Components of Settlement Fund.* The Settlement Fund shall be comprised of an Abatement Accounts Fund, a State Fund, and a Subdivision Fund for each Settling State. The payments under Section V into the Settlement Fund shall be initially allocated among those three (3) sub-funds and distributed and used as provided below or as provided for by a State-Subdivision Agreement (or other State-specific allocation of funds). Unless otherwise specified herein, payments placed into the Settlement Fund do not revert back to Janssen.
- B. *Use of Settlement Payments.*
 1. It is the intent of the Parties that the payments disbursed from the Settlement Fund to Settling States and Participating Subdivisions listed in Exhibit G be for Opioid Remediation, subject to limited exceptions that must be documented in accordance with subsection VI.B.2. In no event may less than 86.5% of Janssen's maximum amount of payments pursuant to Sections V, X, and XI over the entirety of all Payment Years (but not any single Payment Year) be spent on Opioid Remediation.
 2. While disfavored by the Parties, a Settling State or Participating Subdivision listed on Exhibit G may use monies from the Settlement Fund (that have not been restricted by this Agreement solely to future Opioid Remediation) for purposes that do not qualify as Opioid Remediation. If, at any time, a Settling State or a Participating Subdivision listed on Exhibit G uses any monies from the Settlement Fund for a purpose that does not qualify as Opioid Remediation, such Settling State or Participating Subdivision shall identify such amounts and report to the Settlement Fund Administrator and Janssen how such funds were used, including if used to pay attorneys' fees, investigation costs, litigation costs, or costs related to the operation and enforcement of this Agreement, respectively. It is the intent of the Parties that the reporting under this subsection VI.B.2 shall be available to the public. For the avoidance of doubt, (a) any amounts not identified under this subsection VI.B.2 as used to pay attorneys' fees, investigation costs, or litigation costs shall be included in the "Compensatory Restitution Amount" for purposes of subsection VI.F and (b) Participating Subdivisions not listed on Exhibit G or Participating Special Districts that receive monies from the Settlement Fund indirectly may only use such monies from the Settlement Fund for purposes that qualify as Opioid Remediation.

- C. *Allocation of Settlement Fund.* The allocation of the Settlement Fund allows for different approaches to be taken in different states, such as through a State-Subdivision Agreement. Given the uniqueness of States and their Subdivisions, Settling States and Participating Subdivisions are encouraged to enter into State-Subdivision Agreements in order to direct the allocation of their portion of the Settlement Fund. As set out below, the Settlement Fund Administrator will make an initial allocation to three (3) state-level sub-funds. The Settlement Fund Administrator will then, for each Settling State and its Participating Subdivisions listed on Exhibit G, apply the terms of this Agreement and any relevant State-Subdivision Agreement, Statutory Trust, Allocation Statute, or voluntary redistribution of funds as set out below before disbursing the funds.
1. Base Payments. The Settlement Fund Administrator will allocate base payments under subsection V.D among the Settling States in proportion to their respective Overall Allocation Percentages. Base payments for each Settling State will then be allocated 15% to its State Fund, 70% to its Abatement Accounts Fund, and 15% to its Subdivision Fund. Amounts may be reallocated and will be distributed as provided in subsection VI.D.
 2. Incentive Payments. The Settlement Fund Administrator will treat incentive payments under subsection V.E on a State-specific basis. Incentive payments for which a Settling State is eligible under subsection V.E will be allocated 15% to its State Fund, 70% to its Abatement Accounts Fund, and 15% to its Subdivision Fund. Amounts may be reallocated and will be distributed as provided in subsection VI.D.
 3. Application of Adjustments. If a reduction, offset, or suspension under Section IX applies with respect to a Settling State, the reduction, offset, or suspension shall be applied proportionally to all amounts that would otherwise be apportioned and distributed to the State Fund, the Abatement Accounts Fund, and the Subdivision Fund for that State.
 4. Settlement Fund Administrator. Prior to the Initial Participation Date, Janssen and the Enforcement Committee will agree to a detailed mechanism consistent with the foregoing for the Settlement Fund Administrator to follow in allocating, apportioning, and distributing payments, which shall be appended hereto as Exhibit L.
 5. Settlement Fund Administrator Costs. Any costs and fees associated with or arising out of the duties of the Settlement Fund Administrator as described in Exhibit L with regard to Janssen's payments to the Settlement Fund shall be paid out of interest accrued on the Settlement Fund and from the Settlement Fund should such interest prove insufficient.
- D. *Settlement Fund Reallocation and Distribution.* As set forth below, within a particular Settling State's account, amounts contained in the Settlement Fund sub-funds may be reallocated and distributed per a State-Subdivision Agreement or other means. If the

apportionment of amounts is not addressed and controlled under subsections VI.D.1-2, then the default provisions of subsection VI.D.4 apply. It is not necessary that a State-Subdivision Agreement or other means of allocating funds pursuant to subsections VI.D.1-2 address all of the Settlement Fund sub-funds. For example, a Statutory Trust might only address disbursements from a Settling State's Abatement Accounts Fund.

1. Distribution by State-Subdivision Agreement. If a Settling State has a State-Subdivision Agreement, amounts apportioned to that State's State Fund, Abatement Accounts Fund, and Subdivision Fund under subsection VI.C shall be reallocated and distributed as provided by that agreement. Any State-Subdivision Agreement entered into after the Preliminary Agreement Date shall be applied only if it requires: (1) that all amounts be used for Opioid Remediation, except as allowed by subsection VI.B.2, and (2) that at least 70% of amounts be used solely for future Opioid Remediation (references to "future Opioid Remediation" include amounts paid to satisfy any future demand by another governmental entity to make a required reimbursement in connection with the past care and treatment of a person related to the Alleged Harms). For a State-Subdivision Agreement to be applied to the relevant portion of an Initial Year Payment or an Annual Payment, notice must be provided to Janssen and the Settlement Fund Administrator at least sixty (60) days prior to the Payment Date.
2. Distribution by Allocation Statute. If a Settling State has an Allocation Statute and/or a Statutory Trust that addresses allocation or distribution of amounts apportioned to such State's State Fund, Abatement Accounts Fund, and/or Subdivision Fund and that, to the extent any or all such sub-funds are addressed, requires (1) all amounts to be used for Opioid Remediation, except as allowed by subsection VI.B.2, and (2) at least 70% of all amounts to be used solely for future Opioid Remediation, then, to the extent allocation or distribution is addressed, the amounts apportioned to that State's State Fund, Abatement Accounts Fund, and Subdivision Fund under subsection VI.C shall be allocated and distributed as addressed and provided by the applicable Allocation Statute or Statutory Trust. For the avoidance of doubt, an Allocation Statute or Statutory Trust need not address all three (3) sub-funds that comprise the Settlement Fund, and if the applicable Allocation Statute or Statutory Trust does not address distribution of all or some of these three (3) sub-funds, the applicable Allocation Statute or Statutory Trust does not replace the default provisions in subsection VI.D.4 of any such unaddressed fund. For example, if an Allocation Statute or Statutory Trust that meets the requirements of this subsection VI.D.2 only addresses funds restricted to abatement, then the default provisions in this Agreement concerning allocation among the three (3) sub-funds comprising the Settlement Fund and the distribution of the State Fund and Subdivision Fund for that State would still apply, while the distribution of the applicable State's Abatement Accounts Fund would be governed by the qualifying Allocation Statute or Statutory Trust.
3. Voluntary Redistribution. A Settling State may choose to reallocate all or a portion of its State Fund to its Abatement Accounts Fund. A Participating Subdivision listed on Exhibit G may choose to reallocate all or a portion of its

allocation from the Subdivision Fund to the State's Abatement Accounts Fund or to another Participating Subdivision or Participating Special District. For a voluntary redistribution to be applied to the relevant portion of an Initial Year Payment or an Annual Payment, notice must be provided to the Settling Distributors and the Settlement Fund Administrator at least sixty (60) days prior to the Payment Date.

4. Distribution in the Absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust. If subsections VI.D.1-2 do not apply, amounts apportioned to that State's State Fund, Abatement Accounts Fund, and Subdivision Fund under subsection VI.C shall be distributed as follows:
 - a. Amounts apportioned to that State's State Fund shall be distributed to that State.
 - b. Amounts apportioned to that State's Abatement Accounts Fund shall be distributed consistent with subsection VI.E. Each Settling State shall submit to the Settlement Fund Administrator a designation of a lead state agency or other entity to serve as the single point of contact for that Settling State's funding requests from the Abatement Accounts Fund and other communications with the Settlement Fund Administrator. The designation of an individual entity is for administrative purposes only and such designation shall not limit funding to such entity or even require that such entity receive funds from this Agreement. The designated entity shall be the only entity authorized to request funds from the Settlement Fund Administrator to be disbursed from that Settling State's Abatement Accounts Fund. If a Settling State has established a Statutory Trust then that Settling State's single point of contact may direct the Settlement Fund Administrator to release the State's Abatement Accounts Fund to the Statutory Trust.
 - c. Amounts apportioned to that State's Subdivision Fund shall be distributed to Participating Subdivisions in that State listed on Exhibit G per the Subdivision Allocation Percentage listed in Exhibit G. Subsection VII.I shall govern amounts that would otherwise be distributed to Non-Participating Subdivisions listed in Exhibit G.
 - d. Special Districts shall not be allocated funds from the Subdivision Fund, except through a voluntary redistribution allowed by subsection VI.D.3. A Settling State may allocate funds from its State Fund or Abatement Accounts Fund for Special Districts.
5. Restrictions on Distribution. No amounts may be distributed from the Subdivision Fund contrary to Section VII, *i.e.*, no amounts may be distributed directly to Non-Participating Subdivisions or to Later Participating Subdivisions in excess of what is permissible under subsection VII.E. Amounts allocated to the Subdivision Fund that cannot be distributed by virtue of the preceding sentence shall be distributed

into the sub-account in the Abatement Accounts Fund for the Settling State in which the Subdivision is located, unless those payments are redirected elsewhere by a State-Subdivision Agreement described in subsection VI.D.1 or by an Allocation Statute or a Statutory Trust described in subsection VI.D.2.

E. *Provisions Regarding Abatement Accounts Fund.*

1. State-Subdivision Agreement, Allocation Statute, and Statutory Trust Fund Provisions. A State-Subdivision Agreement, Allocation Statute, or Statutory Trust may govern the operation and use of amounts in that State's Abatement Accounts Fund so long as it complies with the requirements of subsection VI.D.1 or VI.D.2 as applicable, and all direct payments to Subdivisions comply with subsections VII.E-H.
2. Absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust. In the absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust that addresses distribution, the Abatement Accounts Fund will be used solely for future Opioid Remediation and the following shall apply with respect to a Settling State:

a. *Regional Remediation.*

- (1) At least 50% of distributions for remediation from a State's Abatement Accounts Fund shall be annually allocated and tracked to the regional level. A Settling State may allow the Advisory Committee established pursuant to subsection VI.E.2.d to define its regions and assign regional allocations percentages. Otherwise, a Settling State shall (1) define its initial regions, which shall consist of one (1) or more Subdivisions and which shall be designated by the State agency with primary responsibility for substance abuse disorder services employing, to the maximum extent practical, existing regions established in that State for opioid abuse treatment or other public health purposes; and (2) assign initial regional allocation percentages to the regions based on the Subdivision Allocation Percentages in Exhibit G and an assumption that all Subdivisions listed on Exhibit G will become Participating Subdivisions.
- (2) This minimum regional expenditure percentage is calculated on the Settling State's initial Abatement Accounts Fund allocation and does not include any additional amounts a Settling State has directed to its Abatement Accounts Fund from its State Fund, or any other amounts directed to the fund. A Settling State may dedicate more than 50% of its Abatement Accounts Fund to the regional expenditure and may annually adjust the percentage of its Abatement Accounts Fund dedicated to regional expenditures as long as the percentage remains above the minimum amount.

- (3) The Settling State (1) has the authority to adjust the definition of the regions, and (2) may annually revise the percentages allocated to each region to reflect the number of Subdivisions in each region that are Non-Participating Subdivisions.
- b. *Subdivision Block Grants.* Certain Subdivisions listed on Exhibit G shall be eligible to receive regional allocation funds in the form of a block grant for future Opioid Remediation. A Participating Subdivision listed on Exhibit G eligible for block grants is a county or parish (or in the case of States that do not have counties or parishes that function as political subdivisions, a city) that (1) does not contain a Litigating Subdivision or a Later Litigating Subdivision for which it has the authority to end the litigation through a release, bar, or other action; (2) either (i) has a population of 400,000 or more or (ii) in the case of California has a population of 750,000 or more; and (3) has funded or otherwise managed an established health care or treatment infrastructure (e.g., health department or similar agency). Each Subdivision listed on Exhibit G eligible to receive block grants shall be assigned its own region.
- c. *Small States.* Notwithstanding the provisions of subsection VI.E.2.a, Settling States with populations under four (4) million that do not have existing regions described in subsection VI.E.2.a shall not be required to establish regions. However, such a Settling State that contains one (1) or more Subdivisions listed on Exhibit G eligible for block grants under subsection VI.E.2.b shall be divided regionally so that each block-grant eligible Subdivision listed on Exhibit G is a region and the remainder of the state is a region.
- d. *Advisory Committee.* The Settling State shall designate an Opioid Settlement Remediation Advisory Committee (the “*Advisory Committee*”) to provide input and recommendations regarding remediation spending from that Settling State’s Abatement Accounts Fund. A Settling State may elect to use an existing advisory committee or similar entity (created outside of a State-Subdivision Agreement or Allocation Statute); provided, however, the Advisory Committee or similar entity shall meet the following requirements:
 - (1) Written guidelines that establish the formation and composition of the Advisory Committee, terms of service for members, contingency for removal or resignation of members, a schedule of meetings, and any other administrative details;
 - (2) Composition that includes at least an equal number of local representatives as state representatives;
 - (3) A process for receiving input from Subdivisions and other communities regarding how the opioid crisis is affecting their

communities, their abatement needs, and proposals for abatement strategies and responses; and

- (4) A process by which Advisory Committee recommendations for expenditures for Opioid Remediation will be made to and considered by the appropriate state agencies.

3. Abatement Accounts Fund Reporting. The Settlement Fund Administrator shall track and assist in the report of remediation disbursements as agreed to among the Parties.

F. *Nature of Payment*. Janssen, the Settling States, the Participating Subdivisions, and the Participating Special Districts, acknowledge and agree that notwithstanding anything to the contrary in this Agreement, including, but not limited to, the scope of the Released Claims:

1. Janssen has entered into this Agreement to avoid the delay, expense, inconvenience, and uncertainty of further litigation;
2. The Settling States, the Participating Subdivisions, and the Participating Special Districts sought compensatory restitution (within the meaning of 26 U.S.C. § 162(f)(2)(A)) as damages for the Alleged Harms allegedly suffered by the Settling States and Participating Subdivisions;
3. By executing this Agreement the Settling States, the Participating Subdivisions, and the Participating Special Districts certify that: (a) the Compensatory Restitution Amount is no greater than the amount, in the aggregate, of the Alleged Harms allegedly suffered by the Settling States and Participating Subdivisions; and (b) the portion of the Compensatory Restitution Amount received by each Settling State or Participating Subdivision is no greater than the amount of the Alleged Harms allegedly suffered by such Settling State or Participating Subdivision;
4. The payment of the Compensatory Restitution Amount by Janssen constitutes, and is paid for, compensatory restitution (within the meaning of 26 U.S.C. § 162(f)(2)(A)) for alleged damage or harm (as compensation for alleged damage or harm arising out of alleged bodily injury) allegedly caused by Janssen;
5. The Compensatory Restitution Amount is being paid as compensatory restitution (within the meaning of 26 U.S.C. § 162(f)(2)(A)) in order to restore, in whole or in part, the Settling States and Participating Subdivisions to the same position or condition that they would be in had the Settling States and Participating Subdivisions not suffered the Alleged Harms;
6. For the avoidance of doubt: (a) no portion of the Compensatory Restitution Amount represents reimbursement to any Settling State, Participating Subdivision, Participating Special District, or other person or entity for the costs of any investigation or litigation, (b) the entire Compensatory Restitution Amount

is properly characterized as described in subsection VI.F, and (c) no portion of the Compensatory Restitution Amount constitutes disgorgement or is properly characterized as the payment of statutory or other fines, penalties, punitive damages, other punitive assessments, or attorneys' fees; and

7. New York, on behalf of all Settling States, Participating Subdivisions, and Participating Special Districts (the "Form 1098-F Filer") shall complete and file Form 1098-F with the Internal Revenue Service on or before February 28 (March 31 if filed electronically) of the year following the calendar year in which the order entering this Agreement becomes binding. On the Form 1098-F, the Form 1098-F Filer shall identify the entire Compensatory Restitution Amount received by the Form 1098-F Filer as remediation/restitution. The Form 1098-F Filer shall also, on or before January 31 of the year following the calendar year in which the order entering this Agreement becomes binding, furnish Copy B of such Form 1098-F (or an acceptable substitute statement) to Janssen.

VII. Participation by Subdivisions and Special Districts

- A. *Notice.* No later than fifteen (15) days after the Preliminary Agreement Date, the Settling States, with the cooperation of Janssen, shall send individual written notice of the opportunity to participate in this Agreement and the requirements of participation to all Subdivisions in the Settling States of this Agreement that are (1) Litigating Subdivisions or (2) Non-Litigating Subdivisions listed on Exhibit G as eligible to become Participating Subdivisions. Janssen's share of costs of the written notice to such Subdivisions shall be advanced by Janssen and deducted from its initial settlement payment. Notice shall also be provided simultaneously to counsel of record for Litigating Subdivisions and Non-Litigating Subdivisions listed on Exhibit G as eligible to become Participating Subdivisions. The Settling States, with the cooperation of Janssen, will also provide general notice reasonably calculated to alert Non-Litigating Subdivisions listed on Exhibit G in the Settling States to this Agreement, the opportunity to participate in it and the requirements for participation. Such notice may include publication and other standard forms of notification, as well as notice to national state and county organizations such as the National Association of Counties and the National League of Cities. The notice will include that the deadline for becoming an Initial Participating Subdivision is the Initial Participation Date. Nothing contained herein shall preclude a Settling State from providing further notice to or otherwise contacting any of its Subdivisions about becoming a Participating Subdivision, including beginning any of the activities described in this paragraph prior to the Preliminary Agreement Date.
- B. *Requirements for Becoming a Participating Subdivision: Non-Litigating Subdivisions.* A Non-Litigating Subdivision in a Settling State that is listed on Exhibit G may become a Participating Subdivision by returning an executed Subdivision Settlement Participation Form specifying (1) that the Subdivision agrees to the terms of this Agreement pertaining to Subdivisions, (2) that the Subdivision releases all Released Claims against all Released Entities, (3) that the Subdivision agrees to use monies it receives, if any, from the Settlement Fund pursuant to the applicable requirements of Section VI, and (4) that the Subdivision submits to the jurisdiction of the court where the Consent Judgment is filed

for purposes limited to that court's role under the Agreement. The required Subdivision Settlement Participation Form is attached as Exhibit K.

- C. *Requirements for Becoming a Participating Subdivision: Litigating Subdivisions/Later Litigating Subdivisions.* A Litigating Subdivision or Later Litigating Subdivision in a Settling State may become a Participating Subdivision by returning an executed Subdivision Settlement Participation Form to the Settlement Fund Administrator and upon prompt dismissal of its legal action. A Settling State may require each Litigating Subdivision in that State to specify on the Subdivision Settlement Participation Form whether its counsel has waived any contingency fee contract with that Participating Subdivision and intends to seek fees according to Exhibit R. The Settlement Fund Administrator shall provide quarterly reports of this information to the parties organized by Settling State. Except for trials begun before the Initial Participation Date, a Litigating Subdivision or a Later Litigating Subdivision may not become a Participating Subdivision after the completion of opening statements in a trial of a legal action it brought that includes a Released Claim against a Released Entity.
- D. *Initial Participating Subdivisions.* A Subdivision qualifies as an Initial Participating Subdivision if it meets the applicable requirements for becoming a Participating Subdivision set forth in subsections VII.B or VII.C by the Initial Participation Date. Provided however, all Subdivision Settlement Participation Forms shall be held by the Settlement Fund Administrator until Janssen provides the notice in subsection VIII.B that it intends to proceed with the settlement, at which time the obligations created by such forms become effective.
- E. *Later Participating Subdivisions.* A Subdivision that is not an Initial Participating Subdivision may become a Later Participating Subdivision by meeting the applicable requirements for becoming a Participating Subdivision after the Initial Participation Date and agreeing to be subject to the terms of a State-Subdivision Agreement (if any) or any other structure adopted or applicable pursuant to subsections VI.D or VI.E. The following provisions govern what a Later Participating Subdivision can receive (but do not apply to Initial Participating Subdivisions):
1. A Later Participating Subdivision shall not receive any share of any base or incentive payments paid to the Subdivision Fund that were due before it became a Participating Subdivision.
 2. A Later Participating Subdivision that becomes a Participating Subdivision after July 15, 2022 shall receive 75% of the share of future base or incentive payments that it would have received had it become a Later Participating Subdivision before that date (unless the Later Participating Subdivision is subject to subsections VII.E.3 or VII.E.4 below).
 3. A Later Participating Subdivision that, after the Initial Participation Date, maintains a lawsuit for a Released Claim(s) against a Released Entity and has judgment entered against it on every such Claim before it became a Participating Subdivision (other than a consensual dismissal with prejudice) shall receive 50%

of the share of future base or incentive payments that it would have received had it become a Later Participating Subdivision prior to such judgment; *provided, however*, that if the Subdivision appeals the judgment and the judgment is affirmed with finality before the Subdivision becomes a Participating Subdivision, the Subdivision shall not receive any share of any base payment or incentive payment.

4. A Later Participating Subdivision that becomes a Participating Subdivision while a Bar or Case-Specific Resolution involving a different Subdivision exists in its State shall receive 25% of the share of future base or incentive payments that it would have received had it become a Later Participating Subdivision without such Bar or Case-Specific Resolution.
- F. *No Increase in Payments.* Amounts to be received by Later Participating Subdivisions shall not increase the payments due from Janssen.
- G. *Ineligible Subdivisions.* Subdivisions in Non-Settling States and Prior Litigating Subdivisions are not eligible to be Participating Subdivisions.
- H. *Non-Participating Subdivisions.* Non-Participating Subdivisions shall not directly receive any portion of any base or incentive payments, including from the State Fund and direct distributions from the Abatement Accounts Fund; however, a Settling State may choose to fund future Opioid Remediation that indirectly benefits Non-Participating Subdivisions.
- I. *Unpaid Allocations to Later Participating and Non-Participating Subdivisions.* Any base payment and incentive payments allocated pursuant to subsection VI.D to a Later Participating or Non-Participating Subdivision that cannot be paid pursuant to this Section VII, will be allocated to the Abatement Accounts Fund for the Settling State in which the Subdivision is located, unless those payments are redirected elsewhere by a State-Subdivision Agreement or by a Statutory Trust.
- J. *Requirements for Becoming a Participating Special District: Non-Litigating Special Districts.* A Non-Litigating Special District may become a Participating Special District by either executing a release consistent with Section IV or by having its claims extinguished by operation of law or released by a Settling State.
- K. *Requirements for Becoming a Participating Special District: Litigating Special Districts/Later Litigating Special Districts.* A Litigating Special District or Later Litigating Special District in a Settling State may become a Participating Special District by either executing a release consistent with Section IV and upon prompt dismissal of its legal action or by having its claims extinguished by operation of law or released by a Settling State.
- L. *Initial Participating Special Districts.* A Special District qualifies as an Initial Participating Special District if it meets the applicable requirements for becoming a Participating Special District by the Initial Participation Date.

- M. *Later Participating Special Districts.* A Special District that is not an Initial Participating Special District may become a Later Participating Special District by meeting the applicable requirements for becoming a Participating Special District after the Initial Participation Date and agreeing to be subject to the terms of any agreement reached by the applicable Settling State with Initial Participating Special Districts. A Later Participating Special District shall not receive any share of any base or incentive payments paid to the Settlement Fund that were due before it became a Participating Special District.

VIII. Condition to Effectiveness of Agreement and Filing of Consent Judgment

- A. *Determination to Proceed With Settlement.* Janssen will determine on or before the Reference Date whether there has been a sufficient resolution of the Claims of the Litigating Subdivisions in the Settling States (through participation under Section VII, Case-Specific Resolution(s), and Bar(s)) to proceed with this Agreement. The determination shall be in the sole discretion of Janssen and may be based on any criteria or factors deemed relevant by Janssen.
- B. *Notice by Janssen.* On or before the Reference Date, Janssen shall inform the Settling States and MDL PEC of its determination pursuant to subsection VIII.A. If Janssen determines to proceed, the Parties will proceed to file the Consent Judgments. If Janssen determines not to proceed, this Agreement will have no further effect and all releases (including those given by Participating Subdivisions) and other commitments or obligations contained herein will be void.
- C. *Determination of the Participation Tier.*
1. On the Reference Date, provided that Janssen determines to proceed with this Agreement, the Settlement Fund Administrator shall determine the Participation Tier. The criteria used to determine the Participation Tier are set forth in Exhibit H. Any disputes as to the determination of the Participation Tier shall be decided by the National Arbitration Panel.
 2. The Participation Tier shall be redetermined by the Settlement Fund Administrator annually as of the Payment Date, beginning with Payment Year 1, pursuant to the criteria set forth in Exhibit H.
 3. After Payment Year 3, the Participation Tier cannot move higher, unless this restriction is waived by Janssen.
 4. In the event that a Participation Tier redetermination moves the Participation Tier higher, and that change is in whole or in part as a result of the post-Reference Date enactment of a Bar and there is later a Revocation Event with respect to that Bar, then on the next Payment Date that is at least one hundred eighty (180) days after the Revocation Event, the Participation Tier shall move down to the Participation Tier that would have applied had the Bar never been enacted, unless the Bar is reinstated or all Subdivisions affected by the Revocation Event become Participating Subdivisions within one hundred eighty (180) days of the

Revocation Event. This is the sole circumstance in which, on a nationwide basis, the Participation Tier can move down.

5. In the event that there is a post-Reference Date Revocation Event with respect to a Bar that was enacted in a Settling State prior to the Reference Date, then, on the next Payment Date that is at least one hundred eighty (180) days after the Revocation Event, unless the Bar is reinstated or all Subdivisions affected by the Revocation Event become Participating Subdivisions within one hundred eighty (180) days of the Revocation Event, the Participation Tier shall decrease – solely for the State in which the Revocation Event occurred – to the Participation Tier commensurate with the percentage of Litigating Subdivisions in that State that are Participating Subdivisions and the percentage of Non-Litigating Subdivisions that are both Primary Subdivisions and Participating Subdivisions, according to the criteria set forth in Exhibit H, except that the calculations shall be performed as to that State alone. For the avoidance of doubt and solely for the calculation in this subparagraph, the Settling States Column of Exhibit H shall play no role. This is the sole circumstance in which one Settling State will have a different Participation Tier than other Settling States.
6. The redetermination of the Participation Tier under subsection VIII.C.2 shall not affect payments already made or suspensions or offsets already applied.

IX. Potential Payment Adjustments

A. *Later Litigating Subdivisions.*

1. If a Later Litigating Subdivision in a Settling State with a population above 10,000 brings a lawsuit or other legal proceeding against Released Entities asserting Released Claims, Janssen shall, within thirty (30) days of the lawsuit or other legal proceeding being served on Janssen, provide notice of the lawsuit or other legal proceeding to the Settlement Fund Administrator and the Settling State in which the Later Litigating Subdivision sits and provide the Settling State an opportunity to intervene in the lawsuit or other legal proceeding. A Released Entity shall not enter into a settlement with a Later Litigating Subdivision unless the State in which the Later Litigating Subdivision sits consents to such a settlement or unreasonably withholds consent to such a settlement.
2. If no Participation Tier applies and the Later Litigating Subdivision's lawsuit or other legal proceeding survives a Threshold Motion before Janssen makes its last settlement payment to the Settling State, the following shall apply:
 - a. Janssen will, from the date of the entry of the order denying the Threshold Motion and so long as the lawsuit or other legal proceeding is pending, be entitled to a suspension of the following payments it would otherwise owe the Settling State in which the Later Litigating Subdivision is located: (1) all remaining incentive payments to the relevant state; and (2) the last two scheduled base payments, if not already paid (the "Suspended Payments").

- b. For each Payment Year that Janssen is entitled to a suspension of payments, the Settlement Fund Administrator shall calculate the Suspended Payments applicable to the next Payment due from Janssen. The Suspended Payments shall be paid into the Settlement Fund Escrow account.
 3. If a Participation Tier applies at the time the Threshold Motion is denied, Janssen will be entitled to a suspension of the following percentages of Suspended Payments depending on the applicable Tier—75% for Tier 1, 50% for Tier 2, 35% for Tier 3, and 25% for Tier 4. Otherwise, the requirements of subsection IX.A.2 apply.
 4. If the Released Claim is resolved with finality without requirement of payment by a Released Entity, the placement of any remaining balance of the Suspended Payments into the Settlement Fund Escrow shall cease and the Settlement Fund Administrator shall immediately transfer amounts in the Settlement Fund Escrow on account of the suspension to the Settling State at issue and its Participating Subdivisions listed on Exhibit G. The lawsuit will not cause further suspensions unless the Released Claim is reinstated upon further review, legislative action, or otherwise.
 5. If the Released Claim is resolved with finality on terms requiring payment by a Released Entity (*e.g.*, if the lawsuit in which the Released Claim is asserted results in a judgment against Janssen or a settlement with Janssen), the Settlement Fund Administrator will transfer the amounts in the Settlement Fund Escrow on account of the suspension to Janssen necessary to satisfy 75% of the payment obligation of the Released Entity to the relevant Later Litigating Subdivision. The Settlement Fund Administrator shall immediately transfer any remaining balance in the Settlement Fund Escrow on account of the suspension to the Settling State at issue and its Participating Subdivisions listed on Exhibit G. If the amount to be transferred to Janssen exceeds the amounts in the Settlement Fund Escrow on account of the suspension, Janssen shall receive a dollar-for-dollar offset for the excess amount against its obligation to pay any remaining payments that would be apportioned to the Settling State at issue and to its Participating Subdivisions listed on Exhibit G.
- B. *Settlement Class Resolution Opt Outs.* If a Settling State is eligible for Incentive A on the basis of a Settlement Class Resolution, and a Primary Subdivision that opted out of the Settlement Class Resolution maintains a lawsuit asserting a Released Claim against a Released Entity, the following shall apply. If the lawsuit asserting a Released Claim either survives a Threshold Motion or has an unresolved Threshold Motion fewer than sixty (60) days prior to the scheduled start of a trial involving a Released Claim, and is resolved with finality on terms requiring payment by the Released Entity, Janssen shall receive a dollar-for-dollar offset for the amount paid against its obligation to make remaining Incentive A payments that would be apportioned to that State or Participating Subdivisions listed on Exhibit G. For the avoidance of doubt, an offset shall not be

applicable under this subsection if it is applicable under subsection IX.A with respect to the Subdivision at issue.

C. *Revoked Bar, Settlement Class Resolution, or Case-Specific Resolution.*

1. If Janssen made a payment as a result of the existence of a Bar, Settlement Class Resolution, or Case-Specific Resolution in a Settling State, and that Bar, Settlement Class Resolution, or Case-Specific Resolution is subject to a Revocation Event, Janssen shall receive a dollar-for-dollar offset against its obligation to make remaining payments that would be apportioned to that State or Participating Subdivisions listed on Exhibit G. This offset will be calculated as the dollar amount difference between (1) the total amount of incentive payments paid by Janssen during the time the Bar, Settlement Class Resolution, or Case-Specific Resolution subject to the Revocation Event was in effect, and (2) the total amount of Incentive Payments that would have been due from Janssen during that time without the Bar, Settlement Class Resolution, or Case-Specific Resolution subject to the Revocation Event being in effect. The amount of incentive payments that would have been due, referenced in (2) above, will be calculated based on considering any Subdivision that provides a release within one hundred eighty (180) days after the Revocation Event as having been a Participating Subdivision (in addition to all other Participating Subdivisions) during the time that the Bar, Settlement Class Resolution, or Case-Specific Resolution subject to the Revocation Event was in effect. If a Revocation Event causes a Settling State to no longer qualify for Incentive D, the Settling State shall return to Janssen all payments made under Incentive D.
2. Notwithstanding anything to the contrary in paragraph 1 above, if a Bar or Case-Specific Resolution is reinstated by the Settling State, either through the same or different means as the initial Bar or Case-Specific Resolution, Janssen's right to an offset is extinguished and any amounts withheld to offset amounts paid on account of the revoked, rescinded, reversed, or overruled Bar or Case-Specific Resolution shall be returned to the Settling State, less and except any incentive payments that would have been paid during the period in which the Bar or Case-Specific Resolution was revoked, rescinded, reversed, or overruled.

X. Additional Restitution Amount

- A. *Additional Restitution Amount.* Pursuant to the schedule set forth below and subject to the reduction specified in subsection X.B below, Janssen shall pay an Additional Restitution Amount to the Settling States listed in Exhibit N. Such funds shall be paid on the schedule set forth on Exhibit M on the Payment Date for each relevant Payment Year to such Settling States as allocated by the Settlement Fund Administrator pursuant to Exhibit N.

| | |
|----------------|-----------------|
| Payment Year 1 | \$15,384,615.38 |
| Payment Year 2 | \$26,923,076.92 |

Payment Year 3 \$25,000,000.00

- B. *Reduction of Additional Restitution Amount.* In the event that any Non-Settling State appears on Exhibit N, the amounts owed by Janssen pursuant to this Section X shall be reduced by the allocation set forth on Exhibit N for any such Non-Settling States.
- C. *Use of Funds.* All funds paid as an Additional Restitution Amount shall be part of the Compensatory Restitution Amount, shall be used for Opioid Remediation, except as allowed by subsection VI.B.2, and shall be governed by the same requirements as specified in subsection VI.F.

XI. Plaintiffs' Attorneys' Fees and Costs

- A. The Agreement on Attorneys' Fees, Expenses and Costs is set forth in Exhibit R and incorporated herein by reference. The Agreement on the State Outside Counsel Fee Fund and Agreement on the State Cost Fund Administration are set forth in Exhibit U and Exhibit S, respectively, and are incorporated herein by reference.

XII. Enforcement and Dispute Resolution

- A. *Enforceability.* The terms of the Agreement and Consent Judgment applicable to or in a Settling State will be enforceable solely by that Settling State and Janssen. Settling States or Participating Subdivisions shall not have enforcement rights with respect either to the terms of this Agreement that apply only to or in other States or to any Consent Judgment entered into by another Settling State. Participating Subdivisions shall not have enforcement rights against Janssen with respect to the Agreement or any Consent Judgment except as to payments that would be allocated to the Subdivision Fund or Abatement Accounts Fund pursuant to Section VI; *provided, however*, that each Settling State shall allow Participating Subdivisions in that State to notify it of any perceived violations of the Agreement or Consent Judgment.
- B. *Jurisdiction.* Janssen consents to the jurisdiction of the court in which the Consent Judgment is filed, limited to resolution of disputes identified in subsection XII.F.2 for resolution in the court in which the Consent Judgment is filed.
- C. *Specific Terms Dispute Resolution.*
 - 1. Any dispute that is addressed by the provisions set forth in the Injunctive Relief terms in Exhibit P shall be resolved as provided therein.
 - 2. In the event Janssen believes the 86.5% threshold established in subsection VI.B.1 is not being satisfied, any Party may request that Janssen and the Enforcement Committee meet and confer regarding the use of funds under subsection VI.B.1. The completion of such meet-and-confer process is a precondition to further action regarding any such dispute. Further action concerning subsection VI.B.1 shall: (i) be limited to Janssen seeking to reduce its Annual Payments by no more than 5% of the difference between the actual amount of Opioid Remediation and the 86.5% threshold established in subsection VI.B.1; (ii) only reduce Annual

Payments to those Settling States and its Participating Subdivisions that are below the 86.5% threshold established in subsection VI.B.1; and (iii) not reduce Annual Payments restricted to future Opioid Remediation.

D. *State-Subdivision Enforcement.*

1. A Participating Subdivision shall not have enforcement rights against a Settling State in which it is located with respect to the Agreement or any Consent Judgment except: (1) as provided for in a State-Subdivision Agreement, Allocation Statute, or Statutory Trust with respect to intrastate allocation; or (2) in the absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust, as to allegations that: (a) the Settling State's use of Abatement Accounts Fund monies were not used for uses similar to or in the nature of those uses contained in Exhibit E; or (b) a Settling State failed to pay funds directly from the Abatement Accounts Fund to a Participating Subdivision eligible to receive a block grant pursuant to subsection VI.E.2.b.
2. A Settling State shall have enforcement rights against a Participating Subdivision located in its territory: (1) as provided for in a State-Subdivision Agreement, Allocation Statute, or Statutory Trust; or (2) in the absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust, as to allegations that the uses of Abatement Accounts Fund monies by Participating Subdivisions listed on Exhibit G were not for uses similar to or in the nature of those uses contained in Exhibit E.
3. As between Settling States and Participating Subdivisions, the above rights are contractual in nature and nothing herein is intended to limit, restrict, change, or alter any other existing rights under law.

E. *Subdivision Payment Enforcement.* A Participating Subdivision shall have the same right as a Settling State pursuant to subsection XII.F.4.a(4) to seek resolution of any failure by Janssen to make its required base and/or incentive payments in a Payment Year.

F. *Other Dispute Resolution Terms.*

1. Except as provided in subsection XII.C, the parties to a dispute shall promptly meet and confer in good faith to resolve any dispute. If the parties cannot resolve the dispute informally, and unless otherwise agreed in writing, they shall follow the remaining provisions of this subsection XII.F to resolve the dispute.
2. Except as provided in subsections XII.C and XII.F.4, disputes not resolved informally shall be resolved in either the court that entered the relevant Consent Judgment or, if no Consent Judgment was entered, a state or territorial court with jurisdiction located wherever the seat of state government is located. State court proceedings shall be governed by the rules and procedures of the forum. For the avoidance of doubt, disputes to be resolved in state court include, but are not limited to, the following:

- a. disputes concerning whether expenditures qualify for Opioid Remediation;
 - b. disputes between a Settling State and Participating Subdivisions located in such Settling State as provided by subsection XII.D, except to the extent the State-Subdivision Agreement provides for other dispute resolution mechanisms. For the avoidance of doubt, disputes between a Settling State and any Participating Subdivision shall not be considered National Disputes;
 - c. whether this Agreement and relevant Consent Judgment are binding under state law;
 - d. the extent of the Attorney General's or other participating entity's authority under state law, including the extent of the authority to release claims;
 - e. whether the requirements of a Bar, a Case-Specific Resolution, State-Specific Finality, Later Litigating Subdivision, Litigating Subdivision, or a Threshold Motion have been met; and
 - f. all other disputes not specifically identified in subsections XII.C and XII.F.4.
3. Any Party may request that the National Arbitration Panel provide an interpretation of any provision of the settlement that is relevant to the state court determination, and the National Arbitration Panel shall make reasonable best efforts to supply such interpretation within the earlier of thirty (30) days or the time period required by the state court proceedings. Any Party may submit that interpretation to the state court to the extent permitted by, and for such weight provided by, the state court's rules and procedures. If requested by a Party, the National Arbitration Panel shall request that its interpretation be accepted in the form of an amicus curiae brief, and any attorneys' fees and costs for preparing any such filing shall be paid for by the requesting Party.
4. National Disputes involving a Settling State, Participating Subdivision, and/or Janssen shall be resolved by a National Arbitration Panel.
- a. "*National Disputes*" are disputes that are exceptions to subsection XII.F.2's presumption of resolution in state courts because they involve issues of interpretation of Agreement terms applicable to all Settling States without reference to a particular State's law. Disputes between a State and any Participating Subdivisions shall not be considered National Disputes. National Disputes are limited to the following:
 - (1) the amount of offset and/or credit attributable to Non-Settling States and Tribes;
 - (2) issues involving the scope and definition of "Product";

- (3) interpretation and application of the terms “Covered Conduct” and “Released Entities”;
 - (4) disputes over a given year’s payment or the payment of the Additional Restitution Amount to all Settling States (for the avoidance of doubt, disputes between a Settling State and Janssen over the amounts owed to only that State shall not be considered National Disputes);
 - (5) questions regarding the performance and/or removal of the Settlement Fund Administrator;
 - (6) disputes involving liability of successor entities;
 - (7) disputes that require a determination of sufficient Subdivision and Special District participation to qualify for Incentives A, B, C, or D, as well as disputes over qualification for Participation Tiers;
 - (8) disputes that require interpretation of Agreement terms (i) that concretely affect four (4) or more Settling States; and (ii) do not turn on unique definitions and interpretations under State law; and
 - (9) any dispute subject to resolution under subsection XII.F.2 but for which all parties to the dispute agree to arbitration before the National Arbitration Panel under the provisions of this subsection XII.F.4.
- b. The “*National Arbitration Panel*” shall be comprised of three (3) neutral arbitrators. One (1) arbitrator shall be chosen by Janssen, one (1) arbitrator shall be chosen by the Enforcement Committee with due input from Participating Subdivisions, and the third arbitrator shall be agreed upon by the first two (2) arbitrators. The membership of the National Arbitration Panel is intended to remain constant throughout the term of this Agreement, but in the event that replacements are required, the retiring arbitrator shall be replaced by the party that selected him/her.
- (1) The National Arbitration Panel shall make reasonable best efforts to decide all matters within one hundred eighty (180) days of filing, and in no event shall it take longer than one (1) year.
 - (2) The National Arbitration Panel shall conduct all proceedings in a reasonably streamlined process consistent with an opportunity for the parties to be heard. Issues shall be resolved without the need for live witnesses where feasible, and with a presumption in favor of remote participation to minimize the burdens on the parties.
 - (3) To the extent allowed under state law, a Settling State, Participating Subdivision, and (at any party’s request) the National

Arbitration Panel may certify to an appropriate state court any question of state law. The National Arbitration Panel shall be bound by a final state court determination of such a certified question. The time period for the arbitration shall be tolled during the course of the certification process.

- (4) The arbitrators will give due deference to any authoritative interpretation of state law, including any declaratory judgment or similar relief obtained by a Settling State, Participating Subdivision, or Janssen on a state law issue.
 - (5) The decisions of the National Arbitration Panel shall be binding on Settling States, Participating Subdivisions, Janssen, and the Settlement Fund Administrator. In any proceeding before the National Arbitration Panel involving a dispute between a Settling State and Janssen whose resolution could prejudice the rights of a Participating Subdivision(s) or Participating Special District(s) in that Settling State, such Participating Subdivision(s) or Participating Special District(s) shall be allowed to file a statement of view in the proceeding.
 - c. Nothing herein shall be construed so as to limit or otherwise restrict a State from seeking injunctive or other equitable relief in state court to protect the health, safety, or welfare of its citizens.
 - d. Each party shall bear its own costs in any arbitration or court proceeding arising under this subsection XII.F. The costs for the arbitrators on the National Arbitration Panel shall be divided and paid equally by the disputing sides for each individual dispute, *e.g.*, a dispute between Janssen and Settling States/Participating Subdivisions shall be split 50% by Janssen and 50% by the Settling States/Participating Subdivisions that are parties to the dispute; a dispute between a Settling State and a Participating Subdivision shall be split 50% by the Settling State and 50% by any Participating Subdivisions that are party to the dispute.
5. Prior to initiating an action to enforce pursuant to this subsection XII.F, the complaining party must:
- a. Provide written notice to the Enforcement Committee of its complaint, including the provision of the Consent Judgment and/or Agreement that the practice appears to violate, as well as the basis for its interpretation of the disputed provision. The Enforcement Committee shall establish a reasonable process and timeline for obtaining additional information from the involved parties; *provided, however*, that the date the Enforcement Committee establishes for obtaining additional information from the parties shall not be more than forty-five (45) days following the notice.

The Enforcement Committee may advise the involved parties of its views on the complaint and/or seek to resolve the complaint informally.

- b. Wait to commence any enforcement action until thirty (30) days after the date that the Enforcement Committee establishes for obtaining additional information from the involved parties.
- 6. If the parties to a dispute cannot agree on the proper forum for resolution of the dispute under the provisions of subsections XII.F.2 or XII.F.4, a committee comprising the Enforcement Committee and sufficient representatives of Janssen such that the members of the Enforcement Committee have a majority of one (1) member will determine the forum where the dispute will be initiated within twenty-eight (28) days of receiving notification of the dispute relating to the proper forum. The forum identified by such committee shall be the sole forum for determining where the dispute shall be heard, and the committee's identification of such forum shall not be entitled to deference by the forum selected.
- G. *No Effect.* Nothing in this Agreement shall be interpreted to limit the Settling State's Civil Investigative Demand ("CID") or investigative subpoena authority, to the extent such authority exists under applicable state law and the CID or investigative subpoena is issued pursuant to such authority, and Janssen reserves all of its rights in connection with a CID or investigative subpoena issued pursuant to such authority.

XIII. Miscellaneous

- A. *No Admission.* Janssen does not admit liability or wrongdoing. Neither this Agreement nor the Consent Judgments shall be considered, construed, or represented to be (1) an admission, concession, or evidence of liability or wrongdoing or (2) a waiver or any limitation of any defense otherwise available to Janssen.
- B. *Population of Subdivisions.* The population figures for Subdivisions shall be the published U.S. Census Bureau's population estimates for July 1, 2019, released May 2020. These population figures shall remain unchanged during the term of this Agreement.
- C. *Population of Special Districts.* For any purpose in this Agreement in which the population of a Special District is used, other than the use of "Covered Special District": (a) School Districts' population will be measured by the number of students enrolled who are eligible under the Individuals with Disabilities Education Act ("IDEA") or Section 504 of the Rehabilitation Act of 1973; (b) Health Districts' and Hospital Districts' population will be measured at 25% of discharges; and (c) all other Special Districts' (including Fire Districts' and Library Districts') population will be measured at 10% of the population served.
- D. *Population Associated with Sheriffs.* For any purpose in this Agreement in which the population associated with a lawsuit by a sheriff is used, the population will be measured at 20% of the capacity of the jail(s) operated by the sheriff.

E. *Tax Reporting and Cooperation.*

1. Upon request by Janssen, the Settling States, Participating Subdivisions, and Participating Special Districts agree to perform such further acts and to execute and deliver such further documents as may be reasonably necessary for Janssen to establish the statements set forth in subsection VI.E.3 to the satisfaction of their tax advisors, their independent financial auditors, the Internal Revenue Service, or any other governmental authority, including as contemplated by Treasury Regulations Section 1.162-21(b)(3)(ii) and any subsequently proposed or finalized relevant regulations or administrative guidance.
2. Without limiting the generality of subsection VI.C.1, each Settling State, Participating Subdivision, and Participating Special District shall cooperate in good faith with Janssen with respect to any tax claim, dispute, investigation, audit, examination, contest, litigation, or other proceeding relating to this Agreement.
3. The Designated State, on behalf of all Settling States, Participating Subdivisions, and Participating Special Districts, shall designate one of its officers or employees to act as the “appropriate official” within the meaning of Treasury Regulations Section 1.6050X-1(f)(1)(ii)(B) (the “Appropriate Official”).
4. For the avoidance of doubt, neither Janssen nor the Settling States, Participating Subdivisions, and Participating Special Districts make any warranty or representation to any Settling jurisdiction or Releasor as to the tax consequences of the payment of the Compensatory Restitution Amount (or any portion thereof).

F. *No Third-Party Beneficiaries.* Except as expressly provided in this Agreement, no portion of this Agreement shall provide any rights to, or be enforceable by, any person or entity that is not a Settling State or Released Entity. No Settling State may assign or otherwise convey any right to enforce any provision of this Agreement.

G. *Calculation.* Any figure or percentage referred to in this Agreement shall be carried to seven decimal places.

H. *Construction.* None of the Parties and no Participating Subdivision shall be considered to be the drafter of this Agreement or of any of its provisions for the purpose of any statute, case law, or rule of interpretation or construction that would or might cause any provision to be construed against the drafter of this Agreement. The headings of the provisions of this Agreement are not binding and are for reference only and do not limit, expand, or otherwise affect the contents or meaning of this Agreement.

I. *Cooperation.* Each Party and each Participating Subdivision agrees to use its best efforts and to cooperate with the other Parties and Participating Subdivisions to cause this Agreement and the Consent Judgments to become effective, to obtain all necessary approvals, consents and authorizations, if any, and to execute all documents and to take such other action as may be appropriate in connection herewith. Consistent with the foregoing, each Party and each Participating Subdivision agrees that it will not directly or indirectly assist or encourage any challenge to this Agreement or any Consent Judgment

by any other person, and will support the integrity and enforcement of the terms of this Agreement and the Consent Judgments.

- J. *Entire Agreement.* This Agreement, its exhibits and any other attachments, including the attorneys' fees and cost agreement in Exhibit R, embodies the entire agreement and understanding between and among the Parties and Participating Subdivisions relating to the subject matter hereof and supersedes (1) all prior agreements and understandings relating to such subject matter, whether written or oral and (2) all purportedly contemporaneous oral agreements and understandings relating to such subject matter.
- K. *Execution.* This Agreement may be executed in counterparts and by different signatories on separate counterparts, each of which shall be deemed an original, but all of which shall together be one and the same Agreement. One or more counterparts of this Agreement may be delivered by facsimile or electronic transmission with the intent that it or they shall constitute an original counterpart hereof. One or more counterparts of this Agreement may be signed by electronic signature.
- L. *Good Faith and Voluntary Entry.* Each Party warrants and represents that it negotiated the terms of this Agreement in good faith. Each of the Parties and signatories to this Agreement warrants and represents that it freely and voluntarily entered into this Agreement without any degree of duress or compulsion. The Parties state that no promise of any kind or nature whatsoever (other than the written terms of this Agreement) was made to them to induce them to enter into this Agreement.
- M. *No Prevailing Party.* The Parties each agree that they are not the prevailing party in this action, for purposes of any claim for fees, costs, or expenses as prevailing parties arising under common law or under the terms of any statute, because the Parties have reached a good faith settlement. The Parties each further waive any right to challenge or contest the validity of this Agreement on any ground, including, without limitation, that any term is unconstitutional or is preempted by, or in conflict with, any current or future law.
- N. *Non-Admissibility.* The settlement negotiations resulting in this Agreement have been undertaken by the Parties and by certain representatives of the Participating Subdivisions in good faith and for settlement purposes only, and no evidence of negotiations or discussions underlying this Agreement shall be offered or received in evidence in any action or proceeding for any purpose. This Agreement shall not be offered or received in evidence in any action or proceeding for any purpose other than in an action or proceeding arising under or relating to this Agreement.
- O. *Notices.* All notices or other communications under this Agreement shall be in writing (including but not limited to electronic communications) and shall be given to the recipients indicated below:

Any Party or the Plaintiffs' Executive Committee may change or add the contact information of the persons designated to receive notice on its behalf by notice given (effective upon the giving of such notice) as provided in this subsection.

- P. *No Waiver.* The waiver of any rights conferred hereunder shall be effective only if made by written instrument executed by the waiving Party or Parties. The waiver by any Party of any breach of this Agreement shall not be deemed to be or construed as a waiver of any other breach, whether prior, subsequent, or contemporaneous, nor shall such waiver be deemed to be or construed as a waiver by any other Party.
- Q. *Preservation of Privilege.* Nothing contained in this Agreement or any Consent Judgment, and no act required to be performed pursuant to this Agreement or any Consent Judgment, is intended to constitute, cause, or effect any waiver (in whole or in part) of any attorney-client privilege, work product protection, or common interest/joint defense privilege, and each Party agrees that it shall not make or cause to be made in any forum any assertion to the contrary.
- R. *Successors.* This Agreement shall be binding upon, and inure to the benefit of, Janssen and its respective successors and assigns. Janssen shall not sell the majority of its voting stock or substantially all its assets without obtaining the acquiror's agreement that it will constitute a successor with respect to Janssen's obligations under this Agreement.
- S. *Modification, Amendment, Alteration.* After the Reference Date, any modification, amendment, or alteration of this Agreement by the Parties shall be binding only if evidenced in writing signed by Janssen along with the signatures of at least thirty-seven (37) of those then-serving Attorneys General of the Settling States along with a representation from each Attorney General that either: (1) the advisory committee or similar entity established or recognized by that Settling State (either pursuant to subsection VI.E.2, by a State-Subdivision Agreement, or by statute) voted in favor of the modification, amendment, or alteration of this Agreement including at least one Participating Subdivision-appointed member; or (2) in States without any advisory committee, that 50.1% of the Participating Subdivisions by population expressed approval of the modification, amendment, or alteration of this Agreement in writing.

Provided, however, in the event the modification, amendment, or alteration relates to injunctive relief, interstate allocation between the Settling States, intrastate allocation in a particular Settling State, or fees or costs of Settling States and Participating Subdivisions, then every Settling State and each Participating Subdivision affected by that modification, amendment, or alteration must assent in writing. Provided further that, in the event the modification, amendment, or alteration relates to injunctive relief, then such amendment, modification, or alteration of injunctive relief against Janssen will not be effective unless and until any Consent Judgment is modified by a court of competent jurisdiction, except as otherwise provided by the Injunctive Terms.

T. *Termination.*

1. Unless otherwise agreed to by Janssen and the Settling State in question, this Agreement and all of its terms (except subsection XIII.N and any other non-admissibility provisions, which shall continue in full force and effect) shall be canceled and terminated with respect to the Settling State, and the Agreement and all orders issued by the courts in the Settling State pursuant to the Agreement shall become null and void and of no effect if one or more of the following conditions applies:
 - a. A Consent Judgment approving this Agreement without modification of any of the Agreement's terms has not been entered as to the Settling State by a court of competent jurisdiction on or before one hundred eighty (180) days after the Effective Date; or
 - b. This Agreement or the Consent Judgment as to that Settling State has been disapproved by a court of competent jurisdiction to which it was presented for approval and/or entry (or, in the event of an appeal from or review of a decision of such a court to approve this Agreement and the Consent Judgment, by the court hearing such appeal or conducting such review), and the time to appeal from such disapproval has expired, or, in the event of an appeal from such disapproval, the appeal has been dismissed or the disapproval has been affirmed by the court of last resort to which such appeal has been taken and such dismissal or disapproval has become no longer subject to further appeal (including, without limitation, review by the United States Supreme Court).
2. If this Agreement is terminated with respect to a Settling State and its Participating Subdivisions for whatever reason pursuant to subsection XIII.T.1, then:
 - a. An applicable statute of limitation or any similar time requirement (excluding any statute of repose) shall be tolled from the date the Settling State signed this Agreement until the later of the time permitted by applicable law or for one year from the date of such termination, with the effect that Janssen and the Settling State in question shall be in the same

position with respect to the statute of limitation as they were at the time the Settling State filed its action; and

- b. Janssen and the Settling State and its Participating Subdivisions in question shall jointly move the relevant court of competent jurisdiction for an order reinstating the actions and claims dismissed pursuant to the terms of this Agreement governing dismissal, with the effect that Janssen and the Settling State and its Participating Subdivisions in question shall be in the same position with respect to those actions and claims as they were at the time the action or claim was stayed or dismissed.

- 3. Unless Janssen and the Enforcement Committee agree otherwise, this Agreement, with the exception of the Injunctive Relief Terms that have their own provisions on duration, shall terminate as to all Parties as of the Payment Date for Payment Year 9, *provided* that Janssen has performed its payment obligations under the Agreement as of that date. Notwithstanding any other provision in this Agreement, all releases under this Agreement will remain effective despite any termination under this paragraph.

- U. *Governing Law.* Except (1) as otherwise provided in the Agreement or (2) as necessary, in the sole judgment of the National Arbitration Panel, to promote uniformity of interpretation for matters within the scope of the National Arbitration Panel's authority, this Agreement shall be governed by and interpreted in accordance with the respective laws of the Settling State, without regard to the conflict of law rules of such Settling State, that is seeking to enforce the Agreement against Janssen or against which Janssen is seeking enforcement. Notwithstanding any other provision in this subsection on governing law, any disputes relating to the Settlement Fund Escrow shall be governed by and interpreted in accordance with the law of the state where the escrow agent has its primary place of business.

EXHIBIT A

Alleged Harms

The following expert reports that were filed in connection with the case captioned *In re National Prescription Opiate Litigation*, No. 1-17-md-02804 (N.D. Ohio):

1. Expert report of Professor David Cutler, dated March 25, 2019.
2. Expert report of Dr. Jeffrey B. Liebman, dated March 25, 2019.
3. Expert report of Professor Thomas McGuire regarding damages to Bellwethers, dated March 25, 2019.
4. Report of Professor Thomas McGuire regarding public nuisance, dated March 25, 2019.

EXHIBIT B

Enforcement Committee Organization Bylaws

ARTICLE I

These bylaws constitute the code of rules adopted by the Settling States and Participating Subdivisions for the creation of an Enforcement Committee (the “Committee”) to exist and operate during the term of the Agreement in connection with Janssen and shall control the regulation and management of the Committee’s affairs.

ARTICLE II

Purpose

The Committee is organized for the sole purpose of evaluating and taking such action as deemed reasonable, necessary, and appropriate by the members of the Committee on the matters delegated to the Committee under that certain Settlement Agreement between the Settling States and Janssen dated July 21, 2021.

ARTICLE III

Members of the Committee

(1) Number of Members

The Committee will consist of seventeen (17) members (the “Members”). Upon majority resolution of the Committee, the number of Members may be increased or decreased from time to time, but in no event shall a decrease have the effect of decreasing the total number of Members to less than seven Members.

(2) Initial Members

The Committee initially will consist of eleven Settling State Members and six Participating Subdivision Members; three of the Participating Subdivisions shall be counties and three shall be municipalities. The initial Settling State Members are representatives from: Connecticut, Delaware, Florida, Georgia, Massachusetts, New York, North Carolina, Ohio, Pennsylvania, Tennessee, and Texas. The initial Participating Subdivision Members are: (a) Bexar County, Texas; (b) Broward County, Florida; (c) Chicago, Illinois; (d) Cincinnati, Ohio; (e) Nashville, Tennessee; and (f) Nassau County, New York. Until the Reference Date contained in the Settlement Agreement, the Participating Subdivisions may designate their outside counsel to serve as their representative. After the Reference Date, an employee or official of the Participating Subdivision must be the designated as the representative of the Participating Subdivision.

(3) Term of Members

The term of office for Members of the Committee will be until the end of the term of the Settlement Agreement, nine (9) years, unless and until a Member withdraws or resigns from the Committee.

(4) Resignation

Any Member may resign at any time by delivering written notice to the Chairperson of the Committee. Such resignation shall take effect upon receipt or, if later, at the time specified in the notice.

(5) Removal

(a) Any Member may be removed without cause, at any time, by a majority of the entire Committee, at a Regular or Special Meeting called for that purpose. Any Member under consideration of removal must first be notified about the consideration by written notice at least five days prior to the meeting at which the vote takes place.

(b) In the event that any Member is not a Settling State or a Participating Subdivision or the Member subsequently becomes a Later Litigating Subdivision, the Member shall be removed immediately without notice or vote of the Committee.

(6) Vacancies

In the event of a vacancy, the Members of the same type (Settling State or Participating Subdivision) shall select another Settling State or Participating Subdivision to fill that Member's position.

(7) Compensation

Members shall not receive any salaries or other compensation for their services, but, by resolution of the Committee, may be reimbursed for any actual expenses incurred in the performance of their duties for the Committee, as long as a majority of disinterested Members approve the reimbursement. Any reimbursement shall be sought from the Settlement Fund Administrator.

ARTICLE IV

Conflicts of Interest and Code of Ethics

If a Member, agent, or employee of the Committee has a conflict of interest, he or she may not participate in a vote, discussion, or decision about the matter. Each Member shall follow any applicable state or local law with respect to conflicts, gifts, and ethics.

ARTICLE V

Committee Meetings

(1) Place of Meetings

Meetings of the Committee will be held at any place that the Chairperson may designate, including by telephonic or electronic means.

(2) Regular Meetings

Regular meetings of the Committee shall be held as deemed necessary by the Chairperson or any three members.

(3) Notice of Meetings

Written notice of the date, time, place and subject of each meeting must be provided to the Members at least 72 hours before the scheduled time of the meeting, except when there is an emergency or urgent public necessity.

(4) Quorum

A majority of the incumbent Members (not counting vacancies) shall constitute a quorum for the purposes of convening a meeting or conducting business.

(5) Voting and Proxy

When it is necessary to vote on any matter before the Committee, Members may vote by electronic means as provided in these Bylaws. Proxy voting is permitted. In order for a matter to pass, the matter must have a majority vote of Members present and must have at least one vote from a Settling State Member and a Participating Subdivision Member. In the event that there is a Quorum, but no Settling State or Participating Subdivision Member is present, then a matter may pass with a simple majority vote.

(6) Minutes

The Committee shall prepare and keep minutes. The minutes must state the subject of each deliberation and indicate each vote, order, decision, or other action taken.

ARTICLE VI

Officers

(1) Roster of Officers

The Committee shall have a Chairperson, a Vice Chairperson, and a Secretary. The Committee may have at its discretion, such other officers as may be appointed by the Members of the Committee. One person may hold two or more offices, except those serving as Chairperson.

(2) Election and Removal of Officers

All officers shall serve two-year terms. The election shall be conducted at the first meeting of the fiscal year. Officers shall remain in office until their successors have been selected. Officers may serve consecutive terms without limit. The election of officers shall be by majority vote of the Members of the Committee attending the meeting.

(3) Vacancies

If a vacancy occurs during the term of office for any elected officer, the Members of the Committee shall elect a new officer to fill the remainder of the term as soon as practical, by majority vote of Members present.

(4) Chairperson

The Chairperson will supervise and control the affairs of the Committee and shall exercise such supervisory powers as may be given him/her by the Members of the Committee. The Chairperson will perform all duties incident to such office and such other duties as may be provided in these bylaws or as may be prescribed from time to time by the Committee. The

Chairperson shall preside at all meetings and shall exercise parliamentary control in accordance with Robert's Rules of Order.

(5) Vice Chairperson

The Vice Chairperson shall act in place of the Chairperson in the event of the Chairperson's absence, inability, or refusal to act, and shall exercise and discharge such other duties as may be required by the Committee. The Vice Chairperson shall serve as the parliamentarian and interpret any ambiguities of the bylaws.

(6) Secretary

The Secretary will keep and maintain all records related to the Committee and take minutes of all meetings.

(7) Records

All elected officers and committee chairpersons shall relinquish their records to the Chairperson immediately upon the completion of their term of office or completion of a project.

(8) Resignation

An officer may resign the office while not resigning membership from the Committee, by submitting a letter to the Chairperson. Vacancies occurring in any office shall be appointed for the remainder of the term.

ARTICLE VII

Duties

(1) Prior to the Reference Date

The Committee shall be responsible for any additional negotiations with Janssen, including, but not limited to, negotiating extensions of any periods created by the Settlement Agreement.

(2) After the Enforcement Date

The Committee shall establish procedures for the receipt of notices that a dispute exists concerning the Agreement and review of such disputes, pursuant to Section XII of the Agreement. Members may engage with Janssen, Settling States, and Participating Subdivisions attempting to resolve any dispute without further action by the Committee. The Committee may request additional information from Janssen, Settling States, and Participating Subdivisions to the extent the Committee believes such information is necessary to understand, resolve, or provide advice related to a dispute. The Committee shall endeavor to provide advice relative to the dispute no later than 60 days after receipt of notice.

ARTICLE VIII
Rules of Procedure

The proceedings and business of the Committee shall be governed by Robert's Rules of Order unless otherwise waived by the Committee.

ARTICLE IX
Operations

(1) Records

The Committee will keep correct and complete records and will also keep minutes of the proceedings of the Committee meetings and Committees. The Committee will keep such records at its principal place of business at a place designated by the Chairperson.

All elected officers and committee chairpersons shall relinquish their records to the Chairperson, immediately upon the completion of their term of office.

(2) Inspection of Books and Records

The minutes of a meeting are public records and shall be available for public inspection and copying on request to the Committee's Chairperson or the Chairperson's designee.

(3) Amendments

The bylaws may be amended at any time by a vote of a majority of Members present and must have at least one vote from a Settling State Member and a Participating Subdivision Member. In the event that there is a Quorum, but no Settling State or Participating Subdivision Member is present, then a matter may pass with a simple majority vote.

EXHIBIT C

EXHIBIT D

[Intentionally Omitted]

EXHIBIT E

List of Opioid Remediation Uses

Schedule A Core Strategies

States and Qualifying Block Grantees shall choose from among the abatement strategies listed in Schedule B. However, priority shall be given to the following core abatement strategies (“*Core Strategies*”).¹

A. NALOXONE OR OTHER FDA-APPROVED DRUG TO REVERSE OPIOID OVERDOSES

1. Expand training for first responders, schools, community support groups and families; and
2. Increase distribution to individuals who are uninsured or whose insurance does not cover the needed service.

B. MEDICATION-ASSISTED TREATMENT (“MAT”) DISTRIBUTION AND OTHER OPIOID-RELATED TREATMENT

1. Increase distribution of MAT to individuals who are uninsured or whose insurance does not cover the needed service;
2. Provide education to school-based and youth-focused programs that discourage or prevent misuse;
3. Provide MAT education and awareness training to healthcare providers, EMTs, law enforcement, and other first responders; and
4. Provide treatment and recovery support services such as residential and inpatient treatment, intensive outpatient treatment, outpatient therapy or counseling, and recovery housing that allow or integrate medication and with other support services.

¹ As used in this Schedule A, words like “expand,” “fund,” “provide” or the like shall not indicate a preference for new or existing programs.

C. PREGNANT & POSTPARTUM WOMEN

1. Expand Screening, Brief Intervention, and Referral to Treatment (“*SBIRT*”) services to non-Medicaid eligible or uninsured pregnant women;
2. Expand comprehensive evidence-based treatment and recovery services, including MAT, for women with co-occurring Opioid Use Disorder (“*OUD*”) and other Substance Use Disorder (“*SUD*”) / Mental Health disorders for uninsured individuals for up to 12 months postpartum; and
3. Provide comprehensive wrap-around services to individuals with OUD, including housing, transportation, job placement/training, and childcare.

D. EXPANDING TREATMENT FOR NEONATAL ABSTINENCE SYNDROME (“*NAS*”)

1. Expand comprehensive evidence-based and recovery support for NAS babies;
2. Expand services for better continuum of care with infant-need dyad; and
3. Expand long-term treatment and services for medical monitoring of NAS babies and their families.

E. EXPANSION OF WARM HAND-OFF PROGRAMS AND RECOVERY SERVICES

1. Expand services such as navigators and on-call teams to begin MAT in hospital emergency departments;
2. Expand warm hand-off services to transition to recovery services;
3. Broaden scope of recovery services to include co-occurring SUD or mental health conditions;
4. Provide comprehensive wrap-around services to individuals in recovery, including housing, transportation, job placement/training, and childcare; and
5. Hire additional social workers or other behavioral health workers to facilitate expansions above.

F. TREATMENT FOR INCARCERATED POPULATION

1. Provide evidence-based treatment and recovery support, including MAT for persons with OUD and co-occurring SUD/MH disorders within and transitioning out of the criminal justice system; and
2. Increase funding for jails to provide treatment to inmates with OUD.

G. PREVENTION PROGRAMS

1. Funding for media campaigns to prevent opioid use (similar to the FDA's "Real Cost" campaign to prevent youth from misusing tobacco);
2. Funding for evidence-based prevention programs in schools;
3. Funding for medical provider education and outreach regarding best prescribing practices for opioids consistent with the 2016 CDC guidelines, including providers at hospitals (academic detailing);
4. Funding for community drug disposal programs; and
5. Funding and training for first responders to participate in pre-arrest diversion programs, post-overdose response teams, or similar strategies that connect at-risk individuals to behavioral health services and supports.

H. EXPANDING SYRINGE SERVICE PROGRAMS

1. Provide comprehensive syringe services programs with more wrap-around services, including linkage to OUD treatment, access to sterile syringes and linkage to care and treatment of infectious diseases.

I. EVIDENCE-BASED DATA COLLECTION AND RESEARCH ANALYZING THE EFFECTIVENESS OF THE ABATEMENT STRATEGIES WITHIN THE STATE

Schedule B

Approved Uses

Support treatment of Opioid Use Disorder (OUD) and any co-occurring Substance Use Disorder or Mental Health (SUD/MH) conditions through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, the following:

| |
|----------------------------|
| PART ONE: TREATMENT |
|----------------------------|

A. TREAT OPIOID USE DISORDER (OUD)

Support treatment of Opioid Use Disorder (“*OUD*”) and any co-occurring Substance Use Disorder or Mental Health (“*SUD/MH*”) conditions through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, those that:²

1. Expand availability of treatment for OUD and any co-occurring SUD/MH conditions, including all forms of Medication-Assisted Treatment (“*MAT*”) approved by the U.S. Food and Drug Administration.
2. Support and reimburse evidence-based services that adhere to the American Society of Addiction Medicine (“*ASAM*”) continuum of care for OUD and any co-occurring SUD/MH conditions.
3. Expand telehealth to increase access to treatment for OUD and any co-occurring SUD/MH conditions, including MAT, as well as counseling, psychiatric support, and other treatment and recovery support services.
4. Improve oversight of Opioid Treatment Programs (“*OTPs*”) to assure evidence-based or evidence-informed practices such as adequate methadone dosing and low threshold approaches to treatment.
5. Support mobile intervention, treatment, and recovery services, offered by qualified professionals and service providers, such as peer recovery coaches, for persons with OUD and any co-occurring SUD/MH conditions and for persons who have experienced an opioid overdose.
6. Provide treatment of trauma for individuals with OUD (*e.g.*, violence, sexual assault, human trafficking, or adverse childhood experiences) and family members (*e.g.*, surviving family members after an overdose or overdose fatality), and training of health care personnel to identify and address such trauma.
7. Support evidence-based withdrawal management services for people with OUD and any co-occurring mental health conditions.

² As used in this Schedule B, words like “expand,” “fund,” “provide” or the like shall not indicate a preference for new or existing programs.

8. Provide training on MAT for health care providers, first responders, students, or other supporting professionals, such as peer recovery coaches or recovery outreach specialists, including telementoring to assist community-based providers in rural or underserved areas.
9. Support workforce development for addiction professionals who work with persons with OUD and any co-occurring SUD/MH conditions.
10. Offer fellowships for addiction medicine specialists for direct patient care, instructors, and clinical research for treatments.
11. Offer scholarships and supports for behavioral health practitioners or workers involved in addressing OUD and any co-occurring SUD/MH or mental health conditions, including, but not limited to, training, scholarships, fellowships, loan repayment programs, or other incentives for providers to work in rural or underserved areas.
12. Provide funding and training for clinicians to obtain a waiver under the federal Drug Addiction Treatment Act of 2000 (“*DATA 2000*”) to prescribe MAT for OUD, and provide technical assistance and professional support to clinicians who have obtained a DATA 2000 waiver.
13. Disseminate web-based training curricula, such as the American Academy of Addiction Psychiatry’s Provider Clinical Support Service–Opioids web-based training curriculum and motivational interviewing.
14. Develop and disseminate new curricula, such as the American Academy of Addiction Psychiatry’s Provider Clinical Support Service for Medication–Assisted Treatment.

B. SUPPORT PEOPLE IN TREATMENT AND RECOVERY

Support people in recovery from OUD and any co-occurring SUD/MH conditions through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, the programs or strategies that:

1. Provide comprehensive wrap-around services to individuals with OUD and any co-occurring SUD/MH conditions, including housing, transportation, education, job placement, job training, or childcare.
2. Provide the full continuum of care of treatment and recovery services for OUD and any co-occurring SUD/MH conditions, including supportive housing, peer support services and counseling, community navigators, case management, and connections to community-based services.
3. Provide counseling, peer-support, recovery case management and residential treatment with access to medications for those who need it to persons with OUD and any co-occurring SUD/MH conditions.

4. Provide access to housing for people with OUD and any co-occurring SUD/MH conditions, including supportive housing, recovery housing, housing assistance programs, training for housing providers, or recovery housing programs that allow or integrate FDA-approved medication with other support services.
5. Provide community support services, including social and legal services, to assist in deinstitutionalizing persons with OUD and any co-occurring SUD/MH conditions.
6. Support or expand peer-recovery centers, which may include support groups, social events, computer access, or other services for persons with OUD and any co-occurring SUD/MH conditions.
7. Provide or support transportation to treatment or recovery programs or services for persons with OUD and any co-occurring SUD/MH conditions.
8. Provide employment training or educational services for persons in treatment for or recovery from OUD and any co-occurring SUD/MH conditions.
9. Identify successful recovery programs such as physician, pilot, and college recovery programs, and provide support and technical assistance to increase the number and capacity of high-quality programs to help those in recovery.
10. Engage non-profits, faith-based communities, and community coalitions to support people in treatment and recovery and to support family members in their efforts to support the person with OUD in the family.
11. Provide training and development of procedures for government staff to appropriately interact and provide social and other services to individuals with or in recovery from OUD, including reducing stigma.
12. Support stigma reduction efforts regarding treatment and support for persons with OUD, including reducing the stigma on effective treatment.
13. Create or support culturally appropriate services and programs for persons with OUD and any co-occurring SUD/MH conditions, including new Americans.
14. Create and/or support recovery high schools.
15. Hire or train behavioral health workers to provide or expand any of the services or supports listed above.

C. CONNECT PEOPLE WHO NEED HELP TO THE HELP THEY NEED
(CONNECTIONS TO CARE)

Provide connections to care for people who have—or are at risk of developing—OUD and any co-occurring SUD/MH conditions through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, those that:

1. Ensure that health care providers are screening for OUD and other risk factors and know how to appropriately counsel and treat (or refer if necessary) a patient for OUD treatment.
2. Fund SBIRT programs to reduce the transition from use to disorders, including SBIRT services to pregnant women who are uninsured or not eligible for Medicaid.
3. Provide training and long-term implementation of SBIRT in key systems (health, schools, colleges, criminal justice, and probation), with a focus on youth and young adults when transition from misuse to opioid disorder is common.
4. Purchase automated versions of SBIRT and support ongoing costs of the technology.
5. Expand services such as navigators and on-call teams to begin MAT in hospital emergency departments.
6. Provide training for emergency room personnel treating opioid overdose patients on post-discharge planning, including community referrals for MAT, recovery case management or support services.
7. Support hospital programs that transition persons with OUD and any co-occurring SUD/MH conditions, or persons who have experienced an opioid overdose, into clinically appropriate follow-up care through a bridge clinic or similar approach.
8. Support crisis stabilization centers that serve as an alternative to hospital emergency departments for persons with OUD and any co-occurring SUD/MH conditions or persons that have experienced an opioid overdose.
9. Support the work of Emergency Medical Systems, including peer support specialists, to connect individuals to treatment or other appropriate services following an opioid overdose or other opioid-related adverse event.
10. Provide funding for peer support specialists or recovery coaches in emergency departments, detox facilities, recovery centers, recovery housing, or similar settings; offer services, supports, or connections to care to persons with OUD and any co-occurring SUD/MH conditions or to persons who have experienced an opioid overdose.
11. Expand warm hand-off services to transition to recovery services.
12. Create or support school-based contacts that parents can engage with to seek immediate treatment services for their child; and support prevention, intervention, treatment, and recovery programs focused on young people.
13. Develop and support best practices on addressing OUD in the workplace.
14. Support assistance programs for health care providers with OUD.

15. Engage non-profits and the faith community as a system to support outreach for treatment.
16. Support centralized call centers that provide information and connections to appropriate services and supports for persons with OUD and any co-occurring SUD/MH conditions.

D. ADDRESS THE NEEDS OF CRIMINAL JUSTICE-INVOLVED PERSONS

Address the needs of persons with OUD and any co-occurring SUD/MH conditions who are involved in, are at risk of becoming involved in, or are transitioning out of the criminal justice system through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, those that:

1. Support pre-arrest or pre-arraignment diversion and deflection strategies for persons with OUD and any co-occurring SUD/MH conditions, including established strategies such as:
 1. Self-referral strategies such as the Angel Programs or the Police Assisted Addiction Recovery Initiative (“*PAARP*”);
 2. Active outreach strategies such as the Drug Abuse Response Team (“*DART*”) model;
 3. “Naloxone Plus” strategies, which work to ensure that individuals who have received naloxone to reverse the effects of an overdose are then linked to treatment programs or other appropriate services;
 4. Officer prevention strategies, such as the Law Enforcement Assisted Diversion (“*LEAD*”) model;
 5. Officer intervention strategies such as the Leon County, Florida Adult Civil Citation Network or the Chicago Westside Narcotics Diversion to Treatment Initiative; or
 6. Co-responder and/or alternative responder models to address OUD-related 911 calls with greater SUD expertise.
2. Support pre-trial services that connect individuals with OUD and any co-occurring SUD/MH conditions to evidence-informed treatment, including MAT, and related services.
3. Support treatment and recovery courts that provide evidence-based options for persons with OUD and any co-occurring SUD/MH conditions.
4. Provide evidence-informed treatment, including MAT, recovery support, harm reduction, or other appropriate services to individuals with OUD and any co-occurring SUD/MH conditions who are incarcerated in jail or prison.

5. Provide evidence-informed treatment, including MAT, recovery support, harm reduction, or other appropriate services to individuals with OUD and any co-occurring SUD/MH conditions who are leaving jail or prison or have recently left jail or prison, are on probation or parole, are under community corrections supervision, or are in re-entry programs or facilities.
6. Support critical time interventions (“CTP”), particularly for individuals living with dual-diagnosis OUD/serious mental illness, and services for individuals who face immediate risks and service needs and risks upon release from correctional settings.
7. Provide training on best practices for addressing the needs of criminal justice-involved persons with OUD and any co-occurring SUD/MH conditions to law enforcement, correctional, or judicial personnel or to providers of treatment, recovery, harm reduction, case management, or other services offered in connection with any of the strategies described in this section.

E. ADDRESS THE NEEDS OF PREGNANT OR PARENTING WOMEN AND THEIR FAMILIES, INCLUDING BABIES WITH NEONATAL ABSTINENCE SYNDROME

Address the needs of pregnant or parenting women with OUD and any co-occurring SUD/MH conditions, and the needs of their families, including babies with neonatal abstinence syndrome (“NAS”), through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, those that:

1. Support evidence-based or evidence-informed treatment, including MAT, recovery services and supports, and prevention services for pregnant women—or women who could become pregnant—who have OUD and any co-occurring SUD/MH conditions, and other measures to educate and provide support to families affected by Neonatal Abstinence Syndrome.
2. Expand comprehensive evidence-based treatment and recovery services, including MAT, for uninsured women with OUD and any co-occurring SUD/MH conditions for up to 12 months postpartum.
3. Provide training for obstetricians or other healthcare personnel who work with pregnant women and their families regarding treatment of OUD and any co-occurring SUD/MH conditions.
4. Expand comprehensive evidence-based treatment and recovery support for NAS babies; expand services for better continuum of care with infant-need dyad; and expand long-term treatment and services for medical monitoring of NAS babies and their families.
5. Provide training to health care providers who work with pregnant or parenting women on best practices for compliance with federal requirements that children born with NAS get referred to appropriate services and receive a plan of safe care.

6. Provide child and family supports for parenting women with OUD and any co-occurring SUD/MH conditions.
7. Provide enhanced family support and child care services for parents with OUD and any co-occurring SUD/MH conditions.
8. Provide enhanced support for children and family members suffering trauma as a result of addiction in the family; and offer trauma-informed behavioral health treatment for adverse childhood events.
9. Offer home-based wrap-around services to persons with OUD and any co-occurring SUD/MH conditions, including, but not limited to, parent skills training.
10. Provide support for Children’s Services—Fund additional positions and services, including supportive housing and other residential services, relating to children being removed from the home and/or placed in foster care due to custodial opioid use.

| |
|----------------------|
| PART TWO: PREVENTION |
|----------------------|

F. PREVENT OVER-PRESCRIBING AND ENSURE APPROPRIATE PRESCRIBING AND DISPENSING OF OPIOIDS

Support efforts to prevent over-prescribing and ensure appropriate prescribing and dispensing of opioids through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, the following:

1. Funding medical provider education and outreach regarding best prescribing practices for opioids consistent with the Guidelines for Prescribing Opioids for Chronic Pain from the U.S. Centers for Disease Control and Prevention, including providers at hospitals (academic detailing).
2. Training for health care providers regarding safe and responsible opioid prescribing, dosing, and tapering patients off opioids.
3. Continuing Medical Education (CME) on appropriate prescribing of opioids.
4. Providing Support for non-opioid pain treatment alternatives, including training providers to offer or refer to multi-modal, evidence-informed treatment of pain.
5. Supporting enhancements or improvements to Prescription Drug Monitoring Programs (“PDMPs”), including, but not limited to, improvements that:
 1. Increase the number of prescribers using PDMPs;
 2. Improve point-of-care decision-making by increasing the quantity, quality, or format of data available to prescribers using PDMPs, by improving the interface that prescribers use to access PDMP data, or both; or

3. Enable states to use PDMP data in support of surveillance or intervention strategies, including MAT referrals and follow-up for individuals identified within PDMP data as likely to experience OUD in a manner that complies with all relevant privacy and security laws and rules.
6. Ensuring PDMPs incorporate available overdose/naloxone deployment data, including the United States Department of Transportation’s Emergency Medical Technician overdose database in a manner that complies with all relevant privacy and security laws and rules.
7. Increasing electronic prescribing to prevent diversion or forgery.
8. Educating dispensers on appropriate opioid dispensing.

G. PREVENT MISUSE OF OPIOIDS

Support efforts to discourage or prevent misuse of opioids through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, the following:

1. Funding media campaigns to prevent opioid misuse.
2. Corrective advertising or affirmative public education campaigns based on evidence.
3. Public education relating to drug disposal.
4. Drug take-back disposal or destruction programs.
5. Funding community anti-drug coalitions that engage in drug prevention efforts.
6. Supporting community coalitions in implementing evidence-informed prevention, such as reduced social access and physical access, stigma reduction—including staffing, educational campaigns, support for people in treatment or recovery, or training of coalitions in evidence-informed implementation, including the Strategic Prevention Framework developed by the U.S. Substance Abuse and Mental Health Services Administration (“SAMHSA”).
7. Engaging non-profits and faith-based communities as systems to support prevention.
8. Funding evidence-based prevention programs in schools or evidence-informed school and community education programs and campaigns for students, families, school employees, school athletic programs, parent-teacher and student associations, and others.
9. School-based or youth-focused programs or strategies that have demonstrated effectiveness in preventing drug misuse and seem likely to be effective in preventing the uptake and use of opioids.

10. Create or support community-based education or intervention services for families, youth, and adolescents at risk for OUD and any co-occurring SUD/MH conditions.
11. Support evidence-informed programs or curricula to address mental health needs of young people who may be at risk of misusing opioids or other drugs, including emotional modulation and resilience skills.
12. Support greater access to mental health services and supports for young people, including services and supports provided by school nurses, behavioral health workers or other school staff, to address mental health needs in young people that (when not properly addressed) increase the risk of opioid or another drug misuse.

H. PREVENT OVERDOSE DEATHS AND OTHER HARMS (HARM REDUCTION)

Support efforts to prevent or reduce overdose deaths or other opioid-related harms through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, the following:

1. Increased availability and distribution of naloxone and other drugs that treat overdoses for first responders, overdose patients, individuals with OUD and their friends and family members, schools, community navigators and outreach workers, persons being released from jail or prison, or other members of the general public.
2. Public health entities providing free naloxone to anyone in the community.
3. Training and education regarding naloxone and other drugs that treat overdoses for first responders, overdose patients, patients taking opioids, families, schools, community support groups, and other members of the general public.
4. Enabling school nurses and other school staff to respond to opioid overdoses, and provide them with naloxone, training, and support.
5. Expanding, improving, or developing data tracking software and applications for overdoses/naloxone revivals.
6. Public education relating to emergency responses to overdoses.
7. Public education relating to immunity and Good Samaritan laws.
8. Educating first responders regarding the existence and operation of immunity and Good Samaritan laws.
9. Syringe service programs and other evidence-informed programs to reduce harms associated with intravenous drug use, including supplies, staffing, space, peer support services, referrals to treatment, fentanyl checking, connections to care, and the full range of harm reduction and treatment services provided by these programs.

10. Expanding access to testing and treatment for infectious diseases such as HIV and Hepatitis C resulting from intravenous opioid use.
11. Supporting mobile units that offer or provide referrals to harm reduction services, treatment, recovery supports, health care, or other appropriate services to persons that use opioids or persons with OUD and any co-occurring SUD/MH conditions.
12. Providing training in harm reduction strategies to health care providers, students, peer recovery coaches, recovery outreach specialists, or other professionals that provide care to persons who use opioids or persons with OUD and any co-occurring SUD/MH conditions.
13. Supporting screening for fentanyl in routine clinical toxicology testing.

| |
|-------------------------------------|
| PART THREE: OTHER STRATEGIES |
|-------------------------------------|

I. FIRST RESPONDERS

In addition to items in section C, D and H relating to first responders, support the following:

1. Education of law enforcement or other first responders regarding appropriate practices and precautions when dealing with fentanyl or other drugs.
2. Provision of wellness and support services for first responders and others who experience secondary trauma associated with opioid-related emergency events.

J. LEADERSHIP, PLANNING AND COORDINATION

Support efforts to provide leadership, planning, coordination, facilitations, training and technical assistance to abate the opioid epidemic through activities, programs, or strategies that may include, but are not limited to, the following:

1. Statewide, regional, local or community regional planning to identify root causes of addiction and overdose, goals for reducing harms related to the opioid epidemic, and areas and populations with the greatest needs for treatment intervention services, and to support training and technical assistance and other strategies to abate the opioid epidemic described in this opioid abatement strategy list.
2. A dashboard to (a) share reports, recommendations, or plans to spend opioid settlement funds; (b) to show how opioid settlement funds have been spent; (c) to report program or strategy outcomes; or (d) to track, share or visualize key opioid- or health-related indicators and supports as identified through collaborative statewide, regional, local or community processes.
3. Invest in infrastructure or staffing at government or not-for-profit agencies to support collaborative, cross-system coordination with the purpose of preventing

overprescribing, opioid misuse, or opioid overdoses, treating those with OUD and any co-occurring SUD/MH conditions, supporting them in treatment or recovery, connecting them to care, or implementing other strategies to abate the opioid epidemic described in this opioid abatement strategy list.

4. Provide resources to staff government oversight and management of opioid abatement programs.

K. TRAINING

In addition to the training referred to throughout this document, support training to abate the opioid epidemic through activities, programs, or strategies that may include, but are not limited to, those that:

1. Provide funding for staff training or networking programs and services to improve the capability of government, community, and not-for-profit entities to abate the opioid crisis.
2. Support infrastructure and staffing for collaborative cross-system coordination to prevent opioid misuse, prevent overdoses, and treat those with OUD and any co-occurring SUD/MH conditions, or implement other strategies to abate the opioid epidemic described in this opioid abatement strategy list (*e.g.*, health care, primary care, pharmacies, PDMPs, etc.).

L. RESEARCH

Support opioid abatement research that may include, but is not limited to, the following:

1. Monitoring, surveillance, data collection and evaluation of programs and strategies described in this opioid abatement strategy list.
2. Research non-opioid treatment of chronic pain.
3. Research on improved service delivery for modalities such as SBIRT that demonstrate promising but mixed results in populations vulnerable to opioid use disorders.
4. Research on novel harm reduction and prevention efforts such as the provision of fentanyl test strips.
5. Research on innovative supply-side enforcement efforts such as improved detection of mail-based delivery of synthetic opioids.
6. Expanded research on swift/certain/fair models to reduce and deter opioid misuse within criminal justice populations that build upon promising approaches used to address other substances (*e.g.*, Hawaii HOPE and Dakota 24/7).

7. Epidemiological surveillance of OUD-related behaviors in critical populations, including individuals entering the criminal justice system, including, but not limited to approaches modeled on the Arrestee Drug Abuse Monitoring (“*ADAM*”) system.
8. Qualitative and quantitative research regarding public health risks and harm reduction opportunities within illicit drug markets, including surveys of market participants who sell or distribute illicit opioids.
9. Geospatial analysis of access barriers to MAT and their association with treatment engagement and treatment outcomes.

EXHIBIT G

Subdivisions Eligible to become Participating Subdivisions and Default Subdivision Fund Allocation Percentages

The Subdivisions set forth on this Exhibit G are eligible to become Participating Subdivisions. By default, the Subdivisions set forth on this Exhibit G shall include: (1) all Litigating Subdivisions; (2) all counties and parishes in States with functional counties or parishes; (3) all Subdivisions that are the highest level of general purpose government in States without functional counties or parishes; and (4) all other Subdivisions with a population of 10,000 or greater. A State may elect to add any additional Subdivisions to this Exhibit G at any time prior to the Initial Participation Date.

Immediately upon the effectiveness of any State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by subsection VI.D.3 (or upon the effectiveness of an amendment to any State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by subsection VI.D.3) that addresses allocation from the Subdivision Fund, whether before or after the Initial Participation Date, this Exhibit G will automatically be amended to reflect the allocation from the Subdivision Fund pursuant to the State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by subsection VI.D.3.

For the avoidance of doubt, inclusion on this Exhibit G shall not create any claim for any amount of the Settlement Fund, and no such amounts shall be allocated or distributed to any Subdivision included herein if such Subdivision does not otherwise meet all requirements to receive any such funds pursuant to the Agreement.

The Parties recognize the benefits of remediation funds reaching all communities, including through direct payments from the Subdivision Fund. However, to promote efficiency in the use of such funds and avoid administratively-burdensome disbursements that would be too small to add a meaningful abatement response, certain Subdivisions do not receive a direct allocation from the Subdivision Fund. However, such Subdivisions will benefit from Opioid Remediation in their community, and are eligible to receive direct benefits from the Abatement Accounts Fund in their State. All settlement funds, whether allocated to a Settling State, an Abatement Accounts Fund or a Subdivision listed on this Exhibit G can be used for Opioid Remediation in communities not listed herein.

As provided by subsection VI.D.4.c, the Allocation Percentages shown below apply to distribution of each Settling State's Subdivision Fund in the absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust. The allocation that would have otherwise gone to Subdivisions not listed below as receiving a direct allocation shall be (1) directed to the county or parish in which such Subdivision is located in Settling States with functional counties or parishes if the relevant county or parish is a Participating Subdivision or (2) to the highest-level general purpose government in which such Subdivision is located in Settling States without functional counties or parishes if the relevant highest-level general purpose government is a Participating Subdivision. Where the relevant county, parish or highest-level General Purpose Government is not a Participating Subdivision, allocations of General Purpose Subdivisions not

listed below as eligible to become Participating Subdivisions shall be allocated pursuant to subsection VII.I. The redirecting of funds described in this paragraph is intended to promote the efficient use of Opioid Remediation funds while keeping, where possible, local control of the distribution of those funds.

This Exhibit G will be updated with Subdivisions eligible to become Participating Subdivisions pursuant to subsection I.77.

EXHIBIT H

Participation Tier Determination*

| Participation Tier | Settling States as of the Payment Date (beginning in Payment Year 1) | Percentage of Litigating Subdivisions that Are Participating Subdivisions and/or Subdivisions Subject to a Bar, Case-Specific Resolution, or Settlement Class Resolution in effect as of the Payment Date (beginning in Payment Year 1) | Percentage of Non-Litigating Subdivisions with Populations over 10,000 that Are Participating Subdivisions and/or Subdivisions Subject to a Bar, Case-Specific Resolution, or Settlement Class resolution in effect as of the Payment Date (beginning in Payment Year 1) |
|---------------------------|---|--|---|
| 1 | 44 | 95% | 90% |
| 2 | 45 | 96% | 96% |
| 3 | 46 | 97% | 97% |
| 4 | 48 | 98% | 97% |

* The following conditions apply to the determination of Participation Tiers:

1. For the sole purpose of the Participation Tier determination under this Exhibit, the States used to calculate each criterion (including the percentages of Litigating and Non-Litigating Subdivisions in Settling States that are Participating Subdivisions) will include each of the 50 states in the United States, excluding the District of Columbia, American Samoa, Guam, the Northern Mariana Islands, Puerto Rico, and the U.S. Virgin Islands.
2. Assessment of Subdivision participation percentage will be national in scope.
3. For purposes of determining Participation Tiers, “Litigating Subdivisions” includes Special Districts that have brought any Released Claims against any Released Entities. Special Districts shall have their population measured as set forth in subsection XIII.C.
4. The percentage of Litigating Subdivisions and percentage of Non-Litigating Subdivisions with populations over 10,000 will be calculated as follows: Each Litigating Subdivision and each Non-Litigating Subdivision with a population over 10,000 in the States used to calculate the Participation Tier will be assigned a metric reflecting both population and severity (the “Population-Severity Metric”). The Population-Severity Metric shall be the Subdivision’s population plus the Subdivision’s population multiplied by the severity factor for the State of the Subdivision (the severity factors for each State are attached as Exhibit T hereto) and then divided in two, thus giving 50% weight to each of population and population multiplied by the severity factor. The denominator for each percentage shall be the sum total of the Population-Severity Metric for all the Subdivisions in the

relevant category (Litigating Subdivisions or Non-Litigating Subdivisions with populations over 10,000) in the Settling States, notwithstanding that persons may be included within the population (and therefore the Population-Severity Metric) of more than one Subdivision. The numerator will be the sum total of the Population-Severity Metrics of all Subdivisions in the relevant category of Subdivision (*i.e.*, Litigating Subdivisions or Non-Litigating Subdivisions with populations over 10,000) in the Settling States that are either Participating Subdivisions or are subject to a Bar, Case-Specific Resolution, or Settlement Class Resolution, notwithstanding that persons may be included within the population of more than one Subdivision. For the avoidance of doubt, Subdivisions in Non-Settling States are excluded from both the denominator and numerator of the calculations for the percentage of Litigating Subdivisions and percentage of Non-Litigating Subdivisions with populations over 10,000.

5. When the Participation Tier is redetermined annually, Later Participating Subdivisions described in Section VII.E.3 or Section VII.E.4 shall not be included as Participating Subdivisions, and for Subdivisions subject to a Bar, Case-Specific Resolution, or Settlement Class Resolution to be included, the Bar, Case-Specific Resolution, or Settlement Class Resolution must have been in effect both as of the relevant Payment Date and for the entire period since the prior Payment Date.
6. Subdivisions with populations over 10,000 are listed on Exhibit I.

EXHIBIT I

Settlement Participation Form

| | |
|----------------------|--------|
| Governmental Entity: | State: |
| Authorized Official: | |
| Address 1: | |
| Address 2: | |
| City, State, Zip: | |
| Phone: | |
| Email: | |

The governmental entity identified above (“Governmental Entity”), in order to obtain and in consideration for the benefits provided to the Governmental Entity pursuant to the Settlement Agreement dated July 21, 2021 (“Janssen Settlement”), and acting through the undersigned authorized official, hereby elects to participate in the Janssen Settlement, release all Released Claims against all Released Entities, and agrees as follows.

1. The Governmental Entity is aware of and has reviewed the Janssen Settlement, understands that all terms in this Election and Release have the meanings defined therein, and agrees that by this Election, the Governmental Entity elects to participate in the Janssen Settlement and become a Participating Subdivision as provided therein.
2. The Governmental Entity shall, within 14 days of the Reference Date and prior to the filing of the Consent Judgment, dismiss with prejudice any Released Claims that it has filed.
3. The Governmental Entity agrees to the terms of the Janssen Settlement pertaining to Subdivisions as defined therein.
4. By agreeing to the terms of the Janssen Settlement and becoming a Releasor, the Governmental Entity is entitled to the benefits provided therein, including, if applicable, monetary payments beginning after the Effective Date.
5. The Governmental Entity agrees to use any monies it receives through the Janssen Settlement solely for the purposes provided therein.
6. The Governmental Entity submits to the jurisdiction of the court in the Governmental Entity’s state where the Consent Judgment is filed for purposes limited to that court’s role as provided in, and for resolving disputes to the extent provided in, the Janssen Settlement.
7. The Governmental Entity has the right to enforce the Janssen Settlement as provided therein.

8. The Governmental Entity, as a Participating Subdivision, hereby becomes a Releasor for all purposes in the Janssen Settlement, including but not limited to all provisions of Section IV (Release), and along with all departments, agencies, divisions, boards, commissions, districts, instrumentalities of any kind and attorneys, and any person in their official capacity elected or appointed to serve any of the foregoing and any agency, person, or other entity claiming by or through any of the foregoing, and any other entity identified in the definition of Releasor, provides for a release to the fullest extent of its authority. As a Releasor, the Governmental Entity hereby absolutely, unconditionally, and irrevocably covenants not to bring, file, or claim, or to cause, assist or permit to be brought, filed, or claimed, or to otherwise seek to establish liability for any Released Claims against any Released Entity in any forum whatsoever. The releases provided for in the Janssen Settlement are intended by the Parties to be broad and shall be interpreted so as to give the Released Entities the broadest possible bar against any liability relating in any way to Released Claims and extend to the full extent of the power of the Governmental Entity to release claims. The Janssen Settlement shall be a complete bar to any Released Claim.
9. In connection with the releases provided for in the Janssen Settlement, each Governmental Entity expressly waives, releases, and forever discharges any and all provisions, rights, and benefits conferred by any law of any state or territory of the United States or other jurisdiction, or principle of common law, which is similar, comparable, or equivalent to § 1542 of the California Civil Code, which reads:
- General Release; extent.** A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release that, if known by him or her, would have materially affected his or her settlement with the debtor or released party.
- A Releasor may hereafter discover facts other than or different from those which it knows, believes, or assumes to be true with respect to the Released Claims, but each Governmental Entity hereby expressly waives and fully, finally, and forever settles, releases and discharges, upon the Effective Date, any and all Released Claims that may exist as of such date but which Releasors do not know or suspect to exist, whether through ignorance, oversight, error, negligence or through no fault whatsoever, and which, if known, would materially affect the Governmental Entities' decision to participate in the Janssen Settlement.
10. Nothing herein is intended to modify in any way the terms of the Janssen Settlement, to which Governmental Entity hereby agrees. To the extent this Election and Release is interpreted differently from the Janssen Settlement in any respect, the Janssen Settlement controls.

I have all necessary power and authorization to execute this Election and Release on behalf of the Governmental Entity.

NOTES:

- Any adjustments to attorneys' fees and costs will be addressed in the separate attorneys' fees and costs agreement.

2. The attorneys' fees and costs included in the schedule include the Additional Restitution Amount, which will be paid in lieu of attorneys' fees to Settling States listed on Exhibit N.
3. Any offsets under Section V would also be deducted from the base, Incentive B & C maximum, and Incentive D lookback payments and applied proportionately to all payments.
4. Accelerated payments for Incentive A would adjust figures for base and Incentive B & C payments.
5. The dates of payments shown on the schedule are approximate, and will be determined by subsection V.B.1.

EXHIBIT O

Adoption of a State-Subdivision Agreement

A State-Subdivision Agreement shall be applied if it meets the requirements of Section VI and is approved by the State and by the State's Subdivisions as follows:

1. *Requirements for Approval.* A State-Subdivision Agreement shall be deemed as agreed to when it has been approved by the State and either (a) Subdivisions whose aggregate "Population Percentages," determined as set forth below, total more than sixty percent (60%), or (b) Subdivisions whose aggregate Population Percentages total more than fifty percent (50%) provided that these Participating Subdivisions also represent fifteen percent (15%) or more of the State's counties or parishes (or, in the case of Settling States whose counties and parishes do not function as local governments, 15% of or more of the Settling State's non-county Subdivisions), by number.
2. *Approval Authority.* Approval by the State shall be by the Attorney General. Approval by a Subdivision shall be by the appropriate official or legislative body pursuant to the required procedures for that Subdivision to agree to a legally binding settlement.
3. *Population Percentage Calculation.* For purposes of this Exhibit O only, Population Percentages shall be determined as follows: For States with functional counties or parishes³, the Population Percentage of each county or parish shall be deemed to be equal to (a) (1) 200% of the population of such county or parish, minus (2) the aggregate population of all Primary Incorporated Municipalities located in such county or parish, divided by (b) 200% of the State's population. A "Primary Incorporated Municipality" means a city, town, village or other municipality incorporated under applicable state law with a population of at least 25,000 that is not located within another incorporated municipality. The Population Percentage of each Primary Incorporated Municipality shall be equal to its population (including the population of any incorporated or unincorporated municipality located therein) divided by 200% of the State's population; *provided* that the Population Percentage of a Primary Incorporated Municipality that is not located within a county shall be equal to 200% of its population (including the population of any incorporated or unincorporated municipality located therein) divided by 200% of the State's population. For all States that do not have functional counties or parishes, the Population Percentage of each non-county Subdivision (including any incorporated or unincorporated municipality located therein), shall be equal to its population divided by the State's population.
4. *Preexisting Agreements and Statutory Provisions.* A State may include with the notice to its Subdivisions an existing agreement, a proposed agreement, or statutory provisions regarding the distribution and use of settlement funds and have the acceptance of such an agreement or statutory provision be part of the requirements to be an Initial Participating Subdivision.

³ Certain states do not have counties or parishes that have functional governments, including: Alaska, Connecticut, Massachusetts, Rhode Island, and Vermont.

5. *Revised Agreements.* A State-Subdivision Agreement that has been revised, supplemented, or refined shall be applied if it meets the requirements of Section VI and is approved by the State and by the State's Subdivisions pursuant to the terms above.

EXHIBIT P

Injunctive Relief

A. Definitions Specific to this Exhibit

1. “*Cancer-Related Pain Care*” means care that provides relief from pain resulting from a patient’s active cancer or cancer treatment as distinguished from treatment provided during remission.
2. “*Janssen*” means Johnson & Johnson, Janssen Pharmaceuticals, Inc., Ortho-McNeil-Janssen Pharmaceuticals, Inc., and Janssen Pharmaceutica, Inc. (collectively, “Janssen”), including all of their subsidiaries, predecessors, successors, current officers, directors, employees, representatives, agents, affiliates, parents, and assigns acting on behalf of Janssen in the United States.
3. “*End-of-Life Care*” means care for persons with a terminal illness or at high risk for dying in the near future in hospice care, hospitals, long-term care settings, or at home.
4. “*Health Care Provider*” means any U.S.-based physician or other health care practitioner who is licensed to provide health care services or to prescribe pharmaceutical products and any medical facility, practice, hospital, clinic, or pharmacy.
5. “*In-Kind Support*” means payment or assistance in the form of goods, commodities, services, or anything else of value.
6. “*Lobby*” and “*Lobbying*” shall have the same meaning as “lobbying activities” and “lobbying contacts” under the federal lobbying disclosure act, 2 U.S.C. § 1602 *et seq.*, and any analogous state or local provisions governing the person or entity being lobbied. As used in this document, “Lobby” and “Lobbying” include Lobbying directly or indirectly, through grantees or Third Parties.
7. “*Opioid(s)*” means all naturally occurring, synthetic, or semisynthetic substances that interact with opioid receptors and act like opium. For the avoidance of doubt, the term “Opioid(s)” does not include Imodium.
8. “*Opioid Product(s)*” means all current and future medications containing Opioids approved by the U.S. Food & Drug Administration (FDA) and listed by the DEA as Schedule II, III, or IV drugs pursuant to the federal Controlled Substances Act (including but not limited to buprenorphine, codeine, fentanyl, hydrocodone, hydromorphone, meperidine, methadone, morphine, oxycodone, oxymorphone, tapentadol, and tramadol). The term “Opioid Products(s)” shall not include (i) methadone and other substances when used exclusively to treat opioid abuse, addiction, or overdose; or (ii) raw materials, immediate precursors, and/or active pharmaceutical ingredients (APIs) used in the manufacture or study of Opioids or Opioid Products, but only when such materials, immediate precursors, and/or

APIs are sold or marketed exclusively to DEA-licensed manufacturers or DEA-licensed researchers.

9. “*OD*” means opioid use disorder defined in the *Diagnostic and Statistical Manual of Mental Disorders, Fifth Edition (DSM–5)*, as updated or amended.
10. “*Product(s) for the Treatment of Opioid-Induced Side Effects*” means any over-the-counter or prescription remedy used to treat those side effects identified on the FDA label for any Opioid Product, except that, for purposes of the Agreement, Product(s) for the Treatment of Opioid-Induced Side Effects shall not include products that treat OD or respiratory depression.
11. “*Promote*,” “*Promoting*,” “*Promotion*,” and “*Promotional*” means dissemination of information or other practices intended or reasonably anticipated to increase sales, prescriptions, or that attempts to influence prescribing practices in the United States. These terms shall not include the provision of scientific information or data in response to unsolicited requests from Health Care Providers or payors as allowed in subsection C.2.e-h.
12. “*Third Party(ies)*” means any person or entity other than Janssen or a government entity.
13. “*Treatment of Pain*” means the provision of therapeutic modalities to alleviate or reduce pain.
14. “*Unbranded Information*” means any information that does not identify a specific branded or generic product.

B. Ban on Selling and Manufacturing Opioids

1. Janssen shall not manufacture or sell any Opioids or Opioid Products for distribution in the United States. Janssen represents that prior to the Effective Date, it de-listed all of its Opioid Products and no longer ships any of them to or within the United States. Janssen shall provide notice to the Settling States when the last of the inventory Janssen has shipped has expired.
2. Notwithstanding subsection B.1, above, Janssen may continue to manufacture Nucynta and Nucynta ER (collectively “Nucynta”) in accordance with the terms of its April 2, 2015 contract with Depomed, Inc., rights to which were assigned to Collegium Pharmaceutical, Inc. (“Collegium”) on February 13, 2020, so long as Janssen is not Promoting Nucynta, or selling Nucynta to anyone other than Collegium. Janssen shall not extend, amend, or otherwise alter the terms of its April 2, 2015 contract or enter into any similar agreement related to Nucynta or any other Opioid or Opioid Product. For the term of its April 2, 2015 contract, or until the expiration of subsection B.1, whichever is shorter, Janssen shall make an annual report to the Settling States showing the amount of Nucynta manufactured in accordance with the April 2, 2015 contract.

C. Ban on Promotion

1. Janssen shall not engage in Promotion of Opioids or Opioid Products including but not limited to, by:
 - a. Employing or contracting with sales representatives or other persons to Promote Opioids or Opioid Products to Health Care Providers or patients, or to persons involved in determining the Opioid Products included in formularies;
 - b. Using speakers, key opinion leaders, thought leaders, lecturers, and/or speaking events for Promotion of Opioids or Opioid Products;
 - c. Sponsoring, or otherwise providing financial support or In-Kind Support to medical education programs for Promotion of Opioids or Opioid Products;
 - d. Creating, sponsoring, operating, controlling, or otherwise providing financial support or In-Kind Support to any website, network, and/or social or other media account for the Promotion of Opioids or Opioid Products;
 - e. Creating, sponsoring, distributing, or otherwise providing financial support or In-Kind Support for materials Promoting Opioids or Opioid Products, including but not limited to brochures, newsletters, pamphlets, journals, books, and guides;
 - f. Creating, sponsoring, or otherwise providing financial support or In-Kind Support for advertisements that Promote Opioids or Opioid Products, including but not limited to internet advertisements or similar content, and providing hyperlinks or otherwise directing internet traffic to advertisements; and
 - g. Engaging in internet search engine optimization or other techniques designed to Promote Opioids or Opioid Products by improving rankings or making content appear among the top results in an internet search or otherwise be more visible or more accessible to the public on the internet.
2. Notwithstanding subsection C.1 directly above, Janssen may:
 - a. Maintain a corporate website;
 - b. Maintain a website for any Opioid Product that contains principally the following content: the FDA-approved package insert, medication guide, and labeling, and a statement directing patients or caregivers to speak with a licensed Health Care Provider;

- c. Provide information or support the provision of information as expressly required by law or any state or federal government agency with jurisdiction in [State];
- d. Provide the following by mail, electronic mail, on or through Janssen's corporate or product websites or through other electronic or digital methods: FDA-approved package insert, medication guide, approved labeling for Opioid Products, or other prescribing information for Opioid Products that are published by a state or federal government agency with jurisdiction in [State];
- e. Provide scientific and/or medical information in response to an unsolicited request by a Health Care Provider consistent with the standards set forth in the FDA's Draft Guidance for Industry, *Responding to Unsolicited Requests for Off-Label Information About Prescription Drugs and Medical Devices* (Dec. 2011) as updated or amended by the FDA, and Guidance for Industry, *Good Reprint Practices for the Distribution of Medical Journal Articles and Medical or Scientific Reference Publications on Unapproved New Uses of Approved Drugs and Approved or Cleared Medical Devices* (Jan. 2009) as updated or amended by the FDA;
- f. Provide a response to any unsolicited question or request from a patient or caregiver, directing the patient or caregiver to the FDA-approved labeling or to speak with a licensed Health Care Provider without describing the safety or effectiveness of Opioids or any Opioid Product or naming any specific provider or healthcare institution; or directing the patient or caregiver to speak with their insurance carrier regarding coverage of an Opioid Product;
- g. Provide Health Care Economic Information, as defined at 21 U.S.C. § 352(a), to a payor, formulary committee, or other similar entity with knowledge and expertise in the area of health care economic analysis consistent with standards set forth in the FDA's Draft Questions and Answers Guidance for Industry and Review Staff, *Drug and Device Manufacturer Communications With Payors, Formulary Committees, and Similar Entities* (Jan. 2018), as updated or amended by the FDA;
- h. Provide information relating solely to the pricing of any Opioid Product;
- i. Sponsor or provide financial support or In-Kind Support for an accredited or approved continuing medical education program required by either an FDA-approved Risk Evaluation and Mitigation Strategy (REMS) program or other federal or state law or regulation applicable in [State] through an independent Third Party, which shall be responsible for the program's content without the participation of Janssen; and

- j. Provide information in connection with patient support information on co-pay assistance and managing pain in End-of-Life Care and/or Cancer-Related Pain Care relating to the use of Opioids for managing such pain, as long as the information identifies Janssen as the source of the information.
- 3. Janssen shall not engage in the Promotion of Products for the Treatment of Opioid-Induced Side Effects, including but not limited to:
 - a. Employing or contracting with sales representatives or other persons to Promote Products for the Treatment of Opioid-Induced Side Effects to Health Care Providers or patients;
 - b. Using speakers, key opinion leaders, thought leaders, lecturers, and/or speaking events to Promote Products for the Treatment of Opioid-Induced Side Effects;
 - c. Sponsoring, or otherwise providing financial support or In-Kind Support to medical education programs that Promote Products for the Treatment of Opioid-Induced Side Effects;
 - d. Creating, sponsoring, or otherwise providing financial support or In-Kind Support for advertisements that Promote Products for the Treatment of Opioid-Induced Side Effects, including but not limited to internet advertisements or similar content, and providing hyperlinks or otherwise directing internet traffic to advertisements.
 - 4. Notwithstanding subsection C.3 directly above, Janssen may Promote Products for the Treatment of Opioid-Induced Side Effects so long as such Promotion does not associate the product with Opioids or Opioid Products.
 - 5. Treatment of Pain
 - a. Janssen shall not, either through Janssen or through Third Parties, engage in any conduct that Promotes the Treatment of Pain, except that Janssen may continue to Promote the Treatment of Pain with branded non-Opioids, including Tylenol and Motrin.
 - b. Janssen shall not, either through Janssen or through Third Parties, engage in any conduct that Promotes the concept that pain is undertreated, except in connection with Promoting the use of branded non-Opioids, including Tylenol and Motrin, for the Treatment of Pain.
 - c. Janssen shall not disseminate Unbranded Information, including Unbranded Information about a medical condition or disease state, that contains links to branded information about Opioid Products or that otherwise Promotes Opioids or Opioid Products.

6. Notwithstanding subsection C.5 above:
 - a. Janssen may Promote or provide educational information about the Treatment of Pain with non-Opioids or therapies such as acetaminophen or non-steroidal anti-inflammatory drugs (NSAIDs), including Promoting or providing educational information about such non-Opioids or therapies as alternatives to Opioid use, or as part of multimodal therapy which may include Opioid use, so long as such non-Opioid Promotional or educational information does not Promote Opioids or Opioid Products.
 - b. Janssen may provide educational information about the Treatment of Pain related to medical procedures involving devices manufactured or sold by Janssen, including educational information about Opioids or Opioid Products, so long as such information does not Promote Opioids or Opioid Products.
7. The Promotional conduct prohibited in subsection C is not prohibited insofar as it relates to the Promotion of Opioids or Opioid Products for Cancer-Related Pain Care or End-of-Life Care only, and so long as Janssen is identified as the sponsor or source of such Promotional conduct.

D. No Financial Reward or Discipline Based on Volume of Opioid Sales

1. Janssen shall not provide financial incentives to its sales and marketing employees or discipline its sales and marketing employees based upon sales volume or sales quotas for Opioid Products;
2. Janssen shall not offer or pay any remuneration (including any kickback, bribe, or rebate) directly or indirectly, to any person in return for the prescribing, sale, use, or distribution of an Opioid Product; and
3. Janssen's compensation policies and procedures shall ensure compliance with the Agreement.

E. Ban on Funding/Grants to Third Parties

1. Janssen shall not directly or indirectly provide financial support or In-Kind Support to any Third Party that primarily engages in conduct that Promotes Opioids, Opioid Products, or Products for the Treatment of Opioid-Induced Side Effects (subject to subsections C.2, C.4, and C.6), including educational programs or websites that Promote Opioids, Opioid Products, or Products for the Treatment of Opioid-Induced Side Effects, excluding financial support otherwise required by the Agreement, a court order, or by a federal or state agency.
2. Janssen shall not create, sponsor, provide financial support or In-Kind Support to, or otherwise operate or control any medical society or patient advocacy group that primarily engages in conduct that Promotes Opioids, Opioid Products, or Products for the Treatment of Opioid-Induced Side Effects.

3. Janssen shall not provide links to any Third Party website or materials or otherwise distribute materials created by a Third Party for the purpose of Promoting Opioids, Opioid Products, or Products for the Treatment of Opioid-Induced Side Effects (subject to subsections C.2, C.4, and C.6).
4. Janssen shall not use, assist, or employ any Third Party to engage in any activity that Janssen itself would be prohibited from engaging in pursuant to the Agreement. To the extent Janssen supports trade groups engaged in Lobbying, Janssen shall stipulate that such support not be used for any purpose prohibited by the Agreement.
5. Janssen shall not enter into any contract or agreement with any person or entity or otherwise attempt to influence any person or entity in such a manner that has the purpose or foreseeable effect of limiting the dissemination of information regarding the risks and side effects of using Opioids.
6. Janssen shall not compensate or support Health Care Providers or organizations to advocate for formulary access or treatment guideline changes for the purpose of increasing access to any Opioid Product through third-party payors, i.e., any entity, other than an individual, that pays or reimburses for the dispensing of prescription medicines, including but not limited to managed care organizations and pharmacy benefit managers.
7. No officer or management-level employee of Janssen may concurrently serve as a director, board member, employee, agent, or officer of any entity that primarily engages in conduct that Promotes Opioids, Opioid Products, or Products for the Treatment of Opioid-Induced Side Effects. For the avoidance of doubt, nothing in this provision shall preclude an officer or management-level employee of Janssen from concurrently serving on the board of a hospital.
8. Janssen shall play no role in appointing persons to the board, or hiring persons to the staff, of any entity that primarily engages in conduct that Promotes Opioids, Opioid Products, or Products for the Treatment of Opioid-Induced Side Effects. For the avoidance of doubt, nothing in this paragraph shall prohibit Janssen from fully and accurately responding to unsolicited requests or inquiries about a person's fitness to serve as an employee or Board member at any such entity.

F. Lobbying Restrictions

1. Janssen shall not Lobby for the enactment of any federal, state, or local legislative or regulatory provision that:
 - a. Encourages or requires Health Care Providers to prescribe Opioids or sanctions Health Care Providers for failing to prescribe Opioids or failing to treat pain with Opioids;
 - b. Has the effect of limiting access to any non-Opioid alternative pain treatments; or

- c. Pertains to the classification of any Opioid or Opioid Product as a scheduled drug under the Controlled Substances Act.
- 2. Janssen shall not Lobby against the enactment of any federal, state or local legislative or regulatory provision that supports:
 - a. The use of non-pharmacologic therapy and/or non-Opioid pharmacologic therapy to treat chronic pain over or instead of Opioid use, including but not limited to third party payment or reimbursement for such therapies;
 - b. The use and/or prescription of immediate release Opioids instead of extended release Opioids when Opioid use is initiated, including but not limited to third party reimbursement or payment for such prescriptions;
 - c. The prescribing of the lowest effective dose of an Opioid, including but not limited to third party reimbursement or payment for such prescription;
 - d. The limitation of initial prescriptions of Opioids to treat acute pain;
 - e. The prescribing and other means of distribution of naloxone to minimize the risk of overdose, including but not limited to third party reimbursement or payment for naloxone;
 - f. The use of urine testing before starting Opioid use and annual urine testing when Opioids are prescribed, including but not limited to third party reimbursement or payment for such testing;
 - g. Evidence-based treatment (such as using medication-assisted treatment with buprenorphine or methadone in combination with behavioral therapies) for OUD, including but not limited to third party reimbursement or payment for such treatment; or
 - h. The implementation or use of Opioid drug disposal systems.
- 3. Janssen shall not Lobby against the enactment of any federal, state or local legislative or regulatory provision expanding the operation or use of PDMPs, including but not limited to provisions requiring Health Care Providers to review PDMPs when Opioid use is initiated and with every prescription thereafter.
- 4. Notwithstanding the foregoing restrictions in subsections F.1-3, the following conduct is not restricted:
 - a. Challenging the enforcement of or suing for declaratory or injunctive relief with respect to legislation, rules, or regulations referred to in subsection F.1;
 - b. Communications made by Janssen in response to a statute, rule, regulation, or order requiring such communication;

- c. Communications by a Janssen representative appearing before a federal or state legislative or administrative body, committee, or subcommittee as a result of a mandatory order or subpoena commanding that person to testify;
 - d. Responding, in a manner consistent with the Agreement, to an unsolicited request for input on the passage of legislation or the promulgation of any rule or regulation when such request is submitted in writing specifically to Janssen from a government entity directly involved in the passage of that legislation or promulgation of that rule or regulation; or
 - e. Lobbying for or against provisions of legislation or regulation that address other subjects in addition to those identified in subsections F.1-3, so long as the company does not support specific portions of such legislation or regulation covered by subsection F.1 or oppose specific portions of such legislation or regulation covered by subsections F.2-3.
5. Janssen shall provide notice of the prohibitions in subsection F to all employees engaged in Lobbying; shall incorporate the prohibitions in subsection F into trainings provided to Janssen employees engaged in Lobbying; and shall certify to the Settling States that it has provided such notice and trainings to Janssen employees engaged in Lobbying.

G. Ban on Prescription Savings Programs

- 1. Janssen shall not directly or indirectly offer any discounts, coupons, rebates, or other methods which have the effect of reducing or eliminating a patient's co-payments or the cost of prescriptions (e.g., free trial prescriptions) for any Opioid Product.
- 2. Janssen shall not directly or indirectly provide financial support to any Third Party for discounts, coupons, rebates, or other methods which have the effect of reducing or eliminating a patient's co-payments or the cost of prescriptions (e.g., free trial prescriptions) for any Opioid Product.
- 3. Janssen shall not directly or indirectly assist patients, Health Care Providers, or pharmacies with the claims and/or prior authorization process required for third-party payors to approve payment for any Opioid Product.

H. General Terms

- 1. Janssen shall not make any written or oral statement about Opioids or any Opioid Product that is unfair, false, misleading, or deceptive as defined under the law of [State]. For purposes of this paragraph, "Opioid Product" shall also include methadone and other substances when used exclusively to treat opioid abuse, addiction, or overdose.

2. Janssen shall not represent that Opioids or any Opioid Product(s) have approvals, characteristics, uses, benefits, or qualities that they do not have. For purposes of this paragraph, “Opioid Product” shall also include methadone and other substances when used exclusively to treat opioid abuse, addiction, or overdose.
3. For the avoidance of doubt, the Agreement shall not be construed or used as a waiver or limitation of any defense otherwise available to Janssen in any action, and nothing in the Agreement is intended to or shall be construed to prohibit Janssen in any way whatsoever from taking legal or factual positions with regard to any Opioid Product(s) in defense of litigation or other legal proceedings.
4. Upon the request of the [State] Attorney General, Janssen shall provide the [State] Attorney General with copies of the following, within thirty (30) calendar days of the request:
 - a. Any litigation or civil or criminal law enforcement subpoenas or Civil Investigative Demands relating to Janssen’s Opioid Product(s); and
 - b. Warning or untitled letters issued by the FDA regarding Janssen’s Opioid Product(s) and all correspondence between Janssen and the FDA related to such letters.
5. The Agreement applies to conduct that results in the Promotion of Opioids or Opioid Products, or the Treatment of Pain inside the United States.
6. Janssen will enter into the Agreement solely for the purpose of settlement, and nothing contained therein may be taken as or construed to be an admission or concession of any violation of law, rule, or regulation, or of any other matter of fact or law, or of any liability or wrongdoing, all of which Janssen expressly denies. No part of the Agreement, including its statements and commitments, shall constitute evidence of any liability, fault, or wrongdoing by Janssen. The Agreement is not intended for use by any third party for any purpose, including submission to any court for any purpose.
7. Nothing in the Agreement shall be construed to limit or impair Janssen’s ability to:
 - a. Communicate its positions and respond to media inquiries concerning litigation, investigations, reports or other documents or proceedings relating to Janssen or its Opioid Products.
 - b. Maintain a website explaining its litigation positions and responding to allegations concerning its Opioid Products, including the website, www.factsaboutourprescriptionopioids.com.

I. Compliance with All State Laws and Regulations Relating to the Sale, Promotion, and Distribution of Any Opioid Product

1. Janssen shall comply with all applicable state laws and regulations that relate to the sale, promotion, distribution, and disposal of Opioids or Opioid Products, including conduct permitted by subsection B.2, provided that nothing in this paragraph requires Janssen to violate federal law or regulations, including but not limited to:
 - a. [State] Controlled Substances Act, including all guidance issued by the applicable state regulator(s);
 - b. [State] Consumer Protection Laws;
 - c. [State] laws, regulations, and guidelines related to opioid prescribing, distribution, and disposal; and
 - d. [State Specific Laws].

J. Clinical Data Transparency

1. Janssen agrees to continue sharing clinical trial data under the Yale University Open Data Access (YODA) Project to allow researchers qualified under the program to access the company's proprietary data under the terms of the project.
2. In the event Yale University discontinues or withdraws from the YODA Project agreement with Janssen, Janssen shall make its clinical research data regarding Opioids and Opioid Products, and any additional clinical research data that Janssen sponsors and controls regarding Opioids and Opioid Products, available to an independent entity that is the functional equivalent of the YODA Project under functionally equivalent terms.

K. Enforcement

1. For the purposes of resolving disputes with respect to compliance with this Exhibit, should any of the Settling States have a reasonable basis to believe that Janssen has engaged in a practice that violates a provision of this Exhibit subsequent to the Effective Date, such Settling State shall notify Janssen in writing of the specific objection, identify with particularity the provision of the Agreement that the practice appears to violate, and give Janssen thirty (30) days to respond in writing to the notification; provided, however, that a Settling State may take any action if the Settling State believes that, because of the specific practice, a threat to health or safety of the public requires immediate action.
2. Upon receipt of written notice, Janssen shall provide a good faith written response to the Settling State's notification, containing either a statement explaining why Janssen believes it is in compliance with this Exhibit of the Agreement, or a detailed explanation of how the alleged violation occurred and a statement

explaining how Janssen intends to remedy the alleged breach. Nothing in this section shall be interpreted to limit the [State's] civil investigative demand ("CID") or investigative subpoena authority, to the extent such authority exists under applicable law, and Janssen reserves all of its rights in responding to a CID or investigative subpoena issued pursuant to such authority. If Janssen notifies the Settling States in writing that two or more Settling States have notified Janssen of alleged violations, the Settling States that provided notice of alleged violations shall work in good faith to collectively resolve the alleged violation with Janssen before taking any enforcement action(s).

3. The Settling States may agree, in writing, to provide Janssen with additional time beyond thirty (30) days to respond to a notice provided under subsection K.1, above, without Court approval.
4. Upon giving Janssen thirty (30) days to respond to the notification described above, the Settling State shall also be permitted reasonable access to inspect and copy relevant, non-privileged, non-work product records and documents in possession, custody, or control of Janssen that relate to Janssen's compliance with each provision of the Agreement pursuant to that Settling State's CID or investigative subpoena authority.
5. The Settling State may assert any claim that Janssen has violated the Agreement in a separate civil action to enforce compliance with the Agreement, or may seek any other relief afforded by law for violations of the Agreement, but only after providing Janssen an opportunity to respond to the notification described in subsection K.1, above; provided, however, the Settling State may take any action if the Settling State believes that, because of the specific practice, a threat to the health or safety of the public requires immediate action.
6. In the event of a conflict between the requirements of the Agreement and any other law, regulation, or requirement such that Janssen cannot comply with the law without violating the terms of the Agreement or being subject to adverse action, including fines and penalties, Janssen shall document such conflicts and notify the Settling State of the extent to which it will comply with the Agreement in order to eliminate the conflict within thirty (30) days of Janssen's discovery of the conflict. Janssen shall comply with the terms of the Agreement to the fullest extent possible without violating the law.
7. Janssen or any Settling State may request that Janssen and any Settling State meet and confer regarding the resolution of an actual or potential conflict between the Agreement and any other law, or between interpretations of the Agreement by different courts. Nothing herein is intended to modify or extend the jurisdiction of any single judicial authority as provided by law.

L. Compliance Duration

1. Subsections B-J shall be effective for 10 years from the Effective Date.

2. Nothing in this Agreement shall relieve Janssen of its independent obligation to fully comply with the laws of [State] after expiration of the 10-year period specified in this subsection.

M. Compliance Deadlines

1. Janssen must be in full compliance with the provisions included this Agreement by the Effective Date. Nothing herein shall be construed as permitting Janssen to avoid existing legal obligations.

EXHIBIT Q

Non-Released Entities

The following includes a non-exclusive list of non-Released Entities:

1. Actavis LLC
2. Actavis Pharma, Inc.
3. Allergan PLC
4. Allergan Finance, LLC
5. AmerisourceBergen Corporation
6. AmerisourceBergen Drug Corporation
7. Anda, Inc.
8. Cardinal Health, Inc.
9. Cephalon, Inc.
10. Collegium Pharmaceuticals
11. CVS Health Corp.
12. CVS Pharmacy, Inc.
13. Endo Pharmaceuticals Inc.
14. Endo Health Solutions Inc.
15. Mallinckrodt LLC
16. McKesson Corporation
17. McKinsey & Company Inc.
18. Par Pharmaceutical, Inc.
19. Par Pharmaceutical Companies, Inc.
20. Purdue Pharma L.P.
21. Purdue Pharma Inc.
22. SpecGx LLC
23. Teva Pharmaceuticals USA, Inc.
24. The Purdue Frederick Company
25. Walgreen Co.
26. Walgreens Boots Alliance, Inc.
27. Walmart Inc.
28. Watson Laboratories, Inc.

EXHIBIT R

Agreement on Attorneys' Fees, Costs, and Expenses

This Agreement on Attorneys' Fees, Expenses and Costs ("Fee Agreement"), is entered between Janssen and the Plaintiffs' Executive Committee appointed in the multidistrict litigation in the Northern District of Ohio, *In re National Prescription Opiate Litigation*, No. 1:17-MD-2804 ("MDL PEC"), in connection with the Janssen Master Settlement Agreement ("Janssen Agreement"). This Fee Agreement becomes effective on the Effective Date of the Janssen Agreement or the date that the Consent Judgments anticipated under the Janssen Agreement become final in 25 Settling States (whichever is later). However, the costs specified in paragraphs II.I.1 and II.I.4 of this Fee Agreement that are to be funded pre-Effective Date by Janssen are effective upon agreement in writing with Janssen.

I. Definitions

- A. This Fee Agreement incorporates all defined terms in the Janssen Agreement, unless otherwise defined herein, and shall be interpreted in a manner consistent with the Janssen Agreement.
- B. "*Attorney.*" Any of the following retained through a legal contract: a solo practitioner, multi-attorney law firm, or other legal representative of a Participating Subdivision.
- C. "*Attorney Fee Fund.*" An account consisting of funds allocated to pay attorneys' fees approved pursuant to Section II of this Fee Agreement established by Order of and under the ongoing jurisdiction of the MDL Court, as provided below.
- D. "*Common Benefit Fund.*" The sub fund of the Attorney Fee Fund described in Section II.C.
- E. "*Contingency Fee Fund.*" The sub fund of the Attorney Fee Fund described in Section II.D.
- F. "*Cost and Expense Fund Administrator.*" The administrator appointed by the MDL Court to administer the MDL Expense Fund and Litigating Subdivision Cost Fund as provided in the Fee Agreement.
- G. "*Cost Funds.*" Collectively, the MDL Expense Fund and Litigating Subdivision Cost Fund.
- H. "*Fee Entitlement.*" Any right, entitlement or expectation, including but not limited to a fee contract, contingent fee contract, agreement, referral arrangement, co-counsel arrangement, State Back-Stop agreement, or any other arrangement by which counsel could receive compensation or other consideration. For the avoidance of doubt, the scope of Fee Entitlement under paragraph II.G.3.a does not include any Attorneys' fees associated with representation of a State.

- I. “*Fee Panel.*” The three-person panel appointed by the MDL Court to administer the Attorney Fee Fund and its sub funds as provided in the Fee Agreement.
- J. “*Litigating Subdivision Cost Fund.*” The cost fund described in Section II.E herein.
- K. “*MDL Court.*” United States District Court for the Northern District of Ohio Eastern Division, Case No. 1:17-md-2804, Judge Dan Aaron Polster.
- L. “*MDL Expense Fund.*” The cost fund described in Section II.F below.
- M. “*MDL PEC.*” The Plaintiffs’ Executive Committee appointed by the MDL Court.
- N. “*Non-Participating Litigating Subdivision.*” A Litigating Subdivision that is not a Participating Subdivision.
- O. “*Participating Litigating Subdivision.*” A Litigating Subdivision that is also a Participating Subdivision.
- P. “*Participation Agreement.*” An agreement executed by an Attorney that acknowledges the obligation to pay an appropriate MDL Common Benefit Assessment.
- Q. “*Qualifying Representation.*” Legal services provided for representation of a Participating Litigating Subdivision regarding Released Claims against Released Entities.
- R. “*State Back-Stop Agreement.*” Any agreement by a Settling State and private counsel for Participating Subdivisions in that State (or legislation enacted in that State) to provide, adjust, or guarantee attorneys’ fees and costs, whether from the Attorney Fee Fund or any other source recognized in the agreement or legislation.

II. Fees and Costs

- A. *Total Attorneys’ Fees and Costs.*
 - 1. Total attorneys’ fees and costs to be paid by Janssen to Attorneys in each of the relevant Payment Years under this Agreement shall be up to the following amounts, subject to the provisions set forth below, including with respect to the division of the Attorney Fee Fund into its sub funds:

| | Attorney Fee Fund (Contingency Fee Fund and Common Benefit Fund) | MDL Expense Fund | Litigating Subdivision Cost Fund |
|----------------|---|------------------|----------------------------------|
| Payment Year 1 | \$32,391,518.74 | \$9,615,384.61 | \$10,000,000.00 |
| Payment Year 2 | \$35,936,883.63 | | \$10,000,000.00 |
| Payment Year 3 | \$64,482,248.52 | | \$10,000,000.00 |
| Payment Year 4 | \$43,720,414.21 | | |
| Payment Year 5 | \$43,720,414.21 | | |
| Payment Year 6 | \$43,720,414.21 | | |
| Payment Year 7 | \$43,720,414.21 | | |

2. The sub funds within the Attorney Fee Fund shall include the Common Benefit Fund and the Contingency Fee Fund. The Cost Funds shall include the MDL Expense Fund, and the Litigating Subdivision Cost Fund. The State Counsel Fee Fund and the State Cost Fund shall be separate funds under the control of the Settling States.
3. The Contingency Fee Fund and the Common Benefit Fund shall be administered by a Fee Panel to be appointed by the MDL Court that will be governed by the provisions of this Fee Agreement and shall design the process and procedures for the allocation of fees pursuant to this Fee Agreement and the MDL Court's Order. The Cost Funds shall be administered by the Cost and Expense Fund Administrator to be appointed by the MDL Court who will be governed by the provisions of this Fee Agreement and shall design the process and procedures for the allocation of costs pursuant to this Agreement and the MDL Court's Order.
4. The fees and costs to be paid under this Fee Agreement are available for Attorneys engaged in Qualifying Representations only. Fees and costs to be paid under this Fee Agreement are not available prior to the Effective Date of the Janssen Agreement or if the Janssen Agreement does not proceed past Janssen's determination in Section VIII.A of the Janssen Agreement. Fees and costs to be paid under this Fee Agreement are not available for representation of Non-Participating Subdivisions or Non-Litigating Subdivisions and are not available for representation of private hospitals, third-party payors, NAS claimants, personal injury/wrongful death claimants, or any entity other than Participating Litigating Subdivisions. In addition, fees and costs under this Fee Agreement are not available for representation of

any individual or entity in matters other than those claims against Released Entities, but may include a reasonable share of representations that involve development of facts for pursuit of opioid-related claims against multiple defendants in the pharmacy, manufacturing, and distribution chain.

B. *Attorney Fee Fund and Sub Funds*

1. There shall be a split of the Attorney Fee Fund into the Contingency Fee Fund and the Common Benefit Fund. The split shall be 40% to the Contingency Fee Fund and 60% to the Common Benefit Fund.
2. In no event shall Janssen be required to pay more into the Attorney Fee Fund in any Payment Year than the maximum amount specified for that Payment Year in paragraph II.A.1, which amounts are reflected in Exhibit M to the Janssen Agreement. The amounts allocated to the Contingency Fee Fund and the Common Benefit Fund set by the Fee Panel shall be subject to the reductions and offsets set forth below.
3. Awards of fees from the Contingency Fee Fund shall be available to Attorneys with Qualifying Representations of Participating Litigating Subdivisions eligible to receive an allocation under the Janssen Agreement, as set forth in Exhibit G to the Janssen Agreement, and shall be made applying the Mathematical Model attached as Exhibit “A” to this Fee Agreement. The collection of the data and calculations for the Mathematical Model has been a cooperative effort among private counsel for a large number of Litigating Subdivisions. The analysis has been spearheaded by Joseph Tann and Andrew Arnold. The Fee Panel is encouraged to continue working with those counsel in application of the Model. The Fee Panel shall oversee the application of the Model and resolve any questions or disputes concerning the eligibility of a Counsel to participate as required in Section II.G. The Panel is empowered to hear disputes concerning and ensure the accuracy of the mathematical calculation.
4. As to awards from the Contingency Fee Fund, there shall be no right of appeal.
5. Any appeal of an award of the Fee Panel from the Common Benefit Fund will be made to the MDL Court and be reviewed under an abuse of discretion standard.

C. *Common Benefit Fund (60% of the Attorney Fee Fund.)*

1. Funds in the Attorney Fee Fund shall be allocated to the Common Benefit Fund according to the schedule set forth below, subject to the adjustments described in paragraph II.C.5. The payments are to be made on the following yearly schedule, subject to the adjustments set forth below:

| | |
|----------------|-------------------------|
| Payment Year 1 | \$19,434,911.24 |
| Payment Year 2 | \$21,562,130.18 |
| Payment Year 3 | \$38,689,349.11 |
| Payment Year 4 | \$26,232,248.53 |
| Payment Year 5 | \$26,232,248.53 |
| Payment Year 6 | \$26,232,248.53 |
| Payment Year 7 | \$26,232,248.53 |
| Total: | \$184,615,384.64 |

2. The Common Benefit Fund shall be available to compensate Attorneys engaged in Qualifying Representations of Participating Litigating Subdivisions who:
 - a. have performed work for the common benefit of all subdivisions pursuant to the guidelines established by Judge Polster set forth in MDL 2804 and the Order dated June 19, 2018, under docket number 636, which is included herein by reference; and
 - b. satisfy the eligibility criteria set forth in Section II.G.

For purposes of Common Benefit Fund distribution, notwithstanding paragraph II.A.4, Attorneys representing Tribal Nations litigating against Janssen that have reached a settlement for Released Claims with Janssen and/or Released Entities and meet the eligibility criteria in Section II.G shall be eligible.

3. The Common Benefit Fund shall be overseen by the Fee Panel, which shall determine the allocation of funds to eligible Attorneys consistent with this Fee Agreement and the June 19, 2018 Order;
4. In assessing the benefits that an Attorney has conferred to Participating Subdivisions (including non-Litigating Subdivisions) and/or Tribes for purposes of any compensation decision, the Fee Panel shall give significant weight to the extent to which (i) the Attorney and his or her clients have contributed to increasing (or reducing) the Initial Participation Tier achieved through participation in the Janssen Agreement, (ii) the Attorney and his or her clients have contributed to increasing (or reducing) the amounts achieved under Incentive Payments A-D through participation in the Janssen Agreement, and (iii) the Attorney and his or her clients have contributed to the potential triggering of any suspension, reduction, or offset of Settlement payment amounts under the Janssen Agreement. The panel may also consider additional fee recoveries the Attorney may potentially obtain, including, but not limited to, from State Back-Stop Agreements, representations of States or Tribal Nations, representations of other clients in opioids-related matters, or through the representation of Subdivision clients,

whether they participated in the Janssen Agreement or not. It is the intent of this provision to recognize that the goal of the Janssen Agreement is to provide for maximum participation by the Subdivisions, maximum abatement funding for all Subdivisions nationally, and the maximum peace for Released Entities. Therefore, representing a Non-Participating Subdivision does not further the goal of the Janssen Agreement, and should not be considered Common Benefit because it does not increase funds available to Participating Subdivisions' abatement programs. Representing Later Litigating Subdivisions is antithetical to the Janssen Settlement, detracts from Common Benefit, and is addressed by the ethics opinion discussed in paragraph II.I.4. The Fee Panel shall consider this concept of "common detriment" set forth in this paragraph in all of its decision making with respect to the allocation of the Attorney Fee Fund among Attorneys, as well as, in its discretion, any offsets provided to Janssen as set forth in paragraph II.C.6 and Section II.H. The Fee Panel shall consider the totality of the Attorney's Participating Litigating Subdivisions as compared to the Attorney's Non-Participating Litigating Subdivisions; the Parties recognize that, although the goal is for 100% participation, Attorneys with a higher number of clients have a higher probability of having one or more non-Participating Litigating Subdivision. As used in this paragraph II.C.4, "client" or "representing" a Subdivision shall include any Litigating Subdivision as to which the Attorney has a Fee Entitlement.

5. As set forth in paragraph II.C.6 and Section II.H, the Fee Panel must consider the factors described in paragraph II.C.4 to determine how and whether to reduce the amounts to be paid by Janssen under this Fee Agreement and to determine how to allocate funds among Attorneys. They may also, at their discretion, consider other factors. Any reduction in payment obligation or credit to be given Janssen in this Fee Agreement shall be applied against Payment Year 7 and working backwards. Any reduction to an Attorney not credited to Janssen shall be allocated to attorneys whose Litigating Subdivision clients participated in the settlement by the Initial Participation Date.
6. The amounts to be provided as a credit or offset to Janssen from the Common Benefit Fund shall depend on the relevant Participation Tier achieved, set forth in Exhibit H of the Janssen Agreement, as follows:
 - a. At Participation Tier 1 or below, the Common Benefit Fund payments to be paid by Janssen shall be reduced as follows:
 - i. With respect to any Attorney seeking payment from the Common Benefit Fund, the Fee Panel shall compare the aggregate allocation that Participating Litigating Subdivisions with which the Attorney has a Fee Entitlement would receive using the negotiating class allocation metrics with the aggregate amount that all Litigating Subdivisions (Participating and Non-Participating) with which the Attorney has a

Fee Entitlement would receive using the negotiating class allocation metrics, provided that only Litigating Subdivisions in Settling States shall be considered for this ratio. The Fee Panel will multiply the amount to be paid to that Attorney from the Common Benefit Fund by that ratio, reduce the Attorney's award by a maximum reduction of 15%, and the dollar amount of such reduction shall be deducted, dollar-for-dollar, from the amount owed by Janssen to the Common Benefit Fund of the Attorney Fee Fund.

- ii. In the event that any Non-Participating Subdivision that is (a) under the jurisdiction of the MDL Court or (b) represented by an Attorney that is obligated to pay into the MDL Common Benefit Fund pursuant to a Participation Agreement, an order of the MDL Court, or any other arrangement settles with or wins a judgment against a Released Entity separate from the Janssen Agreement, and such settlement or judgment results in a common benefit fee assessment or fee payment into the MDL Common Benefit Fund during the time of Janssen's obligation to pay fees under this Fee Agreement, Janssen's obligation to pay into the Common Benefit Fund shall be reduced dollar-for-dollar for any amount of such fee assessments or payments (in the aggregate based on all reductions in this subparagraph II.C.6.a.ii) that exceed the reductions in subparagraph II.C.6.a.i.
 - iii. For the avoidance of doubt, in Tier 1 for each settlement or judgment with Janssen that results in an assessment or payment to the MDL Common Benefit Fund, that payment shall result in an offset for Janssen, unless the assessment or payment occurs after the Payment Date for Year 7.
- b. At Participation Tier 2, the Common Benefit Fund payments to be made by Janssen shall be reduced only as follows:
- i. Reduction by the Fee Panel. With respect to all Attorneys making an application that seeks payment from the Common Benefit Fund, the Fee Panel shall, following a determination that an Attorney is eligible under Section II.G, apply the criteria specified in paragraph II.C.4 in determining whether the lack of participation by Subdivisions with which an Attorney has a Fee Entitlement has resulted in a reduction in the Participation Tier achieved, reduction in benefit to Participating Subdivisions as a result of reductions in Incentives A-D, and/or potential triggering of a suspension, reduction, or offset under the Janssen Agreement. If the Fee Panel concludes that such a reduction has occurred, it must consider (1) the relative size of the Non-Participating Subdivision, as adjusted by the severity measures reflected in Exhibit H (governing the Participation Tiers) of the Janssen Agreement, and the impact of its non-participation on the

Janssen Agreement as a whole (including amounts of Incentive Payments and triggering of suspensions, reductions, or offsets); (2) whether and by how much the payment to the Attorney from the Common Benefit Fund should be reduced as a result of the impact of such non-participation on Participating Subdivisions; and (3) whether some or all of said reduction should revert to Janssen due to the reduction in peace obtained from the Janssen Agreement. Consideration of the factors discussed in this subparagraph and paragraph II.C.4 is mandatory. The decision whether to (and by how much) to reduce payments by Janssen or to reduce the payment to any Attorney based on the factors in paragraph II.C.4 shall be in the sole discretion of the Fee Panel.

ii. Offsets.

- (1) In the event that any Non-Participating Subdivision that is (a) under the jurisdiction of the MDL Court or (b) represented by an Attorney that is obligated to pay into the MDL Common Benefit Fund pursuant to a Participation Agreement, an order of the MDL Court, or any other arrangement settles with or wins a judgment against a Released Entity separate from the Janssen Agreement, and such settlement or judgment results in a common benefit fee assessment or fee payment into the MDL Common Benefit Fund during the time of Janssen's obligation to pay Common Benefit Fees under this Fee Agreement, Janssen's obligation to pay into the Common Benefit Fund shall be reduced dollar-for-dollar up to the amount of the fee assessment or payment, except that such amount shall be capped at 7.5% of the amount of the settlement or judgment. Such reduction shall be taken first from Payment Year 7 of Janssen's payments to the Common Benefit Fund of the Attorney Fee Fund up to the full amount of Janssen's payment obligation in Payment Year 7, then from Payment Year 6, and so on.
 - (2) For the avoidance of doubt, for each settlement or judgment with Janssen that results in an assessment or payment to the MDL Common Benefit Fund, that payment shall result in an offset for Janssen, unless the assessment or payment occurs after the Payment Date for Payment Year 7.
- c. At Participation Tier 3, the reductions to the Attorney Fee Fund shall be the same as set forth in subparagraph II.C.6.b, except that the cap on each offset shall be 5% of the amount of such settlement or judgment.
 - d. At Participation Tier 4, there shall be no reductions to Janssen's obligations to make payment into the Common Benefit Fund, but the principles set forth in paragraph II.C.4 shall continue to apply.

D. *Contingency Fee Fund.* (40% of the Attorney Fee Fund.)

1. Funds from the Attorney Fee Fund shall be allocated to the Contingency Fee Fund on the following yearly schedule, subject to the adjustments set forth below:

| | |
|----------------|-------------------------|
| Payment Year 1 | \$12,956,607.50 |
| Payment Year 2 | \$14,374,753.45 |
| Payment Year 3 | \$25,792,899.41 |
| Payment Year 4 | \$17,488,165.68 |
| Payment Year 5 | \$17,488,165.68 |
| Payment Year 6 | \$17,488,165.68 |
| Payment Year 7 | \$17,488,165.68 |
| Total: | \$123,076,923.09 |

2. The Contingency Fee Fund shall be available to compensate Attorneys engaged in Qualifying Representations of Participating Litigating Subdivisions that meet the criteria set forth in Section II.G.
3. The Contingency Fee Fund shall be available to Attorneys who
 - a. represent Litigating Subdivisions that are Participating Subdivisions, whether their actions are filed in state or federal court, and
 - b. meet the eligibility criteria of Section II.G.
 - c. Participation in the Contingency Fee Fund by counsel that have a case that is not subject to the jurisdiction of the MDL Court shall not create, provide, or waive jurisdiction of the MDL Court over that Litigating Subdivision, that case or Attorneys, other than to oversee the fairness of the distribution process, and enforcement of this Fee Agreement.
4. The amounts owed by Janssen to the Contingency Fee Fund shall depend on the relevant Participation Tier set forth in Exhibit H of the Janssen Agreement as follows:
 - a. At Participation Tiers 1, 2 and 3, the Contingency Fee Fund payments shall be reduced as follows:
 - i. For Non-Settling States, the Contingency Fee Fund payments shall first be reduced by the amounts identified by the Fee Panel, pursuant to paragraph II.H.6, that would have been owed to counsel for Litigating Subdivisions in Non-Settling States, had those States and those Litigating Subdivisions been Settling States and Participating Subdivisions.

- ii. Following the calculation in subparagraph II.D.4.a.i, the Contingency Fee Fund payments shall be reduced to reflect the non-joinder of Litigating Subdivisions in Settling States by subtracting the amounts identified by the Fee Panel, pursuant to paragraph II.H.6, that would have been owed to counsel for Non-Participating Litigating Subdivisions in Settling States had such Litigating Subdivisions been Participating Subdivisions.
- b. At Participation Tier 4, there shall be no reductions in the Contingency Fee Fund.
- c. In the event that Janssen, prior to the Effective Date of the Janssen Agreement, settles with any Litigating Subdivision and, under such settlement agreement pays attorneys' fees, the Fee Panel shall treat those Litigating Subdivisions as Participating Litigating Subdivisions and, applying the same criteria applicable to all Attorneys for Participating Litigating Subdivisions, determine what amount they would have been paid from the Contingency Fee Fund if they had become Participating Subdivisions under the Janssen Agreement without such prior settlement. That sum, rather than being paid to the Attorney for the previously settling Litigating Subdivision, shall be credited and/or returned to Janssen as if determined under (a)(ii) above, except that such credit shall not be greater than the amount to the Attorneys paid under the Litigating Subdivision's prior settlement agreement.

E. *Litigating Subdivision Cost Fund.*

1. Janssen shall pay \$30,000,000.00 into the Litigating Subdivision Cost Fund, according to the schedule set forth below:

| | |
|----------------|------------------------|
| Payment Year 1 | \$10,000,000.00 |
| Payment Year 2 | \$10,000,000.00 |
| Payment Year 3 | \$10,000,000.00 |
| Total | \$30,000,000.00 |

2. The Litigating Subdivision Cost Fund shall be available to compensate Attorneys for costs and expenses arising out of representation of Participating Litigating Subdivisions or to compensate Participating Litigating Subdivisions for direct in-house costs for expenditures related to their litigation against Janssen including the cost of in-house employees. No funds in the Litigating Subdivision Cost Fund may be used to compensate the costs incurred by Non-Participating Subdivisions or Non-Litigating Subdivisions or costs and expenses arising out of representation of any such Subdivision. In allocating the Litigating Subdivision Cost Fund, the Administrator shall not allocate any funds for costs incurred after July 21, 2021.

3. During the period between July 21, 2021, and the Effective Date, the MDL PEC, as well as Litigating Subdivisions eligible to claim costs from the Litigating Subdivision Cost Fund, shall make best efforts to cease litigation activity against Janssen, including by jointly seeking stays or severance of claims against Janssen, where feasible, or postponements if a motion to stay or sever is not feasible or is denied, so long as such actions are not otherwise detrimental to the Litigating Subdivision.
4. In the event that Janssen, prior to the Effective Date of the Janssen Agreement, settles with any Litigating Subdivision and, under such settlement agreement pay costs to the Litigating Subdivision or its Attorney, the MDL Cost and Expense Fund Administrator shall treat those Litigating Subdivisions as Participating Litigating Subdivisions and, using the same criteria applicable to all applicants to the Litigating Subdivision Cost Fund, determine what amount in costs the Litigating Subdivision or its Attorney would have been paid from the Subdivision Cost Fund if they had settled under the Janssen Agreement. That sum, rather than being paid to the Attorney or the previously settling Litigating Subdivision, shall be credited and/or returned to Janssen, except that such sum shall not be greater than the amount paid under the previously settled Litigating Subdivision's settlement agreement.
5. The MDL Court shall appoint a Cost and Expense Fund Administrator, who shall develop a process and criteria, with input from participating counsel, by which to a) determine the distribution of amounts from the MDL Expense Fund in pursuit of the claims against Janssen; and b) receive and evaluate applications from Participating Litigating Subdivisions, whether filed in Federal Court or State Court, to seek reimbursement from the Litigating Subdivision Cost Fund for eligible costs under Section II.E.2 in pursuit of the claims against Janssen. The Cost and Expense Fund Administrator shall require transparency from all applicants as to any other sources for compensating Attorneys for Litigating Subdivisions for costs incurred. The Cost and Expense Fund Administrator shall be compensated from the Fund.
6. In the event that the total amount of reimbursements from the Litigating Subdivision Cost Fund approved as reasonable by the Cost and Expense Administrator is less than the \$30,000,000.00, any remaining funds shall revert to Janssen.

F. *MDL Expense Fund.*

1. In Payment Year 1 of the Janssen Settlement, Janssen shall pay the following amount into the MDL Expense Fund:

| | |
|------------------|----------------|
| MDL Expense Fund | \$9,615,384.61 |
|------------------|----------------|

2. The MDL Expense Fund shall be released following the Effective Date of this Fee Agreement without any delay to reimburse the MDL Counsel for an agreed-to portion of the expenses incurred, as approved by the Cost and Expense Fund Administrator. The MDL Expense Fund will be paid directly to the MDL Cost Account, set up by MDL Order and will be administered under the ongoing jurisdiction of the MDL Court, as provided below. No funds may be used to compensate the costs incurred by Non-Participating Subdivisions or to compensate any Attorney for costs incurred in representing one or more Non-Participating Subdivisions.
3. In allocating the MDL Expense Fund, the Administrator shall not allocate any funds for costs incurred after July 21, 2021, unless the Administrator determines that there are sufficient funds to cover all subdivision costs incurred prior to July 21, 2021 and that special circumstances exist to justify costs incurred following the public announcement of the Janssen Agreement.

G. *Eligibility.*

1. It is the intention of all parties participating in the Fee Panel process that there should be total transparency to the Fee Panel and to all fund participants. In connection with the process to be developed by the Fee Panel, any and all monies in attorney's fees, including referral fees, expenses paid, promises for payment, or any other Fee Entitlement, to any applicant in any opioid litigation shall be disclosed to the Fee Panel as a condition of participating in the Attorney Fee Fund and prior to an award from the Fee Panel. Any payment, expectation of payment or perceived entitlement to participate in a State Back-Stop Agreement or any other agreement reached with a Settling State or any Subdivision or any other source regarding payment of fees must be disclosed to the Fee Panel. Similarly, any right to payment from any other fund, for example a fund for payment to lawyers representing Settling States or Tribal Nations or Subdivisions shall be disclosed to the Fee Panel. Because it is anticipated that there will be multiple firms listed on contingent fee agreements with Litigating Subdivisions, the Fee Panel shall establish procedures, with input from Attorneys for Participating Litigating Subdivisions, for who should petition for fees from such groups and to whom the fee shall be paid and thereafter distributed to co-counsel in accordance with applicable agreements. For the avoidance of doubt, all Attorneys that are part of such groups must meet the eligibility criteria in paragraph II.G.3, must be subject to the criteria set forth in paragraph II.C.4, and must be disclosed to the Fee Panel.
2. An Attorney may apply for and recover attorneys' fees from the Common Benefit Fund, the Contingency Fee Fund, and the Litigating Subdivision Cost Fund and any fund created by a past or future State Back-Stop Agreement, provided the Attorney satisfies the requirements relevant to each such fund and requirements for disclosure to the Fee Panel.

3. An Attorney may not receive any payment from the Attorney Fee Fund (which includes both the Contingency Fee Fund and the Common Benefit Fund) unless the following eligibility criteria are met and annually certified by the Attorney:
 - a. The Attorney must expressly waive the enforcement against the Litigating Subdivision client of all Fee Entitlements (other than under State Back-Stop Agreements) arising out of or related to any or all Qualifying Representations of any Participating Litigating Subdivision prior to applying for attorneys' fees from the Attorney Fee Fund or costs from the Cost Funds. All applications for attorneys' fees or costs under this Fee Agreement shall include an affirmation by the Attorney of such waiver and notice to the client(s) of such waiver. Such waiver shall not preclude the Attorney from submitting such Fee Entitlements to the Fee Panel as a factor for consideration in allocating payments from the Attorney Fee Fund or in connection with a State Back-Stop Agreement. For the avoidance of doubt, no Attorney may recover fees or costs under this Fee Agreement unless the Attorney expressly agrees not to enforce Fee Entitlements as to each and every Participating Litigating Subdivision represented by that Attorney, but such Attorneys may participate in and receive funds from a State Back-Stop Agreement.
 - b. The Attorney must represent that s/he has no present intent to represent or participate in the representation of any Later Litigating Subdivision or any Releasor with respect to Released Claims against Released Entities.
 - c. The Attorney must represent that s/he has not and will not engage in any advertising or solicitation related to Released Claims against Released Entities where such advertising or solicitation relates to a representation that the Attorney could not undertake consistent with the ethics opinion referenced in paragraph II.I.4.
 - d. The Attorney must represent s/he will not charge or accept any referral fees for any Released Claims brought against Released Entities by Later Litigating Subdivisions. For the avoidance of doubt, this representation shall not prohibit Attorneys from receiving allocated shares of any future common benefit assessments arising out of settlements or judgments with Later Litigating Subdivisions represented by other Attorneys that are the result of the MDL Court's Common Benefit order.
 - e. The Attorney may not have and must represent that s/he does not have a Fee Entitlement related to a Later Litigating Subdivision.

- f. The Attorney must certify that s/he has reviewed the ethics opinion referenced in paragraph II.I.4 and will act in conformity with such opinion.
 - g. The Attorney must fully disclose the participation, or the anticipation of participation, in any agreement with a Settling State or Participating Subdivision concerning fees arising out of or related to the Janssen Agreement, including any fees paid or anticipated to be paid or any State Back-Stop Agreement.
 - h. The Attorney must identify for the Fee Panel whether s/he utilized state litigation work product or MDL work product, including but not limited to ARCOS data, document repositories, experts developed in the MDL, and deposition transcripts. The Attorney must identify whether s/he signed the MDL Participation Agreement, and for which case(s) it was signed.
 - i. Any Attorney who applies for fees from one or both Funds must represent that, having exercised his/her independent judgment, s/he believes the Janssen Agreement to be fair and will make or has made best efforts to recommend the Janssen Agreement to his or her Subdivision clients in Settling States. For avoidance of doubt, each Attorney is expected to exercise his or her independent judgment in the best interest of each client individually before determining whether to recommend joining the settlement. All applications for attorneys' fees or costs under this section shall include an affirmation by the Attorney in compliance with this Subsection.
4. No Attorney receiving fees under this Fee Agreement may apply for or recover from the Attorney Fee Fund fees arising from representing a Non-Settling State or a Non-Participating Subdivision. All applications for attorneys' fees under this Section shall include an affirmation by the Attorney of compliance with this Section.
 5. An Attorney who has filed an application under this section and received an award of attorneys' fees shall provide a certification of compliance with the Sections of this Fee Agreement annually during the years upon which they are still entitled to receive attorneys' fee payments.
 6. If, at any time, the Attorney is unable to make the representations set forth in this Section, such representations become untrue, or the Attorney falsely represents compliance with the eligibility criteria, the Attorney shall cease to be eligible to receive funds from the Attorney Fee Fund until further review by the Fee Panel of the Attorney's eligibility under and compliance with this Section II.

7. If an Attorney has a Fee Entitlement with a Later Litigating Subdivision or otherwise becomes unable to reaffirm compliance with the eligibility criteria set forth above, the Attorney shall notify Janssen and the Fee Panel. For the avoidance of doubt, any Attorney who undertakes any new representation of, or has a Fee Entitlement with, a Later Litigating Subdivision shall be prohibited from receiving any future funds from the Attorney Fee Fund. If an Attorney fails to notify Janssen and the Fee Panel of such Fee Entitlement with a Later Litigating Subdivision, the Attorney shall be required to refund amounts previously paid.
8. In the event that an Attorney is deemed ineligible by the Fee Panel (whether based on its initial application or subsequent recertification), the Fee Panel shall provide notice to the Attorney and give the Attorney 30 days to provide additional information such that the Fee Panel could re-consider the Attorney's eligibility.
9. To the extent that an Attorney has a Fee Entitlement with a Participating Subdivision and is authorized to bring Released Claims against Released Entities, but such authorization is, in scope, less broad than the category of Released Claims set forth in the Janssen Agreement, such Attorney may participate fully in both the Contingency Fee Fund and the Common Benefit Fund, without any reduction imposed by the Fee Panel due to the scope of the authorization, so long as the Participating Subdivision fully releases all Released Claims against Released Entities.
10. Attorneys applying to the Attorney Fee Fund knowingly and expressly agree to be bound by the decisions of the Fee Panel, subject to the limited appeal rights set forth in this Fee Agreement, and waive the ability to assert the lack of enforceability of the allocation reached through the arbitration procedures outlined herein.

H. *Calculation of Amounts Due.*

1. The Fee Panel shall be solely responsible for determining the amount of fees to be paid to each Attorney and each Participating Subdivision that applies under this Section. None of the Released Entities shall have any responsibility, obligation, or liability of any kind whatsoever with respect to how attorneys' fees are calculated under this Section, except that the Fee Panel may receive information from Janssen as to (a) the identity of Participating, Non-Participating, Litigating, Later Litigating, and Non-Litigating Subdivisions; (b) the impact of non-participation by a Litigating Subdivision as is relevant to the Fee Panel's determination in paragraph II.C.4; and (c) such other information as Janssen may voluntarily elect to provide.

2. The Fee Panel shall establish procedures for the arbitration process consistent with this Fee Agreement and orders of the MDL Court. Such procedures may include submission of documentary and/or other evidence, interviews with applicants and/or other counsel (including counsel for Janssen) that the Fee Panel deems appropriate, and/or other means of creating a record upon which fee awards will be based.
3. In making determinations under this Fee Agreement, the Fee Panel must apply the eligibility criteria set forth in Section II.G of this Fee Agreement and the criteria set forth in Section II. In addition, the Fee Panel will give consideration in regard to Common Benefit awards to the *Johnson* factors, as well as the following factors (which factors may be applied and given relative weight in the Fee Panel's discretion):
 - a. The Attorney's contemporaneously recorded time and labor dedicated to Qualifying Representations along with the Attorney's financial commitment to such Qualifying Representations. Claimed "time" will not be automatically accepted by the Fee Panel but will be critically reviewed and given substantially more weight and consideration if such time was subject to the audit process described in any Pretrial Order(s) governing the collection of common benefit time;
 - b. The novelty, time, and complexity of the Qualifying Representations;
 - c. The skill requisite to perform legal services properly and undesirability of the case;
 - d. The preclusion of other employment by the Attorney due to time dedicated to Qualifying Representations;
 - e. The "common benefit," if any, alleged to have been conferred by the Attorney and whether such common benefit work product by that Attorney was used by others in parallel litigations against Released Entities whether within or outside the MDL, provided that any Attorney claiming that s/he substantially benefited cases other than those in which s/he entered an appearance as counsel must substantiate such claims by proffering factual support, such as proper supporting affidavits or other documents as determined by the Fee Panel with input from Attorneys for Participating Litigating Subdivisions;
 - f. Any "common detriment," as set forth in paragraph II.C.4.
 - g. Any contingent fee agreement or other Fee Entitlement with Participating Subdivisions, enforcement of which, except for State Back-Stop Agreements, are waived in conjunction with the application, the nature and extent of any work for those Participating Subdivisions, whether such

Participating Subdivisions actively litigated and, if so, the nature and procedural history of such case(s);

- h. The experience, reputation, and ability of the Attorney;
- i. Whether the Attorney's clients brought Released Claims against Released Entities;
- j. The status of discovery in cases primarily handled by the Attorney;
- k. The nature of any work by the Attorney on "bellwether" cases or cases that were similarly active in litigation;
- l. Any pressure points successfully asserted by the Attorney in cases against Janssen or any risk for Janssen created by the Attorney in cases against them;
- m. Any risk for defendants created by applicants in cases against Janssen;
- n. Successful and unsuccessful motion practice in cases worked on by the Attorney;
- o. The date of filing of any cases filed by the Attorney;
- p. Obtaining consolidation of the litigation in the Attorney's jurisdiction;
- q. The number and population of entities represented by the Attorney and the fees that would have been awarded under extinguished contingent fee arrangements;
- r. Whether the Attorney's clients brought claims against Janssen;
- s. Whether the Attorney has had a leadership role in the litigation, whether in state or federal court;
- t. Whether the Attorney has had a leadership role in any negotiations aimed at resolving the litigation;
- u. Whether the Attorney's cases have survived motions to dismiss;
- v. The extent to which the Attorney contributed to the work product used for the common benefit of opioids litigants, including, without limitation, work on ARCOS data, Prescription Data Monitoring Programs, IQVIA data, depositions, document production and analysis experts, motions, briefs and pleadings, trial preparations, and trials;

- w. The extent to which litigation was done prior to and contributed to completion of settlement negotiations, as distinct from litigation that was done litigating after the announcement of the Janssen Agreement, such latter litigation both being of less value and potentially resulting a common detriment to the settlement process; and
 - x. Any other factors that the Fee Panel finds to be appropriate to consider after input from applicants to the Attorney Fee Fund.
4. The Fee Panel shall develop procedures for receiving a single application, which may be updated or amended based on new information (such as participation by additional Litigating Subdivisions) from each Attorney seeking compensation from the Attorney Fee Fund pursuant to processes and procedures developed by the Fee Panel, which shall not be inconsistent with this Fee Agreement. Any request for attorneys' fees not included on the single application or through the updating/amendment process designed by the Fee Panel shall be deemed waived. For purposes of transparency and to permit the Fee Panel to conduct its work, the application from each Attorney shall, at a minimum, require each Attorney to
- a. Identify all Litigating Subdivisions for which s/he is seeking payment from the Attorney Fee Fund;
 - b. Identify all Subdivisions in both Settling and Non-Settling States (and, where applicable, Tribal Nations) with respect to which s/he has a Fee Entitlement with respect to Relevant Claims against Released Entities, and identify all co-counsel in such cases;
 - c. Identify which of those Subdivisions are Participating Subdivisions and which are not (with similar information for Tribal Nations, where applicable);
 - d. Specify the specific fund or funds within the Attorney Fee Fund from which the Attorney is seeking compensation;
 - e. Demonstrate his or her eligibility for compensation from the relevant sub funds within the Attorney Fee Fund pursuant to the criteria set forth for the relevant sub fund;
 - f. Identify any and all Fee Entitlements from representations of States, Tribal Nations, or other plaintiffs related to Released Claims against Released Entities or in opioids-related matters;
 - g. Notwithstanding "a-f" above, the Panel may consider a supplemental application if the Attorney shows good cause why circumstances exist that will lead to consideration for additional Common Benefit award.

Examples would include, but are not limited to, an Attorney having Non-Participating Litigating Subdivision clients that subsequently become Participating Subdivisions, a Bar Date passes that increases participation or the Participation Tier, or an Allocation Agreement is reached.

5. With respect to the Common Benefit Fund, the Fee Panel shall (subject to any applicable MDL Court Order):
 - a. Review the applications of all Attorneys seeking compensation from the Common Benefit Fund, including determining eligibility for each Attorney as set forth in Section II.G.
 - b. Reduce, on an annual basis, Janssen's payment obligations, as set forth in paragraph II.C.5. The Panel shall inform Janssen and the MDL PEC of all such amounts and adjust Janssen's payment obligations accordingly.
 - c. Using criteria set forth in Sections II.C and II.I, allocate amounts from the Common Benefit Fund to eligible Attorneys, including payment amounts for each Payment Year. In making such allocations (regardless of the Participation Tier achieved), the Panel shall apply the principles set forth in paragraph II.C.4 and shall allocate any reduction in the payments of Janssen specified in paragraph II.C.5 to the amounts paid to Attorneys with a Fee Entitlement to Litigating Subdivisions that are not Participating Subdivisions.
6. With respect to the Contingency Fee Fund, the Fee Panel shall:
 - a. Review the applications of all Attorneys seeking compensation from the Litigating Subdivision Fee Fund, including determining eligibility for each Attorney as set forth in Section II.G.
 - b. Apply the Mathematical Model in Exhibit A.
 - c. Use such allocations to reduce payments, on an annual basis, the payment obligations of Janssen to the Attorney Fee Fund as set forth in paragraph II.D.4, and distributions therefrom, and inform Janssen and the MDL PEC of all such adjustments.
7. To the extent that there is a dispute about the calculations of the Fee Panel related to the amounts that Janssen is required to pay (including application of any reductions or offsets under this Fee Agreement), such disputes shall be presented to the Fee Panel and any disputed funds be paid into/held in escrow. The Fee Panel shall resolve such disputes expeditiously, with either Party having the right to seek review from the MDL Court.

8. For purposes of determination of fee or cost awards, allocations, reductions, and possible reversions under this Fee Agreement, unless specified otherwise a Subdivision will be considered a Non-Participating Subdivision if it is not a Participating Subdivision as of the deadline for the application for the fee or cost award at issue (or, if the determination does not involve a specific application, the date on which the record for such determination closes).
9. In the event that the Fee Panel, through the use of the Mathematical Model set forth in Exhibit A, allocates funds from the Contingency Fee Fund for an Attorney based on a Qualifying Representation of a Participating Litigating Subdivision or allocates cost to such Participating Litigating Subdivision and that Subdivision is in a Settling State in which the Consent Judgment has not been approved, such funds shall be placed into escrow until the Consent Judgment is approved, after which time they shall be released.

I. *Miscellaneous.*

1. The costs associated with the Fee Panel prior to the Effective Date of the Attorney Fee Agreement shall be funded by Janssen. The Fee Panel shall charge an hourly rate that previously has been approved by a federal or state court and shall provide a budget and a cap for such work prior to the Effective Date, which shall be approved by Janssen and such approval shall not be unreasonably withheld. Janssen shall receive a refund for any such payment of pre-Effective Date costs from interest that accrues on the monies in the Attorney Fee Fund (including interest that accrues during such time as the Attorney Fee Fund monies are in escrow prior to the Effective Date of the Janssen Agreement), up to the amount of such costs. Post-Effective Date, the cost of the Fee Panel shall be charged against the applicable Fee Fund based on allocation by the Fee Panel and shall not be otherwise funded by Janssen. The costs associated with the Cost and Expense Fund Administrator shall be paid from funds in the MDL Expense Fund and the Litigating Subdivision Cost Fund and shall not be otherwise funded by Janssen.
2. The MDL PEC will seek, and the Attorneys General for Settling States and Janssen will not oppose, a Common Benefit Fee Order requiring an assessment of 7.5% on the gross recovery (by judgment or settlement) of any Non-Participating Subdivision that is subject to the federal court jurisdiction, represented by a MDL PEC firm, represented by any Attorney receiving fees from the Common Benefit Fund, represented by any Attorney that signed a Participation Agreement or paid in a case otherwise under the jurisdiction of the MDL Court.
3. The MDL PEC shall provide to Janssen information they have that identifies Attorneys who represent Litigating Subdivisions who are not Participating Subdivisions and who have an obligation to pay a common benefit assessment, either due to the MDL Court's orders or having signed a Participation Agreement.

4. The MDL PEC shall retain ethics counsel of its choice to provide an opinion that addresses the compliance of its ethical obligations, as it relates to the Janssen Agreement. Such opinion shall address the issue of the potential conflict of interest for an Attorney that had represented a Participating Subdivision also representing a Later Litigating Subdivision as defined in the Janssen Agreement. This Subsection shall be enforceable to the extent permitted by the equivalent to Rules 1.16 and 5.6 of the ABA Model Rules of Professional Conduct in the relevant jurisdictions. The opinion shall be provided to Janssen as soon as it is completed and, in any event, prior to July 31, 2021 and shall be disseminated to counsel eligible to apply to the Attorney Fee Fund within 30 days of the announcement of the Janssen Agreement. The MDL PEC represents that it will comply with this opinion until the Reference Date and thereafter if the Janssen Agreement proceeds.
5. Participating Subdivisions agree to instruct their counsel to treat information, work product and expert materials as secret under Rule 1.6 of the ABA Model Rules of Professional Conduct. Accordingly, an Attorney shall not share information or work product with, or experts or materials to, non-participants (other than the Attorney's own current clients or their lawyers, consultants, experts or other representatives or agents). However, nothing herein shall prevent MDL Leadership or PEC Counsel from fulfilling their obligations in any MDL and the MDL Court Order.

III. Miscellaneous

A. *Termination.* If the Janssen Agreement does not proceed past the Reference Date, whether because Janssen does not determine to proceed or for any other reason, this Fee Agreement shall be null and void, Janssen shall have no obligation to make any payments under this Fee Agreement, and Janssen and the PEC shall take such steps as are necessary to restore the *status quo ante*.

B. *MDL Court Consideration.* This Fee Agreement shall be attached as an exhibit to the Janssen Agreement. This Fee Agreement shall also be submitted by Janssen and the MDL PEC to the MDL Court for approval pursuant to the motion and order that shall be attached, prior to the Preliminary Agreement Date of the Janssen Agreement, as Exhibit B.

1. In the event that the MDL Court, through an order, makes any change to the amounts potentially to be paid by Janssen under this Fee Agreement, makes any change to the Fee Panel's consideration of the factors set forth in paragraph II.C.4, or any other material change to the draft Order attached as part of Exhibit B or the terms of this Fee Agreement, Janssen and the MDL PEC shall meet and confer concerning such changes.
2. If Janssen and the MDL PEC are unable to reach agreement and revisions to this Fee Agreement in the event discussed in paragraph III.B.1, this Fee

Agreement shall be null and void, Janssen shall have no obligation to make any payments under this Fee Agreement, and Janssen and the MDL PEC shall take such steps as are necessary to restore the *status quo ante*.

C. *Amendment.* Once the MDL Court has entered an order implementing this Fee Agreement, this Fee Agreement can only be amended by (1) written agreement of Janssen and the MDL PEC and (2) approval by the MDL Court.

D. *Jurisdiction and Enforcement.* The MDL Court shall have exclusive and ongoing jurisdiction over the enforcement and implementation of this Fee Agreement as set forth herein. The MDL PEC shall be the Authorized Party to enforce this Fee Agreement, as to the payment obligations of Janssen as set forth in this section, and as to Attorneys making application to the Funds under this Fee Agreement. Solely for purposes of assessing or allocating common benefit fees, the MDL Court will continue to have jurisdiction over the work product developed in the MDL Court by and under the direction of the MDL PEC with respect to claims against Janssen, including data and documents, depositions, expert reports, briefs and pleadings; and the MDL Court's protective orders, management orders, and other decisions regarding such discovery and other work product, including but not limited to, conditions on its use, will continue in full force and effect. Nothing in this paragraph authorizes the MDL Court to act contrary to this Agreement or to share any of the work product, or provides the MDL Court with jurisdiction over the Janssen Agreement.

EXHIBIT S

Agreement on the State Cost Fund Administration

1. **Creation of a State Cost Fund.** Janssen and the Settling States agree to the creation of a state cost fund to pay litigation costs and expenses associated with litigation and investigation related to the opioid litigation (hereinafter the “State Cost Fund”). This agreement is a material part of the Settlement Agreement. The State Cost Fund shall be administered separately from the Common Benefit Fund, the Contingency Fee Fund, the State Counsel Fee Fund, Subdivision Costs Fund, and the MDL Expense Fund. No funds may be released from the State Cost Fund to Non-Settling States.

2. **State Cost Fund Amount.** In Payment 1 of the Settlement, Janssen shall pay into the State Cost Fund \$13,461,539 (the “State Cost Fund Amount”). Janssen’s State Cost Fund payment shall be a component of its Global Settlement Attorney Fee Amount payable to the Attorney Fee Fund, for Payment 1.

3. **State Cost Fund Committee.** A committee of Attorneys General from Settling States or their designated representatives (hereinafter the “State Cost Fund Committee”) shall oversee the State Cost Fund. The committee shall initially consist of the following states: (a) Delaware; (b) Florida; (c) Georgia; (d) New York; (e) North Carolina; (f) Ohio; (g) Tennessee; and (h) Texas. The Settling State Attorneys General may by majority vote add or change the composition of the State Cost Fund Committee, including replacing any above State, if that State is not a Settling State.

4. **State Cost Fund Administrator.** The State Cost Fund Committee shall select an administrator (the “State Cost Fund Administrator”). The State Cost Fund Administrator may be different from the Settlement Administrator under the Settlement Agreement. The State Cost Fund Administrator shall be responsible for administering the State Cost Fund and making payments to Settling States.

5. **State Cost Fund Guidelines.** Monies in the State Cost Fund shall be released without any delay to reimburse Settling States for documented opioid litigation and investigation costs incurred or paid. In allocating the State Cost Fund, no funds shall be allocated for costs incurred after July 21, 2021. The State Cost Fund Committee shall establish guidelines for the submission and approval of expenses eligible for reimbursement from the State Cost Fund. The State Cost Fund Administrator shall, in accordance with such guidelines, receive from Settling States records sufficient to demonstrate the incurrence and/or payment of each expense attributable to investigation or litigation related to the opioid litigation, including any outstanding National Association of Attorneys General grant.

6. **State Cost Fund Payment Priorities and Residual.** To the extent that that the aggregate eligible submissions of costs and expenses from Settling States exceed the State Cost Fund Amount, payments to Settling States shall be paid in the following order until the State

Cost Fund is exhausted. If the State Cost Fund is unable to fully pay costs at any of the following levels, then Settling States with costs at that level shall be paid on a proportional basis. All expenses with a lesser priority from the level where the State Cost Fund is exhausted will not be reimbursed from the State Cost Fund. Costs shall be paid in the following order: (a) the reasonable costs of the State Cost Fund Administrator, if any; (b) repayment of the National Association of Attorneys General grants connected to opioid litigation; (c) costs incurred or paid by outside counsel for a Settling State litigating against Janssen apart from any fee owed; (d) litigation-related costs attributable to the Janssen case incurred or paid by a Settling State litigating against Janssen; (e) pre-suit investigation-related costs attributable to a Janssen investigation incurred or paid by either a Settling State outside counsel (not including any amount of fees or any costs which have already been reimbursed pursuant to clause (c), above) or a Settling State investigating Janssen; (f) costs incurred or paid by a Settling State or outside counsel litigating against another opioid defendant other than a cost share entered into by a Settling State, which costs have not yet been paid under a preceding clause of this paragraph; (g) the amounts paid by a Settling State as part of cost share related to the filing of a proof of claim in the Purdue Pharma, L.P. bankruptcy; and (h) the amounts paid by a Settling State as part of any other cost share, including, but not limited to the cost share entered into by the Non-Consenting States in the Purdue Pharma, L.P. bankruptcy. If the State Cost Fund has additional monies after payment of the State Cost Fund Administrator's and all Settling States' submitted costs, then the remaining funds will be provided to the National Association of Attorneys General to be placed in the Financial Services Fund for the purpose of funding grants for consumer protection or healthcare-related enforcement or training activities. In determining what costs are attributable to Janssen, the State Fund Committee shall develop a guideline that ensures that all Settling States are treated equitably.

| Wisconsin | 99.6616% |
| Wyoming | 100.9659% |

EXHIBIT U

Agreement on the State Outside Counsel Fee Fund

1. **Creation of a State Outside Counsel Fee Fund.** Janssen and the Settling States agree to the creation of a state outside counsel fee fund to pay reasonable attorney's fees of Settling States with outside counsel in connection with litigation against Janssen (the "State Outside Counsel Fee Fund"). This agreement is a material part of the Settlement Agreement. All terms utilized in this Agreement shall have the same meaning as in the Settlement Agreement unless otherwise indicated.
2. **State Outside Counsel Fee Fund Administration.** The State Outside Counsel Fee Fund shall be administered separately from the Common Benefit Fund, the Contingency Fee Fund, the State Cost Fund, and the MDL Expense Fund. A committee of Attorneys General shall oversee the State Outside Counsel Fee Fund ("Fee Fund Committee"). The Fee Fund Committee shall initially consist of the following: (a) Arkansas; (b) Florida; (c) New Jersey; and (d) Puerto Rico. The Fee Fund Committee shall select a settlement fund administrator (who may or may not be different from the Settlement Administrator under the Distributor Agreement) (the "Fee Fund Administrator") who shall administer the State Outside Counsel Fee Fund according to the guidelines and directives of the Fee Fund Committee.
3. **State Outside Counsel Fee Eligibility.** To participate in the State Outside Counsel Fee Fund, an outside counsel for a Settling State must have filed and be maintaining an action in the name of a Settling State or its attorney general against Janssen in a state or federal court as of June 1, 2021. No Settling State can draw attorney's fees from both the State Outside Counsel Fee Fund and the similarly sized fund to reimburse Settling State's without outside counsel.
4. **State Outside Counsel Fee Fund Amount.** Janssen shall pay funds in the State Outside Counsel Fee Fund according to the schedule set forth below, as part of its annual Global Settlement Attorney Fee Amount payable to the Attorney Fee Fund, subject to the adjustments described below:

| | |
|----------------|-----------------|
| Payment Year 1 | \$32,391,518.74 |
| Payment Year 2 | \$30,769,230.77 |
| Payment Year 3 | \$ 4,146,942.80 |
5. **State Outside Counsel Fee Fund Availability and Calculation of Amount.**
 - a. The State Outside Counsel Fee Fund shall be available to compensate private counsel for State Attorneys General for approved fees arising out of representation of the State pursuant to the schedule developed by the Fee Fund Committee and provided to Janssen.

- b. Fees shall be calculated by adding two components: (a) a fixed amount consisting of fifty (50%) of the amount allocated to a State utilizing the allocation percentage in the Settlement Agreement multiplied times 4.5%; and (b) a proportional percentage of the remaining fee due under that Settling State's contract assuming that fifty (50%) of the State's recovery is allocable to a Settling State (versus allocable to the Settling State's Subdivisions) so that the fees of all Settling States (minus the base amount that would have been due to any of Non-Settling States) exhausts the State Outside Counsel Fee Fund. The proportional share percentage will be the same for each Settling State included in the State Outside Counsel Fee Fund. All amounts paid will be less any costs or fees of the Fee Fund Administrator.

6. Payment by the Fee Fund Administrator.

- a. If a Settling State and a Settling State's outside counsel agree that the amount calculated in paragraph 5 above satisfies in full amounts owed to all Settling State outside counsel, then upon written notice of that agreement and counsel waiving in writing any entitlement to any additional fee, the Fee Fund Administrator shall pay that Settling State's outside counsel pursuant to the calculation and any schedule created by the Fee Fund Committee.
- b. If a Settling State's outside counsel does not agree that the amount calculated in Paragraph 5 above satisfies in full amounts owed by the Settling State, then the Settling State's share shall be placed in an interest bearing escrow account (less reasonable expenses of the Fee Fund Administrator) and held unless and until the Settling State and its outside counsel agree in a signed writing to a resolution of the amount outstanding or there is a final judgment entered that is no longer appealable.
- c. Upon being provided a signed, written agreement or the final non-appealable judgment, the Fee Fund Administrator shall release monies from the State Outside Counsel Fee Fund in either the amount held by the Fee Fund Administrator, if the amount of the agreement or judgment is equal to or more than the amount held, or the amount indicated in the agreement or in the final judgment, if the amount in the agreement or judgment is less than the amount held.
- d. Nothing herein, including the amounts listed in paragraph 5 above, shall prevent a Settling State from arguing in any proceeding with its outside counsel that (a) its recovery was less than fifty (50%) percent of the recovery in the Settlement Agreement down to and including fifteen (15%) percent of the total recovery; (b) any payment should be discounted by an appropriate discount rate commensurate to the risk of the Settlement Agreement and the timeline that the Settling State is receiving its payments; (c) the settlement amount should be lower because a Settling State's amounts were reduced because a Settling State's outside counsel failed to obtain joinder from a Settling State's Subdivision(s) who(m) the outside counsel also represented;

or (d) any limitation placed by Janssen bars payment of a higher fee to outside counsel.

- e. In the event the amount due to the Settling State's outside counsel from an escrow account is less than the total amount of funds escrowed on the account of the Settling State, the balance shall be paid to the Settling State. In no event, other than a State not being a Settling State, shall funds revert to Janssen.
- f. Amounts owed by Janssen to the State Outside Counsel Fee Fund shall be reduced and/or credited to Janssen by the amount specified in paragraph 7, below, for any Non-Settling outside counsel States.

7. Reversion or Reduction of Amounts owed to Non-Settling States. Amounts owed by Janssen to the State Outside Counsel Fee Fund shall be reduced on account of Non-Settling States as follows:

- a. If the State of Washington does not become a Participating State and eleven (11) of the other outside counsel States in the table below become Participating States, then the amount Janssen owes under paragraph 4 will be reduced by the State of Washington's Fixed Amount in the table below.
- b. If ten (10) outside counsel States in the table below become Participating States, then the amount Janssen owes under paragraph 4 will be reduced by the allocated Fixed Amount in the table below for each Non-Settling State.
- c. If nine (9) or fewer of the outside counsel States in the table below become Participating States, then the amount Janssen owes under paragraph 4 will be reduced by each Non-Settling State's allocated Fixed Amount plus half the difference between the Non-Settling State's full share of the "Fee Amount if all OC States Join" and the Fixed Amount for each Non-Settling State.

| | JJ Allocation % | JJ Payment Amount | State Share | Contract Rate | Full Contract Amount | Fixed Amount | Fee Amount if all OC States Join |

8. In the event that the Fee Fund Administrator has received from Janssen part or all of the amount that Janssen is entitled to offset under paragraph 7 above, the Fee Fund Administrator shall return to Janssen the amount so received.

**Proposed California State-Subdivision Agreement
Regarding Distribution and Use of
Settlement Funds – Distributor Settlement**

1. Introduction

Pursuant to the Distributor Settlement Agreement, dated as of July 21, 2021, and any revision thereto (the “Distributor Settlement Agreement”), including Section V and Exhibit O, the State of California proposes this agreement (the “CA Distributor Allocation Agreement”) to govern the allocation, distribution, and use of Settlement Fund payments made to California pursuant to Sections IV and V of the Distributor Settlement Agreement.¹ For the avoidance of doubt, this agreement does not apply to payments made pursuant to Sections IX or X of the Distributor Settlement Agreement.

Pursuant to Exhibit O, Paragraph 4, of the Distributor Settlement Agreement, acceptance of this CA Distributor Allocation Agreement is a requirement to be an Initial Participating Subdivision.

2. Definitions

- a) *CA Participating Subdivision* means a Participating Subdivision that is also (a) a Plaintiff Subdivision and/or (b) a Primary Subdivision with a population equal to or greater than 10,000. For the avoidance of doubt, eligible CA Participating Subdivisions are those California subdivisions listed in Exhibit C (excluding Litigating Special Districts) and/or Exhibit I to the Distributor Settlement Agreement.
- b) *Janssen Settlement Agreement* means the Janssen Settlement Agreement dated July 21, 2021, and any revision thereto.
- c) *Litigating Special District* means a school district, fire protection district, health authority, health plan, or other special district that has filed a lawsuit against an Opioid Defendant. Litigating Special Districts include Downey Unified School District, Elk Grove Unified School District, Kern High School District, Montezuma Fire Protection District (located in Stockton, California), Santa Barbara San Luis Obispo Regional Health Authority, Inland Empire Health Plan, Health Plan of San Joaquin, and LA Care Health Plan.
- d) *Plaintiff Subdivision* means a Subdivision located in California, other than a Litigating Special District, that filed a lawsuit, on behalf of the Subdivision and/or through an official of the Subdivision on behalf of the People of the State of California, against one or more Opioid Defendants prior to October 1, 2020.

¹ A parallel but separate agreement (the “CA Janssen Allocation Agreement”) will govern the allocation, distribution, and use of settlement fund payments under the Janssen Settlement Agreement. An eligible Subdivision may elect to participate in either the Distributor Settlement or the Janssen Settlement, or in both.

- e) *Opioid Defendant* means any defendant (including but not limited to Johnson & Johnson, Janssen Pharmaceuticals, Inc., Purdue Pharma L.P., Cardinal Health, Inc., AmerisourceBergen Corporation, and McKesson Corporation) named in a lawsuit seeking damages, abatement, or other remedies related to or caused by the opioid public health crisis in any lawsuit brought by any state or local government on or before October 1, 2020.

3. General Terms

This agreement is subject to the requirements of the Distributor Settlement Agreement, as well as applicable law, and the Distributor Settlement Agreement governs over any inconsistent provision of this CA Distributor Allocation Agreement. Terms used in this CA Distributor Allocation Agreement have the same meaning as in the Distributor Settlement Agreement unless otherwise defined herein.

Pursuant to Section V(D)(1) of the Distributor Settlement Agreement, (a) all Settlement Fund payments will be used for Opioid Remediation, except as allowed by Section V(B)(2) of the Distributor Settlement Agreement; and (b) at least seventy percent (70%) of Settlement Fund payment amounts will be used solely for future Opioid Remediation.

4. State Allocation

The Settlement Fund payments to California,² pursuant to the Distributor Settlement Agreement, shall be allocated as follows: 15% to the State Fund; 70% to the Abatement Accounts Fund; and 15% to the Subdivision Fund. For the avoidance of doubt, all funds allocated to California from the Settlement Fund shall be combined pursuant to this CA Distributor Allocation Agreement, and 15% of that total shall be allocated to the State of California (the “State of California Allocation”), 70% to the California Abatement Accounts Fund (“CA Abatement Accounts Fund”), and 15% to the California Subdivision Fund (“CA Subdivision Fund”).

A. State of California Allocation

Fifteen percent of the total Settlement Fund payments will be allocated to the State and used by the State for future Opioid Remediation.

B. CA Abatement Accounts Fund

i. Allocation of CA Abatement Accounts Funds

- a) Seventy percent of the total Settlement Fund payments will be allocated to the CA Abatement Accounts Fund. The funds in the CA Abatement Accounts Fund will be

² For purposes of clarity, use of the term “California” refers to the geographic territory of California and the state and its local governments therein. The term “State” or “State of California” refers to the State of California as a governmental unit.

allocated based on the allocation model developed in connection with the proposed negotiating class in the National Prescription Opiate Litigation (MDL No. 2804), as adjusted to reflect only those cities and counties that are eligible, based on population or litigation status, to become a CA Participating Subdivision. The percentage from the CA Abatement Accounts Fund allocated to each CA Participating Subdivision is set forth in Appendix 1 in the column entitled abatement percentage (the “Local Allocation”). For the avoidance of doubt, Litigating Special Districts and California towns, cities, and counties with a population less than 10,000 are not eligible to receive an allocation of CA Abatement Accounts Funds.

- b) A CA Participating Subdivision that is a county, or a city and county, will be allocated its Local Allocation share as of the date on which it becomes a Participating Subdivision, and will receive payments as provided in the Distributor Settlement Agreement.
- c) A CA Participating Subdivision that is a city will be allocated its Local Allocation share as of the date on which it becomes a Participating Subdivision. The Local Allocation share for a city that is a CA Participating Subdivision will be paid to the county in which the city is located, rather than to the city, so long as: (a) the county is a CA Participating Subdivision, and (b) the city has not advised the Settlement Fund Administrator that it requests direct payment at least 60 days prior to a Payment Date. A Local Allocation share allocated to a city but paid to a county is not required to be spent exclusively for abatement activities in that city, but will become part of the county’s share of the CA Abatement Accounts Funds, which will be used in accordance with Section 4.B.ii (Use of CA Abatement Accounts Funds) and reported on in accordance with Section 4.B.iii (CA Abatement Accounts Fund Oversight).
- d) A city within a county that is a CA Participating Subdivision may opt in or out of direct payment at any time, and it may also elect direct payment of only a portion of its share, with the remainder going to the county, by providing notice to the Settlement Fund Administrator at least 60 days prior to a Payment Date. For purposes of this CA Distributor Allocation Agreement, the Cities of Los Angeles, Oakland, San Diego, San Jose and Eureka will be deemed to have elected direct payment if they become Participating Subdivisions.
- e) The State will receive the Local Allocation share of any payment to the Settlement Fund that is attributable to a county or city that is eligible to become a CA Participating Subdivision, but that has not, as of the date of that payment to the Settlement Fund, become a Participating Subdivision.
- f) Funds received by a CA Participating Subdivision, and not expended or encumbered within five years of receipt and in accordance with the Distributor Settlement Agreement and this CA Distributor Allocation Agreement shall be transferred to the State; provided however, that CA Participating Subdivisions have seven years to expend or encumber CA Abatement Accounts Funds designated to support capital outlay projects before they must be transferred to the State. This provision shall not apply to the Cost Reimbursement Funds, which shall be controlled by Appendix 2.

ii. Use of CA Abatement Accounts Funds

- a) The CA Abatement Accounts Funds will be used for future Opioid Remediation in one or more of the areas described in the List of Opioid Remediation Uses, which is Exhibit E to the Distributor Settlement Agreement.
- b) In addition to this requirement, no less than 50% of the funds received by a CA Participating Subdivision from the Abatement Accounts Fund in each calendar year will be used for one or more of the following High Impact Abatement Activities:
 - (1) the provision of matching funds or operating costs for substance use disorder facilities within the Behavioral Health Continuum Infrastructure Program;
 - (2) creating new or expanded Substance Use Disorder (“SUD”) treatment infrastructure;
 - (3) addressing the needs of communities of color and vulnerable populations (including sheltered and unsheltered homeless populations) that are disproportionately impacted by SUD;
 - (4) diversion of people with SUD from the justice system into treatment, including by providing training and resources to first and early responders (sworn and non-sworn) and implementing best practices for outreach, diversion and deflection, employability, restorative justice, and harm reduction; and/or
 - (5) interventions to prevent drug addiction in vulnerable youth.
- c) The California Department of Health Care Services (“DHCS”) may add to this list (but not delete from it) by designating additional High Impact Abatement Activities. DHCS will make reasonable efforts to consult with stakeholders, including the CA Participating Subdivisions, before adding additional High Impact Abatement Activities to this list.
- d) For the avoidance of doubt, and subject to the requirements of the Distributor Settlement Agreement and applicable law, CA Participating Subdivisions may form agreements or ventures, or otherwise work in collaboration with, federal, state, local, tribal or private sector entities in pursuing Opioid Remediation activities funded from the CA Abatement Accounts Fund. Further, provided that all CA Abatement Accounts Funds are used for Opioid Remediation consistent with the Distributor Settlement Agreement and this CA Distributor Allocation Agreement, a county and any cities or towns within the county may agree to reallocate their respective shares of the CA Abatement Accounts Funds among themselves, provided that any direct distribution may only be to a CA Participating Subdivision and any CA Participating Subdivision must agree to their share being reallocated.

iii. CA Abatement Accounts Fund Oversight

- a) Pursuant to Section 5 below, CA Participating Subdivisions receiving settlement funds must prepare and file reports annually regarding the use of those funds. DHCS may regularly review the reports prepared by CA Participating Subdivisions about the use of CA Abatement Accounts Funds for compliance with the Distributor Settlement Agreement and this CA Distributor Allocation Agreement.
- b) If DHCS determines that a CA Participating Subdivision's use of CA Abatement Accounts Funds is inconsistent with the Distributor Settlement Agreement or this CA Distributor Allocation Agreement, whether through review of reports or information from any other sources, DHCS shall send a request to meet and confer with the CA Participating Subdivision. The parties shall meet and confer in an effort to resolve the concern.
- c) If the parties are unable to reach a resolution, DHCS may conduct an audit of the Subdivision's use of the CA Abatement Accounts Funds within one year of the request to meet and confer, unless the parties mutually agree in writing to extend the meet and confer time frame.
- d) If the concern still cannot be resolved, the State may bring a motion or action in the court where the State has filed its Consent Judgment to resolve the concern or otherwise enforce the requirements of the Distributor Settlement Agreement or this CA Distributor Allocation Agreement. However, in no case shall any audit be conducted, or motion be brought, as to a specific expenditure of funds, more than five years after the date on which the expenditure of the funds was reported to DHCS, in accordance with this agreement.
- e) Notwithstanding the foregoing, this Agreement does not limit the statutory or constitutional authority of any state or local agency or official to conduct audits, investigations, or other oversight activities, or to pursue administrative, civil, or criminal enforcement actions.

C. CA Subdivision Fund

- i. Fifteen percent of the total Settlement Fund payments will be allocated to the CA Subdivision Fund. All funds in the CA Subdivision Fund will be allocated among the Plaintiff Subdivisions that are Initial Participating Subdivisions. The funds will be used, subject to any limits imposed by the Distributor Settlement Agreement and this CA Distributor Allocation Agreement, to fund future Opioid Remediation and reimburse past opioid-related expenses, which may include fees and expenses related to litigation, and to pay the reasonable fees and expenses of the Special Master as set forth in Appendix 2.

The CA Subdivision Funds will be allocated as follows:

- a) First, funds in the CA Subdivision Fund shall be used to pay the Special Master's reasonable fees and expenses in accordance with the procedures and limitations set forth in Appendix 2 to this document;
- b) Second, funds will be allocated to Plaintiff Subdivisions that are Initial Participating Subdivisions that have been awarded Costs, as defined by and in accordance with the procedures and limitations set forth in Appendix 2 to this document.
- c) Funds remaining in the CA Subdivision Fund, which shall consist of no less than 50% of the total CA Subdivision Fund received in any year pursuant to Appendix 2, Section 2.c.v, will be distributed to Plaintiff Subdivisions that are Initial Participating Subdivisions, in relative proportion to the Local Allocation. These funds shall be used to fund future opioid-related projects and to reimburse past opioid-related expenses, which may include fees and expenses related to litigation against any Opioid Defendant.

D. Provision for State Back-Stop Agreement

On August 6, 2021, Judge Dan Polster of the U.S. District Court, Northern District of Ohio, Eastern Division, issued an order (ECF Docket Number 3814) ("MDL Fees Order") in the National Prescription Opiate Litigation (MDL No. 2804) "cap[ping] all applicable contingent fee agreements at 15%." Private counsel representing Plaintiff Subdivisions should seek its contingency fees and costs from the Attorney Fee Fund or Cost Funds under the Distributor Settlement Agreement and, if applicable, the Janssen Settlement Agreement.

A Plaintiff Subdivision may separately agree to use its share of the CA Subdivision Fund to pay for fees or costs incurred by its contingency-fee counsel ("State Back-Stop Agreement"), pursuant to Exhibit R, section I(R), of the Distributor Settlement Agreement and the MDL Fees Order, so long as such contingency fees do not exceed a total contingency fee of 15% of the total gross recovery of the Plaintiff Subdivision pursuant to the Distributor Settlement, and if applicable, the Janssen Settlement, inclusive of contingency fees from the national Attorney Fee Fund and this State Back-Stop Agreement. Before seeking fees or litigation costs and expenses from a State Back-Stop Agreement, private counsel representing Plaintiff Subdivisions must first seek contingency fees and costs from the Attorney Fee Fund or Cost Funds created under the Distributor Settlement Agreement and, if applicable, the Janssen Settlement Agreement. Further, private counsel may only seek reimbursement for litigation fees and costs that have not previously been reimbursed through prior settlements or judgments.

To effectuate a State Back-Stop Agreement pursuant to this section, an agreement in the form of Appendix 3 may be entered into by a Plaintiff Subdivision, private counsel, and the California Office of the Attorney General. The California Office of the Attorney General shall, upon the request of a Plaintiff Subdivision, execute any agreement executed by a Plaintiff Subdivision and its private counsel if it is in the form of Appendix 3. The California Office of the Attorney

General will also consider requests from Plaintiff Subdivisions to execute and enter into agreements presented in other forms.

For the avoidance of doubt, this agreement does not require a Plaintiff Subdivision to request or enter into a State Back-Stop Agreement, and no State Back-Stop Agreement shall impose any duty or obligation on the State of California or any of its agencies or officers, including without limitation the Attorney General.

5. State and Subdivision Reporting

- a) DHCS will prepare an annual written report regarding the State's use of funds from the settlement until those funds are fully expended and for one year thereafter. These reports will be made publicly available on the DHCS web site.
- b) Each CA Participating Subdivision that receives payments of funds from the settlement will prepare written reports at least annually regarding the use of those funds, until those funds are fully expended and for one year thereafter. These reports will also include a certification that all funds that the CA Participating Subdivision has received through the settlement have been used in compliance with the Distributor Settlement Agreement and this CA Distributor Allocation Agreement. The report will be in a form reasonably determined by DHCS. Prior to specifying the form of the report DHCS will confer with representatives of the Plaintiff Subdivisions.
- c) The State and all CA Participating Subdivisions receiving CA Abatement Accounts Funds will track all deposits and expenditures. Each such subdivision is responsible solely for the CA Abatement Accounts Funds it receives. A county is not responsible for oversight, reporting, or monitoring of CA Abatement Accounts Funds received by a city within that county that receives direct payment. Unless otherwise exempt, Subdivisions' expenditures and uses of CA Abatement Accounts Funds and other Settlement Funds will be subject to the normal budgetary and expenditure process of the Subdivision.
- d) Each Plaintiff Subdivision receiving CA Subdivision Funds will track all deposits and expenditures, as required by the Distributor Settlement Agreement and this CA Distributor Allocation Agreement. Among other things, Plaintiff Subdivisions using monies from the CA Subdivision Fund for purposes that do not qualify as Opioid Remediation must identify and include in their annual report, the amount and how such funds were used, including if used to pay attorneys' fees, investigation costs, or litigation costs. Pursuant to Section V(B)(2) of the Distributor Settlement Agreement, such information must also be reported to the Settlement Fund Administrator and the Distributors.
- e) In each year in which DHCS prepares an annual report DHCS will also host a meeting to discuss the annual report and the Opioid Remediation activities being carried out by the State and Participating Subdivisions.

6. Miscellaneous

- a) The State or any CA Participating Subdivision may bring a motion or action in the court where the State has filed its Consent Judgment to enforce the requirements of this CA Distributor Allocation Agreement. Before filing such a motion or action the State will meet and confer with any CA Participating Subdivision that is the subject of the anticipated motion or action, and vice versa.
- b) Except as provided in the Distributor Settlement Agreement, this CA Distributor Allocation Agreement is not enforceable by any party other than the State and the CA Participating Subdivisions. It does not confer any rights or remedies upon, and shall not be enforceable by, any third party.
- c) Except as provided in the CA Distributor Allocation Agreement, if any provision of this agreement or the application thereof to any person, entity, or circumstance shall, to any extent, be invalid or unenforceable, the remainder of this agreement, or the application of such provision to persons, entities, or circumstances other than those as to which it is invalid or unenforceable, will not be affected thereby, and each other provision of this agreement will be valid and enforceable to the fullest extent permitted by law.
- d) Except as provided in the Distributor Settlement Agreement, this agreement shall be governed by and interpreted in accordance with the laws of California.

APPENDIX 1

DISCLAIMER: The allocation percentages herein are estimates only and should not be relied on for decisions regarding legal rights, releases, waivers, or other decisions affecting current or potential legal claims. Percentages shown in the Plaintiff Subdivision Percentage column may change pursuant to Section 4.C. of the California State-Subdivision Agreement Regarding Distribution and Use of Settlement Funds—Distributor Settlement, whereas the percentages shown in the Abatement Percentage column should not change. Participating Subdivisions, underlying calculations, and the calculated allocation percentages are subject to change. Regarding the column herein entitled “Abatement Percentage,” pursuant to Section 4.B.e., the State of California will receive the Local Allocation share of any payment to the Settlement Fund that is attributable to a county or city that is eligible to become a CA Participating Subdivision, but that has not, as of the date of that payment to the Settlement Fund, become a Participating Subdivision. Regarding the column herein entitled “Plaintiff Subdivision Percentage,” payments allocated to a Plaintiff Subdivision, which is not an Initial Participating Subdivision, will be re-allocated among the Plaintiff Subdivisions that are Initial Participating Subdivisions. Regarding the column herein entitled “Abatement Percentage,” the annotation of “100%” refers to one-hundred percent (100%) of the California Abatement Account Funds received, pursuant to Section 4.B. Regarding the column herein entitled “Plaintiff Subdivision Percentage,” the annotation of “100%” refers to one-hundred percent (100%) of the California Subdivision Funds received, pursuant to Section 4.C. Regarding the column herein entitled “Weighted Allocation Percentage,” the annotation of “100%” refers to one-hundred percent (100%) of the combined and weighted allocation of the Abatement Percentage and the Plaintiff Subdivision Percentage.

APPENDIX 2

Cost Reimbursement Procedure

1. Additional defined terms:

- a) *Costs* means the reasonable amounts paid for the attorney and other City Attorney and County Counsel staff time for individuals employed by a Plaintiff Subdivision at the contractual rate, inclusive of benefits and overhead, together with amounts paid for court reporters, experts, copying, electronic research, travel, vendors, and the like, which were paid or incurred (i) prior to July 21, 2021 in litigation against any Opioid Defendant and/or (ii) in negotiating and drafting this CA Distributor Allocation Agreement. Costs does not include attorneys' fees, costs, or expenses incurred by private contingency fee counsel. No part of the CA Abatement Accounts Fund will be used to reimburse Costs.
- b) *First Claims Date* means October 1, 2023 or when all applications for reimbursement of Costs, in whole or in part, from funds available under Section X and Exhibit R of the Distributor Settlement Agreement or Section XI and Exhibit R of the Janssen Settlement Agreement, have been finally determined under the provisions of those agreements, whichever comes first.
- c) *Special Master* means a retired judicial officer or former public lawyer, not presently employed or retained by a Plaintiff Subdivision, who will aggregate, review, and determine the reasonable Costs to be awarded to each Plaintiff Subdivision that submits a claim for reimbursement of Costs. The Special Master will be selected by a majority vote of the votes cast by Plaintiff Subdivisions, with each such subdivision having one vote.
- d) *Plaintiff Subdivision Committee* means the committee of Plaintiff Subdivisions that will review and approve the invoices submitted by the Special Master reflecting his or her reasonable time and expenses.

2. Cost Reimbursement to Plaintiff Subdivision

- a) Purpose. Substantial resources have been expended to hold Opioid Defendants accountable for creating and profiting from the opioid crisis, and this effort has been a significant catalyst in creating a National Opioid Settlement with Distributors, Johnson & Johnson, and others.
- b) Claims Procedure.
 - i. If a Plaintiff Subdivision is eligible to seek reimbursement of Costs, in whole or in part, from funds available under Section X or Exhibit R of the Distributor Settlement Agreement or Section XI or Exhibit R of the Janssen Settlement Agreement, it must first make a timely application for reimbursement from such funds. To allow sufficient time for determination of those applications, no claim for

Costs to the CA Subdivision Fund under this Agreement may be made before the First Claims Date.

- ii. A Plaintiff Subdivision that wishes to be reimbursed from the CA Subdivision Fund must submit a claim to the Special Master no later than forty-five (45) days after the First Claims Date. The Special Master will then compile and redistribute the aggregated claim totals for each Plaintiff Subdivision via email to representatives of all the Plaintiff Subdivisions. A claim for attorney and staff time must list, for each attorney or staff member included in the claim, the following information: name, title, total hours claimed, hourly rate (including, if sought, benefits and share of overhead), and narrative summarizing the general nature of the work performed by the attorney or staff member. For reimbursement of “hard” costs, the subdivision may aggregate across a category (e.g., total for travel costs). It is the intention of the Plaintiff Subdivisions that submission of documents related to reimbursement of Costs does not waive any attorney-client privilege or exemptions to the California Public Records Act.
- iii. The Special Master may request, at his or her sole option, additional documents or details to assist in the final award of Costs.
- iv. The Special Master will review claims for reasonableness and will notify each Plaintiff Subdivision of the final determination of its claim, and will provide a list of all final awards to all Plaintiff Subdivisions by email or, upon request, via First Class U.S. Mail. Any Plaintiff Subdivision may ask the Special Master to reconsider any final award within twenty-one (21) days. The Special Master will make a final determination on any such reconsideration request within thirty (30) days of receipt.
- v. Any decision of the Special Master is final and binding, and will be considered under the California Arbitration Act, Code of Civil Procedure section 1280 et seq. as a final arbitration award. Nothing in this agreement is intended to expand the scope of judicial review of the final award for errors of fact or law, and the Parties agree that they may only seek to vacate the award if clear and convincing evidence demonstrates one of the factors set forth in Code of Civil Procedure, section 1286.2, subdivision (a). Plaintiff Subdivisions will have fourteen (14) days after all final awards are made, together with any final determination of a request for reconsideration, to seek review in the Superior Court of California, pursuant to Code of Civil Procedure, section 1285, where the State has filed its Consent Judgment.
- vi. The Special Master will prepare a report of Costs that includes his or her fees and expenses at least ninety (90) days before the Payment Date for each Annual Payment. The Special Master’s preparation of a report of Costs does not discharge a Plaintiff Subdivision’s reporting requirement under Section V.B.2 of the Distributor Agreement.
- vii. A member of the Plaintiff Subdivision Committee, which is a CA Participating Subdivision, will submit to the Settlement Fund Administrator and the Distributors a

report of the fees and expenses incurred by the Special Master pursuant to Section V.B.2 of the Distributor Agreement.

c) Claims Priority and Limitation.

- i. The Special Master will submit invoices for compensation of reasonable fees and expenses to the Plaintiff Subdivision Committee no later than ninety (90) days prior to the Payment Date for each Annual Payment. The Plaintiff Subdivision Committee will promptly review and, if reasonable, approve the Special Master's invoice for compensation. The Plaintiff Subdivision Committee will submit approved invoices to the Settlement Fund Administrator for payment. The Special Master's approved invoices have priority and will be paid first from the CA Subdivision Fund before any award of Costs, subject to the limitation in Section 2.c.v below.
- ii. Final Awards of Costs that do not exceed seventy-five thousand dollars (\$75,000.00) will be paid next in priority after the Special Master's approved invoices.
- iii. Final Awards of Costs in excess of seventy-five thousand dollars (\$75,000.00) will be paid proportionally from the funds remaining in that year's Annual Payment.
- iv. Any claim for Costs that is not paid in full will be allocated against the next year's distribution from the CA Subdivision Fund, until all approved claims for Costs are paid in full.
- v. In no event will more than 50% of the total CA Subdivision Fund received in any year be used to pay Costs or the Special Master's approved invoices.
- vi. In no event shall more than \$28 million of the total CA Subdivision Funds paid pursuant to the Distributor Settlement Agreement and the Janssen Settlement Agreement be used to pay Costs.

d) Collateral Source Payments and Third-Party Settlement.

- i. In the event a Plaintiff Subdivision is awarded compensation, in whole or in part, by any source of funds created as a result of litigation against an Opioid Defendant for its reasonable Costs, it will reduce its claim for Costs from the CA Subdivision Fund by that amount. If a Plaintiff Subdivision has already received a final award of Costs from the CA Subdivision Fund, it will repay the fund up to the prior award of Costs via a payment to the Settlement Fund Administrator or notify the Settlement Fund Administrator that its allocation from the next and subsequent Annual Payments should be reduced accordingly. If the Plaintiff Subdivision is repaying any prior award of Costs, that repayment will occur as soon as is feasible after the Plaintiff Subdivision's receipt of Cost funds from the collateral source, but no more than 90 days after its receipt from the collateral source. The Settlement Fund Administrator will add any repaid Costs to the CA Subdivision Fund.

- ii. In the event a Plaintiff Subdivision reaches a monetary settlement or compromise against any Opioid Defendant outside of the National Opioid Settlement, the monetary portion of such settlement, net of fees paid to outside contingency fee counsel and of funds earmarked strictly for abatement, will be credited against its Costs and the subdivision will be ineligible to recover those credited Costs from the CA Subdivision Fund. Plaintiff Subdivisions negotiating monetary settlements or compromises against any Opioid Defendant outside of the National Opioid Settlement will negotiate for funds to repay any Costs it previously received from the CA Subdivision Fund or for Costs it otherwise might be eligible to claim from the CA Subdivision Fund. If such a settlement is paid after all final approved claims for Costs by all Plaintiff Subdivisions are satisfied in full, the settling subdivision will reimburse the CA Subdivision Fund in that amount by making payment to the Settlement Fund Administrator to add to the CA Subdivision Fund in a manner consistent with the repayments described in section 2.d.i above.

APPENDIX 3

CALIFORNIA-SUBDIVISION BACKSTOP AGREEMENT

On August 6, 2021, Judge Polster of the US District Court for the Northern District of Ohio issued an Order (the Order), docket number 3814, in In Re National Prescription Opiate Litigation, MDL 2804, addressing contingent attorney fee contracts between political subdivisions eligible to participate in the Distributors Settlement and their counsel.

In light of the Order, and at the request of [SUBDIVISION], the [SUBDIVISION], its counsel [COUNSEL], and the California Attorney General, on behalf of the State of California, are entering into this California-Subdivision Backstop Agreement (Backstop Agreement).

[SUBDIVISION] and [COUNSEL] intend this Backstop Agreement to constitute a State Back-Stop Agreement as that term is used in the Order and in Exhibit R (Agreement on Attorneys' Fees, Expenses and Costs) of the Distributor Settlement Agreement.

Pursuant to this Backstop Agreement, [SUBDIVISION] may, subject to the limitations of the Distributor Settlement Agreement and CA Distributor Allocation Agreement, as well as any other limitations imposed by law, use funds that it receives from the Distributor Settlement CA Subdivision Fund to pay a contingent fee to [COUNSEL]. Any such payment from [SUBDIVISION] to [COUNSEL], together with any contingency fees that [COUNSEL] may receive from the national Attorney Fee Fund, will not exceed a total contingency fee of [PERCENTAGE NOT TO EXCEED 15%] of the total gross recovery of [SUBDIVISION] from the Distributors Settlement.

[COUNSEL] certify that they first sought fees and costs from the Attorney Fee Fund created under the Distributor Settlement Agreement before seeking or accepting payment under this backstop agreement. [COUNSEL] further certify that they are not seeking and will not accept payment under this backstop agreement of any litigation fees or costs that have been reimbursed through prior settlements or judgments.

The Attorney General is executing this agreement solely because the definition of "State Back-Stop Agreement" in Exhibit R of the Distributor Settlement Agreement requires such agreements to be between "a Settling State" and private counsel for a participating subdivision. Neither the California Attorney General nor the State of California have any obligations under this Backstop Agreement, and this Backstop Agreement does not require the payment of any state funds to [SUBDIVISION], [COUNSEL], or any other party.

[ATTORNEY GENERAL SIGNATURE BLOCK]

**Proposed California State-Subdivision Agreement
Regarding Distribution and Use of
Settlement Funds – Janssen Settlement**

1. Introduction

Pursuant to the Janssen Settlement Agreement, dated as of July 21, 2021, and any revision thereto (the “Janssen Settlement Agreement”), including Section VI and Exhibit O, the State of California proposes this agreement (the “CA Janssen Allocation Agreement”) to govern the allocation, distribution, and use of Settlement Fund payments made to California pursuant to Sections V and VI of the Janssen Settlement Agreement.¹ For the avoidance of doubt, this agreement does not apply to payments made pursuant to Sections X or XI of the Janssen Settlement Agreement.

Pursuant to Exhibit O, Paragraph 4, of the Janssen Settlement Agreement, acceptance of this CA Janssen Allocation Agreement is a requirement to be an Initial Participating Subdivision.

2. Definitions

- a) *CA Participating Subdivision* means a Participating Subdivision that is also (a) a Plaintiff Subdivision and/or (b) a Primary Subdivision with a population equal to or greater than 10,000. For the avoidance of doubt, eligible CA Participating Subdivisions are those California subdivisions listed in Exhibit C (excluding Litigating Special Districts) and/or Exhibit I to the Janssen Settlement Agreement.
- b) *Distributor Settlement Agreement* means the Distributor Settlement Agreement dated July 21, 2021, and any revision thereto.
- c) *CA Litigating Special District* means a Litigating Special District located in California. CA Litigating Special Districts include Downey Unified School District, Elk Grove Unified School District, Kern High School District, Montezuma Fire Protection District (located in Stockton, California), Santa Barbara San Luis Obispo Regional Health Authority, Inland Empire Health Plan, Health Plan of San Joaquin, and LA Care Health Plan.
- d) *Plaintiff Subdivision* means a Subdivision located in California, other than a CA Litigating Special District, that filed a lawsuit, on behalf of the Subdivision and/or through an official of the Subdivision on behalf of the People of the State of California, against one or more Opioid Defendants prior to October 1, 2020.
- e) *Opioid Defendant* means any defendant (including but not limited to Johnson & Johnson, Janssen Pharmaceuticals, Inc., Purdue Pharma L.P., Cardinal Health, Inc.,

¹ A parallel but separate agreement (the “CA Distributor Allocation Agreement”) will govern the allocation, distribution, and use of settlement fund payments under the Distributor Settlement Agreement. An eligible Subdivision may elect to participate in either the Distributor Settlement or the Janssen Settlement, or in both.

AmerisourceBergen Corporation, and McKesson Corporation) named in a lawsuit seeking damages, abatement, or other remedies related to or caused by the opioid public health crisis in any lawsuit brought by any state or local government on or before October 1, 2020.

3. General Terms

This agreement is subject to the requirements of the Janssen Settlement Agreement, as well as applicable law, and the Janssen Settlement Agreement governs over any inconsistent provision of this CA Janssen Allocation Agreement. Terms used in this CA Janssen Allocation Agreement have the same meaning as in the Janssen Settlement Agreement unless otherwise defined herein.

Pursuant to Section VI(D)(1) of the Janssen Settlement Agreement, (a) all Settlement Fund payments will be used for Opioid Remediation, except as allowed by Section VI(B)(2) of the Janssen Settlement Agreement; and (b) at least seventy percent (70%) of Settlement Fund payment amounts will be used solely for future Opioid Remediation.

4. State Allocation

The Settlement Fund payments to California,² pursuant to the Janssen Settlement Agreement, shall be allocated as follows: 15% to the State Fund; 70% to the Abatement Accounts Fund; and 15% to the Subdivision Fund. For the avoidance of doubt, all funds allocated to California from the Settlement Fund shall be combined pursuant to this CA Janssen Allocation Agreement, and 15% of that total shall be allocated to the State of California (the “State of California Allocation”), 70% to the California Abatement Accounts Fund (“CA Abatement Accounts Fund”), and 15% to the California Subdivision Fund (“CA Subdivision Fund”).

A. State of California Allocation

Fifteen percent of the total Settlement Fund payments will be allocated to the State and used by the State for future Opioid Remediation.

B. CA Abatement Accounts Fund

i. Allocation of CA Abatement Accounts Funds

- a) Seventy percent of the total Settlement Fund payments will be allocated to the CA Abatement Accounts Fund. The funds in the CA Abatement Accounts Fund will be allocated based on the allocation model developed in connection with the proposed negotiating class in the National Prescription Opiate Litigation (MDL No. 2804), as adjusted to reflect only those cities and counties that are eligible, based on population or litigation status, to become a CA Participating Subdivision. The percentage from the CA

² For purposes of clarity, use of the term “California” refers to the geographic territory of California and the state and its local governments therein. The term “State” or “State of California” refers to the State of California as a governmental unit.

Abatement Accounts Fund allocated to each CA Participating Subdivision is set forth in Appendix 1 in the column entitled abatement percentage (the “Local Allocation”). For the avoidance of doubt, CA Litigating Special Districts and California towns, cities, and counties with a population less than 10,000 are not eligible to receive an allocation of CA Abatement Accounts Funds.

- b) A CA Participating Subdivision that is a county, or a city and county, will be allocated its Local Allocation share as of the date on which it becomes a Participating Subdivision, and will receive payments as provided in the Janssen Settlement Agreement.
- c) A CA Participating Subdivision that is a city will be allocated its Local Allocation share as of the date on which it becomes a Participating Subdivision. The Local Allocation share for a city that is a CA Participating Subdivision will be paid to the county in which the city is located, rather than to the city, so long as: (a) the county is a CA Participating Subdivision, and (b) the city has not advised the Settlement Fund Administrator that it requests direct payment at least 60 days prior to a Payment Date. A Local Allocation share allocated to a city but paid to a county is not required to be spent exclusively for abatement activities in that city, but will become part of the county’s share of the CA Abatement Accounts Funds, which will be used in accordance with Section 4.B.ii (Use of CA Abatement Accounts Funds) and reported on in accordance with Section 4.B.iii (CA Abatement Accounts Fund Oversight).
- d) A city within a county that is a CA Participating Subdivision may opt in or out of direct payment at any time, and it may also elect direct payment of only a portion of its share, with the remainder going to the county, by providing notice to the Settlement Fund Administrator at least 60 days prior to a Payment Date. For purposes of this CA Janssen Allocation Agreement, the Cities of Los Angeles, Oakland, San Diego, San Jose and Eureka will be deemed to have elected direct payment if they become Participating Subdivisions.
- e) The State will receive the Local Allocation share of any payment to the Settlement Fund that is attributable to a county or city that is eligible to become a CA Participating Subdivision, but that has not, as of the date of that payment to the Settlement Fund, become a Participating Subdivision.
- f) Funds received by a CA Participating Subdivision, and not expended or encumbered within five years of receipt and in accordance with the Janssen Settlement Agreement and this CA Janssen Allocation Agreement shall be transferred to the State; provided however, that CA Participating Subdivisions have seven years to expend or encumber CA Abatement Accounts Funds designated to support capital outlay projects before they must be transferred to the State. This provision shall not apply to the Cost Reimbursement Funds, which shall be controlled by Appendix 2.

ii. Use of CA Abatement Accounts Funds

- a) The CA Abatement Accounts Funds will be used for future Opioid Remediation in one or more of the areas described in the List of Opioid Remediation Uses, which is Exhibit E to the Janssen Settlement Agreement.
- b) In addition to this requirement, no less than 50% of the funds received by a CA Participating Subdivision from the Abatement Accounts Fund in each calendar year will be used for one or more of the following High Impact Abatement Activities:
 - (1) the provision of matching funds or operating costs for substance use disorder facilities within the Behavioral Health Continuum Infrastructure Program;
 - (2) creating new or expanded Substance Use Disorder (“SUD”) treatment infrastructure;
 - (3) addressing the needs of communities of color and vulnerable populations (including sheltered and unsheltered homeless populations) that are disproportionately impacted by SUD;
 - (4) diversion of people with SUD from the justice system into treatment, including by providing training and resources to first and early responders (sworn and non-sworn) and implementing best practices for outreach, diversion and deflection, employability, restorative justice, and harm reduction; and/or
 - (5) interventions to prevent drug addiction in vulnerable youth.
- c) The California Department of Health Care Services (“DHCS”) may add to this list (but not delete from it) by designating additional High Impact Abatement Activities. DHCS will make reasonable efforts to consult with stakeholders, including the CA Participating Subdivisions, before adding additional High Impact Abatement Activities to this list.
- d) For the avoidance of doubt, and subject to the requirements of the Janssen Settlement Agreement and applicable law, CA Participating Subdivisions may form agreements or ventures, or otherwise work in collaboration with, federal, state, local, tribal or private sector entities in pursuing Opioid Remediation activities funded from the CA Abatement Accounts Fund. Further, provided that all CA Abatement Accounts Funds are used for Opioid Remediation consistent with the Janssen Settlement Agreement and this CA Janssen Allocation Agreement, a county and any cities or towns within the county may agree to reallocate their respective shares of the CA Abatement Accounts Funds among themselves, provided that any direct distribution may only be to a CA Participating Subdivision and any CA Participating Subdivision must agree to their share being reallocated.

iii. CA Abatement Accounts Fund Oversight

- a) Pursuant to Section 5 below, CA Participating Subdivisions receiving settlement funds must prepare and file reports annually regarding the use of those funds. DHCS may regularly review the reports prepared by CA Participating Subdivisions about the use of CA Abatement Accounts Funds for compliance with the Janssen Settlement Agreement and this CA Janssen Allocation Agreement.
- b) If DHCS determines that a CA Participating Subdivision's use of CA Abatement Accounts Funds is inconsistent with the Janssen Settlement Agreement or this CA Janssen Allocation Agreement, whether through review of reports or information from any other sources, DHCS shall send a request to meet and confer with the CA Participating Subdivision. The parties shall meet and confer in an effort to resolve the concern.
- c) If the parties are unable to reach a resolution, DHCS may conduct an audit of the Subdivision's use of the CA Abatement Accounts Funds within one year of the request to meet and confer, unless the parties mutually agree in writing to extend the meet and confer time frame.
- d) If the concern still cannot be resolved, the State may bring a motion or action in the court where the State has filed its Consent Judgment to resolve the concern or otherwise enforce the requirements of the Janssen Settlement Agreement or this CA Janssen Allocation Agreement. However, in no case shall any audit be conducted, or motion be brought, as to a specific expenditure of funds, more than five years after the date on which the expenditure of the funds was reported to DHCS, in accordance with this agreement.
- e) Notwithstanding the foregoing, this Agreement does not limit the statutory or constitutional authority of any state or local agency or official to conduct audits, investigations, or other oversight activities, or to pursue administrative, civil, or criminal enforcement actions.

C. CA Subdivision Fund

- i. Fifteen percent of the total Settlement Fund payments will be allocated to the CA Subdivision Fund. All funds in the CA Subdivision Fund will be allocated among the Plaintiff Subdivisions that are Initial Participating Subdivisions. The funds will be used, subject to any limits imposed by the Janssen Settlement Agreement and this CA Janssen Allocation Agreement, to fund future Opioid Remediation and reimburse past opioid-related expenses, which may include fees and expenses related to litigation, and to pay the reasonable fees and expenses of the Special Master as set forth in Appendix 2.

The CA Subdivision Funds will be allocated as follows:

- a) First, funds in the CA Subdivision Fund shall be used to pay the Special Master's reasonable fees and expenses in accordance with the procedures and limitations set forth in Appendix 2 to this document;
- b) Second, funds will be allocated to Plaintiff Subdivisions that are Initial Participating Subdivisions that have been awarded Costs, as defined by and in accordance with the procedures and limitations set forth in Appendix 2 to this document.
- c) Funds remaining in the CA Subdivision Fund, which shall consist of no less than 50% of the total CA Subdivision Fund received in any year pursuant to Appendix 2, Section 2.c.v, will be distributed to Plaintiff Subdivisions that are Initial Participating Subdivisions, in relative proportion to the Local Allocation. These funds shall be used to fund future opioid-related projects and to reimburse past opioid-related expenses, which may include fees and expenses related to litigation against any Opioid Defendant.

D. Provision for State Back-Stop Agreement

On August 6, 2021, Judge Dan Polster of the U.S. District Court, Northern District of Ohio, Eastern Division, issued an order (ECF Docket Number 3814) ("MDL Fees Order") in the National Prescription Opiate Litigation (MDL No. 2804) "cap[ping] all applicable contingent fee agreements at 15%." Private counsel representing Plaintiff Subdivisions should seek its contingency fees and costs from the Attorney Fee Fund or Cost Funds under the Janssen Settlement Agreement and, if applicable, the Distributor Settlement Agreement.

A Plaintiff Subdivision may separately agree to use its share of the CA Subdivision Fund to pay for fees or costs incurred by its contingency-fee counsel ("State Back-Stop Agreement"), pursuant to Exhibit R, section I(R), of the Janssen Settlement Agreement and the MDL Fees Order, so long as such contingency fees do not exceed a total contingency fee of 15% of the total gross recovery of the Plaintiff Subdivision pursuant to the Janssen Settlement, and if applicable, the Distributor Settlement, inclusive of contingency fees from the national Attorney Fee Fund and this State Back-Stop Agreement. Before seeking fees or litigation costs and expenses from a State Back-Stop Agreement, private counsel representing Plaintiff Subdivisions must first seek contingency fees and costs from the Attorney Fee Fund or Cost Funds created under the Janssen Settlement Agreement and, if applicable, the Distributor Settlement Agreement. Further, private counsel may only seek reimbursement for litigation fees and costs that have not previously been reimbursed through prior settlements or judgments.

To effectuate a State Back-Stop Agreement pursuant to this section, an agreement in the form of Appendix 3 may be entered into by a Plaintiff Subdivision, private counsel, and the California Office of the Attorney General. The California Office of the Attorney General shall, upon the request of a Plaintiff Subdivision, execute any agreement executed by a Plaintiff Subdivision and its private counsel if it is in the form of Appendix 3. The California Office of the Attorney

General will also consider requests from Plaintiff Subdivisions to execute and enter into agreements presented in other forms.

For the avoidance of doubt, this agreement does not require a Plaintiff Subdivision to request or enter into a State Back-Stop Agreement, and no State Back-Stop Agreement shall impose any duty or obligation on the State of California or any of its agencies or officers, including without limitation the Attorney General.

5. State and Subdivision Reporting

- a) DHCS will prepare an annual written report regarding the State's use of funds from the settlement until those funds are fully expended and for one year thereafter. These reports will be made publicly available on the DHCS web site.
- b) Each CA Participating Subdivision that receives payments of funds from the settlement will prepare written reports at least annually regarding the use of those funds, until those funds are fully expended and for one year thereafter. These reports will also include a certification that all funds that the CA Participating Subdivision has received through the settlement have been used in compliance with the Janssen Settlement Agreement and this CA Janssen Allocation Agreement. The report will be in a form reasonably determined by DHCS. Prior to specifying the form of the report DHCS will confer with representatives of the Plaintiff Subdivisions.
- c) The State and all CA Participating Subdivisions receiving CA Abatement Accounts Funds will track all deposits and expenditures. Each such subdivision is responsible solely for the CA Abatement Accounts Funds it receives. A county is not responsible for oversight, reporting, or monitoring of CA Abatement Accounts Funds received by a city within that county that receives direct payment. Unless otherwise exempt, Subdivisions' expenditures and uses of CA Abatement Accounts Funds and other Settlement Funds will be subject to the normal budgetary and expenditure process of the Subdivision.
- d) Each Plaintiff Subdivision receiving CA Subdivision Funds will track all deposits and expenditures, as required by the Janssen Settlement Agreement and this CA Janssen Allocation Agreement. Among other things, Plaintiff Subdivisions using monies from the CA Subdivision Fund for purposes that do not qualify as Opioid Remediation must identify and include in their annual report, the amount and how such funds were used, including if used to pay attorneys' fees, investigation costs, or litigation costs. Pursuant to Section VI(B)(2) of the Janssen Settlement Agreement, such information must also be reported to the Settlement Fund Administrator and Janssen.
- e) In each year in which DHCS prepares an annual report DHCS will also host a meeting to discuss the annual report and the Opioid Remediation activities being carried out by the State and Participating Subdivisions.

6. Miscellaneous

- a) The State or any CA Participating Subdivision may bring a motion or action in the court where the State has filed its Consent Judgment to enforce the requirements of this CA Janssen Allocation Agreement. Before filing such a motion or action the State will meet and confer with any CA Participating Subdivision that is the subject of the anticipated motion or action, and vice versa.
- b) Except as provided in the Janssen Settlement Agreement, this CA Janssen Allocation Agreement is not enforceable by any party other than the State and the CA Participating Subdivisions. It does not confer any rights or remedies upon, and shall not be enforceable by, any third party.
- c) Except as provided in the CA Janssen Allocation Agreement, if any provision of this agreement or the application thereof to any person, entity, or circumstance shall, to any extent, be invalid or unenforceable, the remainder of this agreement, or the application of such provision to persons, entities, or circumstances other than those as to which it is invalid or unenforceable, will not be affected thereby, and each other provision of this agreement will be valid and enforceable to the fullest extent permitted by law.
- d) Except as provided in the Janssen Settlement Agreement, this agreement shall be governed by and interpreted in accordance with the laws of California.

APPENDIX 1

DISCLAIMER: The allocation percentages herein are estimates only and should not be relied on for decisions regarding legal rights, releases, waivers, or other decisions affecting current or potential legal claims. Percentages shown in the Plaintiff Subdivision Percentage column may change pursuant to Section 4.C. of the California State-Subdivision Agreement Regarding Distribution and Use of Settlement Funds—Janssen Settlement, whereas the percentages shown in the Abatement Percentage column should not change. Participating Subdivisions, underlying calculations, and the calculated allocation percentages are subject to change. Regarding the column herein entitled “Abatement Percentage,” pursuant to Section 4.B.e., the State of California will receive the Local Allocation share of any payment to the Settlement Fund that is attributable to a county or city that is eligible to become a CA Participating Subdivision, but that has not, as of the date of that payment to the Settlement Fund, become a Participating Subdivision. Regarding the column herein entitled “Plaintiff Subdivision Percentage,” payments allocated to a Plaintiff Subdivision, which is not an Initial Participating Subdivision, will be re-allocated among the Plaintiff Subdivisions that are Initial Participating Subdivisions. Regarding the column herein entitled “Abatement Percentage,” the annotation of “100%” refers to one-hundred percent (100%) of the California Abatement Account Funds received, pursuant to Section 4.B. Regarding the column herein entitled “Plaintiff Subdivision Percentage,” the annotation of “100%” refers to one-hundred percent (100%) of the California Subdivision Funds received, pursuant to Section 4.C. Regarding the column herein entitled “Weighted Allocation Percentage,” the annotation of “100%” refers to one-hundred percent (100%) of the combined and weighted allocation of the Abatement Percentage and the Plaintiff Subdivision Percentage.
